

Super IDG 2531

Chapter 2531: At the Brink of Despair!

At this moment.

Secular world.

Pacific Ocean.

On the vast sea, countless corpses floated, blood staining the ocean red.

Numerous fragments of ancient boats, divine ships, demon ships, weapons, and Dharma artifacts drifted on the sea, with most sinking to the seabed.

Many small islands fractured and sank into the sea.

High above.

The vast firmament, endless void, was riddled with explosive craters and cracks.

The scene before them was terrifying, akin to the arrival of an apocalypse.

Boom, boom, boom!...

Bang, bang, bang!...

Thunderous collisions and explosions resounded incessantly across the heights of ten thousand miles!

The Light God Lord, Tianyu God Master, and Dark Demon Lord continuously powered the three ancestor artifacts, launching fierce attacks on the defensive light shield formed by the Crystal Divine Coffin!

Not only did they use the ancestor artifacts for offense, but they themselves initiated an onslaught!

The intense radiance and mighty energy erupted, like a dam bursting, rivers and seas surging, sweeping in all directions!

Large areas of the firmament and void continued to collapse and explode, terrifyingly grand!

Crack, crack, crack!

The clear sound of shattering was incessant!

The cracks in the defensive light shield formed by the Crystal Divine Coffin grew ever larger, almost covering its entire surface!

Moreover, the Crystal Divine Coffin, under repeated assaults by the three ancestor artifacts and the Light God Lord trio, vibrated more violently, its shimmering light growing even dimmer!

Star Ruins God Master furrowed his brow, gritting his teeth, "Everyone, the Crystal Divine Coffin can't hold on much longer!

A bloodbath is imminent; is everyone ready?"

"Ready!"

"Willing to fight them to the death!"

"Even if we die, we'll drag them down with us!"

Yang Luo and the Titan God Master along with others roared, gripping their weapons tightly, determined eyes prepared for battle.

“Hehe... Hahaha...”

Dark Demon Lord laughed heartily, his eyes sinisterly, “Once the defense of the Crystal Divine Coffin is broken, death awaits you!”

Tianyu God Master sneered, “Even if you exhaust everything, what can it change?”

Light God Lord mocked, “We have ancestor artifacts; trying to drag us down is unquestionably ridiculous!”

Before the voice fell!

Crunch!

The defensive light shield of the Crystal Divine Coffin could no longer hold, shattering completely!

The once massive Crystal Divine Coffin, tens of thousands of feet tall, was reverted to its original form, the size of a palm, floating in the distant sky, emitting dim light!

“Ahhhh...”

Many elders from the Three Realms and many divine guards from the four divine clans cried out miserably, thrown backward.

Even Yang Luo and Gu Tianshang were forced to step back!

“Hahaha...”

Light God Lord laughed maniacally, “The defense of the Crystal Divine Coffin is breached, what do you have to resist us?”

“Stop your meaningless struggle; it’s futile!”

“Death is your ultimate fate!”

Tianyu God Master and Dark Demon Lord also laughed coldly.

“Everyone, follow me, kill!!!”

Yang Luo roared, Dragon Emperor Sword in hand, four Dharma artifacts above his head, charging like a rampaging dragon!

Gu Tianshang, Linghu Wuxie, and Star Ruins God Master also joined the charge!

Titan God Master, Maya God Lord, Pharaoh God Master, and all others who could still fight also charged forward!

“Daring to attack, it’s pure suicide!”

Light God Lord shouted coldly, waving his Divine Wand!

The Light God Bell above his head shook violently, a celestial bell ringing, vibrating melodiously!

Terrifying waves of nine-colored sound spread out, sweeping in all directions!

Shimmering beams of nine-colored divine light shot forth, like divine rainbows piercing the day, intent on destroying everything!

Countless Ancient Angels and Ancient God Illusions flew out, attacking ferociously!

Tianyu God Master and Dark Demon Lord also waved their weapons, continuing to power Tianyu Divine Tower and Dark Demon Cauldron!

Massive beams of purple-gold divine light shot forth from the tower!

Chains of purple-gold Law Divine Chains lashed out!

Rune symbols overwhelmed with suppression!

Countless Ancient God Illusions pounced aggressively!

Dark Demon Cauldron erupted with rolling demonic qi, shooting out beams of Dark Demonic Light!

And the Ten Thousand Demonic Roar bellowed forth, terrifyingly horrifying!

“Slash, slash, slash!!!”

Yang Luo charged at the forefront, gripping Dragon Emperor Sword tightly, slashing one strike after another forward!

Whoosh, whoosh, whoosh!

Massive gold sword shadows, nearly ten thousand feet long, tore through the firmament, slicing the void, rending Yin and Yang, with heavy strikes!

“Beast Blood Boiling”, “Great Dao Dragon Diagram”, “Twelve Shaman Primal Heavenly Art”, “Flame Emperor’s World Burning Art”, “Chaos Slaughter Array Map” and other multiple killing moves were unleashed!

Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror all surged in suppression!

Now, Yang Luo had reached the Heavenly Immortal Perfected Stage!

Though severely wounded, with greatly depleted qi, his combat power had surged once more!

Thus, the killing moves he executed now were even more powerful!

“Six Paths God Demon Halberd!”

“Heavenly Demon Dominator Spear!”

“Star Ruins Slaying God Spear!”

Gu Tianshang, Linghu Wuxie, and Star Ruins God Master all wielded their weapons, launching ferocious attacks!

They also performed other killing moves, attacking wildly!

Titan God Master, Maya God Lord, and Pharaoh God Master initiated their strongest assaults!

Clang, clang, clang!

Crunch, crunch, crunch!

The offensive unleashed by the three ancestor artifacts was largely demolished, bursting forth with explosive energy brilliance!

Yet, the Light God Lord trio remained sinisterly relentless, continuing to power the three ancestor artifacts and launching their own fierce attacks!

Even with their furious assault, Yang Luo and the others struggled to hold off!

“Ahhhh...”

The harrowing screams persisted endlessly as more elders and gods from the Three Realms were annihilated!

Many Heavenly Immortal Ancestors and divine guards were blasted away, landing on distant islands!

The fallen Heavenly Immortal Ancestors and divine guards lay down and could no longer rise!

They roared in anguish, attempting to rise and fight again, but utterly unable, grief-stricken!

At this point.

Only Yang Luo, Gu Tianshang, and others held up against the onslaught of the three ancestor artifacts and the Light God Lord trio, bloodstained and severely wounded, yet stood firm!

After all, they were already prepared to die in battle!

Having abandoned fear of death, what was there left to fear?

Seeing Yang Luo and the others still valiantly resisting!

The Light God Lord trio seethed with extreme rage!

Light God Lord roared, "Give them a fatal blow!"

"Alright!"

Tianyu God Master and Dark Demon Lord responded in unison.

Then, the trio instantly unleashed explosive energy, delivering a terrifying strike!

Three ancestor artifacts also unleashed a fatal strike, blasting towards Yang Luo and the others!

Massive beams of divine and demonic light shot forth, filled with endless killing, destructive, and annihilative power, blasting towards Yang Luo and the others!

Yang Luo and the other's eyes surfaced a trace of fearfulness and despair!

But, at this crucial moment!

Crunch!

Two massive void craters exploded in the rear sky!

A gigantic light of blazing gold and a beam of gold scoured ahead, obliterating everything...

Chapter 2532: Flame Emperor and Fuxi!

When two beams of light streaked across the sky!

Everyone present was startled and looked up!

Boom! Boom! Boom!

The two beams of light contained endless destructive power, crushing vast swathes of the sky and void!

In an instant!

These two beams collided heavily with the assaults launched by the three Ancestor Artifacts and the Light God Lord!

Rumble!

The sound of the collision was unimaginably terrifying, shaking the nine-layered heaven above and the Nine Abyss below!

The sky and void, stretching thousands of miles, collapsed and shattered!

The ocean below was shattered into pieces, raising tumultuous waves!

Although the assaults from the three Ancestor Artifacts and the three lords were formidable, they were forcefully blocked by the firelight and golden light!

“What... what is happening?!”

“Who launched that firelight and golden light?!”

“Who is helping us block the assaults from the three Ancestor Artifacts and the three old guys?!”

“Could there be a hidden master on Earth?!”

Everyone exclaimed in astonishment, eyes filled with shock.

Yang Luo shouted, “Everyone, retreat quickly!”

With that, Yang Luo led everyone to retreat rapidly!

Just as Yang Luo and others were retreating!

Rumble!

The sound of rolling thunderous explosions reverberated!

Tremendous and vast light and energy intertwined, transforming into rolling waves spreading outwards!

Even though Yang Luo and others retreated in time, they were still affected, forced to keep stepping back!

The Light God Lord, Tianyu God Master, and Dark Demon Lord were caught off guard, blasted away, shedding large amounts of blood!

Even the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron were blown away!

It was only after flying back a thousand meters that the Light God Lord and the three Ancestor Artifacts stabilized!

The Black Dark Lord roared, “Who dares to attack us?!”

“Come out quickly!”

Tianyu God Lord also shouted loudly.

The Light God Lord was staring fixedly at the two void holes in the distance, his expression incomparably gloomy.

