

Super IDG 2421

Chapter 2421: Critical Moment!

Boom!

Thunderous booms!

The sounds of collisions and explosions went off incessantly, like rolling thunder, echoing through heaven and earth!

However, the attack from Tu Zhen Shan and the five of them was too fierce and violent, utterly destroying Yang Luo's offensive!

"Dragon Emperor Sword, go!"

Yang Luo's face was smeared with blood, looking both god-like and demon-like, terrifyingly fierce!

He directly threw out the Dragon Emperor Sword!

Whoosh!

The Dragon Emperor Sword, like a golden lightning streak, burst forth, enlarged thousands of feet against the wind, and struck!

"Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror!"

At the moment of throwing the Dragon Emperor Sword!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror, the Four Great Magical Artifacts also flew out, rapidly enlarged thousands of feet, and struck!

Clang!

Thunderous booms!

But the Dragon Emperor Sword and the four artifacts could barely withstand the ferocious onslaught from Tu Zhen Shan and his group, and they were shaken into retreating repeatedly!

Gongsun He sneered, "This kid really isn't ordinary, possessing so many immortal items beyond expectations!

As long as we kill this kid, these artifacts will be ours!"

With that, he continued to launch fierce attacks!

Tu Zhen Shan, Zu Xuangang, Yin Tiansha, and Tu Cangqiong also unleashed their fierce attacks!

Thunderous booms!

Under the second wave of ferocious attacks from the four of them!

The Dragon Emperor Sword and the four artifacts were actually shaken and flew off, reverting to their original form!

"Damn it!"

Yang Luo clenched his teeth tightly and began frantically mobilizing the energy within his body!

Then, he raised both arms, tracing an ancient and profound trajectory of the Great Dao in the sky!

“Chaos Destruction Skill!”

Accompanied by a loud roar!

Yin Fish and Yang Fish patterns emerged in the palms of his hands!

Next, he brought his hands together, condensing a Golden Tai Chi Diagram between his palms!

Then, he poured multiple attribute powers and energy from his body into it, raised his arms, and forcefully pushed out the Golden Tai Chi Diagram!

The Golden Tai Chi Diagram instantly expanded to over three thousand feet, resembling a golden celestial dome, overwhelming everything above!

“White Tiger, Vermillion Bird, Black Tortoise!”

“Hundun, Qiongqi, Taowu!”

“Transformation!”

“Roar, roar, roar!”

Accompanied by a series of earth-shattering roars!

White Tiger, Vermillion Bird, and Black Tortoise entered into the Yang Fish of the Golden Tai Chi Diagram!

Hundun, Qiongqi, and Taowu entered into the Yin Fish of the Golden Tai Chi Diagram!

The Golden Tai Chi Diagram instantly expanded to over five thousand feet, the immortal might was overwhelming, the Dao techniques reached the heavens, as if to suppress and destroy everything!

A giant golden “Dao” character also condensed behind Yang Luo, shining brightly, illuminating heaven and earth!

In an instant!

Thunderous booms!

The Golden Tai Chi Diagram fiercely collided with the offensive launched by Tu Zhen Shan and the five of them, unleashing a world-shattering explosion!

The vast sky and the vast earth all collapsed and were destroyed!

The surrounding void shattered like glass, blown to pieces!

What shocked everyone who was fiercely battling in the distance was!

With this move, Yang Luo forcibly withstood the attacks of the five people!

Even though his body was splattered with blood, he still stood proudly in the air, supremely dominating heaven and earth!

“Such a powerful cultivation technique, actually using oneself as the Dao, everything turns into Tai Chi!”

“Mr.

Yang truly deserves to be the number one heavenly pride revered in both Immortal Worlds, it’s really astonishing!”

“Isn’t it, even though Mr.

Yang has suffered such serious injuries, he still can unleash such terrifying combat power, powerfully resisting the attacks from five Heavenly Immortals!”

“If Mr.

Yang’s cultivation were to advance another realm, who knows to what extent Mr.

Yang’s strength would skyrocket again!”

People exclaimed in awe, their eyes filled with shock, reverence, and admiration when looking at Yang Luo.

As for the people from the Myriad Demon Valley Camp, they were so frightened that they trembled all over, breaking out in cold sweat.

Especially Tuoba Ye and Tu Wanxian, who were shivering in terror.

Fortunately, a Heavenly Immortal Perfected Stage Ancestor arrived on their side, otherwise, this battle might have truly been lost.

Seeing Yang Luo still desperately resisting!

Tu Zhen Shan and the five of them were immediately enraged!

“Hmph!”

Tu Zhen Shan snorted coldly, his voice thundering: “Boy, no matter how strong your strength is, no matter how powerful your cultivation techniques and immortal techniques are, do not dream of stopping our attack of the five of us!”

“Continue the assault, annihilate this kid!”

Zu Xuangang also roared out loud.

Immediately, Tu Zhen Shan, Zu Xuangang, Gongsun He, Yin Tiansha, and Tu Cangqiong, the five of them, once again surged their momentum and battle power, delivering a lethal strike!

Boom boom boom!

Under this fierce and powerful onslaught!

The Golden Tai Chi Diagram that was annihilating heaven and earth finally couldn’t hold on anymore, beginning to continuously shatter and explode!

“Let’s fight them!”

“Hurry and help!”

“Little Luo can’t hold it on his own!”

Mo Yunfan, Zuo Canghai, and Chu Junlin, enduring their injuries, soared into the sky!

Their bodies splattered with blood, they flew up and launched a powerful fierce attack towards Tu Zhen Shan and the five of them!

Dongfang Wuji, Xing Lichuan, Qilin family, and Qin Juechen also wanted to help, but due to severe injuries, they had no strength left to fight!

The four of them could only quickly take pills, and urgently heal and replenish their energy!

Klang boom...

Boom boom boom...

Terrible frightening crash sounds and explosion noises continued to boom in the sky!

“Ahhhh!”

Yang Luo, Mo Yunfan, Zuo Canghai, and Chu Junlin let out harrowing screams, their bodies being crushed and continuously forced back!

Their skin and muscles continuously tore, fresh blood uncontrollably splashed out, extremely gruesome!

“Quickly go help Brother Yang and the seniors!”

“Brother Yang and the seniors can’t hold on much longer!”

“Brothers, hurry and help!”

Bujie, Xu Ying, Ning Jianfeng, and Ji Longyue and others roared out loud, broke through the encirclement, and rushed over here!

Gu Tianshang, Linghu Wuxie, and Xing Wentian, who were in the midst of a fierce battle, also fought desperately, trying to come over and help!

But, just at this critical moment!

Boom boom boom!

From the distant sky, a series of earth-shattering explosion sounds transmitted!

Everyone looked up!

They saw, in the distant sky, two giant void dragons exploded!

The next second!

“Roar!”

“Screech!”

Accompanied by the sounds of dragon roars and cries!

A massive thousands of feet large green-gold dragon and a massive thousands of feet large Vermillion Bird flew out from the two void holes!

It was indeed the ancient divine beasts, Azure Dragon and Vermillion Bird!

The Azure Dragon soared through the heavens, stirring the clouds, shattering the layers of void!

Vermillion Bird spreads its wings high, shaking heaven and earth, with flames burning the world!

In an instant!

Boom boom boom!

Tu Zhen Shan and the five people's attack were directly smashed by the Azure Dragon and Vermillion Bird!

The vast world was enveloped by all kinds of lights and energies, like surging seas and rivers, terrifyingly unparalleled!

Also, at the time of the explosion!

Bang!

Bang!

Two figures directly charged out from the two void holes, swinging out a fist and a palm, directly attacking Tu Zhen Shan and Zu Xuangang!

The green-gold giant fist collapsed heaven and earth, sweeping across the wilderness, blasting upwards!

The golden-red giant palm cut across the heavens, shattering the sky, overwhelming everything!

Tu Zhen Shan and Zu Xuangang's faces changed, immediately their momentum burst forth, their battle power erupted, swinging the sabers and spears in their hands, attacking head-on!

Klang boom!

Boom boom boom!

With heart-shaking collision sounds and explosion noises ringing out!

Tu Zhen Shan and Zu Xuangang were both blown away at the same time!

Chapter 2422: Suppression!

Gongsun He, Yin Tiansha, and Tu Cangqiong were caught off guard and struck by the spreading energy and light, sending them flying!

Not until the light and energy entirely dissipated in the sky did everything return to calm!

People looked up!

They saw two venerable figures standing in the distant sky!

It was none other than “Azure Dragon Ancestor” Ji Qingcang and “Vermilion Bird Ancestor” Tantai Qian Chuan!

“They are here, the Azure Dragon Ancestor and Vermilion Bird Ancestor have finally arrived!”

“Hahaha, good, this is really great, our side’s top strengths have finally assembled!”

“Those old guys like Tu Zhen Shan were being so arrogant just now, let’s see how they can continue to be arrogant!”

The people of the Supreme Sect Camp were overjoyed and shouted enthusiastically.

Ji Qingcang turned his head towards Yang Luo, smiled gratifyingly, and said: “Kid, half a year ago you were just at the late True Immortal stage.

I didn’t expect you to have stepped into the Mid-stage Heavenly Immortal realm now, well done!”

Tantai Qian Chuan, stroking his beard with a smile, said: “Kid, we finally meet!

I didn't expect you could withstand the onslaught of these five guys on your own, such strength is truly astonishing!"

Yang Luo bowed with clasped hands: "Junior Yang Luo, greets the Azure Dragon Ancestor, Vermilion Bird Ancestor!"

Both elders nodded with smiles, their eyes filled with even more admiration.

"Ji Qingcang, even with you here, I am determined to see who is superior today!"

"Tantai Qian Chuan, Kunlun Ruins isn't a place you can dictate, we are the true sovereigns here!"

