Chapter 2611: Is this the extent of its power?

Bujie let out a series of roars, frantically swinging the Heavenly Dragon Zen Staff in his hand, smashing it down!

The Buddhist Demon Giant standing above him continually waved its Buddhist palms and demon fists, attacking fiercely!

“Purple Thunder Mad Saber!”

Xu Ying raised the Purple Thunder Saber in his hand, slashing fiercely at the disciples charging toward him!

As the Purple Thunder Saber was unleashed, the power of lightning within the Yu Lei Immortal Sect’s territory was drawn, striking those disciples!

“Nine Stage Hell Suppression Palm!”

Xiang Kunlun charged madly, transforming his hands into palms, one after another striking out!

One after another, black and gold giant palms bloomed with dazzling immortal light, crushing forward!

More so, Kun Peng spread its wings and flew high, crashing forward!

“Supreme Divine Fist!”

Mo Qingkuang also followed closely, clenching his hands into fists, one punch after another blasting out!

One after another, purple-gold giant fists carried domineering fist intent and power, blasting forth!

“Blue Luan Sword Technique!”

“Holy Lotus Treasure Seal!”

“Azure Dragon Halberd!”

“White Tiger God Destroying Saber!”

...

Flame Emperor and Song Zhixin, among others, also launched a fierce assault, attacking the disciples of the Five Elements Immortal Sect!

Flying swords shuttling, long blades slicing through the sky, huge halberds covering the heavens, great seals traversing the void, various weapons stirring up the storm!

Even the divine beast illusions of Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise rose up, crashing forward!

Those charging disciples of the Five Elements Immortal Sect screamed miserably, being consecutively slain!

“My God, Mr. Yang’s friends are also extraordinarily powerful!”

“It’s our honor that our Yu Lei Immortal Sect can befriend such young heroes!”

The disciples of the Yu Lei Immortal Sect sighed endlessly, looking at Bujie and others with eyes full of admiration.

At this time.

Far above.

Yang Luo was fiercely battling two Law Enforcers of the Five Elements Immortal Sect, Han Jinpeng, and Jiang Yan Chuan!

Both Han Jinpeng and Jiang Yan Chuan had early-stage Golden Immortal cultivation, their strength was quite formidable!

“You little beast, surrender your life!”

Han Jinpeng roared loudly, wielding the sword in his hand!

“Taiyi Xuanjin Sword!”

Swoosh!

A large black-gold sword carried the vast power of Heaven and Earth Great Dao and metal attribute law power, slicing through the sky, slashing toward Yang Luo!

“Earth Splitting Spear!”

Jiang Yan Chuan’s expression turned sinister, wielding the halberd in his hand!

Rumble Rumble Rumble!

A gray-brown huge halberd carried the power of Heaven and Earth Great Dao and earth attribute power, crushing a patch of cloud sea, slashing toward Yang Luo!

They knew Yang Luo's strength was not weak, otherwise, he wouldn't have been able to slay Li Wenxu!

Therefore, they planned to join forces to slay Yang Luo!

Yang Luo was not afraid at all, he still didn't summon any weapons, instead, his whole body vibrated, his momentum and battle power burst forth!

"Undying Golden Body!"

"Invincible Sword Body!"

"Flame Emperor Combat Body!"

"Divine Dragon Tyrant Body!"

...

Multiple physique secret techniques were activated!

Golden light glittered, giant swords stood tall, flames burned, Azure Dragon coiled!

After activating multiple physique secret techniques!

Yang Luo swung his fists, broad and fierce, smashing out with great force!

Clang Clang Clang!

His double fists heavily smashed onto the giant sword and giant halberd slashing toward him, exploding with the sound of metal striking stone!

At the point of impact, various lights and energy shot out, fierce and terrifying!

Under the fierce strike of his fists!

Both Han Jinpeng and Jiang Yan Chuan were simultaneously sent flying!

As they steadied themselves, they found their weapons had been pounded with cracks!

“This...”

Han Jinpeng’s expression changed dramatically, “How is this little beast’s physical body so strong to this level? One punch cracked our Immortal Weapons?!”

Jiang Yan Chuan was equally shocked, “The key is, how does this little beast know so many physique secret techniques, and all of them are so powerful!”

One must know, their weapons were Immortal Grade, even though they were basic level, they were still genuine Immortal Weapons!

But who would have thought, they were cracked by Yang Luo’s fist!

So, in the Jiuzhou Immortal Domain, weapons and dharma artifacts are usually classified into four grades: Immortal, Spiritual, Divine, and Emperor!

And each grade is further divided into basic, intermediate, and high levels!

The two stared blankly at Yang Luo, feeling that the guy in front of them was more like an unbreakable divine weapon than a human!

Yang Luo smiled coldly, his voice resounding, “Weren’t you going to kill me? Come on!”

“You little brat, don’t get arrogant!”

Han Jinpeng let out an angry roar, waving his wide sleeve!

“Mystic Gold Treasure Tripod!”

In the blink of an eye!

A black-gold treasured cauldron flew out from his sleeve, rapidly expanding, blocking out the sky and sun, suppressing and killing toward Yang Luo!

From within the cauldron, streams of black-gold immortal light sprayed out, blasting toward Yang Luo!

“Mountain Opening Treasure Seal!”

Jiang Yan Chuan also waved his wide sleeve, summoning a gray-brown treasure seal.

The gray-brown treasure seal flew out, expanding in the wind, seemingly transforming into a large mountain, crushing toward Yang Luo!

From the treasure seal, streams of gray-brown immortal light shot out as well!

The weapons they summoned were both intermediate-level Immortal Magical Artifacts, with extremely formidable power, as if they could destroy everything!

“Do you think you can suppress and kill me just by relying on magical artifacts, you must be dreaming!”

Yang Luo let out a wild roar, charging forward, swinging his arms, blasting out with his fists!

Once his fists were out, they continuously enlarged, like two golden meteors, smashing upward!

In an instant!

Bang Bang Bang!

His double fists shattered the streams of immortal light shooting toward him, fiercely smashing against the Mystic Gold Treasure Tripod and Mountain Opening Treasure Seal, erupting with sounds like a huge bell and great drum!

With just one punch!

The Mystic Gold Treasure Tripod and Mountain Opening Treasure Seal were sent flying, pounded with cracks!

After smashing the Mystic Gold Treasure Tripod and Mountain Opening Treasure Seal flying!

Yang Luo did not pause at all, continued charging and swinging his arms, repeatedly blasting two punches at the Mystic Gold Treasure Tripod and Mountain Opening Treasure Seal!

In an instant!

Bang!

Bang!

The Mystic Gold Treasure Tripod and Mountain Opening Treasure Seal were directly smashed into pieces, scattering in all directions!

“What?!”

“How is it possible?!”

Han Jinpeng and Jiang Yan Chuan both showed a look of fear, exclaiming in shock.

Their intermediate-level Immortal Magical Artifacts were actually shattered by this little beast before them with three punches!

If they hadn’t seen it with their own eyes, they would never have believed this fact!

Everyone fiercely battling in the distance also saw this scene, dumbfounded by the shock!

Yang Luo actually destroyed Immortal Magical Artifacts with his bare hands, it was simply too fierce, too overbearing!

“Hahaha...”

Yang Luo laughed wildly and boldly, looking up and saying with a booming voice, “What bullshit Immortal Magical Artifacts, do they only have this little power?!”

Although he had long known the ‘Undying Golden Body’ was extremely strong!

But now he had a deeper understanding of this body refining technique, every time it increased a level, the strength of his physical body would soar a great deal!

He really wondered, when he cultivated to the ninth level, how strong would his physical body become!

By then, perhaps just one punch could shatter the sun, the moon, and the stars!

“Damn it!”

Han Jinpeng snarled ferociously, “I don’t believe we can’t kill you, little beast, if we join forces!”

“We must kill this little beast, kill him!”

Jiang Yan Chuan also roared out.

The two did not hesitate at all, continuously mobilizing the energy within their bodies!

Long hair flying, robes fluttering, the two were completely enraged, determined to kill Yang Luo!

Chapter 2612: Dual Seals Released, Extinguishing the Golden Immortal!

“Heaven and Earth Five Elements, Xuanjin Sword Sea!”

“Heaven and Earth Five Elements, Qianchuan Wanhe!”

Han Jinpeng and Jiang Yanchuan fiercely swung their long swords and halberds, launching a ferocious attack.

Countless black-gold flying swords gathered in the sky, forming a sea of swords, surging towards Yang Luo!

One by one, gray-brown mountains rose up from the sword sea, crashing towards Yang Luo!

Watching as the sword sea surged forward and the mountains crashed in!

Yang Luo charged forward like a berserk dragon, unleashing a furious punch!

Rumble!

With one punch, heaven and earth trembled, and all directions shook!

A massive golden fist, like a golden sun, surged upward!

In a flash!

Rumble!

The surging sword sea and crashing mountains were all shattered in the sky by this punch!

A path seemed to be punched through the firmament, with massive rays of light and energy surging from above!

Yang Luo stepped forward, breaking through the energy and light, charging towards Han Jinpeng and Jiang Yanchuan!

In the blink of an eye!

