#Chapter 2701: Southern Barbarian Demon Emperor! -

Read Super Insane Doctor of the Goddess Chapter 2701:

Southern Barbarian Demon Emperor!

Chapter 2701: Chapter 2701: Southern Barbarian Demon Emperor!

"Quickly escape, the Southern Barbarian Demon Country is about to invade!"

"Where can we escape to? In front of those formidable cultivators, we ordinary people are nothing but ants!"

"No matter what, we can't just sit here and wait to die. Let's escape first and think later!"

"Indeed, once those demons from the Southern Barbarian Demon Country break in, we have no other path but death!"

"I believe Emperor Da Yi and all the Country Protecting Elders will surely defeat those demons and protect the Imperial City!"

The ordinary people in the Imperial City were screaming in terror, frantically fleeing towards the back gate of the city.

The entire Imperial City was already in chaos.

Seeing the scene in front of them, Bujie and others were somewhat dazed.

Wu Qiansheng was stunned and said, "It's only been half a month, how did it become like this?!"

Xia Chaoyang said solemnly, "I just heard people fleeing say that the Southern Barbarian Demon Country is about to break in!"

The Southern Barbarian Demon Country borders the Da Yi Immortal Country, they've been at odds like fire and water, fighting for hundreds of years!

I just didn't expect, the Southern Barbarian Demon Country and the Da Yi Immortal Country to be at war again!"

"It's strange, for hundreds of years, the Da Yi Immortal Country has suppressed the Southern Barbarian Demon Country!"

But why is it that the Southern Barbarian Demon Country has reached the Imperial City now?!"

Lu Yunqi slightly furrowed his brows, feeling very puzzled.

Mo Qingkuang said, "No matter what, let's first go see what's really going on!"

Uncle Yi has been so good to us, and now that the Da Yi Immortal Country is in trouble, we must help!"

"Then why wait? Let's go!"

"Let's go!"

Bujie and the others shouted out, flying swiftly towards the front gate of the Imperial City.

At the same time.

Ten miles away from the front gate of the Imperial City, a terrifying battle had already erupted!

Hundreds of ancient boats, each hundreds of meters long, hovered in the sky, flickering dazzling immortal light, as if a steel continent had formed in the air!

Clang, clang, clang!...

Boom, boom, boom!...

The sound of weapons clashing and energy colliding resounded across Heaven and Earth, spreading far and wide!

Above the firmament!

Dark clouds rolled, strong winds roared, lightning and thunder struck!

On the ground!

Sand and stones flew, dust stormed into the sky!

Intense light and vast energy flickered and surged between Heaven and Earth!

Dense armored soldiers were battling on the ground and in the sky!

One side was the armored soldiers of the Da Yi Immortal Country, donned in golden armor!

The other side was the armored soldiers of the Southern Barbarian Demon Country, clad in pitch-black armor!

The Da Yi Immortal Country's soldiers were all human cultivators, looking normal in shape and appearance!

But most of the soldiers of the Southern Barbarian Demon Country had beast heads and human bodies, varying greatly in height!

Some were short, others tall and vast as mountains!

Some armies flew across the sky, some maneuvered flying immortal treasures, and some rode mutated beasts, all locked in fierce combat midair!

The battle had lasted less than two hours, yet the casualties were already severe!

The ground was covered with corpses, rivers of blood flowed!

The sounds of slaughter, roars, angry shouts, and miserable screams never ceased!

However, the army of the Southern Barbarian Demon Country held an absolute advantage, amassing over 300,000 soldiers!

The Da Yi Immortal Country's army numbered only over 100,000, several times fewer!

Because the Da Yi Immortal Country's troops were busy resisting the Southern Barbarian Demon's army in other cities, only over 100,000 were left to defend the Imperial City!

"Kill, kill them all!"

"As long as we seize the Imperial City, we can gain the upper hand!"

"The Da Yi Immortal Country will be ours for the taking!"

"After breaking the city, we shall indulge in revelry, slaughtering everyone inside!"

"Good, let's do it that way, the people of the city will become our feast, I shall relish a great meal!"

"Hahaha..."

The soldiers of the Southern Barbarian Demon Country laughed wildly, immensely excited, their eyes filled with cruelty, launching an assault!

"We must stop them!"

"We absolutely cannot let them breach our Imperial City!"

"These scoundrels are utterly detestable, let's fight them!"

The soldiers of the Da Yi Immortal Country roared fiercely, resisting the charge from the Southern Barbarian Demon Country's army to the last!

At this time.

In the distant sky.

Yi Jiuxiao, stained with blood, shouted, "Soldiers, listen up, our reinforcements are on the way!"

Hold on a little longer, we must keep them outside the Imperial City!"

"Yes!!!"

The soldiers of the Da Yi Immortal Country responded loudly, fighting courageously against all odds!

"Hahaha..."

At this moment, a maniacal laugh came from the opposite side.

The one who laughed was a middle-aged man in a pitch-black robe, over three meters tall, with a sturdy, massive build, rugged face, fierce and sinister eyes, holding a black gold huge halberd.

This middle-aged man was none other than the Emperor of the Southern Barbarian Demon Country—Yan Juetian!

Yan Juetian's eyes filled with sarcasm, he sneered, "Yi Jiuxiao, don't count on anyone coming to help you!"

I've already sent people to intercept them, your reinforcements won't make it in time!

Even if they do, by then, your Imperial City will be long breached by us!"

Yi Jiuxiao wielded a scarlet gold saber, his face cold as ice, shouted, "Yan Juetian, do you really think your Southern Barbarian Demon Country can annihilate our Da Yi Immortal Country?"

Our Da Yi Immortal Country's overall strength has always surpassed your Southern Barbarian Demon Country, your ambition to destroy us is nothing but a dream!"

"Is that so?"

Yan Juetian sneered and said, "Since I dared to lead forces to attack your Da Yi Immortal Country, naturally I've made thorough preparations!

This time, we are bound to annihilate your Da Yi Immortal Country!

Everything of your Da Yi Immortal Country will be ours!"

"You're courting death!"

Yi Jiuxiao shouted thunderously, wielding his saber, he charged towards Yan Juetian!

"You are the one courting death!"

Yan Juetian likewise gave a cold shout, wielding his huge halberd, he charged up!

In an instant!

The two closed the distance, simultaneously swinging their weapons, slashing towards each other!

Rumble!

The giant scarlet gold saber and black gold huge halberd sliced through the sky, cleaving large swathes of the Cloud Sea, clashing fiercely!

Clang!

The saber and halberd struck heavily, erupting with a world-shattering sound!

At the point of collision between saber and halberd, lightning flashed, flames scattered, the immense Heaven and Earth trembled violently!

Yi Jiuxiao and Yan Juetian's cultivation were both at the Daluo Golden Immortal Middle Stage, evenly matched in strength!

In this earth-shattering clash!

Neither of them took a single step back, maintaining their stance against each other, hair and robes billowing!

Yan Juetian taunted, "Yi Jiuxiao, our cultivation is the same, you can't kill me!

And this time, I have great confidence I can slay you!"

"Then come and try!"

Yi Jiuxiao roared loudly, his entire being exuding power as he thundered, "I'm ready for a fight!"

He laughed sinisterly, "I'm ready to fight alongside you!"

Yan Juetian also gave a cold smile, saying, "I shall join you in battle!"

A massive red-gold saber and a black-gold huge halberd rose up, towering like demon gods, fearsome beyond compare!

Yi Jiuxiao and Yan Juetian both had their cultivation levels at the Middle Stage of Daluo Golden Immortal, their strengths relatively equal!

With that, a terrible abyss seemed to tear a long rift across the expanse of Heaven and Earth in an instant!

Chapter 2702: Chapter 2702: Can You Kill Me?

In an instant!

Clang-rumble!

The two giants collided fiercely in the sky, erupting with the sound of rolling thunder!

Light like a flood, energy like a wave, surged from the collision point in all directions!

Boom, boom, boom!

The surrounding ancient boats were destroyed, turning into countless fragments, splashing in all directions!

Many people were also blasted away, coughing up bright blood!

Under this shocking collision!

Yi Jiuxiao and Yan Juetian simultaneously flew backwards!

The Dharma Idols of both also flew backwards with them!

They flew backward for a full kilometer before quickly stabilizing themselves, waving their weapons!

The Dharma Idols of the two charged fiercely upwards, engaging in a fierce battle in the sky!

Clang, clang, clang!...

Boom, boom, boom!...

The sound of impacts and explosions echoed non-stop, shaking the heavens, stirring the earth, and unsettling the eight directions!

Just as the Dharma Idols were in combat!

Yan Juetian kicked down from the air, shaking heaven and earth!

“Eight Nether Demon Fire!”

Whoosh!

Streams of Eight-Colored Demon Fire burst forth from his body, transforming into an expanse of Eight-Colored Fire Sea, rushing towards Yi Jiuxiao!

Where the Fire Sea passed, nearby armored soldiers and mutated beasts were instantly reduced to ashes!

Ancient boats and war chariots were burned into molten iron, dripping from the sky!

Seeing the Eight-Colored Fire Sea rushing in!

Yi Jiuxiao neither dodged nor retreated, but stepped forward heavily!

“Jiuxiao Scripture!”

“Immortal River Mighty Flow!”

Whoosh!

An expansive scarlet-golden Immortal River surged to the sky, like a deluge, washing towards the Eight-Colored Fire Sea!

Rumble!

The Eight-Colored Fire Sea and the scarlet-golden Immortal River collided heavily in the sky, erupting with the sound of Heaven and Earth Shattering!

Water and fire incompatible, clashing with each other, relent not!

The demon fire was largely extinguished, the Immortal River was largely evaporated, streams of white vapor rose, akin to a mushroom cloud!

The killer moves unleashed by both remained unable to shake the opponent!

Yan Juetian swung his halberd again, roaring aloud!

