Chapter 2511: Despair!

Yang Luo and Ji Qingcang unleashed eighteen potent attacks, all striking with an overwhelming force, as if destined to annihilate everything in their path!

Yet, the Dark Demon Lord remained composed, his left hand curling its fingers slowly. He uttered calmly, “Explode...”

Before the word fully left his lips!

BOOM—

A colossal Dark Energy Light Ball instantly detonated, resembling a star exploding in the vast cosmos above!

The explosion unleashed a terrifying power, a force that seemed capable of breaking everything, destroying everything!

The combined attacks of Yang Luo and the eighteen were all obliterated, devoured entirely by the Dark Magic!

The boundless sky was torn asunder, revealing the sights of the Cosmic Starry Sky to everyone!

At the epicenter of the explosion, a massive Void Cave ripped through space!

Countless cracks extended from the Void Cave, spreading in all directions!

“AHHHHHHHH—”

Yang Luo and the eighteen were utterly unable to withstand the blast, flung violently away!

This time, everyone was left bloodied and horrifically wounded, blood spurting from their mouths, their bodies drenched in crimson, resembling a torrential blood rain descending upon the world!

The Dharma Idols of Yang Luo and the eighteen were obliterated, disintegrating into a cascade of energy and radiance!

After blasting Yang Luo and the eighteen away!

The Dark Demon Lord took a single step forward and instantly disappeared from his original position, his movement akin to teleportation!

When he reappeared, he was already suspended above Lin Zheyitian, Qin Juechen, Ning Hualong, and Dongfang Wuji!

“Fall!”

With a cold shout, he stomped heavily toward them!

A massive dark foot descended, crushing layers of the void as if a Primordial Giant Beast were stomping down!

“WATCH OUT!”

Lin Zheyitian shouted in alarm, wielding the blade in his hand to counter with all his might!

Simultaneously, Qin Juechen, Ning Hualong, and Dongfang Wuji unleashed powerful killing moves to fiercely counter the descending dark stomp!

But no matter how ferocious their attacks were, they couldn’t withstand the might of this stomp!

BOOM—

The attacks of the four were instantly shattered and exploded!

After trampling their offenses!

The dark foot crushed heavily onto the bodies of the four!

“PUH! PUH! PUH! PUH!”

Lin Zheyitian and the rest spat out torrents of fresh blood, their flesh ripped open, drenched in blood, and several ribs broken under the stomp!

Their bodies fell from the sky into the ocean, churning up massive waves!

“Qilin Ancestor, Phoenix Ancestor, Soaring Serpent Ancestor, Purple Cloud Ancestor!”

“Is this guy really this terrifying? Even the four Ancestors couldn’t withstand just one stomp?!”

Far away, the battling elders cried out in horror.

Instantly, the Dark Demon Lord’s figure flickered again, appearing above Mo Yunfan, Zuo Canghai, Chu Junlin, Xing Wentian, Jing Qi Yuan, and Li Fenkong!

“Ancient Immortal Technique!”

Mo Yunfan’s hair and beard fluttered as he unleashed the Supreme Sect’s ultimate technique!

Six towering Ancient Immortal Illusions rose, charging to attack the Dark Demon Lord high in the sky!

“Ten Thousand Poison Extinguishing Immortal Map!”

Zuo Canghai’s lips were stained with blood as he roared fiercely!

An immense ten-colored Ancient Map floated upwards from behind him, growing to thousands of meters, carrying a torrential poison aura to suppress its target!

“Heavenly Demon Life and Death Seal!”

Chu Junlin gave a feral shout!

An enormous black-and-gold seal expanded to thousands of meters, like a colossal mountain crashing toward its target!

“Nine Lives and Nine Deaths Formation!”

“Thunder Kun Breaks Nine Heavens!”

“Fire Chi Burning World!”

Xing Wentian, Jing Qi Yuan, and Li Fenkong all unleashed their killing moves to fiercely attack!

A massive formation coalesced, brimming with the essence of life and death, suppressing its target!

As the formation descended, Immortal rainbows burst forth, fierce beast Qiongqi roared its fury!

The enormous Thunder Kun, spanning thousands of meters, roared and charged, carrying the power of lightning!

The enormous Fire Chi, also thousands of meters in size, roared and lunged forward, engulfed in raging Immortal Fire!

“Too weak!”

The Dark Demon Lord sneered coldly, raising his right hand to press down relentlessly!

“Ancient Demon Handprint!”

An immense dark handprint, tens of thousands of meters wide, descended heavily!

In its palm, Ancient Demon Totems were etched, alongside intricate runes glowing with dazzling Dark Demonic Light!

BOOM—

The mighty dark handprint pressed down, obliterating all of Mo Yunfan and company’s combined attacks!

“AHHHHHH—”

Mo Yunfan and the six screamed in agony, plummeting from the sky into the ocean!

“It’s over... The Supreme Ancestor and Six Heavenly Immortal Ancestors from Ten Absolute Poison Venerables have also fallen!”

“The Dark Demon Lord is too strong... The Heavenly Immortal Ancestors are absolutely no match for him!”

Two groups of Immortal World elders trembled with fear, both enraged and despairful.

Just as Mo Yunfan and the six fell!

Yang Luo and Ji Qingcang, alongside seven others, surged forward, launching their most powerful strikes against the Dark Demon Lord!

“Chaos Destruction Skill!”

Yang Luo swung the Dragon Emperor Sword with his right hand in an earth-shattering slash, while his left hand conjured a Golden Tai Chi Diagram that he struck forth relentlessly!

The Golden Tai Chi Diagram expanded to thousands of meters, ferociously suppressing its target!

Yang Luo infused the diagram with all his energy and summoned the Four Divine Beasts and Four Great Fierce Beasts to fuse into it!

The Golden Tai Chi Diagram swelled further, carrying boundless Immortal might, pressing toward the Dark Demon Lord!

The Twelve Ancestral Magi rose again, charging to attack!

Ji Qingcang and the other seven unleashed their killing moves simultaneously, assaulting the Dark Demon Lord ferociously!

“Nine Heavens Dragon Gate!”

“White Tiger’s Chaotic World!”

“Nine Nether Hell!”

...

As the attacks surged forward!

The Azure Dragon roared, the White Tiger leaped, the Vermillion Bird dove for the kill, the Black Tortoise charged endlessly, Taotie devoured the heavens, the Demon God unleashed a tyrannical strike!

Even the figures of Ten Halls Yama of Nine Nether Hell rose, charging forth!

The Dark Demon Lord's gaze turned icy cold as he raised his right hand and spoke indifferently.

"Life Destruction Demon Seal!"

In an instant!

Ten dark runes materialized in his palm, transforming into ten Rune Demon Seals!

He then swung his right hand!

The ten Rune Demon Seals exploded outward, growing massively, akin to ten towering mountains colliding downward!

BOOM—

BOOM—

Amidst the deafening collisions and explosions!

The combined attacks of Yang Luo and the eight were completely obliterated!

The Ten Demon Seals continued their devastating advance, crushing the sky, ripping through the void, their power endless and horrifying!

Yang Luo and the eight counterattacked furiously with more strikes, yet every attempt was destroyed, leaving them utterly devastated!

“UGH—AHHHH!”

Yang Luo and the eight screamed in agony, flung backward violently!

BOOM—BOOM—BOOM!

They smashed through a dozen ancient boats, Divine Ships, and Demon Ships before crashing onto a small island a kilometer away!

From afar, witnessing the fierce battle, the gods and demons cheered in elation!

“Master Demon Lord’s divine power is unparalleled, his might unmatched!”

“Master Demon Lord, well done! Finish off these scum once and for all!”

“Mere Heavenly Immortals challenging a Golden Immortal? Foolish beyond belief!”

The gods and demons shook their arms in celebration, invigorated.

Conversely, the elders from the two Immortal Worlds trembled uncontrollably, their faces pale!

Waves of despair and defeat swept over their hearts.

Only at this moment did they deeply understand the sheer strength of a Golden Immortal...

Chapter 2512: Moment of Life and Death!

“How could this be? Yang Heavenly Venerate joined forces with seventeen Heavenly Immortal Ancestors, yet they still can’t kill this guy?!”

“We’ve fought to this point, and yet we still can’t defend our homeland, still can’t protect Earth?!”

“And don’t forget, the Light God Lord and the Tianyu God haven’t even made a move yet!”

The elders cried out in anguish, their voices hoarse.

The entire world felt a profound despair!

