

Super Insane Doctor of the Goddess

#Chapter 2621: 2621: Picking Up the Bargain! - Read Super Insane Doctor of the Goddess Chapter 2621: 2621: Picking Up the Bargain!

Chapter 2621: Chapter 2621: Picking Up the Bargain!

After flying into the Ancient City.

Yang Luo and his group landed on the streets of the city.

The city was bustling with people coming and going, with many shops and street vendors shouting their wares, making it quite prosperous and lively.

Mo Qingkuang glanced around and said, "It seems that not everyone in the Jiuzhou Immortal Domain is a true immortal; there are still quite a few ordinary people."

"These ordinary people are probably the indigenous residents of the Jiuzhou Immortal Domain."

Yang Luo responded, then said, "Let's go, let's find an inn to eat something first."

Everyone nodded.

Then, Yang Luo and the others found an inn, ordered some food and wine, and began to eat.

Mo Qingkuang took a sip of wine and said, "Brother Yang, where exactly are Senior Gu and the others? Why can't we find any trace of them along the way?"

Xu Ying analyzed, "If Senior Gu and the others have also landed in the Jiuzhou Immortal Domain, then they are quite likely in other provinces."

"That's possible."

Yang Luo nodded and said, "Of course, Senior Gu and the others might also be in Huangzhou.

After all, each province in the Jiuzhou Immortal Domain is very large; just Huangzhou alone is much bigger than our Earth.

It is precisely because of this that we cannot perceive the presence of Senior Gu and the others."

Lin Wenxuan fiddled with his wine cup and said, "I estimate that Senior Gu and the others are also trying to find us now."

Bujie gnawed on a chicken drumstick, guzzling wine, and, with his mouth full of oil, said, "This Jiuzhou Immortal Domain is so big, when will we be able to find Senior Gu and the others?"

Yang Luo said, "As long as we make enough of a name for ourselves in the Jiuzhou Immortal Domain, Senior Gu and the others will naturally know."

By then, even if we don't go looking for Senior Gu and the others, they will come looking for us."

Bujie nodded and said, "That's a good idea!"

Ji Longyue slightly frowned and said, "Brother Yang, why has there been no movement from the Five Elements Immortal Sect these days? Could it be they stopped seeking trouble with us?"

Yang Luo squinted his eyes and said, "Li Weizhao and those guys are very sinister and cunning, they definitely won't let us go easily."

Therefore, we still need to be cautious during this time."

"Hmm!"

Ji Longyue and the others nodded.

After finishing their drinks.

Tantai Puti suggested, "We've had our fill, why don't we go for a walk in the city and get a feel for the local culture?"

"Good idea!"

Song Zhixin nodded repeatedly.

Yang Luo nodded and said, "Alright, let's go for a stroll."

He was also planning to see if he could find the materials he needed in the city.

After leaving the inn.

Yang Luo and his group started wandering in the city.

Flame Emperor, Song Zhixin, and Tantai Puti wandered from shop to shop and from vendor to vendor, buying a lot of things.

Meanwhile, Yang Luo spread out his divine sense to perceive the natural treasures sold by the shops and vendors.

However, most of these natural treasures were very ordinary, with only a very few having some value.

However, as they were passing by a vendor, Yang Luo suddenly stopped, his gaze falling on a rusty iron piece.

“Young man, I’ve got good stuff here, and it’s very cheap. Have a look!

See this excellent ten-thousand-year-old Cold Iron and thousand-year-old sunken wood, used to refine Immortal Weapons and Dharma artifacts!

And this Life Fruit and Dragon Pattern Grass can be used to refine immortal pills!”

The vendor’s owner was a middle-aged fat man, his face full of smiles, boasting about his goods.

Bujie rolled his eyes and said, “I say, boss, your boasting is through the roof!

Your things are deficient in spiritual energy, they’re just a pile of junk!”

The middle-aged man was immediately displeased, “You monk, what nonsense are you spouting!

If you don’t want to buy, then fine, don’t disturb my business!”

Bujie shrugged and said, “Brother Yang, let’s leave and look elsewhere!”

But Yang Luo did not leave; instead, he picked up the palm-sized rusty iron and asked, “Boss, how many spirit stones for this piece?”

“Ah?”

The middle-aged fat man was taken aback, “Young man, you want this?”

Inwardly, he was thinking, does this kid know nothing?

This piece of rusty iron was something he found in a barren mountain, completely used as filler, having no value at all.

“That’s right.”

Yang Luo nodded, "Name your price."

Bujie reached out to feel Yang Luo's forehead, "Brother Yang, you don't have a fever, do you? Why buy a rusty piece of iron?"

Ning Jianfeng added, "Brother Yang, this is just a rusty piece of iron, not any kind of treasure. Let's go see somewhere else!"

The middle-aged fat man, fearing Yang Luo would change his mind, quickly said, "Young man, if you truly want it, just three hundred spirit stones will do!"

"Alright, I'll give you three hundred spirit stones!"

Yang Luo agreed immediately.

Seeing Yang Luo agree directly.

The middle-aged fat man's mouth twitched.

If he had known this kid was a fool, he would have asked for three thousand spirit stones.

Bujie hurriedly tried to stop him, "Brother Yang, don't. Three hundred spirit stones could give us a good few meals, no need to waste it like this!"

Yang Luo didn't say much more; he took out a small bag of spirit stones and tossed it to the middle-aged man, then pocketed the rusty iron.

The middle-aged fat man received the spirit stones and immediately beamed with joy, "Young man, would you like to see anything else?"

"No need."

Yang Luo shook his head and left directly.

Bujie and the others quickly followed.

Just as Yang Luo and the others left.

Three middle-aged men in robes approached the vendor.

A thin middle-aged man in grey robes frowned and said, "Boss, where's that rusty iron piece?"

"What rusty iron?"

The middle-aged fat man was taken aback, "What rusty iron?"

The grey-robed middle-aged man angrily said, "The rusty iron that was just here, where did it go?"

The middle-aged fat man replied, "A young man bought it!"

"Which young man?"

The grey-robed middle-aged man urgently asked.

The middle-aged fat man pointed towards Yang Luo in the distance, and said, "That young man there bought it!"

"Let's go!"

The grey-robed middle-aged man waved his hand, leading the other two men after them.

The middle-aged fat man scratched his head, "What's up with these elders, why are they all so fond of a rusty chunk, treating it like a treasure?"

Hmm, I should find more rusty pieces in the future and sell them for a good price!"

Meanwhile, on the road ahead.

Bujie said speechlessly, "Brother Yang, you don't seem like someone who would misjudge things. Why did you spend so many spirit stones to buy a rusty iron?"

Yang Luo smiled lightly and said, "Don't be fooled by that rusty iron's plain appearance; it's actually a material I need, called 'Hundred Refinement Divine Iron.'

The value of this 'Hundred Refinement Divine Iron' is definitely more than three hundred spirit stones; even at three hundred thousand spirit stones, someone would buy it.

Besides the 'Hundred Refinement Divine Iron,' if I can find a few more materials, I can repair the Immortal Suppression Pagoda and even upgrade its level."

"Oh my god!"

Bujie's eyes widened, "Brother Yang, you're so sly, you snagged such a big bargain?!"

Chapter 2622: Chapter 2622: Killing and Seizing Treasure!

Ning Jianfeng chuckled and said, "I knew Brother Yang wouldn't have misjudged it. So this rusty iron hides a secret!"

Bujie hurriedly said, "Brother Yang, let me take a look. What's different about this piece of rusty iron?"

"Yeah, yeah, let us see it quickly!"

Song Zhixin echoed repeatedly.

Ye Luange and the others were also very curious.

After all, they had just sensed that the rusty iron had weak spiritual energy, or rather none at all, and they couldn't see anything special about it.

However, since Yang Luo said that the rusty iron is a treasure, it must be true.

Yang Luo said, "Don't rush. There are too many eyes here. I'll show you back at the inn."

"Alright!"

Everyone nodded.

But just then.

Yang Luo felt a stir in his heart and noticed that three auras were approaching them.

He narrowed his eyes and said, "Someone is coming after us, we must leave here immediately!"

"Huh?! Who's coming after us?!"

"Could it be people from the Five Elements Immortal Sect?!"

"Are they really unable to resist taking action against us?!"

Bujie and the others were shocked and hurriedly looked back.

Sure enough, amidst the crowd behind them, three figures were rushing towards them at high speed.

Bujie was stunned for a moment and said, "Damn, someone is really chasing us, and it's three of them!"

"Let's go!"

Yang Luo shouted grimly, immediately soaring into the sky and flying rapidly into the distance.

Bujie and the others also soared into the sky and followed him.

“That kid noticed us, chase him!”

The three middle-aged men behind them also soared into the sky, following in pursuit.

After leaving Bahuang City.

Yang Luo and his group flew in front while the three middle-aged men pursued relentlessly from behind.

“It’s strange, are those three guys really from the Five Elements Immortal Sect?

If they truly are from the Five Elements Immortal Sect, why are there only three of them?”

