

## **Super IDG 241**

Chapter 241: Leave Everything to Me!

“He hit someone! They’re hitting people!”

“Is there still any law!”

“Beasts! What a bunch of beasts!”

Li Xuemei and the employees wailed, but there was nothing they could do.

Many people were beaten black and blue, and some were even bleeding.

Seeing this scene in front of her, Qiao Lijiao immediately let out a bright smile akin to a blossoming flower. She felt like she had vented her anger.

Under the forceful approach of this group of security officers, Li Xuemei and the others could no longer withstand it and were chased far away.

Lu Minghui sneered and said, “Looks like that old thing won’t dare to cause trouble again. Everyone, disperse!”

Soon, the employees of the foundation dispersed.

The security officers however remained guarding the door with batons.

At this moment, in the distance of the building.

A male employee covered his head and said sadly, “Director, forget it. We can’t beat them!”

A female employee said, “No, we definitely can’t let this go!

“Our Welfare Institute’s money can’t be snatched away by them!”

The male employee asked, “Then what do you think we should do now? How can we get the money back alone?”

The female employee thought for a moment and looked at Li Xuemei, “Director, we can only ask Miss Qin and Mr. Yang for help now!

“Miss Qin and Mr. Yang are not ordinary people. They will definitely be able to help us get the money back!”

Li Xuemei said sadly, “Do I have to trouble Momo and Mr. Yang again?”

The female employee sighed and said, “Director, why are you still saying stuff about troubling people at a time like this? The most important thing is to get the money back!

Director, if you don’t want to call, I’ll do it!”

“That’s right. Let’s ask Miss Qin and Mr. Yang for help!”

The other employees also agreed with this suggestion.

“Okay, I’ll do it.”

Li Xuemei sighed and took out her phone to call Qin Yimo.

At the same time...

In a high-end restaurant near Renji Private Hospital.

In a private room.

He Yinghao was drinking and chatting with Yang Luo, Alinda, and Smith.

“Mr. Yang, let me toast you again!

“Previously, I was blind and doubted your medical skills. Please forgive me!”

In the future, your matters will be my matters!”

He Yinghao raised his glass.

“Brother He, you don’t have to be so polite.”

Yang Luo raised his glass and clinked it with He Yinghao’s.

The two of them downed the wine in their glasses.

At this moment, a call was made to Yang Luo’s phone.

“Excuse me, I have to take this call.”

Yang Luo said and looked at his cell phone. When he realized that it was Qin Yimo, he picked up the call.

As soon as the call went through.

Qin Yimo’s anxious voice sounded.

“Brother Yang, something happened to Director Li!”

“All?! Something happened to Director Li?!”

Yang Luo was shocked, “Momo, what happened to Director Li?”

Qin Yimo said, “I’m not too sure either. It seems like the money we donated to the welfare institute yesterday was snatched away by the Dream Chaser Charity Foundation!”

“Director Li and the others went to ask for it, but not only did the people from the foundation not return it, they even hit them!”

“What?!”

When Yang Luo heard this, he stood up.

He Yinghao and the others looked at Yang Luo in confusion.

A cold glint flickered in Yang Luo’s eyes as he asked in a low voice, “Where are Director Li and the others now?”

Qin Yimo replied, "Dean Li and the others are at the entrance of the Dream Chaser Charity Foundation building. I'm rushing there!"

"Got it. I'll come over now."

Yang Luo responded and hung up.

After hanging up, Yang Luo said to He Yinghao and the others, "Everyone, I'm really sorry. I still have something to deal with, so I'll leave first!"

He Yinghao asked, "Mr. Yang, do you need help?"

"I don't think so."

Yang Luo replied and said to Alinda, "Miss Alinda, look for me tomorrow and I'll bring you to see those old Chinese doctors."

Alinda nodded and said, "Alright, go do your own things first."

Yang Luo didn't say anything else. He hurriedly left the cafeteria, hailed a taxi, and went straight to the Dream Chaser Charity Foundation building...

At the same time...

Not far from the Dream Chaser Charity Foundation building.

A female employee asked Li Xuemei, "Director, what did Miss Qin say?"

Li Xuemei replied, "Momo asked us to wait for a while. She'll be here soon."

"That's good."

When the employees heard that Qin Yimo was coming, they heaved a sigh of relief.

After waiting for about twenty minutes...

A white Mercedes-Benz G drove over from afar and stopped by the street.

The car door opened and Qin Yimo, who was wearing a light blue casual business suit, got out of the car.

"Momo!"

"Miss Qin!"

Li Xuemei and the others quickly walked over.

Qin Yimo looked at the injuries on the employees, and her pretty face instantly turned cold, "Were all your injuries caused by the foundation?"

"Yes, Miss Qin."

A female employee nodded with reddened eyes.

Qin Yimo took a deep breath and asked, "Director Li, what's going on?"

"Momo, it's like this..."

Li Xuemei did not hide anything and told Qin Yimo what had happened last night and today.

After hearing Li Xuemei's words, Qin Yimo was so angry that her delicate body trembled and she gritted her teeth.

She clenched her fists tightly and growled, "What a bunch of bastards! Beasts!"

A female employee choked and said, "Miss Qin, what should we do now?"

Qin Yimo tried her best to suppress the anger in her heart and said, "Let's wait a little longer. Brother Yang will be here soon!"

When Brother Yang comes, we'll deal with this matter!

In short, we can't let this group of lawless fellows off today!"

Everyone nodded and waited quietly for Yang Luo's arrival.

They waited for less than ten minutes more.

A taxi drove over from afar and stopped at the side of the road.

The car door opened and Yang Luo hurriedly got out of the car.

"Brother Yang, over here!"

Qin Yimo waved at Yang Luo.

Yang Luo hurriedly ran over.

When he saw the injuries on Dean Li and the others, Yang Luo was stunned as well, "Director Li, what's wrong with everyone?"

"Brother Yang, this was all done by the people from the foundation..."

Qin Yimo pointed at the building in the distance and repeated Li Xuemei's words to Yang Luo.

After hearing Qin Yimo's story, the anger that Yang Luo had suppressed in his chest erupted like a volcano!

Yang Luo's gaze became colder and colder, as if dark clouds were surging.

Qin Yimo and the others were also frightened by the aura emanating from Yang Luo's body and could not help but shiver.

"Brother Yang, what should we do now?"

Qin Yimo asked.

He turned to look at the building and said in a low voice, "Leave everything to me. I'll make them pay!"

As he spoke, Yang Luo strode towards the building.

Qin Yimo, Li Xuemei, and the others quickly followed.

Seeing Yang Luo and the others approaching, the security officer guarding the door immediately walked over with a baton.

The security officer captain said arrogantly, “Didn’t I tell you to scram? Why are you here again?  
“I advise you to get lost quickly.. Otherwise, I’ll beat you up again...”

Chapter 242: I’ll Play with You!

Right as he finished his sentence...

Bang!

Yang Luo kicked out!

“ARGH!”

The security officer captain was sent flying. With a bang, he shattered a glass door!

The security officer captain fell heavily into a pile of glass shards and spat out a mouthful of blood. He could not even get up anymore.

In an instant!

The building’s common area fell silent.

Everyone looked at the security officer in a daze, their eyes filled with fear.

The security officer captain clutched his chest and roared at the security officers, “What are you waiting for? Kill this kid!”

“Yes!”

More than 20 security officers responded and rushed towards Yang Luo aggressively with their batons.

“Momo, retreat with everyone!”

Yang Luo reminded them.

Qin Yimo nodded and retreated with Li Xuemei and the others.

After Qin Yimo and the others retreated a distance, Yang Luo’s figure flashed and he charged forward!

The moment he rushed up, Yang Luo stomped on the ground and soared into the air. He kneed the security officer in front of him in the chest!

Crack!

A crisp sound rang out!

“Alih!!”

The security officer screamed and a few of his ribs were broken. He flew out and knocked over several security officers that were rushing over!

After landing, Yang Luo suddenly slapped the security officer who was rushing over from the side!

“Aiya...”

The security officer screamed in pain as he was sent flying more than ten meters away.

When he landed, half of his face was swollen, and his teeth were discolored with blood.

In the following period of time, Yang Luo was like a berserk dragon. He punched and kicked these security officers to vent the anger in his heart.

These security guards were assisting the evildoers and were evidently not compassionate people.

Thus, Yang Luo did not feel any psychological pressure when he attacked them.

In less than a few minutes....

More than 20 of the security officers fell to the ground, wailing and screaming. They could no longer stand up.

At this moment, when the employees in the building saw this scene, their hair stood on end and their bodies trembled.

“Who is this kid? How can he be so fierce? He actually defeated more than 20 well-trained security officers alone?”

