

Super IDG 2561

Chapter 2561: Don't Even Think About Turning the Tables!

“Kill!”

Yang Luo, Zuo Canghai, Titan God Master, Ji Qingcang, and Baili Langya roared furiously, launching a massive assault!

On their way to the battle!

Yang Luo's aura erupted, his combat power surged, unlocking all of his physique secret techniques. The sword in his hand slashed wildly, unleashing deadly strikes!

“Beast Blood Boiling!”

“Twelve Shaman Primal Heavenly Art!”

“Great Dao Dragon Diagram!”

“Chaos Slaughter Array Map!”

In an instant!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts rose up, charging forward!

Twelve Ancestral Magi also rose up, attacking fiercely like Ancient Gods and Demons!

The Great Dao Dragon Diagram formed, slowly rotating, spreading vast dragon qi and dragon might, ten thousand dragon illusions roared out!

An array map carrying the might of the Holy Dragon, filled with a majestic killing aura, advanced for a suppression kill!

“Demon Slaying War Spear!”

“Demon Soul Soaring!”

“Demonic Light Destruction!”

The Soul Witch wielded her spear, launching an attack!

The huge purple-black spear swept across the sky, crushing the expanse!

Countless demon souls gathered, forming an army of Demon Souls, charging forward!

Purple-black demonic light shot out, tearing through layers of the void!

Bang, bang, bang!

Rumble, rumble, rumble!

Collisions and explosions reverberated endlessly, shaking the heavens and earth!

Yang Luo and the Soul Witch's assaults clashed continuously in the sky, exploding!

Like countless star falls exploding in the sky, filling the air with light and energy!

However, even though the Soul Witch's deadly attacks were strong, she still couldn't suppress Yang Luo!

"Slaughter Demon Blade!"

“Slaughter Demon Chain!”

“Chaotic Demon World!”

Slaughter Demon Lord’s face was fierce, directly wielding his saber!

The enormous blood-red huge blade split the sky and void, slashing toward Yang Luo!

Thick blood-red demon chains, carrying immense magic power and the Power of Laws of slaughter, swept forth!

Innumerable blood-red demon soldiers, generals, and beasts surged forward, overwhelming the sky!

Rumble, rumble, rumble!

Under the combined fierce assault, Yang Luo’s heavy killing moves were completely destroyed!

The layers of physique secret techniques he gathered were also shattered one by one, his body was continuously pushed back!

“Ten Absolute Shattering Heaven Whip!”

“All Poison Annihilation!”

“Poison Beast Tide!”

Zuo Canghai, seeing the situation, directly swung his whip, collapsing the sky and shattering the void, striking heavily!

Rolling poison gas transformed into a sea of poison, surging upward!

Hundreds of thousands of poison beasts rose up, charging forward in the poison sea!

“Titan’s Hammer!”

“Heaven and Earth Torrent!”

“God of Titans!”

Titan God Master's body expanded to three hundred meters, like a giant god descending, swinging the huge hammer, smashing upwards!

A black-gold Divine Sea swept across heaven and earth, like a dam breaking, surging forward!

Six Giant Titan Gods descended into the world, wielding massive weapons, charging into the fray!

"Dragon Spear Breaks the Sun!"

"Ten Thousand Dragon Soaring!"

"Azure Dragon Ancient Map!"

Ji Qingcang wielded the spear in his hand, sweeping it out, with dragon qi surging and dragon might vast!

Ten thousand divine dragons of unparalleled power roared forth!

An Azure Dragon Ancient Map evolved in the sky, covering a part of the heavens, advancing for a suppression kill!

“Nine Tribulations Thunder Slash!”

“Eight Desolate Thunder Burial!”

“White Tiger’s Chaotic World!”

Baili Langya swung his saber, slashing nine times in succession!

Nine platinum lightning huge blades tore through heaven and earth, obliterating the void, striking heavily!

A platinum Thunder Sea gathered in the sky, raising waves upon waves, surging forth!

Hundreds of thousands of Lightning White Tigers rose up, letting out earth-shattering roars, charging forward!

Bang, bang, bang!...

Rumble, rumble, rumble!...

The ear-splitting sounds of collisions and explosions echoed endlessly!

A vast expanse of light and energy exploded in the sky, like fireworks bursting!

The combined assault from Slaughter Demon Lord and Soul Witch was terrifyingly powerful!

Even with Yang Luo and the five of them joining forces, they could barely contend with the two of them!

Rumble, rumble, rumble!

When all the attacks exploded together!

“Kill!!!”

The five of them, Yang Luo included, shouted explosively, breaking through the waves of energy, charging towards Slaughter Demon Lord and Soul Witch!

“You think the five of you can kill us? Ridiculous!”

“Commoners will always be commoners, don’t dream of overturning the heavens!”

Slaughter Demon Lord and Soul Witch coldly snorted, charging towards Yang Luo and the others!

On their way to the battle!

Slaughter Demon Lord and Soul Witch both summoned their Dharma artifacts, advancing for a suppression kill!

“Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror!”

Yang Luo also shouted, summoning four Dharma artifacts.

Zuo Canghai, Titan God Master, Ji Qingcang, and Baili Langya all summoned their own Dharma artifacts as well.

Clang, clang, clang!

Rumble, rumble, rumble!

The Dharma artifacts clashed in the sky, sounds of collisions and explosions echoing through the cloud layers, shaking the heavens!

Though Yang Luo's four Dharma artifacts didn't have awakened Artifact Spirits, they were still immensely powerful!

With the assistance of Zuo Canghai and the others' artifacts, they overwhelmed the Dharma artifacts summoned by Slaughter Demon Lord and Soul Witch!

Slaughter Demon Lord squinted and said, "This kid's Dharma artifacts are extraordinary, for sure they have Artifact Spirits, just not yet awakened!"

Soul Witch coldly responded, "Extraordinary or not, we'll just kill him and take his artifacts for ourselves!"

The Dharma artifacts engaged in battle, the clanging collisions and roaring explosions rang incessantly!

Yang Luo and the five fought fiercely against Slaughter Demon Lord and Soul Witch!

"You brat, die for me!"

Soul Witch soared into the sky, swinging the spear in her hand, slashing towards Yang Luo!

The surging and vast demon power and demonic qi crushed down, as if to annihilate Yang Luo!

Yang Luo was unafraid, directly wielding his Dragon Emperor Sword to confront it!

Heaven and earth lost their colors, golden light burst forth, mountains and rivers shook!

Clang clang clang!

Sword and spear collided fiercely, the momentum was overwhelming, like divine gold clashing against steel stone, ear-piercing!

Seeing Yang Luo block her spear strike!

Soul Witch raised her left hand, gathering a huge purple-black palm, pressing it down!

Yang Luo was undaunted, also raising his left hand, gathering a giant starry sky palm, striking back forcefully!

Bang!

The two palms collided, erupting with a dull explosive sound!

Yang Luo was forced downward, while Soul Witch was pushed upward into the sky!

The protective demonic light and Demon Body on Soul Witch were torn, ripping open bloody wounds!

Blood flowers burst from Yang Luo's body, scattering in the air!

"Give your life here!"

Slaughter Demon Lord charged from the side, wielding his Demon Blade, slashing towards Yang Luo!

Swoosh!

The huge blade cut through the air, splitting heaven and earth, terrifying to the extreme!

However, just as Slaughter Demon Lord's blade was about to strike Yang Luo!

Titan God Master charged over, swinging the huge hammer in his hand, smashing upward!

Boom, boom, boom!

The huge hammer and huge blade collided in a titanic clash, shaking the heavens and earth!

Though Titan God Master was born with divine power, his strength was limitless, enough to destroy the world!

Yet he was only at the Golden Immortal early-stage, no match for Slaughter Demon Lord, thus he was forced back repeatedly!

However, Yang Luo, Zuo Canghai, Ji Qingcang, and Baili Langya had already charged over, launching a fierce assault on the Slaughter Demon Lord!

For a moment, Slaughter Demon Lord found it difficult to handle!

Chapter 2562: Chaos in Battle!

“Heaven and Earth Shattering!”

The Titan God Master stepped onto Changkong, charging wildly, swinging the huge hammer continuously!

Rumble rumble rumble!

The huge hammer shattered heaven and earth, causing chaos to Qiankun, overwhelmingly tyrannical!

After the Titan God Master joined the battlefield!

The Slaughter Demon Lord found it even harder to cope!

“You lowly beings are truly seeking death!”

The Soul Witch roared fiercely, dive-bombing from above, joining the battlefield!

The great battle grew even more terrifying!

Seven figures moved and shifted in the sky, either clashing with weapons, exchanging blows with fists and palms, or firing spells!

Crashing and explosion sounds were like rolling thunder, echoing continuously, spreading in all directions!

During the battle, blood occasionally spattered down from above, incredibly horrifying!

The Slaughter Demon Lord and Soul Witch grew more anxious as they fought!

They initially thought they could easily sweep away the lowly beings of the lower world!

