## **#Chapter 2761: Revelation! - Read Super Insane Doctor of the Goddess Chapter 2761: Revelation!**

*Chapter 2761: Chapter 2761: Revelation!*

As these three young men arrived.

The scene immediately became lively.

"So it's the Huoyun Saint, the Emperor Donghuang's son, and the Qian Tu Immortal Monarch!"

"No wonder they are among the five great talents of the Southern Domain; they truly have a grand presence!"

"It's said that both the Huoyun Saint and the Emperor Donghuang's son have already reached the Golden Immortal Late Stage, while Qian Tu Immortal Monarch, although only at the Golden Immortal Middle Stage, is not far from the late stage!"

"Surely, in the future, these five great talents will compete with the top talents of the Jiuzhou Immortal Domain!"

Everyone was discussing enthusiastically, their eyes filled with admiration.

"Tch!"

Bujie rolled his eyes and said, "Another three show-offs have come!"

"These guys have pretty average cultivation, yet they make such a fuss when they appear, afraid that others don't know they've arrived."

Wu Qiansheng chuckled, saying, "Brother Bujie, entering the Golden Immortal stage at our age is quite impressive, really."

"Besides, the background of Chu Fenghuo and the others is not small; they indeed have the capital to be ostentatious."

Bujie pouted, "Our Brother Yang is just low-key; if he wanted to show off, he could summon a black flood dragon and a divine dragon, riding on thousands of dragons!"

Wouldn't that be more imposing than them?"

"Uh..."

Wu Qiansheng gave a dry laugh, "That is also true."

Smack!

Yang Luo slapped Bujie's bald head, and said irritably, "Alright, stop with the nonsense."

Bujie laughed, "Brother Yang, sometimes I think you should be a bit more high-profile; the brothers could bask in your glory!"

Yang Luo shrugged and said, "If one's strength isn't enough, what's the use of being high-profile?"

Bujie shook his head and said, "Brother Yang, I still lack your level of enlightenment!

You can show off effortlessly; I can't compare, truly!"

"You rascal..."

Yang Luo raised his right hand, ready to smack Bujie's head again.

Bujie, already prepared, hid behind Flame Emperor.

Seeing his cowardly demeanor, Yang Luo was at a loss between crying and laughing.

"By the way, are there only five great talents in the Southern Domain?"

Yang Luo curiously asked.

Wu Qiansheng said, "Actually, there used to be six great talents in the Southern Domain. The top was not Yun Feiyang, but the son of the Nanzhan Immortal Country Lord, 'Nantian Emperor's Son' Yun Longxiang!

It is said that even a year ago, Yun Longxiang had reached the Golden Immortal Perfected Stage, hailed as one of the top talents in Donghua Divine Continent!"

"Wow, this Yun Longxiang is that fierce, having reached the Golden Immortal Perfected Stage a year ago?!"

Bujie's face twitched, genuinely shocked.

Yang Luo, Xu Ying, and the others also looked at Wu Qiansheng, curious about Yun Longxiang.

Xu Ying asked, "Why isn't Yun Longxiang the top talent of the Southern Domain if he's that formidable?"

Wu Qiansheng continued, "That's because, half a year ago, Yun Longxiang participated in the Talents Competition held by the five great states!

When competing for the top ten on the Immortal Vault List, he was severely injured by the top talent of the Golden Crow Sacred Land!

Because his Dao Foundation and Dao Heart were damaged, his cultivation level fell from the Golden Immortal Perfected Stage to the Golden Immortal Early Stage!

This is why Yun Longxiang completely faded from people's sights, no longer worthy of the title of talent!"

"Wow!"

Bujie was dumbfounded, "This guy is so miserable, to fall from the Golden Immortal Perfected Stage to the Golden Immortal Early Stage?!"

"Can cultivation levels really drop?!"

Ning Jianfeng asked in surprise.

Wu Qiansheng nodded, "If the cultivation is not stable, once severely injured by secret methods affecting the Dao Foundation and Dao Heart, the cultivation level will naturally drop."

Bujie smacked his lips, "So that's how it is, I've learned something new!"

Yang Luo looked at Bujie and the others, saying, "Brothers, this is why I encourage you to take one step at a time and stabilize your cultivation.

If the cultivation is unstable and only strives for speed, it will be like a castle in the air, unable to withstand a single blow."

"Understood!"

Everyone nodded seriously, their expressions solemn.

Even Bujie stopped joking, displaying a serious expression.

"Is it the Golden Crow Sacred Land again?"

Yang Luo frowned.

Xia Chaoyang said, "The people of the Golden Crow Sacred Land, as one of the oldest holy lands, and now one of the top forces of the Jiuzhou Immortal Domain, act very arrogantly.

Anyone who dares to offend them will be killed.

Over the years, many top talents, immortal clans, holy lands, and immortal countries have been wiped out by them."

Yang Luo squinted his eyes, "No wonder in the ancient era, Senior Da Yi wanted to annihilate the Golden Crow Clan; they've truly been detestable throughout history."

He silently made up his mind; one day, he would completely obliterate the Golden Crow Sacred Land and the Golden Crow Clan.

After all, he and the Golden Crow Sacred Land were already in a fight-to-the-death situation.

While Yang Luo and his friends were chatting.

Chu Fenghuo, Lin Xingzhi, and Shen Tu Xiong leaped down, landing steadily in the center of the square.

"Welcome, Brother Chu, Brother Lin, Brother Shen Tu!"

Yun Feiyang smiled and greeted them.

The other young men and women also greeted them with smiles, giving various forms of flattery.

Chu Fenghuo said, "Brother Yun, we came here to see the true form of the Primordial Species.

Now that we're here, where is the Primordial Species you mentioned, why haven't we seen it?"

"Yes, how does this Primordial Species look, and what type is it?"

"Hurry up and let us see it!"

Lin Xingzhi and Shen Tu Xiong also chimed in.

Lu Xueqi also turned her head to look at Yun Feiyang, with an indifferent expression.

Yun Feiyang raised his hand with a smile and said, "Please sit, and I'll have the Primordial Species brought up immediately!"

Hearing this, Chu Fenghuo and the others took their seats.

Once everyone was seated.

Yun Feiyang glanced around the venue, showing a gentle smile, and said loudly, "Welcome, everyone, to this 'Beast Viewing Conference!'

You all probably know that a few days ago, I and several elders caught a Primordial Species at Kunwu Mountain!

This Primordial Species is quite extraordinary, and you will see that soon enough!"

He clapped his hands and called out loudly, "Bring it up!"

Soon, two guards carried an object covered in golden cloth from afar, landing it in the center of the square.

Bujie pouted, "This guy is making such a mystery of it, even covering it with cloth. What on earth is it?"

"Young Master Yun, hurry up and uncover it so we can see it!"

"Yes, yes, let everyone get a good look at it, too!"

"But judging from its size, it doesn't seem to be a ferocious Primordial Species, right?"

The crowd started to boo, curious about what was underneath the golden cloth.

Yang Luo, Bujie, and the others were also fixated on the center of the square.

However, Big White, sitting on Yang Luo's shoulder, seemed to sense something, grabbing tightly onto Yang Luo's shoulder with its paws and trembling all over.

Yang Luo glanced at Big White but didn't think much of it.

After all, Big White is also a mutated beast and should be very sensitive to other mutated beasts.

Yun Feiyang smiled mildly and then instructed the guard, "Uncover it!"

"Yes!"

The two guards responded, then grabbed a corner of the golden cloth and pulled it away.

*Chapter 2762: Chapter 2762: Primordial Demon Ape*

At the moment the cloth was lifted.

The gaze of more than a hundred thousand people gathered over.

Instantly.

The entire venue quieted down, faces filled with surprise and curiosity.

But it was only quiet for a moment.

The venue suddenly erupted into commotion.

"What the heck, what Primordial Species, isn't this just a monkey?"

"We came all the way here with great excitement, not to see just a monkey!"

"Young Master Yun, you can't just bring out a monkey and call it a Primordial Species to fool us, can you?"

"That's not right, since Young Master Yun specifically held this 'Beast Viewing Conference', he couldn't be deceiving us, this monkey must be no ordinary mutated beast!"

Everyone at the scene started discussing.

Some were disinterested, feeling they were being fooled.

Others believed that this monkey must be something unusual.

In the center of the square was placed a cage made of Zijin Immortal Iron, holding a little black monkey.

This little monkey was about one meter tall, its fur dark and shiny, lying in the cage, making a low sobbing sound.

Its body was covered in scars, its flesh torn and bloodstained, looking very miserable.

Moreover, there were nine purple-golden nails stuck on its forehead, arms, legs, and chest, rendering it immobile.

"What the heck, it's just a monkey!"

Bujie sneered and turned to Big White, teasing, "Big White, is this monkey your brother?"

Big White, however, paid no mind to Bujie, just kept staring intently at the little monkey in the cage.