“No wonder this old thing still dares to approach. It turns out that she found a helper!”

“Then what should we do now? That kid looks like he wants to eat us up!”

The employees of the foundation discussed animatedly, not knowing what to do.

“Mr. Yang, well hit!”

“Little brother, good job. These lackeys, henchman, and lapdogs deserve to be beaten up!”

As for the employees of the welfare institute and the onlookers at the door, they felt relieved and excited.

Yang Luo ignored the security officers and looked up at the building.

He then roared out angrily!

“Lu Minghui, get out here!”

This roar resounded throughout the entire building like muffled thunder!

Everyone felt that their eardrums were about to shatter, and their hearts stopped beating for a moment!

“Quick, go and get the president!”

An employee said anxiously and left in a hurry.

A few moments passed.

**“Which dog dares to cause trouble here?!”**

A hoarse male voice sounded.

Right on the heels of that...

A flurry of footsteps could be heard.

Lu Minghui walked over with a large group of people, including Qiao Lijiao.

When they saw the scene at the door, they all gasped.

Lu Minghui looked at Yang Luo with a dark expression and asked, “Kid, did you do all this?”

**“Yes, I did it!”**

Yang Luo nodded in agreement.

Lu Minghui glanced at Li Xuemei and the others and asked in a low voice, “Are you trying to stand up for those guys?”

**“That’s right!”**

Yang Luo still nodded in agreement.

**“Hahaha...”**

Lu Minghui laughed loudly and said with a cold gaze, “Kid, do you know what this place is? Do you know who I am?

How dare you come here to cause trouble and stand up for these guys? Do you have a death wish?”

**“I think you have a death wish!”**

Yang Luo went forward and kicked Lu Minghui in the stomach.

**“AHH!”**

Lu Minghui let out a scream like a pig being slaughtered and flew out. With a bang, he hit the front desk heavily and spat out a mouthful of stomach acid.

All the employees were dumbfounded at the scene!

They did not expect Yang Luo to attack directly!

Qiao Lijiao said with a ferocious expression, “You dog, you actually dare to attack President Lu. Do you want to die?”

But right after she finished his sentence!

Pa!

Yang Luo slapped Qiao Lijiao’s face!

**“Alih!!”**

Qiao Lijiao let out a cry and was sent flying a few meters away, landing heavily on the ground.

Yang Luo did not hold back with this slap, so Qiao Lijiao's mouth and nose started to bleed.

A cold glint flickered in his eyes as he stared intently at Qiao Lijiao and said coldly, "You b\*tch, you're really courting death!

Yesterday at the welfare institute, I already let you off lightly!

But I didn't expect you to still dare to cause trouble!

It seems that I really can't be merciful to evil people like you!"

Seeing Lu Minghui and Qiao Lijiao being beaten up, the other employees did not dare to help.

This young man was too terrifying. Whoever went up would have a death wish.

Yang Luo asked one of the male workers, "Who went to the welfare home to cause trouble and hit people last night?"

The male employee pointed at Peng Dayong and the others and said, "It's them."

Yang Luo turned to look at Peng Dayong and the others.

Peng Dayong immediately exclaimed in fear, "Little brother, we're also following the president's orders!"

"That's right, that's right. We're just following orders!"

The other employees were also trembling.

"Just following orders, eh?"

Yang Luo sneered and walked towards Peng Dayong and the others, "Then if Lu Minghui wants you to die, will you die?

"In my opinion, you guys are just relying on your power. Do you think no one can control you?"

"No, we didn't think that way."

Peng Dayong and the others retreated in fear.

"Shut up!"

Yang Luo shouted and kicked Peng Dayong away.

Then, he slapped the other men involved a few times as well.

Peng Dayong and the others fell a few meters away. They wailed miserably, their faces filled with pain.

"Alright!"

The employees of the welfare institute punched the air in joy.

At this moment, Qiao Lijiao got up and covered her face. She cried at Lu Minghui, "Darling, he hit me. You can't let him off!"

"Don't worry, I won't let this kid leave here alive!"

Lu Minghui got up with difficulty and glared fiercely at Yang Luo. He gritted his teeth and said, "Kid, you think you're very good at fighting? If you have the ability, don't leave!"

Yang Luo sneered, "Why? Are you planning to call for help?"

Lu Minghui smiled sinisterly, "Are you afraid?"

"Afraid?"

Yang Luo sneered, "There's no such word as 'afraid' in my dictionary.

"Didn't you want to call for help? Alright, 1'11 play with you today!"

"Kid, just you wait!"

Lu Minghui said ruthlessly before taking out his phone to make a call..

Chapter 243: Good Luck To You!

Qin Yimo walked over and said, "Brother Yang, I heard that Lu Minghui knows a lot of people in society. What should we do now?"

Yang Luo narrowed his eyes and said, "He can call for help, but can't I call for help too?"

As he spoke, Yang Luo took out his phone and called Jiang Tianlong.

The call was quickly picked up.

"Mr. Yang, what can I do for you?"

Jiang Tianlong's respectful voice sounded.

Yang Luo said, "I have something to ask you for help with."

Jiang Tianlong smiled and said, "Why are you talking about helping? Mr. Yang, if there's anything, just say it."

Yang Luo said in a deep voice, "I'm in some trouble here. Call a group of people over. The more, the better."

"Alright, Mr. Yang. Where are you now?"

"I'm chasing Dream Chaser Charity Foundation."

"Alright, I'll call for help now."

Soon, Yang Luo hung up.

At this moment, Lu Minghui hung up as well.

He smiled teasingly, "Yo, kid, you're calling for help too?"

However, Yang Luo ignored this guy.

Seeing that he was being snubbed, Lu Minghui sneered, “Kid, I don’t care who you call today. It’s useless. I’ll definitely cripple you!”

Yang Luo chuckled and said, “Alright, I’ll wait and see.

**“If you can’t cripple me, I’ll cripple you.”**

Yang Luo had no intention of letting this guy off easily.

This guy was lawless, he actually used the excuse of doing charity to embezzle the donations of the various welfare institutes to earn money.

An animal like this had to be severely punished.

Hearing Yang Luo’s words, Lu Minghui laughed even louder.

He stared at Yang Luo sinisterly and said arrogantly, “Kid, do you know that there have been many people who came to cause trouble in the past, but in the end, they all left with their debts unsettled!

Do you know why?

Because they can’t beat me!”

Qiao Lijiao also walked over and said proudly, “Kid, since you dare to hit

President Lu and me, I’ll make you pay a hundred times or a thousand times today!

Just you wait. You’ll pay a heavy price for what you’ve done!”

**“Alright, I’ll be waiting!”**

Yang Luo nodded with a smile that was yet not a smile.

Seeing Yang Luo’s calm expression, Lu Minghui was very puzzled.

Why wasn’t this kid afraid at all?

Could it be that he really had a powerful background, so he was fearless?

But that did not tally with his memories. He knew many big shots in Jiang City, but he had never seen this kid.

It was likely that he was simply thinking too much. This kid was just good at fighting and did not have a powerful background.

Time continued to flow.

After more than ten minutes...

A few black business cars drove over from afar and stopped at the entrance of the building.

The car door opened, and more than 30 men in black short-sleeved shirts and holding baseball bats and bats strode towards the building.

The leader was a middle-aged man in a black Tang suit with a jade Buddha pendant on his chest. He had slicked-back hair and a slightly fat figure.

**“Isn’t this the president of the Soaring Dragon Chamber of Commerce, Tan Long?”**

“The Soaring Dragon Chamber of Commerce is a second-rate Chamber of Commerce in Jiang City. It’s extremely powerful and its status is second only to the four top Chambers of Commerce in Jiang City!”

“Lu Minghui, that dog, actually called President Tan over. This little brother is probably in danger!”

At this moment, many people present discussed softly.

“President Tan, you’re finally here!”

Lu Minghui hurriedly went forward with a smile.

Qiao Lijiao flaunted at Yang Luo, “Dog, did you see that? Even the president of the Soaring Dragon Chamber of Commerce is here. You’re dead meat!”

As she spoke, Qiao Lijiao also went forward.

Yang Luo only casually glanced at Tan Long and immediately recognized him. Previously, when he went to Shangri-La, he saw this guy at the scene as well. “Haha, President Lu, we’re friends. Since you asked me for help, I naturally have to come!”

Tan Long laughed and walked over with his men.

As he spoke, Tan Long asked, “President Lu, which blind person dared to attack you? Tell me and I’ll help you teach him a lesson!”

“President Tan, it’s that kid!”

Lu Minghui pointed at Yang Luo.

Tan Long looked up to where his finger pointed.

