Chapter 2491: The Overall Situation is Set!

Finally, under the united efforts of Yang Luo and the other nine!

The multiple defenses condensed by the Sun Heavenly God and the Guardian Angel completely shattered in an explosion!

“Ah...”

The Guardian Angel let out a piercing scream of agony, his physical body exploding directly!

Massive chunks of flesh and bone fragments scattered into mid-air, extremely tragic!

His Essence Soul rushed out, intending to come over and self-destruct!

However, Yang Luo rapidly reacted, driving the Dragon Emperor Sword to shoot out explosively!

With a “puff” sound, it directly pierced through his Essence Soul, shredding it to bits!

Watching the Guardian Angel, the Dark Heavenly Demon and the Thousand-Handed Giant God all die one after another!

The Sun Heavenly God went completely insane, roaring hoarsely, "Hateful cultivators, I'll perish with you!!!"

Amidst the roaring and howling!

He mobilized all the energy within his body and even burned his bloodline power!

The cost of burning bloodline power was extremely severe!

Once a portion of the bloodline power was burned, it would backfire on the self, requiring a long time to recover!

If all the bloodline power was burnt out, at best one would become a cripple, forever unable to cultivate again!

At worst, it would lead to instant death!

But now, for revenge, to kill Yang Luo and others, the Sun Heavenly God couldn't care about any of this!

His entire body burst into blazing flames, his long hair transformed into golden-red threads, enveloping him as if in a golden-red sun!

Rumble!

The Heaven and Earth within hundreds of miles shook violently!

The sky collapsed and the earth caved in, mountains and rivers burned to ashes, rivers completely evaporated!

Yang Luo and Qin Juechen along with nine others launched a new ferocious attack, bombarding the Sun Heavenly God!

The Sun Heavenly God stomped fiercely from mid-air!

Billowing torrents of Sun God Fire erupted, violent and ferocious!

Rumble!

Attacks collided wildly with Sun God Fire, exploding with world-shaking impact and explosive sounds!

The Sun Heavenly God, one of the leaders who advanced into Kunlun Ruins with twenty-five gods and demons!

At this moment, after burning bloodline power and forcibly enhancing his strength, his power soared several times!

Thus, he forcefully withstood the fierce attack from Yang Luo and the others!

“Hehe... Hahaha...”

The Sun Heavenly God’s face was ghastly like a demon, rasping, “Even in death, I’ll drag you down with me!”

With that, he brandished his long sword, his body shrouded in a sun-like golden-red fireball, charging towards Yang Luo and company!

However, at this moment!

Boom!

A thunderous explosion echoed from the distant Dark Void!

Lo and behold, “Ancestor Xuanwu” Yi Qiankun broke away from the battlefield, wielding dual sabers, charging over!

Feeling that the situation was unfavorable, he rushed to assist!

In an instant!

Yi Qiankun arrived in the sky, simultaneously wielding the dual sabers, smashing down towards the Sun Heavenly God below!

Rumble!

Two immense blue-gold giant maces, thousands of feet in length, descended like two great mountains!

The Sun Heavenly God’s expression shifted, and he immediately swung his sword to meet the onslaught!

Swoosh!

A gigantic golden-red flame sword split the firmament, tearing through the void, fiercely slashing upwards!

Clang!

The enormous golden-red flame sword collided heavily with the two giant maces, shaking Heaven and Earth, stirring the cosmos!

The two sides refused to yield, engaging in a frenzied clash, domineering and relentless!

Sweeping flames surged from the Sun Heavenly God's body, transforming into a golden-red sea of fire, surging towards Yi Qiankun in the sky!

Yi Qiankun showed no retreat, his entire body trembled!

A torrent of cold air gushed out, transforming into a blue-gold ice sea, rushing down!

Bang!

A vast expanse of ice and fire collided fiercely in the sky, creating a thunderous uproar, disturbing the cosmos!

Xuanming Cold Air and Sun God Fire engaged in combat, each trying to destroy the other!

Boom, boom, boom! ...

Amidst the collision, a series of explosions sounded in succession!

Large swathes of flames extinguished, large swathes of ice melted!

Rolling white vapor pierced the firmament, like a river flowing towards the sun, vast and boundless!

“Ahhh!”

The Sun Heavenly God howled, his voice echoing, stomping down once more from mid-air!

Fiery flames transformed into a massive golden-red fireball, thousands of feet in size, like a sun, crashing towards Yi Qiankun!

Yi Qiankun hesitated not at all, continuing to unleash the Black Tortoise Bloodline power!

“Roar!”

A massive Black Tortoise, thousands of feet in size, roared as it collided downward!

In an instant!

Bang!

The Black Tortoise and the Sun engaged in an earth-shaking collision!

A few seconds later!

Rumble!

The Black Tortoise and the Sun simultaneously exploded in mid-air!

Transforming into waves of flames and ice, surging in all directions!

“Ugh...”

Yi Qiankun was blasted upward, his body bloodied!

“Ah...”

The Sun Heavenly God too was blasted downward!

But, having fallen less than a hundred feet!

With a “poof”, the Sun Heavenly God’s physical body directly exploded into a pool of blood!

After all, he was already severely injured from his earlier clashes with Yang Luo and others!

Now, facing continuous attacks from Yi Qiankun, he could no longer withstand!

“Ahhh!!!”

The Sun Heavenly God’s Essence Soul roared, ready to escape!

“Don’t think of running!”

Yang Luo shouted, his mind moving!

The Dragon Emperor Sword, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror all suppressed and killed!

The next second!

Boom!

The Sun Heavenly God's Essence Soul didn't get far before being suppressed and killed by the Dragon Emperor Sword and four Dharma artifacts!

Thus, the Sun Heavenly God, whose cultivation was at the Heavenly Immortal Perfected Stage, fell!

Seeing the Sun Heavenly God die!

"Phew..."

Yang Luo let out a long breath.

His injuries worsened, and his qi consumed more than half.

If not for his body's strong self-healing power, if not for his mastery of the Devouring Demon Skill, he wouldn't have made it this far.

Qin Juechen and Ning Hualong along with nine others panted heavily, feeling thoroughly exhausted.

At this moment.

The cultivators of Kunlun Ruins erupted in cheer.

"Yang Heavenly Venerate alone slew the Earth Heavenly God, Sky-Lifting Giant God, and the Hell Sky Demon, so powerful!"

"Under the joint efforts of Yang Heavenly Venerate and the Heavenly Immortal Ancestors, the Sun Heavenly God, Guardian Angel, Dark Heavenly Demon, and Thousand-Handed Giant God were also slain!"

"With Yang Heavenly Venerate's arrival, another seven gods and demons fell on the other side, we've won this battle for sure!"

The cultivators raised their arms in jubilation, immensely excited.

In contrast, the gods and demons were driven to madness, enraged to the point of explosion.

They thought they could sweep through the Kunlun Ruins, never expecting such heavy losses.

Yang Luo took a deep breath and took a handful of pills, swallowing them down.

Then, he took out a few bags of pills and tossed them to Qin Juechen and others, saying, "Please seniors, distribute these pills later!"

Now that the crisis at Kunlun Ruins and Penglai Immortal Island is resolved, the overall situation is settled, I must head to the secular world now!"

Although there are still many gods and demons at Kunlun Ruins.

With the Heavenly Immortal Ancestors present, these gods and demons won't cause much trouble.

Therefore, he plans to head to the secular world for aid as soon as possible.

Chapter 2492: Fortune of the Three Realms!

“What?! Little Luo, you’re heading to the secular world now?!”

“Little Luo, your injuries are too severe, and your qi is already completely depleted. Going to the secular world now might be dangerous!”

“That’s right, Yang Heavenly Venerate, why not rest for a while before heading out?”

“Leave the next battle to us. You should take a break!”

Qin Juechen, Ning Hualong, Yu Qiye, Zhao Kunxuan, and others all tried to persuade him.

Anyone could see that Yang Luo was gravely injured, and his qi was completely exhausted.

Yi Qiankun also advised, “Little Luo, you should rest a bit before you go!”

Yang Luo let out a bitter smile and said, “Elders, do you think I don’t want to rest?”

But now, the Three Realms are in the midst of war, and everyone is fighting with everything they’ve got.

This is the most crucial moment—it all depends on who can endure to the very end.

Besides, I have many friends in the secular world, and I am deeply worried about their safety.

So, I must head over immediately.”

After a brief pause.

Yang Luo glanced at the faintly lit sky and continued, “I leave the Kunlun Ruins to all of you, esteemed elders!

Once the crisis here is resolved entirely, everyone should head to the secular world!

Let us ignite the ultimate battle in the secular world!”

“Alright!”

“Little Luo, take care of yourself!”

“Yang Heavenly Venerate, have no fear; we will head to the secular world as soon as possible!”

Qin Juechen, Ning Hualong, and others sighed deeply.

They, too, recognized that there's no time to rest—it is essential to press on until the end.

Yang Luo lifted his gaze to Bujie and others, shouting loudly, "Brothers, take care of yourselves!

We shall meet in the secular world!"

"Brother Yang, rest assured, we will definitely keep ourselves safe!"

"Brother Yang, leave this side to us; you go ahead without any worry!"

"Brother Yang, we'll hurry to the secular world to reunite with you soon!"

