Chapter 2581: Peerless Medicinal Herbs!

Ka-boom!

Rumble!

The sounds of collisions and explosions erupted one after another!

Under the joint fierce attack of Yang Luo and others!

One by one, the purple walls of flame were directly destroyed!

Large swathes of purple flames spread out, sweeping through heaven and earth!

Li Wenxu sneered, "You guys do have some skills!

Unfortunately, all of you are seriously injured and exhausted, how can you escape from my grasp?

Even if you were at your peak, you're just True Immortals and Heavenly Immortals, still unable to escape my palm!"

As he spoke, Li Wenxu directly summoned a purple Immortal Sword and swung it out!

In an instant!

Whoosh, whoosh, whoosh!

Countless purple Flame Flying Swords fell like a flood, shooting toward Yang Luo and the others!

"Counterattack!"

Yang Luo shouted out fiercely, swinging the Dragon Emperor Sword in his hand, slashing out angrily!

Swish!

With one slash, countless golden flying swords burst out!

Clang, clang, clang!

Bang, bang, bang!

The purple Flame Flying Swords clashed with the golden flying swords in the sky, erupting in a fierce sound of collisions and explosions!

Large swathes of flames, light, and energy waves spread out, sweeping through heaven and earth!

However, what shocked Yang Luo was!

The spatial barrier of this Jiuzhou Immortal Domain was indeed solid. Under such intense attacks, not a single crack appeared!

One must know, when they fought in the Three Realms of Earth and the Divine Realm before, the space was easily broken!

He originally intended to take Bujie and others across the void to escape this place, but now it was clearly not possible!

At this moment!

Rumble!

Accompanied by a series of earth-shattering explosion sounds!

The golden flying swords condensed by Yang Luo were largely destroyed, unable to withstand at all!

“Blue Luan Sword Technique!”

“Lotus Sea Fragrance!”

“Azure Dragon Spear!”

“White Tiger God Destroying Saber!”

...

Ye Luange and Song Zhixin, among others, also launched fierce attacks!

Countless azure flying swords burst out!

One by one, Eight-Colored Glazed Lotus flowers condensed and charged up for suppression!

Sword lights, sword shadows, spears, and halberds pierced the air, stirring up the weather, causing turbulence in all directions!

Moreover, the illusions of Lord Blue Luan, Azure Dragon, White Tiger, Vermilion Bird, Black Tortoise, Kun Peng, Soaring Snake, flaming phoenix, and Qilin rose up, lunging forward!

Li Wenxu snickered, "Sure enough, your bodies do flow with the blood of various divine beasts, it's just not pure enough!

It seems you are the bloodlines left behind by those divine beast families on the lower planes!"

As he spoke, he waved his large hand!

"Purple Flame Burning Wilderness!"

Swoosh!

A field of purple fire seared the world, surging upward!

Rumble!

The offensive launched by Ye Luange and the others was completely destroyed, still unable to withstand!

There was no way; their cultivation was originally inferior to Li Wenxu's, and being seriously injured and exhausted, they naturally couldn't withstand!

They were all blasted away, crashing into mountains, falling into ruins!

"Formless Buddha Demon!"

Bujie roared, releasing Buddha energy and demonic qi simultaneously, one eye shining with golden light, the other with black light!

He fiercely swung the Heavenly Dragon Zen Staff in his hand, smashing it upward!

Even a Buddhist Demon Giant rose up, simultaneously swinging Buddhist and demon palms, striking out heavily!

“I didn’t notice earlier, you little monk are not simple; you actually possess both Buddha energy and demonic qi within you!

If I use you as a medicinal catalyst, the pill I want can surely be refined!”

Li Wenxu laughed heartily, swinging out a cleaving sword!

Rumble!

The offensive launched by Bujie was also annihilated by a single slash, and the Buddhist Demon Giant looming above him was crushed!

“Ah...”

He let out a cry of pain, being blasted away, crashing into a mountain, landing in the ruins!

“Bujie!”

Xu Ying screamed, charging forward madly, with a Purple Thunder Giant Blade looming over him, charging towards Li Wenxu!

At the moment of approach!

He swung the Purple Thunder Mad Saber in his hand, slashing out in anger!

“Purple Thunder Sky-cutting Saber!”

With one slash, accompanied by purple mad thunders, violently cleaving towards Li Wenxu!

“Divine Movement Eight Desolates Palm!”

Mo Qingkuang also charged forward madly, condensing a purple-gold palm, slapping toward Li Wenxu!

“Ape King Tyrant Killing Fist!”

Big White’s body had long grown to two hundred meters, twisting out a giant punch, with lightning and flames swirling around the fist, ruthlessly pounding Li Wenxu!

“Vermilion Bird Burning World!”

The Hundred Cry Bird flapped its wings, propelling streams of Vermilion Bird Divine Flame, surging towards Li Wenxu!

“Overestimating oneself!”

Li Wenxu shouted from the void, stepping down with one foot!

Boom!

Chaotic purple flames erupted from his body, spreading in all directions like an avalanche!

“Ah...!”

Xu Ying, Mo Qingkuang, Big White, and Hundred Cry Bird simultaneously let out cries of pain, being blasted away, spitting blood, and suffering extensive burns!

Just as Xu Ying and others were blasted away!

“Dragon Emperor Sword Technique!”

A furious roar came from the sky!

Yang Luo, holding the Dragon Emperor Sword tightly in his right hand, slashed fiercely at Li Wenxu!

Swish!

The golden sword split apart large expanses of the Cloud Sea, like an ancient sword immortal descending upon the world, delivering a world-shattering slash!

Even tens of thousands of golden dragons roared down!

“Humph!”

Li Wenxu snorted coldly, immediately swinging the long sword in his hand, slashing upwards!

With one sword, purple fire soared into the sky, as if to burn everything to ashes!

Clang!

The collision of the two swords erupted in large amounts of flames and energy!

The tens of thousands of roaring golden dragons were also cut down by a single sword!

Yang Luo forcibly withstood this sword, unleashing another deadly move!

“Beast Blood Boiling!”

“Great Dao Dragon Diagram!”

“Chaos Slaughter Array Map!”

Illusions of the Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts simultaneously rose up, charging downward!

The Great Dao Dragon Diagram slowly rotated, with tens of thousands of dragon illusions roaring downward!

A vast golden array map, carrying immense dragon qi and killing intent, suppressed downward!

Had Yang Luo been in peak state now, the power of these lethal moves would be tremendous!

Unfortunately, he couldn't even exert half of his strength now, so the power of the lethal moves was less than half!

Seeing Yang Luo's layers of lethal moves attacking!

Li Wenxu swiftly launched a counterattack!

He quickly formed a seal with his left hand, condensing a purple seal, directly striking out!

The purple seal, blazing with intense purple Immortal Fire, rammed upward like a purple mountain!

Boom!

Rumble!

Earth-shattering collision sounds and explosions resounded!

Light and energy spread like the raging sea, sweeping through heaven and earth!

Li Wenxu's eyes filled with intense shock, saying, "You kid are truly wicked, containing so much blood essence of divine and fierce beasts within you!

It seems you are the true peerless medicinal material!"

"You're the fucking medicinal material, your whole family is medicinal material!"

Yang Luo roared, gripping the Dragon Emperor Sword with both hands, crazily slashing at Li Wenxu!

Li Wenxu's smile turned cold and harsh, continuously swinging the sword in his hand to meet the attack!

Clang, clang, clang!

Bang, bang, bang!

Rumble!

The sounds of swords clashing, energy colliding, and explosions erupted one after another, echoing for miles!

Chapter 2582: Crisis!

Li Wenxu sneered and said, "Your strength is indeed extraordinary. Even after being so injured, you can still burst out with such formidable combat power!"

But that's good. The more exceptional you are, the better the medicinal properties as an ingredient!"

As he spoke, his whole body shuddered, unleashing even more overwhelming pressure and aura, and his combat power soared!

Immediately, he raised his left hand and shouted loudly!

"Purple Flame Immortal Map, suppress!"

A map condensed instantly in the palm of his left hand and was thrown out directly!

The purple ancient map expanded wildly in the wind, burning with intense purple immortal fire, ancient runes flickering, it charged upward to kill!

Rumble!

All of Yang Luo's heavy attacks were completely destroyed!

“Ugh...”

He let out a cry of pain and was directly blown away!

“Damn, fight this bastard to the end!”

“Everyone, attack together, let’s kill this freak!”

Bujie and Ning Jianfeng and others soared into the sky, attacking Li Wenxu!

Li Wenxu sneered coldly and said, “Why resist? Can’t you obediently become my medicinal ingredients?

Even if you resist, what good will it do?”

With that, Li Wenxu waved his sword again, launching a series of formidable attacks!

Bujie, Ning Jianfeng and others, dragging their heavily injured bodies, launched a frantic assault!

Clang, clang, clang! ...

Boom, boom, boom! ...

Sounds of clashes and explosions echoed endlessly, shaking the sky and spreading in all directions!

However, despite Bujie and the others giving it their all, they were still unable to withstand Li Wenxu's onslaught!

After several minutes of confrontation!

