

Super IDG 2521

Chapter 2521: Brave and Fearless!

Witnessing Gu Tianshang charging like a mad demon!

The Light God Lord was utterly shocked!

What is with this guy? He's simply not human, acting like a lunatic!

Moreover, this lunatic actually wields such unparalleled divine powers—it's terrifying!

Boom! Boom! Boom!

Gu Tianshang charged in, shattering vast sections of the Void, breaking apart the surging tides of energy!

The boundless Heaven and Earth quaked with every movement of Gu Tianshang!

Just as the Light God Lord was stunned!

Gu Tianshang was already upon him!

“Kill! Kill! Kill!!!”

With a maniacal roar akin to a fiend's or celestial's cry, he swung the halberd in his hand, slashing at the Light God Lord!

The myriad massive arms behind him clenched into fists, pounding towards the Light God Lord!

The huge halberd pressed down on Cangqiong, the titanic fists shattered the Void!

Countless fists rained down like meteorites, slamming toward the Light God Lord—domineering and horrifying!

The Light God Lord's heart trembled, his entire body shuddered, and he immediately conjured a massive nine-colored light shield, enveloping himself within!

Clang! Clang! Clang!

Thud! Thud! Thud!

The halberd swung by Gu Tianshang, paired with the fists unleashed, all struck the nine-colored light shield in a frenzy, unleashing a deafening rumble akin to rolling heavenly lightning!

Blinding light and destructive energy erupted from the shield, radiating dazzling beauty mingled with boundless destruction!

The Light God Lord's eyes glinted with malice as he thundered, "You've only just stepped into Golden Immortal! Thinking you can break my defenses? What a joke!"

"Break for me!!!"

Gu Tianshang unleashed another fiend-like roar, continuously swinging his massive halberd, hammering away with tens of thousands of fists, launching fierce attacks relentlessly!

Several minutes later!

Crack! Crack! Crack!

The nine-colored light shield conjured by the Light God Lord started to fracture, riddled with cracks as if it could explode at any moment!

A few seconds later!

Boom! Boom! Boom!

The solid, hefty nine-colored light shield exploded into smithereens!

However, just as it exploded!

The Light God Lord swung the Divine Wand in his hand, channeling immense divine power, smashing it against Gu Tianshang's chest!

Bang!

A muffled sound echoed!

Gu Tianshang's robust chest exploded with flesh and blood, shocking everyone with its horrifying brutality!

Keep in mind, after enduring the Golden Immortal Lightning Tribulation, Gu Tianshang had awakened the "Fiend Celestial Dominator Body," which had been strengthened countless times over!

Even if several Heavenly Immortal Perfected Stages attacked together, it would be difficult to harm him!

But, the Light God Lord, being a Golden Immortal, and exceptionally powerful, naturally could penetrate Gu Tianshang's Fiend Celestial Dominator Body!

Still, to the Light God Lord's astonishment!

Though this blow wounded Gu Tianshang, he didn't retreat. Like a towering mountain, he stood firm right before him!

Gu Tianshang didn't even express pain. His face twisted into a devilish madness!

Enduring the agony in his chest, he raised his left hand and gripped the Divine Wand in the Light God Lord's hand with a vice-like grip!

The Light God Lord was startled, "You..."

Gu Tianshang cruelly grinned, swinging his halberd with his right hand towards the Light God Lord's head!

"You!!!"

The Light God Lord's pupils contracted sharply, tilting his head at the last moment!

Slash!

The halberd struck heavily against his shoulder, tearing open a gruesome wound with flesh flying everywhere!

It must be noted, the Light God Lord's physique was incredibly special, being the "Light Divine Body," a legacy bestowed by the ancestors of the Holy Light Church, extremely resilient!

Yet, even so, his body was still injured by Gu Tianshang's strike!

"Ahhh!!!"

The Light God Lord let out a miserable howl, raising his left hand to deliver a powerful palm strike to Gu Tianshang's chest!

Bang!

Another muffled crash echoed!

Gu Tianshang's chest exploded into another mess of flesh and blood—a savage spectacle!

Under the force of this palm strike!

Gu Tianshang's body was sent flying backward, with a streak of blood oozing from the corner of his mouth!

Yet, Gu Tianshang still did not let out a single sound of pain!

“You bastard, weren't you going to kill me? Then come on!!!”

He forcibly steadied himself, roaring fiercely, wielding the Fiend Celestial Halberd, charging like a mad demon once more toward the Light God Lord!

“I will kill you no matter what!!!”

The Light God Lord was now equally unhinged, losing his previous composure, wielding the Divine Wand, charging furiously at Gu Tianshang!

Amidst the endless heights of the sky, the two unleashed a fierce, blood-soaked battle!

Their figures sped to such extremes, flickering like light and lightning, clashing ferociously in the skies above!

Their speed was so great that apart from Heavenly Immortals, nobody else could even discern their forms anymore!

Clang! Clang! Clang!...

Bang! Bang! Bang!...

Boom! Boom! Boom!...

Only the sounds of weapons colliding, fists and palms colliding, and energy exploding echoed across the high skies!

Meanwhile, as the two battled!

Blood frequently splattered from the skies above!

Some belonged to Gu Tianshang, others to the Light God Lord!

Bujie's mouth twitched, "My heavens, Senior Gu is too fierce, actually fighting the old geezer Light God Lord to this extreme!

Trading injury for injury, blood for blood—this is ruthless!"

Mo Qingkuang spoke in a grave tone, "But Senior Gu has only just stepped into Golden Immortal!

Senior Gu relies on this fighting style, which, while it can injure the Light God Lord, probably won't last much longer!"

Flame Emperor and the others also displayed looks of concern!

Gu Tianshang was a respected senior to them!

They did not want to see Gu Tianshang perish at the hands of the Light God Lord!

At the same time, aside from Gu Tianshang!

Linghu Wuxie had also fought until he was crazed, engaging in a blood-soaked battle with the Dark Demon Lord!

The Star Ruins God Master, inspired by the courage of Gu Tianshang and Linghu Wuxie, unleashed his full aura and full prowess, fighting madly against the Tianyu God!

The battle among the Golden Immortals had reached a fever pitch!

The Titan God Master thumped his chest, exclaiming in admiration, “These two are the embodiment of manliness, utterly domineering and savage!”

The Maya God Lord sighed, “Perhaps during the ‘War of the Gods’ back in ancient times, those Ancient Immortals were just as valiant and fearless!”

“Certainly!”

The Pharaoh God Master nodded and said, “Otherwise, how could those Ancient Immortals have triumphed in the ‘War of the Gods’!”

The gods of the four divine clans were deeply moved and utterly awestruck!

For years, they had looked down on the humans from Earth—even immortal cultivators were beneath their notice!

But this battle made them witness firsthand the fearlessness, bravery, and spirit of solidarity displayed by these humans and immortal cultivators!

And at that moment!

Boom!

Gu Tianshang and the Light God Lord had already fought their way out of Earth and into the Cosmic Starry Sky!

The two battled furiously, traversing the Void, from Earth all the way to the distant Moon!

Streaks of light and surges of energy clashed violently in the Void—utterly terrifying!

It's worth noting that Golden Immortals can survive and operate briefly in the Cosmic Starry Sky, unaffected!

This is one reason Golden Immortals can break the constraints of their plane and ascend to the Upper World!

At this moment!

Those watching above the Pacific Ocean were utterly stunned, their eyes wide in disbelief!

Across the entire globe, everyone was left slack-jawed, their bodies trembling uncontrollably!

No one could blame them—the sight before their eyes was beyond astounding!

Gu Tianshang and the Light God Lord had fought from Earth all the way to the Moon!

Were it not witnessed firsthand, no one would dare to believe such a reality!

Chapter 2522: Hope!

The satellites broadcasted the distant scenes from the Moon to the entire world.

Although the images were somewhat blurry, two blasts of radiant light colliding on the Moon could still faintly be seen.

“My God, this Eastern Immortal is unbelievably strong! He’s actually capable of battling that old monster evenly!”

“That’s right! Consider this: not long ago, Mr. Yang and the others weren’t even a match for the Light God Lord!”

“What’s even more remarkable is that this Eastern Immortal managed to fight that old monster all the way to the Moon! It’s too incredible!”

“So, it turns out humans can reach the Moon without piloting a spacecraft!”

“But the stronger this Eastern Immortal is, the more hope we have of winning this war!”

The people around the world gasped in astonishment, utterly boiling over with excitement.

Initially, upon seeing the arrival of the Light God Lord, Tianyu God, and the Dark Demon Lord ruthlessly drive Yang Luo and the others back step by step, they had collapsed emotionally, descending into complete despair!

But now, witnessing the arrival of Gu Tianshang and Linghu Wuxie and the display of their overwhelming might, they saw hope again!

Perhaps they really could win this battle!

They really could win!

People all over the world prayed silently, hoping that Yang Luo and the others could join forces with the Four Great Divine Guards to defeat these three powerful races and restore peace and stability to Earth!

At this moment.

High above the Pacific Ocean.

Yang Luo withdrew his gaze and grabbed another handful of pills, swallowing them down.

Taking a deep breath, he shouted, “Everyone, don’t just stand there!

Now’s the time to act—we take out these gods and demons of the three races first!

Afterward, we focus all our strength on the Light God Lord, Tianyu God, and the Dark Demon Lord!”

