

## **Super IDG 2461**

Chapter 2461: The Real Threat!

“Kill that boy, avenge the Hundred Battle Heavenly God!”

“That boy’s threat is too great, we absolutely cannot let him live!”

“He must be torn to pieces, his divine soul obliterated!”

The Blazing Angel, Xing Kong Heavenly God, and Mad Axe Giant God roared furiously, channeling their divine power madly into the Triple Killing Array!

The array continued to be fortified, its destructive power, lethality, and devastating potency skyrocketing further!

Meanwhile, the Judgement Angel and Netherworld Sky Demon, who were engaged in battle in the distance, erupted in fury upon learning of the Hundred Battle Heavenly God’s death!

Less than half an hour into the fight, they had already lost a key combatant—utterly infuriating!

The Judgement Angel gnashed his teeth, “That boy killed the Hundred Battle Heavenly God—he truly deserves to die!”

The Netherworld Sky Demon remarked coldly, “That boy has already been trapped by the Triple Killing Array. There’s no way he’ll survive!”

The Judgement Angel nodded, “Of course, he’ll undoubtedly be smashed to pieces, his divine soul utterly obliterated!”

Hearing their discussion.

Zuo Canghai sneered and said, “You haven’t fought him before, so you have no idea just how terrifying that boy really is!”

Chu Junlin laughed sarcastically, “Relying on the Triple Killing Array to suppress him? You’re dreaming!”

Just as the Netherworld Sky Demon and Judgement Angel were stunned—

A thunderous roar suddenly emanated from within the Triple Killing Array!

“Heaven and Earth Dharma Idol!”

“Twelve Shaman Primal Heavenly Art!”

Alongside the explosive roar—

**\*Boom! Boom! Boom!\***

The heavens trembled violently, oceans swayed, the void became unstable!

In an instant!

**\*Boom!\***

The Triple Killing Array simultaneously imploded in midair, as though detonating into three colossal balls of energy!

Radiant light blazed forth, waves of surging energy intermingling, transforming into a massive sea of energy light, spreading across all directions!

“Ahhh!”

The Blazing Angel, Xing Kong Heavenly God, and the Mad Axe Giant God were caught off guard and violently blasted away!

As the sea of energy light finally dispersed—

Yang Luo was seen standing proudly in midair, his black hair flowing, his black robe billowing, his expression cold and rebellious!

Though several layers of his physique secret technique had been destroyed, his physical body remained unscathed!

A towering Golden Dragon Totem revolved slowly above him, its boundless dragon might and dragon qi spreading outward!

Thirteen colossal giants, each standing five thousand feet tall, surrounded him, protecting him like loyal vassals to their sovereign!

Among the giants, one was Yang Luo's Dharma Idol!

The other twelve were none other than the ancient Ancestral Magi!

With Yang Luo's cultivation advancing to the late stage of Heavenly Immortal—

Both his Dharma Idol and the twelve Ancestral Magi saw their combat power skyrocket!

"What?! That boy actually survived?!"

"He... He managed to break the Triple Killing Array in an instant... and he's completely unharmed?!"

From afar, the Judgement Angel and Netherworld Sky Demon exclaimed in shock, their bodies trembling, their hearts filled with terror.

Though they could sense Yang Luo's cultivation was at the Late Stage of Heavenly Immortal—

The combat force he unleashed clearly exceeded that level!

Had his combat power already reached the Heavenly Immortal Perfected Stage?!

How could this be possible?!

“Hahaha... Boy, well done!”

“Boy, keep slaughtering! Take out as many top combatants from these three races as possible!”

Zuo Canghai and Chu Junlin laughed boisterously.

“Kill that boy first!”

“Alright!”

The Judgement Angel and Netherworld Sky Demon finally realized the true threat wasn't Zuo Canghai or Chu Junlin, but this young man!

“Never!”

“Your opponents are us!”

Zuo Canghai and Chu Junlin roared furiously, intercepting the Netherworld Sky Demon and Judgement Angel!

Meanwhile, in the midst of the four-way battle—

Yang Luo lifted his gaze toward the Blazing Angel and his two companions, shouting, “Prepare to pay with your lives!”

Saying this, Yang Luo led his Dharma Idol and twelve Ancestral Magi, charging toward the Blazing Angel and company!

“Roar! Roar! Roar!”

The Great Dao Dragon Diagram resumed rotating, unleashing tens of thousands of dragon illusions that roared out fiercely!

At this moment—

Yang Luo resembled the Nine Heavens Dragon Emperor, dominating the world with unparalleled majesty!

“I refuse to believe that even with our combined strength, we can’t kill him!”

“Do not engage alone—attack him together!”

“Kill him!”

The Blazing Angel, Xing Kong Heavenly God, and Mad Axe Giant God roared ferociously, launching a frenzied assault on Yang Luo!

On their way to attack, they each summoned their Dharma Idol!

Their Dharma Idols clashed madly against Yang Luo's Dharma Idol and twelve Ancestral Magi!

However, Yang Luo's Dharma Idol, twelve Ancestral Magi, and tens of thousands of dragon illusions proved to be overwhelmingly strong, forcing the enemies' Dharma Idols into consistent retreat!

Within mere minutes—

**\*Boom! Boom! Boom!\***

The Dharma Idols of the three opponents simultaneously exploded in midair!

**"Kill!"**

Yang Luo swung his sword once again, issuing the command!

His Dharma Idol, twelve Ancestral Magi, and dragon illusions resumed their ferocious charge!

**"Do not hold back even slightly! Unleash your killing moves and take that boy down!"**

The Xing Kong Heavenly God shouted viciously, wielding his spear and continuing his assault!

**"Starry Sky Twelve Battle Spears!"**

**"Starry Sky God Slaying Formation!"**

Twelve massive spears shattered the void, firing from twelve directions with infinite destructive potential!

A starry formation diagram emanated overwhelming killing intent, suppressing everything in its path!

“Burning Sky Sea of Fire!”

“Angel Light Wheel!”

The Blazing Angel followed suit, releasing his ultimate moves!

A vast, nine-colored sea of fire surged forward!

A colossal nine-colored fire wheel descended, accompanied by crashing fire waterfalls!

“Heavenly God Eight Extremes Seal!”

“Blood Burning God Suppressing Gang!”

The Mad Axe Giant God swung his enormous axe, unleashing his most powerful strikes!

A monumental seal spanning thousands of feet formed, crushing part of the sky as it suppressed downward!

Streams of blue-black beams infused with overwhelming divine power charged downward!

\*Boom! Boom! Boom!\*

Heaven-shaking explosions reverberated endlessly!

Tens of thousands of dragon illusions were wiped out!

Six of the twelve Ancestral Magi were also obliterated!

“Break through!”

Yang Luo roared wildly, wielding the Dragon Emperor Sword and leading his Dharma Idol and six remaining Ancestral Magi, ripping open waves of energy light and charging ahead!

“Die, boy!”

The Mad Axe Giant God roared furiously, clutching his enormous axe tightly. He summoned the entirety of his physical strength and divine power, striking an earth-shattering blow at Yang Luo!

\*Boom! Boom!\*

The axe strike was savage and unparalleled, its divine light illuminating the heavens, its divine might engulfing the world, as though aiming to annihilate everything in existence!

“The one dying is you!”

Yang Luo shouted equally fiercely, gripping the Dragon Emperor Sword in both hands and slashing upward!

\*Swish!\*

The sword strike was overwhelmingly violent, its sword might earth-shaking, its sword intent boundless, dominating Heaven and Earth!

Yang Luo’s Dharma Idol and six remaining Ancestral Magi also wielded their massive weapons, launching a ferocious counterattack!

Despite the Mad Axe Giant God’s natural-born divine strength, his mountain-razing power, and his towering figure resembling a peak—he still couldn’t withstand Yang Luo’s all-out offensive!

“Argh...”

He let out an anguished cry as his arms and muscles suffered massive tears, his blood splattering everywhere!

The Sky Splitting Divine Axe in his hands was forcefully knocked away, embedding itself into a towering mountain on Immortal Burial Island with a resounding crash!

The sword in Yang Luo’s grasp, along with the weapons of his Dharma Idol and six remaining Ancestral Magi, continued slashing fiercely toward the Mad Axe Giant God!

“Stop him!”

“Quick, block the attack!”

The stunned Blazing Angel and Xing Kong Heavenly God screamed in desperation...

Chapter 2462: Lethal Strike!

The Blazing Angel unleashed all the divine power and fire energy within his body and roared out loud!

“Nine Star Explosion!”

In the blink of an eye!

The raging flames erupted upwards and transformed into nine fireballs burning with nine-colored flames in the sky!

These nine fireballs hovered like nine great suns, blazing across the heavens, surging forward to collide with Yang Luo!

“Starry Sky Annihilation!”

The Xing Kong Heavenly God also roared furiously, wielding the spear in his hand!

The sky above him instantly transformed into a starry cosmos!

The sun and moon rotated, stars spread across the firmament in boundless grandeur!

“Kill!”

He lifted the spear in his hand and pressed downward ferociously!

The sun, moon, and stars all plummeted from the sky like the collapsing of the universe’s starry cosmos, aiming to annihilate Yang Luo!

Just as the two unleashed their ultimate killing moves!

Splatter!

Yang Luo brandished his sword and instantly sliced the enormous body of the Mad Axe Giant God cleanly in half!

His Dharma Idol, along with the six Ancestral Magi he summoned, wielded colossal weapons and dismembered the Mad Axe Giant God’s massive frame into eight pieces!

“Deplorable!!!”

The Mad Axe Giant God's Essence Soul escaped, looking deranged and charging madly toward Yang Luo!

"Dragon Rebel Sword Formation!"

