

## **Super IDG 2341**

Chapter 2341: Fighting Alone Against Ten Thousand!

At this moment!

The fierce battle subsides into a momentary silence!

Everyone is staring fixedly at the sky in the distance, shocked to the core!

What did they see?!

The Ancient Tuo Zen Master has been slain?!

If they hadn't seen it with their own eyes, they would never have believed it!

Not until the two halves of the Ancient Tuo Zen Master's body fell from the sky...

Yang Luo raised his sword and declared boldly, "So what if it's a Heavenly Immortal?

I shall slay him nonetheless!!!"

Before the echo of his voice faded away!

The place erupted, bursting with excitement!

“Hahaha, Brother Yang did well; he actually really managed to slay that old geezer!”

“The Ancient Tuo Zen Master was a Heavenly Immortal...

and yet he was slain by Brother Yang!”

“He’s so strong...

Brother Yang is truly formidable!”

Bujie and others cried out in surprise, overwhelmed with excitement and emotion, feeling immensely relieved.

Over a month ago, this old geezer had pursued them for thousands of miles, forcing them to flee repeatedly.

Had they not accidentally escaped to the Immortal Burial Island and invoked Senior Gu,

They probably wouldn't be alive today.

And now, Yang Luo has forcefully slain the Ancient Tuo Zen Master, venting the pent-up rage in their hearts!

Dongfang Shaohua exclaimed in shock, "My god...

Little Luo actually really killed a Heavenly Immortal?!"

Huangfu Longteng said admiringly, "In so many years between the two Immortal Realms, not many Heavenly Immortals have died!

But who would have thought that today, Little Luo could actually kill the Ancient Tuo Zen Master; this kid is truly terrifyingly powerful!"

Helian Xiongqi also nodded and expressed his admiration, "Isn't it just?

Little Luo weathered the siege from three great Heavenly Immortals and numerous Earth Immortals and True Immortals!

And now, not only has he injured You Xianzhan and Ji Yunhe, but he has also slain the Ancient Tuo Zen Master!

It seems that typical Early Stage Heavenly Immortal powerhouses, even many in number, cannot contend with Little Luo!"

Others also nodded their heads, their admiration for Yang Luo reaching a peak.

"Hahaha..."

Gu Tianshang laughed heartily, "Well done, lad!

You are truly worthy of being my disciple, truly worthy of being my master!"

"Well done, kid!"

"Brilliantly done!"

“This hypocritical old monk deserved to die long ago!”

Linghu Wuxie, Chu Junlin, and Zuo Canghai also laughed out loud.

As for Kuai Xianhong, Fu Haijiang, and Qiao Huaxian, they were seething with rage!

Even though the Ancient Tuo Zen Master had only just entered the Heavenly Immortal realm, he was a genuine Heavenly Immortal and a key force among them!

Yet now, the Ancient Tuo Zen Master had been killed by a mere youth!

They simply could not accept this reality!

The expression of Tian Bao Ancient Buddha became extremely gloomy.

He wished he could kill Yang Luo himself right now!

But he knew if he left the battlefield, Fu Haijiang alone would struggle to deal with Linghu Wuxie.

“The Ancient Tuo Zen Master was a Heavenly Immortal...

yet he was killed by this vile creature!”

“This demon has killed a Heavenly Immortal of our Ten Thousand Buddha Sect...

it’s infuriating...

unforgivably so!”

“Ah...

it was hard enough for our Ten Thousand Buddha Sect to produce a Heavenly Immortal...

only for this demon to kill him!”

“We must kill this demon...

kill this demon!”

The members of various sects and families were shocked to the point of extreme fear and fury.

Especially the people of the Ten Thousand Buddha Sect who wanted nothing more than to dismember Yang Luo completely.

After all, whether it was Penglai Immortal Island or Kunlun Ruins, a Heavenly Immortal is the most valuable.

As long as a sect or family has a Heavenly Immortal, they could enter the top ranks of the two Immortal Realms.

Such is the strength of a Heavenly Immortal, the prestige of a Heavenly Immortal!

Because this battle was so grand, it had already alarmed many elders on the Heavenly Sword Island!

Many cultivators who were spectating from a distance were terrified, their bodies covered in goosebumps, shivering uncontrollably!

“Is that a Heavenly Immortal...

just cut down like that?”

Someone asked with a trembling voice, feeling as if they were in a dream.

The other spectators were already dumbstruck, their faces ashen.

They had actually witnessed the fall of a Heavenly Immortal, which was something they found hard to believe.

Many mutated beasts were so frightened that they trembled uncontrollably and lay prostrate on the ground.

From afar, high above the Cloud Sea.

The man in white exclaimed in shock: "This kid actually has the power to slay gods?!"

The man clad in golden armor frowned deeply, saying solemnly: "This kid is inconceivable, he will surely become a calamity for our three major races!"

The man clad in black armor said coldly: "Should we take action to kill this kid, to remove this disaster sooner?"

The man in white raised his hand and said: "This kid has so many people helping him, now is not the best time to get rid of him!

Wait until he is alone later, then it's not too late for us to make a move!"

"Alright."

The men in golden and black armor nodded.

They all set their sights on Yang Luo from afar, their eyes filled with Killing Intent.

They had no choice, Yang Luo's strength had already posed a threat to them, a terrifying one.

They had to get rid of him as soon as possible!

At this moment.

High above Ten Thousand Immortals Mountain.

"Kill, kill this Demon!"

“Even if we exhaust everything, we must kill him!”

The tens of thousands of disciples from the Ten Thousand Buddha Sect roared and charged from all directions, ready to fight to the death with Yang Luo!

You Xianzhan had a fierce look on his face, saying viciously: “This little beast has been fighting for so long, he must have expended a lot of his qi!

As long as we join forces, we can definitely cut him down!”

“That’s right, everyone get in there, kill this little beast!”

Ji Yunhe also shouted loudly.

Both of them took some pills and after consuming them, their momentum and combat power surged again, charging towards Yang Luo!

People from other sects and families also began to act, heading towards Yang Luo to kill him!

Seeing tens of thousands of people coming at him from all sides!

Yang Luo stood proudly in the air, majestic and unafraid, his blood boiling, battle intent surging!

He slowly raised the sword in his hand and declared: “Even if tens of thousands of you join forces, what have I to fear?”

Saying this, Yang Luo`s whole body shuddered, and he stomped down from the sky!

“Great Dao Dragon Diagram!”

In an instant!

A Golden Dragon Totem formed in the sky, slowly turning, spreading out profound and vast dragon might and dragon qi!

The next second!

“Roar roar roar!”

Dragon roars filled the Heaven and Earth in all directions!

A hundred thousand dragon illusions roared out, charging towards all sides!

After displaying the “Great Dao Dragon Diagram”!

Yang Luo also summoned the Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Hundun, and Taotie!

Of course, Yang Luo once again summoned the twelve Ancestral Magi, attacking from all directions!

Since Senior Xinghe and the others said, to integrate the twelve Ancestral Magi, one must harmonize with their intentions and gain their recognition!

Then he must often summon the twelve Ancestral Magi to battle, perhaps in this way, he could gradually align with their intentions and gain their recognition!

At this very moment!

The Heaven and Earth where Yang Luo was located sparkled with all kinds of lights, surged with all kinds of energy, filling Heaven and Earth in all directions!

Giant dragons soaring, White Tiger roaring, Vermillion Bird ablaze in flames, Black Tortoise striding across the sky, Hundun wreaking havoc, Taotie destroying the world!

The twelve Ancestral Magi, like towering giants, massacred in all quarters!

Roars, sounds of combat, screams of agony, echoed continuously!

Like the dirge of death, the chant of King of Hell!

Chapter 2342: A New Attempt!

Waves of people who surged forward were killed!

Blood and bone debris splattered across the sky, captivating the soul!

The world Yang Luo was in seemed to transform into a forbidden place.

Those with insufficient cultivation and strength would be pulverized once they came close!

Yet, the people from the great sects and clans were blinded by fury, relentlessly charging towards Yang Luo!

Without any hesitation, Yang Luo continued to harness energy within his body, wielding the sword in his hand!

“Nine Tribulations Sword Prison!”

“Heaven and Earth Furnace!”

“Dragon Rebel Sword Formation!”

“Nine Revolutions Thunder Annihilation Formation!”

“Primordial Dragon Prison Array!”

Sword Prison, Fire Furnace, Sword Formation, Thunder Array, Dragon Formation kept forming continuously, trapping waves of people inside!

Flying swords darted, flames surged, lightning bolts rampaged, dragon rises to Jiutian!

“Ah”

Screams continued to ring out relentlessly.

In just a few short minutes, tens of thousands had been slain!

Two roars came from above!

“You little beast, hand over your life!”

“You little animal, die for me!”

Yang Luo fiercely looked up.

He saw You Xianzhan and Ji Yunhe soaring above him, launching a fierce attack against him!

“Nine Yang Immortal Domain!”

“Yuhua Immortal Domain!”

You Xianzhan and Ji Yunhe roared, unleashing once again their immensely deadly moves!

Now that Ancient Tuo Zen Master was dead, they were both fearful and furious towards Yang Luo!

It was precisely because of this that they had gathered others to help!

They believed that after battling Yang Luo for so long, his energy must be nearly depleted!

As long as they worked together with others, they would surely be able to kill him!

Moreover, this young man must die!

This lad, having merely stepped into the Heavenly Immortal realm, already possessed such combat power!

If he were to advance a few more minor realms, he might become an invincible presence in the two Immortal Worlds!

This young man must be eliminated, or he will become a massive threat!

At this moment.

With two enormous Immortal Domains, each over a thousand zhang large, pressing down!

Rumble rumble!