But to their surprise, the beings of the lower world weren't as weak as they imagined!

Meanwhile, the battle in the far sky grew fiercer!

Gu Tianshang, Linghu Wuxie, Star Ruins God, Maya God Lord, Pharaoh God Master, Tantai Qian Chuan, Yi Qiankun, and Huangfu Tiance were fighting against the God of Heavenly Punishment, God of Burning Heaven, and Meteor Goddess!

The God of Heavenly Punishment's cultivation was at the Golden Immortal Perfected Stage!

The God of Burning Heaven's cultivation was at the Golden Immortal Late Stage!

The Meteor Goddess's cultivation was at the Golden Immortal Early Stage!

Although Gu Tianshang and the others had the advantage in numbers, the opponent's cultivation was overall several levels higher!

Thus, Gu Tianshang and the others found the battle extremely difficult, and after several rounds, they were already injured!

Accompanied by the rumbling sound of gigantic explosions!

Gu Tianshang and his eight companions were simultaneously blasted away, flesh and blood spattering, truly tragic!

The God of Heavenly Punishment, holding a long sword, sneered, "Even if you eight are all Golden Immortals, you can never be our match!"

The God of Burning Heaven said coldly, "Lowly beings should have the awareness of being lowly, don't dream of slaying gods!"

The Meteor Goddess mocked, "Isn't it better to wait for death obediently?"

Gu Tianshang steadied his body and shouted, "Exert all our strength and fight them!"

“Yes!!!”

Linghu Wuxie and the Star Ruins God, among others, responded in unison.

Immediately, Gu Tianshang and the others unleashed their momentum, fully opening their battle prowess!

Boom boom boom!

Eight gigantic beams of light shot up from them, breaking through the vast Cangqiong and Void!

Just then, eight Dharma Idols simultaneously rose above them, towering with their heads touching Cangqiong, feet standing on Void, incredibly imposing!

Then, with Gu Tianshang leading them, they charged with their Dharma Idols!

In the instant they drew close!

Gu Tianshang and the others swung their weapons simultaneously, attacking the three gods!

Their Dharma Idols also wielded weapons, charging forward!

Sixteen enormous weapons pressed forward, causing heaven and earth to shudder and tremble!

Facing the fierce assault from Gu Tianshang and the others!

The God of Heavenly Punishment, God of Burning Heaven, and Meteor Goddess remained indifferent, unafraid, and swung their weapons to counterattack!

“Heavenly Punishment Sword!”

“Burning Heaven Divine Halberd!”

“Meteor Divine Spear!”

The golden lightning huge sword slashed heaven and earth, crushing Changkong!

The crimson flames huge halberd stirred the winds and clouds, tearing apart the void!

The dark blue huge spear swept across Cangqiong, charging ahead!

Clang clang clang!

Rumble rumble rumble!

The collisions and explosions resounded, shaking the Nine Heavens and Ten Earths!

The joint attack of the three gods was overwhelmingly fierce and violent!

Gu Tianshang and his group couldn’t withstand it and were blasted away!

Thud thud thud!

Their Dharma Idols exploded in mid-air!

Transforming into vast energy light, spreading in all directions!

The God of Heavenly Punishment said solemnly, “Don’t waste time, finish them off quickly!”

“Alright!”

The God of Burning Heaven and Meteor Goddess nodded in agreement.

Immediately, the three gathered all their divine power and launched a fierce assault!

“Nine Sword Heavenly Punishment!”

“Divine Fire Burning Desolation!”

“Meteor Fall!”

The God of Heavenly Punishment, God of Burning Heaven, and Meteor Goddess swung their weapons simultaneously, launching an assault!

Nine colossal golden divine thunders transformed into nine huge swords, breaking the firmament, stabbing towards Gu Tianshang and his group!

A sea of crimson fire surged with countless fire waves, rushing forward!

Countless Meteor Divine Spears shot upwards, overwhelming the sky!

“Battle battle battle!”

Gu Tianshang roared, continuously wielding the Fiend Celestial Halberd!

Thousands of giant arms behind him trembled, swinging the Fiend Celestial Fists, smashing upward!

Fiend Celestial Ancient Map rose behind him, evolving into Six Paths Phenomenon, rushing to suppress and kill!

Moreover, twelve Ancestral Magi stood tall, charging fiercely!

Linghu Wuxie swung the Evil God Blade, chopping down heavily!

Visions of ancient evil gods rose and wielded giant weapons, rushing to attack!

Evil God Ancient Map rose behind him, mysterious runes flashing, rushing to suppress and kill!

Star Ruins God wielded the Divine Spear, sweeping horizontally!

The sun, the moon, and the stars evolved above, shaking heaven and earth, rushing to suppress and kill!

Gigantic beams of divine light shot out like shockwaves!

“Maya Divine Platform!”

“Pharaoh Divine Burial!”

“Vermilion Bird Burning Sky!”

“Black Tortoise Stepping Sky!”

“Taotie Chaos!”

Maya God Lord, Pharaoh God Master, Tantai Qian Chuan, Yi Qiankun, and Huangfu Tiance also launched their strongest assaults simultaneously!

Beams of divine light and Law Divine Chains howled forward!

Vermillion Bird, Black Tortoise, Taotie roared forward with overwhelming flames, ice, and demonic qi!

Clang clang clang!

Rumble rumble rumble!

Earth-shattering collision sounds and explosion sounds detonated in the sky, shaking up to the nine-layered heaven and down to the Nine Abyss!

This realm was already enveloped with all kinds of light and energy, surging and dazzling!

Yet, Gu Tianshang and the others still couldn't withstand it, being continuously pressured to retreat, with their bodies bursting open with blood, splattering in the air!

"Quickly go help!"

"Join together!"

Several Heavenly Immortals from the Qilin family, Eastern Wuji, Qin Juechen, Zhang Zhilin, and Master Xuanku charged over, launching a fierce assault!

"Hmm!"

The God of Heavenly Punishment hummed, "Golden Immortals can barely withstand our assault, why are you Heavenly Immortals joining in the chaos?"

"If you want to die so badly, I will fulfill your wish!"

"Exterminate all these lowly beings!"

The God of Burning Heaven and Meteor Goddess spoke sinisterly.

The three gods continued to channel their divine power, launching a fierce assault towards everyone including Gu Tianshang!

Gu Tianshang and the eight Golden Immortals, plus over a dozen Heavenly Immortals, rose to fight back, barely holding off the three gods' fierce assault, but couldn't last for long!

At that moment!

Rumble rumble rumble!

Yang Luo and the five also arrived at this battlefield, fighting against the Slaughter Demon Lord and Soul Witch!

This battlefield gathered many Golden Immortals and Heavenly Immortals, escalating the battle's terror even further!

"Give them the final blow!"

"Exterminate them all at once!"

"Dare to challenge us from the Upper World, reckless fools!"

The God of Heavenly Punishment, God of Burning Heaven, Slaughter Demon Lord, Meteor Goddess, and Soul Witch all shouted coldly.

The five unleashed even more powerful combat strength, launching a lethal blow!

Chapter 2563: Splitting the Heavens with Two Axes!

In an instant!

Boom boom boom!

Three vast divine lights and two vast demonic lights simultaneously erupted!

These three divine lights and two demonic lights contained various divine powers, Heavenly Earth Dao Power, and Power of Laws!

The vast Cangqiong continuously collapsed, large areas of the Void shattered completely, terrifying to the extreme!

“Everyone, counterattack!”

Yang Luo roared, swinging the Dragon Emperor Sword in his hand, unleashing a killing strike!

Gu Tianshang and everyone else also unleashed their killing strikes, aggressively attacking!

Instantly!

Dong dong dong!...

Boom boom boom!...

The impactful collision and explosion sounds that shook Heaven and Earth burst forth continuously in the sky!

Large areas of light and energy intertwined, turning into rolling waves and rippling in all directions!

Ji Qingcang roared out: "Everyone, you must withstand it!"

"Yes!!!"

Everyone responded in unison, engaging in intense confrontation with the five of the God of Heavenly Punishment!

At this moment.

From the distant Divine Ship.

The Light God Son crossed his hands behind him, squinted his eyes, and said: "Unexpectedly, these lower realm peasants are quite strong, able to withstand for so long."

As he spoke, he turned his head to look at the nearby burly man like a tower, and asked: "God of Chaos, aren't you going to make a move?"

The God of Chaos asked disdainfully: "Seventh Prince, do you think I need to take action?"

The Light God Son chuckled and said: "If you take action, then there wouldn't be a good show to watch."

The God of Chaos said indifferently: "Seventh Prince, rest assured, these peasants won't last much longer."

It won't take long for the God of Heavenly Punishment and his group to wipe out these peasants completely."

"Alright then."

The Light God Son shrugged and said: “Indeed, these lower realm peasants are too weak, it’s truly boring.”

Meanwhile.

Up in the distant sky.

Everyone was still struggling to hold on, resisting the five of the God of Heavenly Punishment.