He was very shocked, as the two beams of light not only destroyed their assaults with the three Ancestor Artifacts, knocking them back, but also injured them!

This was enough to prove that whoever launched these two beams was no ordinary person!

Could it be that there are top-level masters stationed on Earth?!

Yang Luo and everyone else also looked at the two void holes, their faces filled with shock!

Just as everyone was dumbfounded!

A strong and loud voice echoed out from one of the void holes!

“The hero soul of the Human Ancestor, the unparalleled might of the Flame Emperor stands tall!

The Lord of all herbs, suffer first, then solidly establish heaven and earth!”

The voice was grand, resounding through the nine heavens, spreading in all directions, reverberating across the world!

Everyone present felt their ears ringing and their blood boiling!

Before the sound faded!

Rumble!

Accompanied by a thunderous roar!

A fire furnace flew out from the void hole, reaching the sky!

As the fire furnace flew out!

Another powerful voice came from the second void hole!

“Fuxi’s Trigram holds profound meaning, Two Forms and Four Symbols endure!

Eternally suppress the four seas, the Human Emperor governs the Nine Provinces!”

This voice seemed to traverse time and space, echoing from the ages, earth-shattering, unparalleled!

Accompanied by this voice!

An ancient map flew out from the second void hole, reaching the sky!

Seeing the fire furnace and the ancient map!

Everyone present was dumbfounded, utterly stunned!

The fire furnace emitted red-gold firelight, burning fiercely, with ancient runes and totems engraved on its body!

The three ancient and powerful words “Flame Emperor’s Furnace” were engraved on its body, shining brilliantly!

The ancient map emitted dazzling golden light, carrying mountains, forests, and rivers, seemingly evolving all things, mysterious and unfathomable!

Runes flashed around, slowly rotating, like stars surrounding the bright moon!

At the bottom of the ancient map, the five ancient characters “Connate Eight Trigrams” were engraved!

The scene was silent for a moment!

Then, it erupted into a frenzy!

“Oh my god, I thought a supreme master had appeared, turns out it’s two Dharma artifacts!”

“These two Dharma artifacts look extraordinary, ancient and grand, seemingly stronger than the Ancestor Artifacts of those three old guys!”

“The names ‘Flame Emperor’s Furnace’ and ‘Connate Eight Trigrams’ are engraved on these two Dharma artifacts, could they be the artifacts of the Ancient Flame Emperor Shennong and Ancient Human Emperor Fuxi?!”

“They probably are the artifacts of the Flame Emperor and Fuxi, the words spoken by those two Dharma artifacts earlier confirm it!”

“But, where did these two Dharma artifacts fly from, why have we never seen them before?!”

“Strange, why do I feel this Flame Emperor’s Furnace is somewhat similar to Immortal Furnace Mountain, and this Connate Eight Trigrams is somewhat similar to Eight Trigrams Mountain?”

The cultivators from the two Immortal Worlds discussed, marveling at the Flame Emperor’s Furnace and Connate Eight Trigrams.

The Flame Emperor, also known as Shennong, was one of the Three Sovereigns, also called “Medicine Ancestor,” “Earthly Sovereign,” and “Shennong!”

Fuxi, also one of the Three Sovereigns, was known as “Human Emperor,” “Emperor Xi,” and “Green Emperor!”

The Flame Emperor and Fuxi left countless myths and legends, regarded as cultural ancestors, praised by later generations!

Ji Qingcang muttered dumbfoundedly, “What... what is happening?!”

Why would the artifacts of the Ancient Flame Emperor and Emperor Fuxi appear here?!”

Baili Langya analyzed, “Could it be that the Flame Emperor’s Furnace and Connate Eight Trigrams have always been on Earth, and now that Earth is in crisis, they appear to assist us?”

Tantai Qian Chuan frowned, “If the Flame Emperor’s Furnace and Connate Eight Trigrams were really on Earth, how could we not know?”

“Indeed.”

Yi Qiankun nodded and said, “The spiritual energy and pressure of the Flame Emperor’s Furnace and Connate Eight Trigrams are so strong, we should have noticed them long ago!”

Gu Tianshang, Linghu Wuxie, and others were also shocked and puzzled.

Yang Luo stared closely at the Flame Emperor’s Furnace and Connate Eight Trigrams, saying loudly, “Seniors, you have actually seen the Flame Emperor’s Furnace and Connate Eight Trigrams before!”

“Seen before? What do you mean?”

Ji Qingcang hurriedly asked.

Everyone looked towards Yang Luo.

Yang Luo explained, “Actually, the Flame Emperor’s Furnace is Immortal Furnace Mountain, and the Connate Eight Trigrams is Eight Trigrams Mountain!

These two Dharma artifacts usually are unremarkable, hiding their aura, guarding the Kunlun Ruins and Penglai Immortal Island, so no one discovered them!

Moreover, the Flame Emperor and Fuxi placed restrictions on these two Dharma artifacts, making them even harder to detect!

As for why these two Dharma artifacts broke the restrictions today to assist us, that’s unclear!

Perhaps the Flame Emperor and Fuxi instructed these two artifacts to assist when Earth encountered a crisis!”

Since the Flame Emperor’s Furnace and Connate Eight Trigrams willingly revealed themselves, he no longer concealed the truth.

Given how the Three Realms are now embroiled in chaos, hiding the truth carries no meaning.

It seems that Senior Xinghe was right, Immortal Furnace Mountain and Eight Trigrams Mountain are indeed two artifacts, and they are of extraordinary origin.

Chapter 2533: Are You Scared?

Upon hearing Yang Luo’s words.

The two Immortal Worlds were completely thrown into chaos!

“This... this... the Flame Emperor’s Furnace is actually Immortal Furnace Mountain?! The Connate Eight Trigrams is Eight Trigrams Mountain?! What kind of joke is this?!”

“Is this... is this true?! The Flame Emperor’s Furnace and Connate Eight Trigrams have always been at Kunlun Ruins and Penglai Immortal Island, and we never noticed?!”

“Since even Yang Heavenly Venerate said so, it must be true. Could Yang Heavenly Venerate be lying?!”

“My goodness, incredible, truly incredible! It turns out our two Immortal Worlds also have Ancestor Artifacts left by the Flame Emperor and Emperor Fuxi!”

“Hahaha, what nonsense about the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron. Are they more powerful than our Flame Emperor’s Furnace and Connate Eight Trigrams left by the two Human Emperors?!”

The elders of the two Immortal Worlds were ecstatic, raising their arms and cheering.

No one expected that in this moment of despair, the Flame Emperor’s Furnace and Connate Eight Trigrams left by the Ancient Emperor Yan and Emperor Fuxi would tear through the void to assist them!

This was undoubtedly a powerful stimulant for them, incredibly uplifting!

“Little Luo, how did you know?”

Ji Qingcang asked in confusion.

The others also looked towards Yang Luo.

Yang Luo replied, “Back then, I cultivated the ‘Undying Golden Body’ at Immortal Furnace Mountain and later pondered the Dao at Eight Trigrams Mountain.

At that time, I felt that Immortal Furnace Mountain and Eight Trigrams Mountain were somewhat extraordinary, so I specially researched them.

Previously, I suspected that Immortal Furnace Mountain and Eight Trigrams Mountain might be Dharma artifacts left by ancient mighty figures.

But I never imagined that these two Dharma artifacts were actually left by the Flame Emperor and Emperor Fuxi.”

“Oh, I see.”

Everyone nodded in realization.

At this moment.

The four of Long Xinghe in Yang Luo’s Divine Sense Space also sensed the presence of the Flame Emperor’s Furnace and Connate Eight Trigrams.

“I didn’t expect the Flame Emperor and Fuxi left Dharma artifacts on Earth, that’s quite interesting!”

Long Tianchi’s voice sounded.

Long Xinghe said, “The Flame Emperor and Fuxi once said that they came from Earth, and it’s indeed true!”

Yang Luo was suddenly startled and quickly asked in his heart, “Senior Xinghe, do you actually know the Flame Emperor and Emperor Fuxi?”

“Of course we know them.”

Long Tianchi replied and then said, "Not only do we know them, but your father also knows them. We are all brothers.

Once, we joined forces to fight in that great battle."

Long Daoyi also said, "The two brothers were powerful and deeply loyal, true heroes and warriors, inspiring great admiration from us!"

Long Xinghe sighed and said, "I just wonder how the two brothers, the Flame Emperor and Fuxi, are now and if they are still alive."

Long Youlan sighed, "I hope they are still alive."

Upon hearing the words of the four of Long Xinghe.

Yang Luo's heart was thrown into tumultuous waves!

It turns out that the four seniors know the two seniors Flame Emperor and Fuxi!

Even his own father knows them, and they were brothers who fought side by side!

What kind of person was his father, to not only know Senior Xinghe but also the two mighty seniors, Flame Emperor and Fuxi?

However, this only strengthened his conviction to find his father and mother!

Long Xinghe suddenly said, "However, both the Flame Emperor's Furnace and Connate Eight Trigrams have an Artifact Spirit, and they probably only recognize the Flame Emperor and Fuxi. Others simply cannot control them.

Moreover, without a master to control them, who knows how much power the Flame Emperor's Furnace and Connate Eight Trigrams can wield and for how long."

