

Super Insane Doctor of the Goddess

#Chapter 2631: 2631: You Dare Plot Against Me! - Read Super Insane Doctor of the Goddess Chapter 2631: 2631: You Dare Plot Against Me!

Chapter 2631: Chapter 2631: You Dare Plot Against Me!

In an instant!

The onslaught unleashed by Yang Luo and Lei Dongtian collided with the overwhelming sea of fire erupted by Li Weizhao!

Boom rumble!

Thundering boom!

The sounds of clashes and explosions echoed through heaven and earth, shaking all directions!

Flames, lightning, as well as various lights and energies intertwined, sweeping over the sky and the great river, destroying dozens of colossal mountains along its banks!

Amidst this terrifying collision!

Yang Luo, Lei Dongtian, and Li Weizhao were simultaneously blasted away!

Soon, Lei Dongtian and Li Weizhao stabilized themselves and continued their assault towards each other!

In the blink of an eye!

Lei Dongtian and Li Weizhao closed the distance, simultaneously swinging their swords and sabers towards each other!

Clang clang clang!

The sword and saber clashed fiercely, sending out crisp striking sounds!

A vast expanse of golden lightning and black flames intertwined overhead, sweeping across heaven and earth!

The two maintained their combative stances, refusing to yield, lightning sparks raging, terrifying beyond measure!

Their Dharma Idols stood tall at the same time, wielding their massive swords and sabers, striking out fiercely!

Crash rumble!

The giant sword and saber collided overhead, unleashing more lightning and flames!

Both remained relentless, neither taking a step back!

Li Weizhao's face grimaced with malice, his body shook vehemently!

"Netherworld Fire Intense Sun!"

Violent black flames erupted from his body, transforming into ten massive black fireballs!

These ten black fireballs, resembling ten black suns, hurled towards Lei Dongtian!

"Nine Tribulations Thunder Seal!"

Lei Dongtian continuously mobilized the power of lightning from within, then waved his left hand!

Nine Directions golden Thunder Seal gathered overhead, continuously swelling and expanding, surging forward!

Bang, bang, bang!...

Boom, boom, boom!...

The ten black fireballs fiercely clashed with the Nine Directions Thunder Seal, igniting a series of earth-shattering explosions!

A vast sea of lightning and flames erupted, transforming into a light sea of intertwined lightning and fire, spreading across the sky!

However, just as the two were engaged in combat!

Yang Luo appeared in the sky, unleashing a series of explosive roars!

"Twelve Shaman Primal Heavenly Art!"

"Twelve Ancestor Witches·Fusion!"

In an instant!

The twelve Ancestral Witches stood tall, directly merging, morphing into the colossal phantom of Pangu Emperor, towering amidst heaven and earth!

Also, as the Pangu Emperor rose!

Yang Luo roared once again!

“Heaven Creation Splitting Nine Axes!”

“One Axe Suppressing Mountains and Rivers!”

Rumble rumble rumble!

The golden giant axe cleaved the Cloud Sea, slicing through the void, as if creating heaven and earth, slashing fiercely towards Li Weizhao!

“Little bastard, it’s this move again!”

Li Weizhao was both shocked and furious, forcefully shaking off Lei Dongtian, retreating rapidly towards the rear!

More than ten days ago, he had been injured by this move unleashed by Yang Luo, and even now the wound still ached faintly!

Hence, he had developed a shadow over this move from Yang Luo!

Therefore, while retreating, he also conjured layer upon layer of defenses!

But, this axe from Pangu Emperor was too fierce, still piercing through the layers of defense he had mustered, leaving a long bloody gash on his chest!

Flesh turned outward, blood flowing, and even the stark white bones were faintly visible!

Li Weizhao retreated a thousand meters away, fixedly glaring at Yang Luo, wishing to swallow him alive.

He didn’t expect that despite his timely response and reinforced defenses, he was still harmed by this little bastard.

What kind of cultivation techniques is this little bastard practicing, for the power to be so immense?

Lei Dongtian praised, “Little Friend Yang, well done!”

Although he had witnessed this move from Yang Luo previously.

Seeing it again today, he was still tremendously shocked.

Yang Luo lightly exhaled a breath of turbid air and said, "If Elder Lei hadn't held this old dog at bay, it wouldn't have been easy for me to hurt him!"

As he spoke, he transmitted a message in his mind, "Elder Lei, this 'Heaven Creation Splitting Nine Axes' demands a massive consumption of my qi!

I can at most unleash two more axes before reaching utter exhaustion!

So, I hope Elder Lei can continue to hold that guy at bay; I'll seize the chance to strike out the remaining two axes and see if I can slay this old dog!"

"Alright, I'll think of a way to trap this old fellow later!"

Lei Dongtian responded in his heart.

At this moment.

Li Weizhao glanced at the Pangu Emperor phantom above Yang Luo, his expression wavering.

Lei Dongtian coldly said, "Li Weizhao, didn't you claim that even if I teamed up with Little Friend Yang, we couldn't deal with you?"

What about now, do you still dare to utter such arrogant words?"

Li Weizhao's face contorted with rage, he roared, "Even if I can't kill you, there will surely be someone who can!"

With these words, his whole body shook, frenziedly mobilizing the power of his fire attributes!

"Fire Cloud Covers Ten Thousand Miles!"

Accompanied by a fierce roar!

Instantly!

The vast sky was covered by black flames, transforming into a majestic and boundless fire cloud, veiling the entire sky and stars!

Then, he waved his large hand!

"Kill!"

Boom boom boom!

Massive black fire waterfalls as large as mountains surged downward from the sky, like the ancient fire god delivering punishment, threatening to burn everything to ashes!

Seeing the black fire waterfalls surging down!

Lei Dongtian also mobilized the power of lightning within to the extreme, then waved his large hand!

“Nine Tribulations Thunder Map!”

A golden lightning ancient map gathered, swelling in the wind, seemingly transforming into a golden celestial curtain, pressing upwards!

Thud thud thud!

Boom boom boom!

Massive black fire waterfalls collided with the golden lightning ancient map, erupting with deafening explosions!

Flames and lightning intertwined, rushing like rivers and streams, spreading in all directions!

Seeing his attack blocked by Lei Dongtian!

Li Weizhao wielded his sword once more, unleashing a killer move!

“Ten Directions Immortal Slaying Sword!”

Ten massive black flame swords shot forth from all directions, aiming to slay Lei Dongtian and Yang Luo!

Yang Luo and Lei Dongtian each wielded their long swords and sabers, conjuring golden giant swords and golden lightning giant sabers, shooting outward in all directions!

The magnificent and mighty sound of clashes and explosions echoed relentlessly, like rolling heavenly thunder, spreading across hundreds and even a thousand miles!

Yet, it seemed difficult for Yang Luo and Lei Dongtian to hold their ground!

Now is the time!

Li Weizhao's lips curled in a malicious smile, and in a flash, he lunged towards Yang Luo like a black stream of light!

This little brat actually managed to withstand it!

Lei Dongtian was waiting for just this moment!

He immediately waved his hand to trap the onrushing Li Weizhao with the great formation!

"Nine Tribulations Thunder Prison Array!"

The formation swiftly coalesced, trapping Li Weizhao who charged forward!

Countless golden lightning bolts encased him within the formation!

Enraged, Li Weizhao swung his sword furiously, lashing at the formation, unleashing a barrage of killing strikes in an attempt to break through!

"Little Friend Yang, act quickly!"

Lei Dongtian hastened to remind him.

Chapter 2632: Chapter 2632: Divine Dragon Clan!

Yang Luo nodded in response, and then with a thought, he shouted out again!

"Two Axe Yin Yang!"

The Pangu Emperor's illusion swung an axe once more, striking toward Li Weizhao in the great formation!

Rumble, rumble, rumble!

The golden giant axe unleashed even more terrifying power, as if it wanted to recreate this piece of Heaven and Earth!

Watching as the axe slashed down fiercely!

Li Weizhao was in panic, directly gathering multiple layers of defense and summoning several Dharma artifacts!

In an instant!

Boom, boom, boom!

The entire great formation was instantly split open, exploding in the sky!

In the sky, a huge ball of energy burst open, like a star falling from the sky, explosively terrifying!

The power generated by the explosion was extremely strong, unexpectedly blasting Yang Luo and Lei Dongtian away simultaneously!

They retreated a full kilometer before they managed to stabilize themselves.

When the light and energy fully dissipated.

Yang Luo and Lei Dongtian raised their eyes to look.

Only to see a figure covered in blood standing in the sky, breathing heavily.

It was Li Weizhao.

At this moment, Li Weizhao was already riddled with wounds, his gray-white long hair disheveled, his luxurious robe tattered, and his face covered in blood.

Especially on his chest and shoulders, two gashes were so deep that bones were visible.

Around him, numerous artifact fragments floated.

Yang Luo's face was cold, his breath irregular, and sweat beads appeared on his forehead.

After swinging the two axes repeatedly, his qi was already mostly exhausted.

Unexpectedly, even so, he still couldn't kill this old dog.

He had to admit, this old dog's strength was indeed very strong.

No wonder Elder Lei was heavily injured by him back then.

Yang Luo clearly knew that if he swung another axe, his qi would be completely depleted, and the Pangu Emperor's illusion would dissipate.

"Hehe, hahaha..."

