

Super IDG 2551

Chapter 2551: Just One Step Away!

Gu Tianshang nodded and said, "Therefore, this perfectly corresponds to an ancient saying.

'Disaster is where fortune rests, fortune is where disaster lurks.'

"Brother Gu is right, without that great battle, we would hardly break through to the Golden Immortal."

"If we hadn't seen through life and death, we might still restrain our realm, not daring to face the Golden Immortal Tribulation."

Ji Qingcang, Baili Langya, and others nodded their heads.

Initially, a few among them could have faced the Golden Immortal Tribulation, but they kept suppressing their realm, not daring to confront it.

However, after experiencing that battle a year ago and witnessing so many people die before them.

They all saw through life and death, no longer fearing death, and naturally dared to face the Golden Immortal Tribulation.

Zuo Canghai glanced at Bujie and others, stroked his beard, and smiled, "You little guys did well, all of you have had breakthroughs!"

Bujie helplessly said, "Senior Zuo, please spare us this mockery!"

We are still thousands of miles away from the Golden Immortal!"

Ji Longyue, Ning Jianfeng, and others shook their heads and sighed.

They naturally wish to be like these seniors, to step into the Golden Immortal, gaining even stronger power.

But they knew they were still far from reaching the Golden Immortal.

Ji Qingcang encouraged, "Little ones, don't be discouraged.

Your talent, comprehension, and potential are already outstanding among your peers.

As long as you continue to work hard, it won't take long to step into the Golden Immortal."

Baili Langya chuckled and said, "Little ones, keep it up!"

"Hmm!"

Bujie and others nodded resolutely, full of fighting spirit.

"Strange, why hasn't Little Luo awakened yet?"

"Qilin Ancestor" Lin Zhetian turned to Yang Luo, seeing Yang Luo still motionless, he felt quite puzzled.

Although Lin Zhetian hasn't stepped into the Golden Immortal, after experiencing that battle and half a year of hard cultivation, he has finally reached the Heavenly Immortal Perfected Stage.

"Zixiao Old Ancestor" Dongfang Wuji also stroked his beard and said, "We've caused such a commotion, yet Little Luo hasn't awakened.

Could he be attempting to break through to the Golden Immortal?"

Currently, Dongfang Wuji has also reached the Heavenly Immortal Perfected Stage and is not far from the Golden Immortal.

“Supreme Ancestor” Mo Yunfan nodded and said, “Perhaps Little Luo is really trying to break through to the Golden Immortal!”

Mo Yunfan has now also reached the Heavenly Immortal Perfected Stage, just a step away from the Golden Immortal.

“Could it be... has Little Luo really succeeded in breaking through to the Golden Immortal and is facing the Golden Immortal Tribulation?!”

“It’s quite difficult, Little Luo has been repairing his damaged dantian and Essence Souls for half a year, hardly having time to properly cultivate!”

“That’s uncertain, after all, Little Luo often creates miracles!”

Ji Qingcang and others looked at Yang Luo, discussing among themselves.

Gu Tianshang smiled and said, “Brothers, let’s not disturb this kid, let’s just wait quietly.”

Everyone nodded and then gradually landed on the mountain, gazing at Yang Luo, waiting quietly.

At this moment.

Yang Luo had already entered a state of selflessness, ignoring everything around him.

In half a year, the three seniors Gu Tianshang, Linghu Wuxie, and Star Ruins God.

And the four seniors Long Xinghe, Long Daoyi, Long Tianchi, and Long Youlan, all imparted their experiences on breaking through to the Golden Immortal.

Golden Immortal represents the Immortal of Bu Xiu, a watershed for becoming a stronger immortal.

And Golden Immortal consists of five Bu Xiu realms.

Namely: Immortal Body, Immortal Soul, Primordial Spirit Immortality, Immortal Will, Immortal Heart Realm.

As long as one can comprehend at least three of these five realms, they can push open the Gate of Wonders and face the Golden Immortal Tribulation.

However, what puzzled Yang Luo was.

Having comprehended the three realms of Immortal Body, Primordial Spirit Immortality, and Immortal Will, he merely touched the threshold of Golden Immortal, unable to step in.

Thus, after experiencing that battle, his physical strength was further enhanced, and the Undying Golden Body took another leap upwards.

The Essence Souls, after being damaged once, were reformed and became stronger.

Then, for Will, during that battle, he could sacrifice his life, his will had already achieved transcendence.

Now, he only saw the door leading to Golden Immortal, also glimpsed the light leaking through the crack.

But frustratingly, the door remained impenetrable.

Yang Luo asked in his heart, "Why, after comprehending Immortal Body, Primordial Spirit Immortality, and Immortal Will, can't I step into Golden Immortal?"

Long Xinghe spoke, “Kid, for an average immortal cultivator, perhaps merely comprehending three Bu Xiu realms can lead to facing the Golden Immortal Tribulation.

But, your physique and bloodline are unique; you might have to comprehend all five Bu Xiu realms to step in.”

“Ah?!”

Yang Luo was speechless, “Why must I comprehend all five Bu Xiu realms, isn’t this too unfair?!”

During that battle, witnessing the power of Golden Immortal, he wished eagerly to step into Golden Immortal.

Who knew, now just a step away, yet unable to step in.

Long Tianchi said irritably, “Kid, stop complaining and take one step at a time.

If you comprehend all five Bu Xiu realms and then face Golden Immortal Tribulation, your chances of successfully overcoming the tribulation will be much higher.

Furthermore, once you step into Golden Immortal, your strength will be far superior to ordinary Golden Immortals.”

Long Daoyi also said, “Kid, if you want to gain powerful strength, you must exert more effort than ordinary people.

Do you think the ability to be invincible in the same realm and defeating enemies across levels is something everyone can do?

If you don’t put in more effort, it’s all just talk.”

Long Youlan said gently, "Little Luo, take your time, as long as you solidify each realm, your future cultivation path will be smoother."

Upon hearing the words of the seniors.

Yang Luo suddenly awakened.

He seemed truly too anxious.

Apparently, his current heart realm was still unstable.

Attempting to face the Golden Immortal Tribulation in this state would surely be dangerous.

He took a deep breath, trying to calm his emotions.

He said, "Thank you, seniors, for your teachings, I will continue to work hard to solidify each realm!"

The four of Long Xinghe replied, "Hmm," without saying more.

Afterwards, Yang Luo stabilized his breath and mood, then stopped the cultivation techniques, opened his eyes.

As soon as he opened his eyes, voices immediately flooded over.

"Brother Yang!"

"Little Luo!"

"Brother Yang!"

Yang Luo looked up, seeing a large crowd standing not far, looking at him.

He was startled, and said, "Seniors, you have all returned!"

"Haha, we've been back for a while, seeing you cultivating, so we dared not wake you."

Ji Qingcang and others laughed loudly, flying over.

Yang Luo glanced at Ji Qingcang and others, surprised, "Elder Ji, Ancestor Baili, Grandmaster Tantai... Have you all stepped into Golden Immortal?!"

Chapter 2552: It's Time to Go Back!

Ji Qingcang smiled and said, "That's right. Now Brother Baili and I have successfully passed the Golden Immortal Tribulation and stepped into the Golden Immortal realm!"

"Then congratulations to you, elders!"

Yang Luo smiled and cupped his hands in celebration.

The more experts from Earth's Three Realms and the four divine guards, the better, naturally.

If Earth's Three Realms and the four divine guards face danger in the future, everyone will have strength to resist.

Bujie pouted, "Brother Yang, why didn't you congratulate us?"

We've all had breakthroughs in cultivation and strength, haven't we?"

Yang Luo glanced at Bujie and others, smiling as he said, “Yes, yes, your progress is quite significant!

It seems that unless you’re pushed hard, you won’t realize how great your potential is!”

Bujie grinned, “Brother Yang, does what you said before still hold?”

“What words?”

Yang Luo was a bit caught off guard.

Bujie said, “You said if any of us step into the late True Immortal realm, you’d take us to the Upper World.”

Ning Jianfeng also added, “Brother Yang, I’ve now entered the late True Immortal realm, so you must take me to the Upper World!”

Ji Longyue and others also looked expectantly at Yang Luo.

They were really worried that Yang Luo would leave them behind.

Yang Luo chuckled, “Rest assured, since I promised, I’ll definitely keep my word.

But, the prerequisite is finding a way to reach the Upper World without stepping into the Golden Immortal realm.”

Ning Jianfeng quickly said, “Brother Yang, please find a way soon, don’t leave us behind!”

“Alright, alright, I’ll make sure to search for a method as quickly as possible!”

Yang Luo nodded in agreement.

At this time.

Gu Tianshang asked, "Little Luo, have you reached the threshold of Golden Immortal?"

Linghu Wuxie and others also looked at Yang Luo.

Yang Luo replied, "I've touched the threshold of Golden Immortal, but stepping into it will require some effort."