"Ahhhhhhh..."

Bujie and others let out cries of agony, being knocked away, flying over a kilometer!

After falling to the ground, Bujie and others spat blood, their injuries worsening, unable to get up!

However, just as Bujie and others flew out!

A roaring howl came from above!

“Twelve Shaman Primal Heavenly Art!”

“Twelve Ancestral Witches!”

Li Wenxu suddenly looked up.

Only to see twelve Ancestral Witches standing tall above Yang Luo, towering over the heavens, feet on Changkong, exuding incredible power!

“What kind of cultivation technique is this?!”

Li Wenxu’s eyes were filled with even more astonishment.

Before Li Wenxu could react!

“Fusion!”

Yang Luo roared again.

In an instant!

The Twelve Ancestral Witches merged in the air, transforming into the Pangu Emperor's apparition, standing mightily in the midst of the sky!

But, maintaining the Pangu Emperor's apparition required too much energy, Yang Luo felt his qi being nearly drained!

The problem was that with his current qi, he simply couldn't sustain the Pangu Emperor's apparition for long!

His body couldn't bear it either, large areas tearing, with blood splattering out!

"Kid, how did you get into a fight as soon as you reached the Upper World?!"

"What's going on now?!"

Long Xinghe and the other three were also alarmed and questioned hastily.

Yang Luo replied in his heart, "Four seniors, I didn't intend to, but who knew someone would suddenly appear, trying to use us for alchemy!"

I beg you four seniors, lend me some strength, whether I can slay this freak depends on this one axe!"

"Alright!"

"Ah, what a situation!"

"Why do you always encounter trouble wherever you go?"

Long Xinghe and the others were speechless, but they couldn't ignore Yang Luo's plight, so they could only channel energy to him.

However, Long Xinghe and the others didn't dare to channel too much energy into Yang Luo, fearing his body couldn't handle it, and he'd explode to death.

After all, with Yang Luo's current severe injuries, he couldn't withstand an excessive amount of energy.

However, even with a small amount of energy channeled, Yang Luo could maintain the Pangu Emperor's apparition from dissipating.

"Wha... what is this?! Pangu Emperor?!"

Wha... what cultivation technique is this?!"

Li Wenxu was stunned, speechless at what he saw.

Moreover, he felt a powerful threat and pressure!

"Heaven Creation Splitting Nine Axes!"

"One Axe Suppressing Mountains and Rivers!"

With Yang Luo's resounding roar!

The Pangu Emperor's apparition directly swung the huge axe in his hand, chopping heavily towards Li Wenxu below!

Rumble!

The golden giant axe struck fiercely down, the vast space violently oscillated and twisted, as if about to crack open!

“You...”

Li Wenxu’s expression was horrified, not daring to underestimate his opponent, instantly unleashing his full aura and combat power!

He raised his sword furiously, slashing upwards, unleashing a powerful killing move!

“Five Elements Immortal Technique, Chaotic Heaven and Earth!”

Swoosh!

A massive purple flame giant sword slashed upwards!

Furthermore, five immortal rainbows shining in gold, green, blue, red, and gray, shot into the sky!

These five massive rainbows, like five celestial pillars, contained the power of metal, wood, water, fire, and earth, breaking through the firmament!

Moreover, this five elements power was immensely vast, containing strands of the Five Elements Law Power, incomparable to ordinary five elements power!

The vast void also oscillated violently, twisting and distorting, incredibly terrifying!

In an instant!

Clang, clang, clang!

A heaven-shaking, earth-shattering collision sound rose up!

The whole world was violently trembling, nearby mountains shook intensely, rivers surged with towering waves!

In less than a minute!

Rumble!

An unparalleled explosion erupted in the sky!

Light and energy burst forth like a river breaking its banks, spreading out in all directions!

Boom, boom, boom!

The surrounding mountains in the valley were instantly destroyed, collapsing into heaps of rubble and dust, rising up towards the sky!

The offensive forces from Yang Luo and Li Wenxu also shattered and exploded in the sky!

The Pangu Emperor apparition standing above Yang Luo also dissipated in the sky!

“Ugh...”

“Ah...”

Accompanied by two cries of pain.

Yang Luo and Li Wenxu were both blasted away, falling into two piles of ruins.

In the distant ruins, Bujie and others watching this scene, were shocked speechless.

Bujie swallowed hard and said, "Damn! Could Brother Yang and this freak have perished together?"

"You're talking nonsense!"

Ning Jianfeng cursed angrily and said, "Brother Yang has killed Golden Immortals before, what does this freak count as?!"

Lin Wenxuan frowned and said, "If Brother Yang were in his peak state and wielded the 'Heaven Creation Splitting Nine Axes', he might indeed kill this guy!

But now, Brother Yang is just like us, barely escaping space turbulence alive!

His injuries are too severe, his qi exhausted, to want to kill this guy, I'm afraid it's not easy!"

Mo Qingkuang spoke gravely, "That's also why Brother Yang resorted to using 'Heaven Creation Splitting Nine Axes' so quickly!

Brother Yang probably knew he couldn't maintain his qi, so he used this major killing move while still slightly capable!"

Just as they were talking.

Li Wenxu climbed out of the rubble.

His chest had been slashed open with a wound several dozen centimeters long, flesh and skin flipped outward, revealing bare bones, horrifyingly frightful.

Blood flowed down, soaking his clothes.

“Damned brat, you actually wounded me, you’re courting death!”

Li Wenxu gritted his teeth, with a menacing face, walked towards Yang Luo with his sword.

Chapter 2583: Tired, Let’s Destroy!

Soon, Li Wenxu was standing in front of Yang Luo.

He looked down at Yang Luo with a ferocious expression and a vicious gaze, “You little beast, you really have some skills!

Even in such a state, you managed to hurt me, quite impressive!

I would love to kill you with one stroke right now!

But if I kill you just like that, your medicinal properties will greatly diminish!

So, I'll spare your life for now and throw you into the cauldron, burning you alive to death!"

With that, he swung the sword in his hand, slicing towards Yang Luo's chest!

Thud!

As the sword fell, a long bloody gash was made on Yang Luo's chest, blood spurting out!

However, Yang Luo gritted his teeth, enduring the pain on his body, not even making a hum of sound!

"Haha, quite resilient, not a sound at all!"

Li Wenxu sneered, "Aren't you very tough? Let's see how many strikes you can withstand!"

With that, he continued to swing his sword, strike after strike, slashing at Yang Luo's body!

Thud, thud, thud!

A massive amount of blood spattered out, staining Yang Luo's body red!

Yang Luo's body was covered in sword wounds, his skin torn and flesh exposed, in several places his stark white bones were visible, shocking to behold!

Under this cruel torture!

Yang Luo was trembling all over with pain, the veins on his hands, neck, and face bulging!

Yet he still held on, without a sound.

"Ahhhhh!"

Bujie roared angrily, "You bastard, torturing my Brother Yang is no skill at all, come at us if you dare!"

"Scum, come on!"

"Son of a bitch, if you have the guts, just kill us!"

Ning Jianfeng, Ji Longyue, and others also shouted in fury.

Li Wenxu laughed sinisterly, “Don’t worry, I don’t plan to spare you all!”

With that, he swung his sword with force!

Swish, swish, swish!

Countless Purple Flame Flying Swords shot towards Bujie and the others!

Thud, thud, thud!

Blood holes were pierced into Bujie and others, large amounts of blood splattering!

“Ahhh...”

Bujie and the others screamed in agony, almost fainting from the pain.

Yang Luo gritted his teeth, roaring angrily, "You bastard, as long as I live, I'll tear you to pieces!!!"

"Tear to pieces?"

Li Wenxu sneered, "Just with you, you deserve?"

You're about to become medicinal material for my refining, still dreaming of survival?"

"Bastard, we're descendants of the various Divine Beast families!

Aren't you afraid the Divine Beast families will come after you if you refine us?"

Ji Longyue threatened.

Earlier, Li Wenxu mentioned the Gu Qinglong Family, Ancient White Tiger Family, and other Divine Beast families.

Moreover, when he mentioned those families, a look of surprise appeared in his eyes.

Probably, their ancestors founded families in the Jiuzhou Immortal Domain with no small amount of power.

Sure enough.

Upon hearing Ji Longyue's words, Li Wenxu's eyes flickered a bit.

Baili Wushuang seized the chance and said, "Bastard, if you let us go now, we can pretend this never happened!"

"Hmph!"

Li Wenxu snorted coldly, "Enough, stop using those Divine Beast families to threaten me!

Though the blood of those Divine Beast families flows in you, you're ultimately just from the Lower Plane!

It's hard to say if those Divine Beast families even recognize you!

Moreover, if I quietly refine you into pills, who would know you were here?"

Upon hearing Li Wenxu's words.

Ji Longyue and Baili Wushuang and others were both anxious and angry!

"Damn it, you pervert will not die a good death!"

"You're a Law Enforcer of the Immortal Sect, yet you're bullying the weak, what a skill!"

"If you have the ability, fight us again when our injuries have healed!"

Bujie and others shouted loudly.

Li Wenxu mocked, "In this Upper World, it's survival of the fittest, natural selection!