Yang Luo took a deep breath and said, "It's okay if we can't control them. As long as the Flame Emperor's Furnace and Connate Eight Trigrams can defeat the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron, that's enough.

The Light God Lord, Tianyu God, and Dark Demon Lord have been so arrogant only because of these three Ancestor Artifacts.

If they lose these three Ancestor Artifacts, let's see how they can remain arrogant."

Just then.

The Light God Lord, Tianyu God, and Dark Demon Lord snapped out of it.

Tianyu God squinted and said, "I didn't expect your Ancient Immortals also left Ancestor Artifacts.

However, we have three Ancestor Artifacts, and you only have two. How can you fight us?"

The Dark Demon Lord sneered and said, "Three against two, we definitely have the upper hand. You should still die!"

The Light God Lord felt a bit uneasy and thundered, "Stop wasting time with them and first destroy their Ancestor Artifacts!"

"Alright!"

Tianyu God and Dark Demon Lord responded in unison.

But just when the Light God Lord and the other two were about to activate the three Ancestor Artifacts!

Suddenly!

Rumble, rumble, rumble!

The Flame Emperor's Furnace and Connate Eight Trigrams surged and expanded dramatically, causing the heaven and sea to tremble violently!

The Cangqiong collapsed, the void shattered, the sea raged, terrifying beyond measure!

The Flame Emperor's Furnace and Connate Eight Trigrams grew directly to tens of thousands of feet, covering the sky and blotting out the sun, awe-inspiring!

When the oppressive might and aura of the Flame Emperor's Furnace and Connate Eight Trigrams spread!

Buzz, rumble, rumble!

The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron seemed frightened and began trembling violently!

"What's happening?! Are these three Ancestor Artifacts scared?!"

Ji Qingcang asked in shock.

Gu Tianshang squinted and said, "These three Ancestor Artifacts all have Artifact Spirits, naturally they know fear."

Linghu Wuxie said, "This proves sufficiently that the Flame Emperor's Furnace and Connate Eight Trigrams are stronger than these three Ancestor Artifacts!"

“Hahaha, what nonsense Ancestor Artifacts, aren’t they just afraid of our Flame Emperor’s Furnace and Connate Eight Trigrams!”

“Since they’re afraid, they should get lost quickly!”

“Please, Flame Emperor’s Furnace and Connate Eight Trigrams, destroy these three ridiculous Ancestor Artifacts!”

The elders of the Three Realms shouted excitedly.

The faces of the Light God Lord, Tianyu God, and Dark Demon Lord were extremely ugly.

The Ancestor Artifacts left by their ancestors were actually scared and trembling now.

Could this rusty furnace and broken diagram be so terrifying?

They simply didn’t believe it!

“Attack!”

The Light God Lord roared, pouring his energy further into the Light God Bell, forcibly activating it.

Tianyu God and Dark Demon Lord also poured energy into the Tianyu Divine Tower and Dark Demon Cauldron, forcibly activating them.

Instantly!

The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron ceased trembling and also spread out powerful oppressive might and aura!

Boom, boom, boom!...

Wave after wave of oppressive might and aura fiercely collided in the sky, erupting with a world-shaking explosive sound!

Minutes later!

Only to see, three towering ten-thousand-foot shadows rise from the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron!

These three shadows were tall and robust, wearing gold robes, purple-gold robes, and black robes, flashing with dazzling divine light and demonic light!

Like the ancients from the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan have descended into the world, overwhelmingly powerful and imposing, very majestic!

“Are these... are these our ancestors?!”

“The three Ancestor Artifacts actually manifested ancestral shadows!”

“Salute to the ancestors, implore the ancestors to eliminate these humans!”

The gods and demons of the three great races were intensely excited, raising their arms and shouting.

Chapter 2534: Defeated!

Yang Luo and others gazed dumbfounded at the three apparitions above the three Ancestor Artifacts, utterly shocked!

Gu Tianshang spoke solemnly, “Are these the ancestors of the three major races? They certainly look extraordinary!”

Linghu Wuxie said, "Since these three major races survived the 'War of Gods,' they must have been remarkable!"

Then, as the apparitions of the ancestors of the Light God Clan, Heavenly Universe Divine Clan, and Dark Demon Clan rose grandly!

Rumble, rumble!

The vast sky and boundless sea quaked even more intensely!

Suddenly, above the Flame Emperor's Furnace and Connate Eight Trigrams, two towering apparitions also emerged!

The apparition above the Flame Emperor's Furnace wore a fiery red-gold robe, tall and majestic, with thick black hair and a resolute face!

His eyes were like torches, his body was engulfed in blazing flames, as if emerging from a million fires, exuding unmatched dominance!

The apparition above the Connate Eight Trigrams wore a green gold robe, slender and upright, with cascading black hair and pronounced features, extraordinarily handsome!

He stood atop the Connate Eight Trigrams, his deep eyes seemingly containing the Cosmic Starry Sky, unparalleled!

These two figures were so lofty, so domineering, that they deeply shocked everyone present!

"Could these be the ancestral figures of humanity, the Flame Emperor and Emperor Fuxi?!"

"Flame Emperor... Emperor Fuxi... so powerful... so astonishing!"

“Salutations to the Flame Emperor! Salutations to Emperor Fuxi!”

All the elders of the Three Realms bowed, respectful and deferential.

Yang Luo and Gu Tianshang also bowed, very respectfully.

Even though these were merely apparitions, they were still worthy of respect.

After all, these were the true ancestral emperors of humanity!

“Such a strong sense of oppression, could this really be the aura and presence a Dharma artifact should possess?!”

Tianyu God gritted his teeth and spoke.

Dark Demon Lord trembled all over, “Were our ancestors really defeated by these figures back then? Just how many terrifying beings existed in the ancient era?”

Light God Lord remained silent, but sweat dripped from his palms, his body trembled involuntarily.

Even if only apparitions, the oppressive force was overwhelmingly frightening.

Facing these two apparitions felt like confronting two towering mountain ranges, insurmountable.

As for the gods and demons from the three major races, they trembled in fear, breaking into cold sweats, their complexions pale.

At this moment!

The three apparitions above the three Ancestor Artifacts waved grandly!

Hum, rumble!

The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron trembled violently and launched a fierce attack!

Divine light and demonic light burst forth, transforming into two Divine Seas and one demonic sea, surging upward!

Divine talismans and demon talismans burst forth, merging into the Divine Sea and demonic sea, further amplifying their power!

Law Divine Chains and Law Demon Chains also surged forth!

Countless Ancient Angels, Ancient Gods, and Ancient Demons surged forth, pouncing aggressively!

However, just as these three Ancestor Artifacts unleashed their fiercest attack!

The Flame Emperor and Fuxi merely stood, shaking slightly!

Whoosh!

The Flame Emperor's Furnace spewed intense flames, transforming into a vast Fire Sea, surging upward!

The flames burned fiercely, like molten lava, scorching the sky, splitting the Void!

Immortal Chains of flames surged like dragons, charging forward!

Fire dragons, Fire Phoenixes, Fire Qilins, Vermillion Birds, Bifangs, Lord Blue Luan, and other Ancient Flame Divine Beasts emerged, pouncing ahead!

The Connate Eight Trigrams also unleashed their ultimate assault!

Countless runes shimmered with dazzling immortal light, transforming into an immortal sea, surging upward!

In this sea of runes, sixteen ancient characters shone exceptionally bright!

These sixteen ancient characters were—

Heaven, Earth, Mountain, Lake, Wind, Thunder, Water, Fire!

Qian, Dui, Li, Zhen, Xun, Kan, Gen, Kun!

Besides the surging immortal sea!

The phenomena of stars, sun and moon, heavens and earth, mountains and rivers, flowers, insects, birds, and beasts emerged, suppressing and killing upward!

The scene was vast and magnificent!

Everyone present was deeply moved!

“Everyone, retreat!”

Yang Luo’s expression changed dramatically, shouting in alarm.

Gu Tianshang also exclaimed urgently, “The fierceness unleashed by these five Ancestor Artifacts is too great, we must not approach, retreat now!”

All elders of the Three Realms quickly retreated!

The Light God Lord, Tianyu God, and Dark Demon Lord also recoiled in terror, retreating hastily with a group of gods and demons!

In the moment of withdrawal!

Clang, rumble!

Boom, rumble!

The assaults from the Flame Emperor’s Furnace and Connate Eight Trigrams clashed fiercely with those from the three Ancestor Artifacts!

The collision and explosion reverberated through heaven and earth, alarming ghosts and gods, unsettling all directions, reversing Heaven and Earth!

The surrounding sky and sea seemed ready to be overturned, frightening to the extreme, terrifying to the utmost!

Large swathes of the sky and Void shattered continuously, the sea was ruptured into countless waves!

Even though the fierce attacks from the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron were terribly fierce, having numerical superiority!

They could not withstand the fierce assault from the Flame Emperor’s Furnace and Connate Eight Trigrams!

The attacks from the three Ancestor Artifacts were utterly destroyed, scattered! Their fragments flung far away!

“What?! Our Ancestor Artifacts are overwhelmed?!”

