

Super Insane Doctor of the Goddess #Chapter 2721: Tearing Off All Pretenses - Read Super Insane Doctor of the Goddess Chapter 2721: Tearing Off All Pretenses

Chapter 2721: Chapter 2721: Tearing Off All Pretenses

Bujie chuckled and waved his hand, saying, "Come on, Uncle Yi, don't be like that, you're making me embarrassed!"

Xu Ying couldn't stand his smug look and said, "The real help didn't come from you. Why are you feeling embarrassed?"

"Exactly!"

Ning Jianfeng agreed, "The real help came from Brother Yang, alright?"

Brother Yang arrived and immediately shot down the Golden Crow Eighth Prince, Golden Crow Ninth Prince, and Elder Wu Chaosheng of the Golden Crow Sacred Land, boosting the morale!

Later, Brother Yang teamed up with Elder Yi Huaichuan to kill Elder Shi Jingqian!"

Qin Zhanhuang also nodded and said, "Of course, Brother Wu, Brother Lu, Brother Xia, and the predecessors of the Divine Dragon Clan also helped a lot, constantly fighting against the main forces of the Southern Barbarian Demon Country!"

"Will you die if you stop undermining me?"

Bujie was so angry that he ground his teeth, wishing he could thrash these three guys.

Every time he wanted to boast a bit, these guys would knock him down.

Ning Jianfeng shook his head and said, "We're just giving you self-awareness, so don't get carried away!"

"Screw you!"

Bujie raised his middle finger.

"Hahaha..."

Yi Jiuxiao laughed heartily and said, "There's no need to argue, everyone has helped us greatly this time!

Your kindness to our Da Yi Immortal Country will be remembered forever!"

Ao Yan clasped his hands toward everyone and said, "Everyone, since the battle is over, we will take our leave now!"

Yang Luo asked, "Seniors, are you leaving so soon?"

Yi Jiuxiao also said, "You all just helped us a great deal, and we haven't even properly thanked you yet!"

Everyone also persuaded them to stay, hoping Ao Yan and the others would remain.

Ao Yan thought for a moment and said, "How about this, the seven of us can stay.

However, let the other black flood dragons and divine dragons go back first to inform the Patriarch and the elders about the situation here.

So the Patriarch and elders won't worry."

"That works too."

Yi Jiuxiao nodded and said, "But the distance from Xuanzhou to Huangzhou is far, it'll be too late to return now, why not rest for a few days before leaving?"

Ao Yan smiled and said, "Young Master Yang can simply use the 'Great Dao Dragon Diagram' to send these black flood dragons and divine dragons away."

"Oh?"

Yi Jiuxiao was very curious, "Is Little Luo's cultivation technique really that amazing, both summoning and teleporting you all?"

Yang Luo and the others were also surprised.

"Of course."

Ao Yan nodded and said to Yang Luo, "Young Master Yang, please use the 'Great Dao Dragon Diagram' again."

"Alright!"

Yang Luo nodded, then continuously mobilized the energy within him, his whole body shook!

"Great Dao Dragon Diagram!"

In an instant!

A Golden Dragon Totem gathered in the sky, rapidly expanding, rotating slowly, emanating vast dragon might and dragon qi!

Everyone looked up at the sky.

Bujie and others often saw Yang Luo use this move, so they were not surprised.

However, Wu Qiansheng, Lu Yunqi, and Yi Jiuxiao were marveling.

Yi Pingsheng stroked his beard and said, "Creating such a powerful divine power must have been done by some great senior of the Dragon Clan, right?"

"Yes."

Yang Luo nodded.

"Which great senior was it?"

Yi Tianhong asked.

Yang Luo smiled, "That's a secret for now, you'll find out later."

Yi Pingsheng and Yi Tianhong nodded without further questions.

"Young Master Yang, we're leaving now!"

One high-level Divine Dragon spoke human words.

"Thank you all for coming to help!"

Yang Luo clasped his hands in thanks to the more than a hundred black flood dragons and divine dragons.

"Haha, it's our honor to be called to help by Young Master Yang!"

"In fact, other brothers and sisters wanted to come and help too, but we beat them to it!"

Over a hundred black flood dragons and divine dragons laughed heartily.

Yang Luo smiled and clasped his hands again.

After spending time with the True Dragons of the Dragon Clan, he found them loyal and heroic, which he admired greatly.

Yet when he thought of the current situation of the Dragon Clan, he felt worried.

He hoped he could change the situation of the Dragon Clan, so they would no longer be oppressed by human elders.

"Everyone, see you next time!"

Over a hundred black flood dragons and divine dragons bid farewell and gradually flew into the Great Dao Dragon Diagram.

Until more than a hundred black flood dragons and divine dragons disappeared into the sky.

After a while.

The Golden Dragon Totem floating in the sky also slowly disappeared.

Except for the seven Law Enforcers including Ao Yan, everyone else present found it very magical.

Bujie smacked his lips, "My goodness, if the Great Dao Dragon Diagram can teleport True Dragons, doesn't that mean it could teleport us too?"

Ning Jianfeng also said, "Doesn't that mean we could travel freely back and forth to Wanlong Ridge through the Great Dao Dragon Diagram?"

"Law Enforcer Ao Yan, can this be done?"

Yang Luo asked Ao Yan.

"That's not feasible."

Ao Yan smiled and shook his head, "This divine power created by our dragon ancestors can only teleport members of our Dragon Clan.

Human elders cannot be teleported."

Ao Kun continued, "Moreover, to teleport more members of our Dragon Clan in one go, the cultivation and strength of the person using the 'Great Dao Dragon Diagram' must be high enough."

"I see."

Yang Luo and the others nodded in realization.

Yi Jiuxiao immediately instructed the Commander-in-Chief and the armored soldiers present, "Clean up the battlefield!"

"Yes!"

The Commander-in-Chief and the armored soldiers responded in unison.

After giving instructions, Yi Jiuxiao raised his hand and said, "Everyone, I've already instructed people to prepare a banquet, let's have a good drink later!"

"Great!"

Yang Luo, Ao Yan, and others nodded.

Then, led by Yi Jiuxiao and Yi Pingsheng, Yang Luo and the group flew toward the Imperial Palace.

Upon reaching the Imperial Palace, Yang Luo cooperated with the doctors inside to treat everyone.

In the evening, everyone gathered in a grand hall.

The hall was spacious and bright, with a large table full of various delicious dishes and exquisite wines.

Yi Jiuxiao raised his glass with a hearty laugh, "Thanks to Little Luo and the Divine Dragon Clan, we won this great battle!"

From now on, you are all the best friends of our Da Yi Immortal Country!

Whatever you need in the future, just say the word, and we will surely assist you with all our might!

This glass, I toast to you!"

"To everyone!"

Yi Pingsheng, Yi Tianhong, and the other elders also raised their glasses.

Yang Luo smiled and said, "From now on, we're all friends, no need to be so formal, cheers!"

"Cheers!"

"Cheers!"

Wu Qiansheng, Ao Yan, and everyone else raised their glasses.

After clinking glasses, everyone drank the wine in their glasses.

After finishing a glass of wine.

Yi Jiuxiao sighed and said, "Despite our great victory in this battle, we've completely broken ties with the Golden Crow Sacred Land!"

If the Golden Crow Sacred Land finds out, our Da Yi Immortal Country might not be peaceful either!"

"Humph!"

Yi Pingsheng snorted coldly, "If our ancestors were still here, why would we fear the Golden Crow Sacred Land!"

Yi Tianhong also clenched his fist and said, "Not to mention if our ancestors were still here, even if one of the elders who followed our ancestors to participate in that battle was still here, we wouldn't fear the Golden Crow Sacred Land!"

Chapter 2722: Chapter 2722: The Tip of the Iceberg

The elders, including Yi Huaichuan, all shook their heads and sighed.

Back then, how glorious the Da Yi Immortal Country was, but who would have thought it would fall to such a state now.

Yang Luo slightly frowned and asked, "Did all those peerless powerhouses who followed Senior Da Yi really die in battle?"

It's an established fact that Senior Da Yi has already died in battle.

After all, Senior Xinghe and others have already told him.

Senior Xinghe and others witnessed Senior Da Yi's death in battle with their own eyes.

However, whether any of the elders who followed Senior Da Yi are still alive, he did not know.

Yi Pingsheng said, "It's rumored that in the great war that swept across the myriad worlds, our ancestors and all the elders who followed them died in battle.

But there's also a rumor that some elders survived, only severely injured, thus went to the Outer Domain to heal."

Yi Tianhong shook his head and said, "If those elders who followed our ancestors are still alive, why wouldn't they return to the Da Yi Immortal Country?"

I'm afraid all the elders who followed our ancestors are dead."

Yi Jiuxiao looked at Yang Luo and others, apologetically saying, "This time, we've dragged you into offending the Golden Crow Sacred Land, and I'm truly sorry."

Yang Luo waved it off, "Uncle Yi, since we're friends, let's not say such words."

As long as we unite, we might not necessarily be unable to resist the Golden Crow Sacred Land."

He scanned the people present and thought for a moment.

Right now, on their side, they have the Da Yi Immortal Country, Divine Dragon Clan, Da Wu Immortal Country, Da Xia Immortal Country, and Taixuan Sacred Land, totaling five forces.