Blame only your own weakness!"

With that, he waved his large sleeve!

"Purple Flame Furnace!"

In the blink of an eye!

A purple cauldron flew out from his sleeve, hovering in the air.

“All of you, get in!”

He waved his hand.

The bodies of Yang Luo and others, as if out of their control, flew up and were sucked into the Purple Flame Furnace.

After trapping Yang Luo and others in the Purple Flame Furnace.

He took the Purple Flame Furnace, flew away from the ruins, and arrived at the place where he had previously refined pills.

Upon reaching the valley.

He sat cross-legged in the valley, waving his right hand.

The Purple Flame Furnace flew out, expanding to several yards, hovering above.

Then, he swallowed a few pills, healing himself while urging the flames and began refining pills.

He sneered sinisterly, “With you little ones as guides, I can definitely refine peerless immortal pills!

Hahaha...”

He was extremely excited and happy, drawing water from a nearby pool, pouring it into the Purple Flame Furnace.

He also increased the heat to speed up the refining, planning to quickly refine Yang Luo and others.

At this time.

Inside the Purple Flame Furnace.

Inside was a vast space.

Terrifying purple immortal flames burned all around, with extremely high temperatures.

The water below the cauldron was already boiling, bubbling audibly, white smoke rising.

Many shimmering medicinal herbs floated in the water, rolling up and down with the boiling water.

Yang Luo and others endured the pain, standing in the air, not letting themselves fall.

“Quickly, break open this cauldron and escape!”

Yang Luo waved the sword in his hand, using all his strength, slashing at the cauldron.

Bujie and others gritted their teeth, wielding weapons and magical artifacts for fierce attacks.

Clang, clang, clang!...

Muffled collision sounds reverberated in the cauldron, deafening.

But, Yang Luo and others were too injured, qi exhausted, unable to break the cauldron open.

After ten minutes or so.

“Huff, huff, huff...”

Bujie panted heavily, looking defeated, “We barely escaped death to come to the Upper World.

But who knew we’d encounter a pervert refining living people into pills.

That pervert thinks he’s the Lord Lao Zi of the Great Monad and we’re Sun Monkey, wanting to refine us?

Exhausted, let it all end...”

With that, he sprawled out, apparently unwilling to struggle any longer.

Ning Jianfeng gritted his teeth and said, “Are we really going to die here?”

Ji Longyue sighed deeply, “Why did we face such a life and death crisis just upon arriving in the Upper World, it’s so unfair!”

Zhixin shouted, “I don’t want to be refined into pills, dying like this is too suffocating!”

Luange and others were also very desperate and helpless!

At this moment, the flames in the cauldron intensified, wildly surging towards Yang Luo and others, trying to refine them!

Everyone gathered True Qi barriers to resist, but still couldn’t stop the flame’s invasion!

Everyone was in great pain, their bodies burned red, breathing heavily!

Only Yang Luo could withstand it.

One had to know, back then he had cultivated the “Undying Golden Body” in the Flame Emperor’s Furnace.

Flames of the Flame Emperor’s Furnace had truly terrifying temperatures.

Even without someone urging the Flame Emperor’s Furnace, it was unbearable for ordinary people.

Chapter 2584: Can’t Finish Eating, Simply Can’t Finish!

But, he also didn't know how long he could withstand it.

After all, Li Wenxu was constantly intensifying the flames outside, and no matter how strong his endurance was, he couldn't hold out against being refined like this!

Yang Luo glanced around, gritted his teeth and said, "Brothers, we absolutely cannot just sit and wait for death. We must think of a way to get out!"

As he spoke, he summoned the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror!

Four Dharma artifacts floated in the air, emitting dazzling beams of light, gathering four layers of energy barriers, enveloping Yang Luo and the others within, resisting the onslaught of the flames!

Then, Yang Luo looked at the medicinal herbs churning beneath the water and said, "Brothers, the medicinal herbs in this cauldron are extraordinary. They are all top-quality Immortal Medicine!

Hurry and devour these herbs, then rush to heal and recover!

Once our injuries are healed, then we can think of a way out!"

Bujie quickly sat up.

He glanced below, his eyes lighting up, and excitedly exclaimed, "These herbs really are extraordinary!

Not only are they full of spiritual energy, but their fragrance is overwhelming, absolutely a great tonic!"

Ning Jianfeng laughed heartily and said, "Isn't this pervert trying to refine us into pills?"

Then let's devour all his herbs and see how he continues refining!"

Big White also enthusiastically said, "Then what are we waiting for, let's start eating!"

Saying this, Bujie and the others quickly mobilized their True Qi, scooping up the medicinal herbs from the water, shoveling them into their mouths one after another, practically devouring them like hungry wolves.

"Haha, delicious, delicious!"

"These herbs melt in the mouth, refreshing the mind upon consumption!"

"You guys, stop snatching them from me!"

Bujie, Ning Jianfeng, and Big White scrambled for the herbs, as if reincarnated from the starving dead.

Flame Emperor, International Diva, and Tantai Puti were relatively civilized, tearing the medicinal herbs into pieces and ingesting them.

Yang Luo naturally didn't hold back either, scooping up herb after herb and stuffing them into his mouth.

Now, he couldn't afford to care about much, he had to first heal his injuries and restore his qi.

Originally, Long Xinghe, Long Daoyi, Long Tianchi, and Long Youlan were worried about Yang Luo.

But seeing Yang Luo already devise a plan and start eating herbs to recover his injuries and qi, they finally put their minds at ease.

Long Tianchi amusingly said, "Alright, alright, this kid's life is hard; he won't die so easily.

We should leave him be and continue to restore our Essence Souls.”

Long Xinghe, Long Daoyi, and Long Youlan didn’t interfere further, instead starting to cultivate to restore their Essence Souls.

Who knows how much time passed.

“Burp...”

Bujie let out a satisfied belch and patted his belly, “Can’t eat anymore, really can’t eat anymore...”

“Burp...”

Ning Jianfeng also belched contentedly, smacking his lips and said, “Where on earth did this pervert get so many herbs, too many to eat, simply can’t finish them...”

Big White’s belly had already grown round, letting out one belch after another.

Even Flame Emperor and the others couldn’t eat anymore.

“Phew...”

Yang Luo exhaled a breath of turbid air and said, “Brothers, you’ve consumed so many Immortal Medicines, now it’s time to use their powerful medicinal properties for healing and recovery!

As long as you can digest these herbs, your injuries and qi will certainly recover faster!”

“Understood!”

“Then why wait, let’s start right away!”

Bujie and the others quickly sat cross-legged in mid-air, beginning to heal and recover.

Yang Luo gathered up the remaining herbs, then sat cross-legged as well, starting to heal and recover.

Three days later.

Yang Luo’s injuries were fully healed, and his qi had returned to its peak.

He felt himself drawing one step closer to entering the Golden Immortal stage.

The door that originally opened just a crack began to slowly open.

Probably, it won’t be long before he faces the Golden Immortal Tribulation.

He must hurry to prepare for the tribulation, refine some pills to aid in it.

Luckily, he had collected quite a few good-quality medicinal herbs before coming.

Additionally, he had acquired quite a bit of Immortal Medicine from this cauldron.

This time, not only can he refine the “Golden Immortal Nirvana Pill” and “Mixed Element Qi Pill,” he may also create the “Nine Revolutions Soul Refining Pill” and “Seven Treasures Dominating Body Pill”!

As long as he can refine these four types of pills, the chances of overcoming the Golden Immortal Tribulation will be greater!

Thinking of this.

Yang Luo summoned the Ten Thousand Dragon Cauldron, and then tossed the herbs collected in the storage ring one by one into the Ten Thousand Dragon Cauldron.

Afterwards, he activated the flames within his body, also channeling the Purple Immortal Fire from the cauldron, simultaneously burning the Ten Thousand Dragon Cauldron, starting to refine the pills.

Unbeknownst to him, two more days flew by.

Bujie and the others had their injuries and qi fully restored.

“Hahaha...”

Bujie threw back his head and laughed exuberantly, “Lord Buddha has finally recovered!”

Ning Jianfeng excitedly said, “Then why wait any longer, let’s break this cauldron and take out that old bastard!

Brother Yang, what are we waiting for, let’s get started!”

“Keep it down!”

Flame Emperor signaled for silence, pointing to Yang Luo high in the center of the cauldron.

Everyone looked up, instantly stunned.

Bujie’s mouth twitched, “What the heck! Is Brother Yang refining pills?!”

Ning Jianfeng gave a thumbs up in admiration, “Refining pills inside someone else’s cauldron, only Brother Yang can pull this off!”

Baili Wushuang smacked his lips, "Brother Yang truly has boldness that matches his skill, amazing!"

Mo Qingkuang watched for a while and said, "Brother Yang's injuries and qi have completely recovered.

And I can feel that Brother Yang's aura has become more terrifying than before.

I suppose Brother Yang knows he's about to face the Golden Immortal Tribulation, hence he's refining pills to prepare for it."

"Oh my goodness!"

Bujie said dumbfoundedly, "If Brother Yang can actually refine pills inside someone else's cauldron!