He directly shot up into the sky, twisting his fists, and fiercely struck at Han Jinpeng and Jiang Yanchuan!

“Watch out!”

“Block it!”

Han Jinpeng and Jiang Yanchuan shouted in alarm, raising their weapons to defend!

Clang!

With an earth-shattering collision sound, the weapons in their hands were smashed into pieces, scattering!

After shattering their weapons, both fists heavily smashed into their chests!

“Puh puh...”

Han Jinpeng and Jiang Yanchuan spat out blood and fell from the sky!

However, Yang Luo’s onslaught did not end; he quickly formed seals and shouted!

“Nine Emperor Dragon Seal!”

“Primordial Dragon Seal!”

In an instant!

An enormous crimson seal condensed in the sky, emitting dazzling crimson light, like a piece of red agate, crystal clear!

Inscribed on it were the Primordial Sacred Dragon Totem and mysterious runes, exuding vast and majestic dragon might and dragon qi!

With the release of the seal, heaven and earth shook, causing everyone fighting in the distance to turn their heads and look over!

“Kill!”

With Yang Luo's earth-shattering roar!

Rumble!

The Primordial Dragon Seal continued to enlarge and pressed heavily towards Han Jinpeng and Jiang Yanchuan below!

It seemed as if this whole world was about to collapse, terrifying beyond comprehension, as if carrying the will of "Primordial Sacred Dragon" Long Jiu'er!

"What kind of seal is this, why is it so powerful?!"

Jiang Yanchuan exclaimed in shock.

"Counterattack, quickly counterattack!"

Han Jinpeng shouted loudly.

Without weapons, they could only unleash immortal techniques to fiercely attack the Primordial Dragon Seal!

Bang! Bang!

Explosive sounds and crashes resounded without end!

Their attacks were all shattered, exploding into waves of energy and light!

Although the Primordial Dragon Seal paused for a moment, it soon continued pressing down!

They dared not hesitate and continued their fierce assault!

“Again!”

Yang Luo’s eyes were cold, and his right hand formed a seal again, striking below!

“Starry Sky Dragon Seal!”

In an instant!

A large blue seal condensed, engraved with the Starry Sky Sacred Dragon Totem, along with sun, moon, stars patterns, and runes!

The seal continued to enlarge, with vast dragon might, overflowing dragon qi, as if containing the will of “Starry Sky Sacred Dragon” Long Youlan!

Both seals descended together, like two towering mountains falling!

Rumble!

The attacks from Han Jinpeng and Jiang Yanchuan were all crushed, exploding into overwhelming light and energy!

Several blood wounds burst open on their bodies, with blood splashing uncontrollably!

“This seal technique is too strong, we can’t withstand it, retreat quickly!”

Han Jinpeng suddenly came to his senses and rapidly retreated.

Jiang Yanchuan also wanted to retreat, but it was already too late!

“You brat, you won’t kill me!!!”

He roared, mobilizing all the energy in his body, unleashing many killing moves towards the descending seals!

But no matter how fierce his attacks were, they still couldn’t withstand the crushing force of the seals!

He became increasingly panicked, feeling the threat of death!

Daring not to hesitate, he quickly gathered layers of defense!

However, he still couldn’t resist!

All his gathered defenses were crushed!

“You brat, I’ll fight you to the end!”

Jiang Yanchuan shouted, his Essence Soul shot out from his body, charging towards Yang Luo!

“Annihilate...”

Yang Luo calmly said, pressing down with his right hand!

In an instant!

Bang!

Bang!

The Primordial Dragon Seal crushed Jiang Yanchuan's physical body!

The Starry Sky Dragon Seal crushed Jiang Yanchuan's Essence Soul!

Fragments of blood and bone splashed everywhere, shocking and horrifying!

Until Jiang Yanchuan was completely dead!

The Primordial Dragon Seal and Starry Sky Dragon Seal still hovered in the sky, not dispersing, emitting dazzling immortal light, spreading vast dragon might and dragon qi!

The scene fell silent.

Everyone stared dumbfoundedly at this scene, unable to recover for a long time.

After a long pause.

The whole place erupted in cheers and excitement!

"Oh my god, what kind of seal technique did Mr. Yang use that could be so incredibly powerful?!"

"With the release of the twin seals, not only did Han Jinpeng flee, but Jiang Yanchuan was directly annihilated!"

"Mr. Yang is truly terrifying and powerful, he's simply invincible in the same realm!"

The disciples of the Yu Lei Immortal Sect exclaimed in shock, their gazes filled with admiration for Yang Luo.

"Damn!"

Bujie excitedly punched the air, “Brother Yang is so domineering, where did he learn such heaven-defying seal techniques?!”

Ning Jianfeng scratched his head, said: “What’s going on, why does Brother Yang learn new cultivation techniques every so often, and they’re all freakishly strong?!”

Qin Zhanhuang sighed, “Brother Yang has too many secrets, we can never fathom them!”

Flame Emperor, international Diva, and Mo Qingkuang all stared blankly at Yang Luo.

Although they already knew that Yang Luo would learn new cultivation techniques and even acquire new powerful Dharma artifacts from time to time.

But every time they saw it, they were still shocked.

They felt as if there was an invisible, untouchable master secretly teaching Yang Luo all along.

“Dead... Guardian Jiang was actually killed by this brat!”

“Guardian Jiang was a Golden Immortal, how could this brat so easily slay Guardian Jiang?!”

“This brat killed Guardian Li, and now he’s killed Guardian Jiang, it’s truly despicable!”

The disciples of the Five Elements Immortal Sect roared in anger, both fearful and hateful towards Yang Luo.

“You brat, you’re courting death!!!”

A Guardian from the Five Elements Immortal Sect roared, breaking through the encirclement and charging towards Yang Luo.

This Guardian was named Sun Yu, at the Golden Immortal Middle Stage, excelling in Fire Based Immortal Technique.

“You brat, give me your life!!!”

Han Jinpeng also shouted, charging from afar.

Chapter 2613: Warm-up Over!

Seeing Sun Yu and Han Jinpeng attack simultaneously!

Yang Luo’s eyes were cold and indifferent, he waved his hand!

The Primordial Dragon Seal and Starry Sky Dragon Seal soared into the sky, striking toward Sun Yu and Han Jinpeng!

“Burning Sky Immortal Slaying Saber!”

Sun Yu swung the green flame long saber in his hand, slashing fiercely!

The green flame giant blade cleaved a Cloud Sea, with a green Fire Sea surging upward!

The overwhelming saber intent, Power of the Heaven and Earth Dao, and Fire Attribute Law Power erupted simultaneously!

“Xuanjin Breaking Sky Fist!”

Han Jinpeng twisted his fist and struck madly!

A Black Gold Giant Fist, carrying surging fist intent, the Power of Heaven and Earth Dao, and metal attribute power, slammed upwards!

Clang! Clang! Clang!

The earth-shaking impact and explosion sounded simultaneously, penetrating clouds and splitting rocks, echoing throughout the Yu Lei Immortal Sect's territory!

The Primordial Dragon Seal and Starry Sky Dragon Seal exploded simultaneously in the sky!

The offensive launched by Sun Yu and Han Jinpeng was completely destroyed!

The two of them were also blasted hundreds of meters away before they stabilized themselves!

Sun Yu stared viciously at Yang Luo and said, "You little brat, this seal technique should be your strongest method, right?"

Though your seal technique is formidable, it can't do anything to us!"

Han Jinpeng said harshly, "You little brat, you killed Guardian Li and Guardian Jiang. We would have to kill you a thousand times, ten thousand times to feel avenged!"

"Who said that the seal technique I used was my strongest method?"

Yang Luo chuckled lightly, then stretched his arms and legs, saying, "Alright, warm-up is over, now comes the real fight!"

At this statement!

Sun Yu and Han Jinpeng both were taken aback!

What does he mean?

Warm-up is over?

Could it be that this brat was just warming up, not showing his true power?

Han Jinpeng frowned, saying, "Could it be that this brat's strength is far more, that he has other hidden methods?"

"Impossible!"

Sun Yu snorted coldly, saying, "This guy is merely at the early stage of Golden Immortal, how strong could he really be!

In my opinion, this guy killing Guardian Jiang was pure luck, you were careless!"

"Hmm, makes sense!"

Han Jinpeng nodded, also not believing Yang Luo had hidden more powerful abilities.

Sun Yu thunderously said, "Don't hesitate anymore, let's kill this guy quick!"

"Alright!"

Han Jinpeng nodded in agreement.

Thereupon, the two stepped out, charging towards Yang Luo together!

In the midst of the charge!

A terrifying green flame surged out from within Sun Yu, transforming into a green Fire Sea, surging upward!

A Black Gold immortal light burst forth from Han Jinpeng, shooting wildly towards Yang Luo!

Yang Luo neither dodged nor retreated, immediately shouting!

“Dragon Emperor Sword!”

Clang!

Accompanied by a crisp sword cry!

The Dragon Emperor Sword flew directly out from his storage ring, grasped by him in hand!

He wielded the Dragon Emperor Sword, dazzling golden light burst forth, slashing heavily forward!

Swoosh!

The enormous golden sword tore the sky, cutting through the Cloud Sea, the sword intent rolled, the killing aura surged!