Yang Luo spoke in his heart: “Senior Gu, now is the perfect opportunity, let’s use the ‘Twelve Shaman Primal Heavenly Art’ together and try to take out a few!”

“Alright!”

Gu Tianshang responded in kind.

Thus, Yang Luo had long taught Gu Tianshang the method and key of fusing the Twelve Ancestor Witches.

Furthermore, previously, Gu Tianshang also learned the method of fusing the Twelve Ancestor Witches and successfully summoned the Pangu Emperor.

“Let’s go!”

Yang Luo shouted, together with Gu Tianshang, they charged through the vast sea of energy light and amidst the chaos, reached above the five of the God of Heavenly Punishment!

While the five hadn’t reacted yet!

Yang Luo and Gu Tianshang both simultaneously erupted the energy within them to the extreme, then shouted!

“Twelve Shaman Primal Heavenly Art!”

“Six Paths Demon Technique!”

In a flash!

Rumble rumble rumble!

Twelve Ancestral Magi Illusions rose simultaneously above Yang Luo and Gu Tianshang!

Twenty-four Ancestral Magi stood tall in the sky, like twenty-four Ancient Gods and Demons, overwhelmed the world with their imposing presence!

At this moment.

The five of the God of Heavenly Punishment all reacted, looking up at the sky.

“Hehe...”

The God of Heavenly Punishment sneered and said: “Is it this trick again?”

Although this trick is very strong, wanting to contend with us is undoubtedly wishful thinking!”

Having said that, he raised his left hand and condensed a golden lightning ball in his palm!

Then, he pushed with his left hand!

“Heavenly Punishment Thunder Burst!”

The golden lightning ball flew out, expanding massively in the wind, like a huge lightning star, crashing toward Yang Luo and Gu Tianshang!

And at the moment the lightning ball crashed forward!

“Twelve Ancestral Witches·Fusion!!!”

Yang Luo and Gu Tianshang both let out a roar simultaneously!

In an instant!

Rumble rumble rumble!

The sky and earth within ten thousand miles shook violently!

Above the sky dark clouds rolled, strong winds swept, shrouding everything in darkness, with myriad demon gods roaring!

In sight of everyone!

Two giant figures rose up, their stature mighty like a great mountain, eyes deep, containing the Cosmic Starry Sky, wielding Heaven Creation Splitting Axes, awe-inspiring, overpowering everything!

These two giants were illusions of the Pangu Emperor!

One flashed with blazing black and red light!

The other flashed with dazzling golden light!

The scene before them stunned everyone present!

The Star Ruins God and others were fine, as they had seen Yang Luo use this move!

But, the God of Burning Heaven and others were all dumbfounded, staring in disbelief!

“What... what is this?!”

“These two people’s twelve giants can actually fuse?!”

“The key is, the fused giants are even more terrifying, as if they will destroy Heaven and Earth!”

“What exactly are these two giant figures, why are they so terrifying even as illusions?!”

The God of Burning Heaven, the Slaughter Demon Lord, the Meteor Goddess, and the Soul Witch all exclaimed in astonishment, deeply shocked.

The God of Heavenly Punishment was also stunned, deeply surprised!

Even the Light God Son and the God of Chaos standing on the distant Divine Ship were immensely shocked!

Just as everyone was momentarily stunned!

Yang Luo and Gu Tianshang both shouted explosively!

“Heaven Creation Splitting Nine Axes!!!”

“One Axe Suppressing Mountains and Rivers!!!”

Rumble rumble rumble!

The two Pangu Emperor illusions swung their huge axes simultaneously, striking heavily toward the five of the God of Heavenly Punishment!

The two huge axes struck down together, cleaving through the vast Cangqiong and Void, seeming as if to reforge Heaven and Earth anew!

“Not good!”

The God of Heavenly Punishment’s expression changed dramatically, shouting: “Counterattack!”

Saying this, he directly unleashed his strongest attack, fiercely attacking!

The God of Burning Heaven, the Slaughter Demon Lord, the Meteor Goddess, and the Soul Witch all launched fierce attacks!

However, no matter how fierce their attacks were, they couldn’t withstand the two striking Heaven Creation Splitting Axes!

Rumble rumble!

The sound of explosions echoed through Heaven and Earth, spreading across the eight directions!

“Retreat quickly!”

The God of Heavenly Punishment sensed immense threat and quickly retreated.

The God of Burning Heaven also reacted, swiftly retreating!

However, the Slaughter Demon Lord, the Meteor Goddess, and the Soul Witch were half a beat too slow, unable to retreat!

Seeing that the attacks launched could not counter these two Heaven Creation Splitting Axes!

“Defend quickly!!!”

The Slaughter Demon Lord shouted hoarsely, hurriedly gathering layers of defense to resist.

The Meteor Goddess and the Soul Witch both gathered layers of defense to resist.

In the next instant!

Rumble rumble!

The sound of Heaven and Earth shattering, a power that soared through mountain and river, echoed through the Nine Heavens and Ten Earths!

The defenses gathered by the three Slaughter Demon Lord followers were all obliterated under the two huge axes!

“Ugh ah ah...”

Accompanied by the last agonizing screams.

Puff puff puff!

The physical bodies and Essence Souls of the three Slaughter Demon Lord followers were directly annihilated in these two strikes!

Rumble rumble!

The dozens of mountains below, and the vast earth were also cleaved open by these two axes, as if creating two vast abysses!

Who knows how long had passed.

Until all the light and energy dissipated.

Everything finally returned to calm.

Everyone looked up.

Only to see, the Slaughter Demon Lord's cultivation at the Golden Immortal Middle Stage, and the Meteor Goddess and Soul Witch at the Golden Immortal Early Stage were already dead, leaving only large pieces of flesh and bone shards scattering down.

Because everything happened too quickly!

So quickly that even the God of Chaos didn't have time to help!

By the time he reacted, the three Slaughter Demon Lord followers were already dead!

“

Chapter 2564: Above the Golden Immortal!

However, after striking with this axe.

“Hoo... Hoo...”

Yang Luo was gasping heavily, feeling almost completely drained of qi, and his skin and muscles tore open with bloody gashes, blood flowing relentlessly.

The illusion of the Pangu Emperor towering over him also transformed into a sky full of golden light, dissipating above.

Indeed, with Heavenly Immortal cultivation, one can only support the use of “Heaven Creation Splitting Nine Axes” once.

Although Gu Tianshang’s body split open with bloody gashes, with qi drained by a third, he still had the power to fight.

Moreover, the illusion of the Pangu Emperor towering over him had not dissipated.

“Haha, good, well done killing!”

“So what if you come from the Upper World, weren’t three of you killed by Mr. Yang and Senior Gu!”

“Did you really think your gods and demons from the Upper World are invincible and undying?”

The tribesmen from the Mayan and Atlantean Races were all exhilarated, shouting out loudly.

“Good!”

“Well done!”

Ji Qingcang and the others also waved their fists heavily.

Gu Tianshang looked at Yang Luo and asked, "Little Luo, how are you, can you still hold on?"

Yang Luo took a deep breath and replied, "Don't worry, Senior Gu, I can still hold on.

However, I'm afraid I cannot use 'Heaven Creation Splitting Nine Axes' again.

Moreover, the remaining few guys are too strong.

By ourselves, I'm afraid we cannot match them.

Must someone sacrifice themselves again?"

Gu Tianshang said in a deep voice, "If necessary, what harm is there in sacrificing!"

Yang Luo's heart sank to the bottom.

These guys from the Upper World were too formidable.

Even if they had slain three of them, it would not change the defeat.

But there was no retreat now, besides facing them head-on, there was no other option.

At this moment.

The God of Heavenly Punishment and the God of Burning Heaven both had faces as dark as could be.

They had originally thought they could sweep away this group of lowly beings.

But unexpectedly, Yang Luo and Gu Tianshang's killing moves caught them off guard, actually killing the Slaughter Demon Lord, Meteor Goddess, and Soul Witch before their eyes.

This was undoubtedly a slap to their faces, making them furious to the extreme.

"Damn it! Damn it!!!"

Light God Son was furiously enraged, roaring out, "Kill them, kill them all!!!"

"You lowly beings, you've caused enough trouble!"

God of Chaos emitted a deep roar of anger, taking a step forward.

In the blink of an eye!

He appeared above Yang Luo and the others.

He looked down at Yang Luo and the others, with Chaos Divine Light flickering over his body, killing intent surging in his eyes.

Rumble rumble!

A mighty, vast pressure and aura spread out, causing the sky and earth within a circumference of ten thousand miles to violently tremble!

The heavens collapsed, the void shattered, even the mountain-protecting array covering the Atlantis Hotel was instantly destroyed!

This pressure and aura were too overwhelming, those present apart from Golden Immortals could not resist it!

Yang Luo could feel immense oppression, his internal energy and blood churning, blood trickling from the corners of his mouth!

“Ahhhhh...”

Many tribesmen cried out in agony, exploding into clouds of blood mist, dying tragically on the spot!

Those farther away weren't turned into blood mist, but still spat blood from their mouths, falling down!