“Netherworld Fire Chariot!”

Rumble!

Thousands of Eight-Colored Flame Chariots rolled across the sky, crashing towards Yi Jiuxiao!

“Ten Thousand Mountains and Rivers!”

Yi Jiuxiao once again utilized the “Jiuxiao Scripture,” swinging his saber!

A sight to behold, tens of thousands of scarlet-golden Immortal Mountains rose, like a mountain range, crashing into those thousands of Eight-Colored Flame Chariots!

Dong, dong, dong!...

Boom, boom, boom!...

Tens of thousands of Immortal Mountains madly collided with thousands of Flame Chariots, repeatedly shattering and exploding, turning into vast swaths of energy and light, rippling outward!

“Kill!”

Yi Jiuxiao let out a loud yell, saber in hand, breaking through the vast energy tide, charging towards Yan Juetian!

In the moment of approach!

Yi Jiuxiao waved his large hand!

“Wind Rises, Thunder Surge!”

Tens of thousands of tornadoes swept through heaven and earth, crushing towards Yan Juetian from all directions!

Tens of thousands of fierce thunders descended from the sky, striking sharply down!

Yan Juetian’s face changed, immediately trembling all over!

“Burning Eight Desolates!”

Frenzied Eight-Colored Demon Fire surged from his body, washing towards all directions!

Boom, boom, boom!

The crushing tornadoes and striking thunders were all destroyed, exploding in the sky!

However, Yi Jiuxiao seized the opportunity, forcefully slashing towards Yan Juetian!

Swoosh!

The scarlet-golden huge sword cleaved the Cloud Sea, tore the Cangqiong, striking fiercely at Yan Juetian!

Yan Juetian was shocked, immediately raising his halberd to block!

Clang-clang!

That slash hit heavily on the halberd, erupting a clear collision sound!

Vast saber intent and terrifying energy crushed down, terrifyingly overwhelming!

“Ugh...”

Yan Juetian let out a muffled groan, dropping directly from high in the air!

With a loud “boom,” the ground exploded into a huge crater!

Yan Juetian stood in the crater, his arms and skin torn, chest cut open with numerous bloody mouths, blood pouring uncontrollably!

Yi Jiuxiao stood in the sky, shouting: “Yan Juetian, didn’t you say you wanted to kill me?”

With your strength like this, can you really kill me?”

Yan Juetian snarled: “Yi Jiuxiao, even if I can’t kill you, someone else will take you down!

Your arrogance won’t last long!”

“Who are you talking about?”

Yi Jiuxiao frowned and asked.

He also felt something was amiss this time.

It seemed someone was aiding the Southern Barbarian Demon Country.

Recently, messages came from the armored soldiers guarding other city pools that the Southern Barbarian Demon Country had mysterious elders appearing, very powerful.

Who exactly is helping the Southern Barbarian Demon Country?

“You’ll find out soon enough!”

Yan Juetian laughed viciously, then soared skyward, attacking Yi Jiuxiao!

“Kill!”

Yi Jiuxiao shouted loudly, diving down, charged at Yan Juetian!

Just as the two were locked in a fierce battle!

Da Yi Immortal Country’s six Country Protecting Elders were confronting the eight Country Protecting Elders of the Southern Barbarian Demon Country!

Originally, Da Yi Immortal Country had twelve Country Protecting Elders, but now six Country Protecting Elders were defending against Southern Barbarian Demon Country’s army at other cities, temporarily unable to make it!

Clang, clang, clang!

Boom, boom, boom!...

Fourteen Country Protecting Elders fiercely battled in the sky, fighting with the sky darkened and the earth blurred, inconclusive!

Who knows how many rounds of fierce combat occurred!

Accompanied by the sound of “boom” explosions!

Both sides were simultaneously blasted away!

Da Yi Immortal Country’s three Country Protecting Elders, Yi Tianhong, Zhao Tingyu, and Zheng Fengshi, all stabilized themselves and launched fierce assaults again!

“Qiankun Extinguishing Immortal Map!”

“Nine Revolutions Mountain Opening Seal!”

“Chaos Immortal Sword!”

A blue-gold Immortal Map coagulated, continuously enlarging, flashing brilliant immortal light, seemingly encompassing this area of heaven and earth!

Nine Directions Purple-Gold Seal gathered, like nine Immortal Mountains, suppressing and killing upward!

Countless gray-white flying swords transformed into a sea of swords, sweeping heaven and earth, shooting forth!

“Emperor’s Dominating Fist!”

“Five Ultimate Breaking Void Palm!”

“Heaven and Earth Divine Travel Spear!”

Da Yi Immortal Country’s three Country Protecting Elders, Meng Yuanshan, Yu Huai Zhao, and Wang Shangxian, also simultaneously launched fierce assaults!

An dark golden giant fist crushed through Changkong, slamming down, its punch shaking heaven, its fist intent dominating!

A Five-Colored Giant Palm fractured Cangqiong, like a five-finger mountain, pressing downward!

A green-gold huge spear broke through everything ahead, like a celestial pillar, striking upward!

“Huh, just with you six thinking to defeat us eight, it’s utterly laughable!”

“These six old guys are indeed rather formidable, everyone must never hold back!”

“We must slaughter them all before their reinforcements arrive!”

The Southern Barbarian Demon Country’s eight Country Protecting Elders shouted fiercely, simultaneously launching fierce assaults!

“Profound Ice Divine Technique!”

“Nine Yin Slaughter God Technique!”

“Blood Demon Chasing Soul Sword!”

...

Eight attacks launched together, vast and grand, fierce and violent, containing endless killing power, destructive force, and annihilation!

Dong-rumble!

Rumble-rumble!

A series of world-shaking collision and explosion sounds exploded together in the sky!

Boundless Heaven and Earth cracked open, Void also split with pitch-black cracks, like a spider web, spreading in all directions!

Chapter 2703: Chapter 2703: Backing!

Huge balls of energy exploded in the sky, like stars falling from the sky exploding!

A vast amount of light and energy burst forth, sweeping in all directions like a mountain flood or tsunami!

The Cangqiong, Void, and earth cracked open, revealing three chasm-like ravines!

Although Yi Tianhong and Meng Yuanshan from Da Yi Immortal Country are Taiyi Xuanxian, the other four are Daluo Golden Immortals!

But, the other side also has two Taiyi Xuanxian, and the other six are all Daluo Golden Immortals!

So, in terms of overall strength, Yi Tianhong and the six people are hard to contend against the eight Country Protecting Elders of the Southern Barbarian Demon Country!

"Ugh ah ah ah..."

Yi Tianhong and the other five let out cries of pain, simultaneously blown away, with blood wounds appearing on their bodies, leaving a trail of blood!

Although the eight Country Protecting Elders of the Southern Barbarian Demon Country were also blown away, their injuries were much lighter than those of Yi Tianhong and the others!

"Continue, keep up the momentum, kill them!"

The leading elder of the Southern Barbarian Demon Country, Yuan Sichen, roared fiercely, leading the other seven elders to continue attacking Yi Tianhong and his group!

However, at this moment!

"Ah ah ah ah..."

Screams rang out from the Southern Barbarian Demon Country's side!

Bodies flew, blood splattered in the air!

"Who are you?!"

"Who is attacking us?!"

"Could it be that Da Yi Immortal Country's rescue has arrived?!"

"But that can't be right, how could Da Yi Immortal Country's rescue arrive so quickly?!"

The people of the Southern Barbarian Demon Country were all astonished, not immediately seeing clearly who was killing their people.

Even the people from Da Yi Immortal Country were puzzled, not knowing who was helping them.

Just then!

"Roar!"

Along with a ground-shaking roar!

A gigantic figure leapt over three thousand meters, stomping to death thousands, punching to explode thousands more!

Everyone looked up!

There stood a towering white giant ape over two hundred meters tall, like a majestic mountain, it was Big White!

"Roar!"

Big White lifted both fists pounding its strong chest, roaring towards the front!

Sound waves spread out like tangible matter, immediately causing many armored soldiers of the Southern Barbarian Demon Country to spit blood and fly backwards!

Many soldiers clutched their heads screaming, bleeding from their seven orifices, falling from the sky!

"Chirp!"

Along with a clear and crisp cry.

A massive vermilion Fire Bird swept across the sky, flapping its wings, unleashing waves of vermilion fire, sweeping out!

Many armored soldiers of the Southern Barbarian Demon Country were burned alive, screams echoing endlessly!

This massive Fire Bird was the Hundred Cry Bird!

As Big White and the Hundred Cry Bird charged in!

More figures rushed in!

"Ah ah ah ah..."

Thousands upon thousands of armored soldiers of the Southern Barbarian Demon Country were knocked flying, killed!

Bodies fell like dumplings raining down!

Mo Qingkuang charged forward, with five Immortal Illusions of Ancient Immortals towering above!

Wu Qiansheng activated the "Nine Yang King Body", a crimson-gold Fire Sea churned in the sky, with nine crimson-gold fireballs spanning the sky!

Lu Yunqi activated the "Star Moon Holy Body", a crescent moon formed above, surrounded by stars!

Xia Chaoyang activated the "Innate Taoist Body", with palaces, Immortal Palaces, Immortal Illusions towering above, ancient characters "Lin, Bing, Dou, Zhe, Jie, Zhen, Lie, Qian, Xing" gathered around his body!

Bujie's eyes flickered with golden Buddhist light and demonic light, holding the Heavenly Dragon Zen Staff, with a Buddhist Demon Giant towering above!

Xu Ying held the Purple Thunder Saber, enveloped in a huge purple thunder saber, flashing with dazzling purple Thunder Light!

Flame Emperor, Xiang Kunlun, Lin Wenxuan, Ji Longyue, Ning Jianfeng and others also charged in!

Above them towered Divine Beast Illusions of Azure Dragon, Kun Peng, Qilin, Azure Dragon, and Soaring Snake, exuding immense presence!