Clang! Clang! Clang!

The surging green Fire Sea, the blasting Black Gold immortal light were all slashed to annihilation!

“Uuah...”

Han Jinpeng, unable to react, had a long bloody gash cut across his chest, flesh overturned, blood splattered!

Although Sun Yu retreated in time, his chest too was slashed open, blood flowing out!

“Turns out this guy is a sword cultivator, with an extraordinary sword!”

Han Jinpeng gritted his teeth, wishing to swallow Yang Luo whole.

Sun Yu said solemnly, “This guy is a bit strange, be careful!”

“Understood!”

Han Jinpeng nodded.

“Kill!”

Yang Luo uttered a killing sound, holding the Dragon Emperor Sword, charging at Han Jinpeng and Sun Yu!

Seeing Yang Luo charging to kill!

Han Jinpeng and Sun Yu simultaneously unleashed powerful killing moves!

“Heavenly Fire Burning Immortal!”

“Xuanjin Immortal Map!”

Blue Fire Waterfalls shattered the Cloud Sea, pouring down from the Cangqiong, striking towards Yang Luo!

A Black Gold Immortal Map carrying majestic heavenly power and metal attribute Law Power enveloped the sky, suppressing to kill Yang Luo!

Yang Luo was utterly unfazed, his entire being trembling, with all kinds of blood essence boiling within him!

“Beast Blood Boiling!”

“Roar! Roar! Roar!”

Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun, Qiongqi, Taowu simultaneously rose, letting out roars, charging towards the sky!

Clang! Clang! Clang!

The descending Fire Waterfall, the suppressing Immortal Map were all smashed to pieces, causing earth-shattering explosions!

“What... What’s going on with this guy, how does he contain so much Divine and ferocious beast essence blood?!”

“You know, how domineering these Divine and ferocious beast blood essence are; how did he suppress them and allow them to coexist within him?!”

Sun Yu and Han Jinpeng both exclaimed, staring slack-jawed.

While the two were in a daze!

Yang Luo once again deployed a killing move, swinging the sword in his hand vigorously!

“Chaos Slaughter Array Map!”

In the blink of an eye!

A golden array map condensed, carrying immense killing aura, dragon qi, and dragon might, suppressing to kill Sun Yu and Han Jinpeng!

The two were shocked, one wielding a sword, the other a fist, striking back!

Clang! Clang! Clang!

In an earth-shattering explosion!

The two were simultaneously blasted away, spitting blood, their bodies also blasted to be drenched in blood!

Yet, Yang Luo did not give the two any breathing room, again deploying a killing move!

“Great Dao Dragon Diagram!”

The Golden Dragon Totem condensed in the sky, continually expanding, slowly rotating high above!

The next second!

“Roar! Roar! Roar!”

Tens of thousands of dragon illusions roared out, charging at Sun Yu and Han Jinpeng!

“What’s going on with this brat, why does he have so many bizarre and powerful cultivation techniques?!”

“Is this his real strength, has he really been hiding his power all along?!”

Sun Yu and Han Jinpeng cried out, nearly driven mad.

It wasn’t just Sun Yu and Han Jinpeng.

The disciples of the Yu Lei Immortal Sect were also dumbstruck, staring in disbelief!

Especially Lei Dongtian, Chi Yanzhou, and Gu Yunsong, they were even more speechless!

Although they had long known that Yang Luo was quite powerful, otherwise he couldn’t have slain Li Wenxu and Jiang Yan Chuan, the two Golden Immortal Protectors!

But they never expected that Yang Luo had indeed been hiding his strength all along, not having unleashed his strongest power until now!

They were very perplexed by how strong Yang Luo really was and how many powerful killing moves he knew!

Li Weizhao, Chen Yingnan, and Huang Shiyu were all no less stunned, finding it incredible!

This moment.

Sun Yu and Han Jinpeng dared not hesitate anymore, only able to summon all their power to counterattack!

“Immortal Fire Burning Wilderness!”

“Xuanjin Sea of Fury!”

A blue Fire Sea and a golden sea of light soared into the sky, surging towards the roaring tens of thousands of dragon illusions!

Clang! Clang! Clang!...

Boom! Boom! Boom!...

The sounds of collision and explosion resounded continuously, reaching out for thousands of miles...

Chapter 2614: The Five Seals Are Released!

At the very moment when Sun Yu and Han Jinpeng were desperately resisting!

Yang Luo shuddered all over, once again unleashing a killing move!

Emperor Dragon Sword Domain, Endless Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Purple Thunder Immortal Domain, Fire Phoenix Immortal Domain—seven major Dharma Domains rose behind him, unleashing suppression and kill!

The seven-layered Dharma Domains burst forth, covering the sky, terrifying and boundless!

Countless flying swords and immortal light shot out explosively!

There were lightning bolts striking, flames burning, ice surging, dragons flying, and phoenixes dancing!

Sun Yu was dumbfounded with fear, shouting loudly: “Don’t hold back, use your strongest power to counterattack!”

“Alright!”

Han Jinpeng shouted back forcefully.

The two mobilized the energy within them continuously, then simultaneously activated their Dharma Idols!

Two colossal Dharma Idols stood towering in the sky, their heads reaching the heavens, their feet treading the void, incredibly imposing!

They led their Dharma Idols in relentless assaults, shattering the roaring dragon illusions and suppressing the oncoming seven-layered Dharma Domains!

But, just at that moment!

“Slash!”

A thundering roar suddenly came from above!

The two abruptly looked up!

Only to see, who knows when, Yang Luo had already appeared above them, and had opened his Dharma Idol!

The Dharma Idol stood towering in the sky, holding a golden sword, shimmering in golden light, like an ancient Sword Immortal descending upon the world!

Yang Luo and his Dharma Idol swung their swords simultaneously, slashing heavily towards Sun Yu and Han Jinpeng!

“Watch out!”

Sun Yu shouted in alarm, leading his Dharma Idol, swinging his blade to meet the attack!

While Han Jinpeng, led his Dharma Idol, swung his fist to counter!

In an instant!

Clang! Boom!

The earth-shattering collision resounded incessantly, shaking the heavens and earth, disturbing the eight directions!

Sun Yu and Han Jinpeng joined forces, barely holding off Yang Luo’s onslaught, but their bodies were continuously pushed down!

“Can you withstand it?”

Yang Luo sneered mockingly and once again unleashed a killing move!

“Twelve Shaman Primal Heavenly Art!”

In the blink of an eye!

Twelve Ancestral Witches stood towering, like twelve giant gods, or twelve Fiend Celestials, swallowing the world with might unmatched!

“What kind of cultivation technique is this?!”

“Why are the twelve Ancestral Witches appearing?!”

Sun Yu and Han Jinpeng were on the verge of madness.

Yang Luo had too many killing moves, one after another, seemingly endless!

As the twelve Ancestral Witches stood up, the immortal light on their bodies radiated, their eyes captivating, charging down simultaneously!

“Ugh...”

“Ah...”

Sun Yu and Han Jinpeng couldn’t hold on any longer, letting out painful screams, falling down!

Boom...

Boom...

The two crashed heavily into a valley, smashing the ground into two giant humanoid craters!

Their Dharma Idols also exploded in the air, turning into vast swathes of light and energy, scattering!

“Crush them!”

Yang Luo swung his sword again, giving the order.

His Dharma Idol and the twelve Ancestral Witches dove down together, charging at Sun Yu and Han Jinpeng!

“Fight this little beast to the death!”

“I don’t believe the two of us together still can’t kill this little beast!”

Sun Yu and Han Jinpeng roared out, charging into the sky, mobilizing their energies to the limit!

“Five Elements Immortal Technique, Chaotic Heaven and Earth!!!”

In unison, they let out a resounding roar, unleashing one of the Absolute Skills of the Five Elements Immortal Sect!

Their scattered long hair flew wildly, the bloodied, torn robes fluttered, and Five Elements Immortal Light flickered on their bodies!

Boom boom boom!

Ten immortal rainbows erupted from their bodies, like ten immortal rivers, piercing the Jiutian, soaring upwards!

These ten immortal rainbows contained vast energy, surging Power of Great Dao of Heaven and Earth, and formidable Power of Five Elements Law, seemingly annihilating and obliterating all!

Bang rumble!

Boom rumble!

Amid the earth-shattering collision and explosion sounds!

Yang Luo's Dharma Idol and the individual Dharma Idols were successively destroyed, exploding in the air!

Yang Luo was naturally aware of this immortal technique of the Five Elements Immortal Sect!

More than half a month ago, that dog Li Wenxu had also used this immortal technique!

However, back then it was only Li Wenxu alone, so the power wasn't enough!

But now, with Sun Yu and Han Jinpeng combining their forces, it is indeed terrifying!

However, Yang Luo did not retreat or evade, forming seals with his left hand, shouting forcefully!

"Nine Emperor Dragon Seal!"

"Primordial Dragon Seal!"

"Starry Sky Dragon Seal!"

Two huge seals materialized simultaneously, expanding and growing, carrying turbulent dragon qi, overwhelming dragon might, pressing towards the rising ten immortal rainbows!

