Chapter 2781: Chapter 2781: Miracle!

Ning Boqing, Lin Hongyuan, and Duan Xizhu all had tears in their eyes.

Duan Xizhu admiredly said, "Three palms... this kid really didn't resist, he endured the three palms head-on!"

Lin Hongyuan said gravely, "These are the three palms of a Daluo Golden Immortal, how could this kid withstand it with just a Golden Immortal body?"

Ning Boqing clenched his fists, staring at the ruins, not saying a word.

All three were praying in their hearts!

Kid, you must hold on!

Shen Tu Xiong said with admiration, "This guy really walks the talk, with iron courage, he truly didn't resist at all!"

Lin Xingzhi said loudly, "If this kid survives, I am willing to apologize to him and become brothers with him!"

"This kid, after being seriously injured, took three more palms, he's definitely at the brink of life and death."

Chu Fenghuo shook his head and sighed, then said, "If it were us, being able to withstand Uncle Yun's one palm would already be a miracle.

If we stood two palms, we would surely die.

But this kid took three palms, can he really survive?"

Shen Tu Xiong and Lin Xingzhi opened their mouths but couldn't utter a single word.

Indeed, Yang Luo, though at the Golden Immortal Perfected Stage, but Uncle Yun is at the Daluo Golden Immortal Middle Stage!

If Yang Luo resisted, they would believe Yang Luo could withstand it!

After all, in the previous battle, they had witnessed Yang Luo's powerful combat capabilities!

But now, Yang Luo didn't resist at all, only defended, if he could withstand it, that would be quite a miracle!

Lu Xueqi stared blankly at the ruins, somehow feeling a sharp pain in her heart, her eyes reddened.

Among her peers, she has always been unsmiling, keeping strangers at a distance, never having emotions for anyone.

Yet unexpectedly, she had unusual emotions for a man she hadn't known long.

Perhaps, a man standing tall like this is what they call a real man.

Even compared to the once-glorious Yun Longxiang, he was not inferior at all.

Yun Haishan merely stood with clasped hands, staring closely at the ruins, remaining silent.

But his hands behind his back were slightly trembling, proving he wasn't that calm.

As for Yun Tinglan, Zhang Beimu, Liu Jingheng, and Wang Qichuan, they looked at each other and sighed deeply.

Yang Luo's loyalty and courage truly shocked them.

But eventually, this matter had to be resolved.

One couldn't really fall out with the ancient divine beast families over this matter.

"Little Luo!"

Flame Emperor cried out, unable to hold back any longer, tears falling, rushing towards the ruins.

"Brother Yang!"

"Brother Yang!"

"Brother Yang!"

Bujie and Mo Qingkuang also broke into tears, rushing towards the ruins like mad.

But, just as Flame Emperor and the others were halfway there!

The ruins where Yang Luo was buried suddenly began to tremble!

The rubble and sand slid down, making slight noises!

“Huh?! What’s happening?! Is this kid not dead?!”

“My goodness, this kid endured Nanyang King’s three palms without resistance and isn’t dead?!”

“Even if this kid is Golden Immortal Perfected Stage, even if he has a strong physique, he couldn’t possibly withstand Nanyang King’s three palms?!”

“Incredible... this is truly incredible!”

Everyone present was tightly focused on the ruins, their eyes full of shock.

Shen Tu Xiong exclaimed in surprise, “No way, this guy is really not dead?!”

Chu Fenghuo, Lin Xingzhi, and Lu Xueqi were also fixated on the rubble, shocked beyond words.

It was only a few minutes later!

In full view of everyone!

Yang Luo supported himself and forcibly climbed up.

“Huff... huff...”

He was breathing heavily, each breath spilling blood from his mouth.

His body was already covered in wounds, skin torn and flesh exposed, dyed crimson by blood.

His ribs may have broken countless times, even his internal organs were severely injured.

He managed to endure thanks entirely to the Multiple Physiques Secret Technique, relying on the already awakened “Eternal Immortal Body”.

Otherwise, he wouldn’t have survived the second palm from Yun Haishan.

The whole field was first silent, then it burst into excitement!

“Not dead... this kid is really not dead!”

“My heavens... a miracle... this is simply a miracle!”

“I really don’t know what great accomplishments this kid will have in the future, he probably won’t take long to become famous throughout the Jiuzhou Immortal Domain!”

“Another peerless talent is about to rise!”

People exclaimed, even feeling joy for Yang Luo surviving.

After all, Yang Luo’s loyalty, courage, tenacity, and defiance deeply touched them!

Shen Tu Xiong laughed heartily, saying, “I’m convinced, I am completely convinced by this guy!”

Lin Xingzhi admiredly said, “Among all the Heavenly Pride of the Jiuzhou Immortal Domain, there are few whom I truly admire!

But this kid definitely counts as one!”

Chu Fenghuo laughed, saying, “Wouldn’t it be great to have such a hero as a friend?”

“But it’s unsure if this guy is willing to put our grievances behind us!”

“Yes, after all, we were still shouting to kill him not too long ago!”

Shen Tu Xiong and Lin Xingzhi were a bit uneasy.

Chu Fenghuo smiled, saying, “Later, we’ll find time to apologize to this guy, with his character, he will surely forgive us!”

“Indeed!”

“After all, we don’t have any life or death grudge with him!”

Shen Tu Xiong and Lin Xingzhi nodded.

Lu Xueqi, although she did not speak, let out a sigh of relief.

“Damn! Damn!”

Yun Feiyang gritted his teeth and shouted hoarsely, “This kid is still alive?! How is this possible?! How could it be?!”

He then said to Yun Haishan, “Father, this kid is barely hanging on, strike again and finish him off!”

Yun Haishan just glanced at Yun Feiyang, then at Yang Luo, and sighed deeply.

Why is it that despite both being young Heavenly Pride, the gap between his son and this kid is so vast?

Yun Tinglan said somberly, "Feiyang, since this kid has already withstood your father's three palms, let this matter end here!"

"But..."

Yun Feiyang clenched his fists, still somewhat unwilling.

Zhang Beimu said, "Feiyang, you wouldn't want to put your father in a position of injustice, would you?"

Yun Feiyang gritted his teeth, his face twisted, looking at Yang Luo with eyes full of resentment.

"Brother Yang, how are you?!"

"Brother Yang, are you okay?!"

Bujie and Ning Jianfeng had already rushed over, supporting Yang Luo.

The black giant ape also shrank its body, choked with emotion, "Brother Yang, I'm sorry, it's my fault, it's my fault!"

Yang Luo smiled gently with blood on his lips, saying, "Little Monkey, didn't I tell you, this isn't your fault.

Besides, I'm not dead, am I?"

The black giant ape wiped its tears, saying, "Brother Yang, you're my benefactor, even if I have to go through fire and water for you, I won't flinch!"

Chapter 2782: Chapter 2782: Better to Make Peace Than Enmity

Yang Luo coughed up a few mouthfuls of blood heavily and joked, "Oh, you're quite loyal!"

"That's a must!"

The black giant ape raised its head.

At this moment.

Ning Boqing looked towards Yun Haishan and said, "Nanyang King, since this kid survived your three strikes and is still alive, can this matter be resolved?"

"Of course!"

Yun Haishan nodded, "I keep my word; these youngsters can leave now!"

Yang Luo glanced at Yun Haishan, raised his arms, folded his hands in respect, and said, "Nanyang King, thank you for showing mercy!"

This matter is indeed my fault, and I apologize to you!"

Saying this, he bowed deeply towards Yun Haishan.

Therefore, although the third strike Yun Haishan delivered was full of momentum, it was much weaker than the previous two!

Evidently, Yun Haishan held back in the last strike!

He also gained a lot of respect for Yun Haishan!

As expected of the City Lord of one of the eight main cities of the Nan Zhan Immortal Country, the revered Nanyang King, truly a man of strength who keeps his promises!

Although he admired Yun Haishan greatly, he looked down on Yun Feiyang!

This guy is far from his father!

Yun Haishan sighed and said, "Kid, I didn't show mercy; that you survived my three strikes is your fortune!"

I won't pursue today's matter further; you can take your brothers and leave!"

Yang Luo folded his hands in respect once again, "Thank you, Nanyang King!"

"Thank you, Nanyang King!"

Bujie and the others also folded their hands to express gratitude.

Ning Boqing, Lin Hongyuan, and Duan Xizhu took out many spirit stones, pills, and natural treasures from their storage bags.

"Nanyang King, these youngsters caused quite a bit of damage in your Tianyuan City; this is our compensation!"

Ning Boqing waved his right hand.

A dozen storage bags flew towards Yun Haishan.

Yun Haishan shook his head, "Elder Ning, just now my only condition was that as long as this kid can withstand my three strikes without dying, then I'll let these youngsters go!

Since this kid has managed it, I naturally have to keep my word!

As for these compensations, let's waive them!"

Ning Boqing smiled lightly and said, "It's better to resolve enemies than to create them; you should accept it!"

After speaking, Ning Boqing waved his large hand, "Youngsters, let's go!"