If they later ask Yu Lei Immortal Sect for help, then they'll have six forces on their side.

In his view, six forces could indeed battle against the Golden Crow Sacred Land.

Yi Jiuxiao said seriously, "Little Luo, relying solely on our few forces to resist the Golden Crow Sacred Land is really difficult."

"Uncle Yi, just how strong is this Golden Crow Sacred Land?"

Yang Luo asked in confusion.

Both Bujie and Xu Ying, among others, also looked at Yi Jiuxiao.

Yi Jiuxiao said in a deep voice, "Golden Crow Sacred Land is one of the top forces in the Jiuzhou Immortal Domain, having a deep foundation and terrifying strength."

In the Golden Crow Sacred Land, there are many Golden Immortals, Daluo Golden Immortals, and Taiyi Xuanxian stationed.

There's even a Nine Heavens Immortal stationed there."

Yi Pingsheng also added, "It is said that above the Nine Heavens Immortal, there exist even greater beings."

"Whoa!"

Bujie couldn't help but exclaim, "It's one thing for the Golden Crow Sacred Land to have Taiyi Xuanxian, but having a Nine Heavens Immortal and beings above that is something else entirely?!"

Yi Jiuxiao continued, "Not only that, but Golden Crow Sacred Land also has close associations with other top forces in the Jiuzhou Immortal Domain."

This is why the Golden Crow Sacred Land is so arrogant."

Ning Jianfeng swallowed and said, "Oh my god, does that mean we have absolutely no chance against the Golden Crow Sacred Land?"

Yang Luo and Xu Ying, among others, also showed expressions of surprise, stunned into silence.

Although they had thought Golden Crow Sacred Land would be formidable, they hadn't expected it to be this powerful.

Bear in mind, they had been in the Jiuzhou Immortal Domain for months and hadn't seen a single Nine Heavens Immortal.

Let alone beings above the Nine Heavens Immortal.

Yang Luo couldn't help but clench his fist, sighing inwardly.

It seems that the Jiuzhou Immortal Domain is indeed not simple, and what he's seen might just be the tip of the iceberg.

Strength!

Ultimately, it's still about not having enough strength!

If the strength were strong enough, there would be no fear of this Golden Crow Sacred Land!

If he had the strength of Senior Da Yi, or the Old Immortal, or even his father's formidable strength, he would surely be able to protect those around him!

Yang Luo's eyes flashed with determination!

Become strong!

No matter what, he must become stronger!

But the current priority is how to resist the Golden Crow Sacred Land!

It appears he must make a trip to the Donghua Divine Continent, as forming ties with the Ancestor Dragon Sacred Land and other Ancient Divine Beast Families might render the Golden Crow Sacred Land less intimidating!

With this in mind,

Yang Luo said decisively, "Everyone, don't worry, I will figure out a way to gather strength and resist the Golden Crow Sacred Land!"

"Little Luo, do you have a way?"

Yi Jiuxiao asked.

Yi Pingsheng and Yi Tianhong, among others, also looked toward Yang Luo.

Yang Luo said, "I plan to rest here for a few days before heading for the Donghua Divine Continent!"

Several of my masters have connections with the Ancestor Dragon Sacred Land in the Donghua Divine Continent!

Some of my brothers are even descendants of the various Ancient Divine Beast Families!

If I can forge alliances with Ancestor Dragon Sacred Land and the Ancient Divine Beast Families, we won't need to fear the Golden Crow Sacred Land!"

"Really?!"

Yi Jiuxiao's face lit up with surprise, "Little Luo, can you really ally with Ancestor Dragon Sacred Land and the various Divine Beast Families?!"

Yi Pingsheng said excitedly, "The energy of Ancestor Dragon Sacred Land and the various Ancient Divine Beast Families within the Jiuzhou Immortal Domain is quite substantial!"

Even if these forces individually are slightly weaker than the Golden Crow Sacred Land!

But if united, they are quite formidable!"

Ao Yan, standing nearby, smiled faintly and said, "You all might not know this, but several of Young Master Yang's masters have deep ties with our Dragon Clan!"

As long as Young Master Yang makes an appearance, the people at Ancestor Dragon Sacred Land will certainly side with us!

However, we can't be sure if the various Ancient Divine Beast Families will aid us!"

Yang Luo said, "Regardless, I plan to visit Donghua Divine Continent, hoping to ally with both the Ancestor Dragon Sacred Land and the Ancient Divine Beast Families!"

Yi Jiuxiao curiously asked, "Law Enforcer Ao Yan, who exactly are Little Luo's masters, and why do they have such a close relationship with the Divine Dragon Clan?"

Ao Yan smiled mysteriously and said, "Mr. Yi, this must temporarily remain a secret, but you'll understand in time."

Naturally, it's a secret for now regarding Long Xinghe and others.

"Alright then."

Yi Jiuxiao nodded, dropping the matter.

Then, he pulled out the Sunset Divine Bow and three Sun-shooting Divine Arrows from his sleeve, handing them to Yang Luo, "Little Luo, I discussed with the elders.

We intend to temporarily entrust you with the Sunset Divine Bow and the Sun-shooting Divine Arrows."

"Ah?!"

Yang Luo was momentarily stunned, "You want to entrust me with the Sunset Divine Bow and Sun-shooting Divine Arrows?!"

Bujie, Wu Qiansheng, and others also looked at Yi Jiuxiao in surprise.

The power of the Sunset Divine Bow and Sun-shooting Divine Arrows was evident in the previous battle.

Even Yang Luo was able to use the Sunset Divine Bow and Sun-shooting Divine Arrows to kill a Daluo Golden Immortal elder.

The Demon Emperor Yan Juetian and several Country Protecting Elders of the Southern Barbarian Demon Country were also killed by the Sunset Divine Bow and Sun-shooting Divine Arrows.

These are genuine Quasi-Emperor Grade Magical Artifacts!

"Yes, Little Luo."

Yi Jiuxiao nodded with a smile, saying, "After all, if it weren't for your help, our ancestor's Sunset Divine Bow and the three Sun-shooting Divine Arrows wouldn't have been repaired.

Moreover, only you can summon the Heroic Spirit of our ancestors, which shows you have a deep connection with them."

""

Chapter 2723: Chapter 2723: The Great Zhen!

Yi Pingsheng also nodded and said, "Little Luo, aren't you going to Donghua Divine Continent?"

If you encounter danger on the way, the Sunset Divine Bow and the Sun-shooting Divine Arrows can assist you."

"This..."

Yang Luo scratched his head and said, "Uncle Yi, Esteemed Elders, isn't it inappropriate?"

The Sunset Divine Bow and the Sun-shooting Divine Arrows are Ancestor Artifacts left by Senior Da Yi. How could I receive them?"

Yi Jiuxiao laughed heartily and said, "Little Luo, we're just saying to let you take care of them, not to give them to you.

Besides, there's a condition."

"What condition?"

Yang Luo curiously asked.

Yi Jiuxiao replied, "We hope you can help us continue to restore the Sunset Divine Bow and the Sun-shooting Divine Arrows, bringing them back to their Peak State, reviving their past glory!"

Yang Luo nodded and said, "Uncle Yi can be at ease. As long as I can find other materials, I will naturally continue to restore the Sunset Divine Bow and the Sun-shooting Divine Arrows!"

He had already witnessed the power of the Sunset Divine Bow and the Sun-shooting Divine Arrows!

If they can be further restored, their power will likely be even greater!

"That's good."

Yi Jiuxiao nodded and said, "We will also help look for the remaining materials.

If you pass by Xuanzhou later, you can come to fetch them."

“Alright!”

Yang Luo nodded in response.

At this moment,

Ao Yan suddenly thought of something and said, “By the way, Young Master Yang, there’s something I need to tell you.”

“What is it?”

Yang Luo asked.

Everyone also looked at Ao Yan.

Ao Yan said in a deep voice, “Recently, the Five Elements Immortal Sect has been very active, moving among the various sects, seemingly planning something big!”

Ao Kun also nodded and said, “Our elders speculate that perhaps the Five Elements Immortal Sect intends to make a move against our Divine Dragon Clan and Yu Lei Immortal Sect!”

“Five Elements Immortal Sect...”

Yang Luo murmured, with a flash of cold light in his eyes.

This sect was the first one to become hostile with him and his brothers after they arrived at the Jiuzhou Immortal Domain, almost a deadly feud!

Yi Jiuxiao said with a puzzled face, “We’ve heard of the Five Elements Immortal Sect, do you all have a grudge against them?”

Yang Luo nodded and said, “Of course there is a grudge, a life and death vendetta!”

Yi Jiuxiao said, “Little Luo, tell us what’s going on.”

Yang Luo didn’t hide anything and recounted what happened after they arrived in the Jiuzhou Immortal Domain to Yi Jiuxiao and others.

After hearing Yang Luo’s story,

Yi Jiuxiao was full of astonishment and said, “Little Luo, I really didn’t expect you to have ascended from the lower realm!”

Yi Pingsheng also sighed and said, “It’s not easy to cultivate and achieve such power in the lower realm!”

The other Grand Elders were also full of emotion.

They had initially thought Yang Luo and others were from the Jiuzhou Immortal Domain, but they turned out to have come from the lower realm.

This truly surprised them.