Seeing this, Sun Yu and Han Jinpeng's faces changed dramatically, shouting in shock once more!

"Heaven and Earth Five Elements, smelting the nine heavens!!!

In an instant!

The ten immortal rainbows overlapped and fused, transforming into one, clashing against the two huge seals!

After the ten immortal rainbows fused, they became even thicker, like a pillar of immortal light, upholding the heavens and earth!

Moreover, the power of this immortal rainbow surged again by an unknown multiple, the Five Elements strength contained within it became even more formidable!

Clang rumble!

The two huge seals clashed fiercely with this immortal rainbow, neither giving way!

However, the power of this immortal rainbow was indeed formidable and withstood the crush of the two huge seals!

“Hahaha...”

Sun Yu laughed triumphantly, “Little beast, your seals are indeed strong, but wanting to kill us is simply wishful thinking!

Looks like your strength is just this!”

Han Jinpeng sneered viciously, “It’s indeed hard for us to kill you, but you want to kill us, it’s impossible!”

“Oh?”

Yang Luo squinted with a smile, “Do you really think my strength is just this?”

“What do you mean?”

“Do you still have some tricks?”

Sun Yu and Han Jinpeng frowned tightly, somewhat anxious and uneasy.

Yang Luo spoke calmly: “Haven’t you noticed?”

I’ve been merely testing moves with you all along...”

Speaking, he raised his left hand, continuing to form seals!

“Primordial Dragon Seal!”

“Chaos Dragon Seal!”

“Ancient Dragon Seal!”

In an instant!

Three more huge seals materialized in the air!

The Primordial Dragon Seal bore the Holy Dragon Totem, representing Long Tianchi’s will!

The Chaos Dragon Seal bore the Chaos Holy Dragon Totem, representing Long Daoyi’s will!

The Ancient Dragon Seal bore the Primordial Divine Dragon Totem, representing Long Xinghe’s will!

Rumble rumble rumble!

The Five Directions Dragon Seals simultaneously pressed down, causing massive tremors in heaven and earth, eight directions shaken, annihilating all ten directions!

Under the crush of the Five Directions Dragon Seals, the immortal rainbow formed by the power of the five elements was directly shattered!

“No, quickly fight back!”

“Hold it off, you must hold it off!”

The two yelled out, launching fierce attacks into the sky!

But, no matter how fierce their attacks were, they couldn’t withstand the crush of the Five Directions Dragon Seals!

“Retreat!”

Sun Yu shouted in fear, using all his power to quickly flee!

However, Han Jinpeng couldn’t escape, his eyes filled with extreme terror!

“No...ah!!!”

With a scream of extreme agony.

Rumble rumble rumble!

The Five Directions Dragon Seals crushed his physical body completely, extinguishing his Essence Soul...

Chapter 2615: So What If We Fall Out!

In an instant.

The whole place fell into silence.

Everyone stared blankly at Yang Luo, all of them dumbfounded.

“Mr. Yang’s power is terrifying, Jiang Yan Chuan and Han Jinpeng were both killed one after another!”

“The key point is, even though Sun Yu and Han Jinpeng joined forces, they still couldn’t do anything to Mr. Yang!”

“Could it be that Mr. Yang is not only invincible in the same realm, but can also leap levels to kill his enemies?!”

The disciples of the Yu Lei Immortal Sect were shocked, their gazes towards Yang Luo filled with increasing awe and admiration.

Even those engaged in fierce battle, like Lei Dongtian, Chi Yanzhou, and Gu Yunsong, were deeply shaken.

Yang Luo being able to kill Jiang Yan Chuan under the joint attack of his opponents was already unbelievable to them.

But unexpectedly, not long after, Yang Luo killed Han Jinpeng as well.

Such strength is simply frightening!

They even doubted if Yang Luo was really just at the Golden Immortal Early Stage?

“Guardian Han is dead too... Guardian Han is dead as well!”

“Including Guardian Li, this little beast has already killed three of our Five Elements Immortal Sect’s guardians, damn it!”

“We must kill this boy, kill him!”

The remaining thirty-odd disciples of the Five Elements Immortal Sect roared in hatred towards Yang Luo.

“Little beast, this old man will definitely tear you to pieces!”

Elder Li Weizhao roared in anger, charging towards Yang Luo to strike.

“Don’t even think about harming Little Friend Yang!”

Lei Dongtian naturally wouldn’t give him the chance and blocked Li Weizhao.

Li Weizhao’s eyes were fierce, he immediately waved his hand!

Black flames spewed out from his body, turning into waves of fire, charging towards Yang Luo!

Lei Dongtian, on the other hand, amassed the power of lightning from within him and unleashed it!

Golden lightning bolts raged out, clashing with the black flames!

Boom, rumble!

Rumble, rumble!

The flames and lightning collided in the sky, causing a series of earth-shattering crashes and explosions!

In the sky above, large areas of flames and lightning burst forth!

Li Weizhao shouted angrily: “Lei Dongtian, do you really want to completely fall out with our Yu Lei Immortal Sect for this little beast?!”

Lei Dongtian said in a loud voice: “So what if we fall out? You want to harm Little Friend Yang, we will never agree!”

“Melee!!!”

Li Weizhao was furious and charged at Lei Dongtian once more.

Steadfast and unafraid, Lei Dongtian also charged at Li Weizhao.

In the distant sky.

Yang Luo looked up at Sun Yu and said coldly: “Didn’t you say I couldn’t kill you all just now, what about now?”

Sun Yu stared at Yang Luo, his brow twitching.

Yang Luo's power had already exceeded his imagination.

This little beast's cultivation was clearly lower than his, so why wasn't he his match?

Moreover, why did this little beast have such rich combat experience and so many deadly moves?

What exactly is the background of this little beast?

In his daze!

Yang Luo took a step forward, directly charging at him!

Now he and the Five Elements Immortal Sect were at a point of no return!

Even if he didn't provoke the Five Elements Immortal Sect, they would find every possible way to kill him!

Since that's the case, he would show no mercy either!

“Little beast, I’ll fight you to the death!”

Sun Yu shouted, unleashing his full momentum and combat power, activating his Dharma Idol, and charged towards Yang Luo!

Yang Luo also activated his Dharma Idol, charging at Sun Yu!

In an instant!

Yang Luo and Sun Yu launched a heaven-shaking battle in the sky!

Clang, clang, clang!...

Boom, boom, boom!...

The sounds of sword clashes, energy collisions, and explosions resounded non-stop!

Vast rays of light and energy rippled upward to the sky, crashing downward to the mountain-protecting array!

After battling fiercely for hundreds of rounds!

Accompanied by the sound of “rumble” explosions!

Yang Luo and Sun Yu were both blasted away!

Sun Yu was already covered in scales of injuries, his body bloodied and flesh torn, blood splattering in the air!

Yang Luo also had lines of blood exploding on his body, dyeing his clothes red with blood!

Their Dharma Idols exploded in the sky!

After being blown away for hundreds of meters!

Yang Luo quickly stabilized himself, holding the Dragon Emperor Sword, he continued charging at Sun Yu!

Seeing Yang Luo approaching!

Sun Yu immediately channeled his energy to the extreme, waving his hand!

“Heaven and Earth Burning Wilderness Array!”

“Ten Directions Extinguishing Immortal Saber Formation!”

“Five Elements Origin-Returning Array!”

In the blink of an eye!

The three types of grand array formations formed, trapping Yang Luo inside!

“Formation, activate!”

Sun Yu directly activated the three grand arrays.

Brilliant green flames erupted, turning into a green sea of fire, surging towards Yang Luo!

Countless green flame long sabers shot out from all directions!

Additionally, the power of the five elements turned into immortal rainbows, charging out!

“Explode for me!!!”

Yang Luo was not afraid, shouting fiercely.

He swung his sword frantically and directly unleashed multiple deadly moves, fiercely attacking the formations!

The Dharma Idol stood tall, swinging the sword at the formations!

The Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts stood up, roaring forward!

Twelve Ancestral Magi also stood tall, crashing forward!

In a brief moment!

Boom, boom, boom!

The three grand arrays couldn't hold on, completely collapsing and exploding!

The power of the explosion was extremely terrifying, directly blasting Sun Yu away!

Yang Luo, however, crashed through the massive energy waves, like a god or demon, continued charging towards Sun Yu!

Seeing Yang Luo approaching like a mad demon!

Sun Yu was terrified, immediately summoning his artifact!

"Green Flame Umbrella!"

A green flame treasure umbrella flew out, instantly expanding!

The Green Flame Umbrella opened, erupting with brilliant green flames, charging towards Yang Luo!

His Green Flame Umbrella was also an intermediate-level immortal magical artifact, its power extremely strong!

Yet, Yang Luo was not afraid, and he too summoned his artifacts!

“Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror!”

In an instant!

Four artifacts flew out simultaneously, expanding in the wind, crashing towards the Green Flame Umbrella!

During the collision!

Tens of thousands of golden dragons, black dragons, purple dragons, and blue dragons roared out!

Dragon talismans flew out one after another, suppressing and killing forward!

Boom, boom, boom!

The surging green sea of fire was entirely destroyed, exploding into a sky full of flame rain, scattering around!

