

## **Super IDG 2451**

### Chapter 2451: Fiend Celestials Descend!

The once azure Earth had now transformed into a blackened planet.

Within the heavy black clouds, lightning bolts, flames, ice, and storms surged relentlessly.

It was an unsettling sight.

Lin Aocang trembled as he spoke, "The entire Earth is shrouded in black clouds... could it be that those beings have truly arrived?!"

Yi Jiuzhou clenched his fist tightly and said, "I'm afraid those beings really have arrived!"

Right at that moment.

One of the team members spoke up, "Mr. Yi, General Long, the commanders of Country Stars & Stripes, Country White Bear, Country Oxford, Gaule Country, and others are requesting a video call!"

Yi Jiuzhou spoke in a thunderous tone, "Connect them!"

"Yes!"

The team member responded and then picked up the remote, activating the projection on a wall surface.

Soon, the screen flickered, and several video windows appeared on the projection.

The commanders from various nations appeared in the video windows.

The commander of Country Stars & Stripes spoke urgently, “Mr. Yi, General Long, our satellite just sent over footage!

The entire Earth is now enveloped by these black clouds!”

The commander of Country Oxford added, “Our satellite has transmitted the same footage!”

The commander of Country White Bear said shakily, “Could it be... could it truly be...?”

Yi Jiuzhou declared grimly, “They have arrived!”

“What?! They’ve arrived?!”

“Have the gods and demons from the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan truly arrived?!”

“They haven’t even appeared yet but caused such a cataclysmic disturbance, plunging the entire Earth into endless darkness—it’s terrifying beyond belief!”

“What do we do... what should we do now?!”

The commanders from each nation were tense, panicked, and visibly distressed, cold sweat pouring from their faces.

Even though they’ve been preparing for this battle over the past three months,

when the actual confrontation arrived, they were still utterly shaken.

After all, the opponents they faced now were genuine gods and demons!

“Everyone, do not panic!”

Yi Jiuzhou tried to maintain his composure and said, “Since this war is unavoidable, our only option is to face it head-on!”

With that, Yi Jiuzhou swiftly issued command after command to the Hidden Dragon Pavilion team members:

“Activate Level One Alert!”

“Evacuate all civilians to underground shelters!”

“Prepare all combat zones for battle!”

“Inform all Martial Warriors and Esper ability users to prepare for battle!”

“Yes!”

“Yes!”

“Yes!”

The members of Hidden Dragon Pavilion responded thunderously and quickly stood to leave the conference room.

Yi Jiuzhou and Lin Aocang picked up their phones and started making calls.

It was only then that the commanders visible in the video began snapping out of their stupor.

Indeed, this was no time for panic or despair.

Even if they were about to face gods and demons, they couldn't afford inaction.

The commanders began making calls and issuing orders of their own.

At this moment.

With orders dispatched left and right.

Governments across the globe sprang into action.

Armored vehicles roared down city streets.

Helicopters buzzed across urban airspace.

"The three major races are about to launch an attack on Earth!"

"Please evacuate orderly to the underground shelters!"

"Do not linger on the streets or in your homes!"

"Evacuate immediately! Evacuate immediately!"

Hearing these grim announcements.

People across the world erupted into total panic.

Even though they had mentally prepared themselves,

when the actual apocalypse descended upon Earth,

who could stay unafraid?

Who could remain unpanicked?

“Oh my god, the three races are truly invading!”

“Those are actual gods and demons! Can we really defeat them? Can we even survive?!”

“Our world has plenty of Esper ability users, and the Eastern true immortals, not to mention Mr. Yang is among us!”

“Yes, with Mr. Yang leading us, we’ll surely triumph over the three races!”

The people of the world were wracked with anxiety and plunged into an ocean of fear!

But there were still some who held onto hope!

Meanwhile.

Above the Pacific Ocean.

Its vast, boundless waters radiated immense oppression.

In the skies overhead.

Frenzied winds howled, clouds raged, thunderclaps echoed, flames burned, and ice churned.

The ocean itself surged violently, sending colossal waves skyward.

The towering waves seemed to bridge sea and sky, like titanic pillars upholding both heavens and Earth.

But suddenly.

BOOM BOOM BOOM!

Deafening explosions echoed across the sky!

The thunderous sounds jolted all nations surrounding the Pacific Ocean!

As the cacophony erupted!

Three massive Void Caves ripped open across the vast, endless sky!

Each Void Cave was enormous, with a diameter stretching hundreds of miles!

Their interiors were dark and deep, resembling bottomless black holes ready to devour everything!

And then...

Three enormous beams of light shot out from the Void Caves, enveloping them entirely!

The central Void Cave emitted a nine-colored radiant beam, dazzling and brilliant!

The neighboring Void Caves released beams of platinum and black-gold light!

It was as if three Great Daos had been carved into the sky above!

As the three Great Daos unfurled!

BOOM BOOM BOOM!

The three Void Caves began trembling violently!

BANG! BANG! BANG!...

Thunderous war drums rumbled forth, their sound sweeping across the entire planet like rolling heavenly thunder!

Alongside the war drums, incomprehensible roars from mutated beasts echoed forth!

Before long.

Three thousand massive Divine Ships and Demon Ships, each hundreds of meters long and adorned with divine lights, demonic radiance, and towering banners, emerged from the Void Caves!

Thirty thousand War Chariots surged out from the Void Caves!

“ROAR—!”

Millions of Divine Beasts and Demonic Beasts let out earth-shaking cries as they descended!

In that moment!

The entire Pacific Ocean sky was flooded with Divine Ships, Demon Ships, War Chariots, Divine Beasts, and Demonic Beasts!

Unrelenting as the tide, magnificent beyond description, boundless in scope!

Every Divine Ship, Demon Ship, and War Chariot bristled with soldiers!

Many rode atop the Divine Beasts and Demonic Beasts!

Most of these figures were clad in golden, platinum, and black armor, wielding swords, spears, and halberds, their expressions ice-cold and exuding dreadful aura and might!

Others donned various other mystical attire, their overwhelming presence even greater, their aura more terrifying!

Some emanated holy light, halos hovering above their heads, feathered wings extending from their backs, resembling the Angels and Elven Mages of myths!

Some were gargantuan in stature, towering at ten meters, dozens of meters, or even a hundred meters tall... like imposing mountains piercing the heavens!

Some were imposing and grotesque, sporting tiger heads, lion heads, wolf heads, eagle heads, and other beastly forms—strange in appearance, yet radiating unmistakable Divine Might!

Others were burly and monstrous, horned atop their heads, faces twisted into fiendish snarls, their bodies wreathed in lightning bolts, flames, and ice—like the demons of legend!

These were none other than the Fiend Celestial Army of the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan, numbering in the tens of millions!

The clans under their command—Angels, Elven Mage Clan, Giants, Beast God Clan, Thunder Demon Clan, Flame Demon Clan, Wind Demon Clan, Ice Demon Clan, Stone Demon Clan—had all gathered!

The gods and demons had descended upon Earth... the epic battle was about to erupt!!!

## Chapter 2452: Humanity's Rebellion!

At this moment!

Satellite aerial footage broadcast the image of the Pacific Ocean to the entire world!

All of humanity saw this terrifying and earth-shaking scene!

“Oh my god, they’ve arrived! The Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan are really here! Mr. Yang was right about everything!”

“They’re actual gods and demons, and they’ve brought over ten million of them all at once!”

“Oh my gosh, they’ve come with such numbers—they truly mean to wipe out humanity!”

“Can we really defeat them?!”

All across the world, people’s faces turned pale, their bodies trembling, gripped by the utmost terror.

At this moment.

An angel with three pairs of feathered wings stepped forward and spoke in a loud voice: “Humans of Earth, listen!

Do not make futile resistance—it’s useless!

Death is your only choice!”

A god engulfed in flames stepped out, laughing sinisterly: “The hour of slaughter officially begins. Are you ready?”

A demon surrounded by crackling lightning stepped forward, speaking mockingly: “We know that this Earth possesses many Esper ability users and even some true immortals!

But you’d better stay hidden; do not come out!

Once you show yourselves, you’ll meet a miserable end!”

A god emanating a biting chill emerged, his tone indifferent: “No matter where you hide, we will root you out!

The only thing waiting for you is death!”

The voices of the four rolled like thunder, resounding across every corner of the globe!

The entire world heard their threats, ridicule, and derision!

“Damn it! Do gods and demons really think they can stand above humanity?!”

“What kind of crap gods are they? I don’t believe they can really exterminate all of us!”

“These bastards are too arrogant—we must annihilate every last one of them!”

Despite shaking with hatred, humanity’s fear only grew deeper.

And then, at this very moment!

BOOM! BOOM! BOOM!

Countless missiles surged forth like a vast tide from every direction, blasting toward the Fiend Celestial Army hovering above the Pacific Ocean!

BOOM! BOOM! BOOM!

The sound of explosions rang out incessantly, shaking the heavens and the earth!

Firelight shot skyward, dark smoke billowed in thick plumes!

Mushroom clouds rose one after another into the air!

“Ahhhhh...”

“Awooooo...”

Caught off guard, many divine weapons and generals, demon soldiers and demon generals, as well as Divine Beasts and Demon Beasts, were directly blasted to death!