“Little Luo, don’t worry, if the Five Elements Immortal Sect dares to act against you, our Da Yi Immortal Country will surely help!”

Yi Tianhong directly stated.

Yi Jiuxiao also nodded and said, “Little Luo, the Five Elements Immortal Sect only has some energy in Huangzhou, they’re nothing significant!

If you need help later, feel free to contact us, we will definitely lend our full support!”

Yang Luo cupped his hands and said, “Thank you, Uncle Yi, thank you, Esteemed Elders!”

“We’re all family, no need for thanks.”

Yi Jiuxiao waved his hand and said, “Little Luo, spend the next few days here recovering well from your injuries.

Only after you’ve fully healed is it not too late to set off for Donghua Divine Continent.”

“Mm!”

Yang Luo nodded.

...

In the blink of an eye,

half a month had passed since the great battle between Da Yi Immortal Country and the Southern Barbarian Demon Country.

In just one week,

news of this great battle spread throughout the Four Smaller States.

“The battle between Da Yi Immortal Country and the Southern Barbarian Demon Country has finally ended!”

“In this battle, the Southern Barbarian Demon Country was completely devastated, with deep losses, and it’s uncertain how many years it will take to recover!”

“Ultimately, Da Yi Immortal Country, despite its current weakening, cannot be compared by a mere Southern Barbarian Demon Country!”

“After this battle, the Southern Barbarian Demon Country can no longer contend with Da Yi Immortal Country!”

The major powers in the Four Smaller States and independent cultivators were all discussing this great battle.

Upon learning that Da Yi Immortal Country had severely damaged the Southern Barbarian Demon Country in this battle, major powers and independent cultivators were shocked.

It’s known that Da Yi Immortal Country and the Southern Barbarian Demon Country had fought for hundreds of years, and although the Southern Barbarian Demon Country was continuously suppressed, it had never been so gravely defeated.

However, soon, four sensational news emerged!

First, the Ancestor Artifacts of Da Yi Immortal Country, the Sunset Divine Bow and the Sun-shooting Divine Arrows, were partially restored, and the person who restored them was Yang Luo!

Second, in this battle, the Golden Crow Sacred Land supported the Southern Barbarian Demon Country!

Third, Yang Luo led a group of young people in assisting Da Yi Immortal Country!

Fourth, the Divine Dragon Clan also participated in the battle, supporting Da Yi Immortal Country!

When these four pieces of news broke out, the Four Smaller States were once again in an uproar!

“My goodness, the Ancestor Artifacts of Da Yi Immortal Country, the Sunset Divine Bow and the Sun-shooting Divine Arrows, have been partially repaired. Is this true?!”

“I heard it is true. It is said that the one who restored the Sunset Divine Bow and the Sun-shooting Divine Arrows is none other than the genius artificer Yang Luo, who recently won the weapon refining competition!”

“I have also received accurate news, the Sunset Divine Bow and the Sun-shooting Divine Arrows were indeed restored by Yang Luo!

Moreover, with the Sunset Divine Bow and the Sun-shooting Divine Arrows, he killed the Golden Crow Eighth Prince, the Golden Crow Ninth Prince, and the elder Wu Chaosheng from the Golden Crow Sacred Land!”

“Emperor Da Yi and the Grand Elder of Da Yi Immortal Country, Yi Pingsheng, also used the Sunset Divine Bow and the Sun-shooting Divine Arrows to kill the ‘Southern Barbarian Demon Emperor’ Yan Juetian, along with several Country Protecting Elders of the Southern Barbarian Demon Country!”

“I didn’t expect that not only is Yang Luo’s weapon refining skill so high, but his strength is also so formidable. This young man is truly remarkable!”

“However, Da Yi Immortal Country and Yang Luo offend Golden Crow Sacred Land this time. It seems Golden Crow Sacred Land will not let this pass easily!”

“Da Yi Immortal Country and the Divine Dragon Clan are in imminent danger, and Yang Luo will definitely be targeted by Golden Crow Sacred Land!”

“What a pity for such an extraordinary Heavenly Pride. Just as he stepped onto the stage of the Jiuzhou Immortal Domain, he is about to fall!”

The major powers in the Four Smaller States and independent cultivators were all amazed.

Everyone had naturally heard of the Sunset Divine Bow and the Sun-shooting Divine Arrows left by the ancient mighty figure Da Yi!

But unexpectedly, the Sunset Divine Bow and the Sun-shooting Divine Arrows have reappeared, displaying great destructive power as soon as they appeared!

As for Yang Luo’s name, it once again resonated throughout the Four Smaller States, causing a great tremor!

However, originally, the forces wishing to recruit Yang Luo gave up on this idea after learning that Yang Luo had angered Golden Crow Sacred Land!

After all, Golden Crow Sacred Land is one of the top forces in the Jiuzhou Immortal Domain, with deep foundations and formidable strength, which no one in the Four Smaller States dares provoke!

Therefore, after learning of this, the Five Elements Immortal Sect and Lingbao Treasure Sect were overjoyed!

Yu Lei Immortal Sect and the Divine Dragon Clan were worried about Yang Luo’s situation!

In short, the series of major events that have happened in Xuanzhou recently have stirred the winds and clouds of the Four Smaller States!

Yang Luo's name has also been remembered by the major forces and independent cultivators in the Four Smaller States!

Chapter 2724: Chapter 2724: Conspiracy!

Ten days later, one morning.

At the gate of Xuantian City.

A massive Golden Dragon Totem was slowly rotating in the sky, radiating dazzling golden light, diffusing a majestic and vast dragon might and dragon qi.

"Everyone, we shall first return to Wanlong Ridge!"

"Until we meet again!"

Ao Yan and the seven Law Enforcers bid farewell to Yi Jiuxiao and the others with cupped hands.

Yi Jiuxiao cupped his hands and said, "To the seven Law Enforcers, despite the attitudes of other forces towards your Divine Dragon Clan, our Da Yi Immortal Country will always be friends with you!"

"Hmm!"

Ao Yan and the seven nodded heavily.

Then, Ao Yan looked at Yang Luo and said, "Young Master Yang, traveling to Donghua Divine Continent is a long journey, be careful!"

"Yes!"

Yang Luo nodded and then cupped his hands, saying, "To all Law Enforcers, let's meet again next time!"

With that, Ao Yan and the seven soared into the sky, flying into the Golden Dragon Totem.

Until Ao Yan and the seven disappeared into the sky, the Golden Dragon Totem slowly dissipated.

Yang Luo looked at Yi Jiuxiao and the others, saying, "Uncle Yi, elders, we shall take our leave!"

"Take care on the journey!"

Yi Jiuxiao and Yi Pingsheng, along with several elders, smiled.

"Take care everyone!"

Yang Luo and Bujie cupped their hands.

Yi Jiuxiao smiled and said, "Little Luo, the people you asked me to inquire about, I've already sent someone to investigate.

If there are any news, I will inform you immediately."

"Thank you, Uncle Yi!"

Yang Luo thanked.

Thus, he had already asked Yi Jiuxiao to help find the whereabouts of Senior Gu and the others.

He and others had been in the Jiuzhou Immortal Domain for several months, but they still hadn't found any leads on Senior Gu and the others.

It inevitably made Yang Luo a bit worried.

Are Senior Gu and the others truly in the Jiuzhou Immortal Domain?

If not, where else could they be?

No choice, the Jiuzhou Immortal Domain is too vast, they can only continue to search.

Yang Luo shook his head and after bidding farewell to Yi Jiuxiao and the others, took Bujie and the others, soared into the sky, morphing into streaks of light, and flew away from Xuantian City.

Until watching Yang Luo and the others leave.

Yi Jiuxiao and Yi Pingsheng, along with the others, finally withdrew their gaze.

Yi Jiuxiao sighed, "Little Luo and they are young, but their cultivating talent is not low!

Perhaps the next time we meet, Little Luo and the others will become even stronger!"

Yi Tianhong, with his hands behind his back, said, "I hope Little Luo and the others can safely reach Donghua Divine Continent and ally with the Ancestor Dragon Sacred Land and the Ancient Divine Beast Families!

If the Ancestor Dragon Sacred Land and the Ancient Divine Beast families can help, we will be more confident in competing with the Golden Crow Sacred Land!"

Yi Pingsheng shook his head and said, "We cannot rely entirely on others for the future of Da Yi Immortal Country!"

We must also work hard to cultivate, improve our cultivation and power!

Only when our strength is strong enough can we not fear any powerful enemies!"

"Hmm!"

Yi Jiuxiao and the others nodded heavily.

After flying away from Xuantian City, Yang Luo and his party headed straight for Donghua Divine Continent.

"Brother Xia, how far is Xuanzhou from Donghua Divine Continent?"

Yang Luo asked Xia Chaoyang.

Xia Chaoyang replied, "Xuanzhou is very far from Donghua Divine Continent, separated by a stretch of Cangxuan Sea.

At our speed, it would take at least two months to reach."

"Oh my, is it that far?!"

Bujie's mouth twitched.

Xia Chaoyang nodded and said, "In the Jiuzhou Immortal Domain, the distances between the four small provinces are relatively close, but the four small provinces are very far from the five continents."

Wu Qiansheng picked up the words, saying, "Indeed, it is very far for us now.