Immediately, Bujie and Ning Jianfeng supported Yang Luo and flew onto the ancient boat.

Ning Boqing and others also swiftly flew onto the ancient boat.

Soon, the ancient boat started and flew away from Tianyuan City.

Everyone present looked in the direction of the departing ancient boat with admiration.

Especially Lu Xueqi, a trace of reluctance appeared in her beautiful eyes.

Shen Tu Xiong teased, "Sister Xue Qi, could it be that you've fallen for that kid?"

Lin Xingzhi also joked, "Sister Xue Qi, if you like him, just say it; don't be shy.

After all, this kid is indeed exceptional, we all admire him."

Lu Xueqi's charming face flushed slightly, her eyebrows raised, and she coldly said, "If you don't speak, no one will take you for mutes!"

Chu Fenghuo chuckled and said, "Once this kid recovers, we should go find him, apologize to him in person, and then sit down and have a drink together, how about it?"

"It's a good suggestion!"

"I agree!"

Shen Tu Xiong and Lin Xingzhi both nodded repeatedly.

"Sister Xue Qi, would you like to join us then?"

Chu Fenghuo asked Lu Xueqi.

Lu Xueqi brushed her hair off her forehead and said, "We'll see if I have time when the day comes!"

Chu Fenghuo, Lin Xingzhi, and Shen Tu Xiong exchanged glances and revealed cheeky smiles.

This girl clearly wants to tag along to find Yang Luo, yet pretends to be indifferent, saying she'll see if she has time.

Yun Tinglan looked in the direction of the departing ancient boat and sighed, "If only this kid were a descendant of our Yun Family, how great would that be!"

Zhang Beimu said, "Indeed, if this kid were our descendant, His Majesty would surely appreciate him and put him to good use!

If nurtured, someday our Nan Zhan Immortal Country would surely rise to a higher level!"

Liu Jingheng lamented, "Who would have thought that a little guy from Huangzhou could be so outstanding!

It seems that even in such a barren place as Huangzhou, talents can be born!"

Wang Qichuan shook his head and said, "If Feiyang could be half as excellent as this kid, our lineage could surely soar once more!"

Although Yun Haishan didn't speak, the admiration in his eyes for Yang Luo was evident.

What a pity this kid isn't his own child.

Yun Feiyang, hearing the words of the four elders and seeing his father's expression, was filled with unwillingness and fierce resentment in his eyes.

Being the dignified son of the Nanyang King, the top Heavenly Pride of the Southern Domain, how could he be inferior to this kid?

Back then, he was overshadowed by Yun Longxiang, but who would've thought he'd be overshadowed by a kid from Huangzhou today!

Damn it!

Absolutely insufferable!

He wanted his father and the elders to avenge him, but looking at the current situation, his father and the elders obviously wouldn't take action anymore!

Thinking of this.

He flew over to Shen Tu Xiong and the others, coldly saying, "Brother Chu, Brother Lin, Brother Shen Tu, Sister Xue Qi!

This kid Yang Luo injured you today, are you going to just let it go?

Now that this kid has been seriously injured by my father, we can totally find an opportunity to secretly kill this kid to take revenge!"

Chu Fenghuo frowned and said, "Brother Yun, can't you see?"

"See what?"

Yun Feiyang asked in confusion.

Chu Fenghuo said, "If this kid truly wanted to kill us, do you think we would still be alive now?"

"Brother Yun, you've seen this kid's strength; if he wanted to kill us, it would be as easy as turning over his hand!"

"Brother Yun, whether it's cultivation, strength, or character, this kid is admirable; we shouldn't continue to feud with him, we should resolve the conflict with him!"

Lin Xingzhi and Shen Tu Xiong also tried to persuade Yun Feiyang.

Yun Feiyang trembled with anger, then sneered, "I understand now, you guys are afraid of that kid!

It's laughable that you call yourselves the Heavenly Pride of the Southern Domain, yet you're so cowardly!"

Hearing Yun Feiyang's words, the faces of Chu Fenghuo and the others darkened.

Chu Fenghuo said, "Brother Yun, considering our many years of friendship, I advise you: do not provoke that kid again!

That kid with such strong cultivation and strength must not be ordinary!

If you can be his friend, never make him your enemy!"

After speaking, Chu Fenghuo folded his hands to Yun Haishan and said, "Uncle Yun, since the matter is settled, we will take our leave!"

Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi also folded their hands to Yun Haishan, then followed Chu Fenghuo and left.

"What a bunch of cowards!"

Yun Feiyang roared out loud.

Yun Haishan, with a cold expression, looked at Yun Feiyang and said, "Feiyang, this matter is over; don't provoke that kid again!"

If you cause some major trouble in the future, don't blame me for disowning you as my son!"

After saying this, Yun Haishan ordered the guards to clean up the battlefield, then left with the four elders.

The other people present also left.

Yun Feiyang continued to stare fiercely in the direction of the departing ancient boat and harshly said, "Yang Luo, it's not over between us!"

Chapter 2783: Chapter 2783: Healing Injuries

The ancient boat flew away from Tianyuan City, flying smoothly in the air.

Yang Luo cupped his hands towards Ning Boqing, Lin Hongyuan, and Duan Xizhu, saying, "Thank you, three elders, for helping us out today; we are immensely grateful!"

"Thank you, three elders!"

Bujie and the others also cupped their hands to express their gratitude.

Ning Boqing looked at Yang Luo, smiled faintly, and said, "Youngster, we didn't actually help much.

This matter could be resolved entirely because you completely moved Nanyang King with your own ability."

"That's right."

Lin Hongyuan nodded and said, "Otherwise, with the fiery temper of Nanyang King, this matter would not have ended well!"

Duan Xizhu sighed and said, "You have a heart as broad as the heavens, daring and dauntless. We truly admire you!"

Yang Luo said weakly, "If it weren't for the three elders stepping in, I'm afraid I wouldn't have had this chance..."

Before he finished speaking.

Suddenly, Yang Luo felt a surge of blood rushing inside him, and with a "pu" sound, he spat out a mouthful of fresh blood!

His body swayed, and with a "boom," he collapsed to the ground!

"Brother Yang!"

"Brother Yang, what happened to you?!"

"Brother Yang, don't scare me!"

Bujie and the others hurriedly gathered around.

Ning Boqing stepped forward, frowned, and said, "Youngster, don't speak for now, quickly take a pill to heal and recover!"

As he spoke, Ning Boqing took out a pill and handed it to Yang Luo.

"Thank you, Elder Ning!"

Yang Luo took the pill, swallowed it immediately, and then sat cross-legged to begin healing.

He endured the pain on his body and waved his right hand!

Whoosh whoosh whoosh!

Nine golden needles flew out from the storage ring, suspended in the air, flashing with dazzling golden light!

Immediately, Yang Luo's mind moved!

The "Nine Needles of Heavenly Dao" were immediately deployed!

The nine golden needles, like nine golden streaks of light, traversed the sky and pierced directly into his nine major acupuncture points!

Buzz buzz buzz!

The nine golden needles began to tremble violently the moment they pierced the nine major acupuncture points!

Yang Luo closed his eyes, using the acupuncture technique as an aid, and began exercising energy to heal!

With the vibration of the nine golden needles!

Phenomena like Yi Qi, Yin-Yang, Three Talents, Four Symbols, Five Elements, Six Paths, Seven Stars, Eight Trigrams, Nine Palaces appeared on his body, incredibly mysterious!

However, due to the severe injury, Yang Luo was trembling all over, breathing heavily, and looked extremely pained!

“Three elders, is my Brother Yang alright?!”

Bujie asked anxiously.

The little monkey’s eyes were red, “Three elders, Brother Yang is a good man, he can’t have an accident!

Please, you must save him!”

Big White also hurriedly said, “Yes, please save my Brother Yang, three elders!”

Wu Qiansheng and the others also looked anxious.

Although they wanted to help, they didn’t know medicine and could only be worried without being able to assist.

Ning Boqing stared closely at Yang Luo, saying, “This youngster was already severely injured, and after taking three blows from Nanyang King, his injuries worsened!

However, he actually knows medicine and can heal himself with his exquisite acupuncture technique, that’s truly incredible!”

Lin Hongyuan was also shocked and said, “Looking at this youngster’s acupuncture technique, it’s truly extraordinary!

I can’t even tell what kind of acupuncture technique he’s using!”

“His level of medical skills is definitely far superior to that of ordinary immortal doctors!”

Duan Xizhu also commented.

Bujie nodded, saying, “Three elders, my Brother Yang indeed knows medicine, and his medical skills are very powerful, with the ability to bring the dead back to life!”

Xu Ying and Mo Qingkuang and others also nodded repeatedly.

They were well aware of how formidable Yang Luo's medical skills were.

"Since that's the case, this youngster shouldn't have too big a problem!"

Ning Boqing nodded in understanding, then said, "However, he is now too severely injured, and the three of us must assist him from the side!"

Saying this, he took out several pills and handed them to Bujie and others, saying, "You are also seriously injured, quickly take the pills and heal on the side!"