Bujie asked in confusion.

Mo Qingkuang also spoke up, “If they were truly people from the Five Elements Immortal Sect, there’s no way they’d send only three people after us!”

Ye Luange and the others nodded, also finding it very strange.

Yang Luo naturally sensed that something was off.

He could perceive that the three middle-aged men chasing them all had early-stage Golden Immortal cultivation.

If they were really sent by the Five Elements Immortal Sect to kill them, they would not have dispatched only three early-stage Golden Immortals; it would be nothing short of suicidal.

Thinking of this.

Yang Luo voiced, “Let’s lead them to a deserted place and ask these three guys what they really want!”

Ye Luange and the others nodded.

They flew further out over a hundred miles.

Until reaching the sky above a jungle, only then did Yang Luo and his group stop.

In the vast forest, aside from some mutated beasts, there was not a soul in sight.

Just after they stopped, the three middle-aged men also arrived.

Yang Luo glanced at the trio and frowned, "I wonder what business the three of you have, chasing us all this way?"

One gray-robed middle-aged man coldly said, "Kid, did you just purchase a piece of rusty iron from a stall?"

Upon hearing this.

Yang Luo understood what it was about.

So these three guys were after the Hundred Refinement Divine Iron.

Yang Luo nodded and said, "That's right, I did buy a piece of rusty iron from a stall."

The gray-robed middle-aged man arrogantly asked, "How many spirit stones did you pay for it?"

"Three hundred."

Yang Luo uttered two words.

"Oh..."

The gray-robed middle-aged man nodded and said, "How about this, I'll give you three thousand, sell me that rusty iron!"

Yang Luo looked at the three of them and said, "Since you've chased all the way from Bahuang City, you must know that piece of rusty iron is the Hundred Refinement Divine Iron.

To be honest, the Hundred Refinement Divine Iron is very important to me. I am not selling it."

"Thirty thousand!"

The gray-robed middle-aged man made another offer.

"Kid, thirty thousand is already a lot. Don't be too greedy!"

"That Hundred Refinement Divine Iron is only valuable in the hands of an artificer. It's worthless in ordinary hands!"

The other two middle-aged men also spoke with arrogance, looking at Yang Luo and the others with disdain.

Earlier, they had sensed that among this group of youngsters, only Yang Luo was a Golden Immortal, while the others were all Heavenly Immortals, so they hadn't taken them seriously.

Yang Luo shook his head and said, "It's not a matter of being greedy or not, mainly because the Hundred Refinement Divine Iron is also very important to me.

Therefore, no matter how much you offer, I won't sell it.

If you have nothing else, we'll be taking our leave."

Saying this, Yang Luo prepared to leave with Bujie and the others.

"Stop!"

The gray-robed middle-aged man roared and said coldly, "Did I say you could leave?"

Hearing this.

Yang Luo frowned and said, "I said I'm not selling it. What more do you want?"

The gray-robed middle-aged man squinted his eyes and said, "Kid, do you know who we are?"

Another white-robed middle-aged man arrogantly declared, "Kid, listen well!

We are the Law Enforcers of the Lingbao Treasure Sect. I am Ma Shanjun!

These two are my seniors, Zhong Changgeng and Shen Jinfeng!"

Zhong Changgeng looked at Yang Luo disdainfully and said, "Now that you know who we are, hand over the Hundred Refinement Divine Iron quickly!"

Shen Jinfeng also said coldly, "If you don't, don't blame us for being ruthless!"

"What do you mean?"

Yang Luo's expression also darkened, "Are you planning to murder and steal?"

Zhong Changgeng said coldly, "Kid, if you obediently hand over the Hundred Refinement Divine Iron, we might just spare your lives.

But if you refuse, who knows what might happen!"

"Damn it!"

Bujie was furious and cursed, “Stop pretending, I don’t care what sect you belong to, get lost!”

Ning Jianfeng was also very angry and said, “My Brother Yang said it’s not for sale. Don’t you understand human language?”

Trying to murder for treasure, you don’t even qualify as members of the Immortal Sect. You’re just bandits and robbers!”

“That’s right, you’re shameless!”

Song Zhixin also scolded.

“Hahaha...”

Zhong Changgeng laughed loudly, “Enough, you little brats, stop bluffing!

This is your last chance, hand over the Hundred Refinement Divine Iron, and we’ll spare your lives!”

“Don’t force us to act!”

“Our patience is limited!”

Ma Shanjun and Shen Jinfeng also shouted threateningly.

“Damn it, Brother Yang, I can’t stand it anymore!”

Bujie roared, summoning the Heavenly Dragon Zen Staff, and charged fiercely towards Zhong Changgeng and the others!

“Beat them up!”

Ning Jianfeng also shouted angrily, summoned his weapon, and rushed forward!

“Roar!”

Big White let out a roar, leaping from Yang Luo’s shoulder, its form expanding over two hundred meters, like a mountain over the sky!

“Caw!”

A Hundred Cry Bird let out a cry, flying from Tantai Puti’s shoulder, expanding over two hundred meters, engulfed in blazing scarlet flames!

Ye Luange and the others also wore cold expressions, charging up together!

Chapter 2623: Chapter 2623: Impersonation!

In an instant!

Bujie and the others closed in on Zhong Changgeng and the other two, launching a fierce attack!

The three of Zhong Changgeng remained unmoved, their entire bodies trembling as they conjured up Protective Gang Shields!

Clang clang!

Boom boom!

The weapons wielded by Bujie and the others, along with their fists and palms, heavily smashed against the three-layer Protective Gang Shields, exploding with the sound of rumbling thunder!

The light was blazing, energy surged, causing this piece of heaven and earth and the forest to violently quiver!

Each old tree collapsed with a crash, exploding into vast pieces of wood chips!

The mutated beasts in the jungle were also frightened and fled swiftly!

However, Zhong Changgeng and the other two were solid Golden Immortals!

The attack from Flame Emperor and the others was fierce, but difficult to penetrate their defenses!

Zhong Changgeng smiled amiably, "Interesting, although you all are merely Heavenly Immortals, your prowess is not weak!

Tell me, which sect do you come from?"

Yang Luo's eyes flickered, he said loudly, "We come from the Five Elements Immortal Sect!

If you dare harm us, our Five Elements Immortal Sect will never spare you!"

Upon hearing Yang Luo's words, Bujie almost laughed out loud.

He instantly understood Yang Luo's intention.

Yang Luo was trying to cause trouble for the Five Elements Immortal Sect.

Indeed, Brother Yang, pretending to be someone from the Five Elements Immortal Sect, truly cunning!

“Five Elements Immortal Sect?”

“Are you really from the Five Elements Immortal Sect?”

“We have some acquaintance with the Five Elements Immortal Sect, yet we’ve never seen you.”

Zhong Changgeng, Ma Shanjun, and Shen Jinfeng frowned.

Bujie also shouted loudly, “Yes, we are from the Five Elements Immortal Sect!

We’ve just been accepted as disciples by the Five Elements Immortal Sect, it’s normal that you haven’t seen us!

If you dare harm us, our Five Elements Immortal Sect will surely send an army to crush your so-called Lingbao Treasure Sect!”

Ning Jianfeng also yelled, “Once the Law Enforcers and elders of our Five Elements Immortal Sect come to your Lingbao Treasure Sect, they’ll surely leave you in disarray!”

Zhong Changgeng’s eyes flickered, he asked sternly, “Since you are from the Five Elements Immortal Sect, what proof do you have?”

“This is the proof!”

Yang Luo shouted, trembling all over!

Boom boom boom!

Five Immortal rainbows rose from behind him, containing the power of the five elements: metal, wood, water, fire, and earth!

Upon seeing this scene.

The three of Zhong Changgeng furrowed their brows, somewhat skeptical.

Could these young ones truly be from the Five Elements Immortal Sect?

Zhong Changgeng shouted, “Many elders can control the power of the five elements, this is nothing special!

You need to show the jade talismans of the Five Elements Immortal Sect!”

“Who do you think you are, demanding so much from us!

Our Five Elements Immortal Sect is not to be trifled with!

You want to kill and steal treasures, we won't spare your lives!”

Yang Luo shouted, directly summoning the Dragon Emperor Sword, charging towards the three of Zhong Changgeng!

“Bastard!”

Zhong Changgeng roared, “Even if you are from the Five Elements Immortal Sect, my Lingbao Treasure Sect doesn't fear you!”

Ma Shanjun said, “First capture these young ones, then take them back to the sect, we'll know after investigation!”

“Alright, let's do it!”

Shen Jinfeng nodded.

With that, the three trembled all over!

Waves of grand pressure and aura like a mountain pressing forward erupted!

Bujie and the others were directly sent flying!

Just as Bujie and the others were sent flying!

Yang Luo had already charged forward, wielding the Dragon Emperor Sword, slashing towards the three!

Swipe!

Golden light flourished, illuminating the world!

A huge sword pressed the sky, cutting through the Cloud Sea!

The sword might and sword intent from this slash were incredibly terrifying!