Initially, when over eight million elders from the two Immortal Worlds arrived in the secular world to aid them,

people were overwhelmed with excitement, their hearts filled with hope, thinking this battle was as good as won!

But who would have thought that the sudden arrival of three figures would crush their hopes into dust!

At this moment,

the Light God Lord, who had been watching the battle high above from thousands of miles away, spoke indifferently: “Dark, stop toying with them. Finish them off quickly.”

The Tianyu God, hands behind his back, smiled and said, “Dark, if you can’t handle it, let me take care of it.”

The Dark Demon Lord sneered wickedly, “I’m just playing around with these wretches. Killing them is child’s play for me.

Well then, we do have pressing matters to attend to, so let’s end this.”

With that, his entire body shuddered, releasing an even more terrifying aura and oppressing pressure!

Then, he struck downward with a powerful stomp while suspended mid-air!

BOOM! BOOM! BOOM!

The skies and earth within thousands of miles trembled violently, shaking in all directions!

On the seas, tidal waves soared tens of thousands of feet high!

The next moment!

CRACK! CRACK!

Eighteen massive Dark Chains pierced through the Void, howling as they emerged, like eighteen Dark Demon Dragons, terrifying beyond measure!

Ten of these chains plunged into the ocean!

The remaining eight chains swept toward the island!

Before long!

The eighteen chains ensnared Yang Luo and the other seventeen, suspending them in the sky!

“Break these chains!”

Yang Luo roared, his voice trembling with force, as he struggled madly, trying to shatter them!

Ji Qingcang and the other seventeen also fought vehemently, trying to free themselves from their binds!

Yet, these chains were formed from magic power, the Heavenly Earth Dao Power, and threads of the Power of Laws, rendering them indestructible!

No matter how Yang Luo and the others struggled, they could not break free!

The Dark Demon Lord sneered coldly, “Don’t waste your energy. You’re all half-dead already, and you still think you can escape my grasp? Laughable.”

As he spoke, his body shuddered once more!

Eighteen Dark Light Beams shot forth from behind him, soaring into the heavens like eighteen Dark Rainbows, blasting toward Yang Luo and the others hanging in the air!

The destructive power of these eighteen Dark Rainbows was unimaginably terrifying, ripping vast swathes of the Void apart!

The ancient boats, Divine Ships, and Demon Ships that stood in their way were as fragile as paper, shattering instantly!

“No!”

“Hurry, save them!”

“Little Luo and the others are in danger!”

The Heavenly Immortal Ancestors engaged in combat in the distance cried out in alarm, rushing to block the Dark Demon Lord’s assault!

“You shall not save them!”

“These people have slaughtered so many of our kin; they deserve to die long ago!”

The gods and Heavenly Demons blocked the Heavenly Immortal Ancestors, preventing them from advancing.

“Brother Yang!”

“Little Luo!”

“Brother Yang!”

In the distance, Bujie, Luange, Tantai Puti, and others cried out in terror, trying to assist, but they too were intercepted!

But just as the situation reached its most critical juncture!

Suddenly!

BOOM! BOOM! BOOM!

A deafening explosion echoed from the distant sky!

In the Void, a colossal cave burst open!

Blinding divine light erupted, radiating dazzling splendor, like Divine Rainbows streaking toward the eighteen Dark Rainbows unleashed by the Dark Demon Lord!

On their way, these Divine Rainbows shattered the chains binding Yang Luo and the others!

And all of this happened so quickly that no one could react in time!

In an instant!

BANG! BANG! BANG!

The Divine Rainbows collided fiercely with the eighteen Dark Rainbows!

The explosive sound was earth-shattering, reverberating across the entire world!

A few seconds later!

BOOM! BOOM! BOOM!

The Divine Rainbows and the eighteen Dark Rainbows simultaneously disintegrated into a massive sea of energy light, surging in all directions!

“What’s happening?! Who saved Yang Heavenly Venerate and the others?!”

“Could we have reinforcements?!”

“No, that can’t be right. All our combat forces from the two Immortal Worlds are already here. There shouldn’t be anyone left!”

“Then who could it possibly be?!”

The elders from the two Immortal Worlds exclaimed in shock, their faces filled with disbelief.

Yang Luo, Ji Qingcang, and the others deeply inhaled, looking toward the Void Cave.

However, the Light God Lord, Tianyu God, and Dark Demon Lord all darkened their expressions, turning their gaze toward the distant dark chasm.

Soon after,

SWOOSH!

A massive blue-gold beam of light, stretching hundreds of miles, burst from the Void Cave, resembling a broad Light Channel!

Immediately after.

BOOM! BOOM! BOOM!...

The sound of war drums reverberated from the Void Cave!

“ROAR! ROAR! ROAR!”

The thunderous roars of mutated beasts echoed through the heavens and earth!

Under everyone’s gaze!

One by one, colossal Divine Ships, spanning hundreds of meters and radiating various divine lights, emerged from the Light Channel!

A countless number of war chariots followed closely behind!

Even more Divine Beasts came flying out in succession!

Before long, the distant horizon was crowded with Divine Ships, war chariots, and Divine Beasts!

The number of Divine Ships reached thirty thousand, the war chariots totaled three hundred thousand, and the Divine Beasts exceeded a million!

On the Divine Ships and war chariots stood over three million individuals!

These individuals were clad in diverse Divine Gold Battle Armors, armed with all sorts of weapons, exuding an imposing and unstoppable aura!

Many armored soldiers also rode atop the Divine Beasts, appearing incredibly majestic!

On the foremost Divine Ship, four radiant, towering figures stood, exuding an extraordinary presence!

When the onlookers saw the arrivals,

the elders from the two Immortal Worlds were utterly stunned!

“Could these also be people from the three great clans?!”

“It seems like it. Their attire is very similar to theirs!”

“How could this be... Do they have reinforcements?!”

“No, it doesn’t make sense. If these people are indeed allies of the three great clans, why are they saving Yang Heavenly Venerate?!”

The elders cried out in shock, their eyes filled with suspicion.

Meanwhile, far off in the sky, Keos and the others froze for a moment before realization dawned on their faces!

“HAHAHAHA...”

Keos threw his head back and laughed, shouting excitedly, “They’ve arrived! The armies of the Four Divine Clans have arrived!”

“Excellent, excellent timing!”

Istab was equally exhilarated, pumping his fist, “The Divine Masters have finally resolved to join the battle!”

Tia, Varna, Evans, and Tilly were all brimming with excitement.

Hearing Keos and Istab’s words,

Yang Luo immediately understood!

Could it be that the Atlantis Divine Clan, Mayan Divine Clan, Titan Divine Clan, and Golden Pagoda Divine Clan have come?!

Why would the Four Divine Clans rush to help?!

Chapter 2513: The Battle of the Golden Immortals!

As everyone was momentarily stunned.

All warships and war chariots activated, surging forward mightily toward this area.

The Divine Beasts also followed suit, soaring through the skies to join the advance.

In no time.

The armies of the Four Divine Clans arrived at the battlefield.

The entire scene instantly fell silent.

At this moment.

The Light God Lord coldly fixed his gaze upon the four figures standing atop the leading ancient boat.

Those four figures were none other than the Star Ruins God, Maya God Lord, Titan God Master, and Pharaoh God Master.

The Light God Lord asked in a deep voice, “Star Ruins, Maya, Titan, Pharaoh. What is the meaning of this? Do you intend to meddle in this ultimate battle?”

The Titan God Master thundered in response, “For our Four Divine Clans to lead our armies here—does that not make our intentions clear enough?”

The Tianyu God narrowed his eyes and said, “So, you now plan to aid humanity in fighting us?”

The Dark Demon Lord hissed sinisterly, “You should carefully consider the consequences of such a decision!”

The Light God Lord continued, “On the account of the bonds our ancestors shared, I am willing to offer you an opportunity!

Leave now, and I will act as though you never came!”

“Hmph!”

The Star Ruins God sneered coldly and retorted, “Light, if you truly consider the ties of our ancestors!

Then why have you oppressed our Four Divine Clans all these years, wantonly slaughtering our clansmen?

Do you think I am unaware? Once you have destroyed Earth and seized what you desire,

Your next target is undoubtedly our Four Divine Clans, correct?”

Upon hearing these words.

The Light God Lord, Tianyu God, and Dark Demon Lord narrowed their eyes slightly.

Truthfully, this was precisely what they had planned.

After exterminating Earth and acquiring its six hundred Spirit Veins, they intended to recuperate briefly before declaring war on the Four Divine Clans to seize their Spirit Veins.