“Everyone, retreat quickly, retreat!”

“Don't go near, withdraw, withdraw!”

Star Ruins God and others shouted loudly.

The tribesmen dared not hesitate, hurriedly retreating to the distance.

God of Chaos coldly looked down at Star Ruins God and others, saying fiercely, “Don't waste your efforts, you must all die, none of you shall survive!”

Before the words fell!

“Kill!”

Gu Tianshang let out a wild roar, wielding the Fiend Celestial Halberd, leading the illusion of the Pangu Emperor, charging towards God of Chaos!

At the moment of approach!

Gu Tianshang swung the Fiend Celestial Halberd in his hand, striking at God of Chaos, and let out a loud shout!

“Two Axe Yin Yang!”

Rumble rumble!

The illusion of the Pangu Emperor once again waved the huge axes in his hand, hacking towards God of Chaos!

God of Chaos looked indifferent, calmly saying, “Although this move is formidable, I am a Daluo Golden Immortal, surpassing all of you!

In my eyes, you are merely clowns!”

Upon hearing this!

Yang Luo and the others were all shocked in their hearts!

Daluo Golden Immortal!

No wonder they couldn’t sense this guy’s cultivation, his cultivation was above Golden Immortal!

It turns out above Golden Immortal is Daluo Golden Immortal!

Just as everyone was stunned!

God of Chaos raised his right hand, casually swung a palm out!

A huge palm flashing with various divine lights slammed down, the divine power, Heavenly Earth Dao Power, and Power of Laws unleashed were terrifying to the extreme!

The huge palm crushed down, heavens and earth shattered, mountains collapsed, the void was obliterated!

In an instant!

The huge halberd swung by Gu Tianshang, and the huge axes swung by the illusion of the Pangu Emperor collided heavily with this palm!

Bang rumble rumble!

The sound of collision echoed through heaven and earth, shaking the four seas and eight wastelands!

It only lasted a few seconds!

Boom rumble rumble!

The terrifying explosion rang out!

The huge halberd swung by Gu Tianshang, and the huge axes swung by the illusion of the Pangu Emperor simultaneously shattered and exploded!

Even the illusion of the Pangu Emperor collapsed under this palm, transforming into a sky full of black and red light, scattering in the air!

“Pffff...”

Gu Tianshang spat out a large mouthful of blood, flying backward, crashing into mountains, landing in the ruins thousands of meters away!

His body was covered in torn flesh, blood staining his clothes!

With just a single palm, God of Chaos gravely injured Gu Tianshang!

“Senior Gu!”

“Brother Gu!”

Yang Luo and Ji Qingcang and others all shouted in shock, their eyes almost bursting.

“Can’t fight, there’s no way to fight...”

Bujie swallowed his throat, saying, “Damn it, the ancestral races even sent those above Golden Immortal, how can we fight?!”

Flame Emperor and international Diva and others all trembled, their faces pale.

If the opponent were only Golden Immortal, they could still contend.

But now, the other side even sent those above Golden Immortal to fight, completely impossible to fight.

Yang Luo tightly gripped the sword in his hand, staring at God of Chaos, deeply feeling the disparity in strength.

“Kid, what is going on, why did a Daluo Golden Immortal appear?!”

“Are there Daluo Golden Immortals in the Lower World, how could it be? If there were, we should have sensed them already!”

“Kid, you’ve not gone to the Upper World yet, how could you encounter a Daluo Golden Immortal?!”

“Little Luo, what exactly is happening now?!”

The four from the second bronze dragon coffin recovering Essence Souls were also alarmed, speaking out.

Yang Luo sighed inwardly and said, “Four Seniors, the ancestral races have already sent people down.

Among them is a Daluo Golden Immortal.”

Long Xinghe urgently said, “Daluo Golden Immortal is an existence surpassing Golden Immortal, even all your Golden Immortals combined cannot compete with a Daluo Golden Immortal!

You only have one option, that is to quickly escape!”

Chapter 2565: Why Not Just Obediently Wait for Death?

Yang Luo said bitterly, “Senior Xinghe, since you said so yourself, the Daluo Golden Immortal is so formidable.

Can we escape?”

“Well...”

“Quickly think of a way!”

“Kid, you should immediately take people to the Kunlun Ruins and Penglai Immortal Island, forcibly clear the Immortal Road, and go to the Upper World!”

“Fifth Brother, clearing the Immortal Road takes time, this method simply won’t work!”

Long Xinghe and the three others began to argue, but even though they wanted to help, they were powerless and could only worry anxiously.

At this moment.

Boom!

Gu Tianshang, dragging his heavily injured body, charged out from the ruins!

With blood in his mouth and an expression of frenzy, he said, “Everyone, let’s go all out together!”

“Go all out!!!”

Ji Qingcang and the others also shouted loudly.

Even knowing the disparity in strength was immense, they showed no sign of retreat, intending to fight to the death.

“Kill!!!”

Gu Tianshang roared, wielding the Fiend Celestial Halberd, and charged toward the God of Chaos!

Linghu Wuxie, the Star Ruins God, Ji Qingcang, and the others followed suit, charging together!

Yang Luo’s eyes were filled with determination, he grabbed some pills and swallowed them, then wielding the Dragon Emperor Sword, charged in fury!

Bujie lifted the Heavenly Dragon Zen Staff in his hands, gritting his teeth, he said, “We can’t stand here waiting for death, let’s charge together!

Even if we die, let’s die fighting!”

“Alright!”

“Charge together!”

Ji Longyue, Mo Qingkuang, and others also responded loudly.

Everyone’s eyes were filled with determination as they charged toward the God of Chaos.

As Yang Luo and a crowd charged forward.

The God of Chaos looked on with disdain and said haughtily, “Even if you all charge together, what can you do?”

As he spoke, he lifted his right hand and struck out with a palm!

Rumble, rumble!

A giant palm shimmering with divine light of various colors slammed down like a firmament, crushing down!

In its palm were engraved ancient divine totems and various ancient runes, mysterious and unpredictable!

“Counterattack!!!”

Yang Luo and Gu Tianshang, among others, roared hoarsely, launching a fierce assault!

Bang, bang, bang!

Boom, boom, boom!

The sounds of impact and explosion rang continuously!

Massive waves of light and energy surged outward, like a raging ocean, terrifying beyond measure!

But, the offensive launched by Yang Luo and the others was utterly unable to withstand, being completely destroyed in an instant!

“Ahhhh...”

Yang Luo, Gu Tianshang, and others uttered cries of agony, being flung backward, leaving trails of fresh blood in their wake!

Boom, boom, boom!

Yang Luo and the others were tossed thousands of meters away, their bodies already lacerated, bleeding profusely!

Moreover, with just a single palm strike, many were already unable to stand, having lost their combat capability!

“Fight again!!!”

Yang Luo, dragging his severely injured body, soared into the skies, charging at the God of Chaos!

Gu Tianshang and the others, also dragging their heavily wounded bodies, soared into the skies to attack!

In the midst of charging forward!

Yang Luo directly hurled the sword in his hand, and summoned the Dharma artifacts!

“Dragon Emperor Sword, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, go!”

Swoosh!

Rumble, rumble, rumble!

The Dragon Emperor Sword and the Four Great Magical Artifacts flew out simultaneously, continuously growing larger, aiming to suppress and kill!

The colossal golden Dragon Emperor Sword slashed heaven and earth!

The Four Great Magical Artifacts shattered the void!

“Roar, roar, roar!!!”

Tens of thousands of Holy Dragon Illusions roared out from the Four Great Magical Artifacts, charging toward the God of Chaos!

A sea of dragon talismans flew out, transforming into a vast ocean of shining immortal light, surging upward!

“Overestimating yourselves!”

The God of Chaos sneered, waving his large hand!

A massive wave of Chaos Divine Light swept out!

Boom, boom, boom!

The tens of thousands of roaring Holy Dragon Illusions and the surging ocean of dragon talismans were all obliterated!

Seeing this, Yang Luo gritted his teeth and launched another deadly move!

Raising his arms, he swiftly traced ancient trajectories in the air!

“Chaos Destruction Skill!”

A golden Tai Chi Diagram formed between his palms, slowly rotating, exuding a primitive and time-honored aura!

A giant golden “Dao” character rose behind him, spreading a mighty power of the Heavenly Earth Dao!

Yang Luo wildly infused energy from within his body into the golden Tai Chi Diagram!

But, having previously used the “Heaven Creation Splitting Nine Axes,” his qi was nearly exhausted, leading to insufficient energy!

Thus, he shouted to Gu Tianshang and others, “Seniors, transfer your energy to me!”

“Alright!”

Gu Tianshang and thirteen others mobilized their energy, transferring it to Yang Luo!

With the influx of energy!

Yang Luo's skin, muscles, and meridians tore extensively, with blood spurting uncontrollably!

Yet, Yang Luo endured it all, channeling the energy entirely into the Tai Chi Diagram!

Then, he thrust out his hands forcefully!

