

Super IDG 2331

Chapter 2331: The Battle of the Strong!

“Kill!”

Yang Luo roared as he soared into the sky amidst the encirclement of tens of thousands, charging at Ancient Tuo Zen Master, You Xianzhan, and Ji Yunhe!

“Brothers, let’s fight!”

“Annihilate these curs!”

Bujie, Ning Jianfeng, and others also bellowed, rushing towards those who were besieging them!

Thus, a great earth-shattering battle erupted!

Over the past month and more, under the guidance and special training of Gu Tianshang and the others, Bujie and his companions had also rapidly improved their strength!

And now, it was time to test the results of their cultivation!

Therefore, even when they were surrounded and attacked by hundreds of thousands, they were not afraid and faced the battle head-on!

They pushed forward relentlessly, slaughtering all those who came at them!

Far above in the distance.

“Gu Tianshang, prepare to die!”

Kuai Xianhong roared, waving his sleeve!

“Jiuying Immortal Saber!”

Shoo!

A black saber whistled out from his sleeve, growing thousands of feet in the wind like a huge mountain range, pressing down on Gu Tianshang!

He was an ancestor of the Jiuying Family, inheriting the bloodline of the ancient ferocious beast Jiuying.

His cultivation had already reached the Heavenly Immortal Perfected Stage many years ago, his power reaching the skies!

“Fiend Celestial Halberd!”

Gu Tianshang also waved his sleeve!

Shoo!

A black and red halberd whistled out, instantly expanding thousands of feet like a colossal pillar of the Demon Palace, striking back!

In the blink of an eye!

Boom, boom, boom!

The Fiend Celestial Halberd and Jiuying Immortal Saber, both Immortal Weapons, violently collided!

It was like two giant metal mountains crashing into each other, setting off an earth-shattering explosion!

Boom, boom, boom!

Demonic qi and ferocious qi rampaged, clashing against each other, shaking the heavens and earth!

The void where they clashed suddenly shattered and exploded, revealing a massive void cave!

Under this collision!

The Fiend Celestial Halberd and Jiuying Immortal Saber were both sent flying backward, steadily shrinking before being firmly caught by Gu Tianshang and Kuai Xianhong!

Kuai Xianhong held the saber, slashing heavily towards Gu Tianshang!

“Jiuying Chaotic Sky Saber!”

Swoosh!

With one slash, it transformed into nine huge swords, each thousands of feet in size, swooping down on Gu Tianshang!

And a behemoth thousands of feet large surged forth!

This beast, with the body of an ox and tail of a dragon, bore nine snake heads, its eyes blood-red and fierce—it was indeed one of the ancient ferocious beasts, Jiuying!

“Six Paths God Demon Halberd!”

Gu Tianshang, holding the halberd, swept it across!

Boom, boom, boom!

A gigantic halberd thousands of feet large collapsed the skies, sweeping through the void, its terrifying power overwhelming!

As the halberd swept out, a towering Fiend Celestial also rose up, surging towards Jiuying!

In the blink of an eye!

Boom, boom, boom!

The Fiend Celestial and Jiuying collided in the sky, unleashing a thunderous rumble!

Boom, boom, boom!

The giant halberd and the nine huge swords also collided in the sky!

The sounds of impact rose and fell one after another, echoing through the skies, shaking the eight desolations!

The sky above had cracked open a tens of thousands of meters long fissure, like a black abyss emerging!

After one collision!

Both the Fiend Celestial and Jiuying were sent flying!

But soon, the Fiend Celestial and Jiuying stabilized their bodies and continued charging at each other!

As for Gu Tianshang and Kuai Xianhong, they were locked in a stand-off, neither of them retreating an inch!

Kuai Xianhong sneered, "Gu Tianshang, I was defeated by you back then and heavily injured by you; I always kept this grudge in my heart!

Now that I've fully awakened the Jiuying bloodline, my strength has increased by untold times compared to before—"you're no longer my match!

Today, you will undoubtedly die by my hands!"

"Is that so?"

Gu Tianshang sneered, "Do you think only your strength has increased, and mine has not?"

"Even if your cultivation is on par with mine, the very thought of you killing me is utterly preposterous!"

Kuai Xianhong's eyes flickered with killing intent as he thundered, "Let's see if today it will be your death or my survival!"

As he spoke, he raised his left hand and threw a punch with explosive force!

"Jiuying Breaking Kill Fist!"

With the punch unleashed, the heavens trembled, mountains shuddered, the power of the fist reigned supreme, wild and tyrannical!

A gigantic black fist, thousands of zhang in size, crushed through layers of the Void, smashing towards Gu Tianshang!

“Six Paths God Demon Fist!”

Gu Tianshang, undaunted, clenched his left fist and struck back fiercely!

This punch was simple and direct, primitive and ancient, majestic and atmospheric, as if it sought to explode the heavens and earth, to shatter the sun, the moon, and the stars!

A black and red giant fist, thousands of zhang in size, like a colossal meteorite, crashed upwards!

Boom!

The fists collided heavily, like two celestial bodies smashing into each other, shaking the heaven and earth to their core!

Waves of energy and light swept out like landslides and tsunamis in all directions!

Those who were close to this place were either blasted away or annihilated in an instant!

After all, this was a battle between two Heavenly Immortal Perfected Stage powerhouses, not something ordinary people could meddle in!

Under this colossal collision!

The sky above directly blasted open into a vast Dark Void!

Gu Tianshang and Kuai Xianhong were both sent flying!

But quickly, Gu Tianshang and Kuai Xianhong stabilized their forms and charged at each other again!

On the way to the clash!

Gu Tianshang's body shook violently!

"Fiend Celestial Thousand Hands!"

Thousands of immense arms condensed instantly behind him!

“Jiuying Avatars!”

Kuai Xianhong also shook violently, unleashing a powerful divine power.

Eight figures, identical to Kuai Xianhong, coalesced into being!

These eight figures were solid and each held a saber; the pressure and aura they radiated were overwhelmingly terrifying, they hardly seemed like mere avatars!

Kuai Xianhong smirked and declared, “Gu Tianshang, your ‘Fiend Celestial Thousand Hands’ may indeed be formidable!

But, the ‘Jiuying Avatars’ technique that I have unleashed is specifically designed to counter that move!”

“Kill!”

Gu Tianshang said no more, uttering the sound of killing, he brandished his halberd and charged at Kuai Xianhong!

Kuai Xianhong, holding his saber, led his eight avatars and surged forward to a murderous assault!

In the blink of an eye!

Gu Tianshang raised his right hand, and a halberd came slashing down fiercely!

The thousands of arms that had condensed behind him clenched into fists, hammering down at Kuai Xianhong!

The huge halberd loomed over, and massive fists caused chaos in heaven and earth, dominantly supreme!

Kuai Xianhong, along with his eight avatars, swung their sabers with all their might!

Nine huge swords tore through the sky, causing turmoil across eight desolate expanses, terrifying beyond belief!

Clang!

Clang!

Clang!

Boom!

Boom!

Boom!

The sounds of collision and explosions echoed non-stop, deafening!

Great swathes of light and energy burst forth above, rippling outwards in all directions!

Amidst this fierce and ferocious confrontation!

Gu Tianshang and Kuai Xianhong were both sent flying again!

The eight avatars split off by Kuai Xianhong were also sent flying!

However, both parties quickly stabilized after being sent flying and once again lunged at each other!

Boom, boom, boom!...

Amidst a series of earth-shattering explosions!

The multitude of arms conjured by Gu Tianshang were massively destroyed!

However, four of Kuai Xianhong's avatars were also directly exploded!

Moreover, several wounds cracked open on Kuai Xianhong's skin, with fresh blood splattering into the air!

This only served to infuriate him even more!

After all these years, could it be that he was still no match for this demon?

That's impossible!

"Kill!!!"

Kuai Xianhong roared furiously, his hair and beard flying wildly, his expression fierce, as he continued his frenzied onslaught!

Gu Tianshang, utterly fearless, his expression cold, clashed head-on!

Chapter 2332: Domineering and Unmatched!

The two battled until the skies darkened and the earth dimmed, their blood boiling with fervor, escalating the fight from the ground to the dark void above!

Both knew very well that if they fought on the ground, their own people might get injured!

That's why they took the fight away from the ground, clashing above in the dark emptiness of the firmament!

At this moment.

In the dark void above.

Clang and bang!

The uninterrupted sounds of collisions and explosions resonated!

In the midst of fierce battle!

Gu Tianshang directly obliterated all eight clones split off by Kuai Xianhong!

Although only a dozen or so of Gu Tianshang's giant arms remained, his dominance was still unmatched!

“Kuai Xianhong, you want to kill me?

Come on!”

Like an enraged Fiend Celestial, he wielded a halberd and charged ferociously towards Kuai Xianhong!

Kuai Xianhong’s face dramatically changed as he swung his hand mightily!

“Nine Layers of Immortal Sects!”

Accompanied by the thunderous roars!

Nine immense black doors, each towering thousands of feet tall, radiated black light and surged upwards!

Like nine towering mountains blocking the way!

“Explode for me!”

Gu Tianshang bellowed, swinging his halberd, slashing at the nine Immortal doors!

The dozen giant arms behind him clenched into fists, unleashing a barrage!

A dozen colossal fists rolled and crushed down like meteorites raining down from above!

In an instant!

Boom and rumble!

The nine Immortal doors were instantaneously crushed, turning into massive amounts of energy and light, rippling away!

Gu Tianshang plowed through the vast energy tide with another swing of his halberd, continuing his onslaught towards Kuai Xianhong!