Bujie, Ning Jianfeng, and others responded robustly.

"Hmm!"

Yang Luo nodded heavily, crushing the space beneath his foot and vanishing into the Void, heading towards the secular world.

As they watched Yang Luo depart.

Yu Qiye let out a long sigh and said, "I never thought the Yang Heavenly Venerate would be so magnanimous and selfless, showing compassion for all beings in the Three Realms!

Thinking back to the days when we were enemies, seeking to destroy him, I can't help but feel ashamed."

"Yang Heavenly Venerate is truly a paragon of virtue and righteousness!"

"Such heroic figures are undoubtedly the blessing of the Three Realms!"

Zhao Kunxuan and Leng Qianhan also let out long sighs, deeply regretting their past actions.

Ning Hualong snapped irritably, "Alright, stop wallowing in guilt!

The priority now is to put an end to the unrest here and head to the secular world to support Little Luo!"

“Hmm!”

Yu Qiye and others nodded emphatically.

Soon, Ji Qingcang, Qin Juechen, Ning Hualong, and others made their move, charging toward other gods and Heavenly Demons!

Flame Emperor, Bujie, and Xu Ying also surged with battle intent, launching attacks toward other divine beings and demons!

The battle became fiercer, bloodier!

...

Secular World.

Endless darkness enveloped the entire world, indistinguishable whether it was day or night.

The battle had already lasted a whole day and night.

Chaos reigned throughout the secular world.

Smoke and wildfire consumed all surroundings.

Countries across the globe suffered catastrophic destruction.

Countless buildings reduced to rubble, casualties exceeding billions.

Moreover, the death toll was still escalating worldwide.

“Are we humans really doomed, is human civilization truly destined to become history?”

“Why are these so-called gods and demons so merciless, hell-bent on annihilating us humans? What exactly are they after?”

“The apocalypse... The apocalypse has truly arrived!”

“Don’t lose hope—ability users from around the globe, Eastern immortal cultivators are spilling blood in battle. Humanity will not perish!”

“That’s right, Mr. Yang hasn’t appeared yet; there’s still hope for us!”

“Mr. Yang is the foremost person in the world; if Mr. Yang shows up, he can surely save humanity and protect Earth once again!”

All over the world, people were plunged into profound despair, cries of anguish echoing far and wide.

Yet, some still clung to hope, waiting for Yang Luo’s arrival.

At this moment.

Above the sea of Country Hua.

Bang! Boom!

Collision and explosion sounds rang out incessantly!

Massive lights and energy surged like Giant Waves, crashing toward all sides!

Shouts, growls, roars, and cries of agony reverberated throughout!

Four of the Grand Elders of the eight sects had already fallen in battle, while the remaining four were knocked onto an island, completely incapacitated!

The Kingdom of Magic, Blood Race, and the Demon Dragon Clan's elders suffered similar fates, with the majority killed or injured. A handful were scattered across small islands on the ocean, completely losing their fighting strength!

The sea was littered with corpses, dismembered limbs, and fragments of Divine Ships, Demon Ships, and War Chariots!

Blood dyed swathes of ocean red!

At this moment.

High in the sky.

Only Zuo Canghai, Chu Junlin, Zhang Zhilin, Master Xuanku, Istab, Keos, Tia, Varna, Evans, and Tilly struggled on!

At first, they were still able to hold their ground!

After all, back then, the three major factions were numerous but their strongest were only True Immortals, True Fiends, Earth Immortals, and Earth Fiends!

As such, they managed to slay many True Immortals, True Fiends, Earth Immortals, and Earth Fiends!

But just a while ago.

Fifteen more gods and demons suddenly arrived on Earth through three Light Channels!

These fifteen included five Heavenly Immortal Perfected Stage entities, five Late Stage Heavenly Immortals, and five Mid-stage Heavenly Immortals!

These gods and demons were overwhelmingly powerful, with the weakest being Mid-stage Heavenly Immortals—none were Early Stage Heavenly Immortals!

As a result, Zuo Canghai and Chu Junlin struggled more and more!

Even though they managed to unite and kill one Late Stage Heavenly Immortal and two Mid-stage Heavenly Immortals, they couldn't turn the tide!

After all, the remaining twelve gods and demons no longer fought solo and instead launched coordinated attacks!

Thus, Zuo Canghai and Chu Junlin could no longer oppose them!

At that moment.

“Ahhh—that hurts!”

Evans, Varna, Tia, and Tilly could no longer hold on and were blasted away!

Blood spraying from their mouths as they tumbled over a kilometer backward, landing on a small island!

With the fall of Evans and the others!

Only Zuo Canghai, Chu Junlin, Zhang Zhilin, Master Xuanku, Istab, and Keos remained in the sky!

At this moment.

Zuo Canghai and the others steadied themselves mid-air, their bodies already tattered, flesh torn wide open, and soaked in blood.

The twelve gods and demons stood opposite them, their expressions cold as ice.

“These guys are really tenacious, managing to last this long!”

“Heh, no matter how stubborn they are, it’s just futile struggling!”

“I wonder how things are going for the Sun Heavenly God and Netherworld Sky Demon at Penglai Immortal Island and Kunlun Ruins!”

“Let’s finish these guys off quickly and then check on the situation at Penglai Immortal Island and Kunlun Ruins!”

The twelve gods and demons spoke venomously, and then their bodies shuddered—energy and power surged wildly and explosively...

Chapter 2493: Any Regrets?

In an instant!

Boom! Boom! Boom!

Beams of divine light and demonic light shot up into the heavens from the twelve gods!

Massive dark clouds were torn apart, and twelve gaping holes were blasted through the boundless firmament!

Rumble! Rumble! Rumble!

The skies and seas within a thousand-mile radius shook violently!

Gigantic waves surged from the sea, like towering pillars holding up both the sky and the ocean!

Even small islands on the sea and several nearby nations trembled in shock!

As though an earthquake and a tsunami had been unleashed simultaneously!

Zuo Canghai's hair and beard fluttered wildly, his blood-soaked robes billowing as he roared: "Fight!"

"Fight!!!"

Chu Junlin and the five others roared in unison as well.

Then, Zuo Canghai and the six of them unleashed their full power and combat strength!

Boom! Boom! Boom!

Beams of light burst into the sky from the six of them, piercing through the heavens!

Six enormous holes were blasted into the vast sky above—an awe-inspiring sight!

Rumble! Rumble! Rumble!

The skies and seas within thousands of miles trembled even more violently!

The immense sky and endless seas seemed as if they were about to flip upside down!

“Destroy them!”

The Sovereign Angel, with twelve pairs of wings spread wide, raised his black spear and shouted!

He was the strongest Twelve-winged Angel of the Angel Clan, the supreme authority!

At his command!

The other eleven gods and sky demons launched a fierce assault simultaneously!

“Star Moon Divine Radiance!”

The Star Moon Heavenly God swung the long sword in his hands!

A cold moon emerged in the skies shrouded with darkness!

All around, a canopy of stars appeared, as if an assembly of celestial bodies bowed to the moon’s majesty!

A silvery-white beam of light shot out from the cold moon!

The myriad stars in the skies fired countless violet-colored beams as well!

“Holy Light Arrow!”

The Holy Light Angel, holding the Divine Bow, gathered a series of ethereal blue arrows and shot them forth!

Swish! Swish! Swish!

Each arrow carried terrifying lethality, destructive power, and annihilative force!

Layer after layer of void was pierced and torn apart—a violent, untamed surge!

“Death Withering!”

The Death Sky Demon brandished his saber!

Whoosh! Whoosh! Whoosh!

Countless ash-black beams of light shot out, like rays of death intent on obliterating and exterminating everything they touched!

“Dark Night Vortex!”

“Divine Thunder Sky Burial!”

“Evil Spirit Chaos!”

“Purgatory Demon King!”

The Dark Night Heavenly God, Thunder Giant God, Evil Spirit Sky Demon, and Purgatory Sky Demon unleashed their ultimate attacks!

In every direction, voids were torn open, forming swirling black vortexes spewing out strands of black divine chains!

An endless cascade of five-colored lightning bolts descended from the heavens, like lightning dragons tearing through the cosmos, threatening to pulverize everything!

Countless evil spirits let out piercing wails as they surged forward in a frenzied assault!

Ten gargantuan trolls rose, wielding colossal weapons, charging into the fray!

“Miracle Divine Light!”

“Illusory Tsunami!”

“Ice and Fire Demon Chaos!”

“Sin Divine Axe!”

The Miracle Angel, Phantom Sea Heavenly God, Ice and Fire Sky Demon, and Sin Giant God launched their relentless offensive!

Golden divine light burst forth, illuminating the heavens and earth, its brilliance blinding!

The ocean surged and spiraled into the sky, crashing forward in great waves!

Colossal forms of ice and flame giants rose, joining the charge!

A pitch-black Divine Axe split the firmament and void, intent on annihilation!

At the same moment that the eleven gods and sky demons launched their attack!

Zuo Canghai and Chu Junlin, along with their six companions, retaliated with their most devastating techniques!

“All Poison Annihilation!”

“Poison Beast Tide!”

Zuo Canghai lashed out with his whip, slamming it forward while unleashing his other deadly moves!