The heavens and earth shook tremendously, mountains and rivers swayed, rivers roiled!

Within the Nine Yang Immortal Domain!

Golden flames like a reversed Milky Way surged down!

Nine golden fireballs, akin to the sun, also thunderously smashed down!

Furthermore, several Flame Immortal Tombs descended, suppressing everything!

Within the Yuhua Immortal Domain!

Immortal rainbows like auroras in the starry sky burst down!

Several Immortal Towers emitting seven-colored immortal light descended to suppress!

Even more True Immortal illusions materialized, plunging down in an attack!

These are domains evolved by Heavenly Immortals, countless times stronger than those evolved by True Immortals!

Seeing the two great Immortal Domains descending to suppress!

Yet, Yang Luo still did not flinch or retreat; like an ancient sword immortal, a war immortal, he wielded his sword and soared into the high sky!

As he soared!

He also evolved the Emperor Dragon Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Purple Thunder Immortal Domain, Fire Phoenix Immortal Domain, and Endless Sword Domain!

Seven great domains simultaneously shot up into the sky, colliding with the two suppressing domains!

Countless flying swords erupted into the sky, giant dragons soared directly to Jiutian!

A bright and cold moon emitted chilling frost, colliding fiercely!

Even more, the Yin and Yang Qi, Five Elements Immortal Light, myriad lightning bolts, and Flame Phoenix, all charged fiercely upward!

Clang Clang!

Boom Boom!

Terrifying collision and explosion sounds reverberated in the skies, spreading in all directions of the world!

Endless radiance and energy surged like Raging Sea Violent Waves, violently washing over everything!

The released energy and light instantly annihilated many people who were charging from the surroundings!

The domains formed by You Xianzhan and Ji Yunhe could no longer withstand the impact of Yang Luo's seven domains, continuously cracking!

Both their expressions were greatly shocked as they continued to mobilize the energy within their bodies, pouring it into their two domains, trying to block Yang Luo's fierce attacks!

However, Yang Luo showed no mercy, as he wildly slashed with the sword in his hand while simultaneously activating his mind!

Six of the twelve Ancestral Magi rushed over from a distance, attacking You Xianzhan and Ji Yunhe!

The two ferocious beasts, Hundun and Taotie, also charged berserkly towards them!

Their complexions drastically changed, only able to deploy numerous killing moves, attacking Yang Luo fiercely, and simultaneously launching attacks on the twelve Ancestral Magi, Taotie, and Hundun!

The whole heaven and earth were boiling over, the vast Cangqiong, the earth, and the void continuously shattered!

Yang Luo, staring at the sky, coldly said: “Just now, even your alliance with that old man Guduo couldn’t kill me!

Now, do you two think you could kill me by joining forces?”

Saying this, Yang Luo raised his left hand, palm facing upward, feverishly mobilizing the energy within his body, and shouted aloud!

“Chaos Destruction Skill!”

Instantly!

A pattern of Yin Yang Fish condensed above the palm of his left hand, subsequently transforming into a Golden Tai Chi Diagram!

Behind him also emerged a gleaming “Dao” character!

This “Dao” character was immensely huge, standing firm like a great mountain!

Then, Yang Luo violently pushed with his left hand!

A Tai Chi Diagram, only the size of a palm, shot out, expanding instantly to over two thousand feet, surging upward forcefully!

This Golden Tai Chi Diagram was mysteriously profound, generating phenomena like the sun, the moon, the stars, and everything in the world within it!

However, Yang Luo had a new idea as he moved his thoughts, shouting aloud!

“Taotie Transformation!”

“Hundun Transformation!”

He wanted to integrate Taotie and Hundun into the Tai Chi Diagram to drastically enhance its power!

Previously, Senior Long Daoyi had told him to develop the power of this killing move on his own!

Thus, he thought of merging ferocious beasts, Divine Beasts, and attribute powers into it to see if it would enhance its capabilities!

Suddenly, Taotie and Hundun in the sky flew directly towards the Tai Chi Diagram!

However, as Taotie and Hundun approached the Tai Chi Diagram, they showed some repulsion, but under Yang Luo’s control, they still flew into the Tai Chi Diagram!

Taotie and Hundun willingly merged into the Yin Fish!

Instantly!

Clang Clang Clang!

The Golden Tai Chi Diagram even grew a size larger, its area rapidly approaching three thousand feet!

The power it erupted with also grew stronger!

The heavens trembled and the landscape shook!

“What the heck Brother Yang, what is he doing?!”

“Brother Yang actually integrated Taotie and Hundun into the Tai Chi Diagram?!”

“And after merging, the power of the Tai Chi Diagram seems even more terrifying!”

“Could this be a new killing move developed by Brother Yang?!”

Bujie and the others who were fighting fiercely in the distance were also shocked, even more puzzled by what Yang Luo was doing.

However, Yang Luo was overjoyed in his heart!

Indeed it works!

Immediately, he shouted loudly again!

“Black Tortoise Transformation!”

“Vermillion Bird Transformation!”

Suddenly, Black Tortoise and Vermillion Bird also flew over, and after struggling a few times, they merged into the Yang Fish of the Tai Chi Diagram!

Clang Clang Clang!

The trembling of heaven and earth intensified even more, and the Tai Chi Diagram grew a few sizes again, reaching three thousand feet, its power once again elevated!

However, as Yang Luo attempted to integrate the Holy Dragon, Azure Dragon, White Tiger, and the twelve Ancestral Magi, it failed!

The bearing capacity of the Tai Chi Diagram seemed to have reached its limit, unable to integrate any more Holy Dragon, Azure Dragon, White Tiger, and the twelve Ancestral Magi!

Chapter 2343: Slay the Heavenly Immortal Again!

Yang Luo sighed in his heart!

It seems that he still hasn't specialized enough in this cultivation technique.

If he were to achieve great success, it would undoubtedly be even more terrifying!

However, even though he's only merged with Black Tortoise, Vermillion Bird, Hundun, and Taotie, this Taiji Painting has already become more than ten times more terrifying than before!

Boom, boom, boom!

The golden Taiji Painting, like a golden sun, pressed down, crushing layers of void, and instantly burst the domains created by You Xianzhan and Ji Yunhe!

And destroyed all their attacks!

You Xianzhan exclaimed in shock: “What cultivation technique is this?!”

How can it be so terrifying?!”

“Retreat!

Retreat quickly!”

Ji Yunhe felt his hairs stand on end and screamed in horror while quickly pulling back!

Although Ji Yunhe has retreated!

You Xianzhan was unable to escape!

Seeing this Taiji Painting that overwhelmed the heavens bearing down for a kill!

You Xianzhan was terror-stricken to the extreme, sensing the threat of death!

He dared not hesitate, mobilizing the energy inside him to its pinnacle; he swung the Immortal Vanquishing Halberd in his hand, heavily slashing towards the Taiji Painting!

Clang!

The massive halberd, over a thousand feet long, tore through the sky, fiercely smashing into the Taiji Painting, causing a thunderous noise!

However, it couldn’t break through the Taiji Painting!

His complexion drastically changed, and he continued to unleash layers of killing techniques, furiously attacking the Taiji Painting!

Boom, boom, boom!

Layers of attacks bombarded the Taiji Painting, causing explosive, earth-shaking sounds!

But no matter how fierce his attacks, they still could not destroy the Taiji Painting!

You Xianzhan completely panicked and called out loudly for help: “Brother Ji, come and save me!”

Ji Yunhe wanted to help, but it was already too late!

“Exterminate!”

Yang Luo’s expression was cold as he let out a roar!

In an instant!

Boom, boom, boom!

The Taiji Painting, like a golden sun, exploded instantly!

The power generated by the explosion was terrifying to the extreme, shaking heaven and earth, stirring all directions, annihilating all areas!

The fierce and violent energy spread from the explosion, like a mountainous flood and tsunami, annihilating everyone who rushed over!

“Ahhhh!!!”

You Xianzhan let out a dreadful scream as his physical body was completely blown apart into pieces, scattering in the sky!

His Essence Soul tried to escape, but it was utterly impossible and was directly obliterated!

“You”

Ji Yunhe, seeing this from afar, was terrified to the extreme!

“Old man, it’s your turn to surrender your life!”

Yang Luo fixed his gaze on Ji Yunhe, forcefully swinging the sword in his hand!

With a swing of the sword, the heavens trembled and the earth moved!

Swoosh, swoosh, swoosh!

Countless golden flying swords covered the sky and the earth, all targeting Ji Yunhe!

Ji Yunhe swung the dual sabers in his hands frantically, creating massive Immortal rainbows that bombarded the sky!

Boom, boom, boom!

Countless flying swords collided with the Immortal rainbows, causing a series of earth-shattering explosive noises!

Various lights and energies exploded in the sky, vast and boundless!

Ji Yunhe, now fearful of Yang Luo, dared not clash with him anymore, and he immediately shattered the void, clearly intending to escape!

“Old fool, don’t run!”

Yang Luo’s face changed, unleashing the power of the nine attributes, transforming into nine rainbows that burst forth!

In a flash!

Boom, boom, boom!

That area exploded with sounds of Heaven and Earth Shattering!

The intense radiance and energy transformed into a huge ball of energy and exploded!

However, by the time Yang Luo rushed over,

Blood sprayed across the sky, leaving only a void cave floating there!

As for Ji Yunhe, he had already vanished without a trace!

Yang Luo furrowed his brows, realizing that the fellow had managed to escape again!

At this moment,

Everyone present was terrified!

“Ancient Tuo Zen Master is dead...

Nine Yang Immortal Venerable is dead...

Both Heavenly Immortals are dead!”

“This kid is a devil...

Even united, three Heavenly Immortals couldn’t kill him...