If we can step into Taiyi Xuanxian, we can cross the void.

Even though Taiyi Xuanxian cannot traverse the void for long, the speed would greatly increase.

If we reach the Nine Heavens Immortal, then we can traverse the void for a long time, and the speed will be even faster."

"So we still need to continue improving our cultivation and power!"

Yang Luo replied, then waved his hand, saying, "Let's hurry on!"

Thereafter, Yang Luo, with Wu Qiansheng and the others, quickened the pace towards Donghua Divine Continent.

...

At the same time.

In an ancient city several thousand miles away from the Imperial City.

In a private room of a tavern.

Three young men and four elderly folks were drinking and chatting.

The three young men were the Beihuang Emperor's Son Huang Yuchen from the Great Desolate Immortal Country, the Emperor Da Mang Mang Tianci from the Da Mang Immortal Country, and the Heavenly Netherworld Divine Son Nangong Yao from the Heavenly Netherworld Immortal Sect.

The four old men were named Qiao Qingshi, Sun Yanxiu, Fu Sinian, and Feng Ziqin.

Qiao Qingshi and Sun Yanxiu were from the Great Desolate Immortal Country, Fu Sinian was from Da Mang Immortal Country, and Feng Ziqin was from the Heavenly Netherworld Immortal Sect.

The four were all Daluo Golden Immortals.

"Damn it!"

Huang Yuchen roared, his face twisted in anger, "Yang Luo has been in Xuanzhou recently enjoying endless glory, his fame has completely echoed throughout the four small provinces!

We absolutely cannot allow this guy to continue being so arrogant and proud, we must kill him!"

Half a month ago, upon learning Yang Luo had arrived in Xuanzhou, he came to Xuanzhou, initially planning to kill Yang Luo there.

But due to the war between Da Yi Immortal Country and Southern Barbarian Demon Country, it was delayed.

Towards Yang Luo, he was extremely envious, extremely jealous, and extremely hateful.

Why could this guy have such strong refining skills, such strong strength, and achieve such fame?

He himself was a dignified Eldest Prince of the Great Desolate Immortal Country, how was he not comparable to this guy?

Mang Tianci frowned and said, "Must we kill this Yang Luo kid?"

Nangong Yao also said in a serious tone, "This kid has allied with Yu Lei Immortal Sect, Divine Dragon Clan, Da Xia Immortal Country and Arid Province.

Now he's allied with Da Yi Immortal Country in Xuanzhou.

Furthermore, Wu Qiansheng and Lu Yunqi have also become brothers with this kid.

Once we take action, Wu Qiansheng and Lu Yunqi will refuse, and these forces will also refuse."

"Brother Mang, Brother Nangong, what are you worried about?"

Huang Yuchen said irritably, "Even if this kid is on good terms with all the major forces, so what?

Our Great Desolate Immortal Country, Da Mang Immortal Country, Heavenly Netherworld Immortal Sect are also major forces of Arid Province, and many forces ally with us.

If it comes to it, we won't fear the forces Yang Luo has allied with."

At this.

Huang Yuchen sinisterly smiled, "Of course, apart from seeking revenge, there's another purpose for wanting to kill this kid."

"What purpose?"

Mang Tianci and Nangong Yao looked at Huang Yuchen.

Huang Yuchen squinted, "Haven't you heard? Yang Luo recently killed the Golden Crow Eighth Prince, Golden Crow Ninth Prince, and the elder Wu Chaosheng of the Golden Crow Sacred Land.

Do you think the Golden Crow Sacred Land will let this kid go once they find out?"

Mang Tianci skeptically asked, "We certainly know this, but what does it have to do with your wanting to kill this kid?"

"Brother Mang, thinking isn't your strongest suit, is it?"

Huang Yuchen teased and then looked at Nangong Yao, asking, "Brother Nangong, don't you understand my intentions?"

Nangong Yao tapped the table with his fingers, saying, "I get it, you want to kill Yang Luo ahead of time to ally with the Golden Crow Sacred Land."

Chapter 2725: Chapter 2725: Reincarnation Sacred Land!

"Hahaha..."

Huang Yuchen laughed heartily and said, "Brother Nangong truly understands me!"

"So that's your real purpose!"

It was only then that Mang Tianci reacted.

"Exactly, this is my true objective!"

Huang Yuchen nodded, with a sinister smile, "If it's just about killing Yang Luo, apart from revenge and venting anger, it will only bring us big trouble.

But, if we kill this kid Yang Luo and can make good relations with the Golden Crow Sacred Land, then it's a worthwhile deal.

As one of the top forces in the Jiuzhou Immortal Domain, the Golden Crow Sacred Land has always looked down on any force from the Four Small Continents.

The major forces of the Four Small Continents want to establish ties with the Golden Crow Sacred Land, but they simply don't bother to acknowledge them.

And now, we have such a good opportunity, we must naturally seize it."

Qiao Qingshi, elder of the Great Desolate Immortal Country, chuckled and said, "The Eldest Prince is indeed resourceful. If we can truly establish ties with the Golden Crow Sacred Land and receive their support, our Great Desolate Immortal Country will soar again!"

Fu Sinian, elder of the Da Mang Immortal Country, also nodded and said, "If we can establish ties with the Golden Crow Sacred Land, our Da Mang Immortal Country can also achieve great heights!"

"This is a great opportunity, we must grasp it!"

Feng Ziqin, elder of the Heavenly Netherworld Immortal Sect, also chimed in.

Nangong Yao said, "Since all the elders agree this is a good opportunity, let's proceed!"

Mang Tianci also made up his mind: "As long as it benefits our Da Mang Immortal Country, I'll do whatever it takes!"

"That's more like it!"

Huang Yuchen laughed heartily and said, "Now we need to carefully plan how we can eliminate this kid!"

Qiao Qingshi said: "Even if we really intend to kill this kid, we absolutely cannot do it within Xuanzhou!"

If we act within Xuanzhou, we will definitely alert Yi Jiuxiao of the Da Yi Immortal Country and those old fellows!"

"Exactly!"

Fu Sinian nodded and said, "We must wait until this kid leaves Xuanzhou before making our move!"

As long as this kid leaves Xuanzhou, he won't be able to reach out to the Da Yi Immortal Country!"

Feng Ziqin played with his wine glass and said, "But Wu Qiansheng, Lu Yunqi, Xia Chaoyang, and Xia Ziyang are also beside Yang Luo."

If we act against Yang Luo, those four will definitely interfere.

How should we deal with those four?"

Huang Yuchen's eyes turned fierce and said, "Go all the way, kill them all!"

"This..."

Mang Tianci's face changed drastically, "Do we really have to kill Wu Qiansheng and the others too?"

We've known Wu Qiansheng and the others for many years, at least considered friends?"

"Of course, we must kill them!"

Huang Yuchen's eyes were venomous, "If we don't kill them, should we let them return and report?"

"It seems we can only kill them all!"

Nangong Yao sighed and said, "There's no choice, they chose to hang around with that kid!"

"Alright then..."

Mang Tianci nodded, clenched his fist, and a fierce look appeared in his eyes.

Qiao Qingshi squinted and said, "The question is when will that kid Yang Luo leave Xuanzhou."

"Elder Qiao, that kid likes to wander around, he surely won't linger in Xuanzhou for long.

It shouldn't be long before he leaves Xuanzhou.

Once he leaves Xuanzhou, that's when we'll act."

Huang Yuchen chuckled, then raised his wine glass and said, "Once we've slain that kid Yang Luo, we shall take his head to the Golden Crow Sacred Land!

By then, the Golden Crow Sacred Land will surely become our ally!

Come, let's toast to our plan!"

"Cheers!"

Mang Tianci, Nangong Yao, and the others also raised their glasses and drained their wine.

Just then.

Knock, knock, knock.

A knock on the door was heard from outside.

The seven of them immediately fell silent.

Huang Yuchen asked in a deep voice, "Who?"

"Eldest Prince, it's me!"

A voice came through.

Huang Yuchen said, "Come in."

The door was pushed open.

A guard hurried in and closed the door.

"What's the matter?"

Huang Yuchen asked.

The guard quickly replied, "Reporting to the Eldest Prince, just now, our spy in Xuantian City found out some news!

That kid Yang Luo has already left the Imperial City and seems to be planning to leave Xuanzhou!"

"Is this true?!"

Huang Yuchen's face immediately lit up with joy.

Mang Tianci, Nangong Yao, and the others also looked at the guard, very excited.

The guard replied, "It's true, our people saw that kid Yang Luo leave Xuantian City with their own eyes!"

"Hahaha..."

Huang Yuchen laughed skyward, "Good good, I was just wondering when that kid would leave Xuanzhou, and now he's already gone!"

Qiao Qingshi said sinisterly, "Since this kid is so eager to die, he can't blame us!"

Huang Yuchen immediately stood up and said, "Brother Mang, Brother Nangong, elders, since this kid has already left Xuantian City, we can start our action!

Once he's out of Xuanzhou, we'll strike!"

"Good!"

Mang Tianci, Nangong Yao, and the others nodded in agreement.

Soon after, Huang Yuchen and the others swiftly left the tavern.

...

Meanwhile.

Heavenly State.

Reincarnation Sacred Land.