Vast waves of toxic gas and mist condensed into a poisonous sea, surging skyward!

Tens of thousands of Poison Beasts rose across the poisonous sea, galloping and attacking in unison!

“Domineering Ten Spears!”

“Heavenly Demon Chaos!”

Chu Junlin swung his spear, sweeping it out in a wide arc!

Ten massive spears, each thousands of meters long, roared forward, carrying endless demon energy, crashing forward like ten colossal mountains!

Countless demon soldiers, generals, and beasts rose, surging in a tide that blotted out the sky!

“Great Dao Divine Lightning!”

“Nine Character Tao Seal!”

Zhang Zhilin spread his hands, delivering one palm strike after another!

Streaks of nine-colored lightning, like nine-colored lightning dragons, descended in fury!

The nine ancient characters—Lin, Bing, Dou, Zhe, Jie, Zhen, Lie, Zai, and Xing—expanded to several hundred meters, morphing into the Nine Directions Seal and descending with murderous intent!

“Buddhist Light Illumination!”

“Ten Thousand Buddhas Opening the Sky!”

Master Xuanku pressed his palms together, golden swastika runes etched upon them, radiating brilliantly as he delivered palm strike after palm strike!

Vast, golden Buddhist light illuminated the heavens and earth, surging forth like an endless golden Buddha Sea!

“Twelve Divine Spears!”

“Eternal Divine Light!”

Istab swung his huge spear!

Twelve dark golden Divine Spears tore through the sky and earth, clashing forward!

Beams of blazing dark golden divine light erupted in unison!

“Dark Lightning Destruction!”

“God of Titans!”

Keos wielded his mace in a whirling assault!

Streaks of black lightning rained down from the heavens, as if intent on shattering everything!

Four black light arrays formed before him, each erecting a towering Giant Titan God, each wielding a unique weapon, charging into battle!

In an instant!

The overwhelming attacks from both sides collided in mid-air!

Bang! Bang! Bang!

Rumble! Rumble! Rumble!

The sounds of collision and explosions echoed, reverberating across the entire Pacific Ocean, rippling through every nation surrounding the ocean!

Across the world, people sheltering in underground bunkers fixed their attention on the projected screens, watching this epic battle unfold!

They clenched their fists, cheering and rooting for Zuo Canghai, Chu Junlin, and the others!

Some pressed their palms over their hearts, silently praying for Zuo Canghai and Chu Junlin's success!

After all, Zuo Canghai and his allies were fighting to protect humanity, to protect Earth!

Yet the onslaught from the eleven gods and sky demons was simply too overwhelming!

Even with Zuo Canghai and his six companions working together, it was impossible to rival their combined force!

Rumble! Rumble! Rumble!

Amid the deafening roar of explosions!

"Ugh..."

"Ah..."

Istab and Keos spat blood, blown back, crashing onto a small island!

The two, after falling, struggled to rise and continue the fight, but they could no longer stand!

They had fought fiercely for so long—their injuries were dire, and their qi was utterly depleted!

“It’s over... Even these gods who came to help us have fallen!”

“Their numbers are overwhelming, and their power too great—it’s impossible to win!”

The people of the world cried out in despair, overwhelmed with sorrow.

But as ordinary humans, all they could do was worry—they were powerless to help.

For the first time, they truly comprehended how insignificant humanity was before these gods and demons.

At that moment.

Leaning against a rock on the island, blood trickling from the corners of his mouth, Keos weakly said: "Istab... I called you here for help... Do you regret it?"

Istab's golden hair was disheveled; coughing up a mouthful of blood, he sighed and replied: "What is there to regret... Yang Luo is our brother... Of course, we had to help..."

But alas, our strength is limited... This is all we could manage..."

Chapter 2494: Call of Despair!

Keos smiled bitterly and said, "We defied the Divine Master's orders, sneaked onto Earth without permission, and still refuse to retreat. I suppose the four Divine Masters must be fuming by now..."

Istab took a deep breath and said, "I have no regrets for what I've done. Even if the Divine Masters hold me accountable, I remain unrepentant."

"Hahaha... Well said!"

Keos burst into laughter, coughing up fresh blood as he did. "I only hope Brother Yang can arrive soon; otherwise, all our efforts will have been in vain!"

And just after Istab and Keos collapsed!

Only Zuo Canghai, Chu Junlin, Zhang Zhilin, and Master Xuanku remained struggling in the skies above.

The four of them relentlessly mobilized the energy within their bodies, launching another fierce assault.

"You dare resist? You're courting death!"

The Sovereign Angel's eyes were icy, his voice booming. "Continue the attack—destroy them!"

"Yes!!!"

The eleven other Heavenly Gods and Heavenly Demons replied in unison and immediately launched a ferocious offensive once more!

The Sovereign Angel hesitated not, brandishing the spear in his hand!

"Divine Light Annihilation!"

A massive twelve-colored beam, thousands of meters wide, shot out like a blazing cannon, blasting forward!

BOOM!!!!

The deafening explosion rattled Heaven and Earth, shaking the Four Seas and Eight Desolations!

"Pffft, pffft, pffft, pffft..."

Zuo Canghai, Chu Junlin, Zhang Zhilin, and Master Xuanku spewed blood from their mouths as they were sent flying backward!

Zhang Zhilin and Master Xuanku were flung thousands of meters away, plummeting from the sky onto a small island with a heavy crash!

Zuo Canghai and Chu Junlin, though spared from falling, had their injuries grow even more severe!

If not for their mastery of the Heavenly Immortal Perfected Stage, they would have long since fallen!

“Damn it... even the Eastern Ancestors have fallen!”

“Now only two immortals remain... and they likely won’t last much longer either!”

“It’s over... Everything is over!”

“Mr. Yang, where are you? Please, save humanity, save this world!”

“Divine Emperor, we need you—please return quickly!”

All across the world, people wailed in despair, calling out Yang Luo’s name and his title.

In this moment of hopelessness, Yang Luo was the only figure they could believe in!

After all, Yang Luo had crafted countless legends worldwide and had saved humanity and this world before!

But despite their desperate waiting, Yang Luo still did not appear!

They were filled with grief, sorrow, despair, and anguish!

At this moment.

Above the Pacific Ocean.

“Hahaha...”

The Sovereign Angel laughed raucously at the heavens, his cold gaze fixing on Zuo Canghai and Chu Junlin. “So, it’s just you two old fools now, isn’t it?”

Once we kill you, no one in the secular world will be able to stand against us!”

Star Moon Heavenly God sneered, “Ants should know their place. Why struggle needlessly? Why not resign yourselves to death?”

The Death Sky Demon let out a sinister chuckle. “Foolish ants! By now, the battles at Kunlun Ruins and Penglai Immortal Island must also be reaching their end!

The two Immortal Realms you so revere are likely already destroyed!

Earth will ultimately perish, and human civilization will meet its doom!”

“Shut your mouth!”

Zuo Canghai’s eyes were resolute, and he shouted, “You think you can destroy Penglai Immortal Island and Kunlun Ruins?

At this critical juncture, our two Immortal Realms will come together, harmonizing our strengths to slay our enemies!

Your plan to annihilate our Immortal Realms is impossible!

Your effort to end Earth itself—also impossible!”

“Hahaha...”

Chu Junlin laughed heartily, his spirit soaring. “Even if the two of us die in battle, we will drag you down with us!

Two of us against twelve of you—worth it!”

“Totally worth it!”

Zuo Canghai joined in the laughter.

“Courting death!”

“Kill them!”

“Shatter them into pieces, annihilating even their Divine Souls!”

“Still dreaming of taking us down with you? Utterly laughable!”

The Sovereign Angel and the twelve Heavenly Gods and Heavenly Demons were enraged, their fury surging!

They activated the energy within their bodies simultaneously, launching an overwhelming, devastating attack on Zuo Canghai and Chu Junlin!

The twelve assaults streaked across the sky like twelve vibrant rainbows, intertwining into a colossal, blinding sea of energy light that blocked out the sky, raging toward Zuo Canghai and Chu Junlin!

This sea of energy light was infused with both divine power and magic power—its terror indescribable!

“Fight!!!”

Zuo Canghai and Chu Junlin roared, their voices shaking the heavens, as they unleashed their ultimate attacks!

Their combined force transformed into an enormous sea of energy light, surging upward to meet the assault!

In an instant!

BANG! BANG! BANG!

BOOM! BOOM! BOOM!

The two seas of energy light collided heavily in midair, creating a cacophony of Heaven-and-Earth-shaking crashes and explosions!

The vast Cangqiong and the Void were blasted open, revealing two massive, deep-black Void Caves!

The roaring sea below was vaporized into a gigantic abyssal vortex!

However, even as Zuo Canghai and Chu Junlin gave their all, they could not withstand the tempestuous onslaught of the twelve Heavenly Gods and Heavenly Demons!

“Arghhhhh...”

Zuo Canghai and Chu Junlin cried out in agony, their bodies crushed and thrown back relentlessly!

Their skin, muscles, and tendons were ripped apart on a massive scale, their blood spurting uncontrollably!

Their bones began to splinter and snap, their internal organs severely damaged, with fresh blood pouring from their mouths!

Still, the two persisted, fighting desperately!

Zuo Canghai swallowed a mouthful of blood and shouted to Chu Junlin, “Brother Chu, let’s go all out!”