“How could this be?! How is this possible?!”

“These are the Ancestor Artifacts left by our ancestors, three of them no less, how could they be defeated by the two human Ancestor Artifacts?!”

The gods and demons from the three major races cried out in shock, confused and terrified.

The Light God Lord, Tianyu God, and Dark Demon Lord were also shaken, utterly stunned!

Overpowered!

Completely overwhelmed!

“Hahaha...”

Bujie on the distant island laughed wildly, “Such rubbish Ancestor Artifacts, with such feeble power, utterly useless!”

“Hahaha... even if you bring more of your Ancestor Artifacts, our Flame Emperor’s Furnace and Connate Eight Trigrams can still crush you!”

Ning Jianfeng also laughed heartily in agreement.

“Flame Emperor’s Furnace, Connate Eight Trigrams, well done!”

“Truly worthy of the Ancestor Artifacts left by the Flame Emperor and Emperor Fuxi, so strong, so overbearing!”

The elders of the Three Realms were also buoyant, cheering loudly.

Yang Luo and Gu Tianshang clenched their fists excitedly!

“I refuse to believe we can’t defeat your two Ancestor Artifacts!”

Light God Lord roared furiously, continuing to drive the Ancestor Artifacts.

Tianyu God and Dark Demon Lord also desperately drove the Ancestor Artifacts.

Whoosh!

The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron directly flew out, charging toward the Flame Emperor’s Furnace and Connate Eight Trigrams!

Rumble!

The Flame Emperor’s Furnace and Connate Eight Trigrams also charged forth, colliding fiercely!

Instantly!

Clang-clang!

Boom, rumble!

The sound of the world shaking clash echoed, vibrating heaven and earth, disturbing the corners!

A vast glow and energy erupted, terrifying to the heavens!

Yet, after this collision!

The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron were still overwhelmed, flung far away!

The sky and Void crumbled, splitting and shattering continuously!

“^

Chapter 2535: The Might of the Human Clan's Ancestor Artifact!

“Still defeated... Why still defeated?!”

“Is the Ancestor Artifact left by our ancestors really inferior to the Ancestor Artifact left by human ancestors?!”

“I don't believe it, I don't believe it!!!”

The gods and demons of the three great races were collapsing, hoarsely roaring.

The Light God Lord, Tianyu God, and Dark Demon Lord all had horrified expressions, their eyes full of incredulity.

“Hahaha, good, well done!”

“What if it's three against two, you're still no match for the Flame Emperor's Furnace and Connate Eight Trigrams!”

“The Dharma artifacts created by our Human Clan emperor, how can you resist them?”

The elders of the Three Realms were ecstatic, even more excited.

“Good!”

Yang Luo and Gu Tianshang and others also punched the air heavily, greatly encouraged.

The Light God Lord roared angrily: “Assist our three Ancestor Artifacts!”

“Good!”

Tianyu God and Dark Demon Lord responded with a tremor.

Immediately, the three of them continued to urge the three Ancestor Artifacts, madly charging forward!

The three Ancestor Artifacts charged forth, unleashing a fierce and violent offensive again!

The three also charged, launching the strongest offensives, fiercely attacking the Flame Emperor’s Furnace and Connate Eight Trigrams!

However, the Flame Emperor’s Furnace and Connate Eight Trigrams were fearless, directly charging up!

Rumble!

The vast Cangqiong was smashed, large areas of void shattered!

The offensive unleashed by the three Ancestor Artifacts and the three of them was completely destroyed!

Meanwhile, the Flame Emperor's Furnace and Connate Eight Trigrams were completely unscathed, overwhelmingly powerful, overwhelmingly formidable!

In the blink of an eye!

Clang clang clang!

The Flame Emperor's Furnace and Connate Eight Trigrams heavily collided with the three Ancestor Artifacts: Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron!

The impact shook the heavens, resonating throughout Jiuxiao!

In this world-shattering collision!

The Light God Lord and the three Ancestor Artifacts were simultaneously knocked flying!

"Puh puh puh..."

As the three went flying, blood spewed from their mouths, large amounts of blood bursting from their bodies!

With just one collision, the three were severely injured!

As for the three Ancestor Artifacts, as they flew back, a cracking sound was heard!

Behold, clear cracks appeared on the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron!

The divine light and demonic light emitted by the three Ancestor Artifacts dimmed significantly, and they were directly reduced to their original forms, shrinking from tens of thousands of feet to palm-sized!

The ancestral shadows of the three great races exploded in the sky, completely dispersing!

“Ooo...”

The three Ancestor Artifacts seemed to have suffered heavy damage, emitting painful whimpering sounds, transforming into three beams of light, swiftly escaping to the Cosmic Starry Sky!

“Light God Bell, where are you going, come back!”

“Tianyu Divine Tower, come back quickly!”

“Dark Demon Cauldron, don’t run, don’t run!”

The Light God Lord, Tianyu God, and Dark Demon Lord shouted in surprise.

They wanted to continue controlling the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron.

But the three Ancestor Artifacts could no longer be controlled, frantically fleeing into the Starry Sky Universe, disappearing from everyone’s sight.

Instantly.

The whole scene quieted down.

Everyone stared in the direction of the escape of the three Ancestor Artifacts, dumbfounded and stunned.

After a moment of silence.

“They ran... The Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron were actually hit and run away?!”

“After just three confrontations, our three Ancestor Artifacts suffered severe damage and had no choice but to flee in panic!”

“Why are the Ancestor Artifacts left by human ancestors so strong?! Why?!”

The three great races collapsed further, each howling in sorrow, heartbroken.

Initially, they had hoped to eliminate all humans with the help of the three Ancestor Artifacts.

But now, the two Ancestor Artifacts left by human ancestors had beaten their three Ancestor Artifacts away!

If they hadn't seen it with their own eyes, they wouldn't dare believe this fact!

The Light God Lord, Tianyu God, and Dark Demon Lord also stared in the direction of the fleeing Ancestor Artifacts, spellbound.

“Hahaha, what kind of rubbish Ancestor Artifacts, weren't they just broken and chased away by our Flame Emperor's Furnace and Connate Eight Trigrams!”

“Have the ability to resist again, why run, so pathetic!”

“As expected from the Dharma artifacts created by the Flame Emperor and Emperor Fuxi, they are indeed powerfully domineering!”

The elders of the Three Realms raised their arms and cheered, excited.

At this moment.

The Light God Lord, Tianyu God, and Dark Demon Lord stared fixedly at the Flame Emperor's Furnace and Connate Eight Trigrams, eyes full of fear.

These two Ancestor Artifacts were too strong!

Their three Ancestor Artifacts couldn't resist at all, directly being severely damaged and having to flee!

They felt insecure in their hearts, already thinking of retreating!

But just then!

Before everyone's eyes!

The shadows of the Flame Emperor and Emperor Fuxi slowly dispersed from the Flame Emperor's Furnace and Connate Eight Trigrams.

Meanwhile, the Flame Emperor's Furnace and Connate Eight Trigrams smashed the space, preparing to escape into the Void.

"What's happening?! Are the Flame Emperor's Furnace and Connate Eight Trigrams leaving?!"

"Could it be that the Flame Emperor's Furnace and Connate Eight Trigrams can only launch three attacks?!"

"Flame Emperor's Furnace, Connate Eight Trigrams, don't leave!"

The elders of the Three Realms panicked, shouting.

Yang Luo shouted loudly: “Seniors, quickly try to control the Flame Emperor’s Furnace and Connate Eight Trigrams!”

“Good!”

Gu Tianshang and others responded in unison.

Then, Yang Luo and Gu Tianshang tried to control the Flame Emperor’s Furnace and Connate Eight Trigrams.

But, the Flame Emperor’s Furnace and Connate Eight Trigrams were completely uncontrollable, directly escaping into the Void, flying away from this place.

Until the Void Cave slowly began to heal.

“With our current cultivation and strength, it’s still impossible to control the Flame Emperor’s Furnace and Connate Eight Trigrams!”

“The Flame Emperor’s Furnace and Connate Eight Trigrams are the Dharma artifacts of the Flame Emperor and Emperor Fuxi, naturally possessing their own pride, ordinary people simply cannot control them!”

Gu Tianshang and others sighed deeply.

Yang Luo also felt helpless.

Speaking of it, he felt a great affinity with the Flame Emperor’s Furnace and Connate Eight Trigrams, but unfortunately, he still couldn’t gain their approval.

Perhaps he was simply too weak at the moment.

Long Xinghe said: “Kid, don’t be discouraged, once your cultivation and strength become strong enough, any Dharma artifact will acknowledge you!”

Long Tianchi comforted: “Although the Flame Emperor’s Furnace and Connate Eight Trigrams are strong, they are just Acquired Spiritual Treasures, while our four’s Dharma artifacts are Connate Spiritual Treasures, even a step higher!

When your cultivation and strength become strong enough, when our Artifact Spirits awaken, perhaps they will recognize you!”

Yang Luo sighed inwardly, it seems he still needs to become stronger!

“By the way, seniors, why did the Flame Emperor’s Furnace and Connate Eight Trigrams leave after only three attacks?

Even if we can’t control them, they could still attack themselves?”