Yang Luo swung his sword, instantly forming a sword formation that trapped the Essence Soul within!

Shush shush shush!

Flying swords pierced through the air, golden dragons roared, and launched relentless attacks at the Mad Axe Giant God's Essence Soul!

"Ahhhhh..."

The Mad Axe Giant God's Essence Soul frantically rammed against the formation, screamed, and writhed in agony!

His Essence Soul fragmented into pieces and was on the verge of vanishing!

After trapping the essence of the Mad Axe Giant God!

Yang Luo's Dharma Idol along with the six Ancestral Magi charged toward the nine fireballs and the falling sun, moon, and stars!

"Still trying to save someone? You must be dreaming!"

Yang Luo roared fiercely, unleashing his killing moves again!

"Flame Emperor's World Burning Art!"

"Chaos Slaughter Array Map!"

A vast sea of flames surged forth, incinerating the sky and sea!

Massive golden-red fireballs, as bright as blazing suns, collided head-on!

Nine fiery pillars, the Annihilation Fire Lotus, and roaring fire waterfalls all descended to suppress the aggressors!

The seawater evaporated rapidly, rising like thick smoke straight into the heavens!

A slaughter array map inscribed with golden dragon heads and imbued with terrifying killing aura pressed down heavily!

In just an instant!

Rumble rumble rumble!

An earth-shattering explosion erupted in the sky, its reverberations seemingly spreading across the entire Sea of Illusion!

Multicolored light and energy intermingled, transforming into a boundless ocean that swept through heaven and earth!

The clash between Yang Luo's offensive and the combined attacks of the Blazing Angel and Xing Kong Heavenly God all detonated in the sky!

The celestial heavens, the void, and the oceans were left with three enormous abyss pits, dark and unfathomable!

The Mad Axe Giant God's Essence Soul was also annihilated by the grinding of the sword formation, reduced to dust and ashes!

“Urgh...”

“Ah...”

The Blazing Angel and Xing Kong Heavenly God screamed in pain and were sent flying backward!

Blood sprayed profusely from their mouths, and gruesome injuries tore their bodies apart, making them utterly wretched!

Their hearts burned with rage and were consumed by terror!

They never expected that despite their combined assault, instead of killing this young warrior, he had managed to slay two of their comrades in quick succession!

To have slain the Hundred Battle Heavenly God, a mid-stage Heavenly Immortal!

The Mad Axe Giant God, even more formidable as a late-stage Heavenly Immortal!

If it were a one-on-one confrontation, being killed might have been understandable!

But being slain despite teaming up was unbelievably nonsensical!

This young warrior not only possessed an array of powerful cultivation techniques and immortal skills but also had incredibly seasoned combat experience!

He continually found the opening to land fatal strikes!

Although Yang Luo’s body was marked with wounds from the earlier blast, they were of no consequence!

He flickered in movement, heading directly toward the nearest target—the Blazing Angel!

“I let you escape back then. Now it’s time to end this!”

Yang Luo grew Thunderfire Wings on his back, ascending into the sky like an Ancient War Immortal descending upon the world!

With both hands gripping the Dragon Emperor Sword, he channeled all his energy and delivered a devastating downward slash at the Blazing Angel!

Shing!

A colossal golden sword, stretching thousands of meters, descended heavily, tearing a massive Sky Split into the celestial heavens and the void!

“Ahhh! I’ll fight you to the death!!!”

The Blazing Angel’s face contorted ferociously as he roared and unleashed his Dharma Idol, brandishing the spear in his hand!

He and the Dharma Idol simultaneously swung their spears, colliding upward!

Two enormous nine-colored flaming spears intertwined, growing increasingly formidable and savage!

Boom boom boom!

The massive sword launched by Yang Luo clashed heavily with the flaming spears, producing an earth-shaking collision sound!

Firelight sprayed in all directions, energy flared violently, with terror lurking beneath the dazzling brilliance!

“Ahhhhh...”

The Blazing Angel cried miserably, being forcibly crushed downward, his body ripped open by numerous bloody wounds, with flesh and blood scattered chaotically.

He unleashed wave after wave of killing moves, attacking wildly toward Yang Luo!

“Still resisting? Do you believe you can hold out?”

Yang Luo’s eyes flashed with murderous intent as his aura and combat power surged further!

The Emperor Dragon Sword Domain, Endless Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Purple Thunder Immortal Domain, and Fire Phoenix Immortal Domain took form!

Seven great domains descended simultaneously, overwhelming and boundless, as though they were about to sunder heaven and earth!

Flying swords darted, golden dragons soared, fire phoenixes spread their wings, and thunder crashed down!

The cold moon pressed onwards to suppress, while the Yin Yang Five Elements Power stormed downward!

Boom boom boom!

The heavy killing moves unleashed by the Blazing Angel were utterly destroyed!

“Help me! Help me!!!”

He crumbled into despair, screaming desperately for aid.

“You little brat, cease at once!”

The Xing Kong Heavenly God roared out, unleashing layers of killing moves, striking at Yang Luo!

“Da Mie Meteor Spear!”

“Starlight Primordial Wave!”

“Star Gods Execution Seal!”

Spears like meteors pierced through the sky, shooting explosively forward!

Purple waves of light charged upward like massive dragons!

A huge starry seal materialized, inscribed with ancient runes, suppressing downward!

Additionally, he summoned his Dharma artifact, the Starry Sky Treasure Wheel!

A purple light wheel roared outward, rapidly expanding thousands of meters, crushing toward Yang Luo!

Blinding beams of starlight shot out violently from the treasure wheel!

“Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror!”

Yang Luo roared, summoning four Dharma artifacts!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror flew out simultaneously, instantly expanding thousands of meters, colliding head-on!

“Roar roar roar!”

Tens of thousands of golden dragons, black dragons, purple dragons, and blue dragons imbued with Holy Dragon Power roared out!

Dragon talismans erupted from the four Dharma artifacts, suppressing forward!

Radiant star beams violently shot forth in all directions!

Boom boom boom!

Rumble rumble rumble!

Alongside deafening clashes and explosions that shook the heavens and rocked the seas!

The killing moves unleashed by the Xing Kong Heavenly God were entirely obliterated!

Even his Starry Sky Treasure Wheel was sent flying and reverted to its original state!

As the Xing Kong Heavenly God was blasted backward!

The seven domains Yang Luo had formed descended to suppress him entirely!

“Ahhhh...”

With the Blazing Angel's final cry!

Bang!

The Blazing Angel exploded into fragments, his flesh and bones scattering through the air!

Even his Essence Soul couldn't escape, disintegrating into nothingness!

Chapter 2463: Prayers in the Heart!

Just as the Blazing Angel fell!

Far above in the sky, Zuo Canghai and Chu Junlin joined forces to unleash their ultimate killing strikes, attacking the Netherworld Sky Demon and Judgment Angel!

"Nine Lives and Nine Deaths!"

"All Poison Annihilation!"

"Tongtian Poison Scripture!"

Zuo Canghai swung his long whip, striking nine times in a row!

Nine massive whips rose like nine heavenly pillars, pressing down with immense force!

A sea of poison gas and poisonous mist converged, surging upward with monstrous waves!

Ten-colored runes filled the sky, forming long rivers of light, charging forward to kill!

“Domineering Ten Spears!”

“Heavenly Demon Chaos!”

“Demon God Domain!”

Chu Junlin gripped his spear tightly with both hands and struck ten times!

Ten colossal spears, each thousands of zhang long, shattered the firmament, tore through layers of the void, and pressed forward relentlessly!

Countless Demon Soldiers, Generals, and Demon Beasts formed an overwhelming tide, charging forward!

A domain condensed into shape, like a piece of heaven pressing down mightily!

“Strike back!”

Judgment Angel roared angrily, “We must kill these two bastards!

If we can take them out, joining forces to kill that brat will be much easier!”

As his enraged roar echoed!

He swung his sword and shouted furiously!

“Judging Heaven and Earth!”

“Angel City!”

“Ten Thousand Forms!”

A massive golden sword, thousands of zhang in length, tore through the firmament, as if an ancestral angel delivered a devastating strike!

An ancient Holy Light City took shape, advancing to suppress its target!

Tens of thousands of angelic illusions materialized, wielding weapons and flapping wings, charging forward!

“Ten Demons Destroying the World!”

“Burial God Demon Tablet!”

“Ancient Demon Swallowing Sky!”

The Netherworld Sky Demon swung his saber and let out a blood-curdling roar!

Ten colossal trolls, each thousands of zhang tall, wielded various weapons and stormed forward!

An ancient Demon Tablet radiated blinding demonic light, pressing down to suppress its opponents!

A towering troll, blotting out the sun and sky, materialized in the heavens, opening its crimson maw to consume all!

In an instant!

The successive strikes of the four clashed fiercely in the sky!

Boom! Boom!

Explosion after explosion rocked the heavens and earth with unstoppable momentum!

The boundless waves of energy and light intertwined like erupting volcanoes, rivers bursting their banks, and oceans raging, spreading in all directions!

The strikes unleashed by the four led to mutual destruction, exploding violently in midair!

“Ahhh...”

The Netherworld Sky Demon and Judgment Angel let out cries of pain, blasting backward!

They spat out fresh blood, their bodies drenched with the crimson liquid!

Zuo Canghai and Chu Junlin were also knocked back, blood spilling from their bodies!

But they forcibly steadied themselves, accelerated at blazing speed, breaking through the sea of energy light and closing in on Judgment Angel!

“Die for me!”

Zuo Canghai swung his long whip, his hair flying and robes fluttering, furiously hammering towards Judgment Angel!

“Not a chance!”

Judgment Angel swung his long sword to meet the attack head-on!

Clang! Clang!