“Got it!”

“Let’s go for it!”

The Titan God Master, Maya God Lord, Pharaoh God Master, Ji Qingcang, and others nodded in agreement.

“Also, make sure to take these pills quickly—they can restore some qi and help heal your injuries!”

Yang Luo retrieved several bottles of pills from his storage ring and tossed them to the Titan God Master and the others.

“Thanks!”

The Titan God Master and the others expressed their gratitude before promptly taking the pills.

After swallowing the pills.

The Titan God Master smacked his lips and remarked, “Mr. Yang, these pills of yours truly work wonders!

I feel my injuries recovering faster, and my qi replenished significantly!”

The Maya God Lord and Pharaoh God Master were equally amazed.

Ji Qingcang chuckled and said, “Little Luo here happens to be one of the most renowned alchemists in the two Immortal Worlds!

It’s only natural that the pills he concocts are incredible!”

“I see.”

The Titan God Master, Maya God Lord, and Pharaoh God Master nodded in understanding, their gaze toward Yang Luo filled with admiration.

Yang Luo roared, “Everyone, let’s move out—charge together!”

“Alright!”

The Titan God Master and the others responded in unison, then joined Yang Luo in rushing toward the remaining gods and demons of the three powerful races!

Thus, under the encirclement of the Heavenly Immortal Ancestors from the two Immortal Worlds and the godly forces of the Four Great Divine Guards!

The gods and demons of the three races were slaughtered one after another, leaving only a dozen survivors!

These remaining gods and demons wouldn't last much longer either!

"Seniors, show no mercy—destroy them all!"

Yang Luo roared ferociously and charged toward the dozen gods and demons!

The battle had reached this climactic point, and there was no room for retreat or compromise!

Every last god and fiend celestial of the three races had to be wiped out!

The three powerful races had already killed billions across Earth and the Three Realms!

These monsters deserved to die thousands, even tens of thousands of times over!

"Kill!"

"Kill them all!"

"Finish them off!"

The Heavenly Immortal Ancestors from the two Immortal Worlds and the gods of the Four Great Divine Guards surged forward with Yang Luo like a relentless tide, swarming the dozen gods and demons!

The combined forces of the two Immortal Worlds and the Four Great Divine Guards exceeded over eighty Heavenly Immortal warriors, an overwhelming presence that blotted out the skies!

Even though they were all severely injured, Heavenly Immortals remained Heavenly Immortals and could still unleash formidable combat power!

As Yang Luo and the Heavenly Immortals advanced!

The dozen gods and demons were virtually paralyzed with fear!

“Run! Run as fast as you can!”

“They’ve outnumbered us—there’s no way we can withstand their assault!”

“Damn it! We were so close to victory, but why did these two monstrous old geezers suddenly appear!”

The gods and demons shouted in rage and panic, desperately hoping to escape.

“Surround them—don’t let them get away!”

Yang Luo roared furiously, charging forward, his sword a whirlwind of furious strikes!

“Great Dao Dragon Diagram!”

“Beast Blood Boiling!”

“Twelve Shaman Primal Heavenly Art!”

“Chaos Slaughter Array Map!”

Yang Luo unleashed a flurry of devastating techniques!

The Great Dao Dragon Diagram revolved, releasing boundless dragon qi and dragon might. Tens of thousands of dragon illusions emerged, roaring ferociously!

The Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts stood tall, their howls piercing the heavens, charging forth!

The twelve Ancestral Witches rose impressively, heads touching the sky, feet stomping the void, battling with supreme ferocity!

The Slaughter Map condensed into a golden firmament, crushing down relentlessly!

“Urgh...”

Under Yang Luo’s tempestuous onslaught, a god could no longer hold out, letting out a miserable scream before bursting into a pool of blood and flesh—their Essence Soul completely annihilated!

The Heavenly Immortal warriors of the two Immortal Worlds and Four Great Divine Guards encircled the remaining gods and demons, sealing off their escape routes!

“Titan’s Hammer, Heaven and Earth Shattering!”

The Titan God Master swung his massive hammer, hurling it at the gods and demons!

Huge black-gold hammers shattered the skies, pulverized the void, and smashed down like towering mountains!

“Bu Xiu Divine Sword, Tearing Heavens, Splitting Earth!”

The Maya God Lord raised his divine sword, roaring out!

A colossal scarlet-gold sword thousands of feet long descended powerfully, ripping through the heavens!

Countless scarlet-gold flying swords erupted, streaking forth explosively!

“Pharaoh Divine Burial, Destroy the World!”

The Pharaoh God Master swung his divine wand, roaring furiously!

Golden beams of light pierced through the heavens, hurtling toward the gods and demons!

“Nine Heavens Dragon Gate, Ten Thousand Dragon Soaring!”

Ji Qingcang trembled with energy, his bloodline power surging violently!

Nine enormous dragon gates, each thousands of feet high, rose like mountains, majestic and vast!

“Roar! Roar! Roar!”

With the activation of the nine dragon gates, nine colossal divine dragons roared and surged forth!

“White Tiger’s Chaotic World, Roar Against the Heavens!”

With explosive intensity, Baili Langya unleashed his energy and bloodline power entirely!

A vast rainbow-colored Thunder Sea churned within the sky, conjuring thousand-feet-high waves, surging relentlessly!

“Roar! Roar! Roar!”

Tens of thousands of lightning-born white tigers emerged, standing atop the Thunder Sea, charging fiercely!

Under the combined onslaught from Ji Qingcang and the others, another god and demon collapsed, obliterated instantly!

BOOM BOOM BOOM!

Explosions echoed incessantly, shaking the heavens and earth!

Their physical bodies and Essence Souls were simultaneously shattered into smithereens!

But no one slowed their momentum—instead, they pushed forward with an unrelenting offensive, summoning all their energy!

The hatred for the three powerful races had long reached its peak!

If the three races managed to invade Earth, the Three Realms wouldn't have turned into a living hell!

Chapter 2523: Deciding Both Victory and Defeat, and Life and Death!

“Vermillion Bird Descends, Flaming Phoenix!”

“Black Tortoise Stepping Sky, Ten Thousand Miles of Ice!”

Tantai Qian Chuan and Yi Qiankun both unleashed the energy and bloodline power within their bodies, launching a ferocious assault!

High above the sky, raging flames ignited, transforming into an expansive Fire Sea!

A colossal Vermillion Bird, thousands of meters in size, soared across the Fire Sea, spreading its wings to fly high!

An immense icy ocean swept over Heaven and Earth, surging upward, freezing everything in sight!

A towering Black Tortoise, thousands of meters tall, stood in mid-air, stepping onto the icy ocean and charging upward!

All the other Heavenly Immortal Ancestors and the gods of the Four Divine Guards also launched their most powerful attacks, striking with relentless deadly moves!

Having so many Heavenly Immortals join the fray was truly terrifying—no one beneath the Golden Immortal realm could withstand it!

“Ahhhhh...”

“Divine Master, save us!”

“Demon Lord, help us!”

A dozen or so remaining gods and heavenly demons fought desperately in resistance, but they simply couldn't withstand Yang Luo and the others' ferocious assault. Voices hoarse, they cried out for help.

Yet, the Light God Lord was already battling Gu Tianshang on the Moon and couldn't return in time!

Meanwhile, Tianyu God Master and Dark Demon Lord were locked in combat with Star Ruins God Master and Linghu Wuxie, leaving them unable to intervene!

“Quick, hurry and assist!”

“Hurry and rescue our gods and heavenly demons!”

The gods and demons of the three major races shouted furiously, with some breaking through the siege and rushing in this direction.

“Still trying to save them? Die—all of you!”

Yang Luo’s eyes gleamed coldly as he roared.

He abruptly stomped down with immense force!

BANG!

Heaven and Earth shuddered violently, and the void beneath his feet collapsed on a large scale!

Seas churned tumultuously, unleashing massive tsunamis!

Various attribute energies erupted from his body, striking at the approaching gods and demons!

Blazing flames roared intensely, morphing into a raging Fire Sea that surged upward!

Streaks of nine-colored lightning bolts split the heavens like lightning dragons, crashing downward!

Howling gales swept across Heaven and Earth, forming tornadoes that tore upward!

Piercing ice condensed into a frozen ocean, surging outward, freezing Heaven and Earth!

Other attribute energies also transformed into deadly attacks, assaulting the gods and demons coming to rescue!

“Uh...ahhhhhh...”

The tens of thousands of gods and demons rushing to the rescue let out miserable cries of agonizing pain, being completely annihilated!

As those rescue parties failed even to get close,

The dozen trapped gods and heavenly demons were overwhelmed with despair and collapse!

Even if they wished to escape, there was utterly no way out!

“Counterattack! Fight back quickly!”

“If we must, then let’s die fighting!”

The gods and heavenly demons went utterly mad, launching wave after wave of furious attacks in a desperate counterstrike!

Boom, boom, boom!...

Crash, crash, crash!...

A series of strikes collided violently in the sky, echoing with thunderous impacts and explosions!

The vast firmament was blasted apart on a large scale, and enormous portions of the void cracked under the chaos!

Dazzling lights and an overwhelming surge of energy intertwined in the skies, spreading in every direction!

Even as these gods and heavenly demons resisted madly, they still failed to fend off the ferocious onslaught of Yang Luo and so many Heavenly Immortals!