Seeing the newcomers!

Yi Jiuxiao and Yi Tianhong were momentarily startled but then quickly reacted!

"Qiansheng, Chaoyang, Yunqi... why are you here?!"

Yi Jiuxiao asked in astonishment.

Wu Qiansheng said: "Uncle Yi, while cultivating in the Xianxia Mountain Range, we sensed battle fluctuations here, along with sounds of fighting, so we thought to come and take a look!

But unexpectedly, it was the Southern Barbarian Demon Country attacking!"

Yi Jiuxiao's expression turned grave, urgently saying: "Qiansheng, this battle is not something you can get involved in, you must leave here immediately!

Also, tell Little Luo to take the Sunset Divine Bow and Sun-shooting Divine Arrow and leave!"

"Oh?"

Yan Juetian squinted, saying: "So the Sunset Divine Bow and Sun-shooting Divine Arrow are not in your Imperial Palace!

Who exactly is this Little Luo, and are the Sunset Divine Bow and Sun-shooting Divine Arrow in his hands?"

Thus, this time in attacking Da Yi Immortal Country, they had two reasons.

Firstly, to occupy Da Yi Immortal Country!

Secondly, to obtain the Sunset Divine Bow and Sun-shooting Divine Arrow!

Yi Jiuxiao coldly said: "The Sunset Divine Bow and Sun-shooting Divine Arrow indeed are not in our Imperial Palace!

Even if you break through our Imperial City, you won't get them!"

Saying this, he urgently told Wu Qiansheng and the others: "Hurry, escape!"

"Qiansheng, Chaoyang, Yunqi, flee quickly!"

"Make sure Little Luo protects the Sunset Divine Bow and Sun-shooting Divine Arrow left by our ancestors!"

Yi Tianhong and Zhao Tingyu also shouted loudly.

Wu Qiansheng gritted his teeth: "Uncle Yi, you have been so good to us, how can we flee when Da Yi Immortal Country is in trouble?!"

"Uncle Yi, even though we are not Daluo Golden Immortals, we can still be of some help!"

"Uncle Yi, respected elders, let us stay!"

"I don't believe that the Immortal Country established by Senior Da Yi will truly be destroyed by the Southern Barbarian Demon Country!"

Xia Chaoyang, Lu Yunqi, and Bujie shouted in unison.

"You all...!"

"Why do you have to do this?!"

"We don't have the attention to spare to look after you, flee now!"

Yi Jiuxiao and Yi Tianhong shouted sternly.

Yan Juetian shouted with a voice that shook the air: "Don't let these youngsters escape!

They know the whereabouts of the Sunset Divine Bow and Sun-shooting Divine Arrow!"

"Yes!"

The armored soldiers of the Southern Barbarian Demon Country responded in unison, moving to encircle Bujie and the others!

Yi Jiuxiao angrily shouted: "Yan Juetian, are you mad?"

Qiansheng and Chaoyang are the Eldest Princes of Da Wu Immortal Country and Da Xia Immortal Country!

Yunqi is the Saint Heir of Taixuan Sacred Land!

If you kill them, Da Wu Immortal Country, Da Xia Immortal Country, and Taixuan Sacred Land will not spare you!"

"Hahaha..."

Yan Juetian laughed loudly, saying viciously: "Huangzhou is at the bottom in the Jiuzhou Immortal Domain!

What kind of power can mere immortal countries and sacred lands of Huangzhou have?

To tell you the truth, our backing is one of the top forces in the Jiuzhou Immortal Domain!

Why should our Southern Barbarian Demon Country fear Da Wu Immortal Country, Da Xia Immortal Country, and Taixuan Sacred Land?"

"Backing?!"

Yi Jiuxiao was taken aback, gritting his teeth: "No wonder you are so arrogant, it turns out you have found backing!"

Tell me, which force is your backing!"

Chapter 2704: Chapter 2704: Battle Maniac!

Yi Tianhong and Zhao Tingyu also looked at Yan Juetian.

Only then did they realize.

No wonder the Southern Barbarian Demon Country dared to attack the Da Yi Immortal Country, Da Wu Immortal Country, Da Xia Immortal Country, and Taixuan Sacred Land without fear, they had found support after all.

Moreover, their support was actually one of the top forces in Jiuzhou Immortal Domain!

Which force could it actually be?

"Do you want to know?"

Yan Juetian gave a mocking smile and said, "No need to rush, you'll soon find out!"

Saying this, he waved his hand, "Capture these little guys and force them to reveal the whereabouts of the Sunset Divine Bow and the Sun-shooting Divine Arrow!"

"Yes!"

Tens of thousands of armored soldiers from the Southern Barbarian Demon Country roared and charged towards Wu Qiansheng and the others!

The leaders were seven Commanders-in-Chief of the Southern Barbarian Demon Country, all at the Golden Immortal cultivation level!

Moreover, these seven Commanders-in-Chief had beast heads and human bodies, towering tens, even hundreds of meters high, like seven iron towers!

Bujie swung the Heavenly Dragon Zen Staff, excited, shouting loudly: "Brothers, follow me to kill!"

After a loud roar!

Bujie swung the Heavenly Dragon Zen Staff and charged forward!

"Die for me, Lord Buddha!"

He roared with explosive voice, gripping the Heavenly Dragon Zen Staff tightly and swung it heavily!

Whizz!

Brilliant Buddhist light and demonic light intertwined, containing vast and majestic Buddhist aura and magic power, swept out!

"Ahhhh..."

Hundreds of armored soldiers at the forefront screamed in pain, spitting blood, and flew backward in unison!

"Formless Buddha Demon!"

Giant Buddhist palms and devil palms rose above him and slammed heavily!

Bang Bang Bang!

Several hundred armored soldiers didn't even have time to react before they were smashed into pulp!

"Buddha Chanting Demon Roar!"

"Buddha Lotus Demon Map!"

Bujie exhibited another powerful killing move!

He opened his mouth and let out a roar!

It seemed as if the chanting of ten thousand Buddhas and the roaring of ten thousand demons echoed across the heavens!

A golden Buddha lotus and a pitch-black demon map charged upward together!

Once again, hundreds of warriors were crushed, their organs destroyed, by the force of the Buddha Lotus and demon map!

"My goodness, is Brother Bujie really so fierce?!"

Wu Qiansheng exclaimed in surprise.

Lu Yunqi also remarked, "Brother Bujie is simply a battle maniac, facing such an overwhelming assault with excitement rather than fear!"

Xia Chaoyang marveled, "Brother Bujie's physique is too special, being the dual body of Buddha and demon, his cultivation techniques are quite powerful!"

Ning Jianfeng smirked, "You three brothers, you don't know that this guy is simply a battle lunatic!"

We've followed Brother Yang through countless battles, regardless of whether we could win, he always charges to the front!

Brother Yang has told him countless times, but he just won't listen!"

Wu Qiansheng laughed heartily and said, "It seems Brother Bujie is truly a man of great character!"

"Great character? I think this guy is just a lunatic!"

Ning Jianfeng retorted, then grasped the Soaring Serpent Sword and charged at the armored soldiers!

"Soaring Serpent Riding Mist!"

"Hiss!"

Amidst a series of hissing cries, a giant black Soaring Serpent with wings swooped in to pounce!

The armored soldiers charging forward were knocked flying, some even killed instantly!

As the Soaring Serpent made its charge!

Ning Jianfeng raised the Soaring Serpent Sword, swinging it repeatedly to unleash nine swords!

"Soaring Serpent Nine Slash!"

Swish Swish Swish!

Nine black giant swords formed a majestic sword peak, pressing heavily towards the front!

The entire sky and earth trembled with a massive quake!

Puff Puff Puff!

Immediately, thousands of elders were slain by the nine giant swords!

"Ancient Immortal Technique!"

"Kua Fu Chasing the Sun, Jingwei Calms the Sea, Yu Gong Moves Mountains, Dayu Flood Control, Fuxi's Trigram!"

Mo Qingkuang also charged forward, performing the Supreme Sect's absolute skills.

Ancient Immortal illusions rose up prominently, following Mo Qingkuang in a great slaughter!

"Nine Stage Hell Suppression Palm!"

"Kun Peng Treasured Seal!"

Xiang Kunlun transformed his right hand into a palm, gathered a treasured seal with his left hand, and slammed it heavily!

An illusion of a Kun Peng soared across the heavens, crashing forward!

"Blue Luan Sword Technique!"

"Green Fire Covering the Sky!"

Flame Emperor wielded his sword, conjuring a sea of swords and blasting out!

Blue Luan Divine Fire surged from within, transforming into a sea of green fire, rushing forward!

"Lotus Sea Fragrance!"

"Holy Lotus Treasure Seal!"

Zhixin stomped lightly in mid-air!

Countless Eight-Colored Glazed Lotuses gathered, transforming into a lotus sea, sweeping in all directions!

An Eight-Colored Glaze Treasure Seal formed above, burgeoning and expanding constantly, moving to suppress and kill!

"Dragon rises miles!"

"White Tiger's Chaotic World!"

"Vermillion Bird Immolates!"

"Black Tortoise Stepping Heaven!"

Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng all charged forward with Immortal Armaments in hand!

The towering forms of the Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise charged to overpower!

Blasts of cyan-gold immortal rainbows flared out!

A platinum thunder sea, golden-red flame sea, and blue-gold thunder sea surged upwards!

Lin Wenxuan and Qin Zhanhuang also launched fierce attacks!

Witnessing these scenes!

Wu Qiansheng exclaimed in admiration: "I thought only Brother Yang had formidable power, but I didn't expect Brother Mo and the others to be so formidable too!"

"Even though Brother Mo and the rest come from the lower realms, they have gained such cultivation and strength on their own, truly admirable!"

Xia Chaoyang expressed admiration as well.

Lu Yunqi proclaimed boldly, "Brothers, we must not be outdone by Brother Mo and the others!"