The clash of weapons echoed deafeningly, shaking the heavens!

But, just as Judgment Angel deflected this blow!

Plunge!

Taking advantage of the moment, Chu Junlin thrust his spear straight into Judgment Angel's chest!

"You..."

Judgment Angel's eyes widened in shock, his bloodied left hand gripping the spear tightly!

A chilling hole pierced through his chest, fresh blood spilling uncontrollably!

Yet, as a Heavenly Immortal Perfected Stage cultivator, his physical body was pierced, but he did not die!

"Judgment Angel!!!"

In the distance, the Netherworld Sky Demon let out a rage-filled howl, yelling towards the Xing Kong Heavenly God being chased by Yang Luo!

"Go!"

With a furious roar!

He shattered the space beneath him and fled into the void!

After having one arm severed by Yang Luo, the Starry Sky Angel followed suit, breaking the void to escape together!

Just as they both fled!

Chu Junlin and Zuo Canghai, one punching and one palm-striking, directly executed Judgment Angel!

Boom!

Judgment Angel's physical body shattered into flesh and bone shards, scattering through the sky!

His Essence Soul tried to flee but was instantly obliterated by Yang Luo's sword!

Thus, the Judgment Angel, a cultivator at the Heavenly Immortal Perfected Stage, perished!

"Phew..."

Zuo Canghai let out a heavy breath, cursing, "Damn it, these guys are seriously sneaky; they run as soon as they can't win!"

Chu Junlin said, "They're likely fleeing to Heavenly Sword Island!

That's the main battlefield; their forces are stationed there!"

Yang Luo quickly collected the divine weapons and Dharma artifacts of the celestial beings and demons, then said decisively, "Senior Zuo, Senior Chu, please hurry to the secular world to assist!

I'll go hunt down those two bastards!"

"Can you handle it alone?"

Zuo Canghai asked.

Yang Luo replied, “Don’t worry; Senior Dongfang and others are also on Penglai Immortal Island, and I believe they’ve already clashed with those enemies!

If I join forces with Senior Dongfang, we should be able to eradicate some of the top-tier enemies from those three races!”

“Alright, kid, be careful!”

“Once the crises in the Immortal Realms are resolved, come to the secular world immediately!”

Both Zuo Canghai and Chu Junlin spoke in unison.

“Understood!”

Yang Luo nodded firmly.

With that, Zuo Canghai and Chu Junlin shattered the space and entered the void, flying away.

Yang Luo exhaled deeply, his divine sense spreading to its maximum range to lock onto the auras of the fleeing Netherworld Sky Demon and Xing Kong Heavenly God!

Then, he stepped forward, shattering the space, and entered the void in pursuit!

Now that he had reached the Late Stage of Heavenly Immortal cultivation, even traversing the void no longer posed a significant strain on his physical body!

He cast his speed technique, flying through the void at rapid pace!

While chasing the Netherworld Sky Demon and Starry Sky Angel!

He tried transmitting messages to Gu Tianshang and Linghu Wuxie!

“Senior Gu, Senior Linghu, the three races have invaded Earth, and a war has erupted across the Three Realms!

How are you faring?”

But to Yang Luo’s concern, Gu Tianshang and Linghu Wuxie did not respond at all!

Could it be that Senior Gu and Senior Linghu had fallen to the Golden Immortal Tribulation?

Thinking this, Yang Luo’s heart sank to rock bottom!

Quickly shaking off the thought, he dispelled his doubts!

Senior Gu and Senior Linghu were peerless heroes who had once overcome the Earth Immortal Tribulation and Heavenly Immortal Thunder Tribulation!

Surely, they could also survive the Golden Immortal Tribulation and ascend!

Perhaps the two seniors were undergoing their tribulations now, unable to spare any focus to reply!

Yang Luo thus refrained from further attempts to contact Gu Tianshang and Linghu Wuxie.

If they were indeed undergoing their tribulations, they could not afford any distractions.

A momentary lapse of focus would undoubtedly lead to peril!

In his heart, he prayed!

Senior Gu, Senior Linghu, may you transcend this trial!

Who knows how long he flew!

Yang Luo sensed the auras of the Netherworld Sky Demon and Starry Sky Angel grow closer!

He accelerated once more, racing through the void!

Soon after.

Straining his eyes forward.

He saw two figures fleeing rapidly within the boundless darkness of the void...

Chapter 2464: Pursuit between Life and Death!

“Keep running!

Do you think you can escape?

Hand over your lives to me!”

Yang Luo let out a thunderous roar, wielding the Dragon Emperor Sword. Above his head hovered the Ten Thousand Dragon Cauldron, the Chaos Bell, the Primordial Dragon Stele, and the Holy Dragon Ancient Mirror as he chased after them!

On the path of slaughter!

The Dharma Idol was unleashed!

The twelve Ancestral Witches rose up!

The Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun, Qiongqi, and Taowu also rose!

The Dharma Idol, twelve Ancestral Witches, Holy Dragon, Four Gods, and Four Fierce Beasts charged forward under Yang Luo's command in a frenzied attack!

"Damn it!"

The Xing Kong Heavenly God gritted his teeth. "How has this brat caught up so quickly?!"

The Netherworld Sky Demon snarled viciously, "Ignore him! Head to regroup with our forces. We'll encircle and annihilate him together then!"

The Xing Kong Heavenly God sneered darkly, "Those two old coots are nowhere to be seen. They haven't caught up yet!"

Why don't we kill this brat now and settle it!"

His hatred for Yang Luo had reached its peak!

After all, he had watched the Mad Axe Giant God, Blazing Angel, and Hundred Battle Heavenly God die before his very eyes!

Moreover, Yang Luo had grievously wounded him, even cutting off his left arm!

The Netherworld Sky Demon said in a deep voice, “This brat is no simple opponent. Even without the help of those two old coots, his strength is formidable!

To be on the safe side, we should regroup with our forces before killing him!”

“Fine!”

The Xing Kong Heavenly God nodded reluctantly, shooting a venomous glance at Yang Luo, who was pursuing them madly from behind.

The Netherworld Sky Demon and Xing Kong Heavenly God ignored Yang Luo entirely and instead accelerated, traversing the Void as they fled toward the main battlefield of Heavenly Sword Island!

Yang Luo summoned his Thunderfire Wings and accelerated once more to chase after them!

Although the Netherworld Sky Demon and Xing Kong Heavenly God’s speed was extraordinary, Yang Luo still caught up to them!

“Die!”

Yang Luo roared, slashing wildly with his sword in hand!

Whoosh!

The massive golden sword, spanning five thousand feet, ripped through the Dark Void, slashing toward the Netherworld Sky Demon and Xing Kong Heavenly God!

His Dharma Idol, twelve Ancestral Witches, Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts also charged forward!

“You little bastard, courting death!”

The Netherworld Sky Demon roared in fury, activating his Dharma Idol and swinging his Demon Blade!

“Kill!”

The Xing Kong Heavenly God bellowed, activating his own Dharma Idol and thrusting forward with his spear!

Rumble! Rumble!

Massive blades and spears, stretching thousands of feet, hurtled forth, shaking the Dark Void!

Their Dharma Idols surged forward in unison!

Clang! Boom!

In the midst of a world-shaking explosion and collision!

The Netherworld Sky Demon and Xing Kong Heavenly God were blasted away simultaneously!

Their Dharma Idols erupted in explosions, vanishing within the Dark Void!

Yang Luo, too, was thrown backward by the shockwave!

His Dharma Idol, four Ancestral Witches, Vermillion Bird, Black Tortoise, Qiongqi, and Taowu also shattered in the Dark Void!

The Netherworld Sky Demon and Xing Kong Heavenly God, seeing their failed strike, made no hesitation and fled once again!

“Damn it, still trying to flee?! Stand still for me!”

Yang Luo roared, leading the remaining eight Ancestral Witches, two Divine Beasts, and two Fierce Beasts in hot pursuit!

...

At the same time.

In the secular world.

Battles raged across the globe!

In the skies above various nations, fighter jets crisscrossed, bullets rained down, and cannons thundered relentlessly!

Flames erupted, and thick smoke billowed!

Despairing cries echoed across the world!

The entire world was descending deeper into chaos, with casualties surging!

Especially in the waters above Country Hua's seas!

The earth-shaking cries of battle reached terrifying heights!

Thud, thud, thud!...

Boom, boom, boom!...

Crashes and explosions resounded endlessly!

Various lights and streams of energy burst apart in the skies!

The sea was littered with corpses, staining vast swaths of ocean red with blood!

Under the relentless assault of gods and demons!

Countless elders from the Kingdom of Magic, Blood Race, and the Demon Dragon Clan had perished in battle!

Within Country Hua's eight sects, four of the Grand Elders had also fallen!

The remaining four were still fighting with bloodied desperation!

The most powerful, Zhang Zhilin and Master Xuanku, were also nearing their limits. Blood dripped from their mouths, and their bodies were soaked in crimson!

Despite receiving artillery support from various nations, it was ultimately insufficient to turn the tide!

"Celestial Master, Master Xuanku, what now? They're too many—we're at our breaking point!"

An elder cried out in despair.

"Why haven't reinforcements from the two Immortal Worlds arrived yet?!"

Another elder shouted hoarsely.

Zhang Zhilin struck down several gods and demons with a single palm strike, gasping for breath as he replied, "I suspect the Kunlun Ruins and Penglai Immortal Island are embroiled in their own battles!

They're shielding us from the majority of the pressure and have no spare capacity to aid the secular world!

All we can do is hold our ground! Even if it means fighting to the last second, shedding every drop of blood we have, we cannot retreat!"

Master Xuanku declared boldly, "If saving the lives of billions means sacrifice, then so be it!"