What’s the use of us staying here...

Run...

Run!”

“Our situation has completely turned...

Staying means certain death...

Run!”

The onlookers screamed in horror, completely losing their will to fight, and frantically fled towards the distance.

“Gosh!

Brother Yang actually managed to slay another Heavenly Immortal!”

“Even under the attack of so many people, Brother Yang was able to consecutively kill two Heavenly Immortals; he is incredibly powerful!”

“Unfortunately, one old geezer still managed to escape!”

“That old geezer was scared witless by Brother Yang, if he didn’t run, he’d have met his end here too!”

Bujie and others were also extremely excited, and their admiration for Yang Luo soared even higher.

Yang Luo then straightforwardly gathered the Heavenly Buddha Bell, Seven Treasures Buddha Seal, and the Immortal Vanquishing Halberd and Nine Yang Ding from the fallen Ancient Tuo Zen Master and You Xianzhan!

“Bujie, take this Heavenly Buddha Bell and Seven Treasures Buddha Seal to use!”

“Xu Ying, take this Nine Yang Ding!”

“Brother Ji, take this Immortal Vanquishing Halberd!”

Saying so, Yang Luo waved his hand grandly!

The Heavenly Buddha Bell, Seven Treasures Buddha Seal, Immortal Vanquishing Halberd, and Nine Yang Ding flew towards Bujie and the others.

Bujie caught the Heavenly Buddha Bell and Seven Treasures Buddha Seal, and laughed heartily, “Brother Yang is really my best bro, always thinking of me whenever there’s any benefit!”

“Thank you so much, Brother Yang!”

“Thanks, Brother Yang!”

Xu Ying and Ji Longyue also thanked him one after another.

Ning Jianfeng and others were variously envious.

However, they also knew that items like these Quasi-Immortal and Immortal Weapons, Dharma artifacts are hard to come by.

Yang Luo giving these items to Bujie, Xu Ying, and Ji Longyue must have made sense to him, so they did not say much.

After all, Yang Luo was always generous and righteous; surely, he would think of them when acquiring more good weapons and Dharma artifacts in the future.

Just then!

A thunderous roar emanated from the dark void above in the distance!

“Six Paths Demon Technique!”

“Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!”

“Dijiang, Xuanming, Zhuweizi, Tianwu, Candle Dragon, Shebi!”

Everyone looked up at the sky in the distance.

Behold, twelve colossal giants, thousands of feet tall, stood proudly in the sky above Gu Tianshang, towering like twelve Fiend Celestials in the void!

Their divine might overshadowed the world, their demon power overwhelming, dominating Heaven and Earth!

“What’s happening?!”

Why can this demon also summon the twelve Ancestral Witches?!”

“Could it be that this demon cultivated the same technique as that brat Yang Luo?!”

“The key point is...

the Ancestral Witches summoned by this demon have an even more terrifying aura and suppressive power!”

Everyone from the sects and clans shouted in astonishment and were dumbfounded.

Especially Kuai Xianhong, who was fighting against Gu Tianshang, was utterly shocked and dumbstruck!

“You, you, you...

You actually mastered the complete ‘Six Paths Demon Technique’?!”

Kuai Xianhong asked in shock.

He naturally knew Gu Tianshang could use this powerful technique, but previously, that guy clearly only knew the lower part!

“So what if I did?”

Gu Tianshang smiled faintly and said, “I originally only knew the lower part of this technique, but that kid Yang Luo knows the upper part!

So, the two of us have both mastered the complete ‘Six Paths Demon Technique’!”

“Damn it!”

Kuai Xianhong gritted his teeth and roared, “Even if you have mastered the complete ‘Six Paths Demon Technique’, I am not afraid of you!”

Chapter 2344: Retreat At Every Turn!

Before his words fell silent!

Kuai Xianhong mobilized the energy within his body unceasingly!

As the energy was summoned, he radiated a blinding and dazzling brilliance!

His hair and beard fluttered, his robe billowed, and a pitch-black beam of light surged upward from his body, piercing through the nine-layered heaven!

“Jiuying Chaotic World Technique!”

“Jiuying Descent!”

A thunderous roar accompanied!

Rumble rumble rumble!

A massive ferocious beast Jiuying of thousands of feet high stood erect in the sky above him!

Its nine serpent heads emitted a blood-red glow, unleashing a horrifyingly dreadful aura of pure malevolence, immensely terrifying!

Moreover, apart from Jiuying, nine other ancient evil beasts also took their stand around him!

“Kill!”

Kuai Xianhong let out a fierce roar, leading Jiuying and the nine ancient evil beasts in a charge toward Gu Tianshang!

Gu Tianshang also did not hesitate, commanding the twelve Ancestral Magi to meet them in battle!

In the blink of an eye!

Clang rumble!

The twelve Ancestral Magi fiercely collided with Jiuying and the nine ferocious beasts, igniting an earth-shattering impact!

Gu Tianshang and Kuai Xianhong both swung their respective halberd and saber, attacking each other!

Clang clang clang!

The huge halberd overwhelmed the heavens, the huge saber cleaved through the air, both clashing violently, their might shaking the heavens!

In less than a few minutes!

Boom boom boom!

An earth-shattering explosion after another resonated ceaselessly, spreading in all directions!

The ferocious beasts summoned by Kuai Xianhong exploded one after another in the sky!

In just under a few minutes!

All nine ferocious beasts had exploded, leaving only Jiuying!

The twelve Ancestral Magi called forth by Gu Tianshang had also lost six, leaving six!

Swarms of light and energy intertwined, sweeping outward like landslides and tsunamis in every direction!

The surging chaotic fog was massively dispersed, its terror unmatched!

“Again!”

Gu Tianshang roared, swinging his halberd with all his might, slashing down ferociously!

Behind him, once more, a myriad of giant arms congealed, each forming a fist, thundering down upon Kuai Xianhong!

The remaining six Ancestral Magi also launched their fierce attacks simultaneously!

“You and I are both at the Heavenly Immortal Perfected Stage, I refuse to believe I am truly weaker than you!”

Kuai Xianhong roared as well.

The nine heads of Jiuying opened their gigantic maws, spewing out nine streams of Immortal rainbows infused with nine-colored attribute power!

The nine Immortal rainbows ripped through the Void, striking at Gu Tianshang and the six Ancestral Magi!

In an instant!

Boom rumble!

Boom rumble!

An even more terrifying and shocking collision and explosion noise erupted, shaking heaven and earth, rippling outward in all directions!

Under this powerful confrontation!

Three Ancestral Magi and Jiuying shattered and exploded in the sky simultaneously, turning into a vast shower of energy light, raining down from the Dark Void!

“Ah!”

Kuai Xianhong let out a painful cry, being blasted backward, plummeting down from the Dark Void, crushing through mountains, and falling into a pile of ruins!

Gu Tianshang stood proudly aloft, the remaining three Ancestral Magi positioned above him, their might unrivaled!

He declared, “Kuai Xianhong, didn’t you say you would definitely be able to kill me this time?”

What now?

You were not my match before, and you still are not my match now!"

Saying this, Gu Tianshang, leading the three Ancestral Magi, plunged downwards, charging at Kuai Xianhong amidst the ruins!

"Ahhhh!"

Kuai Xianhong howled furiously, his grey-white hair wildly flying, "I won't be defeated by you again!

I won't!!!"

Boom!

The ruins exploded in an instant, all the rubble was pulverized!

He held his saber and charged straight up from the ground, continuing his attack against Gu Tianshang!

The two continued their fierce battle, blood splattered, battle boiling over, until madness ensued!

In a distant part of the Dark Void.

Linghu Wuxie and Tian Bao Ancient Buddha, together with Fu Haijiang, were also embroiled in an intensely heated battle stage!

"Wrath of the Evil God!"

Linghu Wuxie, drenched in fresh blood, let out a heavenward roar!

Evil Energy surged to the sky, Evil Fire blazed, Evil Lightning rampaged, and Evil Winds screeched!

A colossal phantom of an Evil God, thousands of feet tall, stood erect, wielding a huge sword with an intimidating presence, and oppressing Heaven and Earth!

“Slash!”

Linghu Wuxie bellowed with rage, gripping the saber tightly with both hands, and chopping down fiercely at both Tian Bao Ancient Buddha and Fu Haijiang!

Simultaneously, the Evil God phantom towering above him also swung down its blade!

Swoosh!

The blades crisscrossed, immense and thousands of feet tall, overshadowing the heavens and the earth, cleaving at the two of them!

Tian Bao Ancient Buddha’s entire body shuddered, as Buddhist Light Illumination lit up the endless darkness!

A colossal golden Buddha, spanning thousands of feet, rose to its feet, overwhelming with Buddha’s power!

Tian Bao Ancient Buddha swung his Buddhist staff with all his might!

The huge staff tore through the heavens, shattered the Void, with an unrivaled ferocity!

The golden Buddha towering above him also struck out with a palm!

With one hit, the golden Buddhist palms expanded into thousands of feet, pressing down from above!

Fu Haijiang also trembled all over, as a gigantic Yazi, also thousands of feet tall, rose up with pervading ferocity and wild energy surging!

Without any hesitation, he clenched his long sword tightly with both hands and slashed down fiercely!

Swoosh!

The colossal Black Gold sword, thousands of feet tall, tore through the Void, as if cleaving through everything!

The Yazi towering above him also let out a roar and collided upward!

In an instant!

Boom!

Rumble!

The sounds of collision and explosion rang out at the same time, shaking the Cangqiong, trembling in all directions, and causing chaos in the Jiutian!

The Evil God, the golden Buddha, and Yazi shattered and exploded in the sky at the same time!

“Get down from there!!!”

