## **Chapter 2711: Chapter 2711: One More of You Makes No Difference!**

Seeing this, Yang Luo waved his large hand decisively!

“Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, Dragon Soul Tao Seal!”

Five Dharma artifacts flew out of the storage ring, continuously expanding and enlarging, crashing towards the Golden Crow Fire Wheel!

After all, the Immortal Suppression Pagoda had just been repaired and upgraded to an intermediate Spirit Grade magical artifact, so its power naturally couldn't match the high-level Spirit Grade Golden Crow Fire Wheel!

The Immortal Suppression Pagoda being able to withstand a few rounds with the Golden Crow Fire Wheel was already quite impressive!

To prevent further damage to the Immortal Suppression Pagoda, he summoned the Ten Thousand Dragon Cauldron and five Dharma artifacts!

One after another, vast and majestic dragon might and dragon qi spread out, sweeping across Heaven and Earth!

“Roar roar roar!”

Tens of thousands of Holy Dragon illusions roared out, crashing towards the Golden Crow Fire Wheel!

Countless dragon talismans flew out from the five Dharma artifacts of the Ten Thousand Dragon Cauldron, pressing towards the Golden Crow Fire Wheel like a storm!

“They're just five Dharma artifacts without Artifact Spirits, can they really be opponents to my Golden Crow Fire Wheel? Ridiculous!”

The Golden Crow Fire Wheel scoffed and shook its entire body immediately!

Waves of gold-red flames surged out, transforming into a Fire Sea, rushing forward!

In an instant!

Dong long long!

Hong long long!

The earth-shattering collision and explosion sounds echoed continuously, shaking Heaven and Earth in all directions!

Countless Holy Dragon illusions and runes burst and exploded in succession!

The purple-gold immortal light shot out by the Immortal Suppression Pagoda was also destroyed completely!

However, that rushing Fire Sea was also destroyed, turning into widespread flames, spreading out!

After destroying the Fire Sea!

The Immortal Suppression Pagoda and the five Dharma artifacts of the Ten Thousand Dragon Cauldron directly crashed towards the Golden Crow Fire Wheel!

“How is it possible?!”

The Golden Crow Fire Wheel was greatly shocked, obviously not expecting the five Dharma artifacts of the Ten Thousand Dragon Cauldron to unleash such formidable power.

These five Dharma artifacts don't have Artifact Spirits, so why are they so terrifying?

The Golden Crow Fire Wheel was not willing to show weakness and charged towards the Immortal Suppression Pagoda and the five Dharma artifacts of the Ten Thousand Dragon Cauldron!

Kong long long!

The several Dharma artifacts collided fiercely in the sky, erupting with earth-shattering collision sounds!

Brilliant light and majestic energy spread from the collision point, sweeping in all directions!

In this collision!

The Golden Crow Fire Wheel was directly smashed into cracks, let out a miserable cry, and was knocked away!

On its way flying back!

The Golden Crow Fire Wheel was immediately returned to its original form!

Fen Yuluo hurriedly retrieved the Golden Crow Fire Wheel, looking at the five Dharma artifacts of the Ten Thousand Dragon Cauldron with a face full of astonishment!

He also didn't sense any Artifact Spirit from the five Dharma artifacts of the Ten Thousand Dragon Cauldron!

But if there are no Artifact Spirits, why did these five Dharma artifacts team up with that tower to severely damage his Golden Crow Fire Wheel?

Just as Fen Yuluo was in a daze!

Yang Luo wielded the Dragon Emperor Sword and directly attacked Fen Yuluo!

Seeing Yang Luo coming to kill him!

Fen Yuluo continuously mobilized the energy in his body, then waved his large hand!

"Golden Crow Burning World Technique!"

"Heaven and Earth Burning!"

Hua la la!

A sea of gold-red fire swept across Heaven and Earth, burning everything between Heaven and Earth, rushing towards Yang Luo!

The Immortal Suppression Pagoda and the five Dharma artifacts of the Ten Thousand Dragon Cauldron charged forward aggressively, destroying the rushing flames in large swathes!

Fen Yuluo was terrified in his heart, his eyes filled with intense fear, and once again launched a killer move!

"Golden Crow Divine Map!"

"Burning Heaven Nine Seals!"

In the blink of an eye!

A gold-red Flame Divine Map condensed, with a Golden Crow Totem engraved in its center, suppressing towards Yang Luo!

As the Golden Crow Divine Map suppressed, countless gold-red three-legged Golden Crow illusions flew out, attacking ferociously!

Moreover, nine-direction gold-red flame seals condensed and suppressed!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed heavily towards the Golden Crow Divine Map, Golden Crow illusions, and nine-direction gold-red seals!

“Slash!”

Swish!

The gigantic golden sword, as huge as a mountain, cleaved through the Cloud Sea, stirring wind and clouds, striking heavily!

Hong long long!

The incoming Golden Crow Divine Map and nine-direction seals, and the besieging Golden Crow illusions, were all annihilated by this sword!

After wiping out Fen Yuluo’s layers of killer moves with this sword, it directly slashed towards him personally!

Fen Yuluo’s face changed dramatically with fear, he hurriedly retreated, but he was still half a beat too slow!

“Ah...”

He let out a miserable cry, was knocked flying out, with long bloody gashes slashed open on his chest, flesh turned outwards, deep to the bone!

A large amount of blood splattered in mid-air, shocking to behold!

If it wasn’t for the “Golden Feather Battle Armor”, a basic level Spirit Grade magical artifact he wore, that sword from Yang Luo just now would have split him into two!

Moreover, the Golden Feather Battle Armor he was wearing was also split open, one more sword, and his Golden Feather Battle Armor would be entirely destroyed!

“Come help me quickly! Kill this brat, kill him!”

Fen Yuluo shouted loudly, hurriedly asking for help.

He had personally witnessed Yang Luo slaying his two brothers!

Towards Yang Luo, he hated to the extreme, and feared to the extreme!

“Quick, help the Tenth Prince!”

The several Commanders-in-Chief of the Southern Barbarian Demon Country led thousands of armored soldiers to besiege Yang Luo!

“Brothers, let’s go!”

“That Golden Crow Tenth Prince is left to Brother Yang, let’s deal with the others!”

“Alright, let’s take these guys down!”

Bujie, Wu Qiansheng, and others roared, enduring the pain on their bodies, charging towards those Commanders-in-Chief and armored soldiers of the Southern Barbarian Demon Country!

“You’re the prince of the Golden Crow Clan, right? Give me your life!”

Yang Luo shouted loudly, holding the Dragon Emperor Sword, continued to attack Fen Yuluo!

Fen Yuluo kept retreating rapidly while yelling, “Brat, I am the Golden Crow Tenth Prince, if you dare kill me, my Golden Crow Sacred Land will not let you off!

Once the people of my Golden Crow Sacred Land know, they’ll hunt you down so you have no way to Heaven, no door to Earth!”

“Shut up, old man!”

Yang Luo’s eyes were cold, “You’re speaking as if you wouldn’t let me off if I don’t kill you!

Anyway, I’ve already killed your two brothers and one of your elders; one more won’t matter!”

“You...”

Fen Yuluo’s pupils constricted sharply, clearly not expecting Yang Luo to be unafraid of their Golden Crow Sacred Land.

Ordinary people, if they had offended their Golden Crow Sacred Land, would first think of how to beg their Golden Crow Sacred Land for mercy.

Not like this madman, who, knowing his background, still dared to kill him!

Yang Luo charged forward again, swinging another sword at Fen Yuluo!

Swish!

The golden sword once more carved through Changkong, unleashing fearsome sword might and majestic sword intent, slashing fiercely at Fen Yuluo!

At this moment!

Elder Shi Jingqian of the Golden Crow Sacred Land, who had originally been assisting Yan Juetian in confronting Yi Jiuxiao, broke away from that battlefield and charged over rapidly!

He swung a blue-gold long whip in his hand, striking fiercely towards the sword Yang Luo had swung!

Swish!

The blue-gold giant whip swept across Changkong, unleashing brilliant blue-gold flames like a fiery pillar of the heavens, crashing towards the golden sword!

Cheng lang lang!

The giant sword and giant whip collided fiercely, exploding with an earth-shattering sound!

In this intense collision!

The golden sword was directly shattered!

Yang Luo was also knocked back, his skin cracked open, bursting with a lot of blood!

No way, he was ultimately just a Golden Immortal Late Stage, naturally not Shi Jingqian's opponent!

After all, Shi Jingqian's cultivation was Daluo Golden Immortal Late Stage!

*Chapter 2712: Chapter 2712: Bringing About One's Own Destruction!*

After knocking Yang Luo away!

Shi Jingqian shouted at Fen Yuluo, "Tenth Prince, quickly leave here, return to the Golden Crow Sacred Land and inform the Holy Master of what happened here!"

The Eighth and Ninth Princes have already died here!

If the Tenth Prince also dies here, the Holy Master will definitely be furious!

"Alright!"

Though unwilling, Fen Yuluo readily agreed.

He shouted fiercely at Yang Luo, "Kid, just you wait!"

Then, he turned and flew off into the distance.

"Stop right there!"

Yang Luo shouted loudly and was about to chase Fen Yuluo.

"Don't even think about it!"

Shi Jingqian coldly shouted, immediately swinging the long whip in his hand!

"Burning Heaven Pillar!"

In an instant!

Nine massive blue-gold fire pillars broke through the sky, suppressing toward Yang Luo!

Shocked in his heart, Yang Luo immediately unleashed multiple deadly moves to counter!

"Beast Blood Boiling!"

"Nine Emperor Dragon Seal!"

"Chaos Slaughter Array Map!"

Instantly!

"Roar roar roar!"

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts let out a series of roars, clashing head-on with the descending nine blue-gold fire pillars!