“Ahhhhhhh...”

Amid piercingly agonizing screams beyond measure,

BOOM BOOM BOOM!

One after another, the gods and heavenly demons exploded in the sky!

Their Essence Souls, too, could not escape, detonating amidst the sky!

In just a few mere rounds!

Half of the dozen gods and heavenly demons had already fallen!

Yang Luo appeared mad, roaring aloud: “Seniors, don’t stop, keep going, KILL!!”

“KILL!!!”

Titan God Master, Maya God Lord, Pharaoh God Master, and Ji Qingcang joined the chorus of deafening roars!

Everyone continued unleashing their most powerful attacks, determined to slaughter the remaining gods and heavenly demons entirely!

Meanwhile, high above in the skies far away...

BOOM BOOM BOOM!

BOOM BOOM BOOM!

Amid rumbling explosions!

Four figures were simultaneously blasted away!

Soon, the four stabilized their positions, standing off against one another, with cold glints in their eyes and killing intent surging!

These four were none other than Linghu Wuxie, Star Ruins God Master, Dark Demon Lord, and Tianyu God Master!

Although all four bore injuries, their blood staining their robes red, none of them seemed to care!

Tianyu God Master's gaze turned frosty as he spoke loudly: "The two of you are no match for us. If this battle continues, you will surely perish!

I'm giving you one last chance—leave this place immediately, and we can settle our grievances once and for all!"

Dark Demon Lord added with chilling malice: "Achieving Golden Immortal status isn't easy. Don't let your stubbornness ruin everything!"

After clashing with Linghu Wuxie and Star Ruins God Master,

They had realized the incredible strength of the duo.

Continuing the fight might ultimately lead to defeating them, but at the cost of most of their own lives.

This was unquestionably too big of a loss.

Linghu Wuxie raised his saber and roared: “If you think we’ll withdraw from this war, it’s impossible!

This battle—is to decide both victory and life or death!”

Star Ruins God Master added coldly: “As long as we draw breath, we will fight you to the bitter end!”

“If that’s what you want, then so be it!”

Tianyu God Master’s face darkened as he growled: “But don’t blame us later for sparing no mercy when you’re slain!”

With that, he brandished his black spear, his body quaking as his aura and might erupted, activating his Dharma Idol!

Dark Demon Lord likewise trembled, unleashing a greater surge of aura and battle power, activating his Dharma Idol!

Their Dharma Idols stood towering like colossal giants, exuding an indomitable presence!

Linghu Wuxie and Star Ruins God Master didn’t hesitate either—they activated their Dharma Idols in response!

Their Dharma Idols rushed upright, reigning supreme over the heavens and earth!

Upon activating their Dharma Idols!

“Attack!”

Linghu Wuxie and Star Ruins God Master simultaneously gave the command.

Their Dharma Idols advanced with a step, wielding enormous black spears, charging to battle!

“Attack!”

Tianyu God Master and Dark Demon Lord issued their orders.

The Dharma Idols of the two also moved, launching their offensive!

In the blink of an eye!

BOOM BOOM BOOM!

The four Dharma Idols clashed fiercely in the sky, unleashing Heaven and Earth Shattering impacts!

Under this cataclysmic collision, all four Dharma Idols were forced backward, crushing the collapsing void beneath their feet!

But soon enough, the Dharma Idols steadied and resumed their fierce engagement!

As the Dharma Idols contended!

Tianyu God Master raised his black spear and shouted fervently: “Twelve Ancient Gods of Ragnarök!”

In an instant!

Twelve towering giants appeared, each resplendent and imposing, exuding an aura of supreme dominance, as if the Ancient Twelve Gods had descended upon the world!

“Ten Kill Ancient Demon-Descent!”

Dark Demon Lord likewise waved his saber, roaring mightily!

Amidst roaring sounds echoing beyond measure!

Ten towering giants emerged, each savage and volatile, their demonic qi surging as though Ancient Demon Lords were reborn!

In this moment!

Tianyu God Master and Dark Demon Lord seemed to summon ancestral Heroic Spirits to battle, radiating strength both overwhelming and terrifying!

Chapter 2524: You Also Deserve to be Called the Strongest?

Behold, the towering figures of Ancient Gods and Ancient Demon illusions rising to the heavens!

Linghu Wuxie and the Star Ruins God both wore icy expressions, their auras surging explosively, their combat strength soaring!

“Nine Death Evil God-Descent!”

Linghu Wuxie stomped down from the sky!

Rumble! Rumble! Rumble!

The Void shattered and fractured!

Nine colossal giants, tens of thousands of feet tall, rose one after the other. Each exuded an air that swallowed the world, unmatched in dominion, and radiated an overwhelming aura of evil, as if the Ancient Nine Great Evil Gods had descended upon the mortal realm!

“Ancestors’ Heroic Spirits·Guard me!”

The Star Ruins God also shook violently, letting out a thunderous roar!

Above him, twelve colossal giants, each tens of thousands of feet tall, emerged one by one, as if the twelve ancient gods of the Mayan and Atlantean Races had descended upon the mortal plane!

At this moment.

The silhouettes of countless Ancient Immortals, Ancient Gods, and Ancient Demon illusions stood proudly in the skies stretching thousands of miles!

Immortal light dazzling, divine light shimmering, demonic light piercing—an awe-inspiring spectacle!

Then, Linghu Wuxie and his three companions swung their weapons with thunderous shouts!

“Kill!!!”

The Nine Evil Gods charged straight toward ten Ancient Demons!

The twelve Atlantean Ancient Gods clashed ferociously with the twelve Ancient Gods of Tianyu!

In an instant!

Bang! Boom!

Crash! Thunder! Roar!

An endless cacophony of earth-shaking collisions and explosions erupted into a symphony of destruction!

One by one, the colossal giants exploded high in the air, transforming into sweeping tides of energy and light that surged uncontrollably in every direction!

The boundless firmament was utterly obliterated, vast sections of the Void shattered, and everything nearby was reduced to pulverized fragments!

Over this endless expanse of the skies, the radiance and energy merged into a wild, boundless sea of energy, surging uncontrollably above!

Yet Linghu Wuxie, the Star Ruins God, the Tianyu God, and the Dark Demon Lord pushed through the raging torrents of energy beams, charging toward their foes with relentless fury!

“Evil God Nine Killings Seal!”

“Star Ruins Burial Tablet!”

Linghu Wuxie and the Star Ruins God unleashed their devastating killing moves!

The Nine Directions Seal flew out, each seal engraved with Evil God Totems and ancient runes, like nine massive mountains, suppressing and killing toward the Dark Demon Lord and Tianyu God!

Twelve colossal divine steles materialized, embodying the sun, moon, and stars, descending in unison to crush their targets!

“All Gods Destruction!”

“Dark Demon Chaos!”

The Tianyu God and the Dark Demon Lord retaliated with their most powerful ultimate strikes.

Twelve enormous purple-gold beams of light, tens of thousands of feet long, pierced through the heavens and the Void, colliding with the twelve towering steles!

Countless giant trolls loomed in the air, charging toward the Nine Directions Seal!

All four combatants, Golden Immortal-level experts, dared not show the slightest complacency—each attack an unyielding killing move!

In the blink of an eye!

Bang! Boom! Bang!

The Nine Directions Seal clashed with countless giant trolls!

The twelve divine steles collided with the twelve beams of light!

The roars echoed across Jiutian and quaked the ten lands!

Crash! Boom!

Under this horrifying clash, deafening explosions erupted relentlessly, resounding throughout the world!

Linghu Wuxie, the Star Ruins God, the Dark Demon Lord, and the Tianyu God pushed through waves of energy and light, continuing their assault on each other!

The battle grew fiercer and bloodier!

Neither side showed mercy, their objective only annihilation!

At this moment.

High above the Moon.

Bang! Bang! Bang! ...

Boom! Boom! Boom! ...

A series of collision and explosion sounds reverberated across the vast starry sky!

Gu Tianshang and the Light God Lord clashed continuously in mid-air, their battle shaking heaven and earth, causing the Void to tremble!

The unleashed energy and light scoured the Moon's surface, blasting massive craters and hurling rubble and dust into the air!

Nobody could count how many rounds of intense combat had passed!

Amidst a deafening "Boom! Bang!"

Both Gu Tianshang and the Light God Lord were blasted through the air, leaving trails of blood in their wake!

They were sent flying thousands of meters before regaining their balance!

In the earlier intense exchange!

Both were covered in wounds, their bodies battered and blood-stained, their robes soaked crimson, hair in disarray!

Though their bodies healed rapidly, it couldn't keep up with the damage inflicted!

"Huff... Huff..."

Gu Tianshang gasped heavily, drenched in sweat and blood.

His relentless attacks had dealt significant damage to the Light God Lord, but the toll on himself was monumental.

After all, he had just stepped into the Golden Immortal stage; his cultivation was still unsteady. Reaching this point was already a monumental feat.

The Light God Lord's condition, though better than Gu Tianshang's, was similarly chaotic, his aura in disarray.

Gripping his halberd tightly, Gu Tianshang raised his gaze to the Light God Lord, low and venomous:
"Come on, keep going!!!"

The Light God Lord glared at him fiercely, his face distorted in fury as he roared:

"Kill!!!"

