Chapter 2471: Explode with One Punch!

Seeing Xing Kong Heavenly God slain!

“Good, well killed!”

“Yang Heavenly Venerate stands tall, peerless in the world!”

“Yang Heavenly Venerate was right, mere Alien Race, what is there to fear!”

The elders of Penglai Immortal Island were all boiling with passion, their hearts surging.

Dongfang Wuji and the others were equally exhilarated and thrilled.

However, at the moment of Xing Kong Heavenly God’s death!

Boom!

Boom!

Long Xiang Heavenly God and Netherworld Sky Demon's attack had already struck Yang Luo's body!

"Ah..."

Yang Luo let out a cry of pain, sent flying, blood spraying from his mouth, his body splattered with large amounts of blood!

"Yang Heavenly Venerate!"

"Quickly, go help!"

The distant elders shouted in alarm, wanting to rush forward to assist!

"Don't come over, I'm fine!"

Yang Luo steadied his body and spat out a mouthful of blood.

It must be known, Long Xiang Heavenly God and Netherworld Sky Demon were both Heavenly Immortal Perfected Stage!

If ordinary elders approached, it would undoubtedly be no different than courting death!

“Don’t worry about me; hurry and kill the other creatures of these three races!”

Yang Luo roared, wielding the Dragon Emperor Sword, charging again toward Long Xiang Heavenly God and Netherworld Sky Demon!

The other elders could only suppress their fiery anger and move to slaughter the other gods and demons of the three races!

In the next ten minutes!

Yang Luo clashed in an intense battle against Long Xiang Heavenly God and Netherworld Sky Demon!

The three fought viciously, trading wounds for wounds and blood for blood!

Clang, clang, clang!...

Boom, boom, boom!...

Explosions and impacts that shook the heavens and trembled the lands echoed incessantly!

A massive surge of energy and light erupted in the air like a rushing river, spreading in all directions!

After over a hundred consecutive rounds!

Rumble!

Yang Luo, Long Xiang Heavenly God, and Netherworld Sky Demon were simultaneously blasted away, blood spraying in the air!

Yang Luo managed to steady himself after flying over a thousand meters!

He took a deep breath, feeling his qi significantly depleted, his wounds rapidly worsening!

There was no choice; he had fought his way here from Immortal Burial Island, naturally consuming a lot of qi and exacerbating his injuries!

But it didn't matter!

He had healing and Qi replenishing pills!

Moreover, he had secret methods to replenish qi!

“Kill!”

Long Xiang Heavenly God and Netherworld Sky Demon, drenched in blood, charged toward Yang Luo again!

Yet Yang Luo did not react; he stood silently in place!

At the moment Long Xiang Heavenly God and Netherworld Sky Demon were just a few paces from Yang Luo!

Yang Luo’s body trembled as he let out a ferocious roar!

“Devouring Demon Skill!”

In an instant!

As the cultivation techniques activated, his body seemed to transform into a black hole, expanding a massive black light shield!

Long Xiang Heavenly God and Netherworld Sky Demon, upon entering the black light shield, suddenly felt their energy being stripped away, surging into Yang Luo's body!

"Devour it all!"

Yang Luo, blood still in his mouth, roared!

Endless, vast energy continuously surged into his body!

The qi he had consumed halfway was rapidly recovering!

The light emanating from him became increasingly blazing, the golden light in his eyes shining brighter, and his fading aura and pressure began to rise once more!

"Not good, this brat is devouring our energy, retreat quickly!"

"What kind of technique is this kid using? It's so sinister!"

Long Xiang Heavenly God and Netherworld Sky Demon shouted alarmed protests, feeling the energy within their bodies being significantly absorbed, their qi weakening!

Without hesitation, the two shook themselves free and quickly retreated from the black light shield, only then feeling some relief!

“Hahaha...”

Yang Luo laughed wildly into the sky, “Even if you retreat, so what? I’ve already absorbed enough!”

Indeed, his qi had been replenished!

Too much absorption, however, would make it difficult to sustain his body!

This is the downside of the Devouring Demon Skill.

To absorb more energy, one’s body must withstand it.

If unable to bear it, the body might explode and perish.

“Damn!”

Long Xiang Heavenly God gritted his teeth and cursed fiercely, “Don’t get close to this kid, attack from afar!”

“This kid must be the true demon!”

Netherworld Sky Demon, face twisted in rage, roared ferociously.

He was already severely injured, with significant qi consumed.

Now, having a portion of his energy absorbed, he was growing weaker.

“Don’t give this brat any breathing room, kill him immediately!”

“Alright, let’s move!”

Long Xiang Heavenly God and Netherworld Sky Demon roared in unison!

Immediately, they unleashed their full aura and combat power, launching a fierce assault upon Yang Luo!

“Thousand Dragons and Ten Thousand Forms!”

Long Xiang Heavenly God swung his halberd with all his might, roaring!

In an instant!

Thousands of black dragons roared forth!

Tens of thousands of purple giant elephants charged madly!

“Chaotic Demons of Heaven and Earth!”

Netherworld Sky Demon swung his blade, roaring furiously!

“Awoooo!”

Accompanied by the piercing Demon Roars!

Tens of thousands of Demon Soldiers, Demon Generals, and Demon Beasts surged forward furiously toward Yang Luo!

The battlefield grew increasingly chaotic!

Giant dragons soared, giant elephants trampled, Ten Thousand Demons howled!

“Hahaha, now that my qi has been replenished, can you kill me?”

Yang Luo laughed brazenly, heartily shouting as he unleashed waves of deadly attacks!

His Dharma Idols rose, holding a huge golden sword, slaughtering onward!

Twelve Ancestral Magi arose again, charging ferociously!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts ascended again, roaring and rushing into combat!

“Destroy them all!”

Yang Luo let out a deafening roar!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror surged forth to deliver suppression kills!

Bang! Bang!

Boom! Boom!

Explosions and impacts continued ceaselessly!

Yang Luo’s attacks and Long Xiang Heavenly God and Netherworld Sky Demon’s attacks collided, exploding in the sky!

Long Xiang Heavenly God and Netherworld Sky Demon were blasted away!

Yang Luo was also blasted away!

Blood sprayed profusely as he flew backward!

“Die!”

As Yang Luo flew back, he let out a furious shout, hurling his sword!

Shhh!

The Dragon Emperor Sword transformed into a streak of golden light, piercing through waves of energy and light, tearing through layers of void!

The next moment!

Thud!

Netherworld Sky Demon, caught unawares, had his chest pierced by the Dragon Emperor Sword!

“Ah...”

He cried out in agony, his body blasted backward, blood spraying from the sky in a gruesome display!

“Damnable!”

He raised his left hand, gripping the Dragon Emperor Sword tightly, attempting to pull it out!

But, at that very instant!

“DIE!”

A roar thundered from above!

Unnoticed until now, Yang Luo had already ascended above him, punching downward fiercely!

A golden fist tore through the skies, shattering Qiankun, descending like a golden sun!

Its dominance and terror were unmatched!

“Don’t even think about it!”

The Netherworld Sky Demon's heart trembled in fear as he swung his Demon Blade to block, but it was overwhelmed, and he was blasted away!

The next moment!

Bang!

The Netherworld Sky Demon's body was directly obliterated by the punch, exploding into a rain of flesh and shattered bones...

Chapter 2472: Still Unbeatable!

At the very moment the Netherworld Sky Demon's physical body was shattered with a punch!

"Damn it!!!"

The Essence Soul of the Netherworld Sky Demon erupted with a roar of fury and extreme unwillingness, fleeing from his destroyed body in an attempt to escape!

However, Yang Luo's fist never gave him the chance, continuing to strike downward!

Bang!

The Essence Soul of the Netherworld Sky Demon was also obliterated by a single punch high in the air!

After all, whether it was a True Immortal or a Heavenly Immortal, the fact that an Essence Soul could survive for even a short time was incredible enough!

Once both True Immortals and Heavenly Immortals were reduced to only their Essence Soul, they had almost no combat strength left. All they could do was try to flee and find a host for rebirth!

To make an Essence Soul capable of powerful combat, one would have to reach the realm of a Golden Immortal or even beyond!

And so, the Netherworld Sky Demon, who had a cultivation at the Perfected Stage of Heavenly Immortal, fell!

“Netherworld Sky Demon!”

“Aaaah! The Netherworld Sky Demon was killed by this little bastard!”

“How could this happen?! How is this even possible?!”

In the distance, the warring gods and demons let out deafening roars, filled with unrestrained rage.

They wanted to rush in to help but were firmly entangled by Dongfang Wuji and others, unable to break free!

“Lord Netherworld Sky Demon is dead... Lord Netherworld Sky Demon has fallen!”

“Even Lord Xing Kong Heavenly God and Lord Netherworld Sky Demon both died at the hands of this human brat!”

“Isn’t this brat supposed to be in the Late Stage of Heavenly Immortal? How could his power be so terrifying?!”

The gods and demons battling in the distance were utterly horrified to the core, harboring deep hatred toward Yang Luo.

Earlier, they had only heard the Netherworld Sky Demon speak of how Yang Luo slew the Blazing Angel, the Hundred Battle Heavenly God, and the Mad Axe Giant God, acknowledging his strength!

But now, after witnessing with their own eyes how Yang Luo defeated the Xing Kong Heavenly God and the Netherworld Sky Demon, they finally realized how horrifying he truly was!

After all, the shock of seeing it was far more impactful than just hearing about it!

“Hahaha, well done, Yang Heavenly Venerate! Yang Heavenly Venerate is so awe-inspiring!”

“Yang Heavenly Venerate truly lives up to the legend—invincible at the same realm, slaying enemies across boundaries. Yang Heavenly Venerate is still undefeated!”

