Chapter 2651: Chapter 2651: Be Careful of Everything!

Ji Longyue admired, "Brother Yang's physical body is now many times stronger than it used to be!"

It can be said that in the same realm, or even a realm higher than Brother Yang, no elders can compare to Brother Yang in terms of physical strength!"

Baili Wushuang sighed, "Brother Yang has just activated his bloodline and physique, and his physical body is already so powerful!"

I truly wonder how strong Brother Yang's physical body will become in the future!"

Mo Qingkuang and Xiang Kunlun, among others, were deeply shocked.

However, this also ignited the fighting spirit within them.

Yang Luo is advancing towards greater strength, and they too need to work even harder.

Ao Yu exclaimed loudly, "Young Master Yang, the fight just now was unsatisfying, come on, let's continue!"

Ao Zhan also laughed and said, "Young Master Yang, let's have a real fight!"

"That's enough, there's no need to continue."

Ao Zhengrong raised his hand to stop them and said, "Ao Yu, Ao Zhan, one of you is on par with Young Master Yang's cultivation, and one is higher than Young Master Yang.

If you two join forces against Young Master Yang, do you think it's honorable?"

Upon hearing Ao Zhengrong's words.

Ao Yu and Ao Zhan immediately felt embarrassed.

Ao Yuchuan chuckled and said, "Moreover, even if you do get serious, can you guarantee you'll defeat Young Master Yang? Perhaps not."

Ao Yu and Ao Zhan were momentarily stunned before they realized.

Indeed, just now Yang Luo only withstood their attacks using his physical body without getting serious.

Yet, even so, they were still injured by Yang Luo.

If Yang Luo had gotten serious, they wouldn't have confidence in defeating him.

Thinking of this.

Ao Yu clasped his hands and said, "Young Master Yang, I concede!"

"I concede!"

Ao Zhan also clasped his hands.

Yang Luo chuckled lightly and said, "Dear Law Enforcers, we were merely sparring, no need to take it to heart."

Saying this, he took a step forward, arriving at the mountain where Bujie and others were.

He glanced at Bujie and others, nodding, "It looks like you all have made breakthroughs, very nice!"

Bujie pouted and said, "Brother Yang, even with our breakthroughs in cultivation, we're still far from matching up to you, you monster!"

Ning Jianfeng agreed, "Isn't that right? Now you can suppress elders of the same realm or even a higher realm with just your physical body, it's incomparable!"

Yang Luo shook his head with a wry smile.

But indeed, after his bloodline and physique were activated, his physical strength had increased many times.

Perhaps now, he could crush high-level Immortal Weapons and Dharma artifacts with his bare hands.

Ao Zhengrong stroked his beard and smiled, "Young Master Yang, now that your bloodline and physique have been activated, your cultivation speed will greatly increase.

However, the potential of your bloodline and physique is far from being fully realized, you must continue to develop and enhance them in the future."

Yang Luo clasped his hands and said, "Senior Zhengrong, I will continue to work hard!"

Ao Zhengrong thought for a moment and said, "Young Master Yang, if you have time later, you should visit the Ancestor Dragon Sacred Land."

If you can undergo a second refinement with the Ancestor Dragon Blood Essence, your bloodline and physique will be further enhanced."

Yang Luo nodded and said, "Senior Zhengrong, I have considered visiting the Ancestor Dragon Sacred Land to meet the seniors of the Ancestor Dragon Clan."

If I can let the Ancestor Dragon Clan know that Senior Xinghe and others are still alive, it would be a surprise and encouragement for them.

"Good!"

Ao Zhengrong smiled and nodded, "You can stay at Wanlong Ridge for a while."

We can also offer you some guidance."

"Thank you, seniors!"

Yang Luo expressed his gratitude.

...

Half a month later.

During this half month, Yang Luo and Bujie, among others, received guidance from Ao Zhengrong and Ao Yuchuan and others.

Everyone's strength improved significantly.

Of course, Long Xinghe, Long Daoyi, Long Tianchi, Long Youlan, and Long Jiu'er also imparted many lost Dragon Clan Divine Powers to Ao Zhengrong and others.

Half a month later, in the morning.

At the outskirts of Wanlong Ridge, above the Coiling Dragon River.

Yang Luo and his group were bidding farewell to Ao Zhengrong and others.

Ao Zhengrong asked, "Young Master Yang, where are you heading next?"

Yang Luo said, "Senior Zhengrong, next we're planning to go to the Immortal Desolate Ancient Mine to search for some natural treasures for weapon refining."

“Oh...”

Ao Zhengrong nodded and then said, “Young Master Yang, be very careful while you’re outside!

The Five Elements Immortal Sect is known to be vengeful, they surely won’t let you go easily!

If you need help later, feel free to contact us anytime!”

Saying this, Ao Zhengrong took out a jade talisman engraved with the Divine Dragon Totem from his sleeve and handed it to Yang Luo.

He said, “Young Master Yang, this is the ‘Divine Dragon Jade Token’, as long as you are in Huangzhou territory, you can use the jade token to contact us.

Of course, if you leave Huangzhou, you can also use the ‘Great Dao Dragon Diagram’ to summon the protectors of the Divine Dragon Clan to assist you.

In any case, be careful in everything.”

“Yes, Senior Zhengrong!”

Yang Luo accepted the jade token and said, “Senior Zhengrong, if the Divine Dragon Clan needs help in the future, please be sure to contact us!

No matter where we are, we will come to help!”

“Good!”

Ao Zhengrong nodded with satisfaction.

“Take care, everyone!”

Yang Luo and his group clasped their hands towards Ao Zhengrong and others.

“Take care!”

Ao Zhengrong and others also clasped their hands.

Subsequently, Yang Luo and his group changed direction and flew away from Wanlong Ridge.

After leaving Wanlong Ridge.

Yang Luo and his group flew towards the direction of the Immortal Desolate Ancient Mine.

During the journey.

Bujie asked, "Brother Yang, will the Five Elements Immortal Sect send people to kill us again?"

Yang Luo thought for a moment and said, "Probably not for now, after all, last time the Five Elements Immortal Sect suffered significant losses at Wanlong Ridge and needs to recover.

However, there's no guarantee these guys won't act desperately and attack us again.

So, we still need to be cautious."

At this moment.

Mo Qingkuang frowned and said, "Because of us, the Five Elements Immortal Sect holds a grudge against Yu Lei Immortal Sect and the Divine Dragon Clan.

I'm worried they will give Yu Lei Immortal Sect and the Divine Dragon Clan trouble later."

Yang Luo's eyes flashed with a cold light, and he said in a deep voice, "If the Five Elements Immortal Sect really makes a move against Yu Lei Immortal Sect and the Divine Dragon Clan, even if it costs us our lives, we must help!"

"Indeed, that's a must!"

"The seniors of Yu Lei Immortal Sect and the Divine Dragon Clan have treated us so well; if they get bullied, we can't just stand by and do nothing!"

Bujie and others exclaimed loudly.

Yang Luo contemplates, "Before we become truly strong, we need to leverage support and find more allies!

So next we will first go to the Immortal Desolate Ancient Mine, then to the Ancestor Dragon Sacred Land, and finally, take you to recognize your roots and ancestors!

Fortunately, the Ancestor Dragon Sacred Land and those Ancient Divine Beast Families are all located in Donghua Divine Continent!"

"Great!"

“Let’s do it!”

Bujie and others nodded in agreement.

Anyway, Yang Luo is their backbone, wherever Yang Luo says to go, they will go.

Yang Luo looked ahead, muttering to himself, “Hopefully, we can find materials to repair the Immortal Suppression Pagoda in the Immortal Desolate Ancient Mine...”

Chapter 2652: Chapter 2652: Immortal Desolate Ancient Mine!

They traveled for three consecutive days.

By midday on the third day,

Yang Luo and his group finally arrived at the outskirts of the Immortal Desolate Ancient Mine.

The entire Immortal Desolate Ancient Mine stretched indefinitely, with no end in sight.

Towering mountains stood between Heaven and Earth, shimmering with diverse immortal lights, dazzling and resplendent.

These great mountains not only shined brilliantly but also contained various energies.

Some burned with flames, some exuded bone-chilling coldness, while others swirled with lightning, quite magical indeed.

Tall ancient trees grew between the mountains, and various rare herbs also thrived in this place.

However, some mountains were already damaged, and some areas were barren, clearly having been mined.

Furthermore, many birds and beasts could be seen flying in the sky and running through the forests.

“Brother Yang, is this the Immortal Desolate Ancient Mine?”

Bujie looked ahead with astonishment and asked.

Yang Luo took out a map, glanced at it, and said, “It should be here. These mountains glowing with various lights contain abundant immortal ore that can be refined into Immortal Gold Divine Iron.”

Bujie clicked his tongue, “The spiritual energy here is just too abundant!”

And besides the immortal ore, the medicinal herbs in these mountains are indeed extraordinary, many are Immortal Medicines!”

Xu Ying shook his head and said, “These herbs are indeed rare and precious to us.

But for the Jiuzhou Immortal Domain, with its abundant spiritual energy and rich resources, these herbs should be nothing special.”

Lin Wenxuan nodded, “If these medicinal herbs were truly precious, they would have been harvested long ago.”