The colossal arms behind him clenched into fists, all swinging in unison, raining down blows!

Kuai Xianhong felt a surge of panic, desperately wielding his saber in a mighty slash!

Clang and clatter!

Saber and halberd collided heavily, rising thunderous, earth-shaking noises!

Even though Kuai Xianhong withstood the massive halberd sliced by Gu Tianshang, he could not withstand the flurry of giant fists pounding down!

Thump, thump, thump!

Each colossal fist hammered down heavily on Kuai Xianhong's body, bursting with dull thuds upon impact!

The defensive shield Kuai Xianhong had conjured exploded, bursting into dazzling light and energy!

“Ah—!”

He cried out in pain, sent flying hundreds of meters away before barely stabilizing his form.

He distinctly felt blood churning within him, coughing up a mouthful of fresh blood.

After blasting Kuai Xianhong away.

Gu Tianshang, without any hesitation, charged again to continue the battle!

“Damn it!”

Kuai Xianhong raged furiously, sharply exclaiming: “Gu Tianshang, I refuse to believe I’ll lose to you again.

I just can’t accept it!”

Saying this, his entire body jolted, directly activating his Dharma Idol!

A colossal giant, thousands of feet tall and wielding a saber, loomed into existence!

“Gu Tianshang, I’m going all out against you!”

He unleashed a roar, leading his Dharma Idol straight towards Gu Tianshang!

Gu Tianshang stood his ground, unflinching, his entire body trembled as he too activated his Dharma Idol!

Another gigantic figure, thousands of feet tall and wielding a halberd, rapidly rose up!

“Even if you show your true mettle, you’re still no match for me!”

Gu Tianshang shouted, leading his Dharma Idol, launching himself at Kuai Xianhong!

In the blink of an eye!

Clang and rumble!

The two Dharma Idols collided in mid-air instantly, the impact bursting with sounds so vehement they could split clouds and crack stones!

Light pulsed, energy surged, and the chaotic currents in the dark void churned wildly!

After a cataclysmic collision!

The two Dharma Idols swung their halberds and sabers, locked in fierce combat!

Gu Tianshang and Kuai Xianhong also engaged in a frenzied fight!

During the battle, both their skins tore continuously, with blood splattering across the sky!

Even if it was wound for wound, blood for blood!

Yet, Gu Tianshang was constantly suppressing Kuai Xianhong!

Kuai Xianhong's injuries were far more severe than those of Gu Tianshang!

After nearly a hundred rounds of close combat!

Kuai Xianhong steadied his body and began to mobilize the energy within him, then with a wave of his hand!

“Jiuying Extinguishing Immortal Map!”

A colossal ancient map thousands of zhang in size began to condense overhead!

At the center of the ancient map, the Jiuying Totem was inscribed like the nine-layered heaven, pressing down heavily towards Gu Tianshang!

Boom, boom, boom!

The layers of the Void below were all crushed to smithereens!

Beams of light blasted down from the ancient map!

A sky-full of runes also emerged from the ancient map, overwhelming and suppressing everything below!

Gu Tianshang stood tall and unafraid amidst the Dark Void, with a wave of his hand!

“Six Paths God Demon Map!”

A massive ancient map of black and red, thousands of zhang wide, came together, embodying the Six Paths Phenomenon, intent on suppressing everything above!

“Roar, roar, roar!”

Countless Fiend Celestial Illusions howled and charged upward!

Clang, clang, clang!...

Boom, boom, boom!...

The clashing and booming sounds were incessant!

This Dark Void was directly stirred into a boiling frenzy, unspeakably terrifying!

When the two ancient maps exploded!

Gu Tianshang and Kuai Xianhong charged towards each other to continue their battle!

Their fight became even more intense!

At this time.

In a distant expanse of the Dark Void.

Linghu Wuxie found himself besieged by two Heavenly Immortals!

One was Fu Haijiang, the Ancestor of the Yazi Family, and the other was Tian Bao Ancient Buddha!

Both had the cultivation of the Late Stage of Heavenly Immortal, one inherited the ferocious beast Yazi's bloodline and the other's Buddhist techniques reached the heavens, both of their strengths were incredibly formidable!

However, Linghu Wuxie was at the Heavenly Immortal Perfected Stage!

Even though he was not a match for Gu Tianshang at the moment, he was still not someone the average person could contend with!

Despite their united force, Linghu Wuxie managed effortlessly, counteracting their moves with ease!

"Heavenly Buddha Demon Extermination Staff!"

“Yazi Sky-cutting Sword!”

With furious roars, Tian Bao Ancient Buddha and Fu Haijiang swung their golden Buddhist staff and black gold long sword, launching fierce attacks on Linghu Wuxie!

The colossal golden huge staff and black gold huge sword stirred up the winds and clouds, tearing through the Void as if they intended to obliterate everything!

Faced with their ferocious attack!

Linghu Wuxie gripped the Evil God Blade tightly in both hands and struck with all his might!

“Evil God Sky Splitting Saber!”

Swoosh!

A gigantic black purple huge sword thousands of zhang long split open layer upon layer of the Void, drawing a long crescent arc in the Void to meet the onslaught!

Boom, boom, boom!

The huge sword, huge staff, and huge golden sword collided in the air, unleashing a world-shaking noise!

Although Tian Bao Ancient Buddha and Fu Haijiang were incredibly aggressive, they still couldn’t suppress Linghu Wuxie and were blocked by him!

“Get lost!”

Linghu Wuxie bellowed fiercely and shook both arms!

Clang, clang, clang!

Both Tian Bao Ancient Buddha and Fu Haijiang were simultaneously sent flying!

After being hurled hundreds of meters away!

Tian Bao Ancient Buddha stomped down mid-air and bellowed!

In an instant!

“Boundless Buddha Sea!”

A sea of golden light carrying the vast and boundless Buddhist aura surged towards Linghu Wuxie!

“Yazi Destroying World!”

Fu Haijiang waved his hand and thundered!

“Roar!”

A Behemoth thousands of zhang tall rose up, charging towards Linghu Wuxie!

This Behemoth had the body of a jackal and the head of a dragon, wildly savage and murderously fierce, terrifying beyond words!

Linghu Wuxie, still unflinching and with a cold demeanor, quickly mobilized the energy inside him, waving his hand!

“Evil God Nine Killings Seal!”

Nine Directions Seal swiftly took shape, expanding thousands of zhang in size, like nine towering Mount Es, crashing upwards!

Chapter 2333: No Possibility of Survival!

Boom boom boom!

Amid the thunderous explosions,

The Nine Directions Seal shattered six directions!

The Golden Buddha Sea was broken, Yazi was shattered into an energy tidal wave, rushing in all directions!

The remaining three seals continued to suppress and attack Tian Bao Ancient Buddha and Fu Haijiang!

Tian Bao Ancient Buddha and Fu Haijiang swung their Buddhist staff and long sword, smashing them out!

Boom boom boom!

The three seals simultaneously burst into explosions in the sky!

Linghu Wuxie, without any hesitation, swung his hand again!

“Evil God Destruction Map!”

A huge ancient map thousands of feet in size, engraved with Evil God Totem and various mysterious runes, condensed!

Surrounding the ancient map was a surging evil energy, which instantly flew out, like a piece of the sky, pressing towards Tian Bao Ancient Buddha and Fu Haijiang!

Tian Bao Ancient Buddha's face turned cold, continuously mobilizing the energy within his body, emitting a shaking roar!

"Ten Directions Ancient Buddha!"

Instantly!

Ten giant golden Buddhas, thousands of feet tall, rose, punching, palming, and pressing attacking towards the Evil God Destruction Map!

Fu Haijiang vigorously swung his sword!

"Yazi Immortal Slaying Sword!"

Countless flying swords condensed into form, transforming into rivers of swords, rushing upwards!

Boom boom boom!

The sounds of collisions and explosions continued uninterrupted, shaking heaven and earth!

One by one, the golden Buddhas, and the rivers of swords shattered and exploded!

The ancient map conjured by Linghu Wuxie also exploded in the sky!

The remaining two golden Buddhas continued their assault on Linghu Wuxie!

The remaining three rivers of swords also crazily rushed upwards!

Linghu Wuxie still did not retreat a step, stepping down in mid-air!

“Evil God Chains!”

Shushushu!

Immortal Chains burning with black purple flames surged out from the void surrounding!

The two golden Buddhas were entangled and torn apart in the sky!

The incoming rivers of swords were also all destroyed!

Large patches of energy light rain splashed down from the Dark Void, terrifyingly horrifying!

The Immortal Chains of evil fire continued to sweep towards Tian Bao Ancient Buddha and Fu Haijiang!

Both men, shocked, continuously swung their Buddhist staff and long sword, shattering all incoming Immortal Chains!

Linghu Wuxie, unhurried, continued to mobilize the energy inside him, and then stepped down heavily in mid-air!

“Nine Death Evil God’s Descent!”

In the blink of an eye!

Nine light arrays formed in front of him!

Boom boom boom!

As nine beams of light shot into the sky,

Nine giant evil gods, thousands of feet tall, each holding various weapons, rose!

“Kill!”

Linghu Wuxie waved the saber in his hand, pointing towards the front!

The nine evil gods moved together, charging towards Tian Bao Ancient Buddha and Fu Haijiang!

Their hearts racing, both simultaneously activated their Dharma Idols, leading them to meet the battle!

Although they activated their Dharma Idols, they were still being continuously pushed back by the nine evil gods, with blood incessantly splashing through the air!

Linghu Wuxie also did not hesitate and immediately activated his Dharma Idol, rushing into the battle!

The battle became even more fierce!

And in a distant piece of dark void!