“And the key point is, Yang Heavenly Venerate killed two in the siege of two Heavenly Immortal Perfected Stages and one Late Stage Heavenly Immortal!”

“With Yang Heavenly Venerate here, we will undoubtedly win this battle!”

The cultivators of Penglai Immortal Island grew increasingly thrilled, cheering with raised arms.

Dongfang Wuji and others were also greatly invigorated, their confidence soaring to new heights!

But right at this moment!

A furious roar rang out from the skies above!

“Dragon Elephant Union!”

Everyone abruptly raised their eyes to the sky!

All they saw was the Long Xiang Heavenly God appearing above Yang Luo, his form shrouded in the phantom of a massive black dragon and a giant purple elephant!

The dragon and the elephant intertwined, causing the Long Xiang Heavenly God's oppressive aura and presence to skyrocket continuously!

His already four-to-five-meter tall frame rose even higher, reaching an astonishing ten meters!

Each muscle on his body swelled and bulged, resembling an iron fortress standing in the skies!

"Destroy Heaven and Earth!"

With a thunderous roar that shook the heavens!

The Long Xiang Heavenly God gripped a halberd tightly in both hands, unleashing the Power of Thousand Dragon and Ten Thousand Forms in a ferocious downward strike toward Yang Luo!

Swoosh!

The massive halberd, thousands of meters in size, cleaved through the sky above, tearing vast chunks of the Void, its destructive force utterly terrifying!

"Come, battle me!!!"

Yang Luo seized the Dragon Emperor Sword, gripping it firmly with both hands, and swung it upward with tremendous force!

Swoosh!

The colossal golden sword, spanning thousands of meters, slashed through the endless skies and Void above, splitting them apart in its wake!

Clang! Rumble!

The golden sword and the purple-black halberd collided heavily, erupting in an earth-shattering clash!

A blinding flood of light and explosive energy burst forth, surging turbulently in all directions like a mighty river!

The brute power of the Long Xiang Heavenly God was too wild and fierce, leaving Yang Luo staggered for a moment, unable to fully withstand it!

“Urgh...”

He let out a muffled groan, plummeting from the sky!

Crash! Boom!

A towering mountain, a thousand meters high, collapsed partially, sending massive rocks and dust clouds into the air!

“Yang Heavenly Venerate!”

“We can’t care about anything else now—quick, help him!”

The cultivators roared loudly, charging toward the Netherworld Sky Demon!

“Block them!”

“Annihilate them!”

The gods and demons bellowed as well, launching themselves at the cultivators to intercept them!

Dongfang Wuji and others also attempted to assist, but they too were blocked by the Heavenly Gods and Demons!

They knew that no matter how strong Yang Luo's cultivation and strength were, after such prolonged combat, even an iron man couldn't hold on!

Yet they were powerless to come to his aid, leaving them exasperated!

The battle grew even more ferocious!

Just as Yang Luo climbed out from the rubble!

The Long Xiang Heavenly God swung his massive halberd relentlessly toward Yang Luo once more!

"You little bastard, die for me!"

Rumble! Rumble! Rumble!

A relentless storm of black-and-purple halberds tore through the Void, descending on Yang Luo like an unending tempest!

"You want to kill me? Dream on!"

Yang Luo roared back, gripping the Dragon Emperor Sword tightly in both hands, slashing furiously!

Swoosh! Swoosh! Swoosh!

Golden swords filled the skies, splitting the heavens and severing the Qiankun, radiating an unparalleled dominance!

Boom! Boom! Boom!

Clang! Clang! Clang!

The massive sword shadows and halberd shadows, stretching thousands of meters, clashed violently overhead, each collision erupting in explosions!

The deafening roars of impact never ceased!

Light exploded, energy surged, and shockwaves radiated madly in all directions!

And as the sword and halberd clashed ferociously!

Countless black dragons and purple elephants pounded downward!

Countless golden dragons also soared upward from below!

Thump! Thump! Thump!

Boom! Boom! Boom!

Heavy impacts and explosions reverberated incessantly!

Even more blinding light and violent energy erupted outward!

The mountain beneath Yang Luo's feet began to collapse incessantly!

Until the entire thousand-meter mountain crumbled!

And Yang Luo plummeted down to the earth!

But the onslaught between the two did not cease; their massive weapons continued to clash wildly!

The ground beneath Yang Luo's feet could not endure either, cracking and collapsing further!

The earth shattered into an enormous abyss pit!

Yang Luo fell straight into it!

No one could see Yang Luo's form anymore!

All they could see were the clashes of the sword and halberd, the explosions of light, the surging energy, and the roaring of dragons and elephants!

After an unknown number of exchanges!

“Roar!!!”

A dragon's roar bellowed from the abyss pit!

Yang Luo emerged from the abyss pit, clutching the Dragon Emperor Sword!

“You half-human, half-beast creature, I told you—you can't kill me!”

Yang Luo roared viciously, tearing through layers of surging energy and light, and slashed once more toward the Long Xiang Heavenly God in the sky!

“Is that so? Then let’s see!”

The Long Xiang Heavenly God bellowed back, holding his halberd tightly with both hands and swinging a devastating blow!

Clang!

The massive sword and halberd collided once more, their impact shattering the heavens!

In this colossal clash!

Both Yang Luo and the Long Xiang Heavenly God’s arms and muscles tore extensively, blood splattering into the air!

Both warriors could barely hold onto their weapons anymore, and their blades were flung away!

Yet even without their weapons!

Yang Luo and the Long Xiang Heavenly God did not halt their battle, trading relentless punches at one another!

Chapter 2473: Aren’t You Ants as Well?

At this moment!

The two of them launched into a ferocious close combat, fist colliding with flesh, palm striking against bone, each determined to annihilate the other!

Bang! Bang! Bang!

Boom! Boom! Boom!

Like the sound of thunder rolling through the skies!

Blinding lights and surging energies exploded in the air, dazzling beyond compare!

Blood sprayed continuously from their bodies!

They clashed for another hundred rounds!

“Explode for me!”

Yang Luo seized an opening and punched one of the dragon heads of the Long Xiang Heavenly God!

Bang!

A dull explosion rang out!

One of the dragon heads of the Long Xiang Heavenly God exploded, scattering a mass of red and white matter!

“Ah!!!”

The Long Xiang Heavenly God let out a blood-curdling scream, his voice filled with torment, as he was sent flying by the punch!

“Come on, keep going! Weren’t you trying to kill me?”

Yang Luo shook the blood off his fist, stepped forward in mid-air, and charged at the Long Xiang Heavenly God!

On the way to attack!

Yang Luo suddenly noticed!

Due to the destruction of one of his dragon heads, the Long Xiang Heavenly God seemed like a deflated balloon—his aura and pressure began to dissipate!

The black dragon phantom shrouding him faded, and the divine light emanating from his body dimmed significantly!

Yang Luo was overjoyed!

So the Long Xiang represented two of his abilities!

As long as one of his heads got destroyed, half of his ability would be eliminated!

Since that was the case, it was time to strike while he was weakened and take his life!

With that thought!

Yang Luo raised both arms, tracing arcs in the sky as he charged forward!

Instantly!

Rumble! Rumble! Rumble!

Heaven and Earth trembled violently, Qiankun destabilized, the Void shattered, and all creation quaked in response!

Meanwhile, the Yin Fish and Yang Fish diagrams appeared in Yang Luo's palms!

Then, Yang Luo clasped his hands together!

"Chaos Destruction Skill!"

A golden Tai Chi Diagram materialized between Yang Luo's palms!

All the attribute powers and energies within his body merged into the Tai Chi Diagram!

A massive golden character for "Dao" condensed behind him!

"Go!"

Yang Luo roared thunderously and violently pushed the golden Tai Chi Diagram forward with both hands!

The golden Tai Chi Diagram surged outward, instantly expanding to five thousand zhang, like a golden sky unfolding, shaking the hearts of everyone present!

"White Tiger, Vermillion Bird, Black Tortoise!"

"Hundun, Qiongqi, Taowu!"

"Transformation!"

“Roar! Roar! Roar!”

The three Divine Beasts and three ferocious Beasts rose dramatically and charged toward the Tai Chi Diagram!

The three Divine Beasts merged into the Yang Fish, while the three ferocious Beasts merged into the Yin Fish!

The golden Tai Chi Diagram expanded further to six thousand zhang, growing even more colossal!

Not only did the Tai Chi Diagram grow bigger, but the destructive, annihilative, and oblitative force it carried also intensified!

“Be annihilated!”

With a fierce roar!

Rumble! Rumble! Rumble!

The golden Tai Chi Diagram descended upon the Long Xiang Heavenly God like the weight of the nine-layered heaven, causing Heaven and Earth to tremble violently, the Void to collapse, and all creation to perish!

“This is...”

The Long Xiang Heavenly God’s heart filled with dread, his eyes flared with terror. Ignoring the pain coursing through him, he frantically mobilized his divine power!

His body shook as he clenched his fists, summoning the Power of Wan Xiang to furiously strike at the golden Tai Chi Diagram!

Thump! Thump! Thump!

Boom! Boom! Boom!

A storm of massive purple fists rained down on the golden Tai Chi Diagram, like an unrelenting tempest!

Yet, no matter how fierce his punches were, he couldn't break through the golden Tai Chi Diagram!

As he failed to shatter the Tai Chi Diagram!

The Long Xiang Heavenly God became increasingly panicked and unleashed even more devastating techniques!

"Creation of All Things!"

"Heaven and Earth Shattering!"

"Twelve Beast Gods-Descent!"

"Roar! Roar! Roar!"

Tens of thousands of colossal purple elephants arose, charging at the golden Tai Chi Diagram!