“Alright!”

Chu Junlin nodded heavily.

Determination shone in their eyes as they resolved to expend the last of their strength, dragging the twelve Heavenly Gods and Heavenly Demons to the grave with them!

“Mr. Yang, where are you?!!”

“Mr. Yang, we beg you, please come back!!!”

Divine Emperor, help these two venerable elders!!!

The world erupted in tearful cries, their voices rising in desperation, calling for Yang Luo to return.

Just as Zuo Canghai and Chu Junlin were about to self-detonate themselves!

Suddenly!

BANG BANG BANG!

The skies over Country Hua erupted with a resounding explosion, like thunder roaring through the Jiutian, shaking Heaven and Earth!

In that instant!

Everyone looked toward the skies over Country Hua!

People across the globe turned their eyes toward the scene on camera!

In those skies, a massive Void Cave had torn open, as vast and ominous as a black hole!

As this Void Cave emerged!

“Roaaaar!”

A series of deafening roars echoed through the Jiuxiao!

Before the eyes of the entire world!

Gigantic forms—thousands of meters long—of the Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun, Qiongqi, and Taowu roared as they burst forth!

Accompanying the Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts!

CLANG CLANG CLANG!

Twelve colossal Ancestral Magi, as mighty as gods and demons, charged into the fray!

“Roaaaar!”

Even more astonishing—tens of thousands of golden dragons erupted with booming roars beside them!

In the blink of an eye!

BANG! BANG! BANG!

BOOM! BOOM! BOOM!

The heavens trembled, the earth quaked, and an unprecedented symphony of explosions and clashes resonated!

The devastating strike launched by the twelve Heavenly Gods and Heavenly Demons was entirely obliterated, scattering brilliant light and energy everywhere!

Chapter 2495: The Faith in Our Hearts!

In an instant.

The people on all the small islands near Country Hua fell silent.

The entire world, those who were paying attention to this battle, also went silent.

Everyone fixed their gaze tightly on that Void Cave, not daring to blink.

Keos asked in confusion, "Who saved those two old seniors?"

Istab exhaled a mouthful of turbid air and countered with a question, "What do you think?"

Keos was first stunned, then suddenly reacted, "Could it be...?"

Istab merely smiled and nodded.

On a distant small island.

Sitting cross-legged amidst the ruins, recuperating and recovering, Zhang Zhilin and Master Xuanku also revealed smiles.

They naturally knew who had arrived.

“Damn it! Who dares to stop us from killing!”

“Stop hiding in the shadows! Get out here now!”

Those gods and Heavenly Demons roared coldly.

In a flash.

Whoosh, whoosh, whoosh!

Countless flying swords shot out from the Void Cave, instantly forming a Sword Bridge in the sky.

The vast bridge stretched from the skies above Country Hua all the way to the skies above the Pacific Ocean, radiating a piercing, dazzling golden light that illuminated heaven and earth.

Immediately after.

Bang, bang, bang!...

A series of heavy footsteps echoed from the Void Cave.

Each step caused the entire Sword Bridge to tremble, making the firmament and the sea quake in response.

The ocean erupted into towering waves, a breathtaking spectacle.

Under everyone's watchful eyes.

A figure shimmering with golden light emerged from the Void Cave, stepping onto the Sword Bridge, visible to all.

This person was lean and upright, brimming with heroic vigor, his black hair fluttering, and his black robe rustling.

Though his body was already mangled, covered in wounds, and stained in blood.

It could not hide the transcendence, the world-shaking majesty, and the unparalleled aura that he exuded.

This person was none other than Yang Luo.

The scene fell silent for a moment, then erupted into an uproar like a tidal wave.

"Hahaha! Brother Yang, it really is Brother Yang!"

"Brother Yang, you're finally back!"

"Brother Yang, if you hadn't shown up now, we'd all be finished!"

Istab, Keos, Evans, and others exclaimed with joy.

"Mr. Yang, it's really Mr. Yang who's returned!"

"At this critical moment, Mr. Yang has finally arrived!"

“Why is Mr. Yang so badly injured?!”

“The battles in those two Immortal Realms must have been terrifying!”

On the small islands, members of various major sects raised their arms and cheered.

But some who noticed Yang Luo’s injuries were deeply concerned about his condition.

Upon seeing Yang Luo emerge.

People around the world cheered and erupted in excitement.

“Mr. Yang, Mr. Yang has truly returned!”

“Mr. Yang did not abandon us! He has returned!”

“Divine Emperor, we beseech you to annihilate these gods and demons to uphold the honor of the Human Clan!”

“Divine Emperor, we beg of you!”

People from all over the world wept tears of joy and broke down in sobs.

They had been calling, waiting endlessly for Yang Luo’s return.

And now, Yang Luo was finally back!

He returned, bearing his wounds and his glory!

Whether they were Yang Luo's friends or once his enemies, their emotions were stirred, shedding tears of gratitude!

Yang Luo, despite his serious injuries, still made it back!

They knew Yang Luo had come back to protect humanity, their homes, and the Earth!

Zuo Canghai let out a sigh of relief, wiped away cold sweat, and said, "Kid, you've finally arrived!

If you hadn't come, Brother Chu and I would surely have met our end!"

Chu Junlin asked, "Kid, how are things now at the Kunlun Ruins and Penglai Immortal Island?"

Yang Luo replied, "Seniors, rest assured!

Though Kunlun Ruins and Penglai Immortal Island suffered heavy casualties, the crisis has been resolved!

The gods and Heavenly Demons of the divine and demonic races have lost more than half of their forces!

Right now, everyone is still fighting desperately. It won't be long before reinforcements arrive in the secular world!"

"Good, that's great!"

Zuo Canghai punched the air in excitement.

Chu Junlin, equally stirred, said, "Even though this battle has been devastating for us, as long as the Three Realms and the Earth are preserved, it will all be worth it!"

Yang Luo nodded, then said loudly, "Listen closely, people of the world!

In this battle, we have eliminated most of the combat forces of the divine and demonic races!

Therefore, we will surely win this fight!

Victory in this battle will undoubtedly belong to us!"

Yang Luo's voice, like the tolling of a grand bell, echoed across the world!

Everyone on Earth heard his words!

"Mr. Yang says most forces of the divine and demonic races have been wiped out!"

"Mr. Yang says we can win this battle and achieve ultimate victory!"

"Since the Divine Emperor says so, it must be true!"

People grew even more excited and exhilarated.

At this moment, Yang Luo was the faith and hope for people worldwide!

As long as Yang Luo stood, they felt immense confidence!

Yang Luo raised his eyes to the people on the islands and said, "Everyone, you fought to the death to defend this place. You are all heroes!"

Hearing Yang Luo's praise, members of major sects and organizations of the Dark World wiped away their tears.

Yang Luo then looked toward Keos and others, saying, "Brothers, thank you for rushing to our aid!

This kindness is as vast as the sky and ocean, and I will always remember it!"

Keos grinned and thumped his chest, saying, "Brother Yang, we're brothers, there's no need to say such things!"

Istab sighed and said, "It's just a pity our strength is so limited; we could only fight to this extent!"

"No matter, you've already done enough!"

Yang Luo shook his head, then turned to Zhang Zhilin and Master Xuanku, saying, "Master, Master Xuanku, thank you for leading these heroes to uphold humanity's dignity. Thank you!"

Zhang Zhilin sighed and said, "It's a pity we can only do so much, unable to contribute more.

The final victory in this great battle still depends on you, Little Luo, and the immortal cultivators of the Two Realms!"

Master Xuanku also clasped his hands together, chanting, "Amitabha Buddha..."

"We will definitely win this battle, absolutely!

Even if it costs us everything!"

Yang Luo's eyes were firm, then he pulled out bags of pills from his storage ring and tossed them onto the islands.

"These are some pills I refined; they have miraculous effects for healing and energy replenishing. Everyone, take them immediately!"

"This battle isn't over yet, and we'll need everyone to hold on to the last moment!"

"Yes!"

"Thank you, Mr. Yang!"

"Brother Yang, thank you!"

Voices of gratitude filled the air.

Just then.

"Everyone, don't listen to this brat's nonsense!"

"Under the leadership of the gods and Heavenly Demons, Kunlun Ruins and Penglai Immortal Island must be close to annihilation by now!"

"This brat is so heavily injured, he must have come fleeing from the Two Immortal Realms!"

"Hurry up and kill this brat!"

Tens of thousands of Divine Weapons and Divine Generals, Demon Soldiers and Demon Generals roared and charged from all sides toward Yang Luo!

Chapter 2496: Slaying the Giant God, Shocking the World!

“Mr. Yang, watch out!”

“Brother Yang, be careful!”

Everyone shouted warnings in alarm.

Yang Luo’s gaze turned icy as he bellowed, “You invaders have dared to come to Earth, massacre humanity recklessly, and disrupt the Three Realms. Your sins are unforgivable!”

As he spoke, Yang Luo suddenly stomped down with force!

BANG!

The heavens and earth quaked, the boundless ocean roiled!

The broad sword bridge beneath his feet instantly dispersed, transforming into countless golden flying swords that shot outward in all directions!

SWOOSH SWOOSH SWOOSH!

The piercing sounds of swords tearing through the air echoed high in the skies!