“Be careful!”

Zhong Changgeng exclaimed, summoning an Immortal Sword, going up to meet it!

Ma Shanjun and Shen Jinfeng both summoned a saber and a spear, rushing up to meet it!

The saber and sword broke the sky, the spear swept horizontally, Immortal light flourished!

Clang clang!

Boom boom!

The crisp sounds of clashes and explosions erupted simultaneously, bursting into vast light and energy!

Under this sword!

The three of Zhong Changgeng were pressed to fall downward, with blood wounds cut open on their bodies!

Ma Shanjun's expression changed dramatically, gasping, "Damn, this kid's cultivation is the same as ours, why is his power so strong?!"

"Hmph!"

Zhong Changgeng snorted coldly, "Even if this kid is strong, he's only Golden Immortal Early Stage!"

The three of us joined forces, we can't subdue him?"

"Indeed!"

Shen Jinfeng nodded, "This kid is quite extraordinary, to subdue him, we must go all out!"

"Hmm!"

Zhong Changgeng and Ma Shanjun responded.

Then, the three trembled all over, constantly channeling the energy within their bodies!

Their hair flew, their robes fluttered, their bodies emitted dazzlingly bright light!

Waves of even grander pressure and aura spread out, causing the heavens and earth in all directions to tremble intensely!

"Together!"

Zhong Changgeng shouted, holding the Immortal Sword, charging towards Yang Luo in the sky.

Ma Shanjun and Shen Jinfeng also soared into the sky, attacking Yang Luo.

Bujie saw this, shouting loudly, "Brothers, let's hold off one of them first!"

"Alright!"

Ning Jianfeng and others responded in unison.

After that, Bujie and the others flickered, transforming into streams of light, surrounding Shen Jinfeng!

Shen Jinfeng's expression turned cold, "Can you bunch of Heavenly Immortals stop me?"

"Brothers, attack!"

Don't let them underestimate our Five Elements Immortal Sect!"

Bujie righteously shouted, wielding the Heavenly Dragon Zen Staff and charged up.

"Finish him off!"

"Kill this guy!"

Ning Jianfeng and others also shouted, attacking Shen Jinfeng.

As Bujie and the others engaged Shen Jinfeng in fierce battle!

Yang Luo also battled Zhong Changgeng and Ma Shanjun!

"Mixed Element Sword Technique!"

"Seven Absolute Saber Technique!"

Zhong Changgeng and Ma Shanjun simultaneously wielded the swords and sabers in their hands, slashed heavily towards Yang Luo!

Swipe swipe!

Stormy Wind and Clouds, the Void trembled!

A silver-gray giant sword and a dark-golden huge sword slashed out together!

Swoosh swoosh!

Countless flying swords and flying knives shot out towards Yang Luo!

“Dragon Emperor Sword Technique!”

Yang Luo shouted, wielding the sword in his hand, slashing diagonally out!

Swipe!

A golden giant sword tore through Changkong, creating a massive golden crescent in the air, stunningly brilliant!

“Roar roar roar!”

Dragon roar thundered, tens of thousands of golden giant dragons roared out and collided upwards!

Bang bang bang!

Boom boom boom!

The earth-shattering sounds of collisions and explosions echoed continuously, shaking the heavens in all directions!

Zhong Changgeng and Ma Shanjun thought definitely that going all out would suppress Yang Luo!

But, to their astonishment, they couldn’t suppress him at all!

“Uh...”

“Ah...”

The two let out cries of pain, simultaneously flying backward, their bodies cut open again with blood wounds, fresh blood splattering in the air!

Yang Luo hesitated not one bit, pressed forward like light and lightning, speed reaching the extreme!

On the way to charge ahead, Yang Luo also went all out, initiated numerous physique secret techniques!

Waves of pressure and aura like landslides and tsunamis spread out, shocking Zhong Changgeng and Ma Shanjun as they flew backward!

Chapter 2624: Chapter 2624: My Five Elements Immortal Sect Is Not Inferior to Others!

Zhong Changgeng and Ma Shanjun never expected that Yang Luo's pressure and aura would suddenly surge so dramatically!

Just as they were stunned!

“Slash!”

Yang Luo let out a thunderous roar, wielding the sword in his hand, slashing towards the two!

Swish!

This sword was even more terrifying, with magnificent sword might and Indestructible Sword Intent erupting simultaneously, as if to cut this sky apart!

“Be careful!”

Zhong Changgeng shouted in alarm, swinging his long sword to meet the attack!

Ma Shanjun also swung his saber, slashing up!

Clang clang clang!

The crisp collision sound exploded in the sky, sparking blinding firelight and energy!

The sword Yang Luo swung was too heavy; Zhong Changgeng and Ma Shanjun could not withstand it at all!

The terrifying sword intent directly shredded their protective True Qi, further carving hideous bloody gashes across their chests!

“Ah ah...”

The two cried out in pain, plummeting from the sky, splattering large swathes of fresh blood, crushing trees beneath and crashing onto the ground!

As they fell!

Yang Luo did not pause, mobilizing the strength of the blood essence within, swinging his sword again!

“Beast Blood Boiling!”

“Roar roar roar!”

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts let out earth-shaking roars, charging down!

Zhong Changgeng and Ma Shanjun's expressions drastically changed, soaring to the sky as they unleashed their killing moves!

"Mixed Element Unbounded Sword!"

"Seven Sabers Splitting the Firmament!"

A silver-gray giant sword, as massive as a mountain, soared to the sky like a rocket, erupting with sharp and terrifying sword might and intent!

Seven massive dark-golden giant swords also ascended together, slashing into the sky!

Boom boom boom!

Rumble rumble!

Shocking collision and explosion sounds echoed through heaven and earth, spreading in all directions!

Brilliant light and powerful energy intertwined, sweeping across like Raging Sea Violent Waves!

Zhong Changgeng and Ma Shanjun barely managed to block Yang Luo's move together!

But, before they could recover, Yang Luo launched another attack!

"Twelve Shaman Primal Heavenly Art!"

"Chaos Slaughter Array Map!"

Twelve Ancestral Witches from ancient times rose, charging down!

A golden array map, carrying overwhelming killing aura, descended like a golden firmament!

"How does this brat know so many powerful killing moves?!"

"Don't hold back... use all your strength to counterattack!"

Zhong Changgeng and Ma Shanjun were dismayed, channeling their internal energy to the limit!

They immediately activated their Dharma Idols, charging towards the sky!

Besides activating their Dharma Idols, they also summoned several Dharma artifacts to attack!

The Lingbao Treasure Sect, being an Artifact Refining Sect, specializes in refining weapons and artifacts, so each Law Enforcer had numerous artifacts!

However, these artifacts were not very high in rank, the highest being high-level Immortal Magical Artifacts, most others were early-stage and intermediate-level!

Seeing one after another artifact rushing to attack!

Yang Luo raised his left hand, quickly formed seals!

“Nine Emperor Dragon Seal!”

“Primordial Dragon Seal!”

“Starry Sky Dragon Seal!”

Two Dragon Seals instantly coalesced, continuously expanding like two towering mountains, pressing down heavily!

Boom boom boom!

Rumble rumble!

Collision and explosion sounds, shaking heaven and earth, resounded across the sky!

Zhong Changgeng and Ma Shanjun’s Dharma Idols were directly destroyed!

Many artifacts they had summoned were shattered, bursting into fragments that scattered everywhere!

“Kill!”

Yang Luo roared, diving down, crashing through a vast tide of energy, piercing through the scattered artifact fragments, attacking downward!

Zhong Changgeng and Ma Shanjun hadn’t even reacted when Yang Luo was upon them!

“Die for me!”

Yang Luo let out a roar, clenching his left fist, instantly channeling his body's physical strength and internal energy to the limit, then punched down!

Rumble rumble rumble!

The punch was terrifying to the extreme, causing a great tremor, shaking all directions!

Even, flames ignited on the fist, resembling the descent of a Fiery Meteor!

“Retreat!”

Zhong Changgeng shouted in terror, rapidly retreating to the side.

But Ma Shanjun was a half-beat slow.

“Brat, don't even think about it!”

Ma Shanjun shouted, swinging his saber fiercely, slashing upwards!

Clang clang!

The golden fist and saber collided heavily, erupting with a crisp explosion sound!

The next second!

Crack crack crack!

Ma Shanjun's saber was smashed into fragments with a single punch!

“What?!”

Ma Shanjun's face was filled with terror, evidently not expecting his weapon to be shattered by this brat's punch!

To know, this saber was an intermediate-level Immortal Weapon!

As he was stunned!

Bang!

Yang Luo's fist struck heavily upon his chest!

A muffled sound of “peng” was heard!

Ma Shanjun's physical body was smashed apart with a punch, exploding into a mass of flesh and bone!

“You little beast, die!”

Ma Shanjun’s Essence Soul emerged from the body, appearing as a fairy saber, emitting dazzling immortal light, charging at Yang Luo!

“It’s you who should die!”

Yang Luo bellowed, swinging his sword fiercely!

