Chapter 2481: Defending the Homeland!

“White Tiger’s Chaotic World!”

Baili Wushuang’s blade slashed out wildly, unleashing a finishing move!

“Roar! Roar! Roar!”

Tens of thousands of Lightning White Tigers rose up, roaring ferociously as they charged forward to kill!

The divine weapons and generals, demon soldiers and generals, divine beasts, and demon beasts surrounding them were either crushed to death or struck down by lightning!

“Ten Thousand Miles of Ice!”

Yi Yuheng swung his spear and stamped his foot heavily from mid-air!

A vast icy sea surged forth, freezing everything in heaven and earth!

The gods and demons closing in on them were also frozen in place, turning into ice sculptures that plummeted to the ground!

“Nine Stage Hell Suppression Palm!”

“Supreme Divine Fist!”

“Soaring Serpent Nine Slash!”

“Fire Phoenix Saber!”

“Bai Ze Sword Technique!”

Xiang Kunlun, Mo Qingkuang, Ning Jianfeng, Qin Zhanhuang, and Mu Wushang formed a small team and launched a fierce assault at their attackers!

Gigantic flaming palms and divine fists of the Great Dao smashed forth, exploding their attackers in midair!

Swords and sabers interwove under a tempest of flames, splitting heaven and earth, tearing through the void!

A Kun Peng swept across the Nine Heavens, a Soaring Serpent rode clouds and mist, a Phoenix spread its fiery wings, and a Bai Ze roared shattering the firmament!

“Ahhhh...”

Death cries and wails resonated endlessly!

Those attacking from all directions were relentlessly pulverized, their flesh and blood scattering like dumplings tossed to the ground!

At that very moment!

The outskirts of Bushi Mountain had already turned into a blood-soaked battlefield!

Led by Flame Emperor Yan Luange and others, the cultivators of the Kunlun Ruins battled desperately against the gods and demons!

The gods and demons, as if driven mad, launched ceaseless assaults on the cultivators of the Kunlun Ruins!

Casualties on both sides were extraordinarily heavy!

Meanwhile, at the heart of Bushi Mountain!

The fight raged even more intensely!

Above the heavens, a battlefield had unfurled within the dark void spanning thousands of miles!

On one side fought the Heavenly Immortals of the Kunlun Ruins; on the other, the gods and heavenly demons of the three great races!

After a day of brutal combat!

The three great races had already lost two gods and two heavenly demons!

On the Kunlun Ruins' side, however, six Heavenly Immortals had been gravely wounded and were no longer able to fight!

These six Heavenly Immortals were—

“Soaring Serpent Ancestor” Ning Hualong, “Bai Ze Heavenly Venerate” Mu Fusheng,

“Luwu Heavenly Venerate” Duan Kongcheng, “Eternal Night Ancestor” Yu Qiye,

“Cangxuan Heavenly Venerate” Zhao Kunxuan, and “Blood Demon Heavenly Venerate” Leng Qianhan!

At that moment.

On a towering mountain peak.

The six sat cross-legged atop the summit, seizing every second to heal and recuperate.

Their bodies were already riddled with wounds, with torn flesh exposing stark white bones, and their blood-soaked robes painted a gruesome sight.

Glancing at Yu Qiye and the other three, Ning Hualong sneered, “Never thought I’d see the day I’d join forces with the likes of you to resist an enemy.”

“Hmph!”

Yu Qiye snorted coldly, retorting, “Kunlun Ruins is not just your home—it’s ours too!

Even without you, we could hold this ground ourselves!”

Ning Hualong sneered dismissively, “If you’re so capable, why are you barely able to stand after getting beaten to this extent?”

“You...”

Yu Qiye’s brow twitched in anger as he bit his lip. “You dare talk about me? You’re no better off!”

“Enough! At a time like this, can you two stop bickering?!”

Mu Fusheng frowned and scolded, “This battle sweeps across the Three Realms; we must cast aside old grudges and unite against the enemy!

Otherwise, forget defending Kunlun Ruins—survival itself might be beyond reach!”

Duan Kongcheng gazed at the dark void above and said gravely, “These guys are too strong, and they outnumber us!

Though we managed to kill four, they still have twenty-one left!

Our side only had twenty-three to begin with, two fewer than theirs!

And now, the six of us can't fight for a while!

With just Brother Ji and the others—seventeen in total—it's going to be tough to hold off twenty-one of theirs!"

Mu Fusheng's face grew grim. "The key issue is, there are ten Heavenly Immortal Perfected Stage combatants among their gods and demons!

On top of that, their overall strength is superior to ours!"

Hearing this,

Ning Hualong and the others' expressions darkened, their fists clenching tightly.

Truthfully, from the start of the battle, they had already realized it.

It was clear that these foes had come prepared, knowing their cultivation and strength in detail.

Yang Luo had mentioned earlier that the three great races had sent people to scout the conditions of their two immortal realms.

Indeed, it was so!

Yu Qiye growled, "Right now, we must focus on recovering, so that even if we die in battle, we can take these bastards down with us!"

"Fight to the death!"

"We must fight them to the very end!"

"What are gods and demons to us? I refuse to believe they're stronger than immortals!"

Ning Hualong and the others roared furiously.

Just then!

Boom! Boom! Boom!

A series of earth-shattering explosions erupted in the dark void above!

A massive surge of light and energy spread across the sky, shaking the surrounding void!

Everyone saw Ji Qingcang, Lin Zhetian, and the others blasted away, blood spraying from their bodies!

“Phoenix Ancestor” Qin Juechen, “Vermillion Bird Heavenly Venerate” Tantai Tanyue, and “Beihai Heavenly Venerate” Yi Qiongsheng could hold out no longer, plummeting from the high heavens!

Boom! Boom! Boom!

The three fell heavily onto nearby mountains, sending boulders and dust flying everywhere!

“Puh! Puh! Puh!”

Lying on the mountain peak, the three spewed mouthfuls of crimson blood!

“Brother Qin, Brother Tantai, Brother Yi!”

“How are you?!”

Ning Hualong and the others shouted in alarm.

“We’re fine! Don’t worry about us!”

Qin Juechen rasped, trying to rise to fight again but utterly failing to stand.

“Damn it!”

“Are we truly doomed to lose?!”

Tantai Tanyue and Yi Qiongsheng also struggled to get up but couldn’t.

“Hahaha...”

“These old bastards are at their limit—wipe them out in one fell swoop!”

“We’ve already analyzed your capabilities thoroughly. If we dared invade, of course, we came fully prepared!”

“Taking down four of us is already your peak! You really think these decrepit immortals alone can hold us back?”

“Kill these nine first!”

The gods and demons laughed mockingly.

Without hesitation, they channeled their divine and demonic powers, launching ferocious attacks at the nine on the mountain peak!

“Sun God Fire!”

“Light Divine Sword!”

“Thunder Cloud Storm!”

“Earth’s Fury!”

“Death Curse!”

...

Twenty-one devastating strikes erupted simultaneously, shaking the heavens over thousands of miles!

Heaven crumbled, the void shattered, and Qiankun itself trembled!

Countless rays of blinding light and torrents of energy surged across the sky like a tidal wave, crashing toward the nine on the peak!

“Quickly, save them!”

“Block their attack!”

“We can’t let them succeed!”

From afar, Ji Qingcang, Lin Zhetian, and others roared as they charged desperately to intervene!

Chapter 2482: Domination over the World!

On the way rushing forward!

Ji Qingcang, Lin Zhetian, and the others unleashed wave after wave of attacks to resist the onslaught of the twenty-one gods and demons!

“Ten Thousand Dragon Soaring!”

Ji Qingcang’s entire body shook as he swung the spear in his hand!

“Roar! Roar! Roar!”

Tens of thousands of giant dragons roared out, crushing and obliterating everything in their path!

“Eight Qilin Chaotic Sky!”

“Nine Revolutions Thunder Destruction!”

“Black Tortoise Stepping Sky!”

...

Lin Zhetian and the others also unleashed wave after wave of aggressive attacks, charging fiercely!

In an instant!

BOOM! BOOM! BOOM!

A series of earth-shaking crashes and explosions resounded endlessly!