Li Weizhao laughed grimly, staring deathly at Yang Luo, saying, "You little beast, do you see the gap between you and me now!

Even if you team up with Lei Dongtian, you still can't kill me!"

Yang Luo met Li Weizhao's gaze, saying coldly, "Old dog, the battle isn't over, are you so sure we can't kill you?"

Li Weizhao roared loudly, "If you have the skill, come and try!"

Yang Luo's eyes surged with killing intent, shouting, "Elder Lei, don't give this old dog time to breathe, kill him quickly!"

"Alright!"

Lei Dongtian nodded in response.

Immediately, Yang Luo took out several more pills and swallowed them, continuing to mobilize the energy within his body!

Lei Dongtian also continuously mobilized the energy within his body!

Li Weizhao's face turned grim, feeling very anxious.

Why hasn't Third Brother arrived yet?

He didn't know how long he could hold on.

After all, now that Lei Dongtian's cultivation had broken through, his strength was almost equal to his.

Plus with this little beast helping him, he felt his situation was very dangerous.

If Third Brother didn't arrive soon, he would have to retreat.

"Kill!!!"

Yang Luo and Lei Dongtian simultaneously roared and charged toward Li Weizhao!

Li Weizhao swiftly swallowed a few pills, continuing to mobilize the energy within his body, preparing to keep fighting Yang Luo and Lei Dongtian!

But just at this moment!

Rumble, rumble, rumble!

The Cangqiong and Earth within a few thousand miles suddenly trembled violently!

Tens of thousands of mountains also started to shake!

Crash! Crash!

The Coiling Dragon River also surged crazily, raising giant waves!

In the sky, fierce winds whipped up, sand and stones flew, dark clouds rolled, lightning flashed, and thunder roared magnificently!

Moreover, everyone present felt a surge of powerful dragon qi and dragon might erupting from the fog, enveloping the whole Heaven and Earth!

“What’s going on?! Why did Heaven and Earth suddenly quake?!”

“What on Earth happened?!”

“Such powerful dragon might and dragon qi, where is it coming from?!”

Everyone present stopped fighting and turned their heads toward the dense fog a few miles away.

Yang Luo also furrowed his brow and looked toward the mist.

Actually, he had sensed something was wrong upon arriving here.

What exactly is behind the fog?

Just as everyone was dumbfounded!

“Roar, roar, roar!”

A series of piercing dragon roars emitted from the fog, resounding across the Cangqiong, echoing in all directions!

The next second!

Under everyone’s sight!

Tremendous dragons burst out of the fog!

Some of these dragons were tens of meters long, some were hundreds of meters long, and some were thousands of meters long; their scales were like blades, emitting various glows!

Some had two bulges on their heads without horns, others had two mighty horns, fierce and imposing!

Those without horns were evidently black flood dragons, while those with horns were divine dragons!

“What the hell!”

Bujie exclaimed, his eyes nearly popping out, “Dragons... are actually real dragons!”

“My goodness, am I seeing things?!”

Ning Jianfeng also blurted out, rubbing his eyes fiercely, thinking he was seeing things.

“How can there be so many dragons here?!”

Mo Qingkuang was also shocked and pale.

Everyone present was stunned, their bodies trembling involuntarily.

Yang Luo was also extremely shocked.

It turned out that what was hidden behind the fog was dragons, not dragon illusions or shadows, but real dragons!

Soon, the fog a few miles away completely dissipated!

Only to see tens of thousands of dragons coiling in the sky, coldly staring in this direction.

Behind these tens of thousands of dragons were endless mountains and rivers.

Lei Dongtian glanced around, then said in shock, “Can this place be the domain of Wanlong Ridge?!”

“Wanlong Ridge?”

Yang Luo was stunned for a moment, asking, “What is Wanlong Ridge?”

Lei Dongtian explained, “In Huangzhou, there is a forbidden land called Wanlong Ridge.

Wanlong Ridge is home to tens of thousands of dragons, including black flood dragons, Inferior Divine Dragons, Medium Divine Dragons, and high-level Divine Dragons, all of whom are descendants of the Divine Dragon Clan.

Since these dragons possess immense strength and detest Human Clan cultivators, generally anyone who approaches Wanlong Ridge ends up being swallowed alive.

Unexpectedly, we accidentally stumbled into Wanlong Ridge.”

“Wanlong Ridge... Divine Dragon Clan...”

Yang Luo mumbled to himself, finally understanding.

So these dragons were descendants of the Divine Dragon Clan.

It's worth noting that he had never even seen a single divine dragon on Earth.

Yet tonight, he saw so many.

It's just unknown if this Divine Dragon Clan has any connection with Senior Xinghe and the others.

At this time.

Thousands of dragons coiled in the sky a few miles away, with the dragon might and dragon qi they emanated as if tangible, covering the vast Heaven and Earth.

At this moment.

Sonorous voices rolled like distant thunder from behind the tens of thousands of dragons.

"Five Elements Immortal Sect, Yu Lei Immortal Sect, how dare you cause trouble in my Wanlong Ridge, are you courting death?"

"Our Divine Dragon Clan does not wish to involve itself in your human affairs, yet you insist on trouble, truly thinking our Divine Dragon Clan is easy to bully?"

"Since you're here, don't think for a moment you'll leave alive tonight!"

Chapter 2633: Chapter 2633: Hatred!

As these voices emerged.

Under everyone's watchful eyes.

Twelve more giant dragons flew in from the back, arriving above this area.

Five of these dragons were over three thousand meters long, while the other seven were over two thousand meters long.

The bodies of these twelve dragons shimmered with various colors, appearing older than the other dragons, and the dragon might and dragon qi they emitted were more majestic and vast.

Lei Dongtian remarked, "These twelve dragons are truly extraordinary; among them, seven have Golden Immortal cultivation, and five have Daluo Golden Immortal cultivation!"

"Seven Golden Immortals?! Five Daluo Golden Immortals?!"

Yang Luo was utterly shocked.

He asked aloud, "Elder Lei, how does the strength of this Divine Dragon Clan compare to the Yu Lei Immortal Sect and the Five Elements Immortal Sect?"

"About the same."

Lei Dongtian replied, "After all, the Divine Dragon Clan also has a Taiyi Xuanxian overseeing them."

"I see."

Yang Luo nodded in understanding.

It seems that the energy of this Divine Dragon Clan is not small, aside from having Golden Immortals and Daluo Golden Immortals in command, they also have a Taiyi Xuanxian.

Yang Luo further inquired, "What are the identities and names of these leading twelve dragons?"

Lei Dongtian continued, "These twelve dragons are the five Grand Elders and seven Law Enforcers of the Divine Dragon Clan.

The five Grand Elders are Ao Tianqiong, Ao Haibo, Ao Qingfeng, Ao Qianyang, Ao Hongshuang.

The seven Law Enforcers are Ao Yan, Ao Kun, Ao Hui, Ao Yu, Ao Zhan, Ao Zhong, Ao Xuan."

"Oh..."

Yang Luo nodded, gaining a general understanding of these twelve dragons.

At this moment.

Ao Tianqiong, whose body emitted a purple glow, spoke in human tongue, loudly saying, "Surround these guys for me!"

With a single command!

Countless dragons scattered, encircling Yang Luo and everyone else tightly.

Lei Dongtian was taken aback, hurriedly saying, "Brother Tianqiong, this is entirely a misunderstanding!"

Ao Tianqiong squinted at Lei Dongtian, saying, "You are Lei Dongtian of the Yu Lei Immortal Sect?"

"That's right!"

Lei Dongtian nodded.

Ao Tianqiong said coldly, "Your Yu Lei Immortal Sect is quite reputed in Huangzhou, considered a righteous Immortal Sect.

But why do you bring people to cause trouble at our Wanlong Ridge today?"

Lei Dongtian explained, "We came here today to help these young friends, but did not expect to intrude here.

We have no intention of being enemies with your Divine Dragon Clan."

"We greatly disturbed you all, and we are truly sorry!"

"I hope you will be magnanimous and let us leave!"

Chi Yanzhou, Gu Yunsong, and others also clasped their hands in apology.

"Third Brother, these human cultivators are not trustworthy!"

Ao Haibo, whose body shimmered with a black glow, said in a deep voice, "If we let them go today, more human cultivators might come to cause trouble in the future!"

"That's right, we definitely can't let them go!"

"Kill these human cultivators!"

"Leave none alive, kill them all!"

Other dragons also shouted loudly.

Yang Luo frowned slightly, clearly not expecting the Divine Dragon Clan to be so antagonistic towards human cultivators.

He didn't know what the reason was.

“Bastards!”

Li Weizhao shouted angrily, “A bunch of beasts dare to shout arrogantly in front of us, what do you think you are?”

I advise you to let us leave here, otherwise, we will kill you beasts and flay you alive!

Your Divine Dragon Clan may not be weak, but there is still some gap compared to our Five Elements Immortal Sect!”

“Courting death!”

The black dragon Ao Haibo roared loudly, directly charging towards Li Weizhao!

Ao Haibo also had Daluo Golden Immortal Late Stage cultivation, his strength was very formidable!

“I think it’s you who’s courting death!”

Li Weizhao coldly shouted, holding a long sword, charging upwards!

In an instant!

Man and dragon closed the distance in the sky!

Li Weizhao swung the long sword in his hand, slashing towards Ao Haibo!