Blood and flesh splattered the skies; shards of bone flew in every direction—a horrifying sight!

“Courting death!”

“Activate the protection shields!”

“These human ants dare to launch a proactive attack?!”

“Despicable humans, do you not even understand the meaning of death?!”

The True Immortals, Earth Immortals, True Fiends, and Earth Fiends let out furious roars and bellows.

All Divine Ships, Demon Ships, and War Chariots began to generate massive light shields, enclosing the gods and demons within.

BOOM! BOOM! BOOM!

The barrage of missiles and shells struck against these enormous light shields, erupting in continuous thunderous detonations!

But these shields were exceptionally dense and impenetrable; not a single one was breached!

At this moment.

Tens of thousands of warships deployed by nations around the world sped across the Pacific Ocean, rapidly approaching.

Tens of thousands of fighter jets in various models also came surging in from all directions.

“Open fire!”

“FIRE!”

Angry shouts erupted from the warships and fighter jets.

BOOM! BOOM! BOOM!

Countless missiles and shells were unleashed again from the ships and planes, continuing to bombard the gods and demons!

“Slaughter humanity!”

“Leave no one alive—kill them all without mercy!”

The True Immortals, Earth Immortals, True Fiends, and Earth Fiends issued commands.

One by one, the Divine Ships, Demon Ships, and War Chariots began advancing, braving the torrential rain of shells and missiles, preparing to sweep across the entire globe in a campaign of slaughter.

Divine Beasts and Demon Beasts were also sent out, soaring through the skies.

“With just a few rickety boats and planes, you mortals think you can shake gods and demons? Know your place!”

A towering giant over a hundred meters tall, wielding a gigantic axe just as long, charged into the void with unstoppable ferocity!

BANG! BANG! BANG!...

The very fabric of the Void cracked and collapsed beneath his feet!

BOOM! BOOM! BOOM!...

Fighter jets were smashed to pieces against his mountainous frame like insignificant specks!

The concentrated missile and cannon fire that landed on him was as inconsequential as drizzle and couldn't hurt him at all!

“All of you, die!”

He swung his massive axe down toward the ocean ahead!

SWISH!

An enormous axe strike, hundreds of meters across, tore through the sky and the Void!

Dozens of warships on the sea were split into fragments by that one strike!

The ocean itself was cleaved open, leaving a colossal abyss hundreds of meters wide, refusing to close!

“Arghhhhh...”

The screams of thousands aboard the destroyed ships echoed out, only to be silenced as they perished!

The majority didn’t even have time to scream before exploding into pools of blood!

“Hahaha, bring me more!”

The giant laughed uproariously, raising one massive foot to stomp downward mercilessly!

CRASH!

The sea below saw dozens more warships crushed under his foot!

Thousands of crew members were trampled to death in an instant!

The ocean itself caved inward, massive waves erupting in their wake!

Several more giants from the Giants Clan charged out, unleashing fierce assaults!

Their strength was unparalleled; with a mere gesture, they caused earthquakes and tsunamis!

The fighter jets in the sky and the warships at sea were all shattered and swallowed whole!

WHOOSH!

Gigantic waves surged upward like water cannons, smashing the incoming missiles and shells to fragments!

Several angels of the Angel Clan flapped their wings, lightly waving their right hands, sending out blazing, radiant divine light!

BOOM! BOOM! BOOM!

Beams of brilliant light sliced through the sky like a barrage of gunfire, obliterating the fighter jets above and destroying the already faltering warships below!

Several gods flew out as well, invoking various Divine Arts!

Bone-chilling frost expanded outward, transforming into a boundless frozen sea, freezing the oncoming shells, missiles, and jets in mid-air, sending them plummeting to the depths!

The vast ocean and numerous warships were frozen solid, becoming vast, icy sculptures!

Ferocious lightning rained down from the heavens, shattering everything within range!

Blazing flames spread like an apocalyptic fire sea, engulfing and annihilating everything!

Tornadoes howled, tearing through sky and sea, shredding the fighter jets and warships to pieces!

Even under this onslaught, missiles and shells continued launching, attempting destructive bombardments!

Satellite missiles pierced through layers of dark clouds, targeting the gods and demons with deadly precision!

“Fight them to the end! Even if we can only hold them for a second or a minute, we must stop them!”

“Hold the line, no matter what—don’t let them get through!”

“They cannot be allowed to wreak havoc across the world!”

The warriors aboard the warships and fighter jets roared with unshakable determination.

Warships continued to arrive from all directions, launching ferocious attacks!

Waves of fighter jets flew in, hurling themselves into battle!

Many even aimed straight at the gods and demons, prepared to collide with them in an act of mutual destruction!

Chapter 2453: Chaos in the World!

Bang! Bang! Bang!

Boom! Boom! Boom!

The sounds of impact, explosions, roars, and screams echoed endlessly!

The entire sky and seas above the Pacific Ocean had descended into chaos!

Fire erupted everywhere, thick smoke billowed, and debris scattered wildly!

Though humanity had long prepared and launched an all-out assault at the first moment!

And even managed to eliminate some of the divine weapons and generals, demon soldiers and generals, and divine beasts and demons!

However, once the gods and demons regained their footing, they launched a devastating counterattack!

Humanity's advanced technology weaponry proved ultimately ineffective!

In less than half an hour!

Over ten thousand warships and tens of thousands of aircraft were completely destroyed!

Fragments of warships and aircraft littered vast stretches of the ocean!

The seas were covered with numerous floating corpses, their blood staining the waters red!

The air was thick with the stench of blood!

"This is terrifying, absolutely horrifying! We are no match for these creatures!"

"They are true gods and demons; their powers are far too overwhelming!"

"Those brave warriors sacrificed everything to protect us—they've all perished, all of them!"

"These beings are despicable; who can destroy them?!"

The entire world, watching this battle unfold, fell into boundless fear and sorrow.

And it was at this moment!

Over five thousand mecha warriors, towering a hundred meters high, forged entirely out of super alloy, flew in from all directions!

These were the secret creations of Country Hua's Martial Alliance, Country Stars & Stripes, Country White Bear, Country Oxford, and Gaule Country!

Each mecha warrior came at an exorbitant cost!

But, this time, to protect Earth and humanity!

The five nations sent forth these mecha warriors!

Even though it was like throwing an egg against a rock, they had to make one desperate attempt!

Soon, the mecha warriors reached the skies above the Pacific Ocean and launched an all-out assault on the gods and demons!

Bang! Bang! Bang!

Swish! Swish! Swish!

Countless bullets, missiles, laser beams, and electromagnetic cannon rounds erupted from the mecha warriors!

An attack with this intensity could destroy cities and lands!

Boom! Boom! Boom!

Accompanied by thunderous explosions!

The barriers enveloping the divine ships and demon ships deflected all the attacks!

“A bunch of metal scraps thinks they can challenge us, gods and demons?”

“I’ve said it before—humanity’s technological weapons are mere child’s play for us gods and demons!”

“Destroy these scraps of metal. Let humanity taste the strength and terror of us gods and demons!”

The gods and demons let out mocking laughter, launching a fierce counterattack.

Rumble!

Dense divine thunder struck down, blanketing the skies and obliterating several mecha warriors, shattering them to pieces!

The pilots of the mecha warriors had long been torn to shreds, dying gruesome deaths!

A massive sea of fire and ice surged forth, burning and freezing the mecha warriors until they were destroyed!

Countless rocks descended like meteorites from beyond the heavens, smashing the mecha warriors into fragments!

Black demonic qi and deadly auras surged upward, corroding and dissolving the mecha warriors!

A group of towering giants charged forward, wielding their colossal weapons or bare fists, shattering the mecha warriors!

“Hahaha... What utter garbage these mecha warriors are—so utterly weak!”

“Is this all humanity has to offer?”

“If you’ve got more tricks, bring them out now!”

“We will show you what true despair and helplessness mean!”

The gods and demons sneered coldly, their eyes brimming with disdain.

Under the onslaught of numerous True Immortals, Earth Immortals, True Fiends, and Earth Fiends!

The five thousand mecha warriors ultimately couldn’t withstand the assault and were all annihilated!

“It’s over... Still no match... Still no match!”

“Our technological weapons simply cannot harm them!”

Humanity plunged deeper into despair, wailing bitterly.

After obliterating this batch of mecha warriors!

Two hundred thousand divine generals, demon generals, and soldiers, led by numerous True Immortals, Earth Immortals, True Fiends, and Earth Fiends, boarded five thousand divine ships and demon ships, heading for the rest of the world!

Ten thousand war chariots followed closely behind!

Three hundred thousand divine beasts and demons surged forward as well!

Though some tried to intercept them along the way, it proved futile!

The countries surrounding the Pacific Ocean were the first to suffer devastating attacks!

Island after island was bombed and sunk!

Skyscraper after skyscraper was toppled and destroyed!

Many humans who hadn't yet evacuated to underground shelters were massacred in the streets!

The True Immortals, Earth Immortals, True Fiends, and Earth Fiends stood atop the divine ships and demon ships, unleashing relentless assaults on the cities below!

The divine generals and demon generals leaped from the ships into the cities, launching a spree of slaughter!