And then welcome the Golden Immortal Tribulation, he would indeed be the first in history!"

Xiang Kunlun said, "Brothers, let's not disturb Brother Yang, keep cultivating, and strive for a breakthrough in cultivation as well!"

"Alright!"

Bujie and the others nodded heavily.

Then, Bujie and the others once again sat cross-legged in mid-air, beginning to cultivate.

Now that everyone's injuries and qi had recovered, plus the protection of the Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror, they feared no flames in this Purple Flame Furnace.

Moreover, the harsher the environment, the more it could stimulate their potential.

Meanwhile.

Outside the Purple Flame Furnace.

Li Wenxu's injuries and qi had fully recovered too.

He raised his eyes to the Purple Flame Furnace and frowned, "Those fellows had some movement a few days ago, why is there no movement now?"

Could it be they've already been refined?"

Thinking of this.

He burst into laughter, "Great, if they're refined, all the better. This time, I can surely create supreme immortal pills!"

With that, he continued to urge the Purple Immortal Fire, continuing to refine the pills...

Chapter 2585: You're Actually Not Dead?

Time flies.

Another ten days have passed.

During these ten days.

Yang Luo was constantly refining pills in the Purple Flame Furnace.

Bujie and the others were crazily cultivating inside.

Although they had just arrived in the Upper World, they were aware of this world's dangers.

They even encountered a pervert who used live humans for alchemy; who knows what other perverts they might encounter later.

Therefore, they all wanted to quickly improve their cultivation and strength.

Ten days later, in the morning.

Luohuang Mountain.

In a valley in the central area.

The Purple Flame Furnace hovered above.

Spiritual qi of heaven and earth surged from all sides like turbulent waves, being absorbed into the Purple Flame Furnace.

Li Wenxu stared at the Purple Flame Furnace in the sky ahead, his brow furrowed, "What's going on, it's already been half a month.

Why hasn't the peerless immortal pill been refined yet?

Could it be that there's still a lack of medicinal herbs?"

Right when he was monologuing.

Suddenly!

Rumble rumble rumble!

The Purple Flame Furnace began to tremble violently!

As it trembled!

A vast and mighty aura swept out from the Purple Flame Furnace!

Moreover, a rich medicinal fragrance wafted out!

Li Wenxu excitedly stood up, exclaiming, “Could it be that the peerless immortal pill has been refined?!”

It must be, otherwise the Purple Flame Furnace wouldn’t make such a big commotion!

Good, this is really great!”

Yet, before his words were finished!

Boom!

A green light beam shot up directly from the Purple Flame Furnace, dispersing a cluster of clouds in the sky!

“Hm?!”

Li Wenxu looked bewildered, “What’s happening?!”

And in the instant the beam shot up into the sky!

Boom boom boom!

More light beams consecutively shot up from the Purple Flame Furnace, scattering a vast cloud sea!

“This, this, this...”

Li Wenxu, shocked, stepped back several paces, “How could this happen, what on earth is going on?!”

In that instant!

“Hahaha, Lord Buddha is out!”

Accompanying a smug laughter.

A figure suddenly burst out from the Purple Flame Furnace, holding a Heavenly Dragon Zen Staff, with a bright bald head shimmering with golden Buddhist light, standing in the sky!

It was none other than Bujie!

“You...”

Li Wenxu pointed at Bujie, “You damn monk, you’re actually not dead?!”

“Hahaha, you bastard, we didn’t die either!”

“Fly, thanks for your medicinal herbs!”

“We’ve eaten well!”

Another round of laughter echoed from the Purple Flame Furnace.

Soon, figures flew out one after another, standing firm in the sky.

It was Flame Emperor, International Diva, Xu Ying, Mo Qingkuang, and Xiang Kunlun, among others.

Besides Yang Luo, everyone else came out.

Li Wenxu was left speechless, staring at Bujie and the others, incredulous, "You... you haven't been refined?!"

Bujie laughed heartily, "You bastard, not only were we not refined by you, but thanks to your medicinal herbs, our cultivation levels have improved!"

"What?!"

Li Wenxu's eye corners twitched, "You... you ate all my medicinal herbs?!"

"That's right!"

Ning Jianfeng laughed gleefully, "Pervert, this is the perfect example of trying to steal a chicken only to end up losing the rice!

However, we must thank your medicinal herbs; otherwise, it wouldn't have been easy for us to break through in cultivation!"

"Damn it! Damn it!!!"

Li Wenxu was about to explode with anger, “Even if you’ve broken through in cultivation, so what!

I am a Golden Immortal, killing you is as easy as flipping my hand!”

Just as he was ready to act!

Rumble rumble rumble!

The Purple Flame Furnace floating in the sky suddenly shattered and exploded, turning into countless fragments that scattered in all directions!

“My Alchemy Furnace!”

Li Wenxu shouted in pain.

At the very moment the Purple Flame Furnace exploded!

A golden light flickered as a figure appeared in the sky, with the Ten Thousand Dragon Cauldron hovering above!

It was Yang Luo!

“You... you didn’t die either?!”

Li Wenxu looked at Yang Luo, teeth almost crushed.

Yang Luo coldly stared at Li Wenxu, saying in a deep voice, “Sorry to disappoint you!

Not only did I not die, but thanks to your medicinal herbs, my pills are about to be refined!”

“Your pills?!”

Li Wenxu was puzzled, not understanding what Yang Luo meant.

At this moment!

Whoosh whoosh whoosh!

A strong wind suddenly arose on Cangqiong, clouds roiled, and this part of heaven and earth darkened instantly!

Rumble rumble!

As the clouds churned, muffled thunder echoed in the sky, along with brilliant flashes of thunder light, dazzling and striking!

The nearby birds and beasts were terrified, fleeing in panic, not daring to approach!

Li Wenxu looked up at the sky in disbelief, "This... this is a Pill Tribulation?!"

At the moment he was stunned!

Whiz whiz whiz whiz!

Four pills, each the size of a quail's egg, emitting various glows, flew out from the Ten Thousand Dragon Cauldron and hovered in the sky!

The four pills were perfectly rounded, spreading a rich aroma, refreshing the heart!

"Immortal pills... they are all immortal pills?!"

Li Wenxu stared intently at the four pills, gulping, eyes filled with greed.

Immortal pills are divided into nine grades!

He could sense that these four pills were all second-grade immortal pills!

If these four pills could survive the Pill Tribulation, they could be upgraded to fourth-grade immortal pills!

One must know, ordinary alchemists can only refine first-grade immortal pills, and more skilled ones can only refine up to second-grade or third-grade immortal pills!

Of course, alchemists capable of refining higher-grade immortal pills are outstandingly eminent!

But unexpectedly, this kid was on the verge of refining fourth-grade immortal pills!

Yang Luo ignored Li Wenxu and shouted to Bujie and the others: "Brothers, the Pill Tribulation is about to arrive, you should quickly evacuate!"

"Alright!"

Bujie and the others responded, then quickly flashed away from the area.

Li Wenxu's eyes flickered, and he also flew away from the area.

He planned to wait for the four immortal pills to survive the Pill Tribulation, then kill this kid and seize the immortal pills.

These little beasts devoured all his painstakingly gathered medicinal herbs over many years, and even cultivated and refined pills inside his Purple Flame Furnace—it was unforgivable.

However, as long as he could obtain these four immortal pills, it would somewhat make up for his loss.

At the very moment Bujie and the others evacuated!

Boom boom boom boom!

Four strikes of heavenly lightning fell simultaneously, instantly engulfing the four pills!

The intense lightning fire light flashed, creating a series of “rumble rumble rumble” explosive sounds, illuminating this part of heaven and earth!

Bujie and the others held their breath and stared at the sky, their hearts in suspense!

Although they had seen Yang Luo refining pills more than once, they were still very nervous!

Li Wenxu clenched his fists, swallowed hard, his heart in his throat!

Yang Luo also gazed at the sky, his expression unchanging.

Having spent so many medicinal herbs, he was certainly confident that these four pills could withstand the cleansing of the Pill Tribulation.

Several minutes passed.

When the lightning fire light dissipated.

The four pills remained undamaged, hovering in the sky.

Brighter glows radiated from the pills, and fine lightning patterns were engraved on them.

“They made it!”

Li Wenxu excitedly pumped his fist.

Bujie sneered, “Why are you so excited? What does it have to do with you?”

Ning Jianfeng also stared coldly at Li Wenxu.

Chapter 2586: The Arrival of the Golden Immortal Tribulation!

Li Wenxu sneered, “Once these four pills have weathered the pill tribulation, they will be mine. Shouldn’t I be excited?”

Bujie looked at Li Wenxu as if he were a fool and said, “You dog, do you really think you can snatch the pills from Brother Yang?”

“What else?”

Li Wenxu laughed mockingly, “This kid is just at the Heavenly Immortal Perfected Stage; can he possibly protect these four immortal pills?”

Ning Jianfeng said with amusement, "Have you not noticed that Brother Yang's injuries and qi have fully recovered?"

"So what?"

Li Wenxu crossed his hands behind his back, raised his head, and said, "Even if this kid has returned to his peak state, it won't take much effort for me to kill him!

