Chapter 2591: The Dragon soars into the nine heavens!

Countless golden flying swords shot out like a torrential rain of swords, spreading across the Cangqiong!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared out!

The twelve Ancestral Magi ascended to the heavens!

Tens of thousands of dragon illusions charged forward!

The Chaos Slaughter Array Map pressed down!

...

Boom! Boom! Boom!

The sounds of clashes and explosions echoed through Heaven and Earth, resounding over an unknown distance!

Various lights and energy waves spread out, rushing upward into the Jiutian, downward to the earth!

Although Yang Luo's outburst of attacks was fierce, they still couldn't withstand the crushing force of the Nine Thunder Seas and were completely shattered!

"Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror!"

Yang Luo summoned four Dharma artifacts and fiercely launched a counterattack.

Of course, he also activated all physique secret techniques, gathered all defenses, and set up all protective arrays to resist the crushing of the Nine Thunder Seas.

In an instant!

Boom! Boom! Boom!

The Nine Thunder Seas completely engulfed Yang Luo!

After swallowing Yang Luo, the Nine Thunder Seas converged into a sea of colorful lightning, completely enveloping that piece of Heaven and Earth!

“Argh...”

All those far away could no longer see Yang Luo’s figure, only hear his piercing screams!

After a dozen minutes.

Yang Luo’s screams had ceased.

“It’s over... This kid, though having faced the strongest Golden Immortal Tribulation, ultimately couldn’t pass it!”

“Sure enough, Heaven is jealous of the talented; the heavens wouldn’t allow such a prodigy to exist!”

“Everyone, disperse. This kid is certainly reduced to ashes!”

“Unless a miracle happens, otherwise, this kid has no chance of survival!”

The observing elders deeply sighed, lamenting for Yang Luo.

They originally thought the Jiuzhou Immortal Domain would witness the rise of an unparalleled Heavenly Pride.

But who would have expected that Yang Luo, like a meteor, would vanish before he even fully rose.

In their eyes, Yang Luo was probably dead, unable to withstand the last Nine Heavenly Lightnings.

It's unclear how long had passed.

The combined Nine Thunder Seas gradually dispersed.

The area was reduced to ruins, with thousands of mountains turned to rubble.

The vast earth was further shattered and collapsed, creating abyss pits everywhere.

Especially where the Nine Thunder Seas struck, the size and depth of the abyss pit increased once again.

As for Yang Luo's figure, it had long disappeared without a trace.

"Truly, no miracle happened!"

“What a pity, what a tragedy, what a lament!”

The elders shook their heads in resignation, planning to leave.

At this moment.

“Ahhh...”

Flame Emperor and Bujie, among others, were also blasted away, spewing fresh blood from their mouths, their bodies covered in more blood.

But the physical pain paled in comparison to the agony in their hearts.

“Little Luo!”

“Brother Yang!”

“Brother Yang!”

Flame Emperor and the others shouted hoarsely, their voices filled with sorrow, their eyes red.

After all, Yang Luo had vanished without a trace. They couldn't even sense his presence anymore.

That meant Yang Luo might indeed have been reduced to nothing.

Bujie gritted his teeth and shouted, "Damn it, Brother Yang, you overcame the strongest Earth Immortal Tribulation and the strongest Heavenly Immortal Thunder Tribulation, how can you fall under the strongest Golden Immortal Tribulation!

Stop pretending to be dead, hurry up and show yourself!"

Ning Jianfeng also shouted loudly, "Brother Yang, our journey to the Upper World has just begun, you can't leave us behind!"

"Brother Yang, I beg of you, come out, please!"

Tantai Puti wept uncontrollably, crying out hoarsely.

"Hahaha..."

Li Wenxu laughed wildly, his laughter becoming more and more arrogant and conceited.

He ridiculed, "I told you, this brat couldn't survive, and you didn't believe me!

Truly think anyone can overcome the strongest Golden Immortal Tribulation?

Pity this brat couldn't die by my hand or be refined into a pill by me!"

Saying so, he looked towards Bujie and others, "Well, you needn't be sad any longer. I'll soon send you to meet with this brat!"

However, just as Li Wenxu was about to make a move toward Bujie and the others!

Suddenly!

Boom! Boom! Boom!

A huge hole exploded in the sky!

In the next second!

Swish!

An enormous, brilliant immortal light shot down, hitting the largest abyss pit!

In the Heaven and Earth, celestial sounds echoed faintly, blessing light filled the sky, and various phenomena presented themselves!

“Huh... what’s going on?! Isn’t this the phenomenon that appears upon a successful tribulation?!”

“My heavens... could it be... could it be this kid succeeded in overcoming the tribulation?!”

“It must be... otherwise... how could such a phenomenon appear?!”

“This kid really overcame... the strongest Golden Immortal Tribulation?!”

The observing elders trembled, their jaws almost dropping in shock, their eyes nearly bulging out.

“Brother Yang... truly succeeded in the tribulation?!”

Tantai Puti asked, trembling.

Flame Emperor and others remained silent, just staring intently at the abyss pit illuminated by the immortal light.

“Impossible... this is utterly impossible!!!”

Li Wenxu roared frantically, “Brat, didn’t you overcome the Golden Immortal Tribulation, right?”

“I’ll let you overcome it! Let you overcome it!”

He roared while pushing the immortal fire in his body to the extreme, attacking that abyss pit!

Splash!

An endless sea of purple fire surged up, burning through Heaven and Earth, pouring into that abyss pit!

“You...”

Flame Emperor and others looked horrified, clearly not expecting Li Wenxu to strike suddenly.

The observing elders frowned in disdain.

Usually, without a deep-seated feud, people wouldn't casually destroy someone's Dao Fruit.

But unexpectedly, Li Wenxu resorted to such despicable means.

Li Wenxu didn't care about reputation.

He harbored not only hatred for Yang Luo but also envy and jealousy.

After all, his own talent was merely average, and during his own Golden Immortal Tribulation, he only overcame the Seven Lightning Tribulations.

But unexpectedly, this brat from the Lower Plane managed to, before his eyes, overcome the Nine Lightning Tribulations, the strongest Golden Immortal Tribulation!

This one must die, must die!

As the vast sea of purple fire continuously poured into the abyss pit!

Suddenly!

“Roar Roar Roar Roar!!!”

A dragon roar, shaking the Jiutian and rocking the ten lands, resounded from within the abyss pit!

Next instant!

Tens of thousands of colossal golden dragon illusions broke through the purple fire sea and soared into the Jiutian!

These tens of thousands of golden dragons, not only enormous but vividly lifelike, as if true dragons, exuded extreme majesty!

As this multitude of golden dragons roared forth!

Boom!

The abyss pit exploded once more, rubble and dust flying!

A golden light flashed, a figure akin to the Nine Heavens Divine Dragons shot out from the abyss pit, standing poised in the sky!

Upon seeing this figure!

The entire audience fell into a deathly silence!

Chapter 2592: Injured in One Move!

At this moment.

A figure stood silently in the sky, holding a golden long sword, with black hair fluttering and a black robe waving!

Although he was covered in blood and his clothes were tattered, his body emitted a dazzling golden light, and no wounds could be seen!

Tens of thousands of golden dragons encircled this person, swallowing the world with their aura, unmatched and peerless, like the Dragon God of the Nine Heavens descending to the world!

“Little Luo!”

“Holy shit! Holy shit! Brother Yang didn’t die; Brother Yang has overcome the strongest Golden Immortal Tribulation!”

“Hahaha, truly worthy of my Brother Yang, always so dominant, breaking the heavens!”

“Brother Yang, well done, you are our glory!”

Flame Emperor and Bujie, among others, were moved to tears, shouting excitedly and raising their arms.

Thus, this figure was Yang Luo.

Now Yang Luo had successfully overcome the strongest Golden Immortal Tribulation.

“My god, this kid actually passed the Golden Immortal Tribulation, and it’s the strongest one!”

“My goodness, how did this kid pass this strongest Golden Immortal Tribulation; it’s simply too unbelievable!”

“You have to know, it seems that even the top Heavenly Pride of those major continents haven’t passed the strongest Golden Immortal Tribulation!”

“From now on, the Jiuzhou Immortal Domain has another peerless Heavenly Pride!”

“The key is, this Heavenly Pride was born in our Huangzhou, truly gives us face!”

The watching elders were all exclaiming in admiration, their admiration for Yang Luo was utterly profound.

Many wanted to win over Yang Luo.

At this time.

Yang Luo stood in the sky, looked coldly at Li Wenxu, and said in a deep voice: “You dog, earlier you wanted to use us for alchemy!

And these few days, while I was undergoing the tribulation, you kept causing trouble on the side!

Old hatred and new grudges, it’s time to settle them properly!”

Li Wenxu stared at Yang Luo with a malevolent expression, harshly saying: "Little beast, don't think that having passed the Golden Immortal Tribulation makes you my opponent!"

I overcame the Golden Immortal Tribulation half a year ago; my cultivation is much more stable than yours, what will you fight me with?"