Gu Tianshang comforted, "Little Luo, don't be anxious. Since you've touched the threshold, entering Golden Immortal should happen soon!"

"Indeed!"

Ji Qingcang picked up the conversation, "Little Luo, with your talent, comprehension, and potential, it won't take long for you to enter Golden Immortal!"

Yang Luo nodded, "Rest assured, elders. I'll continue to strive and launch an assault towards Golden Immortal!"

Star Ruins God said, "Little Luo, what are your plans next?"

Would you stay here and continue cultivating?"

Yang Luo shook his head, "Senior Xingxu, we have wandered in the four divine guards for almost a year now, it's time to check on Earth.

Moreover, Senior Gu and I also plan to look for a way to reach the Upper World without stepping into Golden Immortal."

Ji Qingcang also said, “We’ve stayed here for a year, and don’t know what’s happening with the two Immortal Worlds, it’s time to have a look.”

“Alright then.”

Star Ruins God nodded, “Since everyone has things to attend to, I won’t keep you here.”

Maya God Lord spoke, “We will also help in finding a way to see if Golden Immortal realm and beyond cultivators can reach the Upper World!”

Titan God Master pounded his chest, laughing openly, “Everyone, no matter what help you need, feel free to contact us!”

Gu Tianshang laughed, “If anyone needs any help, you can contact us too!”

“Alright, then let’s keep in touch!”

Titan God Master and others nodded.

Linghu Wuxie cupped his hands, “Everyone, we’ll take our leave!”

Star Ruins God, Titan God Master, Maya God Lord, and Pharaoh God Master all placed their right hand over their heart and gave a salute to Yang Luo and others.

After that, Gu Tianshang vibrated all over, summoned his internal energy, and took a step forward!

Boom rumble!

Heaven and Earth shook, the eight corners swayed!

A vast void cave burst open in the space ahead!

A dazzling black-red light channel shot into the void cave!

“Farewell, everyone!”

“Next time, we’ll have a drink again!”

Yang Luo and others waved to Star Ruins God and others before flying into the light channel.

Only when Yang Luo and others disappeared from sight did the Star Ruins God and others look away.

Maya God Lord exclaimed, “These cultivators on Earth are all righteous and gallant.

Meeting them is truly our honor.”

Pharaoh God Master frowned, “Though it’s been a year since this war ended, as Little Luo said, our crisis isn’t over.

Remember, Light God Lord, Tianyu God, and Dark Demon Lord are the bloodline of the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan.

Currently, we have nearly wiped out these three clans. If their ancestors learn of it, they certainly won’t let us go.”

“It’s their own doing, who can they blame!”

Titan God Master snorted coldly, “If they won’t let us go, we’ll fight them to the death!

Also, can they claim ancestors while we don’t have any?”

Star Ruins God said, “Recently, I communicated with the Artifact Spirit of the Crystal Divine Coffin.

The Crystal Divine Coffin promised to carry this matter to our ancestors.

Now it’s on a journey, but who knows how long it might take to deliver the news to our ancestors.”

Maya God Lord said, “We cannot completely rely on ancestors to protect us.

We must become stronger ourselves.”

“Yes!”

Star Ruins God, Titan God Master, Pharaoh God Master, and others nodded solemnly.

...

At the same time.

Deep in the Universe.

Vast and boundless, cold and dark.

Within the vast cosmic starry sky.

A giant ship sails smoothly through space.

The giant vessel is enormous, a thousand meters long, a hundred meters wide, emitting dazzlingly bright golden divine light, clearly a massive Divine Ship.

The Divine Ship is shrouded in a great golden Light Shield, shining brilliantly.

A multitude of meteors from the cosmic starry sky roared in, crashing into the Light Shield, causing giant roaring sounds.

But despite the might of these meteors, they cannot shatter the golden Light Shield, nor shake the Divine Ship.

Aboard the Divine Ship stand hundreds of armored soldiers clad in Divine Gold Battle Armor, wielding weapons.

Each soldier's body emits flashes of divine light and radiant demonic light, their expressions grim.

On the bow of the Divine Ship stand seven figures.

Leading them is a young man clad in a luxurious golden robe, tall and elegant, with a handsome visage and ancient golden runes engraved on his forehead.

Among the six following, there are males and females, four of whom emit various divine lights, while two emit dazzling demonic lights.

At this moment.

A seductive woman with a curvaceous figure wearing a purple gown smiled at the golden-robed man, "Seventh Prince, why would someone of your noble status think of coming to the lower realm?"

The gold-robed man smirked wickedly, "Staying in the Divine Country is too dull, so I thought of getting some fresh air.

Of course, I also want to see if the lower realm folks are really as strong as the Light God Bell, Tianyu Divine Tower, and Dark Demon Cauldron claim."

Chapter 2553: The Hero Returns!

A tall and robust man, emitting a bronze divine light, disdainfully said, "Mere lowly citizens of the Lower World, no matter how strong they become, how strong can they really be?"

A man wearing platinum divine armor, with a strong and fit build, squinted and said, "It is said that the Lower World has produced several Golden Immortals, and their strength is not weak."

A man clad in blue and gold divine armor, slender and erect, scoffed and said, "Even if the Lower World does have Golden Immortals, so what?"

With us here, those Golden Immortals can do nothing but submit.

It's likely that the Light God Lord, the Tianyu God Lord, and the Dark Demon Lord have already won that battle, and we don't need to intervene at all."

The man in the golden robe spoke, "The emperor has ordered, should the Light God Lord, Tianyu God Lord, and Dark Demon Lord win that battle, to bring them back to the Divine Country.

If they need help, we will assist them."

He paused for a moment.

He continued, "However, it's said that the Mayan and Atlantean Races, Titan Race, Mayan and Atlantean Races, and Golden Pagoda Divine Clan also participated in the battle, which is indeed troubling."

The man wearing platinum divine armor said, "Seventh Prince, you need not worry at all.

Even in the Upper World, those four divine races are no match for us.

If descendants of those four divine races are willing to submit obediently, we may choose to ignore them.

Of course, should they insist on resisting us, then they must be completely annihilated.”

“Alright.”

The man in the golden robe nodded and waved his hand, saying, “After all, they’re just a bunch of lowly citizens from the Lower World.

Even if they are annihilated, the emperor won’t say anything.”

Speaking on this, he asked, “Where shall we go first then?”

The man in platinum divine armor replied, “Let’s first go to the Light God Realm and then decide what to do next.”

“Alright.”

The man in the golden robe nodded.

...

At this moment.

Earth.

Country Hua.

Headquarters of Hidden Dragon Pavilion.

Yi Jiuzhou and Lin Aocang were having a meeting with various regional heads of Hidden Dragon Pavilion.

“Mr. Yi, General Long, over the past year, the world’s spiritual energy has fully revived, but the spiritual energy in our Country Hua is the most abundant!”

“Nowadays, all the major sects are flourishing, many sect martial warriors have seen a rapid increase in their cultivation and strength!”

“Due to the spiritual energy revival, many people worldwide have embarked on the path of cultivating, particularly in our Country Hua where the number of cultivators has grown the most!”

“Mr. Yi, the leaders of Country Stars & Stripes, Country White Bear, Country Oxford, and Gaule Country wish for you to take the lead in assembling nations worldwide to form the ‘Earth Guardian Alliance’!”

“The leaders of the four countries also expressed hopes for Mr. Yang to become the leader of the ‘Earth Guardian Alliance’!”

Several heads were reporting in.

After listening to the reports.

Yi Jiuzhou contemplated for a moment and said, “While it’s a good thing that the number of cultivators in our Country Hua is increasing daily, there are also latent dangers.

Therefore, management must be strengthened to ensure these cultivators do not disrupt the lives of ordinary citizens.

We could have various major sects manage the cultivators.”

“Understood!”

The heads responded in unison.

Yi Jiuzhou turned to Lin Aocang and asked, “Elder Lin, what are your thoughts on forming the ‘Earth Guardian Alliance’?”

Lin Aocang thought for a while and said, “Forming the ‘Earth Guardian Alliance’ would be beneficial worldwide.

The war from a year ago plunged the world’s people into a hellish experience, causing great suffering.

Now everyone wants to unite and build a force to resist external enemies, it is undoubtedly necessary.”

Yi Jiuzhou nodded and said, “In that case, we’ll find a time to discuss this matter with the leaders of various countries to implement it promptly.”

He then sighed and said, “However, as for Little Luo, whether he has fully recovered or awakened, we are completely unaware.”

Lin Aocang frowned and said, “Yes, it’s been a year, yet there’s not a hint of news about the boy, which is truly worrying.”

Just then.

Knock, knock, knock.

There was a knock on the door.

Yi Jiuzhou spoke, “Please come in.”

The door was pushed open.

A group of people walked in.