The Maya God Lord sneered coldly, “What’s the matter? Was your plan exposed, leaving you speechless?”

The Light God Lord's gaze grew icy as he spoke, "Even if your Four Divine Clans join the battle, what can you change?"

Among you four, only Star Ruins can barely contend with us!

As for Maya, Titan, and Pharaoh, the three of you are merely at the Heavenly Immortal Perfected Stage—how can you stand against us?"

The Star Ruins God replied boldly, "Since we have decided to join the battle, we are naturally prepared for everything!

There is no need to waste words on trivialities!"

With that, he glanced at everyone present and proclaimed loudly, "Ladies and gentlemen, we initially believed Earth to be no more than a desolated star, unable to produce any more experts!

But now we realize how wrong we were, for Earth still harbors so many remarkable heroes!

Moreover, your resolute and valorous spirit during such bloodshed has profoundly moved us!

Thus, we, the Four Divine Clans, are willing to join forces with you to resist these three hostile factions!"

The Titan God Master grinned at Yang Luo and said, "Kid, you've caught my attention!

If we manage to win this war and survive, let's have a good drink together!"

"Alright!"

Yang Luo nodded with a smile.

At this moment.

The elders of the two Immortal Realms, upon hearing the Star Ruins God's declaration, were ecstatic!

So the Four Divine Clans had come to aid them!

"Thank you so much!"

"This favor will remain etched in our hearts forever!"

Ji Qingcang, Baili Langya, and the other Heavenly Immortal Ancestors cupped their hands in gratitude toward the four leaders of the Four Divine Clans.

The Star Ruins God and his three allies placed their right hands over their left hearts and nodded in return.

Then, the Star Ruins God roared emphatically, "To the warriors of our Four Divine Clans, listen closely!

This war concerns not only Earth's fate but also the survival of our Four Divine Clans!

I beseech you all to unite as one and fight together against our foes!"

"Fight, fight, fight!..."

Fifty Heavenly Immortals of the Four Divine Clans charged skyward, leading their armies to strike against the three hostile factions!

Yang Luo raised his sword high and shouted, "Everyone, annihilate these three factions!"

“Kill, kill, kill!...”

The entire body of elders from the two Immortal Realms roared in kind, surging ahead as well!

The scale of the battle expanded further, the number of participants surpassing millions!

The skies above the Pacific Ocean were packed tightly with combatants, all engaging in ferocious warfare!

“Star Ruins, let me test your mettle!”

The Tianyu God roared and stepped forward, charging viciously toward the Star Ruins God!

“Fight!”

The Star Ruins God, fearless and unyielding, also advanced to meet his foe head-on!

In an instant!

The two clashed in midair, launching ferocious strikes against one another!

“Tianyu Divine Palm!”

The Tianyu God raised his right hand and unleashed a palm strike at the Star Ruins God!

A colossal purple-gold palm blossomed with immortal divine light, carrying overwhelming divine power, the Heavenly Earth Dao Power, and traces of the Power of Laws, crushing downward!

The Star Ruins God, his expression icy and resolute, clenched his fist and met the attack head-on!

“Star Ruins Divine Fist!”

With only the sound of a deafening “BOOM!”,

the Void shattered as a colossal blue-gold fist punched forth, tearing through the Cangqiong, radiating supreme might, and retaliating fiercely!

The punch seemed to be encircled by the sun, the moon, and the stars, dazzling and awe-inspiring, shaking all hearts!

Yang Luo was astounded!

It turns out the Star Ruins God was also a Golden Immortal!

As for the Maya God Lord, Titan God Master, and Pharaoh God Master, they were each at the Heavenly Immortal Perfected Stage!

Yang Luo could sense it!

Though their side now had the help of a Golden Immortal, the opposing side had three, leaving the disparity still striking!

But even so, regardless of the imbalance, this fight had to continue!

After all, this battle was no longer just about the survival of humanity and Earth!

It also bore the burden of the Four Divine Clans’ fate!

In the blink of an eye!

Boom!

The fist and palm collided heavily, sending shockwaves through Heaven and Earth, churning the seas into chaos!

Radiant light and immense energy exploded outward from the impact, surging like raging waves toward all directions!

Even stars within the Starry Sky Universe were knocked loose and obliterated into dust by the cascading energy beams!

In less than half a minute!

BOOM BOOM BOOM!

The giant fist and palm simultaneously shattered and exploded in midair!

The skies transformed into an endless sea of energy light, billowing fiercely in all directions!

Amidst this terrifying confrontation.

Both the Star Ruins God and Tianyu God were flung backward!

Yet they quickly stabilized themselves, transforming into radiant streaks of lightning and resumed their battle!

One after another, the Star Ruins God threw his Divine Fist strikes, hammering toward the Tianyu God!

The Tianyu God responded by unleashing consecutive Divine Palm strikes, launching brutal counterattacks!

BOOM, BOOM, BOOM!...

BOOM, BOOM, BOOM!...

The thunderous collision and earth-shattering explosions echoed endlessly, shaking Heaven and Earth, overturning Qiankun!

Endless divine light and energy ripples spread outward, sweeping across all directions!

The battle between these two Golden Immortals was so terrifying that Heavenly Immortals and those below couldn't approach!

After all, even the radiant energy emanating from the clash was lethal to anyone below the Heavenly Immortal level!

After hundreds of consecutive strikes!

The Tianyu God roared mightily!

"Tianyu Divine Spear!"

Whoosh!

A purple-gold spear tore through the Void, shooting forth like cosmic auroras, aimed directly at the Star Ruins God!

Chapter 2514: Shifting Stars!

Witnessing the Tianyu Divine Spear shooting forth explosively!

The Star Ruins God roared ferociously!

“Star Ruins Divine Spear!”

Whoosh!

A blue-golden spear tore through the void, shooting out like a comet streaking across the heavens, colliding head-on!

In the blink of an eye!

Clang—clang—clang!

The Tianyu Divine Spear and the Star Ruins Divine Spear clashed heavily, erupting with crisp explosive sounds!

At the point where the spearhead and tip collided, lightning bolts and fiery light flickered, and divine brilliance blossomed!

The surrounding void was torn apart on a massive scale like a shattered curtain!

Accompanied by a sharp, resonating clang!

The Tianyu Divine Spear and the Star Ruins Divine Spear simultaneously flew backward, caught swiftly by the Tianyu God and the Star Ruins God!

Clutching their weapons, the two launched relentless assaults at each other once more!

Clang, clang, clang!...

Intense collision sounds rang ceaselessly!

Vast divine light and waves of energy rippled outward in all directions, dazzling and brilliant!

The figures of the two combatants flashed like lightning bolts in the skies, engaging in a cataclysmic battle!

Even while wielding their weapons in combat, they occasionally threw punches or unleashed strikes, aggressively assaulting one another!

Boom, boom, boom!...

Earth-shaking explosions resounded across the heavens and earth, deafening!

The boundless Cangqiong collapsed repeatedly, the void broke apart constantly, and the oceans erupted into massive abyssal whirlpools, terrifying to the extreme!

After clashing for over a hundred moves!

The Star Ruins God and the Tianyu God both shuddered fiercely!

Rumble—rumble—rumble!

Heaven trembled and earth shook, the eight directions quaked, and the ten directions grew unstable!

Two towering Dharma Idols emerged above them, standing tall as if ancient gods descended upon the world, suppressing Heaven and Earth, gazing down upon all beings!

“Battle!!”

The two roared in unison, brandishing their divine spear and divine gun, launching toward each other in deadly attacks!

The Dharma Idols likewise wielded their massive spear and gun, initiating ferocious assaults!

Rumble—rumble—rumble!

The massive spear and massive gun collided heavily, shaking the heavens and disrupting the cosmos!

In this fierce confrontation!

The Star Ruins God and the Tianyu God were both blasted backward!

Their Dharma Idols also followed suit, flying in opposite directions!

Yet their Dharma Idols soon stabilized their colossal forms, continuing their unstoppable attacks toward the opposite side!

The Tianyu God, wielding his divine spear, roared!

“All Heavens Destruction!”

Boom—boom—boom!

The upper skies exploded into twelve massive cavities!

Twelve enormous beams of light, each containing twelve layers of attribute power, blasted toward the Star Ruins God!

Within these beams were flashes of lightning, raging flames, howling winds, and surging ice!

Each beam unleashed devastating destructive power, annihilation, and chaos!

But the Star Ruins God showed no fear, brandishing his divine spear expertly!