The divine beasts and demons dove down, ruthlessly attacking humanity!

"Help... Help us!"

"Is anyone coming to save us... Save us!"

"Mommy, I'm scared, I'm scared!"

Desperate cries and sobbing echoed around the globe.

“Aaaahhh! Fight them to the death!”

“We can’t let them continue their destruction—take them down!”

“Everyone, escape quickly, hurry!”

Ability users around the world began a fierce resistance.

Most of these abilities came from the underworld.

On usual days, they were shunned by society.

But now, to defend the world, to protect humanity, they hesitated not in the slightest.

These ability users embraced the certainty of death, battling the gods and demons with everything they had.

Chaos consumed the entire world.

Combat erupted everywhere, accompanied by howls, cries, and screams of agony.

The dirge of death reverberated across the planet!

At this moment.

Above the Pacific Ocean.

“Our primary enemy is Country Hua; it’s Kunlun Ruins and Penglai Immortal Island!”

“March forth!”

Over twenty thousand divine ships and demon ships, tens of thousands of war chariots, and millions of divine beasts and demons began moving toward Country Hua.

Not long after.

The Fiend Celestial Army was nearing the skies above Country Hua.

“They’re here—they’re coming toward us!”

“Why are most of the gods and demons heading for Country Hua?!”

“Could we be their primary target?!”

“Oh heavens, can we possibly stop them?!”

The citizens of Country Hua were pale-faced, trembling, drenched in cold sweat, overwhelmed by despair and panic.

“Attack!”

“Destroy this nation!”

“Leave no human in this land alive—slaughter them all!”

A few leading gods and demons issued their orders.

Numerous gods and demons immediately launched furious attacks on Country Hua!

One after another, assaults blasted forth like radiant rainbows, shooting outward!

But, just as these attacks neared the skies above Country Hua!

Suddenly!

Boom! Boom! Boom!

A massive, towering surge of golden beams erupted from the surroundings of Country Hua's territory, like a hundred golden pillars stretching into the heavens and holding up the earth and the sky!

As the hundred golden beams shot into the skies, the "Nine Heavens Dragon Ascension Formation" activated instantly!

A colossal golden shield coalesced, enveloping the entire Country Hua!

Chapter 2454: The Might of the National Protection Array!

The golden light shield was like an enormous golden bowl, inverted and descending, vast and unparalleled!

Strands of mystical runes flowed across the golden light shield, enigmatic and profound!

The entirety of the great formation radiated waves of overwhelming dragon qi and dragon might!

Boom! Boom! Boom!

The offensives launched by those gods and demons struck the light shield, unleashing earth-shaking explosions!

Massive bursts of light and energy detonated on the shield, scattering outward in all directions!

The dense dark clouds in the sky were blown apart in large patches, terrifying beyond belief!

But the “Nine Heavens Dragon Ascension Formation’s” defense was astonishing, forcefully withstanding the bombardment of tens of thousands of gods and demons!

“What’s happening?!”

“Who set up this formation, and why is its defense so strong?!”

“Could it have been laid down by the immortals?!”

“It must be, otherwise its defense wouldn’t be this formidable!”

“What nonsense formation is this? Just break it already!”

The leaders of those gods and demons were furious and irritated.

Originally, they planned to annihilate this nation with unstoppable force.

Afterward, they would wait for the arrival of the celestial gods and heavenly demons to wreak havoc in Kunlun Ruins and Penglai Immortal Island.

Yet unexpectedly, they encountered an obstacle.

“Keep attacking! Break this great formation!”

Just as those gods and demons prepared another ferocious assault.

“Roar! Roar! Roar!”

Thunderous dragon roars reverberated across the heavens and earth!

Under everyone’s astonished gazes!

One hundred colossal golden dragons soared into the sky from each of the dragon veins, flying out of the formation and slamming into those gods and demons!

“Ahhh...!”

Many gods and demons were crushed into oblivion before they could even react!

Chunks of flesh and shattered bones splattered through the air, horrific beyond measure!

Country Hua’s citizens were first stunned at the sight, then erupted into cheers!

“Oh my heavens, a hundred golden beams soaring high, a hundred dragons ascending—this miraculous spectacle appears once again!”

“I never imagined that these golden beams and dragons actually comprised the National Protection Array—not only is its defense formidable, but it also has such astonishing offensive power!”

“Who on earth set up this National Protection Array?!”

“You may not know, but this array was laid down by Mr. Yang!”

“What?! Mr. Yang set it up?!”

“So, Mr. Yang foresaw that these gods and demons would attack us and prepared in advance!”

“But where is Mr. Yang now? Why hasn’t he appeared?!”

“Indeed, if Mr. Yang were here, how could he allow these creatures to behave so arrogantly?!”

The citizens gazed into the sky, discussing fervently, their faces full of awe.

Their gratitude and admiration for Yang Luo had reached the pinnacle.

If not for this protective formation, the consequences would have been unimaginable.

Yet they were deeply puzzled—where was Mr. Yang, and why hadn’t he appeared?

“A miraculous Ancient Kingdom of the East, possessing such a powerful protective array!”

“Regardless, this nation was once the greatest in the world and may very well reclaim that title in the future!”

“To defeat these gods and demons, we might have to rely solely on this nation’s immortals!”

People worldwide looked upon the wondrous scene, gasping in amazement.

Meanwhile.

In the heavens above.

“Everyone, be careful! Destroy these golden dragons!”

“Attack together! I refuse to believe we can’t break this formation!”

“Once the formation collapses, we must make these creatures taste despair!”

The leaders of the gods and demons roared furiously.

Under the command of True Gods, Earth Gods, True Fiends, and Earth Fiends, all the gods and demons launched a united, ferocious attack!

Bang! Bang! Bang!...

Boom! Boom! Boom!...

The sounds of collisions and explosions echoed endlessly!

Various bursts of light and energy intertwined in the skies, flickering and surging!

The one hundred colossal golden dragons were also successively obliterated, exploding into immense golden rays and energy streams!

Like a torrential storm, the ruthless assaults continued battering the light shield, unleashing even more horrifying crashes and explosions!

However, amidst the relentless onslaught from these gods and demons—

“Roar! Roar! Roar!”

More dragon roars that shook heaven and earth surged forth!

From the dragon veins emerged another wave of colossal golden dragons soaring high!

This “Nine Heavens Dragon Ascension Formation” was built with a hundred dragon veins as its foundation!

As long as the formation and dragon veins were not destroyed, golden dragons would continuously surge forth to launch counterattacks!

Ka-boom! Ka-boom!

More intense and terrifying crashes and explosions reverberated, spreading in all directions!

Giant energy spheres exploded in the sky, dispersing outward in all directions!

Yet what frustrated these gods and demons was—

Despite their efforts, they couldn’t destroy the formation in a short time!

At that very moment—

Majestic voices surged across heaven and earth!

“I, proud Country Hua, will never allow you creatures to rampage!”

“Within Country Hua’s borders, gods are forbidden, demons are condemned!”

“Comrades, engage them in a battle to the death!”

Accompanied by furious roars—

Figures streaked up from Longhu Mountain, Shaolin, Wudang, Emei, and other locations, charging toward the Fiend Celestial Army!

Leading them were Zhang Zhilin and Master Xuanku!

Both of them had achieved the perfected True Immortal stage!

Beyond them—

The Wudang Sect's Grand Elder Lu Jinzao, the Shaolin Temple's Grand Elder Master Yuan Kong, the Emei Sect's Grand Elder Sun Feiyan, and the Kunlun Sect's Grand Elder Song Xuanzhen also joined the fray!

Previously, during the Six Alien Races' invasion, these individuals had already fought in battle!

After that war and through dedicated cultivation, their power had risen further, reaching the perfected Earth Immortal Realm and late-stage Earth Immortal Realm!

Huashan Sect's Grand Elder Duan Qingfeng, Kongtong Sect's Grand Elder Yue Xingkong, Sky Mountain Sect's Sect Master Meng Taishan, and Witch God Sect's Grand Elder Miao Tongwu also entered the battle!

The cultivation levels of these four were now at early-stage and middle-stage Earth Immortal!

While advancing toward the fight—

"Exert your full strength, hold nothing back!"

"Do your utmost to eliminate these creatures—even if it means dying in battle!"

“Amitabha Buddha, if this humble monk does not descend into hell, who will?”

“Mr. Yang will surely lead the two Immortal World immortals to come and assist us!”

With fervent battle cries erupting, Zhang Zhilin, Master Xuanku, and ten more unleashed their aura fully, pouring everything into the fight!

Boom! Boom! Boom!

Streaks of light erupted from their bodies, piercing through the clouds!

Towering Dharma Idols emerged in the heavenly heights above them!

“Kill!”

At Zhang Zhilin’s mighty battle cry—

Everyone charged maniacally toward the Fiend Celestial Army, initiating a ferocious assault!

The Fiend Celestial Army howled in defiance, charging fearlessly toward Zhang Zhilin and the others!

Thus, a colossal battle shook the heavens!

“Great Dao Divine Palm!”

With hair and beard flying wildly, Zhang Zhilin raised both arms wide, delivering strike after strike!

The Dharma Idol towering above him also struck continuously!