It tightly gripped Yang Luo's clothes, its body trembling even more violently.

Yang Luo glanced at Big White, puzzled, and asked, "Big White, what's wrong with you?"

Big White took a deep breath and said, "Brother Yang, I don't even know what's happening to me."

Upon seeing this monkey, I felt my blood and qi surged within me, a familiar feeling, as if guided by some unseen force."

"Damn!"

Bujie exclaimed in surprise, "Big White, could this monkey really be your brother?"

But that can't be right, you're from Earth, how could you have a brother in the Jiuzhou Immortal Domain?"

Xu Ying and Lin Wenxuan, among others, also looked at Big White, full of doubt.

Yang Luo felt a slight shock in his heart!

Could it be that this little monkey is of the same kind as Big White?

Is that why Big White had such a strong reaction?

It seemed quite possible!

After all, he had long noticed that Big White was no ordinary mutated beast!

Perhaps this black monkey could unravel the mystery of Big White's origin!

Thinking of this.

Yang Luo spoke up, "Brothers, let's keep watching and see!"

Everyone nodded.

At this time.

In the center of the square.

Chu Fenghuo took a swig of wine, shook his head, and said, "Brother Yun, we traveled all this way, not just to see a monkey!"

Lin Xingzhi played with his wine cup, "Brother Yun, monkeys like these are everywhere, they're not some rare sight!"

"Sigh, so it turns out it's just a monkey!"

Shen Tu Xiong laughed, "Brother Yun, you hyping up a monkey as a Primordial Species, I'm impressed!"

Lu Xueqi also raised her eyes to Yun Feiyang, her beautiful eyes full of displeasure.

But Yun Feiyang just quietly drank his wine, with a smile on his lips, as if he had anticipated everyone's reaction.

He put down his wine cup, then glanced around the room, and spoke loudly, "Everyone, I'm not fooling you!"

This monkey is genuinely a Primordial Species, and it's one of the extremely rare Primordial Demon Apes!"

Upon hearing this.

The entire crowd was astonished.

"What?! This monkey is a Primordial Demon Ape?! Is that real?!"

"Primordial Demon Apes are born with divine power, possessing a powerful physical body, capable of moving mountains and rivers, Destroying Heaven and Earth, smashing the sun and moon, how could this little monkey possibly be a Primordial Demon Ape?!"

"Yeah, even juvenile Primordial Demon Apes are hundreds of meters tall, let alone mature ones, reaching up to a thousand meters high!"

"Legend has it that the entire body of a Primordial Demon Ape is a treasure, its blood and flesh can refine powerful immortal pills, and its skin, flesh, muscles, and bones can make strong weapons and Dharma artifacts!"

Everyone present was astounded, looking at the little monkey in the cage once more.

No matter how they looked, they couldn't associate this monkey with the renowned Primordial Demon Ape.

Yang Luo asked Wu Qiansheng, "What kind of species is the Primordial Demon Ape?"

Xu Ying and others also looked at Wu Qiansheng.

Wu Qiansheng said, "Primordial Demon Apes were born in the Primordial Times, an extremely ancient mutated beast.

This type of mutated beast is inherently powerful, possessing a formidable physical body and great innate divine power.

Once, the Primordial Demon Ape Clan was prosperous and thriving, a major race in the universe, renowned throughout the myriad worlds.

However, due to the great war that swept across the myriad worlds back in the day, and the subsequent large-scale hunting by human cultivators, the Primordial Demon Ape Clan was on the verge of extinction.

Now, there are very few Primordial Demon Apes still alive, rumored only to appear in the Northern Cold Ming State."

"I see."

Yang Luo nodded in realization and glanced at Big White again.

Could Big White be a Primordial Demon Ape?

Then how did Big White end up on Earth?

"Brother Yun, is this monkey really a Primordial Demon Ape?"

Chu Fenghuo asked Yun Feiyang excitedly.

Lin Xingzhi, Shen Tu Xiong, Lu Xueqi, and other Heavenly Pride elites also looked at Yun Feiyang.

"Of course it's true, why would I fool everyone?"

Yun Feiyang spoke confidently, then said, "The reason this Primordial Demon Ape now appears ordinary!

Is because it was severely injured by me and the elders, and the elders used the 'Nine Curves Immortal Nails' to seal its power!

So, it can only maintain this state now, unable to enlarge its body!

If it were allowed to grow bigger, it could reach over four hundred meters tall!"

"Young Master Yun, how can you prove this monkey is a Primordial Demon Ape?"

Someone asked.

"How about pulling out the nails from its body, and let it grow bigger as proof?"

Someone suggested.

Yun Feiyang spoke loudly, "If the nails are pulled out from this monkey, it will definitely go berserk and its body will grow larger!

By then, trying to capture it might require quite some effort!"

He paused.

Then continued, "Since you all don't believe, I'll conduct an experiment now, and you'll all see!"

Saying this, he raised his right hand and flicked his fingers!

Swish!

A purple-black light beam shot towards the little monkey in the cage!

In the blink of an eye!

Poof!

A burst of blood exploded from the little monkey's body, blood spattering everywhere!

"Woo woo woo..."

The little monkey cried in agony, letting out low, sorrowful wails.

It wanted to move but couldn't, its eyes filled with despair, tears streaming down.

"This guy is truly despicable!"

Song Zhixin clenched her fists in anger, "Isn't this monkey a living being, to be abused wantonly?"

Xia Ziyang's eyes also reddened, and she said to Yang Luo, "Brother Yang, why don't we save this monkey?"

Big White became even more frantic, jumping up and down on Yang Luo.

It cried out anxiously, "Brother Yang, save it, you must save it!"

### **Chapter 2763: Chapter 2763: Auction!**

Yang Luo stared intently at the monkey inside the cage and said, "Everyone, don't be anxious. Let me study the nine nails on this monkey first!"

Afterwards, I'll find a way to remove its seal and restore its power!"

Wu Qiansheng asked, "Brother Yang, are you really planning to save this monkey?"

Yang Luo replied, "Big White and Sister Ziyang both said to save it, so naturally, we should save it!

Besides, I think Big White is very likely to be of the same species as this monkey!"

"What?! The same species?!"

"My heavens, could Big White also be a Primordial Demon Ape?!"

"If that's true, it's astonishing!"

"Big White might really be a Primordial Demon Ape because, judging by everyone's descriptions of a Primordial Demon Ape, Big White seems to match the profile!"

Bujie, Ning Jianfeng, Qin Zhanhuang, and others couldn't help but exclaim.

Yang Luo said, "Whether it is or not, we should first rescue this monkey."

"How should we save it?"

Wu Qiansheng frowned and said, "If we take action, it will definitely cause a conflict with Yun Feiyang and his group!"

Lu Yunqi also said, "Furthermore, this is Yun Feiyang's territory. If we clash with them, it will not be beneficial to us at all!"

Yang Luo said solemnly, "Let's first see how things unfold. If we can rescue this monkey without a conflict, that would be ideal!"

"Hmm!"

Everyone nodded and looked at the little monkey in the cage again.

Yang Luo also glanced over, carefully studying the nine nails on the little monkey.

At this moment.

In the central square.

Yun Feiyang waved his right hand, and drops of blood flew from afar, gathering above him, about the size of a fingernail!

He said loudly, “Everyone should know that the blood essence of a Primordial Species has powerful effects!

Whether human or beast, by consuming the blood essence of a Primordial Species, momentum can drastically increase, and combat strength can be enhanced!

So, if the blood essence of this little monkey has such effects, wouldn’t it prove that it’s a Primordial Species?”

“If it indeed has these effects, it would naturally prove that this little monkey is a Primordial Species!”

“Young Master Yun, stop stalling and quickly test the effects of this blood essence!”

The crowd present began voicing out in impatience.

Yun Feiyang turned to Shen Tu Xiong and said, “Brother Shen Tu, why not let your Five-Colored Divine Bull try this blood essence?

You can rest assured, this blood essence will only benefit your Five-Colored Divine Bull, not harm it!”

Shen Tu Xiong thought for a moment and then said, “Alright, let’s give it a try!”

He then said to his Five-Colored Divine Bull, “Cooperate well!”

“Moo~”

The Five-Colored Divine Bull responded and opened its mouth.

Without any hesitation, Yun Feiyang waved his right hand!

Whoosh!

The fingernail-sized drop of blood essence flew out and into the mouth of the Five-Colored Divine Bull.

Just as the drop of blood essence was swallowed by the Five-Colored Divine Bull!

Suddenly!

“Moo!——”

The Five-Colored Divine Bull tilted its head back and let out a long roar, and the loud sound reverberated, causing everyone’s eardrums to buzz!

The next instant!

Boom!

A massive five-colored divine light shot up from the Five-Colored Divine Bull, dispersing a large portion of the Cloud Sea in the sky!

Waves of mighty and vast pressure and aura emanated from the Five-Colored Divine Bull, sweeping across heaven and earth!

Rumble!