As one of the three strongest sacred lands in Heavenly State, the entire Reincarnation Sacred Land spans thousands of miles, rich with spiritual energy.

Immortal mountains stretch endlessly, shrouded in mist, gleaming with immortal light, and vibrant with auspicious energy.

Most of the immortal mountains stand on the ground, but hundreds of them rise above the Cloud Sea.

At their summits lie majestic halls and pavilions, imposing and grand.

It was early morning.

Disciples of the Reincarnation Sacred Land were practicing on various plazas, sitting in meditation before the pavilions, breathing in and out.

At that moment.

Boom boom boom!

Five beams of light shot up from the direction of the back mountain!

The disciples of the Reincarnation Sacred Land were all alarmed and turned to look towards the back mountain!

"Oh heavens, could it be that Sister Bing and Brother Ming have broken through again?!"

"Elder Xiu, Elder Jiang, Elder Cao, Elder Cheng, and Elder Fang have really keen eyes, picking up five disciples on the road, who turned out to have such high cultivation talent!"

"Indeed, when Sister Bing and the others first came, they weren't even Heavenly Immortals, and now they've all stepped into the Heavenly Immortal realm!"

The disciples exclaimed in discussion.

At that moment.

Five elders flew out from the four halls above the Cloud Sea, arriving in the sky.

These five elders wore robes of various colors, with white hair and beard, exuding an immortal aura, and had extraordinary temperaments.

"Greetings to Elder Xiu, Elder Jiang, Elder Cao, Elder Cheng, and Elder Fang!"

The disciples greeted respectfully.

Thus, these five elders were Elder Xiu, Elder Jiang, Elder Cao, Elder Cheng, and Elder Fang of the Reincarnation Sacred Land.

Their cultivation levels were all at the Daluo Golden Immortal.

They stroked their beards and smiled. Elder Xiu said, "Not bad, not bad. Who would have thought these five young ones from the lower realm have such high levels of cultivation!"

"

""

Chapter 2726: Chapter 2726: News at Last!

Jiang Lanyue also smiled and said, "In just a few short months, they have already stepped into the Heavenly Immortal stage.

If given a little more time, they might soon reach the Golden Immortal stage."

Cao Yunhan stroked his beard and said, "As long as we nurture them well, they will surely become the backbone of our Reincarnation Sacred Land in the future."

They waited for a good while.

Until the five beams of light dissipated.

Xu Tingshen called out loudly towards the direction of the back mountain: "You can come over now!"

After a short while.

Five figures soared up from the valley and flew towards them.

Soon, the five figures arrived overhead.

If Yang Luo were present, he would surely be shocked.

Because these five people were none other than the King of Creation, Sacred Prison King, Ice Empress, Emperor of the Dead, and Divine Light and Darkness.

"Greetings, Master!"

The five of them bowed deeply to Xu Tingshen and the others.

Xu Tingshen smiled with satisfaction and nodded, "You have all made significant progress while cultivating in seclusion during this time, not bad, not bad!"

The King of Creation said, "It's all thanks to the excellent teaching from our masters!"

The Sacred Prison King also said, "Moreover, the spiritual energy here is so abundant, and the cultivation resources are so plentiful. If we didn't improve quickly, it would be so embarrassing!"

Jiang Lanyue laughed heartily and said, "If you weren't diligent enough, no matter how much we guided you or supplied you with cultivation resources, your cultivation wouldn't have improved so quickly!"

The King of Creation asked, "By the way, masters, have you found any news about my brothers?"

The Sacred Prison King, Ice Empress, Emperor of the Dead, and Divine Light and Darkness also looked towards Xu Tingshen and the others.

Since arriving in the Jiuzhou Immortal Domain, they were seriously injured, saved by Xu Tingshen and the others, and joined the Reincarnation Sacred Land.

In these few months, while cultivating, they also asked Xu Tingshen and others to help them search for news about Yang Luo and others.

Xu Tingshen smiled faintly and said, "We have already found some news!"

"Really?!"

The five of them looked at Xu Tingshen with joyous surprise.

Xu Tingshen said, "While you were cultivating in seclusion, several major events occurred in Xuanzhou..."

He then recounted the weapons refining competition in Xuanzhou and the war between the Da Yi Immortal Country and the Southern Barbarian Demon Country to them.

After listening to Xu Tingshen's words.

The five stood there, stunned and lost in thought.

Xu Tingshen said, "The one who won first place in the refining competition and displayed great divine might in the war between the Da Yi Immortal Country and the Southern Barbarian Demon Country is called Yang Luo."

We just don't know if he's the one you are looking for."

Jiang Lanyue added, "It's said that this young Yang Luo is also quite famous in Huangzhou.

This youngster not only killed several Law Enforcers from the Five Elements Immortal Sect and Lingbao Treasure Sect.

He also defeated the five Heavenly Prides of Huangzhou and made alliances with the Yu Lei Immortal Sect and the Divine Dragon Clan."

"Nowadays, his stories are spreading throughout the Four Small Continents!"

"Some say an extraordinary Heavenly Pride has emerged in the Jiuzhou Immortal Domain!"

"Others say this youngster will surely contend with other top Heavenly Prides of the Jiuzhou Immortal Domain in the future!"

Cao Yunhan, Cheng Qianfan, and Fang Yizhou also spoke up.

After all, stories of Yang Luo were everywhere in the Four Small Continents these days, making it hard not to know.

The King of Creation was extremely excited, clenching his fists and said, "It must be Brother Yang! It must be him!"

"Haha, as expected of Brother Yang, he's only been in the Jiuzhou Immortal Domain for a few months and already made such a name for himself!"

The Emperor of the Dead punched the air with force.

"We finally have news of Little Luo, that's wonderful!"

The Ice Empress's eyes turned red, tears welling up.

The Sacred Prison King and Divine Light and Darkness were also excited.

After all, they had been searching for Yang Luo, and now they finally had some news about him.

Xu Tingshen asked, "Are you sure this youngster is the one you're looking for?"

"Yes!"

The King of Creation nodded and asked, "Master, can you tell us where Brother Yang is now?"

Xu Tingshen replied, "He should be in the Da Yi Immortal Country of Xuanzhou now."

The King of Creation said, "We need to go to Xuanzhou to find Brother Yang!"

"Let's set off now!"

"I wonder if besides Brother Yang, the other brothers are there too!"

The members of the Sacred Prison King group couldn't wait any longer.

"Since you are eager to reunite with your friend, naturally, we won't stand in your way."

Xu Tingshen smiled mildly and said, "How about this, the five of us will accompany you."

"Huh?!"

The Emperor of the Dead was taken aback, "Master, you're coming too?!"

"That's right!"

Xu Tingshen laughed and said, "With us accompanying you, your journey will be faster!"

If you encounter danger along the way, we can also help you!

More importantly, we also want to see what this extraordinary Heavenly Pride is like!"

Jiang Lanyue smiled and said, "If this youngster could join our Reincarnation Sacred Land, that would be fantastic!"

"Uh..."

The Emperor of the Dead chuckled dryly and said, "Dear Masters, you don't understand Brother Yang.

Brother Yang values his freedom and won't join any faction."

"This..."

Jiang Lanyue thought for a moment and said, "Anyway, let's go and see; maybe our sincerity will move him."

The five exchanged glances and all shook their heads.

Having followed Yang Luo for so long, they understood him all too well.

The five Masters were likely to be disappointed.

Xu Tingshen said, "Let's not delay, we'll set off now!"

"Great!"

The five responded in unison.

The five clenched their fists tightly, excitement evident, eager to meet Yang Luo!

Brother Yang, we are coming!

...

In the blink of an eye, half a month passed.

One evening, half a month later.

Yang Luo and his group reached the sky over a forest at the border of Xuanzhou.

On this journey, Yang Luo and his group had been rushing all along.

Bujie shouted, "We've been flying for half a month, why haven't we flown out of Xuanzhou yet?!"

Yang Luo checked the map and said, "Stop whining, fly five thousand miles more, and we'll be out of Xuanzhou."

"Another five thousand miles?!"

Bujie was deflated, "This place is huge!"

Yang Luo put away the map and said, "Enough complaining, let's keep moving!"

But at this moment.

Yang Luo noticed something was off about Ye Luange and Song Zhixin.

Both ladies had flushed faces, slightly irregular breathing, and cold sweat on their foreheads.

He asked, "Second Senior Sister, Fifth Senior Sister, what's wrong?"

Ye Luange took a deep breath and said, "Fifth Junior Sister and I feel our breathing is irregular and our minds are unsettled. It seems our Golden Immortal Lightning Tribulation is about to arrive!"

"My heavens!"

Bujie exclaimed, "Sister Luan Ge, Sister Song, your Golden Immortal Tribulation is about to arrive?!"

Ning Jianfeng laughed heartily and said, "Sister Luan Ge, Sister Song, that's good news!"

Once you pass the Golden Immortal Tribulation, you'll step into the Golden Immortal stage!"

Yang Luo was about to speak!

Rumble!

Rumble!

Claps of thunder roared above Ye Luange and Song Zhixin!

Lightning streaked across the night sky, dazzlingly bright!

The heavens had already sounded the warning of the Golden Immortal Tribulation!

Chapter 2727: Chapter 2727: Tribulation

Rumble!