The Primordial Dragon Seal, Chaos Dragon Seal, Primordial Dragon Seal, Starry Sky Dragon Seal, and Primordial Dragon Seal flew out together, continuously expanding and colliding upward!

A diagram engraved with a golden dragon head also constantly expanded and collided upward!

Rumble rumble!

Boom boom!

The sounds of crashing and explosions were as majestic as heavenly lightning, resounding endlessly!

Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, Five Directions Dragon Seal, and the array diagram shattered and exploded one after another!

They couldn't stop them at all!

The Immortal Suppression Pagoda and Ten Thousand Dragon Cauldron, five Dharma artifacts, also collided upward but were knocked away one after another!

Shi Jingqian sneered cruelly, "Little beast, you relied entirely on the Sunset Divine Bow and Sun-shooting Divine Arrow to kill Brother Wu.

Without this set of artifacts, how strong could your combat power be?"

With that, he waved his large hand, continuing to channel more energy into the nine fire pillars!

The nine fire pillars grew larger, burning with terrifying flames, suppressing toward Yang Luo!

With a shock throughout his body, Yang Luo directly activated the "Flame Emperor Combat Body," "Invincible Sword Body," "Divine Dragon Tyrant Body," and other multiple physique secret techniques!

He then swung the sword in his hand, slashing fiercely toward the descending nine fire pillars!

But, even with the multiple physique secret techniques activated, it was still difficult to withstand!

"Ugh..."

Yang Luo let out a painful cry, as the multiplied physique secret techniques condensed on his body were crushed, and his body fell, crashing onto the ground with a "boom"!

Shi Jingqian squinted and said, "You little beast, you have cultivated quite a few cultivation techniques, but unfortunately, your cultivation is too weak!

To dare to kill the princes and elders of the Golden Crow Sacred Land, you're simply courting death!"

His expression turned cold, and he stepped down from the air!

Ten fire pillars continued to suppress toward Yang Luo on the ground!

"Don't even think about killing Brother Yang!"

The Immortal Suppression Pagoda roared, frantically crashing toward the nine fire pillars!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal all soared skyward, colliding with the nine fire pillars!

"Heh..."

Shi Jingqian chuckled, saying, "It's quite protective, isn't it? Once I kill this kid, you'll all be mine!"

He waved his large sleeve!

Apart from the nine fire pillars, waves of blue-gold fire waterfalls poured down, washing over the Immortal Suppression Pagoda and Ten Thousand Dragon Cauldron, the five Dharma artifacts!

Clang clang clang!

The Immortal Suppression Pagoda and Ten Thousand Dragon Cauldron, the five Dharma artifacts, were knocked away simultaneously!

At this moment!

Wu Qiansheng, Lu Yunqi, and Xia Chaoyang rushed over from afar, fiercely attacking the descending nine fire pillars and the flooding fire waterfalls!

Waves of attacks surged out, colliding violently with the nine fire pillars and waves of fire waterfalls!

Boom boom boom!

Accompanied by bursts of explosions!

The attacks launched by Wu Qiansheng, Lu Yunqi, and Xia Chaoyang were all destroyed!

"Ahhh..."

The three of them also couldn't withstand it, spewing blood from their mouths, their bodies splattered with blood, falling to the ground!

"Brother Wu, Brother Lu, Brother Xia!"

Yang Luo cried out in alarm.

"Don't worry, Brother Yang, we're fine!"

Gritting their teeth, Wu Qiansheng and the other two stood up, looking up at the sky.

Due to Shi Jingqian's obstruction, the Golden Crow Tenth Prince Fen Yuluo had already vanished without a trace.

Shi Jingqian looked down upon Yang Luo and the others, sneering, "You four little beasts are just Golden Immortals, yet you dare to challenge this old man? I really don't know where your confidence comes from!"

Before his voice fell!

He swung the long whip in his hand fiercely once more!

The nine massive fire pillars continued to descend!

Waves of fire waterfalls also poured down like heavenly fire!

"Counterattack!"

Wu Qiansheng shouted, launching a fierce attack toward the sky!

"Nine Yang Dominator Fist!"

He clenched his fists, constantly channeling the energy within his body, unleashing a storm of punches toward the sky!

Countless flaming giant fists crashed upward, like fiery meteors smashing into the sky!

"Bright Moon and Star Palm!"

Lu Yunqi formed palms with hands, slapping upward one after another!

Purple-gold palms surrounded by bright moon and stars crashed upward heavily!

"Da Xia Dragon Spear!"

Wielding a spear, Xia Chaoyang swept continuously toward the sky!

Platinum spear shadows swept across the sky, white and platinum giant dragon illusions roaring upward!

However, even with the ferocity of Wu Qiansheng and the others' attacks, they still couldn't withstand the suppression of the nine fire pillars and the impact of the fire waterfalls!

Yang Luo continuously channeled the energy within himself, letting out a roar!

"Great Dao Dragon Diagram!"

In an instant!

A Golden Dragon Totem coalesced in the sky, continuously expanding and releasing vast dragon might and dragon qi!

The next second!

"Roar roar roar!"

Two hundred thousand dragon illusions roared out from the Great Dao Dragon Diagram, colliding upward!

Under the impact of the two hundred thousand dragon illusions!

Four fire pillars and several fire waterfalls were shattered, exploding into massive flames, splattering in the sky!

"Little beast, your cultivation technique is quite interesting, but unfortunately, its power is too small!"

Shi Jingqian squinted his eyes with a smile, then waved his large hand again, unleashing another deadly move!

"Nine Suns Heavenly Fire!"

In the blink of an eye!

Nine blue-gold fireballs gathered in the sky, continuously expanding, like nine blue-gold suns, crashing downward!

Boom boom boom!

Two hundred thousand dragon illusions were continuously crushed, exploding into a cascade of energy light rain!

Yang Luo, witnessing this, wore a cold expression!

Now the situation in the Da Yi Immortal Country is perilous; I can only seek help from the Divine Dragon Clan!

I don't know if, over such a distance, I can summon the Divine Dragon Clan!

After all, I'm now in Xuanzhou, while the Divine Dragon Clan is in Huangzhou!

With a thought!

Yang Luo directly activated the mental imprint left in his divine sense, roaring out!

"Again!"

In a flash!

"Roar roar roar!"

Another round of resounding dragon roars emanated from the Golden Dragon Totem!

"Again?"

Shi Jingqian sarcastically smiled, "Even if you summon more dragon illusions, what use would it be?"

You're just making a futile struggle..."

But in the next second!

His voice stopped abruptly!

One hundred true dragons flew out from the Golden Dragon Totem...

*Chapter 2713: Chapter 2713: Reinforcements from the Heavens!*

"Roar! Roar! Roar!"

Accompanied by a mighty dragon roar that echoed through the Heaven and Earth.

Over a hundred True Dragons roared out from the Golden Dragon Totem, soaring through the sky!

Among these hundred dragons were black flood dragons, Inferior Divine Dragons, Medium Divine Dragons, and high-level Divine Dragons!

Some were tens of meters long, some hundreds, and some over a thousand meters long, no longer mere dragon illusions, but true, solid dragons!

Especially the seven leading dragons, each over a thousand meters long, their scales shimmering with different hues, more majestic and domineering!

Rumble!

Under the impact of these hundred-plus True Dragons!

The multiple onslaughts launched by Shi Jingqian were all shattered and exploded into bursts of energy light!

He himself was also sent flying!

At this moment!

Everyone present was alarmed, turning their heads to look this way!

Upon witnessing the scene before them, everyone was dumbfounded, utterly shocked, all left in a daze!

"Oh my God, what's happening? Why have so many True Dragons suddenly appeared?!"

"Aren't these the dragons of the Huangzhou Divine Dragon Clan? How could they appear here?!"

"It seems these dragons flew out from that Golden Dragon Totem, and that totem seems to be a technique used by that boy!"

"Oh my, what on earth is this boy's technique that can summon True Dragons?!"

The people from the Southern Barbarian Demon Country exclaimed in confusion, completely clueless about the current situation.

"Mr. Yang has actually summoned the True Dragons of the Divine Dragon Clan?!"

"Oh my gosh, Mr. Yang is so powerful, he can even accomplish something like this?!"

"Mr. Yang is definitely not an ordinary person; he has so many trump cards!"

The people from Da Yi Immortal Country were also stunned, their eyes filled with astonishment and admiration for Yang Luo.

"Brother Xu, Brother Bujie... what is going on?!"

Wu Qiansheng hurriedly asked Xu Ying and others.

"Did Brother Yang really summon these dragons?!"

Lu Yunqi also asked.

Xia Chaoyang and Xia Ziyang also looked towards Bujie and others.

After all, the situation before them was beyond belief, defying comprehension.

Bujie chuckled and said, "How to explain this to you... let's put it this way!

Brother Yang has mastered a powerful cultivation technique; as long as he can establish a connection with the Dragon Clan and obtain a mental imprint from them, he can summon dragons from afar to assist him!"

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, and Xia Ziyang nodded, half understanding, half confused.

At this moment.

All eyes were gathered.

More than a hundred dragons hovered in the sky, lowering their heads towards Yang Luo.

"Greetings, Young Master Yang!"

More than a hundred dragons shouted in unison, their voices overwhelming, resonating far and wide.

Hearing more than a hundred dragons addressing Yang Luo.

Apart from Bujie and others, everyone else was even more shocked and puzzled.

Young Master Yang?!

These dragons from the Divine Dragon Clan actually called Yang Luo "Young Master Yang"?!

Who exactly is this Yang Luo?

Under everyone's watchful eyes.

The seven leading high-level Divine Dragons transformed from dragon form to human form.