Splat!

Ma Shanjun’s Essence Soul was directly split in half, then dissipated into countless light dots!

“You... you!!!”

At a distance, Zhong Changgeng’s expression was filled with terror, preparing to flee.

He finally understood Yang Luo’s strength and horror.

If he did not flee now, his life might end here.

“Don’t even think of escaping!”

Yang Luo shouted, waving his sword!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared out!

The twelve Ancestral Witches rose again, charging up!

Seeing there was no escape!

Zhong Changgeng could only activate his Dharma Idol again, swinging his sword constantly!

Moreover, he also summoned several Dharma artifacts again, charging up!

Rumble rumble!

The area in the sky where Zhong Changgeng was had already exploded into one huge ball of energy, dazzling incomparably!

Yang Luo’s figure flashed, soaring to the sky, vigorously wielding the Dragon Emperor Sword, slashing down at Zhong Changgeng from above!

Zhong Changgeng's face was full of panic, continuously channeling energy from within, swinging his sword to meet the attack!

Boom boom boom!

The two huge swords collided heavily in the sky, producing deafening collision sounds!

After blocking Yang Luo's sword!

Zhong Changgeng gritted his teeth and roared: "Brat, if you dare to kill me, even your Five Elements Immortal Sect won't protect you!"

"Insolent!"

Yang Luo shouted, saying coldly, "I am the last disciple of Elder Li Weizhao from the Five Elements Immortal Sect, and you dare threaten me?"

"What?!"

Zhong Changgeng's face changed drastically, "You are Elder Li's disciple?!"

"That's right!"

Yang Luo earnestly nodded, indignantly said, "Elder Li has taught me that our Five Elements Immortal Sect is not weaker than others!

If anyone dares to bully our sect, we must repay them a hundredfold or thousandfold!"

As he spoke, his whole body trembled, activating his Dharma Idol!

The Dharma Idol stood tall in the air, its head reaching the sky, its feet trampling the void, wielding a golden sword, slashing at Zhong Changgeng again!

Chapter 2625: Chapter 2625: Those Who Play Schemes Have Ruthless Hearts!

Accompanied by a thunderous clash of "clang clang clang"!

Zhong Changgeng was forced downward by this one sword, with more and more bloody gashes on his arm and body!

He began to beg for mercy: "Little brother, it's all a misunderstanding. If you spare my life, we can pretend this never happened today!"

He had already become fearful of Yang Luo!

This kid was too strange; clearly, his cultivation was only at the Golden Immortal Early Stage, yet his combat strength was on par with the Golden Immortal Middle Stage!

His junior brother Ma Shanjun had already been slain by this kid!

So, he planned to admit defeat for now!

Once he safely escaped, he would inform his sect and bring the elders to seek justice from the Five Elements Immortal Sect!

Yang Luo naturally wouldn't let this guy go!

Firstly, this guy was truly hateful, acting all high and mighty, and even wanted to kill and rob!

Secondly, he did this to bring trouble to the Five Elements Immortal Sect!

Yang Luo said vehemently, "You mangy cur, do you think I don't know what you're plotting!"

If I let you go, you'll definitely come back with others to harass the Five Elements Immortal Sect!"

"You..."

Zhong Changgeng's gaze turned vicious, gritting his teeth, "Kid, are you really not going to spare me?"

"No way!"

With an air of righteousness, Yang Luo spoke again: "Our Five Elements Immortal Sect is the strongest sect in Huangzhou, we fear no one!"

"Arrogant to the extreme! I'll fight you to the death!!!"

Zhong Changgeng roared angrily, swiftly formed seals with his left hand, and struck at Yang Luo with all his might!

"Chaos Nine Kill Seal!"

The Nine Directions Seal, shimmering with various lights and engraved with ancient runes, condensed and expanded violently, pressing down towards Yang Luo!

"If it's a battle of seals, I'm not afraid!"

Yang Luo spoke coldly, lifting his left hand to rapidly form seals!

“Nine Dragon Emperor Seal!”

“Primordial Dragon Seal, Starry Sky Dragon Seal, Primordial Dragon Seal, Chaos Dragon Seal, Primordial Dragon Seal!”

The Five Directions Dragon Seals simultaneously condensed, glowing in five colors, rapidly expanding and enlarging!

These Five Directions Dragon Seals were like five Immortal Mountains, spreading the dragon qi and dragon might of five Holy Dragons, pressing down heavily!

In an instant!

Rumbling!

The Five Directions Dragon Seals formed by Yang Luo collided heavily with the Nine Directions Dragon Seal formed by Zhong Changgeng in the sky!

In less than a minute!

Rumbling!

The Nine Directions Seal forged by Zhong Changgeng shattered and exploded in succession!

The sound was earth-shattering, resonating through the sky and ground, echoing thousands of miles away!

Although three of the Five Directions Dragon Seals also burst, the remaining two continued pressing down, striking Zhong Changgeng’s body!

“Puff...”

Zhong Changgeng spat blood from his mouth, his body plummeting down again!

However, Yang Luo did not hesitate, diving again to kill Zhong Changgeng!

Zhong Changgeng’s eyes widened in fury, his entire body trembling!

His Essence Soul surged out from between his brows, holding a long sword, charging towards Yang Luo!

Yang Luo’s body also trembled, his Essence Soul surged out from between his brows, swinging his fists to meet Zhong Changgeng’s Essence Soul in battle!

Clang, clang, clang!...

Boom, boom, boom!...

Their Essence Souls engaged in a frenzied battle in the sky, the clash and explosion sounds terrifyingly loud!

Yang Luo did not pause for a moment, gripping the Dragon Emperor Sword with both hands, and slashed down forcefully at Zhong Changgeng's physical body!

"Slash!!!"

Swoosh!

This sword was shockingly earth-shattering, as if it would cleave the heavens and split the endless void!

"Roar!!!"

Zhong Changgeng looked up and roared, swinging the long sword in his hand with all his strength, slashing upwards!

Clang clang clang!

The two swords clashed again, echoing in all directions!

In less than half a minute!

Crack crack!

The long sword in Zhong Changgeng's hand shattered into pieces!

And then, with a "puff" sound, Yang Luo's sword slashed through his physical body!

Rumbling!

Thousands of large trees below were also cleaved, and the ground was split open with a wide fissure!

A "boom" was also heard in the sky!

Zhong Changgeng's Essence Soul was also blasted to smithereens by Yang Luo's Essence Soul in the sky!

Yang Luo's Essence Soul re-entered his body!

At the moment Yang Luo killed Zhong Changgeng!

Shen Jinfeng, having repelled Bujie and others, cried out in surprise: “Brother Zhong!!!”

He looked at Yang Luo with a face full of resentment, shouted harshly: “You little bastard, my Lingbao Treasure Sect will not let you go!

Even if you’re a Heavenly Pride disciple of the Five Elements Immortal Sect, you must die!!!”

Accompanied by a howl, he directly changed direction and transformed into a stream of light, fleeing rapidly!

“Don’t even think of escaping!”

“Stop!”

Bujie and Ning Jianfeng shouted in shock, making a move to pursue.

“Don’t chase!”

Yang Luo stopped Bujie and the others.

“Brother Yang, why didn’t we chase?”

“Yeah, why let that guy go?”

Bujie and Ning Jianfeng questioned one after another.

Yang Luo looked at Shen Jinfeng disappearing at the horizon, sneered: “Letting that guy go is so he can deliver the message!

In this way, we can certainly stir up conflict between Lingbao Treasure Sect and Five Elements Immortal Sect!

Anyway, the Five Elements Immortal Sect and we are at odds, giving them some trouble seems nice too!”

“Damn!”

Bujie gave Yang Luo a thumbs-up, “Brother Yang, you are so cunning, so ruthless!”

Slap!

Yang Luo slapped him on his bald head, saying: “How is this cunning or ruthless, it’s called strategy!”

Bujie rubbed his head, nodding repeatedly, "Yes, yes, those who play strategies have a lot of nerve!"

At this moment.

Lin Wenxuan frowned and said: "Brother Yang, although let that guy go to deliver the message can temporarily stir up conflict between Lingbao Treasure Sect and Five Elements Immortal Sect.

But, from what they said earlier, it seems that Lingbao Treasure Sect has a connection with Five Elements Immortal Sect.

They might fight at first, but once they clarify things, they might turn their spearheads to kill us."

Yang Luo nodded and said: "I've considered this, but causing trouble for the Five Elements Immortal Sect temporarily is still good!

If they later team up to kill us, we can only ask Yu Lei Immortal Sect for help!

Of course, if it still doesn't work, we must leave Huangzhou quickly!

If at that time everyone can find their roots and return to their ancestral homes with the help of the divine beast families, we won't fear these sects!

For now, we are newcomers and can only take one step at a time!

So, let's move. Don't go back to Bahuang City, let's head straight to the Immortal Desolate Ancient Mine!"

Chapter 2626: Chapter 2626 Ambush!

After Yang Luo and his group left that forest, they sped up towards the Immortal Desolate Ancient Mine.