The battle intensified even further!

There, Chu Junlin and Zuo Canghai were battling against five others!

They were “Fen Tian Immortal Venerable” Yin Juetian, “Dao Yan Ancestor” Qiao Huaxian, “Wan Jian Ancestor” Bai Yuanzhou, “Tai Cang Sword Venerable” Chai Wen Dao, and “Coiling Dragon Ancestor” Qiong Canglong!

All five had cultivation at the Mid-Stage Heavenly Immortal, immensely powerful!

Boom, boom, boom!

â€¦

Boom, boom, boom!

The collision and explosion sounds echoed endlessly!

Chu Junlin and Zuo Canghai, together with Yin Juetian’s group of five, fought fiercely!

Each clash, each explosion, caused the vast hundred miles of sky and earth to shake violently!

After all, this is a battle of seven Heavenly Immortals, and destroying heaven and earth is effortless for them!

Although Chu Junlin and Zuo Canghai have higher cultivation and stronger powers!

Under the siege of Yin Juetian’s five!

Even if they could withstand these five guys’ fierce attacks continuously, it was still somewhat difficult to completely suppress the five in a short time!

After all, these old fellows were all Heavenly Immortals, and none of them were easy to deal with!

Nevertheless, even as Chu Junlin and Zuo Canghai fought until they were bathed in blood, they remained fearless!

After hundreds of rounds of intense battles!

Rumble!

With thunderous explosions!

Chu Junlin and Zuo Canghai, together with Yin Juetian's group of five, were simultaneously knocked flying!

They flew back a thousand meters before stabilizing their bodies!

At this moment.

Yin Juetian's group of five stood in five positions, directly surrounding Chu Junlin and Zuo Canghai in the middle.

Qiao Huaxian sneered: "Chu Junlin, Zuo Canghai, your cultivation is indeed higher than ours!

But today, with the five of us Heavenly Immortals joining forces, you have no chance of survival!"

Bai Yuanzhou also sneered darkly: "We can now give you a chance to commit suicide as an apology!

As long as you do as told, we can leave you an intact corpse!

If you do not agree, we will definitely make you shattered to pieces, reduced to ashes!"

"Ha ha ha..."

Zuo Canghai laughed wildly to the sky, recklessly, "You want us to commit suicide as an apology, who do you think you are?"

Chu Junlin's eyes sparkled with a cold light, he thundered: "You want to see us shattered to pieces and reduced to ashes, try it if you dare!"

"No need to talk nonsense with them, kill them!"

Yin Juetian shouted coldly and stepped down through the air!

"Destroying Heaven and Earth!"

Red flames erupted from his body, forming a sea of fire that surged towards Chu Junlin and Zuo Canghai!

"Tianyan Extinguishing Immortal Palm!"

Qiao Huaxian raised his right hand and struck out with a palm!

A massive three-thousand-zhang grey-white huge palm pressed down heavily!

"Chaos Immortal Sword!"

Bai Yuanzhou swung his sword heavily, cutting down!

A massive three-thousand-zhang green-gold giant sword tore through the heavens and earth, slashing towards the two!

"Tai Cang Gui Yuan Sword!"

“Coiling Dragon Slaying Immortal Spear!”

Chai Wen Dao and Qiong Canglong swung their long sword and spear respectively, attacking Chu Junlin and Zuo Canghai!

Countless green flying swords broke through the layers of the void, shooting out explosively!

A blue-golden giant spear swept across, causing chaos in heaven and earth!

A blue-golden Azure Dragon also roared out, crashing upwards!

The attacks launched by the five people from all directions seemed to annihilate Chu Junlin and Zuo Canghai, terrifyingly overwhelming!

Chu Junlin and Zuo Canghai’s expressions were resolute, not afraid at all, but stood back to back, launching fierce attacks simultaneously!

“Heavenly Demon Dominator Spear!”

Chu Junlin swept out with his spear, blazing with light and surging with Demon Energy!

A massive black-golden giant spear carrying tremendous Demon Energy, lightning, flames, ice, wild winds, and massive waves, swept out!

“Ten Thousand Poison Divine Whip!”

Zuo Canghai vigorously swung his long whip, crashing down!

A massive black giant whip carrying rolling poison gas, ferociously brutal, as if to poison everything!

In a flash!

Rumble!

A series of thunderous explosions resonated in this dark void!

Heavy attacks continuously exploded above!

Yin Juetian's group of five were blasted away, blood spraying from their bodies!

Chu Junlin and Zuo Canghai were also splattered with a large amount of blood, spraying it into the air...

Chapter 2334: A Fool's Dream!

However, Yin Juetian and the four others quickly regained their composure and continued to charge toward Chu Junlin and Zuo Canghai!

"No matter how desperately you struggle, it's a dead end for you!"

Yin Juetian roared and clenched his fists, pummeling towards the two men like crazy!

"Burning Sky Fierce Sun Fist!"

A dense flurry of crimson flame-covered fists struck out, like a sky full of meteors, bombarding the two men!

Yin Juetian's path to cultivation was through his fist skill, with a body as tough as steel and fist techniques unparalleled!

Vast stretches of the void were shattered and exploded by his punches!

“Tianyan Seven Killings Seal!”

Qiao Huaxian waved his hand mightily!

Seven huge seals instantly took shape, converging and suppressing towards Chu Junlin and Zuo Canghai!

“Nine Chaotic Swords!”

Bai Yuanzhou exerted all his strength to swing his sword!

In the blink of an eye!

Nine giant green gold swords, each three thousand zhang in size, formed in the air and thrust downward toward Chu Junlin and Zuo Canghai!

“Tai Cang Sword Sea!”

Chai Wen Dao launched a strike with his sword!

Countless emerald-green flying swords gathered, forming a vast sea of swords that surged forward like a towering tidal wave!

“Heavenly Slaughter Dragon Wave!”

Qiong Canglong wielded his spear with all his might!

Nine enormous dragon-shaped waves, each three thousand zhang in size, surged towards Chu Junlin and Zuo Canghai!

Additionally, nine giant blue-golden spears, each three thousand zhang, materialized and shot out from nine different directions at the two men!

Facing the ferocious onslaught from the five opponents!

Chu Junlin and Zuo Canghai stood firm, unafraid in the void!

The two of them trembled all over and directly activated their Dharma Idols!

Two massive giants, each five thousand zhang tall, rose up, one wielding a spear and the other a whip, like the arrival of giant gods!

Then, Chu Junlin and Zuo Canghai swung their spears and whips in fury, counterattacking!

The two giants also swung their weapons, sweeping across heaven and earth!

Clang!

Boom!

The sounds of clashes and explosions echoed non-stop!

The consecutive attacks released by Yin Juetian and the others were destroyed, creating a dazzling display of light and energy!

“Gentlemen, let’s get serious and kill them!”

Yin Juetian shouted.

“Alright!”

Qiao Huaxian, Bai Yuanzhou, Chai Wen Dao, and Qiong Canglong responded in unison.

Right away, the four of them burst forth with their aura and fighting power, all activating their Dharma Idols!

Five huge Dharma Idols, each three thousand zhang tall, rose up and encircled Chu Junlin and Zuo Canghai once again!

“Kill!!!”

Yin Juetian and his group roared together, leading their Dharma Idols in an assault on Chu Junlin and Zuo Canghai!

“Fight!!!”

Chu Junlin and Zuo Canghai also roared, leading their Dharma Idols to confront the battle!

The battlefield had reached a boiling point, terrifyingly intense!

And in the distant expanse above.

Yang Luo was in combat against Ancient Tuo Zen Master, You Xianzhan, and Ji Yunhe!

All four had their Dharma Idols dueling above the void!

The fight was fierce!

Large expanses of the sky and void kept breaking apart!

The mountains below were also continuously shattered and exploded, and the earth kept collapsing!

Boom!

Boom!

Boom!

Amid the terrifying explosions!

“Ah ah ah...”

Ancient Tuo Zen Master, You Xianzhan, and Ji Yunhe were blasted away again!

The three of them were blown apart, their flesh flying everywhere, a gruesome sight!

Although Yang Luo also sustained several cuts, they were merely superficial wounds that were negligible!

Moreover, having ascended to the Heavenly Immortal realm, his self-healing abilities were even stronger, and many of the wounds had already been healed!

After knocking back the three opponents!

Yang Luo turned his head to look at the distant battlefields!

Senior Gu and Senior Linghu had the upper hand!

But, Senior Chu and Senior Zuo were gradually falling behind under the siege of the five Heavenly Immortals!

As for Ji Longyue and the others, they were becoming more and more strained under the attack of so many people, with many injured!

Yang Luo sighed in his heart, it seemed impossible for just these people to slay everyone here!

However, even if they couldn't kill everyone, they had to slay some of the main forces of these sects and families so they wouldn't dare to provoke them again!

"Demon, this monk will fight you to the end!"

Ancient Tuo Zen Master, with blood on the corner of his mouth, let out a roar and charged towards Yang Luo!

"We must kill this demon!"

"If this child is not eliminated, our Penglai Immortal Island will never have peace!"

You Xianzhan, holding a halberd, and Ji Yunhe, wielding a pair of sabers, charged at Yang Luo together!

"Hahaha..."

Yang Luo burst into laughter, exuding a domineering and heroic aura as he thundered, "You three old fools think you can kill me?"

Such foolish dreams and wild fantasies!"

Before he finished speaking!

Yang Luo swung the sword in his hand, slashing towards the three of them!

“Arrogant Sword Scripture!”

Swoosh!

A huge golden sword over two thousand feet long tore through the sky, slicing through the void, and struck at the three of them!