They were Mo Hongtu, Ji Wenzhou, Lin Jingchen, Yi Hanshan, and Dongfang Shaohua, the family heads and sect masters of the two Immortal Worlds.

Zhang Zhilin and Master Xuanku were among them too.

“Haha, Sect Master Mo, why did you all come?”

“How is the reconstruction of the two Immortal Worlds going now?”

Yi Jiuzhou and Lin Aocang met them with smiles.

Mo Hongtu smiled and said, “Rest assured, both of you, after a year of reconstruction, the two Immortal Worlds have restored their erstwhile peace and stability, and are back on track.

Moreover, with the increase in spiritual energy, everyone’s cultivating speed is faster and smoother than before.”

“That’s good.”

Yi Jiuzhou and Lin Aocang both nodded.

Lin Jingchen said, “Still, we don’t know how Little Luo is now; it’s been a year, why hasn’t there been any news of him?”

Ji Wenzhou frowned and said, “During the first half of the year, Fiend Celestial Heavenly Venerate and Evil God Heavenly Venerate occasionally returned.

But in the second half, they haven't returned at all; could something have happened to Little Luo?"

"Amitabha Buddha..."

Master Xuanku put his palms together and said, "Little Luo, with his fortune, surely won't come to harm."

As they were speaking.

A head of Hidden Dragon Pavilion suddenly spoke up, "Mr. Yi, General Long, look quickly!

There are spatial fluctuations above the Pacific Ocean, something unusual!"

Yi Jiuzhou, Lin Aocang, and the others turned to look at the projection on a wall.

On the projection was the scene above the Pacific Ocean.

The space above the Pacific Ocean vibrated violently, and then a huge Void Cave exploded open.

"This... What is happening?!"

"Could it be the three great races are coming again?!"

"No, weren't those three great races already destroyed by us? Are there still more of them?!"

Everyone present exclaimed in surprise.

By this time.

Countries around the world also received the news.

On TV, the internet, and major media forums, the scene above the Pacific was being broadcast live.

People worldwide were in an uproar again.

“Oh my God, why is there activity above the Pacific Ocean again?!”

“Could it be the people of the three great races have returned?!”

“Only a year has passed, is it another apocalypse?!”

“But the key point is, Mr. Yang and those experts are not here, how are we supposed to respond?!”

The people worldwide panicked, their bodies uncontrollably trembling.

There was no way around it, the battle a year ago cast a shadow over everyone’s hearts.

Just when everyone was immersed in fear!

Suddenly!

A black and red beam of light shot out from the Void Cave, creating a Light Channel.

Immediately after...

A large group of people flew out along the Light Channel, reaching the sky above the Pacific Ocean.

When seeing the people flying out.

The people worldwide were first stunned, then cheered!

“Mr. Yang has returned!”

“Our hero has returned!”

The people worldwide shouted with excitement.

Chapter 2554: Reunion!

“It’s really Mr. Yang who has returned, really Mr. Yang has returned!”

“Our hero is not dead, our hero is still alive!”

“Haha, I knew it, how could a man as powerful as the Divine Emperor Island die!”

“Divine Emperor! Divine Emperor! Divine Emperor! ...”

People all over the world were cheering, shouting, and crying with joy.

A year ago, that epic battle plunged the people of the world into an unprecedented disaster, driving everyone to endless collapse and despair.

However, at the critical moment of the battle, it was Yang Luo who stepped forward.

Yang Luo slew the Light God Lord and the Fiend Celestial Army of a hundred thousand, completely ending that battle.

However, in the year following the end of the war, Yang Luo lost contact and never appeared again.

Everyone was worried about Yang Luo, missing Yang Luo, and hoping Yang Luo would reappear.

After all, after the battle ended, they all watched Yang Luo fall, life and death unknown.

And now, Yang Luo finally returned!

How could everyone not be happy and excited?

At this time.

Above the Pacific Ocean.

Yang Luo vaguely heard the cheers and shouts of people from all over the world.

Now he was already at the Heavenly Immortal Perfected Stage, only a step away from the Golden Immortal, naturally with stronger senses.

Hearing people's voices from around the world, Yang Luo was filled with emotion.

Perhaps this world isn't so perfect, but there is still light and hope.

This is also why he is willing to give everything to protect this world.

Gu Tianshang sighed, "Little Luo, you have now become the great hero in the hearts of people all over the world, becoming the faith in everyone's hearts!"

“Brother Yang, how does it feel to become the world’s hero?”

Bujie cheerfully asked.

Yang Luo shook his head and said, “I just did what I wanted to do, what needed to be done, what I was willing to do, and I never thought about being a hero.”

Bujie shouted, “Brothers, listen, this is what it means to show off, this is showing off!”

Slap!

Yang Luo slapped the bald head of this guy, annoyed, “Don’t talk nonsense, what do you mean by showing off, I’m telling the truth!”

Bujie rubbed his head, repeatedly agreeing, “Yes, yes, you are right!”

Yang Luo ignored this guy and took a deep breath, saying loudly, “Fellow people of the world, sorry for worrying you, I have returned!”

His voice was like a bell, resonating throughout the world!

“Divine Emperor! Divine Emperor! Divine Emperor! ...”

People all over the world shed tears, and the shouts grew louder.

Gu Tianshang sensed the surroundings and clicked his tongue, “I didn’t expect that the spiritual energy of the secular world had recovered to such an extent, almost comparable to the two Immortal Worlds.

No knowing if it continues like this, whether Earth will once again become a great star for cultivating.”

Linghu Wuxie smiled faintly, “Whether Earth can become a great star for cultivating again, let’s just wait and see!”

At this moment.

In the distance came bursts of hearty laughter.

“Little Luo!”

“Haha, you brat, you’re not dead after all!”

“Little Luo, you have finally returned!”

Yang Luo and others looked up.

Only to see an ancient boat several hundred meters long flying over from a distance.

Soon, the ancient boat arrived above the Pacific Ocean.

Yi Jiuzhou, Lin Aocang, Zhang Zhilin, and Master Xuanku were standing on the ancient boat, all with smiles on their faces.

“Mr. Yi, General Long, Master, Master Xuanku...why are you here?!”

Yang Luo and the others quickly flew over and landed on the ancient boat.

Yi Jiuzhou smiled and said, “We rushed over as soon as we saw you return at the Hidden Dragon Pavilion headquarters!”

Lin Aocang gave Yang Luo a tight hug, his eyes red, heavily patting Yang Luo's shoulder, "Good, good boy, well done!"

"It's good to have you back, it's good to have you back!"

"Little Luo, we have been looking forward to your return!"

Zhang Zhilin, Mo Hongtu, and others also had reddened eyes.

Seeing these familiar faces.

Seeing everyone's concerned eyes.

Yang Luo's eyes also reddened, saying, "Sorry for worrying you, seniors."

Lin Jingchen hurriedly asked, "Little Luo, how is your injury?"

Everyone looked at Yang Luo, very tense.

Yang Luo smiled and said, "Please rest assured, seniors, my injuries have completely healed."

"Good, that's good!"

"It's good you've recovered!"

Only then did everyone breathe a sigh of relief.

"Little Luo, when did you wake up, and why did you only return after a year?"

Zhang Zhilin asked.

Yang Luo said, "Master, let's first return to the Holy Imperial Court, and then we can talk slowly."

"Alright!"

Zhang Zhilin and others nodded.

Then, Yang Luo and others steered the ancient boat, flying towards the Holy Imperial Court.

And as Yang Luo and the others were heading to the Holy Imperial Court.

Countries around the world dispatched tens of thousands of fighter jets rushing from afar, lined up at a distance on both sides of the ancient boat, escorting Yang Luo and the others.

Bujie amusingly said, "Is it really necessary to make such a fuss, dispatching tens of thousands of fighter jets to escort?"

Xiang Kunlun said, "This is also a way for countries around the world to express their gratitude to us."

Before long.

Yang Luo and the others, aboard the ancient boat, approached the Holy Imperial Court headquarters.

The tens of thousands of warriors piloting the fighter jets saluted Yang Luo and the others.

Yang Luo nodded at the warriors.

Immediately, the tens of thousands of fighter jets turned direction and flew away.

At this moment.

The members of the Holy Imperial Court headquarters also saw Yang Luo and the others returning.

“The Divine Emperor has returned!”

“Welcome back, Divine Emperor!”

Everyone waved at Yang Luo and the others.

Evil Butcher, Medea, Alves, Augustus, and Hopkins were also on Divine Emperor Island, waving at Yang Luo and the others, very excited.

After a few minutes.

Yang Luo and the others landed at the entrance of the palace.

“Haha, Brother Yang, you’re finally back, we missed you!”

The Evil Butcher ran over and gave Yang Luo a bear hug.

Everyone hugged each other, very happy.

Alves curiously asked, “Mr. Yang, it has been a year, why have you only returned now?”

Yang Luo said, “It’s a long story, come on, let’s talk in the main hall.”