The entire square, and even the surrounding buildings, trembled violently, as though they were experiencing a major earthquake!

The Five-Colored Divine Bull lifted its two front hooves and stomped heavily in the air!

Rumble!

The land shook violently, and waves of light and energy poured out like an avalanche, rushing in all directions!

“Ugh, ah, ah...”

Amid cries of pain.

The people close to the Five-Colored Divine Bull were flung away.

Seeing this scene!

The entire venue was in shock!

“My god, did the Five-Colored Divine Bull become so fierce and violent after swallowing a drop of the little monkey’s blood essence?!”

“The Five-Colored Divine Bull’s momentum and combat strength have also significantly increased!”

“Incredible, simply unbelievable. Could this little monkey really be a Primordial Demon Ape?!”

“I fear it is true. If it were just the blood of an ordinary mutated beast, how could it have such effects!”

“This little monkey truly is a Primordial Demon Ape, absolutely a Primordial Demon Ape!”

The spectators exclaimed.

They looked once more at the little monkey in the cage. No longer was there disdain in their eyes, only fiery interest.

Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, Lu Xueqi, and the other young Heavenly Prides in the center of the square also kept their eyes fixed on the little monkey in the cage.

Their gazes were full of fervor, gripping their fists tightly.

This little monkey truly is a Primordial Species, truly a Primordial Demon Ape!

One must know that Primordial Species are incredibly scarce in the Jiuzhou Immortal Domain!

Some of those Primordial Species were hunted and turned into pills, weapons, and Dharma artifacts!

Others were captured and made to serve as mounts for the top experts of the Jiuzhou Immortal Domain!

If they could obtain this Primordial Species, even their elders would be pleased!

Securing this Primordial Species, whether to make it into pills, weapons, and Dharma artifacts, or to take it as a mount or battle pet, would all be ideal!

“Oh my!”

Bujie exclaimed in surprise, “Is a few drops of blood essence really so domineering?!”

Ning Jianfeng stared blankly at Big White and said, “Big White, if you are also a Primordial Demon Ape, wouldn’t your blood essence be equally domineering?!”

Bujie chuckled and said, “In the upcoming battles, if I’m not doing well, remember to bleed a little for me to drink so I can regain my vigor like Lord Buddha!”

Big White ignored these two jokers, scratching its head and ears, increasingly agitated and uneasy.

Yang Luo also narrowed his eyes slightly, finally having thoroughly studied the nine nails on the little monkey.

These nine nails had sealed the nine major acupoints on the little monkey, leading to its power being sealed.

He could use the Fuxi Divine Needle to help it lift the seal.

However, he didn't act immediately and instead planned to see if there was a better way to rescue the little monkey.

At this moment.

Shen Tu Xiong immediately said, "Brother Yun, weren't you planning to auction off this Primordial Species? Name your price!"

Chu Fenghuo also smiled and said, "Brother Yun, this Primordial Species is very precious. Feel free to name your price!"

"Young Master Yun, name the price!"

"As long as the price is reasonable, I'll definitely win the bid!"

The other attendees began to clamor.

"Everyone, please quiet down!"

Yun Feiyang raised his hand and smiled, "Today, I'm auctioning off this Primordial Species entirely to make friends with you heroes and talents!"

In the future, should I need assistance, I hope you'll all lend a hand!"

He paused.

He announced loudly, "The auction starts now, with a base price of 100,000 spirit stones, each increment must be no less than 10,000 spirit stones!"

Of course, high-quality weapons and Dharma artifacts can also be used for bidding!

In short, to the highest bidder goes the prize!"

*Chapter 2764: Chapter 2764: The Demon Ape Emerges!*

As soon as the words were spoken!

"I'll pay two hundred thousand spirit stones!"

Shen Tu Xiong directly placed a bid.

"I'll pay three hundred thousand spirit stones!"

Chu Fenghuo also began to bid.

Then, he smiled faintly at Shen Tu Xiong and said, "Brother Shen Tu, I too want this Primordial Demon Ape, sorry about that!"

Shen Tu Xiong smiled faintly and said, "Brother Chu, this is fair competition, naturally the highest bidder wins!"

Saying that, he loudly declared, "Five hundred thousand!"

"Six hundred thousand!"

Lin Xingzhi also voiced his bid.

"Eight hundred thousand!"

Chu Fenghuo bid once more.

"One million!"

Lu Xueqi also called out coldly.

As soon as Lu Xueqi placed her bid, the entire venue burst into excitement!

"My goodness, Miss Lu is really wealthy, she directly bid one million!"

"The key is, the bidding has just started, and it's already at one million spirit stones, how can anyone else bid now!"

"It seems this Primordial Demon Ape is going to be won by Miss Lu and her group!"

"This is a pure-blooded Primordial Demon Ape, we can't just give up like that!"

The crowd on site also voiced their thoughts.

Some did not plan to participate in the bidding anymore. After all, in terms of financial power, they couldn't compare to forces like the Thousand Illusion Immortal Sect, Donghuang Immortal Country, Huoyun Holy Land, and the Shen Tu Family.

Of course, there were also those who were unwilling to give up and planned to participate in the bidding.

"One million two hundred thousand!"

"One million five hundred thousand!"

"Two million!"

"I'll offer eight intermediate Immortal Magical Artifacts!"

"I'll offer five High-level Immortal Weapons!"

"I'll offer three Spirit Grade Magical Artifacts!"

...

The onsite bidding was very heated, and the bidding voices echoed incessantly.

The auction only lasted for an incense stick of time.

Already, someone had called out a high price of ten million spirit stones.

What's more, someone called out five High-level Spiritual Weapons and five High-level Spiritual Artifacts.

Yang Luo turned to Wu Qiansheng and the others and said, "Brothers, let's see how many spirit stones we can gather together!"

"Alright!"

Wu Qiansheng and the others nodded.

Subsequently, everyone took out the spirit stones they had.

After calculating,

Yang Luo frowned and said, "With all the spirit stones we have on hand, we only have eight million; it's not enough.

Moreover, we don't have that many weapons and artifacts to compete in the auction."

"Brother Yang, what do we do now?"

Wu Qiansheng was also furrowing his eyebrows tightly, saying, "It's a pity we're not in Huangzhou, otherwise I could go home to fetch spirit stones."

Bujie helplessly said, "We are too poor, we can't compare to those affluent families in the Donghua Divine Continent!"

Ning Jianfeng said, "Since this method doesn't work, let's take action directly!"

Yang Luo swept his gaze around and said, "Once we rescue this Primordial Demon Ape, let's immediately figure out how to escape!"

"Alright!"

Everyone nodded in agreement.

At this time.

The people on site were still bidding, very fervently.

Bids were being shouted one after another.

Yang Luo swept his gaze around, then with a thought, he swung his right hand fiercely!

Swish swish swish!

Nine golden needles whistled out from his storage ring like nine golden streams of light, crossing the sky and flying toward the little monkey in the center of the square within the cage!

In an instant!

The nine golden needles pierced into nine major acupoints on the little monkey's body!

Due to the fast speed of the flying needles and the noisy scene, no one noticed!

And just at the moment when the nine golden needles pierced the acupoints!

The little monkey lying in the cage trembled, its originally hopeless and painful eyes suddenly flashing with a dazzling gleam!

It immediately felt as if its power was gradually being restored!

It glanced at the nine golden needles on its body, with a face full of confusion!

Could it be that someone was trying to save it?

Who could it be?

It turned to look around.

However, upon seeing the fervent and frenzied expressions on the faces of the crowd.

It gritted its teeth, with eyes full of disgust and anger, and a raging fire burning within its chest.

These people couldn't possibly be trying to save it!

"Little monkey, can you hear me?"

Yang Luo directly transmitted his voice to the little monkey in the cage.

The little monkey was stunned momentarily, looking around.

Yang Luo spoke, "I'm in your diagonal front!"

The little monkey's gaze quickly fell on Yang Luo.

"Is it you who is saving me?"

The little monkey transmitted its voice to ask, its tone somewhat childish.

"That's right!"

Yang Luo nodded his head.

"Why are you saving me?"

The little monkey was quite cautious.

"Don't be nervous, I have no ill intentions towards you!"

Yang Luo replied, then continued, "The monkey on my shoulder might be of the same kind as you!

So, we intend to save you!"

The little monkey's gaze also fell on Big White.

Big White waved its hands vigorously at it.

The little monkey stared intently at Big White, immediately feeling the turbulence of its blood and a sense of familiarity with Big White.

"Could it also be a Primordial Demon Ape?"

The little monkey spoke dazedly, "But why have I never seen it before?"

Yang Luo said, "This matter cannot be explained in a few words, once we rescue you and leave here, we will talk in detail!

Now, quickly try to break free from this cage and cooperate with us to rush out together!"

"Okay!"

The little monkey immediately responded.

At this very moment.

Everyone on site was still bidding, continuing to shout, even more fervently.