This sword was incomparably fierce, with overwhelming sword might and peerless sword intent shooting straight up into the nine heavens!

“Be careful!”

You Xianzhan shouted in alarm, vigorously swinging the halberd in his hand to meet the attack!

“Nine Yang Dominator Halberd!”

A huge red-golden halberd over one thousand feet long, burning with raging flames, swept toward the sword!

“Ten Thousand Buddha Palm!”

Ancient Tuo Zen Master lifted his right arm and condensed a massive golden Buddhist palm over one thousand feet in size, pressing down heavily!

“Seven Kills Flying Immortal Mace!”

Ji Yunhe swung his arms, hurling a pair of silver-gray sabers, smashing them towards the incoming sword!

The two giant maces, each over a thousand feet in size, were like swinging two mountains!

Boom boom!

The sword that Yang Luo swung collided heavily with the giants' halberd, fists, and maces swung by the three, shaking the heavens with its momentum!

Bursts of light and energy spread from the point of impact, like surging waves, covering heaven and earth!

For miles around, the sky and the void continued to shatter and crack open, terrifying and boundless!

But, Ancient Tuo Zen Master and the others couldn't withstand Yang Luo's sword, being pressed downward continuously!

Moreover, the burst of sword intent tore apart their protective barriers, ripping through their skin, muscles, and veins!

Blood unceasingly splattered from the bodies of the three, a horrific sight!

"Demon, even if I have to exhaust everything, I must kill you!"

Ancient Tuo Zen Master roared furiously, his hatred for Yang Luo peaking!

Why could this demon be so young and yet step into the realm of Heavenly Immortal?

Why couldn't he kill this demon time after time?

Why?!!

“Ten Directions Ancient Buddha!”

“Eighteen Arhats!”

With roars!

Ten golden Buddhas and eighteen Golden Arhats soared up, charging towards Yang Luo!

These ten golden Buddhas and eighteen Golden Arhats, each a thousand feet tall, rose up as if the real Buddhas and Arhats descended upon the mortal world!

“Nine Suns Burning World!”

You Xianzhan, with his vital energy surging to the skies, also unleashed his killing move!

In an instant!

Nine huge red-golden Fire Balls over one thousand feet in diameter coalesced, like nine suns arrayed in the sky!

The spreading flames dispersed the Cloud Sea and cracked the void!

The forests below were burned to cinders!

Rivers were boiled, their steam billowing up like signal fire!

“Kill!”

With his roar!

The nine Fire Balls rolled out, madly slamming towards Yang Luo, intending to shatter him and burn him to ashes!

Chapter 2335: Do You Also Want to Seek Death?

Ji Yunhe also shuddered, letting out a roar!

“Eight Extremes Primordial Spirit Break!”

Boom!

Boom!

Boom!

Above the Cangqiong, eight massive void cavities exploded open!

Eight silvery-grey beams, like eight Milky Ways, containing endless destructive power, blasted downward, illuminating all directions of heaven and earth!

At this moment!

Ancient Tuo Zen Master, You Xianzhan, and Ji Yunhe all simultaneously launched a fierce attack, aiming to completely obliterate Yang Luo!

But Yang Luo did not dodge or retreat; instead, he shuddered and roared out loud!

“Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Hundun, Taotie!”

Instantly!

The golden Holy Dragon and the Azure Dragon soared into the sky together, like twin dragons emerging from the sea, colliding with the eight silvery-grey beams crashing down!

White Tiger roared, Vermillion Bird spread its wings, Black Tortoise stepped into the sky, and collided with ten Ancient Buddhas and eighteen Arhats!

Hundun and Taotie emitted thunderous roars, crashing into nine fireballs!

Of course, besides summoning the illusions of the Holy Dragon, Divine Beasts, and ferocious beasts!

Yang Luo’s offensive did not stop!

He raised his left hand and roared!

“Chaos Slaughter Array Map!”

A golden array map began to condense in the palm of his left hand!

Swiftly, he pushed his left hand forward!

The golden array map flew out, expanding wildly in the wind to over two thousand zhang!

It towered overwhelmingly, enveloping the ten golden Buddhas, eighteen Arhats coming at him, and the nine fireballs crashing toward him!

The center of the array map was engraved with a golden dragon's head!

Surrounding it were ancient formation patterns and runes, phenomena like the sun, the moon, and the stars, heaven and earth, mountains and rivers, lakes, flowers, insects, birds, and beasts!

Unleashing terrifying destructive and devastating power!

In an instant!

Rumble!

All the attacks released by the three, Ancient Tuo Zen Master and his companions, were destroyed and exploded in mid-air!

"Ah..."

The three screamed again in agony, hurtled backward, spitting blood, their bodies also bloodied from the blasts!

They were thrown over a thousand meters away, crashing down and crushing mountain peaks!

"Not good!"

Ancient Tuo Zen Master and the others can't beat this youngster!"

"Hurry up and help, join hands with Ancient Tuo Zen Master and kill this youngster!"

Thirty-six Earth Immortals and True Immortal elders who were battling fiercely in the distance rushed over.

However, they also didn't dare to get too close and launched fierce attacks from afar!

Successive strikes were launched continuously, furiously bombarding Yang Luo!

Sword shadows, blade lights, fists, palms flipping, flames rolling, and surging lightning...Varied attacks, varied energies seemed to break and destroy everything, terrifyingly!

Just as Yang Luo was about to pursue and kill Ancient Tuo Zen Master and his companions, he sensed a threat coming from behind!

He swiftly turned around, his voice cold and stern: "Do you also want to die?"

Saying this, he shuddered!

"Great Dao Dragon Diagram!"

In an instant!

A Golden Dragon Totem condensed above him, expanding rapidly to over two thousand zhang!

The next second!

"Roar!

Roar!

Roar!"

A hundred thousand dragon illusions burst forth from the Golden Dragon Totem, crashing into the attacks launched by the thirty-six Earth Immortals and True Immortals!

Thus, as Yang Luo stepped into the Heavenly Immortal realm, he could summon even more dragon illusions, which are of higher and higher ranks!

Rumble!

Just one collision, and all the attacks launched by the thirty-six Earth Immortals and True Immortals were shattered!

“Ah...”

These thirty-six Earth Immortals and True Immortals screamed out in pain, simultaneously blown away!

Thump!

Thump!

Thump!

Right there, six of the lower-cultivation Earth Immortals and True Immortals burst into pools of blood mist!

Two True Immortals not only had their Physical Bodies destroyed, their Essence Souls also exploded in mid-air!

Following this, Yang Luo rode a giant dragon, soared up, and charged at these Earth Immortals and True Immortals!

Even though the current him no longer saw these Earth Immortals and True Immortals as worthy opponents!

Yet, if these individuals continuously harassed him, it would still be bothersome!

Thus, he planned to eliminate these individuals first!

In the blink of an eye!

Yang Luo chased after them, and with a flip of his right hand, he slashed out with his sword!

Swoosh!

This sword was extremely domineering, splitting a vast expanse of the void!

Puff puff puff!

In an instant, the heads of five Earth Immortals and three True Immortals were severed, with blood shooting towards the sky!

The dragon illusions that roared forth then shattered the Essence Souls of these three True Immortals in the sky!

Immediately after, Yang Luo raised his left hand, summoning the World Burning Art within him!

“Sky Burning Explosion!”

A golden-red fireball formed and shot out from his palm!

The fireball swelled in the wind, enlarging over two thousand feet, like a massive sun, and collided with the other Earth Immortals and True Immortals!

As the fireball struck!

Yang Luo continued to harness the power of lightning within him!

“Chaos Thunder Burst!”

A nine-colored Thunder Ball also formed above his palm and was sent flying with a slap!

The nine-colored Thunder Ball also instantly swelled, enlarging over two thousand feet, and struck with explosive force!

In a flash of lightning!

Boom, boom, boom!

The golden-red fireball and the nine-colored Thunder Ball exploded at the same time in the air!

Instantly, ten more Earth Immortals and True Immortals were blasted to pieces!

The four True Immortals’ Essence Souls were then obliterated by the dispersed flames and lightning, with no escape!

“Ah...”

“This kid is a devil!”

“How can this kid be so powerful that he can instantly kill so many Earth and True Immortals?!”

“Retreat!”

Retreat now!”

The remaining Earth and True Immortals screamed in terror and started to retreat.

Just as Yang Luo was preparing to launch another fierce attack!

“Uh...”

“Ah...”

Screams came from Ji Longyue and others who were fighting fiercely in the distance, as they were directly blasted away by a group of elders!

“Seeking death!”

Yang Luo roared angrily, leading tens of thousands of dragon illusions charging ferociously towards that group of elders!

The elders originally wanted to finish off Ji Longyue and others in one fell swoop but saw Yang Luo charging over!

“How did this demon come killing over here?!”

“Retreat!”

Retreat!”

“We’re so numerous, why should we be afraid of him?”

Some of the elders were frightened and retreated in panic.

However, some of the elders were fearless and launched a fierce attack towards Yang Luo!

“Die!!!”

Yang Luo roared furiously, swinging his sword with all his might!

Swoosh!

This one sword tore open the vast heaven and earth, as if an ancient sword immortal had delivered a world-shocking strike!

Boom, boom, boom!

The offensive moves of the elders were directly annihilated by this sword!

Seven elders were outright killed by this sword on the spot!

After swinging this sword!

Yang Luo led the dragon illusions, slaughtering all the way, moving through the sky like lightning!

Puff puff puff!

Sword Shadows layered, sword light shining brightly, sword intent soaring, blood splattering!

Yang Luo, like a god or a devil, killed the remaining dozen or so elders, resolving the crisis for Ji Longyue and the others!

