Chapter 2351: Renowned in Penglai!

After all, Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise are the strongest Four Great Divine Beasts of ancient times.

Taotie, Hundun, Qiongqi, and Taowu are the strongest Four Great Fierce Beasts of ancient times.

But now, without Qiongqi and Taowu, it seems somewhat incomplete.

Moreover, he wishes to obtain the essence blood of Qiongqi and Taowu for several reasons.

Firstly, if he can obtain the essence blood of Qiongqi and Taowu, his own strength can continue to increase.

Secondly, he also wants to assist Senior Xinghe and others in opening the fifth bronze dragon coffin.

Thirdly, he is also preparing for the future, to unleash even greater power of the Chaos Destruction Skill.

By then, if he can integrate all four Divine Beasts and four Fierce Beasts into the Taiji Painting, the power would likely be immense.

Upon hearing Yang Luo's words.

Everybody was first stunned, and then exploded into uproar!

“Ah?!”

Brother Yang, what do you mean, are we going to train separately?!”

“Don’t, Brother Yang, I want to stick with you!”

“Brother Yang, I don’t want to be separated from you!”

“Yes, we agreed to train together, how can we split up now?!”

Bujie and Ning Jianfeng and others also started to clamor.

Yang Luo raised his hand and said: “Brothers, don’t be agitated, let me explain slowly!

Now that I have stepped into the realm of Heavenly Immortal, if I continue to take you into mystic realms for trials, the difficulty will surely increase indefinitely!

Perhaps I can withstand it, but it will be very hard for you guys to endure!

Therefore, I was thinking that this time we should train separately!”

Bujie rolled his eyes, “Fine, Brother Yang, you’ve just stepped into the realm of Heavenly Immortal and now you’re already so aloof, despising us brothers?”

Smack!

Yang Luo slapped Bujie’s bald head and said in annoyance: “You buffoon, what nonsense are you spouting?”

I just think that training separately this time will benefit us all!”

Bujie rubbed his bald head, humming: “You don’t need to explain, you just despise us!”

Yang Luo moved his wrist, smiling: "Bujie, I think you're just itching for a beating, needing me to loosen your bones."

"Eldest Senior Sister, Sister Luan Ge, Sister Song, control Brother Yang, he's bullying me!"

Bujie quickly jumped up, hiding behind Dongfang Ruoshui and the other two women.

Seeing Bujie's embarrassed look, everyone burst into laughter.

"Brother Bujie, stop being a coward, just have a fight with Brother Yang!"

"That's right, that's right, life and death are matters of indifference, if you're not convinced, just fight!"

"That's the man who has crossed twenty strikes of heavenly lightning, how can he be a coward?"

Ning Jianfeng and the others began to egg on Bujie, inciting him to have a fight with Yang Luo.

Big White also waved his fists: "Baldy, what are you scared of, just fight!"

Bujie's mouth twitched, shouting: "You heartless guys, you just want to see me get beaten up, don't you?"

If you dare, go fight with Brother Yang!

Brother Yang is a freaking freak, even Heavenly Immortals he can kill!

If I go up, wouldn't that be seeking abuse?"

"Hahaha..."

The laughter grew even louder.

Dongfang Ruoshui said with amusement: "Alright, stop making a fuss.

Little Luo has his reasons for arranging it this way."

Ye Luan Ge also nodded: "Gentlemen, Little Luo has now stepped into the realm of Heavenly Immortal, and indeed we won't be able to withstand the trials of the mystic realm if we accompany him.

Therefore, training separately this time will be beneficial for everyone."

Sister Song Zhixin said helplessly, "Although I don't want to be separated from this guy, there's no other way.

It's because we haven't become Heavenly Immortals."

Yang Luo smiled and said, "Brothers, even though we're separating to go on our trials, we're still on Penglai Immortal Island.

If any of you encounter something you can't handle, feel free to contact me at any time, or you can contact Uncle Dongfang and the others."

Upon hearing Yang Luo's words, everyone nodded helplessly.

"Brother Yang, then when do we set off?"

Mo Qingkuang asked.

Yang Luo thought for a moment and said, "The great battle has just ended, and everyone is a bit tired, so let's rest for a few days first.

We'll set off after one week."

He paused for a moment.

Yang Luo continued, "After our trial is over, let's meet up at Immortal Burial Island.

Then we'll return to Kunlun Ruins together."

"Okay!"

Everyone agreed with a nod.

Yang Luo looked at the crowd and said seriously, "Brothers, as you know, Penglai Immortal Island is now basically stable, and no one will provoke us easily!

But the crisis in Kunlun Ruins is not yet resolved, nor are the crises of the Holy Light Church, Heavenly Universe Divine Clan, and the Dark Demon Clan!

The enemies we will face in the future will only get stronger!

So, we need to work even harder and strive to become stronger!

I hope that in the upcoming great battles, everyone can survive well!"

"Understood!"

"We must become stronger!"

“Brothers, let’s also work hard, we can’t let Brother Yang get too far ahead of us!”

All of them had a firm look in their eyes, full of fighting spirit.

...

Time flies.

In the blink of an eye, a week had passed since the great battle of Ten Thousand Immortals Mountain.

However, the news of the great battle at Ten Thousand Immortals Mountain had long spread throughout Penglai Immortal Island!

Therefore, in this week, Penglai Immortal Island has experienced great upheavals, causing a huge shock to the world!

“Fellow Daoists, have you heard about the great battle at Ten Thousand Immortals Mountain a week ago?”

“How could we not know?”

This matter has already spread throughout Penglai Immortal Island, and all sects and families have been shocked by it!”

“A week ago, a world-shattering battle erupted at Ten Thousand Immortals Mountain when over a hundred sects and families, led by the eight top-tier sects and two top-tier families, besieged the four demon lords and Yang Luo and his allies!”

“In that battle, more than 180,000 people died, and countless others were injured!”

“What’s even more terrifying is that four Heavenly Immortals, including Ancient Tuo Zen Master, Nine Yang Immortal Venerable, Dao Yan Ancestor, and Wan Jian Ancestor, all perished in the battle!”

“Four Heavenly Immortals died in a single day, such an earth-shattering event has never happened before in many years!”

“Moreover, both Ancient Tuo Zen Master and Nine Yang Immortal Venerable died at the hands of that kid Yang Luo; his strength is simply terrifyingly powerful!”

“Now, sects such as Heavenly Amplification Sect, Immortal Sword Sect, and Immortal Mist Sect are no longer top-tier sects; they have fallen to second or third-tier sects!”

“As for sects and families like Ten Thousand Buddha Sect, Divine Intent Sect, and the Jiuying Family, they have also been severely damaged in this battle, and it will probably take a long time for them to recover!”

“It seems that Fiend Celestial Heavenly Venerate, Evil God Heavenly Venerate, Bu Mie Demon Venerable, and Ten Absolute Poison Venerable are still as sharp as ever.

Their strength has grown even more formidable!”

“Now that Yang Luo has also stepped into the realm of Heavenly Immortal, ranking among the top powerhouses of the two Immortal Worlds, his strength is even more terrifying than before!”

“If possible, try not to provoke these four old monsters and the young monster Yang Luo, to avoid bringing disaster upon ourselves!”

“Yang Luo is a peerless genius that is rare to encounter in a thousand years, with limitless potential.

If we can befriend him, it will be all benefits and no harm!”

Throughout Penglai Immortal Island, all sects, families, and independent cultivators were discussing the great battle at Ten Thousand Immortals Mountain.

Yang Luo's name once again resounded throughout Penglai Immortal Island, leaving all the elders in awe and admiration!

The title "Yang Heavenly Venerate" was also engraved in the hearts of everyone on Penglai Immortal Island!

Chapter 2352: Visit the Qiongqi Family!

One week later, in the early morning.

Purple Cloud Sect.

On the square of the main peak.

Yang Luo and his group were saying farewell to Dongfang Shaohua and the others.

Dongfang Shaohua looked at Yang Luo and asked, "Little Luo, are you leaving so soon?"

Why not stay for a few more days?"

Yang Luo replied, "Uncle Dongfang, we plan to set out as soon as possible to continue our cultivation journey, so we will not stay any longer."

Dongfang Shaohua nodded and said, "Alright then, since that's the case, I won't hold you back."

Dongfang Wuji looked at Yang Luo, teasingly said, "Little Luo, I'm afraid the next time we meet, you might catch up to or even surpass this old fellow!"

Yang Luo clasped his hands together and said, "Ancestor, no matter how high I may reach in the future, you will always be my senior!"

"Very good, very good!"

Dongfang Wuji laughed heartily and said, "Little Luo, if you ever reach the Pinnacle, do take good care of the Purple Cloud Sect!"

"Naturally!"

Yang Luo nodded.

Gu Tianshang said cheerfully, "Brother Dongfang, next time we meet, let's have a hearty drink together!"

"No problem!"

Dongfang Wuji agreed with a bright laugh.

After that, Yang Luo and his group left the Purple Cloud Sect.

On their way.

Gu Tianshang said to Yang Luo, "Kid, if you encounter any trouble you can't solve, make sure to contact us!

No matter where you are, the four of us will come to help you!"

Huangfu Longteng also said, "Little Luo, you can also contact us at any time!"

Our Taotie Family will always stand by your side!”

Yang Luo clasped his hands and said, “Thank you, seniors!”

“Alright, kid, we’ll meet again some day!”

“Little Luo, we’ll see you next time!”

After bidding farewell to Yang Luo, Gu Tianshang and Huangfu Longteng and others left.