Brandishing his Divine Wand, he stepped forward with a ferocious charge toward Gu Tianshang!

"Kill!!!"

Gu Tianshang, wielding his halberd, stepped forward like a mad demon, rushing furiously toward the Light God Lord!

As they advanced toward each other, both simultaneously unleashed their Dharma Idols!

Gu Tianshang, with his Dharma Idol beside him, swung his halberd with all his might in a downward strike!

The Light God Lord, accompanied by his Dharma Idol, retaliated by hurling his Divine Wand in a fierce offensive!

Rumble! Rumble! Rumble!

The massive halberd and gigantic staff wreaked havoc upon heaven and earth, shattering the Void and unleashing utter devastation!

In an instant!

Bang! Boom!

The colossal halberd and enormous staff collided with a force that shook the heavens, sending shockwaves rippling in all directions!

Colossal energy beams blasted outward in all directions!

The meteors drifting above were knocked down and shattered into fragments!

The lands below were struck again, forming new massive craters!

The Moon's already pitted surface grew ever more punctured and scarred!

Mountains in the distance were obliterated into rubble, stones flying in every direction, dust surging!

The unleashed energy and radiance struck Gu Tianshang and the Light God Lord directly!

Blood and flesh burst from their bodies, making for a scene of unparalleled terror!

Yet, the combatants seemed utterly unfazed, driving forward with relentless weapon strikes and ferocious assaults!

Clang! Clang! Clang! ...

Boom! Boom! Boom! ...

The clashing of weapons and the roaring of colliding energies reverberated continuously!

After dozens more unforgiving rounds of combat!

The two were again blasted apart, their Dharma Idols shattering in the sky!

After tens of rounds of relentless clashes!

Both warriors carried even graver wounds, their faces and hair streaked in blood!

"Damn it!"

The Light God Lord grew more furious, more unhinged, roaring: "I am the strongest among all divine and demonic races—how can I fail to kill a lunatic like you?!"

“The strongest, you say?”

Gu Tianshang sneered disdainfully, his voice booming: “You might be strong in the Lower Plane, but in the Upper Plane, what are you really?”

“Moreover, can you even guarantee killing me today? You dare call yourself the strongest?”

“Arghhhhh!!!”

The Light God Lord roared in utter rage, his aura and strength surging once more, his form shining with blinding nine-colored divine light!

He stood dominating the skies, letting out a thunderous declaration!

“Twelve Angels·Hear my command!”

In an instant!

The chanting of angels echoed in the skies!

Under the radiant divine light, twelve angels emerged, each armed with distinct weapons, their wings flapping as they radiated pure, holy brilliance!

They appeared just like the twelve most ancient and powerful angels descending upon the mortal world...

Chapter 2525: Persist Until the Last Moment!

However, after summoning twelve angels!

The Light God Lord did not stop but instead chanted an incantation, roaring resoundingly!

“Twenty-Four Light Ancient Gods, descend!”

In an instant!

Twenty-four towering illusions of Light Ancient Gods, shimmering with various divine lights and each as colossal as the heavens, rose up. They wielded various weapons with expressions cold and unfeeling!

“Kill him!”

The Light God Lord waved the Divine Wand in his hand, shouting fiercely!

Twelve angels and twenty-four Light Ancient Gods moved simultaneously, charging toward Gu Tianshang!

Gu Tianshang did not evade or retreat but instead channeled the boundless energy within him, letting out a heartfelt roar!

“Six Paths Demon Technique!”

“Twelve Ancestral Magi!”

In the blink of an eye!

Twelve colossal Ancestral Magi emerged, as imposing as gods and demons standing high above. Fiend Celestial Energy surged magnificently, an unstoppable force!

“Crush them!”

Gu Tianshang raised the halberd in his hand, pointing forward!

The twelve Ancestral Magi moved in unison, charging ahead!

Though there were only twelve Ancestral Magi, the aura and dominance they unleashed were in no way inferior to the twelve angels and twenty-four Light Ancient Gods!

Boom! Boom! Boom!...

Bang! Bang! Bang!...

The sounds of collisions and explosions echoed endlessly, resounding across the entire moon!

One by one, Ancestral Magi, Light Ancient Gods, and angels exploded high in the sky!

The energy unleashed by the explosions reached a terrifying extreme!

The void fractured, the ground collapsed, mountains crumbled!

Light, energy, debris, and dust intertwined, forming what appeared to be a massive mushroom cloud surging upward!

Both Gu Tianshang and the Light God Lord were blasted away by the energy of the explosions!

Yet, the two steadied themselves once again and charged back toward each other!

However, due to prolonged combat in the cosmic starry sky, both felt their bodies nearing their limits!

And so, as they battled fiercely, they flew away from the moon, heading straight for Earth!

At this moment.

Above Earth, the Pacific Ocean.

Shouts of killing, screams of agony, wails of despair, and roars echoed ceaselessly!

The clash of weapons, collisions of energy, and the exchange of immortal techniques and divine arts reverberated without pause!

The entire Pacific Ocean battlefield was in utter chaos, a scene of devastation everywhere!

A multitude of corpses floated atop the sea, along with fragments of ancient boats, Divine Ships, Demon Ships, and war chariots!

The seas were stained blood-red in countless regions!

This was a battlefield of blood atop the vast ocean, and the dirge of death played on uninterrupted!

However, with the Three Realms Practitioners joining forces with the gods of the Four Divine Clans, their combat power multiplied exponentially!

The gods and demons led by the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan had already been slaughtered by more than half!

Now, only tens of thousands remained holding their ground!

At this moment!

Rumble!

A thunderous explosion erupted from the distant skies above!

A massive ball of energy burst open in the air, transforming into Raging Sea Violent Waves, surging in all directions!

When the light and energy finally dissipated!

A vast void cavity spanning thousands of miles had been blasted open in the skies!

Countless cracks spread across the heavens and the earth, utterly terrifying to witness!

Yang Luo, alongside two Heavenly Immortal Ancestors from the Immortal World and the gods of the Four Divine Clans, stood in the skies, panting heavily!

They were all bloodied and scarred, their qi nearly depleted to the brink of exhaustion!

Prolonged combat had pushed everyone to the edge of collapse!

Yet, they still forced themselves to remain standing, refusing to falter!

After all, the battle was not yet over!

Yang Luo raised the sword in his hand, shouting in a thunderous voice: "Everyone, the gods and Heavenly Demons of the three major clans have already been slaughtered to the last!

The battle has reached its final critical juncture; I urge you all to persevere until the end!

We will claim ultimate victory in this war!"

“Yes!!!”

All the Heavenly Immortal Ancestors and the gods of the Four Divine Clans responded loudly.

“Victory! Victory! Victory!...”

The Three Realms Practitioners and the gods of the Four Divine Clans raised their arms and shouted loudly, passionately united.

Although everyone was already exhausted to the extreme, none was willing to give up, prepared to fight to the last!

“It’s over... all the gods and Heavenly Demons have been killed!”

“Could it be... could it be that we are truly going to lose this battle?!”

“Impossible... as long as the Divine Masters and Demon Lords are undefeated, we still have hope!”

“That’s right... the final victory will undoubtedly belong to us!”

The gods and demons of the three major clans were overcome with anguish and fury.

Yet, they continued to cling to hope!

After all, the Light God Lord, the Heavenly Universe God, and the Dark Demon Lord were still here!

As long as the Divine Masters and Demon Lords remained, they might still turn the tides!

Yang Luo wiped sweat and blood off his face, gritting his teeth as he said: "Elders, let's go and assist Senior Linghu and the Star Ruins God!"

"Alright!"

The Titan God Master, Maya God Lord, Pharaoh God Master, and Ji Qingcang all responded in unison.

Just as they were about to make their way toward the Heavenly Universe God and Dark Demon Lord!

Suddenly!

Rumble!

A deafening explosion tore through the skies above!

Everyone's eyes turned upward.

Two figures pierced through the atmosphere, descending directly from the vast cosmic starry sky into the skies above the Pacific Ocean!

These two figures were none other than Gu Tianshang and the Light God Lord!

However, both were drenched in blood, their bodies ravaged with wounds, and both had sustained severe injuries!

Yang Luo exclaimed in shock: "Senior Gu and that old fiend, the Light God Lord, have returned!"

Ji Qingcang said in alarm: "Unthinkable... the savagery of the battle that Brother Gu and that wretch, the Light God Lord, endured on the moon is unimaginable!"

Baili Langya frowned: “Brother Gu’s injuries are too severe; his state is far worse than the Light God Lord’s. I’m afraid he cannot hold on much longer!”

Yang Luo’s gaze turned icy as he shouted harshly: “We must lend aid!

Otherwise, Senior Gu, Senior Linghu, and the Star Ruins God might be defeated!”

“Agreed!”

“Let’s fight to the death!”

“I refuse to believe that with so many of us joining forces with Brother Gu, we cannot slay these three fiends!”

Everyone nodded in agreement.

Soon, Yang Luo and all the Heavenly Immortals charged upward, reaching the skies thousands of miles high, gathering near Gu Tianshang, Linghu Wuxie, and the Star Ruins God.

Opposite them, standing in midair, were the Light God Lord, the Heavenly Universe God, and the Dark Demon Lord.

The faces of both sides were twisted with malice, and their eyes gleamed with explosive killing intent, each side desiring nothing less than to shatter the other into pieces.