But, at this moment.

"Roar!—"

The little monkey slowly got up, clenched its fists, and tilted its head back to let out a thunderous roar!

All the people present were immediately alarmed, turning and looking towards the cage!

"What's going on?! How can this Primordial Demon Ape move?!"

"Strange, wasn't it unable to move just now?!"

Everyone on site was immediately dumbfounded, unsure of the current situation.

"No good!"

Yun Feiyang's expression changed drastically, suddenly standing up, "This monkey has actually broken free from the seal of the 'Nine Curves Immortal Nails'?!"

No, why are there nine gold needles on its body?!"

Who did this?!"

Before his words fell!

Whoosh whoosh whoosh!

Rumble rumble rumble!

This area of Heaven and Earth suddenly turned stormy, with dark clouds billowing, lightning and thunder flashing!

Before everyone's eyes!

The little monkey in the cage began to continuously grow and swell!

Rumble rumble rumble!

The cage confining it was directly burst open, shattering into a heap of scrap metal, scattering around!

Only to see, the little monkey expanding from a mere meter or so to over four hundred meters, transforming into a massive black ape, like a giant black mountain standing atop the square!

Crack crack crack!

The ground beneath its feet couldn't bear its weight, continuously cracking and collapsing!

"Screech!"

"Moo!"

"Howl!"

The mutated beasts on site were all frightened, exclaiming in shock, trembling in fear.

"Roar!—"

The massive black ape clenched its fists tightly, crazily pounding its broad chest, letting out another howl with its head tilted back!

Indeed, like a true Primordial Demon emerging into the world, shaking the heavens, disturbing the Eight Desolates, terrifying to the extreme!

Then, it raised its stout arms and suddenly spread them wide!

The nine purple-gold nails and nine golden needles were all shaken off!

Rumble rumble rumble!

Waves of pressure and vibes like volcanic eruptions and torrents of mountains and seas burst forth from its body, sweeping in all directions!

Moreover, a beam of black-gold light soared into the sky from its body, breaking through the thick dark clouds above!

*Chapter 2765: Chapter 2765: The Black and White Fiends*

"Ahhhhh..."

"Oowooowoo..."

The surrounding people and mutated beasts hadn't even reacted when they were all sent flying away.

Even Yun Feiyang, Chu Fenghuo, and the others couldn't react in time and were blown away.

With the black giant ape at the center, the ground kept cracking like a spider web, spreading in all directions!

Yun Feiyang quickly stabilized himself and shouted angrily, "Quickly capture this beast, if it escapes, it will be hard to catch it again!

Anyone who helps me catch this beast will be heavily rewarded!"

Saying this, Yun Feiyang flew over and charged towards the black giant ape!

"Damn it, how did this beast suddenly break free from the 'Nine Curves Immortal Nails', what's going on?!"

"Stop talking, hurry and capture this beast, but don't kill it!"

Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi, along with the young prodigies all burst with energy and charged forward!

The spectators, upon learning that capturing the black giant ape would earn a reward, also surged forward competing to capture it!

"Roar!——"

The black giant ape let out an earth-shaking roar towards the charging crowd!

The sound waves rolled out as if they were tangible!

"Ahhhhh..."

Many clutched their heads, screaming miserably, blood flowed from their seven orifices as they fell from the sky!

Immediately, the black giant ape clenched both fists, swinging them like heavy hammers!

Bang Bang Bang!

Many who charged were directly blasted in midair, turning into a sky full of blood and bone fragments, scattering in the air!

However, due to the sheer number of people and with Yun Feiyang and Chu Fenghuo assisting, the black giant ape couldn't break free for the moment!

Yang Luo saw this and swiftly gathered up the nine golden needles and nine purple-gold Immortal Nails, exclaiming, "Brothers, attack!"

"Alright!"

Bujie and the others responded in unison and charged out.

"Roar!——"

Big White also let out a roar, jumping off Yang Luo's shoulder, its body growing larger and larger!

Its body grew from less than one meter to over three hundred meters!

Accompanied by a resounding rumble!

The ground cracked and collapsed under its steps!

"Everyone get the hell out of my way!"

Big White let out a furious roar, swinging a fist and knocking a large number of people to the side!

Many were blasted in midair by Big White's fist, blood splattering, bone fragments scattering, terrifyingly!

"Brother, well done!"

The black giant ape shouted towards Big White.

"Haha, you're not bad either!"

Big White laughed in response.

"What the hell is going on now?! Why is there another Primordial Demon Ape?!"

"There are two Primordial Demon Apes, great!"

"We must capture them all!"

Seeing Big White, everyone's eyes lit up, charging with madness!

"Trying to catch me, your ape grandpa, you're seeking death!"

Big White roared, swinging its thick legs, charging towards the oncoming crowd!

It was like a mountain crashing down, overwhelmingly mighty!

Bam Bam Bam!

Bang Bang Bang!

A large group was immediately knocked away, some exploded on the spot in midair!

Right at this moment!

A large group charged from above towards Big White with a fierce attack!

Waves of assaults descended, extremely powerful!

Seeing this, the black giant ape raised its strong right arm, swinging fiercely!

Whoosh Whoosh Whoosh!

Tornadoes swept through heaven and earth, crushing upwards!

Accompanied by a series of explosions, the attacks launched from the sky were completely destroyed!

Many were swept into the sky, torn to shreds!

"Thanks, brother!"

Big White expressed gratitude.

"I should be the one thanking you!"

The black giant ape ran over and said, "Without your help, I couldn't have escaped!"

While Big White and the black giant ape were conversing!

A large group of people charged from all directions, preparing to surround and eliminate Big White and the black giant ape!

"Screech!——"

Accompanied by a clear cry.

Only to see, the Hundred Cry Bird's body also enlarged more than three hundred meters!

It flapped its wings fiercely!

Boom Boom Boom!

Burning red fire columns broke through the thick dark clouds, blasting down!

"Careful!"

"Back away quickly!"

"Ahhhh..."

Those intending to surround Big White and the black giant ape shouted in terror, retreating one after another.

But a large number didn't retreat in time and were hit by the fire columns, blasted to pieces!

"Oh my god, what is the origin of this bird, why is it so powerful?!"

"Could this bird be the descendant of the Vermillion Bird, a Hundred Cry Bird?!"

"What on earth is going on, not only another Primordial Demon Ape but also a Hundred Cry Bird?!"

People exclaimed in shock, watching in stunned amazement.

"Die, all of you!"

The Hundred Cry Bird flapped its wings again.

Whoosh Whoosh!

Furious flames gushed out from its body, transforming into a sea of fire, surging in all directions!

Those people were engulfed by the sea of fire, burning with wretched screams!

The black giant ape looked up and said, "Thank you, brother!"

The Hundred Cry Bird raised an eyebrow, "You fool, I'm a girl!"

"Uh..."

The black giant ape scratched its head and said, "Thank you, sister!"

"Alright, alright!"

The Hundred Cry Bird flapped its wings and said, "Now is not the time for chatting, you two big guys quickly follow Brother Yang and find a way to break out together!"

"Got it!"

Big White and the black giant ape answered, then simultaneously swung their thick legs, charging towards the crowd!

The Hundred Cry Bird soared above, assisting them!

At this moment.

Big White and the black giant ape were like two ancient ferocious beasts, launching a massacre in the square!

Anyone hit by their fists and palms was pulverized!

As for those falling to the ground, they were stomped into mincemeat!

Bujie, fighting fiercely in the distance, exclaimed, "Damn, these two big fools are too brutal, they're like a black and white pair of calamities!"

Ning Jianfeng chuckled, "These two guys paired up, it's perfect, their combat power has skyrocketed!"

Yang Luo, wielding the Dragon Emperor Sword, sent a group flying with one strike, then shouted, "Alright, you two stop fooling around!"

Quickly charge out, if the city's guards arrive, it'll be hard for us to escape!"

"Understood!"

"Brothers, let's go!"

Bujie and Ning Jianfeng howled, one wielding the Heavenly Dragon Zen Staff, the other holding the Soaring Serpent Sword, charging out!

At this moment.

"Kid, who are you, why are you causing trouble in my Tianyuan City!"

Yun Feiyang, holding a purple-black trident, charged over, coldly staring at Yang Luo.

He had realized earlier, it was this group of unknown individuals who released that Primordial Demon Ape.

Moreover, this group had the young man in front as their leader.

Of course, even more shocking for him was that this young man possessed late-stage Golden Immortal cultivation.

This young man, so young with such cultivation, could be called a prodigy.

But why is he so unfamiliar?

### **Chapter 2766: Chapter 2766: You Dare Claim to Be Invincible in the Same Realm?**

Yang Luo squinted and said, "Who we are, you do not need to know!

We do not wish to cause trouble here; we simply want to take away this Primordial Demon Ape!

You'd better let us go and don't force us into a massacre!"

"Insolence!"