"Agreed!"

"Then let us fight to the final moment!"

"If we can drag more gods and demons down with us before we die, it'll be worth it!"

The elders roared hoarsely, bracing themselves for their final stand.

And just at that moment!

"Aaaarghhhh..."

In the distance, cries of misery echoed.

They saw divine weapons and generals, demon soldiers and generals falling en masse, their bodies dismembered and flying through the air!

Zhang Zhilin, Master Xuanku, and the others turned their heads sharply!

They saw six figures rushing toward them at lightning speed!

It was none other than Istab, Keos, Tia, Varna, Evans, and Tilly from the Star Ruins Divine Realm coming to their aid!

The six possessed extraordinary auras, wielding weapons that radiated dazzling divine light, brilliant and resplendent!

“Who are these people?!”

“Looking at their attire, they resemble the three enemy races. Could they be reinforcements for the enemy?!”

“What?! More help for them?!”

“Wait, if they’re really allied with the three races, why are they attacking their own?!”

The elders voiced their confusion.

At this moment.

Istab proclaimed, “Everyone, do not fear! We hail from the Atlantis, Mayan, Titan, and Golden Pagoda Divine Clans!

We’ve come to assist you all in battle!”

“That’s right!”

Keos chimed in, "We are all friends of Yang Luo!"

"So, they're here to help us!"

"They're Yang Luo's friends!"

"Good, excellent... Finally, reinforcements have arrived!"

"Thank you, thank you!"

The elders were first stunned, then overjoyed.

After all, they had struggled for so long with no reinforcements in sight!

Now, at last, someone had come to their aid!

"Thank you for your help!"

"Amitabha Buddha, our gratitude to the six benefactors!"

Zhang Zhilin and Master Xuanku also expressed their thanks.

"There is no need for thanks. Our four divine clans have longstanding enmity with those three enemy races!"

Istab replied, then asked, "Where is Mr. Yang? Why is he not fighting with you?"

Zhang Zhilin pointed a hand toward the two channels of light in the skies above Kunlun Mountain and Penglai Immortal Island in Country Hua.

He explained, "Those two channels lead to the Kunlun Ruins and Penglai Immortal Island, the two Immortal Worlds of our country!

Currently, the enemy forces of those three races have invaded there. Little Luo is inside battling their forces!"

Chapter 2465: Top Expert!

"So, that's how it is."

Istab and the others nodded in realization.

Just then—

"Istab, Keos, Tia, Varna, Evans, Tilly, what are you doing here?"

"Do you four divine guards intend to interfere in this war too?"

"Our Light God Lord has already issued a warning. Do you still dare to participate? Are you truly seeking extinction?"

Several leading gods stepped forward, hovering in mid-air, their gazes locked firmly on Istab and the six of them as they roared furiously.

Istab, wielding a dark golden spear, bellowed, "This is our personal matter and has nothing to do with the four divine guards!"

Keos, gripping a massive mace, snarled viciously, "This Old Man chooses to join the fight. What can you do about it?"

“In that case, we’ll send you and these humans to your graves together!”

“Charge! Kill them!”

Several gods and demons roared simultaneously, lunging toward Istab and the six of them!

“Fight!”

Istab surged forward, brandishing his spear aggressively, sweeping it across with great ferocity!

His cultivation had already reached the perfected True Immortal Realm; though not equal to a Heavenly Immortal, he was still an outstandingly eminent existence among True Immortals!

A colossal dark golden spear hundreds of meters in size ripped through the skies, sweeping toward several gods and demons!

The gods and demons hurriedly tried to defend themselves but were immediately blasted away!

Istab stepped forward again, thrusting his spear in one sharp motion to pierce a god’s throat!

Immediately, he spun his spear around, impaling a demon’s chest!

After consecutively slaughtering one god and one demon—

Istab’s figure transformed into a streak of flowing light, heading directly toward the Fiend Celestial Army!

“Come on! Fight me, Old Man!”

Keos roared furiously, his body abruptly expanding to over a hundred meters tall!

The mace in his hand also enlarged to match his massive stature!

“Die, all of you!”

The next roar echoed as he swung his colossal mace mightily from above, smashing it downward toward several gods and demons!

With one strike, the sky fractured on a vast scale, and voids shattered across a massive area!

It was as if the Great Sage Equalling Heaven had swung the golden staff, sweeping across the universe!

Bang! Bang! Bang!

Several gods and demons were instantly turned to pulp, their flesh raining down from the skies!

Although a few gods and demons managed to withstand the blow, they were sent plummeting downward, grievously injured,

“Hahaha! You all are nothing special!”

Keos laughed wildly, gripping his mace as he charged upward to continue his assault!

“Unleash Titan Divine Body!”

With an explosive roar, Tia followed suit, her body growing by about a hundred meters!

Clutching a massive spear, she charged ahead like an ancient female War God, annihilating all gods and demons blocking her path!

Varna's body shimmered with emerald-green divine light as she wielded her wooden scepter!

"Tree of Life!"

A towering ancient tree hundreds of meters high emerged, radiating a dazzling, verdant glow!

Vines as thick as arms shot out from the tree, instantly binding several gods and demons!

Once she restrained the gods and demons—

Varna swung her scepter again!

"Flying Leaf Divine Blade!"

Whoosh, whoosh, whoosh!

Countless leaves, sharp as flying blades, shot forth, perforating the bodies of the bound gods and demons until they resembled sieves!

Her face cold and resolute, Varna commanded the Tree of Life to launch another fierce attack!

"Pharaoh King Snake!"

"God-Burying Sandstorm!"

Evans and Tilly both raised their swords and scepters!

"Hiss..."

A massive, shimmering golden serpent several hundred meters in length rose, hissing as it charged forward!

The golden serpent lunged ahead, shredding several gods and demons into fragments!

Simultaneously, a golden sandstorm spanning hundreds of meters surged across the land, sweeping numerous gods and demons into the skies!

Faced with these cataclysmic scenarios—

“These six are unbelievably powerful!”

“They aren’t human; they are true gods themselves!”

“Who would have thought Mr. Yang’s friends are this formidable!”

“With their aid, the pressure on us will be considerably reduced!”

Even the elders couldn’t help but marvel aloud, their admiration evident.

As a result, Istab and the six’s overwhelming strength inspired confidence in their hearts.

Zhang Zhilin quickly swallowed several pills that Yang Luo had given him earlier.

Taking a deep breath, he shouted loudly, “Everyone, what are you waiting for? Hurry up and lend a hand!”

Master Xuanku also took some pills, saying, “We can’t let Little Luo’s six friends fight on their own!”

“Alright!”

“Everyone, attack together!”

“If Mr. Yang and his team resolve the crisis, they’ll definitely come to save us afterward!”

The elders also consumed their pills before joining Zhang Zhilin and Master Xuanku in charging into the fray!

As Zhang Zhilin and Master Xuanku advanced—

Dozens of gods and demons commanded tens of thousands of divine weapons and generals, Demon soldiers and generals, and Divine Beasts and demons to launch their siege!

But in this pivotal moment—

BOOM!

Over Country Hua, two colossal void caves tore open in the sky!

The deafening rumble echoed across all directions of Heaven and Earth!

Everyone present turned their heads simultaneously to look—

From one of the void caves—

“Roar, roar, roar!”

Countless Poison Beasts shrieked and roared, surging forth in a tide of toxic waters in ten different colors!

From the second void cave—

“Howl, howl, howl!”

Innumerable demon beasts wailed and howled like ghosts, rushing forth with a sea of demonic energy!

The gods and demons surrounding Zhang Zhilin and Master Xuanku hadn’t yet reacted before being swallowed by the toxic sea and demonic energy surge!

“Aarghhh!”

The anguish-filled screams lingered endlessly!

All those gods and demons were poisoned to death, their remains corroded into skeletons by the demonic energy!

Tens of thousands of Divine Beasts and demons were bitten and slain by the Poison Beasts and demons!

In mere seconds, the forces besieging Zhang Zhilin and Master Xuanku—human and supernatural alike—were utterly annihilated!

The sky above was filled with blood, flesh, and shattered bones, suffused with the rich stench of death!

“My heavens... Who on earth is helping us?!”

“In mere moments, tens of thousands were obliterated... The power is overwhelming!”

Even the elders were astounded beyond words.

Zhang Zhilin and Master Xuanku were equally stunned!

At the heart of the battlefield, Istab and the other five were visibly shaken!

They could distinctly sense that the pressure and aura emanating from the void caves had reached Heavenly Immortal-level—immensely powerful Heavenly Immortal strength!

All across the world, everyone following this battle gazed in shock, their minds reeling!

“Could reinforcements have arrived?”

“Most definitely, and they must be unparalleled masters!”

“Whoever they are, they just obliterated tens of thousands of gods and demons in one move—certainly top-tier elites!”

Global audiences erupted in amazement and excitement.

“Who dares to meddle in the war of our three great races? Seeking death?!”

“Show yourself right now!”

“How dare you kill in front of us gods and demons? Pure arrogance!”

The gods and demons roared furiously in outrage.

Chapter 2466: Inspiring!

“Not of our kin, their hearts must be different—kill them!”

“You dare send forces to attack the two Immortal Worlds? Who gave you such audacity!”

Two booming voices echoed from within the Void Caves, deafening and powerful.

In the next moment!

Two colossal hands, stretching thousands of feet, emerged from the Void Caves, bearing down mercilessly upon the gods and demons who had been shouting just moments ago!

The enormity of these hands was utterly overwhelming, blotting out the sky!

Vast stretches of the heavens were crushed under their weight, the Void shattered, and the dense black clouds were rent apart!

“Watch out!”

“Quick, defend yourselves!”