The golden Tai Chi Diagram flew out, continuously expanding, pressing down upon the God of Chaos!

"Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!"

"Taotie, Hundun, Qiongqi, Taowu!"

"Transformation!"

"Roar, roar, roar!!!"

The Four Great Divine Beasts and the Four Great Fierce Beasts stood tall, roaring as they flew into the Tai Chi Diagram!

However, that wasn't all!

Yang Luo again mobilized his Primordial Essence Blood, shouting aloud!

"Holy Dragon!"

“Transformation!”

“Roar!”

A colossal golden Holy Dragon roared out, also merging into the Tai Chi Diagram!

Just see, the golden Tai Chi Diagram continued expanding, resembling a golden firmament, pressing toward the God of Chaos!

The God of Chaos frowned slightly, saying, “Wouldn’t it be better to wait for death obediently? Why resist so stubbornly?”

As he spoke, he raised his right arm, transforming his palm into a fist, striking out!

The massive fist launched, shimmering with divine light of various colors, like a planetary collision!

Instantly!

Boom, boom, boom!

The Chaos giant fist collided fiercely with the golden Tai Chi Diagram, erupting a deafening explosion!

The space at the point of impact shattered extensively, with Chaos currents surging out, terrifying beyond measure!

Under the crushing pressure of the golden Tai Chi Diagram!

Bang, bang, bang!...

The God of Chaos was forced back a few steps, with each step breaking the void!

However, only after retreating a few steps, the God of Chaos steadied himself!

“Oh?”

The God of Chaos squinted his eyes, “You kid, truly interesting, unleashing endless killer moves.

It’s a pity, your cultivation is too low, even if you go all out, what can you do?”

As he spoke, his entire body trembled, calling forth divine power, continuously pouring it into his right arm!

His already muscular right arm swelled more, bulging like a dragon, horrifying to behold!

“Explode...”

He lightly exhaled a word, swinging a punch!

In an instant!

Boom, boom, boom!

The golden Tai Chi Diagram exploded in midair, scattering fragments of dazzling light!

“Still not enough! Keep attacking!”

Yang Luo gritted his teeth, launching another fierce assault!

Gu Tianshang and others also showed no hesitation, continuing their fierce assault!

But, the God of Chaos now slightly got serious!

He struck with the utmost fury!

Heaven and Earth shattered, mountains crumbled, the void exploded, obliterating all the attacks launched by Yang Luo and the others!

“Cough, cough, cough...”

Yang Luo and others spat out large mouthfuls of blood, being flung thousands of meters away, crashing heavily onto the ground.

Chapter 2566: A Sword Shocks the World!

After taking this punch.

Except for Yang Luo, and the thirteen Golden Immortals like Gu Tianshang and Linghu Wuxie who could barely stand up.

Everyone else couldn't stand, completely losing their ability to fight.

In the distant sky.

The God of Heavenly Punishment sneered, “These fools really think they can contend with a Daluo Golden Immortal, truly foolish and ignorant!”

The God of Burning Heaven said harshly, “These guys killed the Slaughter Demon Lord, the Meteor Goddess, and the Soul Witch, killing them so easily is too lenient on them!”

The Light God Son said venomously, “God of Chaos, hurry up and kill these guys!

Then follow me to slaughter everyone in the Star Ruins Divine Realm, Titan Divine Realm, Maya Divine World, Golden Tower Divine Realm, and Earth!

This is the consequence of them angering the Prince!”

“Alright!”

The God of Chaos nodded, then raised his right hand, the divine power within him endlessly surged!

With the mobilization of divine power, a Chaos Light Ball shimmered with various colors and gathered in his palm!

When the Chaos Light Ball took shape.

“Destroy...”

He softly whispered a word and gently waved his right hand.

The Chaos Light Ball flew out, expanding continuously, like a planet coming from beyond the sky, pressing heavily towards Yang Luo and others.

Rumble, rumble!

The Chaos Light Ball came slowly, yet it caused the Cangqiong and Earth within tens of thousands of miles to tremble violently!

The Cangqiong and Void cracked constantly, and the mountains below crumbled into powder!

This was simply a scene of unparalleled terror, unparalleled destruction!

Yang Luo shouted hoarsely, “Brothers, elders, retreat!!!”

“Retreat!”

Gu Tianshang also shouted loudly.

They felt the terrifying energy contained in the Chaos Light Ball, once it exploded, it would be the end for all of them.

Even, the entire Atlantis territory would face destruction.

“Retreat?”

The God of Chaos chuckled lightly, “Can you retreat?”

Saying this, he lightly tapped his right foot!

Clang...

Heaven and Earth collapsed, cracking in all directions!

An enormous Light Shield, shimmering with divine light, gathered up, enveloping Yang Luo and the others!

This Light Shield contained the power of Space Law, directly sealing off the Heaven and Earth where Yang Luo and others were!

“Break open this Light Shield, rush out!”

Yang Luo shouted, wielding the Dragon Emperor Sword, chopping heavily!

Apart from wielding the sword, he also unleashed all his deadly moves, fiercely attacking the Light Shield!

Gu Tianshang and others also frantically attacked the Light Shield!

Many Heavenly Immortal Ancestors, dragging their severely injured bodies, forcibly climbed up, fiercely attacking the Light Shield!

Clang, clang, clang!...

Boom, boom, boom!...

The sound of collisions and explosions echoed within the Light Shield, bursting with vast energy and brilliance!

But, no matter how fiercely Yang Luo and others attacked, they couldn't break this Light Shield!

"Hahaha... You are just wasting your effort, you can't escape!"

"Just wait to die, why struggle?"

The God of Heavenly Punishment and the God of Burning Heaven laughed loudly, far too arrogantly, too pleased.

The Light God Son shook his head and sighed, "What a pity for these beauties, they are all going to perish."

The God of Heavenly Punishment pleasingly smiled, "Seventh Prince, surely there are many beauties in the Four Divine Realms and on Earth.

If you fancy anyone, we can directly capture her at that time."

The Light God Son nodded satisfactorily, "That's more like it."

Seeing the Chaos Light Ball pressing heavily!

Bujie wanted to cry but had no tears, "We finally won the Earth Defense War, are we really going to die here today?"

Ji Longyue sighed aloud, "The enemy is too strong, even if we wanted to perish together, we couldn't achieve it..."

Baili Wushuang's eyes were filled with despair, "Even Brother Yang and thirteen Golden Immortal Ancestors together can't contend with this guy!

This time, we are truly finished!"

"Damn..."

Ning Jianfeng shouted angrily, "We haven't even gone to the Upper World, haven't seen a broader sky, and we're going to die here!

I'm not reconciled! I am not reconciled!"

Flame Emperor and International Diva and others were all pale, completely collapsed and in despair!

"Hahaha..."

The Light God Son laughed heartily, fiercely said, "This is the outcome for you lowly people opposing us gods from the Upper World!"

"Hahaha..."

The God of Heavenly Punishment and the God of Burning Heaven also laughed.

Seeing Yang Luo and others struggling bitterly made them very pleased!

This was how it should be; what could the lowly people of the Lower World fight them with?

However, Yang Luo and Gu Tianshang and others still hadn't given up hope but continued fiercely attacking the Light Shield!

But, they still couldn't destroy the Light Shield!

Endless collapse and despair welled up in their hearts!

But just when everyone was collapsing in despair!

Suddenly!

A sudden change occurred!

Rumble!

The vast Cangqiong and the vast Earth trembled violently!

It was as if the entire Star Ruins Divine Realm was trembling, triggering an unprecedented earthquake!

“What’s going on?!”

“What’s happening?!”

“Why do I feel the whole world shaking?!”

Light God Son, God of Heavenly Punishment, and God of Burning Heaven frowned, raising their eyes to the sky.

God of Chaos also looked at the sky, his brows tightly knitted.

Yang Luo and the others also looked at the sky, with great puzzlement.

Also under the eyes of everyone.

Rumble!

The vast Cangqiong suddenly split open, as if the entire sky of the Star Ruins Divine Realm had cracked, revealing a wide Heaven’s Abyss!

Like the ancient sword immortal splitting the heavens with one sword!

Following the cracking of the sky!

An immense black-golden huge sword, whose length was unknown, descended heavily!

This sword was colossal, obscuring the entire sky of the Star Ruins Divine Realm!

As if the Ancient Emperor had unleashed a sword!

Slicing through time, slicing through the endless void, slicing through the eternal ages, slashing down!

Moreover, the target of this sword was precisely the God of Chaos!

“This...”

The God of Chaos trembled, feeling an extreme terror from this sword!

This feeling, he had only felt from the Light Divine Emperor!

What is going on?!

Who exactly wielded this sword?!

How could such a terrifying person exist in the Lower World?!

He dared not underestimate it, waving his huge hand!

The Chaos Light Ball, which originally smashed towards Yang Luo and others, soared to the sky, continuing to expand, colliding with the descending sword!

In an instant!

Rumble!

The sky-shielding Chaos Light Ball was directly cut into two halves, then exploded heavily in the sky!