They were the seven Law Enforcers of the Divine Dragon Clan: Ao Yan, Ao Kun, Ao Hui, Ao Yu, Ao Zhan, Ao Zhong, Ao Xuan.

The cultivation of the seven ranged from Golden Immortal Early Stage to Golden Immortal Perfected Stage.

The seven differed in build and appearance, with two dragon horns on their heads, exuding authority.

Yang Luo cupped his hands and said, "Thank you all for coming to help!"

Ao Yan waved his hand with a smile, "Young Master Yang, since you summoned us, of course we would come!"

Ao Kun glanced around and said with suspicion, "Young Master Yang, aren't those Da Yi Immortal Country and Southern Barbarian Demon Country people?"

No, even some folks from the Golden Crow Sacred Land are here!

What's the situation now?!"

Yang Luo briefly explained the current situation and then said, "Everyone, Uncle Yi and the others from Da Yi Immortal Country are my friends, I hope you can assist!"

Ao Yan replied, "Originally, we didn't want to get involved in the disputes of human elders, but since it's a request from Young Master Yang, we will naturally help!"

"Thank you very much!"

Yang Luo expressed his gratitude.

Yi Jiuxiao also proclaimed loudly, "Thank you to everyone from the Divine Dragon Clan for coming to help, we are immensely grateful!"

Ao Yan, Ao Kun, and others nodded towards Yi Jiuxiao.

At this time.

Yan Juetian awoke suddenly.

He looked towards Ao Yan and others, addressing them solemnly, "This is a conflict between our Southern Barbarian Demon Country and Da Yi Immortal Country!"

It may not be appropriate for the Huangzhou Divine Dragon Clan to interfere!"

Ao Yan responded forcefully, "I don't care about that, we only take orders from Young Master Yang!"

Shi Jingqian declared harshly, "I advise you to get lost immediately, otherwise we will definitely slaughter you, then flay your skins, extract your tendons, dismember your bones and flesh!"

Even though your flesh and blood do not match up to the Ancestor Dragons of the Ancestor Dragon Sacred Land, they are still excellent materials for alchemy and weapon refining!"

"If we can slay these dragons and obtain their flesh and bones, it would be excellent!"

"The flesh of these dragons is highly nourishing and helps greatly in enhancing our cultivation!"

"Hahaha..."

The armored soldiers from the Southern Barbarian Demon Country laughed viciously.

"Courting death!"

"Bastards!"

"Come try if you dare!"

The seven Law Enforcers, Ao Yan and others, were truly infuriated and shouted, their auras and battle power unleashed, sending beams of light soaring!

"Roar! Roar! Roar!"

The other black flood dragons and Divine Dragons were also raging, unleashing their auras and battle power, letting out fierce roars!

Yang Luo was also provoked!

The Dragon Clan is really in a sorry state now, everyone wants to take their flesh and blood!

He raised his sword and shouted, "Everyone, follow me, charge!"

"Charge!!"

Ao Yan and the others, along with all the black flood dragons and Divine Dragons, roared in unison, charging forth!

Boom! Boom! Boom!

The armored soldiers from the Southern Barbarian Demon Country were all sent flying, some even reduced to pools of flesh and bone shards!

The massive ancient boats and war chariots floating in the sky were shattered to pieces!

The black flood dragons and Divine Dragons, during their charge, swung Dragon Claws and opened their bloodthirsty mouths, tearing those soldiers into shreds, crushing them into fragments!

They also displayed Dragon Clan Divine Power!

Whoosh! Whoosh! Whoosh!

Fierce winds roared, lightning flashed, storms rose, rocks and sand swirled, lightning struck, flames burned, ice surged!

Southern Barbarian Demon Country's soldiers were swept into the air by violent winds, struck to death by lightning!

Bodies rained down from the skies, crashing onto the ground, limp.

More than a hundred dragon and flood dragon were like heavenly reinforcements, slaughtering their way through, having already exterminated tens of thousands of Southern Barbarian Demon Country soldiers in a short time!

"You damned beasts!!!"

The soldiers of the Southern Barbarian Demon Country roared with malice, shouting and charging towards more than a hundred black flood dragons and Divine Dragons!

And so the battle erupted again, even more intense, dramatic, and epic!

### **Chapter 2714: Chapter 2714: Reinforcements Have Arrived!**

Yang Luo, Wu Qiansheng, Lu Yunqi, Xia Chaoyang, and the seven Law Enforcers of the Divine Dragon Clans charged at Shi Jingqian together!

"Hmph!"

Shi Jingqian snorted coldly, his voice resounding, "You are just a group of Golden Immortals, daring to challenge this old man? You're courting death!"

As he spoke, his entire body trembled, continuously mobilizing the energy within, and swung the long whip in his hand toward Yang Luo and the others!

Rumble!

The blue-golden flaming whip swept across the sky like a gigantic pillar of fire, aiming to crush and annihilate everything!

“Blood Flame Dragon Claw!”

“Extinction Dragon Seal!”

“Tongtian Dragon Talisman!”

Ao Yan, Ao Kun, and Ao Hui were the first to launch a fierce assault!

A massive blood-colored flame dragon claw tore through the sky, clawing upward!

A black dragon seal gathered up like a mountain, crushing upward!

Torrents of golden dragon talismans soared skyward, transforming into waves of dragon talismans, surging upward!

“Nine Revolutions Dragon Map!”

“Heavenly Slaughter Dragon Sword!”

“Ten Thousand Dragon Souls!”

“Dead Realm Dragon Domain!”

Ao Yu, Ao Zhan, Ao Zhong, and Ao Xuan also launched fierce assaults simultaneously!

A purple dragon map continuously expanded, containing terrifying lightning power, pressing downward!

A crimson flame giant sword slashed across the sky in anger!

Tens of thousands of dragon souls roared out, colliding upward!

A divine dragon Dharma domain gathered up, suppressing upward!

The onslaught from Ao Yan and the seven was incredibly fierce, containing powerful dragon might and dragon qi, shaking heaven and earth, and upsetting the cosmos!

“Dragon Emperor Sword Technique!”

“Nine Yang Dominator Fist!”

“Bright Moon and Star Palm!”

“Da Xia Dragon Spear!”

Yang Luo, Wu Qiansheng, Lu Yunqi, and Xia Chaoyang also unleashed deadly moves, fiercely attacking Shi Jingqian!

The huge sword severed the heavens, the spear split the sky, and the fists and palms oppressed Heaven and Earth!

In an instant!

The offensive launched by Yang Luo and the others collided violently with the blue-golden flaming giant whip swung by Shi Jingqian!

Ka-bang!

Boom!

The sounds of collisions and explosions resounded successively, shaking Heaven and Earth, echoing far and wide!

Light and energy intertwined, like waves, washing over all directions!

In this confrontation!

Yang Luo and the others were simultaneously shaken and blown away!

Though Shi Jingqian was also forced to retreat repeatedly, he soon stabilized himself!

“You have some strength!

However, even if you have the advantage in numbers, the gap in cultivation can’t be bridged!

This old man won’t play with you any longer, your lives are mine now!”

Shi Jingqian sneered, then swung the long whip in his hand, unleashing powerful killing moves!

“Heavenly Fire Net!”

“Endless Sea of Flames!”

“Nine Suns Heavenly Fire!”

In an instant!

A massive blue-golden flame net descended upon Yang Luo and the others, covering the sky!

Seas of fire surged from all directions!

And nine blue-golden fireballs gathered up, like nine suns, crashing downward!

“Counterattack!”

Yang Luo shouted, wielding his sword with all his might!

Countless golden flying swords gathered, exploding toward all directions!

He also unleashed powerful killing moves such as “Beast Blood Boiling,” “Nine Emperor Dragon Seal,” and “Chaos Slaughter Array Map”!

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, and the seven Law Enforcers led by Ao Yan also launched their most powerful counterattacks!

Besides the Dharma artifact counterattack, Yang Luo and the others also activated their Dharma Idols, charging upward!

They all released their Dharma artifacts, crashing upward!

Boom, boom, boom!...

Bang, bang, bang!...

The deafening sounds of collision and explosions echoed unceasingly, spreading across thousands of miles!

Massive amounts of energy and light continually erupted in the sky, surging in all directions!

But even with all the lethal moves unleashed by Yang Luo and the others, they could not withstand Shi Jingqian’s attack!

The gap in cultivation was too great, it couldn’t be filled merely by numbers!

“Still struggling?”

Shi Jingqian sneered sinisterly, “Let’s see how long you can keep this up!”

Continuously mobilizing the energy within his body, he waved his large sleeve!

“Golden Crow Burning World Array!”

In an instant!

A massive formation swiftly gathered up, trapping Yang Luo and the others inside!

“Formation, activate!”

With a thunderous shout from Shi Jingqian!

The formation was directly activated!

Within the formation, flames burned, transforming into a sea of fire, surging towards Yang Luo and the others!

Flame steles rose up like mountains, crushing downward!

Countless Golden Crow illusions gathered, launching upward!

Boom, boom, boom!

Terrifying explosions echoed endlessly!

The powerful offensives launched by Yang Luo and the others were destroyed!

Their Dharma Idols were also destroyed, exploding within the formation!

The Dharma artifacts of Wu Qiansheng and the others reverted back to their original forms, with some even shattering directly!

However, Yang Luo’s Immortal Suppression Pagoda, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal were extraordinarily powerful, continuously crashing into the formation!

“Break out quickly!”

Yang Luo shouted, leading Wu Qiansheng and the others to launch a fierce assault and collide with the formation!

“Hahaha...”

Shi Jingqian laughed maniacally, “You won’t get out!”

He continued channeling the energy within his body into the formation, reinforcing it and enhancing its power!

The destructive power of the formation grew increasingly fierce!