Lin brother, Duan brother, and I will assist this youngster in healing!"

"Thank you, three elders!"

Bujie and the others cupped their hands to express their gratitude.

Then, Ning Boqing, Lin Hongyuan, and Duan Xizhu sat cross-legged around Yang Luo, mobilizing energy from their bodies, and continuously transmitted it into Yang Luo's body.

Half an hour later.

Yang Luo's body was no longer trembling, his breathing became stable, and the pained expression on his face gradually faded away.

Seeing this scene, Wu Qiansheng and the others finally breathed a sigh of relief.

Mo Qingkuang said, "Brothers, let's quickly heal as well, so we don't worry Brother Yang!"

"Alright!"

Everyone nodded in agreement.

Then, Mo Qingkuang and the others also sat cross-legged, took the pills, and began to heal themselves.

Although they didn't know medicine and their self-healing would be slow, at least they could recover a little.

Time passed slowly.

A full two hours went by.

“Whew...”

Yang Luo let out a long breath of turbid air and slowly opened his eyes.

Ning Boqing stopped exercising energy and quickly asked, “Youngster, how does your body feel, is it any better?”

Lin Hongyuan and Duan Xizhu also looked at Yang Luo.

At this moment.

Mo Qingkuang and others also awoke and hurried over.

“Rest assured, everyone, my injuries have already improved somewhat.”

Yang Luo replied, then said to the three elders, “Thank you, three elders, for assisting me in healing.”

Ning Boqing said, “Youngster, although your injuries have improved somewhat, you haven’t fully recovered, so take good care.

In the upcoming time, you will stay in our Soaring Snake Family to heal.”

“Alright!”

Yang Luo nodded, then said to Bujie and others, “Brothers, you are also seriously injured, let me heal you now!”

Wu Qiansheng said, “Brother Yang, let’s talk about it when you feel better!”

Xia Chaoyang also nodded, “That’s right, there’s no rush!”

“I know my own body, it’s fine.”

Yang Luo shook his head, then deployed various medical techniques to heal Wu Qiansheng and others.

Ning Boqing, Lin Hongyuan, and Duan Xizhu observed Yang Luo healing Wu Qiansheng and others, growing more and more shocked at the medical techniques Yang Luo displayed.

Lin Hongyuan stroked his beard and said, “I didn’t expect this youngster, so young, to not only be immensely powerful but also have such extraordinary medical skills!”

Duan Xizhu's mind was full of more questions, "I really don't know who these youngsters are, and why do they have the bloodlines of various Divine Beast families flowing in them?"

Ning Boqing said, "Let's talk after they finish healing."

"Mm."

The two nodded.

Until the healing was finished, and the injuries of Bujie and the others had improved considerably, Yang Luo finally breathed a sigh of relief.

Then, Ning Boqing took out a long, low table and several cushions and placed them on the deck of the ancient boat.

Lin Hongyuan then took out a teapot and brewed a pot of tea.

Yang Luo picked up a teacup and took a sip, saying, "I presume you three elders have many things you want to ask.

If you have any questions, feel free to ask; we will certainly tell everything we know without holding back."

Chapter 2784: Chapter 2784: The Current Situation of the Ancestor Dragon Clan

Ning Boqing took a sip of tea and asked, "Who exactly are you people, and why do the bloodlines of the various ancient divine beast families flow within you?"

He paused for a moment.

He then looked at Ning Jianfeng and Lin Wenxuan and said, "Especially these two little ones; one of them has the bloodline of our Ancient Soaring Serpent Family,

and the other has the bloodline of the Ancient Qilin Family, which truly makes us curious.

After all, we have never seen you before."

Lin Hongyuan said, "However, since the bloodlines of various ancient divine beast families flow within you, there must be some connection with us."

Yang Luo smiled faintly and said, "Three elders, let me first introduce you to these brothers of mine, after which I'll explain where we come from."

In the following moments.

Yang Luo introduced himself, as well as Bujie and others, and explained that they came from Earth.

When Yang Luo finished speaking.

Ning Boqing, Lin Hongyuan, and Duan Xizhu were left in a daze, unable to recover for a long time.

Lin Hongyuan took a big gulp of tea and said, "Are you saying that you come from Earth, which is the Burial God Star from the ancient era?!"

"That's correct."

Yang Luo nodded and said, "We indeed come from there, and it was through a special secret method that we opened the Immortal Road, leading us to the Nine Provinces Immortal Domain."

Ning Boqing took a deep breath and said, "Our various ancient divine beast families have a deep origin with Earth!"

In the past, the ancestors of our various ancient divine beast families led many people to ascend to the Nine Provinces Immortal Domain, establishing our ancient divine beast families!

I never expected that one day we would meet descendants from Earth!

This is truly a good thing, a wonderful thing!"

Lin Hongyuan laughed heartily and said to Lin Wenxuan, "Well done! You truly live up to being a descendant of our Ancient Qilin Family, a remarkable talent indeed!"

Ning Boqing smiled and said, "Our Soaring Serpent Family's descendants are not bad either. Even in the lower realm, they managed to elevate their cultivation to such levels!"

Lin Wenxuan and Ning Jianfeng were both very pleased.

Bujie pouted and said, "Well, who would have thought that these two guys would be the first to recognize their ancestors!"

Seeing the happy expressions on Ning Boqing and Lin Hongyuan's faces.

Duan Xizhu said indignantly, "Why haven't any descendants of my Gu Luwu Family come to the Nine Provinces Immortal Domain?"

Yang Luo explained, "Elder Duan, it's like this: since it's our first time opening the Immortal Road, we aren't sure whether it's safe or dangerous."

So, only a small group of us came, while others remained on Earth.”

Ning Jianfeng looked at Ning Boqing and complained, “Elder Ning, you have no idea—coming to the Nine Provinces Immortal Domain nearly cost us our lives!

At the beginning, the Immortal Road was fine, but then we encountered spatial turbulence, leading to its collapse!

This caused many of our brothers to become separated from us!”

Ning Boqing pointed at Ning Jianfeng and the others, smiling as he said, “You young ones have a lot of guts. Even without stepping into the Golden Immortal stage, you dared to come to the Nine Provinces Immortal Domain.

Nevertheless, you have shown courage and decisiveness, and you managed to arrive safely, which is commendable.”

Yang Luo curiously asked, “Three elders, which ancient divine beast families are in the Donghua Divine Continent?”

Although he knew there were many ancient divine beast families in the Donghua Divine Continent, he wasn’t sure which ones exactly.

Bujie and the others also looked towards Ning Boqing and the other two.

Ning Boqing said, “The Donghua Divine Continent is divided into five regions: the Eastern Region, Western Region, Southern Domain, Northern Domain, and Central Region.

The Ancient Soaring Serpent Family, Ancient Qilin Family, and Ancient Luwu Family are located in the Southern Domain.

The Gubai Ze Family and Gu Kui Niu Family are located in the Eastern Region.

The Gu Dapeng Family and Gu Bifang Clan are in the Western Region.

The Gu Gouchen Family and Gu Kui Niu Family are located in the Northern Domain.

The Azure Dragon Family and Ancient White Tiger Family are in the Central Region.”

Yang Luo continued to ask, “Then why aren’t the Gu Zhuque Family, Ancient Xuanwu Family, and Ancient Phoenix Family in the Donghua Divine Continent?”

Lin Hongyuan explained, “Little Luo, that’s because the Gu Zhuque Family, Ancient Xuanwu Family, and Ancient Phoenix Family have very specific environmental requirements.

Therefore, the Gu Zhuque Family and Ancient Phoenix Family are in one of the Five States, the Nanli Huo State.

That place is the extremely hot place of the Nine Provinces Immortal Domain.

Whereas, the Ancient Xuanwu Family is in one of the Five States, the Northern Ming State.

That place is the extremely cold place of the Nine Provinces Immortal Domain.”

“I see.”

Yang Luo nodded in understanding and then asked, “Where are the Gu Qingluan Family and Gu Kunpeng Family located?”

Duan Xizhu replied, “The Gu Qingluan Family and Gu Kunpeng Family are both in the Nanli Huo State.”

“And where are those Ancient Beast Families?”

Bujie asked.

“Those Ancient Beast Families are all in the Northern Ming State.”

Ning Boqing replied, then continued, “In short, in the Nine Provinces Immortal Domain, there are many ancient divine beast families and ancient beast families.

Besides the large ancient divine beast and ancient beast families, there are also many smaller ones scattered across the Nine Provinces Immortal Domain.

You’ve been in the Nine Provinces Immortal Domain for some time now, so you should have a preliminary understanding of it.

This world is vast, boundless, and filled with various powers locked in contention.

As your cultivation and strength improve, and as your vision broadens, you’ll have a deeper understanding of this world in the future.”

Upon hearing Ning Boqing’s words.

Yang Luo and the others increasingly felt the enormity of this world, much larger than what they had seen so far.

At that moment.

Yang Luo suddenly thought of something and asked, "Three elders, is the Ancestor Dragon Sacred Land located in the Central Region?"