The entire Cangqiong was blasted open, even revealing a starry sky universe!

But the descending sword remained undamaged!

“What?!”

The God of Chaos was shocked, immediately summoned his weapon, the Chaos God Sword, full power, full battle force, and struck the descending sword!

He further empowered his Dharma Idol and swung a blade into the sky!

The two huge blades entwined, colossal, striking the sword!

Clang! Boom!

Shock the universe, shake the mountains and rivers, chaotic the Qiankun, the sounds of collision and explosion echoed mightily!

Chapter 2567: Turned to Ashes!

But what shocked the God of Chaos was!

He simply couldn't withstand this sword!

The chaotic giant blade he had swung was shattered by one sword, his Dharma Idol was also sliced in two, exploding in the sky afterward!

Even the divine blade in his hand was cut into pieces, turning into fragments of divine gold and scattering away!

“How can this be?!”

The God of Chaos cried out in fear, tossing away the knife handle, clenching his fists, and wildly swinging at that sword!

Each huge fist of chaos divine light roared like gigantic meteors, crashing toward the descending sword!

Boom, boom, boom!

Earth-shattering explosions rang out!

Every punch swung by the God of Chaos was shattered by that sword!

“How can this happen?! Who?! Who on earth is this?!”

Show yourself!!!”

The God of Chaos roared furiously, unleashing his full aura and battle power, launching numerous deadly moves in a frenzied assault!

But this sword was simply overwhelming, forceful, and tyrannical, continuously shattering the waves of attacks he unleashed!

Everyone present was dumbstruck, staring in disbelief!

“Who exactly is attacking the God of Chaos?!”

“This person is too terrifying, not even seen, yet the sword slashed out is so horrific?!”

“God of Chaos is a Daluo Golden Immortal, an existence that sweeps across the Lower Plane, yet unable to block this sword?!”

“How could this be?! Is there such a terrifying figure in the Lower Plane?!”

The God of Heavenly Punishment, the God of Burning Heaven, and the remaining hundred divine weapons and generals and demon soldiers and generals all exclaimed.

“Oh my!”

Bujie’s mouth twitched, “Who on earth is this, it’s too fierce?!”

Ning Jianfeng trembled and said, “Too powerful, you must know this guy just crushed all of us!

Yet now, suppressed by a mysterious sword swing!”

“Is this person really a peerless expert hidden in the Lower Plane?!”

“If such an expert exists, why don’t we know?!”

Gu Tianshang, Linghu Wuxie, and the Star Ruins God Master were also shocked and spoke out, astonished.

Yang Luo also stared intently at the sky where the sword descended, suddenly feeling a mysterious sense of familiarity!

“Hmm... Who is striking, such aura and pressure are truly unusual!”

“Why do I feel such a familiar aura and pressure?”

“Could it be someone we know?”

“Then who could it be?”

At this moment, Long Xinghe, Long Tianchi, Long Daoyi, and Long Youlan were also alarmed, speaking out one after another.

Just then!

“Argh...”

The God of Chaos was almost unable to withstand it, the protective divine light on his body and the tough chaos divine body were torn apart, spraying out large amounts of blood!

“Not good! God of Chaos is in danger!”

“Hurry to help!”

The God of Heavenly Punishment and the God of Burning Heaven exclaimed and rushed over swiftly.

On their way rushing over!

The God of Heavenly Punishment and the God of Burning Heaven also unleashed their aura fully, battle power fully, activating their Dharma Idols, launching a ferocious attack at the descending sword!

Violent divine thunder and blazing divine flames soared into the sky, crashing toward that sword!

“Damn it! I don’t believe I can’t block this sword!”

The God of Chaos also roared furiously, his hair flying, activating his Dharma Idol again, launching a fierce assault!

Rumble, rumble, rumble!

This astonishingly huge sword continued to press down, slicing through the ancient heavens and layer upon layer of void!

All the attacks unleashed by the God of Chaos, God of Heavenly Punishment, and God of Burning Heaven were forcefully shattered!

Their Dharma Idols were also shattered again, exploding in the sky!

The God of Chaos, covered in blood, teeth grinding, roared: “Heavenly Punishment, Burning Heaven, fight this sword-wielding fellow!”

“Alright!!”

The God of Heavenly Punishment and the God of Burning Heaven responded in unison.

The three directly mobilized their divine power to the extreme, performing the strongest killing moves!

Twenty-four ancient gods emerged above the God of Chaos!

Eighteen ancient gods emerged above the God of Heavenly Punishment!

Twelve ancient gods emerged above the God of Burning Heaven!

A total of fifty-four ancient gods soared into the sky simultaneously, crashing into the descending huge sword!

This ancient god was extremely formidable, smashing through the vast void, breaking open large waves of energy and light!

Bang, bang, bang!...

Boom, boom, boom!...

Earth-shaking collisions and explosions rang out continuously, spreading throughout the entire Star Ruins Divine Realm!

Only to see, these ancient gods being incessantly annihilated, dissolving into clouds of energy and light, spreading in all directions!

Apparently, even though the three tried their best, it was still difficult to resist!

“Everyone together!”

“Hurry to help!”

The remaining hundred divine weapons and generals and demon soldiers and generals roared, rushing up together, launching a fierce attack on the huge golden sword descending from the sky!

The Light God Son standing far away on the divine ship was terrified, trembling all over, cold sweat rolling down, utterly afraid to move forward to help!

“Argh...” “Ah...”

The hundred divine weapons and generals and demon soldiers and generals barely held out for a moment until being completely slaughtered, turning into clouds of blood mist!

The God of Chaos was blood-red with terror, yelling hoarsely: "Retreat! Quickly retreat!"

Although he didn't know who wielded this sword!

He knew the person behind this sword was not someone they could contend with!

If they didn't retreat soon, they might all lose their lives!

But what made the God of Chaos, God of Heavenly Punishment, and God of Burning Heaven despair was, they couldn't retreat!

The power of space law unleashed by this sword was vast and majestic, having already sealed the heavens in this area!

"Can't escape, what do we do?!"

"Are we really going to die here?!"

The God of Heavenly Punishment and the God of Burning Heaven exclaimed in terror, their hearts nearly exploding from fear.

"Defend, quickly defend!!!"

The God of Chaos was in turmoil, roaring hoarsely, then built up heavy defenses.

The God of Heavenly Punishment and the God of Burning Heaven also created heavy defenses to resist.

But still couldn't resist!

The defenses they created were like paper, getting completely shattered!

“Uh...”

“Ah...”

The God of Heavenly Punishment and the God of Burning Heaven could no longer hold on, screaming in agony at the extreme.

Their physical bodies were directly shattered, exploding into masses of blood and bone fragments, leaving only their essence souls.

“May I ask who you are? We are gods of the Upper Realm Divine Country, beseeching you to spare us!”

“If you are willing to spare our lives, we’ll leave immediately, never staying longer in the Lower Plane!”

Their essence souls cried out for mercy.

The God of Chaos’s physical body was in tatters, a bloody mess with bones exposed everywhere.

He gritted his teeth and said: “If you kill us, our Light Divine Country, Tianyu Divine Country, and Dark Demon Country won’t let this go!

Can you bear the wrath of our Divine Country and Demon Country?”

However, the one who wielded the sword gave no response!

This sword, mighty to the extreme, tyrannical to the extreme, continued its descent!

“Ahhh...”

The essence souls of the God of Heavenly Punishment and the God of Burning Heaven finally collapsed, after releasing one last scream, directly vanishing into ashes...

Chapter 2568: Who is it?

The God of Chaos was instantly terrified out of his mind!

The opponent was too powerful, too terrifying, entirely unafraid of their Divine Country and Demon Country's reputation!

He swallowed a mouthful of blood and loudly pleaded for mercy, "My lord, I know I was wrong, I shouldn't have threatened you!

I beg you to spare my life, please!"

Upon hearing the God of Chaos's painful plea!

Yang Luo, Gu Tianshang, and the others were all shocked!

The opponent had forced a Daluo Golden Immortal to beg for mercy, how terrifying!

Who in the world could it be?!

Why could they be so strong?!

Yet, there was still no response from the other side!

The terrifying sword continued to slash down, emitting a dazzling black-gold light, illuminating the vast sky!

“Ah...”

The God of Chaos couldn't withstand it anymore, his physically strong body, like an iron tower, was completely shattered by a single sword!

But he was still a Daluo Golden Immortal, his Essence Soul was exceptionally strong and hadn't been shattered!

“I'll fight you to the end!!!”

His Essence Soul let out an angry roar, flashing with dazzling Chaos Divine Light, charging towards the awe-inspiring huge sword!

At this moment, the God of Chaos's Essence Soul was like a chaotic star body, frantically colliding with the sword!

In an instant!

BOOOOM!

An unprecedented explosion erupted in the sky, indeed like a celestial body exploding!

Endless light and energy burst forth in the sky, sweeping across the vast sky!