“Brothers, how are you guys doing, can you still fight?”

Yang Luo, holding the blood-dripping Dragon Emperor Sword, asked Ji Longyue and others.

“Brother Yang, don’t worry, it’s just some injuries, nothing serious!”

“Brother Yang, we’re sorry, our power is limited, we can’t help you share the pressure to fight the Heavenly Immortal!”

“Yes, it’s bad enough that we cannot share the pressure, but we even distracted you to save us!”

Ji Longyue and the others clenched their teeth in remorse.

Chapter 2336: Join Forces to Annihilate!

Yang Luo shook his head and said, “We are brothers who share life and death; there’s no need for such words!

If we can still hold on, then we continue the battle!

If we can’t hold on anymore, then we must retreat swiftly!

Senior Gu and I can retreat at any moment!”

“Understood!”

“It would be too much of a loss to retreat now!”

“That’s right, these guys have tried to kill us time and again; this time, we must fight until they no longer dare to provoke us!”

Ji Longyue and the others roared out, taking pills before charging toward the people from the various sects and families!

But, at that moment!

Yang Luo sensed a surge of danger descending from the sky!

He quickly looked up!

He saw that four Dharma artifacts were coming down upon him with an overwhelming force, as if they were blotting out the sky and earth!

Two of the artifacts were familiar to him, the Heavenly Buddha Bell and Seven Treasures Buddha Seal of Tian Bao Ancient Buddha!

One was an Immortal Magical Artifact, and the other was a Quasi-Immortal Magical Artifact!

The other two were the Nine Yang Ding of You Xianzhan and the Flying Immortal Tower of Ji Yunhe!

These two were also Immortal Magical Artifacts!

Seeing the four Immortal Magical Artifacts suppressing down!

The people around were so frightened that they desperately retreated, not daring to come near this area!

The Heavenly Buddha Bell and Seven Treasures Buddha Seal burst forth with blazing Buddhist light, turning into beams of golden light that shot down!

The Nine Yang Ding erupted with roaring flames, surging downward!

The seven-story tall Flying Immortal Tower unleashed seven-colored immortal light, turning into seven Immortal rainbows rushing down!

Yang Luo stood proudly in the sky, waving his hand!

“Ten Thousand Dragon Cauldron!”

“Chaos Bell!”

“Primordial Dragon Stele!”

“Holy Dragon Ancient Mirror!”

In an instant!

Buzzing sounds resonated!

Accompanied by tremors and hums!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror all flew out at once, rapidly expanding more than two thousand feet, and crashed into the four suppressing artifacts!

“Roar roar roar!”

Tens of thousands of golden, black, purple, and blue dragons roared out from the four artifacts, charging into the sky!

Countless dragon talismans transformed into waves, surging upward!

Boom boom boom!

The offensive unleashed by the Heavenly Buddha Bell, Seven Treasures Buddha Seal, Nine Yang Ding, and Flying Immortal Tower were all completely destroyed!

The next second!

Clang clang clang!

The four Dharma artifacts summoned by Yang Luo and the four Dharma artifacts brought forth by Ancient Tuo Zen Master and the three others collided heavily, creating a sound as grand as a massive bell!

From the point of impact as the center, the vast void was instantly shattered into fragments, spreading like a vast, dark web in all eight directions of heaven and earth!

The light and energy that burst forth madly rushed out!

Nearby mountains were instantly destroyed by the onslaught!

Many people were obliterated in an instant!

The others were terrified and continued to flee toward the distance!

However, Yang Luo could now exert even more formidable power from his four artifacts!

So, in an instant, the four artifacts wielded by Ancient Tuo Zen Master and the other two were directly blown away!

The three of them continued to drive their artifacts, attempting to suppress Yang Luo, but they were repelled time and again!

“What powerful artifacts!”

“This kid’s artifacts may have even surpassed Immortal grade!”

You Xianzhan and Ji Yunhe were immediately shocked and dismayed.

Ancient Tuo Zen Master spoke gravely, “Benefactor You, Donor Ji, both of you must be careful!

This kid not only possesses powerful artifacts but has also cultivated many powerful cultivation techniques and immortal skills!

We absolutely cannot face him alone; we must join forces to have a chance to vanquish him!”

“Understood!”

You Xianzhan and Ji Yunhe nodded their heads.

From that brief exchange just now, they had discovered!

This youngster was incredibly powerful; even by joining forces, they found it difficult to suppress him and were even injured by him!

Such a fiend was a first for them to witness!

Seeing that the Dharma artifact couldn’t suppress Yang Luo,

Ancient Tuo Zen Master continued to launch fierce attacks!

“Buddha Flame Karma Fire!”

“Buddha’s Thunder Punishment!”

“Nine Brahma Buddha Seal!”

In the blink of an eye!

A sea of golden Buddhist light surged down from the sky, burning Heaven and Earth!

Streaks of golden Buddha’s thunder descended from the sky, as if Heavenly Tribulation had arrived!

The Nine Brahma Buddha Seal, like nine great mountains, simultaneously descended in suppression!

“Nine Yang Immortal Tomb!”

“Da Mie Meteor!”

“Burning Sky and Boiling Sea!”

You Xianzhan valiantly waved his halberd, launching a fierce attack towards Yang Luo below!

Nine Immortal Tombs, ablaze with towering flames like nine mountains, pressed down!

Halberds burning with flames, like stars across the sky, explosively shot downward!

And there were fire pillars that broke open the Cangqiong, suppressing downwards!

Ji Yunhe also didn't pause for a moment, launching a furious attack towards Yang Luo!

"Eight Extremes Sealing Immortal Seal!"

"Six Harmonies Sky Supporting Map!"

"Flying Immortal Wanxiang Skill!"

The Eight Directions Immortal Seal glowed with blinding immortal light, suppressing downward!

A Heavenly Map spun rapidly, pressing down!

Numerous silhouettes of true immortals and immortal beasts materialized and swooped down!

Seeing the Ancient Tuo Zen Master and his two allies' killing moves repeatedly suppressing downwards!

Yang Luo's expression was cold and stern, undaunted in the face of danger, he forcefully swung his sword towards the sky!

Swoosh, swoosh, swoosh!

Countless golden flying swords rose up, shooting into the sky!

Emperor Dragon Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Purple Thunder Immortal Domain, Fire Phoenix Immortal Domain, Endless Sword Domain all converged above him, clashing upwards!

Clang clang clang!

Boom boom boom!

The impact and explosion sounds echoed ceaselessly, shaking the heavens, stirring the eight wastelands!

Under Yang Luo's powerful counterattacks!

Ancient Tuo Zen Master and his two allies' offensive could do nothing to Yang Luo, and were all blocks!

At that time, in the distant sky.

"Fellows, join hands with Ancient Tuo Zen Master and the others, let's kill this demon together!"

"This demon is too strong, if we don't join forces, it will be difficult to kill him!"

"What are we waiting for, let's attack quickly!"

Dozens of Earth Immortals and True Immortals shouted out, also launching ferocious attacks towards Yang Luo!

If it were just them fighting Yang Luo, naturally they would not dare!

But now, with Ancient Tuo Zen Master and the others there, they had the confidence and courage!

A myriad of killing moves came from all directions, seeking to completely engulf Yang Luo!

At this moment!

The area where Yang Luo stood was covered by various energies and light, turned into a death zone!

However, just as the surrounding killing moves were about to strike!

Yang Luo stepped down mid-air and roared!

“Taotie Demon Manual—Swallowing Black Hole!”

In a breath’s time!

Space fluctuated and twisted around him, explosions followed, turning into nine vast Void Caves, like nine black holes, erupting with the powerful force of devouring!

This was one of the techniques he had mastered from the “Taotie Demon Scripture”!

Previously, when he was training in the Devouring Demon Domain, the Taotie Ancestor’s Energy Body had also executed this technique!

One saw that the distant onslaught of attacks were being devoured like surging tides by these nine Void black holes, unable to harm Yang Luo in the slightest!

“How...

how can this be?!”

“Why aren’t our attacks working on this little beast?!”

“Damn it, continue the attack!”

Those Earth Immortals and True Immortals were shocked and roared out, continuing to aggressively attack Yang Luo!

The offensive became even more ferocious!

These Earth Immortals and True Immortals attacked madly, determined to annihilate Yang Luo!

Chapter 2337: Peril at Dawn!

From afar, Flame Emperor and others wanted to come to the aid, but they simply couldn't extricate themselves!

No choice, the enemy's numbers were too overwhelming!

They were already at their wits' end!

But, Yang Luo remained calm and composed!

His eyes turned sharp, and his entire body shuddered!

The seven great illusions of the Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Hundun, and Taotie roared out from around him!

Boom boom boom!

The relentless attacks coming from all directions were either swallowed by nine black holes or shattered!

"Arghhhhhhhhh..."

The screams echoed endlessly.

The Earth Immortals and True Immortals attacking from afar were either sent flying or torn to shreds, dying tragically on the spot!

“Kill this demon!”

“Let’s fight him with all we’ve got!”

“Kill!

Kill!

Kill!”

Those Earth Immortals and True Immortals had their eyes bloodshot, relentlessly pressing towards Yang Luo to kill him!

Yang Luo stood tall in the sky, continuously unleashing deadly moves!

Destroying one onslaught after another, fending them off!

And slaughtering those Earth Immortals and True Immortals who plunged at him!

At this moment, Yang Luo was like a Fiend Celestial descended, a Slaughter God incarnate, fighting alone against tens of thousands, dominantly unparalleled in the world!

The area around Yang Luo had turned into a sea of slaughter, like an Asura’s purgatory!