"Is that so?"

Yang Luo let out a cold laugh, saying: "Then let's give it a try!"

Speaking, he looked towards Bujie and the others, loudly saying: "Brothers, you rest well, leave the rest to me!"

"Got it!"

Bujie and the others nodded in agreement.

"Little beast, prepare to die!"

Li Wenxu roared explosively, suddenly stomping down hard!

Bam!

The heaven and earth around him shook violently, the ground ripped and collapsed, and mountains afar crumbled one after another!

In an instant!

A vast torrent of Purple Immortal Fire erupted from his body, transforming into tens of thousands of large Flaming Tigers roaring out!

Tigers galloped, causing the heavens to tremble, the earth to shake, and all directions to shudder!

Yang Luo showed no fear, raising his sword and pointing ahead!

“Crush them!”

“Roar! Roar! Roar!”

Tens of thousands of enormous golden dragons roared out, crashing into the tens of thousands of Purple Flaming Tigers!

It was like dragons and tigers clashing, the momentum grand and spectacular!

“Looks like Li Wenxu and this kid really have a life-and-death feud!”

“However, this kid just entered Golden Immortal; he probably isn’t Li Wenxu’s match!”

“This kid barely overcame the Golden Immortal Tribulation, but alas, he will still fall here!”

The watching elders shook their heads and sighed, feeling that Yang Luo was no match for Li Wenxu at all.

Even though Yang Luo underwent the strongest Golden Immortal Tribulation.

Nevertheless, he had only just overcome it.

And Li Wenxu had conquered the Golden Immortal Tribulation for six months.

The two simply couldn’t be compared.

Right as the crowd was speaking.

Bam! Bam!

Boom! Boom!

Tens of thousands of golden dragons clashed heavily with tens of thousands of Purple Flaming Tigers in the sky, then exploded in succession!

A vast eruption of flames, light, and energy burst forth like a volcanic eruption, a tsunami, rushing to all directions!

The dark clouds covering the sky above the Luohuang Mountain Range were all blasted away, revealing a round moon and a sky full of stars!

Though half of the golden dragons summoned by Yang Luo were destroyed, the tens of thousands of Purple Flaming Tigers conjured by Li Wenxu were entirely obliterated!

“Roar! Roar! Roar!”

The remaining half of the golden dragons continued roaring forward, crashing towards Li Wenxu!

“What?!”

Li Wenxu was suddenly shocked and dismayed, clearly not expecting he couldn't withstand Yang Luo's offensive.

He couldn't counterattack in time, only able to conjure a massive purple flame barrier to resist.

Instantly!

Boom! Boom!

The purple Flame Shield he had conjured was directly shattered, becoming a burst of flames scattering out!

“Ugh...”

He let out a painful cry, directly blasted away.

As he flew backward, blood wounds split open all over his body, blood continuously splattering down.

“This kid actually gained the upper hand?!”

Someone from afar couldn't help but exclaim.

“Not only that, this kid injured Li Wenxu with just one move!”

Another exclaimed in surprise.

Everyone else was equally stunned, feeling it was incredibly unbelievable.

This kid had just entered the Golden Immortal realm; how could he suppress Li Wenxu?!

But, just as Li Wenxu was blasted away!

Yang Luo stepped out, instantly disappearing from the original sky!

When he reappeared, he was already above Li Wenxu!

“Get down!”

Yang Luo shouted sternly, swinging his sword, slashing towards Li Wenxu below!

Swoosh!

The enormous golden sword carried with it vast sword might, sword intent, and a trace of Sword Dao laws, slashing down furiously!

Li Wenxu's expression changed drastically, he could only swiftly swing his sword to meet the attack!

Clang! Clang!

The two swords collided, emitting a crisp crashing sound, exploding into a burst of fire!

But what shocked Li Wenxu was that he couldn't withstand Yang Luo's sword!

Bear in mind, half a month ago, he could suppress this kid!

Yet unexpectedly, today, half a month later, he was being suppressed!

This kid just stepped into the Golden Immortal realm, how did his strength increase so substantially?!

Just as he was stunned!

Yang Luo's sword pressed down crazily!

"Ah..."

He let out a painful cry, his body falling from high up, with a "bang," crashing into a massive pit below, shaking up a large amount of rubble and dust!

Only to see, a long wound split open across his chest, flesh and skin turning outward, blood continuously streaming down!

Yang Luo steadied himself in the sky, overlooking Li Wenxu, coldly speaking.

"Weren't you trying to kill me?"

Weren't you trying to use me for alchemy?

And now?

How about trying to kill one!

Try making an elixir now!”

“Little beast, don’t get cocky; go to hell!”

Li Wenxu soared into the sky, waving his large hand, unleashing powerful immortal techniques.

Instantly!

Whoosh! Whoosh!

Above the Cangqiong, Purple Immortal Fire burned wildly, transforming into a towering Fire Sea, rushing downward toward Yang Luo, intending to burn Yang Luo to ashes!

“Do you think you’re the only one who can play with fire?”

Yang Luo spoke faintly, then stepped down mid-air!

Boom!

Torrents of golden-red flames erupted from his body, transforming into a vast Fire Sea, crashing upward!

Chapter 2593 Annihilation!

Bang!

Two seas of fire collided heavily, truly as if two vast oceans crashing into each other!

The vast heavens and earth, the void, trembled violently, as if it could crack open at any moment!

Although the flames erupted by Li Wenxu were extremely fierce, they still couldn't withstand the flames erupted by Yang Luo!

Rumble!

The sea of fire rushing down from the Cangqiong was directly destroyed by the sea of fire erupted by Yang Luo!

“You...”

Li Wenxu gnashed his teeth and erupted with purple Immortal Fire again, transforming into a sea of fire, rushing upwards, wanting to annihilate Yang Luo!

Yang Luo, however, did not hesitate at all, stomping down fiercely from midair!

Clang!

Golden-red flames also surged out from his body once more, transforming into a sea of fire, crushing down!

Bang!

Another earth-shattering sound of collision echoed!

The sea of fire erupted by Li Wenxu was once again destroyed, exploding into a massive tide of flames!

He was even burned in multiple places on his body!

He became increasingly uneasy.

Why was he being suppressed by this little bastard at every turn?

“I refuse to believe that you, this little bastard, can truly defeat me!”

Li Wenxu roared, fully unleashing his momentum and battle power!

His entire body shook, and he directly activated his Dharma Idol!

A purple flaming giant wielding a long sword stood tall, imposing and magnificent!

“Hmph!”

Yang Luo snorted coldly, “Comparing Dharma Idol, I do not fear you!”

Speaking, his whole body shook as well, bursting with momentum and power, activating his Dharma Idol!

A golden giant wielding a long sword stood tall, imposing and peerless, oppressing Heaven and Earth!

“Kill!”

Li Wenxu howled, leading his Dharma Idol, charging towards Yang Luo in the sky!

Yang Luo also led his Dharma Idol, charging downwards!

In an instant!

The two closed the distance, then swung their swords together with their Dharma Idols, slashing towards each other!

Clang!

Rumble!

Four giant swords collided heavily in the sky, echoing with heaven-shaking sounds of impact and explosion!

Li Wenxu thought that by releasing his Dharma Idol, he could suppress Yang Luo!

But what he did not expect was that he still could not suppress Yang Luo and was being pressed downward continuously!

He continued to mobilize the energy in his body, shouting out!

“Five Elements Immortal Technique, Chaotic Heaven and Earth!”

Boom!

Five massive Immortal rainbows soared into the sky, carrying the Power of the Five Elements Law, blasting towards Yang Luo!

Yang Luo neither dodged nor retreated, waving his hand!

Nine massive Immortal rainbows shot out simultaneously, containing the Power of Nine Attributes Law, crashing upwards!

Rumble!

Immortal rainbows collided in the sky, erupting with a series of heaven-shattering collision sounds!

In less than a few seconds!

Rumble!

The five Immortal rainbows that erupted from Li Wenxu were completely destroyed!

Although five of Yang Luo's Immortal rainbows also shattered, the remaining four continued to surge downward!

They struck fiercely against Li Wenxu's body and his Dharma Idol!

"Ugh..."

Li Wenxu let out a piercing scream, blood spewing from his mouth, and large patches of flesh exploded from his body!

His Dharma Idol was also shattered, exploding in the sky!

Yang Luo waved his hand again, unleashing the "Beast Blood Boiling" technique!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared out, furiously crashing towards Li Wenxu!

With the improvement in Yang Luo's cultivation, the combat power of the Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts grew even stronger!

"Puff puff puff..."

Under continuous impacts, Li Wenxu's body exploded into large patches of flesh and blood, spewing from his mouth profusely.

"Crushing... it's a complete crushing!"

"Isn't it... the prestigious 'Purple Flame Immortal Monarch,' yet he's being beaten with no power to fight back!"

"This kid just entered the Golden Immortal stage, how can he unleash such formidable battle power, almost rivaling the Golden Immortal Middle Stage?!"

"Could it be said that this kid can achieve invincibility in the same realm?!"