However, when he saw Yang Luo, Tan Long was stunned at first. He thought that he was seeing things and rubbed his eyes hard.

After seeing clearly that it was Yang Luo, Tan Long was so frightened that his entire body trembled. Then, he hurriedly went forward.

After walking in front of Yang Luo, Tan Long’s face was filled with a smile. He nodded and bowed, “Mr. Yang, why are you here?”

In an instant...

Instantly, everyone present was dumbfounded!

“What’s going on? President Tan actually knows this little brother?”

“It’s more than just knowing him. Didn’t you see? President Tan seems to be very respectful to this little brother!”

The onlookers whispered among themselves, their eyes filled with surprise.

This was especially so for Lu Minghui, Qiao Lijiao, and those in the welfare home. Their eyes were wide open in disbelief.

Yang Luo said indifferently, "This Lu Minghui provoked me, so I came over to deal with something."

After a pause, Yang Luo's eyes turned cold, "Why? Do you want to stand up for this guy and deal with me as well?"

"No, no, no!"

Tan Long shook his head repeatedly and wiped his cold sweat in fear, "Mr.

Yang, your status is so noble. How would I dare to deal with you!"

Yang Luo said, "Since you're not going to deal with me, stand at the side first. I still want to ask your people for a favor later."

"Yes, yes, yes!"

Tan Long nodded and quickly stood to the side.

"President Tan, what do you mean by this?"

Lu Minghui asked in confusion.

Tan Long smiled coldly and said, "Since you dared to provoke Mr. Yang, no one in Jiang City can protect you. You'd better pray for yourself."

"You..."

Lu Minghui pointed at Tan Long, shocked and furious.

But at this moment...

"Oh my god, why are there so many cars again?!"

Exclamations suddenly sounded from the crowd.

Everyone turned around at the sound.

They saw four convoys speeding over from afar.

They were all black Mercedes-Benz MPVs.

The four cars at the front were a black Lamborghini, an orange McLaren, a gray Aston Martin, and a red Ferrari.

There were more than a hundred cars behind them. The scene was very spectacular, and many people's jaws dropped.

Soon, the four-lane convoy stopped by the street.

The door opened and a group of people alighted. There were four to five hundred of them.

Everyone was wearing black short-sleeved shirts and looked aggressive.

At the front were four young people, three men and one woman.

"Aren't... aren't these the four Demon Kings of Jiang City? Why are they here?!" "What Demon Kings? Are they famous?"

“You don’t even know these four Demon Kings? Then let me tell you. Those three young men are the sons of the presidents of the Eastern Alliance, the Southern Sky Chamber of Commerce, and the Rising North Chamber of Commerce!

“And that young woman is the sister of the president of the West Wind Chamber of Commerce!”

Exclamations and exclamations continuously sounded in the crowd.

Therefore, these four people were Jiang Xiaochuan, Xu Xinghang, Feng Baolin, and Zhong Lingshan.

“Brother Yang, we’re here!”

Jiang Xiaochuan and the other three waved at Yang Luo with smiles on their faces as they ran over..

Chapter 244: Terrifying Background!

Their father and sister had told them to build a good relationship with Yang Luo, so they were naturally very happy to do so.

Therefore, they directly called him “Brother”, which made them seem more amiable.

“Oh my god, so these four Demon Kings are here on the call of this little brother!”

The shock everyone felt was not small at all.

Lu Minghtii’s face alternated between green and white. Clearly, he did not expect Yang Luo to have such a powerful background. He even managed to invite the second generation of the presidents of the four top Chambers of Commerce in Jiang City.

Qiao Li jiao said disdainfully, ”Who are these four little guys? Are they stronger than President Tan?”

“Shut up!”

LuMinghui roared at Qiao Lijiao.

Qiao Lijiao poured and said, “Darling, it can’t be that you’re afraid of these four little guys?”

Lu Minghtii’s eyebrows twitched. Naturally, he was unwilling to admit that he was afraid, “What’s there to be scared of!”

At this moment, Yang Luo saw Jiang Xiaochuan and the other three running over. He looked puzzled as well as he asked, “Why are you guys here?”

Jiang Xiaochuan chuckled and said, “Brother Yang, my father said that you need help here, so he asked us to bring people over.”

Yang Luo nodded in realization. How could he not guess the thoughts of Jiang Tianlong and the others?

It seemed that Jiang Tianlong and the others wanted him to take care of these four little fellows.

However, these four little fellows were righteous and loyal people. It was fine to bring them along.

Xu Xinghang chimed in, "Brother Yang, we brought 500 people. I don't know if it's enough. If you need, I'll call more people!"

Yang Luo said, "That's enough. You don't have to call anymore."

"Oh, okay!"

Xu Xinghang nodded obediently.

"Hello, Young Master Jiang, Young Master Xu, Young Master Feng, Miss Zhong."

At this moment, Tan Long walked over with a smile.

"Old Tan?"

Jiang Xiaochuan was stunned, "What are you doing here?"

"Uhh..."

Tan Long laughed dryly and said, "I'm here to help Mr. Yang."

"Oh..."

Hearing this, Jiang Xiaochuan lost interest and ignored Tan Long. He turned to ask Yang Luo, "Brother Yang, what do you want us to do? Did you hit someone or something?"

Yang Luo said, "Listen to my orders later."

"Alright!"

Jiang Xiaochuan nodded in agreement.

Yang Luo looked up at Lu Minghui and said, "Lu Minghui, it seems that the person you called doesn't seem to be very useful.

Why don't you continue calling more people to try?"

"Young brat, don't be so smug!"

Lu Minghui said sternly, "Don't think that just because you have the backing of these chambers of commerce, I can't do anything to you!"

"The higher-ups of the Eastern Division are my friends. If you dare to cause trouble here, there's no way!"

"Is that so?"

Yang Luo smiled and raised his hand, "Then quickly call them over."

“Hmph!”

Lu Minghui snorted and picked up his phone again to make a call.

Yang Luo also picked up his phone and called Lei Guodong.

This foundation had embezzled so many charity donations from the welfare institute. He did not just want them to cough it all up, but they also had to be severely punished by the law.

After Lu Minghui finished the call, he saw that Yang Luo had also just finished the call. He smiled mockingly and said, “Kid, could it be that you want to call more people from the Chamber of Commerce over to support you?”

I’m telling you, it’s useless!”

Yang Luo chuckled and said, “Then let’s wait and see.”

Then, everyone present waited.

After waiting for about twenty minutes...

A special car drove over and stopped by the street.

The car door opened and a group of men and women in uniforms got out of the car and walked over.

The leader was Gao Junfeng from the East District Branch.

“Director Gao, you’re finally here!”

Lu Minghui greeted him with a smile.

Gao Junfeng asked in confusion, “President Lu, what happened? Why are there so many people?”

LuMinghui said with an aggrieved expression, “Director Gao, you have to stand up for me!”

As he spoke, he pointed at Yang Luo and said, “That kid is simply lawless. He actually came to cause trouble here!

I asked him to leave, but not only did he not listen, he even hit me. He even invited these people from the Chamber of Commerce to support him!

“You can’t let such a lawless fellow off!”

“That’s right. You must capture him!”

Qiao Lijiao also said hatefully.

“Is that so?”

Gao Junfeng frowned and looked up.

“Yo, isn’t this Director Gao?”

Yang Luo smiled and greeted them.

“Hehe, so it’s Mr. Yang!”

Gao Junfeng smiled awkwardly and quickly walked over. He said politely, “Mr. Yang, why did you bring people to their company to cause trouble? This doesn’t look good on you, right?”

Yang Luo narrowed his eyes slightly and said, “Director Gao, this Lu Minghui is wantonly embezzling the donations of the various welfare institutes under the guise of doing charity.

Initially, I didn’t know about this matter, but now that he had provoked me, I naturally had to interfere.

Director Gao, I believe you know what Lu Minghui did, right?

In short, I plan to completely eliminate this cancer today. You should know what to do, right?”

Cold sweat broke out on Gao Junfeng’s forehead as he said, “I know, I know.”

Seeing that Gao Junfeng had no intention of arresting him, Lu Minghui hurriedly said, “Director Gao, what are you waiting for? Why don’t you hurry up and arrest this kid?”

Gao Junfeng said angrily, “Lu Minghui, who the f\*ck do you think you are? Do I know you?

Do I need you to care about what I do?”

“Director Gao, you...”

Lu Minghui was instantly stunned. He clearly did not expect Gao Junfeng to change sides at the last minute after seeing Yang Luo.

Qiao Lijiao was also stunned.

The staff of the foundation were also stunned.

Why were the people the president called all on Yang Luo’s side?