After destroying the sea of fire, the four artifacts continued to crash forward, directly knocking the Green Flame Umbrella away!

“One more!”

Yang Luo waved his hand, summoning another artifact.

“Dragon Soul Tao Seal!”

In an instant!

A scarlet treasure seal flew out, carrying ancient and wild aura, expanding in the wind like a mountain of red gemstones, crashing forward!

Perhaps finally seeing daylight again, the Dragon Soul Tao Seal trembled violently, seemingly very excited!

“Roar, roar, roar!”

Tens of thousands of scarlet giant dragons roared out, crashing forward!

Boom, boom, boom!

Under the impact of the five artifacts, the Green Flame Umbrella could no longer withstand it, entirely shattering and exploding, turning into countless fragments, scattering in all directions!

“What?!”

Sun Yu’s face changed greatly, obviously not expecting his artifact to be shattered just like that.

This kid’s artifacts, what on earth are they, why is their power so great?

Chapter 2616: Endless Bushi!

Bujie, who was fiercely battling in the distance, exclaimed in surprise, “Damn, when did Brother Yang get such a powerful Dharma artifact?!”

Ning Jianfeng, Ji Longyue, and the others were bewildered, completely unaware of what was happening.

However, although they were shocked, they weren’t surprised.

After all, Yang Luo acquired a new Dharma artifact every now and then.

It was as if Yang Luo had a treasure trove hidden within him.

At this moment.

Sun Yu, seeing his Dharma artifacts shatter one by one, felt his heart sink.

He dared not fight any longer and turned to flee.

“Where do you think you’re going?!”

Yang Luo roared, immediately channeling the energy within him and swung the sword in his hand!

“Heaven and Earth Furnace!”

“Dragon Rebel Sword Formation!”

“Nine Revolutions Thunder Annihilation Formation!”

“Primordial Dragon Prison Array!”

“Three Thousand Star Domain Formation!”

In an instant!

A gigantic furnace, sword formation, thunder array, dragon formation, and star formation took shape, trapping Sun Yu inside!

Yang Luo spoke coldly, “You scum, didn’t you try to use an array formation to kill me earlier? Now taste the power of my formations!”

He said, waving his large hand!

“Formation, activate!”

The furnace and four-layered array formation activated simultaneously!

Rampant golden-red flames surged forth, intending to burn everything to ashes!

Flying swords shuttled, giant dragons roared!

The Thunder Sea surged, Rushou charged, storming upward!

The sun, the moon, and the stars revolved, shooting out beams of stellar light!

“Trying to use an array formation to kill me? Keep dreaming!”

Sun Yu shouted and launched a fierce attack, attempting to destroy the array.

Yet, no matter how he retaliated, he couldn't destroy the array.

The barrage from the array continuously bombarded Sun Yu's body.

“Ahhhhh...”

Sun Yu screamed miserably, his flesh splattering, a truly ghastly sight.

“Elders, save me!”

He cried out for help.

But Li Weizhao and the other five elders were tied up by Lei Dongtian and couldn't come to his aid.

As for the disciples of the Five Elements Immortal Sect, they had all been slaughtered, leaving no one to rescue him.

Yang Luo's eyes gleamed with killing intent as he harshly spoke, "Still hoping for rescue, die already!"

With that, he waved his large hand once more!

"Primordial Sacred Dragon Formation!"

In the blink of an eye!

Another great formation came into being, once again trapping Sun Yu!

The entire formation shone with a crimson glow, illuminating the sky, as if covering the heavens in a dazzling display!

Vast and mighty dragon qi and dragon might spread from the formation, sweeping across the world!

“Roar roar roar!”

Tens of thousands of crimson giant dragons roared in unison, colliding with Sun Yu!

Yang Luo raised his left hand, clenched his five fingers, and let out a thunderous shout!

“Explode!”

In an instant!

Boom boom boom!

The furnace and all formations simultaneously shattered and exploded!

The vast heavens and earth trembled violently, and a massive mushroom cloud rose into the sky!

All kinds of energy and light mingled in the sky, transforming into a vast sea of energy light, surging in all directions!

Not until the sea of energy light gradually dispersed!

Sun Yu's physical body and Essence Soul were completely annihilated, erased from existence!

Everyone was deeply shocked once again!

Yang Luo not only slew Han Jinpeng and Jiang Yan Chuan of the same realm, but even defeated Sun Yu who was one minor realm above him!

Too powerful!

Incredibly strong, defying the heavens!

And at this moment!

"Uh..."

A groan of pain came from afar.

Li Weizhao was blasted away by Lei Dongtian, spewing a mouthful of blood, with wounds all over his body.

Seeing this, Yang Luo's heart stirred!

Now is the chance!

Yang Luo charged upward wildly, channeling his energy to the extreme!

While rushing forward!

He let out a sky-shaking howl!

"Twelve Shaman Primal Heavenly Art!"

"Twelve Ancestor Witches-Fusion!"

Before everyone's eyes!

The twelve Ancestral Magi stood towering and then quickly fused!

And at the moment of the twelve Ancestral Witches' fusion!

Rumble rumble rumble!

The entire Yu Lei Immortal Sect's sky and earth seemed to quake violently!

A colossal golden giant thousands of feet tall rose, holding a golden giant axe, long hair flowing, rugged features, fierce and majestic, domineering!

"What...what is this?!"

"Is it the legendary Pangu Emperor?!"

"My God... Mr. Yang can actually summon the Pangu Emperor?!"

"Even though it's just an illusion... the aura and pressure are terrifying!"

The disciples of the Yu Lei Immortal Sect exclaimed, trembling all over.

“Heaven Creation Splitting Nine Axes!”

“One Axe Suppressing Mountains and Rivers!”

With Yang Luo’s mighty shout!

Pangu Emperor swung the golden giant axe in his hand, slashing fiercely toward Li Weizhao!

Rumble rumble!

With a single axe, the heavens quaked, the eight directions shook, the ten directions trembled, and the qiankun were unstable!

Li Weizhao instantly awoke, sensing the immense pressure!

Without any hesitation, he immediately channeled his energy, wielded the sword in his hand, and met the attack head-on!

Clang clang clang!

Boom boom boom!

With a sound that shook the heavens, the world turned chaotic, and the shattering collisions and explosions erupted!

At the point of collision, a large area erupted with light and energy!

The energy and light that burst forth seemed to pierce the cangqiong, shattering the mountain-protecting array!

Because Yang Luo's move came too quickly, even though Li Weizhao blocked it, he was still struck!

"Uh..."

He let out a cry of pain, sent flying backward, with a long gash splitting open on his chest, blood splattering into the air.

After swinging one axe!

Yang Luo's qi was depleted by one-third, but he could still sustain Pangu Emperor!

Li Weizhao shouted desperately, "Go!"

At that, he and the other four severely injured elders and three heavily injured Law Enforcers launched a terrifying attack at Yang Luo and the others!

A barrage of attacks came crashing in, intending to obliterate Yang Luo and his group!

"Two Axe Yin Yang!"

Yang Luo roared out again.

Pangu Emperor swung the second axe!

Lei Dongtian and the others also launched their counterattacks!

Boom boom!

Rumble rumble!

A barrage of attacks collided and exploded in the sky!

A gigantic ball of energy light exploded in the sky, seemingly engulfing heaven and earth!

Until all the energy and light dispersed!

Only to see, in the expanse above, blood rained down, but Li Weizhao and the others were nowhere to be found!

And at this moment.

Roaring voices of rage came from far away.

“Lei Dongtian, our Five Elements Immortal Sect will remember this, we will not rest until we settle this account!”

“Lei Dongtian, can your Yu Lei Immortal Sect protect this kid for a moment, can you protect him for a lifetime?”

“Little beast, our Five Elements Immortal Sect will be relentless; we will crush you to smithereens, annihilate your Divine Soul!”

Upon hearing these voices.

Yang Luo’s expression turned somber, clenching his fists tightly.

Daluo Golden Immortal truly wasn’t someone he could contend with right now.

Bujie cursed loudly, “A bunch of bastards, if you have the guts, don’t run!”

“Damn it, come back and battle us for three hundred rounds!”

Ning Jianfeng echoed with a shout.

Chapter 2617: You can also refine weapons?

Lei Dongtian gazed coldly into the distance for a moment, then commanded, “Clean up the battlefield!”

“Yes!”

The disciples of the Yu Lei Immortal Sect responded.

Lei Dongtian then turned to Yang Luo and others, saying, "Everyone, let's go inside the main hall for a conversation!"

"Sure!"

Yang Luo and his companions nodded.

Afterward, Yang Luo and his group left this sky above and returned to the main hall of the main peak.

Back in the hall, Yang Luo treated everyone's injuries.

After the treatment was complete.

Yang Luo sighed lightly and said, "Elder Lei, I'm sincerely sorry for troubling you all."

Lei Dongtian waved his hand and said, "Little Friend Yang, the Five Elements Immortal Sect has grievances with our Yu Lei Immortal Sect, so this is nothing troublesome.

Moreover, had you not healed our injuries and helped us break through in cultivation, we might not have been able to wash away the humiliation of that day today."

"Exactly."

Chi Yanzhou chimed in, saying, "Little Friend Yang, it was because of your help this time.