This realm was rocked by an earthquake, scattering countless shockwaves that struck the Tai Chi Diagram!

Additionally, twelve colossal Beast Gods stood tall, each spanning thousands of zhang!

The twelve Beast Gods differed in form—some had tiger heads and human bodies, others lion heads and human bodies, or wolf heads and human bodies—each wielding weapons and rushing toward the golden Tai Chi Diagram!

Crash! Bang!

Boom! Thunder!

The sound of collisions and explosions reverberated continuously!

An immense surge of light and energy erupted across the sky, like a monstrous wave blowing outward in all directions!

Seeing that the Long Xiang Heavenly God continued resisting!

Yang Luo tapped into the power of his blood essence once again!

“Taotie Transformation!”

“Roar!”

A massive Taotie spanning thousands of zhang arose, rushing toward the Tai Chi Diagram, merging into the Yin Fish!

The golden Tai Chi Diagram expanded further, with the Yin Fish section radiating increasingly dazzling, piercing light!

And so, in the months leading up to this battle, Yang Luo had been intensely studying and comprehending the Chaos Destruction Skill!

As a result, his understanding of this ultimate technique had deepened significantly!

Previously, he could only fuse three Divine Beasts and three ferocious Beasts, but now, he could assimilate even more!

With the Taotie merging in!

The golden Tai Chi Diagram unleashed an even greater power, seemingly capable of obliterating everything!

Every single devastating move launched by the Long Xiang Heavenly God was obliterated!

“No... No!!!”

He screamed in terror, desperately resisting but unable to escape. Helpless, he could only condense layer upon layer of defense!

Yet, regardless of how fiercely he resisted or how many layers of defense he constructed, he ultimately failed to block the attack!

“Ah!!!”

With one final, ear-piercing shriek!

Rumble! Boom!

The entire golden Tai Chi Diagram exploded and disintegrated!

A massive energy ball surged outward, sweeping across the surroundings!

The Heavens collapsed, the Earth sank, the Void tore apart, and countless Divine Ships and Demon Ships were utterly destroyed!

As for the Long Xiang Heavenly God, his physical body and Essence Soul were completely annihilated!

“Yang Heavenly Venerate has slain yet another Heavenly Immortal Perfected Stage cultivator! Defying the heavens, truly defying the heavens!”

“Two Heavenly Immortal Perfected Stage cultivators and one Late Stage of Heavenly Immortal elder teamed up against Yang Heavenly Venerate, and not only failed to kill him, but were completely counter-slaughtered! Such strength, truly astonishing!”

“Yang Heavenly Venerate is undoubtedly a once-in-a-millennium peerless genius, a supreme Heavenly Pride!”

The elders of Penglai Immortal Island were ecstatic beyond measure, their admiration and worship of Yang Luo reaching its peak!

Even Dongfang Wuji and others battling in the distance were profoundly shaken!

In their view, being invincible in the same realm was already challenging enough. To defeat enemies beyond one’s cultivation realm was considered impossible!

Yet Yang Luo accomplished all of it!

“Aaah! Avenge the Netherworld Sky Demon, Long Xiang Heavenly God, and Xing Kong Heavenly God!”

“That brat has trampled on the dignity of our divine guards and demonic race! Unforgivable!”

“Kill him! Kill him!”

Those gods and demons roared like madmen, breaking from their ranks and charging toward Yang Luo relentlessly!

For the divine race and demonic race, they had always stood at the pinnacle of existence!

Other races could only bow in submission and tremble at their feet!

They had always been the ones to trample others—never was there a reason for them to be trampled upon, especially by a mere human!

This humiliation drove them into maddened fury!

Yang Luo swept his cold gaze across them, his voice thunderous: “You call humanity ants, but from my perspective, are you not ants yourselves?”

A swarm of ants dare to challenge me? Begging for death!”

Before finishing his sentence!

Yang Luo charged at the gods and demons, launching into a frenzied slaughter!

Chapter 2474: A Critical Moment!

Yang Luo, like an Ancient War Immortal, wielded his sword as he charged toward the nine-layered heaven, and then descended from the heights to slaughter upon the earth!

With every swing of his sword, he split the Heavens and Earth, shattering the Void with his strikes!

He annihilated the gods and demons that came to encircle and kill him!

“Ahhhhhhhh!”

Echoes of anguished screams reverberated ceaselessly!

Bodies flew in every direction, and blood spattered across the skies!

Not only did Yang Luo slay these gods and demons, but he once again unleashed the Devouring Demon Skill, absorbing their energy to replenish himself!

After all, from the prolonged battles from Immortal Burial Island to now, his qi had been greatly depleted and required replenishment!

Witnessing this, Yang Luo continued his rampage, slaughtering and absorbing continuously, growing fiercer and braver as he fought!

And after slaying tens of thousands of gods and demons!

An even greater force, tens of thousands strong, banded together to surround Yang Luo, launching their ultimate killing strike!

Countless attacks rained down from every direction toward Yang Luo, as though they sought to obliterate him completely!

“All of you, die!”

Yang Luo fiercely swung the sword in his hand!

Swoosh! Swoosh! Swoosh!

Innumerable golden flying swords transformed into a sea of swords, shooting out toward all directions!

Simultaneously, as he swung his sword!

Yang Luo unleashed all the attribute powers from within his body!

Lightning bolts and flames surged forth like roaring lightning dragons and fire dragons!

Violent winds arose, transforming into tornados that crushed everything around them!

A vast frozen ocean swept out—Freezing Heaven and Earth!

Other attribute energies manifested as various terrifying killing blows, targeting every direction!

BOOM!

BOOM!

Explosions and collisions roared endlessly!

The collective offensive unleashed by tens of thousands of gods and demons was utterly destroyed, exploding into blinding light and unleashed energy!

“Ahhhhhhhh!”

More horrific screams shattered the air as many of the gods and demons surrounding Yang Luo were obliterated!

Chunks of flesh and bone sprayed out, filling the air with a suffocating scent of blood, the scene horrific to the extreme!

However, at this critical moment!

“Ughhhhhhh!”

A series of agonized cries echoed from afar!

It was Tian Bao Ancient Buddha, Fen Tian Immortal Venerable Yin Juetian, Tai Cang Sword Venerable Chai Wen Dao, and Coiling Dragon Ancestor Qiong Canglong—all hurled into the air!

The four were grievously injured, their blood spraying profusely, the sight utterly horrific!

The ones who struck them down were none other than four powerful entities: the Netherworld Heavenly God, Decaying Heavenly God, Thunder Fire Sky Demon, and Soulless Sky Demon!

The Netherworld Heavenly God wielded cultivation at the Heavenly Immortal Perfected Stage!

The Decaying Heavenly God held cultivation at the Late Stage of Heavenly Immortal!

Thunder Fire Sky Demon and Soulless Sky Demon wielded cultivation at the Mid-stage Heavenly Immortal!

In terms of overall strength, Tian Bao Ancient Buddha and his allies were undeniably at a disadvantage!

After all, Tian Bao Ancient Buddha’s cultivation was only at the Late Stage of Heavenly Immortal!

Yin Juetian, Chai Wen Dao, and Qiong Canglong each held cultivation at Mid-stage Heavenly Immortal!

“This is bad—Tian Bao Ancient Buddha and the others are in danger!”

“Hurry—go help them!”

The elders engaged in battles from afar cried out in alarm, rushing over to assist.

Soulless Sky Demon sneered coldly: “Mere ants wish to aid their betters?”

How ridiculous and pathetic!”

With that, he swung his scepter and chanted aloud!

“Soul Extinguishing World!”

“Wooooooo!”

Accompanied by eerie wailing and howling!

An army of countless soulless entities surged forth, slaughtering the elders rushing in to provide aid!

Soulless Sky Demon, a Heavenly Immortal, unleashed killing techniques that ordinary elders could not hope to fend off!

Thus, thousands of elders screamed in agony as they were torn apart by the soulless army!

“Forget about those ants—focus on killing those four Heavenly Immortals!”

The Netherworld Heavenly God rasped coldly, brandishing his long spear!

“Netherworld Gate-Sealing!”

In an instant!

Twenty-four enormous, thousand-foot-tall black and crimson gates appeared, encircling Tian Bao Ancient Buddha and the others!

Each massive gate was engraved with totems of ancient gods and mystical runes, exuding profound power!

As the twenty-four gates rose up, they charged toward Tian Bao Ancient Buddha and the others!

The gates opened, launching bursts of black-crimson beams intended to annihilate Tian Bao Ancient Buddha's group!

"Counterattack!"

Tian Bao Ancient Buddha roared, bringing his palms together and shaking his entire being!

"Ten Directions Ancient Buddha!"

Ten enormous, thousand-foot-tall golden Buddhas arose, delivering punches, palms, and finger strikes toward the twenty-four gates!

"Boundless Fire Sea!"

Yin Juetian, blood trickling from the corner of his mouth, stepped forward mid-air with great force!

Swoosh!

A fiery crimson sea burst outward, scorching everything in its path, surging toward the twenty-four gates!

“Tai Cang Sword Sea!”

Chai Wen Dao, with disheveled hair, swung his sword!

Countless green flying swords gathered into a sea of blades, surging out like an unstoppable tsunami toward all directions!

“Heavenly Slaughter Dragon Wave!”

Qiong Canglong fiercely swung his spear!

Nine colossal dragon-shaped waves, each three thousand feet in length, charged toward nine gates!

Simultaneously, nine tremendous blue-gold spears, each three thousand feet in length, condensed and surged toward another nine gates!

BOOM!

BOOM!

Explosions and collisions thundered continuously!

Immense radiant light and energy erupted in the sky!