The heavenly lightning bolts exploded in the sky, scaring the birds and beasts in the jungle to flee in all directions.

The Golden Immortal Tribulation warnings for Flame Emperor and Zhixin resounded five times before it finally ended.

Wu Qiansheng sighed, "I didn't expect both sisters' Golden Immortal Tribulation to occur five times; that's no small feat!"

Lu Yunqi nodded in agreement, "As long as Sister Luan Ge and Sister Song can pass the Golden Immortal Tribulation, they will definitely be stronger than ordinary Golden Immortals!"

"It's over, it's over. My Golden Immortal Tribulation is really here. Can I really overcome it?!"

Song Zhixin's face turned pale, and she became nervous.

Although Luan Ge didn't speak, her expression was also very tense.

Though they had seen others around them go through the Golden Immortal Tribulation, when it was their turn, they couldn't help but feel a bit anxious.

"Second Senior Sister, Fifth Senior Sister, don't be nervous; this Golden Immortal Tribulation is nothing to worry about.

Moreover, with the abundant spiritual qi of heaven and earth within the Jiuzhou Immortal Domain, and with many Dharma artifacts at your disposal, passing the Golden Immortal Tribulation will be even easier.

Here, take these pills, ladies."

Yang Luo comforted them, then took out several pills necessary for tribulation, handing them to the two women.

"Sister Luan Ge, Sister Song, it's just a Golden Immortal Tribulation. No worries; just pass through it directly!"

"Sister Luan Ge, Sister Song, we absolutely believe you both will succeed!"

"Good luck, sisters!"

Bujie, Ning Jianfeng, Tantai Puti, and others all cheered for Luan Ge and Zhixin.

"Yes, we will definitely make it through!"

"I want to step into the Golden Immortal realm and progress towards greater strength!"

The anxiety and unease in Luan Ge and Zhixin's eyes had dissipated, replaced by determination.

They had finally arrived at their Golden Immortal Tribulation, and this time they were resolved to overcome it.

Only by stepping into the Golden Immortal realm would they be able to progress toward greater power and help Yang Luo more in the future.

Yang Luo nodded and said, "Let's go, let's quickly find a place to face the tribulation!"

Afterward, Yang Luo and the group left the jungle quickly and arrived at a desolate mountain region two thousand miles away.

This place was uninhabited within a thousand-mile radius, only mutated beasts roamed, making it an ideal place for crossing tribulations.

Yang Luo glanced around and asked the two women, "Second Senior Sister, Fifth Senior Sister, are you ready?"

"Ready!"

Luan Ge and Zhixin responded in unison.

Yang Luo nodded, "Alright, let's begin!"

Then, Luan Ge and Zhixin flew towards the center region of the desolate mountains, each finding a position and standing in the sky.

They both looked up at the sky, no longer suppressing their realm, and directly unleashed a powerful aura!

Boom! Boom!

Two beams of light shot up from them, straight into the sky!

In the blink of an eye!

Whish! Whish! Whish!

Rumble! Rumble!

Above the vast sky, a fierce gale arose, dark clouds rolled in, lightning flashed and thunder roared!

The surrounding towering mountains trembled violently!

It took only a few short minutes.

The sky within a thousand miles was completely shrouded by dark clouds, the bright moon and stars obscured!

Only the flashes of lightning in the dark clouds were dazzling and bright!

The mutated beasts in the mountains fled the desolate mountains quickly in fear!

After some time.

Rumble!

Two massive Void Caves burst open above Luan Ge and Zhixin, like two vast sky pits, deep and dark!

Various types of lightning converged from all directions, gathering continuously in the two Void Caves!

The tremendous oppressive aura caused the two women to involuntarily tremble!

Witnessing this scene.

Yang Luo couldn't help but clench his fists, his heart tightening.

He completely believed the two women could pass the Golden Immortal Tribulation.

But, when it came to this point, he still felt nervous.

After all, everyone's tribulation had to be faced personally; external help wasn't possible.

Not long after.

Boom!

Boom!

Two colossal lightning pillars stormed down from the two Void Caves in the sky, engulfing Luan Ge and Zhixin in an instant!

Yang Luo clenched his fists even tighter, not daring to blink!

Bujie, Ning Jianfeng, Xu Ying, Mo Qingkuang, and the others also grew tense!

The first lightning bolt lasted for over ten minutes before it finally ended!

As the lightning faded away.

Yang Luo and the others lifted their gaze.

They saw Luan Ge and Zhixin standing unharmed in the sky, having withstood the first lightning bolt.

"Great!"

Bujie excitedly pumped his fist, "Sister Luan Ge, Sister Song, well done!"

"Sister Luan Ge, Sister Song, keep going like this, I believe you can pass!"

Ning Jianfeng also pumped his fist heavily.

Luan Ge and Zhixin nodded toward Yang Luo and the others, then looked up again, maintaining strong concentration.

After the first lightning bolt ended.

Lightning struck at intervals, with increasing power each time.

Luan Ge and Zhixin employed various means to withstand the lightning strikes.

Ji Longyue looked into the distant sky and said, "Brother Baili, Sister Puti, Brother Yi, Sister Luan Ge, and Sister Song will surely pass the Golden Immortal Tribulation!

We're also at the Heavenly Immortal Perfected Stage, just one step away from Golden Immortal, so we need to work hard and strive to cross the tribulation soon!"

"That's a must!"

Baili Wushuang patted his chest and said confidently, "Just wait and see, my Golden Immortal Tribulation will definitely come soon!"

Tantai Puti's eyes were resolute, "I will also follow the lead of the sisters and step into Golden Immortal, advancing towards greater strength!"

"I will overcome the Golden Immortal Tribulation too!"

Yi Yuheng also said firmly.

Yang Luo turned to Bujie and the others and said, "Brothers, you have to push a little harder too, don't fall too far behind!"

Bujie grinned, "Brother Yang, just watch, the next to go through the Golden Immortal Tribulation will surely be me!"

"Pfft!"

Ning Jianfeng glanced at Bujie, "The next ones to face tribulation are definitely Brother Ji, Brother Baili, Sister Puti, and Brother Yi, what does it have to do with you?"

Bujie assured confidently, "I'll definitely cross the Golden Immortal Tribulation together with Brother Ji and the others!"

Xu Ying shook her head, "Save it, after Brother Ji and the others cross their Golden Immortal Tribulation, it still won't be your turn!"

"Darn!"

Bujie put his hands on his hips and said defiantly, "None of you believe me? Just wait and see!"

Ning Jianfeng and Xu Ying shook their heads amusedly, not bothering to respond to him.

In the days that followed.

Luan Ge and Zhixin continued to cross tribulations.

Yang Luo and the group stood at the top of a distant mountain, guarding Luan Ge and Zhixin.

In the blink of an eye, two days passed.

On an evening two days later.

When the last heavenly lightning ended.

The thousands of mountains in the distance had already been reduced to ruins.

The ground had been blasted into large craters, full of pits and hollows, transforming the entire landscape.

But, Luan Ge and Zhixin's figures were nowhere to be seen.

Yang Luo scanned the area, trying to sense Luan Ge and Zhixin's presence, but he couldn't detect them.

He couldn't help but panic, his heart tightened.

"Second Senior Sister! Fifth Senior Sister! Where are you?!"

Yang Luo shouted, his face filled with urgency.

Chapter 2728: Chapter 2728: Peerless Grace

"Sister Luan Ge and Sister Song won't be in any trouble, right?!"

Bujie asked anxiously.

"That's bullshit!"

Ning Jianfeng cursed and said, "Sister Luan Ge and Sister Song have always had higher cultivation talent and strength than us, how could they be in trouble!"

Bujie said helplessly, "I don't want Sister Luan Ge and Sister Song to be in trouble either!"

But the key is, now Sister Luan Ge and Sister Song are nowhere to be found, we can't even sense their presence!"

Yang Luo shook his head in panic, "No way, Second Senior Sister and Fifth Senior Sister won't be in trouble!"

Xia Chaoyang comforted, "Brother Yang, don't worry, Sister Luan Ge and Sister Song definitely won't be in trouble!"

"Sister Luan Ge, Sister Song, where are you? Come out quickly!"

Tantai Puti also shouted nervously.

Xu Ying, Bujie, and Mo Qingkuang and others also followed and shouted.

However, Ye Luange and Song Zhixin did not respond for a long time.

This inevitably made everyone sink their hearts.

Could it be that Ye Luange and Song Zhixin really are in trouble?

How is this possible?

Over the past two days, they personally witnessed Ye Luange and Song Zhixin withstand wave after wave of heavenly lightning, how could they be in trouble at the last moment?

Yang Luo gritted his teeth and said, "I need to go and see!"

Saying that, Yang Luo was ready to fly to where the two were crossing the tribulation to find them.

"Brother Yang, don't go!"

"Brother Yang, who knows if the lightning tribulation is really over, it's still very dangerous!"

Wu Qiansheng and Lu Yunqi and others shouted in shock.

But Yang Luo didn't listen at all, flying straight over.

Second Senior Sister and Fifth Senior Sister absolutely can't be in trouble!

But, just at this moment!

Swoosh!

Swoosh!

Two massive beams of light shot out from two Void Caves above the Cangqiong, projecting onto the two ruins on the ground!