Chunks of flesh and broken bones flew in all directions, terrifying beyond measure!

Seeing that Yang Luo withstood one fierce attack after another!

The expressions on faces of Ancient Tuo Zen Master and his two comrades turned extremely grim!

“Benefactor You, Donor Ji, seize the moment and quickly set up the killing array, trap and kill this demon!”

Ancient Tuo Zen Master communicated via mental transmission.

“Alright!”

You Xianzhan and Ji Yunhe responded mentally.

Immediately, the three of them mobilized their energy to the extreme and swiftly set up their formations!

“Ten Thousand Buddha Demon Slaying Array!”

“Buddha Flame Karma Fire Array!”

“Heavenly Buddha Thunder Punishment Array!”

Ancient Tuo Zen Master instantly set up three types of grand array formations, trapping Yang Luo in a flash!

“Nine Yang Extinguishing Immortal Formation!”

“Five-Colored Aurora Array!”

“Yin Yang Reincarnation Array!”

You Xianzhan also quickly established three array formations!

“Eight Births and Eight Destructions Array!”

“Six Harmonies Sky-Supporting Array!”

“Flying Immortal Myriad Formation!”

Ji Yunhe, without any hesitation, also deployed his triple killing array simultaneously!

In just a few breaths’ time!

Yang Luo was already trapped by the six array formations!

“Thinking these few shoddy formations can kill me, dream on!”

Yang Luo roared, his sword swinging wildly as he manipulated four Dharma artifacts, launching successive deadly attacks on the Great Formations!

Clang, clang, clang!

Boom, boom, boom!

A series of earth-shattering strikes and explosions resounded incessantly!

A vast surge of light and energy billowed and roared within the Great Formations, shaking heaven and earth!

Under Yang Luo’s ferocious assault, the six array formations seemed unable to hold, cracking open crevices!

Seeing this, Ancient Tuo Zen Master and his peers were shocked and continued to channel energy into the formations!

Simultaneously repairing the Great Formations while enhancing their power!

“Just these six array formations alone will hardly kill this demon!”

You Xianzhan’s face contorted, and he bellowed at the Earth Immortals and True Immortals in the distance: “What are you waiting for, quickly form up the array, kill this demon!”

“Yes!!!”

Over a hundred Earth Immortals and True Immortals responded in unison, their aura and combat power fully unleashed, beginning to set up their formations!

Array formation upon array formation was laid down, entrapping Yang Luo within their confines!

Not long after,

More than a hundred grand formations were set up, thoroughly imprisoning Yang Luo!

Once all the hundred-plus grand formations were activated, they unleashed destructive power capable of obliterating heaven and earth, all directed towards Yang Luo!

Moreover, those hundred-plus Earth Immortals and True Immortals were continuously channeling their internal energy into the grand formations, reinforcing and strengthening their might!

At this moment,

The area where Yang Luo was had been covered by over a hundred grand formations, with various glows and energies surging, filling the boundless heaven and earth!

The killing aura was so intense that it was like an unfathomable abyss, terrifying to the extreme!

“This is bad, Brother Yang is trapped by more than a hundred grand formations; he’s in danger!”

“With so many grand formations, even Brother Yang might not be able to withstand it, hurry and help!”

Ji Longyue and others shouted in alarm, ready to help break the formations.

“Do you really think you can save this demon with your abilities?”

Utterly laughable!”

“This demon is done for; you can accompany him on his way to death!”

Numerous Earth Immortals and True Immortals directly intercepted Ji Longyue and the others.

“We’ll fight these damn beasts to the death!”

“If we have to, we’ll drag them down with us!”

Ji Longyue and the others roared in anger, engaging the Earth Immortals and True Immortals in a fierce battle!

At this time,

Gu Tianshang, Linghu Wuxie, Chu Junlin, and Zuo Canghai, who were fighting in the distant Dark Void, also noticed the situation here!

They wanted to come and rescue Yang Luo but were being tightly held back by Kuai Xianhong and others!

Everyone present felt that Yang Luo would have a hard time withstanding the onslaught from the hundred-plus grand formations; he was in imminent danger!

However, just at this moment!

Voices of surprise came from afar!

“Dongfang Ruoshui, you are really here!”

“Xuan Ce, we’re here!”

“Dongsheng, I can’t believe you’re still alive!”

Everyone in the vicinity turned their heads to look.

They saw, dozens of ancient boats, each over a hundred meters long, flying in from afar.

The ancient boats had their banners waving high and were teeming with people, numbering over a hundred thousand.

These were people from various major families and sects, such as the Purple Cloud Sect, Taotie Family, Hundun Family, Thunder Kun Family, Fire Chi Family, and Xuantian Sword Sect.

“Damn it, how did these guys show up again!”

“They really do have well-informed sources!”

Bai Yinfeng, Qiao Xianci, and others in the crowd roared in fury.

Soon, the hundred-plus ancient boats reached the skies above the battlefield.

Dongfang Shaohua waved his big hand, “All disciples, heed my command, kill!”

“Kill!”

Huangfu Longteng, Helian Xiongqi, and others also gave their orders!

At this command,

Over a hundred thousand people on the ancient boats leaped down, some flying and others piloting flying immortal treasures, attacking the members of the Heavenly Amplification Sect, Immortal Sword Sect, and other great families and sects!

The battle became even fiercer!

Dongfang Shaohua asked with puzzlement, “Dongfang Ruoshui, how did you end up here?”

And, how did the Fiend Celestials come as well?”

Dongfang Ruoshui replied, “Father, it’s a long story, please hurry and save Little Luo!”

“Save Little Luo?”

Dongfang Shaohua scanned the surroundings, “Where is Little Luo?”

“Yeah, where is Little Luo?”

“Why can’t we see him?”

Huangfu Longteng and Helian Xiongqi also asked with confusion.

Huangfu Xuance pointed towards the distance with a hateful tone, “Brother Yang has been trapped by those people in more than a hundred grand formations!”

“What?!”

It’s Little Luo who has been trapped in more than a hundred grand formations?!”

“My friends, what are you waiting for, hurry up and save him!”

The faces of Dongfang Shaohua and others turned pale as they prepared to rush over.

They also noticed that the ones who had laid down the more than a hundred killing arrays were none other than the three great Heavenly Immortals: Ancient Tuo Zen Master, You Xianzhan, and Ji Yunhe!

As well as over a hundred Earth Immortals and True Immortals!

They were aware of Yang Luo’s formidable strength!

But even the strongest wouldn’t be able to withstand the onslaught of a hundred-plus killing arrays!

Chapter 2338: Breaking Out of the Formation!

But, just as everyone was about to move!

Roars that shook heaven and earth emanated from over a hundred layers of the Great Formation!

“Twelve Shaman Primal Heavenly Art!”

“Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!”

“Dijiang, Xuanming, Zhuweizi, Tianwu, Candle Dragon, Shebi!”

These roaring cries echoed across heaven and earth, shaking all directions, deafening everyone!

The next second!

Boom boom boom!

The earth-shattering hundred layers of the Great Formation violently quaked!

Even the abundant sky, tens of miles wide, along with the earth, mountains, rivers, and forests, trembled!

Ancient Tuo Zen Master spoke fiercely: “This kid actually wants to break out, reinforce the formation, and trap him!”

With that, he continued to channel his body’s energy into reinforcing the formation, enhancing its power!

You Xianzhan, Ji Yunhe, and others also infused their energies into the formation!

But even with the reinforcement of the formation and the increase in its power, it seemed like they couldn’t suppress Yang Luo!

“Explode for me!!”

Accompanied by a thunderous roar!

Boom boom boom!

The hundred layers of formations simultaneously shattered and exploded, like thousands of volcanoes erupting at once!

The momentum was earth-shattering, audible hundreds, even thousands of miles away!

Various beams of light and energies intertwined, spreading from the explosion, transforming into rolling waves, an endless ocean rushing in all directions!

“Ahhh...”

Those Earth Immortals and True Immortals couldn’t withstand it, they were all blown away!

Many Earth Immortals and True Immortals vomited blood, their bodies covered with wounds!

And there were not a few Earth Immortals and True Immortals who were directly killed, their flesh and bones scattered in the sky, splattering everywhere!

“Puh puh puh...”

Even Ancient Tuo Zen Master, You Xianzhan, and Ji Yunhe spat out blood and were sent flying backward!

The area of the explosion was filled with various energies and bursts of light!

Everyone could no longer see any scene of that region!

All that was left before their eyes were the blinding lights and energies!

Several minutes passed.

When the light and energy had finally dissipated.

All those present looked up, and were utterly shaken by the scene before them!

They saw that under that region, hundreds of large mountains had been blasted into dust!

A colossal void cavity had been blown out in the mid-air, like a gigantic black hole!

A large section of the sky above had been ruptured, as if a celestial cavern had opened up!

In front of that void cavity stood a figure shrouded in golden light, like an undying monument!

Although the figure was covered in blood and wounds, his eyes were resolute and unyielding, his fighting spirit high, with golden flames flickering!

Above this figure, the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror were suspended!

Around him stood twelve enormous giants, over two thousand feet tall, heads touching the skies and feet treading the void!

These twelve giants had majestic auras, godly and demonic, like twelve great peaks standing erect, utterly shocking to all beholders!

“Holy shit...

Brother Yang...

Brother Yang actually broke through over a hundred layers of formations?!”

“My god...

Isn’t this too terrifying?!”

“So this is Brother Yang’s true strength!”

Bujie and others cried out in shock, their bodies trembling uncontrollably.

Eastern Shaohua said in a daze, “Although I have heard from disciples that Little Luo has ascended to Heavenly Immortal!