Yun Feiyang shouted angrily and said coldly, "I captured this Primordial Demon Ape, why should I let you take it away, who do you think you are?"

Yang Luo's eyes turned cold, and he said lightly, "You alone cannot stop me. If you do not wish to die, then get out of the way!"

"Scoundrel!"

Yun Feiyang shouted fiercely, his expression cold and arrogant, "I am the son of the Nanyang King, the foremost of the five Heavenly Prides of the Southern Domain, invincible within the same realm!

Even if your cultivation is the same as mine, you cannot be my match!"

Yang Luo chuckled softly and said, "I apologize, but I am also invincible within the same realm."

"Do you dare claim to be invincible within the same realm?"

Yun Feiyang looked disdainful, "I would like to see how you are invincible within the same realm!"

As he spoke, he stepped forward, transforming into a stream of swift light, charging fiercely at Yang Luo!

Yang Luo also stepped forward, directly meeting the attack head-on!

In an instant!

Their distance in the sky was quickly closed!

Yun Feiyang directly swung the spear in his hand, sweeping horizontally towards Yang Luo!

Whiz!

The spear swept out, causing an ear-piercing sonic boom in the air!

A great expanse of purple-black immortal light swept out towards Yang Luo!

“Too weak...”

Yang Luo spoke lightly, directly swinging the sword in his hand, slashing heavily!

Swish!

Golden sword light shot straight into the skies, the fierce sword intent ravaging in all directions!

A golden sword directly sliced the thick dark clouds in the sky in half, like an ancient sword immortal splitting the firmament with one stroke!

The split clouds surged wildly like black tidal waves, sweeping across heaven and earth!

In an instant!

Clang!

The purple-black giant spear and the golden giant sword collided fiercely in the air, erupting with a sound that shook heaven and earth!

At the point of collision, light flickered, energy surged, rushing up to the sky and down to the earth!

Thick clouds and the plaza were both pierced through with a hole!

Yun Feiyang initially thought he could easily block Yang Luo's sword and knock him back!

But, at the moment of collision!

He felt the terrifying force of Yang Luo's sword, which he could not withstand at all!

"Ugh..."

He let out a muffled grunt, flying backward hundreds of meters before barely stabilizing himself!

Although he stabilized his body, he felt his internal energy boiling, his right arm holding the spear trembling, and a tingling pain traveling through it!

"My god, who is this guy, able to send Young Master Yun flying with one sword?!"

"Isn't this guy also at the late-stage Golden Immortal cultivation? How could he send Young Master Yun, who is also at late-stage Golden Immortal, flying?!"

"It's unbelievable, Young Master Yun is the number one Heavenly Pride of the Southern Domain, invincible in the same realm, yet he was knocked back by this mysterious guy!"

The people engaged in battle from afar also saw this scene, continuously exclaiming, greatly shocked.

"Damn it!"

Yun Feiyang felt deeply embarrassed, shouting angrily, "Kid, I refuse to believe that the Nanyang Divine Son would not be your match!"

Before the words fell!

His body flashed, once again charging towards Yang Luo!

Yang Luo appeared calm, and his body flashed as well, meeting the battle head-on once more!

In the moment they collided!

"Bu Xiu Slaying Immortal Spear!"

"Immortal Slaying Nine Destruction!"

Yun Feiyang held the spear, swinging it several times, striking heavily towards Yang Luo!

Nine purple-black giant spears pressed down on a section of the Cloud Sea, shaking the heavens and earth, erupting with terrifying power!

Streams of purple-black light beams shot towards Yang Luo like beams slicing through space!

“Dragon Emperor Sword Technique!”

Yang Luo flipped his right hand, swinging out another sword strike!

“Roar roar roar!”

A single sword strike was released, ten thousand dragons roared, overturning heaven and earth, disturbing the void!

Crash!

Rumble!

Accompanied by the sound of heaven-shaking collisions and explosions!

Yang Luo’s sword strike directly annihilated the nine giant spears wielded by Yun Feiyang!

The roaring golden giant dragon also shattered the incoming purple-black beams!

“Ah...”

Yun Feiyang let out a painful cry, sent flying with spear in hand!

This time, he flew a thousand meters away, barely stabilizing himself!

Bloody slashes appeared on his chest, and a trickle of blood seeped from the corner of his mouth!

“How is this possible?! With just two swords, this guy injured Young Master Yun?!”

“Isn’t this guy a late-stage Golden Immortal? How is his strength so formidable?!”

“I feel like the strength of a Golden Immortal at Perfected Stage is nothing much!”

The people in the distance were even more surprised, unable to understand why.

Yang Luo lifted his gaze towards Yun Feiyang, speaking coldly, “I forgot to mention earlier, actually, I am not only invincible in the same realm, but I can also kill enemies above my level!

I have no grievance against you and do not wish to kill you, but do not force me!”

“Invincible in the same realm... can also kill enemies above your level?”

Yun Feiyang sneered, saying, “You really are arrogant, do you truly think you are a top Heavenly Pride of the Jiuzhou Immortal Domain?”

“Believe it or not, up to you.”

Yang Luo replied lightly.

Since coming to the Jiuzhou Immortal Domain, he had experienced many battles.

In almost every struggle, the opponents’ cultivation and strength were above his own.

Through these trials, his strength had increased tremendously.

He was confident that below Daluo Golden Immortal, no elder could be his match.

“Well then, let’s try!

Let me see how you are invincible within the same realm and can kill above your level!”

Yun Feiyang shouted loudly, then his whole body shook, unleashing his full momentum, battle force raging!

Boom!

A massive purple-black beam surged from his body, shooting straight into the sky, breaking through the clouds!

On his body, blinding purple-black light flickered, and profound runes appeared on his surface!

Phenomena of the sun, moon, stars, mountains, and rivers appeared above him!

“Young Master Yun has activated the ‘Bu Xiu Divine Body,’ how astonishing!”

“Looks like Young Master Yun is serious now. Once ‘Bu Xiu Divine Body’ is activated, Young Master Yun’s battle strength will increase several times!”

“This kid forced Young Master Yun to activate the ‘Bu Xiu Divine Body,’ he is certainly doomed!”

“Causing trouble in Tianyuan City is asking for death!”

The people looked at Yun Feiyang with eyes full of admiration, while their gazes towards Yang Luo were filled with pity.

Yet, Yang Luo just calmly looked at Yun Feiyang, showing no sign of threat.

"Fight!"

With a thunderous roar, Yun Feiyang flashed with his spear, his aura overwhelming, charging once again towards Yang Luo!

The phenomena above his head followed him in imposing motion!

He assaulted with greater ferocity and rage, the sun, moon, and stars cycled, shooting out immortal rainbows!

Mountains suppressed from above, rivers surged forth in mighty torrents!

This assault was even more ferocious and violent, one that a typical late-stage Golden Immortal elder couldn't withstand!

“””

*Chapter 2767: Chapter 2767: Wild and Unrestrained*

But, facing Yun Feiyang's offensive, Yang Luo's lips curled into a smile.

This smile, in Yun Feiyang's eyes, seemed like mockery, igniting his fury.

He erupted with even stronger energy, swinging the tridents in his hand fiercely at Yang Luo!

His physique phenomena also unleashed an even more terrifying offensive, aiming to drown Yang Luo!

Yang Luo once again slowly raised his sword in hand, slashing forward!

"Slash!"

Swish!

A single sword strike unleashed a magnificent sword might that shook the heavens, with vast sword intent rushing straight to Jiuxiao!

The cloud sea above the sky was split once again, and the void below seemed about to be split open!

Space violently fluctuated and twisted, as if it would tear apart at any moment!

In an instant!

Boom! Boom!

Thunderous clashes and explosions resounded!

With just one sword strike, the huge spear Yun Feiyang wielded was directly shattered!

The physique phenomena he had manifested above also vanished instantly!

"Ah..."

Accompanied by a painful scream.

Yun Feiyang was sent flying back again, spitting blood from his mouth, and a long gash was opened on his body, with blood splattering in mid-air!

"My heavens, Young Master Yun, even after activating the 'Bu Xiu Divine Body,' can't defeat this kid!"

"Who is this kid exactly, why does he possess such formidable combat power?!"

"Could he be a top prodigy from another continent, here to train in the Donghua Divine Continent?!"

"But why have we never heard of his name before?!"

The people in the distance were stunned, unable to believe what they had just witnessed.

The chief of the five prodigies of the Southern Domain, 'Nanyang Divine Son' Yun Feiyang, was crushed!

"How could this happen... how could this happen?!"

I am the number one prodigy of the Southern Domain!

I can't believe I will truly lose to you!"

Yun Feiyang was frantic at this moment, reactivating the 'Bu Xiu Divine Body' and once again manifesting his physique phenomena!

Immediately, he swung the tridents in his hand, roaring out!

"Bu Xiu Slaying Immortal Map!"

A purple-black Immortal Map condensed in the sky, expanding continuously, resembling a purple-black sky, pressing down on Yang Luo!