On the way.

Bujie said helplessly, "I was hoping to have a good rest in the city tonight, but who knew I'd run into those three idiots."

"Brother Yang, how far is it from here to the Immortal Desolate Ancient Mine?"

Ning Jianfeng asked.

Yang Luo looked at the map and said, "If we travel day and night without stopping, we still need at least three days."

“What the heck?”

Bujie’s mouth twitched, “Three more days?”

Yang Luo nodded reluctantly and said, “There’s no choice; this Huangzhou is too vast.

No wonder Elder Lei and the others said that for a true immortal wanting to fly out of Huangzhou, it would take at least a month, even traveling day and night.

If we could traverse the Void, our speed would surely increase significantly.

But the spatial barriers of the Jiuzhou Immortal Domain are too strong for us to traverse the Void.

Listening to Yang Luo’s words.

Mo Qingkuang and the others shook their heads and sighed.

They had noticed this situation long ago.

The spatial barriers in the Jiuzhou Immortal Domain are indeed extremely sturdy, even a Daluo Golden Immortal cannot break through them.

Comparing Earth’s spatial barriers to those of the Jiuzhou Immortal Domain, they are on a completely different level.

Bujie sighed and said, “There’s no other option but to fly!”

Yang Luo said, “Brothers, although the spatial barriers of the Jiuzhou Immortal Domain are strong, I believe they can still be broken!

It’s just that our cultivation and strength are not enough at the moment, so we cannot traverse the Void!

What we need to do is continue improving our cultivation and strength!

Once we become stronger, we can traverse the Void and face any challenge without fear!”

“Yes!”

Bujie and the others nodded firmly.

Everyone’s eyes were resolute, and they vowed in their hearts to quickly improve their cultivation and strength to become stronger!

In the following time.

Yang Luo and Bujie and the others continued speeding up.

After flying for two hours.

Yang Luo and his group arrived above a great river.

The river was long and wide, with rapid currents, resembling a giant dragon winding and twisting.

This river was called the Coiling Dragon River.

On the opposite bank of the Coiling Dragon River was an endless expanse of remote mountains and wild lands.

However, just as Yang Luo and his group flew over the center of the Coiling Dragon River.

Yang Luo's heart suddenly tensed, sensing several auras emanating from the distant wild mountains!

Now that he was already a Golden Immortal, his sensing ability was naturally far superior to Bujie and the others!

He shouted in alarm, "Not good, run quickly!"

"Little Luo, what's wrong?!"

"Brother Yang, what's happening?!"

Flame Emperor and Ji Longyue and the others shouted in surprise.

However, before they finished speaking!

Powerful voices transmitted from the distant wild mountains!

"Hahaha, you little bastard, I've been waiting for you for a long time!"

"You little bastard, I thought you'd stay hidden in Yu Lei Immortal Sect forever, but you unexpectedly came out!"

"It's good you came out, otherwise it would be hard for us to kill you!"

"Little bastard, your time of death has arrived!"

Yang Luo and the others quickly looked up.

They saw a large group of figures charging out from the remote mountains and wild lands.

The leaders were Li Weizhao, Chen Yingnan, Huang Shiyu, Song Cixiu, and Wang Yanqing, elders of the Five Elements Immortal Sect!

Moreover, even Guan Shanyue, Sect Master of the Five Elements Immortal Sect, had come!

Besides Li Weizhao and the others!

There were also numerous Law Enforcers and over a thousand disciples riding various mutated beasts and piloting various flying immortal treasures!

“Damn, it’s those guys from the Five Elements Immortal Sect!”

“They were hiding here!”

“Could it be that they were tracking us all along?!”

“These guys brought so many people to ambush us!”

Bujie and Ning Jianfeng and the others were shocked.

“Fight these bastards!”

Bujie swung the Dragon Mark Buddhist Staff, preparing to charge and kill!

Yang Luo pulled him back and shouted, “Forget fighting, run quickly!”

Saying that, Yang Luo and the others immediately changed direction, fleeing into the distance.

“Still want to escape, what a dream!”

“Chase them down, kill them!”

“It’s not easy to catch them, don’t let them escape!”

“We must kill that little bastard Yang Luo to avenge Guardian Li!”

Li Weizhao and the others roared in fury, leading over a thousand disciples in pursuit!

As Li Weizhao and the others pursued!

Yang Luo quickly took out the communication jade talisman given to him by Lei Dongtian, urgently infusing it with True Qi to contact Lei Dongtian!

Soon, a voice came from the communication jade talisman!

“Little Friend Yang, what’s going on?”

Lei Dongtian’s voice transmitted over.

Yang Luo hurriedly said, “Elder Lei, Li Weizhao and others ambushed us at Coiling Dragon River, please help, Elder Lei!”

Lei Dongtian said solemnly, “These guys have made their move!

Little Friend Yang, do not worry, we are nearby and will be over soon!”

“Little Friend Yang, hang in there. We’re coming right away!”

Chi Yanzhou’s voice also transmitted over.

Yang Luo was momentarily stunned and asked, “Elders, why are you all nearby?”

Lei Dongtian said, “Actually, after you left Yu Lei Immortal Sect, we sent people to investigate the Five Elements Immortal Sect’s situation!

A few days ago, we learned that the Five Elements Immortal Sect dispatched a group of people from their sect!

We felt something was amiss, so we brought people over too!”

“So that’s how it is!”

Yang Luo nodded in enlightenment and said, “Elder Lei, thank you!”

“We are friends, there’s no need to thank us!”

Lei Dongtian responded.

After breaking the connection.

Yang Luo put away the communication jade talisman and continued fleeing into the distance with Bujie and the others.

After all, he didn’t know when Lei Dongtian and the others would arrive.

For now, he needed to lead his brothers as far as possible, not getting caught by Li Weizhao and the others.

However, Li Weizhao and the others were too fast, closing in rapidly!

Yang Luo's face darkened, immediately mobilizing the energy within him and swung a sword behind him!

Whoosh whoosh whoosh!

Countless golden flying swords merged into a golden sea of swords, shooting towards Li Weizhao and the others!

Of course, besides sword swings, Yang Luo also unleashed other killing moves!

"Beast Blood Boiling!"

"Twelve Shaman Primal Heavenly Art!"

"Great Dao Dragon Diagram!"

In an instant!

The Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, and twelve Ancestral Magi simultaneous charged towards Li Weizhao and the others!

The Great Dao Dragon Diagram rotated in the sky, emitting dazzling golden light, spreading immense dragon qi and dragon might!

"Roar roar roar!"

Tens of thousands of dragon illusions roared out, crashing into Li Weizhao and the others!

"Petty tricks!"

Li Weizhao coldly shouted, waving his long sword, summoning terrifying black Immortal Fire, and slashing fiercely!

Chen Yingnan and Huang Shiyu and the others also began their counterattack!

Boom boom boom!

Roaring explosions and crashing sounds filled the skies, resonating through Heaven and Earth, shaking the corners!

Vast light and energy exploded in the sky, breaking the firmament above, shaking the ground below, exceedingly terrifying...

Chapter 2627: Chapter 2627: Ambush Ahead, Pursuit Behind!

Above the firmament.

A vast sea of clouds was scattered.

Below.

The Coiling Dragon River was stirred into massive surging waves.

These towering waves seemed to connect the sky and the mighty river, immensely spectacular.

After unleashing a series of deadly strikes, Yang Luo led Bujie and others to continue their escape along the Coiling Dragon River towards the horizon.

“Keep pursuing!”

“We must not let them escape!”

“Our men are ambushed ahead as well; they won’t get away!”

Li Weizhao and others shouted coldly as they led over a thousand disciples in continued pursuit.

Yang Luo and his group kept flying along the Coiling Dragon River without daring to stop.

They had no idea where the Coiling Dragon River would lead.

Yet, all they could do now was ensure they didn’t fall into Li Weizhao and his men’s hands, holding out until Lei Dongtian and others arrived.

For a moment.

Yang Luo and his companions fled in the front, while Li Weizhao and his men chased from behind.

“Launch an attack, destroy them!”

Li Weizhao roared, swinging the Immortal Sword in his hand with force!

“Netherflame Sword Sea!”

Whoosh whoosh whoosh!

Countless flying swords of black netherworld fire transformed into a sea of black swords, shooting towards Yang Luo and his companions in a vast torrent!

“Green Wood Eternal Spring Technique!”

Chen Yingnan waved his large sleeve!

Whoosh whoosh whoosh!

Massive green immortal rainbows streaked across the sky, carrying terrifying wood attribute law power, blasting towards Yang Luo and his group!

“Tianhe Divine Water Technique!”

Huang Shiyu stomped down fiercely from mid-air!

Crash crash!

Giant waves surged from the Coiling Dragon River, imbued with terrifying water attribute power, transforming into dragons of water roaring forward!

“Qianyuan Gold Talisman!”

“Thousand Mountains and Ten Thousand Valleys!”

Song Cixiu and Wang Yanqing also waved their large sleeves!