We were able to kill their five Law Enforcers, over a hundred elite disciples, and heavily injure Li Weizhao and others, greatly avenging ourselves."

Gu Yunsong looked at Yang Luo and sighed, "Little Friend Yang, upon finally meeting you today, we realized your strength has reached such a level!

Even Sun Yu, Han Jinpeng, and Jiang Yan Chuan weren't your match and were slain by you!"

Lei Ming also praised, "Little Friend Yang, you truly shocked us earlier!

The techniques you used were unheard of and unseen before!"

"By the way, Little Friend Yang, what was that final move you used?

Why could it summon the twelve Ancestral Witches and merge them to evoke the Pangu Emperor?"

Lei Dongtian curiously asked.

Everyone else also looked at Yang Luo.

Yang Luo replied, "This technique is called 'Twelve Shaman Primal Heavenly Art,' which I learned on Earth.

Perhaps this technique was created by the twelve Ancestral Witches and left on Earth."

"I see."

Lei Dongtian nodded knowingly and said, "It seems the realm where you reside is indeed remarkable."

Yang Luo sighed softly and said, "Respected elders, although I possess various killing techniques and Dharma artifacts, as well as rich combat experience.

Still, I am only at the Golden Immortal Early Stage cultivation in the supremely strong Jiuzhou Immortal Domain, with strength that amounts to little."

Lei Dongtian faintly smiled and said, "Little Friend Yang, achieving Golden Immortal status at such a young age is already very commendable.

As long as you dedicate yourself to cultivation, with your talent and comprehension, it won't be long before your cultivation and power grow even stronger."

Chi Yanzhou, Gu Yunsong, Lei Ming, and others nodded in full agreement with Yang Luo's words.

They saw boundless potential in Yang Luo.

Then.

Lei Dongtian glanced at Chi Yanzhou and others, then addressed Yang Luo, saying, "Little Friend Yang, I sincerely invite you and your friends to join our Yu Lei Immortal Sect.

If you can join our sect, we can also ensure your safety, preventing the Five Elements Immortal Sect from harming you."

"Indeed, Little Friend Yang, why not join our sect?"

"We genuinely wish to invite you, to nurture you well!"

"Little Friend Yang, we hope you'll consider it!"

Chi Yanzhou, Gu Yunsong, and others also extended invitations.

Witnessing the power of Yang Luo and his companions today, they were truly astonished and wanted them to join the Yu Lei Immortal Sect.

Yang Luo bowed and said, "Respected elders, thank you for recognizing me and my brothers, and for your sincere invitation!

However, my brothers and I have our own matters to attend to, and I'm afraid we cannot join!

Of course, even if we don't join the Yu Lei Immortal Sect, we will still be the best of friends!

If you ever need our assistance, we'll surely help!"

Mo Qingkuang also cupped his hands, saying, "We hope the respected elders can understand!"

Flame Emperor, Xiang Kunlun, and others also cupped their hands, expressing gratitude.

Lei Dongtian sighed heavily and said, "Well then, each has their own aspirations, since you and your friends are unwilling to join, we will not force you."

Chi Yanzhou and others shook their heads and sighed.

"Thank you, Elder Lei, for understanding!"

Yang Luo expressed his gratitude.

Lei Dongtian slightly furrowed his brow and said, "Little Friend Yang, now that the Five Elements Immortal Sect seeks your demise.

Once you leave the Yu Lei Immortal Sect, they will definitely target you."

Upon hearing this.

Yang Luo furrowed his brow as well.

He didn't expect that they've only just arrived at the Jiuzhou Immortal Domain, and already encountered significant trouble.

He and his brothers didn't want trouble, yet trouble sought them out.

Moreover, they can't stay in the Yu Lei Immortal Sect forever.

After all, he still needs to find Gu Tianshang and others, leading his brothers to reunite with their ancestors.

More importantly, he must continue to hone his skills, elevate his cultivation and power, and swiftly unseal the remaining four bronze dragon coffins to let the rest of the four seniors out.

Only when all seniors are out can their Essence Souls be restored, their physical bodies reformed, allowing him to meet his parents and master.

Bujie ranted, "Brother Yang, what is there to fear, if the Five Elements Immortal Sect continues to trouble us, we might as well fight them!"

Ning Jianfeng also said, "If we can fight, we'll fight; if not, we'll flee!"

Lei Dongtian pondered for a while, then waved his right hand.

Several jade talismans flew from his sleeve, suspended in the air.

"Friends, take these jade talismans.

As long as you remain within Huangzhou, you can use these jade talismans to contact us.

If you encounter any trouble later, you can use these jade talismans to reach us."

As he spoke, Lei Dongtian waved his right hand.

The jade talismans flew towards Yang Luo and others.

Yang Luo and others received the jade talismans, expressing gratitude: "Thank you, Elder Lei!"

"Since we are friends, such thanks are unnecessary."

Lei Dongtian waved his hand, continuing, "However, if you leave Huangzhou, I'm afraid you won't be able to reach us."

Yang Luo shook his head and said, "No worries, we appreciate the assistance we can receive while in Huangzhou."

As he said this, he suddenly thought of something and asked, "By the way, Elder Lei, where can we find materials for refining weapons?"

"Refining weapons?!"

Lei Dongtian was stunned, asking in surprise, "Little Friend Yang, you can refine weapons?!"

Yang Luo nodded, replying, "I know a little."

Lei Dongtian was immediately taken aback, "Little Friend Yang, you not only have high cultivation talent, know medicine, and alchemy, you also can refine weapons?!"

"How skilled are you?!"

Chi Yanzhou, Gu Yunsong, and Lei Ming all stared at Yang Luo, evidently taken aback.

Even Flame Emperor and others were surprised.

They were unaware that Yang Luo could refine weapons.

“Whoa!”

Bujie stared at Yang Luo in awe, asking, “Brother Yang, why didn’t we know you could refine weapons?”

Chapter 2618: Don’t Want to Give Up!

Ning Jianfeng pursed his lips and said, “Brother Yang, you’re not being fair, keeping it from us for so long!”

Yang Luo shrugged helplessly and said, “I didn’t mean to hide it; it’s just that back on Earth, it wasn’t useful.”

Lei Dongtian was still a bit unwilling, asking, “Little Friend Yang, won’t you consider joining our Yu Lei Immortal Sect?”

“Yeah, why not think it over again?”

“Little Friend Yang, we truly admire you!”

Chi Yanzhou, Gu Yunsong, Lei Ming, and others all looked at Yang Luo eagerly, continuing to persuade him.

They felt Yang Luo was simply a treasure.

If they could recruit Yang Luo into their sect, once he grows, he would surely lead their sect to soar.

Yang Luo laughed awkwardly and said, "Honorable seniors, I've made up my mind, no need to persuade me anymore."

Lei Dongtian was tearless, saying, "Little Friend Yang, it seems you and our Yu Lei Immortal Sect are really not meant to be!"

Yang Luo merely scratched his head, unsure what to say.

Lei Dongtian sighed a long sigh and said, "Little Friend Yang, in our Huangzhou, there is a place called 'Immortal Desolate Ancient Mine'.

There are many natural treasures there, and every hundred years, rare Immortal Gold Divine Iron is born.

If you want to look for refining materials, you can visit there; maybe you'll find the materials you need."

"Immortal Desolate Ancient Mine..."

Yang Luo muttered, taking out the map of Jiuzhou Immortal Domain to browse.

Sure enough, the position of Immortal Desolate Ancient Mine was indeed recorded in the Huangzhou section.

Lei Dongtian continued, "However, every year, many people from various Immortal Sects, Immortal Clans, Immortal Countries, and Holy Lands go to Immortal Desolate Ancient Mine to seek natural treasures.

I guess the good natural treasures have already been taken.

Of course, you can also try your luck; you might find some good natural treasures."

“Understood.”

Yang Luo nodded.

At this moment.

Lei Dongtian took out a storage bag and handed it to Yang Luo, “Little Friend Yang, here are some excellent medicinal herbs and natural treasures I’ve collected; you might find them useful.”

“Little Friend Yang, take this!”

“Although these things are far from repaying you for your healing grace, they represent a small token from us!”

Chi Yanzhou and Gu Yunsong also took out a storage bag, handing it to Yang Luo.

Yang Luo took the three storage bags and bowed, saying, “Thank you, esteemed seniors!”

Lei Dongtian waved his hand and said, “Just a small token, no need to thank.”

Yang Luo put away the storage bags and then said, “By the way, Elder Lei, I have a matter I’d like your assistance with.”

Lei Dongtian raised his hand and said, “Little Friend Yang, feel free to speak whatever you wish.”

Yang Luo said, “Elder Lei, to be honest, besides us, we have a group of friends who also came to Jiuzhou Immortal Domain.

However, because of chaotic space currents, we got separated.

We are looking for their whereabouts.”

“Oh...”

Lei Dongtian nodded knowingly and said, “What are your friends’ names and appearances? You should tell us.

Later, we will help keep an eye out, and if we have news, we’ll find a way to contact you.”

“Okay.”

Yang Luo nodded and then told Lei Dongtian the names of Gu Tianshang, Linghu Wuxie, and others.