Once everyone had departed, only Yang Luo and a group of younger generation were left.

Yang Luo looked at Bujie and the others and said, “Brothers, you must work hard and strive to become stronger!

When we meet again on Immortal Burial Island, I want to see your growth!”

“Don’t worry, Brother Yang, we will definitely continue to work hard and improve ourselves!”

“Haha, Brother Yang, next time we meet, we will surely surprise you!”

“Brother Yang, we say our farewells here, see you at Immortal Burial Island!”

Bujie and the others all chimed in.

“Good!”

Yang Luo nodded earnestly, “Then, we’ll see each other on Immortal Burial Island!”

Then, Bujie and the rest boarded the ancient boat and flew away.

Watching everyone leave.

Yang Luo decided to test crossing the Void.

After all, although he couldn't ascend to the Upper World after becoming a Heavenly Immortal, he could now traverse the secular world, Kunlun Ruins, and Penglai Immortal Island at will.

Thus, he mobilized the energy within his body and took a step into the air.

In an instant!

The space around him exhibited violent fluctuations and distortions, as if it were about to tear apart any second!

Soon, with a thunderous "boom," a massive Void Cave burst open in front of him!

Yang Luo took a deep breath and then flew into the Void Cave.

Upon entering the Void Cave.

All around was a Chaotic fog, a piece of darkness.

The Chaotic fog surged, and he couldn't see his hand in front of his face.

However, Yang Luo's divine sense was now many times stronger than before, so he could sense the outside world.

He spread out his divine sense to perceive his surroundings, and then flew towards the direction of Dark Sky Island.

Because, the Qiongqi Family was on Dark Sky Island.

He flew rapidly through the boundless Dark Void, reaching the extreme of velocity.

However, after covering a certain distance, he felt a powerful oppressive force upon his body, and the qi expended was not insignificant.

Thus, he tore through the Void once more, flying out, and that somewhat alleviated his discomfort.

It seemed that traversing the Void not only has a great impact on the body, but it indeed consumes a lot of qi.

But, as his cultivation progresses, the effects of crossing the Void should greatly diminish.

Yang Luo glanced around at the scenery and then took out a map for a look.

This glance startled him into losing his color!

In less than ten minutes, he had flown out hundreds of miles!

Only then did Yang Luo realize that traversing the Void greatly shortens distances!

After putting away the map.

Yang Luo moved his form and continued rushing towards Dark Sky Island.

Along the way, he sometimes crossed through the Void, and at other times, he flew outside of it.

Therefore, even though the Purple Cloud Sect was far from the Qiongqi Family territory,

By noon, he had arrived at the Qiongqi Family's territory.

If it had been the past, it would have taken him at least a day and a night to rush from the Purple Cloud Sect to this place.

But now, it took him less than half a day to arrive.

Yang Luo stood in midair, looking towards the Qiongqi Family territory tens of miles away.

Tens of miles away, hundreds of mountains rose and fell in succession, with grand halls standing atop their peaks.

The sunlight shone down, clouds and mist swirled around, birds glided, and mutated beasts gallopedâ€”majestic and magnificent.

Moreover, the spiritual energy here was very abundant, not inferior to that of the Taotie Family and Hundun Family.

Yang Luo proclaimed loudly: "Junior Yang Luo comes to pay a visit!"

His voice boomed like rolling thunder, instantly spreading across the entire Qiongqi Family territory!

At this moment.

Ten miles away.

Qiongqi Family territory.

“What’s that sound?!”

“Who’s speaking?!”

“The person speaking seems to have said his name is Yang Luo!”

“Good heavens, it can’t be the same Yang Luo who recently caused a massive uproar at the Demon Extermination Conference, the ruthless man who single-handedly slew tens of thousands and also killed Ancient Tuo Zen Master and Nine Yang Immortal Venerable, the two Heavenly Immortals, right?!”

“Unseen and unheard of, it must really be Yang Heavenly Venerate coming!”

“Oh my, why would Yang Heavenly Venerate come to our Qiongqi Family, could it be for the sake of avenging the past enmity with the Purple Cloud Sect?!”

“No good, we must promptly inform the family head and the elders!”

The members of the Qiongqi Family were all stirred.

Many of them flew into the sky or rode flying immortal treasures, soaring upwards to gaze into the distance.

Even more members prepared to notify the family head and elders of the Qiongqi Family!

Clang, clang, clang!

The alarm bells of the Qiongqi Family resounded, all the clanspeople became panicked!

At that moment.

Several figures flew over from afar.

One of them was a middle-aged man, dressed in a black and green robe, with a robust stature.

Behind him followed four old men in robes of various colors.

The middle-aged man was none other than Xing Tianrui, the family head of the Qiongqi Family.

The four elders were Xing Yuanzhong, Xing Feihan, Xing Shaoshan, and Xing Yongfeng, the four elders of the Qiongqi Family.

“Greetings to the family head!”

“Greetings to the four elders!”

The clanspeople greeted them respectfully.

Xing Tianrui nodded and frowned: “Could it really be Yang Heavenly Venerate who has arrived?”

Xing Yuanzhong spoke in a deep voice: “Although this old man has yet to see him, I can feel the powerful aura of the other party, it is likely indeed to be Yang Heavenly Venerate!”

“What does Yang Heavenly Venerate want by coming here, he wouldn’t really be thinking of avenging the past grudge with the Purple Cloud Sect, would he?”

“If this is truly the case, we would have to request our big brother and second brother to take action, as relying solely on us, we are incapable of dealing with him!”

Xing Shaoshan and Xing Yongfeng also voiced their concerns with furrowed brows.

Chapter 2353: Strength is Supreme!

“Father, is it really Yang Luo who has come?!”

At this moment, a voice came over.

A young man was seen flying from a distance, arriving in this area of the sky.

This young man was none other than Xing Tianrui’s son, the first heavenly pride of the Qiongqi Family, Xing Shengjie.

“It should be him.”

Xing Tianrui nodded.

Xing Shengjie said excitedly, “That’s really great, I’ve wanted to meet him for a long time!

He left a deep impression on me during the great battle with the Purple Cloud Sect!

When he was in the late stage of a True Immortal, he was already invincible below the Heavenly Immortals!

And now, he has actually stepped into the Heavenly Immortal realm and even killed both Ancient Tuo Zen Master and Nine Yang Immortal Venerable!

I really wonder how strong he has become now!”

Xing Tianrui frowned and said, “Shengjie, don’t get too excited just yet.

Now that Yang Heavenly Venerate is here, we still don't know what his purpose is.

After all, we also participated in the great battle with the Purple Cloud Sect, and it's very possible that Yang Heavenly Venerate has come to seek revenge on us."

"Ah?!"

This..."

Xing Shengjie was also startled.

There was no helping it; Yang Luo's reputation had long since resounded throughout Penglai Immortal Island.

All sects and families on Penglai Immortal Island both revered and adored Yang Luo.

And crucially, their family had once had a conflict with Yang Luo.

That's why they were worried that Yang Luo's visit today was for revenge.

Xing Yuanzhong pondered and said, "Tianrui, I think we should first ask Yang Heavenly Venerate the purpose of his visit to our Qiongqi Family, so as to avoid any unnecessary misunderstandings."

"Good!"

Xing Tianrui nodded and said loudly, "I am Xing Tianrui, the family head of the Qiongqi Family!"

I wonder what brings Yang Heavenly Venerate to our place today?"

Xing Yuanzhong also spoke up, "If Yang Heavenly Venerate has come to be our guest, we welcome you warmly!

But if Yang Heavenly Venerate has come to seek revenge for the incident with the Purple Cloud Sect!

Our Qiongqi Family is not afraid to fight!"

The voice of Yang Luo came again from afar.

"Gentlemen, no need to be nervous.

My visit today is merely as a guest, not for revenge!"

Upon hearing this,

Xing Tianrui and the others finally breathed a sigh of relief.

The next second!

A figure swept across the sky, speeding from afar, and arrived in this area of the sky in an instant!

It was Yang Luo!

Yang Luo simply stood quietly in the sky!

All those present felt a majestic and vast pressure and aura that made them tremble uncontrollably!

Especially the clan members with lesser cultivation, who felt chills and weakness in their legs, almost wishing they could bow down in worship!

Although Yang Luo looked very young, he was after all a true Heavenly Immortal!

Heavenly Immortals are beings that reign above the two immortal worlds, revered by Ten Thousand Immortals!

“I, Xing Tianrui, pay respects to Yang Heavenly Venerate!”

Xing Tianrui, Xing Yuanzhong, and the others all made a greeting gesture towards Yang Luo.

“Pay respects to Yang Heavenly Venerate!”

All the clan members present also bowed respectfully, very reverently.

Seeing how respectfully the members of the Qiongqi Family treated him, Yang Luo felt somewhat unaccustomed.

Yang Luo thought to himself that it seems, no matter where one is, strength commands respect.

As long as your strength is powerful enough, you can earn everyone’s respect.

Yang Luo raised his hand and said, “Everyone, there’s no need for such courtesy.

I came here today simply to be a guest.”

Xing Tianrui asked with confusion, “Yang Heavenly Venerate, why did you think to visit our Qiongqi Family as a guest?”

Yang Luo was just about to speak.

Suddenly!

Boom boom boom!

From the distant sky, a series of thunderous sounds could be heard!

All eyes in attendance turned to look!

In the distance above, two colossal void cave openings exploded into existence!

Within these void openings, malicious auras roiled wantonly, with black-green and black-blue immortal lights bursting forth!

The sky instantly darkened in this area!