Swoosh!

With a swing of the sword, black flames blazed fiercely, diffusing vast and boundless sword might and sword intent!

Ao Haibo swung a massive claw!

Whiz!

A claw swung out, extremely fierce, tearing open large swaths of clouds in the sky, echoing with deafening explosive sounds!

In the blink of an eye!

Clang!

Sword and claw collided together, like metal striking stone, erupting with clear and crisp collision sounds!

Vast flames and energy burst forth, surging in all directions!

In this clash!

Li Weizhao was directly shaken and flew out!

Ao Haibo was also shaken and flew back for a distance!

Li Weizhao said viciously, "Ao Haibo, if I weren't injured, you wouldn't be my match!"

"Shut up!"

Ao Haibo let out a roar!

"Roar!"

Dragon roar shook the sky, spreading in all directions!

Numerous disciples from the two Immortal Sects couldn't withstand this terrible dragon roar, clutching their heads and screaming!

"Quickly use your power to resist!"

Lei Dongtian loudly reminded.

Everyone present hastily used their power to resist the impact of the sound waves.

Even more, black sound waves materialized, crushing towards Li Weizhao!

"Humph!"

Li Weizhao snorted coldly, swinging the long sword in his hand, slicing apart the sound waves one by one!

Ao Haibo fiercely swiped his dragon tail!

Crash!

Gigantic waves surged up from the Coiling Dragon River, transforming into massive dragons, roaring out!

Li Weizhao took a step forward!

A black wall of flame condensed in front of him, like a black volcano, blocking the front!

Bang!

Massive water dragons crashed onto the fire wall, erupting with a thunderous collision sound!

Vast waves and flames undulated, sending up torrents of steam!!

“Roar!”

Ao Haibo’s form shifted, charging furiously, tearing apart the fire wall, clawing towards Li Weizhao’s head!

Li Weizhao’s expression changed, hastily swinging the sword in his hand to block!

Clang!

Sword and claw collided again, sparking vast flames and light!

Ao Haibo fiercely swung his dragon tail, lashing at Li Weizhao!

Li Weizhao was startled, quickly condensing the Flame Gang Shield to defend!

With a booming sound!

“Ugh...”

Li Weizhao let out a cry of pain, being sent flying, his body covered in fresh blood.

Ao Haibo once again invoked the Dragon Clan Divine Power!

Rumble!

Black lightning bolts descended from the sky, continuously striking at Li Weizhao!

Li Weizhao swiftly dodged, barely avoiding the strikes of these lightning bolts!

“Well done, Elder Haidong!”

“This guy still dares to be arrogant, truly courting death!”

“Elder Haidong, hurry up and kill this guy!”

The surrounding black flood dragons and divine dragons all cheered loudly, echoing like thunderclaps across heaven and earth.

“Roar!”

Ao Haibo’s massive form moved abruptly, charging once again at Li Weizhao!

“Go, help out!”

“Mere evil beast dares to be arrogant!”

“Truly courting death!”

Five Elements Immortal Sect’s Chen Yingnan and Huang Shiyu and others coldly shouted, soaring into the sky, rushing to attack Ao Haibo!

“Human cultivators are indeed despicable and shameless!”

Ao Tianqiong spoke coldly and harshly, echoing, “Tear these human cultivators apart for me!”

“Kill!”

“Tear them apart!”

Countless dragons all roared, charging from all directions at the people of the Five Elements Immortal Sect and the Yu Lei Immortal Sect!

Chapter 2634: Chapter 2634: How do you know the cultivation techniques of the Lord of Ten Thousand Dragons?

Lei Dongtian gritted his teeth, extremely frustrated, “Obviously, we could have negotiated, but that Li Weizhao just insists on getting himself killed!”

He then said to Yang Luo, “Little Friend Yang, the number of the Divine Dragon Clan is too large. Let’s find a chance to break out later!”

“Alright!”

Yang Luo nodded in agreement.

He was also very annoyed. This Li Weizhao was truly arrogant, deliberately provoking the Divine Dragon Clan!

However, what puzzled him was why Senior Xinghe and the others hadn’t reacted?

Could it be that Senior Xinghe and others were restoring their Essence Souls and didn’t perceive the commotion?

Thinking of this.

Yang Luo called out in his mind, “Five seniors, can you hear me?”

Do you have any connection with the Divine Dragon Clan?"

Yet, no sound came from the Divine Sense Space.

Just as Yang Luo was about to continue calling out!

"Roar! Roar! Roar!"

Over a dozen dragons charged towards Yang Luo!

On their way!

Over a dozen dragons opened their mouths wide and spewed flames, lightning, and ice at Yang Luo!

In the heavens and the earth, a fierce wind blew up, rolling up huge waves crashing towards Yang Luo!

Yang Luo swung his sword, slashing with all his might!

Swish!

The flames, lightning, and ice, the crushing winds and waves were all cut down!

"This little guy has some strength!"

"Get serious, kill him!"

"Alright!"

Over a dozen dragons roared, mobilizing the energy within them, charging directly at Yang Luo!

Yang Luo shouted loudly, "Friends, I don't wish to be enemies with you. Tonight, my brothers and I came here unintentionally!"

"Brat, shut up!"

"You humans are all the same, despicable and shameless!"

Over a dozen dragons shouted, not listening to Yang Luo's words, attacking Yang Luo!

Yang Luo was also very helpless and could only raise his sword to meet the charge of over a dozen dragons!

Just as Yang Luo was fiercely battling with over a dozen dragons!

Tens of thousands of dragons of the Divine Dragon Clan also engaged in a great battle with the people of the Five Elements Immortal Sect and Yu Lei Immortal Sect!

The battle was extremely fierce!

Clang, clang, clang!...

Dong, dong, dong!...

Boom, boom, boom!...

The sound of weapons clashing, energy colliding, and explosions resounded endlessly!

A great mass of light and energy exploded in the sky, like a Raging Sea Violent Waves, rippling in all directions!

At this time.

The airspace where Yang Luo was.

Originally, only over a dozen dragons were attacking Yang Luo.

But now it had increased to several hundred.

Even Ao Zhan, Ao Zhong, and Ao Xuan, the three Law Enforcers, joined the battlefield, attacking Yang Luo together.

However, on account of Long Xinghe and the others, Yang Luo kept holding back, not going all out.

So, for a time, Yang Luo found it difficult to handle.

Along with the sound of a booming explosion!

Yang Luo was blasted away again!

He was knocked hundreds of meters away before stabilizing his body!

Yang Luo became increasingly angry, shouting, "Do you really think I can't kill you?"

If you keep pushing, don't blame me for being rude!"

"Brat, your strength is indeed decent, but you're only at the Golden Immortal Early Stage, and you dare to boast!"

“Brat, you’re a human cultivator too, just like other human cultivators, you should all die!”

“You said you could kill us, then give it a try!”

Ao Zhan, Ao Zhong, and Ao Xuan shouted in a rage.

Yang Luo took a deep breath and said, “You forced me, I can only apologize!”

Saying this, Yang Luo trembled all over, continuously mobilizing the energy within him!

“Great Dao Dragon Diagram!”

With a resounding roar.

A Golden Dragon Totem gathered in the sky, growing larger and larger, illuminating this part of heaven and earth!

As the Golden Dragon Totem slowly rotated, a vast and majestic dragon might and dragon qi spread from the Golden Dragon Totem!

The tens of thousands of dragons present were all startled, turning their heads to look over, their eyes full of shock.

“What’s with this kid? Why does he know our Dragon Clan’s supreme divine power?!”

“Moreover, the dragon might and dragon qi emanating from this kid are extraordinary!”

“What exactly is his relationship with our Dragon Clan?!”

The black flood dragons and divine dragons present began to discuss.

Even the elders and Law Enforcers like Ao Tianqiong, Ao Haibo, and others flew over, tightly fixating on Yang Luo.

“Boy, who exactly are you? Why do you know our Dragon Clan’s lost peerless divine power?”

Ao Tianqiong frowned and asked.

Yang Luo said softly, “Not only do I know this divine power, but I also know many of your Dragon Clan’s divine powers. Would you like to see?”

Saying this, Yang Luo raised his left hand and proclaimed loudly, “Ten Thousand Starry Sky Palm!”

In his left palm, a starry sky evolved!

Then, Yang Luo continued to perform Dragon Clan divine powers!

“Nine Emperor Dragon Seal!”

“Chaos Slaughter Array Map!”

“Primordial Dragon Prison Array!”

“Three Thousand Star Domain Formation!”

“Primordial Sacred Dragon Formation!”

The Five Directions Dragon Seal gathered and surrounded Yang Luo!

A golden array map gathered above Yang Luo, with a dragon head inscribed in the center, surrounded by ancient formation patterns and runes!

Huge array formations gathered under his feet, with ten thousand dragons shuttling and dancing in the formation!

As Yang Luo executed move after move!

The tens of thousands of dragons present were stunned with awe!

“This... what’s with this kid? Why does he know so many of our Dragon Clan’s lost peerless divine powers?!”

“He... what exactly is his relationship with our Dragon Clan?!”

“Strange... really too strange!”

Elders and Law Enforcers like Ao Tianqiong, Ao Haibo, and Ao Qingfeng exclaimed, feeling incredulous.

Just as Yang Luo was about to speak!