Just as Yun Feiyang launched his fierce attack!

Four figures dashed swiftly from the air in the distance, launching a fierce offensive towards Yang Luo!

It was "Huoyun Saint" Chu Fenghuo, "Emperor Donghuang's Son" Lin Xingzhi, "Qian Tu Immortal Monarch" Shen Tu Xiong, "Qian Huan" Lu Xueqi!

Earlier, they were opposing Wu Qiansheng and Lu Yunqi and others!

But upon seeing Yun Feiyang being crushed by Yang Luo, they decided to come help!

Thus, in their view, the strongest among the group is likely this youngster!

"Fire Cloud Immortal Slaying Saber!"

Chu Fenghuo swung the saber in his hand, slashing heavily at Yang Luo!

Swish!

The saber split the firmament, with crimson flames surging skyward, transforming into a raging fire sea, roaring forward!

"Emperor's Dominating Fist!"

Lin Xingzhi spun a punch, blasting out crazily!

A dark golden fist, like an extraterrestrial meteorite, rolled across the sky, exploding with vigorous fist intent, smashing towards Yang Luo!

"Five Wheel Vajra Palm!"

Shen Tu Xiong raised his right arm, launching a powerful palm strike fiercely!

A Five-Colored Giant Palm burst with dazzling light, carrying a surging palm intent, pressing forward!

"Thousand Illusion Immortal Sword Technique!"

Lu Xueqi swung the long sword in her hand, slashing towards Yang Luo!

Swish!

A silver giant sword sliced through the sky, carrying a mighty sword intent, striking heavily!

Countless silver flying swords also condensed in the air, simultaneously shooting towards Yang Luo!

"Oh my word, the five prodigies have joined forces, can this youngster withstand it?!"

Someone exclaimed out loud.

"The five prodigies united, even 'Nantian Emperor's Son' Yun Longxiang couldn't easily match them!"

Another person cried out.

Everyone else transferred their gaze over here, their faces filled with fear.

But, against the offensive of Yun Feiyang and the five!

Yang Luo's expression remained very calm, without the slightest panic!

He wielded the Dragon Emperor Sword, slashing out vigorously!

"Arrogant Sword Scripture!"

Swish!

A sword strike unleashed, Sword Light Like Abyss, sword intent like a tide!

Nine golden swords cut through the firmament, tearing the sky apart, simultaneously shooting towards Yun Feiyang and the five!

In the blink of an eye!

Bang! Bang!

Explosions and crashes thundered!

The offensive launched by Yun Feiyang and the five was completely destroyed, and they were simultaneously sent flying!

Flying back hundreds of meters, Yun Feiyang and the five barely stabilized themselves!

For a moment.

Everyone present was utterly shocked!

"The combined strike of the Southern Domain's five prodigies was easily blocked by this youngster?!"

"Not only that, this youngster also repelled the five prodigies with one sword!"

"This youngster really is outrageously strong!"

The people in the distance exclaimed, their gazes towards Yang Luo filled with fear.

At this time.

Yang Luo stood tall in the air with the Dragon Emperor Sword, raising his eyes to look at Yun Feiyang and the five opposite him.

His black hair flowing, black robe fluttering in the wind, dashing yet imposing, wild yet unruly.

Yun Feiyang and the five stared tightly at Yang Luo, their expressions varied.

Chu Fenghuo squinted his eyes and said, "Interesting, I didn't expect another top prodigy to emerge in our Donghua Divine Continent!"

Lin Xingzhi loudly asked, "Kid, who exactly are you, what's your name?"

Shen Tu Xiong and Lu Xueqi also looked at Yang Luo, their eyes filled with suspicion.

Especially Lu Xueqi, her beautiful eyes stared closely at Yang Luo.

Not long ago, Yang Luo and his companions blocked her way.

At that time she didn't even regard Yang Luo and his companions.

But little did she expect, among this group was hidden a master.

Yang Luo spoke with a resonant voice, "I answer to no other name nor change my surname, I am Yang Luo!"

"Yang Luo?"

Shen Tu Xiong looked puzzled, "Why have we never heard of your name?"

Yang Luo said, "I'm from Huangzhou, it's normal you haven't heard of me!"

"Huangzhou?!"

"Isn't Huangzhou the smallest, with the least spiritual energy and cultivation resources, yet able to produce such a prodigy as yourself?!"

"It seems Huangzhou isn't as simple as it appears on the surface!"

Chu Fenghuo, Lin Xingzhi, and Shen Tu Xiong exclaimed in surprise.

Lu Xueqi's beautiful eyes also went wide, very startled.

Yun Feiyang stared viciously at Yang Luo, speaking sharply, "Kid, I thought you were a prodigy disciple from some top force of the five continents, didn't expect you're from Huangzhou!

Being from Huangzhou, you dare to cause trouble in my Tianyuan City and steal my belongings, aren't you afraid of dying?"

Chu Fenghuo furrowed his brows and said, "Kid, this Primordial Demon Ape was captured by Brother Yun, it's not right for you to snatch it?

Considering your struggle in cultivation, if you and your companions leave here immediately, we might spare your lives!"

Yun Feiyang coldly said, "Kid, you can leave, but you must leave the Primordial Demon Ape I captured, and also your other Primordial Demon Ape!

You cause trouble here, creating such losses, consider it compensation!"

*Chapter 2768: Chapter 2768: Are You Worthy?*

Lin Xingzhi said coldly, "Didn't you hear? Leave behind those two Primordial Demon Apes and take your people and get lost!"

"Do what we said quickly. This is not a place for you to cause trouble!"

Shen Tu Xiong's face was indifferent, his eyes filled with disdain.

Just a kid from Huangzhou, they didn't take him seriously at all.

Yun Feiyang added, "You injured me, you must apologize to me in front of everyone!"

Lu Xueqi spoke arrogantly, "Kid, if you're willing to join our Thousand Illusion Immortal Sect and give your Primordial Demon Apes to us, I might ensure nothing happens to you today!

Kid, this is your only chance, you better seize it!"

Yun Feiyang frowned, "Lu Xueqi, what do you mean?

This kid is my enemy, his Primordial Demon Apes naturally should compensate me!

It's not right for you to interfere now, is it?"

Lu Xueqi calmly replied, "As long as this kid joins our Thousand Illusion Immortal Sect, he is a disciple of our sect!"

Everything of his also belongs to our Thousand Illusion Immortal Sect!"

"You..."

Yun Feiyang was about to retort.

"Hehe..."

Yang Luo suddenly laughed.

"Kid, what are you laughing at?"

Yun Feiyang looked at Yang Luo angrily.

Yang Luo smiled and shook his head, saying, "Did you misunderstand something?"

"What do you mean?"

Chu Fenghuo asked in a deep voice.

"Who do you think you are?"

Yang Luo cast a cold glance, speaking with vigor, "You dare ask me to apologize to you? You dare demand compensation from me?"

Do you really think being called the Five Heavenly Pride of the Southern Domain means you truly are the Heavenly Pride?"

Saying that, he looked at Lu Xueqi, "And you, who gave you the confidence to be so high and mighty, and look down on everyone?"

Your Thousand Illusion Immortal Sect, do you think it's worthy of me joining?"

Hearing each of these words from Yang Luo!

Yun Feiyang and the five of them were first stunned!

Then they were instantly furious!

Yun Feiyang sneered, "See, you wanted to give this kid a chance, but he doesn't know how to cherish it!"

"Fine, very well, excellent!"

Chu Fenghuo, filled with rage, said viciously, "Since you are so ungrateful, then leave your life behind!"

Lin Xingzhi also said arrogantly, "We weren't negotiating with you just now, we were giving you a choice!"

Since you don't know how to cherish it, I can only say sorry!"

Shen Tu Xiong also looked fiercely, "Do you really think you can defeat the five of us alone? You are truly arrogant and ignorant!"

Lu Xueqi sighed gently, "Since you don't want to join our Thousand Illusion Immortal Sect, then no one can protect you today."

Yang Luo shouted sternly, "Enough with the nonsense, if you want a fight, then let's fight!"

He couldn't stand their high and mighty arrogance!

When would his life ever be controlled by others!

Yun Feiyang scolded loudly, "Don't hold back, just kill him!"

"Alright!"

Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi replied in unison.

The next second!

Boom boom boom!

Yun Feiyang and the five of them unleashed all their powers at once, mighty beams of light erupted from them!

Their bodies shone with immortal light, dazzling brightly, piercing through the clouds of the sky, forming five massive holes!

Rumble rumble!

A surge of immense and vast pressure and aura spread from their bodies, sweeping across the heavens and earth in all directions!

Yun Feiyang and the five of them all activated their powerful physiques, intending to seriously kill this arrogant Yang Luo!

Above the five of them, a phenomenon of their physique appeared!

Above Yun Feiyang, the sun, the moon, and the stars, a phenomenon of mountains and rivers!