The light and energy that exploded directly shattered the Chaos Light Shield trapping Yang Luo and the others!

Who knows how much time passed.

Until all the light and energy dissipated.

Only then did everything finally return to calm.

Yang Luo and the others all looked up towards the sky.

When they saw the scene in the sky clearly, everyone present gasped.

The vast sky had been blown open into a giant abyss, and stars beyond the sky had been shattered!

A large amount of rubble floated in the Cosmic Starry Sky, shocking everyone present.

Above, a void cavity had been blown open in the vast space, chaotic fog surged inside, dark and profound.

As for the Essence Soul of the God of Chaos, it had long turned to ashes and dissipated in the sky.

And that world-shattering sword also slowly dissipated in the sky.

In an instant.

Everyone in the Atlantis territory fell into a dead silence.

Everyone stared blankly at the sky, unable to recover for a long time.

After a long moment of silence.

“Dead... The God of Heavenly Punishment and the God of Burning Heaven are dead... The God of Chaos with cultivation at Daluo Golden Immortal is also dead!”

“One sword... just one sword... all three of them are dead... utterly without resistance!”

“Who in the world could it be... so powerful beyond belief?!”

“Is there truly such a terrifying existence in the lower realm?!”

The clansmen of the Atlantis divine guards trembled out loud, both astonished and joyous and confused.

Ji Qingcang, Baili Langya, and the others exchanged glances, their eyes full of shock.

What had just happened felt like a dream to them.

One sword... the God of Chaos, the God of Heavenly Punishment, the God of Burning Heaven, and the remaining hundred divine weapons and generals were all dead.

If they hadn't seen it with their own eyes, they wouldn't have dared to believe it.

“Damn! Too strong, absurdly strong, Lord Buddha, when will I ever have such power!”

“Could it be the Ancient Immortals helping us?”

“Highly possible, otherwise, I can't imagine who else could have such terrifying power!”

“Then who could it be? The Flame Emperor? Emperor Fuxi? Yellow Emperor? Nuwa?”

Bujie and the others exclaimed dumbfoundedly, trembling all over with excitement.

Yang Luo just kept staring at the sky, speechless.

Too familiar!

The aura and pressure from that sword were just too familiar!

Could it be...

Gu Tianshang clasped his hands towards the sky, "Senior, thank you for your help, we are immensely grateful!

We hope Senior can appear for a meeting, so we can thank you in person!"

"Please appear, Senior!"

Ji Qingcang and others also clasped their hands, eyes full of respect.

At this moment.

A profound voice came from beyond the stars.

"Brat... your progress is way too slow..."

This voice was profound and ancient yet carried a hint of teasing, as if it traveled across the Starry Sky Universe, across the long river of time.

When everyone present heard this voice, they were instantly stunned!

Brat?

Who is the voice referring to?

However, Gu Tianshang and others felt that the voice was very familiar!

But when Yang Luo heard this voice, he shook uncontrollably with excitement!

His eyes turned red instantly, tears welling up!

Of course, besides Yang Luo!

Dongfang Ruoshui, Flame Emperor, Zhixin, Xiao Ziyun, and Lin Qianyi were all trembling, their eyes red!

“Brother Yang, Eldest Senior Sister, Sister Luan Ge, Sister Song, Sister Ziyun, Sister Qianyi... what’s wrong with you?!”

“Why are you crying? We’ve escaped danger, why are you still crying?”

“Could it be... do you know this Senior who helped us?!”

Bujie, Ning Jianfeng, Ji Longyue, and others exclaimed in shock.

“Master... Master...”

Dongfang Ruoshui and the other five women choked out loud, tears couldn’t stop flowing down.

Yang Luo took a deep breath and shouted hoarsely, “You old immortal, damn it, you finally showed up!!!”

Upon hearing Yang Luo’s shout and the names called by Dongfang Ruoshui and the others.

Everyone present was instantly stunned!

“Master?! Little Luo, is this talking Senior your master?!”

Gu Tianshang couldn’t help but ask in shock.

Dongfang Wuji also reacted, trembling with shock, “Could it be... this Senior is the old monster that once swept through our two Immortal Worlds, crushing all of our top experts?!”

Zuo Canghai’s left foot twitched, “My God, I knew this voice sounded familiar, turns out it’s that old monster!”

Ji Qingcang said in shock, “Turns out that old immortal is Little Luo’s master!”

Baili Langya sighed, “It’s not hard to understand, only such a domineering old immortal could train a disciple like Little Luo!”

All the Golden Immortals and Heavenly Immortal Ancestors of the two Immortal Worlds were deeply shocked.

They were almost certain now.

The person speaking was the old monster that once swept through two Immortal Worlds, killing so many nobody dared to make a sound.

Even now, they still had a shadow in their hearts, unable to forget for a long time.

But what they didn’t expect was.

In today’s moment of despair, it was actually this old monster who saved them.

Yang Luo's tears couldn't be held back anymore, flowing down, crying like a child.

In his heart, the old immortal was both his master and his family.

He always missed the old immortal.

He sobbed, "Old immortal, you bastard, ever since you drove me out, it's been four years, you've never contacted me once, nor were willing to see me!

Do you still consider me your disciple?"

Chapter 2569: There's always someone stronger, and skies beyond skies!

"Master, don't you consider us your disciples?"

"Master, can't you show up to meet us?"

"Master, we are indeed very weak and have brought shame to you, but we really miss you!"

"Master, where on earth have you gone, and what are you doing?"

"Boohoo... Master, please meet us!"

Dongfang Ruoshui, Flame Emperor, Xiao Ziyun, Lin Qianyi, and the international Diva were all crying buckets.

Though the Old Immortal always gave them the impression of being sloppy, carefree, and grinning playfully.

But, after all, the Old Immortal was their master.

Moreover, with their deepening understanding of the Old Immortal over the past four years, they profoundly felt his mystery and power.

Especially today, the strength the Old Immortal displayed utterly shocked them.

They hadn't seen the Old Immortal in person, but his space-cleaving sword strike had slain the God of Chaos, God of Heavenly Punishment, and God of Burning Heaven.

Such power is beyond their knowledge and imagination!

"Sigh..."

A sigh traversed the Cosmos, "I wish to meet you too, but I can't leave my current location.

As for what I am doing, it's of great significance, and you will know in the future."

Yang Luo looked at the Cosmic Starry Sky and hoarsely asked, "Old Immortal, are you still okay?"

"Brat, rest assured, I'm doing well, no need to worry."

Old Immortal replied, then continued, "Brat, achieving your current cultivation and strength in the Lower Plane is quite commendable.

However, remember, the sky you see now is still too small.

As the saying goes, 'There are always people better, and there are always higher heavens,' you must not stop here.

You must keep striving to improve your cultivation and strength to witness the vaster sky.”

Yang Luo felt a lump in his throat and choked up, “You bastard, even if you don’t want to see me, you still rambled on so much!”

“Hahaha...”

The Old Immortal laughed loudly, teasing, “You brat still has that same bad temper.

But, it suits my taste well; after all, I am your master.

As the saying goes, ‘Like master, like disciple.’”

Yang Luo rolled his eyes and said, “It’s obviously ‘Like father, like son,’ what nonsense are you spouting!”

Old Immortal heartily laughed, “Ah, same meaning, same meaning, hahaha...”

Yang Luo was rendered speechless, “For someone who can strike down a Daluo Golden Immortal from afar, can’t you have more of a distinguished demeanor, be more serious?”

Old Immortal replied crossly, “What’s a Daluo Golden Immortal?

If I were truly present, wiping out a Daluo Golden Immortal would be just a snap.”

Yang Luo nodded repeatedly, “Yes, yes, go on boasting!”

Old Immortal continued, “Brat, your father and mother also miss you a lot and are very happy you have come this far.

But, like me, though they wish to see you, they can’t spare the time.

I hope you can understand them.”

Yang Luo was stunned, “Are you... with my parents?!”

Is this true?!

Where on earth are you, can I come find you?!”

Old Immortal responded, “The place we are at is too far away; not many in the myriad worlds can reach here.

When your cultivation, strength, and insight reach a sufficient level, you will naturally know this place and what we are doing.

Ruoshui, Luange, Ziyun, Qianyi, Zhixin, you must also strive to improve your cultivation and strength, and move towards greater power.”

“Yes, Master!”

The five of them, led by Dongfang Ruoshui, nodded in agreement.

Old Immortal further said, “Luange, Zhixin, you will naturally know about your backgrounds when you reach the Upper World.”

“Our backgrounds...”

“So we have to go to the Upper World to know our backgrounds...”

Flame Emperor and the international Diva spoke in a daze.

At this time.

Old Immortal's voice reached Yang Luo's Divine Sense Space.

"I entrust this brat to you all!"

The voice could only be heard by Yang Luo and the four of Long Xinghe.

No one else could hear it.

Long Tianchi shouted, "Old Man Dugu, so you were this brat's master!

And could you be clearer, is Brother Yang and his wife truly still alive?"

Long Xinghe also hastily said, "Brother Dugu, where on earth are you?"