Energy and light swept across the entire heavens and earth like the Raging Sea Violent Waves!

Under the fierce assault of Ji Qingcang, Lin Zhetian, and the others, they barely managed to hold off the violent attacks of the gods and demons!

“Still trying to save them? Courting death!”

“We’ll deal with them ourselves!”

“Leave these nine to you!”

Twelve of the gods and demons roared as their voices shook, charging at Ji Qingcang, Lin Zhetian, and the others!

The remaining nine gods and demons continued channeling the divine power and magic power within their bodies, relentlessly attacking Qin Juechen and Ning Hualong atop the mountain!

Nine attacks struck simultaneously, resembling nine radiances of divine light and demonic light, piercing through layers of the void, aiming to annihilate Ning Hualong, Qin Juechen, and the others!

“Block it!”

Qin Juechen, Ning Hualong, and the nine fiercely roared, mobilizing the last remnants of energy within their bodies while condensing layer upon layer of Defensive Shields!

In an instant!

Boom, boom, boom!...

Crash, crash, crash!...

Nine beams of light continuously bombarded the Defensive Shields, causing massive, earth-shattering impacts and explosions!

Huge balls of energy burst in the sky above, blooming like fireworks infused with terrifying destructive power!

However, Qin Juechen, Ning Hualong, and their group of nine were already exhausted, finding it impossible to continue holding their ground!

Less than one minute passed!

BOOM!

The first Defensive Shield was broken!

Less than two minutes passed!

BOOM!

The second Defensive Shield was also shattered!

Less than three minutes passed!

BOOM!

The third Defensive Shield broke apart once again!

Over the following minutes!

Layer upon layer of Defensive Shields were destroyed consecutively, erupting into explosive clangs as thunder rolled endlessly!

“Damn it, we can’t hold on any longer!”

“If that’s how it is, then we’ll drag them down with us!”

“We won’t die like this indignantly—before passing, we’ll take these nine out as compensation!”

Qin Juechen, Ning Hualong, and their group of nine gritted their teeth, each one crawling up with determination!

Their eyes resolute, planning to explode their physical bodies and Essence Souls to take those nine gods and demons down with them!

“Quickly, save Elder Qin and the others!”

“Hurry! Move quickly!”

From Kunlun Ruins, the elders shouted desperately, trying to rush forward to save them!

But these elders were intercepted by the gods and demons and couldn’t get close!

Right at this moment.

Qin Juechen, Ning Hualong, and their group of nine started burning their blood essence, forcibly mobilizing the energy within their bodies!

Their blood-soaked hair streamed in the wind, their robes billowed, and their bodies shone with an intense, radiant light!

Qin Juechen glanced at Yu Qiye and the others and let out a long sigh, "Months ago, we were fighting each other to the death. I never expected we'd be sharing the same fate today."

Yu Qiye responded unhappily, "What's wrong with sharing the same fate?"

Sharing the same fate means we'll be able to look out for each other on Huang Quan's road!"

"Hahaha..."

"Fine, let's share the same fate then!"

Qin Juechen, Ning Hualong, and their group laughed ecstatically, ready to meet death!

"Brother Qin, Brother Ning, don't do this!"

"It isn't worth it!"

"Stop!!!"

Even those who were engaging in fierce battle, like Ji Qingcang and the others, sensed Qin Juechen's resolve to die with the nine gods and demons!

They screamed hoarsely, attempting to stop them, trying to rush over to help, but there was nothing they could do!

But, at this crucial moment!

BOOM BOOM BOOM!

Suddenly, a series of Thunderclap! explosions erupted in the sky not far away!

Everyone fighting turned to look!

There, in the distant sky, a massive Void Cave burst open!

In the next second!

“Roar! Roar! Roar!”

One hundred thousand colossal golden dragons released ancient, primal dragon roars, surging outward, crashing towards the nine gods and demons attacking Qin Juechen and his group of nine!

SWISH SWISH SWISH!

Accompanied by countless sharp sounds slicing through the air!

An endless sea of golden flying swords shot fiercely, aiming directly at those nine gods and demons!

KRAAAAA! KRAAAAA!

A vast array of weapons and Dharma artifacts radiated dazzling immortal light, divine light, and demonic light, rushing forth from the Void Cave!

Leading at the forefront were the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror!

Vast amounts of weapons and Dharma artifacts covered the skies, each one expanding against the fierce wind, threatening to destroy everything!

It seemed as if someone had unleashed an entire treasure trove of weapons and Dharma artifacts!

“What... what is this?!”

“Dragons, swords... why are the weapons and artifacts of the Netherworld Sky Demon and Long Xiang Heavenly God flying out too?!”

“Could it be the Netherworld Sky Demon has finished dealing with the Penglai immortal cultivators and come to aid us?!”

“No! Retreat! Quickly retreat!”

The nine gods and demons attacking Qin Juechen and his group were deeply shocked and doubtful as they began hurriedly retreating!

But they were still too late!

BANG! BANG! BANG!

KRAAAAAA!

The one hundred thousand golden dragons, the sea of flying swords, and the massive collection of weapons and Dharma artifacts collided!

The sounds of collisions and explosions were like Heaven and Earth Shattering, shaking the very mountains and rivers, disturbing the Nine Heavens and Ten Earths!

The attacks launched by the nine gods and demons were completely obliterated!

“Aaahhh...”

The nine gods and demons let out miserable cries and were sent flying backward!

While retreating, blood spurted from their mouths, and their bodies were drenched in a torrent of blood!

They were sent flying back nearly a thousand meters!

Only then did they barely stabilize themselves!

In an instant!

The entire territory of Bushi Mountain fell into a deathly silence!

Everyone turned in unison to stare at the shattered Void Cave!

Many started speculating who had arrived and why they had chosen to rescue Qin Juechen and Ning Hualong's group!

However, Bujie and Ning Jianfeng quickly realized the truth!

"What the hell?! Could it be Brother Yang has arrived?!"

Bujie couldn't suppress his excitement and shouted out loud.

Ning Jianfeng smirked and said, "Do we even need to guess? Such domineering golden dragons, and the appearance of the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror—who else could it be but Brother Yang?"

Flame Emperor Luange and International Diva Zhixin were equally ecstatic, their gazes fixed on the shattered Void Cave!

Under the watchful eyes of all!

A figure cloaked in dazzling golden light darted out, appearing in everybody's view!

The newcomer wielded a golden longsword, radiating intense golden brilliance, with blood staining his black robe, face, and hair!

Despite the numerous wounds across his body, his fighting spirit was unyielding!

Above him hovered the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror, surrounded by countless weapons and Dharma artifacts!

Unparalleled in the World, he epitomized peerless dominance!

The newcomer was none other than Yang Luo!!!

Chapter 2483: Are You Here to Deliver Equipment?

"Hahaha, it really is Brother Yang, Brother Yang has truly arrived!"

"Brother Yang, you've finally come!"

"Brother Yang, it's been so long since we've last met!"

Bujie, Ning Jianfeng, and the others all cheered jubilantly, unable to contain their excitement.

Especially the women like Flame Emperor, Dongfang Ruoshui, and Zhixin, whose eyes turned red and brimmed with tears.

After all, it had already been over three months since their last parting.

In these three months, they had been relentlessly training and undergoing trials, striving to improve their cultivation and strength.

Originally, they had planned to seek out Yang Luo after their trials concluded.

But unexpectedly, the great war broke out before they even had the chance to set out.

Seeing Yang Luo again now felt like a reunion across lifetimes.

“Hahaha, so it’s Little Luo who has come!”

“Little Luo, not bad at all! It’s been only a few months, and you’ve already advanced another realm, stepping into the Late Stage of Heavenly Immortal!”

“This kid truly reached the Late Stage of Heavenly Immortal! Remarkable, truly a force to be reckoned with!”

Ji Qingcang, Lin Zhetian, and the others all looked at Yang Luo, their eyes brimming with admiration.

Even the Kunlun Ruins cultivators were utterly astounded!

“It’s actually Yang Heavenly Venerate!”

“I never expected Yang Heavenly Venerate to step into the Late Stage of Heavenly Immortal—this is unbelievable!”