“Star Ruins Divine Map!”

In an instant!

A colossal, boundless, blue-golden Divine Map solidified in the skies above!

Runes shimmered upon the Divine Map, with the sun, the moon, and the stars slowly rotating above, seemingly forming a miniature Starry Sky Universe, vast and unfathomable!

Bang, bang, bang!

Boom, boom, boom!

The twelve beams of light crashed violently onto the Divine Map, generating earth-shaking impacts and explosive booms!

Vast waves of light and energy erupted like mountainous tsunamis, spreading in all directions!

Witnessing the Star Ruins God withstand his ferocious assault!

The Tianyu God's expression turned icy, as he clutched his divine spear tightly and transformed into a streak of purple light, charging toward the Star Ruins God!

A radiant, immortal brilliance erupted from the Star Ruins God's brow, as he directly brandished his divine spear!

"Immortal Starry Sky Array!"

In the blink of an eye!

A colossal array formation took shape, trapping the charging Tianyu God within!

Surrounding the array were twenty-four blue-golden light columns, supporting both the skies and the ocean!

At its center, a vast starry expanse emerged, where the sun and moon revolved, and stars shimmered brilliantly—an awe-inspiring cosmic phenomenon!

"Formation, activate!"

The Star Ruins God wasted no time, directly activating the great formation!

From the twenty light columns, countless divine rays burst forth, as if shot from the very cosmos, aiming to annihilate the Tianyu God!

Runes merged seamlessly with the rotating sun, moon, and stars, unleashing suppression and annihilation upon the Tianyu God!

This formation's destructive force was quintessentially terrifying!

Even the Tianyu God struggled under its onslaught, as the Protective Divine Light surrounding him faltered, his Divine Gold Battle Armor tore open in several places, and blood spilled from his body!

Yet, the Golden Immortal's self-healing power far exceeded that of a Heavenly Immortal!

Though wounded, his body was visibly recovering at remarkable speed!

"Hmph!"

The Tianyu God snorted coldly and said thunderously, "Star Ruins! Do you truly think such a formation could trap me? Utter delusion!"

With that, his entire being trembled!

"Tianyu Divine Stele!"

In an instant!

Twelve towering Divine Steles rose up like vast mountains, colliding in all directions!

Rumble—rumble—rumble!

Boom—boom—boom!

Amid the fierce collisions of the twelve Divine Steles!

The entire array formation began fracturing, eventually disintegrating and erupting into explosions!

However, just as the formation collapsed into chaos!

The Star Ruins God had already ascended into the skies, forcefully swinging his divine spear down toward the Tianyu God below!

Waves of colossal energy tore open the void as the massive gun descended upon the Tianyu God with an overwhelming pressure!

The Tianyu God reacted swiftly, immediately raising his divine spear to counter the attack!

The massive spear shattered the heavens and obliterated vast waves of energy light!

Clang—crack!

The massive spear and massive gun clashed ferociously, unleashing radiant bursts of energy and brilliance!

In this shocking collision!

The Tianyu God was blasted downward by a thousand feet, crashing through countless ancient boats, divine ships, and demon ships!

The Star Ruins God, on the other hand, was propelled skyward, breaking through layers of Cloud Seas and reaching beyond the atmosphere!

However, for a Golden Immortal, even a short duration within the Starry Sky Universe posed no adverse effects!

At the very moment the Star Ruins God ascended further above!

The Tianyu God, brandishing his divine spear, bellowed violently!

“All Gods Sealing Array!”

In an instant!

Twelve massive array platforms emerged around the Star Ruins God, forming a colossal array formation that entombed him inside!

The Tianyu God declared coldly, “Star Ruins! You’ve made me taste your formation’s might,

But now, it’s your turn to experience the might of my array!”

With that, he swung his divine spear once more, activating the formation!

As the formation activated, dense divine rays erupted madly!

Countless runes surged forward like roaring oceans!

From within the formation, countless Divine Palaces emerged, suppressing the Star Ruins God aggressively!

Thousands of divine weapons, Divine Generals, and Divine Beasts surged from the Divine Palaces, launching unrelenting attacks upon the Star Ruins God!

Though the Star Ruins God mounted a ferocious counterattack, the power of the array proved formidable. It shredded his robes, tore his flesh, and caused blood to flow in streams!

Furrowing his brows, he unleashed his ultimate move without hesitation!

“Shifting Stars, Star Ruins Divine Burial!”

In an instant!

The sun, the moon, and the stars encircled him, making him resemble the absolute monarch of the Cosmic Starry Sky, exuding a chilling dominance!

With the celestial bodies revolving, one unassailable Divine Rainbow after another shot outward, tearing mercilessly into the formation!

Chapter 2515: I Shall Fulfill Your Wish!

In an instant!

The onslaught unleashed by the great formation was completely destroyed!

Not even a minute later!

Boom! Boom! Boom! ...

Twelve array platforms in the sky exploded one after another!

Until all twelve platforms detonated!

The entire formation completely collapsed and disintegrated!

Brilliant light and surging energy entwined, transforming into a sea of energy light, rippling through the atmosphere, and sweeping outward in all directions!

The dense cloud sea was utterly obliterated; even several satellites near Earth were destroyed, exploding in the sky!

In many corners of the world, screens instantly displayed static and snow; the scenes of the battle were no longer visible!

“My God, these two are terrifying—they’re practically fighting off the planet!”

“No kidding, they’ve even shattered the satellites, knocked stars from their courses!”

“Why isn’t the broadcast fixed yet? We need to keep track of what’s happening at the battlefield in real-time!”

People around the world were gasping in astonishment, trembling all over, their skin crawling.

This battle revealed humanity’s deepest secrets about the world.

Everyone profoundly understood how many formidable beings beyond the comprehension of ordinary humans were hidden in this world.

Indeed, gods and demons truly existed in this world.

At this moment.

On the Pacific Ocean Battlefield.

“Fight!!!”

The Star Ruins God Master broke apart the great formation, tore through the vast sea of energy light, and, holding his Divine Spear, charged rapidly toward the Tianyu God Master below!

As he lunged downward!

He let his long hair flutter, his blood-stained cloak flapped wildly, and his entire being radiated a piercing, dazzling blue-gold divine light!

“Kill!!!”

The Tianyu God Master roared, grasping the Divine Spear as he rushed toward the Star Ruins God Master high above!

His body shone with brilliant purple-gold divine light, and his Divine Gold Battle Armor clanged loudly!

“Divine Fall Descends!”

The Star Ruins God Master swung the Divine Spear in his hand, shouting thunderously!

Thousands upon thousands of meteorites were summoned from the cosmic starry sky, pelting down toward the Tianyu God Master!

Due to their extreme speed, the falling meteors ignited into flames, resembling a catastrophic rain of fire, incredible and fearsome!

Everyone battling in the distance, as well as people watching around the globe, were deeply shocked!

Yang Luo was awestruck and stunned!

This is the power of a Golden Immortal? To summon meteorites from the starry sky itself!

He clenched his fists tightly, his heart racing with longing, wondering when he might reach the Golden Immortal stage himself!

However, amidst this battle, he felt his cultivation nearing a breakthrough to the Heavenly Immortal Perfected Stage!

If he could keep fighting, perhaps his cultivation could truly break through during the battle!

Once breaking through to the Heavenly Immortal Perfected Stage, achieving the Golden Immortal stage would be within closer reach!

Ji Qingcang and others were equally shocked, with aspirations to ascend to the Golden Immortal stage!

Those battling in the distance, including Bujie, couldn't help but glance over, all stunned and speechless!

Bujie's lips twitched, muttering, "Holy crap, is this really a battle between Golden Immortals?!"

"If this continues, Earth might not even be able to contain them!"

Ning Jianfeng trembled as he said, "Golden Immortals are way too powerful... if we tried to intervene, they could crush us with a single hand!"

Both Flame Emperor and Ji Longyue, among others, were overwhelmed with awe!

They finally realized how terrifying the Dark Demon Lord that Yang Luo and Ji Qingcang had fought truly was!

Nevertheless, the disparity in strength only solidified their resolve—to keep cultivating and strive toward greater power!

Of course, all of that hinged on surviving this battle; otherwise, all would be for naught!

At this moment.

The Tianyu God Master saw the sky filled with meteorites crashing toward him!

His expression shifted, and he instantly swung his Divine Spear!

In an instant!

Countless purple-gold spears shot forth, colliding with the descending meteorites!

Boom! Boom! Boom! ...

Bang! Bang! Bang! ...