Half a month ago when he injured me, I was completely careless!"

Bujie and the others shook their heads, not saying more.

Though they all wanted to kill this guy immediately.

They decided to wait until the four pills had finished the pill tribulation.

Just as Bujie and the others were conversing!

Boom boom boom!

Heavenly lightning struck down repeatedly; terrifying bolts submerged the four pills ceaselessly!

Rumble!

The sound of rolling thunder echoed continuously, spreading out who knows how many miles away!

After a full half-hour.

Once eighteen strikes of heavenly lightning ended, the pill tribulation ceased; no more heavenly lightning struck.

The four pills were enveloped in thunder light for a long time without dissipating.

“Is it over?!”

“Has Brother Yang successfully refined them?!”

“Brother Yang truly deserves his reputation; his alchemy is getting increasingly impressive!”

“Even without using living beings for alchemy, Brother Yang can refine immortal pills, far superior to this pervert!”

Bujie and the others exclaimed with joy, looking at the sky above the Ten Thousand Dragon Cauldron.

Li Wenxu also breathed rapidly, anxiously watching the distant sky.

After all, if the four pills couldn't endure the pill tribulation, they would turn to dust, and all efforts would be wasted.

A few minutes later.

When the thunder light completely dispersed.

The four pills appeared in the sky.

The pills were undamaged, still round and full, glowing brightly, with a rich fragrance spreading.

Moreover, the pills were engraved with eighteen thin lightning patterns.

“It’s done!”

Li Wenxu shouted excitedly, “Four Fourth Grade Immortal Pills have truly been refined!

Great, just wonderful!”

Saying this, he flew directly towards Yang Luo, shouting, “Brat, hand over these four immortal pills quickly, and I’ll leave you a whole corpse!”

Yang Luo looked calm, quickly collected the four pills, and then roared at Bujie and the others, “Retreat! Quickly retreat!!”

“Brother Yang, what’s wrong, why retreat?!”

“Yeah, Brother Yang, are you afraid of this guy?!”

“That’s not right, Brother Yang, with your ability, plus our help, killing this guy isn’t difficult!”

“Since Brother Yang said so, quickly retreat!”

Bujie and the others exclaimed in shock, feeling puzzled, but didn't think much, quickly retreating to the distance.

Li Wenxu didn't care about Bujie and the others, continuing to fly towards Yang Luo.

His goal was clear: first kill Yang Luo, seize the pills, and then kill Bujie and the others.

However, just as he was about to approach!

Rumble!

The sky suddenly erupted with an even more terrifying roar of thunder!

"What happened?! Wasn't the pill tribulation over?!"

Li Wenxu looked up at the sky, utterly confused.

He saw that the clouds in the sky were swirling even more violently, the wind howling like primordial beasts roaring!

The sky within a thousand miles instantly darkened, as if the darkness had descended to devour everything!

Of course, even more terrifying!

Thunder was booming in the sky, with lightning flickering within the clouds, extremely frightening!

Yang Luo gazed at the sky, his whole body trembling, no longer suppressing his cultivation, but unleashing his full aura!

Boom!

A massive golden beam shot straight into the sky, penetrating the dense clouds!

The thunder became even louder, the lightning within the clouds brighter and more dazzling, as if the apocalypse had arrived!

“You you you...”

Li Wenxu trembled with fear, “You’re actually going to undergo the Golden Immortal Tribulation?!”

Yang Luo turned to look at Li Wenxu, snickered, "Yeah, care to join me?"

"You're simply insane!"

Li Wenxu screamed, transformed into a purple streak, and withdrew frantically.

Though he was already a Golden Immortal now, it was still difficult to endure the Golden Immortal Tribulation unscathed.

Even if he could ultimately endure it, he would be severely injured.

Besides, why should he endure this brat's Golden Immortal Tribulation?

"What the heck!"

Bujie almost popped his eyes out, "The pill tribulation just ended, and now the Golden Immortal Tribulation is coming?!"

Ning Jianfeng trembled, saying, "The pill tribulation and Golden Immortal Tribulation coming one after the other... it's just too defying!"

Qin Zhanhuang sighed admiringly, “Only Brother Yang could possibly summon both the pill tribulation and Golden Immortal Tribulation simultaneously!”

Mo Qingkuang shouted, “Don’t just stand there, quickly retreat!”

Then, Mo Qingkuang and the others flashed away, transforming into streaks of light, flying off.

Just as Bujie and the others retreated far away!

Boom!

An enormous heavenly lightning a hundred feet wide flickered with dazzling light, fiercely striking down, aiming to tear Yang Luo apart!

Yang Luo looked at the sky, his black hair flying, his black robes fluttering, roared!

“Golden Immortal Tribulation, huh, I, Yang Luo, will certainly get through it!”

Before his voice fell!

Rumble!

The heavenly lightning swallowed Yang Luo's body!

Thunder light blazed furiously, bombarding Yang Luo's body!

Yang Luo did not muster any defense, nor did he activate the physique secret technique, directly enduring with his body!

He didn't know how many bolts his Golden Immortal Tribulation would have!

But one thing was certain, the quantity wouldn't be few!

After all, he'd already comprehended the five Bu Xiu Realm levels of the Golden Immortal!

If he could withstand the Golden Immortal Tribulation, he would surely become invincible in the same realm, even challenging across levels!

Actually, he could suppress his cultivation and undergo tribulation later!

However, he didn't choose to do so, deciding to face it now!

Jiuzhou Immortal Domain is the Upper World, filled with experts!

If his cultivation and strength aren't strong enough, he might not be able to survive here with his brothers!

Therefore, he must become more powerful!

"Roar!"

Yang Luo let out a roar to the heavens, like the Nine Heavens Divine Dragons roaring violently and dominantly!

Rumble!

The first heavenly lightning crashing down was shattered by the roar, exploding into large chunks of lightning and light!

"What?!"

Li Wenxu observing from afar couldn't help but exclaim.

This kid, what kind of monster is he, not only doesn't defend during the Golden Immortal Tribulation, but can shatter heavenly lightning with a roar?!

He took deep breaths, squinting his eyes, "Brat, you've just recovered from serious injuries, dreaming of surviving the Golden Immortal Tribulation is absurd!

It's not a big deal if you die, just don't ruin those four immortal pills!"

Chapter 2587 Simultaneous Tribulation!

Bujie and the others currently have no time to pay attention to Li Wenxu, and instead, they nervously watch Yang Luo in the sky far away.

After the first heavenly lightning ended.

Rumble, rumble, rumble!

The clouds covering a thousand miles continue to churn wildly, with a fierce wind, flashes of lightning, and terrifying thunder!

The birds and beasts in this area have long since been scared away, hiding far away, looking over here with great fear!

They are very frightened, this human cultivator is too terrifying, not only attracting a Pill Tribulation but also a Golden Immortal Thunder Tribulation!

At this moment.

Boom!

The second massive hundred-foot heavenly lightning strikes down!

Moreover, just after the second heavenly lightning fell, the third one also followed!

In an instant, Yang Luo was engulfed by the two heavenly lightnings!

Rumble!

The thunder roared, and the lightning flashed dazzlingly!

The surrounding mountains were directly destroyed, turned into a large amount of rubble and dust, sweeping up to the sky!

Yang Luo still endures the heavenly lightning with his body, his eyes extremely resolute!

The furious lightning violently strikes Yang Luo's body, trying to tear him apart!

But, after going through numerous life-and-death trials, Yang Luo's body has become extremely resilient!

So, no matter how strong the heavenly lightning's power, it cannot destroy Yang Luo's body!

Instead, Yang Luo is actually using the power of the lightning to continue strengthening his body!

Meanwhile, during Yang Luo's tribulation.

Long Xinghe and the other three are also alarmed.

“Kid, are you undergoing a Golden Immortal Tribulation?!”

Long Tianchi asked in surprise.

“Yes, Senior Tianchi!”

Yang Luo responded in his heart.

Long Xinghe solemnly reminded, “Kid, the Golden Immortal Tribulation is even more terrifying than the Heavenly Immortal Thunder Tribulation, you must be careful!”

Long Daoyi said, “If you can survive the Golden Immortal Tribulation, we could also absorb a considerable amount of the power of the lightning!

This power not only helps us repair our Essence Souls but might also completely open the fifth bronze dragon coffin!”

“Little Luo, you must pass through this great tribulation!”

Long Youlan also cheered for Yang Luo.

Yang Luo firmly replied, “I’m sure I will make it through, don’t worry, my seniors!”

“Good!”

Long Xinghe and the three others responded and didn’t disturb Yang Luo any further, allowing him to focus solely on his tribulation.

In the time that followed.

Boom, boom, boom!...

One heavenly lightning after another strikes down continuously, with an astonishing momentum!

The power of the heavenly lightnings is more terrifying than the last!

Furthermore, nearly all subsequent heavenly lightnings strike simultaneously!

It seems that the heavens do not permit the existence of a freak like Yang Luo and want to annihilate him!

In the sky far away.

Li Wenxu stared closely at the sky far away, eyes filled with shock.

His brow furrowed, utterly puzzled.