Each flying sword was incomparably sharp, ripping through the void, as if aiming to destroy everything in its path!

In an instant!

SLASH SLASH SLASH!

The waves of divine weapons and generals, along with demon soldiers and generals charging forward, were riddled with holes before they could even get close!

Blood splattered across the skies, and the ground below was littered with falling corpses, a scene both shocking and chilling!

Just those flying swords alone had killed thousands!

“Mr. Yang, excellent kill!”

“Let them witness your unparalleled power!”

People on various islands raised their arms and cheered.

“Boy, you’re already gravely injured, yet you dare act arrogant here? Watch as I split you into mincemeat with this axe!”

The Sin Giant God let out a crazed roar, brandishing a massive axe as he soared skyward, charging at Yang Luo!

Born of the giant clan, he possessed innate divine strength, capable of uprooting mountains, standing over two hundred meters tall, with cultivation at the late stage of Heavenly Immortal, and minor injuries.

Even though he sensed Yang Luo was also at the late stage of Heavenly Immortal, he felt no fear.

In his eyes, Yang Luo was gravely wounded, his qi depleted, and his state appeared dire!

If he couldn’t kill a weakened boy like this, he might as well not bother living!

BOOM BOOM BOOM!...

With every step he took, the void collapsed and crumbled beneath his feet!

Like a great mountain over two hundred meters tall moving horizontally, the sight was overwhelmingly imposing!

Other gods and demons observed with mocking smiles.

If Yang Luo had been at his peak state, they might have exercised caution.

But the current Yang Luo was clearly not at his peak, posing no threat to them at all.

In a flash!

The Sin Giant God closed in, swinging his massive axe down upon Yang Luo!

RUMBLE!

The colossal, jet-black axe, stretching thousands of meters, split through the void layer by layer, akin to an ancient god cleaving the heavens and dividing the earth!

Everyone present held their breath as they witnessed this, their hearts gripped tightly!

After all, anyone could see that Yang Luo was too gravely injured, likely incapable of utilizing his peak strength!

Thus, they were deeply worried!

But, at the very instant the axe descended!

Yang Luo swiftly pushed his internal energy to its limit and activated all of his physique secret techniques!

Immediately after, he swung his sword upwards toward the heavens!

SWISH!

The colossal, golden sword spanning thousands of meters cleaved the heavens, shattered vast stretches of void—a display of unrelenting dominance!

BOOM BOOM BOOM!

The giant sword and axe collided heavily, erupting with an earth-shaking, sky-splitting crash that resonated with majestic grandeur!

Massive waves of energy and light intertwined, surging outward like tidal waves, devouring everything in all directions!

Above, the skies crumbled; around them, the void continued to fracture!

Countless cracks spread like webs, reaching every corner of the battlefield!

The Sin Giant God had believed this single axe would spell the end for Yang Luo!

But to his shock, Yang Luo had withstood his strike!

His mountainous figure stood immovable, not descending even a fraction!

“This...”

The Sin Giant God's expression underwent a dramatic change, clearly not expecting Yang Luo to endure the blow!

Yang Luo's face contorted with savagery, sneering coldly, "You wretch, even when I'm not at my peak, killing you isn't a problem!"

Before his words settled!

Yang Luo unleashed a series of ferocious killing moves, targeting the Sin Giant God without mercy!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts rose, charging into the fray!

The twelve Ancestral Witches also emerged, slaughtering their way in!

The Chaos Slaughter Array Map materialized, suppressing fiercely!

"Flame Emperor's World Burning Art" erupted forth as well!

Fireballs crashed like blazing suns, seas of fire surged forward like torrents, fire pillars shattered the void and suppressed downward, the Fire Lotus burned heavens and obliterated earth, cascading down in devastation!

The array of attacks detonated at this moment was horrifying beyond comprehension!

"You..."

The Sin Giant God's eyes widened in disbelief, incapable of fathoming how Yang Luo, so severely injured, could unleash such overwhelming combat strength!

He frantically swung his mighty axe, breaking apart wave after wave of attacks but unable to counter them all!

“ARGH...”

He let out a wretched scream as his massive frame was blasted backward!

“KILL!!!”

Yang Luo roared thunderously, like a blood-drenched Fiend Celestial, like a berserk dragon, surging forth as he shattered waves of energy and light!

Rushing onward!

He activated his Dharma Idol!

“DIE!!!”

Accompanied by a heaven-shaking roar!

Yang Luo and his Dharma Idol both swung their swords furiously at the Sin Giant God!

SWISH!

The twin swords crossed, Supreme Sword Power surged forth, the Indestructible Sword Intent erupted, seemingly intent on cleaving and annihilating all that existed!

The Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, and twelve Ancestral Witches also joined the fray, initiating a relentless slaughter!

“The one who should die is YOU!!!”

The Sin Giant God roared with fury, brandishing his axe to counter the oncoming attacks!

BOOM BOOM BOOM!

The thunderous clash echoed across the universe, heard through the Four Seas and Eight Regions!

But, despite Yang Luo’s comparatively smaller stature, the weight of his sword was overwhelming, and even the Sin Giant God found himself suppressed in power!

“ARGH...”

The Sin Giant God screamed in agony, his robust arms torn open with countless gashes, spewing blood in fountains!

His massive axe became unstable, shaking violently before being sent flying out of his grasp!

“Not good, the Sin Giant God isn’t this kid’s match!”

“How is this boy, so gravely wounded, able to unleash such terrifying strength?!”

“Quick, save him! Hurry!”

The eleven gods and demons in the distance turned pale with fear, rushing to assist!

Initially, they hadn’t considered Yang Luo to be significant, but the unfolding events were utterly beyond their expectations!

“Stop them!”

Zuo Canghai and Chu Junlin moved swiftly, intercepting the eleven gods and demons!

Yang Luo wasted no time either, his entire being trembling as he unleashed yet another killing move!

“Great Dao Dragon Diagram!”

The moment the massive Golden Dragon Totem spanning thousands of meters coalesced!

“ROAR ROAR ROAR!”

Tens of thousands of dragon illusions surged forth, madly crashing into the Sin Giant God!

“No... No... AAAAHHH!!!”

Accompanied by a final sorrowful shriek!

BOOM BOOM BOOM!

Earth-shattering explosions reverberated through the skies, shaking the Nine Heavens and Ten Earths!

The Sin Giant God’s gargantuan body was obliterated into fragments—blood, flesh, and shattered bones scattered across the heavens!

Even his Essence Soul failed to escape and was shattered into dust!

The heavens and void above bore a massive cavern, while the ocean below churned into a swirling abyss!

Witnessing the Sin Giant God's demise!

Everyone present, and everyone worldwide, plunged into a deafening silence!

Chapter 2497: Unyielding Backbone!

After a brief moment of silence.

The entire scene erupted into chaos, boiling over with emotion!

"Good! Perfect kill!"

"Hahaha, Brother Yang, you're as domineering as ever!"

"Mr. Yang is simply too powerful! Even with such severe injuries, he still managed to slay a powerful God!"

"Unbelievable! Just how many gods and demons has Mr. Yang killed in those two Immortal Realms?!"

Everyone present exclaimed in awe, their admiration for Yang Luo reaching unbelievable heights, their worship limitless.

"So this is Mr. Yang's strength? He's truly extraordinary!"

"Mr. Yang, you're incredible! You'll forever be our hero!"

"The Divine Emperor truly lives up to his title as the world's greatest, humanity's savior. He is always deserving of our trust!"

“Divine Emperor, let these gods and demons witness the strength of humanity’s heroes, our unyielding spirit of never yielding!”

Across the world, people cheered, cried tears of joy.

Many embraced each other, wailing uncontrollably.

For an entire day and night, humanity suffered over a billion casualties, sinking into an abyss of despair!

But now, Yang Luo’s return gave them boundless confidence and hope!

At this moment.

High above in the sky.

“Huff... huff...”

Yang Luo bent over slightly, panting heavily, sweat and blood streaming uncontrollably down his body.

Moments ago, he unleashed a relentless torrent of killing strikes, depleting an enormous amount of qi.

But there was no choice; he had to do so.

While he still had the power to fight, he needed to eliminate as many of the enemy’s elite forces as possible.

Seeing Yang Luo’s current state, everyone present and people all over the world felt a sharp pain in their hearts, tears streaming down their faces uncontrollably.

“Mr. Yang is far too exhausted; it’s unlikely he can stand against those eleven gods and demons any longer!”

“Mr. Yang has been fighting in the two Immortal Realms all this time. That’s why his body is covered in wounds!”

“Besides those two elders, isn’t there anyone else who can assist Mr. Yang?”

“The Divine Emperor is humanity’s beacon of hope; he mustn’t fall!”

The world’s earlier delight turned back into boundless sorrow and despair.

“Kid, you dare to kill the Sin Giant God?! You’re courting death!”

“Everyone, attack together! Let’s torture him to death!”

“This kid is on the brink of collapse; there’s no way he can overpower us!”

“Stop hesitating—strike!”

The eleven gods and demons roared furiously, charging madly toward Yang Luo!

“Kid, are you alright? Are you hurt badly?”

“Kid, your injuries are too severe, and your qi is heavily depleted. Why don’t you hide in the two Immortal Realms temporarily?”