Let's all join and eliminate these guys!"

"Alright!"

Wu Qiansheng, Xia Chaoyang, and Xia Ziyang responded in unison.

Immediately, Wu Qiansheng and the others simultaneously set into motion, charging at the armored soldiers of the Southern Barbarian Demon Country!

"You little guys are simply courting death!"

"Leave a few alive, the others can all be killed!"

The seven Commanders-in-Chief from the Southern Barbarian Demon Country roared angrily, wielding Immortal Armaments as they charged towards Wu Qiansheng and the others!

Wu Qiansheng, Lu Yunqi, and Xia Chaoyang, however, showed no fear and charged head-on!

They were, after all, the young elites of Huangzhou, not on par with the Heavenly Pride from the five continents, but still quite strong!

Even though Wu Qiansheng and the others numbered less than twenty, they managed to withstand wave after wave of assaults from the seven Commanders-in-Chief and tens of thousands of armored soldiers!

Moreover, Wu Qiansheng and the others joined forces to slay numerous armored soldiers!

After ten minutes of intense battle!

Wu Qiansheng seized an opportunity, soared into the sky, clenched his fists, and launched a furious attack on one of the early-stage Golden Immortal Commanders-in-Chief!

"Nine Yang Dominator Fist!!!"

Tens of thousands of massive fiery golden fists rained down, like a meteor shower of fire, crashing onto the commander!

The commander, with a tiger head and human body, towering several dozen meters tall, wielded a huge sword!

Wu Qiansheng's assault was too fierce, catching him off guard, he could only raise his huge sword to block and gather an energy barrier to withstand!

Bam Bam Bam!...

The torrent of fiery fists hammered onto the commander's huge sword, resonating like metal clashing stone!

In less than half a minute!

Crack!

The huge sword was shattered by Wu Qiansheng's chaotic punches!

Chapter 2705: Chapter 2705: Golden Crow Sacred Land!

"What?!"

The Commander-in-Chief's expression dramatically changed, utterly shocked.

Although the sword in his hand was only a Basic-level Immortal Artifact, it couldn't be shattered so easily!

As he was dazed!

Rumble!

The Defensive Shield he had gathered was also shattered, exploding into a blaze of light and energy!

Immediately afterwards!

Bam! Bam! Bam!

Wu Qiansheng's fists crazily pounded against the body of this Commander-in-Chief, erupting with the sound of thunderous booms!

"Ugh ah ah ah..."

The Commander-in-Chief's screams were incessant, his massive body was relentlessly driven downward, with ribs broken one by one, blood spraying from his mouth!

The key was, Wu Qiansheng's fists were too fierce and violent, striking him with no chance to retaliate!

After tens of thousands of punches!

He unleashed one more punch!

"Die!"

This punch was far more terrifying than the previous tens of thousands, twisting the Void!

"No!!!"

The Commander-in-Chief exclaimed, attempting to dodge, but it was too late!

Bang!

His enormous Physical Body was directly blasted into a heap of flesh, even his Essence Soul was shattered by Wu Qiansheng's punch!

Just as Wu Qiansheng killed a Commander-in-Chief!

"Taixuan Mysterious Extinguishing Immortal Array!"

“Connate Chaos Formation!”

Lu Yunqi and Xia Chaoyang simultaneously set up a Great Formation, entrapping two Commanders-in-Chief!

These two Commanders-in-Chief, one with a wolf’s head and human body, the other a leopard’s head and human body, were both Golden Immortals!

“Break out!”

“Destroy these damn formations!”

The two Commanders-in-Chief roared, launching fierce attacks on the dual array formations!

“Formation, activate!!”

Lu Yunqi and Xia Chaoyang both roared with shock, activating the formations!

The dual array formations erupted with a terrifying offensive, assaulting the two Commanders-in-Chief!

Clang! Rumble!

Boom!

The dual array formations simultaneously resonated with the sound of thunderous impacts and explosions!

“Continue, kill!”

Lu Yunqi roared again, waving his large hand!

The crescent moon and stars above him pressed downward towards the two Commanders-in-Chief in the formations!

Xia Chaoyang waved his spear!

Countless spears pierced through the sky, in an overwhelming manner, shooting towards the formation!

In an instant!

Boom!

The dual array formations simultaneously exploded, transforming into a vast blaze of light and energy, surging in all directions!

Until the light and energy dissipated!

Only to see, the two Commanders-in-Chief had already been blown to pieces, their Essence Souls annihilated!

At this moment.

Yi Jiuxiao and Yi Tianhong, battling in the sky afar, were shocked.

They didn't expect Wu Qiansheng and his crew to be so formidable, continuously killing so many from the Southern Barbarian Demon Country.

However, thinking about the current situation, they were still very worried.

The Southern Barbarian Demon Country is numerous and powerful, even Wu Qiansheng and the others couldn't possibly withstand such a massive attack.

"Kill those little bastards!"

"Kill them!"

The Southern Barbarian Demon Country people were furious, charging at Wu Qiansheng and the others.

Moreover, several more Commanders-in-Chief charged forward, wanting to kill Wu Qiansheng and the others.

"A bunch of damned brats, you're courting death!"

Yan Juetian also roared out, wanting to take action himself.

"Dream on!"

Yi Jiuxiao shouted, directly blocking Yan Juetian, engaging him in battle.

The few Country Protecting Elders of the Southern Barbarian Demon Country also shouted, intending to personally kill Wu Qiansheng and the others.

"Stop them!"

Yi Tianhong and six other Country Protecting Elders shouted fiercely, desperately intercepting the Southern Barbarian Demon Country's elders.

However, at that moment!

Rumble!

Suddenly, a roar echoed from the distant sky, like rolling thunder, resounding across the expanse of Heaven and Earth!

“What sound is that?!”

“Could someone be coming?!”

Everyone present was startled, turning their heads toward the distant sky.

When everyone gazed upwards, they were dazed by the scene in the distance!

Only to see, blazing golden red flames ignited at the horizon, like a vast golden red Fire Sea, rushing towards here!

The distant sky seemed set ablaze!

Even though it was far away, everyone present felt the scorching heat!

In the next second!

Fire Mutant Beasts were pulling three golden red flame War Chariots, flying towards here!

Behind them were four elders riding Fire Mutant Beasts, rushing forward!

Within a few breaths!

The three War Chariots and four elders arrived at the battlefield's sky!

When the chariots halted.

Three young men dressed in golden red armor, stood tall and prominent, walked down.

Though the appearance of these three men differed, there were similarities in their facial features.

Additionally, golden red runes adorned each of these young men's foreheads, mysteriously.

“Greetings, Golden Crow Eighth Prince, Golden Crow Ninth Prince, Golden Crow Tenth Prince!”

“Greetings, Elder Fen, Elder Xiao, Elder Shi, Elder Wu!”

Everyone from the Southern Barbarian Demon Country bowed respectfully.

Yi Jiuxiao’s face changed dramatically, exclaiming: “Could they be from the Golden Crow Sacred Land?!”

“Undoubtedly, they are from the Golden Crow Sacred Land!”

“We didn’t expect the Southern Barbarian Demon Country’s backing to be the Golden Crow Sacred Land!”

Yi Tianhong, Zhao Tingyu, and several elders’ faces darkened.

Their Da Yi Immortal Country and the Golden Crow Clan have been old enemies!

Back then, their ancestor Da Yi shot dead the nine Golden Crow Ancestors that wreaked havoc!

Originally, their ancestors planned to annihilate the Golden Crow Clan completely, but due to the outbreak of war, the Golden Crow Clan survived!

Some Golden Crow Clan people even established a Sacred Land in the Jiuzhou Immortal Domain, becoming one of its top forces!

Yet, their Da Yi Immortal Country gradually declined, unable to compete with the Golden Crow Clan!

Therefore, those three young men were precisely the Golden Crow Eighth Prince Fen Shaokun, Ninth Prince Fen Tianyang, and Tenth Prince Fen Yuluo!

These three Golden Crow Princes possessed Golden Immortal Middle Stage cultivation!

The four elders were exactly the four elders of the Golden Crow Sacred Land, Fen Wangchen, Xiao Hechuan, Shi Jingqian, and Wu Chaosheng!

Fen Wangchen’s cultivation was at Late Stage Taiyi Xuanxian, Xiao Hechuan’s at Taiyi Xuanxian Middle Stage!

Shi Jingqian’s cultivation was at Daluo Golden Immortal Late Stage, Wu Chaosheng’s at Daluo Golden Immortal Middle Stage!

Bujie glanced at Fen Shaokun and the others, then asked Wu Qiansheng, “Brother Wu, is this Golden Crow Sacred Land really powerful?”

Fear appeared in Wu Qiansheng's eyes, solemnly saying, "This Golden Crow Sacred Land is one of the top forces in the Jiuzhou Immortal Domain, within Nanli Huo State, one of the Five Great States, renowned for many years!"

Lu Yunqi also stated, "The people of the Golden Crow Sacred Land possess the bloodline of the Ancient Golden Crow, born with strong divine powers, and many experts, truly terrifying!"

Although our Taixuan Sacred Land is influential in Huangzhou, it's far inferior to such a Great Sacred Land as the Golden Crow Sacred Land!"

"Even our Da Xia Immortal Country cannot compare!"

Xia Chaoyang clenched his fist, sighing.

Chapter 2706: Chapter 2706: Birdman!

"Damn! So the Golden Crow Sacred Land is this powerful!"

Bujie couldn't help but exclaim in shock.

Mo Qingkuang, Xu Ying, and the others were also stunned, clearly not expecting to encounter a top force from the Jiuzhou Immortal Domain today.

"Hahaha..."

Yan Juetian laughed aloud, teasingly saying, "Yi Jiuxiao, do you see this? Our backing is the Golden Crow Sacred Land!"