“At this point, Yang Heavenly Venerate could arguably be invincible below the Golden Immortal tier!”

The crowd burst into animated discussions, their gazes toward Yang Luo filled with reverence and awe.

Yang Luo nodded slightly at Ji Qingcang and the others, then turned to Qin Juechen and the others and asked, “Elders, how are you all holding up?”

Ning Hualong laughed heartily and said, “Little Luo, don’t worry, just some minor injuries and severe qi exhaustion—nothing life-threatening!”

Qin Juechen sighed and said, “Little Luo, I didn’t expect you’d save my old life once again. Thank you!”

Yu Qiye, Zhao Kunxuan, and Leng Qianhan stood there, looking at Yang Luo in astonishment, their expressions complex.

It must be noted that just a few months ago, Yang Luo had clashed fiercely with them here.

At that time, they had all wanted to kill Yang Luo.

But who would have thought that today, they would end up being saved by him.

“Kid, although we were enemies before, today you’ve saved us, and we’re deeply grateful!”

“Kid, you truly live up to being the top Heavenly Pride of the two Immortal Worlds—so bold and righteous!”

“Kid, many thanks!”

Yu Qiye, Zhao Kunxuan, and Leng Qianhan all cupped their hands in gratitude.

Yang Luo said, "Whatever enmity existed between us in the past, we must set aside now.

This battle sweeps across the Three Realms. We can only survive by joining forces to repel the enemy!

Otherwise, the Three Realms cannot stand, and neither can we protect our own lives!"

"Understood!"

Qin Juechen and the others nodded resolutely.

Immediately afterward, Yang Luo took out several bottles of pills and tossed them to Qin Juechen and the others, saying, "Elders, here are some pills I refined—they're exceptionally effective for healing and qi replenishing."

"Many thanks!"

Qin Juechen and the others accepted the pills and expressed their gratitude repeatedly.

They knew very well how extraordinary Yang Luo's alchemy was.

The pills refined by Yang Luo were especially effective for restoring their injuries and qi.

Afterward, Yang Luo waved his hand grandly and said loudly, "Bujie, Xu Ying, Senior Sister... these weapons and Dharma artifacts were looted from those gods and demons. Take them!"

"Oh my!"

Bujie caught several Dharma artifacts and jested, "Brother Yang, are you here to deliver gear?"

“Many thanks, Brother Yang!”

“Many thanks, Brother Luo!”

Ning Jianfeng, Ji Longyue, and the others all expressed their thanks repeatedly.

At that moment.

Those gods and demons, upon seeing these weapons and Dharma artifacts, grew visibly uneasy!

“Kid, why do the weapons and Dharma artifacts of Netherworld Sky Demon, Long Xiang Heavenly God, and Starry Sky Heavenly God end up in your hands?!”

A god asked in a thunderous voice.

Yang Luo squinted his eyes and smiled, replying, “Those guys have already been slain by me and the elders.

Their weapons and Dharma artifacts naturally fell into my hands—do you have a problem with that?”

“What?! Netherworld Sky Demon and the others are dead?!”

“Impossible!”

“Quickly, contact Netherworld Sky Demon and the others!”

The gods and demons were instantly filled with alarm and hurriedly used Divine Arts to send messages to Penglai Immortal Island.

Not long after.

The faces of those gods and demons turned ashen.

“You damn brat! You actually killed Netherworld Sky Demon and Long Xiang Heavenly God!”

“You wretched brat—you’re courting death!”

“The situation at Penglai Immortal Island is dire! The Fallen Angels are barely holding out!”

“Once we deal with these people, we must hurry over to assist them!”

The gods and demons roared furiously, their chests heaving, their entire bodies trembling with rage.

They had already received confirmation of the dire situation at Penglai Immortal Island.

More than a dozen gods and demons had already fallen over there!

The losses were catastrophic!

And many of them had died at the hands of this brat before them!

“Hahaha, excellent! Well done!”

“With the crisis at Penglai Immortal Island resolved, we can push ourselves even harder!”

Upon learning this news, Ji Qingcang, Baili Langya, and the others burst out laughing.

“Kill this wretched brat!”

“Kill him!”

The Earth Heavenly God and Sky-Lifting Giant God roared furiously, charging toward Yang Luo!

The Earth Heavenly God’s cultivation was at the Late Stage of Heavenly Immortal!

The Sky-Lifting Giant God’s cultivation was at the Mid-Stage of Heavenly Immortal!

Furthermore, both the Earth Heavenly God and Sky-Lifting Giant God stood over two hundred meters tall, their figures towering and robust like two massive mountains!

“Little Luo, be careful!”

“Go help him!”

“Little Luo is grievously injured, and he’s just rushed here from Penglai Immortal Island. His qi is likely not yet replenished—we must assist him!”

Ji Qingcang, Baili Langya, Tantai Qian Chuan, Yi Qiankun, and Lin Zhetian all leaped into motion, charging into the fray!

“Hold them off!”

“Think you can save him? Dream on!”

Other gods and demons shouted coldly, intercepting Ji Qingcang and the others!

As the battle raged in the distant skies!

Meanwhile, high above Yang Luo’s position!

The Earth Heavenly God and Sky-Lifting Giant God had closed in on Yang Luo!

“Earth Hammer!”

The Earth Heavenly God swung his colossal hammer down toward Yang Luo!

RUMBLE!

The massive hammer of rock, thousands of zhang wide, shattered the heavens and obliterated the void, as if to destroy everything in its path!

“Sky-Lifting Divine Slash!”

The Sky-Lifting Giant God brandished his enormous blade, slashing toward Yang Luo!

SHING!

The immense blade, measuring thousands of zhang, split the heavens and earth, carving an abyssal rift into the void—a terrifying sight!

“Watch out!”

“Be careful!”

On the mountaintop, Qin Juechen and Ning Hualong shouted in alarm.

They could see Yang Luo’s severe injuries and the fact that he wasn’t in peak condition, spurring their urgent concern.

From afar, the expressions of Flame Emperor and Zhixin were also filled with apprehension.

But just as the giant hammer and blade descended upon him!

Yang Luo's aura surged as he activated his Multiple Physiques Secret Technique fully!

"You think you can kill me? Dream on!"

He roared, gripping the Dragon Emperor Sword tightly in both hands, and unleashed a fierce horizontal slash toward the two!

SHING!

A colossal, golden crescent, thousands of zhang in length, arced through the sky!

The void split apart like cheese under the sword's edge, sharp and unstoppable!

A tremendous, overwhelming sword intent and sword might erupted instantly!

Chapter 2484: Slaying Two Gods!

In the blink of an eye!

Clang! Boom!

The three huge weapons collided heavily, erupting with an earth-shattering sound!

Massive bursts of firelight and energy exploded forth!

But, what shocked both the Earth Heavenly God and the Sky-Lifting Giant God was!

They couldn't withstand Yang Luo's sword!

They were known for their strength, after all, with their massive bodies!

How could they possibly not withstand the swing of a small human's sword?!

"Uh..."

"Ah..."

The Earth Heavenly God and the Sky-Lifting Giant God let out a cry of agony as their massive bodies were thrown back!

Their mighty chests were slashed open with long gashes, spilling large amounts of blood!

The elders of the Bushi Mountain territory were all astonished!

They never expected that Yang Luo, covered in blood and wounds, could still unleash such powerful combat strength!

And at the moment when the two were sent flying!

Yang Luo hesitated not in the slightest, his form moved, pursuing to kill!

Seeing Yang Luo charging at them!

The Earth Heavenly God and the Sky-Lifting Giant God couldn't stabilize their bodies in time and immediately used killing moves!

“Earth’s Fury!”

“Xuanming Support Divine Burial!”

In an instant!

Dozens of mountains on the earth rose up, surrounding Yang Luo from all directions, wanting to crush him!

Bronze-colored divine lights tore through the sky, descending violently towards Yang Luo!

But Yang Luo neither dodged nor retreated, relying on his formidable physique, enduring the crushing of mountains and the impact of divine light!

Then, his whole body trembled!

“Heaven and Earth Dharma Idol!”

The Dharma Idol activated instantly!

A colossal golden giant, holding a huge sword, stood tall, dominating the world!