Tu Zhen Shan and Zu Xuangang roared out loud.

They wielded sabers and spears, charging directly towards Ji Qingcang and Tantai Qian Chuan!

"Tu Zhen Shan, you're mistaken!

Kunlun Ruins doesn't belong to anyone in particular, but to everyone in Kunlun Ruins!

If you wish for battle, I shall accompany you to the end!"

Ji Qingcang thundered, summoning a spear and engaging Tu Zhen Shan!

Tantai Qian Chuan also summoned a long sword to face Zu Xuangang!

In an instant!

The four closed the distance, swinging their weapons, striking furiously at each other!

Clang Clang!

Four giant weapons swept through the sky, disrupting the earth, shattering the Void, and fiercely colliding in Chaotic Heaven and Earth!

A vast array of light and energy exploded in the sky, sweeping in all directions!

In this clash!

Tu Zhen Shan and Zu Xuangang were once again sent flying!

“Tu Zhen Shan, even at your peak state, you’re no match for me!

Moreover, now you are injured and have spent much of your qi!

You are even less of a match for me now!”

Ji Qingcang’s voice thundered like Lei Ming, holding his spear, he took large strides, shattering the Void, and majestically walking towards Tu Zhen Shan!

“You two are also at the Heavenly Immortal Perfected Stage and should contribute to protecting Kunlun Ruins, not wilfully cause disorder leading to sufferings, bloodshed, and rivers of blood!”

Tantai Qian Chuan, holding the long sword, also took big steps, cracking the boundless Void into pieces!

He was enveloped in golden-red Vermilion Bird Divine Fire, even his white hair tied at the back turned golden-red, fluttering like fiery strands!

“Ji Qingcang, our cultivation levels are on par, I don’t believe you can truly suppress me!”

Tu Zhen Shan roared, unleashing his full momentum and power!

A colossal Dharma Idol thousands of feet tall rose up, like an Ancient Demon King descending!

“Tantai Qian Chuan, even though you possess the Vermilion Bird bloodline, I do not fear you!”

Zu Xuangang also roared, unleashing his full momentum and power!

A colossal Dharma Idol also rose high into the air above him, like the Sovereign of Nine Nether Hell descending into the world!

Ji Qingcang and Tantai Qian Chuan’s expressions turned stern, they remained silent but unleashed their full momentum and power!

Accompanied by the roaring sound of “Rumble rumble rumble!”

Two colossal giants thousands of feet tall also rose above them, like Ancient Immortal Kings descending into the world, their imposing presence overwhelming, overlooking all beings!

“Kill!!”

Tu Zhen Shan and Zu Xuangang roared, leading their Dharma Idols, charging into battle!

“Fight!!”

Ji Qingcang and Tantai Qian Chuan also roared loudly, leading their Dharma Idols to meet the battle head-on!

Clangor!

Ji Qingcang and Tantai Qian Chuan were extremely aggressive and domineering; this fierce attack once again suppressed Tu Zhen Shan and Zu Xuangang!

Tu Zhen Shan and Zu Xuangang, along with their Dharma Idols, were sent flying!

Ji Qingcang and Tantai Qian Chuan then continued to lead their Dharma Idols into the fray!

Tu Zhen Shan and Zu Xuangang also showed no signs of backing down, leading their Dharma Idols to counterattack Ji Qingcang and Tantai Qian Chuan!

In the ensuing period!

Four Dharma Idols and four figures clashed fiercely in the sky!

Clang, clang, clang!...

Boom, boom, boom!...

The sounds of collisions and explosions were incessant, shaking the heavens and stirring the desolate wilderness!

Various flashes of immortal light, demonic light, and fierce light twinkled in the sky, dazzling to the eye!

Various energies surged in the sky, soaring to the Nine Heavens and plunging to the earth!

All four were Heavenly Immortal Perfected Stage powerhouses, existing beyond the two major Immortal Worlds!

Therefore, the battle between the four was terrifying to the extreme, as if they were about to destroy the entire Bushi Mountain realm!

After fighting fiercely for hundreds of rounds!

Thunderous rumble!

The Dharma Idols of the four exploded one after another in the sky!

Ji Qingcang and the others were simultaneously blown back, blood bursting open from their bodies!

However, the injuries on Ji Qingcang and Tantai Qian Chuan were obviously much lighter than those on Tu Zhen Shan and Zu Xuangang!

“Sky Demon Secret Scripture!”

“Twelve Heavenly Demons!”

Tu Zhen Shan roared loudly and stomped fiercely!

Suddenly!

Twelve giant trolls rose up, towering to the heavens, stepping on the void, each wielding various weapons, charging onwards!

Each of these twelve giant trolls was fiercely malevolent, with horns on their heads and fangs bared!

Some had three heads and six arms, some four heads and eight arms!

Some had beast heads and human bodies, others human heads and beast bodies, all very bizarre, yet immensely powerful and soul-stirring!

“Nine Nether Purgatory Technique!”

“Ten Halls Yama!”

Zu Xuangang also waved his hand mightily, roaring out!

Ten giant figures thousands of feet tall rose up, their bodies emanating chilling yin energy and a lifeless aura, commanding and supremely dominating.

They were the legendary Ten Halls Yama”

King Qin Guang, King Chujiang, Emperor Song, King Wuguan, King Yanluo, King Biancheng, Mount Tai King, King of the Capital, King Pingdeng, and King Zhuanlun!

The Ten Halls Yama charged into action, moving together to attack Ji Qingcang and Tantai Qian Chuan!

Seeing the twelve giant trolls and Ten Halls Yama charging towards them!

Ji Qingcang stomped into the air and roared mightily!

“Nine Heavens Dragon Gate “ Open!”

In the blink of an eye!

Nine massive Dragon Gates, each thousands of feet tall, rose up like nine great mountains in the sky!

Upon erecting, the Nine Dragon Gates opened immediately!

“Roar, roar, roar!”

Nine gigantic dragons, each thousands of feet long, roared forward, colliding with the adversaries!

“Vermillion Bird Treasure Technique – Scorching Sky Annihilation!”

Tantai Qian Chuan also jolted and let out a thunderous roar!

A gigantic Vermillion Bird, encompassing a fireball, soared into the sky, as if enveloped in a golden-red sun!

With a flap of its wings, the Vermillion Bird cleaved through the heavens, severed the void, and plunged into the attack!

Chapter 2423: Bringing Things to an End!

In an instant!

Boom!

Rumble!

Horror-stricken collision and explosion sounds erupted in the sky, shaking the Four Seas and Eight Deserts, the Nine Heavens and Ten Earths!

Giant dragons, giant trolls, and Yamas exploded in the sky!

The massive body of the Vermillion Bird, thousands of zhang in size, also burst apart, and the vast Fire Sea was scattered!

All sorts of lights and energy spread across the sky, with thick smoke billowing up to the heavens!

After this head-on blow!

Both sides once again unveiled their Dharma Idols, leading their own to attack the opposition!

An earth-shattering battle thus broke out!

Seeing that Ji Qingcang and Tantai Qian Chuan had already gained the upper hand!

Yang Luo slightly relaxed, then turned to face Gongsun He, Yin Tiansha, and Tu Cangqiong.

His eyes were cold, flashing with killing intent, and he said fiercely, "Now there's no one to help you, let's end this!"

Zuo Canghai's eyes were filled with cold sharpness, "Just now you were all laughing joyously, thinking that we were doomed, what about now?"

Mo Yunfan also looked coldly at the three, his eyes flashing with killing intent!

Gongsun He sneered, "All four of you are injured like this, do you still have the strength to kill us?"

"Indeed, if you can, try killing one of us!"

"Our injuries are much lighter than yours, you're sure to die by our hands!"

Yin Tiansha and Tu Cangqiong also scoffed.

“Is that so?”

Yang Luo sneered coldly, “Then let’s give it a try!”

“KILL!!!”

Gongsun He, Yin Tiansha, and Tu Cangqiong roared together, charging at Yang Luo and his group!

In their view, Yang Luo and his companions were already badly injured, their combat strength severely declined, far from what they were before!

If they joined forces to attack, they were sure to annihilate Yang Luo and his group!

“Destroy them!!!”

Yang Luo and his comrades also roared furiously, attacking Gongsun He and the others!

In the midst of charging at each other!

Both sides unleashed waves of attacks, striking towards each other!

Boom boom boom!

Wave after wave of attacks collided madly in the sky, setting off earth-shattering explosions!

Huge swathes of energy and light burst forth in the sky, destroying everything around!

After dozens of rounds of combat!

“Give me your lives!”

Yang Luo roared, with four Dharma artifacts above his head, he wielded his sword and chased after them!

In the course of his pursuit!

Yang Luo unleashed a variety of lethal moves!

“Roar roar roar!”

The Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts continued to roar upward!

The twelve Ancestral Witches rose again, charging into battle!

The Golden Dragon Map rotated, manifesting myriad forms, pressing upward for the kill!

The Golden Dragon Totem turned, with ten thousand dragons roaring out!

The four Dharma artifacts also pressed onward to kill!

At this moment, Yang Luo seemed absolutely frenzied!

Despite being severely injured and his qi almost exhausted, he fought on as if an Ancient War Immortal descended upon the world, growing fiercer with every battle!

Gongsun He, Yin Tiansha, and Tu Cangqiong were truly frightened by this display, daring not to underestimate him, and continued to launch fierce attacks to resist Yang Luo’s offensive!

They really couldn't understand!

How could this kid still burst forth with such formidable combat power when his injuries were so severe and his qi nearly depleted!

It was utterly inconceivable, beyond their belief!

And just as Yang Luo launched his fierce attack!

Zuo Canghai, Mo Yunfan, and Chu Junlin also mobilized what little energy they had left to launch a fierce offensive!