These two beams were dazzling, and immortal sounds echoed throughout the heavens and earth, with various phenomena manifesting!

Yang Luo abruptly stopped, looking up at the scene in the sky, his heart suddenly rejoicing!

"Holy crap!"

Bujie also exclaimed excitedly, "Isn't this a sight that only appears after a successful tribulation?!"

Could it be that Sister Luan Ge and Sister Song have already passed the Golden Immortal Tribulation?!"

"It can't be wrong, this is indeed the phenomenon that appears only after a successful tribulation!"

"Once the tribulation is successfully passed, auspicious will descend from the heavens!"

"Sister Luan Ge and Sister Song have successfully crossed the tribulation!"

"Great, that's really great!"

Wu Qiansheng, Lu Yunqi, and Xia Chaoyang and others exclaimed with joy.

It took more than ten minutes.

The immortal light projected from the sky and the various manifested phenomena finally all dissipated.

And just when everything dissipated.

Boom!

Boom!

Two ruins on the ground suddenly exploded!

Rubble and dust swept upwards!

Two abyss pits appeared on the ground!

A beam of cyan light and an eight-colored beam shot skyward from the two abyss pits, dispersing the dark clouds above the Cangqiong!

The next moment!

"Screech!"

With a clear cry.

A massive Blue Luan Illusion burst out from one of the abyss pits, its body blazing with brilliant cyan flames!

Whoosh!

From the other abyss pit flew an Eight-Colored Glazed Glass Lotus, radiating holy light!

The Blue Luan Illusion circled and danced in the sky!

The Eight-Colored Glazed Glass Lotus floated gently above!

The thick dark clouds covering thousands of miles had all dissipated, and the bright moon and stars appeared once again!

Immediately following.

Two figures flew out from the two abyss pits, standing in the sky.

Ye Luange wore a cyan robe, her loose black hair fluttering in the wind, her body blazing with cyan flames.

Song Zhixin wore a white dress, her black hair also fluttering in the wind, her body glimmering with sacred eight-colored glazed light.

The bright moonlight poured down, enveloping the two women in a dreamlike and ethereal beauty, incredibly stunning.

Though both women still had traces of blood on their bodies and lips, it could not hide their peerless elegance.

Seeing the two women's figures, Yang Luo finally breathed a sigh of relief, his lips curling into a gentle smile.

Xia Ziyang exclaimed with excitement, "The two sisters are so beautiful, they are simply goddesses among goddesses!"

Tantai Puti also sighed, "Even a true immortal fairy couldn't be more beautiful!"

"Haha, I just knew Sister Luan Ge and Sister Song would definitely make it through the Golden Immortal Tribulation!"

"Sister Luan Ge, Sister Song, congratulations on passing the tribulation!"

"Congratulations, congratulations!"

Bujie, Ning Jianfeng, and Xu Ying and others all congratulated.

Ye Luange and Song Zhixin stepped forward, arriving in front of Yang Luo and the others.

Yang Luo quickly asked, "Second Senior Sister, Fifth Senior Sister, how do you feel? Is there any discomfort?"

Ye Luange smiled gently and said, "Little Luo, rest assured, we're fine."

Song Zhixin also smiled and said, "Rest assured, rest assured, we're in better condition than ever!"

"That's good."

Yang Luo nodded.

Ye Luange said, "Everyone, please wait a moment, Fifth Sister and I will freshen up."

We'll continue on our journey afterwards."

"No problem!"

Everyone nodded in agreement.

Ye Luange and Song Zhixin then flew away from this place.

After waiting an hour.

Ye Luange and Song Zhixin returned.

The two had washed away the bloodstains, changed their clothes, and their demeanor had undergone quite a change.

Yang Luo waved his hand, "Brothers, let's continue the journey, set off!"

"Set off!"

Everyone shouted in unison.

Then, Yang Luo led everyone away from the desolate mountain area, continuing towards the Donghua Divine Continent.

...

Another half a month passed.

Yang Luo and his group had flown out of Xuanzhou, reaching the depths of the Cangxuan Sea separating Xuanzhou and the Donghua Divine Continent.

The ocean was vast and boundless, stretching far into the distance.

It was now early morning.

Sunlight poured down, the sea shimmering brightly.

Many birds soared in the sky, numerous mutated beasts swimming in the sea.

Although many mutated beasts attacked Yang Luo and the others along the way.

But intimidated by Yang Luo and the others, those mutated beasts dared not attack again.

Yang Luo and his group flew rapidly in the sky, like streaks of light across the sky.

Bujie grinned and said, "I wonder what we'll encounter in the Donghua Divine Continent, I'm quite looking forward to it!"

Ning Jianfeng asked Xia Chaoyang, "Brother Xia, how does the Donghua Divine Continent compare to Huangzhou and Xuanzhou?"

Xia Chaoyang replied, "Firstly, the Donghua Divine Continent, as one of the five major continents, is much larger than Huangzhou and Xuanzhou!"

You could say that the four minor continents combined only compare to one of the five major continents!"

"Oh my!"

Bujie twitched his mouth, "The area of the five major continents is too large, four minor continents combined to compare to one?!"

Xia Chaoyang laughed and said, "This is just a conservative estimate, some say even the four minor continents combined wouldn't match any one of the major continents."

Bujie gave a thumbs up, "That's just incredible!"

Chapter 2729: Chapter 2729: Ancient Relics?

Hearing these words.

Yang Luo felt a stir in his heart.

Perhaps when they reach the Donghua Divine Continent, they could find the remaining materials to repair the Sunset Divine Bow and the Sun-shooting Divine Arrow.

Lu Yunqi continued, "After that, in the five great states, each major Immortal Sect, Immortal Clan, Immortal Country, and Holy Land stand like forests with many forces!

There are also quite a few top-tier forces renowned throughout the Jiuzhou Immortal Domain!"

Xu Ying asked, "Brother Lu, exactly how many top-tier forces are there in this Jiuzhou Immortal Domain?"

"Quite a few."

Lu Yunqi replied with a sentence, then said, "Even just the top-tier Holy Lands are numerous.

For example, the Golden Crow Sacred Land with whom we have a feud, and also the Yaochi Holy Land, Xumi Holy Land, Ancient Demon Sacred Land, Taichu Sacred Land, etc.

As for top-tier Immortal Sects, Immortal Clans, and Immortal Countries, there are many too."

Yang Luo sighed, "The Jiuzhou Immortal Domain truly is vast, with great forces standing like forests.

Even though we've been here for several months, we haven't truly seen the real face of this world."

Bujie chuckled pleasantly, "Looks like our training journey won't be boring at all!"

Ning Jianfeng, Xu Ying, and others were also filled with expectations for the future.

Yang Luo and his group chatted while flying.

Who knows how long they flew.

Suddenly!

Yang Luo felt a sensation in his heart and exclaimed, "Brothers, there's a strong energy fluctuation ahead. I wonder what's happening there!"

Wu Qiansheng nodded and said, "I also vaguely sensed some energy fluctuation, a bit unusual!"

Bujie, excitedly said, "Then what are we waiting for, let's go and have a look!"

Yang Luo thought for a moment and said, "Alright, let's go and have a look then."

Saying this, Yang Luo led the group swiftly towards the place where the energy fluctuated.

After half an hour of flight.

The distant sight ahead stunned Yang Luo and the others.

Looking out.

They saw dark clouds rolling in the sky several miles away, with lightning flashing and thundering.

A massive black energy beam shot up from the sea, like a black Sky-Supporting Pillar, supporting the sky and the sea.

Even from such a distance, Yang Luo and the others could still feel waves of strong energy fluctuations.

Surrounding the area were crowds of people.

Some flew through the air, some stood on flying Dharma artifacts, and some rode mutated beasts.

"Wow! What is that?!"

"Such powerful energy fluctuations, what exactly is happening there?!"

“It seems many people are watching!”

“Should we go have a look?”

Bujie and Wu Qiansheng shouted in surprise, very intrigued.

They hadn’t expected to encounter such things over the Cangxuan Sea.

Yang Luo waved his hand, “Let’s go, we’ll go and have a look!”

Then, Yang Luo and his group flew swiftly toward that direction.

Soon, Yang Luo and his group arrived at that area and saw the scene clearly.

They saw a gigantic black vortex on the sea, like a massive abyssal hole.

Terrifying energies were surging out from the vortex, filled with darkness, evil, and the intention of slaughter.

This black energy beam precisely surged out from this vortex.

At this time.

Thousands of people surrounded the scene, clicking their tongues in wonder.

“What exactly is going on, why did a vortex suddenly appear on the sea?”

“The key is the energy spreading from this vortex is too terrifying!”

“Is this perhaps an ancient relic?”

“Who knows? Should we go in and have a look?”

People were chatting and pointing, but no one dared to get close.

Yang Luo asked Wu Qiansheng, “Brother Wu, what is an ancient relic?”

Wu Qiansheng explained, “To put it simply, an ancient relic is a relic left behind by some Immortal Sect, Immortal Clan, Immortal Country, or Holy Land from ancient times.

Of course, there are also some relics left by ancient mighty figures.”

Lu Yunqi said, “Over the years, the Jiuzhou Immortal Domain has discovered quite a few ancient relics.

Many forces have soared after obtaining inheritance from a relic.