The distant elders watching all exclaimed in shock, utterly astounded.

“Well done, Brother Yang!”

“Worthy of Brother Yang, even stepping into the Golden Immortal stage, he can achieve invincibility in the same realm!”

“Brother Yang, keep the momentum, finish off this guy!”

Bujie and others cheered loudly, extremely excited.

Also, just as Li Wenxu fell downward!

“You bastard, weren’t you enjoying torturing us half a month ago?”

Now it’s time to return the favor!”

Yang Luo shouted coldly, then his figure flashed, transforming into a golden stream of light, weaving around Li Wenxu!

He continuously swung the sword in his hand, slashing towards Li Wenxu's body!

"Ah ah ah..."

Li Wenxu screamed in pain, his body was slashed with bloody gashes, blood uncontrollably splattering out!

The key thing was that Yang Luo's speed was too fast, and his sword techniques were too superb, leaving him unable to counterattack!

After slashing open a total of three hundred seventy-eight bloody gashes!

Yang Luo held the Dragon Emperor Sword tightly with both hands, angrily slashing down towards Li Wenxu!

"Slash!!!"

Swish!

A sword shocked the world, astonishing All Heavens!

Infinite sword might, sword intent, and Sword Dao laws burst forth instantly!

“Little bastard, you will not kill me!!!”

Li Wenxu shouted, also gripping his sword with both hands, forcefully slashing towards Yang Luo!

Clang!

The two swords collided fiercely, echoing through the Cangqiong, causing chaos in all directions!

Majestic surging light and energy soared to the nine-layered heaven, plummeted to the Nine Abyss, terrifying beyond compare!

However, Yang Luo’s sword was too domineering, leaving Li Wenxu unable to resist!

“Primordial Spirit Destruction Technique!”

Li Wenxu panicked, letting out a roar!

His Essence Soul flew out from his body instantly, burning with dazzling purple flames, radiantly brilliant!

His Essence Soul flew out, raising his right hand, transforming into a sword finger, aiming at Yang Luo's brow!

This move was extremely bizarre, a sneak attack, intending to catch Yang Luo off guard!

He aimed to directly obliterate Yang Luo's Essence Soul!

This was also a unique divine power of the Golden Immortal, able to call out the Essence Soul to battle!

But, just as his Essence Soul pointed a finger!

Bang!

Yang Luo's Essence Soul also rushed out from his body, flashing with golden brilliance, mighty and majestic, like a second Yang Luo!

Upon flying out, Yang Luo's Essence Soul swung a fist, smashing towards Li Wenxu's Essence Soul!

This punch was vast and ancient, strong and domineering, as if to shatter everything!

In the blink of an eye!

Bang!

Li Wenxu's Essence Soul was directly shattered with a punch, transforming into a large burst of light and energy, scattering away!

"Ah..."

Li Wenxu let out a piercing scream, blood streaming from his seven orifices, as if turning into a wailing ghost.

In the next second!

Puff!

Yang Luo's sword directly split Li Wenxu's physical body into two halves!

The two halves of his body fell from the high sky, blood spilling generously, shocking to behold!

Until the moment Li Wenxu's halves hit the ground, the entire scene fell into eerie silence!

Yang Luo stood calmly in the air, putting away the sword in his hand!

His Essence Soul also flew back into his body!

Chapter 2594: Recruitment!

At this moment.

The wind over the entire Luohuang Mountain Range seemed to stop blowing, the clouds stopped drifting, and the air seemed to solidify.

It was silent for quite a while.

"Hahaha, well done, Brother Yang!"

"Brother Yang, you killed him well, that bastard should have died long ago!"

"So what if he's a Golden Immortal, didn't he still fall at the hands of my Brother Yang!"

"Brother Yang stepped into the Golden Immortal realm, and his power surged by unknown multiples. He didn't even summon the Pangu Emperor and still killed this guy!"

Bujie and the others were overjoyed, raising their arms and shouting in excitement, completely astonished.

“My goodness, this kid actually killed the ‘Purple Fire Immortal Monarch’ Li Wenxu!”

“This kid just stepped into the Golden Immortal realm, and his strength is already this powerful? He could even kill Li Wenxu, who was in the same realm?!”

“The key is, this kid has such rich combat experience, able to seize the best opportunity to counterattack!”

“Moreover, the cultivation techniques and immortal skills he exhibited were unheard of and unseen, and extremely formidable!”

“However, this kid killed Li Wenxu, and if the Five Elements Immortal Sect learns of it, they probably won’t let it go!”

“Unless this kid has a stronger background, otherwise, he will definitely be hunted down by the Five Elements Immortal Sect, with no way to escape to the heavens or the earth!”

The elders watching from afar started discussing.

They were naturally shocked at the strength Yang Luo displayed.

However, upon seeing Yang Luo kill Li Wenxu, those who initially wanted to recruit him immediately dismissed the idea.

After all, the Five Elements Immortal Sect was a Great Sect in Huangzhou, with many Golden Immortals and Daluo Golden Immortals holding the fort, and even a Taiyi Xuanxian present.

Anyone who dared to recruit this kid would undoubtedly be making an enemy of the Five Elements Immortal Sect.

At this moment.

High up in the sky in the distance.

Yang Luo glanced at the cultivators on the periphery of the Luohuang Mountain Range and then quickly stored away Li Wenxu's storage bag.

He said to Bujie and the others, "Brothers, it's not safe to stay here long, let's go!"

"Okay!"

Bujie and the others responded.

Immediately, Yang Luo and his group hurriedly flew away from the Luohuang Mountain Range.

Seeing Yang Luo and the others leave.

The surrounding cultivators sighed and shook their heads, and then left the place as well.

However, there was a group of people who did not leave.

"Brother Xie, what do you think of that kid just now?"

A middle-aged man in a green robe asked another middle-aged man in a black robe.

The man in the black robe pondered for a moment and said, "That kid is so young and already stepped into the Golden Immortal realm, and he even survived the most powerful Golden Immortal Tribulation. His future is limitless!"

The other little ones following him also have remarkable talent and comprehension!

If we can recruit them to our Yu Lei Immortal Sect, it would only benefit us without any harm!”

The man in the green robe frowned slightly and said, “Brother Xie, now that the kid killed Li Wenxu, wouldn’t recruiting him bring us trouble?”

“Humph!”

The man in the black robe snorted coldly and said, “Is our Yu Lei Immortal Sect really afraid of this Five Elements Immortal Sect?”

The man in the green robe asked, “Brother Xie, so what do you mean?”

The man in the black robe said, “If we can recruit those little fellows into our Yu Lei Immortal Sect, the Sect Master and elders will definitely be very pleased!”

The man in the green robe asked again, “What if those little ones have their own sect?”

The man in the black robe pondered and said, “If they have a sect, then being friends with them isn’t bad either!

These little guys are not ordinary people at first glance, and forming a connection with them would definitely help our Yu Lei Immortal Sect!

Let’s go, hurry and catch up!”

“Alright!”

The man in the green robe nodded in agreement.

Then, the two of them led a group of disciples in pursuit in the direction Yang Luo and his group had left.

At this moment.

After Yang Luo and the others left the Luohuang Mountain Range, they flew swiftly towards the distance.

“Brother Yang, where are we going now?”

Bujie asked.

Yang Luo said, “Let’s find an ancient city first and inquire about the situation in this world.

After we understand everything, we’ll look for Senior Gu and the others.”

Everyone nodded.

Ning Jianfeng asked curiously, “Brother Yang, once you step into the Golden Immortal realm, can you summon your Essence Soul to fight?”

Bujie was also excited, saying, “Brother Yang, when you summoned your Essence Soul to fight just now, you crushed that freak’s Essence Soul with one punch; it was awesome!”

Yang Luo explained, “After stepping into the Golden Immortal realm, our Essence Soul strength also increases, which not only can save our lives at critical moments but can also be used in battle.

However, the strength of a Golden Immortal’s Essence Soul is still not enough; perhaps only with higher cultivation will the Essence Soul’s power grow stronger.”

“I see...”

Everyone nodded in realization.

Xiang Kunlun suddenly thought of something and said, "Brother Yang, that guy Li Wenxu seemed to be from the Five Elements Immortal Sect.

Now that you've killed Li Wenxu, once the Five Elements Immortal Sect knows about it, they likely won't let us go."

Mo Qingkuang nodded and said, "I also heard the surrounding cultivators discussing earlier; they said that the Five Elements Immortal Sect has considerable influence."

Yang Luo exhaled a breath of turbid air and said, "I never intended to become enemies with this Five Elements Immortal Sect, but this Li Wenxu insisted on causing trouble for us.

Moreover, if we don't kill this guy, he would have killed us instead.

From now on, we can only take it one step at a time."

Ye Luange and the others sighed deeply.

They didn't expect that just after arriving in the Upper World, they would attract such a significant trouble.

But the key is, in this unfamiliar territory, they have no one to rely on; everything depends on themselves.

However, as long as Yang Luo is with them, they have confidence, they have a backbone.