Above Chu Fenghuo, a crimson Fire Sea was surging wildly, with enormous fire clouds shading the sky!

Above Lin Xingzhi, stood a dark golden giant wearing a Dragon Robe, stepping on a dark golden giant dragon!

Above Shen Tu Xiong, loomed a five-colored grinding disk, engraved with ancient characters and runes, flashes of Five-colored Immortal Light with each turn!

Above Lu Xueqi, a vast silver immortal light, surrounded by clouds and mist, various immortal beasts soaring!

"Bu Xiu Divine Body, Huoyun Battle Body, Donghuang Emperor Body, Five Wheel Divine Body, Thousand Illusion Immortal Body..."

"My heavens, all the Five Heavenly Pride have activated their physiques, they're going all out!"

"Three Golden Immortal Late Stage, two Golden Immortal Middle Stage, even if this kid is strong, he surely can't win!"

"This kid just needs to apologize to the Five Heavenly Pride to have a chance to live, but he doesn't cherish this opportunity!"

"This kid brought this on himself, he can't blame anyone else!"

Everyone exclaimed in shock, shaking their heads, looking at Yang Luo as if they were seeing a dead man.

Yun Feiyang stood high up, holding tridents, his eyes shining with immortal light, like a Divine King descending!

He looked down at Yang Luo, proclaiming loudly, "Kid, I'll give you one last chance!

Kneel down immediately, kowtow and beg for mercy, and leave behind the two Primordial Demon Apes!

I might spare you from death!"

"Do it quickly, don't force us to act!"

"We've gone all out, once we move, you will surely die!"

"It's not too late to regret now!"

"Hurry and apologize!"

Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi also stood high above, looking down at Yang Luo.

From birth until now, they've always been superior to others, never been provoked.

Yet today, a kid from Huangzhou dared to provoke them, infuriating them.

"Hehe... Hahaha..."

Yang Luo laughed wildly, boldly saying, "You want me, Yang Luo, to kneel and beg for mercy, to apologize to you, are you even worthy?"

Do you really think activating some ridiculous physiques can defeat me?

Come on, you all together, see how I crush you!"

"Arrogant!"

"Insolent!"

"Courting death!"

Yun Feiyang and the five of them shouted in unison, stepping forward like five Immortal Gods, charging at Yang Luo together!

They no longer intended to give Yang Luo any chance, planning to kill him together!

They wanted to kill the chicken to scare the monkeys, letting everyone present know that the Five Heavenly Pride of the Southern Domain were not to be trifled with!

However, just as Yun Feiyang and the five charged forward!

Yang Luo's body shook, his Primordial Bloodline burst out, physique activated!

In the blink of an eye!

Boom!

A massive golden beam, vast as an abyss, shot from him, piercing the clouds above, creating a deep chasm in the sky!

Golden Long Wen and ancient mystical runes appeared on his skin!

His eyes flashed with dazzling golden light, like two Divine Lamps, illuminating past and future, shining through eternity!

Rumble rumble!

A surge as powerful as landslides and tsunamis, volcanic eruptions, destroying heaven and earth, burst from his body, sweeping in all directions!

"Such powerful aura!"

"Retreat quickly!"

"Quickly!"

Feeling something was amiss, Yun Feiyang and the five exclaimed, preparing to retreat, but it was still a step too late.

Accompanied by a rumbling crash, Yun Feiyang and the five were like sandbags, being blasted away...

### **Chapter 2769: Chapter 2769: Crushing Victory!**

"Oh my god, this guy just released his aura and sent the Five Great Talents flying?!"

Someone exclaimed.

"This guy seems to have a special physique as well, but there's no phenomenon appearing, so it's hard to tell what kind of physique it is!"

Another person shouted in shock.

Everyone else was dumbstruck and couldn't believe their eyes.

Although they couldn't figure out Yang Luo's physique, they could sense its incredible power!

At this moment.

After Yun Feiyang and his companions were sent flying several hundred meters away, they finally stabilized themselves.

Their faces were full of shock, unable to discern what kind of physique Yang Luo had to be so overwhelming.

Yun Feiyang shouted, "Let's go together and show this guy the power of the Five Great Talents!"

“Okay!”

Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi responded in unison.

Then, Yun Feiyang and the others surged again towards Yang Luo.

“Bring it on!”

Yang Luo stepped forward to face them.

In an instant!

The distance between Yang Luo and Yun Feiyang’s group rapidly closed!

Yun Feiyang, Chu Fenghuo, and Lu Xueqi simultaneously brandished their tridents, saber, and sword, slashing heavily at Yang Luo!

Swoosh! Swoosh! Swoosh!

The purple-black giant spear, the red giant saber, and the silver giant sword cleaved fiercely, releasing blinding immortal light, charging upward!

Lin Xingzhi and Shen Tu Xiong also threw a punch and a palm strike towards Yang Luo!

Rumble! Rumble! Rumble!

The earth shook, buildings trembled, and the Cloud Sea churned!

A dark golden giant fist and a five-colored giant palm collapsed the firmament, simultaneously crushing downward!

Moreover, the phenomena above the five surged aggressively!

The sun, the moon, and the stars shot dazzling beams, mountains weighed heavily, and an immortal river poured down like the galaxy!

A tumultuous and fiery sea roared upward, with fiery clouds suppressing!

A dark golden giant wearing a dragon robe slammed a palm, while a dark golden giant dragon roared upward!

A five-colored millstone spun continuously, crushing upward, releasing countless immortal rainbows, with runes flying everywhere!

Silver immortal light streaked like ribbons, countless immortal beasts charged forward!

Against the fierce assault from Yun Feiyang's group!

Yang Luo stood tall without fear, grasped the Dragon Emperor, and swung fiercely at the five!

"All of you, get out of my face!"

Swoosh!

A single sword stroke shook heaven and earth, trembling in all directions, with sword light dazzling the world and sword intent soaring!

A golden giant sword swung furiously, obliterating all the attacks Yun Feiyang and the others unleashed!

The phenomena of their physiques were all destroyed by a single sword strike!

It was utterly unstoppable and all-destroying!

"Ahhhhh..."

Yun Feiyang's group cried out in pain, flying backward consecutively!

"Aren't you the Five Great Talents of the Southern Domain?"

"Didn't you say you were going to kill me?"

"Is this all the so-called talents have?"

"I came from Huangzhou, so what?"

"Just because you are sects and clans from Donghua Divine Continent, does that make you superior?"

Yang Luo spoke each word powerfully, holding the Dragon Emperor Sword, walking forward step by step in the sky!

With each sentence, he swung a sword, and each strike was unstoppable!

At this moment, Yang Luo was radiant with golden light, with black hair flowing and wearing a black robe, like an Immortal Emperor descending, overwhelming the world!

Yun Feiyang's group retreated while frantically defending!

Clang, clang, clang!...

Boom, boom, boom!...

Intense clangs and explosions rang out tirelessly!

Bright light and energy waves expanded, sweeping through heaven and earth!

Yun Feiyang's group tried desperately to defend but couldn't, being sent flying by Yang Luo again and again!

Their bodies opened up with bloody wounds, blood splattering into the air, very miserable!

Yang Luo struck out nine times, stunning Yun Feiyang's group, sending them flying nine consecutive times!

"So strong, this guy is incredibly strong!"

"Crushing, it's complete crushing!"

"Isn't this guy at Golden Immortal Late Stage? How could his strength be so powerful?!"

People from afar were stunned, completely unable to believe the scene before them.

The Five Great Talents of the Southern Domain joined forces, yet they couldn't defeat a young man from Huangzhou, utterly unbelievable!

After being sent flying nine times in a row!

"Let's fight to the death with him!"

Yun Feiyang roared, immediately channeling his energy endlessly, launching a fierce attack on Yang Luo!

"Bu Xiu Slaying Immortal Map!"

"Bu Xiu Seven Killings Seal!"

In an instant!

A purple-black immortal map coalesced and expanded continuously, like a curtain covering the sky, pressing down!

Seven purple-black seals coalesced, like seven great mountains, suppressing downward!

"Fire Cloud Mad Blade!"

“Endless Sea of Flames!”

Chu Fenghuo frantically swung the saber in his hand!

Countless fiery flying knives shot towards Yang Luo from all directions, as if intending to dismember him!

A towering sea of flames swept through everything, searing all before it, surging towards Yang Luo, trying to obliterate him!

“Ten Thousand Fists Heaven Creation!”

“Emperor’s Heavenly Dragon!”

Lin Xingzhi clenched his fists, punching madly at Yang Luo!

Tens of thousands of dark golden giant fists bombarded simultaneously, carrying strong fist intent, like countless meteorites, crashing forward!

A large dark golden giant dragon coalesced, containing emperor’s dragon qi, roaring out!

“Sky Splitting Palm!”

“Five Wheel Extinguishing Immortal Technique!”

Shen Tu Xiong raised his right hand, slapping heavily!