“Divine Masters! Demon Lords... all the gods and Heavenly Demons have been slaughtered by them!”

“We beg the Divine Masters and Demon Lords to avenge us!”

“Show no mercy—kill them all! Annihilate them completely!”

The gods and demons of the three clans roared furiously.

The Light God Lord, the Heavenly Universe God, and the Dark Demon Lord swept their gazes over the scene, their expressions darkened to an extreme.

Dead!

All the gods and Heavenly Demons were dead!

Now, the peak combat forces of the three clans had been reduced to just the three of them!

An unending tide of rage surged within their hearts!

The Light God Lord hissed venomously: "Tianyu, Dark, there's no need to hesitate anymore. Invoke the Ancestor Artifacts!

We must annihilate every last one of them!"

Chapter 2526: The Might of the Ancestor Artifact!

"Good!"

Tianyu God Master and Dark Demon Lord responded in resonant voices.

Originally, they had planned to use the Ancestor Artifacts to extract the Spirit Veins of Earth.

After all, using the Ancestor Artifacts would consume an enormous amount of their own energy.

But now, they had no choice but to summon the Ancestor Artifacts ahead of schedule.

There was no other way; their top forces on this side were all dead.

Even their followers were nearly wiped out.

Thus, they had to use the Ancestor Artifacts to eliminate all the cultivators on Earth and the members of the Four Divine Clans.

“Not good!”

Star Ruins God Master’s face changed drastically, exclaiming in alarm, “Stop them! We mustn’t let them summon the Ancestor Artifacts!”

“What are Ancestor Artifacts?!”

Yang Luo asked in bewilderment.

The Titan God Master replied, “The ancestors of the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan each left behind a Dharma artifact!

They are the stabilizing artifacts of the Light God Realm, Tianyu Divine Realm, and Dark Demon Realm, imbued with awakened Artifact Spirits and wield unimaginable power!”

Maya God Lord said solemnly, “They intend to summon the Ancestor Artifacts now to annihilate all of us!”

Pharaoh God Master said in horror, “Once they summon the Ancestor Artifacts, I’m afraid none of us will be able to rival them!”

Yang Luo's expression immediately darkened in shock, "Then what are we waiting for? Quickly stop them!"

"Kill!"

Gu Tianshang roared with murderous intent, wielding his halberd and charging forward!

"Together! Kill!!"

Linghu Wuxie and Star Ruins God Master also brandished their weapons and surged into battle!

Yang Luo, the Titan God Master, and everyone else followed tightly behind!

As everyone charged forth, determined to stop them!

The Light God Lord, Tianyu God Master, and Dark Demon Lord activated all the energy within their bodies and swept their hands outward!

"Light Guardian Formation!"

"Myriad Gods Formation!"

"Dark Demon Domain Array!"

In an instant!

Three supreme protective arrays manifested, transforming into three colossal Light Shields, enveloping the trio within!

The shields were incomparably solid, with formation patterns circulating and runes flashing, their defense unbelievably strong!

After fortifying the protective arrays!

The Light God Lord, Tianyu God Master, and Dark Demon Lord sliced open their palms, scattering their blood essence into the skies!

Soon after, the three began chanting incantations!

The chant echoed through Heaven and Earth, spreading across all directions, unsettling the hearts of everyone engaged in battle in the distance!

“Destroy their arrays!”

Star Ruins God Master roared, thrusting his spear fiercely at the three grand formations!

Gu Tianshang and Linghu Wuxie mobilized the energy within them, launching relentless attacks on the arrays!

Yang Luo, the Titan God Master, and everyone else did not hesitate, unleashing an onslaught of bombardments!

Bang, bang, bang!...

Boom, boom, boom!...

The relentless sound of thunderous collisions and explosions resounded through the skies!

Blinding radiances and surging energy spread out from the points of impact, sweeping across all directions!

A minute later!

Rumble!

The first protective array was breached, detonating into a wild and violent burst of energy and light!

Two minutes later!

Rumble!

The second protective array was also broken, and even more energy and light spread outward, engulfing Heaven and Earth!

“This is bad!”

Star Ruins God Master was anxious and distressed.

Yang Luo asked, “Don’t your ancestors have any Ancestor Artifacts left for you?”

“No, they don’t!”

Star Ruins God Master sighed deeply but then caught himself and said, “Wait, our Atlantis ancestors did leave behind an Ancestor Artifact.

However, it’s a defensive artifact, not very powerful offensively!”

The Titan God Master replied, “Star Ruins, we can’t afford to care about that right now. Quickly summon the Ancestor Artifact!

Otherwise, we're all doomed!"

"Alright!"

Star Ruins God Master nodded firmly and said, "Continue your assault while I summon the Ancestor Artifact!"

"Understood!"

Yang Luo and the others emphatically agreed and resumed their attacks.

Star Ruins God Master quickly retreated!

He too sliced open his palm, scattering his blood essence into the heavens, chanting incantations!

Within just a few more moments!

Rumble!

The protective array established by the Light God Lord was also breached!

However, at the very moment the third grand formation exploded!

The Light God Lord, Tianyu God Master, and Dark Demon Lord all simultaneously bellowed!

"Light God Bell!"

"Tianyu Divine Tower!"

“Dark Demon Cauldron!”

As their voices resounded!

Rumble!

In the void above them, a series of deafening explosions erupted!

The next second!

Three massive void caves burst open overhead!

Dazzling divine light and demonic light shot forth from the void caves, illuminating Heaven and Earth!

Ancient and desolate auras surged outward from within, filling everyone with unease!

In the blink of an eye!

A nine-colored divine bell, a twelve-level Zijin-colored divine tower, and a dark demon cauldron emerged from the caves!

These were none other than the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron!

The Light God Bell bore engravings of ancient godly totems and runes, exuding an archaic yet majestic aura!

The Tianyu Divine Tower, with its twelve layers, glimmered with divine radiance, its surface adorned with ancient godly totems and runes!

The Dark Demon Cauldron had twin ears and three legs, covered with carvings of Ancient Demon totems and runes, surrounded by searing demonic light and rolling demonic qi!

Crucially, these three Ancestor Artifacts seemed almost alive, radiating immense and overwhelming pressure and energy that left everyone on the battlefield trembling with fear!

The Light God Lord's gaze turned icy, and he thundered, "Being able to force us into this position is truly an achievement!

But now, it's time for everything to end!"

Tianyu God Master said grimly, "With the Ancestor Artifacts summoned, even a Golden Immortal won't escape death now!"

"Hahaha..."

The Dark Demon Lord laughed wildly, "With the Ancestor Artifacts by our side, your demise is inevitable!"

Gu Tianshang's expression became grim as he said, "These three Dharma artifacts are no ordinary items; everyone, be cautious!"

"Understood!"

Yang Luo and the others nodded emphatically.

"Attack!"

Gu Tianshang roared thunderously, charging forward, wielding his halberd and launching a ferocious assault on the Light God Lord trio!

Yang Luo and the rest also surged forth, initiating their strongest attacks!

Nearly a hundred strikes were launched simultaneously, shaking Heaven and Earth and obliterating everything around them with terrifying might!

However, at the very moment the overwhelming barrage was about to strike!

The Light God Lord swept his hand outward!

Buzz!

The Light God Bell trembled violently, ringing out like the toll of cosmic chimes, unleashing ancient soundwaves!

Rumble!

The mere soundwaves emanating from the bell were immensely powerful, obliterating many of the attacks unleashed by Yang Luo and the others!

“Arghhhhh...”

Faraway elders of the Three Realms and gods of the Four Divine Clans cried out in anguish, blood pouring from their seven apertures, dropping dead in succession!

Many elders and gods exploded into pools of flesh and blood, scattering gruesomely in the air, a scene of utter horror!

Even Yang Luo and all the Heavenly Immortals struggled painfully, their essence blood surging, faces contorted in agony!

Only Gu Tianshang, Linghu Wuxie, and the Star Ruins God Master, who was summoning an artifact, managed to endure!

Yet, even as they resisted, the Light God Bell erupted with waves of blinding divine light, imbued with formidable divine power and devastating force!

Chapter 2527: Endless Despair!

At this moment.

The Tianyu God, along with the Dark Demon Lord, waved their hands mightily and activated the Tianyu Divine Tower and the Dark Demon Cauldron!

Rumble! Rumble! Rumble!

The Tianyu Divine Tower and the Dark Demon Cauldron trembled violently!

Blinding divine light and demonic light burst explosively from the tower and the cauldron!

Illusions of Ancient Gods and Ancient Demons emerged one after another, surging forth into battle!

At this moment.

The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron launched a simultaneous onslaught, unleashing devastating, annihilating powers that were utterly terrifying!

The heavens quaked, the earth shuddered, the skies collapsed, the void was torn apart, and Qiankun was destroyed!

“Counterattack!!!”

Gu Tianshang roared, launching a counteroffensive!

Linghu Wuxie and the others also unleashed their counterattacks, resisting the ferocious assault of the three Ancestor Artifacts!

Furthermore, everyone summoned their Dharma artifacts to clash head-on!

But the power of these three Ancestor Artifacts was overwhelmingly strong, utterly unbreakable and indestructible!

All their attacks were crushed, and their magical relics were reduced to dust!