Many elders have become powerful figures after receiving relic inheritance.”

“Oh?”

Yang Luo was even more surprised, “So there are inheritances within these ancient relics?”

“Exactly.”

Xia Chaoyang continued, “Within these ancient relics are various inheritances.

There are divine weapons, natural treasures, cultivation techniques, and immortal techniques, etc.”

“I see.”

Yang Luo and the others nodded in understanding.

Ning Jianfeng asked, “Could this really be an ancient relic?”

“It’s uncertain.”

Xia Chaoyang shook his head and said, “After all, whenever an ancient relic activates, various phenomena accompany it.

It could be an ancient relic, and it might not be.”

Yang Luo intently stared at that black vortex, squinting his eyes.

Is this really an ancient relic?

If it is, will they obtain some form of inheritance inside?

Just then.

“Since you don’t dare to go in, I’ll go in and have a look!”

“Haha, I also want to go in and have a look!”

“Count me in, if this really is an ancient relic, we will hit the jackpot!”

After suspecting that this might be an ancient relic, people were eager to make a move.

Immediately dozens of people rushed towards that black vortex, scrambling to go first.

However, at the moment these people approached!

Rumbling!

The sky and the sea trembled violently.

A great wind arose, dark clouds churned, and the sea spilled over!

That gigantic black vortex exploded with terrifying energy to the extreme and unleashed a tremendous suction force, instantly drawing those dozens of people into it!

In the next moment!

“Ahhhh...”

Those dozens of people let out miserable shrieks as their physical bodies were torn to shreds.

“Run! Run away quickly!”

“Quickly! Hurry!”

A few of their Essence Souls let out terrified cries, trying to escape the vortex, but couldn't break free!

Soon after.

The sea became quiet again.

Pieces of flesh, blood, and bones were floating everywhere, along with fragments of weapons and clothes.

This part of the sea was immediately stained red with blood, giving off a pungent bloody smell.

Everyone present was scared out of their wits by what they saw, terror written all over their faces.

Many recoiled quickly, not daring to approach again.

“Oh my goodness...”

Ning Jianfeng swallowed his throat and said, “Dozens of people gone in an instant?!”

Wu Qiansheng said seriously, “You have to know, those dozens of people just now had cultivation levels where the weakest was a Heavenly Immortal, even a few were Golden Immortals!

But unexpectedly, in an instant, these people were shredded to pieces, too terrifying!”

Flame Emperor, Song Zhixin, Tantai Puti, and Xia Ziyang, the four women, all had pale faces!

Yang Luo’s eyes were also full of shock, obviously not expecting this black vortex to be so horrifying!

“My God... this isn’t an ancient relic at all... it’s clearly a dangerous place!”

“Dozens of Heavenly Immortals and Golden Immortals approached... and were instantly annihilated... without a trace remaining!”

“Even if it really is an ancient relic... I’m not going in... whoever wants to go can go!”

“Such strong demonic qi and magic power... even if it truly is an ancient relic... it’s the remains left by a Demon Path force or a Demon Path powerful entity!”

Everyone was trembling as they discussed, shivering all over, cold sweat breaking out on their foreheads.

Chapter 2730: Chapter 2730: Land of Calamity!

Yang Luo and the others initially intended to go in and take a look, but now they dared not make any rash moves.

Others present exchanged glances, not daring to get closer either.

Everyone was tightly staring at the black vortex on the sea.

It felt less like a vortex and more like a demon with a giant abyssal mouth, ready to tear apart and devour everything.

There was silence for a while.

An elderly man stepped forward and said loudly, “Let me try, I refuse to believe this place is truly so fierce!”

“I will try too!”

“If this is indeed an ancient relic, it would be a great opportunity!”

Two more elders stepped forward.

These three elders were all Daluo Golden Immortals.

One was at the Daluo Golden Immortal Late Stage, one at the Middle Stage, and one at the Early Stage.

All three had full confidence in their cultivation and power.

However, they didn't rush straight in but began to continuously channel their internal energy, forming a Defensive Shield.

Additionally, they also summoned several Dharma artifacts, casting down beams of immortal light to protect themselves.

Others present did not say much, planning to watch and see if these three Daluo Golden Immortals could enter the black vortex.

Yang Luo, Wu Qiansheng, and others also looked towards these three elders.

Once they were ready.

The three elders flew directly towards the black vortex.

However, just as the three elders approached at that instant!

Boom boom boom!

The connection between the black light pillar and the vortex shook violently again!

Waves of terrifying demonic qi and magic power surged out like a landslide and tsunami!

Furthermore, this black vortex erupted with a terrifying pull, attempting to suck in the three elders!

"No!"

"Dangerous!"

"Get out quickly!"

The three elders shouted in terror, trying to escape the vortex!

But the suction force bursting from the vortex was too strong, dragging the three elders downward!

The black energy surging out relentlessly battered, ravaged, and eroded the bodies of the three elders!

“Ah ah ah ah...”

The three elders let out screams of utmost agony.

They struggled madly, counterattacking, but could not break free.

Everyone could see with the naked eye the bodies of two of the elders being shredded bit by bit.

These two elders were one Daluo Golden Immortal Early Stage and one Daluo Golden Immortal Late Stage.

Their Essence Souls were stronger than Heavenly Immortals and Golden Immortals, breaking free from their physical bodies, trying to escape.

Yet, black chains shot from the vortex, binding their Essence Souls, then crushing them to dust.

“Ah...”

The remaining elder at Daluo Golden Immortal Late Stage let out a cry of fright.

He mobilized all his internal energy, forming multiple layers of defense, and summoned all his weapons and Dharma artifacts!

With a booming explosion!

This elder used every ounce of strength he had, and after losing all his weapons and Dharma artifacts, finally broke free from the black vortex!

The elder was already covered with scars, his right arm shattered, a bloody mess!

As for that black vortex, it was littered with more floating flesh and bone fragments, and the stench of blood was even thicker!

Moreover, the black vortex truly seemed like the mouth of a demon, completely absorbing the blood floating on the sea!

Soon after.

The blood floating on the sea vanished without a trace.

Witnessing this scene!

Everyone present couldn't help but gasp, shivering even more violently!

“My God, even Daluo Golden Immortals can’t enter?!”

“Two Daluo Golden Immortals died, one severely injured, how terrifying is this?!”

“If even Daluo Golden Immortals can’t enter, approaching this would be suicidal!”

“Even if this truly is an ancient relic, you need to survive to gain the inheritance!”

“Also, this vortex is too bizarre, it even absorbed the blood!”

Those present grew more fearful, their faces turning pale while trembling even more severely.

Song Zhixin’s pretty face turned white, her voice trembling: “Little Luo... this place is too weird... we should leave!”

Tantai Puti also said, “Indeed, even if this is truly an ancient relic, not just anyone can enter!”

Ning Jianfeng shook his head, “Exactly, even if a Taiyi Xuanxian came, they’d likely fall here, we should go!”

Wu Qiansheng and Lu Yunqi sighed and shook their heads, losing interest in this place.

Yang Luo stared at the black vortex, saying, “Let’s wait a bit longer, if we really can’t enter, then we’ll leave!”

“Alright.”

Ning Jianfeng and others nodded.

At this moment.

Someone said, “Fellow Daoists, if this really is an ancient relic, it would be too regrettable to just give up!

I propose we collectively attack this black vortex to see if we can forcefully enter!

If we manage to get inside, the benefits within will be divided evenly among us!”

“That’s a good idea!”

“Let’s do it!”

“Let’s try attacking together!”

Everyone nodded and agreed.

Subsequently, everyone present mobilized their internal energy, launching a fierce assault on the black light pillar and black vortex!

Tens of thousands of attacks struck fiercely at the black light pillar and black vortex!

Among the thousands present, most were Earth Immortals, True Immortals, and Heavenly Immortals, with many Golden Immortals and Daluo Golden Immortals as well!

The destructive and devastating force unleashed by so many immortals attacking together was terrifying!

Boom boom boom!

Tens of thousands of attacks slammed into the black light pillar and black vortex, erupting with thunderous explosions!

But, what shocked everyone present was!

Their assaults couldn't budge the black light pillar and black vortex at all!

Even more shocking to the crowd!

The black vortex absorbed all the energy unleashed by the thousands of attackers in one go!

After absorbing so much energy!

The black vortex slowly expanded, growing from its previous size of several dozen zhang to a hundred zhang!

The black light pillar connecting the sky and the black vortex also expanded several times, growing more massive!

Moreover, the demonic qi and magic power, as well as the suction force emanating from the black vortex, became even more terrifying!

"Not good, the energy of this dangerous place has increased again, and the suction force has intensified a lot!"

"Everyone quickly retreat, don't get close!"

"Retreat now!"

Everyone present immediately reacted, retreating swiftly.

However, several hundred people were slow to react, and got sucked into the black vortex.

“Help! Help me!”

“Ah ah ah...”

Cry for help, screams echoed continuously.

In less than a few seconds.

The cries and screams stopped abruptly.

The hundreds of people were instantly torn apart, turning into masses of flesh and bone fragments floating on the sea.

The large amount of floating blood was once again absorbed by the black vortex.

“This is no ancient relic, it’s clearly a dangerous site, let’s go!”

Someone, already terrified to the point of mental breakdown, turned and ran.