Just then.

"Little brother, wait!"

A loud voice came from behind.

Hearing the voice.

Yang Luo and the others stopped and turned around.

They saw a dozen people flying towards them from a distance.

“Damn! Could they be from the Five Elements Immortal Sect?!”

“No way, did they find us so quickly?!”

Bujie and the others exclaimed in surprise, raising their vigilance.

Yang Luo’s brows furrowed tightly and said, “Let’s see what’s going on first.”

Then Yang Luo said in a loud voice, “Who are you, and what do you want with us?”

The man in the black robe cupped his hands with a smile, “Don’t be nervous, everyone. We are from the Huangzhou Thunder Control Immortal Sect!

I am the Law Enforcer Xie Junyi of the Thunder Control Immortal Sect, and this is my junior brother, also a Law Enforcer of the Thunder Control Immortal Sect, Zhao Wumian!

We bear no malice towards any of you!”

The man in the green robe, Zhao Wumian, also smiled and said, “That’s right, we have witnessed you all passing the Heavenly Immortal Thunder Tribulation and the Golden Immortal Thunder Tribulation in recent days, which has truly amazed us!

And just now, we witnessed this little brother kill Li Wenxu, which further increased our admiration!

So, we wish to befriend all of you!”

Upon hearing this.

Bujie and the others looked at each other, obviously not expecting someone to want to befriend them.

Yang Luo remained vigilant and scrutinized the two middle-aged men.

The green-robed man Zhao Wumian’s cultivation was at the Golden Immortal Early Stage, while the black-robed man’s cultivation was at the Golden Immortal Middle Stage.

If it really came to a fight, he could at least have a chance to battle.

Chapter 2595: Yu Lei Immortal Sect!

Yang Luo clasped his hands and said, “Guardian Xie, Guardian Zhao, I killed that guy Li Wenxu, yet you want to associate with us. Aren’t you afraid of getting into trouble?”

Xie Junyi smiled faintly and said, “Little brother, although the Five Elements Immortal Sect is considered a Great Sect in Huangzhou,

our Yu Lei Immortal Sect is not inferior to the Five Elements Immortal Sect in strength.”

He paused for a moment.

Then he continued, “Moreover, over these years, the Five Elements Immortal Sect has relied on its slight power to bully the weak everywhere, and they are incompatible with us Yu Lei Immortal Sect.

As for the trouble you mentioned, little brother, it is nothing to us.”

“Brother Xie is right.”

Zhao Wumian chimed in, “The Five Elements Immortal Sect has always been an enemy of our Yu Lei Immortal Sect.

Little brother, you helped us by killing Li Wenxu; we are grateful and have no ill intentions towards you all.”

Yang Luo tightly observed Xie Junyi and Zhao Wumian, trying to determine if they were lying.

However, their eyes seemed sincere, appearing not to lie.

Seeing Yang Luo’s hostility diminish,

Xie Junyi smiled and asked, “Little brother, with such high talent and comprehension, you must come from some Great Sect?”

Yang Luo shook his head and said, “We are from No Sect, just independent cultivators.”

“Oh?”

Xie Junyi’s face lit up with joy and quickly said, “If that’s the case, we would like to invite you all to join our Yu Lei Immortal Sect. What do you think?”

Yang Luo was momentarily stunned, “You want to recruit us?”

“Exactly.”

Xie Junyi nodded repeatedly, "You are all young talents, and we admire you greatly."

Yang Luo politely declined, "Thank you both for your admiration, but we have not considered joining any sect."

"This..."

Xie Junyi chuckled and said, "Little brother, don't be in a hurry to refuse.

I think you can consider it first; it's not too late to make a decision later."

Zhao Wumian also smiled and said, "Little brother, we want to invite you to visit our Yu Lei Immortal Sect. We hope you can do us the honor."

Yang Luo looked at Bujie and others, asking, "Brothers, what do you think?"

Mo Qingkuang said, "Brother Yang, since both Guardians have extended such a warm invitation, it would be somewhat inappropriate to refuse."

Xiang Kunlun also nodded, "Both Guardians are dignified and extraordinary; that Li Wenxu cannot compare to them at all.

It's not unacceptable to visit the Yu Lei Immortal Sect."

Yang Luo thought for a moment and also decided to visit the Yu Lei Immortal Sect.

After all, he now urgently needs to understand the situation in the Jiuzhou Immortal Domain.

Yang Luo clasped his hands and said, "Guardians, we are willing to visit the Yu Lei Immortal Sect as guests."

"Good!"

Xie Junyi and Zhao Wumian smiled and nodded.

Afterwards, Yang Luo and his party followed Xie Junyi and Zhao Wumian and flew away from this place, heading straight to Yu Lei Immortal Sect.

On the way to Yu Lei Immortal Sect,

Xie Junyi smiled and asked, "Little brother, may I know your full name?"

"I am Yang Luo."

Yang Luo replied, then introduced Bujie and the others.

After hearing Yang Luo's introduction,

Xie Junyi asked in confusion, "Brother Yang, why did you and Li Wenxu end up in a life-or-death conflict?"

"Guardian Xie, it's like this..."

Yang Luo recounted the events of the past half month to Xie Junyi and Zhao Wumian.

Of course, he did not mention that they came from the lower realm.

Before becoming true friends, naturally, he couldn't reveal all his secrets.

“So that’s how it is...”

Xie Junyi nodded in understanding and said, “That guy Li Wenxu was greedy and despicable.

His death at your hands, Brother Yang, is deserved.”

Zhao Wumian also sighed and said, “Brother Yang, to kill Li Wenxu in just a few minutes; Zhao is truly ashamed!”

Bujie smirked and said, “Guardian Zhao, I’m not bragging; my Brother Yang’s strength is far more than that!

If my Brother Yang had been serious, that sicko Li Wenxu would have died even faster!”

Upon hearing this,

Xie Junyi and Zhao Wumian both looked shocked and turned their gaze to Yang Luo.

Yang Luo glared at Bujie, this guy with no filter, always spilling everything.

Xie Junyi hurriedly asked, “Brother Yang, you really didn’t use your full strength to kill Li Wenxu?”

“Indeed, I didn’t.”

Yang Luo nodded and said, “Although Li Wenxu was a Golden Immortal, his strength was quite ordinary, unworthy of my full strength.”

Xie Junyi admired, “Brother Yang, you truly are not an ordinary person!”

Zhao Wumian also said, “Although Li Wenxu wasn’t the strongest in the same realm, his strength wasn’t weak either.

Brother Yang, being able to kill Li Wenxu without using full strength, is truly impressive.”

Yang Luo nodded, saying nothing more.

However, Xie Junyi and Zhao Wumian looked at Yang Luo with even more respect.

They increasingly felt that Yang Luo was mysterious and powerful.

For the remainder of the journey,

Yang Luo and his party chatted with Xie Junyi and Zhao Wumian, gradually becoming more familiar.

The next morning,

with Xie Junyi and Zhao Wumian leading, Yang Luo and his party finally arrived at the Yu Lei Immortal Sect’s territory.

Xie Junyi pointed ahead with one hand and smiled, “Everyone, there is our Yu Lei Immortal Sect!”

Yang Luo and his party looked far ahead and were immediately shocked.

A dozen miles or so away, there were undulating mountains, layers upon layers, shrouded in mist, with immortal energy abounding.

Many celestial birds soared in the sky and ran through the forests.

Besides towering peaks reaching between Heaven and Earth, there were also many high mountains floating in the air.

Upon those high mountains stood majestic palaces and pavilions, grand and imposing.

Even though Yang Luo and his party had already seen the scale of major sects and families in Kunlun Ruins and Penglai Immortal Island, they were still deeply impressed.

Bujie clicked his tongue and said, "So this is the Yu Lei Immortal Sect, truly magnificent!"

Xie Junyi's eyes showed a hint of pride, "Although our Yu Lei Immortal Sect is not one of the Great Sects in the entire Jiuzhou Immortal Realm,

in Huangzhou, our Yu Lei Immortal Sect's power is not small."

He then raised his hand, saying, "Everyone, please!"

"Please!"

Yang Luo also lifted his hand slightly.

Subsequently, Xie Junyi and Zhao Wumian led Yang Luo and his party forward.

After a short while,

Yang Luo and his party approached the Yu Lei Immortal Sect's territory.

Upon getting closer, Yang Luo and others increasingly felt the grand atmosphere of the Yu Lei Immortal Sect.

Everywhere on the grand palaces and pavilions, lightning totems could be seen.

Many Yu Lei Immortal Sect disciples could be seen practicing martial arts on the plaza, cultivating in front of the palaces, breathing, and meditating.

“Greetings, Guardian Xie!”

“Greetings, Guardian Zhao!”

The disciples of the Yu Lei Immortal Sect greeted respectfully.

Xie Junyi nodded and asked, “Where is the Sect Master now?”

A disciple replied, “Reporting to Guardian Xie, the Sect Master is currently in the main hall discussing affairs with several elders!”

Chapter 2596: Great Thousand World!