The shouting gods and demons cried out in terror, unleashing layer upon layer of defensive measures to resist the attack!

But behold, despite the strength and sophistication of their defenses, they were rendered utterly powerless against the crushing force of these two hands!

In an instant!

BOOM!!!

All defenses were obliterated in a flash, reduced to dazzling fragments of light and energy scattering across the skies!

BAM BAM BAM!

The gods and demons were flattened into pools of blood and gore within moments!

Witnessing this scene struck terror into the hearts of all present!

Dozens of True Immortals, Earth Immortals, True Fiends, and Earth Fiends were killed by just two strikes?!

Not even a chance to escape, and their defenses crushed in the blink of an eye!

Even as the two massive hands faded away, everyone present remained frozen in a state of shock.

THUD, THUD, THUD!...

Amid the earth-shaking sound of footsteps!

Two elderly men with gray hair and long robes stepped out of the Void Caves!

One glowed with ten-colored light, surrounded by poisonous mist!

The other radiated a black-gold light, his demon energy soaring into the heavens!

Though aged and battle-worn, with blood staining their garments, their vigor remained boundless—they were a force of nature, an unparalleled presence!

The newcomers were none other than “Ten Absolute Poison Venerable” Zuo Canghai and “Bu Mie Demon Venerate” Chu Junlin!

Zuo Canghai surveyed the surroundings and let out a long sigh. “So many lives lost... this battle truly has been catastrophic.”

Chu Junlin also let out a deep sigh.

Although they had prepared themselves for this, the devastation still left them profoundly shaken.

Likely, both Kunlun Ruins and Penglai Immortal Island were suffering similarly, with countless deaths and injuries.

“Are the two of you here from Kunlun Ruins or Penglai Immortal Island?”

Zhang Zhilin cupped his hands and asked respectfully.

Zuo Canghai replied in a resonant voice: “We are both from Penglai Immortal Island.

I am called Zuo Canghai.”

“And I am Chu Junlin,” said Chu Junlin. “Yang Luo, that young lad, sent us here to aid you all!”

Zhang Zhilin immediately understood and exclaimed, “So it’s the legendary Ten Absolute Poison Venerable and Bu Mie Demon Venerate!

Little Luo has often mentioned you two. Thank you immensely for coming to our aid!”

“Ah, so the seniors hail from Penglai Immortal Island—no wonder your strength is so extraordinary!”

“Indeed! The reinforcements summoned by Yang Luo keep exceeding all expectations!”

“Without a doubt! These two are immensely powerful; their aura alone speaks volumes—they are unquestionably among the perfected Heavenly Immortals!”

“For a cultivator as mighty as Yang Luo, it’s no surprise he’d be acquainted with such legendary figures!”

“Our heartfelt greetings to Ten Absolute Poison Venerable and Bu Mie Demon Venerate!”

The elders were overjoyed and bowed deeply toward Zuo Canghai and Chu Junlin from afar.

“No need for formalities!”

Zuo Canghai raised his hand slightly, saying, “This catastrophe threatens the survival of the Three Realms. Naturally, we must join forces to repel the threat!”

“Exactly!”

Chu Junlin continued, “Right now, both Penglai Immortal Island and Kunlun Ruins are embroiled in fierce battles, so their cultivators cannot yet spare the time to defend the secular world.

But do not panic. Once the crisis in the two Immortal Worlds is resolved, their forces will surely come in full strength to assist you!”

Upon hearing these words!

The gathered elders became ecstatic!

Hope surged in their hearts, filling them with renewed confidence!

If they could hold on just a little longer—until the reinforcements arrived—they might have a chance to turn the tide and seize victory!

Zhang Zhilin asked, “May I ask how Little Luo is faring currently?”

The others also looked expectantly toward Zuo Canghai and Chu Junlin.

Zuo Canghai smiled faintly and said, “Rest assured, that young man is fine, more than fine.

Just a short while ago, he single-handedly slew one late-stage Heavenly Immortal and two mid-stage Heavenly Immortals of the opposing factions.

Chu Junlin and I joined forces to kill a perfected-stage Heavenly Immortal.

Now, Yang Luo is pursuing two other Heavenly Immortals.”

Chu Junlin nodded, adding, “He said that once the two Immortal Worlds stabilize, he’ll come straight here to aid you.”

Upon hearing this!

The crowd erupted in cheers!

“Haha! Excellent! Yang Luo killed them brilliantly!”

“What incredible strength—he alone slew three Heavenly Immortals!”

“And these senior masters defeated a perfected Heavenly Immortal! Marvelous, simply marvelous!”

“With Yang Luo leading reinforcements from the two Immortal Worlds, our victory is assured!”

The gathered cultivators raised their fists in celebration, their morale sky-high.

Not far away, Keos remarked in astonishment, “Brother Yang has grown so formidable—he can even kill Heavenly Immortals?!”

“Indeed—and not just one, but three!”

Tia chimed in, equally stunned.

Istab burst out laughing, saying, “Brother Yang is so extraordinary, we can’t afford to hold him back as his brothers!”

“Of course not!”

“Although we may not match him in killing Heavenly Immortals, we must at least lighten his burden!”

“Let us await Brother Yang’s arrival and fight side by side!”

Evans and the others exclaimed passionately.

“These people are surely bluffing!”

“Lord Heavenly God and the Heavenly Demons couldn’t possibly be slain so easily!”

“Everyone, follow me—kill them!”

The gods and demons roared in fury, charging toward Zuo Canghai, Chu Junlin, and their allies!

“Courting death!”

Zuo Canghai bellowed thunderously, disappearing in a flash and brandishing his long whip, beginning a relentless slaughter!

BAM BAM BAM!

BOOM BOOM BOOM!

Anyone who drew near fell under the devastating strikes of his long whip!

Even massive divine ships and demon ships, akin to colossal aircraft carriers, were reduced to rubble by his whip!

“Divine race, demonic race?”

Let this old man show you the might of us Eastern Immortals!”

Chu Junlin shouted boldly, wielding his spear and charging forward to slaughter without restraint!

BAM BAM BAM!

Where he passed, chaos ensued—bodies flew, and misery reigned supreme!

“Everyone, charge!”

Zhang Zhilin roared, leading the assembled cultivators into battle with fervor!

A terrifyingly intense battle unfolded!

...

At the same time.

In the Light God Realm.

Deep within the Holy Light Church Territory.

Atop the rear mountain peak.

“Who are these two old men, and why is their power so overwhelming?!”

“Their strength rivals that of the most elite gods—surely they’re from the two Immortal Worlds!”

“Weren’t the Netherworld Sky Demons attacking the two Immortal Worlds? How could anyone have escaped?!”

The Light God Lord, Tianyu God Lord, and Dark Demon Lord glared angrily at the Light Projection in the skies.

Chapter 2467: Human Purgatory!

The people standing on the mountain at the rear also had dark and cold expressions, filled with anger.

The Tianyu God Master stared at the figures of Istab and the others in the Light Projection, narrowing his eyes and saying, “These four divine clans actually ignored the warning and dared to send people to assist the humans.”

The Light God Lord shook his head and said, “If these four divine clans were truly helping, they wouldn’t just send six people.

I've heard before that a kid named Yang Luo has been mingling closely with people from these four divine clans.

I reckon Istab and these six fellows came here to help that kid, Yang Luo."

"I see now."

The Tianyu God Master and the Dark Demon Lord nodded in realization.

The Light God Lord said gravely, "These six fellows are not worth worrying about. Our primary enemies are still the immortals of the two great Immortal Worlds!"

Saying this, he turned to look at the fifteen individuals on the mountain behind him and said in a loud voice, "The fifteen of you, head to Earth as soon as possible and kill those two old guys!"

These fifteen individuals were precisely the final fifteen Heavenly Gods and Heavenly Demons of their three major clans!

After all, their Light God Realm, Tianyu God Realm, and Dark Demon Realm were part of middle-level planes, where spiritual energy was abundantly available, and cultivation resources were plentiful.

In addition, commanding other races across the Three Realms naturally allowed them to produce quite a number of Heavenly Gods and Heavenly Demons.

"Yes!"

The fifteen responded in unison.

Then, they soared into the air, transforming into streams of light as they flew into the three Light Channels in the sky above.

After the fifteen had departed.

The Light God Lord squinted at the Light Projection, frowning, "I wonder how the battle is going in the two great Immortal Worlds."

The Tianyu God Master replied, "These two Immortal Worlds were created by Ancient Immortals during ancient times, and their Great Dao's energy has blinded us. We can't probe into the situation within.

But there's no need to worry. This time, our three clans have sent out their elite forces. No matter how strong these two Immortal Worlds are, they are no match for us."

"Indeed."

The Dark Demon Lord laughed sinisterly and said, "As long as they don't have a Golden Immortal, no matter how they struggle, their fate will only be annihilation."

The Light God Lord furrowed his brows and said, "Are you certain these two Immortal Worlds don't have a Golden Immortal sitting in command?"

The Tianyu God Master said, "Light, our people have already investigated thoroughly. These two Immortal Worlds absolutely do not have a Golden Immortal in charge. Rest assured."

The Dark Demon Lord also chuckled and said, "Exactly, there's nothing to worry about. All we need to do is maintain control of the battlefield, clean up afterward, and seize those six hundred Spirit Veins."

"Let's hope so."

The Light God Lord nodded slightly.

Yet, his naturally cautious nature left him feeling uneasy.

Elsewhere.

In the Star Ruins Divine Realm.

Within the main hall of the central peak.

“Damn it!”

The Star Ruins God Master slammed his palm on the table in fury. “When did those six fellows, Istab and the others, sneak off to Earth?!”

The Maya God Lord said angrily, “They dare to go to Earth to assist without our orders!”