Zuo Canghai and Chu Junlin voiced their concerns anxiously.

“Elders, I cannot leave this place!

If I flee, they will surely pursue me into the two Immortal Realms!

By then, it would bring enormous trouble to those realms!

Don't worry about me—I can still fight on!”

Yang Luo replied steadily, straightening his body with difficulty, his unyielding spirit unwavering.

He reached into his storage ring once more, retrieved a handful of pills, and swallowed them, forcibly healing his wounds and replenishing his qi.

Even if he could recover just a fraction of his injuries and qi, it would be enough for him to keep fighting.

“Elders, follow me—kill!!!”

Yang Luo let out a furious roar, gripping the Dragon Emperor Sword in hand, charging headfirst toward the eleven gods and demons!

“Kill!!!”

Zuo Canghai and Chu Junlin also swallowed some pills, armed themselves with weapons, and charged into the fray!

As they stormed into battle!

“Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror!”

The four Dharma artifacts were once again summoned, expanding thousands of feet as they surged forward in a suppressive assault!

Additionally, he summoned the weapons of the fallen gods and demons!

Under the lead of the four Dharma artifacts, an overwhelming tide of weapons and artifacts formed, obliterating everything in its path!

“What’s going on?! How are the weapons and artifacts of the Sun Heavenly God, Guardian Angel, Hell Sky Demon, Dark Heavenly Demon, and Thousand-Handed Giant God in this kid’s possession?!”

“Could it be that the Sun Heavenly God and the others have fallen?! But how is that even possible?!”

“Kill this kid first, then we’ll investigate the two Immortal Realms!”

The eleven gods and demons roared in anger, summoning their own Dharma artifacts!

Dozens of artifacts were summoned, expanding thousands of feet as they radiated dazzling divine light and demonic light, unleashing a destructive assault!

Zuo Canghai and Chu Junlin also summoned their Dharma artifacts, joining the fray!

Crash! Crash!

Boom! Boom!

An earth-shaking collision of artifacts erupted in the sky, setting off massive explosions!

The attacks unleashed by the artifacts clashed violently mid-air, creating an intense and chaotic storm!

However, the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror displayed unparalleled might. Not only did they withstand the onslaught of numerous artifacts, but they also shattered many in return!

The Star Moon Heavenly God exclaimed in shock, “This kid’s artifacts are terrifyingly powerful—they’ve destroyed so many of ours!”

The Sovereign Angel sneered coldly, “So what if his artifacts are strong? The boy himself is already powerless. Strong artifacts are useless if the wielder falls!

Once this boy dies, his artifacts will belong to us!

Don’t hold back—kill him and those two old fools!”

“Yes!”

All the gods and demons responded in unison.

Immediately, the eleven gods and demons channeled their divine power and magic power, unlocking their Dharma Idols!

Eleven towering Dharma Idols emerged, charging fiercely at the trio of Yang Luo, Zuo Canghai, and Chu Junlin!

Yang Luo, Zuo Canghai, and Chu Junlin also activated their Dharma Idols, launching themselves into battle!

Moreover, Yang Luo once again summoned the Holy Dragon, the Four Great Divine Beasts, Four Great Fierce Beasts, and the twelve Ancestral Witches, unleashing them upon the battlefield!

Rumble! Rumble!

Bang! Bang!

The colossal Dharma Idols and summoned entities clashed madly in the sky!

The sounds of collision and explosions echoed ceaselessly, dazzling light and energy waves rippling in all directions!

Suddenly!

The Sovereign Angel and the others closed in on Yang Luo's group, simultaneously wielding their weapons to strike!

Those without weapons launched fists and palms, attacking with ferocity!

"Sovereign Divine Spear!"

"Star Moon Divine Sword!"

"Death Demon Sword!"

"Dark Night Divine Fist!"

"Thunder God Palm!"

...

Weapons swept across the heavens, massive fists and palms crumbled the firmament, a terrifying spectacle!

Blinding divine light and demonic light filled the skies, erupting with immense force!

“Dragon Emperor Sword Technique!”

“Ten Absolute Shattering Heaven Whip!”

“Heavenly Demon Dominator Spear!”

Yang Luo and the other two struck with their weapons, countering the assaults!

The massive sword, whip, and spear tore through heavens and earth, causing havoc across lands!

“Roar! Roar! Roar!”

Tens of thousands of golden dragons roared into existence, crashing toward the eleven gods and demons!

Tens of thousands of poison beasts and demon beasts let out feral screams as they charged forward!

In an instant!

Crash! Crash! Crash!...

Bang! Bang! Bang!...

Collision and explosion sounds thundered nonstop, shaking heavens and earth, wreaking chaos in all directions, annihilating the very ground!

Yet, Yang Luo and the other two, heavily wounded and drained of their qi, struggled to withstand the ferocious onslaught from the eleven gods and demons!

“Arghhh...”

Yang Luo and the others let out agonized screams, flung backward one after another, their bodies bursting with blood...

Chapter 2498: The Death Throes!

“Hahaha...”

The Sovereign Angel laughed uproariously, his voice booming as he said, “These three are indeed at their limit! Continue the assault—kill them!”

“Alright!”

The other ten gods and demons were all overflowing with excitement.

Without delay, the Sovereign Angel and the other eleven charged fiercely toward Yang Luo and his companions!

But just as the Sovereign Angel and the eleven approached Yang Luo—

Yang Luo’s body trembled violently, and he roared aloud!

“Devouring Demon Skill!”

The power of his technique surged forward once more!

Yang Luo’s body seemed to transform into a black hole again, expanding into a gigantic black light shield!

Although he had swallowed many pills, he still felt his qi was insufficient!

Thus, he had to continue devouring energy!

He had never believed that joining forces with Senior Zuo and Senior Chu alone would be enough to slay these eleven fiends!

But he had to hold out—until reinforcements arrived from the two Immortal Worlds!

At this moment.

The instant the Sovereign Angel and his comrades got close, they felt their energy being stripped away and flowing relentlessly into Yang Luo's body!

“What?! This brat is actually devouring our energy?!”

“This kid is too sinister—how could he know such a horrifying technique?!”

The gods and demons exclaimed in astonishment.

“Hmph, he's merely struggling on the brink of death!”

The Sovereign Angel snorted coldly, saying, “Boy, can your frail body withstand such massive energy?

Even if you absorb it, how much can you truly take?”

As he spoke, he didn't dodge or retreat. He directly swung his black spear forward, aiming to pierce Yang Luo's chest!

The other gods and demons didn't hold back either, launching vicious attacks without pause!

Yang Luo's expression shifted dramatically. He was forced to cease absorbing energy and wielded his sword to counter the onslaught!

BOOM! BOOM! BOOM!

A colossal explosion reverberated through the skies once again!

"Ah..."

Yang Luo let out a cry of agony as he was blown backward once again. Every inch of his physique secret techniques shattered and exploded, spraying blood across the skies!

"Keep attacking—end his life!"

The Sovereign Angel's voice was icy, and he thrust his black spear forward once more!

"Angel Divine Light!"

Rays of twelve-colored light burst forth, slicing through layers of void, aiming to utterly obliterate Yang Luo!

"Star Moon Divine Seal!"

The Star Moon Heavenly God swung his sword!

The Ten Directions Seal materialized, ballooning into a towering form thousands of feet tall, akin to ten colossal mountains, suppressing downward!

The central seal was engraved with a lunar pattern, while the surrounding nine seals bore intricate star designs, like nine stars encircling a moon!

“Thousand Shadows Annihilation Arrow!”

The Holy Light Angel repeatedly nocked and released arrows from his Divine Bow!

WHOOSH! WHOOSH! WHOOSH!

Thousands upon thousands of ghostly blue arrows shot forth like a torrential downpour!

Each arrow contained immense destructive power, enough to destroy cities and raze lands!

“Death Demon Roar!”

The Death Sky Demon opened his jaws wide, unleashing a blood-curdling roar!

It was as if tens of thousands of demons were howling in unison, shaking the heavens!

Waves of deathly sound rippled outward, shattering the celestial void and sending towering waves erupting across the seas!

Even with just the combined assaults of the Sovereign Angel, Star Moon Heavenly God, Holy Light Angel, and Death Sky Demon, the devastation was unimaginable!

“Azure Dragon Xuan Gang!”

“White Tiger Tao Gang!”

“Inextinguishable Flame Dipper!”

“Xuanming Divine Power!”

Yang Luo’s body shuddered, and four layers of defensive shields materialized instantly!

BANG! BANG! BANG!

BOOM! BOOM! BOOM!

Explosions and collisions that shook all creation echoed endlessly!

Dazzling rays and overwhelming energy rippled out from the points of impact and explosions, sweeping across heaven and earth!

And as Yang Luo successfully blocked the assaults of the Sovereign Angel and three others—

The remaining seven gods and demons launched their ferocious attacks!

Seven simultaneous assaults erupted, annihilating all in their path—a force intent on destroying everything!

“Kill!!”

Senior Zuo and Senior Chu, drenched in blood, charged forward recklessly!

“All Poison Annihilation!”

“Heavenly Demon Chaos!”

Terrifying poison gas and toxic mist intertwined, forming an immense sea of poison that surged forth!