Xie Junyi nodded and said, “Everyone, I will take you to meet our Sect Master!”

“Alright!”

Yang Luo responded.

Subsequently, Xie Junyi and Zhao Wumian led Yang Luo and his group towards the main hall of the Yu Lei Immortal Sect.

Along the way, Xie Junyi and Zhao Wumian introduced the Yu Lei Immortal Sect to Yang Luo and his group.

Yang Luo and the others gained a general understanding of the Yu Lei Immortal Sect.

Before long.

Yang Luo and his group arrived at the main peak hall.

A towering mountain stood there, with an ancient and time-worn hall at its peak, bearing the large iron-painted characters of “Thunder Hall”.

A massive square lay in front of the hall.

Eight large mountains floated in the sky around the main peak, each adorned with halls and pavilions, like stars surrounding the moon.

After landing on the square of the main peak.

Xie Junyi and Zhao Wumian led Yang Luo and his group directly to the hall.

Inside, it was spacious and bright.

At the head seat sat a middle-aged man, discussing matters with two elders.

The middle-aged man wore a black robe with gold trimmings, embroidered with lightning totems, his stature upright and imposing.

The two elders were dressed in gray and white robes, also embroidered with lightning totems, exuding an aura of immortality and dignity.

Yang Luo glanced at the middle-aged man and the two elders, feeling slightly amazed.

Judging by their aura, the middle-aged man's cultivation was likely at the Golden Immortal Late Stage.

The two elders were likely both Daluo Golden Immortals.

Xie Junyi laughed heartily, "Sect Master, Elder Qi, Elder Zhu, I brought some young talents back as guests!"

Hearing Xie Junyi's words.

The middle-aged man and the two elders stood up and walked over.

Xie Junyi introduced, "Brother Yang, this is our Yu Lei Immortal Sect's Sect Master, Lei Ming.

And these are our elders, Qi Lushan and Zhu Xingyao."

He then introduced Yang Luo and the others.

Yang Luo cupped his hands, "Junior Yang Luo, pays respects to Sect Leader Lei, Elder Qi, and Elder Zhu!"

Ye Luange and the others also cupped their hands.

Qi Lushan looked at Yang Luo and said with a smile, "Little Friend Yang, you are remarkable indeed, reaching Golden Immortal cultivation at such a young age!

And these young fellows also possess Heavenly Immortal cultivation, very impressive!"

Zhu Xingyao asked with a smile, "Little Friend Yang, you must have just recently stepped into the Golden Immortal stage, right?"

Xie Junyi replied, "Elder Zhu, Brother Yang indeed just recently stepped into the Golden Immortal stage!

However, Brother Yang's strength is astounding. After reaching Golden Immortal, he slew Li Wenxu from the Five Elements Immortal Sect!"

"Oh?"

Zhu Xingyao looked surprised, "That fellow Li Wenxu stepped into the Golden Immortal stage half a year ago, his cultivation stabilized long ago, and his strength is not weak.

Little Friend Yang was able to slay Li Wenxu?"

Zhao Wumian said, "Elder Zhu, it's true, we witnessed Brother Yang pass the Golden Immortal Tribulation and slay Li Wenxu with our own eyes!

Besides us, many others witnessed it too!"

At these words.

Lei Ming, Qi Lushan, and Zhu Xingyao all showed signs of astonishment in their eyes.

Lei Ming raised his hand and said, "Everyone, please sit, let's talk slowly."

Once Yang Luo and the others were seated.

A few disciples came and served tea.

Lei Ming turned to Xie Junyi and said, "Guardian Xie, please tell us everything that happened in detail."

"Sect Master, it was like this..."

Xie Junyi recounted the events of the past few days to Lei Ming and the two elders.

After listening to Xie Junyi.

Lei Ming said coldly, "That Li Wenxu was a troublemaker and deserved his fate!"

Qi Lushan looked at Yang Luo, stroked his beard, and said with a smile, "Little Friend Yang is truly remarkable, just stepping into Golden Immortal and already able to slay Li Wenxu."

Zhu Xingyao said with a smile, "I just heard from Guardian Xie that you all have no sect and are independent cultivators.

This old man would like to invite you all to join our Yu Lei Immortal Sect. What do you think?"

Lei Ming laughed heartily and said, "Elder Zhu, you read my mind.

I too admire these young folks and wish to invite them to join our Yu Lei Immortal Sect."

Saying this, Lei Ming looked at Yang Luo and his group and continued, "If you are willing to join our Yu Lei Immortal Sect.

We will surely provide you with abundant cultivation resources and focus on nurturing you."

Qi Lushan also said, "If you are willing, I can take you as disciples and personally guide your cultivation."

Yang Luo cupped his hands and replied, "Thank you all for your kindness, but I mentioned to Guardian Xie last night that we are not looking to join any sect."

He could see that Lei Ming, Qi Lushan, and Zhu Xingyao were genuinely trying to recruit them without any malice.

Lei Ming waved his hand and said, "Young friend, there's no rush to refuse.

Spend these days exploring our Yu Lei Immortal Sect, get to know us better.

We sincerely hope you will consider joining our Yu Lei Immortal Sect."

At this moment.

Qi Lushan asked curiously, "Little Friend Yang, with your talents and comprehension, you wouldn't stand out just in the Huangzhou region, but even across the entire Jiuzhou Immortal Domain you wouldn't be considered lacking.

Why haven't we heard of your names before?"

Lei Ming and Zhu Xingyao also showed puzzled expressions on their faces.

Yang Luo thought for a moment and decided to tell the truth.

He said, "To be honest, we came from a lower world known as Earth."

"What?! You came from a lower world?!"

"No wonder we haven't heard of you before, that explains it!"

"But that's not possible, for cultivators from a lower world to ascend to the Jiuzhou Immortal Domain, they need to have Golden Immortal cultivation.

How did you manage to ascend?"

Lei Ming and Qi Lushan became even more surprised.

Yang Luo explained honestly, “We used a secret method to open the Immortal Road, which brought us to the Jiuzhou Immortal Domain.

Since we just arrived, we don’t know much about the Jiuzhou Immortal Domain, and we’d appreciate it if you could explain it to us.”

“I see.”

Lei Ming nodded in understanding and said, “Little Friend Yang, the Jiuzhou Immortal Domain is a vast and boundless domain, part of the Great Thousand World within the myriad worlds, composed of a Big Star Domain.”

“Great Thousand World?”

Yang Luo was momentarily stunned, asking, “Sect Leader Lei, could you explain what a Great Thousand World is?”

Lei Ming continued, “In the myriad worlds, there are Small Thousand Worlds, Medium Thousand Worlds, and Great Thousand Worlds.

A thousand small worlds make up a Small Thousand World.

A thousand Small Thousand Worlds make up a Medium Thousand World.

A thousand Medium Thousand Worlds make up a Great Thousand World.

As for Earth, it should only be considered a small world.”

“What the hell!”

Bujie couldn't help but exclaim, "So a thousand Earths make up a Small Thousand World?!"

Just how big is the Jiuzhou Immortal Domain as a Great Thousand World?!"

"This is terrifying!"

Ning Jianfeng's mouth twitched, finding his mind in a whirl.

Yang Luo, Ye Luange, and the others were also stunned, their worldview completely overturned!

No one could imagine just how vast the Jiuzhou Immortal Domain truly was!

Chapter 2597: Know a Little!

Qi Lushan smiled faintly and said, "Little friends, the Jiuzhou Immortal Domain is incredibly vast, so vast it's immeasurable.

In simple terms, even true immortals flying day and night would take at least a month to fly out of Huangzhou."

"Elder Qi is right."

Lei Ming nodded and continued, "And the Jiuzhou Immortal Domain is divided into five large states and four small states.

The five large states are Donghua Divine Continent, West Desert Lingzhou, Nanli Huo State, Bei Lihan Ming State, and Central Earth Immortal State.

The four small states are Heavenly State, Earth State, Xuanzhou, and Huangzhou.

There are vast oceans between each state, with many islands in the seas.

And our Huangzhou is the smallest in area, with the most scarce spiritual energy and resources among the nine states.

That's why we Huangzhou have the weakest overall strength among the nine states."

Bujie said blankly, "I think the spiritual energy in Huangzhou is already abundant, far surpassing Earth by who knows how many times!

And yet, it's considered the weakest among the nine states?"

Yang Luo and the others were also filled with shock.

Qi Lushan chuckled, "Little friends, once you experience the other states, you'll see the difference.

In short, the Jiuzhou Immortal Domain is indeed vast, with various Immortal Sects, Immortal Clans, Immortal Countries, and Holy Lands, all vying for dominance, very prosperous."

"Understood."

Yang Luo nodded, his heart filled with awe.

It seems they have indeed come to a truly remarkable Great World.

No wonder the Old Immortal said there's always someone better and something greater.

The world he once knew seems so small now.

But because of this, he was even more eager to explore the vastness of the Jiuzhou Immortal Domain.