Under the joint onslaught of the four!

Gongsun He and his party could barely hold on any longer, their bodies being blown apart with flesh flying everywhere, and blood from their mouths gushing ceaselessly!

"Keep going!"

Yang Luo clenched his teeth and roared furiously!

"Primordial Dragon Transformation Skill!"

"Dragon Strength: Body Enhancement!"

Dragon illusions flew into Yang Luo's body, forcibly enhancing his combat prowess!

Chunks of muscles bulged all over Yang Luo's body, his black robe tearing apart to reveal his muscular upper body!

Despite the skin and flesh being split open everywhere and stained red with blood, they shimmered with golden light, like a supreme divine body!

Rumble rumble rumble!

The eight directions of heaven and earth trembled even more violently, as if to turn heaven and earth upside down!

“Die!!!”

Yang Luo, with his bloodied hands, gripped the Dragon Emperor Sword and chopped heavily forward!

“Retreat quickly!”

Gongsun He shouted in alarm, retreating backward.

“This, this, this...”

Yin Tiansha and Tu Cangqiong were also scared stiff, hastily retreating.

But, even though Gongsun He reacted the fastest, his retreat was still half a beat too slow!

In an instant!

Pfft!

Gongsun He’s body was directly cleaved in two by Yang Luo’s sword!

Chunks of flesh and blood splattered all over the sky, too horrific to bear witness!

The mountains below were split in two, and a long and wide chasm, like a riverbed, opened up on the land!

Although Yin Tiansha managed to escape, one of his arms was severed cleanly off!

As Tu Cangqiong retreated the fastest, only a bloody gash was left on his chest!

“Aaahhh!

I’m not reconciled!!!”

His Essence Soul burst out from his body, screaming in agony!

“Reconciled or not, die for Old Man!!!”

Yang Luo roared fiercely and stabbed out vehemently with his sword!

Pfft!

His Essence Soul was penetrated directly and then exploded with a “boom” in the sky!

Henceforth, the “Luosha Ancestor” Gongsun He, fell!

This moment!

All those who were engaged in fierce battles in the distance were shocked again!

“He killed another one...

Mr.

Yang actually slew another Heavenly Immortal Ancestor!”

“Bearing in mind...

Gongsun He was at the Late Stage of Heavenly Immortal!”

“Even if the Supreme Ancestors were helping...

the one who ultimately killed Gongsun He was Mr.

Yang!”

“Too terrifying...

Too frightening...

Too defying the heavens!”

The people of the Supreme Sect Camp cried out in amazement, all of them as though petrified, feeling as if their hearts had stopped beating.

“The Luosha Ancestor is dead...

The Luosha Ancestor is dead, oh!”

“Is there really no one who can kill this little beast?!”

“How infuriating!

The Ten Thousand Demon Ancestor and others were on the verge of killing this little beast, but who would have thought Ji Qingcang and Tantai Qian Chuan would arrive just in time!”

“We’ve missed the best opportunity!”

The people of Myriad Demon Valley howled in grief.

Now, they had already lost four Heavenly Immortal Ancestors!

Four top fighting forces dead!

Zuo Canghai, Mo Yunfan, and Chu Junlin, who were closest to Yang Luo, were also profoundly shaken!

“Brother Gongsun is dead...

Brother Gongsun is dead!”

“Run...

Run fast!”

Yin Tiansha and Tu Cangqiong, both terrified out of their wits, turned to run!

“Don’t even think about escaping!”

Yang Luo roared, swinging his sword with all his might!

“Heaven and Earth Furnace!”

“Dragon Rebel Sword Formation!”

“Primordial Dragon Prison Array!”

“Nine Revolutions Thunder Annihilation Formation!”

“Three Thousand Star Domain Formation!”

In the blink of an eye!

The furnace, the sword formation, the dragon formation, the thunder array, and the star formation all converged, directly trapping Yin Tiansha and Tu Cangqiong inside!

“Ten Thousand Poison Annihilation Array!”

“Supreme Unlimited Sword Formation!”

“Heavenly Demon Chaos Formation!”

Zuo Canghai, Mo Yunfan, and Chu Junlin also quickly laid out three types of grand array formations, trapping Yin Tiansha and Tu Cangqiong once again!

As these grand formations sealed off that space, Yin Tiansha and Tu Cangqiong found it impossible to enter the void and escape!

Chapter 2424: The End of the Great War!

The next second!

“Formation, activate!!!”

Yang Luo, Mo Yunfan, Zuo Canghai, and Chu Junlin all roared out loud!

The immense furnace, over three thousand zhang in height, erupts into a sea of fire that surges toward Yin Tiansha and Tu Cangqiong!

All the formations are also fully activated, unleashing waves of attacks against the two of them!

Countless flying swords shoot out from all directions!

Tens of thousands of giant dragons roar into existence!

A nine-colored Thunder Sea billows, and nine-colored Thunder Beasts roar!

Beams of starlight burst forth like cosmic auroras!

Poison gas churns, a toxic sea heralds world annihilation, with Ten Thousand Demons erupting!

The layers of killing arrays set up by Yang Luo and his team unleash deadly, destructive, and annihilative forces so intense that they seem to obliterate everything!

“Break the formation now!

Break it!”

“Charge out, get out of here!”

Both Yin Tiansha and Tu Cangqiong shriek desperately, feeling the threat of death!

The two of them, like madmen, use every trick up their sleeve, even burning their blood essence to forcefully enhance their combat strength and fiercely attack the great formation!

Clang clang clang!

Boom boom boom!

The sounds of collisions and explosions continue unabated!

Flashes of light and energy flicker, surge, and boil within the layers of great formations!

The two struggling Heavenly Immortals launch ferociously powerful attacks, forcibly shattering several layers of the great formation!

However, Yang Luo and his teammates do not pause but continue to channel energy from within their bodies, infusing it into the layers of the great formation!

As the formations are reinforced, their power increases!

Yin Tiansha and Tu Cangqiong completely collapse in despair!

Their pitiful screams for help ring out!

“Someone come!

Quickly come!”

“Save us, hurry and save us!”

But the Ten Thousand Demon Valley Camp has fewer Heavenly Immortals than the Supreme Sect Camp, and on top of that, four have been killed!

Moreover, the other Heavenly Immortals are already struggling to save themselves and no longer able to come to their rescue!

“Quick, go help them!”

“Ancestor Yin Sha and Flame Demon Heavenly Venerate are almost unable to hold on!

Go save them!”

Members of the Ten Thousand Demon Valley Camp shout out, wanting to come over to help.

“Damn it, still want to help?”

All of you will die!”

“Stop them, kill them!”

Bujie, Ning Jianfeng, and others roar out loud, leading tens of thousands of disciples, as they attack those trying to help!

Seeing no one coming to their rescue!

Yin Tiansha and Tu Cangqiong are driven to the brink of breakdown, to the utmost level of despair!

“We beg you to spare our lives, let us go!”

“As long as you’re willing to spare us, whatever you want we will offer with both hands!”

The two beg mournfully, appealing to Yang Luo and his companions for mercy.

They had painstakingly become Heavenly Immortals, hopeful of challenging to become Golden Immortals, ascending to the Upper World, witnessing a broader sky, and pursuing a higher Great Dao!

They truly do not wish to die here!

If they could choose again, they would definitely not participate in this great battle!

Yang Luo’s eyes are cold, without a trace of sympathy, as he declares resoundingly: “Heavenly tribulations may be forgiven, but one’s self-inflicted karma cannot live on!

You let your sect provoke the great chaos in Kunlun Ruins and start this great war!

Leading to so many innocent people’s deaths, you cannot atone for your sins even with a hundred deaths!”

With that said, Yang Luo lifts his left hand high, once again manifesting the Golden Tai Chi Diagram!

Various attribute energies merge in, as do the three Divine Beasts and the three ferocious beasts!

“Die!!!!!”

Accompanied by a thunderous roar!

Yang Luo flips his left hand, pressing down the gigantic, thousand-zhang-wide Golden Tai Chi Diagram!

“No...no!!!”

“I don’t want to die...”

I don’t want to die!!!”

Yin Tiansha and Tu Cangqiong issued screams of utter grief and despair!

The next second!

Boom rumble rumble!

The furnace, Golden Tai Chi Diagram, and several Great Formations shattered and exploded all at once!

In the instant of the explosion, Yang Luo and his three companions quickly retreated!

Rumble rumble rumble!

The might of the explosion was too terrifying—it was as if multiple large stars exploded in the sky!

All sorts of energies and lights surged overhead, turning into a vast sea of energy light, spreading in all directions!

Everyone fighting in the distance, and those watching from far away, all dumbfoundedly looked towards that place!

All that met their eyes was a blindingly bright light, and all that reached their ears was the booming sound of explosions!

No one knew how much time had passed.

Eventually, everything finally returned to calm.

Everyone raised their eyes to look.

They saw that the sky tens of thousands of meters above had been blasted open into a huge dark hole.

The surrounding void was also ripped open into a massive breach.

Furthermore, from this hole as the center, dense and numerous pitch-black cracks spread out in all directions.

The mountains below and patches of forest were all destroyed, as if blasted into a huge basin, altering the landscape itself.

Yin Tiansha and Tu Cangqiong had already been reduced to ash—only large chunks of flesh and bone debris scattered around.

Thus, “Ancestor Yin Sha” Yin Tiansha and “Flame Demon Heavenly Venerate” Tu Cangqiong perished!

The entire scene fell silent for a time.

Then, the people of the Supreme Sect Camp erupted with cheers like a landslide and tsunami!

“Hahaha, good, well done!”

“Mr.

Yang, Supreme Ancestor, Ten Absolute Poison Venerable, Bu Mie Demon Venerate, splendid killing!”