He had seen it on a map, indicating that the Ancestor Dragon Sacred Land was in the Central Region of the Donghua Divine Continent, but he wasn't certain.

"That's correct. As one of the strongest sacred lands in the Donghua Divine Continent, the Ancestor Dragon Sacred Land holds deep foundations and formidable strength and is indeed in the Central Region."

Ning Boqing replied and then asked curiously, "Little Luo, is there something you need from the Ancestor Dragon Sacred Land?"

Yang Luo replied candidly, "Several of my masters are friends with the Ancestor Dragon Sacred Land.

So, this time we came to the Donghua Divine Continent.

Firstly to have the brothers recognize their ancestry,
and secondly, to visit the Ancestor Dragon Sacred Land."

"I see, so that's the reason."

Ning Boqing nodded and said with a frown, "However, the situation at the Ancestor Dragon Sacred Land is not good right now.

Many forces covet its treasures and cultivation techniques.

Of course, more importantly, the Ancestor Dragons are invaluable treasures.

Their flesh and blood are excellent medicinal materials for pill refinement, and their sinew and bones are rare materials for crafting Dharma artifacts.

So, many forces frequently attack the Ancestor Dragon Sacred Land intent on seizing everything it has."

Lin Hongyuan sighed deeply and said, "Our various ancient divine beast families are friends with the Ancestor Dragon Sacred Land.

Over the years, without the support of our various ancient divine beast families, the Ancestor Dragon Sacred Land could not withstand the assaults from so many forces on its own."

Upon hearing the words of Ning Boqing and Lin Hongyuan,

Yang Luo's expression darkened.

Although he had heard the elders of the Divine Dragon Clan mention the current situation of the Ancestor Dragon Clan before.

But now he realized that the situation for the Ancestor Dragon Clan was probably worse than he had imagined.

If Senior Xinghe and the others were to learn of this, who knows how heartbroken they would be.

Chapter 2785: Chapter 2785: This Ape King Will Rise Too!

Seeing Yang Luo frown deeply.

Ning Boqing comforted him, "Little Luo, with the help of our various Ancient Divine Beast Families, nothing major has happened in the Ancestor Dragon Sacred Land for now.

Once your injuries are healed, we will take you to the Ancestor Dragon Sacred Land."

"Thank you very much, elders!"

Yang Luo cupped his hands, then fell into contemplation.

He originally thought that this time coming to the Donghua Divine Continent, all his brothers would be able to recognize their ancestors and return to their lineage.

But now it seemed only Ning Jianfeng, Lin Wenxuan, Ji Longyue, and Baili Wushuang could do so.

Whereas Second Senior Sister, Brother Xiang, Tantai Puti, Yi Yuheng, and Qin Zhanhuang could not recognize their ancestors and return to their lineage for now.

They would have to wait until they go to other states to recognize their ancestry.

After the matters in Donghua Divine Continent are handled, they will head to other states.

Now he has too many matters at hand to resolve them one by one.

Once his thoughts were gathered.

Yang Luo looked at the little monkey and asked, "Little Monkey, what's your name, and why were you captured by Yun Feiyang?"

Ning Boqing also asked curiously, "It's said that the Primordial Demon Ape Clan has always been active in the North Cold Ming State, so why are you here in the Donghua Divine Continent?"

The little monkey scratched his head and said, "My name is Yuanfei, from the Primordial Demon Ape Clan.

My father and the elders always warned me not to leave the North Cold Ming State, saying it's dangerous outside.

But I always longed for the outside world, so eight years ago, taking advantage of my father and elders not noticing, I sneaked out.

After leaving the North Cold Ming State, I first went to the Central Earth Immortal State, and then came to the Donghua Divine Continent.

Shortly after arriving in the Donghua Divine Continent, I was captured by Yun Feiyang."

Bujie shook his head and said, "You unlucky child, not listening to your father and elders, running around recklessly. Got caught, didn't you?

If it weren't for meeting us, who knows what fate awaited you!"

Yuanfei said pitifully, "I'm sorry, I was already very cautious, but I still got captured.

This time I dragged you all into this, it's all my fault."

Yang Luo patted Yuanfei's head and sighed, "Yuanfei, it's not your fault.

Blame it on those greedy human elders."

Saying this, Yang Luo pointed at Big White, and said, "Yuanfei, Big White was brought by me from Earth.

Is it from your Primordial Demon Ape Clan?"

"It should be. I can sense that Big Brother Bai has the same aura as mine."

Yuanfei replied, then said, "However, I'm not sure and need to investigate further."

"How do you investigate?"

Yang Luo asked curiously.

Yuanfei looked at Big White and said, "Big Brother Bai, I'll use my divine sense to probe your bloodline later. Don't resist, I won't hurt you."

Big White waved his hand and said, "Brother Yuanfei, we are brothers who fought together. Of course, I trust you."

"Hmm."

Yuanfei nodded his head, then opened his eyes wide.

In an instant!

A black-gold beam shot from his brow, entering Big White's brow.

After just a few minutes.

Yuanfei excitedly said, "Big Brother Bai is indeed from our Primordial Demon Ape Clan!

Although his bloodline hasn't fully awakened, it is exactly the same as ours!

If my father and the elders knew about Big White, they would definitely be very happy!"

Upon hearing Yuanfei's words.

Big White was also very excited and laughed heartily, "So I am truly one of the Primordial Demon Ape Clan!

I've finally found my origins, great, this is great!"

Yang Luo smiled and said, "Congratulations, Big White!"

Big White grinned and said, "Brother Yang, this is all thanks to you.

If you hadn't brought me to the Jiuzhou Immortal Domain, I wouldn't have known my origins."

Yuanfei hurriedly said, "Big Brother Bai, later you must come back with me once, then my father and the elders can help you stimulate your bloodline, enhancing your cultivation and strength to a higher level!"

Big White nodded repeatedly, smugly saying, "Good, good, good! The Ape King is going to rise completely!"

"Rise my foot!"

Bujie scoffed and said, "Even if you rise, you can't be more powerful than Lord Buddha!"

"Bah!"

Big White rolled his eyes and said, "Bald donkey, we will have a good fight after my bloodline completely awakens, to see who's stronger!"

"Let's fight, who's afraid of whom?"

Bujie wasn't intimidated at all and agreed in one go.

Yuanfei then looked at Yang Luo and others, and said, "Brother Yang, then you all must come back with me to the clan! You saved me, my father and the elders will definitely thank you generously!"

Yang Luo nodded and said, "Sure, we'll accompany you to the North Cold Ming State then!"

Ning Boqing smiled faintly and said, "Little Luo, tell us, you have been in the Jiuzhou Immortal Domain for half a year, haven't you?"

What have you all experienced in the past half year?"

Lin Hongyuan and Duan Xizhu also looked at Yang Luo.

They were very curious about the experiences of Yang Luo and the others over the past half year.

In the following time.

Yang Luo truthfully recounted to Ning Boqing and the two others everything he and his companions had experienced in the Jiuzhou Immortal Domain.

Bujie and Ning Jianfeng would also occasionally supplement from the side.

Upon hearing Yang Luo's narration.

Ning Boqing, Lin Hongyuan, and Duan Xizhu were all extremely shocked.

The eyes of little monkey Yuanfei were also wide open.

Only after Yang Luo finished speaking.

Ning Boqing and the others took a long time to come back to their senses.

Duan Xizhu sighed, "I really didn't expect that in such a short half year, you've all experienced so much, and faced so many hardships.

No wonder your cultivation and strength have increased so quickly."

Lin Hongyuan also said, "For elders to grow quickly, they indeed need to be tempered.

You're still young, the road ahead is long, and you need to face various difficulties and obstacles to step by step become stronger."

Ning Boqing said, "Little Luo, if you encounter things you can't solve in the future, feel free to contact us!

Although our divine beast families are not the top forces in the Jiuzhou Immortal Domain, we can still help you a lot!"

"Thank you, elders!"

Yang Luo cupped his hands and expressed his gratitude.

Ning Boqing smiled and waved his hand, "Little Luo, we are all on the same side, no need for thanks!"

Yang Luo suddenly thought of something and asked, "By the way, are the ancestors who founded the various Ancient Divine Beast Families still around?"

Ning Boqing sighed and said, "Little Luo, when the war that swept across the myriad worlds and the entire universe broke out back then!

In order to protect the myriad worlds and countless lives, the ancestors of our various Ancient Divine Beast Families also participated in the war!

That battle was extremely tragic, and almost all the elders of our various Ancient Divine Beast Families perished!"

"What?!"

Yang Luo's pupils contracted violently, "All perished?!"

Bujie exclaimed, "My heavens, just how brutal was that battle, how many heroes fell?!"

Lin Hongyuan said somberly, "That war swept across the myriad worlds and the entire universe.

The number of heroes and champions who perished was countless."

Duan Xizhu, however, said, "However, there are also rumors that some of our ancient divine beast family ancestors survived, but have been in the Outer Domain healing and have not returned yet."