But I did not expect that after stepping into the realm of Heavenly Immortal, Little Luo’s strength would become so formidable!”

Huangfu Longteng sighed, “Now Little Luo has truly grown into a top fighter of the two great Immortal Worlds.

It would be very difficult for ordinary people to kill him!”

Helian Xiongqi was extremely excited, “Little Luo has fully risen and is about to soar through the Jiutian!

Choosing to stand with Little Luo is the wisest decision we’ve made!”

The people from the Thunder Kun Family, Fire Chi Family, Xuantian Sword Sect, and other major families and sects also sighed with admiration, adoring Yang Luo to the utmost.

“Could it be...

that these are the legendary twelve ancient ancestral magi?!”

“What’s going on, before this beast could only summon six Ancestral Magi, how can he now summon twelve?!”

“What exactly has happened to this youngster in the past month?!”

“Not only has this beast stepped into Heavenly Immortal, but his strength has also become stronger!”

Everyone from the various great sects and families present exclaimed in shock, hating Yang Luo to the extreme, and also fearing him to the extreme.

Gu Tianshang laughed heartily, “Kid, well done!”

Linghu Wuxie also laughed out loud, “You are indeed the youngster we had our eye on, truly domineering!”

Chu Junlin and Zuo Canghai both laughed as well, feeling proud and honored for Yang Luo.

At this time,

Above a distant Cloud Sea,

Three figures stood quietly, their faces also full of astonishment.

These three figures were three men, one dressed in a white robe, the second in a golden armor, and the third in a black armor.

They had been watching the battle here from the very start.

It's just that, because they hid their presence, no one noticed them.

The man in the white robe took a deep breath and said, "No wonder this youngster was able to lead a million-strong army to annihilate the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor.

Even twenty-one gods and demons from our three major races could be slain by this youngster.

He really is not simple, possessing the strength of a god at such a young age."

The man in the golden armor narrowed his eyes and said, "I did not expect that there would still be two great Immortal Worlds hidden on Earth, with so many beings that rival gods and demons.

If we had attacked Earth rashly without a clear understanding of these two Immortal Worlds, it could have caused significant losses."

The man in the black armor said solemnly, "Shall we continue to watch the battle, or should we retreat from here first?"

The man in the white robe pondered, "Let's wait a little longer.

Perhaps there will be more fighters who can rival the gods appearing."

"Alright."

"Then we'll wait a bit longer."

The other two nodded.

At this time,

In the sky near Ten Thousand Immortals Mountain,

Yang Luo exhaled a breath of turbid air and turned his head to look at Eastern Shaohua and the others, “Uncle Eastern, Uncle Huangfu, Uncle Helian, you’ve arrived!”

Eastern Shaohua replied with a gentle smile, “Little Luo, we have been looking for you all this time, but we couldn’t find any trace of you.

Today, I heard from disciples that you have come to Ten Thousand Immortals Mountain and got into a fight with these guys, so we immediately gathered people and rushed over.”

“I see.”

Yang Luo nodded in realization.

Eastern Shaohua continued, “We’ve also contacted the Heavenly Immortal Ancestor and asked for their help.

However, whether the Heavenly Immortal Ancestor is willing to help or not, that we do not know.”

“It doesn’t matter.”

Yang Luo waved his hand, “The fact that you all came to help is already more than I could ask for!”

With that, Yang Luo raised the sword in his hand and exclaimed, “Everyone, follow me and destroy these people!”

Now that Eastern Shaohua and the others have brought over a hundred thousand people to support, there was no need for them to flee from here!

Since that was the case, it was naturally time for revenge!

Chapter 2339: Dongfang Wuji Arrives!

With a single command!

“Kill!”

“Wipe them out!”

Dongfang Shaohua and others led over a hundred thousand people, advancing mightily towards the various sects and families!

“Anyone who dares to help that little beast Yang Luo, who aids those four demons, is our enemy!”

“Kill them all for me!”

Bai Yinfeng and Qiao Xianci, together with a force of one to two hundred thousand, also charged into battle!

An even more intense battle erupted instantly!

This battle was more horrific than the previous battles at Purple Cloud Sect and Divine Wood Cliff!

After all, just the number of participants alone exceeded those two battles!

They even included as many as sixteen Heavenly Immortals!

Thus, this battle was unprecedentedly vast and ferocious!

However, with the aid of Dongfang Shaohua and others joining the battle, the pressure on Flame Emperor and his comrades was greatly relieved!

A sense of relief also passed through Yang Luo's heart.

He had been constantly worried about the safety of Flame Emperor and others, unable to fully engage in battle with Ancient Tuo Zen Master and his two companions.

But now, he could finally fight unrestrained!

His eyes were cold and sharp, as he looked up towards the three ancient elders and shouted, "You three old geezers, prepare to die!"

Accompanied by a thunderous roar!

Yang Luo, wielding the Dragon Emperor Sword, with four Dharma artifacts above his head, led the twelve Ancestral Witches, boldly charging towards Ancient Tuo Zen Master and the two others!

Ancient Tuo Zen Master, both shocked and furious, roared out, "Hold nothing back, use full power, kill this demon!"

"Alright!"

You Xianzhan and Ji Yunhe also responded in unison.

Immediately after, Ancient Tuo Zen Master and his companions mobilized their energy to the extreme, launching a fierce offensive against Yang Luo!

And, they also summoned their Dharma artifacts to suppress and kill Yang Luo!

Yang Luo was not afraid in the least, with a thought, he acted!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror simultaneously flew out, directly repelling the four Dharma artifacts unleashed by Ancient Tuo Zen Master and his companions!

Moreover, the four Dharma artifacts used by Yang Luo thoroughly suppressed the opponents' artifacts, not allowing them to get close to him!

As for the twelve Ancestral Witches, their divine might was unparalleled and demonically overwhelming, tyrannically obliterating the sequence of attacks launched by Ancient Tuo Zen Master and his two allies!

After shattering their offensive!

Yang Luo soared into the sky, gripping the Dragon Emperor Sword tightly in both hands, and struck with all his might!

Swoosh!

The massive, over two thousand-zhang-long golden sword tore through heaven and earth, delivering a crushing blow!

The twelve Ancestral Witches also simultaneously launched fierce attacks, some wielding huge weapons, others throwing punches or palms!

Ancient Tuo Zen Master and his two companions had no time for counterattacks, only able to muster layers of defense to resist!

In an instant!

Boom boom boom!

All defenses piled up by Ancient Tuo Zen Master and his companions were destroyed, bursting into a blaze of light and energy!

“Ah ah ah...”

The three issued painful screams, knocked back flying!

They spat blood from their mouths, their bodies splattered with blood and flesh!

By now, the three were wounded upon wounds, all seriously injured!

Boom, boom, boom!...

After being thrown out for miles, the three continuously fell and crashed into the ruins, raising a huge cloud of stones and dust!

Just when Yang Luo was about to continue the pursuit!

From afar came two cries of agony.

“Uh...”

“Ah...”

Yang Luo turned his head to look, only to see Chu Junlin and Zuo Canghai being blasted away!

Both were bleeding from the mouth and covered in blood, clearly having sustained serious injuries!

Although Yin Juetian and his companions were also severely wounded, they seemed to be in a slightly better condition than Chu Junlin and Zuo Canghai!

This is not good!

Senior Chu and Senior Zuo are in danger!

The two seniors are indeed very strong, but now they are besieged by five Heavenly Immortals, and there are Earth Immortals and True Immortals blasting them from afar from time to time!

No matter how strong they are, I'm afraid they may not be able to hold on!

I must hurry to help!

Yang Luo clenched his teeth and prepared to rush towards the distant Dark Void!

But just at this moment!

Rumble rumble!

Suddenly, there was a series of booming explosions in the sky not far away!

Rumble rumble rumble!

The vast heavens and earth quaked tremendously!

Everyone present turned their heads to look!

They saw a huge Void Cave burst open in the sky not far away!

Blinding, dazzling purple Immortal rainbows burst forth, illuminating heaven and earth!

Even more so, vast waves of purple qi churned inside, with various Immortal Palaces, Immortal Illusions standing tall, captivating the soul!

“What’s going on, has someone else arrived?!”

“Judging by this situation, it seems a Heavenly Immortal has come!”

“And it’s very likely that Purple Cloud Old Ancestor has arrived!”

Many people on the scene exclaimed in horror.

“Haha, our Ancestor has really come!”

Dongfang Shaohua laughed out loud.

The others from Purple Cloud Sect were also excited beyond measure.

Yang Luo also turned his head to look towards the distant sky.

Very quickly, a figure emerged from the Void Cave and appeared in the sky.

The person was dressed in purple cloud-patterned robes, tall and straight in stature, with long white hair bundled behind the head, a resolute face, and an imposing, dominant demeanor!

It was “Purple Cloud Old Ancestor” Dongfang Wuji!

“Greetings to Ziwei Ancestor!”

People from the Taotie Family, Hundun Family, and Xuantian Sword Sect, as well as other families and sects present, greeted him respectfully.

Dongfang Wuji nodded slightly, glanced around, and shock could be seen in his eyes.

He too had not expected that such a fierce battle would erupt here, with so many dead.

He raised his eyes to Dongfang Shaohua and asked, “Shaohua, why did a great battle break out here?

And why did you urgently contact me, what happened?”

Dongfang Shaohua respectfully said, “Ancestor, as for why a battle broke out here, let Shaohua inform you later!

Now, please help Little Luo and the others!”

“Little Luo?”