Who was this kid? Why did he have so much authority?

Gao Junfeng whispered in Yang Luo’s ear, “Mr. Yang, I know what Lu Minghui did.

However, because Lu Minghui’s background is not small, I could not touch him and could only turn a blind eye.

Mr. Yang, if you want to touch him, I’m afraid it won’t be so easy.”

Yang Luo said in a deep voice, “No matter what background he has, I have to get rid of him today.”

Gao Junfeng opened his mouth but did not say anything else.

After a short period of time...

Many more special cars drove over.

After the car stopped by the roadside, a large group of men and women in uniforms walked over.

Lei Guodong was walking at the front.

Seeing that even Lei Guodong was here, Lu Minghui trembled and swallowed his saliva.

Why was Lei Guodong here?

Could it be that Lei Guodong was also called over by this kid?

“Oh my god, Director-General Lei from Jiang City is here too!”

“Could it be that Director-General Lei was also called over by this little brother?”

“The person that little brother called over is suppressing Lu Minghui again!”

Exclamations sounded from the crowd.

“Brother Yang, long time no see!”

Under everyone’s gaze, Lei Guodong walked towards Yang Luo with a smile.

“Hello, Brother Lei!”

Yang Luo also went forward with a smile.

“This...!”

When Lu Minghui heard the way that Yang Luo and Lei Guodong addressed each other, his face turned pale.

How could the people he invited be crushed by the people this kid invited?

Could it be that this kid really had a terrifying background?

Otherwise, why were the people from the four top chambers of commerce and Lei Guodong so close to him?

Chapter 245: Smashing the Building!

Lei Guodong asked in confusion, “Brother Yang, why are there so many people here? What happened?”

“Director-General Lei!”

At this moment, Gao Junfeng hurriedly walked over and greeted him respectfully.

“Old Gao, why are you here?”

Lei Guodong was even more confused.

Just as Gao Junfeng did not know how to answer, Yang Luo replied, “Brother Lei, Director Gao is also here to help me deal with things as well.”

“Yes, that’s right!”

Gao Junfeng hurriedly nodded and looked at Yang Luo gratefully.

“Oh...”

Lei Guodong nodded and asked, “Brother Yang, tell me, what exactly happened?”

Yang Luo said, “Brother Lei, since you’re asking, I’ll tell you.”

Then, Yang Luo loudly told him about how Lu Minghui had embezzled the charity donations of the welfare institute in the past few years, snatched them, and beaten up the staff of the welfare institute.

After hearing Yang Luo’s words, Lei Guodong’s face darkened.

Jiang Xiaochuan exclaimed, “F\*ck! He’s a f\*cking scumbag. How can he do such a wicked thing?”

Xu Xinghang shook his head and said, “I thought we were bad enough, but I didn’t expect there to be someone worse than us. They even dare to snatch money from the welfare institutes!”

Feng Baolin said, “We have to kill such scum!”

Zhong Lingshan said, “Killing him is too easy for him. We have to let him spend his life in jail!”

Lu Minghui hurriedly said, “Director-General Lei, don’t listen to this kid’s nonsense. I didn’t do these things!”

“You still dare to quibble at a time like this. Aren’t you disgusting!”

“You’ve done so many evil things. As long as you investigate, they’ll all come out!”

The employees of the welfare institute and many of the onlookers criticized him.

Lei Guodong said to Lu Minghui in a deep voice, “You don’t have to quibble. I’ll investigate this matter carefully!”

Yang Luo smiled at Lu Minghui and said, “Lu Minghui, do you still want to continue calling for help?”

If you don’t have anyone else to call, I’ll get my brothers to start doing our stuff!”

Lu Minghui stared fixedly at Yang Luo, his mind racing as he thought of a countermeasure.

Yang Luo ignored him and waved his hand, “Xiaochuan, Xinghang, Baolin, Lingshan, smash this building!”

“Smash the building? Good, good, good!”

“Haha, this is fun!”

“Brothers, let’s get to work!”

“Brothers, let’s go!”

Jiang Xiaochuan and the others were overjoyed. They led 500 people and rushed towards the building like a swarm of bees.

Tan Long also waved at his subordinates and said, “You guys go and help too!” “Yes!”

His subordinates nodded in agreement and rushed in as well.

**“Don’t smash it, don’t smash it!”**

Lu Minghui’s expression changed drastically as he shouted in shock.

However, Jiang Xiaochuan and the others ignored him. They first smashed all the glass doors on the first floor, then rushed into the building and continued smashing.

For a moment...

Crackling sounds sounded on every floor of the ten-story building!

The employees who were working in the building were so frightened that they screamed and escaped!

Lei Guodong frowned and said, “Brother Yang, isn’t this a little inappropriate?”

Yang Luo said, “Brother Lei, this foundation building is a cancer in Jiang City. It should have been eliminated long ago.

Today, I’m going to overthrow the mountains that are suppressing the various welfare institutes in Jiang City and return peace to the various welfare institutes.

Also, Brother Lei, don’t worry. I’ll fund the construction of a new charity foundation in the future to really help the welfare institute.”

**“Mr. Lei, I will also help Brother Yang create a brand new charity foundation!”**

Qin Yimo also walked over.

Lei Guodong chuckled and said, “Brother Yang, in that case, I’ll allow you to mess around once.”

As the building was smashed floor by floor, the employees of the foundation all had sorrowful expressions.

Lu Minghui’s heart ached even more. His face was ashen as he sat on the ground.

His career in Jiang City had been ruined just like that.

If he had known that this would happen, he wouldn’t have listened to Qiao

Lijiao and snatched the money from the Sunshine Welfare Institute.

Moreover, since such a matter happened, he would be abandoned by the Old Master.

Now, other than regret, there was only regret in his heart.

Thinking of this, he rushed towards Qiao Lijiao to punch and kick her again, but was quickly pulled away by Lei Guodong’s men.

As for Li Xuemei and the employees of the welfare institute, their eyes were filled with tears. They felt that the mountain that had been pressing down on them had finally been removed.

Lei Guodong waved his hand and said in a loud voice, “Take Lu Minghui and all the higher-ups of the foundation away!”

“Also, this woman has hooked up with Lu Minghui. She must have done a lot of evil things.”

Yang Luo pointed at Qiao Lijiao.

Lei Guodong said, “Take this woman away too!”

“Yes!”

A group of men and women in uniforms stepped forward and cuffed Lu Minghui, Qiao Lijiao, and all the higher-ups of the foundation.

Lu Minghui roared at Yang Luo, “Kid, I’m working for the Capital’s Cao family!

“If you destroy me today, the Cao family won’t let you off!”

“Cao family of the capital?”

Yang Luo was fearless, “If the Cao family dares to provoke me, I’ll flatten the Cao family!”

Lu Minghui said with a ferocious expression, “Kid, you’re really arrogant!

Don’t think that just because you have some background in Jiang City, you can look down on the families in the capital!

“Your background is nothing in the eyes of those big families in the capital!

Just wait and see. Your outcome will definitely be worse than mine!”

“Cut the crap. Let’s go!”

A uniformed man shouted coldly, grabbed Lu Minghui’s shoulder, and walked towards the car.

However, Yang Luo did not plan to let Lu Minghui off so easily. Instead, he mobilized a stream of True Qi and flicked his finger gently.

Two streams of True Qi directly entered Lu Minghui’s legs and completely crippled them.

Lu Minghui was walking well when he suddenly felt his legs go weak and he fell to the ground.

“What’s going on? Why can’t I feel my legs?”

He looked terrified and tried to stand up, but he could not stand up at all.

Hence, the uniformed man dragged Lu Minghui to the parking lot.

When Qiao Lijiao passed by Yang Luo, she roared angrily, “Dog, bastard, you’ll die a horrible death!”

Yang Luo’s eyes turned cold. He mobilized another wave of True Qi and injected it into Qiao Lijiao’s brain, damaging this woman’s brain nerves.

“Hehe... Hehe... Haha...”

Qiao Lijiao, who was originally very normal, suddenly laughed foolishly and shouted, “I’m a big internet celebrity! I’m a big star! I’m the number one beauty!

Everyone has to listen to me! Listen to me!”

“Damn, what’s wrong with this woman?”

“Perhaps she has done too many bad things and suffered retribution!”

“Didn’t Lu Minghui lose feeling in his legs? He must have suffered retribution as well!”

“They deserve it!”

The surrounding crowd discussed and did not have any sympathy for Lu Minghui and Qiao Lijiao.

Soon, Gao Junfeng and the others grabbed Lu Minghui, Qiao Lijiao, and the others into the car.

Lei Guodong said to Yang Luo, “Brother Yang, after we investigate clearly, we will return the money that Lu Minghui and the others embezzled to the various welfare institutes as soon as possible!”