Tian Bao Ancient Buddha and his allies joined forces, barely managing to resist the suppression from the twenty-four gates!

“Can... can they hold?”

The Decaying Heavenly God growled coldly, swinging his sword!

“Decaying Sword·Annihilation!”

Swoosh—swoosh—swoosh!

Countless black-gray flying swords formed, infused with terrifying decaying power, and shot toward Tian Bao Ancient Buddha’s group!

“Demon Thunder Descending!”

“Demon Thunder Burning Sky!”

Thunder Fire Sky Demon swung his saber furiously!

BOOM!

Black lightning bolts descended from the heavens, striking toward Tian Bao Ancient Buddha’s group!

Terrifying blood-red flames also rained down violently, seeking to burn everything to ashes!

“Demon Soul General·Descent!”

Soulless Sky Demon brandished his scepter!

Twelve terrifying thousand-foot-tall Demon Souls clad in armor and wielding colossal weapons emerged, charging toward Tian Bao Ancient Buddha’s group!

BOOM!

More dreadful explosions echoed through the air!

The unleashed light and energy grew even more fearsome!

This realm descended into chaos, reduced to rubble!

Tian Bao Ancient Buddha and his allies fought desperately to defend themselves, but ultimately, they struggled to hold their ground!

Blood spewed from their mouths, and their bodies were stained with massive amounts of blood!

But just as the situation grew most dire!

BOOM!

A thunderous explosion came from afar!

Yang Luo burst through the encirclement, charging toward the battlefield!

As he charged forward!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror surged like towering mountains, crashing ahead!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared furiously, charging into combat!

The twelve Ancestral Witches rose up, treading the Void and storming into battle!

BOOM!

With a single earth-shaking clash!

The combined attacks of the Netherworld Heavenly God, Decaying Heavenly God, Thunder Fire Sky Demon, and Soulless Sky Demon were completely obliterated!

The resulting explosion of energy and light transformed into a mesmerizing sea of light, endlessly rippling and majestic beyond compare!

“Are you all alright?”

Yang Luo descended into the fray and called out.

Tian Bao Ancient Buddha and the others looked toward Yang Luo, their gazes filled with complexity...

Chapter 2475: Turning the Tide of Battle!

The four of them, Tian Bao Ancient Buddha and his companions, never expected Yang Luo to save them.

After all, they had once sought to kill Yang Luo without hesitation.

Yang Luo could have chosen not to rescue them, watching them die without anyone questioning his decision.

But Yang Luo still came to their aid.

Seeing the expressions on their faces.

Yang Luo spoke, “I know what you’re thinking. Yes, we have a blood feud.

But now, with the Alien Race invading our homeland, we must put aside our grievances and join forces to repel the enemy.”

“Amitabha Buddha...”

Tian Bao Ancient Buddha clasped his hands together with a long sigh and said, “Yang Heavenly Venerate, your magnanimity in rescuing us despite our past enmity leaves us deeply grateful!”

Yin Juetian cupped his hands and said, “Yang Heavenly Venerate, your righteousness towers above the heavens. We are utterly ashamed in comparison!”

“Many thanks for your noble assistance, Yang Heavenly Venerate. Such grace, I, Chai Wen Dao, will never forget!”

“Yang Heavenly Venerate, from this day forward, all grudges between us shall be wiped clean!”

Both Chai Wen Dao and Qiong Canglong cupped their hands toward Yang Luo as well.

Yang Luo waved his hand and said, “Can the four of you stop being so sentimental? It’d be better to cut down a few more enemies instead!”

“Hahaha...”

Yin Juetian threw his head back in laughter. “Yang Heavenly Venerate is right! Killing more enemies is indeed more practical!”

“Amitabha Buddha...”

“With Yang Heavenly Venerate joining us, we will certainly slay those four bastards!”

“What gods or demons? How can they compare to us Eastern Immortals!”

Tian Bao Ancient Buddha, Chai Wen Dao, and Qiong Canglong looked coldly at the four Netherworld Heavenly Gods not far away.

Their auras surged to the peak, their battle wills ignited as they prepared for an all-out fight!

The Soulless Sky Demon squinted, saying, "This little brat's power is no joke. We'd better tread carefully!"

The Decaying Heavenly God sneered coldly, "No need to worry. After battling so long, this boy's qi has likely been depleted by now!

We just need to attack from a distance and avoid letting him absorb any energy!"

The Thunder Fire Sky Demon and the Soulless Sky Demon both nodded in agreement.

The Netherworld Heavenly God locked his gaze on Yang Luo and said, "You little brat, we originally planned to kill these four old fools first before coming for you!

But since you've delivered yourself willingly, you can join them on their way to hell!"

Yang Luo smirked mockingly. "Those three guys just now couldn't kill me even when they joined forces. Do you four think you can?

Moreover, with four senior allies assisting me, why should I fear the likes of you?"

Bang, bang, bang, bang!

Tian Bao Ancient Buddha and his companions stepped forward, their entire beings exploding with energy!

Boom, boom, boom, boom!

Four massive beams of light erupted from their bodies and shot into the sky!

Though all four of them bore heavy wounds, their fighting spirits remained unshaken!

Yang Luo also unleashed his might, a golden beam of light soaring from his body!

He raised the sword in his hand, his voice like thunder: “Seniors, follow me... kill!”

“Kill!!!”

The four of them also bellowed with murderous intent, charging alongside Yang Luo toward the Netherworld Heavenly Gods!

“Destroy them!”

The Netherworld Heavenly God roared furiously, brandishing his black spear and launching a ferocious assault!

“Netherworld God River!”

A torrent of overwhelming divine power erupted from the Netherworld Heavenly God’s body, transforming into a massive black-and-red river that surged toward Yang Luo and the others!

The river carried inconceivable destructive power, obliterating everything in its path—heavens collapsed, earth shattered, and the Void crumbled!

“Decaying Divine Burial!”

The Decaying Heavenly God swung his longsword and shouted loudly!

Beams of black-and-gray light pierced through the sky, descending upon Yang Luo and his allies!

“Thunder Fire Demon Seal!”

The Thunder Fire Sky Demon slashed with his saber as he roared!

A colossal seal spanning thousands of feet, crackling with lightning and engulfed in flames, crashed down from the heavens, suppressing everything as it targeted Yang Luo and the others!

“Demon Soul Pupil!”

The Soulless Sky Demon raised his scepter and swung it fiercely!

In an instant!

Countless crimson eyes, the terrifying Demon’s Eyes, burst forth in clusters from the Dark Void above!

As the demonic eyes emerged, innumerable blood-red beams shot toward Yang Luo and his companions!

“Flame Emperor’s World Burning Art!”

Yang Luo swung his sword with all his might, unleashing a furious slash!

A massive golden-red fireball, like a blazing sun, rolled forward with unstoppable force!

A vast sea of fire surged over heaven and earth, charging upward!

Golden-red waterfalls of fire poured down, golden-red fire pillars and annihilation fire lotuses descending simultaneously to obliterate their foes!

“Buddhist Light Illumination!”

“Ten Thousand Refinements!”

“Tai Cang Nine Swords!”

“Dragon Howl of Ten Thousand Miles!”

Tian Bao Ancient Buddha, Yin Juetian, Chai Wen Dao, and Qiong Canglong all unleashed their ultimate techniques!

Brilliant golden Buddhist light illuminated the heavens, countless runes flying forth to devastate their enemies!

Raging flames erupted across the land, surging upward!

Nine tremendous swords materialized, tearing open the sky and shooting forward!

Tens of thousands of Coiling Dragons roared out with earth-shaking howls!

Rumble, rumble, rumble!

Boom, boom, boom!

The sounds of collisions and explosions echoed thunderously, shaking every corner of heaven and earth!

Under the relentless onslaught of Yang Luo and his team!

The faces of the Netherworld Heavenly Gods changed drastically, and they began struggling to hold their ground!

Their bodies were forced backward repeatedly, blood spraying in all directions!

Despite only adding one more person to the enemy's side, their combat strength had risen exponentially!

Previously, they had only witnessed Yang Luo's abilities from afar and knew he was an extraordinary powerhouse.

But now, fighting him directly, they were even more acutely aware of Yang Luo's horrifying capabilities!

This youth was terrifying, his true strength defying any measure of his cultivation level!

"Keep attacking!"

The Netherworld Heavenly God gritted his teeth and summoned his Dharma Idol, charging forward with intent to kill!

The Decaying Heavenly God, Thunder Fire Sky Demon, and Soulless Sky Demon also activated their Dharma Idols and charged forth!

Without hesitation, Yang Luo and his companions activated their Dharma Idols as well, diving into another frenzied clash!

Bam, bam, bam!...

Colossal Dharma Idols clashed in the sky, shaking heaven and earth!

Boom, boom, boom!...

The sounds of explosive collisions echoed without end!

In the aerial melee, the massive Dharma Idols exchanged devastating blows, one explosion after another lighting up the heavens!

The Netherworld Heavenly Gods' complexions turned grim, and they continued their wild onslaught!

Wave after wave of attacks surged forward, striking fiercely at Yang Luo and his team!

"Seniors, keep pressing!"

Yang Luo let out a thunderous roar, unleashing another devastating technique!

The Great Dao Dragon Diagram appeared, rotating slowly, as tens of thousands of dragon illusions surged forth roaring!

The Chaos Slaughter Array Map coalesced into reality, blocking out the skies as it descended upon their enemies!

Tian Bao Ancient Buddha and the others held nothing back, unleashing their own supreme techniques!

Boom, boom, boom!

Rumble, rumble, rumble!

The cacophony of collisions and explosions grew deafening!

But the ferocity of Yang Luo's team's assault left the Netherworld Heavenly Gods overwhelmed!