Linghu Wuxie with hair standing on end roared out, pressing down forcefully with the saber in his hands!

“Ugh...”

“Ah...”

Tian Bao Ancient Buddha and Fu Haijiang could no longer withstand the assault, and plummeted from the Dark Void, crashing fiercely onto the ground!

Linghu Wuxie did not hesitate either, brandishing his saber, he descended to kill!

Gu Tianshang and Linghu Wuxie’s battlefield was intensely fierce!

And in a remote part of the Dark Void.

The battle was even more ferocious!

Chu Junlin, Zuo Canghai, and Dongfang Wuji together had completely overpowered Yin Juetian, Qiao Huaxian, Bai Yuanzhou, Chai Wen Dao, and Qiong Canglong!

Yin Juetian’s group was beaten back step by step, no match at all!

After all, whether in terms of numbers or cultivation strength, their advantage was no longer existent!

Even with only Dongfang Wuji joining, it meant adding one more powerful combat force!

Yin Juetian’s group had backed off thousands of meters to barely stabilize their figures!

Blood spattered all over them, blood spraying from their mouths, a ghastly sight indeed!

However, Chu Junlin, Zuo Canghai, and Dongfang Wuji ceaselessly continued their onslaught towards the five of them!

On their way to mount the attack!

Chu Junlin's group launched a ferocious offensive simultaneously!

"Heavenly Demon Dominator Spear!"

"Ten Thousand Poison Divine Whip!"

"Purple Cloud Sky Breaking Halberd!"

A huge spear, a huge whip, and a huge halberd collapsed a large expanse of the Void, striking at Yin Juetian's group!

Demon Energy surged to the sky, Poison Energy billowed, Purple Energy soared, boundless terror!

"Let's fight them with our lives!"

Yin Juetian's group roared, right fist clenched, they mustered all their strength to punch out!

"Burning Sky Fierce Sun Fist!"

A punch was thrown, uncountable punch shadows heavily overlapped!

Turning into a colossal fist, three thousand feet large, like the fierce sun, blazing with flames that smashed out fiercely!

Chapter 2345: The Outcome is About to be Revealed!

Qiao Huaxian, Bai Yuanzhou, Chai Wen Dao, and Qiong Canglong also launched a counterattack!

“Tianyan Extinguishing Immortal Palm!”

“Chaos Immortal Sword!”

“Tai Cang Gui Yuan Sword!”

“Coiling Dragon Slaying Immortal Spear!”

A giant palm, two huge swords, and a huge spear attacked fiercely at the same time, with a magnificent and brutal momentum!

In an instant!

Boom!

Rumble!

Collisions and explosions echoed through Heaven and Earth, rocking the surroundings!

Various lights and energies scattered from the point of collision and explosions, dazzling with endless destructive power!

But, even with Yin Juetian’s group of five joining forces in a counterattack, they still couldn’t withstand the fierce assault from Chu Junlin’s group of three!

Yin Juetian and his companions were forced back repeatedly, their bodies splattered with blood from the explosions!

Without any hesitation, the five of them each summoned their Dharma artifacts, attacking with the force of suppression!

Burning Heaven Furnace, Path Cutting Seal, Sword Nourishing Gourd, Star Battle Wheel, Coiled Dragon Cauldron—five Immortal Magical Artifacts flew out, emitting blinding immortal light, brilliantly dazzling!

These five artifacts all grew three thousand feet, like five great mountains pressing down!

Massive flames surged from the Burning Heaven Furnace, burning everything in all directions!

Path Cutting Seal emitted an immortal light of immortality, suppressing and advancing!

Sword Nourishing Gourd spewed out vigorous sword qi, transforming into countless flying swords, all burst out simultaneously!

Star Battle Wheel burst out with dazzling starlight, firing beams of starlight!

Coiled Dragon Cauldron covered Heaven and Earth, with coiling dragons flying out from the cauldron, roaring as they leaped forth!

Seeing the five artifacts heading towards them!

Chu Junlin and his two companions didn't hesitate, waving their sleeves!

“Demon Refining Pot!”

“Ten Thousand Poison Bell!”

“Purple Cloud Immortal Mirror!”

Three Immortal Magical Artifacts also flew out from their sleeves at the same time, colliding head-on!

Demon Refining Pot unleashed a surge of demon energy like a raging tide, flooding forward, with countless demon illusions flying out, attacking ferociously!

Ten Thousand Poison Bell shook violently, soul-shaking, with various poisons churning and gushing forth, and countless Poison Beasts roaring forward!

Purple Cloud Immortal Mirror burst forth with stunning purple light, firing a huge purple beam, as if to tear everything apart and shatter everything!

Boom, boom, boom!

Eight Immortal Magical Artifacts unleashed their attacks and engaged in a tremendous collision in the sky, exploding abundant light and energy!

Under the impact of the attacks!

The bodies of the eight Immortal Magical Artifacts collided in the sky, creating bursts of roaring sounds!

During the confrontation of artifacts!

Yin Juetian and his group continued to execute a series of deadly moves, attacking Chu Junlin's group!

Chu Junlin and his comrades also did not dodge or retreat, launching their series of deadly moves in a joint assault!

Bang, bang, bang!...

Boom, boom, boom!...

Collisions and explosions continued to sound incessantly!

Yet, despite Yin Juetian and his group exerting all their strength, they still could not withstand the ferocious assault from Chu Junlin's group of three!

"Brother Lu, Ancient Buddha, Brother Fu, quickly come and assist us!"

Yin Juetian could only shout loudly for help.

At this moment.

Kuai Xianhong, Tian Bao Ancient Buddha, Fu Haijiang, seeing that Yin Juetian's group could not hold out, had no choice but to forcibly disengage from their own battlefield and came rushing over!

Upon reaching the battlefield, the three launched a fierce attack!

With the help of these three!

Chu Junlin, Zuo Canghai, and Dongfang Wuji's all offensive moves were destroyed, and they were sent reeling back repeatedly, their bodies exploding with blood!

"Let's attack together, kill!"

Kuai Xianhong roared, charging forward!

Tian Bao Ancient Buddha and Fu Haijiang, along with the others, also moved simultaneously, rushing to attack!

"Seniors, let me lend you a hand!"

Yang Luo, who was fighting in the distance, also left the battlefield and with his sword, struck towards the Dark Void above!

“Ha-ha, let’s decide on a winner then!”

“Let’s see whether you so-called righteous ones are stronger, or if we demons have the upper hand!”

Gu Tianshang and Linghu Wuxie both laughed loudly and rushed over to attack!

At this moment!

Within the Dark Void in a hundred-mile radius.

Yang Luo, Gu Tianshang, Linghu Wuxie, Chu Junlin, Zuo Canghai, and Dongfang Wuji, six people stood on one side.

Kuai Xianhong, Fu Haijiang, Tian Bao Ancient Buddha, Yin Juetian, Qiao Huaxian, Bai Yuanzhou, Chai Wen Dao, and Qiong Canglong, eight people stood on the opposite side.

Both parties stood confronting each other!

A tremendous and boundless oppressive aura and energy burst forth from the fourteen individuals, causing a world-shocking collision in the Dark Void!

Boom...

Boom...

Boom...

The oppressive aura and energy released by the fourteen Heavenly Immortals were terrifying to the extreme!

Every collision shook heaven and earth, causing all directions to sway and disturb the ninth heaven!

Fortunately, the fourteen including Yang Luo were situated in the Dark Void above!

Otherwise, just the oppressive aura and energy they released would have caused great destruction to the Jiucang Mountain Range!

At this time, although a small number of people below had escaped.

However, most of the remaining individuals had stopped fighting and were all looking up towards the sky.

Everyone knew that the final battle had erupted!

The outcome of this battle was about to be revealed!

“Can Brother Yang and the seniors defeat those old folks?!”

Prajna asked with a trembling voice.

“Of course they can!”

Lin Wenxuan nodded and analyzed, “Although Yin Juetian and eight others have an advantage in numbers!

But in terms of overall cultivation and strength, these eight old folks are no match for Brother Yang and the others!”

“That’s right!”

Mo Qingkuang took over the conversation, “Senior Gu and Senior Linghu are at the Heavenly Immortal Perfected Stage!

Senior Chu and Senior Zuo are in the late stages of Heavenly Immortal!

Senior Dongfang is in the mid-stage of Heavenly Immortal!

Although Brother Yang only has the early-stage Heavenly Immortal cultivation, his combat strength has long been on par with the mid-stage Heavenly Immortal!

Thus, there is no suspense in this battle, we are sure to win!”

Xiang Kunlun said, “After all, Brother Yang alone has slain Ancient Tuo Zen Master and You Xianzhan, both great Heavenly Immortals!

He even severely injured Ji Yunhe and scared him away!

So now, the only uncertainty is regarding casualties!”

Bujie clenched his fist and said, “Brother Yang and the seniors are sure to win!”

Ning Jianfeng declared loudly, “These eight old folks are destined to be defeated, doomed to suffer in this battle!”

Ye Luange and others also looked up into the sky, their hearts raised.

Although they all believed that Yang Luo and others would surely win.

But, the opponents were after all eight Heavenly Immortals, and now that they had joined forces, the released combat power was bound to be extremely terrifying.

As for the members of various great sects and families attending the “Demon Extermination Conference,” they also looked up into the sky, still holding onto a glimmer of hope.

They had mustered so many people to join the battle this time, and the losses were already significant.

If the Heavenly Immortal Ancestors were to be defeated, then their plans this time would completely collapse and end in utter failure.

Just at this moment!

“Kill!!!”

In the upper Dark Void, the killing shout shook the heavens, and both parties had already started the battle!

Both sides made moves that were capable of destroying Heaven and Earth!