The Golden Crow Eighth Prince, Fen Shaokun, frowned with his hands behind his back and said, "Yan Juetian, it's been several hours, and you still haven't breached the Imperial City of Da Yi Immortal Country. What are you doing?"

Yan Juetian respectfully replied, "Eighth Prince, although Da Yi Immortal Country has declined, a dead Camel is still larger than a horse. It's quite difficult to wipe them out!"

Though Fen Shaokun only had a Golden Immortal Middle Stage cultivation, his status as a prince of the Golden Crow Sacred Land was prestigious.

Countless forces in the Jiuzhou Immortal Domain would bow and kneel in reverence upon seeing a prince from the Golden Crow Sacred Land, not daring to act recklessly.

"Hmph!"

Fen Shaokun snorted coldly, "Ultimately, you're all just too useless!"

The Golden Crow Ninth Prince, Fen Tianyang, shook his head and said, "Had I known you were this useless, we shouldn't have supported you!"

The Golden Crow Tenth Prince, Fen Yuluo, arrogantly declared, "If your Southern Barbarian Demon Country doesn't do well enough, we can support you or abandon you at any time!"

Yan Juetian nodded and humbled himself, "The three Princes' reprimands are correct. I, Yan, will definitely perform well!"

"I hope the three Princes will forgive us!"

The eight Country Protecting Elders of the Southern Barbarian Demon Country also bowed their heads.

Seeing this scene.

Bujie was quite displeased and said, "What bullshit princes, they act like such assholes!

If it weren't for the Golden Crow Sacred Land backing them, they'd be nothing!"

"Who's speaking?"

Fen Shaokun turned to glare at Bujie, "Was it you, you bald monk?"

"Yes, it was your Lord Buddha speaking. What do you want?"

Bujie showed no fear, glancing at Fen Shaokun, and said, "What bullshit Golden Crow Sacred Land, I think you're just a bunch of birdmen!"

Hearing this.

"Pfft..."

Ning Jianfeng couldn't help but laugh, "Brother Bujie, your description is spot on!

Golden Crows, after all, are three-legged birds, so they really are birdmen!"

Mo Qingkuang and Xiang Kunlun couldn't help but laugh out loud as well.

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, and Xia Ziyang were stupefied.

These were the princes of the Golden Crow Sacred Land, and they dared to mock them like this?

Especially the people from the Southern Barbarian Demon Country, who were scared witless, cold sweat dripping down their foreheads.

“Are you courting death?”

Fen Shaokun was instantly furious, his pupils ignited with gold-red flames, and his body was set ablaze with gold-red flames!

“Elder brother, no need to waste words with these guys, just kill them!”

“To insult the Golden Crow Clan is to seek death!”

Fen Tianyang and Fen Yuluo shouted angrily.

“Elder brother?”

Bujie chuckled and said, “That’s an appropriate name, we call a certain bird Bage in our place too!”

“Bald monk, you’re courting death!!!”

Fen Shaokun was thunderously angry, his eyes widened!

Two flames shot out from his pupils, streaked across the sky, and hurled towards Bujie!

This was one of the innate divine powers of the Golden Crow Clan, “Li Fire Golden Eyes”!

“Holy shit! This birdman’s eyes are shooting fire!”

Bujie exclaimed, swinging the Heavenly Dragon Zen Staff to meet the attack!

Wu Qiansheng, Lu Yunqi, and Xia Chaoyang also launched fierce assaults to block the fire beams!

Rumble!

With a series of explosive booms!

A vast expanse of flames, light, and energy broke out, sweeping across Heaven and Earth in all directions!

Fortunately, Fen Shaokun only had Golden Immortal Middle Stage cultivation, so the power of “Li Fire Golden Eyes” wasn’t that strong, and it was blocked by Wu Qiansheng and the others!

“Heh...”

Fen Shaokun sneered coldly and said, “You are Wu Qiansheng, Lu Yunqi, and Xia Chaoyang from the Da Wu Immortal Country, Da Xia Immortal Country, and Taixuan Sacred Land of Huangzhou, right!

I heard you are the Heavenly Pride of the younger generation in Huangzhou?”

“Heavenly Pride?”

Fen Tianyang laughed mockingly, “They dare to call themselves Heavenly Pride?

In front of our eldest brother, second brother, and third brother, these guys are nothing but wastes!”

Fen Yuluo shook his head and said, “Calling them wastes is even elevating them, I think they’re not even as good as wastes!”

“Damn!”

Bujie roared, “Old Man can’t stand these three birdmen anymore, let’s finish them off!”

With that, Bujie charged directly towards Fen Shaokun wielding the Heavenly Dragon Zen Staff!

“Everyone move!”

“Attack!”

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, Ning Jianfeng, and Xu Ying also shouted angrily, charging at Fen Shaokun and his brothers!

“Let them witness the power of the Golden Crow Clan!”

“Burn them to ashes!”

“Make sure they’ll never be reborn!”

Fen Shaokun, Fen Tianyang, and Fen Yuluo spoke arrogantly, their bodies shaking!

Boom! Boom! Boom!

Three gold-red flames surged from their bodies into the sky, scattering a huge part of the Cloud Sea, terrifying beyond measure!

Yan Juetian reminded, "Three Princes, these people know the whereabouts of the Sunset Divine Bow and the Sun-shooting Divine Arrow!"

We must find out the whereabouts of the Sunset Divine Bow and the Sun-shooting Divine Arrow first, then kill them!"

"Oh..."

Fen Shaokun nodded in realization, looking disdainfully at Wu Qiansheng and the others, speaking loudly, "Tell us the whereabouts of the Sunset Divine Bow and the Sun-shooting Divine Arrow, and we may grant you a complete corpse!"

If not, you'll surely be reduced to ashes!"

Thus, the ones truly aiming to seize the Sunset Divine Bow and the Sun-shooting Divine Arrow were from the Golden Crow Sacred Land.

The Southern Barbarian Demon Country was merely a puppet they supported.

The Sunset Divine Bow and the Sun-shooting Divine Arrow remained a permanent shadow and pain in the heart of the Golden Crow Clan, and they absolutely could not allow them to stay in Da Yi Immortal Country.

"Screw you!"

Bujie roared, continuing to charge at Fen Shaokun!

Wu Qiansheng and the others also charged up!

"Since that's the case, let you taste the pain of the Golden Crow Divine Fire!"

Fen Shaokun shouted coldly, taking a step in the void!

"Heaven and Earth Burning!"

In an instant!

This area of heaven and earth ignited with blazing gold-red flames, transforming into a sea of gold-red fire, surging towards Bujie and the others from all directions!

Fen Tianyang and Fen Yuluo also took a step in the void!

The flames in this space grew fiercer, once again transforming into a sea of fire, surging towards Bujie and the others!

At this moment!

Bujie and the others were completely surrounded by a sea of gold-red fire!

The terrifying flames seemed to be about to burn heaven and earth to ashes, distorting and deforming the vast void, as if it were about to shatter!

“Quickly charge out!”

“The temperature of these flames is too high, defend quickly!”

Wu Qiansheng and the others exclaimed in shock, launching fierce attacks against the surging fire sea from all directions!

Bang! Bang! Bang!

Amidst the fierce attacks by Wu Qiansheng and the others, the surrounding sea of fire was massively destroyed, exploding into vast areas of flames and light!

Although Fen Shaokun, Fen Tianyang, and Fen Yuluo inherited the ancient Golden Crow lineage, possessing powerful innate divine powers and formidable strength!

But the three of them ultimately only had Golden Immortal Middle Stage cultivation!

Hence, Wu Qiansheng and the others joined forces, managing to withstand the burning flames from the three!

Chapter 2707: Chapter 2707: Divine Arrows Shoot the Golden Crow!

"This old man will add some fuel to your fire!"

Wu Chaosheng shouted coldly, stomping down from midair!

Clang!

The sky trembled and the earth shook, resonating in all directions!

Terrifying reddish-gold flames surged from his body, transforming into even more massive seas of fire, rushing towards Bujie and the others!

Although he was from the Golden Crow Sacred Land, he did not possess the ancient Golden Crow bloodline, only having learned the cultivation techniques of the Golden Crow Clan!

However, his cultivation was at the Daluo Golden Immortal Middle Stage; his strength was naturally immensely powerful!

Hence, Wu Qiansheng and the others were unable to break through this sea of fire and could only resist desperately!

Yet, the power of these seas of fire was too great, annihilating all their assaults!

They could only gather layers of defenses to resist, but it was still difficult to withstand!

Boom, boom, boom!

The defensive shields they gathered were continuously shattered, and the terrifying flames began to burn their bodies!

"Aaahhhh..."

Under the flames' burning, Wu Qiansheng and the others screamed in pain, their bodies sustaining large-scale burns.

"Quick, go help them!"

"Hurry up!"

Yi Jiuxiao and Yi Tianhong shouted in alarm, trying to rush over to help.

"You dare to think of rescuing them; it's a pipe dream!"

Yan Juetian sneered coldly, wielding a halberd, charging towards Yi Jiuxiao!

Elder Shi Jingqian from the Golden Crow Sacred Land also moved, assisting Yan Juetian in dealing with Yi Jiuxiao!

The other two elders from the Golden Crow Sacred Land, Fen Wangchen and Xiao Hechuan, assisted the eight Country Protecting Elders from the Southern Barbarian Demon Country in dealing with Yi Tianhong and the other six!

Yi Jiuxiao and Yi Tianhong were held back and couldn't come to Wu Qiansheng and the others' rescue!

Da Yi Immortal Country's armored soldiers launched wave after wave of attacks, attempting to rescue Wu Qiansheng and the others!

"A bunch of ants dare to come and save people; seeking death!"

Fen Shaokun shouted coldly, waving his hand grandly!

Swish, swish, swish!

Another sea of golden-red fire swept across the heavens, surging out!

"Ugh aaaaa..."