Bujie chuckled, “Though these herbs aren’t much for the natives of the Jiuzhou Immortal Domain, they’re still valuable to us!

After all, even a mosquito is meat!

Today, Lord Buddha intends to fill the storage bag to its brim!”

Saying this, Bujie’s figure flashed and he rushed directly towards the Immortal Desolate Ancient Mine!

“Bujie, wait!”

Yang Luo warned in shock.

But it was already a step too late!

Just as Bujie got closer!

“Roar roar roar!”

A series of roars came from the Immortal Desolate Ancient Mine.

A host of mutated beasts with wings soared into the sky, charging towards Bujie.

Those that couldn’t fly rushed to the mountain tops and roared at Bujie.

“What the—!”

Bujie was startled, “What’s going on, why have these mutated beasts suddenly gone mad?!”

Saying this, he hurriedly flew back.

“These mutated beasts must have claimed this Immortal Desolate Ancient Mine as their territory!”

Yang Luo responded, then said, "Big White, Hundred Cry Bird, scare these guys off!"

"Got it!"

"Alright, Brother Yang!"

Big White and the Hundred Cry Bird darted out, their bodies instantly enlarging over two hundred meters!

"Roar!"

After enlarging, Big White clenched its fists, pounded its chest, and let out a roar!

"Chirp!"

The Hundred Cry Bird also spread its wings, with blazing flames engulfing its body, and let out a clear cry!

Waves of pressure and aura emanated from Big White and the Hundred Cry Bird, sweeping across the Heavens and Earth!

Many mutated beasts, trembling with fear, quickly retreated!

But some did not retreat, instead stared intently at Big White and the Hundred Cry Bird, growling lowly!

Yang Luo's face darkened, stepping forward!

Bam!

The surrounding Heaven and Earth trembled, the mountains shook violently!

He declared loudly, "We only want to mine some immortal ore and pick some herbs!

If you dare obstruct us, don't blame us for being ruthless!"

As he spoke, waves of immense pressure and aura spread out, sweeping towards the mutated beasts!

The remaining mutated beasts trembled, eyes filled with fear when looking at Yang Luo!

Having awakened their intelligence, they were very sensitive to danger!

They could sense that this human elder before them was extremely formidable!

Thus, the remaining mutated beasts didn't linger long and fled hurriedly!

Bujie chuckled, "It's always up to Brother Yang!"

Yang Luo waved his hand, "Brothers, into the mountains!"

"Alright!"

Everyone responded in unison.

After flying into the Immortal Desolate Ancient Mine,

Yang Luo spoke, "Everyone can pick some herbs for future needs."

Bujie and others nodded, then flew to different spots to pick herbs.

Yang Luo also took out his storage bag to collect herbs.

Of course, he ignored any herb below Immortal Medicine, focusing solely on collecting Immortal Medicines for future alchemy.

Along the way, he saw plenty of scattered skeletons in the forests, both human and beast bones, as well as numerous weapons and artifact fragments.

Clearly, this place had experienced countless battles.

Ordinary people would be too afraid to come near, as approaching here would provoke attacks by mutated beasts.

Only elders dared to come here to mine immortal ore and gather medicinal herbs.

After filling several storage bags,

Yang Luo began to mine immortal ore.

Fortunately, the Immortal Desolate Ancient Mine was rich in various immortal ores, and he managed to mine several that were essential for refining weapons and Dharma artifacts.

However, Yang Luo felt helpless because he couldn't find the materials needed to repair the Immortal Suppression Pagoda.

Although he now has the Red Flame Copper, Hundred Refinement Divine Iron, and Divine Dragon Essence Blood,

he still lacks Green Water Gold, Nine Heavens Cold Iron, and Earth Core Mysterious Stone.

Yang Luo frowned and said, "This Immortal Desolate Ancient Mine is so vast, can't it have Green Water Gold, Nine Heavens Cold Iron, or Earth Core Mysterious Stone?"

As he said this, he continued flying forward, searching for these three materials.

Yet, he still couldn't find any of them.

Yang Luo sighed inwardly.

No wonder Senior Jiu'er said these six materials are hard to find.

However, just then!

"Brothers, look, it seems like there are others in the Immortal Desolate Ancient Mine!"

Ning Jianfeng's voice came over.

Yang Luo and the others flew up into the sky, looking far ahead.

Indeed,

In the distance, two groups faced off in the air.

Just as Yang Luo and the others paused, the two groups started fighting each other.

Bujie asked confusedly, "Um... who are those people, and why did they suddenly start fighting?"

Yang Luo thought for a moment and said, "Let's go take a look!"

Everyone nodded and then followed Yang Luo, flying towards the commotion.

At that moment,

In the central area of the Immortal Desolate Ancient Mine,

A major battle was taking place in the sky.

Most of the combatants wore black and silver armor, locked in an intense struggle.

In a section of the sky, a group of young people were engaged in battle.

Boom!

With a deafening roar!

This group of young people was simultaneously thrown back several hundred meters before regaining balance!

On one side were a young man and woman.

The man wore a blue robe, slender and tall, with delicate features and extraordinary bearing.

The woman wore a white gown, with a graceful figure and outstanding looks.

Opposite them stood six young men and women.

The leading young man, about thirty years old, wore a dark robe, tall and sturdy, wielding a halberd with an imposing presence.

The young man in the blue robe angrily said, "Huang Yuchen, this Nine Heavens Cold Iron was found by me first, you suddenly attacked to snatch it, it's too much!"

Chapter 2653: Chapter 2653: Worthless Prince!

The man in a dark robe named Huang Yuchen haughtily said, "Xia Chaoyang, this Immortal Desolate Ancient Mine is an ownerless land, the natural treasures here naturally belong to the capable!"

Since your strength is not as good as mine, you should hand over the Nine Heavens Cold Iron!"

"Huang Yuchen, you are too shameless, why should the natural treasures we found be handed over to you!"

The woman beside Xia Chaoyang, the man in blue robe, was very angry.

"Xia Ziyan, do you want to know why?"

Huang Yuchen arrogantly said, "That's because my cultivation is higher than yours and my strength is greater!"

Moreover, our Great Desolate Immortal Country is stronger than your Da Xia Immortal Country, that is the reason!"

"Hurry up and hand over the Nine Heavens Cold Iron, such Divine Iron is not something you can touch!"

"If you anger Prince Yu Chen, be careful of suffering physical pain!"

“The Great Desolate Immortal Country is not something your Da Xia Immortal Country can provoke!”

The few young men and women behind Huang Yuchen also mocked out loud.

Xia Chaoyang gritted his teeth and said, “I said, this Nine Heavens Cold Iron was found by me, I will not hand it over!”

“Truly ungrateful!”

Huang Yuchen’s eyes were icy, “Since you won’t hand it over, I’ll have to make you suffer physically!”

But don’t worry, out of respect for your Da Xia Immortal Country, I won’t kill you, just make you lie on the bed for a year or two!”

As he said this, he stepped forward and turned into a black gold light, charging wildly towards Xia Chaoyang!

At the moment of closing in!

He swung the halberd in his hand, striking heavily towards Xia Chaoyang!

Rumble...!

With one strike, the huge halberd pressed down like a mountain, black gold light lit up the heaven and earth, causing the Void to twist and fluctuate violently!

Xia Chaoyang’s face changed, dazzling platinum light flickered on his body, he wielded the platinum spear in his hand, sweeping out horizontally!

Swish!

Immortal light shone brilliantly, sweeping across heaven and earth, extremely powerful!

In an instant!

Clang clang clang!

The fierce collision sound resounded, bursting into a mass of light and energy!

But, Huang Yuchen had early-stage Golden Immortal cultivation, and Xia Chaoyang only Heavenly Immortal Perfected Stage!

So, Xia Chaoyang couldn’t resist Huang Yuchen’s strike at all, fell from the high sky, with a “boom”, crashed on a great mountain!

The mountain was smashed down a segment, rocks scattered, and dust surged!

“Puff...”

Xia Chaoyang spat out a mouthful of fresh blood, his body was also torn with bloody openings!

“Big brother!”

Xia Ziyan screamed in anger, roaring at Huang Yuchen: “I’ll fight you to the end!”

As she spoke, she charged towards Huang Yuchen with a green gold long sword in hand!

“Third sister, don’t go over there!”

Xia Chaoyang shouted out.

At the instant of approaching!

Xia Ziyan swung the long sword in her hand, cleaving towards Huang Yuchen!

Swish!

With one strike, the sword intent surged, Immortal light radiated, incredibly sharp!

“Just a mid-stage Connate Realm, dare to attack this prince, overestimating yourself!”

Huang Yuchen coldly shouted, flipping his right hand, swinging out a halberd!

Clang clang!

Accompanied by crisp collision sounds!

Xia Ziyan, along with her sword, was sent flying out, with a “boom”, crashing onto the mountain Xia Chaoyang was on!

She too was seriously injured by the strike, spitting out a mouthful of fresh blood!

“Third sister, how are you?!”

Xia Chaoyang asked urgently.

Xia Ziyan shook her head, “Big brother, I’m fine!”

“Eldest Prince, Third Princess!”