Then, Yang Luo and his party walked into the palace hall.

After everyone was seated.

Medea, the Goddess of Fate, and Dongfang Ruoshui among other women, served tea to everyone.

Yang Luo took a sip of tea and said, "Thanks to the relentless treatment from all the seniors, I was able to wake up half a year ago..."

In the time that followed.

Yang Luo recounted the experiences of himself and others cultivating and gaining enlightenment in the four Divine Realms.

After listening to Yang Luo's story.

Everyone had not yet recovered from their shock.

Mo Hongtu looked blankly at Ji Qingcang and others, saying, "Elder Ji, Grandmaster Tantai...you have all stepped into the Golden Immortal?!"

Ji Qingcang smiled and nodded, "That's right, after experiencing the epic battle a year ago,

We gained many insights into life and death, and into the Great Dao, finally stepping into the Golden Immortal."

Chapter 2555: Immortal Road!

Mo Hongtu excitedly said: "Good, this is really wonderful!"

Now, counting the Fiend Celestial Heavenly Venerate and the Evil God Heavenly Venerate, our Three Realms already have nine Golden Immortals!”

“Congratulations to all the Heavenly Immortal Ancestors on stepping into Golden Immortal!”

“If we had nine Heavenly Immortals a year ago, we wouldn’t have struggled so hard, those three old guys would have been crushed by us!”

“That’s all in the past, in the future, our Three Realms will only get better and better!”

Ji Wenzhou, Lin Jingchen, Yi Hanshan, and others were very excited.

Yang Luo looked at Zhang Zhilin and Master Xuanku and said: “Master, Master Xuanku, congratulations on stepping into Heavenly Immortal!”

Zhang Zhilin sighed and shook his head: “Both Master Xuanku and I have just stepped into Heavenly Immortal, it really doesn’t count as much.

Little Luo, you should be close to stepping into Golden Immortal by now?”

Yang Luo replied: “Although I’ve already touched the threshold of Golden Immortal, I’m still one step away from stepping into it.”

Zhang Zhilin exclaimed: “It seems it won’t be long before you can step into Golden Immortal.

I fear I won’t be able to be your master anymore.”

Yang Luo shook his head and said: “Once a master, always a master. No matter what realm I may step into in the future or how great my achievements might be, you will always be my master!”

“Good, good child!”

Zhang Zhilin nodded emotionally.

Afterward, Zhang Zhilin and others also talked to Yang Luo and others about the rebuilding of the Three Realms over the past year and the changes that occurred.

Upon learning that the Three Realms had been rebuilt and restored to its former peace and stability, Yang Luo also breathed a sigh of relief.

At this time.

Yi Jiuzhou said: "By the way, Little Luo, now world nations propose to establish the 'Earth Defense Alliance' to protect the world and jointly resist foreign enemies.

Country commanders also propose to make you the leader of the 'Earth Defense Alliance,' are you willing?"

Yang Luo thought for a moment and said: "Mr. Yi, I agree with the establishment of the 'Earth Defense Alliance.'

Although the great battle has ended, it does not mean we are safe.

After all, if this matter becomes known to the ancestors of those three major races, they certainly won't let it rest.

If the ancestors of those three major races send people to attack, we're likely to face a bigger crisis."

After pausing.

Yang Luo continued: "As for being the leader of the 'Earth Defense Alliance,' let's forget it.

Mr. Yi, please choose someone else to be this leader.”

“Little Luo, do you really not want to be this leader?”

Yi Jiuzhou asked.

Lin Aocang also said: “Indeed, currently in the Three Realms, your prestige is the highest. Apart from you, who else is suitable?”

Yang Luo waved his hand and said: “General Long, there are still many people more suitable than me, please choose someone else to be this leader.

Moreover, in a little while, I plan to leave Earth to go to the Upper World, so I’m really not suitable to be this leader.”

“Go to the Upper World?!”

Yi Jiuzhou, Lin Aocang, Zhang Zhilin, and Master Xuanku were all shocked.

“That’s right.”

Yang Luo nodded and said: “I plan to visit the Upper World to see the broader sky, perhaps there my cultivation and strength will improve faster.

Of course, besides enhancing my cultivation and strength, I have many things to do.

Such as seeking traces of those ancient immortals.

If we can find those ancient immortals and get their help, we will have no fear of the ancestors of those three major races.”

Mo Hongtu sighed: "Little Luo, I knew long ago this world is still too small for you!

A Heavenly Pride like you should go to the broader sky and compete with those top Heavenly Prides!"

Lin Jingchen smiled and said: "If Little Luo you can truly go to the Upper World, then you truly are the Dragon rising into the nine heavens, unstoppable!"

Yang Luo said resolutely: "Though I don't know what challenges I'll face in the Upper World, I definitely won't disgrace the prestige of our Ancient Immortals!"

Speaking, Yang Luo continued: "However, I want to bring Bujie and others with me to the Upper World.

Just not sure if there is any method, even without stepping into Golden Immortal, can reach the Upper World."

"Without stepping into Golden Immortal and still reach the Upper World?!"

"Is there really such a method?!"

Everyone was very surprised.

Zhang Zhilin pondered: "Once I learned from an ancient text that during the ancient era, those ancient cultivators seemed to have some way to open the 'Immortal Road.'

It was because the Immortal Road was opened, those ancient cultivators could leave Earth and go to the Upper World."

Yang Luo's face was full of joy, "Master, are you serious?!"

There's actually a way to open the Immortal Road?!"

Zhang Zhilin nodded and said: "The ancient text indeed recorded this, but how to open the Immortal Road, was not detailed in the text."

Mo Hongtu also said: "Regarding the legend of the Immortal Road, I've heard of it too.

However, before we just regarded it as a legend and didn't pay it any mind."

"Immortal Road... Immortal Road..."

Yang Luo whispered to himself, clenched his fist, and said excitedly: "Since there's a legend about the Immortal Road passing down, it indicates there's a good chance this is true!"

"As long as the Immortal Road can be opened, we can follow Brother Yang to the Upper World!"

"Great, great, that's really wonderful!"

"But how can we open the Immortal Road?"

Bujie and Ning Jianfeng were all overjoyed.

Yang Luo looked at everyone and said: "Brothers, let's not rush to get excited.

Once we truly can open the Immortal Road, it won't be too late to be thrilled."

Speaking, Yang Luo cupped his fists toward Gu Tianshang and others and said: "I hope the senior can help us find a way to open the Immortal Road!"

"Okay!"

Gu Tianshang and others nodded in agreement.

In the next month.

Yang Luo and Gu Tianshang ran everywhere in the Three Realms, searching for ways to open the Immortal Road.

Bujie and others stayed at the Immortal Burial Island on Penglai Immortal Island to cultivate, enhancing their cultivation and strength.

If they truly can open the Immortal Road, but their cultivation and strength aren't high enough, Yang Luo won't take them to the Upper World.

Therefore, everyone worked hard in cultivation, at least to achieve the goal set by Yang Luo, to enter the late True Immortal realm.

...

On a morning a month later.

Star Ruins Divine Realm.

Mayan and Atlantean Races territory.

In the study of a crystal palace.

The Star Ruins God was flipping through the ancient texts.

He had also promised Yang Luo to help find a way to the Upper World.

Just at this moment.

Rumble rumble rumble!

The territory of the Mayan and Atlantean Races, spanning a thousand miles, suddenly began to violently shake the sky, earth, and mountains!

“What’s happening?!”

“Why has the Heaven and Earth suddenly shaken?!”

“Quick, look at the sky, what is that?!”

The people of the Mayan and Atlantean Races were all startled and looked toward the sky.

Only to see the vast sky trembling violently, twisting as if the space was unstable.

A few minutes later!

Boom boom boom!

A huge Void Cave exploded in the sky above!

Blinding divine light and demonic light sprang out from the Void Cave, illuminating the sky and the earth!

“What’s happening?!”

“Is someone coming?!”

“Who will it be?!”

The populace all exclaimed in confusion.

Chapter 2556: Still not kneeling?

The divine light shooting out from the Void Cave became increasingly intense, blinding everyone.

At this moment.

The Star Ruins God Master, accompanied by ten gods, flew in from afar, arriving in the sky above.

“Greetings, Lord God Master!”

“Greetings, Lords Heavenly Gods!”

The clansmen respectfully greeted them.

The Star Ruins God Master and ten gods nodded, then looked up into the sky.

A few more minutes passed.

A monumental golden Divine Ship, a thousand meters long, emerged from the void and appeared in the sky.

Hundreds stood aboard the entire divine ship.

Leading them were seven men and women.

The Star Ruins God Master frowned deeply, asking in a commanding voice, “Who are you, and why do you intrude into my Star Ruins Divine Realm?”

“Hahaha...”

“Does such a spiritually scarce plane even deserve to be called a ‘Divine Realm’?”