Countless golden talismans soared into the sky, transforming into a vast sea of talismans, rushing forth!

Mountains of earth-yellow loomed large, as if an entire mountain range had been moved over, pressing down!

“Lihuo Funeral Immortal Technique!”

Guan Shanyue swung the halberd in his hand!

As the Sect Master of the Five Elements Immortal Sect, though he had not attained Daluo Golden Immortal cultivation, his cultivation had reached the Golden Immortal late-stage!

Scarlet flames burst forth from his body, turning into a sea of fire, surging upward!

The Law Enforcers and disciples of the Five Elements Immortal Sect also launched a fierce attack!

Over a thousand strikes unleashed simultaneously, flashing with various lights, filled with the vast powers of the five elements, obscuring the sun and sky, terrifying beyond measure!

“Counterattack!”

Yang Luo shouted furiously, madly swinging the sword in his hand, unleashing a series of deadly moves!

Luange and others dared not hold back, launching a fierce attack towards the back!

Boom boom boom!

Rumble rumble!

Layer upon layer of assaults collided in the sky, erupting in earth-shattering clashes and explosions!

Vast amounts of light and energy intertwined, sweeping across the sky and the great river, spreading in all directions!

Massive waves were swept into the skies, remarkably splendid!

The mountains along the banks of the Coiling Dragon River were also shattered, collapsing in a great crash, bursting out vast chunks of rocks and dust!

However, the combined attack of Li Weizhao and the others was exceedingly fierce!

Yang Luo and his friends couldn't withstand it at all; all the moves they launched were destroyed!

“Ugh ahhh...”

Yang Luo and the others cried out in pain, their bodies bursting with large patches of blood, flying out backward!

“Hahaha...”

Li Weizhao laughed up at the sky, cruelly saying, “Little bastard, do you really think you can cause an upheaval?”

If not for the Yu Lei Immortal Sect helping you, you would've died long ago, not survived until now!”

Yang Luo forcefully steadied his body, mockingly saying, “Your Five Elements Immortal Sect is truly impressive, mobilizing so many people to kill just over a dozen of us!

Even deploying Daluo Golden Immortal, truly living up to the name of Great Immortal Sect, truly domineering!”

“Hmph!”

Li Weizhao snorted coldly, saying, “Kid, there’s no need to waste words on meaningless talk!

As the saying goes, a lion must use all its strength even to catch a rabbit!

As long as we can kill you, we won’t hesitate to use any means!”

Yang Luo’s eyes were cold and sharp, shaking his voice in fury: “Li Weizhao, if I don’t die tonight, one day I will flatten your Five Elements Immortal Sect!”

Just as the Five Elements Immortal Sect hated him, he also had an extreme hatred for them!

If given the chance, he would completely obliterate this sect!

“Heh heh...”

Li Weizhao sneered, saying, “Do you think you can flatten our Five Elements Immortal Sect? Are you dreaming?”

Chen Yingnan also sneered, “Your thoughts are quite beautiful, but can you survive tonight?”

“Hahaha...”

Huang Shiyu and others also laughed, their eyes full of ridicule and mockery.

Yang Luo gritted his teeth hard, shouting angrily, “Brothers, let’s go!”

“Hateful! We must stay alive, find a way to destroy the Five Elements Immortal Sect in the future!”

“The people of this sect are truly despicable, shameless, and ruthless, they must be annihilated!”

Bujie and others also shouted fiercely, fleeing along the Coiling Dragon River with Yang Luo.

“Still trying to escape?”

Li Weizhao smiled sinisterly, “Do you really think you can still get away?”

He then said aloud, “Play with these little guys, let them taste despair!”

“Yes!”

All the members of the Five Elements Immortal Sect responded in unison.

Subsequently, Li Weizhao led everyone in continued pursuit of Yang Luo and his group.

Yang Luo and his friends, bearing the humiliation and hatred in their hearts, continued to flee.

However, they did not escape for long!

Suddenly!

From the mountains on both sides of the Coiling Dragon River came cries of command!

“The elders have ordered, kill this little bastard Yang Luo!”

“And the other little bastards, leave no one alive!”

“Slash and slaughter all of them!”

Only to see, a large number of figures soared into the sky from the mountains on both banks, charging towards Yang Luo and his group in the air above the Coiling Dragon River!

Their numbers reached more than two thousand!

Leading them were several Law Enforcers of the Five Elements Immortal Sect!

“Damn it, another ambush!”

Bujie, his mouth full of blood, roared out loud.

Ning Jianfeng said harshly, “So these guys had fully prepared, just waiting to capture us all in one net!”

Luange spoke fiercely: “Turns out they were fully prepared, just waiting to wipe us out completely!”

Was tonight really going to be their grave?

Yang Luo shouted loudly, "Brothers, break through the encirclement, let's go!"

"Damn it! We must survive, find a way to destroy the Five Elements Immortal Sect in the future!"

"We have to wipe them out!"

Bujie and others also shouted fiercely, joining Yang Luo to continue along the Coiling Dragon River.

"You think you can still escape?"

Li Weizhao smiled coldly, voicing with malice: "Do you really think you can escape?"

With that, he declared in a loud voice: "Let's have some fun with these little guys, don't let them get away!"

With that, Li Weizhao led everyone, continuing the pursuit of Yang Luo and his group.

Yang Luo, seemingly transformed into a humanoid Tyrannosaurus, wielded the Dragon Emperor Sword, charging ahead!

With fiery determination in his eyes, he yelled loudly: "Brothers, fight your way out!"

"Let's fight them to the end!"

"Let's fight our way out together!"

Chapter 2628: Chapter 2628: Mysterious Fog!

At this moment, Yang Luo seemed crazed, rampaging forward to carve a path for his brothers!

"All of you, die for Lord Buddha!"

Bujie roared, swinging the Heavenly Dragon Zen Staff in his hand, smashing forward!

He had already invoked the Buddhist Demon State, and the towering Buddhist Demon Giant in the sky kept punching and striking!

"Die if you dare block me!"

Xu Ying bellowed, wielding the Purple Thunder Saber, continuously slashing out!

The blade shadows stacked layer upon layer, purple thunder danced wildly!

“Blue Luan Sword Formation!”

“Eight Desolate Sacred Lotus Formation!”

Flame Emperor Luange and International Diva Zhixin soared into the sky, casting formations simultaneously!

The massive sword formation and sacred lotus formation descended in succession, encircling the disciples assaulting them!

The dual array formations activated!

Green flame flying swords soared out!

Eight-colored lotus flowers surged forth to suppress and kill!

Even the Blue Luan spread its wings and soared, charging upward to kill!

“You bastards, try killing us if you dare!”

“Kill one, Old Man gains, kill two, we profit!”

Ning Jianfeng, Qin Zhanhuang, Mo Qingkuang, and Xiang Kunlun charged relentlessly, unleashing fierce attacks!

Killing sword and mad saber raged against heaven and earth!

Divine fist and dominant palm breaking the firmament!

Even Soaring Serpent Riding Mist, flaming phoenix bathing in fire, charging upward to kill!

“Without revenge, I swear I am no man!”

“Kill, kill, kill!”

Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng roared with fury, wielding their weapons, fiercely launching their attacks!

Dragon halberd piercing the sky, thunder saber splitting the firmament, fire sword scorching the world, cold spear unsettling heaven and earth!

“Roar, roar, roar!”

The illusions of Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise let out rumbling roars, charging upward to attack!

“Howl!”

Big White let out a heaven-shaking roar, his massive form over two hundred meters, swinging his fists, lightning and fire churned!

“Caw!”

The Hundred Cry Bird let out a crisp cry, spewing flames from its mouth, wings vibrating constantly, whipping up flame tornadoes!

At this moment!

Yang Luo and Bujie, along with everyone else, were fighting to the point of madness, completely ignoring their injuries, charging forward, trying to break through the encirclement!

However, fortunate indeed, along the way, they had undergone countless trials and survived numerous battles, forging a heart as tough as steel!

Thus, under the combined fierce assault of Yang Luo and others, they finally broke through the encirclement!

Coiling Dragon River was already floating with a large number of corpses, blood staining a section of the river red!

Li Weizhao coldly said, “These little beasts cannot hold on for much longer, keep pursuing, kill them!”

“Yes!”

“Kill!”

“Kill!”

Under the leadership of Li Weizhao and others, all disciples of the Five Elements Immortal Sect continued the pursuit!

Yang Luo and others fled ahead, shedding a vast amount of blood along the way!

Nobody knew how long they had escaped!

Yang Luo and others lifted their eyes to look!

All they saw were several miles beyond Coiling Dragon River shrouded in dense fog!

The thick fog covered Coiling Dragon River, as well as the heavens, obscuring what lay beyond!

Moreover, somehow, Yang Luo felt a chill in his heart, sensing his blood within him roiling, giving a sense of foreboding!

“Why is there fog ahead?!”

“What’s beyond the fog?!”

“Do we need to charge into the fog?!”

Bujie and others asked in alarm.

But, before Yang Luo and the others could make a move!