A myriad of lights, sparks, and energies were released!

Various weapons, Dharma artifacts were Tearing Heavens and Splitting Earth, shattering the void, striking upward!

With everyone witnessing it as they collided!

Clanging!

Boom boom!

The sounds of impact and explosions echoed endlessly, spreading in all directions!

Chapter 2346: Reduced to Ashes!

Opponents were either clashing at a distance or engaging in close combat, fighting so fiercely that heaven and earth seemed on the brink of shattering, an unstoppable battle!

Now, deep into the night, the stars in the sky appeared as if they could be shaken loose and fall at any moment!

The surging light and energy were infinitely destructive!

Mountains below crumbled to collapse one after the other!

Vast swathes of land also sank successively, revealing numerous abyssal pits!

After dozens of rounds of intense fighting!

Boom!

Roar!

Kuai Xianhong and his eight were sent flying simultaneously!

They were hurled back a full kilometer before the eight of them barely managed to steady themselves!

Their bodies were bruised and battered with blood flowing non-stop!

Kuai Xianhong bellowed, “Everyone, use your full strength, counterattack!”

“Yes!!!”

Fu Haijiang and the other seven responded in unison.

Following that, Kuai Xianhong and his eight began to madly mobilize the energy within their bodies!

Their bodies flickered with even more blindingly bright light, unleashing energy that could overturn seas and sweep over heaven and earth!

“Nine Extremes Killing Seal!”

“Bu Xiu Evil Tablet!”

“Jiuying Evil Domain!”

Kuai Xianhong deployed three killer moves in an instant and furiously charged forward!

The Nine Directions Seal expanded thousands of feet, resembling nine Immortal Mountains, suppressing and advancing!

An eternal and unbreakable stele tore through the Dark Void, descending from above, pressing down on Yang Luo and the others!

A domain formed abruptly, wherein Jiuying and various ancient ferocious beasts rose, surging forward to the attack!

Waves of malevolent energy turned into a torrent, racing forward!

“All Heavens Buddha Lotus!”

“Ten Thousand Buddhas!”

“Da Qian Buddha Domain!”

Tian Bao Ancient Buddha also executed three killer moves in succession!

A massive, thousand-foot Golden Buddha Lotus evolved All Heavens and Myriad Forms, suppressing and advancing!

Countless Buddhas rose and launched a fierce attack!

A Buddha Domain formed, from which myriad temples flew out, numerous Bodhisattvas, Venerables, Vajras, and Arhats charging forth!

“Yazi Destroying World!”

“Counter Sword Sea!”

“Yazi Evil Domain!”

Fu Haijiang too used three killer moves, launching an offensive!

Countless Yazi phantoms condensed, overwhelming the sky and swooping down!

A sea of flying swords formed a deluge, surging forward!

A domain materialized, with malevolent energy as deep as the ocean, a flood bursting forth with various ferocious beasts charging to attack!

Just as Kuai Xianhong and the three men launched their strongest attacks!

Yin Juetian and his five also launched their ferocious onslaughts!

“Burning Sky Fire Domain!”

“Dao Yan Immortal Domain!”

“Ten Thousand Sword Kill Domain!”

“Tai Cang Sword Domain!”

“Coiling Dragon Immortal Domain!”

...

Domains after domains, multilayered offensives erupted, attacking with a force that threatened to overturn the skies and obliterate the earth, targeting Yang Luo and his six!

“Elder ones, to battle!”

Yang Luo shouted loudly, swinging the sword in his hand with all his might!

Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun rose up, diving into the fray!

Twelve Ancestral Magi also stood tall, surging forward to the attack!

Emperor Dragon Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Purple Thunder Immortal Domain, Fire Phoenix Immortal Domain, and Endless Sword Domain morphed into form, overwhelming from above!

“Chaos Slaughter Array Map” expanded over two thousand feet, suppressing and advancing!

“Great Dao Dragon Diagram” rotated, with ten thousand dragons roaring forth!

Merely Yang Luo’s displayed techniques were already to an extreme of terror, as if they could destroy everything and annihilate everything!

“Fiend Celestial Thousand Hands!”

“Six Paths Demon Technique!”

“Six Paths Fiend Celestial Map!”

Gu Tianshang also unleashed his triple killer moves, launching a fierce assault!

Countless massive arms clenched into fists and simultaneously smashed down!

An Ancient Fiend Celestial Map evolved Six Paths, suppressing and crushing everything in its path!

Twelve Venerable Ancestral Magi also stood towering and overwhelmed, charging into battle!

“Evil God Nine Slashes!”

“Nine Death Evil Gods!”

“Evil God Ancient Domain!”

Linghu Wuxie swung his huge sword, executing the triple killer moves!

Nine huge swords enveloped by vast and immense saber intent and various energies, heavily slashed down!

Nine colossal Evil Gods thousands of feet tall rose toweringly, charging forward!

An Immortal Domain evolved into being, with surging evil energy rolling out, countless evil demon phantasms rushed forward to attack!

“Heavenly Demon Divine Domain!”

“Ten Thousand Poison Demon Domain!”

“Purple Cloud Immortal Domain!”

...

Chu Junlin, Zuo Canghai, and Dongfang Wuji also launched fierce attacks at the same time!

At this moment!

Within the vast expanse of a hundred miles of the Dark Void, it was filled with various killer moves to an extreme level of terror!

The offensive power of the fourteen Heavenly Immortals was world-shattering, and anyone under the Heavenly Immortals did not dare to intervene in this battle!

Under everyone's watchful eyes!

Clang!

Boom!

The various killer moves released by both sides continuously collided and exploded in the Dark Void!

The sounds of impact and explosions rose one after another!

The boundless hundred miles of sky and earth seemed to be upended, as if Heaven and Earth were being split apart!

An endless intermingling of energy and light was boiling over, washing in all directions!

The entire Dark Void was enveloped by various lights and energies, radiating a dazzling array of colors!

Magnificent and boundless!

All those watching from afar below could no longer see the figures of Yang Luo and others!

They could only see the brilliant light, only hear the deafening sounds of explosions!

Kuai Xianhong and his group of eight, despite using all their strength, fully engaging their battle power, and releasing layer upon layer of killer moves!

Nevertheless, they still couldn't resist the combined fierce assault of Yang Luo and his six comrades!

"Ah ah ah..."

Kuai Xianhong and his group let out piercing screams of agony as they were sent flying backward!

Their mouths sprayed blood, and their bodies burst open with huge chunks of flesh, the scene extremely gruesome!

Especially Qiao Huaxian and Bai Yuanzhou, whose battered physical bodies couldn't withstand such energy impact and completely exploded!

"Hateful!!!"

"Detestable!!!"

The Essence Souls of both individuals let out screams of extreme fear, trying to rush out of this Dark Void and escape from this place!

"Fiend Celestial Great Handprint!"

Yet, Gu Tianshang's eyes brimmed with ruthlessness, and with a lift of his left hand, he pressed down heavily towards the escaping Qiao Huaxian and Bai Yuanzhou!

The black and red huge seal instantly expanded by thousands of feet, truly as if an Ancient God or Demon had pressed down a palm, completely covering the Essence Souls of both!

"No!!!"

The Essence Souls of Qiao Huaxian and Bai Yuanzhou let out screams of utmost terror and were completely crushed by this giant palm print!

“Run!!!”

Kuai Xianhong screamed internally.

“Okay!!!”

Fu Haijiang and the rest responded with hoarse voices.

Immediately after, as Kuai Xianhong and the six were sent flying backward, they used every trick in their arsenal and executed secret methods!

They laid down multiple layers of Protective Arrays to resist the energy impact, then tore open the Void and made their escape!

No one knows how long it was!

Only when the light and energy completely dissipated did everything return to calm!

Everyone looked up into the sky dumbfounded, their bodies uncontrollably trembling!

In the Dark Void floated large pieces of flesh and bone debris, filled with a thick scent of blood!

The entire Jiucang Mountain Range fell into an eerie silence similar to death, with only the sound of the wind moaning, terrifying to the core!

Dead!

Both renowned Heavenly Immortals, “Dao Yan Ancestor” Qiao Huaxian and “Wan Jian Ancestor” Bai Yuanzhou, were slain!

Their lives and Dao extinguished, completely turned into dust and ash!

Chapter 2347: The Battle Concludes!

Gu Tianshang frowned and said, “It’s a pity we only took the lives of Qiao Huaxian and Bai Yuanzhou, those six bastards led by Kuai Xianhong managed to escape quite swiftly!”

Linghu Wuxie spoke coldly, “What does it matter if they escaped?”

This time, the six of them have been gravely injured; who knows how long it will take for them to recover!

Moreover, even if they do recover, I bet they won’t dare to provoke us again!”

“It’s not like we wanted to deal with them in the first place, but they insisted on troubling us.

They got what they deserved!”

“Humph, serves them right!”

Chu Junlin and Zuo Canghai also voiced out indifferently.

At this moment.

Below, everything had completely erupted into chaos!

“Hahaha, we won this battle!”

“Eleven Heavenly Immortals, four dead, seven severely wounded, what a joyful occasion!”

“It’s a pity we couldn’t wipe all of them out!”

“To have four Heavenly Immortals die in one day is already terrifying!”

“Yes, after all, it’s extremely difficult for average cultivators to step into the realm of Heavenly Immortals!”

“The death of one Heavenly Immortal can cause a major shock in Penglai Immortal Island, and today four have died, it’s unimaginable what kind of commotion Penglai Immortal Island will stir!”

Bujie and the others were all raising their arms and shouting, ecstatically overjoyed.

There were also many who sighed and lamented.

“My goodness...