Yang Luo and the others had no chance of escape, their bodies exploded, and blood and flesh flew, it was truly tragic!

“Hurry and help!”

From afar, Bujie and Xu Ying, upon seeing this, broke out from encirclement and rushed over!

“Roar! Roar! Roar!”

Dozens of black flood dragons and divine dragons also let out dragon roars, charging over!

“Don’t even think about rescuing them!”

Shi Jingqian shouted coldly, swinging the long whip in his hand, unleashing killing moves, sending Bujie, Xu Ying, and the dozens of black flood dragons and divine dragons flying!

Yi Jiuxiao, Yi Tianhong, and others were all extremely anxious amidst intense battle!

They wanted to come and help, but they were already struggling to protect themselves, unable to break free!

However, at this critical moment!

Rumble!

From the horizon came the rumbling sounds resembling thunderclaps!

All present were startled, turning to look!

In an instant!

Six immortal rainbows shot out from afar, charging toward the formation trapping Yang Luo and the others!

Wherever the six immortal rainbows passed, ancient boats and war chariots were all destroyed!

Groups of armored soldiers from the Southern Barbarian Demon Country were also all annihilated!

The next second!

Bang, bang, bang!

The six immortal rainbows crashed fiercely onto the formation, erupting with Heaven and Earth Shattering sounds!

In less than a few seconds!

Boom!

The formation shattered and exploded completely!

The explosion's power was immensely terrifying, even blasting Shi Jingqian away!

Yang Luo and the others were rescued and drew deep breaths!

Quickly, six figures flew over from afar, arriving at this battlefield!

The newcomers were six old men, though stained with blood, their extraordinary temperament and aura could not be concealed!

They were the remaining six Country Protecting Elders of the Da Yi Immortal Country!

Yi Pingsheng, Lin Jiangye, Yi Huaichuan, Liu Yingshan, Xu Wenqu, Li Muyun!

The people of the Da Yi Immortal Country, upon seeing this, were overjoyed!

Their reinforcements had finally arrived!

### **Chapter 2715: Chapter 2715: One Day!**

These six Country Protecting Elders all have extraordinary cultivation and strength!

Yi Pingsheng's cultivation is at the Late Stage of Taiyi Xuanxian!

Lin Jiangye's cultivation is at the Middle Stage of Taiyi Xuanxian!

Yi Huaichuan's cultivation is at the Late Stage of Daluo Golden Immortal!

Liu Yingshan, Xu Wenqu, and Li Muyun's cultivation is at the Middle Stage of Daluo Golden Immortal!

"The Country Protecting Elders have arrived!"

"Our rescue has finally come, great, fantastic!"

The people of the Da Yi Immortal Country were ecstatic, raising their arms in cheer.

“Elders, you have finally come!”

Yi Jiuxiao exhaled a turbid air and asked, “By the way, how is the situation in the other cities?”

“The enemies in twenty-eight of the cities have been repelled; the others are still struggling in battle!”

Yi Pingsheng replied, then looked at Yang Luo and Ao Yan and others, asking, “Who are these young ones? Also, why is the Divine Dragon Clan here assisting?”

Yi Jiuxiao pointed to Yang Luo and responded, “Grand Elder, that young one is the genius artificer who won first place in the weapon refining contest I mentioned earlier!

His weapon refining skills are extremely high, and he has already helped us repair part of the Sunset Divine Bow and three Sun-shooting Divine Arrows!

Not long ago, he used the Sunset Divine Bow and Sun-shooting Divine Arrows to slay the Golden Crow Eighth Prince, the Golden Crow Ninth Prince, and Wu Chaosheng of the Golden Crow Sacred Land!”

“Really?! Has part of the Ancestor Artifact left by our ancestors been repaired and is usable again?!”

“This lad is truly remarkable, not only can he repair our Ancestor Artifact but he can also slay the Golden Crow Crown Prince and elders of the Golden Crow Sacred Land, quite impressive!”

“Hahaha, good, truly heaven-sent fortune for our Da Yi Immortal Country!”

Yi Pingsheng and the six elders laughed heartily.

Yi Jiuxiao continued, “As for the members of the Divine Dragon Clan, it was Little Luo who invited them to help!”

“Young one, thank you!”

“Many thanks to the Divine Dragon Clan for coming to our aid; we are deeply grateful!”

Yi Pingsheng and the six elders bowed in thanks to Yang Luo and Ao Yan and others.

Yang Luo shook his head and said, “Elders, the reason this junior is willing to help!

First, Uncle Yi has been very kind to us!

Second, because this junior respects Senior Da Yi!

So, there's no need for thanks from the elders!"

"Alright!"

Yi Pingsheng stroked his beard with a smile and said, "Then let's have a good chat after the battle is over!"

"Hmm!"

Yang Luo nodded heavily.

Yi Pingsheng turned to look at Shi Jingqian and the elders of the Golden Crow Sacred Land.

His gaze was icy as he spoke in a deep voice: "No wonder the Southern Barbarian Demon Country dares to attack our Da Yi Immortal Country; it turns out you Golden Crow Sacred Land are meddling in the background!

If our ancestors and the peerless powerhouses of our Da Yi Immortal Country were still here, would your Golden Crow Clan dare to be so arrogant?"

Yi Huaichuan harshly said, "It's a pity our ancestors didn't exterminate your Golden Crow Clan, allowing you to grow strong!"

The elder of the Golden Crow Sacred Land, Fen Wangchen, said loudly, "I admit that back then your Da Yi Immortal Country was indeed incredibly powerful, renowned throughout the Jiuzhou Immortal Domain, feared across the myriad worlds!

But now, your Da Yi Immortal Country has long declined, barely surviving in Xuanzhou; what qualifications do you have to contend with our Golden Crow Clan?"

Yi Pingsheng said loudly, "Even if our Da Yi Immortal Country is in decline now, one day we will rise again and reclaim the glory of the past!

At that time, we will undoubtedly wipe out your Golden Crow Sacred Land completely!"

"Hahaha..."

Fen Wangchen laughed loudly, "With your current state, dreaming of exterminating our Golden Crow Clan is simply wishful thinking!"

"Kill!"

Yi Pingsheng shouted loudly, charging directly at Fen Wangchen!

Fen Wangchen was unafraid, soaring into the sky and charging at Yi Pingsheng!

“Lin Jiangye, come and meet your end!”

The elder of the Golden Crow Sacred Land, Xiao Hechuan, shouted loudly, attacking Lin Jiangye!

“If you want my life, let’s see if you have the ability!”

Lin Jiangye snorted coldly, fearless as he advanced to fight!

The Four Elders instantly unfolded a world-shaking battle in the sky!

These Four Elders are all Taiyi Xuanxian; the battle is immensely frightening!

Bang, bang, bang!...

Boom, boom, boom!...

The sounds of clashes and explosions rang continuously, like bursting torrents, erupting volcanoes, Heaven and Earth Shattering!

The vast sky, boundless void, and majestic earth were all split apart, fearsome to the extreme!

Others present dared not approach, retreating swiftly!

“Annihilate these great demons of the Southern Barbarian Demon Country!”

“Kill them!”

“Kill!”

Liu Yingshan, Xu Wenqu, and Li Muyun’s figures flashed as they attacked the Country Protecting Elders of the Southern Barbarian Demon Country!

Yi Huaichuan, meanwhile, moved swiftly toward Shi Jingqian!

His speed was astonishing, closing in on Shi Jingqian in a flash!

Shi Jingqian’s expression changed, also soaring into the sky to meet the assault!

“Emperor Yi’s World-Destroying Palm!”

Yi Huaichuan shouted loudly, raising his right arm and striking a palm!

A dark golden huge palm covered Heaven and Earth, carrying tremendous force, slamming towards Shi Jingqian!

“Burning Heaven Divine Whip!”

Shi Jingqian roared angrily, wielding the long whip in his hand!

A blue-golden Flame Giant Whip rolled across the sky, igniting with fierce flames, crushing forward!

Clang, clang!

The huge palm and whip collided heavily, erupting into a thunderous roar!

Heaven and Earth, the void, were shattered, revealing a dense web of cracks!

In this earth-shattering clash!

Both Yi Huaichuan and Shi Jingqian were simultaneously sent flying!

After all, both had Late Stage Daluo Golden Immortal cultivation, with similar strength!

Moreover, Yi Huaichuan had expended much qi hurrying to aid other cities earlier!

Otherwise, Yi Huaichuan would surely have dominated Shi Jingqian!

After all, Yi Huaichuan also inherited the Da Yi bloodline!

The two quickly stabilized, their bodies flickering, transforming into streamers as they charged at each other again!

On their way to attack each other, both activated their Dharma Idols simultaneously!

The battle grew even more intense!

Yang Luo took a deep breath, took out some pills, and distributed them to everyone, saying, “Everyone, quickly take these pills for healing and qi replenishing, then go assist Elder Yi Huaichuan!”

“Alright!”

Wu Qiansheng and others took several pills for healing and qi replenishing.

Yang Luo also consumed several pills.

Immediately, Yang Luo led Wu Qiansheng and others, charging directly at Shi Jingqian!

It was with the support of Yang Luo and ten others that Shi Jingqian was steadily defeated, increasingly unable to withstand the assault!

After battling fiercely for hundreds of rounds!

Boom!

Shi Jingqian was once again sent flying!

He flew back more than a thousand meters, struggling to stabilize his body!

His neatly combed gray-white hair was now in complete disarray, his luxurious robe was tattered, and his body was bloodied, no longer displaying his earlier vigor!

Yi Huaichuan said loudly, "Everyone, continue attacking, don't give him a chance, kill this guy!"

"Yes!"

Yang Luo and Wu Qiansheng and others responded in unison.

Immediately, under Yi Huaichuan's lead, Yang Luo and all of them continuously mobilized the energy within, launching another fierce assault on Shi Jingqian!