With one palm strike, countless five-colored palm shadows overlayed, aggregating into a five-colored giant palm, pushing forward!

A huge five-colored light wheel coalesced above, rotating slowly, with five large beams attacking down!

“Flying Sword Star Picking!”

“Thousand Illusion Slaying Immortal Formation!”

Lu Xueqi’s face was cold, fiercely swinging her sword!

Countless silver swords shot down like meteors, breaking through heavy clouds!

A sword formation coalesced above, trapping Yang Luo within!

The sword formation activated, unleashing a destructive attack towards Yang Luo!

Facing the wild assault from Yun Feiyang's group!

Yang Luo still stood unafraid, swinging another sword while releasing the power of his blood essence!

"Beast Blood Boiling!"

"Roar! Roar! Roar!"

With earsplitting roars!

The illusions of the Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts stood tall, charging out furiously!

Boom! Boom! Boom!

Under Yang Luo's furious sword strike, coupled with the impact of the Holy Dragon, the Four Great Divine Beasts, and Four Great Fierce Beasts!

The attacks from Yun Feiyang's group were again destroyed!

They were sent flying, blood spraying everywhere!

Yang Luo suddenly surged forward, closing in on Lu Xueqi!

His face cold, he loudly said, "Lu Xueqi, are you the only one who knows sword formation?"

With that, he fiercely swung his sword!

"Dragon Rebel Sword Formation!"

In an instant!

A golden sword formation that shadowed the sky coalesced, trapping Lu Xueqi inside!

*Chapter 2770: Chapter 2770: Raising Havoc in Tianyuan City!*

"This..."

Lu Xueqi's beautiful eyes widened round, filled with endless terror.

She was skilled in sword formations and naturally sensed the finesse and horror of the sword formation laid out by Yang Luo!

"Formation, activate!"

As Lu Xueqi was stunned, Yang Luo directly activated the sword formation!

Whoosh, whoosh, whoosh!

Countless golden flying swords shot towards Lu Xueqi from all directions!

"Roar, roar, roar!"

Tens of thousands of lifelike golden dragons emitted roars and charges, crashing forward!

Lu Xueqi, panicked and frantic, directly activated the Dharma Idol, quickly counterattacking to resist the fierce onslaught of the sword formation!

Yang Luo, on the other hand, paid no more attention to Lu Xueqi. Instead, he took a step forward, appearing above Shen Tu Xiong!

"Shen Tu Xiong, do you really think your hand technique is strong?"

"Let me show you what truly powerful hand techniques are!"

Accompanied by the loud declaration!

Yang Luo raised his left hand, summoning a huge golden palm, with a starry sky manifesting in the center of the palm, pressing down towards Shen Tu Xiong!

"Ten Thousand Starry Sky Palm!"

The huge golden starry palm pressed heavily downward, with the sun, the moon, and the stars crashing down as if to destroy and obliterate everything!

"What?!"

Shen Tu Xiong's expression changed dramatically, swiftly activating the Dharma Idol, and with it, slapped a palm towards the sky!

Palms overlapped, transforming into a five-colored giant palm, pushing upward in an attempt to block Yang Luo's palm!

In an instant!

Bang!

A dull, thunderous collision resounded, vibrating everyone's eardrums painfully!

The next second!

Accompanied by a rumbling explosion!

The five-colored giant palm struck by Shen Tu Xiong was directly shattered, and his Dharma Idol was blown apart into pieces, dispersing into the sky!

"Ah..."

He let out a cry of pain, directly falling from high above, with a "boom," crashing onto the plaza, creating a humanoid crater in the ground!

After blasting Shen Tu Xiong onto the ground!

Yang Luo moved like lightning, appearing in front of Lin Xingzhi!

His gaze was icy, and he shouted in a powerful voice: "Lin Xingzhi, do you think your fist skill is invincible?"

"Let me show you what truly invincible fist skills are!"

As he spoke, he clenched his left hand, and punched towards Lin Xingzhi with great force!

"Nirvana Dragon Fist!"

"Roar, roar, roar!"

With one punch, ten thousand dragons roared!

A giant golden fist like molten gold, surrounded by tens of thousands of golden dragons, thundered towards Lin Xingzhi!

Lin Xingzhi was terrified, immediately gathering layers of a defensive shield to stop it!

But, he could not stop it at all!

Yang Luo's punch was incredibly strong, seemingly aiming to explode heaven and earth, to obliterate everything!

Rumble!

Under this punch, under the collision of tens of thousands of golden dragons!

All layers of defensive shields gathered by Lin Xingzhi were shattered by Yang Luo's punch!

"Ah..."

Lin Xingzhi let out a miserable cry, spewing blood from his mouth, flying back like a cannonball, smashing through several buildings, and then falling into the rubble!

Just as Lin Xingzhi was blasted away!

Yang Luo moved again, as if teleporting, appearing in front of Yun Feiyang and Chu Fenghuo!

"Yun Feiyang, when it comes to array maps and seals, can you be my opponent?"

"Chu Fenghuo, do you think you're the only one who can play with fire?"

He looked at both of them, speaking coldly, then waved his left hand, launching a killing move!

"Nine Emperor Dragon Seal!"

"Chaos Slaughter Array Map!"

"Flame Emperor's World Burning Art!"

The Primordial Dragon Seal, Chaos Dragon Seal, Primordial Dragon Seal, Starry Sky Dragon Seal, and Primordial Dragon Seal five-directional Dragon Seals condensed, crashing forward like five mountains!

An array map inscribed with a golden dragon head, carrying vast killing aura and dragon qi, condensed, pressing down like a golden sky!

A golden-red sea of fire swept across the heavens and earth, surging upward!

"Be careful!"

"Counterattack!"

Yun Feiyang and Chu Fenghuo both screamed in terror, simultaneously activating their Dharma Idols, leading them to counterattack!

Thump, rumble!

Rumble, rumble!

Crashing and exploding sounds resounded through heaven and earth, spreading throughout the entire Tianyuan City!

But, Yun Feiyang and Chu Fenghuo simply couldn't withstand Yang Luo's crushing killing moves!

Their attacks were all destroyed, their Dharma Idols shattered, exploding into massive balls of energy!

"Ugh..."

"Ah..."

Yun Feiyang and Chu Fenghuo both let out screams, flying a thousand meters away, collapsing several buildings, and crashing into the rubble!

"Ah..."

At this moment, a cry of pain came from afar.

It was seen that Lu Xueqi ultimately couldn't withstand Yang Luo's fierce sword formation. Her long dress was stained with blood as she fell from the sky, landing on the plaza!

Seeing Yang Luo defeat the five of them in such a short time!

The tens of thousands of people present were terrified, their whole bodies trembling!

"Strong, too strong, this guy is virtually invincible in the same realm, perhaps even a Perfected Golden Immortal isn't his match!"

"Isn't it so? The five Heavenly Prides joined forces, truly exerting themselves, yet had no power to retaliate, only being crushed by him!"

"Such a peerless prodigy, did he really come from that impoverished land of Huangzhou?!"

"Since when did Huangzhou produce such a terrifying young genius?!"

People were all terrified, cold sweat running down their faces, their legs going weak.

The vast majority dared not confront Yang Luo.

Who dares to take on such a ruthless person? Isn't that courting death?

At this moment.

Yang Luo glanced around, shouting in a powerful voice: "Brothers, let's go!"

"Let's go!"

Wu Qiansheng and the others also shouted in unison.

Following that, under Yang Luo's leadership, they rushed towards the outside of the city.

Yang Luo flew at the forefront, clearing the path for his brothers.

Big White and the black giant ape followed behind, charging through the city.

The Hundred Cry Bird soared high, flying in the sky.

Wu Qiansheng, Bujie, and others followed behind.

"Oh my, what on earth is happening?!"

"Are they going to destroy Tianyuan City?!"

"Quick, get out of the way, move aside!"

The ordinary people in the city screamed in fear, causing chaos, as they hurried to evade.

Crack, crack, crack!

Boom, boom, boom!

Big White and the black giant ape were extremely violent, stomping the ground to shatter and collapse, smashing buildings to pieces!

The entire city immediately descended into chaos!

"Quick, stop those guys!"

"Daring to cause trouble in Tianyuan City, they must have a death wish!"

"Catch them, if they dare resist, kill without mercy!"

Guards from all directions hurried over, charging towards Yang Luo and others.

Yang Luo's eyes were cold and fierce, shouting: "We do not wish to kill, but if you still dare to block the way, don't blame us for being rude!"

"Facing death yet still arrogant!"

"This boy is the leader, seize him!"

The guards shouted, rushing at Yang Luo.

"Courting death!"

Yang Luo roared fiercely, swinging out a sword!

Countless golden flying swords shot out simultaneously, killing and knocking down those rushing guards!

"Brothers, charge out quickly!"

With the Dragon Emperor Sword in hand, Yang Luo charged forward wildly, slicing through all those who came to besiege him!