“Six Heavenly Immortals have fallen; the opposing side has already had six Heavenly Immortals slain!”

“We’ve won, this battle holds no more suspense, victory is ours!”

The people of the Supreme Sect Camp were all raising their arms in shouts, excitedly hollering.

Everyone’s confidence soared unprecedentedly!

Whether injured or unscathed, everyone shone their weapons and launched into the final onslaught!

The people watching from afar were also stunned, struggling to snap back to reality!

“My God, the Supreme Sect Camp looks like it’s going to win this battle!”

“Yes, we’re going to win, indeed virtue triumphs over evil!”

“However, this victory is all thanks to Mr.

Yang leading people to help; without them, the Supreme Sect Camp probably wouldn’t have stood a chance!”

“After this battle, Mr.

Yang’s reputation will thoroughly resonate through the two Immortal Worlds, surpassing the two realms, shoulder-to-shoulder with those old Heavenly Immortal Ancestors!”

The onlookers couldn’t help but be full of admiration for Yang Luo, to the utmost extent.

“Aaaaargh, let’s fight them with all we’ve got!”

“All six of our great Heavenly Immortal Ancestors are dead, they’re all dead!”

“Why did it turn out like this, why?!”

“Are we truly going to be defeated?!”

“No, we won’t be defeated; the other Heavenly Immortal Ancestors are still fighting, we haven’t lost yet!”

The Ten Thousand Demon Valley Camp were all screaming in anguish, furiously roaring and continuing their assault on the people of the Supreme Sect Camp.

But, nevertheless!

The onlookers from afar had already foreseen the outcome of this great battle!

In their eyes, the people of the Ten Thousand Demon Valley Camp were just struggling at death’s door!

“Huff...

huff...

huff...”

Yang Luo, Mo Yunfan, Zuo Canghai, and Chu Junlin four people gasped for breath heavily.

After such a long and intense battle, having slain multiple Heavenly Immortals, they were all exhausted, their energy nearly completely spent.

However, fortunately, they persevered to the end, persevering until Ji Qingcang and Tantai Qian Chuan arrived, slaying several Heavenly Immortals, alleviating the pressure on everyone.

Even with severe injuries, it was worth it!

Chapter 2425: Slaying the Heavenly Immortal Again!

It was at this moment.

In a dark void far away.

The great battle was also reaching its climax.

Figures were fighting in the sky, turning heaven and earth upside down, in an intense and fierce clash!

The eight people engaged in fierce battle were“

“Soaring Serpent Ancestor” Ning Hualong, “Bai Ze Heavenly Venerate” Mu Fusheng!

“Luwu Heavenly Venerate” Duan Kongcheng, “Azure Dragon Heavenly Venerate” Ji Longxiao!

“White Tiger Heavenly Venerate” Baili Duxing, “Vermilion Bird Heavenly Venerate” Tantai Tanyue!

“Beihai Heavenly Venerate” Yi Qiongsheng, “Qiongqi Ancestor” Xing Wentian!

The other six people were“

“Eternal Night Ancestor” Yu Qiye, “Five Poison Venerable” Du Lie Feng, “Cangxuan Heavenly Venerate” Zhao Kunxuan!

“Netherworld Demon Heavenly Venerate” Tuoba Feng, “Blood Demon Heavenly Venerate” Leng Qianhan, “Purgatory Heavenly Venerate” Li Canying!

After a heaven-shattering great battle!

Both sides were injured!

However, Yu Qiye and the six others were more severely wounded, with injuries and blood all over their bodies, their bodies soaked in blood!

If they weren’t Heavenly Immortals, they probably would have died already!

Boom boom boom!

Accompanied by a series of booming and exploding sounds!

“Arghhhhh...”

Yu Qiye and the six others screamed in agony again, spit out blood, and were blown away, their bodies splattering blood in the air, immensely terrifying!

“Continue the attack, annihilate them!”

Ning Hualong roared loudly, charging forward directly!

Mu Fusheng and the other seven also charged forward together!

“Soaring Serpent turns into dragon, reversing heaven and earth!”

Ning Hualong swung his hand, roaring loudly.

“Aooooo!”

Nine enormous serpents, over two thousand meters in length with wings, rose up, resembling both serpents and dragons, stirring the winds and clouds, shaking heaven and earth, roaring out!

“Bai Ze Immortal Formation Map!”

“Suppression!”

Mu Fusheng swung his hand!

A formation map, radiant with dazzling immortal light, with Bai Ze totem engraved in the center and formation patterns and runes around, surged with suppression!

“Nine-colored Divine Light Slash!”

Duan Kongcheng’s body shook!

Nine immortal rainbows, emitting nine different colors of immortal light, strikingly radiant, rose from behind him!

These nine immortal rainbows, like nine heavenly blades, cleaved the heavens, split the void, slashing down heavily!

“Dragon Gate Nine Seals!”

Ji Longxiao swung his hand!

Nine dragon doors rose up, radiating blinding immortal light, emanating vast dragon might and dragon qi, like nine immortal gates, surging with suppression!

Just as Ning Hualong and the four launched their fiercest attacks!

Baili Duxing, Tantai Tanyue, Yi Qiongsheng, and Xing Wentian also launched a fierce attack!

“White Tiger’s Chaotic World!”

“Vermilion Bird Burning Sky!”

“Black Tortoise Stepping Sky!”

“Qiongqi Destroying World!”

In an instant!

A gigantic white tiger several thousand meters in size, stepping on eight-colored lightning, charged furiously!

A gigantic vermilion bird, carrying a golden-red sea of fire, attacked ferociously!

A gigantic black tortoise, stepping on a dark blue sea of ice, rushed forward!

A gigantic Qiongqi, carrying a sky full of ferocious aura, flashing dangerous fierce light, charged dominantly!

At this moment!

The attack launched by Ning Hualong and the eight was terrifying and overwhelming, containing endless destructive power, kill power, and destructive force!

The dark void within dozens of kilometers continued to expand!

Inside, the chaotic fog surged wildly, one could even see the stars beyond twinkling on and off!

“Let’s fight them with all we got!”

“Don’t hold back any longer, attack!”

“Use full strength, block it!”

Yu Qiye and the six roared furiously, erupting with their strongest presence and combat power!

“Eternal Night Immortal Domain, All Paths to Ruin!”

“Five Poison Giant Beast, bringing calamity to the world!”

“Heaven Shaking Mysterious Bell, suppress the world!”

Yu Qiye, Du Lie Feng, and Zhao Kunxuan led the charge with a fierce attack!

A vast black expanse of the Dark Immortal Domain took shape, looming over them!

Five colossal Purgatory Beasts entwined with terrifying poison mist surged forward to attack!

A giant Xuan Qi Bell materialized and collided fiercely!

It was just as Yu Qiye and the others launched their ferocious attack!

Tuoba Feng, Blood Demon Heavenly Venerate, and Li Canying also quickly launched their strongest attacks!

“Ten Thousand Demons Chaos, the sorrow of the living!”

“Ten Directions Blood Demon, turmoil under heaven!”

“Bloodslaughter Purgatory, destroying heaven and earth!”

Tens of thousands of demons rose in the sky, resembling a massive demon beast army, charging forward!

Ten giant trolls bearing swords, spears, and other weapons, madly rushed forward!

A blood-colored Purgatory emerged, with Purgatory Palaces flying out and tens of thousands of Purgatory Beasts charging out!

In an instant!

Clanging thunderously!

Rumbling loudly!

The mighty offensives unleashed by both sides collided in the sky one after another!

This was a terrifying clash, an unprecedented destruction, a shockingly immense annihilation!

The vast Dark Void was thrown into disorder, and the Heaven and Earth Great Dao seemed to be wailing!

All kinds of lights and energies swirled within, like a surging river in spate, terrifyingly formidable!

However, the assault by Ning Hualong and the other eight was entirely too overwhelming!

Yu Qiye and the six others simply could not withstand it!

“Ahhhhhh...”

Accompanied by a series of mournful screams!

Yu Qiye and the six others were sent flying simultaneously!

While they were flying through the air!

“Ahhhhhh!!!”

Accompanied by three of the most mournful screams!

Boom, boom, boom!

Du Lie Feng, Tuoba Feng, and Li Canying exploded simultaneously in the sky!

Pieces of flesh and bones splattered through the air!

Their Essence Souls too failed to escape, obliterated by the sea of energy light!

Thus, “Five Poison Venerable” Du Lie Feng, “Netherworld Demon Heavenly Venerate” Tuoba Feng, and “Purgatory Heavenly Venerate” Li Canying perished!

Yu Qiye, Zhao Kunxuan, and Leng Qianhan fell straight down from the Dark Void, crashing heavily onto the earth!

The ground was smashed, creating three huge pits!

“Continue the attack!”

Ning Hualong roared mightily, launching another fierce attack downwards!

Mu Fusheng and the other seven continued their fierce assaults, preparing to finish off the three!

“Run!!!”

Yu Qiye roared, completely losing confidence and no longer daring to withstand the attacks, directly tearing open the void!

Zhao Kunxuan and Leng Qianhan, both utterly grief-stricken, quickly tore open the void as well!

The three of them entered the void with the utmost speed, fleeing the scene!

And just as the three were escaping!

Boom, boom, boom!

The eight offensive strikes unleashed by Ning Hualong and the others had already bombarded down, creating an abyss pit in the earth with a diameter of tens of thousands of meters!

The soil in the abyss pit turned to scorched earth, causing hearts to tremble!

“Damn, let those three old fools escape!”

Ning Hualong gritted his teeth and roared.

“No matter!”

Mu Fusheng raised his hand and said, “These three guys have been severely injured, it will take a long time for them to recover!