“As expected, the knowledge of the lowly is indeed shallow and utterly ignorant!”

“You lowly beings, kneel at once!”

The leading seven burst into laughter, their expressions arrogant, high and mighty.

The Star Ruins God Master angrily replied, “Why should we kneel to you?”

The man in the golden robe sneered, “Hark, lowly beings!

We hail from the Light Divine Country, Tianyu Divine Country, and Dark Demon Country!

I am the Light God Son, son of the Light Divine Emperor!”

“I am a Divine Envoy of the Light Divine Country, God of Chaos!”

“I am a Divine Envoy of the Light Divine Country, God of Heavenly Punishment!”

“I am a Divine Envoy of the Tianyu Divine Country, God of Burning Heaven!”

“I am a Divine Envoy of the Tianyu Divine Country, Meteor Goddess!”

“I am a Demon Envoy of the Dark Demon Country, Slaughter Demon Lord!”

“I am a Demon Envoy of the Dark Demon Country, Soul Witch!”

The other six loudly introduced themselves.

As they spoke.

The seven, including the Light God Son, simultaneously spread an aura of pressure.

This pressure and aura, like a collapsing mountain and bursting sea, immediately swept across the entire territory of the Atlantean Divine Clan!

Rumble Rumble Rumble!

The entire Atlantean Divine Clan territory shook even more violently, as if triggering a massive earthquake!

The sky was filled with rolling dark clouds, fierce winds, lightning flashing, flames roiling, and phenomena abounded!

The whole sky unveiled an extremely terrifying scene!

“Everyone, be cautious, retreat to the mountain-protecting array quickly!”

The Star Ruins God Master’s expression changed drastically, quickly activating the mountain-protecting array.

The array activated, forming a massive blue-gold light shield, enveloping the entire Atlantean Divine Clan territory!

“Retreat! Quickly retreat!”

“How can these guys be so terrifying?!”

“Weren’t the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan destroyed? Why are there still people?!”

“The key is, their pressure and aura seem to be no less than the Light God Lord, Tianyu God, and Dark Demon Lord!”

A hundred thousand clansmen were panic-stricken, hurriedly retreating inside the mountain-protecting array.

“Hahaha...”

“We’ve only released a little pressure and aura, and these lowly beings are already scared like this!”

“Lowly beings are ultimately just lowly beings, ants are always just ants!”

The seven, including the Light God Son, laughed with great pride, their faces full of mockery.

The Star Ruins God Master stared intently at these seven, his expression darkening.

These seven claimed they were from the Light Divine Country, Tianyu Divine Country, and Dark Demon Country!

Could they be emissaries sent by the ancestors of the three great races?

Only a year has passed, yet they've already come, so soon?!

Though he sensed the Light God Son was only at the mid-stage Heavenly Immortal level.

But, the Soul Witch and God of Burning Heaven were at the early-stage Golden Immortal level.

The Slaughter Demon Lord was at the mid-stage Golden Immortal level.

The cultivation of the other three he couldn't perceive, probably all above mid-stage Golden Immortal.

Especially the God of Chaos, whose pressure and aura were even more terrifying, likely exceeding the Golden Immortal level.

The Light God Son stared down at the Star Ruins God Master and others, tauntingly said: "Now that you know our identities, still not kneeling?"

The Star Ruins God Master stood firm, gritting his teeth, saying: "I am a descendant of the Atlantean Divine Clan, why should I kneel to you!"

"Heh..."

The Light God Son mockingly laughed, saying: "Even if you are descendants of the Atlantean Divine Clan, so what?

Your ancestors were no match for us, much less you?"

The God of Heavenly Punishment squinted, saying: "Your talent is quite good, being able to cultivate to a mid-stage Golden Immortal on such a spiritually scarce plane, quite impressive indeed!

If you are willing to submit to us and serve us from now on, we might spare your life!”

The Star Ruins God Master’s face turned cold, ready for battle, said: “You want me to submit to you, impossible!

If you wish to kill me, come and try!”

The God of Heavenly Punishment chuckled softly: “Why go to the trouble of making such a fuss just to kill you?

We came today, to kill you, the Titan God Master, Maya God Master, and Pharaoh God Master!

Oh, and also those guys on Earth!”

The God of Burning Heaven said icily: “You killed the Light God Lord, Tianyu God, and Dark Demon Lord, did you think we would let you off so easily?”

The Light God Son, hands behind his back, said loudly: “Alright then, quickly summon the Titan God Master, Maya God Master, Pharaoh God Master, as well as those guys on Earth!

Of course, you don’t have to call them, we can easily kill you and then deal with those guys!”

Upon hearing the words of the Light God Son and others.

The Star Ruins God Master and the other ten gods’ faces turned cold.

“God Master, what do we do now?”

“Should we call the Titan God Master and Mr. Yang?”

Several gods looked toward the Star Ruins God Master.

The Star Ruins God Master whispered: “Although that Light God Son is only mid-stage Heavenly Immortal, the other six are at least early-stage Golden Immortal!

Relying solely on ourselves, it’s hard to deal with them!

So, we must quickly notify Brother Titan and the others!

Only by joining hands can we have the power to fight!

If we scatter, we will surely be defeated one by one!”

“Hmm!”

The ten gods nodded heavily.

Afterward, the Star Ruins God Master cast divine arts to contact the Titan God Master and others.

The Light God Son sneered disdainfully, said: “It’s the right call to summon people, with you all here, we can annihilate you all at once, saving us the hassle of running around.”

The other six also looked mockingly at the Star Ruins God Master, not taking him seriously at all.

...

At the same time.

Penglai Immortal Island.

On Immortal Burial Island.

After a month's arduous cultivation.

Xiang Kunlun, King of Creation, Sacred Prison King, Jing Yucheng, and Li Xinghuo finally reached the late True Immortal realm.

Mo Qingkuang, smiling, said: "Brother Xiang, you've finally reached the late True Immortal realm."

Xiang Kunlun nodded, saying: "If we can open the Immortal Road afterward, we can also follow Brother Yang to the Upper World!"

Bujie helplessly said: "Just don't know if the Immortal Road can be opened!"

While they were talking.

Five figures flew over from afar, it was Yang Luo, Gu Tianshang, Linghu Wuxie, Zuo Canghai, and Chu Junlin.

Chapter 2557: Defying Heaven's Act!

"Brother Yang and Senior Gu, they have come back!"

"Could it be that Brother Yang and Senior Gu have found a way to connect to the Immortal Road?"

"Damn, does that mean we're about to head to the Upper Realm?"

Bujie and the others were very excited.

Soon, Yang Luo and Gu Tianshang along with five others arrived at Immortal Burial Island and descended upon the mountain where Bujie and the others were located.

“Brother Yang, Senior Gu, have you found a way to connect to the Immortal Road?”

“You surely must have found it, right?”

Bujie quickly inquired.

Yang Luo shook his head and sighed, “We haven’t found it yet.”

“Haven’t found it...”

“We’re doomed, seems like we really can’t make it to the Upper Realm...”

Bujie and the others were very dejected, hanging their heads low.

Yang Luo comforted them, “Brothers, don’t be so downhearted. We still have time, we will surely find a way to connect to the Immortal Road!”

Gu Tianshang also said, “Indeed, since the Immortal Road exists, there must be a way!”

Bujie and the others began to analyze, thinking about how they could connect to the Immortal Road to reach the Upper Realm.

Yang Luo found a place to sit down.

He thought to himself and asked inwardly, “Four seniors, you must know of a way to connect to the Immortal Road, right? Why won’t you tell me?”

Some days ago, he had entered the Divine Sense Space and asked the four of Long Xinghe whether they knew of a way to connect the Immortal Road.

At the time, the four of Long Xinghe were somewhat evasive, saying they didn't have one.

But he believed the four seniors certainly had a way, just hiding it from him.

The Divine Sense Space fell silent.

Yang Luo sighed, "Four seniors, if you have a way, please tell me, I'm begging you."

Long Xinghe let out a long sigh and said, "Certainly there is a way, but this method is too dangerous.

If anything goes wrong, you would be trapped in spatial turbulence and completely disintegrate to nothingness.

Without a Golden Immortal body, you cannot withstand the crushing pressure of the space.

Even if by luck you reach the Upper Realm, you would have to sacrifice half your lifespan."

Long Tianchi said, "Not telling you this method is ultimately for the good of you and your brothers.

Connecting to the Immortal Road is against the heavens; if you don't have the cultivation and strength of a Golden Immortal, it's too risky.

Unless you have a true immortal stronger than a Golden Immortal protecting you, otherwise, you might perish before reaching the Upper Realm.

If the method weren't dangerous, we would have told you long ago, it's not something delayed."

“Little Luo, better wait till you step into the Golden Immortal stage before heading to the Upper Realm.”

“Now you’re just a step away from becoming a Golden Immortal, there’s no rush at this moment.”