Chapter 2786: Chapter 2786: Soaring Snake!

Yang Luo couldn't help but clench his fists.

Previously, Senior Xinghe and the others mentioned that in that cosmic war sweeping across the myriad worlds, many heroes sacrificed their lives.

But as he gradually learned about that war, it was likely more brutal than he had imagined.

Yang Luo took a deep breath and asked, "Elders, what kind of war was that after all?

Why was it so tragic, why did it sweep across the myriad worlds, and why did so many heroes die?"

Ning Boqing said, "We only know a little about that war.

It is said that a great enemy from the Outer Domain descended upon our universe.

They wanted to annihilate and devour all living beings in our universe and plunder our cultivation resources.

That's why all the heroes in our universe united to resist the enemy.

But the strength of those enemies was overwhelmingly powerful, destroying heaven and earth, shattering sun and moon with a finger, breaking the starry sky with a palm, all with ease.

That's why countless heroes in our universe died in battle."

Lin Hongyuan gazed at the distant sky and said sorrowfully, "That was a dark era, with countless lives exterminated, planes destroyed, and heroes sacrificed."

Duan Xizhu sighed deeply and said, "Without those heroes guarding the myriad worlds and our universe, the Jiuzhou Immortal Domain would have been destroyed long ago."

"My goodness, so that war was to resist the great enemy from the Outer Domain!"

"How strong must those enemies have been to slaughter so many heroes?!"

"It's unimaginable how vast the scale of that war was!"

Bujie, Ning Jianfeng, Wu Qiansheng, and others were dumbfounded, deeply shocked.

However, Yang Luo and the others also gained a deeper understanding of that war.

Yang Luo continued to ask, "Where did those great enemies from the Outer Domain come from, who were they?"

Ning Boqing shook his head and said, "We don't know about that. After all, that war was too brutal, and no one wants to discuss it.

Moreover, there are very few records about that war; very few people know everything about it."

"Understood."

Yang Luo nodded.

Perhaps only Senior Xinghe and the others know everything about that war.

He still had to ask Senior Xinghe and the others.

What puzzled him was why Senior Xinghe was unwilling to tell him about that war?

Was there some unspeakable secret?

Or were there other reasons?

While Yang Luo was pondering.

Ning Boqing spoke up and said, "Little Luo, we've arrived at our Gutengshe Family!"

Upon hearing Ning Boqing's words.

Yang Luo looked into the distance.

Bujie and others also looked up.

Ten miles away.

Towering mountains thousands, even tens of thousands of feet high soared into the clouds, some suspended in mid-air, shrouded in immortal energy, clouds and mist swirling, auspicious vapors rising.

Waterfalls cascaded down from many peaks, like the Milky Way descending from the Nine Heavens, majestic and picturesque.

Forests were thick between the mountains, rivers flowed, and many birds soared in the sky, while mutated beasts roamed the mountain forests.

Numerous Immortal Palaces, Immortal Halls, pavilions, and towers perched atop the peaks, incredibly magnificent.

The entire Soaring Snake Family territory, covering thousands of miles, resembled a pure land of the immortal realm.

Song Zhixin exclaimed, "This is the Gutengshe Family's territory, truly spectacular and beautiful!"

Xia Ziyang clicked his tongue and said, "No wonder it's a big family of the Donghua Divine Continent, truly unmatched by the forces of the four small continents!"

Bujie nudged Ning Jianfeng with his elbow and said, "Your Soaring Snake Family is truly awesome, seems like you're about to rise!"

Ning Jianfeng's mouth almost reached his ears, and he chuckled, "Brother Bujie, didn't I already tell you that I'm about to rise, and you didn't believe me!"

Bujie scoffed and said, "Even if your Gutengshe Family is strong, can you compare to the Xumi Sacred Land and the Ancient Demon Sacred Land?"

Ning Jianfeng shrugged and said, "Who knows, since we don't know what Xumi Sacred Land and the Ancient Demon Sacred Land are really like."

Ning Boqing smiled and said, "Little ones, let's go over!"

"Okay!"

Yang Luo and the others responded.

Then, the ancient boat sped up, flying towards the Gutengshe Family territory.

As they approached.

Yang Luo and the others increasingly felt the extraordinariness of the Gutengshe Family.

The spiritual energy here was extremely abundant, far more than many places they had been to.

"Greetings to Elder Ning, Elder Lin, Elder Duan!"

The clan members of the Gutengshe Family bowed and greeted respectfully.

Ning Boqing nodded and asked, "Where is the family head now?"

A clan member respectfully replied, "Elder Ning, the family head is now in the hall discussing matters!"

Ning Boqing responded with an “Oh,” raised his hand, and said, “You all can go about your own business.”

“Yes!”

The clan members responded, then dispersed.

Subsequently, Ning Boqing and the others led Yang Luo and his companions into the Gutengshe Family territory, heading straight for the center.

Along the way, Ning Boqing introduced the Gutengshe Family’s situation to Yang Luo and the others.

Yang Luo and the others gained a preliminary understanding of the place.

At this moment.

Bujie pointed towards the Cloud Sea in the distance and asked, “Elder Ning, what are those big fellows soaring in the Cloud Sea?”

Yang Luo and others also looked over.

Indeed.

Three enormous entities soared within the Cloud Sea, with their bodies radiating various colors of immortal light, as if riding clouds and fog.

Ning Boqing laughed and said, “Those are the ancient divine beasts, the Soaring Snakes.”

“What?! Soaring Snakes?!”

Bujie’s eyes widened, “Wow! We actually saw the mythical divine beast... the Soaring Snake?!”

Ning Jianfeng pouted and said, “What’s so strange about that? We’ve seen True Dragons, isn’t it normal to see Soaring Snakes?”

Right as a few were speaking.

“Hiss!—”

The three Soaring Snakes let out piercing hisses, flying over from a distance.

As the three Soaring Snakes approached, Yang Luo and the others finally saw the true form of these Soaring Snakes.

The three Soaring Snakes had enormous bodies, each with wings, more than a thousand meters long, like three mountain ranges flying over.

One was covered in golden scales, radiating golden light all over.

The second was covered in black scales, radiating black light all over.

The third was covered in purple scales, radiating purple light all over.

The three Soaring Snakes were unfamiliar with Yang Luo and the others, scrutinizing them closely.

Especially when seeing Big White, Yuanfei, and the Hundred Cry Bird.

The three Soaring Snakes spread their wings, emitting low hisses with some hostility.

Big White, Yuanfei, and the Hundred Cry Bird remained undaunted, glaring at the three Soaring Snakes, trying to enlarge their bodies.

Ning Boqing quickly said to the three Soaring Snakes, "Don't be tense, they're our guests."

Upon hearing Ning Boqing's words, the three Soaring Snakes nodded, then flapped their wings and flew away.

Chapter 2787: Chapter 2787: Lending a Hand!

Yang Luo asked, "Elder Ning, how many Soaring Snakes are there in the Gutengshe Family?"

"There are a total of ten."

Ning Boqing said, "These ten Soaring Snakes are also our Guardian Clan Divine Beasts.

If anyone attacks our Gutengshe Family, these ten Soaring Snakes will assist."

Bujie asked, "Elder Ning, are these ten Soaring Snakes very powerful?"

"Of course they are."

Ning Boqing nodded and said, "Six of the ten Soaring Snakes are powerful enough to rival Daluo Golden Immortal elders.

Four can rival Taiyi Xuanxian cultivators.

Furthermore, as they grow, their cultivation and strength will continue to increase."

Bujie exclaimed in shock, "Oh my, that's incredible, who would have thought!"

Yang Luo and the others were also very shocked.

Everyone understood that the foundation of the Gutengshe Family must be quite profound.

Ning Boqing then said to Ning Jianfeng, "Jianfeng, after your injuries heal, we will take you to the 'Soaring Serpent Canyon' and let the ten Soaring Snakes help you awaken your bloodline.

Afterward, the elders and I will also teach you the absolute skills of our Gutengshe Family."

"Awaken bloodline?! Learn absolute skills?!"

Ning Jianfeng was exceedingly excited, nodding repeatedly, "Great, great, this is truly wonderful!

I will finally grow stronger, finally rise!"

Ning Boqing also said to Ji Longyue and the others, "After you acknowledge your ancestry!

Your respective Ancient Divine Beast Families will also help you awaken your bloodline and teach you their absolute skills!"

"Yes!"

Ji Longyue and Baili Wushuang nodded heavily, their eyes full of anticipation.

Seeing his brothers one by one becoming stronger, Yang Luo was also very happy.

It's not enough for just himself to become stronger; his brothers must also become stronger.

Only when all the brothers become stronger can they survive in this Great Thousand World, where heroes contest.

They chatted along the way.

Unknowingly, Yang Luo and his group arrived above the square of the main peak.

The main peak was called Wangxian Peak, and on it stood a grand hall named "Soaring Serpent Hall."

When Yang Luo and his group arrived above the square.

Four figures emerged from the main hall.

Leading the way was a middle-aged man clad in a black and gold robe, slender yet upright, exuding an extraordinary presence.