Moreover, they now have shadows in their hearts, I reckon they won’t dare to make trouble again!”

Duan Kongcheng nodded, “This time, let’s spare their lives.

If there’s a next time, kill without mercy!”

“Hmm!”

Everyone else nodded emphatically.

In fact, as Heavenly Immortals, they all knew each other.

If not compelled, they were not willing to take lethal measures.

After all, attaining the level of Heavenly Immortal is not easy, none would wish to destroy another’s cultivation attainment.

It’s just that these guys were too detestable, disrupting the Kunlun Ruins, thus they had a murderous intent.

Chapter 2426: Complete Collapse!

Witnessing the deaths of “Five Poison Venerable” Du Lie Feng, “Netherworld Demon Heavenly Venerate” Tuoba Feng, and “Purgatory Heavenly Venerate” Li Canying!

“Another three Heavenly Immortal Ancestors have died...

What do we do...

What should we do?!”

“Nine now...

Nine Heavenly Immortal Ancestors of our side have died!”

“It’s over...

Everything is over...

It’s all finished!”

“It’s not over yet...

It’s not finished!

We still have six Heavenly Immortal Perfected Stage Ancestors fighting!”

“Keep fighting...

Keep fighting!”

Most people in the Ten Thousand Demon Valley Camp completely collapsed, lost faith and morale in despair.

Yet some still couldn’t believe this reality, acting frenzied as they fought desperately.

“Damn it, still not willing to admit defeat, huh?”

Then let’s keep fighting, Lord Buddha’s not done killing yet!”

“Brothers, let’s finish these guys off and show them what we’re made of!”

“Really think you can dominate the Kunlun Ruins with just yourselves, dream on!”

Bujie, Ning Jianfeng, Ji Longyue, and Baili Wushuang and others roared and launched their final furious assault!

With the death of nine major Heavenly Immortal Ancestors on the opposing side, people from the Supreme Sect Camp were brimming with confidence and morale!

Everyone seemed to forget their fatigue, soaked in blood, dragging their injured bodies, they continued with fierce attacks!

People from the Ten Thousand Demon Valley Camp were utterly defeated, showing a stance of complete collapse!

At this moment.

In a dark void miles away.

Boom boom boom!

Rumble rumble!

Collisions and explosions resounded ceaselessly!

Battling in this dark void were twelve Heavenly Immortal Perfected Stage fighters!

The great battle was also reaching its critical moment!

Six of them wereâ€”

“Fiend Celestial Heavenly Venerate” Gu Tianshang, “Evil God Heavenly Venerate” Linghu Wuxie, “Azure Dragon Ancestor” Ji Qingcang!

“White Tiger Ancestor” Baili Langya, “Vermilion Bird Ancestor” Tantai Qian Chuan, “Black Tortoise Ancestor” Yi Qiankun!

The other six wereâ€”

“Blood Flame Ancestor” Lu Qianqiu, “Soul Devouring Ancestor” Lingtian Cliff, “Ten Thousand Demon Ancestor” Tuoba Xiao!

“Mingxie Ancestor” Ye Mingkong, “Ancestor Sky Demon” Tu Zhen Shan, “Nine Nether Ancestor” Zu Xuangang!

Both parties exhausted all their techniques and fiercely attacked each other!

Comparing cultivation techniques, comparing Dharma Idols, comparing Dharma artifacts, the battle was fierce beyond words!

One could say, the outcome of these two sides will determine the result of this great battle!

However, in the intense battle just now, both sides were injured!

Their bodies were covered in wounds, with blood flowing incessantly!

But, the injuries on Gu Tianshang's group were clearly much lighter than those on Lu Qianqiu's group!

At this very moment!

Under the fierce battle of the twelve!

The dark void continued to expand, spreading hundreds of miles!

Flashes of light, surges of energy, currents of chaotic air swirling!

The mountains, the earth, and the forests below also suffered unprecedented destruction and devastation!

Rumble rumble!

Following a series of roaring explosions!

Both sides were blasted away!

Scattering a great deal of blood along the way!

Both sides were sent flying for nearly a thousand meters before they finally stabilized their bodies!

“Continue, fight!”

Lu Qianqiu roared, forcefully swinging his saber, unleashing a myriad of deadly moves!

“Blood Saber Chaos Sky!”

“Blood Flame Sky Burial!”

“Blood Flame Immortal Domain!”

In an instant!

Tens of thousands of giant sabers burning with blood-colored flames tore through the void above, like fiery meteors, bursting towards Gu Tianshang’s group!

Thick torrents of blood-colored flames like a reversed Nine Heavens Milky Way poured down, seeking to burn everything to ashes!

One domain transformed above, with peaks of Blood Flame Mountain rising, a blood-colored sea of fire surged and crushed upwards!

“Soul Devouring General!”

“Swallowing Heaven and Devouring Earth!”

“Soul Devouring Evil Domain!”

Lingtian Cliff also unleashed heavy deadly moves, attacking upward!

Ten giant figures thousands of feet tall stood up, each wielding various huge weapons, charging into battle!

A massive black vortex congregated in the sky above, resembling a primordial giant beast opening its gaping maw to devour everything!

A domain also materialized in the sky, where countless Yin souls fluttered and surged with overwhelming ferocity!

“Ten Thousand Demons Destroying the World!”

“Demon King Immortal Platform!”

“Ten Thousand Demon Killing Domain!”

Tuoba Xiao also unleashed all his killing moves, attacking ferociously!

Just as Lu Qianqiu, Lingtian Cliff, and Tuoba Xiao launched their fierce attacks!

Gu Tianshang, Linghu Wuxie, and Ji Qingcang directly initiated their counterattack!

“Fiend Celestial Thousand Hands!”

“Twelve Shaman Primal Heavenly Art!”

“Six Paths God Demon Map!”

Gu Tianshang’s body shook, and behind him, tens of thousands of giant arms conglomerated again!

The twelve Ancestral Magi stood tall and defiant, dominating the sky above!

An ancient map formed in the sky above, depicting six paths of mysterious phenomena!

“Kill!”

Gu Tianshang, wielding a halberd and leading the twelve Ancestral Magi, launched a massive onslaught!

“Nine Death Evil Gods!”

“Thunder Fire Heavenly Punishment!”

“Evil God Domain!”

Linghu Wuxie also went full throttle, unleashing his fighting power and killing moves!

Nine formidable Evil Gods, each thousands of feet tall and wielding giants weapons, charged into the fray!

An Evil God Domain also formed in the sky above, wreaking suppression!

“Ten Thousand Dragons Soaring!”

“Dragon Spear Breaks the Sun!”

“Nine Heavens Dragon Domain!”

Ji Qingcang, with his hair flying wildly, launched a supremely fierce attack!

Tens of thousands of giant dragons roared forth!

Tens of thousands of huge spears exploded out!

A divine dragon domain formed, bringing suppression from above!

Boom!

Boom!

Thunderous collision and explosion sounds resonated ceaselessly!

The combined assaults of Gu Tianshang, Linghu Wuxie, and Ji Qingcang were extremely fierce, directly neutralizing the attacks launched by Lu Qianqiu, Lingtian Cliff, and Tuoba Xiao!

Lu Qianqiu and his companions were forced to retreat repeatedly in defeat, with blood and flesh splattering, the situation extremely brutal!

“Gu Tianshang, both of us are at the Heavenly Immortal Perfected Stage, why are you stronger than me, why!”

“Linghu Wuxie, I will not lose to you, I won’t!”

“Ji Qingcang, come on, continue the battle!”

Lu Qianqiu, Lingtian Cliff, and Tuoba Xiao roared furiously, completely losing their minds, and continued their counterattack!

As Gu Tianshang and Lu Qianqiu fought chaotically and blood spilled across the sky!

Not far off, Baili Langya and Ye Mingkong, along with four others, also engaged in a formidable fight!

“White Tiger’s Chaotic World!”

“Nine Revolutions Thunder Destruction!”

“White Tiger Immortal Domain!”

Baili Langya roared out, his hair and robes flying wildly, unleashing all his killing moves!

Tens of thousands of huge White Tigers, each hundreds of feet tall, roared forth!

A nine-colored sea of thunder initiated waves of thunder, surging upward!

A White Tiger Immortal Domain evolved and brought suppression from above!

“Burning Sky Fire Seal!”

“Great Sun Meteor!”

“Vermilion Bird Immortal Domain!”

Tantai Qian Chuan’s body trembled, with his aura and fighting power fully unleashed, consecutively deploying killing moves!

A Flame Seal, inscribed with Vermilion Bird totems, formed like a towering mountain, suppressing from above!

A fiery sun surrounded by a myriad of fiery meteors pressed down!

A domain transformed, with the Vermilion Bird striking across the heavens, its flames surging, incinerating the world!

“We are all at the Heavenly Immortal Perfected Stage, how could we easily admit defeat, fight on!”

Ye Mingkong roared with shaking ferocity, his aura and combat power bursting forth, launching a counterattack!

His hair and robes fluttered dramatically, with demon energy soaring and an intimidatingly fierce presence!

Chapter 2427: Sending You to Hell!

They are all at the Heavenly Immortal Perfected Stage, supreme beings that tower over the two Immortal Worlds!

Thus, they each possess their own pride and naturally would not easily admit defeat!

“Seven Killings Evil Soul!”

“Evil King Ancient Scripture!”

“Nine Paths to Heaven!”

As Ye Mingkong’s thunderous roars echoed throughout Heaven and Earth!

Seven enormous giants thousands of meters tall, each wielding massive weapons, arose as if seven ancient evil kings had descended upon the world, launching a grand slaughter!

Ancient characters and runes gathered in the sky above, as if an ancient evil king was chanting scriptures, forming a long river that surged upwards!

Nine beams of light, each containing the power of one of the Great Dao, broke open the void, washing down!