Ancient Tuo Zen Master, Nine Yang Immortal Venerable, Dao Yan Ancestor, Wan Jian Ancestor, they’re all dead!”

“The other Heavenly Immortal Ancestors have all fled with severe injuries We’ve lost we lost this battle!”

“What are you waiting for?

Run!”

“Without the protection of the Heavenly Immortal Ancestors, can we really escape?”

Participants from the various great sects and clans at the “Demon Extermination Conference” all turned pale, panicking and collapsing to the ground, lacking even the courage to flee.

Especially the disciples from the four major sects – Heavenly Amplification Sect, Immortal Sword Sect, Ten Thousand Buddha Sect, and Immortal Mist Sect – they were utterly heartbroken.

After all, Qiao Huaxian, Bai Yuanzhou, Ancient Tuo Zen Master, and You Xianzhan were the Heavenly Immortals of their four great sects.

Now that Qiao Huaxian and the others were dead, their four sects could no longer aspire to the ranks of the top sects.

At this moment.

Far off in the skies above the Cloud Sea.

Three men stood quietly, having witnessed the entire battle unfold, their emotions hard to calm.

The man in the white robe narrowed his eyes and said, “So, these are the immortals from the East?

Indeed, their strength is quite remarkable, not weaker than our gods and demons.”

The man in the golden armor sighed, “The strength of these dozen or so fellows is indeed terrifying.

It’s a pity that only four have died.

If a few more had perished, the threat to our three great races would’ve been much less.”

The man in the black armor said solemnly, "The death of four is already inconceivable; after all, there were no beings transcending gods and Heavenly Demons in this great battle."

The white-robed man said, "The battle has concluded, let's go."

"Okay!"

The man in the golden armor and the one in the black armor nodded.

Then, the three of them silently slipped into the void, disappearing into the sky.

At this time.

Within the distant Dark Void.

Gu Tianshang looked at Yang Luo and said with a smile, "Kid, you're truly no ordinary person, to have successively slain two Heavenly Immortals!"

Yang Luo shook his head and said, "Those two old men were merely Early Stage Heavenly Immortals; my killing them isn't worth mentioning."

"You're also an Early Stage Heavenly Immortal, kid!"

Zuo Canghai rolled his eyes, "You were able to forcefully slay two, and gravely injure another amidst the combined efforts of three Early Stage Heavenly Immortals and tens of thousands of people.

Such achievements are indeed defying the heavens!"

Eastern Wuji laughed heartily and said, "Worthy of being my Purple Cloud Sect's son-in-law, well done!"

Gu Tianshang pursed his lips and said, "Eastern Wuji, with this kid under your wing, it seems your Purple Cloud Sect is indeed poised for a resurgence!"

"Hahahaha"

Eastern Wuji laughed even more loudly.

"How should we dispose of these guys?"

Chu Junlin looked down at the remaining two hundred thousand-plus people below and asked.

"What else can we do?"

Just kill them all."

Linghu Wuxie spoke out indifferently.

Gu Tianshang and Zuo Canghai nodded in agreement to also kill them all.

After all, they had killed so many they couldn't keep count anymore.

Eastern Wuji spoke out, "This may not be appropriate!"

"What's inappropriate about it?"

Linghu Wuxie frowned and asked.

Eastern Wuji said solemnly, "If we really kill all these two hundred thousand people, it will surely cause great chaos on Penglai Immortal Island!"

You four are considered part of Penglai Immortal Island after all, do you really want to stand by and watch Penglai Immortal Island descend into chaos?"

Zuo Canghai shrugged his shoulders and said, "What do I care whether Penglai Immortal Island descends into chaos or not?"

"You..."

Eastern Wuji was at a loss for words.

Gu Tianshang pondered for a moment, then raised his eyes to look at Yang Luo, saying, "As for how we should handle these people, let's let this youngster decide!"

Eastern Wuji turned his head to look at Yang Luo and said, "Little Luo, what do you think we should do with these people?"

Yang Luo thought for a bit and said, "Most of these people just came to watch the excitement.

Even if we spare their lives, they pose no threat to us.

However, we cannot let off anyone who planned this conference; they must be killed!"

Eastern Wuji nodded, "Alright, we'll execute the planners and release the others!"

Gu Tianshang and the others also nodded, showing they had no objections.

After all, killing these people or not made no difference to them.

Soon, Yang Luo and the six of them flew down from the Dark Void to the distant skies above.

“Ha ha, Brother Yang, you’re so cool!”

“Seniors, badass!”

Bujie and the others laughed and gave a thumbs up.

Yang Luo and the six of them nodded, then turned to look at those two hundred thousand-plus people.

Seeing Yang Luo and the others’ gaze,

everyone was so frightened that they knelt down and begged for mercy, crying out loud.

“All Heavenly Immortal Ancestors, we were wrong, we really realize our mistake!”

“We beg your magnanimity to spare our lives!”

“We won’t dare to do it again in the future!”

Yang Luo spoke indifferently, “Others may live, but some cannot be forgiven!”

Hearing Yang Luo’s words,

everyone looked at each other, unsure who Yang Luo meant by “some people.”

Bai Yinfeng and Qiao Xianci, who seemed to have a premonition that they were being referred to, all lowered their heads, trying not to make eye contact with Yang Luo.

Yang Luo said with a resonant voice, “Heavenly Amplification Sect, Immortal Sword Sect, Ten Thousand Buddha Sect, Divine Intent Sect, Piaomiao Palace, Immortal Mist Sect, Coiling Dragon Sect, Flying Immortal Palace, Jiuying Family, Yazi Family!

You eight great sects and two great families, as the main plotters of this great battle, cannot be spared!”

In an instant,

everyone scattered,

leaving only over thirty thousand people from the eight great sects and the two great families standing on a large mountain.

Yang Luo raised his eyes to look at Bai Yinfeng, Qiao Xianci, and others, speaking coldly, “After the great battle with Purple Cloud Sect ended, I never wanted to bother with you again!

But you guys kept causing trouble for me time and time again!

This time, you even delusively sought to eliminate Senior Gu and others!

Tell me, don’t you deserve to die?”

Hearing Yang Luo’s words, everyone from the eight great sects and the two great families trembled, their hair standing on end.

They also knew that their life and death hung on Yang Luo’s thoughts...

Chapter 2348: This Battle, Victory!

“Mr.

Yang, we know we were wrong, we won't dare anymore!"

"Yes, Mr.

Yang, please spare our lives!"

"We promise, we will never provoke you again, we will honor you as supreme!"

Bai Yinfeng and Qiao Xianci, among others, knelt down, begging with tears and snot running.

Yang Luo just stared at these fellows coldly, unmoved, with no trace of mercy in his eyes.

Regardless of what these guys said, he was not going to let them go.

If he let them go today, there was no guarantee they wouldn't trouble him again.

So, no matter what, they all had to die!

This was a good opportunity to thoroughly cripple the eight great sects and two great families!

Seeing that Yang Luo said nothing.

Bai Yinfeng and Qiao Xianci and others again began to plead with Dongfang Wuji and others.

"Purple Cloud Old Ancestor, we hope you can spare us for our good relations with the Purple Cloud Sect!"

“Fiend Celestial Heavenly Venerate, Evil God Heavenly Venerate, Bu Mie Demon Venerate, Ten Absolute Poison Venerable, we should not have provoked you, we truly know we were wrong!”

“Our great sects and families will never pose a threat to you all again, please let us go!”

Seeing Bai Yinfeng and Qiao Xianci and others begging for mercy.

Dongfang Wuji said indifferently: “Heaven’s misdeeds can be forgiven; self-inflicted cannot live!

This is the karma you created yourself.

Whatever the consequences, you should bear them!”

Gu Tianshang scoffed: “Do you even have the face to beg us for mercy?

Ridiculous!”

Chu Junlin said lightly: “Initially, we didn’t plan to bother with you.

It was you who sought death by provoking us; can you blame others?”

Seeing that begging Dongfang Wuji and the five others was useless.

Bai Yinfeng and Qiao Xianci and others hastily began to beg the other sects and families present for help.

“Please, everyone, beg for mercy on our behalf!”

“Fellow participants of this grand assembly, this great battle, you can’t just stand by and watch us die!”

But, the people from other sects and families all turned away, completely ignoring Bai Yinfeng and Qiao Xianci and others.

They were already struggling to protect themselves; they had no capacity to care for others.

Bai Yinfeng stood up, gritting his teeth and roared: “Everyone, since these people won’t let us go, let’s fight them!”

“Let’s fight them!”

Qiao Xianci and others also stood up, roaring out.

Then, Bai Yinfeng, Qiao Xianci, and thirty thousand more either flew on their own or piloted flying immortal treasures into the sky, attacking Yang Luo and his six people!

On their way to the attack!

Bai Yinfeng and Qiao Xianci and others burst out with all their combat power, releasing heavy strikes toward Yang Luo and his six people!

“Seeking death!”

Yang Luo let out a furious roar, striking with his sword mightily!

Swoosh!

With a single sword strike, the heavens and earth shook, the surroundings trembled!

A massive rift three thousand feet long was split open in the boundless void!

The dazzling sword might and Indestructible Sword Intent erupted instantly, sweeping out like a mountain collapse and a tsunami!

“Arghhh!”

Agonizing screams echoed endlessly.

Just one sword strike had killed thousands of people!

At the moment of this sword strike!

Countless golden flying swords burst out from all directions!

Flames, ice, lightning bolts, and violent winds burst out from Yang Luo’s body!

Even more people were annihilated, dying miserable in the air!

Bai Yinfeng and Qiao Xianci and others tried to escape in the chaos!

“Think you can escape?”

Yang Luo spoke coldly, raising his left hand, and summoning a massive two thousand feet wide Starry Sky giant palm, smashing down!