Like an ancient sword immortal descending upon the world, ruling the realm!

“Die for me!!!”

Yang Luo gripped his sword with both hands and struck heavily forward!

The Dharma Idol standing above him also grasped the sword with both hands and struck heavily!

Swoosh!

The twin swords intersected, golden light surged, the sword length exceeding five thousand zhang!

The magnificent sword might and indestructible sword intent exploded to their peak!

He intended to kill a few of these guys before they understood his strength and state!

Rumble!

The dozen or so mountains coming forward were all split open by a single sword, turning into a mass of rubble and dust scattering away!

After slicing through the dozen or so mountains!

Yang Luo's sword continued its descent, heading straight for the Sky-Lifting Giant God!

"What?!"

The Sky-Lifting Giant God's face changed dramatically, hurriedly lifting his huge sword to block!

Clang clang clang!

Accompanied by a deafening crashing sound!

The huge sword in the Sky-Lifting Giant God's hand was directly sent flying!

Despite his monstrous strength, at this moment, he couldn't even hold onto his own sword which was knocked away!

The next second!

Puff!

Yang Luo's sword cut his physical body into two halves!

A massive spray of flesh and bone fragments flew into the air!

The two massive halves fell from the sky!

"You can't kill me!"

The Sky-Lifting Giant God's Essence Soul lifted its stout arms, clinging tightly to the sword Yang Luo had struck down!

"Without your physical body, you think you can stop my sword just with the Essence Soul?"

You think you're a Golden Immortal?"

Yang Luo's eyes were icy, his arms exerted strength once more!

"Slash!"

Rumble!

The golden sword continued to cut down with might, intending to cleave everything apart!

“Aaaahhh!”

The Sky-Lifting Giant God’s Essence Soul cried out in agony, still unable to withstand!

Not even a few seconds later!

Puff!

The Sky-Lifting Giant God’s Essence Soul was sliced in two by a single sword and then exploded in the air!

After slaying the Sky-Lifting Giant God!

“Now it’s your turn!”

Yang Luo let out a demon-like roar, holding the Dragon Emperor Sword, and charging towards the Earth Heavenly God with the Dharma Idol!

The God of Earth was overcome with panic, desperately swinging the huge hammer in his hand!

“Heaven and Earth Shattering!”

Rumble!

The heaven and earth quivered, Qiankun trembled!

Mighty shockwaves spread out, tearing the Cangqiong and the earth apart, shredding the vast void!

The entire heaven and earth seemed to be splitting apart, terrifying to the extreme!

Yang Luo felt the tearing force of the immense power, all the layers of physique secret techniques condensed on his body were shredded apart!

Yet, he remained dominantly strong, seemingly unaffected, charging forward madly!

“No good!”

“The Earth Heavenly God is no match for this little beast!”

“Hurry and help!”

Several other gods and demons shouted in shock, rushing madly in this direction!

Yang Luo, however, didn’t hesitate for a moment, his whole body trembled, once again using his killing moves!

First, he mobilized the power of blood essence!

“Roar roar roar!”

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts all stood up simultaneously, charging towards the gods and demons!

“Great Dao Dragon Diagram!”

The massive thousand-zhang Golden Dragon Totem condensed once more, slowly rotating, spreading vast dragon might and dragon qi!

“Roar roar roar!”

A hundred thousand dragon illusions roared forth, crashing towards those gods and demons rushing to help!

“Counterattack!”

Those gods and demons shouted loudly, launching a counterattack!

After blocking those gods and demons!

Yang Luo utilized another killing move!

“Twelve Shaman Primal Heavenly Art!”

Rumble!

Twelve Ancestral Magi stood up instantly, reaching the sky with their heads, stepping into the void, domineering and peerless!

“Kill!!!”

Yang Luo, leading the Dharma Idol and twelve Ancestral Magi, reached the Earth Heavenly God, launching a fierce attack!

At this moment, Yang Luo seemed like an Ancient Demon Emperor, leading a group of Ancient Demon Gods, fiercely attacking the Earth Heavenly God!

The Earth Heavenly God was stunned with fear, not having time to counterattack!

He could only continuously mobilize the energy within him, letting out thunderous roars!

“Earth Guardian!”

“Earth Rock Gang!”

Rumble!

The mountains below rose up once again, surrounding and protecting the Earth Heavenly God within!

Moreover, a large amount of rubble swirled up to the sky, compressing and condensing around him into walls of stone!

The outer layer then solidified into a massive earth-grey light shield, with all kinds of runes swirling on it, enclosing him within!

But just as the Earth Heavenly God’s dual defense was formed!

Yang Luo, his Dharma Idol, and the twelve Ancestral Magi’s offensive had already struck fiercely!

Bang! Boom!

The sound of collisions and explosions reverberated through the heavens and the earth, echoing in all directions!

Though the Earth Heavenly God’s defenses were incredibly strong, they still couldn’t withstand Yang Luo’s fierce assault!

The solid earth-grey light shield shattered in less than half a minute!

The mountains surrounding him, as well as the stone walls, also crumbled in less than two minutes!

When all defenses were destroyed!

The Earth Heavenly God's massive body was exposed before them!

"No!!!"

He let out a horrified scream, overwhelmed with collapse and despair!

In a flash!

The swords swung by Yang Luo and his Dharma Idol, the huge weapons wielded by the twelve Ancestral Magi, all cut into his body!

Puff puff puff!

The Earth Heavenly God was directly chopped into eight pieces, body and bones crushed to powder!

Even his Essence Soul didn't escape, struggling for a few seconds before being destroyed!

Thus, the Earth Heavenly God with late-stage Heavenly Immortal cultivation and the Sky-Lifting Giant God with mid-stage Heavenly Immortal cultivation, fell!

The whole scene was in shock!

Chapter 2485: Fight to the Death!

At this moment!

The entire battlefield fell into a dead silence!

Everyone stopped fighting and turned their eyes toward this side!

They were dead!

The previously invincible Earth Heavenly God and Sky-Lifting Giant God, who had almost killed Ning Hualong and Qin Juechen, were now slain by Yang Luo just like that!

Counterattacks were useless!

Defense was useless!

Moreover, it took him no more than ten minutes!

A brief silence engulfed the crowd, followed by an eruption of frenzy!

“My heavens, Yang Heavenly Venerate is so gravely injured, not in his peak state, yet he managed to slay two gods consecutively!”

“What level of strength has Yang Heavenly Venerate reached now?!”

“No wonder the world calls Yang Heavenly Venerate the Lord of Three Realms; this is the kind of power and dominance befitting the title!”

The Kunlun Ruins cultivators gasped in awe, their spirits soaring high with enthusiasm and inspiration.

Bear in mind, this epic battle has been raging for the entire day!

They had been steadily losing ground!

And with the defeat of Qin Juechen, Ning Hualong, and the nine other Heavenly Immortal Ancestors, they had lost all confidence!

But now, with the arrival of Yang Luo and his consecutive slaying of two celestial gods, their hope and morale were reignited!

Bujie's mouth twitched continuously, "What the hell, Brother Yang is getting more monstrous by the minute!"

"Taking down late-stage Heavenly Immortals like it's nothing, and while not even at peak state!"

Ning Jianfeng smacked his lips and commented, "I heard that Brother Yang also slew multiple gods and demons on Penglai Immortal Island, including those at the Perfected Stage of Heavenly Immortal!"

Ji Longyue sighed with admiration, "Brother Yang truly grows stronger every day. If we don't work harder, we'll be left far behind by him!"

"Indeed!"

Luange and the others nodded vigorously, brimming with pride and admiration for Yang Luo.

As for Ji Qingcang, Lin Zhetian, and the other Heavenly Immortal Ancestors, they were left dumbfounded, utterly astonished!

Especially Tuoba Xiao, Ye Mingkong, and Zu Xuangang, who had previously interacted with Yang Luo, felt an unparalleled sense of awe!

At this moment.

“Huff...”

Yang Luo let out a long breath of turbid air and raised the divine sword in his hand.

He lifted his gaze toward the remaining gods and demons, his voice thundering like an earthquake: “You lot seek to destroy the Three Realms, to annihilate us?”