Tens of thousands of demon soldiers, demon generals, and demon beasts swept forward, engulfed by ferocious demon energy, their roars shaking the heavens!

BANG! BANG! BANG!

BOOM! BOOM! BOOM!

Explosions and collisions that shook the nine-layered heaven resounded continuously!

Yang Luo, Senior Zuo, and Senior Chu were still unable to withstand these attacks and were sent flying once again!

“This is bad! Mr. Yang and the others are gravely injured—they can’t possibly take on those eleven fiends anymore!”

“What should we do?! What can we do now?!”

“If reinforcements from the two Immortal Worlds don’t arrive soon, Mr. Yang and the others will truly be doomed!”

On distant islands, countless people watched in anxiety.

Zhang Zhilin, Master Xuanku, and Keos’s hearts tightened with dread.

They longed to help, yet they were severely injured, their qi depleted—they couldn’t even move!

Zhang Zhilin gritted his teeth and said, “Everyone, hurry up and mend your injuries so we can assist Little Luo!”

“Understood!”

The crowd nodded firmly and accelerated their recovery efforts.

Meanwhile.

In the skies above.

“You’re still struggling on the brink of death?”

No matter how hard you fight, what difference does it make?

Do you three seriously think you can stand against us?”

The Sovereign Angel sneered and swung his black spear once more!

“Holy Heavenly Palace!”

In an instant!

A colossal palace, gleaming with twelve-colored light and towering thousands of feet high, arose and suppressed Yang Luo and his companions!

As the palace descended, tens of thousands of angelic apparitions emerged from within, charging toward Yang Luo!

“Star Moon Divine Map!”

“Holy Light Array Platform!”

“Death Demon Tablet!”

“Dark Night Divine Punishment!”

“Ten Thousand Thunder Annihilation!”

The Star Moon Heavenly God, Holy Light Angel, Death Sky Demon, Dark Night Heavenly God, and Thunder Giant God simultaneously unleashed their terrifying moves!

A Divine Map carved with starry skies and a radiant moon materialized, spanning thousands of feet, looming above!

A massive azure Array Platform thundered downward, accompanied by countless Holy Light Runes suppressing everything below!

Nine enormous black-gray Demon Tablets formed, resembling nine titanic mountains, pressing downward heavily!

Massive dark Divine Lights pierced through the black clouds and heavens, surging forth!

Countless bolts of lightning rained down from above, resembling a terrifying lightning tribulation, striking furiously!

“Evil Spirit’s Descent!”

“Purgatory Demon Sea!”

“God Destruction Light Net!”

“Water Curtain Heavenly Splendor!”

“Ice and Fire Nine Destruction!”

The Evil Spirit Sky Demon, Purgatory Sky Demon, Miracle Angel, Phantom Sea Heavenly God, and Ice and Fire Sky Demon joined forces for an earth-shattering assault!

A monstrous Evil Spirit thousands of feet tall wielded a massive weapon, charging forward fiercely!

An ocean, brimming with intense demonic qi and magic power, surged upward in fury!

An enormous net woven from intertwining Heaven Suppressing Divine Chains enveloped downward!

A vast curtain of water rose over the sea, surging forth ferociously!

Nine divine pillars composed of ice and fire tore through the firmament and void, slamming toward Yang Luo and the other two!

At this moment!

The assaults from the eleven entities had reached a level of terror beyond imagination!

For thousands of miles, the skies and oceans were engulfed in light and energy, descending into chaos!

“Fight!!!”

Yang Luo roared defiantly, clenching the Dragon Emperor Sword in both hands and swinging it with all his might!

Each move he unleashed carried devastating force as he met the onslaught head-on!

Senior Zuo and Senior Chu also released wave after wave of spells, joining the battle ferociously!

Chapter 2499: Fight to the Last Moment!

In an instant!

BOOM! BOOM! BOOM!

The combined attacks of Yang Luo, Zuo Canghai, and Chu Junlin clashed madly against the onslaught of the Sovereign Angel and the ten others in the sky!

Explosions and shockwaves echoed endlessly, reverberating across the entire Pacific Ocean!

Blinding light and vast waves of energy surged violently, overturning heaven and earth!

Yet, even though Yang Luo and his comrades fought with all their might, they were still unable to withstand it!

“Aaaargh!”

Yang Luo and the two others screamed in agony, blasted away by the impact!

Blood sprayed from their mouths, and their bodies were drenched in crimson!

They were hurled over a thousand meters before crashing each onto separate small islands!

The islands shook violently, their mountains crumbling, sending shards of rock and clouds of dust flying everywhere!

The Sovereign Angel thundered, “Don’t give them a chance to breathe. Continue! Kill them!”

“Got it!”

“Strike relentlessly! End them!”

“How dare they oppose us, the gods and heavenly demons? Utter foolishness!”

The other gods and demons roared in response, charging toward the three islands.

As the eleven of them surged forth to kill!

“ROAR!!!”

Yang Luo bellowed with a dragon’s roar, rising into the sky, lunging at the eleven assailants!

“Fight to the last moment!”

“Fight until the blood runs dry—never surrender!”

Zuo Canghai and Chu Junlin roared alongside him, charging skyward in fury!

While soaring into battle!

Yang Luo, with blood-drenched hands, gripped the Dragon Emperor Sword tightly and swung it with all his strength toward the enemies ahead!

WHOOSH WHOOSH WHOOSH!

Enormous golden sword shadows swept across the heavens, severing the void and shattering the realms!

As he wielded the sword!

Yang Luo unleashed further lethal moves!

The Dharma Idols, Holy Dragon, Four Great Divine Beasts, Four Fierce Beasts, and the twelve Ancestral Witches rose once more, storming ferociously into battle!

The Chaos Slaughter Array Map condensed in the air, blotting out the skies, suppressing with murderous intent!

The Great Dao Dragon Diagram reappeared, exploding with a torrent of roaring dragon illusions!

The Flame Emperor's World Burning Art, Azure Dragon Emperor Scripture, White Tiger Taoist Scripture, Vermillion Bird Treasure Technique, and Xuanming Ancient Scripture—multiple cultivation techniques and immortal techniques were unleashed simultaneously!

Flames burned the heavens and earth, the Dragon Gate suppressed the cosmos, Divine Thunder descended from the heavens, Meteor Shower! streaked downward, and boundless icy seas surged upward!

Zuo Canghai and Chu Junlin also drew upon every ounce of their energy, unleashing an arsenal of fatal attacks!

At this very moment!

Yang Luo, alongside Zuo Canghai and Chu Junlin, fought fervently against the eleven Sovereign Angels in a frenzy—so furiously that the skies crumbled, the void shattered, and the oceans overflowed!

Figures weaved through the skies and the seas, colliding intensely!

The heavens and void for thousands of miles around shattered into fragments like glass!

The sea erupted with abyssal whirlpools, churning up monstrous waves!

Through this earth-shattering battle!

Yang Luo, Zuo Canghai, and Chu Junlin were knocked back again and again—into islands and into the ocean—but still, they rose repeatedly, fighting desperately to the death!

Blood soaked the air, drenching islands and seas alike!

On distant islands, watchers' eyes turned red with anguish, their hearts laden with pain!

They longed to assist Yang Luo and his comrades, but now, there was nothing they could do to help!

"Whimpering... is there anyone who can help Mr. Yang and the others?!"

"Mr. Yang and the others are truly at their limit!"

"They are the heroes of humanity—they cannot die!"

"Could it be that we have no one left to save them?!"

"Is there really no one who can come to aid the Divine Emperor?!"

The whole world wept in sorrow, tears streaming uncontrollably.

Just then.

“Urgh...”

“Aaah...”

Zuo Canghai and Chu Junlin groaned painfully, blasted backward, spitting blood wildly as they crashed onto their islands once more!

“Cough...”

Yang Luo vomited a mouthful of blood, free-falling from the sky!

“You little brat, die for me!!”

The Phantom Sea Heavenly God cackled with madness, charging furiously as he thrust the Illusion Sea Divine Saber toward Yang Luo’s chest!

Yang Luo, dazed, bit his tongue to force himself awake, sharply tilted his body!

SLASH!

The saber pierced straight through Yang Luo’s shoulder!

“AAAAARGH!!!”

Yang Luo screamed in agonizing pain, blood pouring incessantly!

Seeing his strike land!

The Phantom Sea Heavenly God was ecstatic, readying himself for a flurry of attacks to completely annihilate Yang Luo!

But Yang Luo abruptly raised his blood-soaked left hand, clutching the blade of the saber in an iron grip!

The sharp edges sliced into his palm, blood dripping uncontrollably!

Yet Yang Luo seemed impervious to the pain, his expression twisted as he stared fiercely at the Phantom Sea Heavenly God!

“You...”

The Phantom Sea Heavenly God froze, momentarily stunned.

“You worthless scum, DIE!!!”

Yang Luo bellowed demonically, raising the Dragon Emperor Sword in his right hand and thrusting it into the Phantom Sea Heavenly God’s chest!

“AAARGH!”

The Phantom Sea Heavenly God let out a heartrending scream, struggling to break free from Yang Luo’s grip, but his efforts were futile!

“DIE!!!”

Yang Luo roared again, raising his left hand, his palm morphing into a galaxy, which he smashed against the Phantom Sea Heavenly God!