Shi Jingqian's face was twisted with fury as he roared, "I am an elder of the Golden Crow Sacred Land, even teamed up, you cannot kill me!!!"

With that, he took out a jade bottle and swallowed a drop of Golden Crow Essence Blood contained within...

*Chapter 2716: Chapter 2716: Coordinated Execution!*

In an instant!

Boom!

A golden-red flame beam surged from Shi Jingqian's body, piercing straight into the clouds!

His body also ignited with blazing golden-red flames, hair and beard dancing, robe billowing, emitting an even more terrifying pressure and aura!

"Roar!!!"

He raised his head and let out a piercing roar, stomping down forcefully in mid-air!

Bang rumble...

The heavens trembled, the earth shook, and all directions quaked!

Golden Crow Divine Fire burst from within him, transforming into a sea of golden-red flames, surging upwards!

"Chirp..."

Accompanied by a crisp cry!

A massive Golden Crow Illusion, burning all over with golden-red flames, towering like the sky, coalesced and soared over the sea of fire, crashing towards Yang Luo and the others!

Yi Huaichuan exclaimed, "This guy has consumed Golden Crow Essence Blood, be careful everyone!"

The words had barely left his mouth!

Boom boom boom!

Under the impact of the sea of fire and the Golden Crow Illusion, the attacks launched by Yang Luo and the others were utterly destroyed!

"Ahhh..."

Yang Luo and the others let out cries of pain as they were blasted away, their bodies exploding with flying flesh!

Although Yi Huaichuan was shaken back a distance, he quickly steadied himself!

His body trembled, shouting furiously!

"Cangtian Dominator Body!"

Dark golden light sparkled around him, ancient and mysterious runes swirling over his body!

A Starry Sky Universe, with Sun-Moon mountains and rivers phenomena, appeared above him, overwhelmingly striking!

Ancient and majestic pressure and aura surged from within him, sweeping across the heavens and earth!

He stood in mid-air, hair and beard flying, robe billowing, as if an ancient mighty figure had descended!

Above the rear sky.

Yang Luo asked in shock, "What physique did Elder Yi Huaichuan activate?"

Wu Qiansheng replied, "This is Senior Da Yi's inherited 'Cangtian Dominator Body', powerful beyond measure!"

"So it's the body inherited from Senior Da Yi, no wonder it's so domineering!"

Yang Luo was deeply shaken.

Ao Yan and the other seven were stunned, lost in thought.

They were naturally aware of the legend of Da Yi.

The ancient mighty figure, a peerless warrior fighting across the Nine Heavens and Ten Earths, myriad worlds.

"What's to fear about Golden Crow Essence Blood, I'm not afraid of you!"

Yi Huaichuan shouted powerfully, charging forward!

Boom boom boom!

The massive sea of fire in front was shattered, and the attacking Golden Crow Illusion was smashed apart!

"Battle!"

He soared skyward, swinging a fist, striking towards Shi Jingqian!

Shi Jingqian did not retreat, swinging his long whip, smashing upwards!

Bam!

Fist and whip collided violently; the heavens and earth trembled, regions shook, instability in all directions!

The sky, void, and earth were torn apart, gaping abyssal fissures appeared!

In this clash!

Shi Jingqian was directly blasted away!

Yi Huaichuan continued his pursuit!

"Brothers, join in!"

Yang Luo waved his hand, leading Wu Qiansheng and others to charge again!

Even though Shi Jingqian had consumed Golden Crow Essence Blood and boosted his combat power, he was still forced to retreat repeatedly by Yi Huaichuan and Yang Luo and the others!

After battling fiercely for more than ten rounds!

Shi Jingqian was again blasted away, spewing blood, spraying swathes of blood along the way!

Yang Luo's heart moved!

Now is the moment!

He tossed the Dragon Emperor Sword into the sky, summoned the Sunset Divine Bow, Broken Cloud Arrow, Sky-splitting Arrow, and Red Spirit Arrow again!

With the bow in his left hand, and an arrow in his right, he swiftly nocked the bow and drew an arrow, channeling energy from within into the Sunset Divine Bow and three Sun-shooting Divine Arrows!

"Kill!"

Accompanied by a roaring shout!

Whoosh whoosh whoosh!

Three Sun-shooting Divine Arrows shot forth like electrical currents, blasting towards Shi Jingqian!

Shi Jingqian was shocked, unable to react in time!

Thud thud thud!

Three Sun-shooting Divine Arrows brutally pierced his chest!

"Ah!!!"

He let out a distressing scream, blood flowing from his mouth, chest also bleeding profusely!

The three Sun-shooting Divine Arrows began to ravage his physical body, organs, Essence Soul!

Yi Huaichuan was shocked beyond measure!

Unexpectedly, Yang Luo had truly repaired the Sunset Divine Bow and three Sun-shooting Divine Arrows!

Although only partially repaired, they unleashed such terrifying power!

However, Shi Jingqian, being a Daluo Golden Immortal Late Stage powerhouse, though hit by three arrows, did not die!

"Damn brat, how dare you ambush this elder!"

"You're seeking death!!!"

Shi Jingqian roared furiously, body shaking!

Whoosh whoosh whoosh!

The Sun-shooting Divine Arrows penetrating his body were directly knocked away!

Shi Jingqian, appearing frenzied, blood-stained all over, charged at Yang Luo!

His hatred for Yang Luo was immeasurable!

Even if it cost his life, he had to kill this brat!

"You won't succeed!"

Yi Huaichuan abruptly snapped back, instantly channeling energy within to its peak, waving his large sleeve!

"Nine Revolutions Life and Death Array!"

In the blink of an eye!

A great formation coalesced, directly trapping Shi Jingqian!

"Formation, activate!"

The formation directly started, unleashing a heaven-shattering, earth-annihilating attack, striking Shi Jingqian!

"Dragon Rebel Sword Formation!"

"Primordial Dragon Prison Array!"

"Nine Revolutions Thunder Annihilation Formation!"

"Three Thousand Star Domain Formation!"

Yang Luo seized the moment, wielding his sword, instantly set in place the four-layered array formation!

After the four-layered array formation was set, it also activated directly, unleashing the strongest attack, assaulting Shi Jingqian!

Shi Jingqian utterly panicked, charging recklessly within, launching countless attacks, trying to break free!

But, the five-layered formation set by Yang Luo and Yi Huaichuan was unbelievably powerful!

Coupled with his previous injuries from the three Sun-shooting Divine Arrows, he couldn't exhibit peak strength!

Therefore, despite struggling madly, he couldn't escape!

"Hateful... hateful... ah!!!"

With Shi Jingqian's last roar and scream!

Boom boom boom!

The five-layered array instantaneously exploded!

The power from the explosion was terrifying, blasting even Wu Qiansheng and the others away who hadn't managed to strike!

Various lights and energies intertwined into a vast sea of energy light, rushing in all directions!

Shi Jingqian had long been blown apart, Essence Soul destroyed, completely dead!

"Dead... Elder Shi is actually dead!"

"Oh god, Elder Shi was a Daluo Golden Immortal Late Stage, and was wiped out by that old Yi Huaichuan and that brat Yang Luo!"

"Another elder has died; our side's top combat strength is dwindling!"

"What to do... what should we do?!"

The people of the Southern Barbarian Demon Country were all distraught, already growing thoughts of retreat.

"Little Luo, great job!

I didn't expect you could control the Sunset Divine Bow, unleashing such power, good, good!"

Yi Huaichuan praised out loud.

Yang Luo gasped for breath, saying, "Elder Huaichuan, without your help, we couldn't have slain that old scoundrel!"

Just then!

"Ah..."

A distant cry of pain echoed from the sky.

Yang Luo and others turned their gaze!

Only to see Yan Juetian had been blasted away by Yi Jiuxiao!

Yi Jiuxiao quickly set in place a great formation, trapping Yan Juetian who flew back!

*Chapter 2717: Chapter 2717: Rout!*

Yang Luo noticed this, and his eyes suddenly lit up!

A great opportunity!

"Uncle Yi, catch the bow and arrows!"

Yang Luo shouted powerfully and directly threw the Sunset Divine Bow and Sun-shooting Divine Arrows from his hands!

Yi Jiuxiao naturally understood Yang Luo's intention!

He tossed the saber in his hand into the sky and then caught the Sunset Divine Bow and three Sun-shooting Divine Arrows!

Immediately, he stepped his feet apart, drew the bow and nocked the arrows, continuously channeling energy into the Sunset Divine Bow and the three Sun-shooting Divine Arrows!

Hum rumble!

The Sunset Divine Bow and the three Sun-shooting Divine Arrows began to tremble violently, emitting a dazzling golden light!

"Oh no, Yi Jiuxiao wants to kill our Demon Emperor!"

"We must stop him!"

"Hurry, quickly!"

The armored soldiers of the Southern Barbarian Demon Country reacted, charging wildly at Yi Jiuxiao!

Yang Luo and Yi Huaichuan, along with others, charged forward madly, slashing down the armored soldiers rushing to assist from the Southern Barbarian Demon Country!

Many of the commanders and armored soldiers of the Southern Barbarian Demon Country stood in front of the Great Formation, setting up layers of defensive formations!

The Country Protecting Elders of the Southern Barbarian Demon Country also turned pale with worry, wanting to come to help, but they were held back by Yi Tianhong and others, unable to break free!

Yan Juetian was also scared out of his wits, frantically swinging the halberd in his hands, launching heavy assaults, fiercely attacking the Great Formation, trying to break out!

With the Sunset Divine Bow and Sun-shooting Divine Arrows in Yi Jiuxiao's hands, they could likely unleash even greater power!

He simply couldn't withstand it!

He must break out, must avoid it!