Amidst these two void openings, behemoth creatures were standing tall, issuing roars and howls!

These behemoths were as robust as wild oxen, tiger-like in form, with gleaming tusks exposed and wings sprouting from their backs!

They were unmistakably one of the Four Great Fierce Beasts of ancient times, Qiongqi!

Xing Tianrui exclaimed in shock, "Could it be that the Grand Elder and the Second Elder, who have always been practicing enlightenment outside, have returned?!"

Xing Yuanzhong muttered in a daze, "Could it be because Yang Heavenly Venerate has arrived, that big brother and second brother have made an appearance?"

Members of the Qiongqi Family were all dumbstruck, their eyes wide with amazement.

Shortly after.

Two elders walked out from the void caves, appearing before everyone's eyes.

One of the elders was dressed in a black robe, tall and straight-built, with chiseled features and a determined face.

The second elder was clad in a green robe, slightly stout, with a plump face and narrow eyes.

Both elders exuded an extraordinary demeanor, imposing a powerful oppressive force on those around them.

Hence, the elder in the black robe was none other than the "Qiongqi Ancestor" Xing Wentian.

The elder in the green robe was the "Luan Shi Heavenly Venerate" Xing Lichuan.

At this moment.

Xing Wentian and Xing Lichuan both looked at Yang Luo, sizing him up and down.

Yang Luo also turned his gaze to the two, feeling them out slightly.

Although he could not discern their cultivation level, he could tell from their auras that one was in the Late Stage of Heavenly Immortal, and the other was in the Middle Stage.

It appeared that these two individuals were indeed the Heavenly Immortals presiding over the Qiongqi Family.

He had learned early on.

That each of the four top divine beast clans in Kunlun Ruins and the four top fierce beast families on Penglai Immortal Island had two Heavenly Immortals in residence.

“Greetings, Ancestor!”

“Greetings, Second Elder!”

All of the Qiongqi Family members bent at their waists in a bow.

Xing Tianrui introduced to Yang Luo, “Yang Heavenly Venerate, these two are our Qiongqi Family’s Ancestor and Second Elder...”

After introducing Xing Wentian and Xing Lichuan.

Xing Tianrui continued, “Ancestor, Second Elder, this young man is...”

Xing Wentian raised his hand and said, “Tianrui, there is no need for introductions, we are well aware of this youngster.”

“Ancestor, you know?”

Xing Tianrui wore a face full of surprise and doubt.

“Of course.”

Xing Wentian nodded, fixing his gaze on Yang Luo, and said, “This kid must be Yang Luo who recently turned Penglai Immortal Island upside down, right?”

Xing Lichuan also spoke with a chuckle, “Although we have been practicing enlightenment outside all this time, we’ve often heard about this kid’s deeds.

Especially in the recent great battle at Ten Thousand Immortals Mountain, this kid slew Ancient Tuo and You Xianzhan, those two old figures, and made quite a name for himself.”

Yang Luo felt a slight shock in his heart.

He did not expect these two seniors to be aware of his identity.

That probably meant the other Heavenly Immortals of Penglai Immortal Island who hadn’t appeared also knew about him.

But it was to be expected; he had indeed caused quite a stir on Penglai Immortal Island recently and it would have been difficult to go unnoticed.

Yang Luo clasped his hands and said, “Junior Yang Luo, greets the two seniors!”

Xing Lichuan laughed and said, “You, young man, entered the rank of Heavenly Immortal at such a young age, yet manage to stay composed and observant of etiquette, good, good!

The title of the number one ‘Heavenly Pride’ in both great Immortal Worlds is well-deserved!”

Yang Luo shook his head and said, “These are but empty honors bestowed by the world, they mean nothing.”

Xing Lichuan laughed heartily and said, “My boy, no need to be so modest!

Come on, let’s exchange a few moves!

I, this old man, have long wanted to meet you, the number one ‘Heavenly Pride’ of the contemporary era!”

With these words!

The entire place was stunned!

The Second Elder actually wanted to exchange moves with Yang Heavenly Venerate?!

Chapter 2354: Equally Matched!

Xing Tianrui hurriedly said, "Second Elder, Yang Heavenly Venerate is here as a guest.

I'm afraid what you're doing is inappropriate!"

Xing Lichuan waved his hand and replied, "Don't worry, I just want to spar with this youngster, not to hurt him!"

As he spoke, he looked up at Yang Luo and asked, "Kid, would you dare exchange a few moves with me?"

Yang Luo said, "Since the Second Elder is so interested, I shall oblige!"

He also wanted to see if his current strength could suppress a Mid-stage Heavenly Immortal.

After all, in the recent great battle at Ten Thousand Immortals Mountain, he only fought one-on-one with an Early-stage Heavenly Immortal.

Later, while battling Kuai Xianhong and others, he joined forces with Senior Gu and the rest.

Therefore, he was also unclear about what tier his own strength currently resided in.

Of course, if he wanted to grow and improve rapidly, he must fight against more powerful experts.

“Hahaha, you really are a straightforward kid!”

Xing Lichuan laughed heartily and exclaimed, “Come on, let’s begin right now!”

With those words, he took a step in the air!

Clang!

The heaven and earth within dozens of miles trembled at the impact!

Boom!

A black and blue beam of light burst forth from his body, piercing through the clouds and tearing a hole in the void above!

In an instant, gales raged and dark clouds tumbled across the sky!

The previously clear sky plunged into its darkest moments!

Xing Wentian waved his hand with great force!

In an instant!

Rumble rumble rumble!

The entire territory of the Qiongqi Family trembled violently!

The next second!

The mountain-protecting array was activated in an instant!

A light shield flickering with multicolored lights enveloped the entire Qiongqi Family's territory!

Xing Wentian declared loudly, "Everyone, retreat into the mountain-protecting array!"

"Yes!"

Everyone responded and quickly flew into the mountain-protecting array.

This was a battle of Heavenly Immortals, after all; ordinary people couldn't even withstand the residual waves from the clash of Heavenly Immortals.

As everyone retreated into the mountain-protecting array!

"Kid, take this!"

Xing Lichuan shouted loudly, taking a step that transformed him into a black and blue streak of light rushing towards Yang Luo!

In the imminent approach!

Xing Lichuan immediately swung a fist, aiming it at Yang Luo!

"Life and Death Reincarnation Fist!"

As the fist was thrown, heaven and earth trembled, all directions shook!

A colossal fist over two thousand feet tall, radiating a ferocious fist intent and the overwhelming Power of Heaven and Earth Great Dao, pierced through the void and smashed towards Yang Luo!

“The battle has begun!”

“It’s unclear who will win this fight!”

“Isn’t it obvious, the Second Elder is surely more superior!”

“The Second Elder is a Mid-stage Heavenly Immortal, while Yang Heavenly Venerate is merely an Early-stage Heavenly Immortal; even a minor difference in realm means a huge disparity!”

The clan members started to discuss.

Although Yang Luo had slain an Early-stage Heavenly Immortal at Ten Thousand Immortals Mountain, it only proved that he was somewhat stronger than a typical Early-stage Heavenly Immortal.

However, the Second Elder was a Mid-stage Heavenly Immortal; Yang Luo was definitely not his match.

Just as Xing Lichuan’s punch came crashing down!

Without avoiding or retreating, Yang Luo directly twisted his fist, countering with his own!

“Nirvana Dragon Fist!”

“Roar roar roar!”

With the punch thrown, ten thousand dragons roared!

A colossal golden fist over two thousand feet tall, surrounded by tens of thousands of golden dragons, smashed out!

In a flash!

Boom boom boom!

The two fists collided heavily, like two Iron Mountains smashing into each other, causing a thunderous roar to resound!

Xing Lichuan thought his punch would be enough to repel Yang Luo!

But to his shock, Yang Luo actually withstood it!

Seeing tens of thousands of golden dragons roaring towards him!

Xing Lichuan's body shook, and his qi surged to the heavens!

“Roar!”

A colossal Qiongqi towering over two thousand feet tall rose to meet the tens of thousands of golden dragons!

Boom boom boom!

Earth-shaking explosions continuously erupted!

Tens of thousands of golden dragons and the Qiongqi perished together, all exploding in the sky!

All sorts of light and energy spread from the explosion, rolling out like surging waves, sweeping through heaven and earth!

“He endured it!

Yang Heavenly Venerate actually withstood the Second Elder's punch!"

Someone exclaimed in shock.

Even in Xing Wentian's eyes, a hint of surprise emerged!

Especially for people like Xing Tianrui, they were utterly astonished!

"Hahaha..."

Xing Lichuan burst out laughing, "Kid, quite interesting!

There's no need for probing anymore, let's go all out!"

"Good, then the junior will do as you wish!"

Yang Luo also responded with a booming voice.

In a flash!

Boom boom boom!

A grand and imposing, terrifying and overwhelming pressure and aura burst forth from both of them at the same time, shooting up to the Jiutian and down to the Great Formation!

At this moment!

Both participants had their momentum fully unleashed, their combat power at full throttle!

Yang Luo even activated layer upon layer of physique secret techniques!

Xing Lichuan, on the other hand, unleashed the bloodline power of the Qiongqi Family, his eyes captivating, and his body exuding a fierce malevolence that swept across the eight deserts!

“Fight!”

Xing Lichuan shouted, fists clenched, launching one punch after another, furiously smashing towards Yang Luo!

Yang Luo also clenched his fists, counterattacking like a raging storm!

Thump thump thump!...

The sky full of gold and black-blue giant fists collided above like falling stars!