BANG!

With a muffled explosion!

The Phantom Sea Heavenly God's physical body was pulverized, exploding into flesh and bone fragments that scattered outward!

His Essence Soul attempted to flee, but Yang Luo's left hand tightly clenched it, crushing it instantly!

This scene unfolded so swiftly that the Sovereign Angels and others barely had time to react!

They had never imagined that Yang Luo could be so ruthless, defeating the Phantom Sea Heavenly God with such suicidal ferocity!

Yet this recklessness!

Ignited the fury of the ten remaining Sovereign Angels—they were pushed into blind rage, utterly incensed!

If Sin Giant God's death could be attributed to their negligence,

Then now, with all of their meticulous teaming, this brat somehow still seized an opportunity to kill the Phantom Sea Heavenly God!

This was nothing short of a brutal slap to their faces!

A blatant trampling of their dignity!

"KILL! Kill him!!"

“Slice him into a thousand pieces, tear him limb from limb!!”

The ten Sovereign Angels roared, furiously attacking Yang Luo!

Ten beams of light surged forward, destroying everything in their path!

Yang Luo raised his sword to defend, but it was powerless to stop the onslaught!

BOOM!!!

Explosions tore through the skies!

“Aaaagh!”

Yang Luo screamed in anguish, plummeting from the heights, crashing into the ocean with a deafening splash...

...

Meanwhile.

In the Light God Realm.

Behind the Holy Light Church.

The Light God Lord, Tianyu God, and Dark Demon Lord stared coldly at the Light Projection in the sky, their faces grim.

The Dark Demon Lord narrowed his eyes, saying, “This brat is the one who slew Bushi Sky Demon earlier, isn’t he?”

What's his name?

Yang Luo, right?

You have to admit, this kid is brutal—brutal enough to outmatch our demonic race!”

Tianyu God's expression hardened as he replied, “Indeed, this kid's strength is remarkable, on par with the greatest gods!”

The Light God Lord said icily, “But no matter how ruthless or powerful he becomes, this is as far as he goes. His fate is sealed—he will die.

Tianyu, Dark, prepare yourselves. As soon as this brat and those two old fools perish, we're heading to Earth.”

“Understood!”

Tianyu God and the Dark Demon Lord nodded firmly.

Chapter 2500: Must Not Fall!

At the same time.

Star Ruins Divine Realm.

Mayan and Atlantean Races.

Inside the grand hall of the palace at the square of the main peak.

The entire hall was enveloped in silence.

All the gods stared blankly at the scene projected in the air by Light Projection, utterly dazed.

The moment Yang Luo forcefully returned and slew the Sin Giant God!

The scene where Yang Luo fought a bloody battle alongside Zuo Canghai and Chu Junlin against the eleven Sovereign Angels!

The moment Yang Luo, risking his life, brutally killed the Phantom Sea Heavenly God!

They witnessed it all!

A profound respect arose spontaneously among them!

The Pharaoh God Master sighed, "Indeed, whether in the past or the present, human immortal cultivators have always been so tenacious, so powerful!"

The Maya God Lord agreed with admiration, “Even though human cultivators have long fallen short of the glory of the ancient era, they still dare to challenge the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan!

Even in the face of overwhelming disparity, they haven’t given up, fighting to the bitter end!”

“That kid must be Yang Luo. Truly strong, truly ruthless—right up my alley!”

The Titan God Master’s eyes were brimming with admiration as he said, “Star Ruins, Maya, Pharaoh, what are you still waiting for?

If even these humans are so brave and fearless, are we to cower in hesitation?

Keos and the others have already joined the battle. Once these three major races wipe out humanity, they will surely find an excuse to wage war on us!

If not now, then when?”

The Maya God Lord and Pharaoh God Master both turned to look at the Star Ruins God Master.

After a moment of silence, the Star Ruins God Master said resolutely, “Very well, then let us fight!”

Indeed, he had been moved by Yang Luo's resilience, heroism, stubbornness, and audacious spirit!

"Hahaha..."

The Titan God Master burst into loud laughter, saying, "It's about time!"

The Star Ruins God Master glanced at the three of them and immediately said, "Dispatch all the main forces and elites of the four divine clans at once. Prepare to head to Earth!"

"Yes!!!"

The Maya God Lord, Pharaoh God Master, and Titan God Master responded in unison.

Immediately afterward, the four Star Ruins God Masters deployed Divine Arts for transmission and issued a series of commands, beginning to mobilize their forces...

...

Earth.

The secular world.

Everyone present had fallen silent, all staring blankly at the sea.

The ocean where Yang Luo had fallen was now stained crimson with blood.

Yet the sea had grown calm, showing no more signs of movement.

“Why has there been no movement? Could it be that Mr. Yang has perished?!”

“No, impossible—Mr. Yang hasn’t died! He can’t die!”

“Mr. Yang is so incredibly strong; how could he possibly die!”

Members of various major sects and organizations trembled as they spoke, faces marked by deep despair.

Although reluctant to believe Yang Luo had fallen, the recent circumstances forced them to confront the worst possibility.

After all, Yang Luo was gravely injured and had endured the fatal assault of the ten Sovereign Angels!

Even if Yang Luo were a Heavenly Immortal, how could he hold on?

Zuo Canghai, Chu Junlin, Zhang Zhilin, Master Xuanku, and Istab all stared unwaveringly at the sea!

They spread their divine senses outward, trying to detect Yang Luo's energy!

But due to their own severe injuries, their weakened divine senses couldn't sense anything!

Could Yang Luo truly have fallen?!

Their hearts sank to rock bottom!

"Where is Mr. Yang? Why is there no movement?!"

"Could our hero truly have fallen in battle?!"

“No, absolutely not! The Divine Emperor, such a heroic figure, cannot die!”

“The Divine Emperor will surely rise again and fight these monsters to the bitter end!”

People around the world were also plunged into despair, overcome by grief.

They, too, were unwilling to believe Yang Luo had died.

Yet so much time had passed, and still, Yang Luo showed no sign of movement, nor had he emerged from the sea.

The ten Sovereign Angels hovered above the ocean, gazing coldly at the distant waters.

At this moment.

Deep beneath the ocean surface.

Yang Luo’s body was sinking.

His frame was battered and torn, his flesh mangled beyond recognition, leaving no part unscathed.

After sinking a thousand meters.

He forcefully steadied his body and cried out in his heart, “Senior Xinghe, Senior Dao Yi, Senior Tianchi, Aunt Youlan—lend me your strength!”

Long Xinghe sighed, “Kid, your injuries are too severe. If we give you energy now, your body might not survive the strain!”

Long Youlan spoke with concern, “Little Luo, you’ve fought nonstop since the beginning of the battle. You’ve already done enough!

With the state your body is in now, it’s impossible to keep fighting!”

Long Tianchi added, “Kid, I truly admire your reckless spirit—it’s just like your father’s!

But now, it’s obvious that you can’t continue!”

Yang Luo gritted his teeth and said, “Thank you all for your concern!

But this battle isn’t over yet; I cannot fall here!

So, I ask you all to lend me your strength!”

Long Dao Yi, who had remained silent, spoke in a low voice, “Since this kid wants to keep fighting, let him fight!”

“But...”

Long Xinghe, Long Tianchi, and Long Youlan still felt it was too risky.

Yang Luo cried out anxiously, “There’s no time for hesitation—please, seniors, I beg you!”

“Alright!”

“Kid, perhaps this battle is also a tribulation for you!”

“If you survive it, you’ll surely be reborn!”

Long Xinghe and the others didn’t hesitate further and began channeling their energy, transferring it to Yang Luo.

At this moment, Yang Luo's body was like a dry well, while the four's energy was like fresh spring water, steadily pouring in.

However, due to the severity of Yang Luo's injuries.

As the energy flowed into him, his skin, muscles, and veins began rupturing on a massive scale.

His internal organs suffered extensive damage.

Pop, pop, pop...

Blood burst uncontrollably from his body.

Blood dripped endlessly from the corners of his mouth.

Still, Yang Luo endured the excruciating pain and pulled out another handful of pills for healing and Qi replenishing.

His injuries were too severe—if he didn't recover, even with energy, he wouldn't be able to continue fighting...

Meanwhile.

Above the ocean.

The ten Sovereign Angels continued to fix their gaze on the sea, watching and waiting.

Earlier, they couldn't sense Yang Luo's energy at all.

But now, they suddenly felt traces of Yang Luo's energy again.

"Hmm?!"

The Star Moon Heavenly God's expression changed, exclaiming, "Is that brat still alive?!"

The Death Sky Demon retorted coldly, "That brat endured such severe injuries and even took our direct hit earlier—how could he possibly survive?!"

The Sovereign Angel said in a thunderous voice, "Split the sea apart—alive, find him; dead, retrieve his corpse!"

“Understood!”

The nine Star Moon Heavenly Gods responded in unison.

Immediately, the ten Sovereign Angels began unleashing their energy, launching a ferocious assault on the sea where Yang Luo had fallen!

Ten attacks simultaneously erupted, transforming into ten colossal beams of light spanning several thousand meters, smashing downward!

Boom—boom—boom!

A deafening roar reverberated through the ocean!

The boundless sea was blasted into a massive whirlpool abyss with a diameter of thirty kilometers...