Yang Luo asked.

Long Xinghe said: “Perhaps it’s because the spiritual qi of heaven and earth and energy absorbed by the Flame Emperor’s Furnace and Connate Eight Trigrams over the years is only enough for them to launch three powerful attacks.

However, three times is enough, at least they beat those three Ancestor Artifacts and severely injured the three of Light God Lord.”

Chapter 2536: The Final Battle!

Long Daoyi continued, “Of course, if the Flame Emperor and Fuxi were present.

Or if these two dharma artifacts had acknowledged someone as their master, this situation wouldn't arise."

Long Tianchi bluntly said, "Still, the Flame Emperor's Furnace and the Connate Eight Trigrams think that none of you are qualified to be acknowledged by them as masters.

Come to think of it, these artifacts truly have personalities like those two guys, the Flame Emperor and Fuxi."

"I see."

Yang Luo suddenly understood.

Didn't expect it to be like this.

The Flame Emperor's Furnace and the Connate Eight Trigrams, deserving to be the dharma artifacts of ancient mighty figures, are quite dominating, thinking none of us are worthy to be acknowledged as their masters.

Long Youlan comforted, "Little Luo, don't worry, we believe you can win this battle!"

"We will definitely win this battle, even if we have to give everything!"

Yang Luo clenched his fist, eyes resolute.

"Little Luo, no matter what, always prioritize your own safety!"

"Kid, you have to survive, only by surviving can you witness a wider sky!"

"Only by surviving can you meet your father and mother, meet those mighty heroes!"

“Kid, survive and stride towards being stronger, this is not your endpoint!”

Long Youlan and the other four all spoke out.

“Hopefully!”

Yang Luo replied briefly, then cut off the connection.

At this time.

Originally planning to flee, the Divine Master of Light, Tianyu God Lord, and Dark Demon Lord saw the departure of the Flame Emperor’s Furnace and the Connate Eight Trigrams, all breathed a sigh of relief.

“Hahaha...”

The Dark Demon Lord laughed out loud, mockingly said, “Seems like the Ancestor Artifacts left by your ancestors can only launch three attacks!

Really scared me quite a bit just now!”

Tianyu God Lord also sneered, “If your Ancestor Artifacts could be controlled by you, maybe you could attack continuously!

Such a pity, really too bad!”

The Divine Master of Light sneered sarcastically, “Without the protection of Ancestor Artifacts, there’s still only a one-way path to death for you!”

Yang Luo raised the sword in his hand, shouted loudly, "Even if we don't have Ancestor Artifacts to protect us, we can still defeat you!"

"Kid, well said, even without Ancestor Artifacts, so what!"

"Back then, our ancestors could rely on their own power to defeat your ancestors; today we can also rely on our own strength to defeat you!"

"Moreover, you have also lost the protection of Ancestor Artifacts, can you still exhibit the same strong power as before?"

Gu Tianshang and Ji Qingcang et al. shouted boldly, showing no fear.

"Is that so?"

The Divine Master of Light sneered, "Then let's try and see who will have the last laugh in this battle!"

Yang Luo raised the sword in his hand, shouted loudly, "Everyone, the final moment has arrived, let us join forces, defeat them, annihilate them!"

"Fight fight fight!..."

Gu Tianshang and all those who still have the strength for battle raised their arms and shouted.

The Divine Master of Light also raised the Divine Wand in his hand, shouted loudly, "Everyone, fight to the death with them, kill all these guys!"

"Kill kill kill!..."

Tianyu God Lord, Dark Demon Lord, and all the gods and demons with remaining strength roared in rage.

“Kill!!!”

Both sides let out a simultaneous roar, charging fiercely towards each other!

The ultimate battle completely erupted!

Both sides exerted their utmost strength, engaging in a fierce fight in the sky!

Fighting until now, both sides are actually already heavily wounded and exhausted!

Now it's a battle of will, faith, resolve, and courage!

It's about who can persist until the last moment!

In the midst of fierce fighting, people from both sides continually get injured and lose their lives!

Clang, clang, clang!...

Thump, thump, thump!...

Boom, boom, boom!...

The sounds of weapon clashes, energy collisions, and explosions ring endlessly!

Vast and mighty energies and lights constantly surge out, sweeping towards all directions!

Large splashes of blood rain down, resembling a bloody rainstorm!

At this moment.

Yang Luo, Gu Tianshang and others are fiercely battling against the Divine Master of Light, Tianyu God Lord, and Dark Demon Lord!

However, although the three don't have Ancestor Artifacts with them, they are still extremely powerful!

In the midst of the fighting!

Many Heavenly Immortal Ancestors got blasted away, falling into the sea and onto small islands, utterly losing their combat capabilities, unable to stand anymore!

The top fighting force on Yang Luo's side has been reduced by half!

Yet, the remaining half won't give up, won't retreat, but grits their teeth and persists, continuing the fight!

After fighting fiercely for over a hundred rounds!

Boom boom boom!

Thunderous explosions resounded in the high sky of ten thousand miles!

Both sides got blown away again!

The Divine Master of Light stabilized his body after being pushed back a kilometer!

"Destroy them!!!"

The Divine Master of Light, Tianyu God Lord, and Dark Demon Lord roared again, charging towards Yang Luo, Gu Tianshang, and others!

“Take them down!!!”

Yang Luo and Gu Tianshang and others also roared aloud, charging towards the three Divine Masters of Light!

During the charge, both sides launched heavy offensives, fiercely attacking the other!

Clang, clang, clang!...

Boom, boom, boom!...

The sounds of impacts and explosions kept blasting, forming huge balls of energy in mid-air!

But just then!

“Light God Execution Array!”

“All Gods Sealing Array!”

“Dark Demon Chaos Array!”

The Divine Master of Light, Tianyu God Lord, and Dark Demon Lord simultaneously set up three supreme killing arrays, entrapping Yang Luo and others!

“Formation, activate!!!”

After setting up the killing arrays, the Divine Master of Light, Tianyu God Lord, and Dark Demon Lord activated them simultaneously!

The three great killing arrays unleashed supreme attacks, furiously striking towards Yang Luo and others!

Massive divine lights and demonic lights shot out!

Chains of law and demon chains charged out!

The sky was filled with divine talismans and demon talismans transforming into a Divine Sea and demonic sea, surging forward!

Steles and Demon Tombs suppressed and killed!

Countless angels, gods, and demon illusions charged up for the kill!

Yang Luo shouted loudly, "Seniors, quickly break these three killing arrays, charge out!"

"Yes!!!"

Gu Tianshang and others replied loudly.

Yang Luo and Gu Tianshang and others launched a frenzied attack, trying to destroy these three killing arrays and charge out!

The Divine Master of Light said solemnly, "The three killing arrays alone can't extinguish them!"

Quickly unleash the ultimate kill and give them a fatal blow!"

“Understood!”

Tianyu God Lord and Dark Demon Lord both nodded in response.

Immediately, the Divine Master of Light shuddered all over, frantically mobilizing the energy within!

His body emitted a dazzling nine-colored divine light, hair flying, blood-stained robe billowing fiercely!

“Twelve Angels!”

“Twenty-four Ancient Gods!”

Accompanied by thunderous shouts!

Rumble rumble rumble!

Heaven and earth shook greatly, the eight directions quaked, the ten directions fell into silence!

Twelve Ancient Angels, twenty-four Ancient Gods rose simultaneously!

Each towering at ten thousand feet, divine light blazing, as if ancient angels and gods of the Holy Light Church descended upon the mortal realm, overwhelmingly arrogant!

The Divine Master of Light shouted again.

“All Gods, converge upon me!”

It was seen that all twelve Ancient Angels and twenty-four Ancient Gods merged into the body of the Divine Master of Light!

Chapter 2537: Fight to the Death, No Retreat!

Rumble, rumble, rumble!

The sky and sea over thousands of miles shuddered even more violently!

The divine light on the Light God Lord grew brighter and more dazzling, his eyes gleaming like two divine lamps!

The aura and pressure he emitted also became even more terrifying!

Tianyu God and the Dark Demon Lord also pushed the energy within them to the extreme, letting out a roar!

“The Twilight of the Gods, Destroying Heaven and Earth!”

“Ten Ancient Demons, Chaos in the World!”

In the blink of an eye!

Twelve Ancient Gods and ten Ancient Demons rose one after another, as if the ancient gods and demons of the Heavenly Universe Divine Clan and the Dark Demon Clan had descended upon the world!

Soon, these twelve Ancient Gods and ten Ancient Demons merged into the bodies of Tianyu God and the Dark Demon Lord!

Divine light blazed from their bodies, demonic light soared into the sky, and the aura and pressure they emitted became even more terrifying!

As the pressure and aura of the Light God Lord, Tianyu God, and the Dark Demon Lord surged!

Rumble, rumble, rumble!

The entire sky and sea of the Pacific Ocean trembled violently!

Massive tsunamis erupted on the sea, and countries around the Pacific Ocean experienced earth-shattering earthquakes!

“What are those three doing... how did their aura and pressure increase again?!”

“Yang Heavenly Venerate and Fiend Celestial Heavenly Venerate haven’t come out of the killing array yet, dangerous, it’s dangerous!”