What kind of monster is this kid?

Why does his Golden Immortal Tribulation differ so greatly, with multiple heavenly lightnings striking simultaneously each time?

Flame Emperor and Bujie and the others also anxiously looked at the sky far away.

But, apart from being anxious, they could only watch, unable to do anything.

After all, every individual's tribulation must be undergone by themselves, others simply cannot help.

However, at that moment!

Rumble!

Overhead Lin Wenxuan, Mo Qingkuang, Big White, and Hundred Cry Bird, thunderous sounds erupted!

In the sky, dark clouds roiled, fierce winds rose, and lightning and thunder burst forth!

“Oh gosh!”

Bujie was instantly taken aback, “What’s this, are you all also going to undergo tribulation?!”

Lin Wenxuan looked toward the sky and said, “It seems our Heavenly Immortal Thunder Tribulation has arrived!”

“Haha, good, this is good!”

Mo Qingkuang laughed loudly, “This time, I will definitely pass the Heavenly Immortal Thunder Tribulation and step into the Heavenly Immortal realm!”

“Roar!”

Big White also shouted excitedly, “This Ape King will also pass the Heavenly Immortal Thunder Tribulation and step into the Heavenly Immortal realm!”

Hundred Cry Bird sneered and said, “Stinky monkey, you’d better not die under the Heavenly Immortal Thunder Tribulation!”

“Humph!”

Big White snorted and said, “Dead bird, worry about yourself!”

But, just after Big White finished speaking!

Rumble!

Thunderous sounds also echoed overhead Bujie, Xu Ying, Ning Jianfeng, Qin Zhanhuang, and Xiang Kunlun!

“Damn!”

Bujie’s mouth twitched, “My Heavenly Immortal Thunder Tribulation has also come?!”

“What’s happening?!”

Ning Jianfeng was also bewildered, “Didn’t I suppress my realm, why must I undergo tribulation now?!”

Xu Ying and Qin Zhanhuang also looked to the sky, deeply shocked.

Though they had long stepped into the perfected True Immortal Realm, their Heavenly Immortal Thunder Tribulation had yet to come.

But unexpectedly, their Heavenly Immortal Thunder Tribulation would arrive today.

Xiang Kunlun was also amused and said, “Don’t mention it, I also have to undergo the Heavenly Immortal Thunder Tribulation!”

Since arriving in the Upper World, Xiang Kunlun’s progress has been the greatest, reaching the perfected True Immortal Realm.

Moreover, he sensed that his bloodline was once again stimulated, with vigorous energy and even a bit restless.

Inside him seemed to hide a Primordial Giant Beast, eager to break free from its chains and soar in Jiutian.

Flame Emperor said, "Perhaps because the spiritual energy of the Upper World is abundant, and combined with eating so many nourishing medicinal herbs, your cultivation and strength surged, thus leading to the Heavenly Immortal Thunder Tribulation."

Ji Longyue analyzed, "Of course, there's also another possibility.

Maybe Brother Yang attracted the Pill Tribulation and Golden Immortal Tribulation, and it also drew your thunder tribulations."

Bujie exclaimed in exasperation, "Brother Yang, you troublemaker, you're undergoing tribulation, but why also bring our thunder tribulations?!"

Lord Buddha wasn't ready yet!"

Ning Jianfeng patted Bujie's shoulder, maturely saying, "The thunder tribulation won't care if you're ready or not, it comes when it's time!"

"Hahaha..."

Baili Wushuang laughed cheerfully and said, "This is good too, if all nine of you can pass the Heavenly Immortal Thunder Tribulation, then you all can step into the Heavenly Immortal realm too!"

You won't be left too far behind Brother Yang, and when you encounter formidable foes, you'll have the strength to battle!"

“Damn it!”

Bujie said fiercely, “If it’s tribulation, then bring it on. The heavens, I’m not afraid of you!”

Flame Emperor looked at everyone and said, “Little Luo has long prepared the pills needed for your tribulation!

Furthermore, you’ve observed Little Luo undergo the Heavenly Immortal Thunder Tribulation, you should have gained some experience!

I believe you all can pass the Heavenly Immortal Thunder Tribulation!”

“It’s a must!”

“This time, we will all pass the Heavenly Immortal Thunder Tribulation!”

“Brother Yang is moving towards greater strength, we cannot fall behind!”

Bujie, Ning Jianfeng, and the others shouted together.

Mo Qingkuang waved his large hand, “Brothers, come on, quickly find a place for the tribulation!”

“Good!”

Bujie and the others replied in unison.

Immediately afterward, Bujie and the others flew into the distance, each separating and standing in the sky.

Looking at the sky covered with dark clouds, lightning, and thunder.

Bujie and the others trembled, unleashing their momentum!

Boom, boom, boom!

Beams of light shot up from them, straight into the sky!

A few minutes later!

Boom, boom, boom!

Heavenly lightnings descended from the sky, striking Bujie and the others!

Bujie and the others officially began to undergo the Heavenly Immortal Thunder Tribulation!

Chapter 2588: Who is this person?

Flame Emperor, Zhixin, Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng didn't need to undergo tribulation, instead, they stood in the sky, looking at Bujie and the others.

After all, Flame Emperor and Zhixin had already entered the late stage of Heavenly Immortal.

Ji Longyue and the others had long entered the mid-stage of Heavenly Immortal.

Zhixin glanced at Yang Luo in the distance, then at Bujie and the others, muttering in shock, "This is too terrifying, these guys are undergoing tribulation at the same time?"

Tantai Puti said worriedly, "I wonder if Brother Yang and the others can successfully undergo tribulation this time!"

Flame Emperor said, “Don’t worry, Little Luo and the others have faced countless life-and-death trials along the way!

Their cultivation, strength, mindset, and will have all been honed!

No matter how terrifying the lightning tribulation is, I believe they will pass it!”

“Mm!”

Ji Longyue and the others nodded heavily.

At this moment.

The sky above Luohuang Mountain Range was totally covered by dark clouds.

Gale swept through heaven and earth, all kinds of lightning bolts flashed within the dark clouds, striking various places repeatedly.

Mo Qingkuang and the others demonstrated their divine powers, confronting the heavenly lightning.

Above Bujie rose a towering Buddhist Demon Giant, its voice of Buddha Chanting Demon Roar echoed through heaven and earth.

The Buddhist Demon Giant continuously swung Buddhist palms and Devil Palms, striking at the bolts of heavenly lightning.

On Xu Ying’s body, a huge sword was condensed, like man and saber as one, incredibly domineering.

He wielded the Purple Thunder Saber, hacking at the heavenly lightning continuously, while purple raging bolts furiously slashed forth.

Above Mo Qingkuang rose illusions of ancient immortals, launching fierce attacks against the heavenly lightning.

Above Big White towered a giant ape, swinging huge fists upward.

Above Hundred Cry Bird a Vermillion Bird was condensed, flapping its wings, horizontally striking the Jiutian.

Lin Wenxuan, Ning Jianfeng, Qin Zhanhuang rose a Black Qilin, a Soaring Snake, and a flaming phoenix respectively, launching assaults against the heavenly lightning.

“Roar!”

Xiang Kunlun let out a long howl, a massive illusion of a Kun Peng soared high, colliding with the heavenly lightning, overwhelmingly powerful, domineering to the extreme.

Thud, thud, thud!...

Boom, boom, boom!...

Earth-shattering sounds of collisions and explosions echoed for thousands of miles in the Luohuang Mountain Range and even beyond.

Li Wenxu was long dumbfounded.

He had never seen so many people undergoing tribulation at once!

This scene was unheard of, unprecedented!

He chuckled sinisterly, "This is good, if you all die under the lightning tribulation one by one, I won't have to waste my qi to kill you!

Letting you die under the lightning tribulation can be considered as sparing you!"

Due to the huge commotion in the Luohuang Mountain Range.

Elders passing by the Luohuang Mountains were attracted over.

These elders were mostly Earth Immortal, True Immortal, and Heavenly Immortal, but also included several Golden Immortals.

Upon reaching the outskirts of the Luohuang Mountains and seeing the scene in the distance, everyone was dumbstruck and all petrified.

"Oh my heavens, who are those young people, they're undergoing tribulation at the same time?!"

"Except for one undergoing the Golden Immortal Tribulation, the others are undergoing Heavenly Immortal Thunder Tribulation!"

"Are these young people the heavenly pride of those Great Sects and families?"

"These young people look unfamiliar, anyone knows their background?"

"Hmm... why is Guardian Li of the Five Elements Immortal Sect there, are these young ones disciples of the Five Elements Immortal Sect?"

"Though the Five Elements Immortal Sect is considered a Great Sect in Huangzhou, it's impossible for them to have so many exceptionally talented disciples, right?"

The elders started discussing, puzzled and confused.

At this moment.

The scene above the center of the Luohuang Mountain Range was the most perilous and terrifying.

Boom boom boom!

Bolts of heavenly lightning relentlessly struck, flickering various colors of thunder light, engulfing Yang Luo repeatedly.

From the start of tribulation to now, Yang Luo had already overcome twenty-seven bolts of heavenly lightning.