“Then come forth and try!”

“We will fight you to the death!”

“Not until the last drop of blood is spilled shall we cease battle!”

“Not until the last drop of blood is spilled shall we cease battle!”

“Not until the last drop of blood is spilled shall we cease battle!”

The cultivators of Kunlun Ruins raised their arms and shouted in unison.

Their fervor surged wildly, confidence reinvigorated!

At this moment, Yang Luo had become the anchor of everyone’s soul!

His words and indomitable spirit were utterly rousing!

“You insolent brat, you’ve chosen death!”

“Kill this insolent brat! Tear him limb from limb!”

“Destroy his physical body, obliterate his Essence Soul, let him die without a burial place!”

Five gods and demons bellowed furiously, charging toward Yang Luo!

These five were—

The Sun Heavenly God, Guardian Angel, Hell Sky Demon, Dark Heavenly Demon, and Thousand-Handed Giant God!

The Sun Heavenly God and Guardian Angel possessed Heavenly Immortal Perfected Stage cultivation!

Hell Sky Demon and Dark Heavenly Demon were at Late Stage Heavenly Immortal cultivation!

The Thousand-Handed Giant God was at Middle Stage Heavenly Immortal cultivation!

Five mighty celestial beings joined forces, intent on utterly annihilating Yang Luo!

Though they felt humiliated about joining forces to kill a mere human brat,

They couldn't care about pride in the face of Yang Luo's threat! They had to remove him!

On their way to charge forward, all five unleashed their full power and aura!

Their Dharma Idols towering sky-high, all charging together!

Yang Luo's heart sank!

It seemed they had gone mad!

To kill him, they had brought together two Heavenly Immortal Perfected Stages, two Late Stages, and a Middle Stage, all attacking as one!

But, even gravely injured and far from his peak state, he couldn't afford to retreat; he had to fight to the death!

"Come fight me!"

Yang Luo roared at the heavens, his entire being quaking as he unleashed his full power and aura!

Boom!

A dazzling golden beam shot skyward, piercing through the nine-layered heavens!

His Multiple Physiques Secret Technique activated in an instant!

Following this, Yang Luo charged alongside his Dharma Idols and the twelve Ancestral Witches!

Meanwhile, fourteen other gods and demons lunged at Ji Qingcang, Lin Zhetian, and the others!

"Brothers, Yang Luo is here! Raise your spirits and kill these bastards!"

"Brothers, charge together, destroy them!"

Bujie and Ning Jianfeng shouted, leading the Kunlun Ruins cultivators as they surged toward the Fiend Celestial Army once again!

The battle became increasingly fierce, increasingly gruesome!

Just then!

Boom! Boom! Boom!

Yang Luo's Dharma Idols and the twelve Ancestral Witches collided with the Dharma Idols of the five gods and demons, erupting with an earth-shattering explosion!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts also manifested, charging toward the five gods and demons!

"Sun God Sword!"

The Sun Heavenly God swung his sword, slashing forward!

Swish!

A massive, several-thousand-zhang golden-red flaming sword tore through the skies, cutting down forcefully!

"Divine Light Galaxy!"

The Guardian Angel brandished her scepter, her voice trembling with power!

Whoosh!

A gargantuan eight-colored beam several thousand zhang long shot out like a resplendent river of light, cutting through everything!

"Hell Demon Tomb!"

The Hell Sky Demon wielded his halberd and coldly roared!

Ten massive, several-thousand-zhang black-red tombs rose up, billowing with demonic qi and blinding demonic light, suppressing all in their path!

“Tribute of Darkness!”

The Dark Heavenly Demon thrust his spear, speaking chillingly!

Massive black beams tore through the skies, roaring downward!

“Hui Mie Divine Blade!”

The two-hundred-meter-tall Thousand-Handed Giant God swung his enormous blade, slashing ferociously!

Behind him, thousands of gigantic arms hammered forward, like meteors raining down!

Boom! Boom! Boom!

The explosive sounds were earth-shattering, enough to make ghosts weep!

The ferocious attacks of the five were overwhelmingly violent!

Even the Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts were decimated under their assault!

Even Yang Luo’s Dharma Idols and twelve Ancestral Witches were destroyed!

Above, massive blasts of energy and dazzling light erupted, creating an endless spectacle!

The five's attacks continued tearing through relentlessly!

Yang Luo lifted his sword, slashing fiercely, simultaneously unleashing the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror to suppress them!

The Chaos Slaughter Array Map also formed in an instant, descending like the sky itself!

The five celestial beings also unleashed their Dharma artifacts, countering Yang Luo's attack!

Though Yang Luo's artifacts could contend equally with the artifacts of the Sun Heavenly God and the others,

His attacks fell short against their overwhelmingly unified power!

Boom! Boom! Boom!

Amid successive earth-shaking blasts,

"Argh..." Yang Luo let out a cry of agony, blasted away, his Multiple Physiques Secret Technique utterly demolished, his body torn apart with blood and flesh spraying everywhere!

"Dark Chains!"

The Dark Heavenly Demon raised his massive hand, roaring loudly!

Snap! Snap!

Thick, black chains broke through the skies, void, and earth, surging from all directions toward Yang Luo!

Caught off guard, Yang Luo's limbs and body were bound tightly by the chains!

“Break apart!!!”

Yang Luo roared, his body straining violently as he forcibly shattered chain after chain...

Chapter 2486: Moths to the Flame!

Bang! Bang! Bang!

A series of sharp cracking sounds echoed, bursting forth immense light and energy!

The Sun Heavenly God roared, “Don’t let this brat escape! Bind him first, then kill him!”

“Understood!”

The Guardian Angel, Hell Sky Demon, Dark Heavenly Demon, and Thousand-Handed Giant God roared in response!

The Dark Heavenly Demon continued summoning black chains, coiling around and tightly binding Yang Luo’s body!

“Sun God Chain!”

“Divine Light Chains!”

“Hell Demon Chain!”

“Prisoner God Chains!”

The Sun Heavenly God, Guardian Angel, Hell Sky Demon, and Dark Heavenly Demon all waved their hands in unison!

Clang! Clang! Clang!

Countless divine and demonic chains howled from all directions of Heaven and Earth, completely binding and imprisoning Yang Luo!

Each one of these divine and demonic chains contained immense divine power and magic power—they were utterly indestructible!

“Ahhhhh!!!”

Yang Luo roared and bellowed, struggling madly, trying to break free from the bindings!

However, no matter how strong Yang Luo’s strength was, he could only break a portion of the divine and demonic chains—there was no escaping!

“This is bad! Little Luo can’t hold on much longer!”

“We have to help him!”

“But we’re already gravely injured, exhausted of qi... how can we even help?!”

Qin Juechen and Ning Hualong sat cross-legged on the mountaintop, looking at the scene unfolding in the sky, their hearts filled with anxiousness.

They were fully aware of Yang Luo’s exceptional strength!

He was undoubtedly stronger than most Heavenly Immortal Ancestors in the two Immortal Worlds!

But now, Yang Luo was seriously injured, no longer in his peak state. To face off against five gods and demons at once was an almost impossible task!

Qin Juechen gritted his teeth, "Hurry and heal up! The moment we recover our strength, we'll jump into the fight!"

"Got it!"

Ning Hualong and the others replied in booming voices.

They continued to consume the pills Yang Luo had given them, accelerating their healing process!

All they could do was silently pray for Yang Luo to endure just a while longer!

And at this moment!

They watched as Yang Luo shattered chain after chain of divine and demonic bindings!

The Sun Heavenly God and his four companions didn't hesitate for a second and unleashed their killing moves again!

"Sun God Furnace·Burning Heaven and Earth!"

The Sun Heavenly God swung the long sword in his hand, roaring thunderously!

In the blink of an eye!

Blazing, dazzling golden-red flames erupted around Yang Luo, morphing into an enormous furnace that confined him within!

The golden-red flames surged furiously, rivaling the fires of the sun. The temperatures were so intense they burned through the void itself!

The forests below turned entirely to ash!

Rivers and lakes evaporated into white steam columns, rising into the heavens!

“Divine Light like Sea!”

“Hell Demon Sea!”