“Is there anyone who can still fight, hurry and help!”

“It’s a shame, we’re too weak to be of any help at this crucial moment!”

The elders on the distant island shouted in shock, their hearts nearly exploding with fear.

But everyone could no longer move, unable to continue fighting, beating their chests and stomping their feet in sorrow and anger.

Flame Emperor, Bujie, Xu Ying, Mo Qingkuang, and Xiang Kunlun all clenched their fists, their hearts in their throats.

They all knew that this battle had reached its final moments!

Whoever could hold out until the end would achieve ultimate victory!

And just at this moment!

Crash, boom!

A series of earth-shattering explosions rang out!

Yang Luo, Gu Tianshang, and others finally destroyed the Triple Killing Array!

The light and energy from the explosion intertwined, transforming into a sea of energy light, surging in all directions!

“Ah...”

“Yang Heavenly Venerate, sorry, we can only hold on until here...”

“Brother Gu, from here onwards, it’s all up to you...”

“Divine Lord, you must annihilate those three guys...”

Beneath this Triple Killing Array, many Heavenly Immortal Ancestors and gods couldn’t hold on, falling from high in the sky into the sea.

“Quick, rescue them!”

“Hurry!”

The other elders shouted and flew downward.

“Risk it all! Fight them!”

“We must destroy those three, obliterate them!”

“We must protect the Three Realms, protect the Earth!”

Yang Luo, Gu Tianshang, Linghu Wuxie, and others shouted in grief and anger.

They forced open a vast sea of energy light, charging towards the three Light God Lords!

“Die for me!”

“Still resisting, seeking death!”

“No one can save you now, you all must die!”

The Light God Lord, Tianyu God, and Dark Demon Lord’s faces twisted with malice, their eyes cruel as they launched a deadly strike at Yang Luo and the others!

Boom, boom, boom!

Two immortal divine lights and a dark demonic light shot out together!

These three beams of light were huge, spanning thousands of feet, containing terrifying lethality, destructive power, and power of annihilation!

The vast sky was shattered, a vast void crushed and penetrated, terrifying to the extreme!

“Counterattack!!!”

Yang Luo roared, wildly slashing with his sword!

Two peerless sword techniques, “Dragon Emperor Sword Technique” and “Arrogant Sword Scripture,” were unleashed in succession!

Gigantic golden swords, each nearly ten thousand feet in size, cleaved through heaven and earth, tearing open the void, striking fiercely!

His left hand formed a fist, unleashing the “Nirvana Dragon Fist,” launching explosive punches!

Golden fists, like a vast galaxy, smashed upwards!

Even the Ten Thousand Dragon Roar surged forth, charging upwards!

“Beast Blood Boiling,” “Great Dao Dragon Diagram,” “Twelve Shaman Primal Heavenly Art,” “Chaos Destruction Skill,” “Chaos Slaughter Array Map,” these killing moves were also unleashed in succession!

The four great magical artifacts: Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror struck fiercely!

“Then let’s see who of us lives or dies!”

Gu Tianshang roared, wielding his Fiend Celestial Halberd, slaughtering out wildly!

Behind him, tens of thousands of giant arms formed once more, fists clenched, raining down like a storm!

As he swung the Fiend Celestial Halberd and flung his fists!

He also unleashed other killing moves!

The Fiend Celestial Ancient Map and Fiend Celestial Ancient Seal expanded to tens of thousands of feet, shrouding the sky and sun, suppressing fiercely!

The twelve Ancestral Witches stood tall, wielding various weapons, charging forth!

The Six Paths Phenomenon evolved, countless Fiend Celestial Illusions surged forward in mighty torrents!

“You want to kill all of us, you’re not worthy!”

Linghu Wuxie roared loudly, his Evil God Blade continuously slashing out!

The Evil God Ancient Map and Evil God Ancient Seal convened, expanding rapidly to tens of thousands of feet, suppressing fiercely!

Nine ancient evil gods stood tall, slaughtering forth!

Raging evil energy transformed into Raging Sea Violent Waves, surging forth!

“The final victory is definitely ours!”

Star Ruins God gritted his teeth, furiously wielding his Divine Spear, launching a fierce attack!

Bursts of blazing blue-golden divine light, chains of divine law shot out from him, assaulting fiercely!

The sun, the moon, and the stars evolved, seemingly transforming into a small starry sky, pressing down fiercely!

On this small starry sky, the Starry Sky Divine Map, Starry Sky Divine Seal, and Starry Sky Divine Stele convened, suppressing fiercely together!

“Fight them to the end!”

“Don’t retreat, keep fighting!”

“We must hold on to the end, those three cannot last much longer!”

Titan God Master, Maya God Lord, Pharaoh God Master, and Ji Qingcang all launched the strongest assaults!

Thump, thump, thump!...

Boom, boom, boom!...

Sounds of clashes and explosions, shaking the eight directions and resounding across Jiutian, rang incessantly!

Endless light and energy continued to explode in the sky, spreading out!

The void in heaven and earth continued to be demolished, terrifying and horrible!

“Ugh...”

“Ah...”

Under this confrontation, several more Heavenly Immortal Ancestors and gods screamed, being blasted away!

Some fell into the sea, while others crashed onto small islands!

Yang Luo, Gu Tianshang, and those remaining gritted their teeth, enduring, pushing against the attacks of the three Light God Lords, pressing forward!

Seeing Yang Luo and Gu Tianshang still holding on!

The Light God Lord's face turned cold and venomous: "Keep attacking, I want to see how many more times they can withstand it!"

"Alright!"

"We must annihilate them all!"

Tianyu God and the Dark Demon Lord both shouted out loudly.

The three didn't hesitate, continuing to launch the strongest assaults against Yang Luo and the others!

One wave, two waves, three waves...

After launching the seventh wave of assaults!

Yang Luo's side had less than one-third of their top combat strength remaining!

The situation grew ever more critical!!!

Chapter 2538: Killing Arrays Unleashed!

But, even though only less than one-third of their numbers remain!

Yang Luo and Gu Tianshang, along with others, still gritted their teeth and persevered, fighting their way to the three of the Light God Lord!

“Damn it!”

The Dark Demon Lord roared angrily, “Why are these guys so hard to kill!”

The Tianyu God sneered coldly, “It doesn’t matter, these guys are already covered in wounds, hanging by a thread, they won’t last much longer!”

“Don’t hold back, just kill them now!”

The Light God Lord roared, wielding the Divine Wand, launching an attack towards Yang Luo and the others!

The Dark Demon Lord and Tianyu God also moved simultaneously, heading towards Yang Luo and his companions!

Yang Luo and his group, appearing crazed, engaged in close combat with the three of the Light God Lord!

Clang, clang, clang!...

Boom, boom, boom!...

The sounds of thunderous collisions and explosions continued to echo across the sky, reverberating in all directions!

Light flooded the area like a sea, energy surged like an abyss, wave after wave clashing in all directions!

After fighting for dozens of rounds!

Rumble!

Along with a shocking explosion!

“Ahhhhh...”

Yang Luo, Gu Tianshang, and the others, along with the three of the Light God Lord, screamed miserably as they were blown away!

Large swathes of flesh and blood sprayed down, the scene was incredibly tragic!

Even as they were being blown backward!

Yang Luo forcibly stabilized himself, shouting loudly, “Quickly set up the formations, trap and kill them!”

“Alright!!!”

Gu Tianshang and the others replied with a resounding shout, forcibly stabilizing their bodies!

Without any hesitation, Yang Luo instantly mobilized his energy to the extreme, wielding the sword in his hand!

“Heaven and Earth Furnace!”

“Dragon Rebel Sword Formation!”

“Primordial Dragon Prison Array!”

“Three Thousand Star Domain Formation!”

In an instant!

A massive furnace nearly ten thousand feet in size, along with three massive sword, dragon, and star formations nearly ten thousand feet in size, immediately condensed, trapping the Light God Lord!

“Six Paths Demon Formation!”

“Eight Desolate and Six Harmonies Formation!”

Gu Tianshang also quickly set up two massive killing arrays, trapping the Light God Lord!

“Titan God Destruction Array!”

“Ten Thousand Dragon Soaring Formation!”

“Heavenly Fire Burning Wilderness Formation!”

The Titan God Master, Ji Qingcang, and Tantai Qian Chuan, among others, also set up killing formations, trapping the Light God Lord!

“Immortal Starry Sky Array!”

“Great Amplification Divine Wheel Array!”

“White Tiger Thunder Burial Array!”

The Star Ruins God Lord, Maya God Lord, and Baili Langya, among others, set up layers of formations, trapping the Tianyu God!

“Nine Death Evil Gods Formation!”

“Pharaoh God River Array!”

“North Sea Profound Ice Array!”

Linghu Wuxie, Pharaoh God Master, and Yi Qiankun, among others, swiftly set up layers upon layers of killing formations, trapping the Dark Demon Lord!

Due to the rapid speed of Yang Luo and others in setting up the formations, the three of the Light God Lord were trapped before they could even react!

The Light God Lord sneered, “You think these broken formations can trap and kill us, that’s simply wishful thinking!”

The Tianyu God disdainfully said, “If you had set up the killing arrays in your peak state, perhaps we couldn’t do anything to you!