The collisions and explosions echoed endlessly, shaking the world to its core!

Massive swathes of meteorites and divine spears fragmented and detonated in the sky, dispersing as vast bursts of energy, light, and debris!

Amidst the chaos of that energy frenzy!

The Star Ruins God Master and the Tianyu God Master clashed once more!

As the Tianyu God Master and Star Ruins God Master fought each other fiercely!

The Light God Lord bellowed, "Darkness, strike now! End this guy from the Star Ruins quickly!"

Originally, he hadn't intended to intervene, conserving qi to extract Earth's six hundred Spirit Veins.

After all, extracting Spirit Veins demands enormous consumption of qi.

But now, the involvement of the Four Divine Guards led him to change his plan.

Though weaker than them, the Four Divine Guards could still pose potential troubles.

So, they needed to be swiftly eradicated.

“Understood!”

The Dark Demon Lord nodded in response.

Just as the two prepared to strike!

“Light, we shall fight you!”

The Titan God Master, Maya God Master, and Pharaoh God Master simultaneously moved, rushing toward the Light God Lord!

En route to the fray!

The Titan God Master activated the “Titan Divine Body,” swelling to three hundred meters tall, wielding a black-gold enormous hammer that veiled the sky like a mighty mountain!

This enormous hammer was his divine weapon, named the “Titan Divine Hammer!”

The Maya God Master and Pharaoh God Master flashed divine light from their foreheads, summoning forth a reddish-gold long sword and a pure gold scepter!

These weapons were the divine armaments named the “Maya Divine Sword” and the “Pharaoh’s Divine Scepter!”

The three surged toward the Light God Lord!

Meanwhile, ten Heavenly Immortal Perfected Stage warriors of the Four Divine Guards broke free from the encirclement, charging toward the Dark Demon Lord!

Yang Luo roared, “Seniors, let’s join the fight too!”

“Alright!”

Ji Qingcang and seventeen others shouted in agreement.

Yang Luo, Ji Qingcang, Baili Langya, Tantai Qian Chuan, Yi Qiankun, Tuoba Xiao, Huangfu Tiance, Lin Zhetian, and Dongfang Wuji—all nine—rushed toward the Light God Lord!

Mo Yunfan and nine others charged toward the Dark Demon Lord!

Soon.

Yang Luo’s group of nine, alongside the Titan God Master, Maya God Master, and Pharaoh God Master, confronted the Light God Lord!

The Light God Lord glanced at Yang Luo and the twelve others, sneering arrogantly: “Just you twelve think you can stop me?”

Very well, since you’re so eager to die, I shall grant your wish!”

Before his voice even finished!

Boom!

A colossal nine-colored beam of light erupted from his body, piercing the firmament and the void, reaching out to the cosmic starry sky!

Waves of boundless and majestic pressure emanated from his form, instantly sweeping across the skies and seas of the Pacific!

Yang Luo and Ji Qingcang, among others, were shaken to their cores!

They could distinctly sense that the Light God Lord's pressure and aura were far more terrifying than those of the Tianyu God Master and the Dark Demon Lord!

In other words, even among Golden Immortals, the Light God Lord's power far surpassed that of the other two!

At this moment.

The Titan God Master roared, "Everyone, this old guy is the strongest among them! Be cautious!"

"Understood!"

Yang Luo and the others answered in unison.

"Fight!!!"

Then, Yang Luo and twelve others let out mighty war cries, unleashing their full qi and power!

Boom boom boom!

Twelve beams of light erupted from Yang Luo and the other twelve, tearing through the firmament and the void, their power boundless and overwhelming!

Chapter 2516: Battle Against the Light God Lord!

At the moment when the Light God Lord and Yang Luo unleashed their aura and erupted with battle power!

The vast skies shook as fierce winds erupted, dark clouds roiled, the earth quaked, and the seas surged!

Boom, boom, boom!...

Waves of pressure and energy collided fiercely in the sky, as if thunderclaps sounded through the heavens!

The firmament collapsed, space splintered into fragments—a terrifying sight!

“Fight!”

Titan God Master roared loudly, his thick, pillar-like legs stomping forward as he charged upward against the overwhelming aura and pressure of the Light God Lord!

Bang, bang, bang!...

His colossal figure carried unmatched might and courage, causing the void to crack and collapse with each step!

“Fight!!!”

Yang Luo and the others shouted furiously, charging toward the Light God Lord!

As they drew near!

Titan God Master swung his massive hammer, aiming a devastating strike at the Light God Lord!

“Titan’s Hammer!”

Rumble, rumble, rumble!

The massive hammer crushed the heavens, shredded the void, and exuded an aura of sheer dominance, as if seeking to obliterate all existence!

“Maya God Slaying Sword!”

“Pharaoh’s Sky Splitting Staff!”

Maya God Lord and Pharaoh God Master brandished their sword and staff, unleashing attacks aimed at the Light God Lord!

A scarlet-gold sword spanning thousands of feet and the golden staff stirred up storms, shaking heaven and earth as they radiated blinding divine light, seeming ready to annihilate all!

Faced with the ferocious onslaught of Titan God Master, Maya God Lord, and Pharaoh God Master!

Light God Lord’s gaze was disdainful, his body trembling slightly!

“Protection of Light!”

In an instant!

A massive nine-colored light shield coalesced and enveloped the Light God Lord!

Boom, boom, boom!

Clang, clang, clang!

The hammer, sword, and staff struck heavily against the nine-colored shield, reverberating with the deafening sound of rolling thunder!

Blinding light and waves of energy erupted outward, sweeping across all directions!

But despite the ferocity of their attacks, the trio's combined assault failed to breach Light God Lord's impenetrable defense!

"Dragon Emperor Sword Technique!"

Yang Luo soared into the heavens, swinging his sword in wrath!

The massive sword rifted the heavens, split the void, its sword might vast and its sword intent piercing through the skies!

"Dragon Spear Breaking Sky!"

"Thunderous Nine Heavens!"

"Heaven and Earth Burning!"

"Xuanming Ice Soul!"

...

Ji Qingcang, Baili Langya, and eight others launched powerful assaults, furiously attacking the Light God Lord!

Bang, rumble!

Crash, boom!

The echoes of collisions and explosions roared incessantly, shaking the four seas and eight wastes, reverberating through the Nine Heavens and Ten Earths!

Infinite light and energy surged from the site of battle, flooding across all directions!

Yet even as Yang Luo and the twelve unleashed their combined attacks, they were unable to destroy Light God Lord's defense!

Light God Lord stood silently within the light shield, coldly sneering: "With your meager strength, you think you can kill me?"

Who gave you that courage and audacity?"

"You damn old bastard, stop acting smug!"

Yang Luo's gaze was venomous as he shouted furiously: "Everyone, continue attacking!"

He then unleashed a series of devastating techniques including "Beast Blood Boiling," "Twelve Shaman Primal Heavenly Art," "Great Dao Dragon Diagram," and "Chaos Slaughter Array Map," charging fiercely forward!

Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts lunged forward!

The twelve Ancestral Witches surged to battle!

Ten Thousand Dragons Heaven Creation thundered forth!

The killing diagram reappeared, suppressing all!

“Titan Kill Tribulation!”

“Fate Reincarnation!”

“Eternal Divine Tower!”

Titan God Master, Maya God Lord, and Pharaoh God Master launched renewed assaults!

Massive black-gold thunderbolts descended from the heavens, striking fiercely at the Light God Lord!

Scarlet-gold divine light pierced through the void, shooting out with explosive force!

Towering pyramids spanning thousands of feet surged upward, hitting with overwhelming intent!

“Heaven and Earth Dragon Map!”

“Ten Thousand Demons Destroying the World!”

“Devouring Storm!”

“Eight Qilin Chaotic Sky!”

“Purple Qi Heavenly Net!”

...

Ji Qingcang, Tuoba Xiao, and the others unleashed their ultimate techniques, attacking relentlessly!

A colossal dragon map condensed to envelop the battlefield, suppressing everything, with tens of thousands of divine dragons roaring forth!

Thousands upon thousands of demons arose, wielding giant weapons, advancing in fury!

Dark storms imbued with devouring power swept forward relentlessly!

Eight Qilins unleashed torrents of wind, lightning, water, and fire, crashing fiercely!

Purple immortal chains intertwined into a massive net, enclosing the battlefield!

All these ultimate attacks combined, shaking the heavens so intensely that the void continually ripped apart, as if attempting to overturn the skies and oceans themselves!