“Boy, what’s the situation now, why do I sense such vast and mighty dragon qi and dragon might?”

Long Xinghe’s voice suddenly rang in his mind.

“Eh... why do I feel a rich power of divine dragon bloodline?!”

Long Tianchi’s voice also sounded.

Yang Luo breathed a sigh of relief and said, “Five seniors, were you restoring your Essence Souls just now? Why didn’t you respond when I called?”

Long Jiu’er said, “Yes, we must seize the time to repair our Essence Souls!

Only when our Essence Souls are completely restored can we get out of your Divine Sense Space and find a way to reshape our bodies!”

Long Daoyi spoke, “Boy, quickly tell us, what’s going on now?”

“Five seniors, it’s like this...”

Yang Luo didn’t hide anything, telling Long Xinghe and the others what happened tonight.

“Wanlong Ridge? Divine Dragon Clan?”

“Did you meet the descendants of the Divine Dragon Clan?”

Long Xinghe and others spoke in succession, then looked through Yang Luo’s eyes, full of astonishment.

At this moment.

A sudden voice rang in Yang Luo’s mind.

“Boy, what’s going on, how can you use our Dragon Clan’s lost divine powers?”

It was Long Xinghe speaking.

Yang Luo took a deep breath and replied, “Seniors, were you restoring your Essence Souls just now, why didn’t you tell them to stop fighting?”

Long Xinghe was silent for a moment and said, “Just now, we were indeed recovering our Essence Souls, so we didn’t notice anything outside.”

“””

Chapter 2635: Chapter 2635: Paying Respects to Young Master Yang!

Immediately, Long Xinghe used the Dragon Clan’s divine power to project his voice into the minds of tens of thousands of dragons present.

“Members of the Divine Dragon Clan, I am Long Xinghe of the Holy Dragon Clan!”

Upon hearing Long Xinghe's voice, all the tens of thousands of dragons present were momentarily stunned.

Then immediately...

"I am Long Daoyi of the Holy Dragon Clan!"

"Haha, I didn't expect there to still be Dragon Clan bloodlines surviving, wonderful!"

"Everyone, how is the Dragon Clan developing now?"

"Yes, yes, have we, the Dragon Clan, reached the pinnacle of the Jiuzhou Immortal Domain?"

The voices of Long Daoyi, Long Tianchi, Long Youlan, and Long Jiu'er also echoed in the minds of the tens of thousands of dragons.

Of course, besides the tens of thousands of dragons, no one else present could hear them.

The tens of thousands of dragons present scanned around, obviously trying to figure out who was speaking to them and where the speaker was located.

Long Xinghe's voice rang out again: "The five of us are all in the Divine Sense Space of this young man before you!"

As soon as these words were said.

The tens of thousands of dragons present all fixed their gaze on Yang Luo.

All the dragons flew over and surrounded Yang Luo.

The people from Yu Lei Immortal Sect and Five Elements Immortal Sect were all furrowing their brows, not knowing what the current situation was.

"What's... what's going on?!"

Bujie blurted out in confusion, "Why are these dragons surrounding Brother Yang?!"

"Damn!"

Ning Jianfeng's mouth twitched, "These guys aren't planning to harm Brother Yang, are they?!"

Mo Qingkuang said, "The situation looks a bit off now!"

Lei Dongtian said loudly, "Let's go quickly, don't let these guys harm Little Friend Yang!"

For a moment, Lei Dongtian and all the people from Yu Lei Immortal Sect, along with Bujie and others, flew over, looking at the tens of thousands of dragons with a wary gaze!

In the distant sky.

The people from Five Elements Immortal Sect looked at each other, not understanding what was going on.

"Senior Brother Li, what's this all about?"

Chen Yingnan asked Li Weizhao.

"I'm not sure either."

Li Weizhao shook his head and said, "However, if these beasts can help us kill that brat, that would be ideal!"

Huang Shiyu asked, "Senior Brother Li, should we take the chance to leave now?"

Li Weizhao squinted his eyes and said, "Let's see what happens first."

The people from Five Elements Immortal Sect all nodded, then looked in Yang Luo's direction.

At this moment.

Seeing tens of thousands of dragons surrounding him, Yang Luo swallowed, not daring to move.

There was no way he could, as he was surrounded by five Daluo Golden Immortals and seven Golden Immortals.

"May I ask if you are Xinghe Ancestor... Dao Yi Ancestor... Ancestor Tianchi... Youlan Ancestor... Jiu'er Ancestor?!"

Ao Tianqiong also used the Dragon Clan's divine power to communicate into Yang Luo's Divine Sense Space.

Naturally, Yang Luo could hear it too.

Long Xinghe replied, "Yes, that is us."

"Oh my god, Xinghe Ancestor, it's really you?!"

“I’m not dreaming, am I? We actually heard the voices of the ancestors?!”

“That’s strange, Xinghe Ancestor, weren’t you all reported dead back then? How are you still alive?!”

“Ancestors... our Dragon Clan’s ancestors aren’t dead, they’re still alive!”

“Dear ancestors, the Dragon Clan has completely fallen now, human cultivators can bully us as they please!”

Instantly, the tens of thousands of dragons present trembled with excitement, their eyes reddening, with tears streaming down their faces.

All the dragons choked up and lamented to Long Xinghe and the other four.

Witnessing this scene!

The people from Yu Lei Immortal Sect and Five Elements Immortal Sect were even more puzzled!

“What’s with these dragons, why do they seem so excited?”

“Yeah, these dragons are actually crying?”

“What is the relationship between that brat and these dragons?”

The people from Five Elements Immortal Sect started discussing.

As such, everyone present could only see the state of these tens of thousands of dragons but couldn’t hear their voices.

Long Xinghe sighed deeply and said, “We brother and sister of the nine have essentially died, but can also be said to still be alive.

Now we only have incomplete Essence Souls left, our physical bodies were long destroyed in battle.

If it hadn’t been for Brother Yang sealing our Essence Souls in the nine bronze dragon coffins and embedding them into this young man’s Divine Sense Space, we wouldn’t have even been able to save our Essence Souls.”

Ao Tianqiong asked through communication, “Xinghe Ancestor, the Brother Yang you mentioned, could it be the invincible ‘Wu Dao Immortal Emperor’ Yang Wudao who once swept across the myriad worlds?”

Long Xinghe replied, “That’s right.”

Yang Luo was also taken aback.

So his father's title was "Wu Dao Immortal Emperor!"

That title is quite domineering!

Ao Haibo hurriedly asked, "Then who is this young man?"

Long Xinghe replied, "He is Brother Yang's son, named Yang Luo."

"What?! This young man is the son of Yang Immortal Emperor?!"

"My god, I didn't expect there to be offspring of Yang Immortal Emperor in the world!"

"No wonder I felt this young man was quite extraordinary, it turns out he is the son of Yang Immortal Emperor!"

Ao Tianqiong, Ao Haibo, and Ao Qingfeng all exclaimed shock, utterly astounded.

Long Tianchi pouted and said, "This young man is not only Brother Yang's son, but also our disciple now."

"This young man is also the disciple of the ancestors?!"

"I knew this young man must have something to do with our Dragon Clan's lost divine powers!"

"So that's what's happening!"

At this moment, the gaze of the tens of thousands of dragons upon Yang Luo was filled with respect instead of the previous hostility.

Yang Luo sighed in his heart.

He knew full well that the respect of these tens of thousands of dragons for him was entirely due to the five elders, Long Xinghe, and his father.

Long Xinghe said, "Once you've resolved the matters here, we'll have a good chat."

"We obey Xinghe Ancestor's order!!!"

The tens of thousands of dragons present all responded respectfully.

Subsequently, Ao Tianqiong and the tens of thousands of dragons on the scene bowed towards Yang Luo in unison.

Ao Tianqiong said loudly, "We of the Divine Dragon Clan, salute to Young Master Yang!"

"Salute to Young Master Yang!!!"

The tens of thousands of other dragons also shouted in unison.

The loud voices echoed through the heavens and earth, reverberating in all directions.

At this moment!

Everyone present, witnessing this scene, hearing the tens of thousands of dragons address Yang Luo!

And their respectful attitude towards Yang Luo!

All were flabbergasted, their jaws almost dropping!

"Holy crap!"

Bujie's mouth twitched in disbelief, "What's going on, why are tens of thousands of dragons suddenly so respectful to Brother Yang, even calling him Young Master Yang?!"

"Incredible, truly incredible!"

Ning Jianfeng swallowed a mouthful of saliva and said, "Just now these dragons were all shouting and demanding blood from us, completely ignoring any of us!

But unexpectedly, now these dragons suddenly seem to have changed, showing such respect to Brother Yang!"

Ye Luange, Song Zhixin, Ji Longyue, and others were also dumbfounded.

Lei Dongtian, Chi Yanzhou, and Gu Yunsong were also bewildered, unable to grasp what was going on.

Especially Li Weizhao, Chen Yingnan, and Huang Shiyu, each one twitching at the mouth, fuming with anger.

Li Weizhao shouted hoarsely, "What is going on?! Can someone tell me what's happening now?!"

Why are these beasts suddenly showing such respect to this young man?!"

Chapter 2636: Chapter 2636: Counter Killing!

“This doesn’t make any sense at all!”

“Yeah, the Divine Dragon Clan has always disregarded any human cultivator, so why are they being so respectful to this little bastard?!”