The armored soldiers rushing to help were instantly engulfed by the fire sea, letting out painful cries, and were consecutively reduced to ashes!

"We must break out!"

"We absolutely cannot die here!"

Wu Qiansheng and the others roared in anger, constantly mobilizing the energy within their bodies, launching ferocious attacks against the surrounding sea of fire!

"Still struggling, overestimating yourselves!"

Fen Shaokun's gaze was sinister, waving his hand grandly!

"Blazing Sun in the Sky!"

In the blink of an eye!

A gigantic golden-red fireball gathered in the sky, resembling a sun, crashing down towards Wu Qiansheng and the others in the sea of fire!

"Golden Crow Divine Map!"

"Burning Heaven Nine Seals!"

Fen Tianyang and Fen Yuluo also waved their hands grandly!

A golden-red flame divine map and the nine-directional golden-red fire seals converged and expanded, suppressing Bujie and the others!

"Kill!!!"

Bujie and the others roared, howling towards the sky, desperately counterattacking!

Just at that moment!

Boom, boom, boom!

Beams of light surged from Bujie and the others, blasting towards the descending fireball, divine map, and nine seals!

The fireball, divine map, and seals were forcibly destroyed by these beams of light, exploding continuously in the sky!

"Hm?"

Fen Yuluo was taken aback, exclaiming in surprise, "Those wastes actually broke through!"

Thus, in this life-and-death moment!

Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng broke through to the Heavenly Immortal Perfected Stage!

Bujie, Xu Ying, Mo Qingkuang, and Xiang Kunlun broke through to the Late Stage of Heavenly Immortal!

Even Xia Ziyang broke through to the Late Stage of Heavenly Immortal!

Ye Luange and Song Zhixin were only a step away from Golden Immortal, almost triggering the warning of the Golden Immortal Tribulation!

As for Wu Qiansheng, Lu Yunqi, and Xia Chaoyang, they were not far from breaking through!

Fen Shaokun scoffed, "So what if you broke through, still a bunch of Heavenly Immortal wastes!"

"With these wastes, don't think of stirring any trouble!"

Wu Chaosheng sneered mockingly, then summoned a reddish-gold sword, gently waving it!

"Nine Heavens Bright Sun Sword Technique!"

Instantly!

Rumble, rumble, rumble!

Nine reddish-gold flaming giant swords pierced through the sky, stabbing fiercely towards Wu Qiansheng and the others in the fire sea!

The might of these nine flaming giant swords was overwhelmingly fierce, as if to destroy everything!

"Counterattack!!!"

Wu Qiansheng and the others shouted in unison, launching fierce attacks towards the nine flaming giant swords descending from above!

Yet, Wu Qiansheng and the others were not Daluo Golden Immortals, unable to resist the assault of the nine giant swords!

Boom, boom, boom!...

Explosion sounds boomed one after another!

Their attacks were entirely crushed!

They clenched their teeth, once again gathering layers of defenses to resist!

After their breakthroughs, their gathered defenses became stronger!

Yet they still couldn't withstand the crushing of the nine giant swords, continuously being shattered!

"Where are the Sunset Divine Bow and the Sun-shooting Divine Arrow!

Are you going to tell me or not?"

Fen Shaokun asked in a resonant voice.

Wu Qiansheng and the others refused to speak, continuing their desperate resistance.

Fen Shaokun was already furious, shouting harshly, "If you won't tell, then kill them!"

"Yes, Eighth Prince!"

Wu Chaosheng responded, once again channeling the energy within his body into the nine flaming giant swords, stabbing towards Wu Qiansheng and the others!

But just at this critical moment!

Whoosh, whoosh, whoosh!

Three piercing sounds came from the direction of the Imperial City, extremely sharp!

Many present were alarmed, reflexively turning to look towards the Imperial City!

They saw three golden streams of light streaking across the sky, shooting towards the fire sea and the nine flaming giant swords surrounding Wu Qiansheng and the others!

In an instant!

Boom, boom, boom!

The fire sea surrounding Wu Qiansheng was destroyed by those three golden streams of light!

The nine flaming giant swords were also destroyed!

After destroying the fire sea and shattering the nine flaming giant swords, these three golden streams of light continued to shoot towards Fen Shaokun and the other three!

Wu Chaosheng suddenly felt an immense fear, shouting in alarm, "Three Princes, retreat immediately!"

When these three golden streams of light approached!

Wu Chaosheng, Fen Shaokun, Fen Tianyang, and Fen Yuluo finally saw what these streams of light were!

It was surprisingly three golden divine arrows!

Moreover, the targets of these three golden divine arrows were Fen Shaokun, Fen Tianyang, and Fen Yuluo!

"Watch out!!!"

Wu Chaosheng shouted in surprise, directly pouncing toward Fen Yuluo, who was closest to him!

In an instant!

Pfft, pfft, pfft!

Two of the golden divine arrows pierced through Fen Shaokun and Fen Tianyang's chests!

The other golden divine arrow pierced through Wu Chaosheng's arm!

"Ugh..."

Wu Chaosheng let out a cry of pain, forcefully pushing Fen Yuluo aside.

"Aaaahhhh..."

Fen Shaokun and Fen Tianyang let out incredibly tragic screams!

The two golden divine arrows penetrating their chests unleashed horrifying energy, beginning to ravage their internal organs, meridians, and limbs!

Crucially, these two divine arrows not only pierced their physical bodies but also their Essence Souls!

"Who dares?!"

"Get out here for this Crown Prince!"

The two roared angrily, blood gushing from their mouths and chests.

Before the words had fallen!

Bang!

Bang!

Their bodies and Essence Souls simultaneously shattered and exploded...

Chapter 2708: Chapter 2708: Fate!

This moment!

Everyone present was dumbfounded, staring in shock at the scattered flesh and bone fragments that filled the sky!

While everyone was in a daze!

The three golden divine arrows changed direction once more, transforming into three streams of light, flying towards the direction of the Imperial City!

There was a brief silence at the scene, then it erupted in chaos!

"Who is it that actually shot and killed the Golden Crow Eighth Prince and Ninth Prince?!"

"Even Elder Wu was injured by the shot!"

"What on earth are those three arrows, and why is their power so immense?!"

"Who the hell are you? Hurry up and show yourself!"

The people from the Southern Barbarian Demon Country looked towards the direction of the Imperial City, roaring in fury.

Especially Yan Juetian, and the Country Protecting Elders of the Southern Barbarian Demon Country, who were all petrified, trembling uncontrollably.

The Golden Crow Eighth Prince and Ninth Prince actually died in Xuanzhou!

It's over!

Things have escalated completely!

The entire Southern Barbarian Demon Country likely won't be able to escape involvement!

"Ahhhh!"

Yan Juetian roared furiously, "Who the hell is it, show yourself to this emperor!!!"

The Tenth Prince Fen Yuluo, along with the four elders from the Golden Crow Sacred Land, Fen Wangchen, Xiao Hechuan, Shi Jingqian, and Wu Chaosheng, all bore grim faces, grinding their teeth in hatred, bodies trembling!

The people from Da Yi Immortal Country were stunned as well, completely unable to comprehend what had just happened!

Why were Fen Shaokun and Fen Tianyang shot dead in an instant?!

Those like Bujie, who were covered in wounds, also dumbfoundedly looked towards the direction of the Imperial City!

At this moment.

A figure swiftly flew over from the direction of the Imperial City, arriving in the air above the battlefield in an instant!

The man was a young man, wearing a black long robe. His figure was slender and upright, with a handsome appearance and deep eyes, as if they contained the sun, the moon, and the stars.

He held a golden divine bow in his left hand and three golden divine arrows in his right, exuding an unparalleled dominance over the world.

This person was Yang Luo, who had rushed over from the Xianxia Mountain Range.

"Holy shit!"

Bujie exclaimed with delight, "It's Brother Yang!"

“Oh my, was it Brother Yang who shot and killed those two damned Golden Crow Princes?!”

Ning Jianfeng also shouted in amazement.

Qin Zhanhuang muttered blankly, “Heavens, is the power of the Sunset Divine Bow and Sun-shooting Divine Arrows really this immense, capable of instantly killing Golden Immortals?!”

Yi Jiuxiao excitedly asked, “Little Luo, have you already repaired the Sunset Divine Bow and Sun-shooting Divine Arrows?!”

Yi Tianhong and others also excitedly looked towards Yang Luo.

Yang Luo replied, “Uncle Yi, elders, I have already partially repaired the Sunset Divine Bow!

The Broken Cloud Arrow, Sky Splitting Arrow, and Red Spirit Arrow within the Sun-shooting Divine Arrows have also been partially repaired!

Although the power hasn’t been fully unleashed, at least they can be used!”

“Excellent, well done!”

“Little Luo, we are truly grateful to you!”

“I never imagined that the artifact left by our ancestors would actually see the day of repair, splendid, splendid!”

Yi Jiuxiao and Yi Tianhong and others were overjoyed, their eyes turning red, tears welling up.

“Have the ancestor-passed-down Sunset Divine Bow and Sun-shooting Divine Arrows really been repaired?!”

“Of course it’s true, otherwise how could the Golden Crow Eighth Prince and Ninth Prince be instantly killed!”

“Mr. Yang’s weapon-refining skills are so high, too amazing!”

The armored soldiers of Da Yi Immortal Country cheered exuberantly, overjoyed.

Bujie laughed heartily, “Worthy of my Brother Yang, awesome!”

Wu Qiansheng also marveled, “Brother Yang’s weapon-refining skills are so high, he actually repaired the Sunset Divine Bow and the three Sun-shooting Divine Arrows!”

“Brother Yang, you’re incredible!”

Xia Ziyang smiled, waving her hand.

Lu Yunqi and Xia Chaoyang looked at Yang Luo with eyes full of admiration.

For a moment.

The people from the Southern Barbarian Demon Country were in turmoil!