Boom, boom, boom!...

Each wave of assault struck the nine-colored shield, triggering thunderous explosions that reverberated through the heavens, echoing far and wide!

The nine-colored shield trembled violently, yet remained intact!

Light God Lord's gaze turned icy as he summoned a nine-colored divine staff!

Gripping the staff, he waved it forcefully!

"Light God Explosion!"

In an instant!

BOOM!

The nine-colored shield surrounding him detonated, bursting forth like a dam breaking and an ocean roaring, sweeping toward all directions!

The layered attacks of Yang Luo and the twelve were utterly destroyed, erupting into a massive ball of energy!

All of them were blown away by the horrifying explosion, blood spraying across the battlefield!

Without the slightest pause, Light God Lord wielded his staff again!

“Taichu Divine Light!”

Swish, swish, swish!

Twelve beams of nine-colored light erupted with piercing brilliance, blasting toward Yang Luo and the twelve!

The divine power, Heavenly Dao power, and Power of Laws within these beams were so violently overwhelming that they seemed capable of eradicating all things!

Yang Luo and the twelve were struck by panic, hastily fortifying their defenses to resist, but they could not withstand the attack!

They were sent flying once again, blood spraying from their mouths, flesh torn and mangled!

Light God Lord strode toward Yang Luo and the others, speaking faintly: “Even if twelve of you join forces, so what?”

If you haven’t attained Golden Immortal status, you are no better than chickens or dogs!”

“Old man, I’ll fight you to the death!”

Titan God Master roared furiously, breaking through waves of energy tides, gripping his massive hammer with both hands, and striking fiercely at the Light God Lord!

This strike was terrifying, capable of shattering even the Thousand Mountains and Ten Thousand Valleys!

But Light God Lord retained a look of sheer contempt.

Raising his staff, he pointed it toward the heavens!

“Shield of Holy Light!”

In an instant!

A massive nine-colored light shield materialized, resembling a wall of light, blocking above him!

Clang!

The hammer violently struck the light shield, releasing a low, resounding crash!

Yet, the shield merely quivered and remained unbroken!

“Titan, though you possess brute strength by nature, do you truly think raw force can defeat me?”

Light God Lord sneered, swinging his staff again!

“Baptism of Light!”

Boom!

A massive nine-colored beam of light sliced through the firmament, descending fiercely upon Titan God Master!

Titan God Master was struck with dread, swinging his hammer upward in retaliation, but he was unable to resist the impact!

“Ugh...”

He let out a pained cry, his robust chest blasted open into a massive, bloody cavity, and he plummeted from the skies!

Chapter 2517: Can You Do It?

Boom! Boom! Boom!

His colossal body crushed a series of ancient boats, divine ships, and demon ships, before plunging into the ocean, setting off massive waves!

And just as the Titan God Master fell into the sea!

Yang Luo charged forward like an unrelenting madman!

With blood-drenched hands, he gripped the Dragon Emperor Sword tightly and slashed toward the Light God Lord with ferocious might!

“Slash!!!”

Shua!

A gigantic golden sword spanning thousands of feet tore through the heavens, severing the void, carving a massive arc of golden radiance in the sky!

This sword had no frills, merely a raw outpouring of power—ancient and desolate, yet grand and tyrannical!

And just as Yang Luo swung his sword downward!

Nine-colored divine light radiated fiercely from the Light God Lord’s body, instantly deflecting Yang Luo’s attack!

He raised his eyes toward Yang Luo and spoke indifferently: “Yang Luo, I know of you. You are the number one Heavenly Pride of the Three Realms and are hailed as its future Lord.

Your talent, comprehension, and potential are unparalleled.

I offer you a chance. If you are willing to become my slave, I will spare your life!”

“Shut up!!!”

Yang Luo clenched the Dragon Emperor Sword with unyielding grip, his arms surging with power as he slashed downward again toward the Light God Lord!

Under this strike!

The nine-colored divine light surrounding the Light God Lord began to crack layer by layer, but it still failed to harm him in any meaningful way!

“Since you refuse, I shall send you to the King of Hell!”

The Light God Lord’s gaze turned cold as his left hand conjured a colossal nine-colored palm, striking toward Yang Luo’s chest!

Yang Luo’s pupils contracted as he quickly raised his sword to block!

Clang!!!

With a sharp collision echoing through the air!

“Pfft...”

Yang Luo spat out a mouthful of blood, his body spiraling like a cannonball before crashing heavily onto a distant island with a thunderous boom!

“Little Luo!”

“Yang Heavenly Venerate!”

Ji Qingcang and the others cried out in alarm, their rage igniting like an inferno!

“Attack together!”

“Kill!”

With roars of fury, Ji Qingcang and nine others dragged their injured bodies and launched a frenzied assault on the Light God Lord!

And just as the ten of them charged forward!

“Roar!”

“Roar!”

Two earth-shaking howls erupted from the ocean below and a distant island!

The Titan God Master emerged from the ocean, wielding his massive hammer, charging once more at the Light God Lord!

Yang Luo rose from the island, his figure like a storm of lightning, streaking toward the Light God Lord with frenzied determination!

Over the following moments!

Yang Luo and the other twelve relentlessly launched fierce assaults against the Light God Lord!

Everyone pushed their powers to their limits, their momentum unleashed, Dharma Idols activated, Dharma artifacts summoned!

Even knowing the insurmountable gap between them and the Light God Lord, they showed no retreat nor surrender, choosing instead to fight to the death!

In the midst of the battle!

Other Heavenly Immortal Ancestors and celestial beings of the four divine clans ventured from afar, having slain the gods and demons of three races, and joined the fray!

The number of combatants against the Light God Lord rose from twelve to twenty!

Bang! Bang! Bang!...

Boom! Boom! Boom!...

Deafening explosions and collisions shook Heaven and Earth, resounded across all directions!

Vast waves of light and energy rippled outward, engulfing both sky and sea!

Time and again, Yang Luo and his allies were beaten back, only to charge forward again with savage ferocity, untamed bravery!

Blood splattered across the heavens, blooming like a field of crimson flowers!

After clashing for over a hundred rounds!

Seizing an opportunity, Yang Luo and the others laid down dozens of layered array formations, ensnaring the Light God Lord!

“Formation, activate!!”

After the formations were set, Yang Luo and the others activated them simultaneously!

The layers of formations erupted with fierce, overwhelming assaults, bombarding the Light God Lord relentlessly!

The Light God Lord relied on the Protective Divine Light surrounding him, warding off wave after wave of attacks!

With a venomous gleam in his eyes, he sneered loudly: “Do you think these formations can kill me? What utter folly!”

As he spoke, his body quaked, and blinding light burst forth from the center of his brow!

“Light Eternal, Wan Xiang Shen Mie!”

Boom!

Nine colossal beams of nine-colored divine light erupted from within him, surging in all directions!

Each beam carried terrifying might, enough to annihilate the mightiest of Heavenly Immortals!

The combined assault of the dozens of formations was obliterated in an instant!

In the blink of an eye!

Rumble! Rumble!

Dozens of formations shattered and exploded simultaneously!

Dazzling light and energy interwove into a massive ball of energy, detonating high above!

A towering mushroom cloud surged skyward, piercing the heavens!

Ji Qingcang gritted his teeth, growling: “Even all that couldn’t kill this bastard?!”

Baili Langya said gravely: “This being is clearly stronger than the Dark Demon Lord. Just relying on numbers won’t be enough to take him down!”

Yi Qiankun’s eyes flashed with determination as he declared: “If necessary, we may have to perish alongside him!”

Hearing Yi Qiankun’s words.

Yang Luo and the others had the same resolute look in their eyes.

In truth, they had long accepted the likelihood of dying in battle.

But even in death, they aimed for it to carry meaning.

If dragging the Light God Lord to his grave was possible, then so be it—their sacrifice would be worth it.

Just then.

A chilling voice echoed from above.

“Perish together? Do you think you’re capable of that?

Even if you were, do you believe I’d give you the chance?”

Yang Luo and the others snapped their eyes skyward!

They saw that, at some point, the Light God Lord had appeared above them, like an Ancient God descending to the mortal realm, coldly glaring downward!

“Comrades, let’s take this old bastard down!!!”

Yang Luo let out a furious roar, gripping the Dragon Emperor Sword tightly as he recklessly charged toward the Light God Lord above!

The Titan God Master, the Maya God Lord, the Pharaoh God Master, Ji Qingcang, and the others all soared skyward in unison!