Naturally, he knew that Bujie and Xu Ying were also undergoing tribulation.

Right now, he couldn't concern himself with Bujie and Xu Ying, only hoping they succeed.

As bolt after bolt of heavenly lightning fell.

Dozens of thousand-foot and ten-thousand-foot peaks nearby had all been shattered, turning into massive rubble storming into the sky.

This rubble was blasted into powder by the falling heavenly lightning, drifting in the sky.

Under the ravages and destruction of these bolts of heavenly lightning, Yang Luo's physical body couldn't withstand it anymore, torn open with trails of blood!

His skin turned inside out, blood splattered, incredibly terrifying!

Yet, Yang Luo didn't even groan but shook his body violently, activating layer upon layer of physique secret techniques!

"Undying Golden Body!"

"Invincible Sword Body!"

"Flame Emperor Combat Body!"

"Divine Dragon Tyrant Body!"

...

Only to see, Yang Luo's body radiated brilliant golden light, huge swords towered, flames raged, Azure Dragon coiled, overwhelmingly unmatched!

"My god, who is this boy, why does he possess so many physique secret techniques?!"

"This kid has inaugurated the Golden Immortal Tribulation at such a young age, enough to rival those heavenly prides born from Great Immortal Sect, Immortal Clan, Immortal Country, Holy Land!"

"If this kid is an independent cultivator and can be recruited, it would be an immense blessing for our sect!"

"Didn't expect Huangzhou to have such a peerless heavenly pride, it's truly extraordinary!"

"Let's see if this kid can prevail over the Golden Immortal Tribulation, otherwise it's all just empty talk!"

The elders were full of amazement, discussing nonstop.

Then.

After Yang Luo activated layer upon layer of physique secret techniques.

Boom boom boom!

Bolt after bolt of heavenly lightning ruthlessly struck down!

The layer upon layer of physique secret techniques condensed on Yang Luo's body was consecutively destroyed, erupting in large swathes of light and energy!

However, Yang Luo remained fearless, continuously condensing physique secret techniques, fortifying layer upon layer defenses, and laying out protective arrays to withstand the heavenly lightning's assault!

The power of heavenly lightning was too great!

Yang Luo didn't dare to be proud, instead, taking out the "Seven Treasures Dominating Body Pill" and swallowing it!

Upon swallowing the pill!

A vast, majestic medicinal power dispersed, rushing towards his internal organs, eight extraordinary meridians, and limbs!

His physique was instantly fortified, his body surface emanating more dazzling golden light, like a divine mansion descending to earth!

"What... what pill did this boy consume, how can it instantly strengthen his physique?"

"This boy must have consumed an immortal pill, but don't know its grade!"

“Was this powerful immortal pill gifted to this boy or did he refine it himself?”

“Probably not refined by himself, ordinary people can’t possibly refine such a pill!”

The elders’ discussions grew louder, evidently shocked wave after wave.

As for Li Wenxu in the distant sky, his face turned extremely dark, clenched his fist fiercely.

That damned brat, he actually swallowed the pill!

But never mind, if that brat dies, all his treasures will be mine!

If he doesn’t die, then I’ll cripple him and use him for alchemy!

Using a Golden Immortal for alchemy will surely refine better immortal pills!

Chapter 2589: Eight-Nine Thunder Tribulation?

Time passed very quickly.

In the blink of an eye, three days had passed.

During these three days.

Yang Luo, Bujie, and the others focused intently on their tribulation.

The number of cultivators who came to the Luohuang Mountain Range to watch also grew continuously larger.

The number had already reached tens of thousands.

After all, it was their first time witnessing so many people undergoing tribulation simultaneously, and they were quite amazed.

Especially curious about the identities of Yang Luo and the others.

Some even sent people to investigate the identities of Yang Luo and the others, but they found nothing.

Yang Luo and the others seemed to have appeared out of nowhere, with no available information about them.

However, Yang Luo and the others paid no attention to these cultivators and maintained a high level of concentration, using every ounce of their strength to go through the tribulation.

By noon on the third day.

“Roar! Roar! Roar!”

The roars echoed across heaven and earth, reverberating in all directions.

One could see the immortal illusions of ancient immortals, a black qilin, a giant ape, and a Vermillion Bird shooting up into the sky from above Mo Qingkuang, Lin Wenxuan, Big White, and the Hundred Cry Bird!

Whether it was the immortal illusions, black qilin, giant ape, or Vermillion Bird, they were all enormous, with dazzling immortal light flashing from their bodies, colliding into the heavenly lightning!

In an instant!

Bang! Boom!

Earth-shattering collision and explosion sounds rang out!

All sorts of lights, lightning, and energy intertwined together like a flood bursting forth, rushing in all directions!

All the cultivators watching from afar raised their eyes to look over!

Until all the lights, lightning, and energy dissipated!

Only to see that the dark clouds in the sky had all been blasted away!

Mo Qingkuang, Lin Wenxuan, Big White, and the Hundred Cry Bird stood resolute in the sky, their bodies shimmering with immortal light, with robust vitality, looking extraordinary!

“They succeeded, they successfully passed the Heavenly Immortal Thunder Tribulation!”

“These little fellows are not simple at all!”

The onlooking cultivators marveled endlessly.

Baili Wushuang punched the air heavily, “Good, very good, Brother Mo and the others have all succeeded in their tribulation!”

Flame Emperor, Zhixin, and the others were also very excited.

At this moment.

“Roar! Roar! Roar!”

From the distance, roars of the same thunderous magnitude could be heard from the sky.

One could see a Buddhist Demon Giant, a Thunder Slash Saber, a Soaring Snake Family, a flaming phoenix, and a Kun Peng rising into the sky from Bujie, Xu Ying, Ning Jianfeng, Qin Zhanhuang, and Xiang Kunlun!

Clamorous, earth-shattering collision and explosion sounds filled the air without pause!

Various lights and energy intertwined, transforming into a vast sea of energy light, surging in all directions!

Until this sea of energy light, as well as the rolling dark clouds overhead, dissipated!

An arrogant laugh followed!

“Hahaha... Lord Buddha has finally stepped into the Heavenly Immortal realm!”

Everyone in the distant sky focused their gaze.

Only to see Bujie, Xu Ying, Ning Jianfeng, Qin Zhanhuang, and Xiang Kunlun standing firm in the sky, their bodies aglow with immortal light, their aura drastically changed.

“They all succeeded, these little fellows actually all succeeded in their tribulation!”

“These little fellows are truly remarkable, having stepped into the Heavenly Immortal realm, they now have hopes of challenging the Golden Immortal!”

“Now only that kid undergoing the Golden Immortal Tribulation remains, and who knows whether he can pass the Golden Immortal Tribulation!”

The onlooking cultivators were becoming increasingly shocked.

Many even had the thought of recruiting Bujie and the others.

Then, Bujie and the others took a step and came to the sky where Flame Emperor and the others were.

“Haha, Brother Mo, congratulations on stepping into the Heavenly Immortal realm!”

“Congratulations, congratulations, now that we are all Heavenly Immortals, let’s strive towards becoming Golden Immortals together!”

“Let’s see who among us can become a Golden Immortal faster!”

Brother Ji Longyue and Baili Wushuang voiced their congratulations.

Bujie, hands on his waist and head held high, said: “Brother Ji, Brother Baili, Lord Buddha will catch up with you soon!

Moreover, I will definitely step into the Golden Immortal realm before you!”

“Is that so?”

Baili Wushuang chuckled, “Then let’s see!”

Xu Ying glanced at him, “Don’t brag, be careful not to get embarrassed later!”

Ning Jianfeng echoed, “Exactly, you’ve just stepped into the Heavenly Immortal realm, what’s there to be so smug about?”

Bujie laughed cheekily, “Just wait and see, everything I brag about will come true!”

Xu Ying and the others shook their heads, too lazy to deal with him anymore.

Flame Emperor looked to the far away Yang Luo, saying: "Now only Little Luo remains!"

Bujie shouted to Yang Luo: "Brother Yang, you must give it your all, we've all succeeded in our tribulation!"

"Brother Yang, go for it!"

"Brother Yang, you must pass the Golden Immortal Tribulation!"

Ning Jianfeng, Mo Qingkuang, and the others also shouted loudly in encouragement for Yang Luo.

Not far away, Li Wenxu sneered, "Though you managed to pass the Heavenly Immortal Thunder Tribulation, I am amazed.

However, the Golden Immortal Thunder Tribulation is not at the same level as the Heavenly Immortal Thunder Tribulation.

You might as well not hope, this kid is sure to fall under the Golden Immortal Thunder Tribulation."

Bujie retorted coldly, "Watch it, don't speak too soon, or you'll get embarrassed later!"

"Oh is it?"

Li Wenxu sneered, "Then let's wait and see, I'm very much looking forward to this kid embarrassing me!"

Bujie and the others didn't bother with him anymore, focusing on the distant sky where Yang Luo was, hoping Yang Luo could succeed in the tribulation.

The cultivators on the outskirts of the Luohuang Mountain Range were also filled with anticipation.