“What on earth is the background of this little bastard, and what is his relationship with the Divine Dragon Clan?!”

The others from the Five Elements Immortal Sect also began discussing, utterly shocked and confused.

“Oh my god, these dragons from the Divine Dragon Clan actually know Mr. Yang?!”

“And these dragons are also calling Mr. Yang Young Master?!”

“Just who is Mr. Yang?!”

The people from Yu Lei Immortal Sect, including Lei Dongtian, were also dumbfounded, utterly shocked.

Seeing tens of thousands of dragons calling him Young Master Yang, Yang Luo felt a bit embarrassed.

He waved his hand, saying, “You don’t need to be so formal, everyone.”

Ao Tianqiong asked respectfully, “Young Master Yang, how should we handle these guys?”

Yang Luo declared loudly, “The people from Yu Lei Immortal Sect are my friends, so I ask everyone not to hurt them!”

As he said this, his gaze turned cold as he looked at Li Weizhao and the others, saying harshly, “However, the people from Five Elements Immortal Sect are my enemies and must be completely exterminated!”

“We will follow Young Master Yang’s orders!”

Ao Tianqiong responded with a shaking voice, then issued the command!

“Exterminate these people from Five Elements Immortal Sect!”

“Yes!!!”

The tens of thousands of dragons present responded in unison, then roared fiercely, rushing toward Li Weizhao and the others!

Yang Luo also charged forward!

“Holy crap!”

Bujie was instantly stunned, “The situation has changed too suddenly; it’s simply caught everyone off guard!”

Ning Jianfeng exclaimed excitedly, “Brothers, what are you waiting for? Let’s seize this chance to unite with the Divine Dragon Clan and wipe out these guys!”

Qin Zhanhuang laughed loudly, saying, “Brothers, let’s go together!”

“Let’s go!”

“Kill them all!”

Mo Qingkuang and Ji Longyue shouted loudly as well, charging up.

Lei Dongtian reacted too and shouted, “Don’t just stand there; let’s go together and wipe them out!”

“Yes!!!”

The people from Yu Lei Immortal Sect responded with excitement.

Under Lei Dongtian’s leadership, the people from Yu Lei Immortal Sect also charged toward Li Weizhao and those from the Five Elements Immortal Sect.

“Damn it! How did these guys suddenly join forces?!”

Chen Yingnan gritted his teeth, “Senior Brother Li, what should we do now?!”

Huang Shiyu was panicked too, “Senior Brother Li, these guys are teaming up; we probably aren’t their match!”

Li Weizhao was unwilling, shouting angrily, “What are you waiting for, retreat!”

As he said this, Li Weizhao led the people from Five Elements Immortal Sect to flee.

Yang Luo, together with the black flood dragon, divine dragons, and Yu Lei Immortal Sect members, chased furiously!

“Hahaha...”

Bujie laughed with satisfaction, “You bastards, weren’t you the ones hunting us down just now?”

What now, how come we're chasing you instead?"

"Kill them all, don't let them escape!"

"Take their lives and let them know how formidable we are!"

Ning Jianfeng and the others shouted loudly, not letting up their pursuit.

The people from Five Elements Immortal Sect were angrily seething!

They were the ones chasing Yang Luo and the others originally!

Yet unexpectedly, now it had reversed!

Absolutely infuriating!

Although Li Weizhao and the others fled quickly, they were overwhelmed by the sheer number of people and dragons chasing them!

So after escaping a few miles, they were caught!

"A bunch of damn beasts!"

Li Weizhao shouted in rage, "Fight them! I've already contacted Third Senior Brother; he'll be here soon!"

Once Third Senior Brother arrives, we can definitely turn the tables!"

"Is Second and Third Elders coming? Great, that's excellent!"

"Once Second and Third Elders are here, we won't need to fear these beasts!"

"Fight them!"

The people from Five Elements Immortal Sect were excited, emboldened upon learning Li Weizhao contacted Second and Third Elders.

Once again, a fierce battle broke out on Coiling Dragon River!

However, as Yang Luo, Yu Lei Immortal Sect, and the Divine Dragon Clan joined forces, their strength soared!

Thus, in this fierce battle, the disciples from Five Elements Immortal Sect were continuously slaughtered, bodies flung everywhere, falling into the Coiling Dragon River!

At this moment.

Yang Luo, Lei Dongtian, Ao Tianqiong, Ao Haibo, and Ao Qingfeng were attacking Li Weizhao, Chen Yingnan, and Huang Shiyu!

Although the three of Li Weizhao were Daluo Golden Immortals, they couldn't withstand the joint attacks from Yang Luo and others!

So they were being killed back step by step, their bodies covered in wounds, shedding crimson blood!

"Kill!"

Yang Luo roared explosively, swinging his sword with force towards the three of Li Weizhao!

Moreover, he unleashed multiple killing moves like "Beast Blood Boiling," "Great Dao Dragon Diagram," "Nine Emperor Dragon Seal," and "Twelve Shaman Primal Heavenly Art," "Chaos Slaughter Array Map!"

Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, tens of thousands of dragon illusions, and twelve Ancestral Witches attacked together!

Five Directions Dragon Seal expanded tremendously, like Mount Tai descending, suppressing and killing!

Slaughter Array Map carried surging killing aura, vast dragon qi and dragon might, suppressing and killing!

"Young Master Yang is exceptionally skilled for his young age, impressive, impressive!"

"Didn't expect Young Master Yang to control our Dragon Clan Divine Power to this extent, truly remarkable!"

"Young Master Yang is indeed unparalleled! Hahaha, let us show some skills to Young Master Yang too!"

Ao Tianqiong, Ao Haibo, and Ao Qingfeng all praised, then began channeling their internal energy, demonstrating Dragon Clan Divine Powers!

"Thousand Tons of Thunder!"

"Illusion Sea Dragon Soaring!"

"Storms swept up!"

Instantly!

The skies filled with flashing lightning, stormy winds, and giant waves!

The raging thunder, giant waves, and fierce winds transformed into lightning dragons, water dragons, and wind dragons, roaring out!

“Nine Tribulations Thunder Punishment!”

Lei Dongtian hesitated not a bit, calling forth his internal energy relentlessly, launching a fierce attack!

Massive golden bolts of lightning descended from the sky, striking fiercely towards the three of Li Weizhao!

“Counterattack!”

Li Weizhao shouted sharply, also frantically channeling internal energy, launching a counterattack!

“Burning Sky and Boiling Sea!”

“Netherworld Fire Intense Sun!”

A vast sea of black flames swept across heaven and earth, surging upward!

Ten black fireballs condensed, like ten black suns, crashing down!

“Blue Sky for Ten Thousand Miles!”

“Nine Heavens Galaxy!”

Chen Yingnan and Huang Shiyu also continuously called forth their internal energy, launching a counterattack!

Green immortal light and energy formed into a heavenly curtain, descending down, seemingly to obliterate everything!

Massive silver waterfalls poured down from the sky, like a galaxy cascading from the nine heavens, breathtakingly magnificent!

In an instant!

Boom boom boom!

Boom boom boom!

The collision and explosion of sound shook heaven and earth, resounding all around like rolling thunder, ear-deafening!

Great masses of energy and light exploded high in the sky, with boundless destructive power!

But, the attacks launched by Li Weizhao and the three could not withstand the fierce assaults from Yang Luo and others, all being destroyed!

“Argh...”

The three of Li Weizhao cried out miserably, being blasted away...

Chapter 2637: Chapter 2637: Taiyin Sword Master!

In the midst of being thrown back.

The three screamed miserably, shedding large amounts of blood.

“Continue attacking!”

Yang Luo roared, directly hurling the Dragon Emperor Sword!

Whoosh!

The Dragon Emperor Sword transformed into a golden stream of light, shooting out sharply and terrifyingly!

He also summoned the Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal, five Dharma artifacts!

The five Dharma artifacts expanded enormously, carrying vast dragon qi and might, crushing forward!

Moreover, tens of thousands of Holy Dragon illusions roared out, with countless dragon talismans attacking!

Certainly, after summoning the Dragon Emperor Sword and the five Dharma artifacts!

Yang Luo continued to mobilize the energy within, raising his hands and roaring!

“Chaos Destruction Skill!”

A golden Tai Chi Diagram formed between his palms, with a massive golden “Dao” character rising behind him!

After transferring various energies into the golden Tai Chi Diagram, Yang Luo pushed fiercely with his hands!

The golden Tai Chi Diagram flew out, continuously expanding, crushing forward!

Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts also stood up, flying into the golden Tai Chi Diagram!

The golden Tai Chi Diagram continued to expand, the power burst from the energy it contained becoming increasingly terrifying!

Ao Tianqiong, Ao Haibo, and Ao Qingfeng were profoundly shocked and launched fierce attacks!

Lei Dongtian naturally didn't pause, continuing with fierce moves, aggressively attacking Li Weizhao and the others!

"Fight back! Hurry and fight back!!!"

Li Weizhao was scared out of his mind, unleashing killing moves and initiating counterattacks!

Both Chen Yingnan and Huang Shiyu were utterly terrified, furiously countering!

Clang clang!

Boom boom!

Sounds of impact and explosions resounded again in the sky, shaking the Nine Heavens and Ten Earths!

"Puff puff puff..."

Li Weizhao and his companions spat blood wildly, being relentlessly driven back!