"Arghhh..."

Cries of agony burst from the four Netherworld Heavenly Gods as they were sent flying, blood splattering like rain along their path!

"Seniors, strike while they're down!"

Yang Luo roared mightily, charging forward with his sword raised!

"Kill!!!"

Tian Bao Ancient Buddha and the others bellowed in unison, following Yang Luo's lead as they stormed toward the fallen foes!

With Yang Luo's entry into the battlefield, the tide of battle had completely turned!

Chapter 2476: Bloody Battle!

Yang Luo and his group of five charged with fury, unleashing killer moves one after another, fiercely attacking the four Netherworld Heavenly Gods!

The four Netherworld Heavenly Gods also resisted with all their might, employing their killer moves to fend off the fierce assault of Yang Luo's group!

At this moment!

Yang Luo's group and the four Netherworld Heavenly Gods engaged in an intense battle within the expanse of this realm!

Clang, clang, clang!...

Boom, boom, boom!...

The sounds of clashes and explosions echoed through the clouds, shaking the Eight Realms!

The boundless firmament and void shattered like glass, revealing countless cracks spreading across the expanse!

Vast mountains, lands, and forests collapsed one after another, rivers broke apart, transforming into wastelands!

Rubble and dust swept upward, spreading out in all directions!

After battling for hundreds of rounds!

Accompanied by the thunderous roar of explosions!

Yang Luo's group and the four Netherworld Heavenly Gods were simultaneously blasted away!

Both sides suffered worsening injuries, with blood splattering across the skies!

"Damn it!"

The Netherworld Heavenly Gods contorted their faces in rage. "These five brats aren't even at the Heavenly Immortal Perfected Stage!

How can they manage to injure us again and again?!

Are we gods and demons truly inferior to immortal cultivators?

Our ancestors couldn't defeat their immortal cultivators, and now, are we still incapable of beating them?

I refuse to believe it! I refuse to believe it!!”

With a roar!

The Netherworld Heavenly God mobilized all the energy within his body and then unleashed killer moves one after another!

“Ten Thousand Gods Incarnation!”

“Heavenly Sin Abyss!”

“Netherworld Divine Domain!”

In an instant!

The Netherworld Heavenly God conjured tens of thousands of avatars, each resembling his true form, wielding black spears and attacking Yang Luo's group!

A gigantic black hole appeared in the sky, releasing a formidable suction force aimed at pulling Yang Luo's group in!

A black-red Divine Domain materialized, with towering Netherworld Palaces and Temples, Nether Mountains, and Nether Seas emerging, countless godly illusions standing proudly in the air!

The Netherworld Divine Domain resembled a miniature world, suppressing and striking down!

“Decaying Divine Chains!”

“Decaying Divine Mountain!”

“Decaying Divine Domain!”

The Decaying Heavenly God waved his sword, unleashing killer moves one after another!

Black-gray chains pierced through the void, resembling dragons as they swept out!

Black-gray mountains broke through the firmament like an overwhelming range, pressing down heavily!

A Decaying Divine Domain materialized, unleashing countless decaying swords and divine lights, suppressing and striking down!

“Thunder Fire Meteor Burst!”

“Thunderfire Burial Sky!”

“Thunder Fire Demon Domain!”

The Thunder Fire Sky Demon wielded his saber, consecutively unleashing killer moves!

Enormous spheres of lightning and flames, thousands of meters across, condensed into forms resembling thunderous stars and fiery planets, rolling forward and crushing down!

Tens of thousands of lightning pillars and fire columns pierced through the heavens, suppressing and striking down en masse!

Countless Thunder Fire Flying Swords shot down violently!

A Thunder Fire Demon Domain rapidly materialized, suppressing and striking down!

“Soul Storm!”

“Demon Soul Devouring Sky!”

“Soul Demonic Domain!”

The Soulless Sky Demon instantly unleashed three killer moves!

Countless souls transformed into tornados, sweeping through heaven and earth, crushing upward!

A colossal Demon Soul Behemoth rose up, opening its abyssal maw to devour Yang Luo’s group!

A Soul Demonic Domain materialized, shrouding the sky and pressing down with dominion!

Facing the relentless killer moves from the four Netherworld Heavenly Gods!

Yang Luo remained unyielding, unleashing killer moves of his own!

“Sword Breaks the Heavens!”

“Seven Domains Open!”

“Twelve Shaman Primal Heavenly Art!”

“Chaos Slaughter Array Map!”

A golden sword, towering thousands of meters, split the heavens, penetrating through layers of void, stabbing downward fiercely!

The Emperor Dragon Sword Domain, Endless Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Purple Thunder Immortal Domain, and Fire Phoenix Immortal Domain materialized simultaneously, suppressing and striking upward!

The twelve Ancestral Witches stood tall, charging forward!

An enormous array map, thousands of meters wide, carried terrifying killing intent, suppressing and striking upward!

“All Heavens Buddha Lotus!”

“Ten Thousand Buddhas!”

“Da Qian Buddha Domain!”

Tian Bao Ancient Buddha roared with fury, unleashing killer moves in succession!

A magnificent golden Buddha Lotus blossomed, emitting serene Buddhist light, suppressing and pressing downward!

Countless Buddhas stood tall, some punching, some striking with palms, and others wielding weapons, attacking fiercely!

A Buddha Domain formed, with countless Buddha monasteries emerging, accompanied by numerous colossal Buddhas, Bodhisattvas, Venerables, Vajras, and Arhats, rushing forward into battle!

“Nine Suns Heavenly Fire!”

“Burning Sky Fire Domain!”

“Flying Sword Star Battle!”

“Tai Cang Sword Domain!”

“Dragon Dominating Heaven and Earth!”

“Coiling Dragon Immortal Domain!”

...

Yin Juetian, Chai Wen Dao, and Qiong Canglong also unleashed their killer moves consecutively, mounting fierce assaults!

Flames rose to burn the skies, flying swords weaved, and azure dragons soared, creating a spectacle of awe!

Boom-boom-boom!

Thunderous roars akin to rolling thunder rang out endlessly, reverberating across Heavenly Sword Island and even its surrounding islands!

Amidst the blinding lights and energy surges!

The bodies of the four Netherworld Heavenly Gods became wildly splattered with blood, their mouths spewing copious amounts of blood!

The bodies of Yang Luo’s group also burst open with numerous wounds, spilling blood into the air!

“Kill!”

Yang Luo let out a deafening roar, wielding his sword to disperse a massive wave of energy, charging towards the Decaying Heavenly God!

“Die!!!”

Yang Luo swung his sword down heavily upon the Decaying Heavenly God!

“You...!!!”

The Decaying Heavenly God’s pupils widened in shock, clearly not expecting Yang Luo’s attack to arrive so soon!

He wielded his sword in defense, even conjuring layers of shields to block!

But it was utterly futile!

Thud!

His physical body and Essence Soul were severed by Yang Luo’s sword, then exploded amidst the energy impact in midair!

“Retreat immediately!!!”

The Netherworld Heavenly God cried out in desperation, retreating swiftly!

But the Thunder Fire Sky Demon and Soulless Sky Demon were a step too slow, failing to escape promptly!

“Demon, accept your fate!”

Tian Bao Ancient Buddha charged at the Thunder Fire Sky Demon, his Vajra Angry Eyes burning fiercely. With his right hand wielding the Buddhist staff and his left throwing a powerful Buddhist palm strike, he assaulted the Thunder Fire Sky Demon!

“Old fool, you shall not succeed!”

The Thunder Fire Sky Demon swung his saber aggressively in response!

Clang! Clang! Clang!

Thunderous clashes rang out startlingly!

The Thunder Fire Sky Demon’s Demon Blade was directly blasted away!

The next moment!

Tian Bao Ancient Buddha’s staff and palm strike landed heavily on his body!

“Ah...”

The Thunder Fire Sky Demon let out one final, agonized scream!

His physical body was shattered by the Buddhist staff, his Essence Soul obliterated by the Buddhist palm, dying completely!

“Perish!!!”

Yin Juetian's blood-stained robes fluttered wildly as he launched a fiery giant fist to strike at the Soulless Sky Demon!

"Die!!!"

Chai Wen Dao and Qiong Canglong simultaneously swung their long sword and spear, attacking as one!

Boom!

Yin Juetian's fiery punch landed heavily on the Soulless Sky Demon's chest!

"Ack..."

The Soulless Sky Demon's ribs shattered, his organs were crushed, and blood spewed violently!

Chai Wen Dao slashed his sword through the Soulless Sky Demon's body!

Qiong Canglong thrust his spear, piercing the Soulless Sky Demon's Essence Soul!

Just as the Decaying Heavenly God, Thunder Fire Sky Demon, and Soulless Sky Demon met their demise!

The Netherworld Heavenly God had already fled into the distance!

He stepped into the void, ready to escape!

Chapter 2477: Not Optimistic!

But Yang Luo had already reacted, slashing out with his sword!

“Don’t even think about escaping!”

“Heaven and Earth Furnace!”

“Dragon Rebel Sword Formation!”

Flames erupted around the shattered void, and countless golden flying swords danced and wove through the air!

In an instant!

The raging flames transformed into a furnace, and the countless flying swords converged into a sword formation, trapping the Netherworld Heavenly God within!

The space was already sealed, making it impossible for the Netherworld Heavenly God to escape again!

“You vile brat! You think you can trap me?!”

With a furious roar, the Netherworld Heavenly God swung his black spear repeatedly, unleashing a relentless onslaught on the furnace and the array!

He was so close to escaping!

But unexpectedly, this petty brat reacted so quickly, locking down the void and cutting off all avenues of retreat!