Enormous golden palms, hundreds of meters tall and engraved with Yin Yang Fish runes, slammed downward one after another!

Gods and demons charging forward were obliterated, their bodies exploding into fountains of blood and gore!

Chapter 2455: Fight to the Death!

“Old thing, die!”

A giant towering over fifty meters charged forward, wielding a huge hammer, and swung it viciously at Zhang Zhilin!

As the hammer came crashing down, the Cloud Sea shattered, and the Void crumbled, resembling Mount Tai descending upon him!

Zhang Zhilin’s face darkened, his right hand transformed into a palm, striking upward to counter!

BOOM!

The golden giant palm and the purple giant hammer collided heavily, unleashing a deafening explosion!

“Old geezer, take my axe!”

A hundred-meter-tall giant rushed forward, holding a huge axe!

He swung his giant axe, splitting the Cangqiong and the Void, slashing viciously toward Zhang Zhilin!

Zhang Zhilin neither dodged nor retreated, his left hand transformed into a palm, rising to meet the attack!

CLANG!

The golden giant palm and the pitch-black giant axe collided, sounding like iron colliding with stone, accompanied by a sharp and piercing explosion!

Even as these two giant gods assaulted simultaneously, Zhang Zhilin managed to stand firm and hold his ground!

“This old geezer has some skill—attack him together!”

“Kill him!”

More giants, gods, and demons roared as they charged forward to encircle Zhang Zhilin!

Zhang Zhilin’s eyes turned icy, and he immediately launched a fierce counterattack!

“Great Dao Divine Lightning!”

“Golden Light Mantra!”

BOOM! BOOM! BOOM!

Multicolored lightning bolts struck down, like Divine Lightning descending from Jiuxiao, awe-inspiring and terrifying!

Brilliant golden light illuminated heaven and earth, transforming into countless golden runes containing immense energy and the Power of Great Dao, surging outward!

These runes seemed to transform into giant golden waves, sweeping through heaven and earth!

“Counterattack!”

The gods and demons encircling him roared furiously, unleashing a storm of attacks!

CRASH!

BOOM!

Clashes and explosions erupted one after another, shaking the Four Seas and Eight Desolations!

“Ahhhhhh!”

Numerous Earth Immortals and Earth Fiends were electrocuted by Divine Lightning, and many were suppressed and killed by vast runes!

Even some True Immortals and True Fiends were annihilated!

“Kill him!”

“Don’t give him a chance to breathe!”

Under the lead of dozens of gods and demons, waves of divine weapons and generals, demon soldiers and generals, as well as Divine Beasts and Demon Beasts came surging forward to surround Zhang Zhilin!

Encircled and attacked from all sides, Zhang Zhilin suffered multiple wounds, his body bursting open with fissures, and blood splattered into the air!

Yet, Zhang Zhilin did not even furrow a brow; instead, he fought back with unyielding ferocity!

“Celestial Master Zhang!”

Master Xuanku’s expression turned grave as he broke through the encirclement and rushed to his aid!

“Thousand Hand Buddha Palm!”

Accompanied by a booming roar of thunder!

Both of Master Xuanku’s hands transformed into palms, unleashing golden Buddhist palms engraved with the swastika rune!

Above him, a colossal golden Buddha stood tall, its back sprouting thousands of enormous arms and unleashing thousands of giant palms!

BANG! BANG! BANG!

Massive swatches of divine weapons and generals, demon soldiers and generals, as well as Divine Beasts and Demon Beasts were pulverized into minced flesh!

Many True Immortals, True Fiends, Earth Immortals, and Earth Fiends were slain as well!

“Celestial Master Zhang, are you all right?”

Master Xuanku urgently asked.

“I’m fine!”

Zhang Zhilin replied briefly, then resumed his fierce assault!

Master Xuanku also intensified his attack while saying, “Celestial Master Zhang, we’re surrounded and cannot notify the Immortal Worlds. What do we do?”

Zhang Zhilin replied gravely, “Don’t worry. Mr. Yi will send word. All we need to do is defend this place until the end.”

“Understood!”

Master Xuanku nodded vehemently.

At this moment:

A massive golden Tai Chi Diagram rose behind Zhang Zhilin as Dao techniques and divine powers were unleashed continuously!

A giant swastika rune ascended behind Master Xuanku as Buddhist palms and divine techniques were launched in succession!

One Buddha and one Dao faced off against the Fiend Celestial Army, their struggle fierce yet inspirational to humanity around the globe!

After all, from the moment the Fiend Celestial Army arrived on Earth, humanity had been overwhelmed and crushed!

All kinds of advanced weaponry had been deployed, but it was ineffective!

The global death toll had reached hundreds of thousands!

Now, thanks to the valiant counterattacks of Eastern cultivators, many gods and demons had been slain!

This sliver of hope brought light to despair!

The war had just begun!

Humanity had not yet been defeated!

“Those two old fogies are the strongest among them—kill them quickly!”

“Wipe these guys out, then take down those from Kunlun Ruins and Penglai Immortal Island!”

“Eliminate as many of their forces as possible!”

“Alright, charge—kill them!”

More gods and demons came encircling, aiming to annihilate Zhang Zhilin and Master Xuanku completely!

“Quickly, lend assistance!”

“Do not disperse—join forces with Old Grandmaster and Master Xuanku and fight them head-on!”

“Got it, hurry over!”

The Grand Elders of the eight sects roared furiously, charging from afar and merging their forces with Zhang Zhilin and Master Xuanku!

Zhang Zhilin, Master Xuanku, and eight others stood unyielding amidst the encirclement, fighting to the death!

Even as they bled profusely, they refused to yield!

“Celestial Master Zhang, Master Xuanku, we are here to aid you!”

“Humanity will never perish!”

“Fight to the last breath!”

Fierce cries echoed from afar.

Alves, Augustus, Hopkins, Medea, and others led the elders of the Kingdom of Magic, Blood Race, and Demon Dragon Clan in a charge from the distance!

Alves and the others unleashed their powers, taking to the sky to engage the Fiend Celestial Army!

“Thank you all!”

“Thank you for your aid!”

Zhang Zhilin, Master Xuanku, and the others expressed their gratitude.

“No need to thank us—this battle will decide humanity’s fate. We must unite!”

“Exactly! In a moment of life and death, we have to fight together!”

Alves and the others roared resolutely.

“Well said!”

“Only by coming together can we hope to win this fight!”

“Fight until every drop of blood is spilled—no surrender!”

Zhang Zhilin and Master Xuanku shouted furiously.

United, they clashed fiercely with the Fiend Celestial Army!

...

Meanwhile:

In the Light God Realm.

Within the territory of the Holy Light Church.

High in the heavens, three Void Caves spanning hundreds of miles in diameter hovered above.

Nine-colored light, purple-gold radiance, and black-gold brilliance emanated from these Void Caves.

These three Void Caves were Light God Lord, Tianyu God, and Dark Demon Lord’s great divine constructions: the Light Channels.

Entering these channels would allow passage to Earth.

At that moment:

Atop a Ten Thousand Divine Mountain.

Light God Lord, Tianyu God, and Dark Demon Lord stood majestically.

Behind them, on other Ten Thousand Divine Mountains, stood hundreds of figures.

Each figure emanated a mighty aura, their divine might peerless, their demon power overwhelming.

Most of them were Heavenly Gods and Heavenly Demons—equivalent to Heavenly Immortals among cultivators.

In front of Light God Lord and the others, a massive Light Projection shimmered in the sky.

On the projection, Earth's battlefields appeared in vivid detail.

At the center of the projection, Hua's Martial Alliance's battlefield was displayed prominently.

Dark Demon Lord narrowed his eyes and remarked, "Interesting. I didn't expect this nation to deploy a National Protection Array with such formidable defense and attack capabilities."

Tianyu God Lord sneered and said, "So the secular world has immortals stationed here. Their strength is decent, but they won't last long.

Our main targets remain the immortals of Kunlun Ruins and Penglai Immortal Island."

Chapter 2456: Leave No Survivors!

The Light God Lord stared intently at the projection of light, speaking in a deep voice: "Kunlun Ruins and Penglai Immortal Island harbor quite a number of Heavenly Immortals.

We absolutely cannot allow them to unite. If they do, it will bring considerable trouble to us.

Thus, we must divide and conquer them."

“Light, then what do you propose we do?”

The Tianyu God asked.

The Light God Lord replied, “Directly open the way to Kunlun Ruins and Penglai Immortal Island, and let our Fiend Celestial Army charge in!”

“Alright, let’s proceed as planned!”

“By dispersing their forces, we can crush them individually!”

The Tianyu God and the Dark Demon Lord nodded in agreement.

The Light God Lord turned to look at the divine guards and Heavenly Demons on the towering mountains behind him and commanded loudly: “All fifty of you, deploy immediately!”

The Tianyu God added coldly, “You only need to break into Kunlun Ruins and Penglai Immortal Island; we will secure the channels leading there for you!”

The Dark Demon Clan spoke venomously, “Remember, leave no survivors!”

“Yes!!!”

The fifty divine guards and Heavenly Demons responded in unison before soaring into the sky and heading toward the three light channels above.