Li Weizhao and others had already caught up!

Everyone scattered and encircled Yang Luo and others!

Li Weizhao floated in mid-air, staring intently at Yang Luo, tauntingly said, “Little beast, go ahead and keep running!

Even if I let you, can you escape?”

“Don’t you realize, we’ve just been playing with you all along!”

“We just want to let you taste helplessness and despair!”

“Hahaha...”

Chen Yingnan, Huang Shiyu, and others joined in mocking, everyone laughed heartily.

Yang Luo shouted loudly, “Brothers, since we can’t escape, then let’s fight!”

“Fight!!”

Bujie and others shouted in unison.

Immediately, Yang Luo and others took out pills, consumed them, healing and replenishing energy!

At this moment.

Guan Shanyue walked out holding a halberd, speaking thunderously, “Little beasts, I am Guan Shanyue, Sect Master of the Five Elements Immortal Sect!

I've heard about your formidable strength, slaying our sect's Guardian Li, Guardian Han, and Guardian Jiang!

Some even say you are the newly risen heavenly pride of Huangzhou!

Let me see how true this heavenly pride is!"

Saying this, he stepped forward, his hair fluttered, his robes billowing, charging toward Yang Luo!

Yang Luo's eyes were resolute, refusing to retreat, wielding the Dragon Emperor Sword, stepping forward, black hair and black robe swirling, facing the assault!

In an instant!

The two sides closed in the sky!

Guan Shanyue swung the halberd in his hand, striking fiercely at Yang Luo!

Rumble, rumble, rumble!

The huge halberd pressed the sky, shaking heaven and earth, as if splitting everything open and destroying!

Furious crimson flames roared, turning into a sea of fire, surging toward Yang Luo!

Yang Luo didn't hesitate, swinging his sword out!

Swoosh!

Golden sword cut through the sky, erupting with magnificent sword might and sword intent, stirring the winds and clouds, chaotic heaven and earth!

Countless golden flying swords formed a sea of swords, shooting forth!

Clang, clang, clang!

Thud, thud, thud!

The giant sword and huge halberd, fire sea and sword sea collided heavily, exploding with a world-shaking clash!

Not long after their clash!

Boom, boom, boom!

Explosive sounds reverberated through the nine heavens!

A vast number of flying swords and flames scattered in the sky, turning into a sea of flames, light, and energy, spreading out!

Coiling Dragon River's water was whipped into giant waves!

The mountains on both sides collapsed entirely!

The distant fog was somewhat dispersed, but still couldn't reveal what lay beyond!

After this confrontation!

Yang Luo and Guan Shanyue both flew backward!

Guan Shanyue flew back several hundred meters and stabilized!

Yang Luo flew back a thousand meters before stabilizing!

Guan Shanyue squinted and said, "Little beast, your strength is indeed impressive!

At just a Golden Immortal Early Stage, you can withstand my attack!

But there's still a gap between our cultivation, it's not hard for me to kill you!"

"Oh really?"

Yang Luo coldly said, "Then come and try, see how you kill me!"

Guan Shanyue's face darkened, speaking bitterly, "Facing death, you still have quite the mouth!

Little beast, I'll take your life now!"

Saying this, his body shook!

Bang!

A streak of crimson firelight soared into the sky, igniting the night sky!

Yang Luo's body shook as well, a golden beam shot up from him!

He activated all his physique secret techniques, unleashing his full momentum and combat strength!

Li Weizhao's eyes flickered with malice, he spoke, "To prevent any mishaps, attack together, kill these little beasts!"

"Alright!"

Chen Yingnan and Huang Shiyu replied with nods.

Immediately, Li Weizhao and others also unleashed powerful momentum and combat strength, preparing to wipe out Yang Luo and others!

But, right at this moment!

"Little Friend Yang, we are here!"

"Young friends, don't worry, we're here to lend a helping hand!"

Heroic voices echoed from afar.

Chapter 2629: Chapter 2629: Official Declaration of War!

Hearing the voice.

Yang Luo and the others looked up.

They saw a large group of figures flying over from afar.

The newcomers numbered more than three thousand people, some riding mutated beasts, others piloting flying immortal treasures.

The leaders were none other than Lei Dongtian, Chi Yanzhou, Gu Yunsong, and Lei Ming.

Soon, Lei Dongtian and his team surrounded Li Weizhao's group.

Yang Luo's face lit up with joy, "Elder Lei, you've come!"

"Haha, it's Elder Lei and the others!"

"Great, this is wonderful!"

Bujie and the others were also quite happy.

Lei Dongtian said, "Little Friend Yang, our apologies for being a step late. How are your injuries?"

Yang Luo cupped his hands and said, "Elder Lei, we're already very grateful that you could come to help us!"

As for our injuries, it's nothing serious!"

"That's good to hear!"

Lei Dongtian nodded.

At this time.

Li Weizhao and the others saw the arrival of Lei Dongtian's group, and their expressions darkened.

These guys just won't go away!

They specifically waited for Yang Luo and his group to leave the Yu Lei Immortal Sect before taking action!

But unexpectedly, these guys had chased them all the way here!

Li Weizhao was furious, shouting, "Lei Dongtian, what exactly do you mean by this?!"

Do you really want to completely fall out with us for these small brats?!"

Lei Dongtian responded loudly, "Li Weizhao, as I've said, Little Friend Yang and his friends are our most honored guests of the Yu Lei Immortal Sect!"

As long as our sect exists, we will never let you hurt them!"

Hearing Lei Dongtian's words.

Yang Luo felt very touched.

To make the acquaintance of the heroes and champions of the Yu Lei Immortal Sect in this unfamiliar place was a blessing.

In the future, should the Yu Lei Immortal Sect need help, no matter how far, he'd come to aid them.

"Damn it!"

Li Weizhao was overwhelmed with anger, shouting fiercely, "Lei Dongtian, from today onward, our Five Elements Immortal Sect officially declares war on your Yu Lei Immortal Sect!"

Upon hearing this.

Everyone from the Five Elements Immortal Sect was taken aback!

From today on, it seemed, the Five Elements Immortal Sect and the Yu Lei Immortal Sect would be perpetually embroiled in conflict!

However, the feud between the Five Elements Immortal Sect and the Yu Lei Immortal Sect had been longstanding, and a war was inevitable!

It was just that Yang Luo and his fellow brats had expedited the outbreak of war!

“Is that so?”

Lei Dongtian chuckled freely, shouting, “Very well, our Yu Lei Immortal Sect accepts the challenge!”

“Fight, fight, fight!...”

The disciples of the Yu Lei Immortal Sect raised their arms and shouted, without fear.

Li Weizhao waved his sword fiercely, saying, “Fine, then I’ll begin with you!

All disciples, attack and kill these people for me!”

“Kill!!!”

The disciples of the Five Elements Immortal Sect roared in unison, charging at the people of the Yu Lei Immortal Sect.

“Wipe them out!”

Lei Dongtian also waved his saber, giving the order.

“Kill!!!”

The disciples of the Yu Lei Immortal Sect roared loudly, attacking the people of the Five Elements Immortal Sect.

Instantly, a melee battle erupted over the Coiling Dragon River!

Besides the disciples of both sides!

The elders, Law Enforcers, and Sect Masters of both factions were also engaged in a shocking battle in the sky!

Yang Luo exhaled a long breath of turbid air, shouting loudly, "Brothers, the members of the Yu Lei Immortal Sect are also our most cherished friends!

Please follow me to eliminate those from the Five Elements Immortal Sect!"

"Let's go together!"

"Destroy them!"

"With the help of the brothers from the Yu Lei Immortal Sect, what do we have to fear!"

Bujie and Ning Jianfeng, along with the others, roared loudly, charging at the people of the Five Elements Immortal Sect!

Yang Luo also didn't hesitate, plunging into the crowd!

"Kill that brat!"

"Tear him to pieces!"

"Let him not escape!"

The three Law Enforcers of the Five Elements Immortal Sect led over a hundred disciples to encircle and attack Yang Luo!

"Courting death!"

Yang Luo let out a furious roar, swinging his Dragon Emperor Sword with all his might!

Swish, swish, swish!

Countless golden flying swords shot out from his center towards all directions!

Puff, puff, puff!

Many disciples, not reacting in time, were turned into sieves and fell into the Coiling Dragon River!

The other disciples frantically retaliated, advancing towards Yang Luo!

Yang Luo's whole body shook, and he mobilized various attribute powers from within, stomping his foot forcefully down!

Bam!

With one stomp, the heavens shook, and the river stirred!

Waves of gigantic height surged upwards, breaking the firmament!

Flames, lightning, ice, wild winds, and other energies burst out from his body, sweeping across heaven and earth!

Many disciples were obliterated on the spot!

“Brat, die for me!”

“Let’s see how long you can remain arrogant!”

“Take him down!”

He Yi, Fang Rui, and Duan Chen, the three Law Enforcers, shouted, breaking through the waves of energy to attack Yang Luo.