The void around them kept tearing apart, revealing dense black rifts!

Above the Cangqiong, an abyss-like rift kept elongating!

One thousand meters!

Two thousand meters!

Three thousand meters!

...

There was no sign of stopping!

After exchanging several thousand punches!

Accompanied by a “Boom” of explosive noise!

Yang Luo and Xing Lichuan were both sent flying away!

Both of them flew backward for a kilometer before stabilizing their bodies!

Just then, the middle of the void where they had been, was like fabric, torn open with dense slits!

The clouds surged above, the fierce wind roared, causing hearts to palpitate!

The layers of physique secret techniques that Yang Luo had accumulated exploded!

The Protective Gang Shield and the physique secret technique “Qiongqi Battle Body” that Xing Lichuan had built up also exploded!

“What?!”

Yang Heavenly Venerate is actually on par with the Second Elder?!”

“Isn’t Yang Heavenly Venerate an Early Stage Heavenly Immortal, how could he withstand thousands of punches from the Second Elder?!”

“My god, even after stepping into the Heavenly Immortal realm, Yang Heavenly Venerate can still fight above his level?!”

The clan members all cried out in shock, their faces changing color as their hearts raced.

Xing Tianrui and the other elders were also astounded!

Before they had only heard of Yang Luo slaying Ancient Tuo Zen Master and Kuai Xianhong, but they hadn't seen it with their own eyes!

Now, after witnessing it themselves, they were even more aware of Yang Luo's terror!

The surprise in Xing Wentian's eyes deepened even further!

The key point was that up to now, he still could not fathom the extent of Yang Luo's strength!

To him, Yang Luo felt like a bottomless pit!

Xing Lichuan smacked his lips and said, "Kid, you really are something!

I've already gone all out, yet you were still able to withstand it!

Come on, let's continue!"

As he spoke, Xing Lichuan stomped down in midair, his eyes emitting dazzling light!

"Life and Death Reincarnation Tablet!"

In the blink of an eye!

Boom boom boom!

The Cangqiong above exploded!

A massive tombstone over two thousand feet tall descended with crushing pressure!

This tombstone flickered with blazing light, one side engraved with the character “Life,” the other with “Death”!

The power bursting forth was majestic and vast, ferocious to the extreme, as if it were going to suppress everything in the world!

Chapter 2355: One Sword Breaks Through Nine Formations!

Yang Luo had no intention of dodging; instead, he raised his right hand and shouted loudly!

“Chaos Slaughter Array Map!”

In the blink of an eye!

A golden array map condensed above the palm of his hand, radiating undying immortal light, illuminating the eight directions of heaven and earth!

An imposing golden dragon head was engraved in the center of the array map!

Rows of formation patterns and runes were engraved around it!

Mysterious and profound, the aura was magnificent!

“Suppression!”

Yang Luo pushed with his right hand!

The array map soared from his palm, swelling in the wind and expanding over two thousand zhang, covering heaven and earth, and collided with the tombstone!

The tens of thousands of spectators all stared at the sky, each one dumbfounded!

In an instant!

Boom rumble!

The array map collided heavily with the tombstone, making a heaven-shaking noise and stirring up the eight desolates!

Where the collision occurred, the vast void incessantly shattered, spreading like a spiderweb in all directions!

Minutes later!

Boom rumble!

The tombstone and array map simultaneously shattered and exploded!

Energy and light intertwined, surging like a rolling river, rushing in all directions!

In the sky, large swaths of dark clouds were scattered, and the void was torn open!

Below, the mountain-protecting array was rumbling from the impact of the energy and light!

Xing Lichuan exclaimed in surprise, "This array map is not simple, it actually broke my 'Life and Death Reincarnation Tablet' in one go!"

The old man really wants to see how many more tricks you have!”

With that, he raised both hands and frantically mobilized the energy and bloodline power within his body!

His right hand emanated a blue light, with the character “Life” engraved in the palm!

His left hand emanated a black light, with the character “Death” engraved in the palm!

Immediately after, he clapped his hands together!

“Life and Death Reincarnation Seal!”

In an instant!

A huge seal condensed into existence, with the characters “Life” and “Death” engraved on it, as well as other ancient and profound runes!

He then pushed with both hands!

The palm-sized treasure seal immediately flew out, swelling in the wind and expanding over two thousand zhang, like a majestic mountain, bearing down upon Yang Luo!

And just as the Life and Death Reincarnation Seal pressed down!

Xing Lichuan brought his right index and middle fingers together in front of his chest, silently reciting an incantation!

Seeing the huge seal pressing down!

Yang Luo waved his right hand!

“Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun!”

In an instant!

Seven giant illusions stood tall, each one over two thousand zhang in height!

“Roar roar roar!”

Accompanied by successive roars and bellowing!

The seven giant illusions crashed into the huge seal simultaneously!

Seeing this scene!

Xing Tianrui exclaimed in astonishment, “I had long heard that Yang Heavenly Venerate inherited the Taotie and Hundun bloodlines, but I didn’t expect it to be true!”

Xing Yuanzhong expressed his admiration, “Yang Heavenly Venerate is truly extraordinary; not only did he inherit the essence blood of two evil beasts, he also inherited the essence blood of the Four Great Divine Beasts!

The key is that he can control these divine and evil beast essence blood, allowing them to coexist peacefully within his body!”

Others were also astonished.

In the blink of an eye!

Boom boom!

Boom rumble!

Sounds of collision and explosion followed one after another!

The seven giant illusions and the huge seal exploded simultaneously in the sky!

Various energies and lights intertwined, forming a vast tide that surged in all directions!

However, at this moment!

Xing Lichuan shouted out loud!

“Life and Death Reincarnation Array, activate!”

In but a moment!

A massive array formation instantly condensed into existence, trapping Yang Luo within it!

Xing Lichuan laughed heartily, “Kid, you’ve fallen into the trap!”

Yang Luo smiled faintly, “Second Elder, I knew you were going to set up an array, but I never thought about retreating.

Do you know why?”

“Why?”

Xing Lichuan was puzzled.

Yang Luo said, "Because in my opinion, I can easily break this array formation!"

"You're quite arrogant, youngster!"

Xing Lichuan laughed and said, "Our Qiongqi Family is famous throughout Penglai Immortal Island for our array formations prowess, with various killing arrays emerging one after another!

I have specialized in array formations for many years, and while I can't claim to be Unparalleled in the World, it's not something an Early Stage Heavenly Immortal can break!"

"You think you can break my killing array?"

"Of course!"

Yang Luo nodded confidently.

"Is that so?"

Xing Lichuan laughed heartily, "Then let's see you break one!"

"Alright!"

Yang Luo responded assertively, and then he raised his right hand, his mind moved!

"Dragon Emperor Sword!"

Whiz!

Accompanied by a crisp tremor!

The Dragon Emperor Sword flew directly out from his storage ring and into his hand!

Then, he slowly lifted the sword in his hand and fiercely chopped towards the great formation!

“Break!”

Whoosh!

A huge golden sword over a thousand feet long split the void, erupting with supreme sword power and indestructible sword intent, wildly out of control!

Bang rumble!

An earth-shaking collision sounded, buzzing everyone’s eardrums who witnessed the fight!

Under this sword!

Crack crack crack!

The great formation made crisp breaking sounds, fissuring into cracks!

“This...”

Xing Lichuan was completely stunned, clearly not expecting Yang Luo to split his great formation with one sword!

His expression turned serious, and he became much more earnest, waving his hand!

The great formation's offensive began!

Ancient characters and runes flew out towards Yang Luo!

Among these runes, the light flashing from the ancient characters "life," "death," "reincarnation" was particularly bright!

Moreover, beams of light burst out, with numerous tombstones pressing down for suppression!

But, at this moment!

Whoosh whoosh whoosh!

Countless golden flying swords erupted from Yang Luo as the center, shooting towards all directions!

Boom boom boom!

All the ancient characters and runes, tombstones, and beams were shattered!

The great formation had even more cracks, as if it would collapse and explode at any moment!

Seeing that a single great formation couldn't trap Yang Luo!

Xing Lichuan continued setting up formations!

"Yin Yang Five Elements Formation!"

“Evil Demon Chaos Formation!”

“Dragon and Tiger Cloud Formation!”

...

In just a few breaths of time!

Xing Lichuan consecutively laid out eight great formations!

Together with the “Life and Death Reincarnation Array,” that was a total of nine arrays, ensnaring Yang Luo within!

These were the nine arrays set up by a mid-stage Heavenly Immortal, which even ordinary mid-stage Heavenly Immortals would find difficult to escape from with ease!

Xing Lichuan declared loudly: “Kid, one great formation can’t trap you, how about nine, can you break them?”

Before his voice faded away!

“Heaven and Earth Dharma Idols!”

“Great Dao Dragon Diagram!”

Roaring shouts emanated from within the nine arrays!

In the eyes of all who bore witness!

A colossal golden giant over two thousand feet tall, holding a huge sword, towered proudly, dominating the world!

A massive Golden Dragon Totem over two thousand feet tall also formed and slowly revolved in the sky, spreading vast dragon might and dragon qi!

Yang Luo gripped the sword in his hands tightly, slowly lifted it over his head, then struck down powerfully!

“Break!”

The Dharma Idol looming above him gripped the sword in both hands and slashed down as well!

The crossing of the two swords intensified the sword power and fierceness of the sword intent, as if they were about to create heaven and earth!

And at the moment of the sword strike!

“Roar roar roar!”

A hundred thousand dragon illusions roared out in unison, colliding towards all directions!