Long Daoyi and Long Youlan also spoke out to persuade.

Yang Luo helplessly said, “Four seniors, regardless of the dangers, I still wish to give it a try.

I want to quickly head to the Upper Realm, and bring my brothers along.

A greater crisis waits for us, we cannot just sit around passively.

We must go to the Upper Realm, enhance our cultivation and strength, and seek traces of ancient immortals.”

Long Tianchi frustratedly said, “Why won’t you listen to reasoning, trying to get yourself killed?

You’ve just managed to enter the Heavenly Immortal Perfected stage, almost about to become a Golden Immortal, why mess things up at this critical moment?”

Yang Luo lightly coughed and said, “Senior Tianchi, don’t you wish to quickly unlock the remaining five bronze dragon coffins and free the other five seniors?

Only by going to the Upper Realm can we find more ways to lift the seal from the bronze dragon coffins, right?”

“You brat...”

Long Tianchi was rendered speechless.

Long Xinghe solemnly asked, "Boy, have you thought it through?"

Yang Luo earnestly replied, "I've thought it through."

"Very well, then I'll tell you."

Long Xinghe replied, then said, "Actually, as long as you have at least five Golden Immortals, plus the assistance of a powerful Dharma artifact with an awakened Artifact Spirit, you can connect to the Immortal Road.

You can completely leverage the power of the Flame Emperor's Furnace and the Connate Eight Trigrams to connect to the Immortal Road.

I will now impart the incantation and specific method to connect to the Immortal Road..."

In the following few minutes.

Long Xinghe shared the incantation and detailed method with Yang Luo.

Having finished, Long Xinghe asked, "Have you memorized it?"

"Memorized!"

Yang Luo responded.

Long Xinghe said, "Little Luo, if you can avoid using this method, it's best not to use it. Think it through carefully and use with caution."

"Understood."

Yang Luo replied.

After disconnecting.

Yang Luo furrowed his brows.

It turned out that with the Flame Emperor's Furnace and the Connate Eight Trigrams, one could connect to the Immortal Road.

However, since the four seniors said this method is very dangerous, it definitely is.

The four seniors never spoke rashly.

He still planned to inform Bujie and the others of this method.

This method indeed carried significant danger, potentially costing lives.

Whether Bujie and the others wish to attempt it would depend on their own decision.

Thinking so.

Yang Luo stood up, ready to inform Bujie and the others.

However, at this moment.

A voice entered Yang Luo's mind.

"Little Luo, the ancestors of the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan have sent people to our Star Ruin Divine Realm!"

The situation is urgent, we hope for your assistance!”

Upon hearing this message.

Yang Luo’s face suddenly changed, exclaiming, “Oh no, something happened!”

“Huh?! What happened?!”

“Brother Yang, why this sudden alarm?!”

Bujie and the others turned their gaze to Yang Luo.

“Little Luo, what’s wrong?!”

Gu Tianshang, Linghu Wuxie, Zuo Canghai, and Chu Junlin also looked at Yang Luo.

Yang Luo said in a serious tone, “Just now, the senior from Star Ruins sent a message saying the ancestors from the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan have sent people to the Star Ruin Divine Realm!

The situation is urgent, and senior from Star Ruins asks us to help!”

“What?! Did those three Protoss races’ ancestors send someone over so soon?!”

“Damn, it’s only been a year, this fast?!”

“What are we waiting for, let’s go!”

Gu Tianshang and the others exclaimed in shock, their faces full of disbelief.

“Since senior from Star Ruins asks us to help, it shows that the people sent by those three races are very strong, and he can’t handle them.”

Yang Luo said in a serious tone, then added, “We need to quickly notify all Heavenly Immortals in the Three Realms to head to the Star Ruin Divine Realm!”

“Alright!”

“We’ll do that!”

Gu Tianshang and the others nodded in agreement.

Soon, Yang Luo and Gu Tianshang engaged in the Thousand-Mile Sound Transmission Technique, sending messages to the Heavenly Immortals of the Three Realms.

Not long after.

Rumble!

A series of Void Caves exploded above the sky near Immortal Burial Island.

It was seen that Golden Immortal Huangfu Tiance, as well as Eastern Wuji, Xing Wentian, and other Heavenly Immortal Ancestors from Penglai Immortal Island arrived.

After a while longer.

Rumble!

Another Void Cave exploded above the sky not far away.

It was seen that Ji Qingcang, Baili Langya, Tantai Qian Chuan, and Yi Qiankun, the four Golden Immortals, leading a group of Heavenly Immortal Ancestors from Kunlun Ruins, arrived.

Even Zhang Zhilin and Master Xuanku, who were guarding the secular world, arrived.

Chapter 2558: Rescue!

Yang Luo cupped his hands and said, “Dear elders, now that the ancestors of the three Protoss races have sent people to attack the Star Ruins Divine Realm, we must hurry and go help!”

“In the great battle a year ago, Brother Xingxu and his people came to help us. Now that they are in trouble, how can we stand by and do nothing?”

“Besides, the people sent by the ancestors of those three races certainly won’t spare us. Instead of waiting for them to come to us, it’s better to go on the offensive!”

“The Three Realms have already suffered great destruction and have just been rebuilt; they cannot be destroyed again!”

Ji Qingcang, Qilin family, and others spoke out one after another.

Yang Luo nodded and said, “There’s no time to lose, let’s set off quickly!”

“Brother Yang, dear elders, we’re going too!”

“Right, right, we want to go too!”

“The more people, the more strength!”

Bujie, Ning Jianfeng, Ji Longyue, and others all clamored to go along.

Yang Luo thought for a moment and said, "Alright, then let's all go together!"

Always having Bujie and them stay on Immortal Burial Island to cultivate, the improvement in their cultivation and strength is still too slow.

Only through the tempering of battle can their cultivation and strength improve faster.

Only when their cultivation and strength are strong enough can they have a better chance of surviving when treading the Immortal Road.

Immediately, Gu Tianshang erupted with the energy from within his body and stepped forward.

Rumble!

A massive Void Cave opened up in the sky above.

A broad black and red light beam formed a Light Channel, shooting into the Void Cave.

Yang Luo waved his large hand, "Brothers, elders, let's go!"

"Alright!"

Everyone responded in unison.

Then, Yang Luo and his group soared into the sky, flying into the Light Channel.

...

At this time.

Star Ruins Divine Realm.

Atlantis Divine Clan territory.

The atmosphere was extremely oppressive.

The clansmen in the Atlantis territory stared tightly at the Light God Son and others in the sky, as if facing a great enemy.

At this moment, other clansmen of the Atlantis Divine Clan also rushed in, ready for battle.

However, the Light God Son and others looked relaxed, chatting and laughing.

After waiting a while longer.

The Light God Son became somewhat impatient, "When will the Titan God Master, Maya God Lord, Pharaoh God Master, and those guys on Earth arrive? How much longer must we wait?"

The Star Ruins God Master did not speak, only stared coldly at the Light God Son and others.

The Light God Son raised his hand and said, "Let's start, kill these guys first!"

"Haha, Seventh Prince, let me do it!"

The Slaughter Demon Lord laughed evilly and stepped forward.

His cultivation was at the Golden Immortal Middle Stage.

Immediately, his entire body shuddered, mobilizing his inner magic power, causing rolling blood-red demonic qi to surge into the sky, breaking the firmament and piercing the void!

Rumble!

Heaven and Earth trembled violently, mountains and rivers shook, and the palace structures quaked!

The sky for a thousand miles was instantly engulfed by a sea of blood-colored light, like a vast Blood Sea rippling in the sky!

“Destroy!”

He waved his large hand!

Swoosh!

A massive blood waterfall surged down like a reversed Milky Way, aiming to destroy everything!

The vast void was torn apart, revealing dense cracks!

“Fight!”

The Star Ruins God Master shouted loudly, soaring straight into the sky, charging into high altitude!

In the process of charging high into the sky!

He directly unleashed the divine power inside his body!

“Star Ruins Divine Map!”

A massive blue and golden Divine Map condensed into being, like a giant curtain covering the sky, blocking above!

On this Divine Map, a miniature starry sky evolved, with the sun, the moon, and the stars revolving!

In an instant!

Boom, boom, boom!

Clash, clash, clash!

The massive blood waterfalls crashed against the Divine Map, erupting with collision and explosion sounds akin to Earth-Shattering Heavenly Destruction!

Although the Slaughter Demon Lord’s offensive was extremely fierce, it was still forcefully blocked by the Star Ruins God Master!

“Oh?”

The Slaughter Demon Lord narrowed his eyes with a smile, “You do have some strength!

Come, let’s continue!”

With that, he waved his hand again!

“Roar!”

In an instant, the blood-colored light sea in the sky transformed into a massive blood-colored Demon, roaring as it charged towards the Star Ruins God Master!