However, just then!

Boom boom boom!

A sudden sound of muffled thunder erupted from the distant sky!

A massive void cave exploded in the air, astonishing everyone present!

The next second!

Whoosh!

Five immortal rainbows flashing five colors shot out from the void cave, as if transforming into five peerless Immortal Swords, shooting towards Yang Luo and others!

Boom boom boom!

The offensive launched by Yang Luo and others was directly destroyed, sending them flying!

They were thrown as far back as a thousand meters before Yang Luo and the others barely stabilized themselves!

Immediately after.

A figure flew out from the void cave, reaching this part of the sky.

The newcomer was an elder with a gray long robe, thin build, long eyes, and gray-white hair and beard.

The elder stood with hands clasped behind, quietly emitting dazzling immortal light, giving a sense of awe like a towering mountain.

Upon seeing the newcomer!

Li Weizhao immediately became excited, "Third Senior Brother, you finally arrived!"

"Third Senior Brother, if you didn't come, we would have been finished!"

"These guys are extremely hateful, they killed many of our Five Elements Immortal Sect, please avenge us, Third Senior Brother!"

Chen Yingnan and Huang Shiyu and other elders voiced their excitement.

"Greetings to the Third Elder!"

The remaining Law Enforcers and hundreds of disciples of the Five Elements Immortal Sect respectfully bowed their heads.

Yang Luo stared at this elder, feeling the pressure and aura exceeded the Daluo Golden Immortal category.

Moreover, this elder could shatter the spatial barrier of the Jiuzhou Immortal Domain, traversing the void, definitely not an ordinary person.

He asked softly, "Elder Lei, who is this old guy?"

Lei Dongtian spoke solemnly, "This old guy is the Third Elder of the Five Elements Immortal Sect, named Shen Zhiyi, titled 'Taiyi Sword Master'!"

His cultivation is at the Taiyi Xuanxian Early Stage!"

"What?! This old guy is a Taiyi Xuanxian?!"

Yang Luo was utterly shocked, profoundly stunned.

Realizing that he could not handle a Daluo Golden Immortal, he didn't expect that now a Taiyi Xuanxian had appeared.

No wonder the Five Elements Immortal Sect is so arrogant, turns out they have such a powerful figure in charge.

At this moment.

Shen Zhiyi, with hands clasped behind, asked indifferently, "Junior Brother Li, what exactly prompted your urgent call?"

"Senior Brother Shen, here's what happened..."

Li Weizhao quickly explained the situation to Shen Zhiyi.

After hearing Li Weizhao's words.

Shen Zhiyi's gaze was like lightning, locking onto Yang Luo.

Just one glance gave Yang Luo a heart-palpitating feeling.

This is the pressure of a Taiyi Xuanxian, indeed extraordinary.

However, Yang Luo forced himself to hold back the fear in his heart and faced Shen Zhiyi.

Shen Zhiyi coldly spoke, "Boy, you're just a mere Golden Immortal, yet you dare to provoke my Five Elements Immortal Sect, killing our members. Are you seeking death?"

Yang Luo gritted his teeth, speaking, "All this started because of your Five Elements Immortal Sect Law Enforcer Li Wenxu!"

If it weren't for him trying to harm me and my brothers, why would I provoke your Five Elements Immortal Sect?

It's clearly your mistake, yet you shamelessly ignore right and wrong, always trying to harm us!

Your Five Elements Immortal Sect claims to be a major sect in Huangzhou, don't you care about your reputation?"

"Nonsense!"

Shen Zhiyi roared, "You're a mere Golden Immortal, how dare you speak to me like this, who gave you the courage?"

For so many years, even some major sects dare not provoke our Five Elements Immortal Sect!

And you, a mere Golden Immortal, dare provoke us, what do you think you are?"

Lei Dongtian took a step forward, declaring loudly, "Shen Zhiyi, Little Friend Yang is the most treasured friend of our Yu Lei Immortal Sect!"

If you want to harm him, our Yu Lei Immortal Sect will never agree!"

Chi Yanzhou, Gu Yunsong, and Qi Lushan and others from the Yu Lei Immortal Sect also stepped forward, opposing Shen Zhiyi!

"Our Divine Dragon Clan also disagrees!"

"Shen Zhiyi, this is the territory of Wanlong Ridge, how can you be arrogant here!"

Ao Tianqiong and Ao Haibo, along with tens of thousands of dragons, raised their heads, coldly staring at Shen Zhiyi.

Seeing Yu Lei Immortal Sect and Divine Dragon Clan both backing Yang Luo.

Shen Zhiyi slightly narrowed his eyes, sneering, "Boy, no wonder you're so arrogant, turns out it's because the Yu Lei Immortal Sect and Divine Dragon Clan are backing you!"

However, you think this alone is enough? You think you can challenge us?"

But with just these behind you, you think you can stand against us, who do you think you are?"

"Little Friend Yang, be careful!"

"Young Master Yang, dodge quickly!"

Yang Luo didn't back down, he grabbed the Dragon Emperor Sword, and immediately thrust it out!

The Five Elements Law Power exploded continuously, as if it was going to destroy everything!

Chapter 2638: Chapter 2638: Hurry Up and Get Lost!

In an instant!

Clang! Boom!

Crash! Boom!

The sound of collision and explosion burst simultaneously!

A vast expanse of light and energy exploded in the sky, sweeping through Heaven and Earth, raging in all directions!

However, even with Yang Luo and others joining forces, they could not stop Shen Zhiyi's mighty palm strike!

"Ahhh..."

Yang Luo and his companions let out a pained cry as they were forcibly struck away, leaving a trail of blood behind.

Yet, the Five-Colored Giant Palm unleashed by Shen Zhiyi remained undamaged as it continued its crushing descent towards Yang Luo.

"Little Friend Yang!"

"Brother Lei!"

Chi Yanzhou, Gu Yunsong, Qi Lushan, and Zhu Xingyao shouted in surprise, soaring into the sky and launching a fierce attack!

"Quick, help out!"

Ao Qianyang and Ao Hongshuang shouted loudly, their dragon forms trembling as they shot upwards to the Jiutian, also launching fierce attacks!

Crash! Boom!

Boom! Boom!

The terrifying sound of collisions and explosions resonated once more!

With the combined fierce assault of Chi Yanzhou and the others, the strike from Shen Zhiyi was finally thwarted!

The blasted energy and light burst out like a raging flood!

The crowd nearby, along with many black flood dragons and divine dragons, couldn't resist and were sent flying!

"Overestimating yourselves!"

Shen Zhiyi snorted coldly, raising his right hand and pressing downward!

In an instant!

Rumble! Rumble!

The Heaven trembled, the Earth shuddered, shaking in all directions!

The vast, majestic power of the Heavenly Earth Dao and Five Elements Laws surged like tides, converging in the sky, forming five Immortal Swords!

Whiz! Whiz! Whiz!

The five Immortal Swords, shimmering with various lights, rapidly expanded like towering Sword Mountains, piercing down towards Yang Luo and his allies below!

These swords were too terrifying and horrifying, slicing through the firmament like butter, cleaving this expanse of Heaven and Earth!

"Be careful!"

"Quick, defend!"

"Dodge!"

Lei Dongtian and others shouted in alarm, hastily gathering layers of defense to resist!

Yang Luo gritted his teeth, enduring the pain of his injuries, as he gathered layers of defense to resist!

"Quickly, lend a hand!"

Flame Emperor shouted sweetly, swinging her sword against the descending five Immortal Swords!

"Dammit, how can this old man be so strong?!"

“Enough talk, hurry and help!”

Bujie and Ning Jianfeng, who were also panicked, hastily joined the fierce assault!

The Yu Lei Immortal Sect members, alongside the black flood dragons and divine dragons of the Divine Dragon Clan, joined the frenzied assault!

“Don’t save them!”

“Block them!”

Li Weizhao and Chen Yingnan of the Five Elements Immortal Sect shouted coldly, launching fierce attacks at Flame Emperor and her comrades!

At that moment!

This world plunged into chaos, with collisions and explosions sounding without pause!

Various energies and diverse lights intertwined in the sky, sweeping outwards like a sea of energy light!

Boom, boom, boom!...

The descending five Immortal Swords pierced through and shattered the defenses formed by Yang Luo and his allies!

They couldn’t resist at all!

But, in this critical moment!

Boom! Boom!

From the Wanlong Ridge direction, thunderous explosions sounded from the sky!

A massive Void Cave opened up in that sky!

In the next instant!

“Roar!”

A resonant dragon roar echoed, reverberating through Heaven and Earth, spreading far and wide!

Immediately!

Whoosh!

A colossal black beam of light shot out from the Void Cave!

This black-gray beam was incredibly terrifying, pulverizing the Void wherever it passed!

In the blink of an eye!

Crash! Boom!

The black beam slammed into the five descending Immortal Swords!

In less than a few minutes!

Boom! Boom!

The black beam and the five Immortal Swords simultaneously shattered and exploded!

The exploding energy and light spread like the Raging Sea Violent Waves!

Seeing his assault destroyed.

Shen Zhiyi's face darkened as he looked towards the distant Void Cave.

"Shen Zhiyi, this domain of Wanlong Ridge will not tolerate your insolence!"

Accompanied by a powerful voice.