Their guards also withdrew from the battlefield, flying over, expressions tense.

Xia Chaoyang stood up, staring at Huang Yuchen, gritting his teeth: "Huang Yuchen, don't you want the Nine Heavens Cold Iron, I'll give it to you!"

Saying this, he took out a piece of snow-white iron exuding cold air from his storage bag.

Although unwilling, if he doesn't hand it over, Huang Yuchen definitely won't let him and his sister go easily.

Huang Yuchen laughed triumphantly: "If only you handed it over earlier, why force me to take action!"

Xia Chaoyang took a deep breath and coldly said: "Huang Yuchen, I will remember today's enmity, and I'll undoubtedly seek retribution someday!"

"What, you still want revenge?"

Huang Yuchen mocked with a smile: "Even if I give you time to catch up, can you seek revenge?"

By the time you step into Golden Immortal, I would have probably stepped into Middle Stage Golden Immortal, or even late-stage!

If you don't rely on your family, thinking of revenge is undoubtedly a pipe dream!"

"Indeed a pipe dream, this guy's still the Eldest Prince of Da Xia, hasn't even awakened his physique yet, he truly is a useless bum!"

"If this guy controls Da Xia in the future, Da Xia will probably keep declining!"

"Hahaha... The useless prince of Huangzhou, truly living up to his reputation!"

Several young men and women behind Huang Yuchen burst into laughter.

"You all..."

Xia Chaoyang clenched his fists, nails digging into his flesh, eyes full of anger and pain.

Xia Ziyang comforted, "Big brother, don't listen to their nonsense, you're not a loser!"

Though you haven't awakened your physique, you reached Heavenly Immortal Perfected Stage through your own efforts, already stronger than many people!"

Xia Chaoyang simply sighed deeply and said nothing.

Huang Yuchen overlooked Xia Chaoyang, impatiently said, "What are you still dazing about, hurry and hand over the Nine Heavens Cold Iron!"

Xia Chaoyang said nothing more, directly throwing the Nine Heavens Cold Iron in his hand towards Huang Yuchen.

But, just as the Nine Heavens Cold Iron streaked across the sky, flying towards Huang Yuchen!

A figure swiftly swooped in, directly snatching away the Nine Heavens Cold Iron!

This happened so fast that no one present could react!

"What are you all fighting over, just give me the Nine Heavens Cold Iron!"

A teasing voice rang from above.

Everyone present turned their heads to look.

They saw a slim and straight young man in a black robe, with a handsome appearance, weighing the Nine Heavens Cold Iron in his hand.

This person was Zhao Luo.

"Brother Yang, you're way too fast!"

"Brother Yang, you truly have a knack for spotting treasures from a mile away!"

As voices echoed one after another.

They saw Bujie and Ning Jianfeng, among others, flying up from behind a mountain, soaring over.

Huang Yuchen was initially stunned, then loudly questioned: "Who are you, why sneak around nearby?"

Bujie glanced at Huang Yuchen and said: "Just like you, we are here to search for natural treasures, how is that sneaking around?"

"Exactly!"

Ning Jianfeng echoed: "If it weren't for hearing your lively fight, who would bother with you!"

Huang Yuchen ignored Bujie and others, but set his sights on Zhao Luo, coldly said: "Kid, this Nine Heavens Cold Iron is not something you can touch, hand it over now!"

Zhao Luo smiled and said, "Didn't you just say the Immortal Desolate Ancient Mine is an ownerless land, where the capable take the natural treasures?"

Since I now have the Nine Heavens Cold Iron, doesn't it belong to me?"

Chapter 2654: Chapter 2654: Flicked Away with One Finger!

"Presumptuous!"

Yu Chen shouted, "You dare to steal from this prince, courting death?"

Yang Luo ignored Yu Chen and looked at Xia Chaoyang, smiling, "Brother, how about we make a deal?"

"A deal?"

Xia Chaoyang was stunned for a moment and asked, "What kind of deal?"

Yang Luo pointed at Yu Chen and said, "I'll teach this guy a lesson for you and vent your frustration.

You give me the Nine Heavens Cold Iron, how about that?"

"Huh?"

Xia Chaoyang looked bewildered, "Brother, he is a Golden Immortal, can you beat him?"

Yang Luo nodded and said, "Since I said it, I can definitely beat him!"

Bujie chuckled, "Brother, don't worry, Brother Yang can slap him down with just one hand!"

Ning Jianfeng chimed in, "That's right, I bet Brother Yang can beat him to tears, believe it or not!"

"This..."

Xia Chaoyang still seemed skeptical.

He sensed that Bujie and the others were only at the Heavenly Immortal level.

Yet, he couldn't sense Yang Luo's cultivation level.

Could this brother be a Golden Immortal too?

Before Xia Chaoyang could speak,

Ziyan looked at Yang Luo, waving her tiny fist, and said, “Big Brother, if you can beat up Yu Chen for us, we’ll give you the Nine Heavens Cold Iron!

And we’ll give you other gifts too!”

“Deal!”

Yang Luo grinned, showing his big white teeth.

“You scoundrel!”

Yu Chen glared coldly at Yang Luo and said viciously, “Kid, do you know who I am, and you still dare say you’ll beat me?”

Yang Luo pocketed the Nine Heavens Cold Iron and picked his ear, “Do tell, who are you.”

“You better listen up so you don’t get frightened and your knees buckle!”

Yu Chen raised his head arrogantly and looked down at Yang Luo, “I am from the northern part of Huangzhou, the Eldest Prince of the Great Desolate Immortal Country, Yu Chen, titled ‘Beihuang Emperor’s Son’!

I stepped into Earth Immortal at eighteen, True Immortal at twenty, and Heavenly Immortal at twenty-three; by thirty, I have reached Golden Immortal!

Moreover, I have awakened the powerful physique unique to our Great Desolate Immortal Country, the ‘Desolate Heaven Divine Body’!

Now, I am one of Huangzhou’s top ten prodigies, praised by the world!

And you say you want to teach me a lesson, where do you get the nerve?”

As soon as he finished speaking.

“Pfft...”

Bujie burst out laughing.

“Stupid monk, what are you laughing at!”

Yu Chen was displeased.

Bujie wagged his head, "I say, my friend, with the spiritual energy in Jiuzhou Immortal Domain so abundant and natural treasures endless, and you being a prince of the Great Desolate Immortal Country, your cultivation resources should be rich!

Yet, at thirty, you've just reached Golden Immortal, and you call yourself a prodigy?

Even a pig would be better than you!"

"You..."

Yu Chen was so enraged his face turned red, and his chest heaved.

Ning Jianfeng continued to add, "Thirty and just reached Golden Immortal, and you have the nerve to show off, aren't you ashamed?

If Brother Yang started at the same point as you, he'd have reached Daluo Golden Immortal by now!

Bujie is right, even a pig would be better than you!"

"Hahaha..."

Hearing Bujie and Ning Jianfeng's back and forth, Ziyang couldn't help but burst into laughter.

Xia Chaoyang also twitched the corners of his mouth.

These two brothers surely have sharp tongues, driving Yu Chen half mad with just a few words.

"Shut up!"

Yu Chen shouted violently, glaring fiercely at Bujie and Ning Jianfeng, "How dare you mock this prince!"

Bujie, hands on his hips, retorted, "Yes, I'm mocking you, so what, bite me!"

Yu Chen said viciously, "This prince doesn't care who you are or your status, today I will make you kneel and beg for mercy!"

Behind Yu Chen, a girl in a red dress said coldly, "I advise you to kneel and beg for mercy from Prince Yu Chen now!"

The prince is magnanimous and may only cripple you rather than take your life!"

"That's right!"

A girl in a yellow dress echoed, "This is your only chance, treasure it well! If Prince Yu Chen gets angry, you won't live to see another day!"

"Kneel and beg for mercy?"

Yang Luo shook his head, "This guy is not worthy!"

"Kid, this prince will cripple you now!"

Yu Chen shouted and turned into a black-gold stream of light, charging at Yang Luo!

Seeing Yu Chen rushing crazily forward!

Yang Luo just stood quietly where he was, with a calm expression, not even blinking.

"Brother, be careful!"

"Big Brother, watch out!"

Xia Chaoyang and Ziyang both shouted in alarm.

The young men and women with Yu Chen sneered incessantly.

They almost saw the tragic end of Yang Luo.

Only Bujie and the others were calm.

In that instant!

Yu Chen got close to Yang Luo!

He swung his halberd fiercely at Yang Luo!

Rumble!

A halberd strike, the sky trembled, the earth shook, the eight directions quaked, and mountains swayed!

The blazing black-gold light illuminated the sky and earth, and the strong halberd intent along with a trace of Law's power erupted, terrifyingly!

The black-gold huge halberd split the Cloud Sea and hadn't fully descended yet, but it had already collapsed the mountains below!

But just at the moment he swung the halberd!

Yang Luo raised his right hand and flicked a finger!

Clang!

The sound of metal clashing echoed in all directions, sending out a burst of firelight and energy!

Yu Chen thought this halberd would severely injure Yang Luo!

But to his horror, Yang Luo's flick unleashed a flood of power, overwhelming him!

The next second!