But now, you’re all half-dead, how powerful can the formations you set up be?”

The Dark Demon Lord laughed mockingly, “You can’t kill us, once we break free, it will be your time to die!”

“Formation, activate!!!”

Yang Luo roared in anger, immediately activating the great formation!

“Formation, activate!!!”

Gu Tianshang and the others all shouted, activating the killing formations!

All the killing formations were activated, starting a frenzied assault on the three of the Light God Lord!

The three of the Light God Lord unleashed various killing moves, launching fierce attacks on the formations!

Clang clang clang!...

Boom boom boom!...

The sounds of collisions and explosions were incessant!

The three of the Light God Lord had gone berserk, bodies covered in blood, hair in disarray!

Under their frantic attacks, the layers of formations were destroyed!

Yang Luo showed no hesitation, mobilizing the blood essence power of the four Divine Beasts and the four Great Fierce Beasts within his body, continuing to set up formations!

“Nine Heavens Dragon Gate Array!”

“Nine Revolutions Thunder Destruction Formation!”

“Vermilion Bird Burning Sky Formation!”

“Black Tortoise Chaotic Sky Formation!”

...

In a flash, another eight layers of killing formations were set up, continuing to trap and kill the Light God Lord!

Gu Tianshang, Linghu Wuxie, Star Ruins God Lord, and Titan God Master, among others, all continued to mobilize their internal energy, continuing to set up formations!

Layer after layer of killing formations were successively set up, trapping the Tianyu God and Dark Demon Lord!

“Break out!”

“Kill these humans!”

“Not a single one should be left!”

The three of the Light God Lord, Tianyu God, and Dark Demon Lord roared and howled, continuing to fiercely attack the formations!

Rumble rumble!

Rumble rumble!

The layers of killing formations continued to shatter and explode!

The explosive power was so terrifying, it directly blew Yang Luo and the others away!

Along the way, they spewed mouths of blood, while large swathes of flesh and blood sprayed from their bodies!

They were blasted thousands of meters away!

Boom boom boom!

Yang Luo and the others landed heavily on a small island!

They had fought up to this point, their injuries were too severe, and their qi was completely exhausted!

But at this moment!

The three of the Light God Lord, Tianyu God, and Dark Demon Lord were about to destroy all the formations and break free!

“No, those three are about to break out!”

“The Yang Heavenly Venerate and others can no longer hold on, they’re likely unable to fight anymore!”

“We absolutely can’t let them break out, once they do, this battle is truly over!”

“If they break out, we lose, and human civilization, the entire Earth will be destroyed!”

Elders from the Three Realms and gods from the four Great Divine Beast families all shouted desperately.

They wanted to stand up and continue fighting, to slay the three of the Light God Lord, but they were powerless.

But at this moment!

“Ahhhhh!!!”

Roars were heard from a small island.

Mu Fusheng, the “Bai Ze Heavenly Venerate,” Duan Kongcheng, the “Luwu Heavenly Venerate,” and Yu Qiye, the “Yong Ye Ancestor,” stood up with their heavily injured bodies!

Mu Fusheng shouted powerfully, “People of the Baize Clan, listen, though our Baize Clan may be weak now!

But we are still of the ancient divine beast family, we still have our unyielding pride!

Our Baize Clan is worthy of the title of Divine Beast Family, worthy of the Three Realms, and worthy of our ancestors!”

Duan Kongcheng, with blood-stained hair, shouted hoarsely, “People of the Luwu Clan, listen, the Three Realms are entrusted to your protection!

Ensure you guard the Three Realms, ensure you rebuild our home!”

“Hahaha...”

Yu Qiye laughed up to the sky, “Though I’ve committed many misdeeds in my life, in this moment of life and death, I’m willing to offer my last strength!”

With that said, the three of them soared into the sky, heading towards the imprisoned Light God Lord, Tianyu God, and Dark Demon Lord!

On their way!

The three began to burn their own blood essence, unleashing their final energy!

Their hair and beards turned white at a visible rate, and their faces became wrinkled!

Yet their bodies shone with a brilliant, dazzling light, as splendid as comets!

Seeing this!

All the elders of the Three Realms, and all the gods of the four Great Divine Beast families knew what Mu Fusheng and the others intended!

They intended to sacrifice themselves!

Chapter 2539: Heroic and Wushuang!

“Bai Ze Heavenly Venerate, Luwu Heavenly Venerate, Eternal Night Ancestor... no, no!”

“Brother Mu, Brother Duan, Brother Yu, don’t do this, stop now!”

“Quickly stop Brother Mu and the others, hurry!”

All the cultivators of the Three Realms were shouting hoarsely, overwhelmed with grief.

Right before everyone’s eyes!

Mu Fusheng rushed into the killing array trapping the Light God Lord!

Duan Kongcheng rushed into the killing array trapping the Tianyu God!

Yu Qiye rushed into the killing array trapping the Dark Demon Lord!

In the instant they rushed in, the three of them detonated their own physical bodies and Essence Souls!

Boom boom boom!

Three earth-shattering explosions echoed through the layered killing arrays, shaking the skies!

“Ahhhhhh...”

The Light God Lord, Tianyu God, and Dark Demon Lord screamed in agony from the blasts!

Their tough Divine and Demon Bodies were blown into tatters, flesh and bone shards flying through the air!

Mu Fusheng, Duan Kongcheng, and Yu Qiye sacrificed their lives to severely wound the three God Lords once more!

“Bai Ze Heavenly Venerate, Luwu Heavenly Venerate, Eternal Night Ancestor!!!”

“The three Heavenly Immortal Ancestors sacrificed themselves just to severely wound those three old fiends, preventing their escape!!!”

“Ahhhh! It’s so hateful, so hateful!!!”

The cultivators of the Three Realms let out heartrending cries, tears streaming down their faces.

“Grand Elder...”

“Why, why...”

Heavenly Pride Mu Wushang of the Baize Clan and Heavenly Pride Duan Tianyang of the Luwu Clan, together with Bujie and others, were heartbroken, blood tears streaming down.

Flame Emperor, International Diva, Bujie, Xu Ying, and others were also tearful, hearts filled with pain.

The people of the entire world witnessed this tragic and heroic scene!

“The three mighty Eastern immortals actually sacrificed themselves!”

“They did this just to protect human civilization, to protect Earth!”

“They are towering heroes, and the world will forever remember them!”

The people of the entire world were already in tears, filled with sorrow.

At this very moment.

Although Mu Fusheng, Duan Kongcheng, and Yu Qiye sacrificed themselves to severely wound the three God Lords!

But the three God Lords were still not dead; they went completely berserk, continuing to fiercely attack the Great Formation!

At this moment.

“Everyone, the future of the Four Divine Clans is entrusted to you!”

“You must survive and lead our Four Divine Clans to glory!”

“Please, you must protect our Four Divine Clans and protect Earth!”

Six gods from the Four Divine Clans also stood up, soaring into the sky, charging toward the three God Lords!

“No... don’t!!!”

“Come back... you have to come back!!!”

“Don’t do this... come back!!!”

The Titan God Master, Maya God Lord, and Pharaoh God Master all shouted hoarsely.

They wanted to stop them, but their bodies couldn’t move.

They had fought for so long, their qi was utterly exhausted.

At this moment.

The six gods unhesitatingly burned all their blood essence, draining all their final strength!

Brilliant divine light burst forth from them as they rushed into the layered killing arrays, detonating their physical bodies and Essence Souls!

Boom boom boom!

The earth-shattering explosive sounds rang out continuously!

“Ughhhh...”

The Light God Lord, Tianyu God, and Dark Demon Lord let out the most heartrending screams!

Peng!

Peng!

The physical bodies of Tianyu God and Dark Demon Lord completely exploded, turning into masses of flesh and bone shards, scattering everywhere!

Their physical bodies were destroyed, leaving only their Essence Souls behind!

The Light God Lord, however, endured the massive explosion, though his body was in tatters as if it could collapse at any moment!

Yet, even so!

The three God Lords still endured, not perishing from the blasts!

“Hateful humans! Hateful cultivators!!!”

“I will kill you all! Kill you all!!!”

“None of you will survive! None of you!!!”

They let out ghostly wails, continuing to fiercely attack the killing arrays!

Even though Tianyu God and Dark Demon Lord were left only with their Essence Souls, they were still Golden Immortals, with Essence Souls incredibly strong, demolishing the layered killing arrays!

As for the Light God Lord, whose physical body wasn't completely destroyed and Essence Soul still intact, his attacking power was even more terrifying!

"We've already sacrificed three Heavenly Immortal Ancestors and six gods... but they still aren't dead?!"

"Is it really... impossible to kill these three fiends?!"

"We absolutely cannot let them escape... cannot let them get away!"

The cultivators of the Three Realms and divine guards of the Four Divine Clans were already in tears, crying uncontrollably.

"Oh no, these three fiends are about to break out!"

"The killing arrays laid down by Yang Heavenly Venerate and the others are about to be completely destroyed!"

"We must stop them!"

Everyone panicked, shouting in alarm.

The cultivators of the Three Realms and divine guards of the Four Divine Clans were becoming more and more despondent and desperate!