After the fifty divine guards and Heavenly Demons departed:

The Light God Lord inquired, “Tianyu, Dark, have those four ancients made any moves yet?”

The Tianyu God replied, "So far, those four ancients remain inactive."

The Dark Demon Lord sneered, "We have already issued a warning. How could those four dare interfere in this grand war?"

Besides, humanity's strength is so insignificant. If they were to join, what else could they offer but their lives?"

The Tianyu God mocked similarly, "Those four ancients are shrewd enough to know which choice to make."

The Light God Lord smiled faintly and said, "If that is the case, there is nothing to worry about.

Earth is already in our grasp; human civilization is destined for annihilation."

"Hahaha..."

The Tianyu God and Dark Demon Lord both tilted their heads back and laughed aloud.

At the same time.

The Star Ruins Divine Realm.

The Atlantis God Clan's territory.

Within the main hall of the central peak.

The hall was packed with people.

Not only the Star Ruins God Master, Maya God Lord, Pharaoh God Master, and Titan God Master were present.

Many gods from the four divine clans had also gathered.

A massive light projection hovered in mid-air, displaying scenes of various locations across Earth.

The Star Ruins God Master sighed and said, "I never expected the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan to dispatch over ten million troops this time.

Even the elites of other races have been fully mobilized.

It's evident their goal is to completely wipe out humanity on Earth in this campaign."

The Maya God Lord shook his head and said, "Humanity's strength is far too meager. Even if there are billions of them, what difference does it make?

In front of these gods and demons, they have absolutely no power to resist."

The Pharaoh God Master sighed deeply, saying, "Earlier, I considered whether it might be worthwhile to ally with the humans on Earth.

Now I realize how laughable that idea truly was."

The Titan God Master gritted his teeth in fury and snarled, "Humans... are you truly this weak?

If all you have is this pitiful strength, then even if we intervene, how could we possibly defeat those adversaries?"

The other gods present also shook their heads and sighed, no longer wishing to observe.

Istab, Keos, Tia, Varna, Evans, and Tilly all clenched their fists tightly.

Keos muttered in bewilderment, "What exactly is going on? Where is Brother Yang? Where did he disappear to?"

Istab frowned and said, "If Brother Yang and his group had joined the fray, this conflict wouldn't have been this dire. What's the situation here?"

Tia and the others also looked puzzled.

Keos declared gravely, "Brother Yang is an honorable and righteous man, my sworn brother. I'm going to assist him!"

Tia grabbed Keos' arm and said, "Even if you go, what can you change?"

Keos gritted his teeth and said, "Even if I can't change anything, I can at least make a difference!

If none of you are going, then I'll go alone!"

With that, Keos turned and stormed out of the hall.

Istab and the others exchanged glances, unable to suppress their compassion, and eventually followed him out.

...

Earth.

Secular world.

Above the waters of Country Hua's seas.

Crack-boom!

Bang-boom!

The sounds of collisions and explosions were incessant!

Screams, roars, and the din of battle resounded continuously!

The conflict grew increasingly fierce, even reaching a level of brutality!

Elders from the Kingdom of Magic, Blood Race, and Demon Dragon Clan had begun to falter, with many falling to their deaths!

The ocean waters were littered with corpses!

Among the floating bodies were elders, as well as gods and demons!

Blood stained the sea below, a harrowing sight!

But just then!

Echoing from the three light channels above the Pacific Ocean came the chanting of gods, the hymns of angels, and the roars of demons!

The voices spread across the entire world!

“What’s going on? Is more reinforcements coming?!”

“Dear heavens, we’re already struggling against this Fiend Celestial Army! I didn’t think they’d have even more backup!”

“They have too many troops! Are we truly doomed?!”

The faces of people worldwide turned pale, their despair deepening.

As the chanting, singing, and roaring intensified!

Twenty figures emerged from the nine-colored channel of light!

Fifteen figures flew forth each from the purple-gold light channel and black-gold light channel!

These fifty figures emanated resplendent divine light and blazing demonic light!

Vast and boundless divine might and demonic power radiated outward, causing the heavens and earth across thousands of miles to tremble violently!

These fifty figures were none other than divine guards and Heavenly Demons!

After emerging, the fifty beings took a single step forward and vanished instantly!

When they reappeared, they had already arrived above the seas of Country Hua.

“Greetings to the heavenly gods and heavenly demons!”

All the gods and demons in the sky bowed deeply, showing utmost reverence.

“Heavenly gods... Heavenly demons... could they really be Heavenly Immortals?!”

Their oppression and aura are terrifying beyond imagination... They must be Heavenly Immortals!

“Fifty Heavenly Immortals... Are you joking?!”

The Grand Elders of the eight sects cried out in shock, trembling in terror.

Zhang Zhilin and Master Xuanku’s expressions were incomparably grave.

Fifty Heavenly Immortals!

These three major clans had dispatched fifty Heavenly Immortals at once!

However, the fifty divine guards and Heavenly Demons ignored Zhang Zhilin, Master Xuanku, and the others entirely.

In their eyes, Zhang Zhilin, Master Xuanku, and the rest were hardly worth notice.

The fifty divine guards and Heavenly Demons stood silent in the sky, gazing toward Kunlun Mountain and Penglai Immortal Island.

After all, Kunlun Mountain and Penglai Immortal Island were the gateways to Kunlun Ruins and Penglai Immortal Island.

Just as Zhang Zhilin and the others stood dumbfounded!

Bang-boom!

Explosions and thunderous roars erupted above Kunlun Mountain and Penglai Immortal Island!

The sounds spread like rolling heavenly lightning, resounding across the entire globe!

Chapter 2457: Split Up and Take Action!

Under the gaze of people from all over the world!

BOOM!

A nine-colored beam of light and a violet-gold beam of light tore through the heavens, dispersing the thick black clouds and crashing down!

Two massive Void Caves were blasted open in the skies above Kunlun Mountain and Penglai Immortal Island instantly!

Each Void Cave was hundreds of miles in diameter, radiating dazzling, resplendent nine-colored and violet-gold brilliance from within!

The two beams of light continuously channeled their energy, creating two Light Channels!

Eyes widened as the channels to Kunlun Ruins and Penglai Immortal Island were unlocked!

“Some of us will head to Kunlun Ruins and Penglai Immortal Island. The rest, stay behind!”

“The Divine Master and Demon Lord have ordered that every immortal in Kunlun Ruins and Penglai Immortal Island must be annihilated!”

The leading gods and heavenly demons roared in unison, their voices booming like rolling thunder, shaking the earth and heavens.

“Understood!!!”

All the gods and demons present shouted their response in unison.

Then, twenty-five gods and heavenly demons led a force of five thousand Divine Ships and Demon Ships, one hundred thousand war chariots, and five hundred thousand Divine Beasts and Demonic Beasts toward Kunlun Ruins!

Another twenty-five gods and heavenly demons also led five thousand ships, one hundred thousand war chariots, and five hundred thousand beasts toward Penglai Immortal Island!

The two Fiend Celestial Armies surged grandly into the Light Channels, leaving the people of the world awestruck and trembling!

“They... are they planning to force their way into Kunlun Ruins and Penglai Immortal Island?!”

“Should we... should we try to stop them?!”

“Stop them... can we even manage to do that?!”

“The only option is to rely on the immortals of the two major Immortal Worlds to eliminate these fiends!”

The Grand Elders of the Eight Sects trembled as they spoke, their eyes filled with deep fear.

“What is going on?! Where are these gods and demons headed?!”

“Could it be that they’re leaving?!”

“Do you think they would leave before completely exterminating humanity?!”

“No doubt, they’re hatching some sort of sinister scheme!”

The whole world erupted with exclamations, as people everywhere struggled to make sense of the situation.

Zhang Zhilin took a deep breath and said in a steady voice, “Don’t bother with them. Our mission is to protect the secular world!”

With those words, Zhang Zhilin and Master Xuanku charged toward the Fiend Celestial Army without hesitation!

“Exactly, everyone, hold nothing back, annihilate them!”

“Fight them to the death!”

The Grand Elders of the Eight Sects, alongside the elders of the Kingdom of Magic, the Blood Race, and the Demon Dragon Clan, surged forward to the fray!

The battle continued, shaking heaven and earth!

...

Penglai Immortal Island.

The island was tranquil and harmonious, as usual.

Suddenly!

BOOM!

From the center of Penglai Immortal Island, in the skies above Heavenly Sword Island and Ten Thousand Immortals Mountain, came a rolling thunderous explosion!

The deafening sound spread across all of Penglai Immortal Island in an instant!

“What was that noise?!”

“What happened?!”

“It seems the commotion is coming from the skies above Heavenly Sword Island!”

The noise alarmed the various sects, families, and independent cultivators on Penglai Immortal Island.

Numerous Earth Immortals and True Immortals soared into the sky, gazing toward Heavenly Sword Island.

Many cultivators also took to the air on flying immortal treasures, or astride mutated beasts, looking toward the source of the disturbance.

With the rumbling explosions ringing out!

A Void Cave, enormous and hundreds of miles wide, was blasted open in the skies above Heavenly Sword Island!

A vast violet-gold beam of light surged down from the opening!