The Pharaoh God Master was equally irate, shouting, “Do these six fools really think they can contend with those three clans?!”

“Such recklessness! Charging in alone—they aren’t afraid of losing their lives?”

The Titan God Master furrowed his brows and then said, “However, the strength of those two old men is indeed quite remarkable, enough to rival top-tier Heavenly Gods.

Perhaps we should consider forming an alliance with the humans of Earth to jointly resist those three clans.”

The Star Ruins God Master said gravely, “The strength of those two old men is strong indeed. But if they only have two top-tier experts, it’s still not enough!”

The Maya God Lord said, “If their number of top-tier experts is sufficient, then we could consider joining forces with them.

But just two are far from enough to mobilize all four of our divine clans.”

“So do we just leave Keos and the others to their fate?”

The Titan God Master asked.

The Star Ruins God Master replied gravely, “We must contact them immediately and have them retreat at once!”

...

Earth.

Penglai Immortal Island.

At this moment.

The Heavenly Sword Island at the center of Penglai Immortal Island had already turned into a battlefield.

The flames of war not only engulfed the entirety of Heavenly Sword Island but had also spread to the surrounding islands.

In the forests, ancient cities, mountain ranges, great rivers, and skies over vast seas, battles raged everywhere!

Boom! Boom! Boom!...

Bang! Bang! Bang!...

The skies were filled with endless crashing and exploding sounds!

All kinds of lights flashed in the sky, and various energies swirled and clashed!

“What damn gods and demons dare attack our Penglai Immortal Island?! They’re courting death!”

“Fellow Daoists, let’s join forces and wipe them out!”

“Quickly notify the Sect and request reinforcements!”

“Urgently contact our families! We’re about to collapse here!”

“Kill! Kill them all!”

The cultivators of Penglai Immortal Island roared in fury, charging forward relentlessly to battle the gods and demons of the three clans!

The shouts of war, roars, cries for help, and battle cries echoed endlessly!

On Heavenly Sword Island and the other surrounding islands!

Ancient cities were destroyed one by one, villages were uprooted, mountains crumbled, forests were flattened, and the earth became riddled with scars!

Everywhere was soaked in blood, and corpses lay strewn about. It was a hell on earth!

“Ah... run! Run for your lives!”

“Who are these people?! Why are they attacking us?! Why?!”

“They might not be immortal cultivators, but their strength is unimaginable. It’s terrifying!”

The ordinary inhabitants of the islands fled in panic.

Yet, amidst such a scale of conflict.

Mortals were nothing but ants and weeds, crushed at the slightest mistake.

At this moment.

Heavenly Sword Island.

A battlefield had already been carved out in the skies above the Star Moon Mountain Range.

In the heavens.

The Void had shattered, transforming into a Dark Void spanning a thousand miles in diameter, resembling a heavenly abyss.

Within that Dark Void, dozens of figures battled fiercely.

The fight was so intense it seemed to turn the heavens and earth upside down, plunging the sun and moon into darkness.

The combatants on both sides.

One side consisted of nineteen Heavenly Gods and Heavenly Demons from the three major clans.

The other side comprised the Heavenly Immortals of Penglai Immortal Island.

They were—

The “Purple Cloud Old Ancestor” Dongfang Wuji from the Purple Cloud Sect!

The “Qiongqi Ancestor” Xing Wentian and “Luan Shi Heavenly Venerate” Xing Lichuan from the Qiongqi Family!

In addition to them.

The “Taotie Ancestor” Huangfu Tiance and “Devouring Heavenly Venerate” Huangfu Xian Dou from the Taotie Family!

The “Hundun Ancestor” Helian Fengyi and “Netherworld Ancient Heavenly Venerate” Helian Chimu from the Hundun Family!

The “Ancestor Taowu” Jun Wuqing and “Slaughter Heavenly Venerate” Jun Nantian from the Taowu Family!

The “Thunder Kun Ancestor” Jing Qi Yuan from the Thunder Kun Family!

The “Fire Chi Ancestor” Li Fenkong from the Fire Chi Family!

Due to frequent unrest in the two great Immortal Worlds, these eleven had not appeared earlier.

But today, as the survival of Penglai Immortal Island hung in the balance, they all arrived.

Yet, even with the immense strength of Dongfang Wuji and the others, they struggled to withstand the relentless assault of the nineteen Heavenly Gods and Heavenly Demons teaming up!

Thus, during the earlier fierce battles, Dongfang Wuji and the others had already suffered severe injuries!

Wounds covered their bodies, and their blood-soaked robes told of their plight!

At that moment!

Boom! Boom! Boom!

A series of earth-shattering explosions erupted in the Dark Void above!

A massive ball of energy burst in the sky, forming a colossal mushroom cloud that loomed terrifyingly across the sky!

“Arghhhh...”

Dongfang Wuji and the eleven others let out anguished screams as they were blasted away!

Chapter 2468: Join Forces to Defend Against the Enemy!

Dongfang Wuji and the other eleven were covered in blood, a gruesome sight!

The opposing nineteen gods and demons were also shaken back repeatedly, blood splattering from their bodies!

However, the injuries of these nineteen gods and demons were much lighter compared to Dongfang Wuji and the eleven others!

At this moment.

Both sides stabilized themselves, standing in confrontation, glaring coldly at each other.

“Penglai Immortal Island shouldn’t only have the eleven of you Heavenly Immortals, right? Are the others not planning to step in?”

“Relying solely on the eleven of you, it’s impossible to be our match. Death will be your final destiny!”

“Anyway, everyone from Penglai Immortal Island must die. No matter where those Heavenly Immortals hide, they won’t escape death!”

“Perhaps in the ancient era, your immortal cultivators were indeed glorious, experts emerging one after another!

But now, it’s no longer the ancient era. You’ve declined, how can you ever fight against us?”

“Quickly call out the other fellows! If you don’t, you won’t get another chance!”

Five figures stepped forward, all sneering mockingly.

These five were precisely the leaders of the nineteen gods and demons.

Fallen Angel, Netherworld Heavenly God, Destructive Heavenly God, Sky Lifting Giant God, and Long Xiang Heavenly God.

Their cultivation levels were all at the Heavenly Immortal Perfected Stage.

However, just as the words finished!

A series of resonant voices came from all directions!

“Who said we were going to hide? We shall battle you now!”

“Even though this isn’t the ancient era anymore, we true immortals still fear none of you!”

“What nonsense gods and demons, daring to come here and cause trouble, courting death!”

These voices roared like thunder, shaking heaven and earth, stirring the eight directions!

People fighting on other battlefields turned their heads to look over!

Boom! Boom! Boom!

Accompanied by deafening explosions!

Seven massive Void Caves burst open in the skies all around!

Beams of dazzling immortal light shot out, illuminating the Dark Void!

Majestic phenomena unfolded within the seven Void Caves!

Millions of Buddhas towered high, Jiuying and Yazi clashed in chaotic skies, Coiling Dragon soared and roared, flying swords danced and twisted, immortal fire surged and rolled!

As these grand phenomena emerged!

Suddenly, seven figures flew out of the Void Caves, arriving in this sky!

The arrivals were —

Jiuying Family's "Jiuying Ancestor" Kuai Xianhong, Yazi Family's "Yazi Old Ancestor" Fu Haijiang!

Ten Thousand Buddha Sect's "Tian Bao Ancient Buddha," Divine Intent Sect's "Fen Tian Immortal Venerable" Yin Juetian!

Piaomiao Palace's "Tai Cang Sword Venerable" Chai Wendao, Coiling Dragon Sect's "Coiling Dragon Ancestor" Qiong Canglong, Flying Immortal Palace's "Flying Immortal Ancestor" Ji Yunhe!

Seeing the seven Heavenly Immortal Ancestors make their grand appearance!

The elders who were battling in the distance were immensely thrilled!

"Jiuying Ancestor, Yazi Old Ancestor, and Tian Bao Ancient Buddha have all arrived!"

"Now, with seven more Heavenly Immortal Ancestors, they'll surely alleviate the pressure on Purple Cloud Old Ancestor and the others!"

"They dared to presume Penglai Immortal Island has no one left; these fools have truly miscalculated!"

"We beg the Heavenly Immortal Ancestors to eradicate these Alien Creatures!"

Excited shouts arose from the elders in the distance, and their spirits lifted even higher.

Dongfang Wuji looked toward Kuai Xianhong and the others, narrowing his eyes, "I didn't expect you all to come and assist!"

"Hmph!"

Kuai Xianhong coldly snorted, "No matter what chaos occurs within Penglai Immortal Island, it's our own affair!"

Penglai Immortal Island is also our homeland; naturally, we will defend it and never allow these Alien Creatures to run wild!”

Fu Haijiang also spoke, “Dongfang Wuji, let’s set aside our grudges for now!

We’ll join forces to annihilate these Alien Creatures first!”

“Hahaha...”

Dongfang Wuji laughed aloud, “Good, I was thinking the same!”

At this moment.

Fallen Angel sneered, “Excellent! Since you’ve all appeared, we won’t need to hunt you down one by one!”

Netherworld Heavenly God sneered, “Even if you join forces, what difference does it make? In terms of overall strength, you aren’t our match at all!”

Destructive Heavenly God mocked, “We have five Heavenly Immortal Perfected Stage powerhouses on our side, while you only have three. What will you fight us with?”

Sky Lifting Giant God interrupted, “Incorrect. We actually have two more Heavenly Immortal Perfected Stage experts.

Judgement Angel and Netherworld Sky Demon are also Heavenly Immortal Perfected Stage cultivators.

Once they’ve killed that brat Yang Luo, they’ll surely come to join us.”