Dongfang Wuji’s gaze shifted towards Yang Luo, and his expression suddenly changed, “This youngster has actually stepped into the Heavenly Immortal realm?!”

Yang Luo gave Dongfang Wuji a bow with his hands folded, “Junior Yang Luo, pays respects to Purple Cloud Old Ancestor!”

“You really are remarkable, youngster.

To be so young and already stepped into the Heavenly Immortal realm!”

What shocked Dongfang Wuji could not be hidden in his eyes.

A few months ago, this young man was only in the late True Immortal realm.

But now, seeing him again, the young man had stepped into the Heavenly Immortal realm.

The rate of this youngster’s growth is truly terrifying, unsettling him.

He turned and asked Dongfang Shaohua, “Shaohua, this youngster is our enemy, why do you still want to help him?”

Dongfang Shaohua explained, “Ancestor, our grievances with Little Luo have been resolved!

Moreover, Little Luo has now become the son-in-law of our Purple Cloud Sect!

As outstanding as Little Luo is, are you not satisfied?”

“Son-in-law?!”

Dongfang Wuji was even more surprised.

Steadying his emotions, he said, “Although I don’t know what happened, given that this youngster is now the son-in-law of our Purple Cloud Sect, naturally, we should help!”

He was very clear on how outstanding Yang Luo was.

In the two Immortal Worlds, no youth of his generation could compete, and even the elders from various families and sects couldn't match up to the youngster.

And now, this youngster had become a son-in-law of his sect, so naturally, he was pleased.

It was as if his sect had gained another Heavenly Immortal with limitless potential.

Chapter 2340: Slay the Heavenly Immortal!

In the distant Dark Void.

Yin Juetian and his group initially thought that Dongfang Wuji would assist them, and they even felt joy for a moment.

But unexpectedly, this guy actually intended to support that little beast Yang Luo.

"Brother Dongfang, what do you mean by this?"

"We are friends, are you really planning to help this kid against us?"

Bai Yuanzhou voiced out in an annoyed manner.

"Brother Dongfang, could it be that you're disregarding the camaraderie between us?"

Qiao Huaxian roared angrily as well.

"Hmph!"

Dongfang Wuji let out a cold snort and said: “What camaraderie do I have with you?

What can you offer me, what can you offer our Purple Cloud Sect?

There’s no need for such meaningless talk!

As of now, Little Luo is our Purple Cloud Sect’s son-in-law!

If you want to kill him, of course, I won’t sit by idly!”

“You...”

“Dongfang Wuji, are you sure you want to become enemies with us?!”

“Think carefully about this!”

Qiao Huaxian and Bai Yuanzhou were gnashing their teeth, their hearts growing even more furious.

Months ago, Dongfang Wuji had joined forces with them to fight against the people from the Kunlun Ruins.

And now, this guy was actually going to fight against them for a young kid.

If Dongfang Wuji had been just an ordinary person, it might not matter.

But crucially, Dongfang Wuji was a Heavenly Immortal, and even in the Mid-stage.

Dongfang Wuji no longer paid attention to Qiao Huaxian and the others but turned his head to look at Yang Luo, asking: "Little Luo, do you need help?"

Yang Luo bowed and said: "Purple Cloud Old Ancestor, I do not need assistance!

Please lend your aid to Senior Chu and Senior Zuo instead!"

Dongfang Wuji said: "Although I don't like those two guys, since it's your request, I will naturally agree!"

With that, Dongfang Wuji stepped onto the Void and directly charged into the Dark Void above the high skies!

"Hahaha..."

Bujie laughed out loud, "Good, very good, now we have another Heavenly Immortal on our side, the odds of winning are even greater!"

Xu Ying nodded and said: "With this, the pressure on Senior Chu and Senior Zuo will be greatly alleviated!"

Ji Longyue and the others were also extremely excited.

They knew, Dongfang Wuji's willingness to help was entirely in consideration of Yang Luo's face.

Indeed, if you want these powerful beings to take note, you must possess convincing strength!

As a result of Dongfang Wuji's involvement!

The confidence of Bujie and others soared, as they continued to charge at the major sects and family clans!

At this moment.

In the distant upper Dark Void.

Zuo Canghai chuckled, “Dongfang Wuji, I never expected that one day we would join hands against a common enemy!”

Dongfang Wuji coldly snorted and responded: “Zuo Canghai, I’m doing this to help Little Luo, it’s not for helping you all!”

“Yes, yes, yes!”

Zuo Canghai waved his hand and said: “Regardless of whether you’re here to help that kid or to help us, as long as you’re willing to assist, you’re our friend!”

“Thank you!”

Chu Junlin also bowed slightly.

Seeing that Dongfang Wuji had made up his mind to assist Chu Junlin and Zuo Canghai.

Yin Juetian and the five of them were so angry that their chests were heaving and they were incensed.

“Dongfang Wuji, since you want to help these two demons, then you are our enemy!”

“No need to waste words with these three, kill them!”

Yin Juetian and the group of five bellowed as they charged towards Chu Junlin and the others!

Chu Junlin and his group were unafraid, taking a step forward to meet the battle head-on!

With Dongfang Wuji's assistance, Chu Junlin and Zuo Canghai immediately felt the pressure lessen significantly!

Moreover, their combined strength was gradually suppressing Yin Juetian's group of five!

The battle grew even more ferocious!

At this time.

In the upper distances of the sky.

Yang Luo sneered towards Ancient Tuo Zen Master and his two companions, "Previously, with more numbers on your side, you certainly could suppress us!

But now, we also have over a hundred thousand people, plus the help from the Purple Cloud Old Ancestor!

In this battle, your defeat is certain!"

"How infuriating!"

Ancient Tuo Zen Master's face twisted viciously as he brought his hands together and roared out loud!

"Ten Thousand Buddhas!"

In the blink of an eye!

Tens of thousands of Buddha, Bodhisattva, Venerables, Vajra, and Arhat illusions rose towering into the sky, each one hundreds of feet tall, dominating everything with terrifying might!

“Kill!”

Ancient Tuo Zen Master’s voice thundered forth!

Myriads of Buddhas simultaneously sprang into action, launching their most powerful offensive towards Yang Luo!

You Xianzhan mobilized the energy within his body to its peak, raised the halberd in his hand, and roared out loud!

“Nine Yang Heaven Creation—Burning Eight Desolates!”

In the blink of an eye!

Nine enormous fireballs, each more than a thousand zhang large and crimson as gold, converged above him, resembling nine suns suspended in the sky!

Then, these nine fireballs overlapped intensely, merging into one, transforming into a colossal crimson-gold fireball over two thousand zhang in size!

The fireball spanned the sky, its flames burnt fiercely, illuminating the night sky!

“Annihilate!”

You Xianzhan fiercely swung his halberd, letting out a thunderous roar!

The massive fireball more than two thousand zhang across hurtled forth like a great sun, colliding towards Yang Luo!

“Yuhua Immortal Ascension Technique—Seven Rainbows Breaking the Sky!”

Ji Yunhe’s entire body shook as he burst out shouting!

Seven immense Immortal rainbows, nearly two thousand zhang in size each, soared into the sky, carrying with them endless destructive power, shooting towards Yang Luo!

“Fight!!!”

Yang Luo roared out, slashing forward with a tremendous and forceful sword stroke!

Swoosh!

A huge golden sword over two thousand zhang large cleaved down, splitting heaven and earth, severing the boundless void!

The twelve Ancestral Magi also charged forth wildly, supremely fierce!

“Roar roar roar!”

The Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, and Hundun all belted out their war cries!

In a flash!

Boom!

Bang!

Sounds of collision and explosions that shook the heavens, sobbed the spirits, moved the Eight Desolates, and plunged the Nine Heavens into chaos, echoed forth!

The charging thousands of Buddhas were all slashed to extinction, obliterated!

The striking great sun was cleaved apart, exploding!

The seven shooting Immortal rainbows were shattered!

The twelve Ancestral Magi and seven great phantasms consecutively exploded in the sky!

“Ah ah ah...”

The three, including Ancient Tuo Zen Master, could no longer hold on, letting out extreme screams of agony as they were sent flying backward!

Yang Luo, without any hesitation, instantly condensed the Thunderfire Wings behind him, darting out, slashing fiercely towards the nearest Ancient Tuo Zen Master!

“Old fool, die!!!”

Swoosh!

One sword stroke was delivered, nine vast sword shadows over two thousand zhang in length overlapped, unleashing Supreme Sword Power, Indestructible Sword Intent!

This sword was terrifying to the extreme, unstoppable, indestructible!

Ancient Tuo Zen Master hated him to the extreme!

And he hated Ancient Tuo Zen Master to the extreme!

It was naturally a fight to the death!

“Demon, don’t you dare!!!”

Ancient Tuo Zen Master screamed in horror, putting up every defense possible!

“Heaven Shaking Buddha Bell!”

“Mahayana Buddha Gang!”

“Ten-foot Golden Body!”

But no matter how formidable his defenses were, they simply couldn’t withstand the attack!

In less than a minute!

Boom!

The Heaven Shaking Buddha Bell was cleaved in two!

In less than two minutes!

Boom!

The Mahayana Buddha Gang was sliced open!

In less than three minutes!

Boom!

The Ten-foot Golden Body was smashed to pieces!

All defenses were completely slashed apart, exploding in mid-air!

The next second!

Spurt!

The robust physical body and Buddha Body of Ancient Tuo Zen Master were straightaway cleaved into two by a sword stroke!

His Essence Soul detached from the body, attempting to resist, but still couldn't hold up and was obliterated by a sword slash!

Thus!

Heavenly Immortal Ancient Tuo Zen Master was slain by a single sword strike!