The Star Ruins God Master also shuddered, and his vast and majestic divine power surged forth, transforming into a colossal Ancient God, attacking the blood-colored Demon!

In the blink of an eye!

Crash!

The blood-colored Demon and the Ancient God collided at once, shattering the firmament and void!

Several seconds later!

Rumble!

The blood-colored Demon and the Ancient God both shattered and exploded, blasting out two massive balls of energy, spreading wide!

And just as the blood-colored Demon and the Ancient God exploded!

Rumble!

The Star Ruins God Master summoned the Divine Spear, charging into the sky, tore through a massive surge of energy light, and swung the Divine Spear in his hand, sweeping towards the Slaughter Demon Lord!

The Slaughter Demon Lord's heart was alarmed, quickly summoning a blood-colored Demon Blade to resist!

Clang!

Accompanied by a crisp collision sound!

The Slaughter Demon Lord was directly sent soaring upwards, his protective divine light and Demon Body ripped apart, leaving bloody wounds!

“Well done, Divine Master!”

“Great job, Divine Master!”

The ten gods and those clansmen raised their arms and cheered.

“Slaughter Demon Lord, it seems you’re no match, let me take over!”

The God of Heavenly Punishment teased and stepped forward.

“Damn it!”

The Slaughter Demon Lord gritted his teeth in anger.

Despite being a Golden Immortal Middle Stage expert, he was injured by the Star Ruins God Master in just a few moves.

Even though they were only superficial wounds, it still infuriated him.

The God of Heavenly Punishment shuddered, mobilizing the divine power within his body, and then waved his large hand!

Rumble!

For thousands of miles in the sky, dark clouds rolled, strong winds howled, and golden Divine Thunder surged, magnificent and mighty!

Massive golden Divine Thunderbolts descended from the sky like heavenly punishment, striking heavily!

As the Divine Thunder struck down, the vast void instantly tore apart!

As such, these Divine Thunderbolts not only contained powerful divine power but also powerful Thunder and Lightning Law Power!

“Fight!”

The Star Ruins God Master shouted fiercely, vigorously swinging the Divine Spear in his hand!

Swoosh, swoosh, swoosh!

Countless blue and golden spears shot forth, colliding with the descending Divine Thunderbolts!

Boom, boom, boom!

Crash, crash, crash!

The sound of collisions and explosions echoed continuously, resounding through Heaven and Earth in all directions!

Yet, the Divine Thunderbolts unleashed by the God of Heavenly Punishment were too violent for the Star Ruins God Master to withstand!

The blue and golden spears that soared into the sky were all destroyed!

“Star Ruins God Destruction!”

The Star Ruins God Master’s expression changed drastically as he continued to draw on the divine power within his body, wielding the Divine Spear!

Massive blue and golden divine light surged like a fountain, shooting into the sky, colliding with the descending Divine Thunderbolts!

Boom, boom, boom!

Crash, crash, crash!

As Divine Thunderbolts and divine light collided fiercely, they erupted in terrifying collision and explosion sounds!

However, to the Star Ruins God Master’s horror, he still could not withstand the terrifying Divine Thunderbolts and was blasted to keep falling!

The God of Heavenly Punishment smiled and said, “Star Ruins God Master, to tell you the truth.

My cultivation is at the Golden Immortal Perfected Stage. Do you think you can be my opponent?”

“What?! Golden Immortal Perfected Stage?!”

The Star Ruins God Master’s face changed dramatically, and his heart sank.

Although he had long suspected that the God of Heavenly Punishment’s cultivation was above the Golden Immortal Middle Stage, he hadn’t expected it to be at the Golden Immortal Perfected Stage!

Chapter 2559: The Opportunity Comes Only Once!

The voice hadn't fallen!

Boom boom boom!

Several bolts of divine thunder directly struck the body of the Star Ruins God Master, easily breaking through his protective divine light and divine body!

"Argh..."

The Star Ruins God Master let out a painful cry, falling from the sky, with massive sections of flesh exploding off his body!

"God Master!"

"Lord God Master!"

The ten gods and the clansmen all shouted in shock.

"Damn it!"

"Counterattack, quickly counterattack!"

The ten gods roared, initiating their counterattack simultaneously!

Swish swish swish!

Ten massive divine lights surged forth like ten shock waves, blasting towards the descending divine thunder!

Boom boom boom!

Earth-shattering explosions erupted in the sky!

Light and energy intertwined, transforming into fierce violent waves, sweeping outward!

Yet, even with the ten gods attacking together, they still couldn't withstand it!

The ten divine lights they unleashed were instantly destroyed!

And the bolts of divine thunder struck their bodies mercilessly!

"Argh ah ah ah..."

The ten gods screamed in agony and fell.

"Lord God!"

"Everyone attack, let's fight them!"

Many clansmen with cultivation at the Earth Immortal and True Immortal level soared into the sky, charging into battle.

They attacked wildly but couldn't resist the destructive force of the divine thunder!

Bang bang bang!

Amidst the dull explosions!

On the spot, tens of thousands of clansmen were struck into mince meat, scattering into the air!

“Hahaha, I’ll join the fun!”

The God of Burning Heaven laughed as he stepped out, waving his great hand!

Crash!

In the sky over thousands of miles, the crimson flames burned ferociously, transforming into waves of fire rushing downward!

The burning power of these waves was terrifying to the extreme, splitting the vast void as if divine flames descended from the heavens to scorch everything!

His cultivation was at the late-stage Golden Immortal, although not matching the God of Heavenly Punishment, it was powerful beyond measure!

“Argh ah ah ah...”

The clansmen of Atlantis couldn’t resist at all, shrieked in pain and fell from the sky.

The Star Ruins God Master charged into the sky, loudly roaring, “Everyone, retreat into the mountain-protecting array immediately!

These guys aren’t someone you can handle!”

“Yes, God Master!”

Though unwilling, the clansmen had no choice but to retreat into the mountain-protecting array.

There was no other way, as this time the enemy's numbers were few, but their strength was absurdly strong.

The Star Ruins God Master stood proudly, holding the Divine Spear, his voice resonating, "Though I am a lower realm god, I am not afraid of your upper realm Fiend Celestials!

Come and fight!"

The Light God Son frowned, "This lowlife speaks too much, finish him off quickly, this prince doesn't want to see him!"

"Seventh Prince, don't worry, this guy is slightly stronger than the common ant, but ultimately he is just an ant!"

"Seventh Prince, allow us to ease your concerns by eliminating this guy!"

"Finish him quickly!"

The God of Heavenly Punishment, the God of Burning Heaven, and the Slaughter Demon Lord all shouted loudly.

Immediately, the three of them unleashed their power and battle forces!

Rumble rumble!

A blinding golden lightning burst from the God of Heavenly Punishment!

A fierce crimson fire erupted from the God of Burning Heaven!

A blood-colored demonic light surged from the Slaughter Demon Lord!

“Kill!!”

The three gods simultaneously roared, launching a fierce attack on the Star Ruins God Master!

Divine Thunder Power, Divine Fire Power, and Slaughter Demon Power exploded forth!

Transforming into a golden Thunder Sea, crimson Fire Sea, and blood-colored demonic sea, overwhelmingly flowing down!

The Star Ruins God Master showed determination, wielding the Divine Spear, ready to counterattack!

Suddenly!

Rumble rumble!

Explosions echoed from all around!

Immediately after!

Gigantic Void Caves tore open in the sky!

Swish swish swish!

Beams of immortal light and divine light blasted out from the Void Caves, like rainbows, shooting towards the three seas of light!

In an instant!

Rumble rumble!

Earth-shattering explosions resonated in the sky, as if the entire Star Ruins Divine Realm could hear it!

The three seas of energy light were instantly destroyed, bursting into massive showers of energy light, spraying in all directions!

When the three seas of energy light were destroyed!

Four immense beams shot out from the four Void Caves, like Light Channels, crossed the sky!

“Brother Xingxu, we have come!”

“Senior Xingxu, rest assured, we are here to assist you!”

Accompanied by calls.

Four groups flew out from the Void Caves along the Light Channels.

Soon, the four groups arrived in the sky.

Titan God Master led nine great gods to the scene!

Maya God Lord brought eight great gods to the scene!

Pharaoh God Master led eight great gods to the scene!

Yang Luo arrived with Gu Tianshang and others!

Seeing this scene!

The clansmen of Atlantis began to cheer with excitement!

“Great, Titan God Master and Mr. Yang have all arrived!”

“Do you think they’re the only ones with Golden Immortals? We have plenty on our side too!”

“Those upper realm folks are too arrogant, we must show them some color!”

The clansmen shouted thunderously.

Upon arrival, Yang Luo and others looked at the numerous fallen Atlantis clansmen below, and the injuries on the Star Ruins God Master, their eyes filled with anger.

Having received the news, they hurried over immediately, only to arrive slightly late.