“Dark Curtain!”

“Hui Mie Blade Prison!”

The Guardian Angel, Hell Sky Demon, Dark Heavenly Demon, and Thousand-Handed Giant God all launched their ferocious attacks!

An ocean of eight-colored divine light and a black-red demonic sea surged together, drowning Yang Luo entirely!

A massive black net, suffused with terrifying magic power and overwhelming demonic qi, descended like a curtain upon Yang Luo!

Countless green-black long sabers coalesced, forming a colossal Sword Prison, further constraining Yang Luo!

The killing moves unleashed by the five were unimaginably terrifying, aiming to completely annihilate Yang Luo!

Yang Luo appeared motionless!

On the distant mountain peak, Qin Juechen, Ning Hualong, and the others felt their hearts leap to their throats!

The combatants locked in battle around them were filled with fear and unrest!

Yang Luo was their backbone, their unwavering source of faith!

It was his presence that rekindled their hope!

If Yang Luo were to fall here, how much longer could the Kunlun Ruins hold out?

“Hurry and help Yang Heavenly Venerate!”

“Even if our strength is meager, we must give everything we’ve got!”

“We cannot let them kill Yang Heavenly Venerate! Never!”

The elders of Kunlun Ruins roared like madmen, breaking out of their encirclement, rushing forward wave after wave!

Whether they were Yang Luo’s friends or former foes, they all had a singular thought at this moment: save Yang Luo!

“You ants dare to intervene?”

“Overestimating your capabilities!”

The Sun Heavenly God’s gaze was cold as he waved his hand!

Whoosh!

A golden-red fire sea surged forth, swallowing the first wave of thousands of elders charging in!

“Ugh...ahhh...”

Thousands let loose anguished cries, struggling and wailing as the fire consumed them alive!

But soon, the second, third, and fourth waves charged in as well!

“What foolish ants you all are!”

The Guardian Angel sneered, waving her scepter!

Countless eight-colored beams tore through the heavens and void like cosmic auroras, cutting down from above!

Splat! Splat! Splat!

The elders charging forth were riddled with holes, their bodies falling lifeless from the sky!

“Sacrificing your lives for one man—is this what you call human emotion?”

“Truly laughable to the extreme!”

The Hell Sky Demon smirked in disdain, swinging his halberd!

“Hell Storm!”

Whoosh! Whoosh! Whoosh!

Black-red tornadoes swept across the heavens and earth, engulfing the charging elders, tearing them into fragments!

Chunks of flesh and bone fragments splattered the skies!

Some drops of blood splattered onto the face of the Hell Sky Demon.

The Hell Sky Demon licked the corner of his mouth, savoring it. "So this is the blood of mortal elders? Quite delectable!"

"Ahhhh!"

"Fight them to the death!"

The remaining elders roared frantically, throwing themselves forward, heedless of their lives!

At this moment.

A deafening roar rang out!

"Don't you dare harm my Brother Yang!!!"

Big White charged in, throwing a massive explosive punch at the five gods!

His fist, wreathed in flames and lightning, resembled a meteor hurtling downward!

“A mere beast dares to save someone?”

The Dark Heavenly Demon chuckled coldly, thrusting his spear forward!

A colossal black spear, thousands of feet in length, tore through the void, clashing against the fiery punch!

Boom!

With an Earth-shaking collision that rippled across the skies!

“Howl...”

Big White let out a cry of pain, sent flying by the impact, crashing into a distant mountain a kilometer away with a thunderous boom!

“You damned beast, I’ll fight you to the death!”

“Let go of my Brother Yang!”

Ning Jianfeng, Xu Ying, Ji Longyue, Mo Qingkuang, and Xiang Kunlun all charged forward in unison!

Flame Emperor, Diva Zhixin, Dongfang Ruoshui, and Tantai Puti, their eyes red with emotion, also rushed in like furious storms!

“You insignificant mortals dare challenge gods? Who gave you the courage?”

The Sun Heavenly God swung his sword powerfully, unleashing a devastating strike!

Swoosh!

A colossal golden-red flaming sword, thousands of feet in length, descended with overwhelming weight!

Alongside it was a massive golden-red fireball, like a miniature sun crashing down!

The Sun Heavenly God, a true Heavenly Immortal Perfected Stage fighter, radiated invincible power!

No Earth Immortal or True Immortal could possibly stand against him!

Boom! Boom! Boom!

Explosions thundered through the skies!

“Ugh...ahhh...”

Flame Emperor, Bujie, and the others were blasted away, crashing into distant mountains and across the lands!

Chapter 2487: The Dragon Escapes Captivity!

The strike of the Sun Heavenly God was overwhelmingly powerful!

Yang Luo’s comrades, Flame Emperor and Bujie, were blasted back, coughing up blood. Their bodies were mangled and bloody, the scene utterly gruesome!

Yet, soon after, Flame Emperor, Bujie, and the other True Immortals gritted their teeth through the agony and injuries and surged skyward again, charging forth!

Nevertheless, no matter how many times they attacked, they were brutally repelled time and time again!

It was only now that Bujie and the others realized the terrifying might of the enemy Yang Luo was battling!

They couldn't even begin to resist, despite their numbers!

Meanwhile, Yang Luo had stormed forward from Penglai Immortal Island to the Kunlun Ruins, slaying numerous gods and demons along the way!

In their hearts, a sour hurt mingled with bitter desperation!

They were still too weak, their strength insufficient to aid him!

No wonder Yang Luo persistently urged them to cultivate diligently, to elevate their power and cultivation!

Yang Luo only wished for them to protect themselves in this titanic battle, to avoid a tragic demise!

The Hell Heavenly Demon sneered maliciously, "These pests are so bothersome. I'll go eliminate them right now!"

The Sun Heavenly God, Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant nodded in approval.

But just as the Hell Heavenly Demon was about to act!

Suddenly!

"ROAR!!"

A deafening roar akin to the Nine Heavens Divine Dragons and Ancient Gods and Demons reverberated from Yang Luo's location!

BOOM! BOOM! BOOM!...

That singular roar alone shattered vast skies and the void!

Mountains crumbled into fragments, and the earth tore apart inch by inch!

Everyone whipped their gaze toward Yang Luo's domain!

In an instant!

RUMBLE!

A world-shaking explosion erupted in the skies!

Dense Divine Chains and Demon Chains, the Sun God Furnace, Divine Sea, Demonic Sea, Heavenly Curtain, and Sword Prison simultaneously detonated all at once!

Radiant beams of energy intertwined and burst forth into an immense and dazzling luminosity—a colossal energy sphere!

The energy sphere expanded outward, transforming into an ocean of radiant energy that surged across the heavens and earth, blindingly magnificent!

"Is this wretched brat still alive?!"

The Guardian Angel gasped in shock.

“Impossible!”

The Sun Heavenly God furrowed his brows tightly. “This brat was clearly imprisoned by us, subjected to countless killing blows. How could he possibly survive?!”

Hell Heavenly Demon, Dark Heavenly Demon, and Thousand-Handed Giant shared the same disbelief on their faces!

But just as everyone stood stunned!

BOOM!

The vast energy ocean suddenly tore open!

A figure appeared—battered, drenched in blood, yet radiating golden brilliance, clutching a long sword. He charged forth like a mad demon!

It was Yang Luo himself, breaking free like a dragon escaping its cage, roaring with untamed defiance!

Yang Luo’s figure was dyed crimson in his own blood, his once-black robe now tattered and soaked, revealing a muscular, resilient torso!

The Sun Heavenly God and his four comrades narrowed their eyes sharply, incredulous at what had transpired!

The next moment!

“Argh...”

The Hell Heavenly Demon unleashed a piercing cry as Yang Luo struck him with a devastating blow, sending him flying!

A massive gash opened from his chest, extending all the way down to his abdomen, with flesh peeled back and ivory bones exposed!

The strike nearly cleaved him in two!

A rain of blood rained down from the heavens, grim and surreal!

The Sun Heavenly God, Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant reacted instantly, launching a ferocious assault against Yang Luo!

Yang Luo swiftly wielded his sword in defense!

With thunderous detonations and roars echoing all around!

Yang Luo was blasted away, flung 800 meters into the distance!