Yang Luo nodded and said, “Thank you, Brother Lei.”

“Alright, we’ll leave first. Let’s drink together when we have time next time.”

Lei Guodong said with a smile, then got into the car and left..

Chapter 246: Leave It to Others!

After Lei Guodong and the others left, Qin Yimo asked Yang Luo softly, “Brother Yang, what was going on with Lu Minghui and Qiao Lijiao just now?

Why was one suddenly paralyzed and the other gone crazy?”

Yang Luo shrugged and said, “Didn’t you hear what everyone said? They must have suffered retribution.”

“Is that so?”

Qin Yimo narrowed her beautiful eyes and said, “You did it, right?”

Yang Luo shook his head and said, “How could I have done it? You’re thinking too much.”

“Cheh!”

Qin Yimo rolled her eyes, “I’d be a fool to believe you!”

Not long after...

Jiang Xiaochuan, Xu Xinghang, Feng Baolin, and Zhong Lingshan ran out of the building with a large group of people.

Jiang Xiaochuan said, “Brother Yang, it’s almost done!”

Xu Xinghang chuckled and said, “Brother Yang, if there’s such a thing in the future, please remember to call us! It feels so good to smash things like that without repercussions!”

Yang Luo said unhappily, “You bad guys, are you feeling uncomfortable every day because you don’t do anything bad?”

Jiang Xiaochuan muttered softly, “No matter how bad we are, we’re not as bad as you.”

“Hmm?”

Yang Luo narrowed his eyes and said, “Xiaochuan, what are you talking about?” “No, no, no, nothing!”

Jiang Xiaochuan quickly shook his head, “Brother Yang, if there’s nothing else, we’ll leave first!”

As he spoke, Jiang Xiaochuan and the others prepared to escape with their men.

“You four, stop right there!”

Yang Luo stopped Jiang Xiaochuan and the others.

Jiang Xiaochuan smiled awkwardly and turned around, “Brother Yang, is there anything else?”

Yang Luo said, “Come over when I tell you to.”

Jiang Xiaochuan and the other three quickly ran over.

After the four of them approached, Yang Luo raised his right hand, put his index and middle fingers together, and used the Universe Acupoint Technique to tap the various acupuncture points on the four of them!

The speed at which he tapped his acupoints was extremely fast. It was so fast that it ended before Jiang Xiaochuan and the others could react.

Jiang Xiaochuan asked curiously, “Brother Yang, what did you do to us?”

Yang Luo said, “I just opened up a few of the meridians in your bodies.

“In the future, your cultivation of martial arts will be twice the result with half the effort and much smoother.”

“Really?!”

Jiang Xiaochuan looked at Yang Luo excitedly.

Xu Xinghang grinned and said, “Brother Yang, could it be that you’ve opened up our Conception and Governing vessels and made us martial arts geniuses?” Yang Luo shook his head and said, “It’s not that exaggerated.

“However, after opening these few meridians, your cultivation speed will be much faster than ordinary Martial Warriors.

“If you don’t believe me, you can feel it yourself.”

Jiang Xiaochuan and the other three skeptically mobilized their True Qi.

As expected, they felt their True Qi circulate faster, and the speed at which they absorbed the spiritual qi of heaven and earth was much faster.

His father and the others were right. It was good to follow Brother Yang.

Jiang Xiaochuan bowed to Yang Luo and said, "Thank you, Brother Yang!"

Xu Xinghang grinned and said, "Brother Yang, I'll treat you like my biological brother. In the future, no matter what you want us to do, just tell us!"

Zhong Lingshan winked and said, "Brother Yang, do you have a girlfriend? Why don't I be your girlfriend?"

Yang Luo waved his hand in amusement and said, "Alright, alright. You guys get lost quickly!"

**"Let's get lost now!"**

Jiang Xiaochuan smiled happily and left with everyone in the car.

Seeing that there was nothing else to watch, the surrounding crowd dispersed.

Qin Yimo looked at the darkening sky and said, "Brother Yang, it's already evening. Let's go for a meal together. We can talk about setting up a charity foundation."

**"Alright!"**

Yang Luo nodded in agreement.

Qin Yimo said to Li Xuemei, "Director Li, come with us!"

Li Xuemei said, "We still have to bring the children back. You guys go on your own."

**"Alright."**

Qin Yimo did not insist.

Yang Luo said to Li Xuemei, "Director Li, don't worry. Brother Lei will return the money that Lu Minghui embezzled to you."

**"Good, good!"**

Li Xuemei's eyes were filled with tears as she bowed deeply to Yang Luo and

Qin Yimo, "Momo, Mr. Yang, it's all thanks to your help this time!

If not for your help, we wouldn't have been able to get the money back at all. These evil people wouldn't have been punished either!"

**"Thank you, Miss Qin. Thank you, Mr. Yang!"**

The employees also bowed and thanked them.

Qin Yimo quickly helped Li Xuemei up and said, "Director Li, I didn't help much with this matter. It was all thanks to Brother Yang."

Li Xuemei sighed, "You and Mr. Yang are both good people. It's all thanks to you two."

Yang Luo said, "Alright, Director Li, don't thank me. I'm also very happy to be able to do something for the welfare institute."

After that, Li Xuemei chatted with Yang Luo and Qin Yimo for a while more before leaving.

Yang Luo got into Qin Yimo's car and went to a nearby restaurant to eat.

During dinner, Yang Luo wrote a check and handed it to Qin Yimo, "Momo, use this money to establish a charity foundation.

If it's not enough, tell me later."

Qin Yimo took a look at the check and was shocked, "One billion?!"

Yang Luo asked in confusion, "That's right. What's wrong? Is it too little?"

"No, no, no. It's too much."

Qin Yimo quickly returned the check to Yang Luo and said, "Brother Yang, let our Qin family establish this charity foundation. Our Qin family will also pay for it."

"That won't do!"

Yang Luo stuffed the check back into Qin Yimo's hand, "I've already promised Brother Lei that I would rebuild the charity foundation, so I naturally can't go back on my word!

Therefore, take this money and treat it as doing a good deed!"

Qin Yimo said, "I can take it, but you have to be the president of this charity foundation!"

"All?"

Yang Luo was stunned, "But I don't know anything about the charity foundation. Forget it. You can be the president."

Qin Yimo smiled and said, "Brother Yang, it's fine if you don't. I'll get someone to help us take care of it.

You just need to visit the foundation from time to time."

"Being a hands-off boss? That's fine."

Yang Luo smiled and said, "I'm the president, so you'll be the vice president."

"No problem."

Qin Yimo nodded and asked, "Brother Yang, what should we name the new charity foundation?"

Yang Luo said, "You decide."

Qin Yimo said, "Why don't we call it the Star Charity Fund?"

Yang Luo nodded and said, "That's good, you decide. I have no objections."

After that, the two of them finalized the preliminary matters of the charity foundation.

After dinner, Qin Yimo sent Yang Luo to the entrance of Hua Mei Biomedical.

"Momo, I'll leave first. Drive slowly on the road."

After saying that, Yang Luo pushed open the car door and prepared to get out. "Brother Yang, wait!"

Qin Yimo stopped Yang Luo.

"Is there anything else?"

Yang Luo turned around and asked.

Qin Yimo said, "Brother Yang, when the Stars Charity Fund is established, you have to attend the ribbon-cutting ceremony as the president. You can't be absent!"

"Of course!"

Yang Luo nodded in reply.

"Brother Yang..."

Qin Yimo called Yang Luo again.

"What's wrong? Is there anything else?"

Seeing that the woman wanted to say something but hesitated, Yang Luo had a strange expression..

Chapter 247: Three Black Robed Azans!

"No, it's nothing."

Qin Yimo smiled and shook her head.

"Silly girl, go home early."

Yang Luo smiled dotingly, got out of the car, and walked towards the company building.

Looking at Yang Luo's back, Qin Yimo sighed deeply. Then, she started the car and left.

After Yang Luo walked into the company building, he took the elevator all the way to the 28th floor.

Just as he stepped out of the elevator, he saw Su Qingmei and Prajna walking over happily.

Seeing Yang Luo, Su Qingmei said unhappily, "Yo, the missing person is back?"

Prajna placed her hands on her hips and said, "Brother Yang, it's not that I want to criticize you, but why do you spend an entire day outside every time you go out?"

Yang Luo said helplessly, "I didn't want to either. It's mainly because there are too many things to do, so I've been busy until now."

Su Qingmei crossed her arms and said, "Tell me, what did you do today?"

Yang Luo did not hide anything and told Su Qingmei and Prajna what he had done all day.