The mountains, forests, and land below were obliterated, and a massive abyss pit was carved into the earth!

Immediately after...

Five thousand Divine Ships, Demon Ships, one hundred thousand war chariots, and five hundred thousand Divine Beasts and Demonic Beasts descended through the violet-gold Light Channel!

The five thousand ships, with their war chariots, were populated with soldiers numbering over three million!

“Wh-What... who are these people?!”

“Their attire is so peculiar, and they actually broke through the Void to get here?!”

“Sect Leader Dongfang mentioned before that gods and demons from other dimensions might invade Penglai Immortal Island. Could it really be them?!”

“Good heavens, gods and demons are truly attacking Penglai Immortal Island?!”

The cultivators, witnessing the scene, cried out in shock, overwhelmed by disbelief.

At this time.

In the skies above Ten Thousand Immortals Mountain.

Twenty-five gods and heavenly demons stepped forward and declared in booming voices.

“So this is indeed a self-contained miniature world, and the spiritual energy here is quite abundant!”

“We hail from the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan, connected to the mighty Supreme Gods and demons!”

“Today, we come with only one purpose: to eradicate Penglai Immortal Island!”

“Resistance is futile. The only thing awaiting you all is death!”

“Prepare yourselves for annihilation, if you dare to resist!”

“Hahaha...”

The threatening voices and arrogant laughter of the twenty-five gods and heavenly demons echoed across Penglai Immortal Island.

Such was its might that the ears of cultivators and ordinary residents alike rang thunderously.

Upon hearing their words and laughter.

The cultivators of Penglai Immortal Island froze for a moment before flying into a rage!

“Such arrogant bluster, thinking they can exterminate Penglai Immortal Island!”

“Gods and demons, huh? Utter nonsense! Kill them all!”

“Esteemed friends, we can’t let these aliens look down on us. Gather together and fight to the death!”

“Fine. Gods and demons, is it? I’d love to see how they fare against us immortals!”

Sects, families, and independent cultivators from across Penglai Immortal Island flew to the skies in unison, converging on Heavenly Sword Island’s Ten Thousand Immortals Mountain.

“Kill!!!”

The twenty-five gods and heavenly demons gave the command in unison.

In a single order, the Fiend Celestial Army mobilized, charging toward the approaching cultivators.

And so, the battle erupted!

At this time.

Sea of Illusion.

Immortal Burial Island.

The commotion had grown too loud.

Yang Luo, Chu Junlin, and Zuo Canghai were all jolted awake.

Moreover, they heard every word spoken by those twenty-five gods and heavenly demons.

Zuo Canghai exclaimed in shock, “What’s going on? Could it be that members of the three major races have arrived?!”

Chu Junlin raised his gaze toward Heavenly Sword Island and frowned, “I suspect members of the three major races have also headed to Kunlun Ruins!”

Yang Luo’s expression darkened!

This turn of events—three major races invading Kunlun Ruins and Penglai Immortal Island—was completely unforeseen!

The secular world might have already fallen!

Yang Luo steadied himself and said, "Senior Chu, Senior Zuo, I need you to head to the secular world to assist immediately!

I'll rush to Heavenly Sword Island now!"

Zuo Canghai hesitated and asked, "Kid, aren't you coming with us to the secular world?"

Yang Luo took a deep breath and said, "Both Kunlun Ruins and Penglai Immortal Island are under siege. I have to help everyone eliminate the invaders from the three races!

If these fiends aren't wiped out first, no one will be able to spare the effort to save the secular world!

So, we can only divide and act separately for now!"

"Alright!"

"That's the plan!"

Chu Junlin and Zuo Canghai nodded in agreement.

Just as the trio was preparing to move!

A resonant voice boomed across the air!

"There's no need to divide our efforts. We're here!"

The voice carried immense power, shaking the heavens and the sea...

Chapter 2458: Battle!

The sound echoed across the skies, shaking the ocean, and spreading far and wide!

“They’re here!”

Yang Luo’s face darkened as he clenched his fists tightly. “And without question, it’s the gods and Heavenly Demons!

Otherwise, how else could those bastards have locked onto our position!”

“Hmph!”

Zuo Canghai sneered coldly, “Gods and Heavenly Demons? So what? What is there for us to fear?!”

Chu Junlin added arrogantly, “As long as it’s not a Golden Immortal, they pose no threat to us!”

Before the words fell silent!

BOOM! BOOM! BOOM!

Explosions rolled across the sky near Immortal Burial Island!

Only to see six massive Void Caves erupting in the heavens!

Beams of divine light and demonic light shot forth, illuminating the endless sky and sea!

Immense waves of boundless divine might and demonic power surged out of the Void Caves, sweeping across Heaven and Earth!

From three of the caves, palaces of the Divine Palace and Demon Palace emerged, accompanied by the vivid apparitions of gods, angels, and demons!

The chants of the gods, the hymns of angels, and the roars of demons echoed forth!

BANG! BANG! BANG!...

Heavy footsteps resounded from the six Void Caves, shaking the sky and ocean for a thousand miles around!

On the surface of the sea, massive waves rose into the air!

The mutated beasts on the island and in the sea shuddered in terror!

Soon, six figures emerged, standing suspended in the sky near Immortal Burial Island!

Among them, Yang Luo recognized two of them—it was the Blazing Angel and the Hundred Battle Heavenly God!

Both of their cultivation realms were at the Mid-stage Heavenly Immortal!

Aside from the Blazing Angel and the Hundred Battle Heavenly God!

The other four were distinctly unique: the first, clad in a golden robe, with nine pairs of wings spread from their back, a golden halo shimmering above their head, and wielding a long sword!

This one hailed from the Angel Clan, titled “Judgement Angel,” and was at the Heavenly Immortal Perfected Stage!

The second wore pitch-black battle armor, with two curved giant horns atop their head, their face rugged and ferocious, and wielding a massive blade!

This one belonged to the Dark Demon Clan, titled “Netherworld Sky Demon,” and was also at the Heavenly Immortal Perfected Stage!

The third, adorned in purple battle armor, their stature tall and upright, with flowing purple hair dancing in the wind, carrying a long spear!

This one was from the Holy Light Church, titled “Xing Kong Heavenly God,” and was at the Late Stage of Heavenly Immortal!

The fourth, bare-chested in a dark-green vest, standing over two hundred meters tall, and brandishing a monstrous axe!

This one came from the giants, titled “Mad Axe Giant God,” and was also at the Late Stage of Heavenly Immortal!

Zuo Canghai swept his eyes over the six figures, narrowed his gaze, and remarked, “Two at the Heavenly Immortal Perfected Stage, two at the Late Stage, and two at the Mid-stage. This might be tricky.”

Chu Junlin’s voice sank, “What’s so tricky about it? Those two Perfected Stage ones, you and I will handle!

As for the other four? Leave them to this kid!”

Saying this, he turned to Yang Luo and asked, “Kid, have a problem with that?”

“No problem!”

Yang Luo gave a nod.

At that moment.

The Blazing Angel locked her gaze firmly on Yang Luo and spat venomously, “Kid, not long ago you forced me and Hundred Battle to flee in disgrace. Did you think today would never come?”

The Hundred Battle Heavenly God roared furiously, “Kid, today we will have our revenge, and tear you to shreds!”

The Blazing Angel followed, “And those two old men beside you—they’ll join you on your trip to the underworld!”

Yang Luo sneered coldly, “You actually think the six of you can kill the three of us?”

The Blazing Angel mocked, “You’re nothing more than an Early Stage Heavenly Immortal. Who are you trying to fool?”

The Hundred Battle Heavenly God also laughed contemptuously, “Six of us dealing with three of you should be child’s play!”

“No!”

The Judgement Angel’s brow furrowed as he stared at Yang Luo. “This kid’s no Early Stage Heavenly Immortal. He’s at the Late Stage of Heavenly Immortal!”

“What?! Late Stage Heavenly Immortal?!”

“Impossible!”

The expressions of the Blazing Angel and Hundred Battle Heavenly God froze in sheer disbelief.

The Netherworld Sky Demon growled in a low voice, “Blazing, Hundred Battle—you said this kid was only at the Early Stage!”

The Blazing Angel gritted her teeth and snarled, “Not long ago we fought him, and he was indeed still at the Early Stage back then!”

“Exactly!”

The Hundred Battle Heavenly God’s face twisted in rage. “How did this kid jump two realms in such a short time?!”

They were utterly baffled, nearly exploding with frustration.

The Netherworld Sky Demon raised a hand, “Even if this kid is at the Late Stage, so what? The six of us together will surely slaughter all three of them!”

“Enough with the talking!”

Yang Luo roared as he shot skyward, charging towards the six of them!

In midair!

One earth-shaking shout after another erupted from Yang Luo’s mouth!

“Undying Golden Body, activate!”

“Invincible Sword Body, activate!”

“Flame Emperor Combat Body, activate!”

“Divine Dragon Tyrant Body, activate!”

...

In an instant!

All of Yang Luo’s physique secret techniques were unleashed!

Immediately!

Yang Luo’s body radiated golden light, a giant sword towered above, flames roared, dragons coiled, dominating Heaven and Earth, absolutely peerless!