Yu Chen was directly sent flying hundreds of meters back, stumbling a few steps before steadying himself!

He felt his palm along with his arm numbing, even a hint of pain!

In an instant.

The whole place fell silent.

Except for Bujie and the others, everyone else stared at Yang Luo, dumbstruck.

"Big Brother, you're amazing, you flicked and sent that guy flying!"

Ziyan excitedly waved her little fists.

"So strong..."

Xia Chaoyang remarked in a daze, eyes full of shock.

Though Yang Luo just flicked a finger, Xia Chaoyang could also feel Yang Luo's hidden immense power.

"What is going on, that kid flicked and sent Prince Yu Chen flying?!"

"Could that kid be a Golden Immortal too?!"

"But if that kid's a Golden Immortal, Prince Yu Chen's skills shouldn't be so far apart from his?!"

The young men and women with Yu Chen were astonished and puzzled.

At this moment.

The red-dress girl regained her composure and said, "I understand now, Prince Yu Chen must have been testing that kid, that's why he got pushed back!"

"Oh, I see!"

"Prince Yu Chen, stop testing and get serious!"

The others chimed in one after another.

Chapter 2655: Chapter 2655: Eternal Immortal Body VS Desolate Heaven Divine Body!

"Humph!"

Huang Yuchen snorted coldly, saying, "Kid, you're quite capable!"

However, just now, I was merely careless to be repelled by you!

Next, I will get serious and surely destroy you completely!"

"Is that so?"

Yang Luo smiled faintly, beckoning with his fingers, "Then come try, I want to see how you plan to 'destroy' me!"

Before he finished speaking!

Bang!

A black gold light directly shot up from Huang Yuchen, dispersing a vast stretch of Cloud Sea!

His body shimmered with dazzling and magnificent black gold light, erupting with waves of majestic and boundless pressure and aura!

"Fight!"

He let out a booming roar, holding a halberd, transforming into a lightning bolt, charging towards Yang Luo!

Seeing Huang Yuchen rush again, Yang Luo remained calmly standing in place, eyes ancient and serene.

"Desolate Heaven Sky Splitting Spear!"

Huang Yuchen shouted fiercely, swinging the halberd in his hand, forcefully striking at Yang Luo!

Rumble!

This strike was even more ferocious and wild, as if about to split this part of Heaven and Earth!

The mountains below collapsed with a boom, transforming into a vast wave of rubble and dust, sweeping up to the skies!

However, just at the moment Huang Yuchen's halberd struck down!

Yang Luo's body shook, emanating a dazzling gold light!

Clang!

The halberd wielded by Huang Yuchen struck heavily on Yang Luo's head, releasing a crisp collision sound!

Bright and magnificent light and energy burst forth, dazzling!

But, to the amazement of everyone present!

The strike from Huang Yuchen couldn't even pierce through the gold light on Yang Luo!

"Beihuang Emperor's Son? One of the top ten prodigies of Huangzhou? That's it?"

Yang Luo shook his head, then quivered his body!

Bang!

Wave after wave of violent pressure and aura spread from his body, like overturning the sea, terrifying to the extreme!

"Ugh..."

Huang Yuchen let out a muffled grunt, being directly sent flying.

As for Yang Luo, he stood quietly in place, unmoving like a rock.

Upon witnessing this!

The young men and women who came with Huang Yuchen were left dumbfounded, watching in disbelief!

“What’s going on, wasn’t Prince Yu Chen getting serious, why is he still being repelled by this kid?!”

“This kid first flicked Prince Yu Chen away with a finger, and then without even moving his hand, repelled Prince Yu Chen again, this is clearly mockery!”

“Could this kid actually be a Golden Immortal?! But that’s not right, we’ve never heard of his name despite being so young and reaching Golden Immortal stage!”

“It’s so strange, just who is this kid?!”

The bewildered young men and women voiced their discussions.

The guards of the Great Desolate Immortal Country were also shocked.

They knew the strength of the Eldest Prince, in the entire young generation of Huangzhou, the only ones who could match him were other Heavenly Pride from Immortal Countries, Clans, and Holy Lands.

But unexpectedly, a kid who sprang out of nowhere could match the Eldest Prince, it was simply incredible.

Xia Chaoyang, Xia Ziyang, and the guards of Da Xia Immortal Country were also dumbfounded, their eyes full of disbelief.

Yang Luo raised his eyes towards Huang Yuchen, speaking calmly, “Is this all your strength?”

If so, I think we can end the battle.”

“Kid, don’t be arrogant, my true strength is more than this!”

Huang Yuchen roared angrily, feeling humiliated.

He, the dignified Eldest Prince of the Great Desolate Immortal Country, “Bei Huang Emperor’s Son”, one of the top ten prodigies of Huangzhou!

In Huangzhou’s younger generation, not many could make him suffer defeat!

Saying that, his whole body trembled, displaying full momentum and battle prowess!

Bang!

An even larger black gold beam shot up from him, breaking through the heavens!

His body gleamed with black gold metallic luster, seemingly cast from molten black gold, the whole person resembling a piece of mysterious iron!

One after another antique patterns surfaced on his body, mysterious and inscrutable!

Moreover, above him, an incredible phenomena was being manifested!

Towering ancient mountains rose up, atop them ancient palaces and pavilions were seated, accompanied by violent winds, flames, lightning bolt, and ice raging amidst the mountains!

Xia Chaoyang exclaimed in alarm: "Brother, this guy has awakened 'Desolate Heaven Divine Body'!"

When he activates his physique, a unique phenomena of this physique unfolds, you must be careful!"

"Oh..."

Yang Luo nodded in enlightenment.

However, currently, he has only just activated his physique, except for strengthening his physical body and enhancing his combat ability, no phenomena are visible.

If his physique continues to be activated, perhaps then phenomena could be seen.

He wondered what kind of phenomena his physique would manifest.

And right when Yang Luo was pondering!

Huang Yuchen, wielding the halberd, charged towards Yang Luo once more!

In an instant!

He came close to Yang Luo again, swinging the halberd in his hand fiercely, slashing madly towards Yang Luo!

Swish!

At the moment the halberd descended!

The towering mountains above his head and the ancient halls and pavilions simultaneously pressed down, seemingly becoming reality!

Flames, fierce winds, lightning bolt, and ice surged forth, sweeping towards Yang Luo!

Yet, Yang Luo still didn't dodge nor retreat, quivering his body, activating his physique!

His body shimmered with dazzling gold light, as if competing in brilliance with the Eternal Starry Sky, Eternal Sun and Moon!

Ancient dragon patterns and runes emerged and circulated on his body surface, complex and profound!

Although no phenomena were presented, it exuded an antique and grand atmosphere!

Clang!

Rumble!

The halberd in Huang Yuchen's hand struck heavily on Yang Luo's body!

The manifested phenomena also bombarded upon Yang Luo's physique!

Various lights and energy intertwined above, surging like rivers, washing towards every direction!

However, despite Huang Yuchen's fierce offensive, he still couldn't harm Yang Luo in the slightest!

"How can this be?!"

Huang Yuchen's face changed drastically, eyes full of dread.

He had gotten serious, even activating his physique for offense!

Yet unexpectedly, he still couldn't shake this kid in front of him!

"I refuse to believe you're truly stronger than me!"

Huang Yuchen roared, trembling, directly activating the Dharma Idols.

A black gold giant stood towering, head towards Cangqiong, feet on Void, swinging the huge halberd, striking towards Yang Luo!

Clang!

The huge halberd struck heavily on Yang Luo's body, releasing a rolling thunder sound!

Yet, it still couldn't shake Yang Luo!

Yang Luo sighed lightly, saying, "Seems like your strength is just this."

Alright, I won't play with you anymore."

With that, Yang Luo raised his right arm, directly winding up a punch, smashing forth!

With one punch, gold light sparkled, ancient and desolate, grand and expansive, open and free!

Void trembled, emitting a gigantic "boom", deafening!

Rumble!

Under this punch, the towering mountains, the halls and pavilions pressing down, the sweeping wind, fire, and ice, all were shattered by one punch!

Even Huang Yuchen's Dharma Idol was shattered by this punch in the sky!

Chapter 2656: Chapter 2656: Those who insult others will be insulted!

The blazing light and majestic energy swept out from the space where Yang Luo and Huang Yuchen were standing, soaring to the sky and crashing down to the mountains!

Thunder rocked the skies, shattering the Cloud Sea, and the Void was in turmoil!

The mountains below collapsed one after another, and the ground continuously crumbled!

Yang Luo's punch was too fierce and violent!

After smashing the phenomena that Huang Yuchen had manifested, as well as his Dharma Idols, the power did not diminish much and continued to bombard Huang Yuchen himself!

"What?!"

Huang Yuchen was greatly shocked, his heart full of terror and unease.

He felt that what was smashing towards him was not just a fist, but a golden Star Fall, as if it was going to blow everything apart.

He hurriedly set up his Desolate God Spear to block, and gathered layers upon layers of defenses!

Rumble!

Accompanied by a series of roaring explosions!

All the defenses he had gathered were obliterated by a punch!

Crack! Crack!

The Desolate God Spear in his hands was directly shattered, turning into a pile of scrap metal, scattered in all directions!