Following him were three elders dressed in various colored robes, exuding an immortal-like aura.

"Seventh Elder, you have returned!"

"Haha, Brother Lin, Brother Duan, you have come too!"

The middle-aged man and the three elders greeted each other with smiles.

Yang Luo and his group leaped down from the ancient boat, landing in the square.

The middle-aged man and the three elders walked over with great strides.

Ning Boqing smiled and said, "Young fellows, let me introduce you.

This is the family head of our Gutengshe Family, Ning Jin Yu.

These three are our family elders: Ning Mofeng, Yu Qiuchi, and Qin Chuan."

Yang Luo cupped his hands and said, "Junior Yang Luo, paying respects to Family Master Ning, Elder Mofeng, Elder Yu, and Elder Qin!"

"Paying respects to Family Master Ning and the three elders!"

Bujie and others also bowed and greeted.

Ning Jin Yu looked at Yang Luo and the others, curiously asking, "Seventh Elder, who are these youngsters?"

Ning Boqing briefly introduced Yang Luo and the others, then said, "I know you're surely curious about who these youngsters are and why they are with us.

Let's head into the grand hall first, and I will explain to you in detail later."

"Alright!"

Ning Jin Yu gestured with a hand, "Please come inside, everyone!"

Subsequently, Yang Luo and his group walked into the grand hall.

After sitting down.

Ning Jin Yu had the clan members serve tea.

Ning Boqing took a sip of tea and then recounted the recent events and explained the origins of Yang Luo and his group to Ning Jin Yu and the others.

After hearing Ning Boqing's words.

Ning Jin Yu and the others were dumbfounded, utterly shocked!

Qin Chuan exclaimed, "These youngsters come from Earth?!"

Ning Mofeng's face was full of joy, "My goodness, who would have thought the descendants of our Ancient Divine Beast Families are still around and have come to the Jiuzhou Immortal Domain!

Wonderful, truly wonderful!"

Yu Qiuchi chuckled and said, "These youngsters indeed are outstanding and their presence is extraordinary!"

Ning Jin Yu praised, "Indeed, these young ones are so young, yet they possess cultivation at the Golden Immortal and Heavenly Immortal levels; truly boundless potential!"

Ning Mofeng laughed heartily, "Today is truly a joyous day; later we must drink to our heart's content!"

Ning Boqing also laughed and said, "Of course, that's a must!"

"By the way, Little Luo, I've heard from the Seventh Elder that your know medicine skills are exceptional?"

At this moment, Ning Jin Yu asked Yang Luo.

Yang Luo shook his head and said, "Not exceptional, just alright."

Ning Boqing pointed at Yang Luo, "Little Luo, you are too modest.

We've all witnessed your know medicine prowess on the way here; it was simply in the realm of perfection, Unparalleled in the World."

"Is that so?"

Ning Jin Yu's eyes lit up, then he said, "Little Luo, Uncle Ning would like to ask for your help; I wonder if you're willing."

Yang Luo said, "Uncle Ning, we're all family; whatever help you need, if I can assist, I surely will."

"Good kid, truly straightforward!"

Ning Jin Yu laughed heartily and said, "Little Luo, here's the situation.

A friend of mine's son was severely injured a year ago; his Dao Foundation was damaged, his Dao Heart affected, leading to a drop in cultivation from the Golden Immortal Perfected Stage to Golden Immortal Early Stage.

This past year, my friend has sought many famous doctors, but none could cure his son.

So I'd like you to see if you can help heal my friend's son."

Yang Luo smiled faintly, "Uncle Ning, your friend should be the Emperor of Nan Zhan Immortal Country, 'Emperor Nantian', correct?"

And his son should be the former number one prodigy of the Southern Domain, 'Nantian Emperor's Son' Yun Longxiang, right?"

"Hmm?"

Ning Jin Yu was surprised, "How did you know? Did the Seventh Elder tell you about this?"

Yang Luo laughed, "Brother Wu told me about it."

"Oh..."

Ning Jin Yu nodded in realization and said, "Little Luo, the Nan Zhan Immortal Country is the number one Great Immortal Country in the Southern Domain, one of the five top-level Immortal Countries of the Donghua Divine Continent!

If you can help Emperor Nantian and heal his son, it will surely ease relations and benefit you in the future!"

Yang Luo thought for a moment, "Uncle Ning, since you've asked, I naturally have to help.

However, without seeing Yun Longxiang in person, I can't promise I can cure him."

"That's alright."

Ning Jin Yu smiled, "Once your injuries heal, I will take you to meet Emperor Nantian."

"Okay!"

Later, Yang Luo and his group entered the grand hall.

After taking their seats.

Ning Jinyu had his clansmen serve tea.

Ning Boqing took a sip of tea and then recounted the recent events and explained the background of Yang Luo and his group to the four.

After listening to Ning Boqing,

the four were utterly astonished!

Qin Chuan exclaimed, "These little guys actually come from Earth!?"

Ning Mofeng's face was full of joy, "My God, who would have thought the descendants of our Ancient Divine Beast Families are still around and have come to the Jiuzhou Immortal Domain!"

Yu Qiuchi stroked his beard with a smile, "These youngsters truly are outstanding with extraordinary presence!"

Ning Jin Yu praised, "This really is a day worthy of great celebration. Later, we must have a good drink!"

Ning Boqing also smiled and said, "This is a must!"

Chapter 2788: Chapter 2788: Famous Across the Southern Domain!

In the blink of an eye, a week had passed.

In this week,

Yang Luo and his companions had been recuperating at the Gutengshe Family.

However, during this week,

the incident where Yang Luo and his companions caused a commotion in Tianyuan City had already spread throughout the Southern Domain.

"Fellow Daoists, do you know what happened in Tianyuan City a week ago?"

"Of course I know. A week ago, the 'Nanyang Divine Son' Yun Feiyang held a 'Beast Viewing Conference' in Tianyuan City, inviting heroes and prodigies. It was very lively!

But who would have thought that halfway through the conference, a group of young brats would disrupt it, causing a huge commotion in Tianyuan City!

However, I only heard this from others, so I'm not very clear on the details!"

Many people had only heard about what happened in Tianyuan City from others and didn't know the detailed process.

"I was there at the time. It's said that the group of young brats caused the commotion to save a Primordial Demon Ape!

That day, a great battle erupted in Tianyuan City, fiercely contested!

Among them, there was a young man named Yang Luo whose strength was incredibly formidable!

This young man single-handedly crushed Nanyang Divine Son, Huoyun Saint, Emperor Donghuang's Son, Qian Tu Immortal Monarch, and Qian Huan Fairy, these five prodigies!"

"I was also present at the scene. That young man hails from Huangzhou and is truly formidable. Those who weren't there just don't understand the power and terror of this young man!"

Participants of that conference explained the details.

"How was this matter finally resolved?"

"Later, Nanyang King arrived at Tianyuan City with four elders and fought a battle with that young man. The young man had a breakthrough to the Golden Immortal Perfected Stage during the fight, yet still couldn't win!"

"What happened after that? Is the young man dead or alive?"

"After that, elders from the Gu Tengshe Family, Gu Qilin Family, and Gu Luwu Family arrived, intervening to protect the young brats!

Nanyang King took a step back, proposing that the young man should take three of his palm strikes without resisting! If he survived, he would let them leave!"

"Nanyang King is a Daluo Golden Immortal Middle Stage, almost breaking through to the Daluo Golden Immortal Late Stage. That young man is just a Golden Immortal Perfected Stage. Surely he wouldn't dare accept this condition, would he?"

"How would he not dare? That young man is as tough as steel and full of righteousness. To protect his brothers, he resolutely accepted this condition!

Moreover, what's even more shocking is that the young man managed to withstand Nanyang King's three palm strikes without any resistance, and he survived!"

"Goodness, this young man is too fierce! Standing up to Nanyang King's three palm strikes and still surviving?!"

"Could it be that after the Nantian Emperor's Son, another peerless prodigy is about to be born in the Southern Domain?!"

For a while, the entire Southern Domain was swept up in a storm, causing a major upheaval.

All the forces in the Southern Domain knew of this figure named Yang Luo and admired his cultivation, strength, and determination.

Some forces even had the thought of forming alliances and were inquiring everywhere about Yang Luo's whereabouts.

...

One morning a week later.

The morning sun rose, all things awakened, and mist rolled across the sky.

The territory of the Gutengshe Family.

The rear mountains.

Yang Luo and his companions were recovering on the great mountains.

After a week of healing, their injuries had completely recovered.

After all, the spiritual qi of heaven and earth here was very abundant.

Plus, the Gutengshe Family provided plenty of pills and medicinal herbs, so their injuries recovered quickly.

Just then.

Boom! Boom! Boom!

Beams of light shot up into the sky from Yan Luange and others, piercing straight through the clouds!

The members of the Gutengshe Family were alarmed, all turning their gaze toward the direction of the rear mountains!

Even many mutated beasts like the Tengshe were alarmed, all looking towards the direction of the rear mountains!