Yang Luo gripped the Dragon Emperor Sword tightly and slashed furiously, initiating his strongest offensive strike!

He also summoned the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror to join the fray!

“Roar! Roar! Roar!”

Tens of thousands of golden, black, purple, and blue dragon illusions roared into existence!

Dazzling immortal light burst out in every direction!

Dragon talismans filled the sky, surging forward to suppress and annihilate!

But to Yang Luo’s shock!

The offensive power unleashed by the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror was completely destroyed!

However, the four Dharma artifacts remained unshaken, their durability unparalleled; they were only forced back repeatedly by the tremors!

To the likes of Ji Qingcang and the others, this was nothing surprising!

Yet the gods of the four Divine Races were utterly stunned!

“Mr. Yang’s four artifacts are incredibly formidable, perhaps even comparable to those three Ancestor Artifacts!”

“But why is it that Mr. Yang’s four artifacts can’t match the power of those three Ancestor Artifacts?”

“What’s going wrong here?”

The gods of the four Divine Races began discussing in astonishment.

Yang Luo turned to Gu Tianshang and Linghu Wuxie: “Senior Gu, Senior Linghu, try wielding my four artifacts yourselves!”

“Alright!”

The two nodded in agreement. They forcefully activated the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror, launching a fierce counterattack!

“Roar! Roar! Roar!”

More Holy Dragon illusions roared out, blotting out the sky, shattering the void, as if intent on obliterating everything!

More dragon talismans spewed forth from the four artifacts, forming a vast sea of talismans surging upward!

Additionally, streams of Law Immortal Chains shot forth, resembling dragons themselves, sweeping across the battlefield!

“Hmph! Overestimating yourselves!”

The Light God Lord sneered as he continued activating the Light God Bell to launch another assault!

The Tianyu God Master and Dark Demon Lord also relentlessly wielded the Tianyu Divine Tower and Dark Demon Cauldron, pressing the attack!

BOOM! BOOM! BOOM!

Their strikes collided in the air, triggering one earth-shattering explosion after another!

Even though Yang Luo’s four artifacts unleashed even more ferocious and frenzied power under Gu Tianshang’s and Linghu Wuxie’s control,

they still couldn’t withstand the relentless onslaught of the three Ancestor Artifacts and kept being forced further back, nearly reverting to their original forms!

The Light God Lord sneered coldly: “Boy, stop struggling!”

“Your four artifacts are indeed extraordinary!

However, their artifact spirits are dormant and haven’t awakened!”

“If their artifact spirits were awake, perhaps even our Ancestor Artifacts may not stand a chance!”

“But as things stand, your four artifacts are only slightly stronger than ordinary Immortal Magical Artifacts!”

When Yang Luo heard this!

It suddenly dawned on him!

Yes, Senior Xinghe and the others had mentioned this before!

The artifact spirits of the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror had gone into slumber due to a past great battle and couldn’t awaken!

No wonder, even with Seniors Gu and Linghu wielding them, they still couldn’t resist the three Ancestor Artifacts!

Yang Luo asked urgently in his mind, “Seniors, those three old men have activated their Ancestor Artifacts with such overwhelming power!

Is there any way to awaken the artifact spirits of the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror?”

Long Xinghe replied, “We currently have no way to awaken these artifact spirits. Our Primordial Spirit Power is still far too weak!”

Long Tianchi cursed furiously, “Damn it! If I could awaken the artifact spirit of the Primordial Dragon Stele, these three so-called Ancestor Artifacts would be smashed in an instant!”

Long Daoyi sighed, “I never expected these three to possess such artifacts, let alone awakened artifact spirits. We’re utterly powerless in the face of this.”

Long Youlan commented, "It seems that the ancestors of these three races were no ordinary beings either!"

Hearing the thoughts of Long Xinghe and the others,

Yang Luo felt a bitter ache in his heart.

Was there truly no way out?

Who would have thought they'd be suppressed by mere artifacts from the opposition?

It was a blatant reminder that they themselves simply weren't strong enough!

Otherwise, how could they let artifacts dominate the battle?

At that moment.

The Light God Lord mocked, "Enough floundering in futility! Prepare to meet your end together!"

He raised the Divine Wand in his hand again and continued to unleash the full might of the Light God Bell!

The Tianyu God Master and Dark Demon Lord all raised their weapons, intensifying their control over the Tianyu Divine Tower and Dark Demon Cauldron!

Even fiercer and more frenzied power erupted from the three Ancestor Artifacts, annihilating their way toward Yang Luo and his allies!

"Aaaaaargh..."

Many Heavenly Immortal Ancestors and gods of the four Divine Races could no longer endure, being blasted away into the ocean or crashing onto distant islands!

Yang Luo and the others desperately fought back, resisting with all their lives, but were still forced back step by step!

At this moment.

The Dark Demon Lord roared viciously, “Don’t let any of these people escape!”

“Naturally!”

“They all must perish!”

The Light God Lord and Tianyu God Master nodded, continuing to wield their Ancestor Artifacts.

The attacks unleashed by the three Ancestor Artifacts became even more terrifying!

Rays of divine light and demonic light shot out like torrents!

Chains of Law, both divine and demonic, surged forth like storms!

Countless illusions of Ancient Gods and Ancient Demons emerged, charging in all directions!

Yang Luo, Gu Tianshang, and their allies continued to retreat under relentless attack. Heavenly Immortal Ancestors and gods collapsed one by one, falling either into the ocean or onto the islands!

Anyone who fell was rendered incapable of further combat, unable to even rise!

“Urrghhhh...”

In the distance, elders and gods screamed in agony as they were slaughtered without pause!

The death toll rose rapidly—within just minutes, tens of thousands of elders and gods had perished!

Yang Luo cried out hoarsely, “Everyone, retreat now! Fall back!”

The cultivators of the Three Realms and the gods of the four Divine Races retreated despite their anguish and reluctance!

But no matter how far they fled, annihilation pursued them without mercy!

“Hahaha...”

“All of you, die for me!”

“Despair, collapse! This is the fate that awaits anyone who dares to defy gods and demons!”

The Light God Lord, Tianyu God Master, and Dark Demon Lord all laughed wildly, their arrogance and delight reaching new heights.

Chapter 2528: Breakthrough in Despair!

Yang Luo, Gu Tianshang, Linghu Wuxie, and others were consumed with hate but utterly powerless!

They could only barely resist the Ancestor Artifacts unleashed by the Light God Lord and his two allies, unable to rescue anyone else!

All they could do was watch helplessly as their comrades, who had fought alongside them, were mercilessly slaughtered!

“Ahhhhhh...”

“Pfft, pfft, pfft...”

Yan Luange, Song Zhixin, Dongfang Ruoshui, Bujie, Xu Ying, and Mo Qingkuang were all hit by the overwhelming onslaught of the three Ancestor Artifacts!

Heart-wrenching screams pierced the air as fresh blood sprayed from their mouths and splattered across their bodies, soaking the shorelines and staining the sea!

The scene was beyond words!

A battle soaked in blood!

The epitome of despair!

“Senior Sister, Second Senior Sister, Fifth Senior Sister, Bujie, Xu Ying...”

“Ahhhhhh!

Damn it! You all deserve to die! You all deserve to die!!!”

Yang Luo roared like a beast driven to madness, his chest igniting with flames of fury at their zenith!

Strength!

I need more strength!

I must become stronger!

I must protect my brothers!

The screams in his soul grew deafening, his will seething with rage!

And at that moment!

BOOM!

An explosive sound like thunder erupted from his dantian!

“ROAR!!!”

He tilted his head skyward and bellowed, his cry echoing like a thunderous dragon roar!

Instantaneously!

BOOM!

A colossal golden beam of light erupted from his body, piercing through the heavens, ripping apart the Void, and surging into the Starry Sky Universe!

An even brighter and more dazzling golden radiance shimmered from him, golden flames blazing fiercely in his eyes!

His blood-soaked hair danced wildly, his tattered, bloody long robe fluttered in the air. He radiated unparalleled dominion and unmatched terror!

RUMBLE!

The Void around him collapsed entirely!

At this instant, Yang Luo resembled a Fiend Celestial breaking free from the Nine Nether Hell!

“A breakthrough... Little Luo’s cultivation just broke through?!”

“My heavens... Little Luo actually achieved a breakthrough during the battle?!”

“Unbelievable... This is simply unbelievable!”

“Could it be that his potential was ignited by this despair... and he attained a breakthrough?!”

Ji Qingcang and the others who were resisting fiercely gasped in shock, overwhelmed.

Gu Tianshang, Linghu Wuxie, and the Titan God Master were equally astonished.

Especially the gods and demons of the three races, who were utterly dumbfounded!

The Dark Demon Lord’s face contorted in disbelief, “This brat achieved a breakthrough in the midst of combat?! Is he even human?!”

The Tianyu God Master’s expression darkened, “How could a freak like this be born on Earth?!”

The Light God Lord’s brows twitched incessantly.

But he remained composed and stated calmly, “No need to worry—even if this brat broke through, he is merely at the Heavenly Immortal Perfected Stage.

Mere Heavenly Immortal Perfected Stage—can he truly challenge us?

Even if he advances to Golden Immortal, what could he possibly accomplish?

We have the Ancestor Artifacts behind us; there's no storm he could stir!"

The Tianyu God Master and Dark Demon Lord nodded and regained their composure.