This giant palm was immense, truly like a piece of the starry sky pressing down!

“Counterattack!”

Quick, counterattack!”

“Block it!”

Bai Yinfeng and Qiao Xianci and others unleashed all their killing moves, sacrificing all their Dharma artifacts in a fierce attack!

But, no matter how fierce their attacks, nor how powerful their Dharma artifacts, they still couldn't withstand the might of this one palm!

Boom!

All attacks were completely destroyed, exploding in the sky!

Many Dharma artifacts were also shattered into fragments scattering everywhere!

“No...

don't...

don't kill me!”

“I don't want to die...

I don't want to die!”

Bai Yinfeng and Qiao Xianci and the others screamed in agony, utterly collapsed, utterly desperate.

The next second!

Bang bang bang!

Bai Yinfeng and Qiao Xianci and their bodies were all smashed into mere pulp, dead beyond dead!

Although many True Immortals' physical bodies were destroyed, they were like madmen, preparing to detonate their Essence Souls to attack Yang Luo and the others!

"Do you really think resistance is useful?

Thinking of playing tricks in front of a Heavenly Immortal?"

Dongfang Wuji sighed, waving his hand!

Purple energy surged to the sky, vast across miles, like a rushing purple tide, sweeping towards those attacking!

The Essence Souls of those True Immortals hadn't even gotten close before being engulfed by the purple energy, turned to ash!

Zuo Canghai also got interested, stomping down from mid-air!

Splash!

Terrifying poisonous gas transformed into a vast ocean, surging upward!

Those who rushed in were overwhelmed by the sea of poison, all poisoned to death, bodies dropping from the sky like dumplings!

In less than ten minutes.

The more than thirty thousand people from the eight Great Sects and two large families were all exterminated.

And, the sect masters, family heads, and many elders from the eight Great Sects and two large families were all dead.

Immediately.

The whole place fell into a deathly silence.

The remaining two hundred thousand people from other sects and families all knelt down again, trembling, drenched in cold sweat.

It was terrifying!

In just less than ten minutes!

Over thirty thousand people from the eight Great Sects and two large families were all massacred!

Even though they were already aware of the terror of a Heavenly Immortal, they were still overwhelmingly shocked!

Especially Yang Luo's decisive killing left a deep shadow in their hearts!

Yang Luo looked up at these two hundred thousand people, coldly said: "This time, I will spare your lives for the sake of Purple Cloud Old Ancestor!

If there is a next time, I don't care who pleads, or if it will cause unrest in Penglai Immortal Island, I will kill you all!"

"Yang Heavenly Venerate, we dare not again, never dare again!"

“Yang Heavenly Venerate, thank you for sparing our lives, we will regard you as supreme from now on!”

“Thank you, Purple Cloud Old Ancestor, thank you all seniors for sparing our lives!”

“We will definitely reform and never cause trouble again!”

Two hundred thousand people, all trembling, expressed their stance.

“Scram!”

Yang Luo shouted coldly.

“Get lost now!”

“If you don’t scam, I’ll wipe you all out!”

Bujie and Ning Jianfeng and the others roared.

“Go, go quickly!”

“If you don’t want to die, hurry up and leave!”

These two hundred thousand people quickly got up, took out ancient boats, and dared not delay any longer, hurriedly fleeing the scene.

Not long after.

Two hundred thousand people had all fled.

Yang Luo raised the sword in his hand, declaring loudly: “Brothers, seniors, this battle, we won!”

“Haha, we won, we won this battle!”

“So what if those guys had more numbers, we still achieved the final victory!”

“This victory owed much to Mr.

Yang and all the Heavenly Immortal Ancestors’ help, otherwise, we couldn’t have won!”

“This battle will definitely cause a massive shock throughout Penglai Immortal Island!”

Everyone present raised their arms and cheered, overwhelmed with excitement.

Chapter 2349: Gathered Together!

At that moment.

Mr.

Gu Tianshang waved his large hand.

The heavenly Immortal Weapons and Dharma artifacts that had fallen far away flew over, hovering in front of him.

He spoke out loud: “Kid, these are the weapons and Dharma artifacts of Qiao Huaxian and Bai Yuanzhou.

The Path Cutting Seal, Sword Nourishing Gourd, and the Eternal Life Sword, they're all heavenly Immortal items.

Take them."

Yang Luo glanced at the Path Cutting Seal, Sword Nourishing Gourd, and the Eternal Life Sword, then said, "Senior Gu, I don't need them, give them to the brothers instead."

Mr.

Gu Tianshang shrugged his shoulders and said, "Fine, giving them to these little guys is okay too."

Hearing the conversation between the two.

Bujie and the others were eagerly looking at Yang Luo.

Although many weapons and Dharma artifacts had fallen on the battlefield, they were all just below Quasi-Immortal quality.

But these three, they were genuine Immortal Weapons and Dharma artifacts, of course they wanted them.

Yang Luo couldn't help but laugh and cry, "Can you guys not be like this, they're just a few weapons and Dharma artifacts, you know?"

Ning Jianfeng rolled his eyes and said, "Brother Yang, you have powerful divine weapons by your side, naturally, you wouldn't care much for these!

But we care a lot!"

"That's right, that's right!"

International Diva Zhixin hummed: “Little Luo, last time you gave the two senior sisters the Five Elements Flag, this time you sure have to give me one!”

“Alright.”

Yang Luo nodded and waved his right hand, “Fifth Senior Sister, the Path Cutting Seal is for you.

Brother Ning, seeing how eager you are, take this Sword Nourishing Gourd for your use, since you use a sword anyway.

This Eternal Life Sword should go to the Senior Sister.”

International Diva Zhixin took the Path Cutting Seal, happily saying, “Thanks Little Luo!”

Ning Jianfeng took the Sword Nourishing Gourd, squeezing out a few tears and said, “Brother Yang, you finally thought of me!”

Dongfang Ruoshui took the Eternal Life Sword, smiling charmingly, “Since I’ve obtained the Immortal Sword, it’s just the right time for me to start cultivating the Zixiao Sword Technique.”

Yang Luo then looked at the others and said, “The rest of the brothers who didn’t get a weapon or Dharma artifact, don’t feel sad.

When I get other weapons and Dharma artifacts later on, I will give them to you.”

Everyone nodded their heads, naturally not saying much.

They all were very clear on how good Yang Luo was to them.

Afterwards, Dongfang Shaohua, Huangfu Longteng, and Helian Xiongqi, and others arranged for people to clean the battlefield, everyone reaped a great harvest.

After cleaning the battlefield.

Dongfang Wuji said, "I sincerely invite everyone to join us at the Purple Cloud Sect, what do you say?"

"Great!"

"Then we respectfully accept the invitation!"

Everyone smilingly agreed.

Then, everyone boarded the ancient boats, over a hundred meters long, and left Ten Thousand Immortals Mountain, flying towards the Purple Cloud Sect in the night.

Until noon the next day.

Yang Luo and his company arrived at the territory of the Purple Cloud Sect.

Back at the Purple Cloud Sect.

Yang Luo joined forces with the sect's doctors to heal everyone.

After the healing was complete.

Dongfang Shaohua had a banquet prepared.

Everyone gathered in a large hall, drinking and chatting, the atmosphere was very joyful.

Dongfang Shaohua smiled at Yang Luo and said: "Little Luo, this big battle has ended, as the mainstay of everyone, why don't you say a few words?"

"Brother Yang, come on, share some post-battle thoughts!"

Everyone also joined in the rowdy encouragement.

"Alright, then let me say a few words."

Yang Luo nodded, stood up, raised his wine cup, and said, "Senior figures, thanks to your help, we were able to achieve the final victory this time!

Otherwise, relying solely on ourselves, it would have been very difficult to even escape, let alone achieve final victory under the siege of more than half a million people!

Therefore, I toast this cup of wine to all the seniors!

The kindness of all the seniors, I will remember forever!

If there's anything in the future that you need help with, please feel free to speak up!"

Dongfang Wuji said with a hearty laugh, "Little Luo, you are our Purple Cloud Sect's son-in-law!

To help you, not to mention confronting these more than half a million people, even if it means being the enemy of the entire Penglai Immortal Island, what would it matter?

Dongfang Shaohua nodded and said, "Ancestor is right, we're one family, there should be no need for words like 'stranger'!"

“Little Luo, you’re friends with our Xuan Ce, that makes you a friend of the Taotie Family, we’ll naturally help you if you’re in trouble!”

“Haha, Little Luo, you have boundless prospects, just remember not to forget about our Hundun Family when you reach the pinnacle!”

“Mr.

Yang, Xuantian Sword Sect will always stand by your side!”

Huangfu Longteng, Helian Xiongqi, Lu Jiankun, and others all laughed heartily, their eyes showing increasing admiration as they looked at Yang Luo.

Gu Tianshang sneered and said, “You guys just like to exchange pleasantries unnecessarily.

Why not just drink and be done with it?”

“Hahaha...”

“Exactly, everything is in the wine!”

“Cheers!”

“To our health!”

Everyone raised their glasses together and drained the wine in one go.

After three rounds of drinks.

Dongfang Shaohua asked Yang Luo, “Little Luo, now that the big battle is over, what are your plans?”

Yang Luo thought for a moment and said, "Uncle Dongfang, I plan to continue taking my brothers to gain experience, improve our cultivation and strength."

"This..."

Dongfang Shaohua was immediately stunned and said in surprise, "Little Luo, you've already stepped into the realm of Heavenly Immortals, do you still need to work so hard?"

With your current cultivation and strength, you can already rise above the two major Immortal Worlds, you know?"

Huangfu Longteng also said helplessly, "Little Luo, you make us elders feel so inadequate!"