“Ten Thousand Buddhas Formation!”

“Eight Desolations Fen Tian Formation!”

“Tai Cang Life and Death Sword Formation!”

“Ten Thousand Coiling Dragons Formation!”

Tian Bao Ancient Buddha, Yin Juetian, Chai Wen Dao, and Qiong Canglong swiftly set up killing arrays!

After all, this was their best shot at eliminating the Netherworld Heavenly God!

They couldn’t afford to miss this chance!

The furnace and five-layered array were simultaneously activated, launching a fierce attack on the Netherworld Heavenly God!

Flames roared, flying swords surged, coiling dragons soared, and countless Buddhas chanted scriptures!

The Netherworld Heavenly God fiercely counterattacked!

Bang, bang, bang!...

Boom, boom, boom!...

Under the relentless attacks from the Netherworld Heavenly God, the furnace and six array formations shook violently, emitting deafening explosions!

One minute later!

Boom!

The furnace was forcibly destroyed by the Netherworld Heavenly God, erupting into a massive fireball that spread outward!

Three minutes later!

Boom!

The Dragon Formation set by Qiong Canglong was also destroyed!

Five minutes later!

Boom!

The Sword Formation set by Chai Wen Dao was demolished!

The expressions of Tian Bao Ancient Buddha and the other three showed great shock!

They had obviously not anticipated such overwhelming destructive power from the Netherworld Heavenly God!

But indeed, as one of the leaders among the twenty-five heavenly gods and sky demons, his strength was naturally immense!

Yang Luo's eyes flashed with killing intent as he coldly declared, "You still want to escape? In your dreams!"

With that, Yang Luo swung his sword and began forming arrays once more!

"Primordial Dragon Prison Array!"

"Nine Revolutions Thunder Annihilation Formation!"

“Three Thousand Star Domain Formation!”

In the blink of an eye!

Three more grand arrays were formed, once again trapping the Netherworld Heavenly God!

“Roar, roar, roar!”

Ten thousand dragons roared, colliding against the Netherworld Heavenly God!

Nine-colored Thunder Sea surged, and nine-colored Thunder Beasts howled!

The sun, the moon, and the stars evolved into a starry expanse, suppressing and striking down!

“Keep forming arrays! Exterminate him completely!”

Yin Juetian shouted loudly, continuing to construct formations!

Tian Bao Ancient Buddha, Chai Wen Dao, and Qiong Canglong also pressed on, forming their arrays!

“It’s bad—the Netherworld Heavenly God can’t hold on much longer!”

“Quick, we must save him!”

Far away, other gods and demons, engaged in their fierce battles, shouted in alarm and attempted to rush over to assist!

“Don’t even think about saving him!”

“Stop them!”

Dongfang Wuji, Xing Wentian, and others roared mightily, risking their lives to block the reinforcements!

At that moment.

In the distant skies.

Seeing no one coming to rescue him.

The Netherworld Heavenly God finally collapsed in great despair, his wrath and bitterness reaching their peak!

He roared with fury, “Once the Divine Master descends upon Earth, none of you will escape! All of you will die, every single one!!!”

With those final words, a deafening roar erupted!

All the arrays exploded!

The brilliance and energy generated from the blast were like an abyss and a flood, like a mountain collapsing and seas surging, rushing outward in all directions!

Everything in heaven and earth was obliterated, vast and unrestrained, terrifically overwhelming!

Yang Luo and the other four quickly retreated in the instant of the explosion!

When the light and energy finally dissipated!

Everything returned to calm!

Only the shattered body and annihilated divine soul of the Netherworld Heavenly God remained!

“The Netherworld Heavenly God is dead!”

“Damn it! This is intolerable!”

“Kill, kill, kill! Fight them to the end!”

Those gods and demons became hysterical, charging furiously at Dongfang Wuji and the others!

“The Netherworld Heavenly God, Decaying Heavenly God, Thunder Fire Sky Demon, and Soulless Sky Demon have also fallen in battle!”

“We’ve lost four more heavenly gods and sky demons!”

“Why are these immortal cultivators so incomparably powerful?”

In the distance, the battling gods and demons were overwhelmed with grief.

In contrast, the fighting elders, though injured, were immensely encouraged!

These so-called gods and demons—could indeed be defeated!

“Phew...”

Yang Luo exhaled heavily, his body already stained red with blood and sweat.

However, the Netherworld Heavenly God’s words earlier gave him a sinking feeling.

There was a good chance their Divine Master and Demon Lord were truly Golden Immortals!

If they were indeed Golden Immortals, how could they possibly deal with them?

If Senior Gu and Senior Linghu could ascend to Golden Immortal status, they would certainly have the power to fight!

But if not...

Yang Luo shook his head vigorously, banishing such grim thoughts!

No matter how strong the enemies they would face later, they had to fight to the death!

This was a matter of the Three Realms' survival—there was no retreat!

Yang Luo cleared his thoughts and prepared to take a pill to keep fighting!

Suddenly!

A voice sounded in his mind!

"Little Luo, where are you now?"

Someone was communicating with him telepathically.

The voice belonged to Ancestor Lin.

Yang Luo responded telepathically, “Ancestor Lin, I’m fighting alongside other seniors on Penglai Immortal Island!

By the way, how is the situation at Kunlun Ruins?”

Ancestor Lin replied, “The situation at Kunlun Ruins is not looking great—Central Continent has turned into a warzone; too many lives have been lost!

Still, Brother Yi and I are fighting hard and managing to hold on for now!”

Yang Luo asked again, “How are Bujie and Xu Ying?”

Ancestor Lin replied, “Since the war broke out, Bujie and the others have also joined the fight!

But there are simply too many opponents with no shortage of experts. Bujie and the rest are injured—the situation is grim!

We advised them to retreat, but they refused—they’re determined to fight to the death!”

“Damn it!”

Yang Luo clenched his fists, deeply worried for Bujie and the others!

These stubborn fellows always lost themselves in the heat of battle!

Who knows how they’re holding up now!

“By the way, Little Luo, what’s the situation like on Penglai Immortal Island?”

Ancestor Lin asked hurriedly.

Yang Luo steadied himself and replied, “The situation on Penglai Immortal Island is still manageable—I’ve teamed up with the seniors to slay many gods and demons!

But the enemies are far too numerous, and we’ve suffered heavy losses on Penglai Immortal Island!

Ancestor Lin, hold on a bit longer, I’ll come to aid you soon!”

“Alright, don’t worry about us!”

Ancestor Lin responded, then severed the telepathic connection with Yang Luo.

Yang Luo took a deep breath and declared aloud, “Dear seniors, the situation at Kunlun Ruins is dire—I must go quickly to assist!

I rely on you to manage things here!”

“Little Luo, go without worry! We’ll handle this!”

“Little Luo, you’ve done more than enough—thank you for your effort!”

“We will undoubtedly drive these scoundrels away!”

Dongfang Wuji and the others replied in resonant voices.

Chapter 2478: Life and Death Unknown!

“Yang Heavenly Venerate, do you need our help?”

“Should we go with you?”

The four figures of Tian Bao Ancient Buddha all voiced their inquiries.

Yang Luo glanced at the distant battlefield and said, “Everyone should stay here to assist!

Once the situation stabilizes here, hurry to the secular world to lend your support!”

At present, the Netherworld Heavenly God, Decaying Heavenly God, Thunder Fire Sky Demon, Soulless Sky Demon, Netherworld Sky Demon, Long Xiang Heavenly God, and Xing Kong Heavenly God have been annihilated!

Plus, the Blazing Angel, Judgement Angel, Hundred Battle Heavenly God, and Mad Axe Giant God wiped out on Immortal Burial Island!

Eleven gods and demons who invaded Penglai Immortal Island have died!

But fourteen gods and demons remain!

Therefore, Penglai Immortal Island still needs reinforcements!

“Understood!”

The four figures of Tian Bao Ancient Buddha nodded affirmatively.

Afterward, Yang Luo took several bags of pills out of his storage ring and tossed them to the four figures of Tian Bao Ancient Buddha.

“Honored elders, these pills were refined by me; they work wonders for healing and Qi replenishing!

Distribute them as needed; ensure everyone heals and recovers quickly!

This is a prolonged battle, and the enemies are too numerous. Everyone must preserve their strength!”

“Understood!”

“Thank you, Yang Heavenly Venerate!”

“Yang Heavenly Venerate, be cautious yourself!”

The four figures of Tian Bao Ancient Buddha expressed their gratitude repeatedly, reminding Yang Luo to take care.

“Hmm!”

Yang Luo nodded solemnly, swallowing a handful of pills himself.

“That damn brat is trying to escape! Stop him!”

“He killed so many of us! We can’t let him get away!”

“Kill him! We must kill him!”

The gods and demons descended into madness, surging toward Yang Luo with murderous intent!

“Yang Heavenly Venerate, you must go!”

“Leave this to us!”

The four figures of Tian Bao Ancient Buddha roared with intensity, charging toward the gods and demons!

Yang Luo wasted no time, collecting the weapons and Dharma artifacts left by the fallen gods and demons before breaking through space with a single step, disappearing into the Void, heading for Kunlun Ruins...

Deep within the Sea of Illusion.

The night had already descended.

Although the Sea of Illusion was vast, it still had its limits.

The boundary of the Sea of Illusion was shrouded in thick fog, divided by a barrier.

Passing through the fog and barrier would lead to Kunlun Ruins.

In other words, the borders of the two Immortal Worlds were interconnected.

Normally, the borderlands between the two Immortal Worlds were desolate and seldom visited, with only mutated beasts roaming.

But today, two elders stood in this location undergoing tribulation.

And these elders were none other than Gu Tianshang and Linghu Wuxie!