"Kill!!!"

Yang Luo let out a deafening roar, gripping the Dragon Emperor Sword tightly, charging madly toward the Light God Lord and the other two!

BOOM, BOOM, BOOM!...

The barrage of attacks unleashed by the three Ancestor Artifacts exploded violently, shattering waves of energy and light!

Yang Luo endured the blows of their unleashed force directly, advancing still. His flesh was blasted apart in chunks!

Yet he didn't seem to care in the slightest, not even making a sound, as he continued his relentless charge!

In an instant!

Yang Luo closed the distance to the three leaders, slashing furiously with his sword!

SWISH!

The enormous golden sword, spanning tens of thousands of meters, swung with an overwhelming might, slicing through waves of energy and surging toward the three!

Shock overtook the Light God Lord and the others; clearly, they hadn't anticipated Yang Luo would get so close!

The trio frantically activated their Ancestor Artifacts, projecting brilliant rays and forming three supreme barriers to shield themselves!

CLANG!!!

Yang Luo's sword collided viciously with the barriers, unleashing a reverberating impact echoing across Jiutian!

However, the defenses formed by the three Ancestor Artifacts were far too robust, unyielding under his strike!

Meanwhile, relentless counterattacks from the Ancestor Artifacts rained upon Yang Luo, ripping his flesh and scattering it in all directions!

The Light God Lord sneered, "Brat, what difference does your breakthrough make? Can you overcome our defense?"

"Break for me!!!"

Yang Luo didn't respond but roared furiously, gripping the Dragon Emperor Sword with blood-streaked hands, and swung it with all his might!

Suddenly!

CRACK, CRACK, CRACK!

The first barrier formed by the Ancestor Artifacts began to fracture, lines of cracks spidering across its surface, as if it would shatter at any moment!

“What?!”

The Tianyu God Master’s face turned pale with shock, “This brat can actually penetrate the defense etched by the Ancestor Artifacts?!”

“How immense is his potential?!”

The Dark Demon Lord was equally stupefied.

“Attack!”

The Light God Lord’s hair surged in a whirlwind as he swung his Divine Wand!

The Tianyu God Master and Dark Demon Lord joined in, unleashing their weapons!

Two beams of divine light and one blast of demonic light shot forth, slamming mercilessly into Yang Luo’s chest!

“Pfft!”

Yang Luo spat out a large mouthful of blood as his body, along with the Dragon Emperor Sword, was sent flying backward!

“Little Luo!”

“Yang Heavenly Venerate!”

“Brother Yang!”

Gu Tianshang and everyone else cried out in alarm.

The Light God Lord and his allies pressed their advantage, continuously empowering their Ancestor Artifacts, ready to utterly annihilate Yang Luo!

They couldn’t afford to delay—Yang Luo posed too great a threat, and he had to be eliminated immediately!

Suddenly!

The Star Ruins God Master shouted from the rear, his voice booming!

“Crystal Divine Coffin!”

At that instant!

BOOM!

A massive rupture tore through the Void above, unleashing a magnificent blue-gold crystal coffin that expanded rapidly to tens of thousands of meters, eclipsing the heavens and the earth!

The crystal coffin shone brilliantly, its surface adorned with intricate, ancient totems of gods and mystic runes!

Wisps of ancient, primordial aura spread outward, enshrouding the heavens!

“Protect!”

The Star Ruins God Master activated the Crystal Divine Coffin without hesitation!

Blinding rays of blue-gold light emanated from the coffin, forming an immense Light Shield that enveloped Yang Luo and everyone else!

BOOM!

The overwhelming attacks from the three Ancestor Artifacts slammed against the Light Shield, generating deafening roars!

But—thankfully—the shield held!

“Little Luo, are you alright?!”

“Little Luo, how are you?!”

Gu Tianshang and Linghu Wuxie hurriedly supported Yang Luo.

Everyone else gazed at Yang Luo anxiously.

Yang Luo swallowed the blood pooling in his mouth, weakly shaking his head: “I’m fine...”

At this moment.

Across the sky.

The Light God Lord narrowed his gaze and sneered: “Star Ruins, your ancestor’s Crystal Divine Coffin is indeed formidable!

But no matter how strong the Crystal Divine Coffin is, can it withstand the assault of our three Ancestor Artifacts?

Even with the coffin, how long do you think you can endure?”

The Tianyu God Master mocked derisively: “You’re merely grasping at straws as you teeter on the brink of death.”

“Even if you struggle, how long can you last?”

The Dark Demon Lord taunted with a sneer.

The Light God Lord boomed, “Leave no room for hesitation—continue the onslaught! Break their defenses and annihilate them completely!”

“Understood!”

The Tianyu God Master and Dark Demon Lord agreed vehemently!

Chapter 2529: A Fight to the Death!

The Light God Lord, Tianyu God, and Dark Demon Lord did not hesitate for even a moment; they continued to activate the Three Great Ancestor Artifacts!

Buzz, buzz, buzz!

Rumble, rumble, rumble!

The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron trembled violently, unleashing an even more terrifying assault!

Blinding beams of divine light and demonic light shot out continuously from the Three Great Ancestor Artifacts!

Chains of Law Divine Chains and Law Demon Chains erupted from the artifacts, each one as massive as a dragon—unspeakably terrifying!

Even more runes flooded the air, while countless Ancient Angels, Ancient Gods, and Ancient Demon illusions surged forth to attack!

In addition to unleashing the Ancestor Artifacts!

The Light God Lord, Tianyu God, and Dark Demon Lord launched an all-out assault, charging toward Yang Luo and the others!

Dong, dong, dong! ...

Boom, boom, boom! ...

Wave after wave of powerful strikes bombarded the light shield formed by the Crystal Divine Coffin!

The assault was relentless, with crashes and explosions ringing out in succession, accompanied by bursts of energy and blinding light!

Yet, the Crystal Divine Coffin, famed for its defensive prowess, withstood this onslaught wave by wave!

The runes dancing on the coffin shimmered, sending ripples outward like mysterious waves of water, surreal and profound!

The Star Ruins God said solemnly, “Everyone, although the Crystal Divine Coffin’s defense is strong, it won’t hold against repeated attacks from the Three Great Ancestor Artifacts!

Hence, we must heal and recover immediately!

When the coffin's defense finally falls, we need to be battle-ready!"

Yang Luo nodded and said, "Senior Xingxu is absolutely right. Everyone, focus on recovering now!"

As he spoke, Yang Luo took out all the pills he had for healing and Qi replenishing and distributed them to everyone!

The group quickly swallowed the pills, beginning their recovery!

At the same moment.

Across the heavens above.

The Light God Lord sneered. "At a time like this, you're still thinking about recovering?

Even if you had time to heal, how much strength could you muster?"

The Tianyu God said coldly, "What's the point? Why not just embrace your fates and accept death?"

The Dark Demon Lord spoke viciously, "Recover? Keep dreaming!"

With that, the Dark Demon Lord activated the Dark Demon Cauldron again, sending a barrage of ferocious strikes forward!

The Light God Lord and Tianyu God also continued activating the Light God Bell and Tianyu Divine Tower, unleashing one fierce attack after another!

Ka-boom!

Rumbling thunder!

The deafening crash of strikes and explosions echoed incessantly!

Blinding light and surging energy radiated outward in all directions!

The skies above the Pacific Ocean were in utter disarray. Holes and fractures spread everywhere from the relentless bombardments!

The Three Realms practitioners and the deities of the Four Divine Clans, all covered under the light shield, clenched their fists tightly and stared resolutely at the heavens above!

“If the defenses break, we’re all doomed!”

“Yang Heavenly Venerate, Fiend Celestial Heavenly Venerate, Evil God Heavenly Venerate, and all the Heavenly Immortal Ancestors are preparing for the final battle. We cannot falter!”

“Yes! If it comes down to it, even sacrificing our lives would be worth it!”

The practitioners of the Three Realms and deities of the Four Divine Clans roared out, their eyes filled with resolve as they braced themselves for the last stand.

On distant islands.

Bujie and Xu Ying, along with other recovering practitioners, rested with the help of their rescuers.

Though they yearned to fight again, their injuries were too severe, leaving them too weak to even stand.

After all, they were not Heavenly Immortals; without boundless qi reserves to sustain them, even the pills brought no more than minimal relief.

Ji Longyue asked bitterly, “Can we truly win this battle?”

At Ji Longyue’s question, silence fell over the group.

None of them could muster a reply, their confidence wavering with the overwhelming strength of the enemy.

Their foes were simply too powerful.

Moreover, those enemies wielded such mighty Dharma artifacts, leaving their chances painfully slim.

Bujie gritted his teeth and declared, “Brothers and sisters, stop doubting! We *will* win this battle!

Brother Yang, Senior Gu, Senior Linghu, and the others have not fallen yet!

As long as they stand, there remains hope for victory!”

Ning Jianfeng nodded in agreement. “Brother Bujie is right. We must believe in Brother Yang and our seniors!

They *will* lead us to victory!”

Flame Emperor also spoke up. “Through countless battles and hardships, we’ve endured together on this journey!

And under Little Luo’s guidance, we have persevered!

Little Luo will once again create a miracle, win this battle, and unveil the dawn of hope for the Three Realms!”