After hearing Yang Luo's words, the two women were stunned.

Su Qingmei said in amusement, "You're saving people, hitting people, arresting people, and smashing buildings. You're really a busy person."

Prajna pouted and said, "Brother Yang, why didn't you call me! It would be so fun to smash buildings!"

Su Qingmei knocked Prajna on the head, "Prajna, don't make a fuss."

"Okay."

Prajna stuck out her tongue and quickly shut up.

Su Qingmei said, "On account that everything you've done is a good thing, I won't fuss about it.

When the Stars Charity Fund is established later, I want to donate a sum of money as well. Just treat it as doing a good deed."

Yang Luo smiled and said, "No problem."

Then, Yang Luo and the other two left the company.

On the way home, Su Qingmei and Prajna chatted as laughter came from the car.

Yang Luo wanted to chat with the two women, but he couldn't interrupt, so he could only focus on driving.

However, just as the car drove to an intersection with fewer cars and pedestrians!

Suddenly!

A gray fog rose at the crossroads!

The fog was too thick and he could no longer see the scene ahead!

Yang Luo's heart skipped a beat as he suddenly stepped on the brakes!

"Yang Luo, what are you doing? Why did you suddenly stop the car?"

"That's right. We almost bumped into each other!"

Su Qingmei and Prajna shouted angrily at the same time.

Yang Luo said in a deep voice, "Look outside!"

Su Qingmei and Prajna looked out of the window and were immediately stunned!

Su Qingmei was shocked, "What... what's going on... Why is there suddenly a thick fog in the middle of the night?!"

Prajna frowned instead, "Something's wrong!"

Yang Luo said in a deep voice, "There's indeed something wrong!"

Prajna, let's go down and take a look!"

"Alright!"

Prajna nodded.

Su Qingmei was a little afraid and said, "Don't leave me alone. I'll go with you!"

"Alright, let's go together."

Yang Luo nodded in agreement.

Indeed, it was not safe for Su Qingmei to stay in the car alone.

Then, the three of them pushed open the car door and got out.

After getting out of the car, Yang Luo said, "Let's see if we can walk out of this fog."

**"Alright!"**

Su Qingmei and Prajna nodded in agreement.

Yang Luo led the two women in a direction.

Not long after.

Prajna exclaimed, "What's going on? Why are we back?!"

The strange thing was, even after walking for a while, all Yang Luo and the other two did was to walk back where the car was parked.

Yang Luo frowned and said, "It looks like someone set up a 'psychedelic array' here!"

**"Psychedelic Array?!"**

Prajna looked surprised.

**"That's right."**

Yang Luo nodded in reply.

Right at this moment!

A cold wind blew and wild shrieks and howls sounded in the surroundings!

Right on the heels of that...

Countless black ghosts bared their fangs and brandished their claws as they pounced from all directions!

**"Be careful!"**

Yang Luo shouted in shock and his entire body vibrated.

A golden True Qi spread out from his body, turning into a golden barrier that enveloped Su Qingmei and Prajna!

Boom! Boom! Boom!

The ghosts let out loud bangs as they slammed into the True Qi barrier!

**"What... what are those things?!"**

Su Qingmei looked at the ghost that had collided with the True Qi barrier and was so frightened that her face turned pale.

This was the first time she had encountered such a thing.

However, when Yang Luo saw these black ghosts, he found them familiar.

Soon, he remembered.

Back then, he had helped Chu Yanran deal with a black-clothed Azan from the Elephant Kingdom in the mountains.

At that time, the black-robed Azan had also used a similar spell technique.

Could it be that the black-clothed Azans were looking for him again?

Just as Yang Luo was thinking...

The number of black ghosts increased to thousands and continued to pounce on Yang Luo and the other two.

**“Destroy!”**

Yang Luo’s entire body trembled. He suddenly stomped on the ground and his entire body shook!

In an instant!

The True Qi barrier transformed into waves of air that surged in all directions!

Peng, peng, peng!

All the ghosts were sent flying, and many of them were destroyed on the spot!

However, the ghosts that were sent flying quickly pounced over again!

**“Seeking death!”**

Yang Luo shouted coldly and drew nine golden dragon runes in the air with his right hand!

Nine golden dragon talismans surrounded Yang Luo and attacked the pouncing ghosts at the same time!

Boom! Boom! Boom!

Accompanied by a series of explosions, the remaining ghosts’ souls dissipated into the fog!

Yang Luo glanced around and said in a loud voice, “Stop pretending to be mysterious. Hurry up and get out!”

Before his voice could fade...

A sinister voice sounded.

**“Kid, you really have some skills. No wonder Junior Brother died in your hands.”**

Yang Luo looked in the direction of the voice and saw three figures in black walking through the thick fog towards him.

After walking about seven to eight meters, the three figures stopped.

Yang Luo, Su Qingmei, and Prajna finally saw their figures and appearances clearly.

These three people were all wearing black robes. Their lips were black, and their faces were pale. Their bodies emitted an evil aura as well as a death aura.

One of them was tall and thin with a thin face, and held a black Buddhist staff.

The second was of medium build, with a square face and a black wooden fish in his hand.

The third was slightly shorter and chubby in stature. He had a round face and held a string of black prayer beads.

Yang Luo glanced at the three of them and asked in a low voice, “Are you also black-clothed Azans from the Elephant Country?”

“That’s right!”

The thin man nodded and said arrogantly, “We’re all black-clothed Azans from the Elephant Kingdom!

My name is Arroda. These two are my junior brothers, Weissag and Vanado!”

“Oh...”

Yang Luo nodded in realization and narrowed his eyes, “Your junior brother is that guy called Putira, right?”

“That’s right.”

Arroda’s expression turned cold, “You killed our junior brother. You have to pay with your life!”

Yang Luo smiled disdainfully and said, “That depends on whether you have the ability!”

He had sensed it when the three black-clothed Azans appeared just now.

Arroda was only at the late-stage Grandmaster Realm, while the other two were at the intermediate-stage Grandmaster Realm..

Chapter 248: One Against Three!

Of course, even if they cultivated spells and were stronger than ordinary intermediate and late-stage grandmasters, they were still not his match. “Kill!”

Arroda roared and charged at Yang Luo!

“Prajna, protect Qingmei!”

Yang Luo shouted. Then, his figure flashed as he went up to fight!

Prajna protected Su Qingmei and quickly retreated!

In an instant!

Yang Luo and Arroda closed the distance and launched fierce attacks at the same time!

Arroda waved the Buddhist staff in his hand and smashed it down on Yang Luo’s head!

The power of this staff was as heavy as a thousand pounds. It was surrounded by black light and erupted with terrifying lethality!

Seeing Arroda's staff strike over, Yang Luo twisted his fist and met it head-on! Clang!

The fist and staff collided, producing a loud ringing sound that shook Prajna and Su Qingmei's eardrums!

Arroda originally thought that even if he could not kill Yang Luo with this staff, he could severely injure him!

However, in the next second, his expression changed as he felt a surging force sweep over!

He actually could not withstand Yang Luo's punch and was forced back repeatedly!

Without any hesitation, Yang Luo took a step forward and transformed into a bolt of lightning that chased after Arroda!

Arroda stabilized his body and charged at Yang Luo with his Buddhist staff!

In an instant...

Yang Luo and Arroda engaged in an intense battle in the fog!

Arroda kept waving the Buddhist staff in his hand, producing black streams of light that smashed at the various fatal spots on Yang Luo's body!

As for Yang Luo, he parried every move with his punches, causing Arroda to retreat repeatedly!

Clang! Clang! Clang!

A series of terrifying collision sounds resounded non-stop!

Su Qingmei, Prajna, Weissag, and Vanado, who were watching the battle not far away, were dazzled!

However, in less than a few minutes of the intense battle, Arroda was already at a disadvantage. His body was struck by punches, causing him to grimace in pain!

After dozens of consecutive rounds!

Yang Luo twisted his waist and abdomen. He raised his right leg and swept it towards Arroda with a violent force!

Arroda was alarmed as he hurriedly raised his staff to block!

With a loud clunking sound, Arroda was knocked back more than ten meters before he stabilized himself!

Yang Luo retracted his right leg and mocked, "You dare to kill me with this little strength? Who gave you the guts?"

With that said, Yang Luo's figure flashed, leaving an afterimage as he continued charging at Arroda!

However, just as Yang Luo charged at Arroda!

Weissag knocked on the wooden fish, Vanado moved the prayer beads, and the two of them began to chant scriptures!

As the sound of the wooden fish and the sound of the scripture sounded, the sound turned into black ripples that swept towards Yang Luo!

Yang Luo immediately felt his head spin!