Destructive Heavenly God laughed heartily, “Exactly, exactly, to put it plainly, we have seven Heavenly Immortal Perfected Stage cultivators!”

Upon hearing this.

Dongfang Wuji and the others’ faces instantly twisted in shock!

Seven!

The opposing faction actually had seven Heavenly Immortal Perfected Stage cultivators!

On their own side, there were only three Heavenly Immortal Perfected Stage cultivators!

These were none other than “Taotie Ancestor” Huangfu Tiance, “Hundun Ancestor” Helian Fengyi, “Jiuying Ancestor” Kuai Xianhong!

Dongfang Wuji furrowed his brows, “Could it be true that they have seven Heavenly Immortal Perfected Stage cultivators?!”

Besides these five, are the other two killing Little Luo?!”

Little Luo won’t be in trouble, right?!”

Xing Wentian sneered, “Relax, isn’t Little Luo together with Brother Gu and Brother Linghu? How could he possibly be in trouble?”

“Fair enough.”

Dongfang Wuji nodded and said, “Brother Gu and Brother Linghu are both at the Heavenly Immortal Perfected Stage.

With their aid, Little Luo not only won't face danger, he could even counter-kill their two Heavenly Immortal Perfected Stage cultivators.

Once Little Luo and the others finish off those gods and demons, they'll surely rush over here for reinforcement."

Kuai Xianhong frowned and said, "Although I dislike that brat Yang Luo, I must admit his strength is indeed exceptional!

It's not easy for ordinary people to kill him!"

Those who had witnessed Yang Luo's power before, such as Tian Bao Ancient Buddha and the others, also nodded.

Although none of them truly liked Yang Luo, they had to acknowledge his incredible strength.

Fallen Angel raised his black and gold spears and roared, "Everyone, enough talk! Kill them now!"

"Yes!!!"

The Netherworld Heavenly God and others responded almost in unison.

"Everyone, today we join forces to defend Penglai Immortal Island and exterminate the Alien Creatures!"

"We'll show them that even now, we true immortals are not weaker than these so-called gods and demons!"

"Exactly, join forces in battle, fight them to the end!"

Dongfang Wuji, Huangfu Tiance, and the others shouted in unison, revealing their weapons, prepared for a life-and-death struggle!

However, just as both sides prepared for war!

Suddenly!

Boom! Boom! Boom!

In the distant sky, a massive Void Cave burst open!

Everyone was shocked, turning their heads to look!

The next moment!

“Uh...”

“Ah...”

Accompanied by two agonized screams!

Two figures flew out of the Void Cave, blood spilling profusely from their bodies!

These figures were none other than Netherworld Sky Demon and Starry Sky Heavenly God!

“Run! Where else can you run?!”

A resonant roar of fury echoed out.

Suddenly, a radiant figure covered in golden light, wielding a golden long sword, with four Dharma artifacts overhead, emerged from the Void Cave!

This person's black hair danced in the wind, Thunderfire Wings gleamed behind their back, and their piercing gaze radiated unrivaled might!

It was none other than Yang Luo!

Chapter 2469: Epic Battle!

In an instant.

The entire place fell into silence.

Everyone was staring blankly, somewhat unresponsive.

No one expected someone to suddenly charge out from the void.

"Little Luo!"

"Haha, so it's Little Luo who has come!"

Dongfang Wuji, Xing Wentian, and others laughed out loud.

Kuai Xianhong, Tian Bao Ancient Buddha, and others also looked toward Yang Luo.

"This... this brat has actually reached the late stage of Heavenly Immortal?!"

Kuai Xianhong couldn't help but exclaim.

Tian Bao Ancient Buddha squinted and said, "Indeed, this young man has already stepped into the late stage of Heavenly Immortal."

"Hiss... the last time I saw this brat, he was only at the early stage of Heavenly Immortal!"

"How long has it even been, and he's already in the late stage of Heavenly Immortal?!"

"How can this brat's growth speed be so fast?!"

Fu Haijiang and others were also shocked, and their gazes at Yang Luo were full of astonishment.

Dongfang Wuji also came back to his senses and said in surprise, "Little Luo, you really reached the late stage of Heavenly Immortal?!"

Thus, after several battles, Dongfang Wuji had also stepped into the late stage of Heavenly Immortal, naturally able to sense Yang Luo's cultivation level.

But, not long ago during the battle at Bushi Mountain, wasn't this brat only at the mid-stage of Heavenly Immortal?

How, after just a few months, has he advanced another realm?

Yang Luo only now realized that he had been chasing down the Netherworld Sky Demon and Starry Sky Heavenly God all the way to the main battlefield.

He looked at Dongfang Wuji and others and said, "Thanks to the guidance of Senior Gu and the others, I've finally reached the late stage of Heavenly Immortal!"

"Oh..."

Dongfang Wuji nodded and asked, “Where are Brother Gu, Brother Linghu, Brother Chu, and Brother Zuo?”

Why didn’t they come with you?”

The rest also turned to Yang Luo.

Yang Luo replied, “Senior Gu and Senior Linghu have gone to undergo the Golden Immortal Tribulation.

Senior Chu and Senior Zuo have already gone to rescue the secular world!”

“What?! Brother Gu and Brother Linghu have gone to undergo the Golden Immortal Tribulation?!”

“This... Brother Gu and Brother Linghu have actually faced the Golden Immortal Tribulation... it’s truly unbelievable?!”

“That’s the Golden Immortal Tribulation, how could ordinary people possibly survive it?!”

“I’m afraid those two old monsters might be in grave danger!”

Dongfang Wuji, Xing Wentian, Xing Lichuan, and others exclaimed in shock.

You must know that the Golden Immortal Tribulation is the greatest catastrophe for all cultivators in the two Immortal Worlds.

Countless heroes have fallen under the Golden Immortal Tribulation.

But if one could overcome the Golden Immortal Tribulation, they could ascend to the Golden Immortal in one leap and rise to the Upper World!

Yang Luo said solemnly, "I believe Senior Gu and Senior Linghu can definitely overcome the Golden Immortal Tribulation!"

What we need to do now is to quickly annihilate the active forces of these three major races!"

"Hmm!"

Dongfang Wuji and others nodded.

Yang Luo then looked at Kuai Xianhong and the other seven, saying, "I know you seven hate me!

After we extinguish these three major races, if you want revenge, I'll be here until the end!"

"Alright!"

Kuai Xianhong nodded and said, "Let's first take down these three major races before anything else!"

At this time.

The Fallen Angel, Netherworld Heavenly God, and others were also shocked to learn that Penglai Immortal Island had two true immortals undergoing the Golden Immortal Tribulation.

However, they quickly steadied their minds.

How could ordinary people get past the Golden Immortal Tribulation?

Those two guys are bound to die!

You know, their Divine Master and Demon Lord of the three major races also relied on ancestor artifacts left by the forebears!

With great perseverance, great wisdom, and great opportunity, and a near-death experience, they barely passed the Golden Immortal Tribulation and became Golden Immortals!

As for ordinary people trying to pass this great tribulation, it's undoubtedly a pipe dream!

"Netherworld Sky Demon, Starry Sky Heavenly God, how did you get injured like this?"

"Where are the Judgement Angel, Blazing Angel, Hundred Battle Heavenly God, and Mad Axe Giant God?"

The Fallen Angel and Netherworld Heavenly God hurriedly asked.

Netherworld Sky Demon pointed at Yang Luo with a gritted teeth expression and said, "The Blazing Angel, Hundred Battle Heavenly God, and Mad Axe Giant God were all killed by this brat!"

The Starry Sky Heavenly God said bitterly, "The Judgement Angel was also killed by two old fellows teaming up!"

"What?! Judgement Angel, Blazing Angel, Hundred Battle Heavenly God, and Mad Axe Giant God are all dead?!"

"How is this possible?! The Judgement Angel was at the Perfected stage of Heavenly Immortal, Mad Axe Giant God was late-stage Heavenly Immortal, and both Blazing Angel and Hundred Battle Heavenly God were mid-stage Heavenly Immortal. How could they possibly die?!"

"Impossible... this is absolutely impossible!"

Other gods and demons roared in disbelief, their eyes full of disbelief.

They came with twenty-five gods and demons, yet unexpectedly, four were already dead!

While Netherworld Sky Demon and Starry Sky Heavenly God were severely wounded!

Hateful!

Utterly hateful!

On the contrary, Dongfang Wuji and others were thrilled and overwhelmingly excited upon hearing this!

“Hahaha, Little Luo, well done, well killed!”

“I didn’t expect you to kill three great Heavenly Immortals alone, and made those two flee in panic, so domineering!”

“You and the others managed to take down four of their Heavenly Immortals, reducing our pressure significantly!”

Dongfang Wuji and others looked at Yang Luo, their eyes full of admiration and respect.

Kuai Xianhong, Tian Bao Ancient Buddha, and others were also deeply shaken.

This brat is even more terrifying than before!

Killing one late-stage Heavenly Immortal and two mid-stage Heavenly Immortals alone is simply defying the heavens!

“Yang Heavenly Venerate is mighty!”

“Yang Heavenly Venerate is peerlessly domineering!”

“Yang Heavenly Venerate killed three Heavenly Immortals alone, terrifying!”

“With Yang Heavenly Venerate and the Heavenly Immortal Ancestors together, what do we have to fear from these foul gods and demons!”

In the distance, millions of cultivators were all filled with excitement, raising their arms and chanting.

Yang Luo also raised his sword, and shouted, “Everyone, follow me to slay the invading enemies!”

“Slay the invading enemies!”

“Return the bright skies of Penglai Immortal Island!”

“Destroy them!”

“Kill!”

Dongfang Wuji, Xing Wentian, and others all shouted, charging towards those gods and demons!