“Damn it! Wasn’t the Sunset Divine Bow and Sun-shooting Divine Arrows severely damaged and unusable, yet this kid actually repaired them?!”

“Who the hell is this kid, he can even repair a Quasi-Emperor Grade Magical Artifact?!”

The armored soldiers from the Southern Barbarian Demon Country looked at Yang Luo with eyes full of anger and fear.

Especially the Golden Crow Tenth Prince Fen Yuluo and the four elders including Fen Wangchen, their expressions were grim, faces twisted.

“Uncle Yi, what on earth happened, why did fighting break out?”

Yang Luo asked Yi Jiuxiao.

Yi Jiuxiao briefly explained the current situation.

Yang Luo finally understood what was going on.

It turns out the Southern Barbarian Demon Country had gone to war with Da Yi Immortal Country.

As for the two guys he shot earlier, they were actually two princes from the Golden Crow Sacred Land.

Is this destiny in the darkness?

At this moment.

Fen Yuluo stared intently at Yang Luo, his face grim, flames burning in his pupils!

He roared furiously, “Kid, you shot my eighth brother and ninth brother, I want your life!”

With that, he summoned a gold-red flaming spear, ready to attack!

“Tenth Prince, that kid holds the Sunset Divine Bow and Sun-shooting Divine Arrows, you are no match for him, let me go kill him!”

Wu Chaosheng shouted, a crimson-golden beam of light rose from his body, piercing straight into the sky.

Bam, bam, bam...

He stepped forward, walking towards Yang Luo step by step, hair and beard flying, his robe fluttering!

His face was fierce, speaking one word at a time, “You little beast, you shot the Eighth Prince and Ninth Prince, I will definitely tear you limb from limb!”

“Is that so?”

Yang Luo slowly raised the Sunset Divine Bow and three Sun-shooting Divine Arrows, speaking forcefully, “You can come and try!”

Wu Chaosheng sneered, “Little beast, if this Sunset Divine Bow and Sun-shooting Divine Arrows were fully repaired, I might fear you!

But the Sunset Divine Bow and Sun-shooting Divine Arrows in your hand aren’t fully repaired, their power is far from reaching Quasi-Emperor Grade!

Even if you have cultivation at the Golden Immortal Middle Stage, and with the assistance of the Sunset Divine Bow and Sun-shooting Divine Arrows, it will still be easy for me to kill you!”

As he charged towards Yang Luo, he unleashed his aura, his strength erupting, spreading a vast oppressive force and presence, pressing down on Yang Luo!

“Watch out, Brother Yang!”

“Be careful, Brother Yang!”

Wu Qiansheng and others shouted in alarm.

“Hurry and help!”

Yi Jiuxiao and Yi Tianhong shouted in surprise, trying to lend a hand.

“Don’t even think of going over!”

“Stop them!”

The three elders from Golden Crow Sacred Land, Fen Wangchen, Xiao Hechuan, and Shi Jingqian, along with Yan Juetian and the Country Protecting elders from the Southern Barbarian Demon Country rushed towards Yi Jiuxiao and the others!

At this moment!

Yang Luo's feet shifted, his body sank, while he lifted the three Sun-shooting Divine Arrows, placing them on the Sunset Divine Bow, pulling the bowstring tight!

“Sunset Divine Bow, Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, please lend me your aid!”

Accompanied by Yang Luo's forceful shout.

Buzz, buzz, buzz!

The Sunset Divine Bow and the three Sun-shooting Divine Arrows trembled violently, bursting with dazzling golden light!

Yang Luo continuously funneled energy from within his body into the Sunset Divine Bow and the three Sun-shooting Divine Arrows!

Buzz, buzz, buzz!

As energy was transferred, the trembling of the Sunset Divine Bow and the three Sun-shooting Divine Arrows intensified!

However, Yang Luo felt that the energy transferred was still insufficient!

He still wasn't confident he could rely on the Sunset Divine Bow and Sun-shooting Divine Arrows to kill Wu Chaosheng!

Chapter 2709: Chapter 2709 Da Yi Heroic Spirit!

“Continue!”

Yang Luo roared, his whole body trembling as his primordial bloodline boiled, and the “Eternal Immortal Body” was instantly activated!

Dragon patterns and mysterious runes appeared on the surface of his body, radiating a dazzling golden light!

The spiritual qi of heaven and earth was absorbed, continually pouring into Yang Luo's body!

And just as the spiritual qi of heaven and earth was fervently surging in!

“Roar!”

Yang Luo roared skyward!

In an instant!

Boom!

A deep rumble sounded from his dantian as a beam of golden light shot up from his body!

A vast sea of clouds was dispersed, and the heavens seemed to be pierced!

“What?!”

Wu Chaosheng’s expression changed drastically, “You little brat, your cultivation has broken through?!”

“Damn!”

Bujie was also surprised, “Brother Yang’s cultivation has broken through?!”

“Doesn’t that mean Brother Yang has now stepped into the Golden Immortal Late Stage?!”

Ning Jianfeng also exclaimed in shock.

Thus, Yang Luo’s cultivation was originally not far from the Golden Immortal Late Stage!

During this time, he hadn’t relaxed in his cultivation, and with the activation of his bloodline and physique, his cultivation speed naturally increased significantly!

So, under the impact of the spiritual qi of heaven and earth, his cultivation finally stepped into the Golden Immortal Late Stage!

The distant Yi Jiuxiao, Yi Tianhong, and others who were fiercely battling were also astonished!

Earlier, Bujie and the others breaking through during the battle had already left them shocked!

But unexpectedly, Yang Luo, just having joined the battle, also broke through in cultivation!

With Yang Luo’s cultivation breakthrough!

The energy within him surged again, continuing to pour into the Sunset Divine Bow and Sun-shooting Divine Arrows!

At this moment!

A golden giant apparition rose from Yang Luo's body!

The giant was robust, with a magnificent physique, long hair flowing, and eyes as if containing the vast universe!

Moreover, this giant also posed as if drawing a bow to shoot arrows, commanding the world, unmatched in supremacy!

This golden giant apparition closely resembled the portrait of Da Yi in the Emperor Yi Hall!

"Is this... could it be the Heroic Spirit of the ancestor?!"

"Is the ancestor's Heroic Spirit protecting Little Luo?!"

"Ancestor... it truly is our ancestor!"

Yi Jiuxiao, Yi Tianhong, and others in the fierce battle all had eyes reddened, with hot tears streaming down.

Though just an apparition, it made them feel as if the ancestor had returned.

The armored soldiers of Da Yi Immortal Country also let tears flow, chokingly speaking.

"Is this Senior Da Yi?!"

"It indeed captures ten thousand miles like a tiger, so domineering!"

"Truly worthy of an ancient mighty figure, even with just a remnant will and apparition, the dominance remains!"

Bujie, Ning Jianfeng, and Wu Qiansheng were all deeply shocked.

Especially the Golden Crow Tenth Prince Fen Yuluo and Elder Fen Wangchen, who felt a deep fear rising from the depths of their souls!

After all, both of them had ancient Golden Crow bloodline flowing within!

And the fear Da Yi induced on the Golden Crow Clan had long been etched in their bloodline!

Of course, the most shocked was Yang Luo!

Unexpectedly, Senior Da Yi's apparition appeared!

Could it be because the Sunset Divine Bow and Sun-shooting Divine Arrows had been partially restored, leading to this occurrence?

He glanced at Da Yi's apparition, his eyes filled with reverence!

"You little brat, even if your cultivation has broken through, so what!

I can still kill you!"

Wu Chaosheng suppressed the fear in his heart, shouting loudly, and directly wielded his sword!

"Nine Heavens Bright Sun Sword Technique!"

Swish!

A massive crimson-gold flaming giant sword cleaved through the Cloud Sea, disturbing the void, and viciously slashed at Yang Luo!

Furthermore, nine crimson-gold fireballs flew out simultaneously, continuously expanding as if nine suns, pressing towards Yang Luo!

"Kill!!!!"

Yang Luo let out a formidable roar, directly shooting out three Sunset Divine Arrows!

Whoosh whoosh whoosh!

The Sky Splitting Arrow, Broken Cloud Arrow, and Red Spirit Arrow transformed into three streaks of light, explosively shooting out, as if tearing the void apart, violently trembling!

In a flash!

Bang bang bang!

In an instant, the three Sun-shooting Divine Arrows shattered the nine incoming crimson-gold fireballs and the oncoming crimson-gold giant sword!

"What?!"

Wu Chaosheng's face changed drastically, a flash of fear appearing in his eyes!

Without any hesitation, he directly threw his sword!

Whoosh!

The crimson-gold Immortal Sword violently vibrated, shooting out like a streak of crimson-gold lightning, colliding with the three Sun-shooting Divine Arrows!

Clang clang clang!

A crisp collision sounded, exploding with massive flames and energy!

In a matter of seconds!

Crack crack crack!

This crimson-gold Immortal Sword was directly shattered, turning into a heap of scrap metal, scattering out!

“How is this possible?!”

Wu Chaosheng exclaimed in shock.

His sword was a Spiritual Weapon, even if just Basic Level, it shouldn't be so easily destroyed!

The three Sun-shooting Divine Arrows, after shattering the Immortal Sword, continued shooting towards Wu Chaosheng!

“No way!!!”

Wu Chaosheng roared and howled, his whole body shuddering, condensing a solid and heavy crimson-gold flame shield, covering himself!

Though this flame shield's defense was indeed strong, the three Sun-shooting Divine Arrows seemed invincible, directly shattering it!

“Nooo!!!”

Wu Chaosheng's pupils widened to the extreme, eyes filled with utmost terror!

In a breath!

Puff puff puff!

The three Sun-shooting Divine Arrows directly pierced through Wu Chaosheng's body!

His brow was pierced by the Broken Cloud Arrow!

His chest was pierced by the Sky Splitting Arrow!