“Twelve Heavenly Demons!”

“Nine Layers of Demon Sect!”

“Sky Demon Domain!”

Tu Zhen Shan roared out loud, unleashing all his killing moves!

Twelve massive Heavenly Demons, thousands of meters tall, stood up wielding giant weapons, charging into battle!

Nine doors engraved with ancient demon totems rose like nine great mountains, pressing forward together!

A Demon Domain materialized above, where Ten Thousand Demons roared, launching their suppression!

“Ten Halls Yama!”

“Nine Nether Thunder!”

“Nine Nether Hell!”

Zu Xuangang's body trembled, his aura fully unleashed, his combat power at its maximum, as he executed numerous killing moves!

Ten massive Yama Kings thousands of meters tall, clad in royal robes and wielding various giant weapons, charged into a massive slaughter!

Dark clouds churned overhead with chaotic currents surging, as thick dark lightning strikes thundered down!

A domain materialized in the sky as if Nine Nether Hell had descended upon the world, launching a suppression!

In an instant!

Clang clang clang!

Boom boom boom!

The clash between the attacks of Baili Langya's group of three and Ye Mingkong's group of three collided continuously in the Dark Void!

Triggering a world-shocking great explosion!

The sounds of the explosion incessantly resonated, shaking Heaven and Earth, spreading across the entire Bushi Mountain realm!

However, Ye Mingkong's group was ultimately a bit weaker, getting blasted away, scattering a large amount of fresh blood!

"Continue, give them the final blow!"

Ji Qingcang shouted, rousing his body's energy to its peak, launching a fierce attack!

Gu Tianshang and the other four didn't hesitate either, mobilizing all their body's energy to launch into an offensive!

"Counterattack!"

Tuoba Xiao screamed, also mobilizing his energy to its ultimate limit, launching a counterattack!

Naturally, Lu Qianqiu and his group of five did not hesitate, striking back simultaneously!

At this moment!

The attacks from both sides transformed into two vast seas of energy light, colliding heavily in the sky!

Boom!

...

The sounds of collision were deafening, as if they spread across the entire Central Continent!

The Heaven and Earth of the entire Bushi Mountain realm trembled violently, as if they were about to be completely destroyed, terrifying to the extreme!

Especially the energy and light emitted from the collision, shockingly destructive, instantly annihilating everything around!

Everyone looked up at the Dark Void above, shivering, breathing rapidly, sweating profusely!

Various lights flickered within, various energies surged, vast and magnificent, boundless!

However, even though Tuoba Xiao's group launched their strongest attacks, utilizing various means, they still could not withstand the fierce onslaught from Gu Tianshang's group!

"Ah ahhhh..."

Tuoba Xiao and his group screamed in agony, flying backwards, their bodies exploding into a mass of flesh and blood, utterly gruesome!

"Damn it!

We are ultimately overpowered, ultimately overpowered!"

Tuoba Xiao roared toward the sky, exclaiming, "Go!!!"

Afterward, Tuoba Xiao's group used every trick in the book, striking one final blow!

In the next instant!

Tuoba Xiao and his group immediately tore open space, entering the void, fleeing the scene!

Boom boom boom!

In this vast world, only the roaring sounds of explosions echoed, with energy and light flickering and surging!

"Mountains and rivers will meet, we will meet again one day, and we will fight again!"

"Next time, we will not be defeated by you again!"

Voices resounded through heaven and earth, reaching everyone's ears.

Gu Tianshang and Ji Qingcang, along with six others, looked up at the distant sky, their expressions neither joyful nor sad.

Until the light and energy completely dissipated.

The dark void above finally returned to calm.

It was quiet for a good while.

People from the Ten Thousand Demon Valley Camp wailed miserably, completely thrown into chaos!

"Our side's eighteen Heavenly Immortal Ancestors, nine dead and nine escaped, we've lost, we've completely lost!"

"A year's plans, all in vain, damn it, hate it!"

"Even the Heavenly Immortal Ancestors have fled, what are we waiting for, run!"

"Anyone who doesn't want to die better run now!"

People from the Ten Thousand Demon Valley Camp were scared mad, turning their heads to run.

Some fled through the air, some piloted flying immortal treasures to escape.

The remaining seven sect masters and many elders of the fifteen great Evil Demonic Sects mingled in the crowd and desperately fled for their lives.

Yang Luo took a deep breath and shouted, "Brothers, don't let them escape!"

Especially the people from the fifteen major sects headed by Ten Thousand Demon Valley, not one left, kill them all!”

Saying this, Yang Luo chased after them with his sword!

He could ignore the others!

But he wouldn’t let go of anyone from the fifteen Great Sects led by Ten Thousand Demon Valley!

This grand battle was stirred up by these fifteen Great Sects!

These troublemakers, they must be eradicated, never allowing them a chance to regroup!

“Brothers, chase them!”

“Don’t let them escape!”

“Wipe them out!”

Bujie and Ning Jianfeng, among others, led the Supreme Sect Camp in fervent pursuit.

The great Heavenly Immortal Ancestors also stepped forward, chasing after them.

Although people of Ten Thousand Demon Valley Camp were fleeing fast!

They were still caught up by the Supreme Sect Camp!

“Fight them to the death!”

“Even if we die, we’ll drag more people to die with us!”

“Let’s perish together with them!”

Tuoba Ye, Ye Canghai, and other sect masters, seemingly driven mad, screamed aloud, leading the people of the fifteen Great Sects to charge forward.

“Tuoba Ye, Ye Canghai, Tu Wanxian, Ling Tianhun Give me your lives!”

Yang Luo roared furiously, turning into a stream of quick lightning, attacking towards Tuoba Ye and the others!

“Someone help, quick!”

“Stop this kid, stop this kid!”

“Don’t let him get close, don’t let him get close!”

Tuoba Ye and the others were absolutely terrified, screaming at the top of their lungs.

They had already developed a psychological shadow over Yang Luo!

After all, several Heavenly Immortal Ancestors had died at the hands of Yang Luo alone!

“Those who block me die!”

Yang Luo, like a Fiend Celestial in the world, a Slaughter God descended, continuously swung his sword, slaughtering all who stood in his way!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror also surged and enlarged in the wind, fiercely suppressing and attacking upward!

In just a few minutes!

Yang Luo had already killed tens of thousands of people, getting close to Tuoba Ye and the others!

His face was frigid, his eyes flashing with killing intent, he shouted: "It was you guys, always scheming in the dark wanting to kill me, and you also instigated this grand battle, right?"

Old man is sending you all to hell now!"

An elder, with a panicked expression, said: "Mr.

Yang, listen to our explanation, we"

"Explanation your ass!"

Yang Luo roared out loud, severing the sect master's head with a single sword!

Chapter 2428: Annihilation!

"Mr.

Yang, we know we were wrong, we won't dare to do it again!"

"Mr.

Yang, please spare our lives, we really know we were wrong!"

Several sect masters and elders of the fifteen major sects wailed and started begging for mercy.

Yang Luo's eyes grew colder as he said fiercely: "Some mistakes may be forgiven, but some can never be forgiven!

You realize your mistakes now and want to live, why did you do it in the first place?

The people who died at your handsâ€”didn't they too want to live?"

With that, Yang Luo swung back with a sword!

Puff puff puff!

Columns of blood surged into the sky along with several severed heads!

The few sect masters and elders who had begged for mercy were directly slain!

Even the Essence Souls of some of the elders were extinguished by Yang Luo's sword!

Seeing that begging was futile!

"Everyone, stop begging this kid for mercy, let's fight him!"

"Even if we die, we'll drag him down with us!"

"This kid has exhausted himself in the long battle and has sustained severe injuries, we have a chance to die together with him!"

“Kill, kill him, kill him!!!”

Tuoba Ye, Ye Canghai, Tu Wanxian, and Ling Tianhun all howled!

With fierce glares, they went insane, leading tens of elders and over ten thousand disciples to attack Yang Luo!

Tuoba Ye and the others, with tens of thousands, launched a frenzied and simultaneous attack, assailing Yang Luo!

Even, they all summoned all their Dharma artifacts and attacked frantically!

More than ten thousand attacks all burst out at once, the sky filled with Dharma artifacts in a Suppression Kill!

Like a volcanic eruption, a flood breaking through a dam, the ocean overflowing!

The vast skies and the Void were ground into a large area of shatters!

Mountains and forests below were destroyed and turned into dust!

The vast earth also kept collapsing, revealing one huge abyssal hole after another!

Facing Tuoba Ye and the ten thousand people’s strong and aggressive attack!

Yang Luo stood proudly mid-air, unflinching and unretreating, with an air swallowing the world and a domination unmatched!

His eyes were cold and stern as he said powerfully: “Even if I’m not at my peak, killing you all is still more than enough!”

With that thought, he moved!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror—four Dharma artifacts like four vast and ancient peaks, suppressed and crushed from above!

“Roar roar roar!”

Tens of thousands of golden, black, purple, and blue dragons roared forth!

Countless dragon talismans surged forth from the four Dharma artifacts, turning into four mighty rivers of talismans, washing over everything!

More beams of Immortal rainbows and the Light of the Stars shot out!

Boom boom boom!

Just the fierce assault of four Dharma artifacts destroyed the massive tide of attacks and shattered a great number of Dharma artifacts!

If it wasn't an Immortal Magical Artifact, in front of the mighty power of the Ten Thousand Dragon Cauldron and the other four Dharma artifacts, they were practically negligible!

After all, Yang Luo had now stepped into the realm of Heavenly Immortal and could bring out the full power of the Ten Thousand Dragon Cauldron and the other four Dharma artifacts!

“Continue the attack, don't hold back anything!”

Tuoba Ye howled furiously, leading the ten thousand to launch another fierce assault!