Yang Luo apologized, “Senior Xingxu, sorry we are late!”

The Star Ruins God Master waved his hand, “No worries, you’re here just in time!”

“Brother Xingxu, how are your injuries?”

Titan God Master asked.

The Star Ruins God Master shook his head, “Just some superficial wounds, no big deal!”

“That’s good!”

Titan God Master and the others sighed in relief.

For a moment, Yang Luo and the others shifted their gaze to the seven from the Light God Son's side.

Sensing the pressure and aura from the seven, Yang Luo and the others were greatly alarmed.

One Heavenly Immortal, five Golden Immortals, and one whose cultivation couldn't be sensed at all.

The Star Ruins God Master said, "These guys come from the upper realm's Light Divine Country, Tianyu Divine Country, and Dark Demon Country!

The young man in the golden robe is a prince of the Light Divine Country!

The other six are Divine Envoys and Demon Envoys!"

Yang Luo nodded in realization, roughly understanding the origin of the seven.

The Light God Son looked arrogantly at Yang Luo and the others, saying loudly, "You low-class beings have finally arrived!

Now that you know our identities, why not obediently submit, kneel for mercy?"

Then he turned his gaze to Flame Emperor, Song Zhixin, and others, his eyes wickedly saying, "I didn't expect such talent and beauty among the lower realm folk, not just one!

Hehe, seems I've come to the lower realm rightly!"

Continuing, he smiled and said, "Ladies, if you agree to become my concubines and serve this prince well, I might spare your lives!

The opportunity is but once, cherish it well!”

Chapter 2560: Do You Really Think You Are Invincible?

“Holy shit!”

Bujie looked at the Light God Son as if he were an idiot, “Where did this brainless thing come from?”

“Whose dog isn’t tied up properly, and how did it get let loose?”

Ning Jianfeng added.

“How dare you!”

The Light God Son was furious, “You lowly commoners dare to disrespect this prince?

Do you even know who I am?

I am the son of the Light Divine Emperor!”

Bujie retorted directly: “Old Man doesn’t care who you are, I disrespect you, so what?”

In the eyes of Lord Buddha, you’re just a damn fool!”

Ning Jianfeng chimed in, “People like you don’t even last one episode in a TV show!”

“Spit, just you, a mongrel thing, dreaming of us being your concubines, go dream about it during spring and autumn!”

“Who gave you the guts to even think of aiming at us!”

“Why don’t you take a look at yourself in a puddle and see what you’re really like!”

Song Zhixin, Tantai Puti, Xiao Ziyun, and others shouted angrily.

“Bastards!”

The Light God Son was so enraged that he was trembling, and roared, “Kill these lowly people for me!

As for those women, capture all of them for me!”

“Yes, Your Highness the Seventh Prince!”

“Although they have thirteen Golden Immortals, the strongest is only at the Golden Immortal Middle Stage, they are no match for us!”

“Killing them might be a bit troublesome, but it won’t take too long!”

The God of Heavenly Punishment, God of Burning Heaven, Slaughter Demon Lord, Meteor Goddess, and Soul Witch spoke coldly, stepping forward to attack Yang Luo and the others!

Hundreds of divine weapons and generals, and demon soldiers and generals also rose into the sky, charging forward fiercely!

These divine weapons and generals, and demon soldiers and generals weren’t weak; most were Earth Immortal or True Immortal cultivations, with even a dozen Heavenly Immortals!

Yang Luo summoned the Dragon Emperor Sword, pointed forward, “Brothers, elders, follow me, kill!”

“Kill!!!”

Gu Tianshang and others shouted, charging forward!

“Let’s go, we’ll help too!”

“Though we can’t deal with those Golden Immortals, we can handle those divine and demon soldiers and generals!”

“That’s right, just because they’re from the Upper World, do they think they can act recklessly here? What do they take us for?”

The clansmen of Atlantis also rose to the sky, charging forward.

A chaotic battle erupted!

Yang Luo, Titan God Master, Zuo Canghai, Ji Qingcang, and Baili Langya charged towards the Slaughter Demon Lord and Soul Witch!

The Slaughter Demon Lord’s cultivation was at the Golden Immortal Middle Stage, and the Soul Witch’s cultivation was at the Golden Immortal Early Stage!

As they saw Yang Luo’s group charging at them!

The Slaughter Demon Lord sneered, "A Heavenly Immortal Perfected Stage and four Golden Immortal Early Stages dare to challenge us, they have a death wish!"

"Hehe... Lower realm commoners are indeed ignorant, do you really think you can defeat us upper realm gods and demons by sheer numbers?"

The Soul Witch laughed mockingly.

"Shut your mouth!"

Yang Luo let out a thundering roar, swinging his sword in a heavy slash!

Swish!

A massive golden sword nearly ten thousand feet long tore through the firmament and void, unleashing terrifying sword might and intent, seemingly capable of annihilating everything!

This was his first battle after his severe injury recovery!

He clearly felt that after experiencing that great battle, his combat power had increased several times over!

“Little brother, are you in such a hurry to die?”

The Soul Witch smirked coldly, directly summoning a purple-black spear, sweeping it out!

Rumble!

An enormous divine spear nearly ten thousand feet long swept out, causing the heavens and earth to tremble violently, the void cracking as it met the attack!

In an instant!

Clang, clang!

The huge sword and the huge spear collided fiercely, producing a crisp sound of impact!

Brilliant light and energy burst forth, sweeping across the heavens and earth!

Under this impact!

Yang Luo and the Soul Witch were both sent flying thousands of meters away, only then stabilizing themselves!

“You...”

The Soul Witch looked at Yang Luo in shock, incredibly saying, “You’re just a Heavenly Immortal Perfected Stage, how can you block my assault?!”

Yang Luo replied coldly, “Is it so strange? You’re just a Golden Immortal Early Stage, do you really think you’re invincible?”

“You...”

The Soul Witch’s alluring face twisted with malice, “Heavenly Immortals and Golden Immortals are ultimately a realm apart, you can never be my match!”

The Slaughter Demon Lord said gravely, “Be cautious, this kid’s a bit uncanny!”

Don’t hold back, go all out and kill them!”

“Alright!”

The Soul Witch agreed.

Then, the two of them trembled all over!

Boom, boom!

A blood-red beam and a purple-black beam shot up from their bodies, piercing through the clouds!

Billowing demonic qi also spread from them, engulfing the firmament and earth!

The next second!

Accompanied by loud “rumbling” sounds!

Two enormous Dharma Idols suddenly rose above them, flickering with demonic light, surrounded by demonic qi, utterly terrifying!

Yang Luo shouted loudly, “Four elders, don’t hold back, we must destroy them!”

“Yes!”

Titan God Master, Zuo Canghai, Ji Qingcang, and Baili Langya responded in unison.

Immediately, Yang Luo’s group of five also trembled, unleashing their full momentum and combat power!

Boom, boom, boom!

Five beams soared from their bodies, breaking through the vast sky and void, into the cosmic starry sky!

Rumble!

The heavens trembled and the earth shook, all directions quaked!

Five towering Dharma Idols also rose, standing tall and unparalleled, dominating the world!

“Destroy them!”

“Crush them!”

Both sides shouted simultaneously.

The seven Dharma Idols moved at the same time, charging at each other!

Clang, clang, clang!...

The seven Dharma Idols rushed up, their steps causing the void to collapse and crack!

In an instant!

Bang, bang!

A series of shocking collisions echoed in the sky, resonating throughout the heavens and earth!

Under this terrifying clash!

The seven Dharma Idols were simultaneously knocked back!

But soon, the seven Dharma Idols stabilized themselves and charged again!

Zuo Canghai transmitted his voice inwardly, “Little Luo, can that move ‘Heaven Creation Splitting Nine Axes’ used by Pangu Emperor be used to kill one of them?”

The Titan God Master also transmitted, “Little Luo, that move is indeed terrifying, if we can slay one of them first, our chances of victory will be greatly increased!”

Ji Qingcang and Baili Langya also looked at Yang Luo.

A year ago, Yang Luo performed the “Twelve Shaman Primal Heavenly Art” to summon Pangu Emperor, chopping down the Light God Lord and an army of a hundred thousand gods and demons, a scene still vivid in their minds!

Yang Luo replied through sound transmission: “Four seniors, summoning Pangu Emperor and using ‘Heaven Creation Splitting Nine Axes’ consumes a lot of qi!

If I use it now, I’m afraid that after one axe, my qi will be completely drained and my body will suffer an injury!

Moreover, to use it, I must find the right moment, making sure those two can’t react!”

“I see!”

Zuo Canghai nodded in understanding, “Then we’ll engage them in a fierce battle, later we’ll hold one of them off, then you find the right moment to strike that guy!”

“Alright!”

Yang Luo nodded in agreement.

As Yang Luo and his group were discussing their strategy!

The Slaughter Demon Lord and the Soul Witch were already upon them...