Lei Ming took out a scroll from his sleeve and handed it to Yang Luo, saying, "Little Friend Yang, here is a complete map of the Jiuzhou Immortal Domain.

It details the nine states, including the distribution of the Immortal Sects, Immortal Clans, Immortal Countries, and Holy Lands."

"Thank you, Sect Leader Lei, for the map!"

Yang Luo took the map, opened it, and began to examine it.

Bujie and the others gathered around to look at it together.

At this time.

Xie Junyi suddenly thought of something and said, "By the way, brothers, what's your relationship with the Ancient Divine Beast Families of the Jiuzhou Immortal Domain?"

Qi Lushan also said, "I sensed earlier that many of you seem to carry the aura of those Ancient Divine Beast Families."

Lei Ming and others turned their gaze to Yang Luo and his companions.

They had perceived it earlier but hadn't asked.

Yang Luo replied, "On Earth, there are many divine beast families.

And many of my brothers come from those divine beast families."

Qi Lushan stroked his beard, "It seems those Ancient Divine Beast Families left their bloodlines in the Lower Plane, no wonder you look so extraordinary."

Yang Luo asked, "Elder Qi, how influential are the Ancient Divine Beast Families in the Jiuzhou Immortal Domain?"

Qi Lushan sighed, "The influence of those Ancient Divine Beast Families is vast, far stronger than our Yu Lei Immortal Sect or the Five Elements Immortal Sect.

Especially some of them can rival the Great Sacred Lands, Great Immortal Countries, and Great Immortal Sects."

Hearing this.

Ji Longyue, Baili Wushuang, Tantai Puti, Yi Yuheng, Ning Jianfeng, and Qin Zhanhuang all became excited.

Ning Jianfeng exclaimed excitedly, "Does that mean we can return to our ancestral roots?!"

Ji Longyue, full of longing, said, "I really wonder how strong the families our ancestors founded in the Jiuzhou Immortal Domain must be!"

Yang Luo also made up his mind.

After they leave, he'll take his brothers to recognize their ancestral roots.

With the map in hand, they won't get lost, though it will take a considerable amount of time.

After all, Sect Leader Lei and others said the Jiuzhou Immortal Domain is vast, and distances between states are significant.

Just then.

An anxious voice came from outside.

“Sect Master, there’s a report!”

Yang Luo and the others turned to see a disciple rushing in.

“What is it?”

Lei Ming asked.

The disciple hurriedly replied, “Sect Master, something terrible has happened!

Elder Lei, Elder Chi, and Elder Gu are in bad shape now!

Just earlier, the three elders coughed up blood!”

“What?!”

Lei Ming suddenly stood up, “Is this true?!”

“Sect Master, it’s true!”

The disciple quickly nodded.

Lei Ming raised his hand, “You may leave now; we’ll go over immediately!”

“Yes!”

The disciple responded and then exited the hall.

After the disciple left.

Lei Ming said to Qi Lushan and others, "Let's go, Elder Qi, Elder Zhu, let's check it out!"

He then instructed Xie Junyi and Zhao Wumian, "Guardian Xie, Guardian Zhao, feel free to show these little friends around!"

"Yes, Sect Master!"

Xie Junyi and Zhao Wumian responded.

Yang Luo asked, "Sect Leader Lei, may I know what happened, is there anything we can help with?"

Lei Ming sighed lightly and said, "Little Friend Yang, to be honest, a month ago, our Yu Lei Immortal Sect had a conflict with the Five Elements Immortal Sect, and there was a fierce battle.

During the fight, our three elders received severe internal injuries and haven't recovered until today.

If the elders' injuries can't heal, it might affect their future cultivation."

"Hahaha..."

Upon hearing this, Bujie suddenly burst into laughter.

His sudden laughter made Lei Ming and others a bit puzzled, frowning.

Lei Ming asked in a deep voice, "Little Friend Bujie, is this funny?"

"No, no, it's not."

Bujie waved his hand, "I laughed because my Brother Yang might be able to heal those three elders."

"Really?!"

"Little Friend Yang, you know medicine?!"

Lei Ming and others all turned their eyes to Yang Luo.

Yang Luo nodded, "I know a little about medicine."

Bujie couldn't help but roll his eyes, "Brother Yang, can you not be so modest?"

You are a true divine doctor, an immortal doctor; there's no illness in this world you can't cure!"

International Diva Zhixin agreed, "Yes, Little Luo, your medical skills are so exceptional, how can you call it just knowing a little?"

Qi Lushan intently stared at Yang Luo, asking, "Little Friend Yang, are your medical skills really so impressive?!"

Lei Ming said, "Little Friend Yang, if you can truly heal the three elders, we will greatly reward you!"

Yang Luo scratched his head, "Whether I can heal the three elders depends on their condition."

Lei Ming nodded, "Little Friend Yang, then let's not delay, we'll take you over now!"

“Alright!”

Yang Luo responded.

Then, Lei Ming and the others took Yang Luo and his companions away from the hall, flying toward the back mountain.

After a short while.

Yang Luo and his companions arrived at a valley.

In the valley, lightning bolts of all colors shimmered dazzlingly, creating a rumbling sound.

In the center of the valley were three elders sitting cross-legged, surrounded by purple, green, and blue lightning bolts, which amazed Bujie and others.

Chapter 2598: There is no age in learning; the accomplished come first!

Yang Luo scrutinized the three elders, feeling a slight shock in his heart.

He simply couldn't sense the cultivation levels of the three elders.

Perhaps these three elders also possessed the cultivation of a Daluo Golden Immortal.

However, the corners of the three elders' mouths were stained with blood, their clothes were dyed red with blood, their complexions were somewhat pale, and their vitality was very weak.

Lei Ming introduced, “These three are the elders of our Yu Lei Immortal Sect, Lei Dongtian, Chi Yanzhou, and Gu Yunsong.”

At this moment.

Lei Dongtian, Chi Yanzhou, and Gu Yunsong slowly opened their eyes.

“Cough cough...”

Lei Dongtian coughed violently a few times and said, “Lei Ming, you’ve come.”

Lei Ming respectfully said, “Elder Lei, Elder Chi, Elder Gu, how are your injuries? Are they really beyond healing?”

Lei Dongtian exhaled a mouthful of turbid air, speaking harshly, “Li Weizhao, Chen Yingnan, and Huang Shiyu were too ruthless!

Our Dao Foundation and meridians have been damaged, and it’s very difficult to fully recover!

Even if healed, hidden ailments will remain!”

Chi Yanzhou gritted his teeth and said, “The Five Elements Immortal Sect has gone too far, if this grudge is not avenged, I am not worthy of being an elder of the Yu Lei Immortal Sect!”

“That’s right, this grudge must be avenged!”

Gu Yunsong also roared in anger.

Lei Ming turned to Yang Luo and said, “Little Friend Yang, can you treat the injuries of the three elders?”

Yang Luo nodded and said, “Of course I can treat them, it’s just a bit troublesome.”

“Little Friend Yang, can you really treat them?!”

“Little Friend Yang, as long as you can heal Brother Lei and the others, whatever you want, if we have it, we will gladly offer it to you!”

“Little Friend Yang, I hope you can lend a hand!”

Lei Ming, Qi Lushan, and Zhu Xingyao were all excited.

At this moment.

Lei Dongtian, Chi Yanzhou, and Gu Yunsong took notice of Yang Luo and others.

“Lei Ming, these youngsters look quite extraordinary, are they the doctors you invited?”

“Weird, this young fellow looks so young. Does he really know medicine?”

“Previously, many Old Immortal Doctors from Huangzhou examined us, but all were helpless. How could this young fellow possibly heal us?”

Lei Dongtian and the others spoke one after another, clearly doubting Yang Luo’s medical skills.

Yang Luo looked towards the three elders and said, “Elders, there is an old saying, ‘In learning, there is no age, those who achieve come first.’”

Although I don’t know the skills of those Old Immortal Doctors, since I say I can heal, naturally, I can heal.”

“Oh?”

Lei Dongtian looked at Yang Luo with interest and said, "Youngster, if you can truly heal us, I, Lei Dongtian, will owe you a great debt!

No matter what you ask of me in the future, I will do it without question!"

Chi Yanzhou also said, "As long as you can heal us, you will be the most esteemed friend of our Yu Lei Immortal Sect!"

Yang Luo did not speak but waved his right hand!

Swish swish swish!

Three golden needles released dazzling light, cutting through the sky, and shot towards Lei Dongtian and the others!

"Youngster, what are you doing?!"

The three elders were instantly shocked and pale.

Before the three could react, the three golden needles pierced their chests!

"How dare you!"

Qi Lushan shouted angrily, "Little Friend Yang, we trusted you so deeply, but unexpectedly you dared to make a move against Brother Lei and the others!"

"Youngster, what on earth are you doing?!"

"Even if the elders didn't trust you, you shouldn't do this!"

Lei Ming and Zhu Xingyao's faces also turned cold, clearly enraged.

Xie Junyi and Zhao Wumian were both startled, apparently not expecting Yang Luo to suddenly attack the three elders.