Helian Xiongqi also joked, "Exactly, I'm still ten thousand eight thousand miles from becoming a Heavenly Immortal!"

Yang Luo said, "Although I have now stepped into the realm of Heavenly Immortals, I'm only at the Early Stage Heavenly Immortal, which doesn't count for much.

Therefore, I want to continue to improve myself and also lead my brothers in doing the same."

"That's right, we must continue to work hard, to get closer to Brother Yang!"

"Brother Yang has stepped into the realm of Heavenly Immortals, we may not reach Heavenly Immortals, but at the very least, we have to step into True Immortals, right?"

"Indeed, otherwise our gap with Brother Yang will only increase!"

Huangfu Xuance, Helian Dongsheng, and others all spoke out one after another, expressing their desire to continue to gain experience and improve their cultivation and strength.

Seeing Huangfu Xuance and others all full of fighting spirit.

Dongfang Shaohua and Huangfu Longteng also had expressions of satisfaction.

Huangfu Longteng said with a smile, "We're old, the future belongs to these young people!"

Dongfang Shaohua and others nodded in agreement, looking forward to how far Yang Luo and the others would go and what great achievements they would have in the future.

Bujie, while gnawing on meat, asked vaguely, "Brother Yang, when are we going back to Kunlun Ruins?"

Yang Luo said, "We will go back to Kunlun Ruins after we improve our cultivation and strength a bit more.

The current situation in Kunlun Ruins is not stable either; those Evil Demonic Sects and families want to cause chaos in Kunlun Ruins.

We need to become powerful as soon as possible.

Only in this way, can we be of help when the great war breaks out in Kunlun Ruins in the future."

Bujie nodded and said, "Alright, Brother Yang, whenever you say to return, we will return, we'll all listen to you!"

Mo Qingkuang and others also nodded in agreement.

"Little Luo, what do you mean by saying that there will be a great disorder in Kunlun Ruins?" Dongfang Shaohua asked.

## Chapter 2350: Pursuing a Higher Great Dao!

Huangfu Longteng and Helian Xiongqi and others also turned their attention to Yang Luo.

Yang Luo honestly said, "Seniors, in fact, throughout this past year, the Kunlun Ruins have been quite unstable.

Many evil demonic sects have been causing trouble in the dark, trying to disrupt the Kunlun Ruins.

Moreover, during my time cultivating in the Kunlun Ruins, I made enemies with those evil demonic sects.

They want to kill me at every turn; it's just that I've come to Penglai Immortal Island, so they temporarily cannot find me."

"So it's like that."

Dongfang Shaohua suddenly nodded in realization, and then said, "Little Luo, should a great war really break out in the Kunlun Ruins later, you can contact us anytime, and we will definitely come to help."

"That's right!"

Huangfu Longteng also picked up the conversation, "Your business is our business, if you need help, we will surely support you to the fullest!"

Gu Tianshang took a sip of wine and said with a laugh, "Kid, not to mention Brother Linghu, Elder Chu, Brother Zuo and I.

No matter what help you need, we will definitely assist."

Zuo Canghai laughed heartily, "That's a given!"

Helian Xiongqi and others also nodded their heads, indicating their willingness to help.

Seeing the seniors willing to offer their help, Yang Luo was very moved in his heart.

He looked at everyone, feeling a wave of emotions.

Although he had only been on Penglai Immortal Island for just over half a year, he had made friends with a group of brothers and seniors with common aspirations.

During his time on Penglai Immortal Island, without the help of these brothers and seniors, his journey of cultivation would have been extremely difficult.

He treasured the friendship with these brothers and seniors deeply.

Yang Luo took a deep breath, and said with a cupped fist, "Then I thank you all!"

Helian Xiongqi waved his hand and said, "Little Luo, we are all one of our own, there's no need for thanks."

Dongfang Shaohua and others also waved their hands, indicating there was no need for gratitude.

"By the way, Little Luo, how did you come to know Senior Gu and the others?"

And how did you all appear together on Ten Thousand Immortals Mountain?"

At this moment, Huangfu Longteng asked out of curiosity.

Dongfang Shaohua and others also looked on with curiosity.

After all, in their knowledge, it was extremely difficult to interact with the four members like Gu Tianshang over the years, who hardly ever mingled with outsiders.

Furthermore, those who set foot on the Four Forbidden Islands often went without return.

Yang Luo gave a faint smile and said, "Speaking of which, it was also fate..."

In the time that followed.

Yang Luo shared with everyone how he and the others came to know Gu Tianshang and the four, as well as the events of the past month.

After listening to Yang Luo's narration.

Dongfang Shaohua and the others took a long time to come back to reality.

Huangfu Longteng took a deep breath and said, "So you've been staying on Immortal Burial Island all along, we were all worried that something might have happened to you."

Dongfang Shaohua said with a smile, "Little Luo, it seems you truly have a predestined relationship with Senior Gu.

I would have never thought that you could learn the same cultivation techniques, which happens to allow you to teach each other."

Yang Luo said with a smile, "I also feel that I have a special fate with Senior Gu, to be able to meet at a life-or-death juncture."

"Little Luo, you mentioned that it was very dangerous for you during the Heavenly Immortal Thunder Tribulation, what happened?"

Dongfang Wuji, who had been silent til now, inquired.

Zuo Canghai said with a chuckle, “Brother Dongfang, you’re not aware, but Little Luo’s talent, comprehension, and potential are frighteningly high.

He braved the strongest Heavenly Immortal Thunder Tribulation, enduring a total of fifty-four heavenly lightnings.”

“What?!

Fifty-four?!”

Dongfang Wuji was completely astonished, “Ordinarily, if someone can withstand more than thirty-six heavenly lightnings, they can be called a genius!

Even when I underwent my Heavenly Immortal Thunder Tribulation, I only withstood forty heavenly lightnings!

But to think that you actually withstood fifty-four heavenly lightnings!”

Dongfang Shaohua and Huangfu Longteng, among others, were all dumbstruck as they looked at Yang Luo as if they were gazing upon a God.

They had some understanding of the Heavenly Immortal Thunder Tribulation and naturally knew of its terror.

Chu Junlin smiled and said, “Not only that, at the critical moment, this lad faced nine bolts of heavenly lightning with hardly any respite, striking down in succession!

In all these years, no one has ever crossed such a Heavenly Immortal Tribulation!”

“This...”

Dongfang Wuji’s eyes widened, “Little Luo, how did you get through it in the end?!”

This is practically a sure path to death!”

Yang Luo smiled and said, “Perhaps the junior was just lucky.”

“Is it merely a matter of luck?”

Dongfang Wuji shook his head with a smile, “You’re still too modest, kid.”

He paused for a moment.

He continued, “But, no matter what, now that you’ve stepped into the realm of Heavenly Immortal, you can aim towards reaching the level of Golden Immortal.

Once you can step into the Golden Immortal realm, you’ll be able to traverse the void, ascend to the Upper World, and behold a much broader sky.”

His eyes also showed a hint of longing as he spoke.

After all, every cultivator who steps into the Heavenly Immortal realm dreams of climbing another rung, in pursuit of a higher Great Dao.

However, over thousands of years across the two major Immortal Worlds, few have reached the Golden Immortal level.

Yang Luo sighed softly and said, “To step into the Golden Immortal realm, one must cross the Golden Immortal Tribulation.

The junior doesn't know if he can survive this great trial and step into the Golden Immortal realm.

However, the junior will keep striving for it!"

Dongfang Wuji nodded and smiled, "Kid, you have extremely high talent, comprehension, and potential, as well as great fortune!

The old man believes you will certainly be able to cross the Golden Immortal Tribulation and step into the Golden Immortal realm!"

Yang Luo smiled and said, "Then I'll take the Ancestor's auspicious words to heart!"

In the time that followed.

Everyone was drinking and chatting merrily, creating a very pleasant atmosphere.

It wasn't until after finishing the wine that it was already afternoon.

Dongfang Wuji then took Gu Tianshang and others to tour and visit the Purple Cloud Sect.

Yang Luo and the younger generation headed to an ancient pavilion located on the back mountain, where they drank tea, ate fruit, and chatted, enjoying the tranquility after the great battle.

"Brother Yang, where shall we go for our next adventure?"

Bujie asked as he popped a grape into his mouth and looked toward Yang Luo.

Flame Emperor and the others also turned their gaze to Yang Luo.

Thunder Kun Family's Young Master Jing Yucheng hastily said, "Brother Yang, why don't you come to our Thunder Kun Family next?"

Our Thunder Kun Family also has a trial ground, and although it's not as good as the Taotie Family's or Hundun Family's grounds, it's still much stronger than the average."

"Brother Yang, I think it's better for you to go to our Fire Chi Family for the trial!"

Fire Chi Family's Young Master Li Xinghuo also spoke up promptly.

"No, no, no, it's still better to go to our Thunder Kun Family first!"

"Hehe, our Fire Chi Family's trial ground is definitely stronger than that of your Thunder Kun Family!"

"Nonsense!"

Jing Yucheng and Li Xinghuo started arguing over who could invite Yang Luo and the others, each claiming superiority.

Yang Luo quickly made peace, "Brothers, there's no need to argue.

Here's what I'm planning.

I plan to go to the Qiongqi Family and the Taowu Family for trials next.

The others can go to your two families for their trials."

Actually, he had planned to visit the Qiongqi and Taowu Families for trials long ago.

Now that he had obtained the essence blood of the Ancient Four Divine Beasts as well as the two ancient ferocious beasts, Taotie and Hundun, he was only missing Qiongqi and Taowu.

Therefore, he planned to make a trip and strive to obtain the Qiongqi Essence Blood and Taowu Essence Blood.