Old Immortal said, "Once you've restored your Essence Souls and reformed your physical bodies, you will naturally sense our presence!

We'll meet again then!"

"Hey, hey, hey, are you going to leave us just like that?!"

"What's the difference between what you said and not saying anything?!"

"Old Man Dugu, make yourself clear!"

Long Tianchi and the others hastily inquired.

“Brat, the future path is one you have to walk on your own, others can help you for a while, but not for a lifetime.

Brat, work hard, I look forward to the day we meet.”

Old Immortal’s voice resounded throughout the Star Ruins Divine Realm and the Cosmic Starry Sky, then slowly faded away.

In an instant.

Everyone present gazed dumbfoundedly at the sky, unable to snap back to reality for a long time.

Gu Tianshang sighed, “I really don’t know to what extent this senior’s cultivation and strength have reached, to be able to slay an enemy from afar and transmit his voice across such a distance!”

Linghu Wuxie acknowledged, “I’m afraid this senior’s cultivation and strength have reached a level we can’t even imagine!”

Ji Qingcang, Baili Langya, and others were all in awe.

As for the Star Ruins God Master, Titan God Master, Maya God Lord, and Pharaoh God Master, people from the four divine realms were also left dumbstruck, unable to return to their senses for a long time.

Although they did not know who this senior was that rescued them.

But they could be sure that this senior must be a top expert, far beyond what they could comprehend at that moment.

The international Diva tearfully said, “In the end, Master still didn’t meet us, this old guy is too annoying!”

Dongfang Ruoshui sighed, "Didn't Master say he's handling important matters and really can't take the time to meet us.

Otherwise, how could Master not come to see us?

Besides, Master loves Little Luo the most."

Flame Emperor gazed at the Cosmic Starry Sky, muttering, "I really don't know what Master is doing that he can't even spare a little time to meet us."

Xiao Ziyun and Lin Qianyi also sighed deeply.

Though they spoke with the Master today, they didn't get to see him, leaving them feeling very desolate.

At this moment.

Yang Luo asked in his heart, "Four seniors, do you know my Master?!"

Long Tianchi replied, "Know him? Of course, we know him, Old Man Dugu, we'd recognize him even if he turned to dust!"

Yang Luo immediately got excited and asked, "What is my Master's real name, how strong is he?!"

Chapter 2570: Endless Fighting Spirit!

Long Xinghe said: "Kid, your master is named Dugu Zhantian. Back then, just like your father, he too could sweep through all heavens and myriad worlds, an unparalleled and supreme warrior."

Moreover, back then your master also fought alongside us in that great battle that swept through all heavens and myriad worlds.”

Long Tianchi chuckled, “I never expected Old Man Dugu and your parents to still be alive. Good, this is truly great!”

Long Youlan was also very excited, “Old Brother Dugu, Brother Yang, and Sister-in-law are all still alive. Once our Essence Souls recover and our physical bodies are rebuilt, we must go see them!”

Long Daoyi sighed, “It seems Old Man Dugu and Brother Yang’s injuries have already healed, and their cultivation and strength have returned to their peak.”

Yang Luo asked again, “Just how strong is my master? Could the four seniors give a bit more detail?”

Long Tianchi replied, “Let me put it this way, Old Man Dugu’s strength is indeed astonishing, we admit that.

Furthermore, he naturally loves battle, enjoys challenging the strong, and yields to no one, not even us.”

He once challenged us, as well as the Yellow Emperor, Flame Emperor, Fuxi, Chi You, Nuwa, Pangu, and other ancient mighty figures, each with mixed results.”

“This...”

Yang Luo was completely stunned, “My heavens, is Old Immortal really that powerful?

He actually challenged all of you seniors, even those ancient mighty figures, and had mixed results?”

Saying this, he continued to ask, “Then who is more powerful, my master or my father?”

Long Daoyi replied, "Of course, your father. Old Man Dugu has sparred with your father many times, but lost every time.

So, in all the heavens and myriad worlds, the only person Old Man Dugu yields to is your father."

Long Tianchi laughed heartily, "He has no choice but to yield, after all, he's never won against your father."

Long Daoyi smiled and said, "Every time Old Man Dugu thought he could defeat your father, he would go to challenge him.

But every time, your father would beat him soundly.

However, this guy only became braver with each fight, never admitting defeat, quite similar to your father."

Long Youlan giggled, "Otherwise, because Old Brother Dugu and Brother Yang's personalities are so alike, they would become brothers."

"So my father is the strongest after all..."

Yang Luo sighed deeply.

As his perspective widened, he realized that a Golden Immortal is not the end, just considered very strong in the lower world.

It turns out, above a Golden Immortal is the Daluo Golden Immortal, and even stronger beings.

Yang Luo took a deep breath and continued to ask in his mind, "Four seniors, above a Golden Immortal is a Daluo Golden Immortal. So above a Daluo Golden Immortal, what realms are there?"

Long Xinghe said: "Above a Daluo Golden Immortal, there are Taiyi Xuanxian and Nine Heavens Immortal.

Of course, above Nine Heavens Immortal, there are several other realms.

However, stepping into those realms is extremely difficult, it's like reaching for the heavens.

Nevertheless, anyone who steps into a realm above Nine Heavens Immortal is an extraordinary heavenly pride, a peerless hero.

So, kid, you must continue to cultivate diligently and improve yourself.

Once you step into Nine Heavens Immortal, you will understand just how small you are now."

"Senior Xinghe, I understand!"

Yang Luo clenched his fist, his gaze more determined, "I will strive harder and move towards greater strength!

Daluo Golden Immortal, Taiyi Xuanxian, Nine Heavens Immortal, I will definitely surpass them!

I want to see my master, I want to see my parents, I want to meet those legendary ancient mighty figures!

I want to see just how vast this world really is!"

Long Xinghe sighed, "No wonder your cultivation foundation is so solid, turns out it was taught hand-in-hand by Old Man Dugu."

Long Daoyi also said, "Looks like we need to push harder, quickly recover our Essence Souls, and rebuild our physical bodies!"

Long Tianchi excitedly said, "Once our Essence Souls recover and our physical bodies are rebuilt, we'll be able to see Old Man Dugu and the others!"

Hahaha, our fighting spirit has returned, so good, so good!"

Yang Luo also excitedly said, "Four seniors, I will help you recover your Essence Souls and let the other five seniors out of their coffins as soon as possible!"

"Good!"

"Then let's go fight in the Upper World together!"

"We must let those individuals in the Upper World know that the Holy Dragon Family has returned!"

"Hahaha..."

The four of Long Xinghe all laughed heartily, having learned that their once closest brothers are still alive, their spirits soared.

Yang Luo disconnected and then looked at the five of Dongfang Ruoshui, "Everyone, we must continue to work hard so we can meet our master in the future!"

"Yes!"

The five of Dongfang Ruoshui nodded heavily.

"Little Luo, do you know what big thing Master is up to?"

Song Zhixin asked.

Yang Luo shook his head, "I don't know either, but as long as we see Master in the future, we will know.

Since Master isn't telling us now, he must have his reasons, also to avoid giving us pressure.

What Master is doing is certainly no small matter; otherwise, he wouldn't abstain from meeting us."

"Alright then..."

Song Zhixin sighed helplessly.

Just then.

Bujie suddenly shouted.

"Oh crap, that dog is trying to escape!"

Yang Luo and the others looked up to see Light God Son attempting to flee on an ancient boat.

He was truly frightened out of his wits!

The God of Chaos, God of Heavenly Punishment, and God of Burning Heaven had been slain with a single sword!

The person speaking earlier was too terrifying, perhaps a presence no weaker than his father emperor!

He had to escape quickly and inform his father emperor of this!

"Where do you think you're going!"

Yang Luo shouted, soaring into the sky, transforming into a streak of lightning light, rushing forward!

“Damn it, stop right there!”

“Don’t even think about escaping!”

“We must take down this bastard!”

Bujie, Flame Emperor, Song Zhixin, Ji Longyue, and the others also soared up, pursuing him!

Soon, Yang Luo and the others blocked Light God Son’s path!

Light God Son was trembling, his face pale, and his voice quivering, “Brothers... I... I know my mistake, I hope you can spare me!

My people have all died at your hands...aren’t you satisfied yet?”

Yang Luo looked coldly at Light God Son, said, “You scum, if you hadn’t come here with your people to cause trouble, would this battle have ensued?

Besides, you just tried to target my woman, do you think I can let you off?”

Bujie angrily said, “You scum, weren’t you just so arrogant, weren’t you laughing so smugly, acting so wildly?

Now try being smug again, try being arrogant again!”

“Did you really think no one could handle you guys?”

Ning Jianfeng agreed.

Song Zhixin angrily said, "Bastard, you even dared to suggest we become your concubines, are you looking to die?"

Light God Son fiercely said, "My father is the emperor of the Light Divine Country, I advise you to let me go, don't court trouble!

If you really dare to kill me, my father emperor will not let you go!"