Duan Chen’s cultivation was at the Golden Immortal Early Stage, while He Yi and Fang Rui were at the Golden Immortal Middle Stage, both with decent strength.

The three soared into the air, simultaneously swinging their long swords, long knives, and spears, attacking Yang Luo!

Saber light and sword shadows, spears splitting the sky, stirring wind and clouds with fierce intensity!

Facing the assault of the three!

Yang Luo neither dodged nor evaded, swinging his sword to meet them!

Clang clang clang!

The weapons clashed fiercely in mid-air, producing crisp collision sounds, bursting with large swathes of firelight and energy!

Under the ferocious attacks of the three!

Yang Luo was pressed relentlessly downward!

After descending about a hundred feet!

Yang Luo mobilized the power of his blood essence, letting out a roaring shout!

“Beast Blood Boiling!”

“Roar, roar, roar!”

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared thunderously, crashing into the three!

He Yi and the others were directly knocked flying, their bodies bursting open with bloody wounds!

Yang Luo, without hesitation, unleashed another killing move!

“Great Dao Dragon Diagram!”

The Golden Dragon Totem coalesced in the sky, continuously expanding, rotating slowly, diffusing vast dragon qi and dragon might!

The next second!

“Roar, roar, roar!”

Tens of thousands of dragon illusions roared out, crashing towards He Yi and the others!

The three did not hesitate, tearing open their Dharma Idols, launching a fierce attack back, destroying all the roaring dragon illusions!

Soon, He Yi and the other two broke out of the tens of thousands of dragon illusions, leading their Dharma Idols to continue their assault against Yang Luo!

Without any hesitation, Yang Luo also activated his Dharma Idol, and together with it, swung his sword to meet them!

Boom boom boom!

Gigantic weapons clashed in the sky, the momentum was earth-shattering, echoing in all directions!

At this moment.

The two Law Enforcers of the Five Elements Immortal Sect, Xie Junyi and Zhao Wumian, broke through the siege, charging towards the battle.

Accompanied by the roaring sound of explosions!

He Yi and the other two were blasted away!

Both of them also activated their Dharma Idols, swinging their long swords and sabers, striking at He Yi and his companions.

Xie Junyi waved it off, “We’re friends, we’re brothers, no need to thank us!”

Chapter 2630: Chapter 2630: Joining Forces!

In an instant.

Yang Luo, Xie Junyi, and Zhao Wumian confronted He Yi and his two companions, their eyes flickering with killing intent!

Without exchanging a single word, both sides moved directly, leading their Dharma Idols to slaughter the other side!

In the blink of an eye!

Clang, clang, clang!...

The six Venerable Dharma Forms collided in the sky, erupting with earth-shattering sounds of impact!

In one collision, the six Venerables simultaneously flew backward!

But soon, the six Venerables stabilized and continued to attack each other!

During the fierce battle of the Dharma Idols!

Yang Luo, Xie Junyi, and Zhao Wumian also wielded their weapons, slashing towards He Yi’s trio!

“Dragon Emperor Sword Technique!”

“Heaven and Earth Thunder Sword!”

“Nine Extremes Thunder Saber!”

The golden sword, carrying mighty sword might and intent, slashed furiously!

The Ten Thousand Dragon Roar surged forth, crashing upward!

A gigantic purple lightning sword and blue lightning saber cleaved out simultaneously, bursting with a massive amount of purple and blue ferocious lightning!

“Taiyi Divine Fire Sword!”

“Nether River Waves Saber!”

“Earth Splitting Sky Spear!”

He Yi, Fang Rui, and Duan Chen also brandished their weapons, meeting the attack head-on!

The massive sword cut through the air, flames blazing!

The huge saber split the sky, massive waves rolling!

The huge spear swept across, causing earth and rocks to collapse!

Rumble!

The six massive weapons collided fiercely in the sky, triggering an earth-shattering explosion sound above!

Various energies interwove in the sky, like a torrential flood, surging in all directions!

He Yi's group found it utterly difficult to resist, and were directly blasted away!

"Continue, kill!"

Yang Luo roared, wielding the Dragon Emperor Sword, and pursued fiercely!

Xie Junyi and Zhao Wumian also rushed madly, attacking upwards!

In the time that followed!

Yang Luo, Xie Junyi, and Zhao Wumian, in cooperation, engaged in a fierce battle with He Yi's group!

The battle raged for more than ten minutes!

Xie Junyi and Zhao Wumian managed to hold off Fang Rui and Duan Chen!

The moment was now!

Yang Luo's eyes flashed with killing intent, mobilizing the energy within him to the extreme, and with great effort, he swung a sword towards Duan Chen!

Whoosh!

The golden sword cleaved through a large swath of Cloud Sea, as if to cut through everything!

Duan Chen was shocked, swinging the long sword in his hand to confront the attack!

Clang!

The twin swords collided, erupting in an intense collision sound!

And in the instant Duan Chen blocked the sword!

Yang Luo let out a roar!

“Die for me!!!”

“Beast Blood Boiling,” “Great Dao Dragon Map,” “Twelve Shaman Primal Heavenly Art,” and “Nine Dragon Emperor Seal” were activated simultaneously!

The Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, tens of thousands of dragon illusions, and the twelve Ancestral Witches crashed towards He Yi from all directions!

The Five Directions Dragon Seal expanded massively in the wind, emanating vast and boundless dragon might and qi, suppressing down in unison!

Duan Chen, in horror, launched heavy attacks and gathered dense defenses to resist!

But, no matter how he countered or defended, he couldn't withstand the onslaught of Yang Luo's multiple deadly attacks!

“You... ah!!!”

Duan Chen hadn't even finished his sentence when he let out a piercing scream.

In mere seconds!

Boom!

Duan Chen's physical body and Essence Soul exploded simultaneously in the sky, scattering vast amounts of blood and bone fragments!

Having slain Duan Chen!

Yang Luo suddenly turned, hurling his sword towards He Yi, who was engaged in fierce combat with Xie Junyi!

Whoosh!

The Dragon Emperor Sword shot out like a golden lightning bolt, streaking across the sky with a “puff” sound, piercing from He Yi's back through to his chest!

“Pu...”

He Yi spat a mouthful of blood, gritting his teeth and roaring, "You little beast, how despicable!"

"Despicable?"

Yang Luo's face twisted cruelly, "In terms of despicableness, can I compare to your Five Elements Immortal Sect?"

With that, Yang Luo surged forward madly, raising his right hand to swiftly form seals!

The Primordial Dragon Seal, Starry Sky Dragon Seal, Primordial Dragon Prison, Chaos Dragon Seal, and Primordial Dragon Seal all slammed down simultaneously!

"Aaaah!"

He Yi howled madly, swinging his sword to launch a series of counterattacks!

But Xie Junyi did not pause, wielding his sword to launch a barrage of attacks towards He Yi!

In an instant!

Boom!

He Yi's body was crushed by the Five Directions Dragon Seal in the sky, blowing apart vast amounts of flesh!

His Essence Soul bolted from the body, trying to escape, only to be slain by Xie Junyi's sword!

After slaying He Yi!

Yang Luo said to Xie Junyi, "Brother Xie, that guy is yours, I'm going to help Elder Lei deal with that old dog Li Weizhao!"

"Sure, no problem!"

Xie Junyi agreed readily.

Thereupon, Yang Luo seized the Dragon Emperor Sword, changing direction, and charged towards the battlefield where Lei Dongtian and Li Weizhao were fighting!

On the way up!

Yang Luo, driven by his thoughts, summoned the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal, deploying them all towards suppression of Lei Dongtian and Li Weizhao!

When he reached the battlefield!

Yang Luo told Elder Lei, "Elder Lei, let's join forces and finish off this person!"

Then he seized the Dragon Emperor Sword, pivoted around, and charged towards Lei Dongtian and Li Weizhao!

On noticing Yang Luo's approach!

Li Weizhao's expression changed, and he quickly gathered a black flame Gang Shield to defend against the attacks!

However, Li Weizhao was a true Daluo Golden Immortal, and in the late stage at that, with defense strong enough to withstand the suppressed onslaught brought on by the five Dharma artifacts!

Li Weizhao glared at Lei Dongtian with eyes burning a black flame, and said viciously, "Lei Dongtian, do you really think having this boy's help will be enough to kill me?"

I'm not fully recovered in this short time, right?

If Yang Little Friend and I join forces, can we not kill you?"

Li Weizhao said coldly, "Old thing, cut the crap, prepare to die!"

Yang Luo gripped the Dragon Emperor Sword in his hand, charging forward with force!

Without hesitation, Xie Junyi held his saber and charged in together!

On the way!

The sword and saber clove the sky, immortal light shimmering, illuminating heaven and earth!

Tens of thousands of golden dragon illusions roared out!

Li Weizhao's hair fluttered, his robe billowing, as he stepped down heavily from the sky!

"Endless Sea of Flames!"

From within him erupted turbulent, restless black flames, transforming into an endless sea of black fire, engulfing heaven and earth, surging upwards!

A vast expanse of the Cloud Sea was burned away!