Twenty figures shot toward the heavens, hair disheveled, clothes billowing, their bodies radiating brilliant immortal and divine light!

“Kill!!!”

In unison, the twenty roared, unleashing a terrifying combined attack!

Twenty strikes intertwined into radiant arcs, merging into a single energy blast, barreling toward the Light God Lord!

The Light God Lord raised his scepter once more, pointing downward!

“Light of Judgment!”

Boom!

A massive nine-colored beam of light erupted outward, colliding with the combined assault from Yang Luo and the others!

In an instant!

Rumble! Rumble!

Boom! Boom!

The two immense beams of light clashed violently, unleashing earth-shattering explosions that rocked the mountains and rivers!

In the aftermath of this exchange!

Yang Luo and the others were sent hurtling downward, spitting blood, shredded flesh raining from their battered forms!

The Light God Lord, too, was pushed skyward, his body bearing several newfound wounds, bleeding faintly!

Upon seeing this!

Yang Luo and the others felt a spark of joy in their hearts!

At last, they had managed to wound this monster!

Chapter 2518: Killing Array Traps Immortal God!

To think that from the start of the battle until now, there has been no way to shake the Light God Lord!

But the strike just now managed to hurt the Light God Lord—this sparked a sliver of hope in their hearts!

At this moment.

The Light God Lord steadied himself.

He lowered his head to glance at the few bloody gashes that had exploded across his chest, his brows furrowing.

Although they were merely flesh wounds, injuries that would heal quickly,

he had ultimately been harmed by these lowly ants.

This realization filled him with shame and fury, as though he'd been mercilessly slapped across the face.

"Senior, keep going!!!"

Yang Luo roared, forcing himself to endure the pain wracking his body, and once again charged toward the high heavens where the Light God Lord stood!

The Titan God Master and the others, dragging their wounded forms, also stormed forward with unyielding determination!

"You still want more?"

You lot truly seek death!!!"

The Light God Lord erupted in thunderous rage.

His entire body trembled as his momentum, pressure, and combat power surged to new heights!

His flowing silver-gray hair danced wildly, his opulent robe flapping sharply in the fierce winds, and his form radiated an even more dazzling nine-colored divine light!

Immediately, he lifted the Divine Wand in his hand and swung it violently!

“Light Divine Punishment Array!”

In an instant!

A colossal nine-colored light array coalesced in midair, ensnaring Yang Luo and twenty others charging toward him within its confines!

Formation patterns flowed, runes sparkled, and vast divine light illuminated heaven and earth, blinding and radiant!

“Break through!”

Yang Luo shouted in alarm, frantically assaulting the array while pressing outward!

The Titan God Master and the others also unleashed frantic attacks on the formation, desperate to break free!

Bang, bang, bang!...

Boom, boom, boom!...

Explosions and crashing impacts reverberated endlessly!

The entire nine-colored light array trembled violently, triggering a series of powerful eruptions!

Yet, this nine-colored light array was incomparably sturdy—it could not be breached!

The Light God Lord’s gaze was icy and sharp, his voice indifferent as he spoke: “Trapped by my killing array, you still dream of escaping? How utterly laughable!”

With those words, he waved the Divine Wand in his hand to activate the array!

At the moment the array came alive!

Rumble, rumble, rumble!

One after another, towering Radiant Divine Tablets rose into the air like mountain peaks of light, suppressing and killing Yang Luo and the others!

Massive nine-colored beams shot out, transforming into a vast sea of nine-colored light, aiming to obliterate Yang Luo and the others!

Countless angelic visions and divine apparitions materialized, charging forward in relentless assault!

“Aaaarghhh...”

Under the ferocious offensive of the nine-colored light array, Yang Luo and the others were unable to withstand the attack, crying out in harrowing agony!

“This isn’t good, Yang Heavenly Venerate and his group are trapped!”

“The God Masters are ensnared—quick, we must rescue them!”

From the distance, elder cultivators from two Immortal Realms and divine guards from four factions shouted in panic, charging toward the battlefield!

“Do you ants also seek death?”

The Light God Lord’s eyes flashed with malignity as he swung the Divine Wand in his hand!

“Light Blade!”

A flurry of countless nine-colored blades screamed through the air, brutally shredding the charging rescuers into bits, scattering their remains far and wide!

Meanwhile, at this moment,

Mo Yunfan, Qin Juechen, and the others locked in combat with the Dark Demon Lord were also trapped inside a new terrifying array!

This formation shimmered with demonic light, surging with rolling demonic qi, brimming with boundless killing intent!

Screams of anguish arose incessantly from within the array, chilling hearts to the core!

“Heh heh heh... Hahaha...”

The Dark Demon Lord let out a savage laugh, his gaze merciless as he gloated: “Wail, scream, weep... Then go die for me!”

With that declaration, he wielded his Demon Blade and infused the array with torrents of Dark Magic from deep within his being!

The array not only solidified further but its destructive power skyrocketed, its killing intent overwhelming!

At this very moment!

Yang Luo and company fighting the Light God Lord, and Mo Yunfan and company battling the Dark Demon Lord, were all caught in two killing arrays—utterly trapped with no escape!

Rescuers who came to their aid were mercilessly slaughtered by the Light God Lord and Dark Demon Lord!

The Light God Lord cast a frigid glance toward the battlefield where Tianyu God Master and Star Ruins God Master clashed, booming loudly: “Darkness, stop hesitating—kill them quickly and move to assist Tianyu!”

“Understood!”

The Dark Demon Lord nodded in response.

Without delay, both figures trembled, continually channeling their Light Divine Power and Dark Magic into the two arrays!

The killing arrays grew even more horrifying—had Yang Luo and the others not been Heavenly Immortals, they would undoubtedly be dead by now!

“Aaaarghhhhhhh...”

Piercing cries of torment echoed from the two killing arrays.

Many Heavenly Immortal Ancestors and gods were struggling fiercely—on the brink of being torn apart.

But, in this moment of peril!

Boom, rumble, rumble!

Boom, rumble, rumble!

Suddenly, thunderous rumbles rolled through the distant skies!

The sound was earth-shaking, spreading across the entirety of the Pacific Ocean, reverberating throughout the world!

Everyone engaged in battle froze, startled—they all turned to look!

High above in the distance, two enormous Void Caves erupted into existence, resembling two yawning black holes, terrifying to behold!

The next moment!

Boom, rumble, rumble!

A massive black-red fist and an enormous black-purple palm burst forth from the Void Caves!

The towering expanse of the heavens caved in dramatically, the skies shattering across a thousand-mile span!

The fist manifested Six Paths Phenomenon; the palm was encased in swirling Evil Energy, crashing heavily toward the two arrays!

The Light God Lord and Dark Demon Lord's expressions shifted drastically as they attempted to counterattack—too late!

In an instant!

Boom, rumble, rumble!

Bang, rumble, rumble!

The black-red fist smashed violently into the Light Killing Array!

The black-purple palm struck the Dark Killing Array with devastating force!

The sound of impact shook the heavens, resounding across Jiutian!

In less than ten seconds!

Boom, rumble, rumble!

The two killing arrays broke apart explosively, similar to the detonation of countless volcanoes—like the annihilation of unending stars!

The roar of the explosion reverberated across the world, its unleashed energy unimaginably dreadful!

The Light God Lord and Dark Demon Lord were flung away by the blast!

They were sent hurtling thousands of meters before they managed to stabilize themselves!

Both figures raised their eyes toward the Void Caves, their faces darkened with grim severity.

“Oh heavens, who just saved Yang Heavenly Venerate and his companions?!”

“That attack strength is incredible—it obliterated the killing arrays of the Light God Lord and Dark Demon Lord in an instant?!”

“Could there really be Golden Immortals on Earth?!”

“Golden Immortals... Earth actually has Golden Immortals?!”

All the cultivators shouted in exhilaration, their eyes fixed firmly on the two Void Caves.

Yang Luo and the others gasped heavily, also staring at the Void Caves.

However, Yang Luo had seen the colossal fist and palm emerge from the caves!

Those techniques were unmistakably the styles of Senior Gu and Senior Linghu!

Could it be... Senior Gu and Senior Linghu succeeded in their tribulation?!

If this is true... doesn't that mean Senior Gu and Senior Linghu have ascended to become Golden Immortals?!

In the moment everyone froze in shock!

Rumble, rumble, rumble!

The skies and seas of the Pacific Ocean shook violently!

All the small islands across the Pacific trembled amid the quake, and those already damaged collapsed directly into the ocean depths!