"Yan Juetian, after years of struggle between us, today is the day you depart!"

Yi Jiuxiao roared, shooting out the three Sun-shooting Divine Arrows!

Whoosh whoosh whoosh!

The three Sun-shooting Divine Arrows streaked across the sky, brilliant meteors shooting out!

Boom boom boom!

The defensive formations set up by the commanders and armored soldiers of the Southern Barbarian Demon Country were instantly destroyed!

"Ahhhhh..."

Those commanders and armored soldiers were also shot dead, exploding into clouds of blood mist, spilling into the air!

In that instant!

Crash!

The Great Formation trapping Yan Juetian finally shattered and exploded, bursting into a vast expanse of energy and light, rippling in all directions!

Just as Yan Juetian prepared to escape!

Thud thud thud!

The three Sun-shooting Divine Arrows shot straight through his body!

"Puff..."

He spat out a large mouthful of blood, with blood flowing from his chest!

Moreover, the energy unleashed by the three Sun-shooting Divine Arrows began to ravage his physical body, internal organs, eight extraordinary meridians, limbs, and Essence Soul!

He glared at Yi Jiuxiao with unwillingness and despair, roaring angrily: "Yi Jiuxiao!!!"

Boom!

Before the words were finished, his body and Essence Soul simultaneously exploded in the sky!

Chunks of flesh and bone fragments scattered into the air, horrifying to behold!

Witnessing this scene!

The people of the Southern Barbarian Demon Country were stunned for a long time!

Shortly after!

The entire scene was in uproar!

"Dead... the Demon Emperor is dead!"

"The Demon Emperor... the Demon Emperor is really dead!"

"Damn it... Yi Jiuxiao killed our Demon Emperor!"

"Escape... run quickly!"

The people of the Southern Barbarian Demon Country trembled all over, crying out in grief.

With the death of "Southern Barbarian Demon Emperor" Yan Juetian, the Southern Barbarian Demon Country's army lost its backbone!

The people of the Southern Barbarian Demon Country were completely panicked; they didn't dare to fight anymore and turned to flee!

"Long live our Emperor!"

"Yan Juetian, that vile creature, is finally dead!"

"Good, good, wonderful!"

The people of the Da Yi Immortal Country cheered excitedly, raising their arms and hollering.

Yi Jiuxiao, with a cold stare, commanded loudly: "Don't let them escape, kill them!"

"Kill!!!!"

The armored soldiers of the Da Yi Immortal Country roared loudly in unison, chasing after them!

At this moment.

The fighting Fen Wangchen, Xiao Hechuan, and the remaining six Country Protecting Elders of the Southern Barbarian Demon Country were taken aback at the scene!

After Shi Jingqian's death, they didn't expect even Yan Juetian to die!

What's more critical is that their army's morale was now in shambles!

"Damn it! Damn it!"

Fen Wangchen cursed angrily, "The situation is lost, let's go!"

"Hurry, let's go!"

Xiao Hechuan also shouted.

Subsequently, Fen Wangchen and Xiao Hechuan blasted away Yi Pingsheng and Lin Jiangye, turning around to flee!

The remaining six Country Protecting Elders of the Southern Barbarian Demon Country, with their seriously injured bodies, followed Fen Wangchen and Xiao Hechuan hurriedly fleeing!

"Don't you dare leave!"

"Intercept them!"

"Don't let them escape!"

Yi Jiuxiao, Yi Pingsheng, Yi Huaichuan, Lin Jiangye, and others shouted, transforming into streaks of flowing light, chasing to kill them!

"Brothers, all together!"

Yang Luo also wielded the sword in his hand, pursuing to kill!

"Hahaha, brothers, hurry and chase!"

Bujie was extremely excited, disregarding his own injuries, wielding the Heavenly Dragon Zen Staff, chasing to kill!

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, Xu Ying, and others also joined the pursuit to slay them!

Over a hundred black flood dragons and divine dragons swung their massive tails, twisting their mountain-like bodies, roaring out!

Yang Luo and his group fiercely pursued, slaughtering all the fleeing armored soldiers of the Southern Barbarian Demon Country!

The road was littered with corpses, and a rain of blood spilled, terrifying beyond measure!

Yet, Yang Luo and the others' gazes remained cold, with no trace of mercy!

Along the way, they had long understood a truth!

Mercy to the enemy is cruelty to oneself!

If Yi Pingsheng and the other six elders hadn't arrived in time, they might have met their demise today!

Although the armored soldiers of the Southern Barbarian Demon Country found it hard to escape!

The speed of Fen Wangchen and Xiao Hechuan and the other elders was incredibly fast!

Sensing that Fen Wangchen and the others were about to escape!

Yang Luo's eyes turned fierce, transforming into an extreme streak of light, ferociously pursuing and killing!

During the pursuit!

Yang Luo's whole body shook violently, mobilizing the energy within to the extreme, then roared out!

"Twelve Shaman Primal Heavenly Art!"

"Twelve Ancestor Witches-Fusion!"

In an instant!

Twelve Ancestral Magi towered above him, directly merging!

Rumble!

The Cangqiong and Earth trembled violently!

A golden giant stood tall above Yang Luo!

The golden giant, as majestic as a mountain, with its head touching the sky, feet stepping into the Void, holding a golden giant axe, seemed like an ancient mighty figure crossing through the river of time, dominating Heaven and Earth!

Everyone present saw this scene and was deeply shocked!

"Pangu Emperor... is this the legendary ancient mighty figure Pangu Emperor?!"

"Oh my heavens... what kind of cultivation technique did Mr. Yang perform, to actually summon Pangu Emperor?!"

"Mr. Yang's ultimate moves and trump cards are just endless!"

The commanders and armored soldiers of the Da Yi Immortal Country exclaimed, their eyes filled with utmost terror.

Especially the people of the Southern Barbarian Demon Country, who trembled all over, turned pale, and had their hair standing on end!

Yi Jiuxiao and Yi Tianhong among others also gazed at the scene above Yang Luo's head, utterly astounded!

"Oh my heavens, what kind of cultivation technique is this, able to summon Pangu Emperor?!"

Wu Qiansheng gasped in shock.

Lu Yunqi sighed and said, "It seems that when Brother Yang fought against us initially, he truly held back; otherwise, we'd have died long ago!"

*Chapter 2718: Chapter 2718: Pursuit and Slaughter!*

Upon hearing Lu Yunqi's words,

Wu Qiansheng could only shake his head helplessly.

Previously, when he battled Yang Luo at the Imperial City of Da Xia Immortal Country, he thought their strengths were not too far apart.

But this battle made him deeply understand the gap between himself and Yang Luo, which was not just a mere difference.

However, Yang Luo's power also ignited the fighting spirit in his heart.

He clenched his fist and said, "Brother Lu, Brother Xia, Brother Yang is advancing towards even greater strength!"

In the future, Brother Yang will certainly contend with the top talents of the Jiuzhou Immortal Domain!

As Yang's brothers, we must not let him leave us too far behind!"

"Yes!"

Lu Yunqi and Xia Chaoyang also nodded heavily, eyes full of determination.

Just as the Pangu Emperor's illusion stood tall!

Yang Luo let out a loud roar!

"Heaven Creation Splitting Nine Axes!"

"One Axe Suppressing Mountains and Rivers!"

In an instant!

The Pangu Emperor standing above him swung the huge axe in his hand, slashing down heavily towards Fen Wangchen, Xiao Hechuan, and others!

Rumble!

The golden giant axe tore the heavens and earth, shaking the eight directions, containing unparalleled power, and slashing out!

"Ahhhhh..."

In the sky above, tens of thousands of commanders and armored soldiers of the Southern Barbarian Demon Country were slashed by this axe, letting out shrill cries!

A large number of corpses fell from the sky, blood raining down!

Even those escaping like Fen Wangchen and Xiao Hechuan were deeply shocked!

"You little brat, no matter how strong your cultivation techniques, you're just a Golden Immortal!"

"Thinking you can kill us is overestimating yourself!"

"Let's kill this kid first!"

The six Country Protecting Elders of the Southern Barbarian Demon Country roared out, wildly mobilizing the energy within them, launching a fierce attack on Yang Luo!

Boom! Boom! Boom!

Six attacks erupted simultaneously, transforming into six seas of energy light, washing towards Yang Luo!

In an instant!

Clang! Clang! Clang!

Boom! Boom! Boom!

The golden giant axe heavily struck the six seas of energy light, erupting in a heaven-destroying, earth-shattering collision and explosion!

A vast amount of light and energy exploded, transforming into waves that rushed in all directions!

Yang Luo was repeatedly pushed back by the impact of these six seas of energy light, spewing blood from his mouth; his body was also blown to pieces!

Despite the pain from his injuries, he roared with a trembling voice!

"Again!"

"Two Axe Yin Yang!"

Rumble!

The Pangu Emperor illusion once again wielded the golden giant axe, cutting down heavily!

Boom!

Another earth-shaking explosion resounded!

Under the fierce slash of the second axe!

The six Country Protecting Elders of the Southern Barbarian Demon Country were shaken back repeatedly, their bodies blasted open with gaping wounds!

Yang Luo was once again sent flying, his injuries becoming severe!

"Quick, go help!"

"Everyone attack!"

Wu Qiansheng, Bujie, and others, along with Ao Yan and the seven great Law Enforcers, rushed forward furiously, launching fierce attacks!

"Little Luo is truly brave and fierce, daring to face those six old guys!"

"Protect Little Luo, we mustn't let him die at the hands of those six old guys!"

"Little Luo is a great benefactor to our Da Yi Immortal Country, we must ensure his safety!"

The Country Protecting Elders of Da Yi Immortal Country shouted passionately, charging into battle!

On their way to engage!