But something wasn't right, on the way back to the sect last night, they talked with Yang Luo. He was open-hearted and forthright, not a petty person.

"Shut up! This young friend is treating us, what are you yelling for!"

Lei Dongtian suddenly shouted.

"Ah?! Little Friend Yang is treating you?!"

Lei Ming was immediately dumbfounded.

Lei Dongtian cupped his hands towards Yang Luo and said, "Young friend, with just one needle, I already feel much more comfortable. It seems your skills are not small!"

"I also feel much more comfortable, I felt a blockage in my chest just now, and now it's all smooth!"

"I feel the pain in my body has lessened a lot too!"

Chi Yanzhou and Gu Yunsong also spoke up one after another.

Hearing the three elders' words.

Lei Ming, Qi Lushan, and Zhu Xingyao felt instantly embarrassed.

Lei Ming chuckled dryly, "Little Friend Yang, sorry for the offense just now, please forgive us!"

“Little Friend Yang, we were too nervous earlier, we apologize!”

“Little Friend Yang, please use your skills to treat Brother Lei and the others!”

Qi Lushan and Zhu Xingyao quickly apologized and spoke pleadingly.

Only then did Xie Junyi and Zhao Wumian breathe a sigh of relief.

They were also taken aback just now; it turned out that Yang Luo was treating the three elders.

Yang Luo waved his hand and said, “These three needles can only temporarily relieve the elders’ discomfort.

But to completely heal the elders, it’s not enough.”

After a pause.

Yang Luo continued, “To completely heal the elders, it must be assisted with pills, and then treated with acupuncture technique.

Now, I’ll tell you a few medicinal herbs, and if you get these, I can start alchemy.

Once the pill is successfully made, I can start treating the elders.”

“Alright, alright, alright!”

Lei Ming nodded repeatedly and said, “Little Friend Yang, please tell us, what medicinal herbs do we need to prepare?”

Yang Luo thought for a moment, then told Lei Ming and the others the medicinal herbs needed for alchemy.

After Yang Luo finished speaking.

Lei Ming said, "Our Yu Lei Immortal Sect cultivates many medicinal fields, we should have those herbs you mentioned, we'll go find them now!"

Saying that, Lei Ming took Qi Lushan and Zhu Xingyao to find the herbs.

Actually, they could have sent disciples to find the herbs, but since this matter concerned the elders, they dared not be careless and went themselves.

After Lei Ming and the others left.

Xie Junyi asked Yang Luo, "Brother Yang, can you really heal the three elders?"

Yang Luo smiled and said, "As long as the pill can be made, I'm fully confident of healing the three elders."

"That's great!"

Xie Junyi laughed heartily, "Brother Yang, inviting you was indeed the right choice!"

They waited less than an hour.

Lei Ming, Qi Lushan, and Zhu Xingyao returned.

"Little Friend Yang, check if these are the medicinal herbs you need?"

Lei Ming took out a storage bag and handed it to Yang Luo.

Yang Luo took the storage bag, glanced at the herbs inside, and nodded, "Yes, these are exactly the herbs I need!"

By the way, Sect Leader Lei, please help me find an open place, I need to start alchemy!"

"That's no problem!"

Lei Ming agreed with a nod.

Yang Luo looked at Lei Dongtian and the others and said, "Elders, I will need a maximum of three days to make the pill!"

During these three days, do not remove the golden needles from your bodies!"

"Yes!"

Lei Dongtian and the others responded in unison.

Chapter 2599: Pill Completed!

Lei Dongtian, Chi Yanzhou, and Gu Yunsong have already recognized Yang Luo's medical skills.

You must understand, they have been treating their injuries for a month, and many Old Immortal Doctors have tried to heal them during this period.

Yet, even so, their discomfort did not greatly improve.

However, unexpectedly, this young man before them alleviated their discomfort significantly with just three acupuncture needles.

This is enough to prove that this young man is truly skilled.

Afterwards, Lei Ming and several others led Yang Luo to a nearby valley.

This valley has open terrain and abundant spiritual energy, making it an excellent place for alchemy.

Lei Ming asked, "Little Friend Yang, how do you find this place?"

Yang Luo nodded and said, "It's very good here."

"That's good."

Lei Ming chuckled and said, "Little Friend Yang, feel free to refine pills here. If you need anything, you can command at any time."

"Okay!"

Yang Luo nodded, took a step forward, flew to the center of the valley, and sat down.

He took out the Ten Thousand Dragon Cauldron, gently waved his right hand.

The Ten Thousand Dragon Cauldron flew out, rapidly enlarging several feet, hovering in the air ahead.

Then, he took out all the medicinal herbs Lei Ming and the others found.

Once everything was ready.

Yang Luo channeled the water from the pool in the valley into the Ten Thousand Dragon Cauldron.

Due to the abundant spiritual energy in the Jiuzhou Immortal Domain, the pool water was also filled with spiritual energy, making it very suitable for alchemy.

After filling half of the cauldron with water.

Yang Luo combined his right hand into a sword finger, mobilizing the flames within him.

Gold-red flames erupted, starting to burn the Ten Thousand Dragon Cauldron.

Once the water in the cauldron began to boil, Yang Luo started tossing the medicinal herbs into the Ten Thousand Dragon Cauldron, commencing alchemy.

In the sky not far away.

Lei Ming exclaimed in surprise, "I didn't expect Little Friend Yang not only knows medicine but can also refine pills!"

Bujie smiled and said, "Sect Leader Lei, my Brother Yang's alchemy is impressive!

As long as the medicinal herbs are sufficient, he can refine various pills!"

Xie Junyi beside him asked, "Are you saying that the four Fourth Grade Immortal Pills Brother Yang took during the Golden Immortal Tribulation were all refined by him?!"

"Exactly!"

Bujie nodded.

Ning Jianfeng also said, "The immortal pills we took during the Heavenly Immortal Thunder Tribulation were also refined by Brother Yang!"

Lei Ming exclaimed in shock, "Little Friend Yang can actually refine Fourth Grade Immortal Pills?!"

Bujie curled his lip and said, "Not to mention the Fourth Grade Immortal Pills, if needed, my Brother Yang could undoubtedly refine even higher grade immortal pills!"

"Little Friend Yang can refine even higher grade immortal pills?!"

"If Little Friend Yang truly possesses such incredible alchemy skills, then the top sects, clans, countries, and holy lands in the Jiuzhou Immortal Domain would surely compete to recruit him!"

"No wonder Little Friend Yang refuses to join our sect; considering his immense talent, getting him to join us would indeed be a waste of his abilities!"

Lei Ming, Qi Lushan, and Zhu Xingyao sighed one after the other.

Although they really wanted to recruit Yang Luo, it was evident Yang Luo would not stay in their sect.

Xie Junyi and Zhao Wumian also shook their heads in regret.

Mo Qingkuang spoke up, "Though we won't join the Yu Lei Immortal Sect, we can be friends!"

Xiang Kunlun nodded, "That's right, we are new here and unfamiliar with the place, hoping everyone could take care of us!"

Lei Ming laughed and said, "To become friends with outstanding young talents like you is also an honor for our Yu Lei Immortal Sect!"

Qi Lushan glanced at Yang Luo in the valley, saying, "Let's leave; we shouldn't disturb Little Friend Yang's pill refining!"

Afterwards, Lei Ming and the others flew out of this valley, to the valley where Lei Dongtian, Chi Yanzhou, and Gu Yunsong were.

Lei Dongtian smiled slightly and said, "Lei Ming, quickly introduce these young ones to us."

Lei Ming nodded and began to introduce Yang Luo and others.

Listening to Lei Ming's introduction.

Lei Dongtian exclaimed, "So you are from the lower realm, no wonder I've never heard of your names before."

Chi Yanzhou sighed, "It seems that practitioners from the lower realm are also extraordinary, being able to produce such heavenly prides as you."

Gu Yunsong also said, "I originally thought the lower realm lacked spiritual energy and couldn't produce any heavenly prides; turns out I was wrong."

Mo Qingkuang shook his head and said, "We are not really heavenly prides; the true heavenly pride is Brother Yang."

Lei Dongtian curiously asked, "Could you tell us about yourselves? And we're quite interested in matters on Earth."

Mo Qingkuang smiled and said, "Since everyone is so interested, let us talk about it."

Throughout this time, Mo Qingkuang, Xiang Kunlun, and others chatted with Lei Dongtian and his group, causing laughter to spread from the valley.

Three days passed in the blink of an eye.

On the fourth morning.

The morning sun rises, waking all creatures.

Suddenly!

Whoosh whoosh whoosh!

Rumble rumble rumble!

Above the valley where Yang Luo is, gusty winds began to blow, black clouds rolled in, and thunder roared!

“This... could this be a Pill Tribulation?!”

“Little Friend Yang actually... attracted a Pill Tribulation?!”

“With the descent of a Pill Tribulation... it surely signifies the emergence of immortal pills!”

In the nearby valley, Lei Ming, Lei Dongtian, and others were alarmed and stood up, looking in the distant sky.