When Yang Luo steadied himself!

The cultivators of the Kunlun Ruins erupted in jubilant cheers!

“The Yang Heavenly Venerate is unharmed!”

“I knew it! A supreme expert like Yang Heavenly Venerate couldn’t possibly be slain so easily by these fiends!”

“Yang Heavenly Venerate, show these dogs your unmatched strength!”

The cultivators pumped their fists in elation, their spirits soaring.

Elders like Ji Qingcang and Lin Zhetian, locked in fierce combat, and others like Qin Juechen and Ning Hualong, healing themselves, all sighed in relief at the sight!

However, both Qin Juechen and Ning Hualong noticed Yang Luo's weakened state and realized the urgency to recover their own strength quickly!

Yang Luo exhaled deeply and ordered Bujie and the others, "Brothers, leave these guys to me. Do not approach!"

"Understood!"

Bujie and his comrades nodded firmly.

Yang Luo's gaze fixed on the five adversaries, his eyes narrowing.

His energy was drastically depleted; he needed to find a way to replenish it swiftly.

Moreover, he had to eliminate one or two foes quickly.

If the five remained united, his victory would be impossible.

"Wretched brat, you're merely struggling in vain!"

"Let's see how much longer you can endure!"

"Death awaits you as your final destiny!"

The five adversaries roared furiously, charging at Yang Luo!

As they rushed forward!

Yang Luo remained motionless, quietly calculating distances!

At the instant the Sun Heavenly God closed in within ten feet!

Yang Luo roared fiercely, his entire body shaking with energy!

“Devouring Demon Skill!”

In an instant!

Yang Luo activated his cultivation technique, his aura surging violently!

A massive black light shield expanded outward from him, enveloping the five foes entirely!

The Sun Heavenly God and the others hadn’t yet reacted when they felt their energy rapidly being drained!

Wave after wave of energy was absorbed relentlessly into Yang Luo’s body!

As this energy poured into him, the dim light surrounding Yang Luo flared brilliantly, his aura and pressure climbing to unprecedented heights!

“The brat is absorbing our energy! Retreat quickly!”

The Sun Heavenly God shouted in alarm, retreating in panic.

The Guardian Angel, Hell Heavenly Demon, Dark Heavenly Demon, and Thousand-Handed Giant also quickly fled.

But just as the five foes retreated!

Yang Luo's body surged with power as he simultaneously activated the Multiple Physiques Secret Technique and unleashed lethal moves!

His Dharma Idols, Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts all erupted, towering up to the skies!

Twelve Ancestral Magi emerged like mountains rising from the earth!

"Destroy!!!"

Yang Luo let out a ferocious roar, leading this divine legion into an all-out charge!

"Slash!"

Yang Luo gripped the Dragon Emperor Sword tightly and swung fiercely at the five foes!

SWISH!

The enormous golden sword, spanning thousands of feet, roared through the void with unstoppable might, cutting through the heavens!

At the same time!

The Dharma Idols, Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, and Twelve Ancestral Magi launched their ultimate offensive!

The five adversaries paled drastically, unable to counterattack, forced into frantic defense!

BOOM! BOOM! BOOM!

Amid earth-shattering explosions and impact sounds shaking the Jiuxiao!

“AAAAHHHH!!”

The five adversaries screamed in anguish as they were blasted backward, blood pouring in torrents!

But Yang Luo did not relent; he continued his relentless assault with blazing fury...

Chapter 2488: Ultimate Counterkill!

During the charge forward!

Yang Luo continued to unleash killing moves!

“Great Dao Dragon Diagram!”

In an instant!

A colossal golden dragon totem, thousands of feet in size, coalesced and began to slowly rotate, radiating a vast and overwhelming dragon qi and dragon might!

“Roar roar roar!”

Tens of thousands of dragon illusions roared out, blotting out the sky in an unstoppable tide, charging toward the five of the Sun Heavenly God!

Yang Luo triggered his Dharma Idol, summoning the Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, and the twelve Ancestral Magi to launch an attack simultaneously!

“Don’t get close to this kid, counterattack!”

The Sun Heavenly God roared fiercely, initiating a counterstrike!

“Divine Fire Intense Sun!”

“Sun Chariot!”

Violent flames surged out from within his body, transforming into an immense golden-red sun thousands of feet in size, colliding ahead!

Additionally, countless golden-red flaming chariots rolled across the skies, charging to strike!

“Divine Light Blade!”

“Sealing God Array Platform!”

The Guardian Angel brandished her scepter and launched a fierce assault!

An enormous pitch-black blade of light, thousands of feet long, descended like a Heavenly Blade, tearing open the heavens, cutting through the void, and slashing forward!

Twelve pitch-black array platforms gathered in the sky, sending forth swathes of blazing runes to suppress and kill!

“Hell Demon Cave!”

“Nine Extremes Heavenly Demon!”

The Hell Sky Demon's gaze turned vicious as he swung his halberd!

A massive chasm exploded in the sky, as deep and shadowy as an abyss!

Countless Demon Soldiers, Demon Generals, and ferocious Demon Beasts surged forth, akin to an army from the Demon Domain!

Moreover, nine enormous giant trolls, each thousands of feet tall, rose up, wielding colossal weapons, charging into battle!

"Dark Demon Wheel!"

"Sky Falling Demon Explosion!"

The Dark Heavenly Demon thrust forward with his long spear, initiating a counterstrike!

A gigantic pitch-black wheel, thousands of feet wide, materialized in the sky, casting dark beams of light that pierced layer upon layer of the void!

A towering black energy sphere, as massive as a Demon Star, took shape, hurtling upward!

"Thousand-Handed Divine Destruction!"

"Ten Thousand Blades Slaughter the World!"

The Thousand-Handed Giant God swept his saber, with thousands of colossal arms behind him clenching fists to strike mightily!

Countless sabers ripped open the heavens, razor-sharp and terrifying, shooting downward in a destructive array!

All five Dharma Idols of the Sun Heavenly God group rampaged forward!

Rumble rumble!

Boom boom!

The sounds of collisions and explosions erupted continuously, shaking the heavens and earth, reverberating across all directions!

Huge waves of energy and light surged outward like turbulent seas!

The relentless assaults unleashed in the sky by Yang Luo and the Sun Heavenly God group shattered and exploded one after another!

Amid the impact of light and energy, Yang Luo was directly sent flying, shedding a trail of blood along the way!

The five members of the Sun Heavenly God group were also thrown backward, though their injuries were far lighter than those of Yang Luo!

“You little brat, I’ll cut you down!”

The Hell Sky Demon bellowed furiously, brandishing his halberd as he smashed through the torrent of chaotic energy, charging headlong at Yang Luo!

Just moments earlier, Yang Luo had escaped and launched a strike against him, nearly cleaving his body apart, enraging him to the extreme!

Seeing the Hell Sky Demon charging forward!

Yang Luo's heart stirred – this was the moment!

He instantly raised his blade, roaring explosively!

“Heaven and Earth Furnace!”

“Dragon Rebel Sword Formation!”

“Primordial Dragon Prison Array!”

“Nine Revolutions Thunder Annihilation Formation!”

“Three Thousand Star Domain Formation!”

In the blink of an eye!

A furnace, sword formation, dragon formation, thunder formation, and star domain formation materialized, encircling the Hell Sky Demon within!

Soon, the furnace and the four-layered formations simultaneously activated!

Flames surged, flying swords shot forth, ten thousand dragons roared, thunder seas boiled, and starlight exploded!

“Urghaaaaaah!”

The Hell Sky Demon screamed miserably, furiously launching attacks, attempting to escape!

“You brat, you're courting death!”

“Save the Hell Sky Demon!”

The Sun Heavenly God, Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant God roared, charging over!

They combined their might to launch ferocious blows at the furnace and formations!

Yang Luo naturally wouldn't let them succeed. Standing proudly in the air, he roared fiercely!

“Great Dao Dragon Diagram!”

“Primordial Dragon Transformation Skill!”

“Dragon Strength: Body Enhancement!”

“Roar roar roar!”

Tens of thousands of dragon illusions emerged roaring from the golden dragon totem, surging into Yang Luo's body!