Swirling winds howled! Thunder boomed!

Above the boundless sky for thousands of miles, gale winds rampaged, dark clouds churned, lightning flashed, and thunder roared!

Gu Tianshang and Linghu Wuxie stood high in the air, gazing at the abyssal chasm in the sky, their faces solemn and cold!

Their bodies were already scarred and battered, flesh split open, and blood stained their robes crimson!

Blood trickled down from their feet, turning the sea below red!

A few hours ago, the two had begun undergoing their Golden Immortal Tribulation!

Yet this tribulation was far more terrifying than they had anticipated!

They had passed less than half of it and were already gravely injured!

At that moment!

Rumble! Rumble!

A massive black Thunder Sea, stretching for thousands of feet, surged downward, intending to obliterate Gu Tianshang!

An enormous azure Thunder Sea also swept turbulently downward, aiming to annihilate Linghu Wuxie!

“Here it comes again!”

Gu Tianshang gritted his teeth, his voice trembling, “Brother Linghu, the Three Realms war has broken out. We must overcome this tribulation to join the fight!”

“Of course!”

Linghu Wuxie's gaze was resolute. "No matter what, we must succeed, even if it costs us our lives!"

They had heard Yang Luo's transmission earlier but couldn't respond due to their tribulation.

The two unleashed their full aura again, erected layer upon layer of defense, and instantly activated protective arrays as barriers!

In an instant!

Rumble!

Both Thunder Seas engulfed sky and ocean, completely submerging Gu Tianshang and Linghu Wuxie!

All defenses and arrays they had erected were shattered in the blink of an eye!

"Ahhhhh!"

Agonizing screams pierced the air as their flesh, muscles, and meridians were torn apart by the lightning!

Blood flowed like waterfalls, spraying through the air!

Boom! Boom!

The two could only hold on momentarily before plummeting into the ocean!

The Thunder Seas, however, continued to descend, intent on utterly annihilating Gu Tianshang and Linghu Wuxie!

"Ahhhh!"

Heart-wrenching screams echoed from the sea, reaching far and wide!

But since this was the desolate end of the Sea of Illusion, the surrounding region for tens of thousands of miles remained uninhabited!

Coupled with the fact that chaos raged on Penglai Immortal Island!

No one knew that someone was undergoing tribulation here!

The screams lingered for a while before abruptly ceasing!

Thunder's rumbling remained, but there was no trace of Gu Tianshang or Linghu Wuxie's voices!

None could say how much time had passed.

The Thunder Seas eventually began to dissipate.

In the sea below, two abyss vortexes were left behind from the impact of the lightning.

But neither Gu Tianshang nor Linghu Wuxie could be seen.

A while later.

"Urghhh!!!"

"Roar!!!"

Accompanied by two anguished shouts!

Two immense waves burst forth from the abyss vortexes!

Gu Tianshang and Linghu Wuxie emerged from the depths, standing once again high in the air!

“Huff... Huff...”

The two hovered in mid-air, panting heavily, blood flowing persistently!

Linghu Wuxie asked weakly, “Brother Gu... Can we really survive the Golden Immortal Tribulation...”

Gu Tianshang spat out a mouthful of blood, his voice hoarse yet determined, “We will... survive...”

Saying this, Gu Tianshang grabbed a handful of the medicinal pill Yang Luo had given him for healing and Qi replenishing, swallowing them down!

Linghu Wuxie did the same, consuming a handful of pills!

Both wielded their weapons and Dharma artifacts once again, fortifying their defenses and erecting layers upon layers of protective arrays, prepared to risk everything!

Soon after.

Rumble! Rumble!

Two more Thunder Seas, even larger and more destructive, surged forth like the annihilation of heaven and earth, barreling toward Gu Tianshang and Linghu Wuxie!

“Bring it on!”

“Golden Immortal Tribulation or not, we will conquer it!”

The two roared defiantly.

In the blink of an eye!

Rumble!

Gu Tianshang and Linghu Wuxie were once again engulfed by the Thunder Seas, their fate uncertain...

...

At the same time.

In Kunlun Ruins.

The entire Central Continent had descended into chaos!

Above the skies, along rivers, skies above ancient cities, mountains, and forests—people were everywhere, and battles raged on every front!

Tens of thousands of ancient boats, divine ships, and demon ships darted through the skies!

Hundreds of thousands of war chariots roared across the heavens!

Thud! Thud! Thud!...

Boom! Boom! Boom!...

Clashes and explosions echoed incessantly, tearing through the Central Continent!

Various radiant lights and bursts of energy detonated high in the skies, spreading in all directions!

Although night had fallen, the blazing lights illuminated the heavens, making it as bright as day!

After a full day of warfare, countless Kunlun Ruins elders had fallen, with casualties exceeding one million!

The Fiend Celestial Army had also suffered over a million losses!

It was carnage beyond measure!

Chapter 2479: Blood Stains the Central Continent!

Across all regions of the Central Continent, corpses laid strewn everywhere, rivers of blood flowed unceasingly.

Blood dyed ancient cities, towering mountains, vast forests, and endless rivers crimson.

It could be said that the entire Central Continent had become an infernal Asura Arena.

Nearly every minute, countless lives perished.

Since the opening of the Kunlun Ruins, while there had been no end to disputes and battles,

never before had there been a war of this scale.

The number of combatants had surpassed tens of millions, with casualties in the millions.

The cacophony of slaughter, screams of agony, roars of fury, the shattering of weapons, and the collision of energies echoed endlessly!

The cultivators of the Kunlun Ruins, to defend their homeland, set aside past grievances and joined forces to face the dire enemy!

At this moment.

The center of the Central Continent.

The outer perimeter of Bushi Mountain.

Flame Emperor, Zhixin, Bujie, Xu Ying, Ji Longyue, Mo Qingkuang, and Xiang Kunlun were all locked in desperate battle!

Even though everyone was injured and their qi greatly depleted, they did not retreat. Instead, they stood alongside the cultivators of the Kunlun Ruins, slaughtering their foes!

Over the course of three bitter months of cultivation, braving countless mystic realms, their cultivation and strength had all greatly improved!

For instance, Flame Emperor and Zhixin had already stepped into the perfected True Immortal realm!

Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng had entered the late True Immortal realm!

Bujie and Xu Ying had advanced to the early-stage True Immortal realm!

Lin Wenxuan, Mo Qingkuang, Big White, and the Hundred Cry Bird had reached the middle-stage True Immortal realm!

Even those who had only recently begun training with Yang Luo—Xiang Kunlun, Qi Yutang, Wang Mufeng, and Strength Wushuang—had achieved Perfected Earth Immortal!

In short, all those who followed Yang Luo had undergone substantial breakthroughs!

“Damn it! Come on, if you’ve got the guts, kill your Lord Buddha here and now!”

Bujie wielded the Heavenly Dragon Zen Staff, surrounded by several Dharma artifacts, charging straight into the sea of enemies!

His body was a tapestry of wounds, flesh torn and blood drenching his monk robes!

Yet his battle spirit burned fiercely, his blood raged like a storm!

Bujie had already activated his Buddhist Demon State—one eye radiating golden light, the other exuding a black glow!

“Die!!!”

He swung the Heavenly Dragon Zen Staff with reckless abandon, smashing wildly into the charging Fiend Celestial Army!

At the same time, he summoned multiple Dharma artifacts, bringing them down like a suppression kill!

BOOM! BOOM! BOOM!

BANG! BANG! BANG!

The sounds of collisions and explosions reverberated incessantly!

Countless gods and demons were crushed to pulp, blasted into masses of blood and bone fragments!

During the carnage,

he bellowed with a roar from the depths of his soul!

“Buddha Chanting Demon Roar!”

“ROOOAR!!!”

It was as if thousands of Buddhas roared in unison, and thousands of demons howled in fury!

Black-and-gold sound waves rippled outward, rolling across heaven and earth, shaking the eight desolations!

BANG! BANG! BANG!

BOOM! BOOM! BOOM!

Many gods and demons were unable to withstand the deafening roar and were obliterated into chunks of flesh!

Even those farther away felt their heads split open as blood poured from their seven orifices, their lives extinguished!

War chariots charging into battle were destroyed in droves, shattered into fragments!

“Formless Buddha Demon!”

Even as Bujie unleashed the Buddha Demon Roar, he slammed down yet another deadly technique!

A towering Buddhist Demon Giant emerged—one half Buddha, one half demon, their essence unified, shaking the skies and lands!

The Buddhist Demon rose into the void, unleashing ruthless Buddhist palms and devil claws, annihilating wave after wave of the Fiend Celestial Army!

“Purple Thunder Sky-cutting Saber!”

Xu Ying gripped the Purple Thunder Mad Saber, moving through the crowd like a streak of lightning, slashing without pause!

RUMBLE!

Saber shadows cascaded, purple lightning flashed wildly, seizing the soul of any who witnessed it!

The surrounding gods and demons fell—some decapitated, others electrocuted by lightning bolts!

Ever since obtaining the Purple Thunder Mad Saber, Xu Ying had inherited the legacy of the Purple Thunder Immortal Venerable, mastering the technique of the “Purple Thunder Sky-cutting Saber!”

Just then!

Seven massive Divine Ships and Demon Ships, each hundreds of meters long, approached from all sides, crushing everything in their path!

The thousands of gods and demons aboard launched relentless attacks, focusing their assault on Xu Ying!

“Seven Kills Thunder Saber!”

With a slash, Xu Ying shouted thunderously!

As the saber swung downward—

BOOM! BOOM! BOOM!

The heavens rumbled, purple lightning crackled furiously!

The manic energy of the purple lightning transformed into seven towering hundred-zhang Purple Thunder Giant Blades, slashing heavily toward the approaching Divine and Demon Ships!