The reason Yang Luo unleashed his full power and potential from the outset was to kill the gods and Heavenly Demons in the shortest time possible and rush to other places for aid!

The clock was ticking—there was no room to delay!

Thus, in addition to activating all his physique techniques, he directly summoned the Dragon Emperor Sword!

“Isn’t this kid supposed to be at the Late Stage of Heavenly Immortal? Why is the pressure and aura he’s releasing on par with the Heavenly Immortal Perfected Stage?!”

“What kind of monster is he?! Why is he this terrifying?!”

“No wonder the Bushi Sky Demon died to him, and the Blazing Angel and Hundred Battle Heavenly God were defeated by him!”

“Even if he’s that strong, so what? A Late Stage Heavenly Immortal is still just that! Do we have any reason to fear? Let’s kill him together!”

The Judgement Angel and his allies were visibly stunned.

However, they quickly snapped back to their senses and rushed towards Yang Luo to attack!

In their charge, they too unleashed their full power and strength!

At the same time.

Zuo Canghai and Chu Junlin also ascended to the heights of the sky, fully unleashing their auras and summons as they joined the battle with their weapons!

Both sides were determined to annihilate the other as quickly as possible!

“What gods and Heavenly Demons?! Come, face your deaths graced by Old Man Zuo!”

Zuo Canghai roared furiously, wielding his long whip as he launched toward the Judgement Angel!

“Ten Absolute Shattering Heaven Whip!”

He swung the whip in his hands as if he were hurtling a massive mountain, smashing it towards the Judgement Angel!

BOOM! BOOM! BOOM!

The colossal whip, spanning thousands of feet, crushed the sky and tore through layers of void, its terror unmatched!

Waves of ten-colored toxic mists erupted, stretching toward the Judgement Angel in an overwhelming surge!

“Sword of Judgement!”

The Judgement Angel swung his sword in retaliation!

SWISH!

A giant golden sword thousands of feet long cleaved through the heavens and the void, shaking all eight corners of the world!

Golden divine light of blinding intensity erupted forth, as if intending to obliterate everything!

BOOM! BOOM! BOOM!

The whip and the sword collided heavily, producing collision noises that thundered across the Heavens!

BOOM! BOOM! BOOM!

The toxic mist and divine light clashed violently, shaking the skies as the sound reverberated endlessly!

In this fierce clash!

Zuo Canghai and the Judgement Angel were both blasted backward!

Chapter 2459: Step on the gods!

“Angel Hymn!”

The Judgement Angel swiftly steadied her body and began chanting!

Waves of golden sound expanded outward, shattering the Cloud Sea, ripping apart the Void, and splitting the ocean!

“Awooooo...”

The mutated beasts who had fled far away could not withstand the impact of the sound waves. They let out horrifying screams, spitting blood and plummeting down!

Zuo Canghai steadied himself, opened his mouth, and let out a thunderous roar!

“Poison King Shattering Sky Roar!”

“ROAR!”

The deafening roar reverberated across Heaven and Earth, shattering the Cloud Sea and Void. The sheer terror was overwhelming!

Waves of ten-colored sound spread forth, colliding against the golden sound waves!

BOOM, BOOM, BOOM!...

An endless series of earth-shaking explosions reverberated in the sky!

Colors and energies scattered, raining down like luminous showers!

Seeing Zuo Canghai withstand her attack!

The Judgement Angel fiercely swung her sword!

“Angel’s Absolute Kill Sword!”

Countless golden flying swords pierced through the Cangqiong, the ocean, and the Void, shooting toward Zuo Canghai from all directions!

Facing these flying swords’ lethal assault!

Zuo Canghai hesitated not a moment, his entire body shook fiercely!

“Ten Thousand Poison Divine Gang!”

An impenetrable and heavy ten-colored light shield instantly coalesced, enveloping Zuo Canghai’s form!

On the light shield, toxic gases surged, runes shimmered, mysterious and enigmatic!

THUMP, THUMP, THUMP!

BANG, BANG, BANG!

Countless flying swords bombarded the light shield, unleashing thunderous, ear-splitting impacts and explosions!

Energy and light burst forth, scattering in all directions!

After blocking several waves of flying swords!

Zuo Canghai delivered a sharp stomp mid-air, crushing layers of Void beneath him!

“All Poison Annihilation!”

In an instant!

Sweeping waves of boundless toxic mist spread outward, resembling earthquakes and tsunamis, annihilating all golden flying swords in an instant!

After crushing the golden flying swords!

“Kill!”

Zuo Canghai, wielding a long whip, charged furiously at the Judgement Angel!

“Kill!”

The Judgement Angel let out a resonant shout, wielding her long sword, and engaged fiercely!

In the blink of an eye!

Their weapons clashed as their distance narrowed, attacking each other with deadly intent!

CLANG, CLANG, CLANG!

The clash of weapons echoed through Heaven and Earth, piercingly sharp!

Amid their confrontation!

A towering figure holding a massive whip, surrounded by swirling toxic mist, stood above Zuo Canghai!

Another colossal figure, clutching a huge golden sword with nine pairs of wings extending from its back, rose above the Judgement Angel!

Both simultaneously activated their Dharma Idols!

BAM, BAM, BAM!

After the giants rose, they simultaneously swung their massive weapons, attacking each other!

In this monumental collision!

Zuo Canghai and the Judgement Angel, as well as their Dharma Idols, were blown backward!

But quickly, they steadied themselves, rallying their Dharma Idols to continue their lethal attacks!

In the distant sky.

Chu Junlin and the Netherworld Sky Demon were locked in a fierce battle!

Their Dharma Idols were clashing in the higher skies!

“Heavenly Demon Dominator Spear!”

Chu Junlin swept out with his spear!

A massive, several-thousand-zhang black-and-gold spear, laden with overwhelming demon energy, pulverized the heavens and swept toward the Netherworld Sky Demon!

“Netherworld Chaotic Demon Blade!”

The Netherworld Sky Demon wielded his massive blade!

An enormous, several-thousand-zhang pitch-black blade surging with endless demonic qi severed Heaven and Earth, meeting the attack head-on!

BAM, BAM, BAM!

Spear and blade collided, the shockwaves reverberating across the Four Seas and Eight Wastelands!

Despite the overwhelming impact!

Neither combatant retreated a single step!

Chu Junlin's hair and beard flared wildly, his robes billowing, as an increasingly radiant black-and-gold light enveloped his form!

The Netherworld Sky Demon's long hair likewise danced freely, his pitch-black armor vibrating as if resonating with thunder!

"Ten Thousand Demons Destroying the World!"

The Netherworld Sky Demon roared fiercely!

"Awoooo!"

Countless Demon Soldiers, Demon Generals, and Demon Beast phantoms materialized, charging madly toward Chu Junlin!

Chu Junlin stood his ground, releasing a resonant roar!

“Heavenly Demon Chaotic Sky!”

“ROAR!”

Countless Demon Soldiers, Demon Generals, and Demon Beasts materialized and charged head-on!

At this moment, Chu Junlin and the Netherworld Sky Demon resembled commanding generals leading legions, their overwhelming aura dominating Heaven and Earth!

CLANG, CLANG, CLANG!...

BANG, BANG, BANG!...

Fierce clashes and explosions resounded repeatedly in the heavens!

Energy and light intertwined, transforming into massive waves that surged outward!

Seeing Chu Junlin withstand his assault!

The Netherworld Sky Demon’s face darkened as he waved his massive hand!

“Netherworld Demon Prison!”

In an instant!

A colossal pitch-black prison materialized, instantly trapping Chu Junlin!

The towering Demon Domain loomed overhead, blocking out the sun!

Countless Demon Blades and dense demonic light launched forth in an unending barrage!

Chu Junlin showed no fear, his expression cold as he delivered a sharp stomp mid-air!

“Demon Energy Pierces the Heavens!”

Boom!

Rolling demonic energy surged skyward, shattering the prison in an instant!

As Chu Junlin broke free of the prison!

The Netherworld Sky Demon had already charged forward, bringing down his massive blade upon Chu Junlin!

“Cut!”

Slash!

The vast, several-thousand-zhang Demon Blade carried boundless demonic qi and magic power, descending with fearsome force!

Cangqiong and Void alike were split and torn apart—terrifying beyond measure!

Chu Junlin reacted swiftly, brandishing his massive spear to meet the attack head-on!

The enormous spear carried surging spear intent, majestic demon energy, and Heaven and Earth Dao Power, crushing vast swathes of Void!

BAM, BAM, BAM!

Blade and spear collided thunderously, shaking Jiutian, rocking the Ten Lands, and wreaking havoc with unparalleled ferocity!

In the aftermath of the clash!

Chu Junlin was struck downward by several hundred zhang!

The Netherworld Sky Demon was launched upward by several hundred zhang!

Both quickly regained their footing, morphing into streaks of lightning-fast light, rushing at each other anew!

In this moment!

The battlefields of Zuo Canghai and Chu Junlin were in utter chaos, fearsome in every way!

Meanwhile, in the distant sky!

Yang Luo was engaged in battle against Xing Kong Heavenly God, Mad Axe Giant God, Blazing Angel, and Hundred Battle Heavenly God!

The fight had reached the point of Heaven and Earth Shattering, overturning seas, and plunging the world into darkness!