Xiang Kunlun gazed into the distant skies and said, “Brother Yang is the very embodiment of miracles. I believe he, alongside our seniors, will triumph in this war!”

“Yes!”

The group nodded firmly, all gazing toward the distant heavens, hearts still filled with hope.

At this moment.

People across the globe fixed their eyes on the screens, watching this monumental battle with bated breath.

“Mr. Yang, please lead everyone to victory!”

“Great hero, you’re the legend of humanity, an undefeated myth. We believe in you!”

“Divine Emperor, you **must** win this battle!”

Voices of prayer and shouts of encouragement resounded worldwide.

At the same time.

Tens of thousands of miles high in the air.

Ka-boom!

Rumbling thunder!

The clashing and exploding sounds reverberated continuously!

Vast amounts of light and energy erupted in the sky, blasting skyward into the heavens and downward into the ocean depths!

The entire high-altitude battlefield was engulfed in a chaotic storm of light and energy!

As waves of attacks erupted endlessly from the Three Great Ancestor Artifacts!

As relentless strikes from the Light God Lord, Tianyu God, and Dark Demon Lord tore through the skies!

Crack, crack, crack...

Creeping cracks began to form across the defensive light shield created by the Crystal Divine Coffin!

Even the Crystal Divine Coffin itself trembled violently, its radiant divine light dimming significantly!

The Star Ruins God, seeing this, cried out in alarm, “Not good! The Crystal Divine Coffin is about to give out!”

Gu Tianshang took a deep breath and said, “If that’s the case, then let’s go all in!

If we can drag them down with us, the Three Realms can be preserved—humanity’s civilization will live on!”

Linghu Wuxie declared with unwavering resolve, “Even if we give everything we have, we must protect the Three Realms, protect our home!”

Yang Luo exclaimed in a booming voice, “Everyone, prepare for a final, decisive battle!”

“Understood!!!”

All responded loudly, their eyes burning with an unyielding resolve.

Each of them made their peace with sacrifice.

If they could annihilate the Light God Lord, Tianyu God, and Dark Demon Lord, what did death matter?

...

Meanwhile.

In the Kunlun Ruins.

On the South Continent.

Near Immortal Furnace Mountain.

Tens of thousands of practitioners gathered near the mountain, recovering and healing from their wounds.

Beyond the living, all across the mountain range lay corpses, painting the landscape in blood-soaked tragedy.

The mountain ridges, rivers, and forests bore countless scars, reduced to ruins by unrelenting devastation.

Everywhere, massive abyss pits marred the once fertile earth; entire forests lay shattered, rivers and lakes stood dry.

Two days ago, though the Central Continent bore the brunt of the battle, the fires of war had swept through the other Four Continents as well.

Countless practitioners perished—corpses stacked high, rivers of blood flowing across the land, and agonized wails filling the air.

Chapter 2530: Disturbances in Two Realms!

“I wonder how the battle in the secular world is going. Did Yang Heavenly Venerate and the Heavenly Immortal Ancestors defeat those three major races!”

“There’s no doubt about it, we are bound to win this battle!”

“That’s right, those three major races were slaughtered by the Heavenly Immortal Ancestors, leaving them in disarray. They’re no match for us at all!”

“If we truly won, why hasn’t anyone returned yet?”

“Could it be that we didn’t win this battle?”

“Let’s quickly heal and recover, then go to the secular world to find out!”

The elders who were healing were chatting.

Although they all felt confident about winning this battle.

They still felt a bit uneasy inside.

After all, it’s been two days since everyone chased the three major races, yet there’s been no news.

But at that moment!

Rumble, rumble!

In the distance, Immortal Furnace Mountain suddenly began to tremble violently, as if it had been summoned by something!

As Immortal Furnace Mountain trembled, nearby mountains also began to quiver, like a massive earthquake had been triggered!

“What’s going on?! Why is Immortal Furnace Mountain suddenly shaking?!”

“Could it be that a treasure is being born on Immortal Furnace Mountain at this time?!”

“That can’t be right, Immortal Furnace Mountain only gives birth to treasures once every ten years, and it’s not time yet!”

“Then what in the world is happening now?!”

Everyone looked toward Immortal Furnace Mountain and started discussing in shock.

Rumble, rumble!

However, Immortal Furnace Mountain’s tremors became even stronger, causing myriad mountains, vast lands, rivers, and forests to quiver more violently!

Mountains shook and collapsed, rivers surged with raging waves!

Only a few minutes had passed!

Boom! Boom!

Immortal Furnace Mountain directly rose from the ground, slowly ascending into the air!

“Good heavens, how did Immortal Furnace Mountain start flying?!”

“Can anyone tell me what’s happening now?!”

Exclamations echoed one after another, and everyone was dumbfounded, watching in shock.

But, what happened next caused even more astonishment!

Once Immortal Furnace Mountain reached mid-air, the rocks on its walls began to fall off wildly!

Large boulders rolled down, and clouds of dust swept up to the sky!

Until the moment all the rocks fell!

It was evident that Immortal Furnace Mountain was no longer a mountain, but had transformed into a furnace!

The furnace was massive as a mountain, radiating gold-red light, exuding an ancient, profound aura!

On its surface were engraved ancient runes and patterns, blazing with fierce flames!

The temperature of these flames was extremely high, even those several miles away felt a terrifying heat!

The space was burned to the point of distortion and rupture, everything around was reduced to ash!

The entire area where the furnace was located was illuminated, the firelight bright and dazzling!

This scene deeply shocked the tens of thousands present!

“What is this...? What is happening?!”

“Immortal Furnace Mountain... turned out to be a furnace?!”

“So... Immortal Furnace Mountain is a Dharma artifact?!”

“Moreover... it seems this artifact is quite extraordinary... perhaps it’s beyond the level of an Immortal Item!”

Everyone was dumbfounded, speaking with difficulty.

“Everyone, look over there!”

“Oh my, what is that?!”

“It looks like a furnace!”

Elders from far away were also alerted and gazed in this direction.

But, at the moment when everyone was shocked!

Boom! Boom!

The furnace seemed to have its own consciousness and directly shattered a section of space!

The space exploded into a huge void cave, while the furnace turned into a streak of fire light, escaping into the void, disappearing before everyone's eyes!

Everyone watched the slowly healing void cave in silence, unable to process for a long time.

Were it not for space breaking open, were it not for Immortal Furnace Mountain disappearing, everyone wouldn't dare believe what they had just seen...

...

At the same time.

Penglai Immortal Island.

Tian Shou Island.

Eight Trigrams Mountain territory.

Numerous elders were also recovering and healing here.

After all, the spiritual energy here at Eight Trigrams Mountain is very abundant, suitable for recovery and healing.

Moreover, aside from the intact Eight Trigrams Mountain territory, the surroundings have long since been devastated, with corpses everywhere and the earth stained red with blood.

"This battle was truly tragic, who knows how many people from Penglai Immortal Island died!"

“Those three major races were utterly detestable, utterly cruel, they had no human compassion!”

“I hope the heroes and warriors of Penglai Immortal Island and Kunlun Ruins join forces to exterminate those three major races!”

With faces full of sorrow, the elders sighed deeply and prayed in their hearts.

But as they were speaking.

Suddenly!

Rumble, rumble!

The territory of Eight Trigrams Mountain, tens of thousands of high mountains, started shaking violently!

Aside from the mountains, patches of forests and rivers also began to tremble!

Mountains quaked, forests shook, rivers surged, causing the elders recovering to be greatly alarmed!

“Hmm?! What’s happening now?! Why is Eight Trigrams Mountain suddenly shaking?!”

“Could it be... it’s an earthquake?!”

“That can’t be right... Eight Trigrams Mountain has never had an earthquake... why is it suddenly having one today?!”

“Something’s not right... quickly evacuate the area!”

The tens of thousands of elders recovering here soared into the sky, flying away from the area.

Elders recuperating nearby also evacuated the area rapidly.

As everyone evacuated!

Rumble, rumble!

The whole territory of Eight Trigrams Mountain, spanning a thousand miles, suddenly collapsed and ruptured, with one large section rising into the sky!

Massive rocks plummeting from above, with rivers pouring down like waterfalls thousands of feet high, a spectacular sight!

The elders watched this scene stunned!

As if a giant disc had lifted tens of thousands of mountains, forests, and rivers into the sky!

And this disc appeared like an Eight Trigrams chart, more like a colossal Ancient Map!

As for the mountains, rivers, forests on this Ancient Map, they were transformed by the Ancient Map into real phenomena!

The entire Ancient Map emitted dazzling golden light, illuminating the heavens, earth, and everything around!

Countless ancient runes flowed around the Ancient Map, filled with ancient and profound aura, unfathomable!

“Heavens above... it’s dizzying... the whole Eight Trigrams Mountain territory actually flew up?!”

“This is no longer a mountain... it’s clearly an Ancient Map!!!”

“Could it be that Eight Trigrams Mountain is a Dharma artifact?!”

“Heavens... this can’t be true... this is too astounding?!”

The elders all stared blankly at the skyward Ancient Map, completely stunned, as if petrified.

Under the gaze of everyone!

Boom! Boom!

The Ancient Map directly shattered a section of space, turning into a golden light, fleeing into the void, flying away from here.

Until the Ancient Map vanished from everyone’s vision, until the shattered void cave began to slowly heal, all those present still hadn’t recovered from the shock...