Immediately, the punch landed heavily on his chest, the sound of cracking ribs rang out, terribly piercing!

“Argh...”

He let out a painful wail, flying backward directly!

As he flew backward, he spat out a mouthful of fresh blood!

“Oh heavens, Prince Yu Chen was actually blown away by this kid’s punch and was injured in the process!”

“The key point is that Prince Yu Chen’s Dharma Idols were all shattered by this kid, and his Intermediate Immortal Weapon was also broken!”

“How can this kid’s fist be so incredibly powerful?!”

Huang Yuchen’s followers were shocked, trembling all over with fear.

But, before Huang Yuchen could recover!

Yang Luo stepped forward, turning into a streak of golden light, rushing toward Huang Yuchen!

“Entered Earth Immortal at eighteen, right?”

Yang Luo spoke coldly, his punch landed on Huang Yuchen!

“Ah...”

Huang Yuchen screamed miserably, his body being sent flying into the air!

“Entered True Immortal at twenty, right?”

Yang Luo struck another punch.

“Argh...”

Huang Yuchen wailed again, being blown away.

“Entered Heavenly Immortal at twenty-three, right?”

“Entered Golden Immortal at thirty, right?”

“Beihuang Emperor’s Son, right?”

“Top ten prodigies of Huangzhou, right?”

...

In the following few minutes, Yang Luo’s cold voice rang out continuously, his fists struck like a storm, pounding on Huang Yuchen with relentless force!

“Arghhh...”

Huang Yuchen screamed repeatedly, his body being pummeled in all directions in the air, unable to fall down.

Minutes later!

With a resounding “rumble” of explosive noise!

A distant mountain instantly collapsed halfway, sending a massive amount of rock and dust into the air!

Everyone present stared blankly at that area!

Until all the rocks and dust dispersed.

It was revealed that Huang Yuchen was kneeling amidst the ruins, his body already covered in wounds.

Yang Luo’s right foot was stepping on his shoulder, pressing him down so heavily that he couldn’t even stand.

A strange silence fell over the scene suddenly.

Apart from Bujie and others, everyone else was stunned, as if turned to stone.

They never expected Huang Yuchen would be crushed by Yang Luo so miserably, without even a chance to fight back.

What shocked them even more was that Yang Luo had not used True Qi or energy from the beginning to the end, but crushed Huang Yuchen with his bare hands.

They could now be certain.

This young man before them was definitely a Golden Immortal, and a powerful one at that.

Bujie laughed heartily, "What kind of prince is this, just this?"

Ning Jianfeng sneered, "This guy dares to call others trash, I think he is the trash!"

Xu Ying said coldly, "Those who insult others will be insulted in return!"

At this moment.

In the ruins not far away.

Yang Luo stepped on Huang Yuchen, speaking coldly, "Didn't you want to cripple me? Well, now, go ahead and try crippling someone!"

Huang Yuchen shouted angrily, "Kid, I'm the eldest prince of the Great Desolate Immortal Country, my father is the 'Emperor Beihuang' of the Great Desolate Immortal Country!"

If you dare humiliate me, my father won't forgive you...ah!!!"

Before he finished speaking.

Yang Luo directly stomped on Huang Yuchen's shoulder, shattering it, causing him to scream in agony!

"Truly a waste, can't win a fight so you call for dad to help!"

Yang Luo kicked Huang Yuchen away, then flew to the mountain where Xia Chaoyang and Xia Ziyang were.

"Prince Yu Chen!"

"Eldest Prince!"

Huang Yuchen's followers and guards rushed over, helping him up.

"Kid, you dare insult Prince Yu Chen and hurt Prince Yu Chen, you're dead!"

"Kid, you dare provoke our Great Desolate Immortal Country, you're courting death!"

Huang Yuchen's followers and guards shouted angrily.

Yang Luo swept a cold glance, "What, you want to end up like this guy too?"

Hearing this, Huang Yuchen's followers and guards were so scared that they trembled all over, cold sweat pouring down.

Xia Chaoyang stepped out, a strong voice, "Huang Yuchen, if you dare trouble this brother, Da Xia Immortal Country will not agree!"

"Hmph!"

Huang Yuchen snorted coldly, saying, "Xia Chaoyang, we'll see about that!"

With that, he waved his hand, "Let's go!"

Then, his followers and guards supported him, soaring into the sky, flying away from the Immortal Desolate Ancient Mine.

After Huang Yuchen and the others left.

Yang Luo looked at Xia Chaoyang and Xia Ziyang, smiling, "I helped you teach that guy a lesson, so the Nine Heavens Cold Iron is mine, right?"

"Haha, of course!"

Xia Chaoyang laughed heartily, cupping his hands, "I am Xia Chaoyang, the eldest prince of Da Xia Immortal Country in Huangzhou, and this is my third sister, Xia Ziyang!"

May I ask your esteemed name, brother?"

Yang Luo replied, "My name is Yang Luo."

Xia Ziyang looked at Yang Luo with admiration, "Brother Yang, you're amazing, you took down that guy Huang Yuchen so effortlessly!"

By the way, Brother Yang, what realm is your cultivation at?"

"Golden Immortal Middle Stage."

Yang Luo did not hide it, answering truthfully.

After all, he doesn't have a powerful Dharma artifact that conceals his cultivation, anyone with a higher realm can naturally see his cultivation.

"What?! Golden Immortal Middle Stage?!"

Xia Ziyang's eyes widened, "Brother Yang, you don't look like you're even thirty, yet you've already reached Golden Immortal Middle Stage, that's incredible!"

“Indeed, Brother Yang is no ordinary person.”

Xia Chaoyang also sighed, then said, “By the way, Brother Yang, are you from a certain sect or clan, or a person from an Immortal Clan, Immortal Country, or Holy Land?

With your talents, you should have long been famous in Huangzhou, why have we never heard of you?”

Yang Luo smiled lightly, “We have no sect or family, just independent cultivators.

Because we haven’t moved much in Huangzhou before, it’s normal that you don’t know us.”

“I see.”

Xia Chaoyang nodded in understanding, then looked at Bujie and others, “Brother Yang, are these your brothers?”

“That’s right.”

Yang Luo nodded, then introduced Bujie and others.

Chapter 2657: Chapter 2657: Activate the Nine Acupoints!

Xia Chaoyang clasped his hands, saying, “Thank you, brothers, for your help!”

“Thank you, big brothers and sisters!”

Xia Ziyan also smiled and clasped her hands.

Ning Jianfeng waved his hand and said, “Brother Xia, Sister Ziyan, no need to thank us, we didn’t really do much. If you want to thank anyone, thank Brother Yang!”

Xia Ziyan smiled sweetly and said, “Brother Ning, you and Brother Bujie also helped out!”

“Oh?”

Ning Jianfeng looked puzzled, “What do you mean by that?”

Xia Ziyan blinked her big eyes and said, “Earlier, just with a few words, you and Brother Bujie almost angered Huang Yuchen to death!”

Upon hearing this.

Ning Jianfeng chuckled and said, "I was just stating the facts. That guy was born with such privileges, his starting point was so high, yet he's only now reached the Golden Immortal stage. It's truly pathetic!"

Bujie placed his arm around Xia Chaoyang's shoulder, saying, "Brother Xia, you're also a Prince, how can you let that guy bully you?"

Xia Chaoyang sighed with a bitter smile, saying, "What can I say, my strength isn't as good as his."

Bujie opened his eyes wide and said, "Even if your strength isn't as good as his, there's no need to be afraid!"

Life and death fade away, fight back if you disagree, there's nothing to fear!

The more you fear, the more you retreat, the more that guy will bully you!"

Yang Luo nodded in agreement, "Brother Xia, I agree with Bujie.

Sometimes, excessive forbearance only leads to the enemy becoming more oppressive."

"Brother Yang, I have learned from this!"

Xia Chaoyang clasped his hands and then began to cough violently.

Yang Luo said, "Brother Xia, don't speak for now, let me heal you and Sister Ziyan."

Xia Chaoyang paused, asking, "Brother Yang, could it be that you actually know medicine?"

Xia Ziyan also looked at Yang Luo curiously.

Bujie grinned and said, "You can rest assured, Brother Yang's medical skills are excellent!"

Even if you're only left with one breath, Brother Yang can cure you!"

"Is Brother Yang's medical skill really that powerful?"

Xia Ziyan's big eyes sparkled.

"Of course."

Bujie shrugged and said, "If you don't believe it, just watch."

Yang Luo said, "Brother Xia, Sister Ziyan, let me check your injuries first."

"Alright!"

Xia Chaoyang and Xia Ziyan both nodded.

Then, Yang Luo checked the pulse of Xia Chaoyang and Xia Ziyan.

After checking the pulse.

Yang Luo frowned and said, "Huang Yuchen is really ruthless, your organs are all damaged."

Xia Chaoyang clenched his fists tightly and said through gritted teeth, "If I can awaken our Da Xia Immortal Country's unique 'Innate Taoist Body' and step into the Golden Immortal, I wouldn't fear that guy anymore!"

Xia Ziyan hummed in agreement, "If my brother can awaken the 'Innate Taoist Body' and step into the Golden Immortal, he would surely beat him to a pulp!"