"Strange, why is there such a big commotion coming from the direction of the rear mountains?!"

"Such powerful fluctuations of spiritual energy, could it be that the group of young people brought by the Seventh Elder have broken through in their cultivation?!"

"It seems like it!"

The family members were talking amongst themselves, looking at the beams of light piercing the sky, very shocked.

At this moment.

Ning Boqing and Ning Jin Yu and others flew out from a great hall, heading straight for the rear mountains.

Arriving in the sky above the rear mountains.

They looked at Yan Luange and the others, their eyes full of approval.

Ning Boqing exclaimed, "These little guys are extraordinary. After the battle in Tianyuan City, they've all achieved breakthroughs!"

Ning Jin Yu smiled and said, "It seems that in the future, these little guys will be able to compete with the top prodigies of the Jiuzhou Immortal Domain!"

"It looks like the Jiuzhou Immortal Domain is going to become lively!"

"Who knows what kind of waves these young people will stir in the future in the Jiuzhou Immortal Domain!"

The other elders stroked their beards and sighed.

After more than ten minutes.

The beams of light shooting from Yan Luange slowly dissipated.

Yan Luange, Song Zhixin, and Xia Chaoyang entered the Golden Immortal Middle Stage.

Wu Qiansheng and Lu Yunqi reached the Golden Immortal Late Stage.

Xu Ying, Qin Zhanhuang, Mo Qingkuang, and Xiang Kunlun and others entered the Heavenly Immortal Perfected Stage, just a step away from the Golden Immortal Tribulation.

Yang Luo, Bujie, Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng did not break through this time as they had just recently had breakthroughs.

Especially Yang Luo, his next breakthrough would take him to the Daluo Golden Immortal stage.

To enter the Daluo Golden Immortal stage, one must have a deeper understanding of the Heaven and Earth Great Dao and their own path.

This requires talent, comprehension, potential, and also luck.

Soon after.

Yang Luo and the others slowly opened their eyes and stood up.

Ning Boqing laughed and said, "Congratulations on your breakthroughs!"

Ning Jianfeng said helplessly, "But we're still one step away from the Golden Immortal. Without reaching the Golden Immortal, we're nothing in the Jiuzhou Immortal Domain."

Xu Ying and the others weren't very happy either.

After all, they were eager to enter the Golden Immortal stage, to move towards greater strength.

Ning Boqing said, "Little ones, on the path of cultivation, you cannot only seek speed. You must avoid arrogance and impatience, proceed steadily, and build a solid foundation step by step.

If your foundation is not solid, no matter how high your cultivation is, it's like a castle in the air, ready to collapse at any time."

Yang Luo also said, "Brothers, no need to rush, just take it step by step!"

"Mm!"

Xu Ying and Ning Jianfeng and others nodded heavily.

Yang Luo then said to Ning Jin Yu, "Uncle Ning, my injuries have healed, and I'm ready to see Emperor Nantian at any time."

Ning Jin Yu smiled and said, "Why don't we set off now?"

"Alright!"

Yang Luo agreed without hesitation.

Then, Yang Luo and his companions flew up into the sky, preparing to leave.

Suddenly.

Voices shouted from afar.

"Brother Yang!"

"Brother Yang, it's been a week, and we missed you greatly!"

Hearing these voices.

Yang Luo and his companions turned their heads to look, only to see four figures flying over from a distance.

"Hmm?!"

Bujie was taken aback, "Why are these four guys here?!"

Yang Luo, Xu Ying, and the others were also full of confusion.

The newcomers were none other than the "Huoyun Saint" Chu Fenghuo, "Emperor Donghuang's Son" Lin Xingzhi, "Qian Tu Immortal Monarch" Shen Tu Xiong, and "Qian Huan Fairy" Lu Xueqi.

Chapter 2789: Chapter 2789: Truly Convinced

Soon, Chu Fenghuo and the four others arrived at this sky.

"Greetings, Uncle Ning!"

"Greetings, esteemed elders!"

Chu Fenghuo and his group respectfully greeted Ning Jinyu, Ning Boqing, and the other elders.

Ning Jinyu smiled lightly and said, "How come the four of you youngsters have come here?"

Bujie frowned and said, "Are you unsatisfied and want to continue the battle?"

"No, no, no!"

Chu Fenghuo quickly waved his hand and said, "Brother, you've misunderstood us!

We came today specifically to apologize!"

"Apologize?"

Bujie was even more puzzled.

Chu Fenghuo looked at Yang Luo and said, "Brother Yang, we offended you a week ago, and I hope you can forgive us!"

Lin Xingzhi spoke up, "Brother Yang, a week ago, not only were we impressed by your prowess, but we were also won over by your character!"

Shen Tu Xiong laughed cheerfully and said, "Brother Yang, it was all a misunderstanding a week ago, and I hope you won't mind!"

With that, Chu Fenghuo, Lin Xingzhi, and Shen Tu Xiong bent over and bowed to Yang Luo in apology.

"We are sorry!"

Lu Xueqi, seeing this, pursed her red lips and also bowed to Yang Luo.

Witnessing this scene.

Bujie and Ning Jianfeng were both stunned.

Yang Luo was also taken aback.

One must know, a week ago, the four of them were quite arrogant, shouting threats at them.

Unexpectedly, just a week later, these four came personally to apologize.

Ning Jinyu remarked with interest, "Little Luo, to make these four youngsters come in person to apologize, it seems you've truly won them over!"

Ning Boqing, Lin Hongyuan, and Duan Xizhu and other elders looked at Chu Fenghuo and the others with amazement.

In the Southern Domain, these four were recognized as Heavenly Pride, never had anyone made them bow down.

Unexpectedly, today these four youngsters bowed to this kid Yang Luo.

If word got out, it would surely shake the entire Southern Domain.

"Convinced! Completely convinced!"

"Among the Heavenly Pride of Jiuzhou Immortal Domain, I, Lin Xingzhi, am convinced only by Brother Yang!"

"If Brother Yang were merely powerful, we wouldn't be so convinced!"

The key is Brother Yang's loyalty to his brothers and his daring and accountable actions, which truly convince me!"

Chu Fenghuo, Lin Xingzhi, and Shen Tu Xiong all raised their thumbs towards Yang Luo.

Although Lu Xueqi didn't speak, her beautiful eyes were fixated on Yang Luo, unblinking.

Bujie chuckled, "Brother Yang, incredible! You've captured three little fans and a little admirer!"

Ning Jinyu laughed, "Little Luo, though these four youngsters have the temperament of a rich young master and lady, they're not bad people.

If you can turn hostility into friendship and become friends this time, it wouldn't be bad."

Yang Luo bowed to Chu Fenghuo and the others and said, "Brother Chu, Brother Lin, Brother Duan, Miss Lu, your personal apologies truly surprise me.

However, I must admit, I was at fault a week ago as well; I acted a bit harshly towards you.

I accept your apology, and in turn, I also must apologize to you."

With that, Yang Luo also bent over and bowed to Chu Fenghuo and the four, sincerely apologizing.

“Hey, Brother Yang, we can’t accept that!

We’d be happy enough just to have your forgiveness!”

Chu Fenghuo hurriedly helped Yang Luo up and helplessly said, “Brother Yang, next time please don’t strike so hard; I’m still aching all over!”

Shen Tu Xiong said with a sob, “Brother Yang, it’s been a week, and my injuries haven’t completely healed. Who knows how much longer it will take to fully recover!”

Lin Xingzhi laughed, “Brother Yang, you must treat us to drinks!”

Lu Xueqi’s lips slightly curved into a faint smile.

Hearing their words, Ning Jinyu, Ning Boqing, and the others all burst into laughter.

Xu Ying and the others also laughed heartily.

Bujie pulled Chu Fenghuo’s shoulder and said, “I say, brother, if you had Daluo Golden Immortal cultivation, daring to spar with Brother Yang, I’d have nothing to say.

But you’re only at Golden Immortal Late Stage, and still dared to spar with Brother Yang; you’re truly brave.”

“Aren’t we!”

Ning Jianfeng chimed in, “I won’t brag, but my Brother Yang is invincible in the same realm, and can even defeat enemies beyond his level!

If you sparred with him and survived, it’s because he held back!”

Chu Fenghuo smiled wryly and said, “Brother Yang’s strength is something we’ve experienced; it’s truly beyond ordinary!”

Shen Tu Xiong shrunk his neck and said, “I’ll never dare spar with Brother Yang again, unless I’m seeking death!”

“Haha…”

“Hahaha…”

Bujie, Ning Jianfeng, and the others laughed even louder.

Yang Luo, amused, said, "Alright, alright, I admit my mistake, isn't that enough?"

To show my apology, I'll definitely treat you all to drinks!

And right now, I'll help heal your injuries!"

"Ah?!"

Chu Fenghuo was completely puzzled, "Brother Yang, you know medicine?!"

"Really, Brother Yang, are you that versatile?"

Shen Tu Xiong was equally incredulous looking at Yang Luo.

Lin Xingzhi and Lu Xueqi were both somewhat skeptical.