“My god!”

What kind of cultivation technique is this, to actually summon a hundred thousand dragons?!”

“The giant sword slashes heaven and earth, ten thousand dragons suppress the firmament, it’s too spectacular!”

“Is this truly the real strength of Yang Heavenly Venerate?!”

The tens of thousands of clan members watching the battle all widened their eyes and exclaimed in shock.

In an instant!

Boom rumble!

All nine great formations shattered and exploded at once!

Chapter 2356: I Yield!

An endless stream of light and energy interwove together, exploding into a huge ball of energy that surged in all directions!

All the tribespeople were terrified, their hair standing on end!

They clearly knew that without the protection of the mountain-protecting array!

There was no telling how many mountains, how many temples and pavilions would be destroyed!

Even, at least half of those present would not be able to escape, and would be annihilated!

When all the energy and light dissipated.

The crowd looked up into the sky.

There they saw, Yang Luo and his Dharma Idols, standing proudly with a sword in the sky.

Although a large part of the dragon illusions had turned into energy and dissipated in the sky during the explosion.

But there were still more than thirty thousand dragon illusions swirling around Yang Luo!

At this moment, Yang Luo was like a Yulong Immortal descending to the world!

Standing tall between Heaven and Earth, supremely imposing, he deeply shocked everyone present!

“My heavens, Yang Heavenly Venerate actually broke the nine arrays laid down by the Second Elder with a single sword!”

“Has Yang Heavenly Venerate’s strength reached such powerful extents?!”

“Could it be that the Second Elder is no match for Yang Heavenly Venerate?!”

All the tribespeople exclaimed in astonishment, admiring Yang Luo to the utmost, worshipping him to the extreme.

Xing Tianrui and others were dumbfounded, their whole bodies trembling!

The killing move displayed by Yang Luo was too terrifying!

If it were them in battle, they probably wouldn’t last a few moves before being slain!

Seeing Yang Luo breakthrough the formation!

Excitement filled Xing Lichuan’s eyes, his fighting spirit high, “Good, good, good, lad, you truly are impressive, let’s go again!”

As he spoke, he raised his right hand!

“Reincarnation Spear!”

Buzzing!

Accompanied by a trembling sound!

A black-blue huge spear whistled out from his sleeve, grasped in his hand!

Then, his entire body shook, directly revealing his Dharma Idol!

A giant over two thousand feet tall, holding a huge spear appeared, towering with the Cangqiong above his head and the Void under his feet, incredibly imposing!

Seeing Xing Lichuan reveal his Dharma Idol!

Everyone present realized that Xing Lichuan was utterly serious now!

“Lad, come and fight!”

He roared, leading his Dharma Idol, rushing towards Yang Luo!

“Good!”

Yang Luo also responded loudly, leading his own Dharma Idol and more than thirty thousand dragon illusions, charging wildly!

In a split second of lightning and flint!

In the moment they got close!

Yang Luo and Xing Lichuan closed the distance and then swung the swords and spears in their hands at the same time!

Boom, boom, boom!

The giant sword and huge spear stirred up storms, tearing through the sky, ferociously attacking each other!

Clang, boom!

The huge sword and huge spear collided fiercely, like two mountains crashing together!

A large expanse of Cangqiong and Void was shattered in an instant!

At the moment of the sword and spear collision!

The thirty thousand dragon illusions also roared out, striking at Xing Lichuan!

Xing Lichuan's expression changed, not daring to take it lightly, his body shook!

"Luan Shi Demon Technique!"

"Ten Battle Demons!"

"Roar roar roar!"

Accompanied by a series of roars!

Ten colossal two-thousand-foot-tall Qiongqi illusions stood up!

These ten Qiongqi were full of ferocious energy, containing ten attribute powers!

Some burned with flames, some flickered with lightning, some surged with ice, shockingly impressive!

Then, these ten Qiongqi flapped their wings, charging towards the thirty thousand dragon illusions!

Boom, rumble!

The collision and explosion sounds echoed relentlessly, shaking the Cangqiong, stirring all directions!

Huge energy beams burst forth, Tearing Heavens, Splitting Earth, terrifyingly boundless!

The remaining thirty thousand dragon illusions all shattered and exploded!

The ten Qiongqi summoned by Xing Lichuan also exploded five of them!

The remaining five Qiongqi furiously charged towards Yang Luo himself!

Xing Lichuan laughed triumphantly: "Lad, you've lost!"

Yang Luo did not reply, but instead stomped downwards while in mid-air, roaring out!

"Twelve Shaman Primal Heavenly Art!"

"Twelve Ancestral Witches, appear!"

In an instant!

Boom boom boom!

The heavens shook and the earth trembled, all directions rocked, and chaos ruled everywhere!

Suddenly, twelve colossal figures each more than two thousand feet tall of the Ancestral Magi stood tall and imposing, dominating the skies like gods and demons, supremely powerful and unmatched!

“Is...

Is this the twelve Ancestral Magi?!”

Xing Lichuan was instantly dumbfounded and took a moment to react.

“Go!”

Yang Luo issued the command with a thunderous voice.

The twelve Ancestral Witches charged forward simultaneously, attacking the five Qiongqi illusions that were rushing towards them!

In the blink of an eye!

Bang, bang, bang!...

Boom, boom, boom!...

The sounds of collisions and explosions erupted continuously!

Four of the twelve Ancestral Witches exploded!

All five Qiongqi exploded in the air!

Under the fierce attacks of the remaining eight Ancestral Witches!

Xing Lichuan could no longer withstand it!

“Uh...”

He let out a cry of pain and directly flew backward, with blood gushing from wounds that burst open on his body, splattering through the air!

After flying back hundreds of meters, Xing Lichuan finally stabilized his body!

“Heavens, the Second Elder was actually sent flying by Yang Heavenly Venerate?!”

“Not only was he thrown back, but he was also injured!”

“Yang Heavenly Venerate can actually challenge beyond his level and still have the upper hand, this is terrifying!”

All the clan members present exclaimed in shock, their eyes filled with disbelief.

Xing Lichuan immediately felt humiliated and shouted: “Kid, come on, let’s continue!”

Just as he was about to charge forward again!

Xing Wentian said loudly: "Second brother, this kid is not your match.

This battle ends here!"

Saying this, he looked up at Yang Luo and said: "Young man, how about crossing a move with this old man?"

"Junior will accompany you!"

Yang Luo responded loudly.

"Good, you indeed have courage!"

Xing Wentian laughed heartily, then his right arm lifted, both momentum and combat strength burst out, and he struck out with his palm!

With that palm strike, the heavens trembled and the mountains shook, his aura engulfing the world with an unmatched tyranny!

A massive black-green palm several thousand feet large, like a piece of the Nine-layered Heavenly Palace, pressing down on Yang Luo!

Yang Luo clasped his sword with both hands, striving to slash towards the descending giant palm!

The Dharma Idols looming above him also swung the swords in their hands, striking heavily!

The remaining eight Ancestral Witches also launched fierce attacks simultaneously!

In a moment!

Clang boom boom!

Boom boom boom!

The terrifying collision and explosion sounds resonating throughout heaven and earth, shaking the wilderness were continuous!

Streams of majestic and vast light and energy surged towards every direction!

Throughout the boundless heaven and earth, it seemed like a curtain being massively torn apart, shockingly terrifying!

In this confrontation!

Yang Luo's Dharma Idols and the remaining five Ancestral Witches also all exploded in the air!

As for Yang Luo himself, he was also shaken back repeatedly!

He retreated dozens of meters before finally stabilizing his body!

Just as Yang Luo stabilized himself and prepared to continue fighting!

Xing Wentian raised his hand and said: "Young man, one move is enough, no need to continue fighting!"

If we continue, there could really be casualties!"

Hearing this, Yang Luo finally stopped.

He bowed and said: "Elders, junior gives in!"

Suddenly!

All the people present were stunned, dumbfounded, and flabbergasted!

What did they see?!

Yang Heavenly Venerate not only repelled the Second Elder but also withstood the palm of the Ancestor?!

It's simply defying the heavens!

Chapter 2357: The Tree Wants to be Still, but the Wind Doesn't Stop!

The entire venue fell silent for a moment.

Then it erupted with sounds as loud as a tsunami.

"My heavens, Yang Heavenly Venerate is too strong, even the Second Elder is no match for him!"

"Isn't that the case?"

The Second Elder is a Mid-stage Heavenly Immortal, with a higher cultivation than Yang Heavenly Venerate, yet unexpectedly got suppressed by him!"

"Even Ancestor, who is a Late Stage Heavenly Immortal, couldn't imagine, Yang Heavenly Venerate could withstand a palm from the Elder, only to be pushed back a distance!"

“If it were any ordinary Early Stage Heavenly Immortal, taking a palm from Ancestor, they would definitely be injured!”

“No wonder Yang Heavenly Venerate was able to slay Ancient Tuo Zen Master and Nine Yang Immortal Venerable, with such strength, it’s simply outrageously strong!”

Shouts and exclamations of astonishment echoed one after another.

The tens of thousands from the clan who were present looked at Yang Luo with increasing reverence and admiration.

Xing Yuanzhong shook his head and said, “Fortunately, Yang Heavenly Venerate did not come seeking revenge on us, otherwise, a fierce battle might have erupted!”

Xing Tianrui sighed and exclaimed, “One should have a son like Yang Heavenly Venerate!”

Several elders also sighed with emotion, thinking that it would be great if Yang Luo had been from their Qiongqi Family.