Everyone continuously mobilized the energy within them, launching the strongest assaults!

"Nine Yang Annihilation Seal!"

"Sun and Moon Starry Sky Map!"

"Ten Thousand Paths Return to Origin Palm!"

"Six Harmonies Sky-Supporting Saber!"

...

One attack after another launched simultaneously, covering the heavens and obscuring the sun, aiming to engulf the six Country Protecting Elders of the Southern Barbarian Demon Country!

"Don't hold back, counterattack!"

"We must withstand it!"

Fen Wangchen and Xiao Hechuan screamed out, launching counterattacks!

"Golden Crow Descends·Ten Suns Burning Sky!"

"Nine Lives and Nine Deaths·Ten Thousand Miles of Volcanoes!"

In the blink of an eye!

Ten golden-red fireballs converged and rapidly expanded, transforming into ten suns, enveloped by ten massive Golden Crow illusions, crashing forth!

Nine array platforms burning with crimson flames emerged, towering with volcanoes on top, pressing down!

"All Heavens Thousand Forms Technique!"

"Demon Soul Formation Seal!"

"Blood Burning Sky Technique!"

Bang! Bang! Bang!

One attack after another collided and exploded in the sky!

Within a radius of ten thousand miles, the heavens, void, and earth continuously collapsed and fissured, reaching the peak of terror!

The fleeing commanders and armored soldiers of the Southern Barbarian Demon Country were all annihilated by the overwhelming waves of energy and light!

"Three Axes Reverse Heaven and Earth!"

Yang Luo also let out a roar.

The Pangu Emperor's phantom standing above him once more swung the golden giant axe, slashing down heavily!

Rumble, rumble, rumble!

Under the heavy slash of the third axe, more of Fen Wangchen, Xiao Hechuan, and the other eight couldn't withstand it and were simultaneously blasted away!

"Ugh! Ugh! Ugh..."

They spat blood, their bodies splattered with flesh, in a very miserable state.

Fen Wangchen of the Golden Crow Sacred Land and Xiao Hechuan were Taiyi Xuanxian.

As long as the Nine Heavens Immortal didn't make a move, they wouldn't be so easily killed.

However, the remaining four Southern Barbarian Demon Country elders, Qiao Fenggu, Zhao Jiuqing, Cao Dujiang, and Yu Shiyin, were only Daluo Golden Immortals and hence, suffered more severe injuries.

"Continue, kill them!"

"Don't hold back, fight back!"

Yi Jiuxiao exclaimed loudly, throwing the Sunset Divine Bow and Sun-shooting Divine Arrow to Yi Pingsheng!

"Defend, quickly defend!"

"Block their assault!"

The eight screamed out, assembling defensive shields and layers upon layers of protective arrays!

Boom! Boom! Boom!

One attack after another pounded fiercely on the protective arrays and defensive shields they erected, exploding with thunderous sounds!

But even though all eight of them tried their best,

Layer upon layer of protective arrays and defensive light shields exploded continuously in the sky!

The heavens were blasted apart, collapsing, with massive showers of light and energy exploding outwards!

Fen Wangchen, Xiao Hechuan, and the others wore fierce expressions, continually mobilizing the energy within them, launching a powerful assault!

"Grand Elder, catch the bow and arrow!"

Yi Jiuxiao shouted, throwing the Sunset Divine Bow and Sun-shooting Divine Arrow in Yi Pingsheng's direction!

*Chapter 2719: Chapter 2719: Decisive Victory!*

"Haha, great, let me try to see how powerful the partially restored Sunset Divine Bow and Sun-shooting Divine Arrows are!"

Yi Pingsheng laughed heartily as he took the Sunset Divine Bow and Sun-shooting Divine Arrows, then stepped his feet apart, his body sinking as he strung the bow and drew the arrows!

He quickly mobilized his internal energy, continuously channeling it into the Sunset Divine Bow and Sun-shooting Divine Arrows!

It should be known that he is a late-stage Taiyi Xuanxian powerhouse, with the potential to achieve the status of a Nine Heavens Immortal!

The energy within him surged like tides and roared like a sea, causing the Sunset Divine Bow and Sun-shooting Divine Arrows to tremble violently!

Buzz, buzz, buzz!

The sound of vibration rang out loudly!

The Sunset Divine Bow and three Sun-shooting Divine Arrows burst forth with dazzling golden brilliance, illuminating the vast heavens!

In the next moment!

Swish, swish, swish!

The three Sun-shooting Divine Arrows shot out simultaneously, tearing through the void, heading straight for Fen Wangchen and Xiao Hechuan's group of eight!

"Retreat quickly!"

"Retreat!"

Fen Wangchen and Xiao Hechuan exclaimed in fear.

Yuan Sichen and Gao Shenghan and the other six were also terrified, their faces pale, bodies trembling, sweating profusely.

These were the arrows shot by Yi Pingsheng, whose destructive, damaging, and annihilative power was even more terrifying!

Much stronger than when Yang Luo and Yi Jiuxiao used the Sunset Divine Bow and Sun-shooting Divine Arrows!

In an instant!

Boom, boom, boom!

All the protective arrays and defensive light shields gathered by Fen Wangchen and Xiao Hechuan and others were shattered!

Bursting radiance and surging energy erupted from the explosion site, sweeping in all directions!

Thud, thud, thud!

The Broken Cloud Arrow directly shot through the bodies of two Daluo Golden Immortal elders of the Southern Barbarian Demon Country, Qiao Fenggu and Zhao Jiuqing!

The Sky Splitting Arrow also shot through the bodies of the other two Daluo Golden Immortal elders of the Southern Barbarian Demon Country, Cao Dujiang and Yu Shiyin!

"Damn it!"

Bujie exclaimed, "Indeed worthy of being the Grand Elder of the Da Yi Immortal Country, terrifyingly, two arrows shot were indeed 'one arrow, two vultures'!"

"Indeed worthy of being the Grand Elder of the Da Yi Immortal Country, truly terrifying!"

Ning Jianfeng exclaimed.

Mo Qingkuang sighed, "I really don't know what kind of terrifying power the Sunset Divine Bow and Sun-shooting Divine Arrows can exhibit in the hands of Senior Da Yi!"

Yang Luo and Xu Ying were also deeply shocked!

At this moment.

"Ahhh..."

The four of Qiao Fenggu let out extremely grievous screams, vomiting blood profusely, blood pouring from their chests.

They felt their physical bodies, internal organs, eight extraordinary meridians, limbs, and Essence Souls severely ravaged.

They also felt their life force dissipating.

For the first time, they tasted despair and helplessness.

"Help..."

"Help me..."

The four of Qiao Fenggu cried out for aid!

But, Fen Wangchen, Xiao Hechuan, Yuan Sichen, and Gao Shenghan were already in dire straits themselves, with no ability to save the four of Qiao Fenggu!

Because, the third Red Spirit Arrow was heading towards them!

Instantaneously!

Boom, boom, boom!

A series of deafening explosions resounded in the sky, like the heavens collapsing, the earth shattering, thunder roaring, volcanoes erupting, seas and rivers overflowing!

Endless brilliance and energy erupted, breaking open a vast sea of energy light, enveloping that part of heaven and earth!

Yang Luo and his people were blown away!

They were blown away a full thousand meters before stabilizing their bodies!

Until all the light and energy dissipated!

Only then the sky revealed a huge void cave!

In the sky above, large volumes of flesh and bone debris rained down!

Even within the void cave, blood was scattered!

Thus, the Broken Cloud Arrow and Sky Splitting Arrow slew Qiao Fenggu, Zhao Jiuqing, Cao Dujiang, and Yu Shiyin!

As for the Red Spirit Arrow, it merely wounded Fen Wangchen, Xiao Hechuan, Yuan Sichen, and Gao Shenghan!

But since the four of them were Taiyi Xuanxian!

They had taken advantage of the chaos to escape by shattering the void!

Apart from Fen Wangchen and the four, the majority of the Southern Barbarian Demon Country army attacking the Imperial City were exterminated, with only a few managing to escape amidst the chaos!

Bujie hurriedly asked, "Elder Ping Sheng, did that old fellow die?"

Yi Pingsheng lightly exhaled a breath of turbid air, shaking his head, "Four dead, four escaped!"

"Ah...what a pity!"

Bujie shook his head.

Yang Luo said, "There's nothing to pity, Elder Ping Sheng managed to kill four Daluo Golden Immortal with three arrows, which is quite impressive!"

"That is true!"

Bujie nodded, clicking his tongue, "Indeed worthy of being the Grand Elder of the Da Yi Immortal Country, truly formidable!"

Yi Jiuxiao said solemnly, "If the Sunset Divine Bow and ten Sun-shooting Divine Arrows were completely restored, those four scoundrels would have had no chance to escape!"

Yi Tianhong said, "Not to mention fully restored, even with a few more Sun-shooting Divine Arrows repaired, big brother could have kept those Fen Wangchen scoundrels!"

"No matter,"

Yi Pingsheng raised his hand, saying, "In this battle, we annihilated eight Country Protecting Elders of the Southern Barbarian Demon Country, and tens of thousands of troops!

After this battle, the Southern Barbarian Demon Country's vitality is severely damaged, they are powerless to contend with our Da Yi Immortal Country!

The only thing we need to worry about is the Golden Crow Sacred Land!"

"Hm?"

Wu Qiansheng was momentarily confused, asking, "Didn't we only slay six elders, how come it's eight?"

Yang Luo and others were equally puzzled.

Yi Huaichuan chuckled softly, "Because on the way here, two Country Protecting Elders of the Southern Barbarian Demon Country tried to stop us and were also killed by us!"

"I see."

Yang Luo and others nodded in sudden realization.

At this moment.

Armored soldiers of the Da Yi Immortal Country were all excited, cheering enthusiastically!