“You still dare to resist, is it useful?”

Yang Luo’s expression grew even colder as he stomped down from Ling Kong!

The power of the Primordial Bloodline, along with the bloodline powers of the Four Great Divine Beasts and the Four Great Fierce Beasts, erupted!

“Roar roar roar!”

With a series of roaring bellows!

The Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts took form and surged upwards to kill!

“Twelve Shaman Primal Heavenly Art!”

Yang Luo once again let out a thunderous roar!

Twelve Ancestral Magi stood tall in the air, like the Ancient Twelve Demons descending, slaying ferociously!

Dong long long!

Boom boom boom!

The sound of collision and explosions continued to rise!

All attacks launched by Tuoba Ye and the ten thousand were destroyed and exploded in the sky!

“Ah ah ah ah...”

The shrill screams never ended!

All of those who charged in the attack were slaughtered!

Chunks of flesh and bone fragments splattered across the sky, causing palpitations!

Many elders' Essence Souls rushed out of their Physical Bodies, looking crazed, charging towards Yang Luo in an attempt to blow themselves up with their Essence Souls and kill him!

"Die!"

Yang Luo slowly raised the sword in his hand and slashed heavily towards the front!

Swish!

The huge golden sword, over three thousand yards long, tore the firmament, cracked open the Void, and unleashed terrifying sword intent and sword might!

Boom boom boom!

Before those elders' Essence Souls could get close, they were all exterminated and exploded in the sky!

Only Tuoba Ye, Ye Canghai, and Tu Wanxian were left!

"Run!

Run for your lives!"

“This kid is a devil, a devil!”

“We can’t kill him, we just can’t!”

The trio of Tuoba Ye were terror-stricken, they dared not continue the fight and turned to flee!

“Running?”

You think you can escape?”

Yang Luo’s voice was cold and indifferent as he swung his sword again, slashing horizontally towards the three fleeing Tuoba Ye!

Swish!

A resplendent and dazzling golden crescent arc swept across the long sky, severing layers of the Void!

Puh puh puh!

The heads of Tuoba Ye’s trio were directly beheaded, with copious amounts of blood spurting out!

“Aaahhhhh!”

“You little beast, I’ll fight you to the death!”

“Little beast, I want to perish together with you!”

The Essence Souls of Tuoba Ye’s trio burst forth from their Physical Bodies, frantically lunging at Yang Luo!

Yang Luo's expression remained indifferent, as unflustered as a lake without ripples, and he swung out another sword strike!

"Dragon Rebel Sword Formation!"

In an instant!

Countless golden flying swords converged, forming a gigantic Sword Formation that trapped the Essence Souls of Tuoba Ye's trio!

"Die!"

Accompanied by a cold shout!

Swoosh swoosh swoosh!

Innumerable golden flying swords shot out simultaneously at the Essence Souls of Tuoba Ye's trio!

"No..."

No!!!!"

"I don't want to die..."

I don't want to die!!!"

"Save me..."

Save me!!!”

The Essence Souls of Tuoba Ye’s trio let out miserable and piercing screams.

Soon, their voices dissipated, and their Essence Souls were utterly obliterated into dust, perishing along with their paths!

At this point, the sect masters and many elders of the fifteen great Evil Demonic Sects had all perished!

Yang Luo’s eyes showed no trace of mercy or sympathy, as he turned directions and charged towards the rest of the people from the fifteen great Evil Demonic Sects!

The people of the Supreme Sect Camp also launched their final onslaught!

Two hours later.

Not until the sun rose and its rays bathed the land.

The entire army of half a million people from the fifteen great Evil Demonic Sects, led by the Ten Thousand Demon Valley, was completely slain!

Many from the sects and clans who had taken advantage of the chaos to incite trouble were also all killed!

The camp of the Ten Thousand Demon Valley which had over two million people, now only had over eighty thousand left!

“We were wrong, we won’t dare again, please spare our lives, noble heroes!”

“It was all because the Ten Thousand Demon Valley and the other major sects forced us, if we didn’t comply, they would have annihilated us!”

“We truly regret getting involved in this great battle, we are willing to accept punishment!”

All these eighty thousand people threw away their weapons, knelt down, their grief unbounded, and started to beg for mercy.

Ji Qingcang turned his head to look at Yang Luo and asked, “Little Luo, how do you think these people should be dealt with?”

Baili Langya, Tantai Qian Chuan, Yi Qiankun, and the others also turned their gazes to Yang Luo, curious to see how he would handle the situation.

Yang Luo furrowed his brows, deep in thought.

He originally wanted to exterminate all these clans and sects.

But on second thought, he gave up on the idea.

After all, the fifteen great Evil Demonic Sects had already been annihilated.

As for these sects and clans, they could either be exterminated or spared.

Chapter 2429: Not Established Without Breaking, Break and Then Establish!

Moreover, too many people perished in this battle.

Even if the great battle has ended, the severe damage inflicted on Kunlun Ruins will not recover its vitality for a short time.

Furthermore, in the near future, the three major races will launch an attack on Earth to battle the Three Realms.

Therefore, it is necessary to preserve the surviving forces of Kunlun Ruins for the future confrontation with these three races.

At this moment.

The entire scene turned quiet.

More than eight hundred thousand people anxiously looked towards Yang Luo.

After all, Yang Luo now controlled the power of life and death.

Their lives and deaths were dependent on a single thought from Yang Luo.

The people of the Supreme Sect Camp also looked towards Yang Luo, waiting for his commands.

There was silence for a while.

Yang Luo took a deep breath, raising his eyes to look at the more than eight hundred thousand people nearby.

His expression cold, he loudly declared, "Now, the fifteen Evil Demonic Sects led by the Thousand Demon Valley have all been exterminated!

Pondering that you were forced into joining this great battle, I can spare your lives once!"

Upon these words!

The remaining more than eight hundred thousand people broke into tears of joy!

“Thank you, Mr.

Yang, for sparing our lives, thank you, Mr.

Yang!”

“How can we continue to call you Mr.

Yang?

We should be calling you Heavenly Venerate Yang instead!”

“Heavenly Venerate Yang, we promise never to do this again!”

“Heavenly Venerate Yang, from now on we will honor you as our sovereign!”

More than eight hundred thousand people kowtowed in tears of gratitude and thankfulness towards Yang Luo.

Yang Luo continued: “Everyone, since you are all part of the Kunlun Ruins!

You should contribute to the development of Kunlun Ruins, rather than causing chaos here!

If Kunlun Ruins were destroyed, it would be of no benefit to anyone!

If one day Kunlun Ruins face a great disaster!

At that time, I hope that you can all join hands to fend off the external enemies!”

“Heavenly Venerate Yang, we will forever remember your teachings!”

“Heavenly Venerate Yang, we will sincerely repent and thereafter contribute to the development of Kunlun Ruins!”

People expressed their stances one after another.

Yang Luo said loudly, “Empty words are useless, I will judge by your future actions!”

“Yes, Heavenly Venerate Yang!”

The crowd responded in unison.

Afterward, more than eight hundred thousand people bowed deeply to Yang Luo and Ji Qingcang among others.

Then, the various sects and families present took their injured disciples and left the area on ancient boats.

After these sects and families departed.

“Haha, we won, this battle is ours!”

“Since ancient times, righteousness prevails over evil, we have finally achieved the final victory!”

“Thanks to Heavenly Venerate Yang bringing people to assist, we were able to turn the situation around and transform defeat into victory!”

“Long live Heavenly Venerate Yang, long live all the Heavenly Immortal Ancestors!”

The people of the Supreme Sect Camp were jubilant and overjoyed.

Yang Luo looked towards Ji Qingcang and others, and asked, “Honorable Heavenly Immortal Ancestors, is my handling of this matter proper?”

“Naturally, it’s appropriate.”

Ji Qingcang nodded, adding, “With the fifteen Great Evil Demonic Sects led by Thousand Demon Valley now obliterated, these people won’t be able to stir up any more trouble.”

Mo Yunfan nodded and said, “After all, these sects and families were forced to join the Ten Thousand Demon Valley Camp and participate in this great battle.

Now that they have repented, we can give them a chance to reform.”

Qilin family’s long sigh, he said, “Although this battle has ended, our Kunlun Ruins have suffered significant damage, and it’s uncertain how long it will take to recover our vitality.”

The other Heavenly Immortal Elders also sighed deeply.

Yang Luo bowed and said, “Honorable Heavenly Immortal Ancestors, as the saying goes, one must be broken to be established, and establish after being broken!

Though this great war has brought severe damage to Kunlun Ruins, it has also eradicated the cancer!”

“The future of Kunlun Ruins will definitely flourish!”

“Little Luo is right, one must always look on the bright side of things!”

“Without breakdowns, there can be no breakthroughs.

Well said!”

“As long as it leads to a better development of Kunlun Ruins in the future, enduring this war is worthwhile!”

Ji Qingcang and others all smiled and nodded, looking at Yang Luo with admiration.

Qilin family caressed his beard and smiled, saying: “Little Luo is increasingly resembling the leader of the Kunlun Ruins!”

Gu Tianshang joked as well: “Not just the leader of Kunlun Ruins, this lad could well be the ruler of Penglai Immortal Island and the secular world!”

“Holy shit!”

Bujie came over, surprised, saying: “Doesn’t that mean my Brother Yang is the Lord of Three Realms?!”

“Exactly, the Lord of Three Realms!”

Ji Qingcang and others all nodded together.

Yang Luo helplessly said: “Heavenly Immortal Ancestors, please stop teasing me.

I am not worthy of being the Lord of Three Realms!”

“Hahaha...”

Ji Qingcang and the others burst into laughter.

In the time that followed.

The camp of the Supreme Sect, disciples from various sects and families began to clean up the battlefield.