Then their Qiongqi Family would likely leap to become the number one Great Family on Penglai Immortal Island.

Xing Shengjie’s gaze towards Yang Luo reached the pinnacle of admiration!

After all, Yang Luo was of similar age to him, yet he already possessed such high cultivation and strength!

Xing Lichuan grumpily said, “Big brother, I was only injured by this kid, I didn’t lose.

Why won’t you let me fight?”

Xing Wentian honestly said, "Although this kid's cultivation is lower than yours, his strength has already surpassed you.

Even I can only barely suppress this kid."

"What?!"

Xing Lichuan was utterly surprised, "Big brother, you must be joking.

You can only barely suppress this kid?!"

The others present also heard Xing Wentian's words and were greatly shocked as well.

Xing Wentian nodded and said, "If I were to engage in a life-and-death battle with this kid.

Even if I could kill this kid in the end, I would also be heavily injured.

This kid's real strength is not what we see now."

"Sss..."

As these words were spoken, everyone sharply inhaled, their eyes filled with disbelief.

They knew well that their Ancestor was very proud and would never say such words lightly.

Since the Ancestor has said it, this alone proves that Yang Luo is really extraordinary!

Yang Luo shook his head and said, "Ancestor, you flatter me too much.

I can only barely suppress the Second Elder, but I am definitely no match for you.”

Xing Wentian squinted at Yang Luo and asked, “Although we only exchanged one move.

But if I’m not mistaken, you haven’t used your full strength yet, right?”

“Uh…”

Yang Luo did not hide anything and nodded.

“I knew it.”

Xing Wentian faintly smiled and said, “It’s unexpected.

After so many years, there has emerged such an exceptional Heavenly Pride in the world.

Indeed, the younger generation surpasses the older.”

At this time.

Xing Tianrui respectfully said, “Ancestor, this is not the place for discussion.

Shall we move to the hall and talk?”

“Alright!”

Xing Wentian nodded.

Xing Tianrui swept a glance at the clan members present and announced, “Everyone disperse!”

“Yes, family head!”

The clan members responded, and afterwards, all dispersed.

“Yang Heavenly Venerate, please!”

Xing Tianrui made a gesture of invitation.

“Please!”

Yang Luo also slightly lifted his hand.

Subsequently, Yang Luo and his group left the place.

In the main hall of the peak.

After Yang Luo took his seat.

Xing Tianrui arranged for a disciple to pour some tea.

Yang Luo picked up the teacup and took a sip.

Xing Tianrui smiled and said, “Yang Heavenly Venerate, although we have gathered some information about the recent great battle at Ten Thousand Immortals Mountain,

the cause and details of this great battle are not very clear to us.

We hope that Yang Heavenly Venerate can enlighten us.”

The others also looked towards Yang Luo.

Yang Luo smiled and said, "Since everyone wants to know, then I will share the details with you."

Then, Yang Luo told everyone about the battle at Ten Thousand Immortals Mountain.

After listening to Yang Luo.

The people present were deeply shocked.

Although they had not participated in that battle, just hearing Yang Luo describe it, they could sense the ferocity of the battle.

Xing Tianrui snorted and said, "These eight great sects and two great families incited so many people to wage war, causing chaos in Penglai Immortal Island, leading to so many casualties!

Their downfall is solely their own fault!"

Xing Yuanzhong nodded and said, "After this battle, there will likely be a major reshuffling among the great sects and families.

Many sects and families will decline, and many will rise."

Xing Lichuan pointed at Yang Luo and said annoyedly, "This great battle was also triggered because of you!

You alone stirred up the entire Penglai Immortal Island, I have to admit it!

No wonder people say you are a harbinger of disaster; wherever you go, trouble follows!"

Yang Luo shrugged his shoulders helplessly and said, "Second Elder, I did not want this either.

I came to Penglai Immortal Island just to train and enhance my cultivation and strength.

However, as the saying goes 'trees long for peace but the wind keeps blowing'; trouble always finds me."

"That's true."

Xing Lichuan nodded and then said, "To establish oneself in this Immortal World, one must rely on strength; everything else is nonsense!"

Xing Wentian looked at Yang Luo and said, "Kid, you didn't come to our Qiongqi Family just to have tea and chat, right?"

Yang Luo honestly replied, "Firstly, I came to meet with all the seniors here.

Secondly, I also want to enter the 'Life Destruction Demon Realm' to train."

Before coming here, Huangfu Xuan Ce and Helian Dongsheng had already mentioned to him,

that the secret realm of the Qiongqi Family is called the 'Life Destruction Demon Realm'.

The secret realm of the Taowu Family is called the 'Demon Refining Evil Domain'."

"Oh?"

Xing Wentian curiously said, "You want to enter our 'Demon Refining Evil Domain' to train?"

“That’s right.”

Yang Luo nodded.

Xing Wentian said, “Kid, do you know that once a cultivator becomes a Heavenly Immortal,

the training in these mystic realms doesn’t greatly boost cultivation and strength anymore.

To continue enhancing your cultivation and strength, aside from battling between life and death, you need to have personal insights.”

Yang Luo said, “Any improvement is still an improvement, and my main goal is to obtain the Qiongqi Essence Blood.”

“I see.”

Xing Wentian nodded in realization, then asked, “Kid, I’m really curious, how can you inherit the essence blood of Divine Beasts and ferocious beasts simultaneously, and still manage to make them coexist peacefully in your body?”

Xing Lichuan also said, “Yeah, your body is weird, isn’t it?”

If it were others, inheriting more than one kind of essence blood would cause their bodies to explode and die!

But you, kid, have inherited the essence blood of the Four Great Divine Beasts and two ferocious beasts, not only did you not explode and die, but you also improved your strength!”

Xing Tianrui and others were also looking at Yang Luo with puzzled faces.

Yang Luo did not know how to explain it and said, "Maybe it has something to do with my physique and bloodline."

Xing Wentian nodded and asked, "When do you want to start your trial?"

Yang Luo replied, "Right now!"

Chapter 2358: Life Destruction Demon Realm!

He planned to swiftly pass through the "Life Destruction Demon Realm" trial to obtain the Qiongqi Essence Blood, then make his way to the Taowu Family's "Demon Refining Evil Domain" for another trial.

After acquiring the blood essence from both ferocious beasts, he was ready to head to Immortal Burial Island to engage in Cultivation and Enlightenment while waiting for Bujie and the others.

"Alright!"

Xing Wentian nodded and said, "Then let's take you there right now!"

"Yang Heavenly Venerate, can I follow you into the 'Life Destruction Demon Realm' for the trial?"

Xing Shengjie looked at Yang Luo with hopeful eyes.

He was well aware that Huangfu Xuance and Helian Dongsheng had been following Yang Luo for training in recent times.

Therefore, he also wanted Yang Luo to take him under his wing.

Yang Luo replied with a faint smile, "Young Master Xing, my brothers also wanted to come here for the trial, but I declined.

After all, if I were to take them into the mystic realm for the trial, they would inevitably encounter danger.

So, Young Master Xing, you better not follow me into the mystic realm for the trial.”

Xing Tianrui added, “Sheng Jie, Yang Heavenly Venerate is a Heavenly Immortal.

Once Yang Heavenly Venerate enters the ‘Life Destruction Demon Realm’, the trial difficulty will certainly escalate to the Heavenly Immortal Realm.

Yang Heavenly Venerate might bear it, but can you?”

“Uh...”

Xing Shengjie shivered in fright and shook his head repeatedly, “Then I better not go in.”

After thinking it over, Yang Luo said, “Young Master Xing, if you truly wish to improve yourself, you can seek my brothers from the Thunder Kun Family and Fire Chi Family and let them guide you through your training.”

“Yes, yes, yes, that’s exactly what I was thinking!”

Xing Shengjie was overjoyed and then said, “Yang Heavenly Venerate, please don’t call me Young Master Xing, just Sheng Jie will do!”

“Alright then.”

Yang Luo nodded and said, “And you shouldn’t always address me as Yang Heavenly Venerate.

If you're going to roll with me, then let's just call each other brothers."

"Yes, Brother Yang!"

Xing Shengjie was even more thrilled.

Being brothers with a Heavenly Immortal was an immense honor!

Xing Wentian said cheerfully, "You young people should indeed interact more!"

Yang Luo then turned to Xing Tianrui and the others, saying, "Elders, please don't keep calling me 'Yang Heavenly Venerate'; just call me by my name.

Even though I have stepped into the cultivation of a Heavenly Immortal, I am still a junior.

I'm not used to you addressing me like that."

Hearing Yang Luo's words, everyone laughed happily and their admiration for Yang Luo grew even more.

Xing Tianrui nodded and said, "Since that's the case, I'll call you Little Luo from now on.

If you don't mind, you can call me Uncle."

Yang Luo said with a smile, "Uncle Xing, how could I possibly mind!"

Xing Tianrui laughed heartily and declared, "Then no time like the present, let's set off now!"

Afterward, Xing Wentian and the others led Yang Luo away from the grand hall, flying towards the back mountain.

Soon after.

Yang Luo and his compatriots arrived at the location of the “Life Destruction Demon Realm” behind the mountain.

Looking ahead.

Twelve towering mountains, each thousands of feet tall, stood between heaven and earth in a circular arrangement, with a vast valley in the middle.

When Yang Luo and his party arrived above the valley, they saw ancient ferocious beast Qiongqi totems inscribed on the cliffs of the twelve mountains.

At the bottom of the valley was a huge array platform.

Xing Wentian said, “Kid, since you’ve been through other mystic realms before, you must be familiar with some of the rules, so I won’t go into details.