"We won, we won!"

"Haha, we defended the Imperial City!"

"The Southern Barbarian Demon Emperor Yan Juetian and several Country Protecting Elders are dead, this battle is a complete victory!"

The cheers spread far and wide, even reaching inside the Imperial City.

The people fleeing the Imperial City paused, turned around to look at the distant sky.

"Could it be that Emperor Da Yi and the Country Protecting Elders have won this battle?!"

"It seems so, cheering sounds are coming from that direction!"

"Good, very good, our Imperial City wasn't conquered!"

People in the Imperial City were also moved to tears, cheering with raised arms.

At this moment.

Ten miles outside the Imperial City, in the sky above.

Yang Luo and others stood silently, looking towards the distant sky.

This battle lasted nearly a day, the distant sun slowly descending, the twilight's glow across the sky, dreamlike and enchanting.

Bujie stretched lazily, pursing his lips, "Damn it, it's finally over, I'm exhausted!"

"Brother Bujie, you were fierce in this battle, let's have a good drink tonight!"

Wu Qiansheng laughed heartily and slapped Bujie's shoulder.

"Hiss..."

Bujie gasped in pain, "Brother Wu, can't you be gentler?"

"Brother Bujie, usually you're so humorous, I didn't expect you to become so reckless in battle, impressive, impressive!"

Lu Yunqi came over and slapped Bujie's other shoulder.

"Ahh..."

Bujie screamed in pain, "Brother Wu, Brother Lu, you're doing this on purpose, aren't you!"

## **Chapter 2720: Chapter 2720: Powerless to Fight Again!**

"Hahaha..."

Wu Qiansheng and Lu Yunqi both looked up and laughed heartily.

Yang Luo, however, was gazing at the distant sunset, his face showing little joy.

Xia Chaoyang looked at Yang Luo and asked, "Brother Yang, why aren't you happy?"

Wu Qiansheng, Lu Yunqi, Bujie, and Xu Ying all looked at Yang Luo as well.

Yang Luo shook his head and said, "Although we won this battle against the Southern Barbarian Demon Country, at the same time we have forged a deadly enmity with the Golden Crow Sacred Land.

The Southern Barbarian Demon Country is merely a pawn of the Golden Crow Sacred Land in Xuanzhou.

I fear that as one of the top forces in the Nine Provinces Immortal Domain, the strength of the Golden Crow Sacred Land is terrifying."

Upon hearing Yang Luo's words,

the faces of Wu Qiansheng and the others also sank.

Only then did they realize that the Southern Barbarian Demon Country was indeed not significant; the truly powerful enemy was the Golden Crow Sacred Land.

“Damn it!”

Bujie cursed loudly, “Regard life and death lightly, and if defied, fight!”

If the Golden Crow Sacred Land dares to seek revenge, we can fight them to the end!”

Yang Luo rolled his eyes at this guy and said, “Even if we are to fight, we must have strength to do so!

If our strength is insufficient, it would undoubtedly lead to death!

Therefore, we must expedite our efforts, continue to improve our cultivation and strength, and strive to become stronger!

Only by becoming more powerful can we face all future challenges without fear!”

“Yes!”

Wu Qiansheng, Lu Yunqi, and the others nodded heavily.

At this time,

Yi Jiuxiao looked around and exhaled a long breath of turbid air.

He loudly declared to the commanders-in-chief and armored soldiers of the Da Yi Immortal Country, “Everyone, quickly contact the other cities and inform them of the situation here!”

“Yes, Your Majesty!”

The armored soldiers of the Da Yi Immortal Country responded in unison.

Afterward, many commanders employed secret methods to contact people in other cities.

At this moment,

Purple Sky City.

This city was the closest to the Imperial City.

Although it was already dusk.

But the battle inside and outside the city had not ended yet.

The two sides in the fierce confrontation were the Da Yi Immortal Country and the Southern Barbarian Demon Country, and the battle was very intense!

Clang, clang, clang!...

Boom, boom, boom!...

Bang, bang, bang!...

The sounds of weapon clashes, energy collisions, and explosive booms resounded without end!

Great flashes and energies continually burst apart in the sky, beautiful and dazzling!

Inside and outside the city, corpses were strewn everywhere, with blood staining the ground, city walls, and houses red!

“Kill, kill those bastards!”

“This battle we will definitely win in the end, completely destroying the Da Yi Immortal Country!”

“Haha, I’m guessing the Imperial City of the Da Yi Immortal Country has already been breached!”

“That’s right, this time with the assistance of the Golden Crow Sacred Land, how could we not wipe out the Da Yi Immortal Country!”

The armored soldiers of the Southern Barbarian Demon Country were exhilarated, launching attacks on the armored soldiers of the Da Yi Immortal Country.

“Brothers, we absolutely cannot let them occupy Purple Sky City, let’s fight them to the end!”

“Believe that Our Majesty and the Country Protecting Elders will definitely defeat the Southern Barbarian Demon Country and those from the Golden Crow Sacred Land!”

“We must hold on till the very end!”

The armored soldiers of the Da Yi Immortal Country also roared out in anger, fighting bloodily.

However, the battle had only lasted a short while.

At that moment,

one of the city defense commanders excitedly shouted, “Brothers, news just came from the Imperial City!

The 300,000 strong army of the Southern Barbarian Demon Country attacking the Imperial City has been nearly annihilated!

The Southern Barbarian Demon Emperor Yan Juetian has been slain by Our Majesty, and several elders of the Southern Barbarian Demon Country have also all been killed!

The Golden Crow Sacred Land’s Eighth Prince, Ninth Prince, Elder Wu Chaosheng, Elder Shi Jingqian who were sent this time have all died too!

Only a small portion of people have escaped!”

Upon hearing this!

The whole field was in uproar!

“Commander, is this true?!”

“Is it true that the Imperial City has been defended?!”

“Have Yan Juetian and others really been killed?!”

The armored soldiers of the Da Yi Immortal Country, suppressing their excitement, hurriedly asked.

This commander replied in a resounding voice, “This is absolutely true!”

“Nonsense! This is impossible!”

“Our Demon Emperor led an army of over 300,000, along with assistance from the Golden Crow Sacred Land, how could they fail!”

“You intentionally released this news to shake our troops’ morale, right!”

“Everyone, don’t believe them, it’s likely that the Imperial City of the Da Yi Immortal Country has already been breached!”

The armored soldiers of the Southern Barbarian Demon Country simply didn’t believe it.

But just at this moment!

A commander of the Southern Barbarian Demon Country also received the news!

He looked shocked, trembling all over, and said, "I just got news... The Demon Emperor and the 300,000-strong army led by the Country Protecting Elders have nearly been wiped out entirely!"

The Demon Emperor and several elders have all fallen in battle, and the two elders and princes sent by the Golden Crow Sacred Land to assist us have also all died!"

"I got the same message... of the 300,000 army attacking the Imperial City of the Da Yi Immortal Country, barely a tenth survived... Only a very few escaped!"

Another commander of the Southern Barbarian Demon Country dazedly chimed in.

"Impossible... Absolutely impossible!"

"This time we had everything perfectly planned... how could they lose?!"

"Did the Demon Emperor and the elders really fall in battle?!"

The armored soldiers of the Southern Barbarian Demon Country kept shaking their heads, eyes filled with disbelief.

"Now our major advantage is lost, we can no longer fight!"

"Retreat! Quickly retreat!"

Several commanders cried out in sorrow, turning to flee with the remaining soldiers.

"Hahaha, the crisis at the Imperial City has been resolved, we needn't worry anymore!"

"Chase them down, kill those bastards!"

"Let's take this opportunity to completely cripple the Southern Barbarian Demon Country!"

"Kill, kill them!"

The commanders and armored soldiers of the Da Yi Immortal Country were all invigorated, pursuing the fleeing commanders and soldiers of the Southern Barbarian Demon Country.

At the same time,

elsewhere within the Da Yi Immortal Country, similar scenarios were playing out.

Upon hearing the news, the commanders and soldiers of the Southern Barbarian Demon Country completely fell apart and frantically fled for their lives.

By the time evening set in,

in the Da Yi Immortal Country,

above the sky ten miles from the Imperial City,

Yang Luo and his companions were still standing in the sky, waiting for news.

“Report to Your Majesty, Purple Sky City has been relieved, and the 150,000 strong army of the Southern Barbarian Demon Country has been almost entirely wiped out!”

“Report to Your Majesty, the crisis in Fengyu City has been resolved!”

“Report to Your Majesty, the crisis in Feihong City has been resolved!”

...

One commander after another reported the situations of the other cities to Yi Jiuxiao.

“Good, good, good!”

With each piece of news, a smile broadened on Yi Jiuxiao’s face, and in the end, he looked up and laughed heartily.

“Hahaha, wonderful, the crises in all cities have been resolved, and we have truly achieved a great victory this time!”

“The Southern Barbarian Demon Country plotted tirelessly to eliminate us, but they ended up crippled instead, marvelous!”

“I suppose they won’t dare to attack us again in the future!”

The commanders and armored soldiers present were also full of excitement, raising their arms in jubilation.

Yi Jiuxiao raised his hand and said, “If it weren’t for Little Luo and the Divine Dragon Clan providing help in this battle, we wouldn’t have been able to hold on until the Grand Elder and others arrived!

Therefore, we must thank these heroes and heroines for their assistance!”

As he spoke, he bowed deeply towards Yang Luo and the others, “Thank you all for your help, we are deeply grateful!”

“Thank you all for your help!”

Yi Pingsheng, Yi Tianhong, and others also cupped their hands and thanked Yang Luo and his companions.

The commanders and armored soldiers of the Da Yi Immortal Country also bowed, eyes filled with gratitude.