The seven blades descended, tearing through the void like paper!

“Look out!”

“Retreat immediately!”

Terrified cries erupted from the ships as their occupants hastily deployed flying immortal treasures to flee!

Though a few escaped, most had no time to react!

In the following instant—

BOOM!

The seven Divine and Demon Ships were cleaved in half by the seven Purple Thunder Giant Blades!

“AAAAAHHHH...”

Shrill screams echoed endlessly!

Thousands aboard the ships were instantly slain!

Those who hadn't perished plummeted helplessly from the skies!

Xu Ying's gaze frosted over as he swung again!

"Purple Lightning Blade Light!"

WHOOSH! WHOOSH! WHOOSH!

Countless purple flying knives shot out like streaks of lightning, their power centered on Xu Ying, spreading outward!

PUFF! PUFF! PUFF!

The falling gods and demons were pierced through, shredded relentlessly, until they were no longer distinguishable as bodies!

With the destruction of the seven ships and the annihilation of thousands,

Xu Ying let out a long breath of turbid air, gripping his saber as he charged once more into the Fiend Celestial Army!

In the distant skies.

"ROAAARR!!"

Big White, towering over a hundred meters tall, stood aloft, letting out an earth-shaking howl!

He swung his massive fists with unrelenting fury, obliterating the gods and demons swarming him in mid-air!

None could withstand his fists, exploding into clouds of blood and mist upon impact!

After killing thousands, Big White stomped both feet!

RUMBLE!

The void beneath him collapsed instantly!

His massive figure leapt three thousand meters high, descending with the force of Mount Tai, one foot crushing a Divine Ship, the other a Demon Ship!

BOOM!

Under his feet, the ships were obliterated, torn into countless fragments that flew in all directions!

At the same time, numerous gods and demons were crushed into bloody pulps!

The survivors were flung from the sky, powerless to resist!

“Damn it! Do as this Ape King commands—DIE!!!”

Big White hovered majestically, mimicking Yang Luo, raising both hands dramatically!

From within his body surged the forces of fire and lightning, converging into a fireball and a thunderball within his palms!

“This technique was taught by Brother Yang himself. Now see how it tastes!”

With that, Big White hurled both spheres forward violently!

The fireball and thunderball expanded rapidly with the wind, ballooning to hundreds of zhang, crashing downward with overwhelming force!

“What in the heavens is that?!”

“Run for your lives!”

The falling gods and demons screamed in terror, struggling desperately to flee, but it was far too late!

“EXPLODE!!!”

With Big White’s thunderous roar—

BOOM!!!

BOOM!!!

The enormous fireball and thunderball exploded simultaneously in the skies!

Thousands of gods and demons were immediately obliterated, reduced to nothing but dust!

The detonation ripped twin void holes in the sky!

Below, over a dozen towering mountains were razed, and the land was blasted into an abyssal crater!

The devastation was unparalleled, terrifying beyond measure!

Chapter 2480: Unprecedented Great Battle!

At the moment when Big White slaughtered thousands of gods and demons!

Rumbling voices came from afar!

“Beast, face your death!”

“This beast’s combat power is too strong, let’s take it down first!”

“Kill it!”

From the distance, three giants of the ancient giants’ clan charged into the fray!

These three giants stood over a hundred meters tall, their builds towering and immense. In their hands were a massive sword, a massive axe, and a massive hammer. They loomed like three towering mountains, bringing an overwhelming visual assault!

In the instant they closed in!

Shua shua shua!

The three giants simultaneously swung their colossal weapons, slicing toward Big White!

Heaven and Earth shook, void cracked, violently chaotic!

“Get lost!”

Big White grabbed a nearby divine ship with both hands, wielding it as a weapon, charging to meet the attack!

KA-BANG!

BOOM!

A cacophony of impacts and explosions thundered, shaking the heavens and the earth!

Big White and the three giants were simultaneously blasted back repeatedly!

However, the divine ship in Big White’s hands was completely shattered, leaving behind only a small fragment!

“ROAR!”

Hurling the remaining fragment of the divine ship away, Big White let out an earth-shaking roar and charged straight at the three giants!

“KILL!!!”

The three giants also bellowed enraged war cries, charging toward Big White!

In an instant!

Big White and the three giants were locked in brutal combat, like a primordial giant beast clashing with three massive divine titans!

The destructive force of their battle was unimaginably terrifying!

Everywhere they fought, skies split, void shattered, mountains toppled, and the earth caved in!

BANG, BANG, BANG!...

BOOM, BOOM, BOOM!...

Earth-shattering collisions and explosions reverberated incessantly, shaking the heavens and the eight directions!

Massive streaks of lightning, flames, light, and energy erupted wildly, sweeping across the world!

Amid the fierce battle, Big White's powerful frame was slashed open with countless wounds, blood flowing uncontrollably!

The three giants, in turn, were battered by Big White's fists, their flesh and blood flying in all directions!

After over a hundred rounds of intense combat!

Two of the giants were blasted into the air!

The remaining giant swung his massive sword toward Big White's shoulder!

Big White, distracted for a moment, was struck on the shoulder by the sword!

The blade tore through flesh, muscles, and tendons, blood gushing nonstop!

"ROAR!!!"

Big White let out a howl of pain, lifting his left hand to grab the sword's blade in a death grip!

"Hahaha..."

The giant let out a sinister laugh, snarling viciously, "Beast, die now!"

As he powered up his arms, preparing to execute Big White with one final blow!

But Big White, enduring the agony, used his left hand to hold the blade firm, while his right hand clenched into a fist, twisting and smashing toward the giant's head!

"You...!"

Fear flickered across the giant's face as he tried to retreat!

But the sword in his hand was firmly in Big White's grip!

He thought to drop the weapon, but it was too late!

BANG!

With a muffled boom!

The giant's head was instantly crushed from the punch!

A mountainous corpse plummeted from the skies, crashing into the earth with a deafening "Boom," flattening an entire peak!

“Damn beast, I’m going to kill you!”

“Beast, you’re courting death!”

The two remaining giants, seeing their comrade slain, flew into a raging frenzy, wielding their massive axe and hammer, charging ferociously!

Big White tore the massive sword from his shoulder, clutching it tightly in his hand, and dashed forward to face the two giants once more!

As Big White battled these two giants!

Five more giants arrived, leading thousands of divine weapons and generals, as well as demon soldiers and generals, swarming in to surround and attack!

Big White was fully surrounded, trapped in a bitter battle!

“Damn monkey, I’m coming to help you!”

From afar, the Hundred Cry Bird called out sharply, flapping its wings and flying in quickly!

With a powerful sweep of its wings, waves of scarlet flames surged forth, engulfing the divine soldiers and demon soldiers!

“ARGHHHHHHH...”

Those divine and demon soldiers screamed in agony as they were scorched by the flames, plummeting from the skies!

“Another beast has joined the fray!”

“Kill it!”

Two giants roared in fury, one wielding a giant sword and the other a giant spear, charging at the Hundred Cry Bird!

“SCREECH!”

The Hundred Cry Bird let out a clear, piercing cry, flapping its wings intensely once again!

Shua, shua, shua!

Countless scarlet flame flying swords shot out like feathers!

The two giants, supremely powerful, swept their giant sword and spear, shattering the incoming flame flying swords completely!

“The Vermillion Bird descends!”

The Hundred Cry Bird’s eyes turned icy cold as it flapped its wings again!

A vast Vermillion Bird, hundreds of meters in size and cloaked in scarlet flames, materialized and charged at the giants!

The two giants retaliated, smashing the approaching Vermillion Bird into oblivion!

Seeing the number of attackers growing ever larger!

Big White and the Hundred Cry Bird found themselves trapped, unable to break through the encirclement!

“Let’s help them too!”

“Together, take them down!”

“Protect Big White and Hundred Cry!”

From afar, Qi Yutang, Wushuang, and Wang Mufeng, amidst their fierce battles, charged in to join the fray!

“Carefree Sword Technique!”

Qi Yutang slashed fiercely with his sword!

Shua!

A single slash split through a large expanse of Cloud Sea, ripping open the void!

Countless flying swords erupted, shooting out all at once!

“Heaven and Earth Dominating Kill Fist!”

Wushuang clenched both fists, punching furiously, one blow after another!

A series of massive punches, each nearly a hundred meters in size, shattered the skies and crushed the void, bursting forth!

“Jiu Ling Sky Splitting Halberd!”

Wang Mufeng, drenched in blood and wearing a cold expression, swung his halberd with all his strength!

RUMBLE!

A gigantic halberd, nearly a hundred meters long, crushed the heavens and obliterated mountains, slashing forth!

The divine weapons and generals, as well as the demon soldiers and generals blocking their path, were slaughtered completely!

The trio carved a path through the chaos, joining the battlefield where Big White and Hundred Cry fought!

“Vigorous Divine Fist!”

“Five Elements Earthshaking Fist!”

“Fuukou Qimen!”

“Wuhou Qimen Sect!”

“Five Elements Divine Palm!”

Tian Zhen, Lan Xiaomeng, Feng Lengyue, Zhuge Changfeng, and Jiang Bo also rushed in from afar!

The five worked together, annihilating the forces surrounding them, and joined Big White and Hundred Cry on the battlefield!

The battlefield grew even more chaotic, terrifyingly intense!

In the distant skies above.

Flame Emperor, Zhixin, and others were locked in battle against a group of True Immortals, True Fiends, Earth Immortals, and Earth Fiends!

“Blue Luan Sword Technique!”

“Zixiao Sword Technique!”

“Holy Lotus Treasure Seal!”

“Vermillion Bird Burning Heaven Sword!”