Lei Dongtian then took out a long scroll and tossed it into the air.

The scroll opened, revealing a blank space.

He said, “Little Friend Yang, this kind of scroll is called a ‘Divine Thought Scroll’.

You can channel your energy into the scroll and then recall your friends’ appearances.

That way, your friends’ portraits will be imprinted on the scroll.

Let me demonstrate for you.”

He said, joining his right hand into a sword finger and channeling energy into the scroll.

In less than half a minute.

Yang Luo's appearance was imprinted on the scroll, lifelike and vivid.

"Wow, this is amazing?"

Bujie exclaimed, "Is this the so-called Immortal World printer?"

Flame Emperor and others were also stunned, not expecting such things to exist in the Upper World, far more convenient than cameras.

Yang Luo smiled and said, "This scroll is a great item, able to imprint a person's image without drawing."

Lei Dongtian took out another storage bag and handed it to Yang Luo, "Here are many 'Divine Thought Scrolls'.

Moreover, such 'Divine Thought Scrolls' aren't particularly rare and can be bought with spirit stones in the Ancient City."

Yang Luo nodded knowingly, then raised his right hand, joining his fingers into a sword finger, channeling energy into the Divine Thought Scroll, thinking about the appearances of Gu Tianshang and others in his mind.

Soon.

The appearances of Gu Tianshang and others were imprinted on the Divine Thought Scroll.

Lei Dongtian put away the Divine Thought Scroll and handed it to Lei Ming, saying, "Lei Ming, later, you can have people investigate everywhere."

"Yes!"

Lei Ming replied, putting away the Divine Thought Scroll.

Lei Dongtian smiled and said, "Little Friend Yang, you and your friends can stay with us for a few more days, explore around.

It's not late for you to go to Immortal Desolate Ancient Mine afterward."

"All right, then I'll bother everyone!"

Yang Luo nodded in agreement.

Come evening.

Yang Luo returned to the room arranged by Xie Junyi.

He took a shower, changed clothes, then sat cross-legged on the bed, entering Divine Sense Space.

He planned to inquire about the materials needed to repair the Immortal Suppression Pagoda.

Upon entering Divine Sense Space.

Yang Luo called, "Senior Jiu'er, I have something to inquire!"

Before the voice fell.

Long Xinghe, Long Daoyi, Long Tianchi, Long Youlan, and Long Jiu'er flew out from five bronze dragon coffins.

"Kid, what do you want to ask me?"

Long Jiu'er flew over, blinking her big eyes, asking a question.

Long Xinghe and the others also flew over.

Yang Luo said, "Senior Jiu'er, it's like this, I have a severely damaged Dharma artifact, and I want to repair it, what materials are needed?"

Long Jiu'er said, "Bring your Dharma artifact for me to see."

"Okay!"

Yang Luo responded, then summoned the Immortal Suppression Pagoda.

The palm-sized Immortal Suppression Pagoda flew over, hovering in the air.

The Immortal Suppression Pagoda had nine levels, its tower body full of cracks, now dull.

Long Jiu'er shook her head and said, "This small tower doesn't even count as an Immortal Magical Artifact and is too severely damaged.

It's basically a pile of scrap metal, why bother repairing it?

Aren't the artifacts we gave you enough for your use?"

Long Tianchi also said, "Kid, this small tower is nearly shattered and repairing it is very troublesome, maybe let it be."

Long Xinghe, Long Daoyi, and Long Youlan also shook their heads, thinking Yang Luo wasting energy on a broken tower wasn't worthwhile.

Yang Luo sighed and said, "Honorable seniors, you all don't know, even though the Immortal Suppression Pagoda doesn't count as an Immortal Magical Artifact, it has accompanied me through difficult times.

Moreover, it became this way to protect me.

If it can be repaired, I really don't want to abandon it."

Chapter 2619: Artifact Refining Treasure Book!

Upon hearing Yang Luo's words.

Long Jiu'er stared at Yang Luo with her big eyes and said, "You're really loyal and sentimental, having such deep feelings for a small tower."

Long Xinghe smiled faintly and said, "Jiu'er, since this boy wants to restore the small tower, why don't you help him."

"Alright."

Long Jiu'er nodded and said, "Boy, if you actually want to restore this small tower, you can do so with some common materials."

"Really?"

Yang Luo was overjoyed and summoned several storage bags, taking out some refining materials from them.

"Senior Jiu'er, can these materials restore the Immortal Suppression Pagoda?"

Long Jiu'er glanced at the materials and said, "These materials are mostly ordinary, and you can use them to restore this small tower.

However, even if it is restored, the small tower will not be able to upgrade to an Immortal Item.

Of course, if you want to enhance the rank of the tower, you can look for these specific materials."

Yang Luo asked, "What materials?"

Long Jiu'er replied, "These materials are Green Water Gold, Red Flame Copper, Nine Heavens Cold Iron, Earth Core Mysterious Stone, Hundred Refinement Divine Iron, and Divine Dragon Essence Blood.

As long as you find these six materials, you can not only restore the small tower fully, but also upgrade it to a High-level Immortal Magical Artifact.

Moreover, since you have such a bond with this small tower, it might awaken an Artifact Spirit, perhaps upgrading to a Spirit Grade Magical Artifact."

"Really?!"

Yang Luo got excited.

He hadn't expected that as long as he found the six materials mentioned by Senior Jiu'er, he could restore the Immortal Suppression Pagoda and upgrade it to an Immortal Magical Artifact, perhaps even to a Spirit Grade.

If the Immortal Suppression Pagoda awakens its Artifact Spirit and upgrades to a Spirit Grade Magical Artifact, he wondered how powerful it would be.

"Of course it's true, I am an Artifact Refining Master, would I lie?"

Long Jiu'er raised her head and suddenly exclaimed in surprise, "Eh... Could this be 'Red Flame Copper'?"

As she spoke, she waved her right hand.

A palm-sized copper block, burning with red flames, flew over from the pile of materials.

Yang Luo quickly asked, "Senior Jiu'er, is this really 'Red Flame Copper'?"

"No mistake, this is 'Red Flame Copper'."

Long Jiu'er nodded, then said, "Now that you have 'Red Flame Copper', you only need to find the other five materials to restore this small tower.

However, the other five materials are hard to find, you may have to spend some effort."

Yang Luo said, "It's okay, as long as I can restore the Immortal Suppression Pagoda and enhance its rank, spending some effort is worth it."

Long Jiu'er said, "Boy, now I will teach you an ancient tome of artifact refining, called 'Artifact Refining Treasure Book'.

It records various natural treasures, explanations of each, and methods to refine various weapons and magical artifacts.

You should study it well; it can greatly improve your refining skills."

"Yes, yes!"

Yang Luo nodded repeatedly.

Then, Long Jiu'er raised her right hand and tapped Yang Luo's forehead with a finger.

Yang Luo immediately felt a book appear in his mind.

As the tome flipped open, he could see depictions of various natural treasures, their names, properties, and methods for refining weapons and magical artifacts recorded inside.

Long Jiu'er said, "Boy, if you can thoroughly study the 'Artifact Refining Treasure Book' and completely master the 'Ten Thousand Tribulations Refining Technique' that I taught you,

then you can become a top-tier Artifact Refining Master in the entire Jiuzhou Immortal Domain."

Yang Luo nodded and said, "Senior Jiu'er, I will definitely study hard and learn well, and not disappoint your expectations!"

Long Jiu'er nodded, looking on maturely, "Boy, keep it up, I'm rooting for you!"

Seeing Long Jiu'er's mature demeanor, Yang Luo wanted to laugh but held it in.

He didn't want to get beaten up by this girl again.

Afterwards, Yang Luo chatted with Long Jiu'er and the others for a while before leaving the Divine Sense Space.

After leaving the Divine Sense Space, Yang Luo focused on reading the 'Artifact Refining Treasure Book'.

Looking at the recorded natural treasures and explanations inside, Yang Luo felt they were profound and wonderful beyond words.

If he could thoroughly study this tome, he could later help Bujie and Xu Ying to enhance the rank of their weapons and magical artifacts too.

Thinking of this, Yang Luo remained fully focused and continued to delve into the 'Artifact Refining Treasure Book'.

...

At the same time.

Within the territory of the Five Elements Immortal Sect.

The entire sect spanned thousands of miles, with mountains rising and falling, and peaks towering in layers.

Ancient palace halls and pavilions were perched upon high mountains.

The heavens contained vast and majestic power of the five elements, mysterious beyond measure.

At this moment.

In the main peak hall 'Five Elements Hall', the lights were bright, and people were seated.

Huge pillars supported the grand hall, and five element patterns were engraved on the pillars.

Guan Shanyue, Sect Master of the Five Elements Immortal Sect, sat in the chief position.

Elder Li Weizhao, Chen Yingnan, Huang Shiyu, Song Cixiu, Wang Yanqing, and other elders, along with some guardians, sat on both sides.

"The Yu Lei Immortal Sect is really going too far, do they want to start a war between our two great sects?"

“We only wanted some irrelevant people from them, but they not only refused, but dared to kill members of our Five Elements Immortal Sect. Truly hateful!”