Prajna and Su Qingmei were the same. They could barely stand!

**“Cover your ears!”**

Yang Luo quickly reminded them.

Prajna and Su Qingmei hurriedly covered their ears and felt a little better.

Arroda took this opportunity to pounce on Yang Luo. He suddenly waved his Buddhist staff and released powerful strength and True Qi towards Yang Luo! However, just as the Buddhist staff struck down!

Yang Luo twisted his fist again, violently punching out!

Tang!

The power released by this punch was even greater, sending Arroda and his staff flying!

Arroda flew more than ten meters away before stabilizing his body!

He felt pain and numbness in his arm, and the blood in his body was surging out of his control.

He stared at Yang Luo intently, his eyes filled with shock, “Why aren’t you affected?”

Yang Luo sneered, “You want to affect me with just this paltry evil curse?

You’re thinking too much!”

With that said, Yang Luo’s figure flashed as he charged at Arroda!

At this moment, Weissag struck the wooden fish faster, and Vanado moved the prayer beads faster. The scriptures he chanted also sped up!

Even if they covered their ears, Su Qingmei and Prajna still found it difficult to endure!

Prajna was alright. She could circulate her cultivation to block and forcefully hold on!

However, Su Qingmei could no longer hold on and collapsed to the ground. Her face was filled with pain as she covered her ears and screamed!

Prajna’s expression darkened as she hurriedly mobilized the True Qi in her body and activated a pink True Qi barrier, enveloping herself and Prajna in it to resist the impact of the wooden fish and scriptures!

Although Yang Luo was slightly affected, he quickly calmed down!

He changed directions and planned to kill Weissag and Vanado first!

These two guys had been supporting Arroda from the side. They were really annoying!

Seeing Yang Luo charging over, Weissag and Vanado’s expressions changed drastically. They continued to chant scriptures in an attempt to stop Yang Luo! However, Yang Luo was not affected at all. He dispersed the sound waves and charged towards them!

Weissag and Vanado’s expressions darkened as they threw out the wooden fish and prayer beads in their hands at the same time!

The wooden fish and prayer beads smashed out, erupting with black beams of light that attacked Yang Luo!

There were even Yin souls that flew out and pounced at Yang Luo at the same time!

Seeing this scene, Su Qingmei was so frightened that her face turned pale and her delicate body trembled.

She had never seen such a terrifying scene or such a person.

She felt that her worldview had been overturned.

It turned out that there were such extraordinary people hidden in this world!

**“Explode for me!”**

Yang Luo roared and threw a punch!

With this punch, Yang Luo directly mobilized his True Qi. His fist was surrounded by a golden True Qi as he punched out angrily!

Rumble!

The black beams of light that shot over and the black ghosts that pounced over were all dissipated by a single punch!

The black wooden fish and prayer beads floating in the sky were also shattered into pieces by a punch!

**“What?!”**

**“How can this kid be so strong?!”**

Weissag and Vanado exclaimed at the same time, their eyes filled with fear.

Ever since they came to Jiang City, they had been secretly investigating Yang Luo’s information.

They originally thought that they knew Yang Luo well enough, but now, they realized that they still didn’t know all of Yang Luo’s cards.

This kid was stronger than they had imagined!

However, Yang Luo ignored their terrified expressions and charged forward like a dragon and tiger, charging towards the two of them!

**“Be careful!”**

Arroda also came back to his senses from his shock. He held his Buddhist staff and charged over.

Weissag and Vanado unleashed the True Qi in their bodies at the same time.

One of them clenched his fist, and the other turned into a palm and attacked Yang Luo!

**“Seeking death!”**

Yang Luo roared and punched out with both fists to meet the attack!

Dong! Dong!

Two thunderous sounds of collision resounded!

As the sound of collision rang out, the sound of bones breaking rang out at the same time!

The True Qi that spread out dispersed the fog!

“Ugh!”

“Alih!!”

Weissag and Vanado let out a scream as they were sent flying more than 20 meters away.

Their right arms had been completely shattered and were badly mangled.

At that moment, Arroda rushed over from behind and swung the Buddhist staff in his hand at Yang Luo’s head!

Chapter 249: Kill All Of Them!

At this moment, Yang Luo suddenly turned around and grabbed at the air, tightly grabbing Arroda’s Buddhist staff!

“This...!”

Arroda’s eyes widened. He wanted to retract his staff, but he could not do so.

This kid was too powerful!

Without any hesitation, Yang Luo suddenly kicked Arroda in the chest!

Arroda released his grip in horror and wanted to retreat, but it was already too late!

With a muffled bang, Arroda was sent flying. As he was sent flying, he spat out a mouthful of blood!

“Vanado, capture those two women. Senior Brother Arroda and I will deal with that kid!11

At this moment, Weissag got up and gritted his teeth at Vanado.

“Alright!”

Vanado nodded and rushed towards Prajna and Su Qingmei.

They could also tell that Yang Luo seemed to care a lot about these two women.

Therefore, they planned to capture Prajna and Su Qingmei first to threaten Yang Luo.

Just as Vanado charged at Prajna and Su Qingmei, Arroda and Weissag dragged their injured bodies and charged at Yang Luo!

Yang Luo’s eyes turned cold as he threw the staff in his hand at Vanado!

Swoosh!

The Buddhist staff whistled out, passing through the heavy fog and crashing towards Vanado with a whistling sound!

Vanado was shocked and hurriedly condensed a True Qi barrier to block!

However, the True Qi barrier he condensed could not withstand it at all!

With a loud bang, the Buddhist staff shattered the True Qi barrier and slammed heavily into Vanados back!

“Pfft...”

Vanado spat out a mouthful of blood from the collision and flew ten meters away before falling to the ground!

His spine had already been broken and he lay on the ground, unable to stand up!

“Vanado!11

Arroda and Weissag shouted in shock, their eyes filled with anger and fear.

“Young brat, I’ll kill you!”

Arroda roared and circulated the True Qi in his body crazily as he chanted sutras!

The next instant...

Ancient Buddhist words and runes burning with black netherflames condensed and smashed towards Yang Luo!

“Kill!”

Weissag also roared angrily and released the True Qi in his body!

A black tornado swept up around Weissag and attacked Yang Luo!

“Petty tricks!”

Yang Luo stomped down and his entire body shook violently!

THUD!

The ground shook violently and cracks appeared!

Golden flames and golden lightning erupted from Yang Luo’s body, as if they had transformed into a golden fire dragon and a golden lightning dragon that coiled around him!

“What is this?!”

“What kind of monster is this kid?!”

Arroda and Weissag exclaimed at the same time.

“Go!”

Yang Luo waved his hand, and the fire dragon and lightning dragon that were coiled around his body rushed out at the same time, crashing into the black ancient words, runes, and black tornado!

Boom! Boom! Boom!

A series of explosions exploded in the fog, producing shockwaves that were extremely terrifying and shocking!

The black ancient characters and runes, as well as the black tornado, were shattered by the fire and lightning dragons!

After shattering, the fire and lightning dragons continued charging forward, barrelling straight for Arroda and Weissag!

Arroda and Weissag broke out in cold sweat from fright. They hurriedly mobilized their True Qi and condensed two True Qi barriers to block!

In the next second...

Boom! Boom!

The Qi-dragons collided heavily with the True Qi barrier!

The true energy barrier that the two of them had condensed exploded at the same time with the Qi-dragons, producing a loud rumbling sound akin to thunder!

Ahhh..."

Arroda and Weissag let out miserable cries at the same time as they were sent flying.

The two of them fell heavily to the ground, blood gushing out of their mouths.

Yang Luo did not hesitate and charged at Arroda and Weissag again.

**"Damn it, let's fight it out with him!"**

Arroda crawled up from the ground with difficulty and roared angrily. He circulated the True Qi in his body to the limit and his entire body shook!

Weissag also got up and circulated the True Qi in his body to the limit, erupting out forcefully!

In an instant...

Two streams of black True Qi soared into the sky from their bodies and transformed into two ten-meter-tall black babies with sharp nails and fangs!

**"It's the Golden Doll again?"**

Yang Luo sneered, "Don't you have any new tricks?"

Su Qingmei was so frightened that her hair stood on end. They were clearly two babies, but they looked so terrifying!

**"Tear this Young brat apart!"**

**"Kill this kid!"**

Arroda and Weissag roared angrily and gave the order.

The two Golden Dolls flew out and pounced at Yang Luo.

**“Fight!”**

Yang Luo let out a roar and charged forward!

As he approached!

He stomped on the ground and flew into the air!

When he soared into the sky, his body flickered with a dazzling golden light. One could even see the phantom of a golden dragon coiling around his body!