A black giant dragon, over five thousand meters long, flew out from the Void Cave and quickly reached the sky above.

This black dragon appeared older, its two dragon horns like ancient heavenly trees.

Its dragon scales gleamed like black crystals, emitting dazzling black light, and its two long dragon whiskers fluttered like vines in the wind.

The black dragon quietly coiled in the sky, its dragon might and dragon qi emanating even more fiercely, enveloping Heaven and Earth far and wide.

"Second Brother, you've finally appeared!"

"Shen Zhiyi is truly arrogant, we cannot let him get away!"

Ao Tianqiong and Ao Haibo spoke out in anger.

Yang Luo glanced at the black dragon and sensed the pressure and aura emanating from it, as comparable to Shen Zhiyi.

Could this black dragon be a Taiyi Xuanxian as well?

Thinking of this.

Yang Luo asked Ao Tianqiong, "Senior Tianqiong, who is this senior?"

Ao Tianqiong answered, "Young Master Yang, this is our Second Brother, also the Second Elder of our Divine Dragon Clan, named Ao Yuchuan.

Second Brother's cultivation is at the Taiyi Xuanxian Early Stage, same as Shen Zhiyi."

"I see..."

Yang Luo nodded, cupping his hands as he said, "Junior Yang Luo greets Senior Yuchuan!"

Ao Yuchuan turned to Yang Luo, with a puzzled expression, "Tianqiong, who is this youngster?

And what's really going on here?"

Ao Tianqiong communicated to Ao Yuchuan, explaining the events of tonight and also Yang Luo's identity.

A few minutes later.

Ao Yuchuan looked at Yang Luo, and a trace of respect appeared in his eyes, "Ao Yuchuan greets Young Master Yang!"

"Senior Yuchuan, you're too kind!"

Yang Luo cupped his hands.

Ao Yuchuan looked towards Shen Zhiyi and boldly declared, "Young Master Yang is a friend of our Divine Dragon Clan!

Your Five Elements Immortal Sect has no business harming him, and our Divine Dragon Clan will not consent!"

Shen Zhiyi frowned and asked, "Ao Yuchuan, I've never heard of your Divine Dragon Clan being close to any human elders!

How could this youngster possibly be a friend of your Dragon Clan?"

Ao Yuchuan said resonantly, "This is none of your concern!

If you don't want to stir up a war, then hurry up and leave with your people!"

Shen Zhiyi replied coldly, "My Five Elements Immortal Sect has no intention of waging war with your Divine Dragon Clan!"

However, hand over this youngster, and we will leave immediately!"

"There's no way I'm handing him over!"

Ao Yuchuan refused decisively.

"Is that so?"

Arrogantly, Shen Zhiyi said, "Ao Yuchuan, I've heard your Dragon Clan's divine powers are unmatched, I'd like to witness them!"

With that, his whole body shook, hair and beard flying, robes flapping wildly, flashing with blinding five-colored Immortal Light!

Majestic pressure and aura surged from his body, sweeping through Heaven and Earth in all directions!

Boom! Boom!

The broad Coiling Dragon River, and tens of thousands of mountains on both sides, also began shaking violently!

"You wish to challenge my Dragon Clan's divine power, I shall accompany you!"

Ao Yuchuan showed no fear, his entire body trembled, his pressure and aura suddenly surged violently like raging tides, spreading out!

Chapter 2639: Chapter 2639: Clear Outcome!

Rumble rumble rumble!

The skies, earth, mountains, and forests within thousands of miles shook even more violently!

Boom boom boom!

Two forces of pressure and aura clashed fiercely in the air, creating a stormy momentum!

The vast void could hardly withstand the collision of these two forces, splitting into a web of tiny cracks!

“Everyone, retreat!”

Yang Luo shouted loudly.

Bujie and others, the people of Yu Lei Immortal Sect, as well as the black flood dragon and divine dragon of the Divine Dragon Clan all retreated.

Li Weizhao also quickly led the people of the Five Elements Immortal Sect back.

Just as everyone retreated!

Shen Zhiyi and Ao Yuchuan simultaneously moved, rushing towards each other!

They were like teleporting, instantly closing the distance!

Shen Zhiyi’s eyes flickered with five-colored immortal light, raising his right hand to gather a Five-Colored Giant Palm, striking heavily towards Ao Yuchuan!

Ao Yuchuan’s eyes shimmered with piercing black light, his dragon body trembled, swinging a giant black Dragon Claw to counterattack!

Clang clang clang!

The Five-Colored Giant Palm and the black Dragon Claw collided heavily, erupting in a crisp sound, like Immortal Gold Divine Iron clashing in the sky!

Fire light scattered, energy surged, dazzling and captivating!

The void at the point of collision instantly tore, spreading out like a spider web!

The massive Cloud Sea above was shattered, and the great river below was blasted into a huge abyss vortex!

Under this unprecedented collision!

Ao Yuchuan and Shen Zhiyi were both sent flying backward!

In the midst of being thrown back!

Shen Zhiyi extended his right hand, transforming five fingers into five Immortal Swords, shooting out explosively!

The five Immortal Swords continuously grew larger, slashing the sky, tearing the void, cutting towards Ao Yuchuan!

“Roar!”

Ao Yuchuan unleashed a resounding dragon roar!

A black beam burst out, like a black cannon blast, crashing into the five Immortal Swords!

Rumble rumble rumble!

Amidst a cataclysmic explosion!

The five Immortal Swords and the black beam simultaneously shattered and exploded!

But, just as the five Immortal Swords and black beam exploded!

Ao Yuchuan jolted his dragon body, unleashing Dragon Clan Divine Power!

Rumble rumble rumble!

Bolts of lightning fell from the skies, like Thunder Punishment, terrifyingly intense!

Tornadoes swept the heavens and earth, crushing from all directions!

The intense Dragon Flame burned fiercely, transforming into a Fire Sea, surging upward!

Below, Coiling Dragon River surged with massive waves, transforming into colossal Water Dragons, crashing upwards!

Shen Zhiyi raised his right hand, aligning his sword fingers before his chest, shouting defiantly!

“Five Elements Immortal Sword, Heavenly Slash!”

Instantly!

Whiz whiz whiz!

Countless flying swords flickered with dazzling five-colored light, exploding outwards with him at the center!

Each sword was incomparably sharp, like a true sword, containing powerful Five Elements Law Power!

Thud, thud, thud!...

Boom, boom, boom!...

Deafening clashes and explosions rang continuously, making everyone's eardrums buzz incessantly!

Ao Yuchuan's assault was ferocious, but Shen Zhiyi, being a Taiyi Xuanxian, was also extraordinarily strong!

Therefore, Shen Zhiyi parried Ao Yuchuan's ferocious assault, creating enormous Huge balls of energy in the air!

After destroying Ao Yuchuan's assault!

Shen Zhiyi waved his large sleeve!

Five-colored Immortal Chains broke the void, infused with immense Five Elements Law Power, sweeping from all directions, instantly binding Ao Yuchuan!

Ao Yuchuan merely jolted his dragon body, directly breaking the Immortal Chains!

Shen Zhiyi's expression changed, immediately stepping down in mid-air!

Rumble rumble rumble!

A crater opened in the sky, and a huge sword shimmering with five-colored immortal light pierced downwards towards Ao Yuchuan!

The vast void was torn extensively, chaotic fog erupted, horrifyingly intense!

Even the mighty Daluo Golden Immortal may not withstand it; if not unscathed, they would be severely injured by this sword!

"Roar!"

Ao Yuchuan issued a thunderous roar, utterly fearless, leaping into the air and charging at the plummeting five-colored huge sword!

With the sound of "Rumble rumble rumble"!

The five-colored huge sword was instantly shattered!

The crater in the sky expanded further, even the endless stars seemed on the verge of falling!

"My goodness, this is too domineering, to shatter the huge sword with the body?!"

Bujie's mouth twitched, unable to hold back his exclamation.

Yang Luo, Flame Emperor, and others were also greatly shocked.

Though far away, they felt the lethal force, destructive power, and devastation emitted by the five-colored huge sword!

Yet, despite this, Ao Yuchuan shattered it directly!

Ao Tianqiong laughed and said, "Our Divine Dragon Clan is born with a strong physical body, this is nothing!"

If Shen Zhiyi's cultivation surpasses Second Brother, perhaps he would be injured!

But given equal cultivation, Second Brother, with his formidable physical body, fears not Shen Zhiyi!"

Yang Luo and others nodded in understanding.

At this moment.

After shattering the huge sword, Ao Yuchuan swung his dragon tail, turned around, and charged directly at Shen Zhiyi!

Boom boom boom!

Ao Yuchuan's physical body is truly formidable, shattering the void ahead like glass!

Shen Zhiyi's pupils contracted, immediately summoning a Five-Colored Immortal Sword, slashing fiercely towards Ao Yuchuan!

Swoosh!

The Five-Colored Immortal Sword slashed out, majestic like a rainbow, with overwhelming sword might, fierce sword intent, Five Elements Law Power surged madly!

This heaven and earth were cleaved open by a sword, a sky abyss manifested from above to below, shocking to behold!

However, just as Shen Zhiyi slashed out a sword!

Ao Yuchuan instantly transformed into human form!

"Oh my, Senior Yuchuan turned into a human!"

Bujie exclaimed in surprise.