"Oh... so your physique is the 'Innate Taoist Body'!"

No wonder when I checked your pulse earlier, I felt your body was unique and your energy circulation was quite mysterious!"

Yang Luo nodded in realization, then said, "Brother Xia, actually, I feel that your physique is already close to awakening!"

Perhaps I can help to fully stimulate it!"

"Really?!"

Xia Chaoyang looked at Yang Luo excitedly, "Brother Yang, you really can help me stimulate my physique?!"

Xia Ziyan also exclaimed with excitement, "Brother Yang, if you can help my brother awaken his physique, our father, and even our entire Da Xia Immortal Country will be grateful to you!"

Yang Luo smiled and said, "To be honest, I'm not completely sure, but we can give it a try!"

Xia Chaoyang was trembling with excitement and said, "Brother Yang, go ahead and try, if you can truly help me awaken my physique!"

No matter what you need, as long as we have it in Da Xia Immortal Country, I will offer it with both hands!"

"Yes, yes!"

Xia Ziyan nodded repeatedly, looking at Yang Luo with anticipation.

Yang Luo smiled lightly and said, "Brother Xia, don't rush, let me heal Sister Ziyan first.

Afterward, I'll heal you and help you stimulate your physique."

"Alright!"

Xia Chaoyang nodded heavily.

In the following time.

Yang Luo took out the Fuxi Divine Needle and treated Xia Ziyan's injuries.

Nowadays, as his cultivation improves, his medical skills also continue to enhance.

Along with the powerful acupuncture needle of Fuxi Divine Needle as assistance, the healing speed greatly accelerated.

Thus, in about ten minutes.

Yang Luo finished the treatment.

"Sister Ziyan, how do you feel now?"

Yang Luo asked.

Xia Ziyan moved her body a little and exclaimed, "Brother Yang, your medical skills are too amazing, you healed my injuries in less than ten minutes?!"

Yang Luo smiled and said, "Sister Ziyan, although you suffered internal injuries, luckily they weren't very severe, so they were naturally easy to heal."

"Thank you, Brother Yang!"

Xia Ziyan thanked him repeatedly.

Seeing Yang Luo's medical skills were so formidable, Xia Chaoyang trusted Yang Luo even more.

Yang Luo then looked at Xia Chaoyang and said, "Brother Xia, now I will heal you and then help stimulate your physique."

"Brother Yang, how do I cooperate with you?"

Xia Chaoyang asked.

Yang Luo said, "You just need to sit cross-legged and operate your cultivation techniques normally."

Do what I say when the time comes."

"Alright!"

Xia Chaoyang nodded and then sat down cross-legged, starting to operate his cultivation techniques.

As the techniques operated, dazzling platinum light began to flash from Xia Chaoyang's body.

Yang Luo didn't hesitate either, he mobilized the True Qi within him and waved his right hand!

The "Nine Needles of Heavenly Dao" was immediately performed!

Swoosh, swoosh, swoosh!

One by one, the nine golden needles gleamed with dazzling golden light, sliced through the air, and pierced into Xia Chaoyang's nine acupoints!

Yan Luange and the others curiously watched Yang Luo and Xia Chaoyang.

They also wanted to see how Yang Luo planned to help Xia Chaoyang stimulate his physique.

At the exact moment the nine golden needles pierced into Xia Chaoyang's nine acupoints!

Buzz, buzz, buzz!

The nine golden needles vibrated fiercely, emitting even brighter golden light!

True Qi continuously flowed into Xia Chaoyang's body along with the golden needles!

Again, it only took about ten minutes.

Xia Chaoyang's injuries had already healed.

Yang Luo said solemnly, "Brother Xia, as I said earlier, your physique is actually near awakening.

It's just that the Nine Acupoints are blocked, causing the delay in awakening.

So, now I plan to open the Nine Acupoints, which will fully stimulate your physique and awaken it.

However, the process of opening the Nine Acupoints will be somewhat painful, you must endure it."

Xia Chaoyang laughed freely and said, "I've endured the pain of being ridiculed and humiliated all these years.

The pain of my body doesn't count as much.

Brother Yang, you go ahead, I'm ready."

"Very well, I will now begin!"

Yang Luo nodded, then incessantly mobilized the True Qi within him!

He waved his right hand!

A stream of True Qi infused into the first golden needle!

"Top Acupoint, open!"

With a loud shout!

True Qi flowed into Xia Chaoyang's body like a tide along with the golden needle...

Chapter 2658: Chapter 2658: Nine Acupoints Open, Dao Manifests!

This powerful surge of True Qi, upon entering Xia Chaoyang's body, began to impact his Baihui acupoint!

The Baihui acupoint corresponds exactly to the top acupoint!

As the True Qi continuously struck, Xia Chaoyang felt a faint pain at the top of his head, as if it was about to split!

"Uh..."

Xia Chaoyang couldn't help but let out a muffled groan, with beads of sweat as large as beans forming on his forehead.

"Big Brother!"

Seeing Xia Chaoyang's painful expression, Xia Ziyang couldn't help but cry out in surprise.

Yang Luo comforted, "Sister Ziyang, you don't need to worry. Although the process of opening the Nine Acupoints will be very painful.

But as long as Brother Xia can endure it, he will surely be reborn.

Moreover, with me here, there'll be no harm to Brother Xia."

"Brother Yang, I believe in you!"

Xia Ziyang nodded vigorously.

Time passed second by second.

This process was undoubtedly painful and torturous for Xia Chaoyang.

From time to time, Xia Chaoyang emitted muffled groans.

However, Xia Chaoyang's endurance was truly strong.

No matter how painful, he did not choose to give up.

Xia Ziyang's eyes turned red.

But she also knew that her brother did this to awaken his physique, to become stronger, not to be bullied, and not to be called a wasted Prince.

It went on for a good half an hour.

"Ah!!!"

Xia Chaoyang let out a painful roar and immediately felt a low rumble sounding in his head.

Suddenly, a platinum light point flickered above Xia Chaoyang's head, shining brightly like a Star.

Yang Luo smiled satisfactorily and said, "Very good, Brother Xia's top acupoint has already been opened."

Looking at Xia Chaoyang soaked in sweat, his face pale.

Xia Ziyang asked a bit distressed, "Brother Yang, can you let my brother rest for a while?"

"No."

Yang Luo shook his head and said, "The process of opening the Nine Acupoints cannot be interrupted, even once interrupted, all previous efforts will be wasted.

Moreover, the most serious consequence will be the complete blockage of Brother Xia's Nine Acupoints, which will never be opened again in the future, making it impossible to awaken his physique again."

Xia Chaoyang exhaled a breath of turbid air and said, "Third Sister, don't worry. As long as I can awaken my physique, I can endure even more pain."

"Alright then..."

With tears in her eyes, Xia Ziyang nodded slightly.

Xia Chaoyang said to Yang Luo, "Brother Yang, continue, I can endure it!"

"Alright!"

Yang Luo nodded, then once again mobilized the endless True Qi from within his body, injecting it into the second nine golden needles!

"Yi Qiao, open!"

The majestic True Qi surged into the second nine golden needles, like waves, impacting the glabella between Xia Chaoyang's eyebrows!

The glabella corresponds exactly to the Yi Qiao!

True Qi continuously impacted the Yi Qiao!

Xia Chaoyang felt the center of his brows throbbing painfully, as if about to be torn apart!

The veins on his forehead and neck bulged!

"Ah..."

He again let out a painful scream, startling Bujie and others nearby.

Bujie's mouth twitched and said, "I never thought that awakening Brother Xia's physique would be so difficult, having to endure such pain!"

Xu Ying said, "This also proves that Brother Xia's physique is definitely extraordinary, otherwise, it wouldn't be so hard to stimulate."

Mo Qingkuang and the others also nodded, all sensing that Xia Chaoyang's physique was quite extraordinary.

This time it took a full hour.

"Ugh ah!"

Xia Chaoyang once again let out a painful scream, feeling a low rumbling sound echoing in the center of his brows!

Suddenly, a platinum light point also flickered at his glabella, dazzling and bright!

"Very good, Brother Xia, your Yi Qiao has also been opened now!"

Yang Luo smiled faintly, then said, "However, from now on, each time we clear an acupoint, the time will be much longer, and the pain endured will increase significantly.

I hope you can withstand it."

Xia Chaoyang took a deep breath and said, "Brother Yang, continue, I will definitely hold on till the end!"

Yang Luo nodded, once again mobilizing the endless True Qi within his body, and with a wave of his right hand, injected it into the third nine golden needles!

"Divine Acupoint, open!"

The vast True Qi, like a river, began impacting Xia Chaoyang's Yuzhen acupoint at the back of his head!

The Yuzhen acupoint corresponds exactly to the Divine Acupoint!

As Yang Luo said, the time to open the Divine Acupoint was much longer, and the pain and torture Xia Chaoyang endured were greater!

Basically, Xia Chaoyang's screams never stopped!

Since the duration was too long, Bujie and others decided to sit by and watch!

This time, it took a full one and a half hours later!

“Ugh ah ah!”

Accompanied by Xia Chaoyang’s tragic howl.

The Divine Acupoint was finally opened!