They soared skywards, flying towards the valley where Yang Luo was.

“Thunderous sounds are coming from the rear mountain; what’s going on?!”

“It seems like a Pill Tribulation; could an elder be refining pills?!”

“Let’s go and check it out!”

Not only were Lei Ming and others startled, but the disciples of Yu Lei Immortal Sect were also alarmed, flying towards the rear mountain.

Soon.

The area around the valley where Yang Luo was had gathered many people.

Everyone looked towards Yang Luo in the valley.

Only to see, Yang Luo was sitting in the valley, focusing on refining pills without any disturbance.

A rich aroma of medicine flowed out from the Ten Thousand Dragon Cauldron, refreshing everyone watching.

A few minutes later.

Yang Luo waved his right hand!

“Rise!”

In an instant!

Swish swish swish!

Three pills glowing golden shot out of the Ten Thousand Dragon Cauldron, flying upwards, releasing even richer medicinal fragrances!

And at the moment the three pills flew into the sky!

Boom boom boom!

Three massive bolts of heavenly lightning struck altogether, engulfing the three pills!

All present fixated their gaze on the pills undergoing the baptism of heavenly lightning above, not daring to blink even once!

In the ensuing half-hour!

Bolts of heavenly lightning descended repeatedly, fiercely striking the three pills!

Half an hour later.

The Pill Tribulation ceased, clouds dispersed.

As the lightning bolts encasing the three pills dissipated.

The three pills hovered intact in the sky, inscribed with eighteen intricate thunder patterns.

After enduring the heavenly lightning's baptism, the three pills became even more round and full, further intensifying their medicinal fragrance.

Lei Ming exclaimed in shock, "I didn't expect Little Friend Yang could indeed refine Fourth Grade Immortal Pills!"

"This is truly incredible!"

"Such alchemy skills, perhaps there are only a few in the entire Huangzhou!"

Lei Dongtian and several others also praised in awe.

Chapter 2600 The fifth bronze dragon coffin is about to open!

Yang Luo looked at the three of Lei Dongtian and said, "Elders, these three pills are called 'Seven Apertures Nerve Concentrating Pill'!"

"Take them now, and I will begin the treatment!"

"Now?!"

"Shouldn't we prepare a bit first?!"

"Can we start the treatment just like that?!"

Lei Dongtian, Chi Yanzhou, and Gu Yunsong were all surprised.

Yang Luo smiled and said, "No need for any preparation, we can start right away!"

As he spoke, Yang Luo waved his right hand!

The three "Seven Apertures Nerve Concentrating Pills" flew towards the three of Lei Dongtian!

The three of them didn't hesitate and swallowed the pills!

At the moment the pills were consumed!

The medicinal properties spread!

A vast and boundless energy immediately spread out, flooding the bodies of the three of Lei Dongtian!

“Ugh...”

Due to the strong medicinal properties and overwhelming energy, the three couldn’t help but grunt.

Cold sweat broke out on their foreheads, their eyebrows twitched, and their faces flushed red.

Lei Ming asked nervously, “Little Friend Yang, are the three elders alright?”

“Is this little brother really treating the three elders?”

“It seems so, but the three elders appear to be in pain!”

“Since being injured by the three grand elders of the Five Elements Immortal Sect, their injuries haven’t recovered. Who knows if this little brother can really heal them!”

The disciples around started discussing.

Yang Luo raised his hand, “Sect Leader Lei, don’t worry, the medicine is just taking effect.”

As he spoke, Yang Luo continuously mobilized the energy within him, then waved his right hand!

The “Nine Needles of Heavenly Dao” were immediately deployed!

Swish, swish, swish!

The remaining six golden needles, shining with dazzling golden light, shot out from the storage ring!

The six golden needles pierced the two major acupoints on the bodies of the three of Lei Dongtian!

Buzz, buzz, buzz!

As soon as the six golden needles entered the acupoints, they began to vibrate furiously!

Energy flowed along the golden needles into the trio's bodies!

As the needles vibrated, various phenomena appeared on their chests, mysterious and wonderful!

Thus, as Yang Luo stepped into the Golden Immortal realm, he could unleash more of the power of the "Nine Needles of Heavenly Dao"!

"Heavens, what an exquisite acupuncture technique!"

"The old immortal doctors who treated the three elders before never had such miraculous techniques!"

"Who is this young brother, to possess such incredible medical skills?"

The disciples watching exclaimed.

Lei Ming and the others were also very astonished.

Only Bujie and others remained calm.

They were well aware of how incredibly defying Yang Luo's medical skills were.

After all, they had seen Yang Luo practice medicine countless times.

At this moment.

Yang Luo ignored the people around him and focused intently on the condition of Lei Dongtian and the others.

It lasted for almost twenty minutes.

All nine golden needles stopped vibrating.

“Mission accomplished!”

Yang Luo waved his right hand, retrieving the nine golden needles.

“It’s over already?!”

“Have Brother Lei and the others recovered?!”

“This... It’s only been an incense stick of time, and they’re healed?!”

Lei Ming, Qi Lushan, and Zhu Xingyao were half-doubtful, half-believing.

The disciples were a bit disbelieving too.

No matter how skilled this young brother is, could he really be that capable?

Yet, before the words finished!

Boom, boom, boom!

Three magnificent beams burst from the bodies of Lei Dongtian and the others!

The three beams, mixed with terrifying lightning bolts, dispersed the clouds in the sky, breaking through the Cangqiong!

At the same time the beams soared into the sky!

Immense and vast pressure and aura erupted from their bodies!

Rumble, rumble!

The boundless heavens and earth trembled violently, and mountains shook with it!

“What... What is happening?!”

“So strange, it’s like the three elders have broken through their cultivation!”

“This is too miraculous; weren’t they gravely injured? How could they have a breakthrough?”

The disciples were exclaiming endlessly, all stunned.

Lei Ming, Qi Lushan, and Zhu Xingyao were also dumbfounded, looking at Lei Dongtian and the others.

They could feel that the pressure and aura of Lei Dongtian and the others had increased significantly; perhaps they really had a breakthrough in cultivation.

A few minutes later.

The three beams slowly dissipated.

“Phew...”

Lei Dongtian exhaled a turbid breath, laughing up to the sky, “Good, good indeed. I didn’t expect Little Friend Yang not only to heal my injuries but also to lead me to break through to the Daluo Golden Immortal Late Stage!”

“My injuries are healed too, and I’ve stepped into the Daluo Golden Immortal Middle Stage!”

“Hahaha, I’ve also reached the Daluo Golden Immortal Middle Stage. If I meet those three from the Five Elements Immortal Sect again, I won’t fear a fight!”

Chi Yanzhou and Gu Yunsong both laughed heartily.

Lei Ming hurriedly congratulated, “Congratulations to Elder Lei, Elder Chi, and Elder Gu on their breakthrough!”

“Congratulations to Elder Lei, Elder Chi, and Elder Gu!”

Everyone present also offered their congratulations.

“Wow!”

Bujie gave Yang Luo a thumbs up, “Brother Yang, you’re awesome!

You not only healed the three elders’ injuries but also helped them break through in cultivation!”

Yang Luo shrugged and said, “If the elders weren’t injured, their cultivation might have broken through long ago; I just lent a little help.”

Lei Dongtian looked at Yang Luo with admiration in his eyes, "Little Friend Yang, I didn't expect you to possess such high cultivation talent and medical skills!

This old man sincerely invites you to join our Yu Lei Immortal Sect!"

"Thank you, Little Friend Yang, for healing us!"

"Without your assistance, forget achieving a breakthrough, our injuries might never have healed!"

Chi Yanzhou and Gu Yunsong both expressed their gratitude.

Lei Ming was also very grateful, "Little Friend Yang, you can ask for anything you wish!

As long as our Yu Lei Immortal Sect has it, we will offer it with both hands!"

Yang Luo waved his hand, "Sect Leader Lei, elders, since we're friends, there's no need for such courtesy!

My brothers and I are new here, and we hope for your care in the future!"

"That's a must!"

Lei Dongtian said boldly, "If anyone dares to bully you, I, Lei Dongtian, and our Yu Lei Immortal Sect won't allow it!"

"With Elder Lei's words, that's enough!"

Yang Luo smiled and cupped his hands.

But just at that moment.

“Young one, come in, the fifth bronze dragon coffin is about to open!”

The voice of Long Xinghe echoed in Yang Luo’s mind.

Yang Luo’s heart stirred, his face showing great joy!

He excitedly asked in his mind, “Senior Xinghe, is the fifth bronze dragon coffin really about to open?!”

“Yes.”

Long Xinghe replied, then laughed, “A few days ago, during your Golden Immortal Tribulation, we absorbed a lot of the power of the heavenly lightning and transferred it into the fifth bronze dragon coffin.

Now, the seal on the fifth bronze dragon coffin has been lifted.”

“Haha, that’s wonderful!”

Yang Luo was very pleased.

He wondered what the fifth senior looked like, whether they were male or female, and how strong they were?