“Fellow Taoists, now is the time to fight back, let’s go together!”

“Take them down!”

“Kill them!”

Millions of cultivators also roared, charging towards those gods and demons!

The other sects and families of Penglai Immortal Island sent people arriving to join the battle continuously!

Not a few independent cultivators also rushed over, all joining the fight!

At this moment of life and death!

All sects, families, and independent cultivators laid aside past vendettas to fight against the great enemy together!

“The Gods and all Demons, hear the command, leave no one alive, kill without mercy!”

The Fallen Angel raised his spear, pointing forward, issuing the order!

“Kill these cultivators!”

“Leave none, kill them all!”

All the gods and demons roared, charging forward mightily!

An unprecedented battle that would decide the life and death of Penglai Immortal Island erupted!

“You little brat, come and meet your fate!”

“You little brat, come and make a final reckoning!”

“You little brat, dare to kill our gods and demons, seek death!”

The Netherworld Sky Demon, Starry Sky Heavenly God, and Long Xiang Heavenly God attacked simultaneously!

The Netherworld Sky Demon and Long Xiang Heavenly God were both at the Perfected stage of Heavenly Immortal, while the Starry Sky Heavenly God was late-stage Heavenly Immortal!

Their combined power crushed the heavens and earth, overwhelmingly supreme!

Chapter 2470: Mere Alien Race, What Is There to Fear!

“You think you can kill me? Dream on!”

Yang Luo let out a thunderous roar, wielding the Dragon Emperor Sword, surrounded by four Dharma artifacts positioned above his head, and charged forward to slaughter!

During his frenzied charge!

He immediately unleashed the “Undying Golden Body”, “Invincible Sword Body”, “Flame Emperor Combat Body”, and other multiple physique secret techniques!

Although the severely injured Netherworld Sky Demon and Xing Kong Heavenly God no longer posed any serious threat!

Yet, the Long Xiang Heavenly God was at the Heavenly Immortal Perfected Stage and was only lightly injured!

Therefore, Yang Luo naturally chose not to hold back—he unleashed his full momentum and fought at full power from the start!

At that moment, the Long Xiang Heavenly God charged forward, wielding a halberd!

His towering, robust human-like body was bizarrely adorned with two heads—one of a dragon and one of an elephant!

Thus, as a true god from the Beast God Clan, the Long Xiang Heavenly God was incomparably powerful and domineering!

“Long Xiang Dominator Spear!”

The Long Xiang Heavenly God swung his halberd, slashing viciously toward Yang Luo!

RUMBLE!

The colossal halberd, stretching thousands of feet and glowing with a terrifying black-purple light, tore through the heavens, shattered the void, and roared with untamed ferocity!

“Arrogant Sword Scripture!”

Yang Luo retaliated, swinging his sword to meet the attack head-on!

SWISH!

The golden sword, monstrous in size and stretching thousands of feet, swept through the universe, cleaving the void, its sword might unparalleled, its sword intent shaking the heavens!

BANG!

The massive sword and monstrous halberd collided heavily, unleashing an earth-shattering crash!

Lights and energies intertwined like a raging sea, surging wildly in every direction!

The heavens crumbled, the void shattered, the mountains and rivers were obliterated—an aura of terror beyond comprehension!

The Long Xiang Heavenly God initially believed his halberd strike would send Yang Luo flying, or even injure him!

But to his astonishment!

Yang Luo stood firmly and resisted the strike without retreating a single step, not to mention sustaining no injuries!

“What?!”

Shock and disbelief painted the face of the Long Xiang Heavenly God!

“Long Xiang Heavenly God, this brat is incredibly strong; be extremely cautious!”

“Indeed, this brat is not only extraordinarily powerful but also highly experienced in combat. Don’t let yourself be fooled by him!”

The warnings of the Netherworld Sky Demon and Xing Kong Heavenly God echoed sharply as they swung their saber and spear, charging together to assault Yang Luo!

The colossal saber and spear, each stretching thousands of feet, came crashing down in unison, joining forces with the Long Xiang Heavenly God to annihilate Yang Luo!

But Yang Luo merely invoked a thought!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror surged forth, rapidly expanding to thousands of feet, colliding head-on with the Netherworld Sky Demon and Xing Kong Heavenly God!

CLANG!

Their saber and spear fiercely slammed against the four Dharma artifacts, resonating with deafening bell-like chimes!

Witnessing this, the Long Xiang Heavenly God's dragon and elephant heads simultaneously opened their massive jaws to fire a black beam and a purple beam straight at Yang Luo!

Yang Luo, raising his left arm, countered with an earth-shaking punch!

BAM!

The punch, unrelenting in its fury, obliterated the two beams in one strike!

Moments later, Yang Luo's body trembled with might as he roared aloud!

"Great Dao Dragon Diagram!"

The Golden Dragon Totem ascended anew, rapidly expanding to thousands of feet!

As it rotated, it emanated boundless dragon might and dragon qi, engulfing the heavens and earth!

"ROAR, ROAR, ROAR!"

Hundreds of thousands of dragon illusions erupted in fury, storming headlong into the Long Xiang Heavenly God, Netherworld Sky Demon, and Xing Kong Heavenly God!

"Arghhh!!!"

The three were sent flying before they could even react, their bodies hurled into chaos!

Facing waves upon waves of dragon illusions roaring toward them!

The trio swung their weapons frantically, shattering the illusions one after another!

Yet Yang Luo's onslaught showed no signs of abating!

If he wanted to gain the upper hand, he had to eliminate one or two of them quickly!

If these three continued to cooperate, eliminating them together would prove nearly impossible!

"Holy Dragon!"

"Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!"

"Taotie, Hundun, Qiongqi, Taowu!"

"ROAR, ROAR, ROAR!"

The towering Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts—each stretching thousands of feet—charged wildly into battle!

Under Yang Luo's relentless assault, the Long Xiang Heavenly God and his companions were forced into successive retreats!

"Damn you!"

The Long Xiang Heavenly God erupted in fury, taking to the skies with a powerful step, activating his Dharma Idol, and launching himself at Yang Luo!

The Netherworld Sky Demon and Xing Kong Heavenly God followed suit, activating their Dharma Idols before joining the vicious charge!

While their Dharma Idols surged into battle!

The Long Xiang Heavenly God initiated another ruthless strike!

“Long Xiang Dominating the World!”

“Ten Dragons and Ten Elephants!”

“ROAR, ROAR, ROAR!”

“AAAooo, AAAooo!”

Accompanying the echoing roars of dragons and elephants!

Ten monstrous black dragons with wings, stretching thousands of feet, roared into existence!

Ten colossal purple elephants, each as immense as mountains, charged forward in unison!

RUMBLE!

The Ten Dragons and Ten Elephants moved as one, tearing apart heaven and earth, collapsing mountains, surging rivers—destruction so terrifying it defied imagination!

“Ten Demons Destroying the World!”

“Starry Sky Annihilation!”

The Netherworld Sky Demon and Xing Kong Heavenly God also unleashed their ultimate killing techniques!

Ten massive sky-reaching trolls, each thousands of feet tall and wielding colossal weapons, surged forward in a rampage!

A vast phenomenon of starry skies emerged, pressing downward upon Yang Luo!

With his black hair billowing, his black robe flaring, and his blazing blood and resolute will, Yang Luo exuded unrivaled energy!

He stomped powerfully on the ground, letting out a thunderous roar!

“Twelve Shaman Primal Heavenly Art!”

“Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!”

“Dijiang, Xuanming, Zhuweizi, Tianwu, Candle Dragon, Shebi!”

In an instant!

Twelve towering Ancestral Magi—each stretching thousands of feet—rose once more, charging ahead relentlessly!

CLANG! BAM!

The collisions and explosions erupted wildly, shaking the Nine Heavens and Ten Earths!

The battlefield surrounding Yang Luo plunged into absolute chaos!

Lights flashed incessantly, energies surged turbulently!

All across the heavens and earth, living space was torn apart and obliterated!

In this furious clash!

The Long Xiang Heavenly God and his allies were once again blasted away, their bodies drenched in blood!

Yang Luo, too, was driven into repeated retreats, his multiple physique secret techniques shattered, his body covered in blood!

Yet even wounded, his eyes remained as sharp as daggers, his fighting spirit blazing, striking fear into the souls of his enemies!

“A petty alien race—why should I fear you?”

“Come! Keep fighting!”

Yang Luo roared ferociously, brandishing his sword as he charged forward!

BANG, RUMBLE, CRASH!...

As waves of energy turbulence were broken apart!

Yang Luo found himself in pursuit of the Xing Kong Heavenly God!

With his physique secret techniques fully active once more!

His body gleamed with golden light, the colossal sword stood towering, flames raged, dragons coiled—his aura unmatched!

“You’ve run far enough. Now it’s time for you to die!”

With a thunderous roar!

Yang Luo gripped the Dragon Emperor Sword with both hands, slashing ferociously at the Xing Kong Heavenly God!

SWISH!

One mighty strike cleaved a Sky Split into the heavens, opening a massive rift in space!

The domineering sword might and violent sword intent erupted simultaneously!

The Xing Kong Heavenly God retaliated continuously with his spear, but all of his defenses were annihilated under Yang Luo’s overwhelming blade!

Fear gripped his heart, driving him to conjure layer upon layer of defenses!

But his efforts proved futile!

BAM!

Every defense crumbled beneath the relentless might of Yang Luo’s sword!

“No... No!!”

With a final, despairing scream!

SPLAT!

His physical body, along with his Essence Soul, was sliced apart by Yang Luo. Moments later, he exploded in mid-air!

Blood, flesh, shattered bones, radiant light, and energy sprayed forth in a horrifying spectacle!