His abdomen was pierced by the Red Spirit Arrow!

“Aaaaaah!!!”

Wu Chaosheng let out a final, hysterical scream.

Bang!

Accompanied by a tremendous explosion sound.

Wu Chaosheng’s body was pierced through by the three Sun-shooting Divine Arrows!

His forehead was pierced by the Broken Cloud Arrow!

His chest bled from the Sky Splitting Arrow!

His abdomen bled from the Red Spirit Arrow!

His last scream resonated, hysterical.

Bang!

Wu Chaosheng’s body exploded into a terrifying sight, scattering in all directions!

The three Sun-shooting Divine Arrows then swiftly turned back and flew into Yang Luo’s hand!

“Whew...”

Yang Luo exhaled deeply, sweat trickling down his forehead, having expended quite some qi.

The energy consumption was tremendous using the Sunset Divine Bow and Sun-shooting Divine Arrows.

Moreover, if not for his breakthrough in cultivation, it really wouldn’t have been easy for him to shoot Wu Chaosheng to death.

Of course, the fact that Wu Chaosheng was unaware of the power of the Sunset Divine Bow and Sun-shooting Divine Arrows also helped him succeed.

Yang Luo now had some confidence.

It seems, with his current cultivation and power, he can only kill elders at the Daluo Golden Immortal Early Stage!

If he wants to kill elders above the Daluo Golden Immortal Early Stage, he would have to catch them off guard!

If his cultivation and strength continue to improve, and the Sunset Divine Bow and Sun-shooting Divine Arrows get fully restored, he could defeat even stronger enemies!

Chapter 2710: Chapter 2710: The Little Tower Goes Berserk!

Seeing Wu Chaosheng being shot dead!

Everyone present was dumbfounded, as if struck by lightning!

"How could this happen... Elder Wu was actually shot dead?!"

"Elder Wu's cultivation was at the Daluo Golden Immortal Middle Stage, how could he die at the hands of a mere Golden Immortal Late Stage youngster?!"

"Is the power of the Sunset Divine Bow and Sun-shooting Divine Arrows really this great, that it can exert such destructive capacity in the hands of a Golden Immortal?!"

"You know, the Sunset Divine Bow and Sun-shooting Divine Arrows haven't been fully repaired yet, but they already have such immense destructive power, it's terrifying!"

The people of the Southern Barbarian Demon Country were all terribly frightened, trembling all over, and looked at Yang Luo with horror in their eyes.

"Hahaha, Little Luo, well done!"

"Even though our Da Yi Immortal Country is now weakened, and even though our Ancestor Artifact hasn't been fully repaired, it is still incredibly powerful!"

Yi Jiuxiao, Yi Tianhong, and others, although severely injured, were delighted and laughed out loud.

"Brother Yang, you're amazing!"

"Brother Yang, you're really strong!"

"With the assistance of the Sunset Divine Bow and Sun-shooting Divine Arrows, Brother Yang was able to shoot and kill a Daluo Golden Immortal, so formidable!"

Bujie and others also cheered with raised arms.

"Long live Mr. Yang!"

The armored soldiers of the Da Yi Immortal Country were also shouting excitedly, with morale greatly boosted.

"Kill this kid, kill him!!!"

The Golden Crow Tenth Prince, Fen Yuluo, roared in anger, giving orders to the armored soldiers of the Southern Barbarian Demon Country.

Seeing the armored soldiers of the Southern Barbarian Demon Country not daring to move!

Fen Yuluo harshly commanded, "All of you attack, if anyone dares to flee in battle, kill without mercy!!!"

"Kill!"

"Kill!"

The armored soldiers of the Southern Barbarian Demon Country had no choice but to steel themselves and suppress their fear as they charged towards Yang Luo!

"Do you all seek death too? Then I'll fulfill your wish!"

Yang Luo swept a cold gaze, once again drawing his bow and pulling arrows, infusing the energy in his body into the Sunset Divine Bow and the three Sun-shooting Divine Arrows, shooting them out explosively!

However, against these guys, Yang Luo did not infuse too much energy!

But even so, the destructive power, penetrative power, and devastating power unleashed by these three Sun-shooting Divine Arrows were still terrifying to the extreme!

Whoosh whoosh whoosh!

The three Sun-shooting Divine Arrows sped forth like electricity, like light, like meteors streaking across the sky!

Thud thud thud!

The three Sun-shooting Divine Arrows pierced through the bodies of the charging armored soldiers like skewered candied haws!

"Ahhhhhhhhh..."

Painful screams echoed incessantly.

Bang bang bang!

Any armored soldier who was hit exploded into clouds of blood mist, dying tragically on the spot!

After shooting down thousands of armored soldiers!

The three Sun-shooting Divine Arrows flew back again, and Yang Luo put away the Sunset Divine Bow and Sun-shooting Divine Arrows!

Keeping using the Sunset Divine Bow and Sun-shooting Divine Arrows consumed too much energy!

He planned to take the opportunity later to hand the Sunset Divine Bow and Sun-shooting Divine Arrows over to Yi Jiuxiao and Yi Tianhong!

In the hands of Yi Jiuxiao and Yi Tianhong, the Sunset Divine Bow and Sun-shooting Divine Arrows might unleash even more terrifying power!

After putting away the Sunset Divine Bow and Sun-shooting Divine Arrows!

"Dragon Emperor Sword!"

Clang!

Accompanied by the sound of a sword ringing!

The Dragon Emperor Sword flew directly from his storage ring, being firmly grasped by him!

However, just as the Dragon Emperor Sword flew out!

The Immortal Suppression Pagoda also flew out along with it!

"Hahaha, finally, a battle can begin!"

My Immortal Suppression Pagoda is back!"

The Immortal Suppression Pagoda was very excited, laughing out loud.

As it spoke, the Immortal Suppression Pagoda soared out directly, rapidly expanding, with dazzling, eye-catching purple-gold immortal light flashing on its tower body!

The immortal light was blazing, illuminating the entire world in all directions!

"All of you, die for the Tower Master!"

The Immortal Suppression Pagoda coldly shouted, shooting nine beams of purple-gold light from the nine levels of its tower body!

The nine beams of purple-gold light streaked through the sky, shooting down the charging armored soldiers!

In the following time!

The Immortal Suppression Pagoda was simply like it was on steroids, constantly releasing immortal light, constantly advancing to suppress and kill!

Large numbers of armored soldiers were shot and killed, crushed into minced meat, and died miserably on the spot!

Yang Luo was directly dumbfounded, unable to help but laugh, wondering how the Immortal Suppression Pagoda could be such a battle maniac, such a jokester like Bujie?

Is this really the Dharma artifact he cultivated? How did its personality go astray?

"Holy shit!"

Bujie also exclaimed in surprise, "This stupid tower is on a killing spree!"

Ning Jianfeng, Xu Ying, and others were also dumbfounded, just watching the Immortal Suppression Pagoda sweep the entire battlefield.

"What on earth is with this tower, why is it so formidable?!"

"This tower seems to be an Intermediate Spiritual Artifact, it's quite powerful, everyone be careful!"

"Quickly, counterattack, counterattack!"

The commanders and armored soldiers of the Southern Barbarian Demon Country shouted loudly, launching a fierce attack on the Immortal Suppression Pagoda!

The Immortal Suppression Pagoda, however, remained unmoved, appearing almost insane, colliding fiercely with the attacks launched by those commanders and armored soldiers!

Even if it was sent flying, it quickly stabilized itself and charged again!

At this moment.

Yi Jiuxiao and others, as well as Yan Juetian and others, who were battling fiercely in the distance, were all dumbfounded, clearly having not expected an Intermediate Spiritual Artifact to be so wild and ferocious.

"Mere Intermediate Spiritual Artifact, don't be presumptuous!"

The Golden Crow Tenth Prince, Fen Yuluo, coldly ordered, immediately waving his hand!

"Golden Crow Fire Wheel!"

In an instant!

A golden-red fire wheel flew out from the storage ring he was wearing, continuously expanding as it charged towards the Immortal Suppression Pagoda!

The Golden Crow Fire Wheel he sacrificed was indeed a High-Level Spiritual Artifact, a gift from the Holy Master of the Golden Crow Sacred Land, who was also his father!

The Golden Crow Fire Wheel rumbled over, erupting with blazing golden-red flames, transforming into a sea of fire that surged forth!

Even though the Immortal Suppression Pagoda knew the Golden Crow Fire Wheel was a higher level than it, it was not afraid at all, the tower body suddenly bursting with dazzling, eye-catching purple-gold immortal light, charging forward!

Bang rumble!

Crash boom!

The vast flames and energy exploded out like raging sea violent waves, rushing in all directions!

Even though the Immortal Suppression Pagoda knew the Golden Crow Fire Wheel was of a higher grade, it did not fear it at all, charging forward as if possessed, meeting the oncoming attacks from those commanders fearlessly!

When this happens.

In the distance, Yi Jiuxiao, who was fiercely fighting, Ning Jianfeng, Xu Ying, and others, were all stunned, just watching as the Immortal Suppression Pagoda swept across the battlefield.

"Such trifling as an Intermediate Spiritual Artifact, dare to be arrogant!"

The Golden Crow Tenth Prince, Fen Yuluo, spoke coldly, also charging up violently!

Bang!

The Immortal Suppression Pagoda and the Golden Crow Fire Wheel collided simultaneously, unleashing a world-shaking explosion!

The explosions rocked the vast heavens and earth, causing them to tremble and quake!

With blazing flames and immortal light bursting forth, surging in all directions!

"Damn, it's got some power after all!

Stupid wheel, come again!"

The Immortal Suppression Pagoda shouted, its tower body once again blossoming with blindingly dazzling immortal light, charging at the Golden Crow Fire Wheel!

"You dare try again? Watch me crush you to pieces!"

The Golden Crow Fire Wheel replied arrogantly, also charging forward fiercely!