Thud thud thud!

The heavens quaked, the earth shook, and all directions trembled!

Yang Luo's black hair flew wildly, his black robe fluttered, and his muscles bulged powerfully!

His aura and pressure surged once more, his combat power rising exponentially!

“Don’t dream of saving him!”

Yang Luo crazily swung the Dragon Emperor Sword, slashing furiously, unleashing wave after wave of killing moves to block their path!

Bang, bang, bang!...

The explosions boomed continuously, rolling like heavenly lightning, resounding throughout the skies, echoing across the Central Continent!

At this moment, Yang Luo stood as an ancient Sword Immortal at the forefront, even as blood streamed from his body, he fought to the death, refusing to retreat!

For a time, the four of the Sun Heavenly God group were completely unable to approach!

Moreover, while resisting the fierce assaults of the Sun Heavenly God group!

Yang Luo continued drawing the energy within him, channeling it into the furnace and formations!

The power of the furnace and formations surged further!

The Hell Sky Demon was completely maddened!

He had been close to breaking through the furnace and formations!

But unexpectedly, the furnace and formations reinforced themselves, their power escalating again!

“Save me! Save me now!!!”

Throwing all dignity aside, he cried out desperately for help!

The Sun Heavenly God roared furiously, shouting, “Don’t hold back, kill this brat, and save the Hell Sky Demon!”

“Alright!!!”

The Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant God responded with booming voices!

The four spared no hesitation, gathering all the energy within them and unleashing relentless attacks at Yang Luo!

Under the savage onslaught of the four!

Yang Luo could resist no longer!

“Ah...”

He let out a cry of pain, flying backward!

However, during his retreat!

With fierce determination in his eyes, he raised his left hand, simultaneously mobilizing the lightning and fire power within him!

“Sky Burning Explosion!”

“Chaos Thunder Burst!”

In a single breath!

A golden-red fireball and a nine-colored thunderball coalesced in his palms!

He swept his hand mightily!

The golden-red fireball and nine-colored thunderball soared forth, rapidly expanding to thousands of feet, flying toward the furnace and formations trapping the Hell Sky Demon!

“Detonate!!!”

With Yang Luo’s earth-shaking roar!

Bang bang!

Bang bang bang!

The golden-red fireball and nine-colored thunderball exploded simultaneously, triggering consecutive detonations within the furnace and formations!

This was a cataclysmic explosion, unprecedentedly immense and terrifying to the extreme!

Like a thousand volcanoes erupting at once, like tens of thousands of stars shattering simultaneously, it was frightfully unparalleled!

The force generated by this apocalyptic explosion was also overwhelmingly powerful!

“Pfft...”

Yang Luo spat blood as he was blasted backward, sent flying yet again!

The Sun Heavenly God, Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant God were also blown away!

When Yang Luo and the four celestial figures finally steadied themselves!

The site of the explosion lay in utter chaos, flooded with light and energy everywhere!

The chaos continued for several minutes before finally dissipating!

When everyone's gazes focused!

They saw that the Hell Sky Demon had vanished entirely — his physical body and Essence Soul obliterated, reduced to ash, utterly annihilated!

"Holy crap!"

Bujie exclaimed in shock from a distant battlefield, "An ultimate counterkill, Brother Yang actually pulled off an ultimate counterkill!"

Chapter 2489: Come and Try Killing One!

Ning Jianfeng swallowed hard and said, "My goodness, Brother Yang is truly a freak among warriors!"

"Under the siege of five Heavenly Gods and Heavenly Demons, he actually managed to counter-kill one?!"

Helian Dongsheng's lips twitched, and he exclaimed in shock, "The most terrifying part is, among those five Heavenly Gods and Heavenly Demons, there are two at the Heavenly Immortal Perfected Stage, two at the Late Stage of Heavenly Immortal, and one at the Mid-stage Heavenly Immortal!"

“Under such impossible circumstances, Brother Yang still managed to slay one Late Stage Heavenly Immortal—this is beyond terrifying!”

Ji Longyue sighed and said, “This is exactly the Brother Yang we know—never one to shy away from the toughest battles!

The crueler the war, the stronger the enemy, the more it unleashes Brother Yang’s potential!”

Baili Wushuang and the others nodded vigorously, their admiration and reverence for Yang Luo growing ever deeper!

Yang Luo had always been their pride and their faith!

“Yang Heavenly Venerate stands peerless, unmatched across the world!”

“Yang Heavenly Venerate, well done!”

The cultivators from Kunlun Ruins raised their arms in excited cheers, overjoyed beyond measure.

Even Ji Qingcang, the Qilin Family, and others engaged in fierce battle were utterly stunned!

“The Earth Heavenly God and the Sky-Lifting Giant God have just fallen, and now this boy has slain the Hell Sky Demon as well? How is this possible?!”

“Could it be that even with several Heavenly Gods and Heavenly Demons working together, we still can’t kill him?!”

“No way! This boy has already reached his limit; he can’t hold on much longer!”

The distant gods and demons roared in fury.

Their hatred for Yang Luo knew no bounds, and they wished they could tear Yang Luo apart and devour him alive.

Especially the Sun Heavenly God, Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant God—all four were seething with rage, their faces distorted, their eyes filled with endless killing intent!

Despite their combined efforts, not only had they failed to kill this brat, but one of them was slain by him instead!

An utter humiliation!

Simply humiliating!

“Heh heh... ha ha ha...”

Covered in blood, defiant and unyielding, Yang Luo threw back his head and laughed wildly. “Weren’t you all shouting about killing me? Well?

Why don’t you try it now?!!!”

The Sun Heavenly God’s hair danced wildly, his Divine Gold Battle Armor ringing with metallic clangs as he roared in fury, “Kill this wretched brat!

No matter the cost, we must kill this wretched brat!”

“Understood!!!”

The Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant God all responded in thunderous unison.

Their rage toward Yang Luo had reached its peak, but so too had their fear of him!

This brat was merely at the Late Stage of Heavenly Immortal, yet he possessed such outrageous power!

If they didn't eliminate him now, he would bring them endless trouble in the future!

But just as the Sun Heavenly God and the others prepared to charge at Yang Luo—

Voices rang out from the distance!

"Little Luo, we're here to lend you a hand!"

"Yang Heavenly Venerate, let us join forces to take down these four bastards!"

From the distant mountains, nine figures rose to the sky, soaring over.

It was Qin Juechen and Ning Hualong, along with the other seven, who had been recuperating and healing before!

Quickly, Qin Juechen and Ning Hualong's group flew over and stood shoulder to shoulder with Yang Luo!

Yang Luo asked, "Elder Qin, Elder Ning, how are your recoveries?"

Qin Juechen said, "Though we haven't fully recovered, we've regained a portion of our strength!"

Ning Hualong laughed heartily, "Little Luo, we couldn't possibly let you fight alone forever!

We may not be at our peak, but we can still lend you a hand!"

Yang Luo nodded firmly and said, “Elders, then let us join forces and kill these four bastards!”

“Agreed!!!”

Qin Juechen, Ning Hualong, and the others roared in response.

The Sun Heavenly God sneered, “You decrepit elders, all heavily injured and drained of qi, dare to challenge us?!”

Since we didn’t finish you off before, we’ll send you off together with this brat now!”

Ning Hualong bellowed, “Bring it on if you’ve got the guts!”

“We fear nothing!”

“As long as we draw breath, we’ll fight you to the bitter end!”

Qin Juechen, Tantai Tanyue, and others shouted defiantly.

“Charge with all we’ve got and kill them!”

The Sun Heavenly God roared, wielding his longsword, and charged forward!

The Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant God charged as well!

In the charge,

all four unleashed their auras and fully activated their power, summoning their Dharma Idols and Dharma artifacts!

“Elders, to battle!”

Yang Luo raised his sword high and surged into the fray!

“To battle!!!”

Qin Juechen, Ning Hualong, and the others roared in unison, charging as well!

Simultaneously, Yang Luo and the nine others fully unleashed their power and joined the battle!

Ten towering Dharma Idols rose high, storming forward into the fray!

Yang Luo summoned his four Dharma artifacts, charging to suppress and kill!