They also wanted to see if this young man who appeared out of nowhere could pass the Golden Immortal Tribulation, stepping into the ranks of the top Heavenly Pride.

Time passed by, second by second.

Unknowingly, it became night.

Until the seventy-second heavenly lightning ended.

"Hoo... hoo..."

Yang Luo stood in the sky, panting heavily.

After enduring seventy-two heavenly lightning, his body was riddled with scars, soaked in blood, with not a spot intact.

Blood trickled down from his feet, alarmingly.

The area he was in, hundreds of mountains had turned to ruins.

The ground was blasted with massive craters, much like the surface of the moon.

Especially the crater beneath Yang Luo, it was the largest and deepest, almost like an abyss.

The entire terrain had changed dramatically, incredibly terrifying.

“Seventy-two... this kid actually survived the Eight-Nine Thunder Tribulation, how extraordinary!”

“Isn’t it? Most cultivators only survive the Seven-Nine Thunder Tribulation, only those with exceptionally high talent can survive the Eight-Nine Thunder Tribulation!”

“Moreover, after surviving the Eight-Nine Thunder Tribulation, he can still stand proudly in the air, how incredible!”

“More importantly, the thunder tribulation doesn’t seem to be over, does he intend to continue?”

“Just how many heavenly lightning does he plan to endure?!”

Exclamations and sighs of amazement ensued.

Everyone was looking forward to how many heavenly lightning Yang Luo could endure.

Yet, Li Wenxu’s face had turned profoundly dark, his brow twitching, his facial expression somewhat distorted.

Eight-Nine Thunder Tribulation!

This little brat actually survived the Eight-Nine Thunder Tribulation!

Moreover, this little brat showed no signs of collapsing!

Chapter 2590: What Have I, Yang Luo, to Fear!

Could it be that this little bastard can truly succeed in overcoming the Golden Immortal Tribulation?

Li Wenxu's expression was uncertain.

For some reason, he actually felt threatened by Yang Luo!

He absolutely cannot let this little bastard successfully face the tribulation!

He must kill him now!

As he thought of this.

Li Wenxu's whole body shook, and blazing purple Immortal Fire ignited on him!

Rumble! Rumble! Rumble!

The entire heavens and earth around him began to tremble violently!

Wave after wave of purple Immortal Fire burst forth from his body, turning everything in its path to ash!

"You mongrel, what are you planning?!"

Bujie noticed something was wrong with Li Wenxu and shouted loudly.

"Not good, this damned lunatic is probably going to attack Brother Yang!"

Ning Jianfeng exclaimed.

"Everyone attack, stop him!"

"Such despicable, shameless people!"

Mo Qingkuang and others roared in anger, charging towards Li Wenxu.

Li Wenxu ignored Mo Qingkuang and others, instead swinging his sword!

Swoosh! Swoosh! Swoosh!

Countless purple Flame Flying Swords surged forth, covering the sky as they shot towards Yang Luo!

Seeing the sky full of purple Flame Flying Swords shooting towards him!

Yang Luo glanced at Li Wenxu, his eyes full of killing intent!

This guy is truly greedy, despicable, and shameless!

He wished he could kill this guy right now!

But, the Golden Immortal Tribulation hasn't ended yet, he must first overcome it before dealing with him!

He gripped the Dragon Emperor Sword and swung it with all his might!

Swoosh! Swoosh! Swoosh!

Countless golden flying swords shot forth, colliding with the overwhelming barrage of purple Flame Flying Swords!

Clang! Clang! Clang!

Boom! Boom! Boom!

The intense clash and explosion resounded throughout the heavens and earth!

The large number of flying swords exploded in mid-air, transforming into vast waves of light and energy that spread out!

Seeing Yang Luo had blocked his sneak attack!

As Li Wenxu was about to continue his assault!

The Flame Emperor and Mo Qingkuang and others had already rushed over, launching a fierce attack against Li Wenxu!

“Get out of my way!”

Li Wenxu roared angrily, wielding his Immortal Sword and engaging in a fierce battle in the air with the Flame Emperor and others!

However, Li Wenxu is ultimately a Golden Immortal!

Even though the Flame Emperor and others are Heavenly Immortals, it's still difficult to compete with him, and they were repeatedly pushed back!

But, regardless of how many times the Flame Emperor and others were repelled, they would charge back up to block Li Wenxu!

The battle became increasingly intense!

At this moment.

The bystander elders were very puzzled.

“What’s going on, isn’t Li Wenxu supposed to be with those little fellows?”

“It seems they have a grudge, otherwise Li Wenxu wouldn’t suddenly attack and sneak up on that guy facing the Golden Immortal Tribulation!”

“Li Wenxu is a Law Enforcer of the Great Immortal Sect, yet he goes to sneak attack a junior, it’s truly unbecoming of his status!”

The elders discussed aloud, feeling disdain for Li Wenxu’s actions.

However, they did not involve themselves in this matter.

After all, the Five Elements Immortal Sect’s influence in Huangzhou is considerable, and common people dare not provoke them.

At this moment.

Seeing the Flame Emperor already fighting against Li Wenxu.

Yang Luo felt very anxious.

Li Wenxu is a Golden Immortal, his brothers certainly won’t be able to hold out for long.

He must overcome the Golden Immortal Tribulation quickly and then help.

With a fierce expression, he shouted loudly to the sky, “Damn it, if the tribulation hasn’t ended yet, then continue, hurry up!!!”

Before the words had fallen!

Suddenly!

Crash! Crash! Crash!

An even more deafening sound of thunder echoed above the firmament.

The wind howled, the dark clouds churned, and even more terrifying lightning surged within them.

All of a sudden, all the lightning converged from all directions, like ten thousand Thunder Beasts charging, gathering above Yang Luo's head.

A multicolored Thunder Sea seemed to coalesce in the sky above, vast and boundless, threatening to engulf everything.

Yang Luo's expression changed dramatically, feeling an immense sense of threat and pressure!

He no longer dared to hesitate and directly swallowed the "Golden Immortal Nirvana Pill"!

Earlier on, he had already taken the "Seven Treasures Dominating Body Pill," "Nine Revolutions Soul Refining Pill," and "Mixed Element Qi Pill"!

Without the assistance of these three pills, he might have already been unable to withstand, let alone overcome seventy-two heavenly thunders in succession!

And just as the "Golden Immortal Nirvana Pill" was ingested!

A surge of massive, vast medicinal power spread out, instantly flooding Yang Luo's entire body!

Yang Luo's body was once again strengthened inside and out, and his injuries began to heal rapidly!

His blood boiled, and a dazzling beam of golden light soared from his body, piercing through the firmament!

"Bring it on!!!"

Yang Luo stood proud in mid-air, letting out an earth-shattering roar.

In an instant!

Boom! Boom! Boom!

Nine enormous thousand-foot heavenly thunders descended at once from the sky, like nine Thunder Seas pressing down simultaneously, aiming to completely annihilate Yang Luo!

Moreover, within these nine Thunder Seas, various phenomena were manifested!

The sun, the moon, and the stars, the heavens and earth, mountains and rivers, flowers and trees, as well as immortal beasts, Divine Beasts, demon beasts, ferocious beasts, Demons, etc.!

The entire sky was vast and magnificent, deeply astonishing everyone in the distance!

"Nine Lightning Tribulations... This kid is facing the highest level of the Golden Immortal Tribulation, the Nine Lightning Tribulations?!"

"Oh my god... Nine Lightning Tribulations... And the final nine heavenly thunders struck simultaneously!"

"How high is this kid's talent, comprehension, and potential?!"

“Even those top Heavenly Pride from the Great Immortal Sect, Immortal Clan, Immortal Country, and Holy Land likely can’t compare to this kid!”

“Of course, the premise is that this kid really can overcome it, otherwise, it’s all just an illusion!”

The elders observing were shocked to the extreme, all of them wide-eyed and breathless.

Bujie and others, even in the midst of battle, were stunned.

“What the hell!”

Bujie exclaimed, “Brother Yang has actually encountered the strongest Golden Immortal Tribulation?!”

Ning Jianfeng murmured blankly, “Brother Yang is indeed a fighter of all fighters!

What kind of person is he, he is simply a monster!”

Tantai Puti’s eyes were filled with even more worry, “Brother Yang’s injuries are already severe, how could he possibly withstand it?”

Ji Longyue frowned, “Why does Brother Yang always have to face the strongest tribulation?

Could it be that the heavens just don’t want Brother Yang to survive?”

“Hahaha...”

Li Wenxu laughed wildly, maliciously saying, “Enough, don’t bother watching anymore, this little bastard is doomed!

Throughout the Nine Provinces Immortal Domain, there aren't many who can overcome the Nine Lightning Tribulations, let alone while the final nine heavenly thunders fall at once!

This little bastard is beyond saving; you all can accompany him on his way!"

With that, he wielded his Immortal Sword and continued to attack the Flame Emperor and others!

At this moment.

"Nine Lightning Tribulations, is that right?

I, Yang Luo, fear no such thing!"

Yang Luo let out a roar, his whole body trembled, his momentum peaking, his battle power unleashed, deploying all killing moves to counter the crushing of the Nine Thunder Seas!