After the cleaning up of the battlefield.

Everyone boarded ancient boats, flying towards the Supreme Sect.

Along the way.

Yang Luo handed over several storage bags he had collected to Ji Longyue and others, saying: "These storage bags were from those Heavenly Immortal Ancestors.

Inside are many Immortal Items and Quasi-Immortal weapons and Dharma artifacts, go ahead and divide them."

"Haha, thanks Brother Yang!"

"Brother Yang is really generous!"

"Brother Yang, I love you to death!"

Everyone was excited and began distributing the treasures.

They joyfully shared the items, one for you and one for him.

“Kid, this saber is an Immortal Item, it was dropped by Lu Qianqiu while fleeing for his life, it’s yours now!”

At that moment, Gu Tianshang threw a saber to Yang Luo.

Yang Luo received the saber and looked at it carefully.

He saw that the saber was emitting a purple glow, abundant in spiritual energy, radiant with immortal light, and engraved with purple lightning patterns.

On the hilt were the four powerful, vigorous letters “Purple Thunder Mad Saber.”

Moreover, he felt a familiar aura.

Yang Luo was suddenly startled, “Could this be a weapon of Purple Thunder Immortal Venerable?!”

“Holy crap!

It couldn’t be from that Purple Thunder Immortal Venerable in the Heaven Burying Immortal Tomb, could it?!”

“It seems that this Purple Thunder Mad Saber must have been found by Lu Qianqiu in the Heaven Burying Immortal Tomb!”

Bujie and others gathered around, marveling at the Purple Thunder Mad Saber in Yang Luo’s hand.

“Senior Gu, my brother just happens to need such a saber, thanks a lot!”

Yang Luo thanked Gu Tianshang.

Gu Tianshang waved his hand, saying: “Do we even need to say thanks among us?”

Yang Luo nodded, then turned to look at Bujie and the others.

They were already eagerly looking at Yang Luo, practically drooling.

Yang Luo, amused, shook his head, and then handed the Purple Thunder Mad Saber to Xu Ying, “Xu Ying, you are skilled with sabers and lack an Immortal Saber, this Purple Thunder Mad Saber is for you!”

“Thank you, Brother Yang!”

Xu Ying took the Purple Thunder Mad Saber, extremely excited, and quickly expressed gratitude.

“Purple Thunder Mad Saber...”

He fondled the saber lovingly and muttered, “I will carry the will of Purple Thunder Immortal Venerable and pursue a higher Great Dao!

From now on, accompany me in conquering the world!”

Boom!

Boom!

The Purple Thunder Mad Saber responded with a series of trembles, seemingly answering Xu Ying!

Chapter 2430: The Top Hero of the Present Age!

Xu Ying slowly lifted the Purple Thunder Mad Saber and ferociously sliced towards the distant sky!

Whoosh!

The enormous, hundred-zhang purple giant sword split the firmament, opening the Void, emanating dazzling and captivating purple saber rays!

Boom!

What's more, streaks of purple wild lightning swept out, shattering vast expanses of the Cloud Sea and the boundless Void!

The Heavenly Immortal Ancestors who were chatting on the ancient boat in the distance looked over, their gazes full of admiration when they saw Xu Ying.

Qilin family lightly smiled and said, "This lad's saber technique is quite good, and he has also awakened the 'Saber Body'; his future is boundless!"

Qin Juechen laughed heartily, "There's no need to say much about Little Luo's strength; he has already surpassed many among us!

And those little guys following him, each one of them is not simple at all!

Once they grow up in the future, they will be able to take charge of the two Immortal Worlds!"

Mo Yunfan stroked his beard and sighed, "We're all getting old, the future belongs to these young ones!"

Ji Qingcang and others nodded in agreement. Seeing the younger generation grow up was indeed a comforting sight for them.

"Treasured saber, treasured saber indeed!"

Bujie excitedly shouted.

“Indeed a treasured saber!”

Mo Qingkuang nodded and said, “With Brother Xu accompanied by the Purple Thunder Mad Saber, his strength is sure to climb to a new level!”

Everyone’s gaze towards Xu Ying was filled with envy.

However, everyone also felt that the Purple Thunder Mad Saber was indeed quite suitable for Xu Ying.

Xu Ying put away the Purple Thunder Mad Saber and once again thanked Yang Luo, “Thank you Brother Yang for the saber!”

Yang Luo smiled and waved his hand, “We’re brothers; there’s no need for thanks.”

With that, Yang Luo looked towards Bujie and others, “Brothers, don’t be jealous.

In the future, when I find better weapons and Dharma artifacts, I will naturally think of you.”

“Haha, Brother Yang is the best!”

“Brother Yang is the most righteous!”

Everyone burst into hearty laughter.

Talking and laughing along the way.

By noon, everyone arrived at the Supreme Sect.

After settling the injured disciples.

Mo Hongtu had a grand banquet prepared to celebrate the victory.

In the great hall.

Dozens of large round tables were arranged, laden with all kinds of delicious foods and exquisite drinks.

Sect Masters and elders from various sects and families were in attendance.

Everyone was toasting each other amidst laughter and joviality, the atmosphere very cheerful.

Mo Hongtu stood up with his cup and announced loudly, "Everyone has worked hard in this battle!

If it weren't for everyone's concerted efforts, we couldn't have achieved the final victory!

So, I toast to all of you, thank you all!"

"Sect Master Mo is too kind, the battle concerns the future of the Kunlun Ruins, and we all should contribute our strength!"

"Anyone who dares to disturb the Kunlun Ruins is our enemy!"

"The Kunlun Ruins doesn't belong to any one person, any family, or any sect, but belongs to us all!"

"Sect Master Mo, let's express everything with our cups, cheers!"

Everyone raised their cups and drained the wine in them.

The disciples standing by hurriedly refilled everyone's cups.

Mo Hongtu then picked up his cup again, looked towards Gu Tianshang and others, "Thanks to everyone from Penglai Immortal Island for bearing no grudges and coming to help!

This second cup, I toast to all of you!"

"Cheers!"

Gu Tianshang and Eastern Wuji among others also raised their cups and emptied the wine within.

Once the wine was poured again.

Mo Hongtu picked up his cup once more, looking towards Yang Luo with a smile, "Everyone, I think this third cup, we should toast to Little Luo!"

"Ah?! Honor me?! "

Yang Luo was instantly flabbergasted.

"That's right!"

Mo Hongtu nodded and said, "Little Luo, if it wasn't for you bringing Senior Gu and the others to help, we wouldn't have been able to achieve the final victory!

Moreover, it is precisely because of you that we were able to turn hostility into peace with Penglai Immortal Island!

Of course, the most important thing is that in this battle, you, Little Luo, have slain several Heavenly Immortals, taking the utmost credit!

Therefore, this cup of wine, we should toast to you!”

“That’s right, we must toast to Little Luo!”

“It’s Yang Heavenly Venerate that united us all, and only then were we able to win this battle!”

“Not only is Yang Heavenly Venerate powerful, but he is also generous and righteous, with a reputation that soars above the clouds, truly the number one hero of our times!”

Everyone praised one after another, raising their wine cups.

Yang Luo exhaled turbid air lightly and said, “Juniors like me being esteemed and valued by all the seniors here is my honor!

Everyone, cheers!”

“Cheers!”

The crowd laughed heartily and once again drained their cups.

After three rounds of wine.

Mo Hongtu asked curiously, “Little Luo, can you tell everyone what you’ve experienced on Penglai Immortal Island during this time?

Also, how did you come to be acquainted with Senior Gu and other heroes?”

Yi Hanshan said with a smile, "Little Luo, I've wanted to ask you for a long time, hurry and tell us!"

Yang Luo said, "Since everyone wants to know, then I will tell everyone about it."

In the following time.

Yang Luo recounted truthfully to everyone present what he and the others had experienced on Penglai Immortal Island.

While listening to Yang Luo's account.

The expressions of the people present varied, sometimes tense, sometimes surprised, sometimes anxious.

Until Yang Luo finished, everyone was still unable to snap out of it for a long time.

Mo Hongtu said admiringly, "I never expected that in just half a year, Little Luo, you have experienced so much on Penglai Immortal Island and faced so many tough challenges!

No wonder you reached the Mid-stage Heavenly Immortal level in just half a year!"

All those from Kunlun Ruins present looked up to Yang Luo even more.

Indeed, no strong person succeeds overnight.

Every strong person grows up after experiencing countless hardships and obstacles.

Yang Luo's experiences also inspired everyone.

At this moment.

Ji Qingcang frowned slightly and said, “Little Luo, what is the deal with the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan you just mentioned?”

Baili Langya also expressed his confusion, “Why have we never heard of these three races?”

The others also turned their gaze towards Yang Luo.

Yang Luo replied with a solemn expression, “Seniors, I was just about to tell everyone about this.

The Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan are three races from other planes.

They are real gods and demons with strange and powerful abilities and formidable strength.

However, these three great races have already set their sights on our secular world, Kunlun Ruins, and Penglai Immortal Island.

I’m afraid that it won’t be long before these three great races will come to Earth to attack the secular world, Kunlun Ruins, and Penglai Immortal Island.”

After a pause.

Yang Luo continued, “Not long ago, these three great races sent people to Penglai Immortal Island; I fought a big battle with those sent by them.

But I only managed to slay one, and let the other two escape.

I reckon that Penglai Immortal Island and Kunlun Ruins have already been thoroughly scouted by the people sent by these three great races.”

All of a sudden, Ji Qingcang seemed to recall something and said, "Little Luo, not long ago, on our way to Bushi Mountain, we encountered four odd individuals!

The abilities of those four were also very peculiar, and their strength was not weak!

I fear that those four are very likely the people from the three great races that you spoke of!"