Under the watchful eyes of all!

Two figures stepped forth slowly from the yawning Void Caves...

Chapter 2519: Home!

Boom! Boom! Boom!...

Two figures emerged from two Void Caves, each step they took causing a tremendous quake across heaven and earth, shaking the eight directions!

Moreover, as the two figures took step after step, various phenomena began to unfold within the two Void Caves!

In one of the Void Caves!

Mountains of corpses piled high, Blood Sea surged wildly, and towering Fiend Celestials rose one after another, emitting earth-shattering roars!

Additionally, the phenomena of the Six Paths—Heavenly Path, Human Path, Asura Path, Beast Path, Hunger Ghost Path, and Hell Path—manifested, terrifying beyond compare!

In the other Void Cave!

Evil Energy soared high, Evil Sea surged, and black-purple mountains and palaces stood towering and majestic!

Visions of ancient evil gods also emerged, standing proudly in the sky, brimming with domineering aura!

The two figures walked out from within these various phenomena and appeared before everyone!

The arriving individuals were two elders—one exhibited mad dominance, the other exuded cold arrogance!

Though the two elders appeared aged, their presence was awe-inspiring, their gaze commanding the world, unrivaled and peerless!

As Yang Luo caught sight of the two figures!

He first froze, then gleefully exclaimed, “Senior Gu, Senior Linghu, you’ve come!”

“Hahaha...”

Zuo Canghai laughed heartily, excitedly declaring, “You two old geezers aren’t dead after all. Good, that’s great!”

Chu Junlin also set aside his earlier concerns, speaking boldly, “Brother Gu, Brother Linghu, it seems the two of you have completed the Golden Immortal Tribulation and stepped into the Golden Immortal realm, correct?”

In that moment!

Everyone present from the two Immortal Worlds was nothing short of overjoyed!

“So it’s Fiend Celestial Heavenly Venerate and Evil God Heavenly Venerate who have arrived!”

“I was wondering why these two weren’t showing up during this war—it turns out they were away transcending the Golden Immortal Tribulation!”

“Now that Fiend Celestial Heavenly Venerate and Evil God Heavenly Venerate have reached Golden Immortal, we have three Golden Immortals on our side. We might actually win this battle!”

“Fiend Celestial Heavenly Venerate, Evil God Heavenly Venerate, please showcase the might of the Three Realms!”

The cultivators cheered fervently, morale rising dramatically.

Earlier, having witnessed the extraordinary power wielded by Light God Lord, Tianyu God Master, and Dark Demon Lord, they had been utterly despairing.

Even though Star Ruins God Master and Yang Heavenly Venerate, among others, were fighting valiantly, it ultimately wasn't enough to hold the line.

But now, with Gu Tianshang and Linghu Wuxie's unexpected arrival, hope rekindled in their hearts.

Star Ruins God Master broke into laughter, declaring loudly, "I never thought Earth still had individuals capable of transcending the Golden Immortal Tribulation and entering the Golden Immortal realm. Remarkable!"

Maya God Lord sighed emotionally, "It seems we've underestimated these Earth cultivators!"

"Indeed!"

Pharaoh God Master nodded, "For them to break free of constraints and step into Golden Immortal in Earth's current state, achieving something so extraordinary—it's truly defiant of the natural order!"

"Hahaha..."

Titan God Master threw his head back in laughter, his mouth smeared with blood, and exclaimed excitedly, "I said we should trust these human cultivators!"

Joining forces with them was the wisest decision we've made!"

The divine guards of the Four Major Divine Clans were equally ecstatic!

In vivid contrast, the gods and demons of the Three Major Races gnashed their teeth in frustration!

They had assumed victory in this war was all but guaranteed!

Yet an unforeseen twist had emerged—Earth had produced not one but two Golden Immortals!

The faces of Light God Lord, Tianyu God Master, and Dark Demon Lord turned extremely grim!

At this point.

Light God Lord's eyes flickered as he looked towards Gu Tianshang and Linghu Wuxie, saying loudly, "Now that you have entered Golden Immortal, your ascension to the Upper World is within reach, where you may pursue an even greater Dao!

Once you ascend, Earth will become irrelevant to you.

Why, then, would you choose to fight us for the sake of humanity?"

Tianyu God Master added, "If the two of you are willing to leave now, we will offer no resistance!"

Dark Demon Lord squinted and spoke, "I urge you both to consider carefully—battling for humanity—is it truly worth it?"

They had naturally sensed Gu Tianshang and Linghu Wuxie's Golden Immortal cultivation.

Though the two had only just entered the phase, they were nonetheless genuine Golden Immortals.

If the confrontation escalated, taking them down would come at considerable cost.

Thus, their attempts to persuade the pair to withdraw.

After hearing their remarks.

“Humph!”

Bujie spat disdainfully and sneered, “These shameless imbeciles!

It’s obvious they’re trying to persuade the seniors to leave, knowing full well it would be troublesome to eliminate Senior Gu and Senior Linghu!”

Ning Jianfeng chuckled coldly, “If they weren’t shameless, how would they have started this war in the first place?”

The Three Realms’ cultivators and the divine guards of the Four Major Divine Clans all shared in the disdain.

However, Light God Lord and his two allies paid no mind, their eyes fixated solely on Gu Tianshang and Linghu Wuxie.

Gu Tianshang smirked and said mockingly, “Enough, you three can stop with the nonsense!

We were born of Earth, raised by Earth, and no matter what realm we ascend to in the future, Earth will always remain our home!

Your despicable ambitions to annihilate humanity and obliterate Earth—we will never condone it!”

Linghu Wuxie bellowed with conviction, “If we can’t even protect our own home, what use is all our strength?”

“Well said!”

“Fiend Celestial Heavenly Venerate and Evil God Heavenly Venerate never fail to embody righteousness and virtue—it’s truly admirable!”

“To think we once ostracized the seniors and branded them demons!

And yet now, they are the ones bravely defending the Three Realms—we are deeply ashamed!”

The cultivators of the two Immortal Worlds raised their voices in passionate acclaim, with some even harboring regret over their past hostility towards Gu Tianshang and Linghu Wuxie.

The divine guards of the Four Major Divine Clans looked upon the pair with newfound reverence!

Light God Lord’s face darkened, and he snarled viciously, “So, you’ve decided to fight, have you?”

“We must fight—not only to settle victory but to determine life and death!”

“You trespass upon our lands, invade our home, slaughter our people—you must be eradicated!”

Gu Tianshang and Linghu Wuxie roared their defiance.

“Good. Very good!”

Light God Lord laughed bitterly in his rage, declaring, “Though you may share our Golden Immortal cultivation, you’ve only just entered the realm and your progress is far from stable!

Killing you both may take extra effort, but it won’t be impossible!”

“Then come and try!”

Gu Tianshang, unable to contain himself, let out a furious roar and lunged at Light God Lord!

“Attack!”

Linghu Wuxie leaped forward as well, transforming into a streak of lightning, charging directly at Dark Demon Lord!

Having transcended the Golden Immortal Tribulation, they had witnessed firsthand the carnage—the countless bodies, rivers of blood, ruins scattered across the battlefield!

There were tens of thousands of dead cultivators!

And ordinary human deaths were beyond measure!

The scene was nothing short of a living hell, filled with cries and wails of anguish!

Thus, their hatred for the Three Major Races had become utterly boundless!

Light God Lord and Dark Demon Lord did not hesitate, instantly stepping forward to engage!

Everyone present fixed their gaze skyward!

In an instant!

The distance between them closed, initiating a fierce clash!

The Light God Lord brandished his staff, smashing it ferociously toward Gu Tianshang!

A colossal nine-colored giant staff crushed heaven and earth, split the void, like a nine-colored heavenly pillar pressing down on Gu Tianshang!

Gu Tianshang summoned the Fiend Celestial Halberd and struck back forcefully!

Firelight scattered wildly, energy danced erratically, the heavens and earth quaked!

Following this clash!

Gu Tianshang and Linghu Wuxie, the Light God Lord and the Dark Demon Lord, all four remained steadfast without taking a single step back!

The two battlefields where they fought had already completely collapsed and been obliterated, the terror unmatched!

“Kill!!!”

Linghu Wuxie and the Dark Demon Lord roared fiercely, charging at each other to engage in an earth-shattering duel!

Amid the ferocious battle!

The Dark Demon Lord swung his saber, roaring thunderously!

“Dark Blade Prison!”

Countless demon blades formed an enormous prison of swords, trapping Linghu Wuxie!