After helping Xia Chaoyang open the Divine Acupoint.

Yang Luo didn’t hesitate at all, continuing to mobilize True Qi, assisting Xia Chaoyang in unlocking the remaining six acupoints!

The remaining six acupoints were Dan Zhong Acupoint, Jiaji Acupoint, Life Gate Acupoint, Qi Sea Acupoint, tail acupoint, and Huiyin Acupoint!

Since the time to open each of the remaining six acupoints was long, and the pain and torture endured increased progressively!

Therefore, Xia Chaoyang continually howled and screamed, the sound echoed nearly throughout the entire Immortal Desolate Ancient Mine!

The mutated beasts living in the Immortal Desolate Ancient Mine were frightened, trembling, not daring to approach, only watching from afar!

As for Bujie and others, they progressed from initial shock and worry to getting accustomed gradually.

However, Xia Ziyang’s heart was always lifted, and tears continuously fell from her eyes.

Time slowly passed.

Until the following evening.

“Huiyin Acupoint, open!”

With a loud shout from Yang Luo!

The last acupoint of Xia Chaoyang was finally opened!

Yang Luo quickly retrieved the nine golden needles and loudly said, “Brothers, quickly retreat!”

“Ah? Retreat? Why retreat?”

Bujie looked puzzled.

Ning Jianfeng said, "When Brother Yang tells you to retreat, you retreat. Why so much nonsense!"

Saying so, they all followed Yang Luo and soared into the sky, retreating out.

At the very moment Yang Luo and others retreated!

"Roar!!!"

Xia Chaoyang raised his head and let out a howl!

Massive pressure, aura, and energy surged out of Xia Chaoyang's body, flowing in all directions!

Rumble!

The surrounding mountains continued to collapse, transforming into large piles of rubble and dust, sweeping into the sky.

The mountain Xia Chaoyang was sitting on also completely collapsed, exploding into large amounts of rubble and dust.

Yang Luo quickly mobilized layers of barriers, enveloping everyone inside, resisting the energy impact!

Boom, boom, boom!...

This energy violently impacted the Defensive Shield, producing rolling thunder-like sounds!

Fortunately, the Defensive Shield condensed by Yang Luo was strong enough to withstand the energy impact!

Bujie said in surprise, "My goodness, has Brother Xia's physique awakened, unleashing such terrifying energy?!"

"Brother Yang, has my brother's physique awakened?"

Xia Ziyang hurriedly asked.

"Of course!"

Yang Luo nodded with a smile, looked ahead, and said aloud, "Nine Acupoints opened, the Way embodied, the great work is done!"

Everyone looked over, and the scene before their eyes left them profoundly shocked...

Chapter 2659: Chapter 2659: Stepping into the Golden Immortal!

In the sky above, Xia Chaoyang sat cross-legged, his entire body shimmering with nine platinum light points, resembling nine stars shining brightly, as if echoing with the stars under the night sky.

Within these nine light points, nine ancient characters flickered.

Specifically, these ancient characters were “Lin, Bing, Dou, Zhe, Jie, Zhen, Lie, Qian, Xing”.

These nine ancient characters slowly revolved around Xia Chaoyang’s body, ancient and profound, mysterious and unpredictable.

Furthermore, above Xia Chaoyang’s head, miraculous phenomena unfolded.

Immortal light gleamed, fog swirled, and immortal mountains stood towering, with immortal palaces and halls seated atop their peaks.

Also, illusions of true immortals sat crossed-legged on mountain tops, while various immortal beasts soared and ran across the heavens and earth.

Bujie’s mouth gaped wide open, swallowing hard, and said, “Is this the phenomenon of the Innate Taoist Body? Truly miraculous!”

Ning Jianfeng gave Yang Luo a thumbs up, “Brother Yang, you’re amazing, you actually helped Brother Xia awaken his physique!”

Xia Ziyang was overwhelmed with joy and tears, “Big brother’s physique has finally awakened; he’s no longer the useless prince people spoke of!”

Saying this, she expressed her gratitude towards Yang Luo repeatedly, “Thank you so much, Brother Yang, I’m so grateful to you!”

Yang Luo smiled gently, and said, “No need to thank me, truthfully, Brother Xia’s physique was already close to awakening, I just lent a small hand.”

Xia Ziyang, half laughing and half crying, said, “Brother Yang, this is no small favor; you don’t know how much awakening his physique means to my big brother!”

Bujie shouted, “Brother Yang, hurry and help me open the Nine Acupoints, help awaken my physique too!”

Yang Luo shook his head and said, “Everyone has different ways to awaken their physique, some need external force, others rely on themselves.

Your physique is too unique; I'm powerless to help."

Bujie rolled his eyes and said, "I get it, Brother Yang, you're afraid that once my physique awakens, my strength will surpass yours, right?"

Slap!

Yang Luo slapped Bujie's bald head, annoyed, "What nonsense are you talking? Am I that kind of person?

I wish you all to become stronger!"

Bujie rubbed his head and smiled cheekily, "Brother Yang, I was just joking!"

However, at that moment.

Rumble!

Suddenly, a series of thunder roars echoed above Xia Chaoyang's head!

Moreover, lightning streaked across the heavens, shockingly bright!

Ji Longyue exclaimed in surprise, "My heavens, Brother Xia just awakened his physique, is he about to undergo the Golden Immortal Tribulation?!"

Baili Wushuang sighed, "It seems Brother Xia's talent is quite extraordinary!"

Yang Luo gazed into the sky and said, "Brother Xia should be stuck at the Heavenly Immortal Perfected Stage for a long time.

Now that his physique has awakened, he's facing the Golden Immortal Tribulation."

"Indeed!"

Xia Ziyang nodded and said, "Big brother has been stuck at the Heavenly Immortal Perfected Stage for almost three years!

Unexpectedly, today not only did he awaken his physique, but also faced the Golden Immortal Tribulation!

Brother Yang, it's all thanks to you; I really don't know how to thank you!"

Bujie teased, "How about giving yourself in marriage?"

"Ah?!"

Xia Ziyang was stunned, her cheeks flushed bright red.

Flame Emperor, Song Zhixin, and Tantai Puti simultaneously glared at Bujie, their eyes seemingly shooting cold rays.

Bujie shuddered in fear, and forced a laugh, "Joking, it's just a joke!"

Yang Luo turned to Xia Ziyang and said, "Ziyang sister, don't listen to that guy's nonsense.

We're meeting here with Brother Xia, it is fate.

Since we're all friends, there's no need to be so formal."

"Mm, mm!"

Xia Ziyang nodded repeatedly, her gaze towards Yang Luo growing more admiring.

At this moment.

The heavenly thunder roared five times before ceasing.

"Whew..."

Xia Chaoyang exhaled a breath of turbid air, stood up, and flew towards Yang Luo and the others.

Upon approaching.

Xia Chaoyang bowed deeply to Yang Luo, "Thank you, Brother Yang, for awakening my physique!

From now on, you are my best brother, Xia Chaoyang!

No matter what help you need, Xia Chaoyang will help!"

Yang Luo raised his hand to assist Xia Chaoyang, saying, "Brother Xia, if you consider me a brother, there's no need for such courtesy.

The heavens have already sent down a warning; are you going to undergo tribulation now?"

Xia Chaoyang looked up to the sky, clenched his fist, and said, "I've been stuck at the Heavenly Immortal Perfected Stage for three years, always yearning to step into Golden Immortal.

Besides, I'm fully prepared, so I intend to undergo tribulation now."

“Good!”

Yang Luo nodded and said, “Brother Xia, then I wish you success!”

“Brother Xia, live and die without fear, just go for it!”

“Brother Xia, you can do it!”

“We believe in you!”

“Big brother, go for it!”

Bujie and the others, along with Xia Ziyan, all encouraged Xia Chaoyang.

“Mm!”

Xia Chaoyang nodded firmly, “I will definitely succeed!”

Yang Luo took out several bottles of pills and handed them to Xia Chaoyang, “Brother Xia, these are pills I’ve refined, they will assist you in the Golden Immortal Tribulation, accept them.”

“Thank you, Brother Yang!”

Xia Chaoyang accepted the pills and cupped his hands.

Yang Luo glanced around and said, “If you undergo tribulation here, it will cause serious damage to the Immortal Desolate Ancient Mine.

Let’s go elsewhere.”

“Alright!”

Xia Chaoyang nodded in agreement.

Immediately, Yang Luo and the others flew away from the Immortal Desolate Ancient Mine, finding a barren mountain range hundreds of miles away.

Xia Chaoyang looked at Yang Luo and the others, and said, “Brothers, once I succeed in undergoing tribulation, I will invite you all to visit our Da Xia Immortal Country!”

Yang Luo and the others nodded.

Xia Chaoyang resolutely turned and flew towards the center of the barren mountain range.

Upon arriving at the center.

Xia Chaoyang took a deep breath, not suppressing his realm, but unleashing his full momentum.

In an instant!

Whoosh! Whoosh!

Rumble!

Within a thousand miles in the sky, dark clouds rolled, lightning flashed and thunder roared!

Yang Luo spoke to Flame Emperor and Song Zhixin, "Second Senior Sister, Fifth Senior Sister, it won't be long before you undergo the Golden Immortal Tribulation as well.