At this moment!

The four gods converged to encircle Yang Luo, wielding their massive weapons to attack him collectively!

Their four titanic weapons tore through Changkong, obliterating the Void, seemingly intent on annihilating Yang Luo completely!

Yang Luo swung his sword directly to counterattack!

BOOM, BOOM, BOOM!

The huge golden sword collided with the titanic weapons of the four gods in the sky, erupting in an ear-splitting clang of shattering clouds and stone!

Beams of divine light shot from the bodies of the four gods, aiming to pierce Yang Luo's form!

Yet, Yang Luo, relying on multiple physique secret techniques and unmatched resilience, endured every blast of divine light!

"Get the hell away!"

Yang Luo roared furiously, his arm suddenly bursting with strength!

Accompanied by deafening metallic sounds!

The four gods were simultaneously blown backward, their bodies cracking open with streams of blood gushing forth!

Yang Luo wasted no time, charging furiously at the nearest Hundred Battle Heavenly God!

In an instant!

He appeared above the Blazing Angel and delivered a thunderous stomp onto the shoulder of the Hundred Battle Heavenly God!

With a heart-pounding thud!

Yang Luo's devastating stomp caused the Divine Gold Battle Armor on the Hundred Battle Heavenly God to fissure piece by piece!

Chapter 2460: God Slaying!

The shoulder of the Hundred Battle Heavenly God was crushed underfoot, the skin torn and flesh split, blood splattering everywhere in a gruesome display!

"Ah!!!"

He let out a pained scream, feeling the depths of humiliation!

He, a dignified Heavenly God, was actually being trampled underfoot by a mere mortal youth!

This was an utter disgrace!

"You little beast, I will kill you!"

The Hundred Battle Heavenly God roared furiously and swung his long sword, attempting to sever Yang Luo's right leg!

One sword after another slashed down with desperate fury, striking Yang Luo's leg and producing a series of sharp "clang clang clang" collision sounds!

But to his utter shock!

Yang Luo's physical body was far too strong; he simply couldn't cut through his leg!

“Not long ago, you barely managed to escape by a fluke. Do you really think your luck will hold now?”

Yang Luo looked down at the Hundred Battle Heavenly God, his voice cold and emotionless.

“You little beast, I’ll fight you to the death!”

The Hundred Battle Heavenly God, maddened and humiliated, swung his sword once more in a frenzied assault on Yang Luo!

But Yang Luo did not hesitate. He suddenly stomped down with immense force!

With a crisp “crack!” sound!

The left shoulder of the Hundred Battle Heavenly God was crushed entirely, his left arm hanging limp!

“Ugh ah!”

He let out a gut-wrenching wail as he plunged straight from the sky!

“Courting death!”

The Blazing Angel flapped his wings and charged, brandishing the long spear in his hands to attack Yang Luo!

The Xing Kong Heavenly God and the Mad Axe Giant God also surged forth from two other directions, launching a ferocious assault!

Seeing the trio’s onslaught!

Yang Luo's eyes turned icy cold, and the power of the blood essence within his body erupted instantly!

"Holy Dragon!"

"Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!"

"Taotie, Hundun, Qiongqi, Taowu!"

"Roar! Roar! Roar!"

Amidst a cacophony of snarling roars!

A colossal golden Holy Dragon, spanning thousands of feet, along with the Four Great Divine Beasts and the Four Great Fierce Beasts, rose up to clash with the incoming three attackers!

Whether it was the Holy Dragon, the Four Gods, or the Four Evils, they exuded unbridled ferocity, as though they sought to obliterate all in their path!

"Counterattack!"

The Xing Kong Heavenly God's face changed dramatically as he swung his spear!

"Starry Sky Divine Spear!"

In the blink of an eye!

Countless purple spears pierced through the heavens, resembling stars scattered across the sky, all shooting towards the Holy Dragon and the Four Gods and Four Fierce!

"Divine Flame Burning World!"

The Blazing Angel twirled the spear in his hands!

Whoosh!

A sea of nine-colored flames surged upward, threatening to engulf and incinerate everything it touched!

“Frenzied Nine Axes!”

The Mad Axe Giant God gripped his massive axe with both hands, cleaving forward nine times!

Slash! Slash! Slash!

Each of the nine colossal axes descended heavily, cutting nine immeasurable chasms into the boundless skies and void!

Rumble!

Under the relentless assault from the trio!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts disintegrated explosively in the sky!

“You little beast, die for me!”

At this moment, the Hundred Battle Heavenly God let out a deafening roar, charging upward from below!

As he charged upward!

He immediately activated his Dharma Idol and struck towards Yang Luo with a killing blow!

His Dharma Idol mirrored him, unleashing a similar devastating strike!

Slash!

The two overlapping swords intensified divine might, as if a Sword Mountain were descending to annihilate Yang Luo!

Yang Luo's face remained composed, his voice laced with contempt: "You couldn't kill me back then, and you think you can kill me now? Wishful thinking.

If you're so desperate to die, I'll grant your wish!"

Saying this, Yang Luo raised the sword in his hand and slashed down with all his strength!

Slash!

As the sword came down!

Countless golden flying swords converged, coalescing onto the blade!

A colossal five-thousand-foot golden sword split the heavens, tore through the void, unstoppable and indestructible!

As Yang Luo slashed down with his sword!

The Hundred Battle Heavenly God already felt an overwhelming oppressive force and the shadow of death looming over him!

But as he tried to evade, it was already too late—he could only endure it head-on!

“This sword is terrifying... Stop him now!”

The Xing Kong Heavenly God cried out in horror before launching another frenzied assault at Yang Luo!

“Starry Sky Roulette·Divine Burial!”

In an instant!

A massive purple roulette several thousand feet wide materialized in the sky above!

The enormous roulette was engraved with intricate star patterns, seemingly containing an entire miniature starry sky within!

In the next moment!

Whoosh! Whoosh! Whoosh!

Countless beams of Light of the Stars rained down from the roulette, as though a celestial downpour had descended!

The vast void was shredded into countless cracks as if it were merely fabric!

“Divine Flame Meteor Burst·Burning Sky!”

The Blazing Angel shuddered and roared in rage!

The nine-colored flames within his body erupted, forming a massive nine-colored fireball in the sky, radiating blinding light like a nine-colored sun!

The rolling nine-colored fireball obliterated the Cloud Sea, scorched through the void, and evaporated the seawater below, sending up spiraling white mist!

“Nine Kill Giant God·Descent!”

The Mad Axe Giant God swung his massive axe and roared thunderously!

In the blink of an eye!

Nine array platforms materialized before him!

As the nine platforms coalesced, nine colossal thousand-foot Giant Gods emerged, each wielding a massive axe, and furiously charged at Yang Luo!

Yang Luo remained utterly unfazed!

As his sword slashed towards the Hundred Battle Heavenly God, he unleashed another killing technique!

“Great Dao Dragon Diagram!”

In an instant!

A vast, several-thousand-foot-long Golden Dragon Totem materialized in the sky, rotating ominously and emanating terrifying dragon might and dragon qi!

“Roar! Roar! Roar!”

Two hundred thousand dragon illusions roared to life, brimming with destructive heaven-and-earth-annihilating power, surging forward!

Crash! Boom!

Thunderous crashes and explosions resounded across heaven and earth, shaking the eight directions!

The attacks of the Xing Kong Heavenly God, Blazing Angel, and Mad Axe Giant God were all obliterated, even reflected back!

“Arghhh!”

The trio screamed in pain as they were blasted backward, their bodies torn apart, blood splattering everywhere!

Just as the three were sent flying!

The sword Yang Luo unleashed had already reached the Hundred Battle Heavenly God below!

Boom!

The Hundred Battle Heavenly God’s sword was shattered by the strike!

His Dharma Idol was also split in half by the attack, exploding in mid-air!

“You... No!!!”

He let out a terrified scream, desperately attempting to evade, but it was far too late!

Slash!

The sword cleaved his body in half, scattering blood, flesh, and bone fragments in every direction!

“Aaaahhh!!!”

The Hundred Battle Heavenly God’s Essence Soul roared furiously as it fled his shattered physical body, attempting to escape!

But Yang Luo would never let him have his way!

Yang Luo swung his sword again, annihilating his Essence Soul!

Thus, the Hundred Battle Heavenly God, who had reached the mid-stage Heavenly Immortal cultivation, perished!

And just as the Hundred Battle Heavenly God fell!

A series of enraged roars echoed from the sky above!

“Starry Sky Gods Formation!”

“Divine Flame Burning World Formation!”

“Chaotic Axe Giant God Formation!”

In an instant!

Three Great Formations coalesced, trapping Yang Luo within them!

The moment the three formations were activated, they began suppressing him immediately!

Countless Starry Sky Divine Chains howled, binding Yang Luo's body tightly!

Dense beams of starlight shot forth, intent on piercing Yang Luo to death!

The nine-colored Fire Sea surged, seeking to obliterate Yang Luo and reduce him to ashes!

Numerous towering Giant Gods emerged, charging ferociously at Yang Luo!

Yang Luo's act of slaying the Hundred Battle Heavenly God right under their noses had enraged them to the extreme!