“Sect Master, I suggest we directly take people and flatten their Yu Lei Immortal Sect!”

The elders and guardians present roared angrily, their emotions high.

“Everyone, please calm down!”

Guan Shanyue raised his hand slightly, his face darkening, “The grudge with Yu Lei Immortal Sect will be remembered for now, we will settle accounts with them later!

Right now, the priority is to kill that brat named Yang Luo!

That brat killed Guardian Li, Guardian Han, and Guardian Jiang. This grudge must be avenged!”

Huang Shiyu frowned and said, “Sect Master, now that brat Yang Luo is hiding in the Yu Lei Immortal Sect!

Moreover, Lei Dongtian and those people are willing to tear faces with us to protect that boy!

If we want to kill that boy, we might have to start a war with the Yu Lei Immortal Sect!”

“Hmph!”

Li Weizhao snorted coldly, his eyes fierce, “So what if there’s a war, are we afraid of them?”

His hatred for Yang Luo was to the utmost, he wanted to consume Yang Luo alive.

Yang Luo not only killed his son but also injured him.

He, a dignified Daluo Golden Immortal, was actually injured by a Golden Immortal, truly humiliating.

Guan Shanyue said in a deep voice, "Elder Li, the power of the Yu Lei Immortal Sect equals ours!

If we declare total war with them just because of Yang Luo, we might suffer significant casualties, which isn't worth it!"

Li Weizhao angrily said, "Sect Master, what do you suggest, should we just swallow this anger?"

Guan Shanyue pondered for a moment and said, "If the brat Yang Luo continues to hide in the Yu Lei Immortal Sect territory, we might indeed be helpless against him!

However, as long as this brat leaves the Yu Lei Immortal Sect, we will have the opportunity to kill him!"

Chapter 2620: Prepare on Both Fronts!

Li Weizhao said with a sinister gaze, "If that little bastard keeps hiding in the Yu Lei Immortal Sect, won't we be unable to get our revenge?"

Chen Yingnan gritted his teeth and said, "Our Five Elements Immortal Sect is a Great Sect in Huangzhou, yet we have suffered a major loss at the hands of a young brat!

If this matter spreads, where will our sect's reputation stand?"

"Elder Chen is right. I say we gather our forces immediately and launch a direct attack on the Yu Lei Immortal Sect!"

"If the Yu Lei Immortal Sect dares to obstruct us, we'll destroy them along with him!"

“Our Five Elements Immortal Sect cannot be insulted, and this enmity must be avenged!”

The other elders and Law Enforcers were filled with righteous indignation, shouting loudly.

Guan Shanyue furrowed his brow and said, “Elders, Law Enforcers, please hear me out.

Even if we truly want to annihilate the Yu Lei Immortal Sect, we must be fully prepared.

If we can recruit other Great Sects for help, our chance of destroying the Yu Lei Immortal Sect will be greater.”

He paused for a moment.

He continued, “Elders, Law Enforcers, I propose that during this period, we make dual preparations!

We can send people to keep an eye on that little bastard Yang Luo, and as soon as he leaves the Yu Lei Immortal Sect, we will strike immediately!

Besides, we can offer some benefits to recruit other sects to join us in dealing with the Yu Lei Immortal Sect!

The Yu Lei Immortal Sect is a treasure land, as the ley lines there contain powerful Thunder Elemental Power!

Moreover, the Yu Lei Immortal Sect also possesses many powerful Thunder Attribute Techniques!

As long as we can destroy them, everything there will be ours!”

“Alright, let’s do it!”

“I don’t believe that little bastard Yang Luo will stay hidden in the Yu Lei Immortal Sect forever!”

“Once we destroy that little bastard, we’ll focus on dealing with the Yu Lei Immortal Sect and see how they fight us!”

Li Weizhao, Chen Yingnan, Huang Shiyu, and others laughed sinisterly.

...

In the blink of an eye, ten days passed.

During these ten days, Yang Luo spent all available time studying the “Artifact Refining Treasure Book,” preparing to repair the Immortal Suppression Pagoda.

Of course, in addition to studying the “Artifact Refining Treasure Book,” he also drank tea and discussed Dao with Lei Dongtian and others, sharing cultivation insights and realizations.

As for cultivation, he naturally did not neglect it.

In the Jiuzhou Immortal Domain, there were experts everywhere.

If his strength was insufficient, he and his brothers would find it difficult to move even a step forward.

Strength!

He needed to continue enhancing his strength!

Ten days later, in the morning.

On the square of the main peak.

Yang Luo and others were bidding farewell to Lei Dongtian and his group.

“Little Friend Yang, are you leaving so soon? Won’t you stay a few more days?”

Lei Dongtian asked reluctantly.

Chi Yanzhou, Gu Yunsong, Lei Ming, and others also felt reluctant.

After getting along with Yang Luo and his group for the past few days, they had grown to admire them more and more.

Yang Luo said, “Seniors, we have disturbed you for many days, and it’s time for us to leave.

After all, we still have matters to attend to and cannot linger here much longer.”

“Alright, in that case, we won’t keep you.”

Lei Dongtian sighed, then said, “Little Friend Yang, if you ever encounter trouble in the future, be sure to contact us.”

“Mm!”

Yang Luo nodded and said, “Elder Lei, if you require assistance in the future, you can also contact us at any time!”

“Good!”

Lei Dongtian laughed heartily and said, “Take care, young friends!”

“Take care!”

Yang Luo and his group cupped their hands in salute.

Soon after, Yang Luo departed from the Yu Lei Immortal Sect with Bujie and the others.

It wasn't until Yang Luo and his group disappeared from view that Lei Dongtian and his colleagues retracted their gaze.

Chi Yanzhou stroked his beard and remarked, “These young fellows have remarkable cultivation talent, yet they are neither arrogant nor haughty and remain humble; it's truly commendable!”

Gu Yunsong said with a smile, “I'm afraid the Jiuzhou Immortal Domain will be stirred up by the arrival of these youngsters—Stormy Wind and Clouds!”

Lei Dongtian clasped his hands behind his back and said, “I have a premonition that the names of these youngsters will echo throughout the Jiuzhou Immortal Domain in the future!

Having established a good rapport with them will greatly benefit the development of our Yu Lei Immortal Sect!”

Chi Yanzhou and Gu Yunsong nodded in complete agreement with Lei Dongtian.

Lei Dongtian turned to Lei Ming and said, “Lei Ming, have someone keep an eye on the Five Elements Immortal Sect these days. I'm worried those people might be plotting against Little Friend Yang and his group!”

“Yes, Elder Lei!”

Lei Ming nodded in response.

...

After flying away from the Yu Lei Immortal Sect.

Bujie asked, "Brother Yang, are we heading to the Immortal Desolate Ancient Mine now?"

"That's right!"

Yang Luo nodded and took out a map, "The Immortal Desolate Ancient Mine is a bit far from here; we need to speed up!

If we can find suitable materials there, I can also help you enhance your weapons and Dharma artifacts!"

"Holy crap! Really?!"

Bujie's face lit up with joy, "Haha, if my Heavenly Dragon Zen Staff can be upgraded, its power will be even greater!"

Ning Jianfeng chuckled, "Brother Yang, make sure to upgrade my sword when the time comes!"

"Brother Yang, I'm counting on you to enhance my weapon too!"

"Brother Yang, you have to help me boost the power of my weapons and Dharma artifacts too!"

"Brother Yang, don't forget about me!"

Ji Longyue and Tantai Puti, among others, all spoke up, eager for Yang Luo to help enhance their weapons and Dharma artifacts.

Yang Luo couldn't help but laugh, "Don't worry, as long as we find suitable materials, I'll upgrade all your weapons and Dharma artifacts!"

"Haha, thank you, Brother Yang!"

"Following Brother Yang is indeed awesome!"

Bujie and the others laughed heartily.

Yang Luo put away the map, waved his hand, "Onward to the Immortal Desolate Ancient Mine!"

"Onward!"

Bujie and the others shouted in unison.

Thereafter, Yang Luo and his group picked up speed, heading straight for the Immortal Desolate Ancient Mine.

Along the way, Yang Luo and his group mostly focused on traveling, pausing only occasionally to rest.

During the journey, Yang Luo constantly monitored the surroundings.

Now that they had left the Yu Lei Immortal Sect,

he couldn't rule out the possibility of the Five Elements Immortal Sect making a move against them.

Of course, on the journey, Yang Luo and the others kept sensing Gu Tianshang and his allies' presence, attempting to contact Gu Tianshang and the others.

However, much to their dismay, they could not perceive Gu Tianshang and his allies' presence nor establish contact with them.

Three nights later.

Yang Luo and his group arrived near an Ancient City.

"Brother Yang, there's an Ancient City ahead!"

Bujie pointed with excitement at the distant Ancient City, "We can finally have a hearty meal and a good drink!"

Yang Luo and the others looked up.

Sure enough.

A few miles away was an enormous Ancient City.

The grey-black city walls stood a hundred zhang high, with the vigorous characters "Bahuang City" carved above the gate.

The Ancient City was bustling, with elders entering and leaving frequently.

Yang Luo waved his hand, "Let's head into the city for a break!"

"Alright!"

Bujie and the others responded.