**“Explode for me!”**

Yang Luo let out a wild roar and punched out in the air like a Draconic God of War!

Boom boom boom!

These two punches were too violent and directly exploded the two Golden Dolls that were charging over!

Upon seeing this scene, Arroda and Weissag were so frightened that their legs went limp.

Vanado, who was lying on the ground in the distance, was also stunned and started to tremble!

This kid was too terrifying. What kind of existence had they provoked?

Perhaps only their master could kill this kid!

**“Run! Quickly run!”**

Arroda screamed and turned to run.

Weissag was also scared out of his wits and prepared to escape.

Vanado, who was lying on the ground, had a look of despair.

**“Don’t even think about escaping!”**

However, after Yang Luo landed steadily, he turned into a golden light and chased after them.

In the blink of an eye!

Yang Luo caught up to Arroda and Weissag. Then, he stretched out his hands and grabbed their necks before twisting them!

Crack!

Crack!

Accompanied by the crisp sound of bones cracking, Arroda and Weissag’s necks were snapped and they were completely dead!

After killing these two people, Yang Luo walked towards Vanado.

At this moment, Vanado was extremely terrified.

He said with a trembling voice, “Kid... You can’t kill me... You’ll be in big trouble if you kill me!”

**“How dare you threaten me at a time like this?”**

Yang Luo sneered and stepped on Vanado's back, "Tell me, what trouble will I have if I kill you?"

Vanado said, "You killed our people... Our master won't let you off..."

Yang Luo asked in a low voice, "Who's your master?"

Vanado gritted his teeth and replied, "Our master is one of the three strongest experts in Elephant Country... He's also the famous black-robed Azan Lungposa!"

"As long as our master makes a move... you will definitely die!"

"Lungposa, right?"

Yang Luo smiled coldly and said, "It's best if he doesn't provoke me. If he dares to come, I'll bury him in China!"

With that, Yang Luo stomped down heavily!

"Uhh..."

Vanado let out a final roar. His internal organs, meridians, limbs, and bones were all shattered, and he died completely.

At this point, all three black-clothed Azans had been killed!

Chapter 250: Black Dragon Sorcerer's Wrath!

After killing Arroda, Weissag, and Vanado, Yang Luo mobilized the Nine Yang True Fire in his body and burned the three of them to ashes.

Seeing that the threat had been removed, Prajna heaved a sigh of relief and dispersed the True Qi barrier.

At this point, Su Qingmei had yet to recover from her fear.

Seeing Su Qingmei's pale face, Yang Luo sighed in his heart.

Actually, he did not want Su Qingmei to come into contact with these things.

However, sometimes, it was not something he had control over.

He sighed and said, "Prajna, help Qingmei back to the car."

"Alright."

Prajna nodded and helped Su Qingmei into the car.

Yang Luo looked at the black Buddhist staff that had fallen to the ground in the distance.

This black Buddhist staff could be considered a Dharma artifact. Although its grade was not high, it should be useful in the future.

Thus, he put it into his storage ring.

Now that Arroda and company were dead, the gray fog around them gradually dissipated.

The psychedelic array Arroda and company had set up was automatically dispelled.

He glanced around and saw a few cars parked at the intersection. The people in the cars had only fainted.

A few pedestrians had also fallen to the side of the road and fainted.

Yang Luo ignored them and quickly got into the car. He started the car and left this intersection...

Not long after Yang Luo left, the unconscious people woke up one after another.

“Strange, what happened just now? Why did I faint?”

“There seemed to be a sudden fog, and we fainted!”

“Don’t tell me we encountered a supernatural incident?!”

The people in the car and on the road were discussing non-stop, but they could not explain what had just happened...

After leaving the intersection, Yang Luo looked at the rearview mirror and asked, “Qingmei, are you alright?”

Only then did Su Qingmei come back to her senses. She shook her head and said, “I, I’m fine.”

As she spoke, Su Qingmei asked, “Yang Luo, who are those three people just now? Why are they so strange?”

Yang Luo replied, “Those three fellows are all evil mages of the Elephant Kingdom. They are also called the black-clothed Azan.

For money, they can do anything.

Back then, I helped Jiang City’s General Administration kill a black-clothed Azan.

I didn’t expect another three black-clothed Azans to come and take revenge on me today.”

Prajna continued, “These black-robed Azan are very sinister. They can refine a person’s soul into a Yin soul for their own use.

Their methods are all basically used to harm people.

It’s just that ordinary people don’t understand them, so they treat them as gods and ask them to bless them.”

“I see.”

Su Qingmei nodded in realization and sighed, “I didn’t expect such a group of people to exist in this world. It’s an eye-opener for me today.”

Yang Luo smiled faintly and said, “Qingmei, actually, this world is far from as simple as we think.

Be it in China or overseas, there were many extraordinary people.

It’s just that it’s usually difficult for ordinary people to come into contact with them.”

Prajna nodded and said, “That’s right, that’s right. Actually, there’s nothing wrong with these extraordinary people. No matter how different they are from ordinary people, they’re still humans.”

Su Qingmei looked at Yang Luo and Prajna strangely and said, "How do the two of you know so much?"

Yang Luo smiled and said, "I heard these from my master."

Prajna also laughed dryly and said, "I heard it from others."

"Oh..."

Su Qingmei nodded with a worried expression. "Yang Luo, including the person from before, you've already killed four black-robed Azans.

Will their master look for you to take revenge?"

"I'm sure he will."

Yang Luo nodded and said, "After all, I'm already at odds with these Azans."

"So what do we do?"

Su Qingmei frowned, "I heard from Vanado just now that their master seems to be very powerful. He's even one of the three experts of the Elephant Kingdom.

If their master really comes to take revenge on you, will it be dangerous?"

Yang Luo said, "Since their master can become one of the three experts of the Elephant Country, he shouldn't be weak.

However, don't worry. If their master really dares to look for me, I'll kill their master and make these black-clothed Azans not dare to provoke me again."

Su Qingmei sighed and said, "Yang Luo, I know you're not an ordinary person, but you still have to be careful. Don't force yourself."

Yang Luo grinned and said, "Don't worry, I'll be fine."

Su Qingmei nodded and didn't say anything else.

Yang Luo looked up at the night sky in the distance and muttered in his heart, "Those who want to kill me, come at me. Why should I be afraid?!"

At the same time...

Elephant Country.

The night was as dark as ink, and a crescent moon hung high in the sky.

Golden Buddha Temple.

In the hall in the backyard of the temple.

It was brightly lit.

A skinny old monk with white hair and beard was sitting in front of a golden Buddha and meditating.

The old monk's body emitted a faint black light that was strange and unpredictable.

This old monk was the abbot of the Golden Buddha Temple and one of the three strongest experts of the Elephant Kingdom. He was the famous black-robed Azan, Lungposa, and was titled “Black Dragon Sorcerer”.

But at this moment...

Crack! Crack! Crack!

Three shattering sounds suddenly sounded in the quiet hall.

Lungposa suddenly opened his eyes and turned to look at a wall.

There were nineteen golden Buddhist tablets hanging on the wall, and a name was written below each tablet.

But now, the Buddhist tablets with the names Arroda, Weissag, and Vanado were all shattered.

The shattering of a Buddhist tablet represented the death of a disciple.

Lungposa looked at the broken Buddhist tablet on the wall in a daze and muttered, “Did they fail...”

Initially, after finding out who killed Putira, he had tasked Arroda, Vanado and Weissag to go over and settle the score.

Arroda and company even said that they would avenge Putira as soon as possible before returning.

But now, their Buddhist tablets had shattered.

This meant that Arroda and company were already dead.

Lungposa’s expression darkened as a terrifying aura erupted from his body!

The entire hall trembled slightly, as an earthquake had occurred!

His expression was ferocious as he roared, “Yang Luo, you killed my disciple. I’m going to tear you into pieces!”

This roar was like rolling thunder that instantly spread throughout the entire Golden Buddha Temple!

“What’s wrong? What happened?!”

“Let’s go and take a look!”

For a moment, the entire Golden Buddha Temple went into an uproar.

All the monks in the temple ran over.

When they ran to the entrance of the hall, the monks immediately felt a powerful pressure and did not dare to enter.

Especially when they saw Lungposa’s expression, the monks trembled.

They had never seen Lungposa so angry.

At this moment, fourteen monks in black robes walked in and looked at Lungposa in confusion.

“Master, what happened?”

A monk in black asked respectfully.

Lungposa did not say anything and only looked at the wall with the Buddhist signboard.

The group of monks turned to look at the wall.

When they saw that the Buddhist tablets with the names Arroda, Weissag, and Vanado had shattered, everyone was dumbfounded, their eyes filled with surprise!