On a distant small island.

Azure Dragon Ancestor Ji Qingcang struggled to his feet, swallowed the blood in his mouth, and with a hoarse voice said, "It's our turn... we must kill them!"

"Now is the last chance to kill them... we can't miss this opportunity!"

“We absolutely cannot... let Brother Mu and the others’ sacrifices be in vain!”

“If our sacrifice can bring peace to the Three Realms... it’s worth it!”

White Tiger Ancestor Baili Langya, Vermilion Bird Ancestor Tantai Qian Chuan, and Black Tortoise Ancestor Yi Qiankun also struggled to rise.

But, just as the four of them were about to burn their blood essence and soar into the sky!

Hearty laughter came from afar.

“Hahaha... Brother Ji, Brother Baili, Brother Tantai, Brother Yi, you just rest!”

“We were originally evil demons, heinous sinners; we hope the brothers of the two Immortal Worlds can forgive us for the crimes we committed!”

“With you guarding the Three Realms, we are at ease!”

“If I don’t enter the King of Hell, who will, Amitabha Buddha!”

It was seen, Ten Thousand Demon Ancestor Tuoba Xiao, Mingxie Ancestor Ye Mingkong, Yazi Ancestor Fu Haijiang, and Tian Bao Ancient Buddha had already soared high into the sky.

As they ascended, the four began burning their blood essence, unleashing their final power.

Their blood-stained and tattered bodies flashed dazzling light, their blood-stained beards and robes fluttered in the sky, their eyes filled with resolute determination.

“Brother Tuoba, what are you doing, who allowed you to do this?!”

“Bastards, do you think sacrificing yourselves can wash away your sins?!”

“You all need to live well and atone for the rest of your lives!”

“Do you think sacrificing yourselves makes you heroes, no, never!”

Ji Qingcang, Baili Langya, Tantai Qian Chuan, and Yi Qiankun, tears breaking loose, roared hoarsely.

Just as the four of them were about to burn their blood essence and charge up!

Tuoba Xiao and the others set up a four-layered array formation, sealing Ji Qingcang and the others!

Afterward, Tuoba Xiao and his group decisively turned around, flying toward the location of the three God Lords!

Chapter 2540: Execution of Fiend Celestials!

On the way to fly over!

“Hahaha...”

Tuoba Xiao was full of heroic spirit, looking up to the sky and laughing, “Though I, Tuoba Xiao, have killed countless people in my life and committed many evil deeds!

But I dare to act and dare to be, live transparently and freely!

I will never regret what I have done in this life!

The rights and wrongs, let future generations judge!

Hahaha..."

"We are all extremely guilty people. If we die, please, brothers, do not mourn for us, do not shed tears for us!"

"People of the Yazi Family, the future of the family is entrusted to you, the Three Realms are entrusted to you!"

"Amitabha Buddha..."

Ye Mingkong, Fu Haijiang, and Tian Bao Ancient Buddha also shouted boldly, their dominance unmatched.

Soon, Tuoba Xiao and the other four had already charged to where the Light God Lord and the other two were!

Tuoba Xiao mobilized all the energy from the burning of his blood essence and rushed into the array formation that trapped the Light God Lord!

After rushing in!

His white beard and hair flew around, his blood-stained robe fluttered, and he roared out!

"With my immortal body, transform into the array base, Ten Thousand Demon Killing Array, slay the immortals and slay the gods!"

In an instant!

A massive killing array condensed, once again trapping the Light God Lord!

And Tuoba Xiao used his own body as the array base to maintain the operation of the array formation, attacking and killing the Light God Lord!

Ye Mingkong, Fu Haijiang, and Tian Bao Ancient Buddha also pushed the power from burning their blood essence to the extreme!

The three also used their bodies as the array bases, setting up a Triple Killing Array to trap both the Tianyu God and Dark Demon Lord!

The Triple Killing Array operated rapidly, unleashing waves of killing moves, attacking the Tianyu God and Dark Demon Lord!

“Do you think exhaustedly sacrificing your lives, turning your bodies into arrays, can kill us? It’s simply dreaming!”

“Watch us slay you and break this damn array!”

“Even if you sacrifice yourselves, you can never kill us!”

Light God Lord, Tianyu God, and Dark Demon Lord roared furiously, launching a fierce attack on Tuoba Xiao, Ye Mingkong, Fu Haijiang, and Tian Bao Ancient Buddha!

During the intense assault by the Light God Lord and the other two!

The bodies of Tuoba Xiao and the four exploded, flesh and bone fragments flying, mouths continuously spewing fresh blood!

Light God Lord was extremely powerful, after all, their physical bodies and Essence Souls were still intact!

Although the Tianyu God and Dark Demon Lord had lost their physical bodies, their Essence Souls remained strong, their attacks as powerful as Heavenly Immortals!

“Puff, puff, puff!”

Fresh blood continued to gush from the mouths of the four, with large areas of skin and muscle shattered, exposing the bleak white bones!

Moreover, under the fierce assault from the Light God Lord and others, the bones of three were entirely shattered, scattering large fragments of bone!

“It still doesn’t work!”

“It’s still not enough!”

“Go, let’s help!”

“We must seize this opportunity to kill these three guys!”

“As long as we can kill these three guys, what does sacrifice matter!”

Four divine guards and five gods shot up into the sky, rushing to battle!

On the way to the fight!

They also burned their blood essence, unleashing their final energy!

Soon, they arrived at the battlefield, then used their bodies as the array base, transforming into a Five-layered Array, trapping the Light God Lord, Tianyu God, and Dark Demon Lord!

The three were startled, terrified, and panic-stricken!

They obviously did not expect these guys to be so unafraid of death, so crazed that they would exhaust their lives to drag them down with them!

Afterwards, Tuoba Xiao and the other eight simultaneously mobilized the energy within them to the extreme, unleashing a thunderous roar!

“Explode!!!”

In an instant!

Tuoba Xiao and the other eight detonated their own physical bodies and Essence Souls, also detonating the Nine-layered Killing Array formed by their bodies!

Rumble!

The sound of explosions echoed through Heaven and Earth, shaking all directions, resounding throughout the world!

The light and energy generated by the explosion intertwined, transforming into a vast sea of energy light, surging in all directions!

“Hateful humans!”

“Hateful cultivators!”

“Hateful four divine guards!”

“Hateful!!!”

“Ah...”

Tianyu God and Dark Demon Lord screamed in extreme agony!

Even with their powerful Essence Souls, they could not withstand it, finally shattering and exploding, perishing in the sea of energy light!

Thus, the contemporary masters of the Heavenly Universe Divine Clan and Dark Demon Lord, Tianyu God and Dark Demon Lord, were annihilated!

“Ugh ah ah ah...”

Light God Lord also let out a scream of extreme pain, as his body exploded, sending his flesh and bone fragments flying!

His left half of the body was destroyed, a bloody and terrifying horror!

But he endured the pain, resorting to secret methods to prevent his body from being destroyed!

Minutes later!

Bang!

He dragged his half-ruined body out of the sea of energy light!

Upon seeing this scene!

All the elders of the Three Realms, all the gods of the four divine clans were even more devastated, despairing!

Having sacrificed so many, they only managed to kill Tianyu God and Dark Demon Lord!

The Light God Lord was not killed, not even his physical body was destroyed!

“Hehehe...hahaha...”

Light God Lord stood above the sea of energy light, blood flowing uncontrollably from his mouth, laughing cruelly, exuberantly, and madly.

His face was twisted like a demon, shouting hoarsely: “I said, I am the strongest existence among the divine clans and demonic race!

You cannot kill me!

Cannot kill me!

Hahaha...”

Saying so, his eyes were cold and venomous, sweeping across all the elders of the Three Realms and all the gods of the four divine guards!

He howled like a vengeful ghost: “I will kill all of you, everyone!!!”

“Fight him to the death!”

“Go all out!”

“Kill him!”

Gu Tianshang, Linghu Wuxie, and Star Ruins God struggled to rise, seriously injured.

Blood flowed from their mouths, dripping from their bodies, the plight was extreme.

But they resolutely stood up.

They burned their own blood essence, flew into the sky, and rushed at Light God Lord.

“You are on the verge of death, yet still want to kill me, dream on!”

Light God Lord roared viciously, also burning his own blood essence, wielding his Divine Wand with a fairly intact right hand, charging at Gu Tianshang and the others!

Instantly!

Gu Tianshang and the three engaged in a fierce and deadly battle with the Light God Lord!

Clang, clang, clang!...

Boom, boom, boom!...

Crash, crash, crash!...

The sounds of weapon clashes, fist and palm collisions, and energy bursts continued to explode!

Gu Tianshang and the other two had gone all out, exchanging injury for injury, blood for blood!

Their bodies erupted with large amounts of flesh and bone fragments!

Their left hands snapped off, they attacked with their right hands!

Their right legs shattered, they fought with their left legs!

Even with limbs broken, they rammed with their bodies!

This brutal fight reached the extreme!

But, everyone in the Three Realms and all the four divine guards could tell!

Gu Tianshang, Linghu Wuxie, and Star Ruins God couldn't hold on much longer!

Though even the Light God Lord wouldn't last longer, he still held the upper hand!