So, carefully observe Brother Xia undergoing tribulation; it will help you when you face the Golden Immortal Tribulation in the future."

Saying this, Yang Luo turned to Bujie and the others again, "Also, for all of you, you're close to reaching Golden Immortal, gaining more experience will assist you during your tribulation in the future."

"Understood!"

Flame Emperor and others nodded emphatically.

Rumble!

With the first heavenly thunder striking down!

Xia Chaoyang officially began the Golden Immortal Tribulation!

Yang Luo and the others stood atop a distant mountain, observing Xia Chaoyang undertaking the tribulation.

However, because Xia Chaoyang awakened a powerful physique, added to the pills Yang Luo provided and the Dharma artifact he carried to resist.

He endured the baptism of heavenly thunder.

Two days passed.

Until the third morning.

Xia Chaoyang finally completed the Golden Immortal Tribulation.

Moreover, what he experienced was the Eight-Nine Thunder Tribulation.

Although he only withstood sixty-five heavenly thunders, not the strongest Eight-Nine Thunder Tribulation, it was already quite incredible and extraordinary.

As the dark clouds dispersed, sunlight poured down.

Xia Chaoyang stood in the sky, immortal light shimmering, bearing a transcendent demeanor.

He has officially stepped into the Golden Immortal.

Chapter 2660: Chapter 2660: The Four Great Immortal Countries!

Xia Chaoyang took a step forward and flew towards Yang Luo and the others.

Yang Luo cupped his hands and said, "Brother Xia, congratulations on successfully passing your tribulation and attaining Golden Immortal status!"

"Brother Xia, congratulations, congratulations!"

Bujie and the others also offered their congratulations.

"Big brother, you're amazing!"

Xia Ziyang excitedly pumped her fist, "If Huang Yuchen comes to bother you again, you have to give him a good beating!"

"Yes, if Huang Yuchen dares to cause trouble again, I won't fear a battle with him!"

Xia Chaoyang confidently replied.

Then, he looked at Yang Luo with gratitude in his eyes, "Brother Yang, if I hadn't met you, my physique might still be dormant and I wouldn't have quickly reached Golden Immortal status!"

All of this is thanks to your help; I will forever be indebted to you!"

Yang Luo patted Xia Chaoyang's shoulder and smiled, saying, "We are all brothers, no need to be so polite between brothers!"

Bujie grinned and said, "Exactly, the more casually you treat Brother Yang, the better, no need for such restraint!"

Xia Chaoyang smiled and said, “Brothers, come, I’ll take you to see my Da Xia Immortal Country!”

“Good!”

Yang Luo nodded in agreement.

The reason he helped Xia Chaoyang was that he found Xia Chaoyang to be a very decent person.

Moreover, in the unfamiliar land of Jiuzhou Immortal Domain, making more friends is always beneficial.

Subsequently, Xia Chaoyang and Xia Ziyang led Yang Luo and his group away from there, heading straight to Da Xia Immortal Country.

Along the way.

Xia Chaoyang asked, “By the way, Brother Yang, did you come to the Immortal Desolate Ancient Mine just to find Nine Heavens Cold Iron?”

“Yes, Brother Yang. Are you looking for Nine Heavens Cold Iron to refine weapons or a Dharma artifact?”

Xia Ziyang curiously asked.

“I am seeking Nine Heavens Cold Iron to repair a Dharma artifact.”

Yang Luo replied, then continued, “Of course, besides Nine Heavens Cold Iron, I still need two more materials.”

“Which two materials?”

Xia Chaoyang asked.

Yang Luo answered, “Green Water Gold and Earth Core Mysterious Stone.”

“Green Water Gold?!”

Xia Chaoyang was suddenly taken aback.

“What’s wrong, Brother Xia, do you have Green Water Gold by any chance?”

Yang Luo quickly asked.

“Of course I do!”

Xia Chaoyang laughed heartily, saying, "There is a piece of Green Water Gold in the treasury of our Imperial Palace!

This Green Water Gold was found by one of our Country Protecting Elders during his travels!

Since Brother Yang needs it, I shall give it to you!"

Yang Luo asked, "Wouldn't that be a bit inappropriate?"

Xia Chaoyang waved his hand, saying, "Why would it be inappropriate? Brother Yang, the debt of gratitude I owe you is worth far more than these external possessions.

Unfortunately, I don't have Earth Core Mysterious Stone, otherwise, I would give you that too."

Yang Luo smiled and said, "Brother Xia, giving me Nine Heavens Cold Iron and Green Water Gold is already wonderful!

As for Earth Core Mysterious Stone, I will search for it myself!"

Xia Chaoyang said, "I will also have someone inquire about where there might be Earth Core Mysterious Stone!"

"Brother Xia, thank you!"

Yang Luo expressed his thanks.

He didn't expect that coming to the Immortal Desolate Ancient Mine would allow him to obtain both Nine Heavens Cold Iron and Green Water Gold.

Plus, with Red Flame Copper, Hundred Refinement Divine Iron, and Divine Dragon Essence Blood, all that remains is Earth Core Mysterious Stone.

Once he finds Earth Core Mysterious Stone, he will be able to completely repair the Immortal Suppression Pagoda and even upgrade its level.

Xia Chaoyang waved his hand with a smile, "Brother Yang, you told me not to be polite, yet you're being so courteous!"

Upon hearing this, Yang Luo laughed heartily.

Yang Luo and his group traveled for an entire day.

Until the early morning of the second day.

Yang Luo and his group finally reached the outskirts of the Imperial City of Da Xia Immortal Country.

As far as the eye could see.

A few miles away, the entire Imperial City covered a very large area, several times bigger than Bahuang City which Yang Luo and others had visited before.

Hundreds of zhang tall black-grey city walls stood towering, resembling a giant dragon coiled around.

Above the city gate, the plaque was engraved with three ancient and powerful characters: "Donghuang City."

Many armored soldiers in silver armor stood on the battlements, vigilantly watching the cultivators and ordinary people entering and exiting Donghuang City.

In the city, people came and went, continuously, and it was bustling with activity.

Bujie clicked his tongue, saying, "Oh my, is this really your Da Xia Immortal Country's Imperial City? It's so large!"

Ning Jianfeng agreed, "As expected of the Imperial City, truly different from ordinary cities!"

Yang Luo asked, "By the way, Brother Xia, besides Da Xia Immortal Country and Great Desolate Immortal Country, are there other Immortal Countries in Huangzhou?"

Xia Chaoyang replied, "There are two other Immortal Countries, Da Wu Immortal Country and Da Mang Immortal Country.

Our Da Xia Immortal Country is in the east of Huangzhou, Great Desolate Immortal Country is in the north.

Da Wu Immortal Country is in the west, Da Mang Immortal Country is in the south."

Mo Qingkuang asked, "What is the ranking of strength among the four Immortal Countries?"

Xia Chaoyang sighed and said, "Among the four Immortal Countries, Da Wu Immortal Country ranks first, Great Desolate Immortal Country second, Da Mang Immortal Country third.

Our Da Xia Immortal Country is at the bottom."

"This..."

Mo Qingkuang was taken aback, evidently not expecting Da Xia Immortal Country to rank at the bottom among the four Immortal Countries.

Xia Ziyang snorted, "You should know, a thousand years ago, our Da Xia Immortal Country was ranked first!

It's just that over the past few hundred years, continuous wars have led to the deaths of many of our experts, diminishing our luck significantly, which is why we ended up at the bottom!"

"That's how it is..."

Yang Luo and the others nodded in realization.

Xia Chaoyang resolutely said, "If in the future I can become the ruler of Da Xia Immortal Country, I will definitely lead Da Xia Immortal Country back to its former glory!"

"Well said!"

Yang Luo admired and said, "Brother Xia, I believe you can achieve it!"

"Yes!"

Xia Chaoyang also nodded firmly, unconsciously clenching his fist, eyes full of spirit.

Soon, Yang Luo and his group flew above the city gate.

"Greetings Eldest Prince, greetings Third Princess!"

The armored soldiers all bowed respectfully.

Xia Chaoyang nodded and asked, "Has there been any trouble in the city?"

The leading armored soldier replied, "Reporting to Eldest Prince, everything in the city is stable."

"That's good."

Xia Chaoyang nodded.

The armored soldiers looked at Xia Chaoyang, feeling that their Eldest Prince seemed different from before.

His demeanor was more transcendent than ever, and he exuded greater confidence.

Then, Xia Chaoyang led Yang Luo and his group flying into Donghuang City, all the way to the skies above the Imperial Palace.

“Greetings Eldest Prince, Third Princess!”

The guards at the palace gate knelt respectfully on one knee.

Xia Chaoyang asked, “Is my Father Emperor in the palace?”

One guard replied, “Eldest Prince, His Majesty and several Country Protecting Elders are out on an errand, not in the palace.”

“Oh...”

Xia Chaoyang nodded, refrained from asking more, and instead led Yang Luo and his group into the Imperial Palace.

The entire Imperial Palace covered a vast area, with halls and pavilions, artificial hills, and pools scattered within.

Moreover, the palace also housed many exotic mutated beasts.