Now step onto the array platform, and we will activate the teleportation array to send you into the mystic realm.”

“Okay!”

Yang Luo responded, then steadily descended onto the array platform.

Once Yang Luo stepped on the array platform.

Xing Wentian silently recited the incantation, then summoned up the energy from within his body and struck out with his palm!

Whoosh!

A cyan-black energy beam directly entered the array platform!

Rumble rumble rumble!

As the energy flowed in, the entire array platform shook!

Even the surrounding twelve mountains trembled along!

Cough cough cough!

The totems inscribed on the cliffs of the twelve mountains also shot out twelve beams of light, entering the array platform!

Above the array platforms, formation patterns and runes began to rotate slowly, exuding an aura of mystique!

A few minutes later!

Boom!

An energy beam emitting twelve colors of light shot up into the sky from the array platform, piercing through the clouds!

Yang Luo was completely enveloped by the twelve-color light beam!

Another few minutes passed!

When the light beam dissipated, Yang Luo had vanished from the array platform!

Xing Tianrui looked at the array platform and said, "It's practically certain that Little Luo will pass all the trials."

It's just unknown how many days Little Luo will need to pass all the trials."

Xing Lichuan said, "When I stepped into the Heavenly Immortal realm back then, it took me ten days to pass all the trials."

Elder brother took seven days.

With this kid's cultivation and strength, he's sure to spend less time than I did.

The only question is whether he can break the record held by elder brother."

Xing Wentian stood with his hands behind his back and said, "Then let's wait and see!"

...

At this moment.

Yang Luo, having traveled through the teleportation array, had already arrived within the Life Destruction Demon Realm.

Looking around.

The entire Life Destruction Demon Realm was vast and boundless.

The world was dark and dismal, filled with malevolent aura, the ground cracked, and desolate mountains stood towering between heaven and earth.

The whole minor world was barren.

There was only the heavy presence of death and endless oppression.

However, the instant Yang Luo arrived here!

Rumble rumble rumble!

The entire world seemed to come to life, stirring with violent tremors!

Various kinds of energy contained within heaven and earth also began to surge wildly!

Yang Luo's heart grew cold; he could feel that the trials had begun!

In less than a few minutes!

Boom boom boom!

Thunderous explosions shook the world!

The sky and ground within hundreds of miles exploded one after another!

Gaping void cavities opened up in the heavens!

Enormous abyss pits burst forth from the earth!

The next second!

“Roar roar roar!”

Amidst a series of roaring howls!

Beast after beast, formed from various energies, and giants one after another pounced out from the cavities in the void above!

These beasts and giants had bizarre appearances, looking like fierce evil spirits, terrifying beyond measure!

Besides these!

Countless stone giants and Rock Giant Beasts also surged out of the abyss pits, setting their sights on Yang Luo!

The heaven and earth within a hundred miles were crammed with a million Energy Giant Beasts, Rock Giant Beasts, and Energy Giants!

This million-strong horde of beasts and giants descended in an overwhelming tide, converging on Yang Luo!

Yang Luo glanced around and declared in a booming voice, “So this is the Life Destruction Demon Realm, let’s see if it can annihilate Yang Luo!”

With that, Yang Luo’s figure flashed, engaging in a fierce battle with the army of a million beasts and giants!

In the heat of battle!

He ferociously fought the beasts and giants, not using any other killing moves but using this opportunity to hone his Fist and Foot Combat Skills!

Peng peng peng!

Those charging beasts and giants were all blown up in the sky!

Amidst the intense fighting, Yang Luo discovered!

The difficulty of the Life Destruction Demon Realm had indeed escalated to the Heavenly Immortal level!

If Bujie and the others had come with him, they might indeed be in danger!

Moreover, these beasts and giant trolls, time and time again after being destroyed, would condense together once more!

It's unclear how long the fierce battle lasted!

After these beasts and giants were annihilated for the thirty-sixth time, they finally completely dispersed!

Chapter 2359: Why Is It So Difficult to Open?

But just at this moment!

Rumble rumble rumble!

The entire small world shook even more violently, strong winds howled, the Sea of Rolling Clouds surged, and it was as if Heaven and Earth were shattering, the horror reaching an extreme!

Various attribute powers and the power of the Heaven and Earth Great Dao contained within the small world also began to surge wildly!

Yang Luo maintained a high level of vigilance, keeping an eye on the movements around him!

Just at this moment!

Boom boom boom!

Beams of light broke through the ground, shooting up into the sky, piercing through the Cangqiong!

These beams of light, like pillars, propped up Heaven and Earth!

Yang Luo was startled and hadn't reacted yet!

Only to see, a great formation that covered the sky and obscured the sun instantly took shape, trapping him inside!

"Array formation?!"

Yang Luo's face changed slightly.

He remembered what Xing Lichuan had told him.

The Qiongqi Family was famous for their proficiency in array formations, and various killing arrays were endless.

While Yang Luo was still in a daze!

Rumble rumble rumble!

The boundless Heaven and Earth continued to tremble!

Massive beams of light surged from the ground, striking down from the Cangqiong!

Then, Eight Great Formations took shape, trapping Yang Luo within!

In an instant!

The area where Yang Luo was, was filled with a murderous aura, flashing lights, surging energies, as if it had turned into a death zone!

In less than half a minute!

Boom boom boom!

The Nine Arrays activated simultaneously, unleashing a devastating assault, furiously attacking Yang Luo!

Yang Luo's eyes revealed a trace of horror!

The lethality, destructiveness, and annihilation power bursting forth from only these Nine Arrays were not much weaker than the ones laid down by Xing Lichuan!

It seems that the difficulty of the Life Destruction Demon Realm has increased a lot!

However, Yang Luo stood unwavering, directly summoning the Dragon Emperor Sword, and struck out with all his might!

Whoosh whoosh whoosh!

Countless golden flying swords centered on him, shooting out in all directions!

Furthermore, the seven illusions of the Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, and Hundun were summoned by him, crashing forward!

Under Yang Luo's fierce attack!

The offensive unleashed by the Nine Arrays was continuously shattered!

Layer by layer, the arrays were destroyed under Yang Luo's brutal counterattack!

But just as Yang Luo was breaking the formation!

Even more terrifying things happened!

Only to see, the small world shook even more violently!

More and more energy surged towards this side!

Furthermore, one after another, Great Formations took shape, encircling Yang Luo completely!

This time, the number of layers of the Great Formations had reached eighteen!

After the Eighteen Layers of Array took shape, they activated instantly, unleashing an even more terrifying offensive!

Yang Luo continued to mobilize the energy within his body, launching a counterattack!

"Heaven and Earth Dharma Idol!"

“Great Dao Dragon Diagram!”

“Flame Emperor’s World Burning Art!”

“Chaos Slaughter Array Map!”

With Yang Luo’s successive deployment of heavy-hitting techniques!

Dharma Idols and twelve Ancestral Magi stood towering, charging upward!

The Golden Dragon Totem coalesced, and ten thousand dragons roared forth!

Array maps evolved, crashing out!

Clang, clang, clang!...

Boom, boom, boom!...

The earth-shattering impact and explosive sounds reverberated, spreading throughout the entire small world!

Various energies and light interwoven together, churning and rippling in this area!

As if turning into a sea of energy light, dazzling and spectacular, vast and boundless!

Under Yang Luo’s powerful onslaught!

The Eighteen Layers of Array that had formed were continuously shattered and exploded!

And just as these eighteen layers were destroyed!

Once again, one after another, Great Formations began to take shape!

This time, the number of formations reached Twenty-seven Layers of Array!

Moreover, the power of these formations became stronger and stronger, seemingly determined to completely annihilate Yang Luo!

Facing the twenty-seven layers of array!

Yang Luo continued to unleash various killing moves, counterattacking incessantly!

“Twelve Shaman Primal Heavenly Art!”

“Azure Dragon Emperor Scripture!”

“White Tiger Taoist Scripture!”

“Vermillion Bird Treasure Technique!”

“Xuanming Ancient Scripture!”

As the successive killing moves ferociously struck out!

One after another, the great formations were also continually shattered!

In the following time!

Various great formations were constantly destroyed by Yang Luo, and continually set up anew!

Yang Luo then employed a variety of cultivation techniques, using them to temper himself, to improve himself!

Until all eighty-one layers of array were utterly destroyed!

The expanse of sky where Yang Luo was located had already transformed into a sea composed of light and energy, resplendent yet imbued with endless destructive power!

But, just when all eighty-one layers of array had been destroyed!

Rumble rumble rumble!

The vast and boundless heaven and earth trembled even more violently, and the energy contained in this small world completely boiled over!

Yang Luo's brows were tightly furrowed, his gaze fixed on the sky above!

It seems that after stepping into the realm of a Heavenly Immortal, the difficulty of the trial indeed increased a lot!

However, it doesn't matter, if there isn't a bit of difficulty, then it would be meaningless for me to have come all this way to undergo this trial!

"Hoo..."

He exhaled a breath of turbid air and declared resolutely, "Come on, continue!"

...

Time during the trial passed very quickly.

In the blink of an eye, six days had gone by.

The evening of the sixth day.

Outside the Life Destruction Demon Realm.

Xing Wentian and Xing Lichuan among others were standing guard around the array platforms.

Xing Tianrui stated, "It has already been six days now; we still don't know how Little Luo's trial is going."

Xing Yuanzhong stroked his beard and smiled, saying, "Given this youngster's cultivation and strength, he must already be at the final stages of his trial.