Ao Tianqiong explained, "Our Divine Dragon Clan's divine dragons can transform into human form once they step into Golden Immortal!"

Ao Yuchuan transformed into a tall and sturdy elder in black robes, white hair and beard flowing, with two black dragon horns atop his head, captivating eyes!

He raised his right hand, summoning a black dragon-head saber, slashing horizontally towards Shen Zhiyi's sword!

Swoosh!

The void ahead was slashed open, erupting with violent dragon qi and dragon might, crashing upwards!

Clang clang clang!

Saber and sword collided fiercely, bursting with blazing light and immense energy, crashing like waves, sweeping the heavens and earth!

The skies at the point of their collision, as well as the great river below, were torn apart!

The river surged, rising thousands of zhang high, spectacularly grand!

Both Ao Yuchuan and Shen Zhiyi's weapons were extraordinary, clearly surpassing Immortal Items, possessing Artifact Spirits!

Buzz buzz buzz!

The two weapons trembled intensely, with their own consciousness, refusing to yield, fiercely dueling!

After several minutes of collision!

Rumble rumble rumble!

Ao Yuchuan and Shen Zhiyi were simultaneously blown a thousand meters away, stabilizing their bodies!

Shen Zhiyi was seen cut open with gashes, blood staining his robe!

Ao Yuchuan, too, was cut with several wounds, but his injuries were much lighter than Shen Zhiyi's!

The difference was clear!

Chapter 2640: Chapter 2640: Fight if you want to fight, or get lost if you don't!

After all, Ao Yuchuan's physical body was much stronger than Shen Zhiyi's, so the injuries he sustained were naturally much lighter.

For a moment.

The scene quieted down.

Yang Luo and Bujie and the others clenched their fists tightly, highly agitated.

Lei Dongtian and Chi Yanzhou, among others, were profoundly shocked.

Although they knew of Ao Yuchuan's reputation, they had never seen Ao Yuchuan engage in a fight with anyone.

Today was the first time they witnessed it.

Even though Ao Yuchuan and Shen Zhiyi exchanged only a few moves, they could still see Ao Yuchuan's formidable strength.

As for Li Weizhao and Chen Yingnan, they clenched their fists, irritated beyond measure.

Third Brother actually fell to a disadvantage!

This is truly hateful!

At this moment.

Ao Yuchuan and Shen Zhiyi stood confronting each other, coldly gazing at their opponent, remaining silent for a long time.

After a moment of silence.

Ao Yuchuan spoke with a thunderous voice: "Shen Zhiyi, do you want to continue fighting? If you wish to fight, I will accompany you to the end!"

Shen Zhiyi's face was stern and his brow was furrowed; although he was unwilling, he did not continue the fight.

He took a deep breath and spoke in a low voice: "Leave!"

Li Weizhao's expression changed, exclaiming: "Brother Shen, why do you want to leave?"

If the fight continues, the outcome is still uncertain!"

“Brother Shen, our Five Elements Immortal Sect is not weaker than the Divine Dragon Clan. Are we going to concede to them?!”

Chen Yingnan and Huang Shiyu also spoke through gritted teeth, unwilling to accept the situation.

Shen Zhiyi transmitted his voice: “I naturally do not fear Ao Yuchuan, but the old dragon of the Divine Dragon Clan has cultivation above mine!

If we alert that old dragon, we might not be able to escape!”

Li Weizhao transmitted his voice: “We can ask Second Brother and First Brother to help us, why fear this Divine Dragon Clan!”

Shen Zhiyi replied: “Second Brother and First Brother are still in seclusion, it’s not convenient to disturb them!

Moreover, now that the Yu Lei Immortal Sect has become entangled with the Divine Dragon Clan, if the two join forces, we will struggle to contend with them!

We will remember this account for now, and after Second Brother and First Brother finish their seclusion, we will discuss how to deal with the Divine Dragon Clan and the Yu Lei Immortal Sect!”

Li Weizhao gritted his teeth in anger and spoke irritably: “Hateful! Why is it so hard to kill this wretched Yang Luo!”

Seeing Shen Zhiyi and the others remain silent for a long time.

Bujie spoke impatiently: “What are you dawdling for? Are you going to fight or not?

If you want to fight, then fight; if not, then get lost!”

Shen Zhiyi exhaled a puff of turbid air, coldly staring at Ao Yuchuan, saying: “Ao Yuchuan, our Five Elements Immortal Sect will remember this account for now!

One day, our Five Elements Immortal Sect will surely seek guidance from you all!”

With that, he waved his sleeve, “Let’s go!”

Then, Shen Zhiyi led Li Weizhao and the others in a rapid retreat.

Bujie shouted: “Damn, they’re running, aren’t we chasing them?”

Ao Yuchuan spoke in a deep voice: “Don’t chase them. If we kill Shen Zhiyi and the others tonight, it will definitely plunge Huangzhou into chaos!

After all, the Five Elements Immortal Sect's energy in Huangzhou isn't small, and quite a few sects depend on them!

If it really comes to a fight, our Divine Dragon Clan won't benefit!"

Lei Dongtian also said: "Indeed, it's not a good time to start a war now!"

Bujie shrugged and said: "Alright, whatever the seniors decide, we'll do. Anyway, tonight we've killed quite a few from the Five Elements Immortal Sect, so we've profited!"

Ao Yuchuan turned to Lei Dongtian and the others, saying: "My third brother has already told me about tonight's events.

Since all of you came to Wanlong Ridge to assist Young Master Yang, we will not pursue the matter of you breaking into our Wanlong Ridge."

Lei Dongtian cupped his hands, saying: "Since we all became acquainted through Little Friend Yang, I think we can become friends!"

Yang Luo also said: "Elder Lei is correct, Elder Yuchuan, if the Divine Dragon Clan allies with the Yu Lei Immortal Sect, the Five Elements Immortal Sect naturally won't be able to do anything to you!"

Ao Yuchuan frowned, saying: "Our Divine Dragon Clan still does not trust human elders. Were it not for your sake, Young Master Yang, we naturally would have pursued the Yu Lei Immortal Sect for breaking into our Wanlong Ridge!"

"This..."

Yang Luo was at a loss.

He truly doesn't understand why the Divine Dragon Clan has such hostility toward human elders.

Lei Dongtian dryly laughed, cupping his hands: "In that case, we won't disturb you all!"

With that, he looked at Yang Luo, saying: "Little Friend Yang, if there are any matters later, let's keep in touch at any time!"

"Alright!"

Yang Luo nodded in agreement.

Then, Lei Dongtian led the Yu Lei Immortal Sect people in a swift departure from this place.

After Lei Dongtian and the others left.

Ao Yuchuan smiled warmly at Yang Luo, saying: "Young Master Yang, let's go, I will take you to our Wanlong Ridge!"

Yang Luo pointed at Bujie and the others, saying: "Elder Yuchuan, they are my brothers, have no ill intentions, can they come to Wanlong Ridge too?"

Ao Yuchuan glanced at Bujie and the others, nodding: "Then let's go together!"

Bujie and the others finally breathed a sigh of relief, they were truly worried Ao Yuchuan would also drive them away.

After all, they could see that the Divine Dragon Clan has great hostility toward human elders.

Except for Yang Luo, who is treated differently.

Then, Yang Luo and his party followed Ao Yuchuan and tens of thousands of dragons flying towards Wanlong Ridge.

Shortly thereafter.

Everyone finally arrived at the territory of Wanlong Ridge.

Numerous mountains, spanning hundreds, thousands, and tens of thousands of meters in height, rose between Heaven and Earth, stretching endlessly.

Rivers flowed through the mountains and forests, dense with vegetation, spiritual energy extremely abundant.

Ao Yuchuan said loudly: "Everyone disperse!"

"Yes, Second Elder!"

Other black flood dragons and divine dragons answered respectfully, then scattered.

However, the elders and Law Enforcers of the Divine Dragon Clan stayed behind.

The elders and Law Enforcers transformed into human shapes, with males and females, each having two dragon horns atop their heads.

Along the way.

Yang Luo introduced Bujie and the others to Ao Yuchuan and his party.

Ao Yuchuan introduced the situation of Wanlong Ridge to Yang Luo and the others.

Everyone became slightly more acquainted.

Soon after.

Yang Luo and his party arrived at the core area of Wanlong Ridge.

A towering mountain, reaching ten thousand meters, stood in the center area, with a golden hall surmounting its peak, the plaque carved with three ancient characters: "Divine Dragon Hall."

Suspended around this towering mountain were other mountains, with halls and pavilions perched atop them.

Divine Dragon Totems were seen everywhere.

Upon reaching the air above the main peak.

Ao Yuchuan looked toward the rear mountain and shouted loudly: "Please, Elder Brother, come out, we have urgent matters to discuss!"

The voice resounded powerfully, spreading throughout the entire domain of Wanlong Ridge.

After a while.

"Roar!"

A thunderous dragon roar sounded from afar.

The next moment!

A golden giant dragon, over six thousand meters long, soared into the sky from a valley, like a Nine Heavens Divine Dragon flying across the sky, illuminating the vast Heaven and Earth!

Then, the golden giant dragon turned its direction, flying towards Yang Luo and his companions!

As the golden giant dragon drew near!

Yang Luo and the others felt an even more magnificent and vast dragon might and dragon qi, even stronger than the dragon might and dragon qi emanating from Ao Yuchuan!