I estimate it won't be long before he comes out."

Xing Lichuan squinted and said, "I wonder if this youngster can obtain the inheritance of Qiongqi's essence blood."

Xing Wentian smiled faintly and stated, "Whether this youngster can obtain the inheritance of Qiongqi's essence blood all depends on his own fortune."

At this moment.

Inside the Life Destruction Demon Realm.

In a wide expanse.

Yang Luo was sitting cross-legged there, refining and absorbing the Qiongqi essence blood.

Hence, during these six days, he passed all the trials.

And not long ago, he defeated the energy body of the ancient evil beast Qiongqi and obtained its essence blood.

Although he was seriously injured, it was worth it.

At this moment.

Twelve-color radiance flickered from his body, and his wounds were healing at a rate visible to the naked eye.

Time slowly slipped by.

No one knew how much time had passed.

Yang Luo's vitality surged, a brilliant light bursting forth from his body!

The next second!

Boom!

A beam of twelve-colored light blasted from his body into the heavens, breaking through the firmament!

The ground below him also collapsed thunderously, exploding into a huge abyssal crater!

His body, however, remained seated in midair, unaffected by any of it!

After a while.

Yang Luo suddenly opened his eyes, a smile appearing at the corner of his mouth.

He had fully refined and absorbed the Qiongqi essence blood, and his injuries had recovered as well.

“Four seniors, after absorbing the energy from the Qiongqi essence blood, has the fifth bronze dragon coffin been opened?”

Yang Luo asked in his mind.

Primordial Divine Dragon sighed, saying, “Although a part of the power of the heavenly lightning was absorbed last time, and now the energy of Qiongqi’s essence blood has been absorbed too,

the fifth bronze dragon coffin is still only opened by one-fifth.”

Yang Luo was startled for a moment, then asked, “Senior Xinghe, why is the fifth bronze dragon coffin so difficult to open?”

In fact, he had long harbored doubts in his heart.

Why were Primordial Divine Dragon, Long Daoyi, Long Tianchi, and Long Youlan the four seniors who first emerged from the bronze dragon coffins.

And not other seniors before them?

Chapter 2360: Breaking the Record!

“Kid, let me tell you the truth, it’s not just the fifth bronze dragon coffin that’s difficult to open.

The difficulty of opening the subsequent four bronze dragon coffins will increase progressively.”

The voice of Long Tianchi rang out.

“Esteemed seniors, then why were you able to emerge from the bronze dragon coffins first?”

Yang Luo asked the question that had been on his mind for a long time.

Long Xinghe explained, “Kid, that’s because the four of us suffered relatively light damage to our Essence Souls during that great battle back then, which is why we were able to come out first.

For instance, my Essence Soul was the least damaged, so I could be the first to emerge.

And the fifth brother’s Essence Soul wasn’t too severely damaged, which is why he could come out second.

And so on.”

Long Daoyi took over the conversation, saying, “Which means, the more severely the Essence Soul is damaged, the more energy is needed, and the harder it is to open the bronze dragon coffins.”

“So that’s how it is.”

Yang Luo suddenly realized and then said, “Esteemed seniors, I will acquire the Taowu Essence Blood as soon as possible to continue assisting you in opening the fourth bronze dragon coffin.”

Long Youlan said gently, “Little Luo, you don’t need to put too much pressure on yourself.

When your cultivation and strength continue to improve, then we will be able to open the other bronze dragon coffins faster.”

Yang Luo nodded firmly and said, “I will keep working hard!”

After some more conversation, Yang Luo cut off contact with Long Xinghe and the others.

Yang Luo retracted his thoughts and then stood up.

It’s time to go out!

Yang Luo didn’t contact Xing Tianrui, but instead stepped into the void.

Boom!

A Void Cave exploded into existence in the space before him!

Suddenly, he moved and flew into it...

At this moment.

Outside of the Life Destruction Demon Realm.

It was already night.

The full moon was high in the sky, stars scattered everywhere.

Xing Tianrui and the others were all sitting around the array platforms, waiting for Yang Luo while cultivating and seeking Enlightenment.

But just then!

Rumble rumble rumble!

The entire array platform suddenly began to shake violently!

Everyone was jolted awake, opening their eyes.

“Eh, why is the array platform suddenly shaking?!”

“What’s happened?!”

“It’s not some kind of situation inside the Life Destruction Demon Realm, is it?!”

Xing Tianrui and the others voiced their alarm.

Xing Wentian just smiled faintly and said, “No need to worry, it’s that kid coming out.”

“Ah?!”

“He’s coming out already?!”

“So quickly?!”

Everyone was shockingly surprised.

It wasn’t even a few minutes later.

Boom!

A massive Void Cave suddenly exploded above the array platform!

Quickly, a figure walked out, it was Yang Luo!

“Little Luo, you’re out already?!”

“Have you already passed all the trials?!”

“My goodness, it’s only been six days!”

Xing Tianrui and the others looked at Yang Luo with their eyes wide and mouths agape.

Yang Luo landed on the ground and said with a smile, “I’ve passed all the trials and obtained the Qiongqi Essence Blood!”

“Oh?”

Xing Lichuan was half doubtful, “Then summon the Qiongqi for us to see!”

“Alright!”

Yang Luo nodded and then called upon the Qiongqi Essence Blood within his body!

“Qiongqi!”

With a thundering shout!

“Roar!”

Accompanied by a roar that pierced the heavens!

A massive beast, over two thousand zhang in size, shot straight into the sky, majestic and imposing!

It was none other than Qiongqi, one of the Ancient Four Divine Beasts!

Xing Lichuan was immediately dumbfounded, “Good heavens, I never imagined you, young man, would actually obtain the Qiongqi Essence Blood!”

Everyone present was deeply shocked as well.

Xing Tianrui spoke with admiration, “Little Luo, I didn’t expect that not only did you pass all the trials in just six days, but you also acquired the Qiongqi Essence Blood!

Now you have broken the trial record held by our Ancestor!”

“Trial record?”

Yang Luo looked puzzled.

“That’s right.”

Xing Tianrui nodded, saying, “Both our Ancestor and the Second Elder passed all the trials in the Life Destruction Demon Realm after stepping into the Heavenly Immortal realm.

It took the Ancestor seven days, and the Second Elder ten days.

You, however, took only six days.”

“I see...”

Yang Luo gave an awkward smile and said, “My apologies to the Ancestor and the Second Elder.”

“No worries.”

Xing Wentian lifted his hand and smiled lightly, saying, “Records are meant to be broken.

Your breaking my record only proves that you are stronger than I was back then.”

Xing Lichuan shook his head and said, “Who knows how long it will take for someone to break the record you’ve set, young man!”

Yang Luo scratched his head, unsure of what to say.

If it hadn’t been for refining and absorbing the Qiongqi Essence Blood, he probably would have emerged on the fifth day.

Of course, he chose not to voice this thought, so as not to discourage the elders.

Yang Luo gathered his thoughts and said, “Respected seniors, I plan to head to the Taowu Family, so I shall take my leave now!”

Xing Lichuan said in surprise, “Young man, you’ve just passed through the Life Destruction Demon Realm, aren’t you going to rest for a few days before leaving?”

“No need.”

Yang Luo shook his head and replied, "All my injuries have already healed; I won't impose on everyone any longer."

"Alright then."

Xing Wentian nodded and said, "Young man, you are fated with our Qiongqi Family.

Should you encounter any trouble in the future, feel free to contact us, and we will certainly help."

Yang Luo nodded and said, "Thank you all!

If you ever need my assistance, please don't hesitate to ask!"

Xing Wentian laughed heartily and said, "Young man, your words are enough for us!"

Afterward, Yang Luo turned to Sheng Jie and said, "Sheng Jie, go to the Thunder Kun Family to find my brothers!

If you see them, pass on my message: they should train hard and not be lazy!

If I don't see their progress next time we meet, I won't let them off so easily!"

"Well...

okay."

Sheng Jie nodded in agreement.

Yang Luo gave a cupped fist salute to everyone, "Respected seniors, until we meet again!"

“Until we meet again!”

Xing Wentian and the others returned the salute.

Immediately afterwards, Yang Luo’s figure flashed, transforming into a streak of light as he flew into the distance.

Not until Yang Luo had left from their sight.

Sheng Jie said, “Father, elders, if that’s the case, I’ll take my leave first!”

Xing Tianrui patted Sheng Jie on the shoulder and said, “Sheng Jie, Little Luo is no ordinary person.

Following him, you must observe and learn a lot.

As your father, I look forward to your growth and improvement.”

“Yes!”

Sheng Jie nodded firmly, bid farewell to Xing Tianrui and the others, and then flew away from there.

Xing Tianrui gazed into the distant sky, saying, “Little Luo has now stepped into the Heavenly Immortal realm, with the hope of advancing to Golden Immortal.”

Xing Wentian shook his head and said, “Among so many cultivators in the two Immortal Worlds, not many can step into the Heavenly Immortal realm.

Advancing to Golden Immortal is not so simple.”

Xing Lichuan also sighed, saying, "Passing the Golden Immortal Tribulation is not something an average person can handle.

Even my brother and I are not completely confident."

Xing Tianrui said, "However, Little Luo is no ordinary individual; perhaps, he truly might be able to step into the Golden Immortal realm in the future."

"That's possible,"

Xing Lichuan smiled and said, "Perhaps this young man will reach Golden Immortal before many Heavenly Immortals do, creating a miracle."

Xing Wentian and the others all looked toward the distant horizon, their eyes filled with anticipation...