Bujie raised his head and said, "My Brother Yang is a divine doctor, immortal doctor!"

With just a few needles, I assure you, your injuries will heal completely, and you'll be bursting with vitality!"

Ning Jianfeng nodded, "As long as my Brother Yang intervenes, even if you're on your last breath, he can bring you back!"

Chu Fenghuo said, "Then we'll rely on Brother Yang's help!"

"Brother Yang, how should we assist you?"

Lin Xingzhi asked.

"Just stand there without moving."

Yang Luo said, then summoned the energy within him and waved his right hand!

In the blink of an eye!

Whoosh, whoosh, whoosh!

Nine golden needles shimmered with dazzling golden light and shot out!

In the next second!

Three of the golden needles pierced into Chu Fenghuo's three major acupuncture points!

The remaining six golden needles respectively pierced into Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi's two major acupuncture points!

After piercing into the acupuncture points!

Buzzing sounds!

The nine silver needles gently vibrated, emanating even more dazzling golden light!

Having experienced Yang Luo's medical prowess, Ning Boqing, Lin Hongyuan, and Duan Xizhu were not surprised!

But Ning Jinyu, Ning Mofeng, and others, having not seen it before, watched in awe!

Yang Luo carefully observed the frequency of the golden needles vibrating on Chu Fenghuo and the others, then aligned his right hand into a sword finger, and continued to summon and discharge energy!

One after another, golden energy beams whistled out, continuing to infuse into the nine golden needles!

Chu Fenghuo and the others had been skeptical of Yang Luo's medical skills.

But as the needles vibrated and energy flowed into their bodies.

They suddenly felt warm throughout and felt their damaged vital organs, eight extraordinary meridians, and limbs being healed.

After an incense stick of time.

All nine golden needles stopped vibrating.

Yang Luo waved his right hand, retracting the nine golden needles, and said, "Move your bodies around and see if they feel better now."

Chapter 2790: Chapter 2790: Double-Edged Sword

"It's over already?!"

"That was fast?!"

Chu Fenghuo and the others were all taken aback.

Yang Luo chuckled and said, "Try moving your bodies, you'll see."

Chu Fenghuo and the others tried moving, lifting their arms and legs.

A few minutes later.

Chu Fenghuo exclaimed, "I've actually healed! I don't feel any pain anymore!"

"Amazing, truly amazing!"

"Brother Yang, you're incredible. Having strong skills is one thing, but your ability to know medicine is this impressive too!"

Lin Xingzhi and Shen Tu Xiong both gasped, increasingly impressed with Yang Luo.

Lu Xueqi's beautiful eyes widened, speechless.

She stared at Yang Luo blankly, thinking, "Yang Luo, just how many more skills do you have?"

Yang Luo reminded them, "Although I've basically healed your injuries, for a full recovery, you need to take care of yourselves a little more."

"Thank you, Brother Yang!"

Chu Fenghuo, Lin Xingzhi, and Shen Tu Xiong cupped their hands in thanks.

"Thank you."

Lu Xueqi smiled slightly, expressing her gratitude.

Yang Luo laughed and said, "Miss Lu, actually, you look quite pretty when you smile. You should smile more often."

Hearing this.

Lu Xueqi's pretty face blushed instantly, looking very shy.

Seeing this scene.

Flame Emperor, Zhixin, and Tantai Puti all clenched their fists simultaneously, staring at Yang Luo.

Yang Luo immediately felt a chill creeping up behind him.

He shivered but pretended not to notice.

However, Lu Xueqi curiously glanced at Yang Luo, then at Flame Emperor and the other two, seemingly understanding something.

“Alright!”

Ning Jin Yu clapped his hands and said, “Little Luo, a week ago, Seventh Elder said your ability to know medicine was excellent. I didn’t quite believe it then and had no confidence in you!

But today, you’ve really opened my eyes!

Your know medicine skills are so exquisite, you might actually be able to heal Yun Longxiang!”

“Heal Yun Longxiang?”

Chu Fenghuo asked puzzledly, “Brother Yang, what does Uncle Ning mean by this?”

Yang Luo explained honestly, “Uncle Ning wants me to see if I can help treat Yun Longxiang to possibly heal him and restore his cultivation.”

“Exactly!”

Chu Fenghuo clapped his hands excitedly and said, “Brother Yang, with your skills in knowing medicine, there’s a real chance you could heal Brother Long Xiang!”

Lin Xing knew, “Brother Yang, Brother Long Xiang is generous and righteous, he should suit your taste well!

If you can heal Brother Long Xiang, he’d surely be utterly loyal to you!”

Shen Tu Xiong and Lu Xueqi both nodded repeatedly.

Upon learning Yang Luo was going to treat Yun Longxiang, they were very pleased.

After all, Yun Longxiang had been very close to them, like a big brother, taking good care of them.

Unfortunately, due to severe setbacks and injuries, Yun Longxiang became disheartened and gradually distanced himself from them.

Yang Luo said, “Whether or not I can heal Yun Longxiang, I have to see him first.

But don’t worry, I’ll do my best.”

Chu Fenghuo laughed heartily, saying, “Then what are we waiting for, let’s go together!”

“Let’s set off!”

Ning Jin Yu laughed as he waved his hand.

Then, Yang Luo and his group soared into the sky, leaving the Gutengshe Family, headed straight for the Nan Zhan Immortal Country.

Along the way.

Bujie and the others chatted enthusiastically with Chu Fenghuo and his group, and everyone gradually became familiar with each other.

Watching the scene before him, Yang Luo smiled as well.

He was delighted to have found so many like-minded friends with his brothers in such a foreign place.

Without the support, encouragement, and backing of his brothers, he wouldn't have come this far.

"Little Luo, getting quite indulging in flirting just now, huh."

A cool, eerie voice unexpectedly sounded in his ear.

He quickly turned his head and saw Zhixin, Flame Emperor, and Tantai Puti approaching.

Flame Emperor's beautiful eyes narrowed as she said, "Daring to flirt with Miss Lu right under our noses, looks like you're really spreading your wings!"

Yang Luo laughed awkwardly, "Second Senior Sister, Fifth Senior Sister, when did I flirt with Miss Lu?"

What I said was true; Miss Lu does look pretty when she smiles."

Tantai Puti angrily said, "When we meet Eldest Senior Sister and Su Qingmei later, I'm going to tell them you were flirting around here!"

"No, I didn't flirt around at all!"

Yang Luo looked helpless, "And Puti, I get it why Second Senior Sister and Fifth Senior Sister are mad.

Why are you so mad?"

"I..."

Tantai Puti immediately became flustered, not knowing how to respond to Yang Luo's question.

Although everyone always believed she was Yang Luo's woman.

But only she knew that Yang Luo had never given her a clear answer.

"Enough, don't bully Puti!"

Zhixin tugged at Yang Luo's ear, grunting, "Listen here, if you can't take responsibility, stop flirting around!"

"Fifth Senior Sister, I got it!"

Yang Luo quickly pleaded for mercy and flew off ahead.

Seeing Yang Luo's awkward look.

Flame Emperor, Zhixin, and Tantai Puti were left in amused tears.

Zhixin rubbed her forehead, saying with a headache, "Second Sister, what should we do? We've only been in Jiuzhou Immortal Domain for half a year.

And this guy has already flirted with Ziyang and Miss Lu, and that's with us around.

If we weren't here, the number of girls he flirts with would probably be even more."

Tantai Puti said, "I told you this guy is a notorious flirt, leaving his mark everywhere!"

Flame Emperor sighed softly, "In truth, both Ziyang and Miss Lu admire Little Luo; Little Luo didn't deliberately flirt with them.

However, as Little Luo grows and advances, I'm afraid many fairies, saintesses, and princesses in Jiuzhou Immortal Domain will fall for him.

What we can do is choose wisely for him. How he decides to accept or reject those girls still depends on Little Luo himself."

Zhixin sighed, "Eldest Sister and the others told me to keep an eye on this guy; it's really putting us in a difficult spot!"

Flame Emperor and Tantai Puti looked at Yang Luo in the distance, shaking their heads helplessly.

At this moment, in the air ahead.

Yang Luo was chatting with Ning Boqing.

Ning Boqing smiled and said, "Little Luo, during this time, you've really made a name for yourself in the Southern Domain, you've become famous with one battle!"

"Become famous?"

Yang Luo was puzzled, "What do you mean?"

This whole time, he'd been healing at the Gutengshe Family, oblivious to what was happening outside.

Ning Boqing recounted the occurrences of the past week to Yang Luo.

After listening to Ning Boqing.

"So that's what happened."

Yang Luo nodded in realization, saying, "This is good too; the more famous I am, the better the chances of finding my other brothers quickly."

Ning Boqing said seriously, "Little Luo, having a big name is a double-edged sword for you.

If you use it well, you'll make many like-minded friends.

This will greatly help your training in Jiuzhou Immortal Domain.

However, because your fame is too great, you'll also attract a lot of envy and hatred.

You're the thorn in their side, the pain in their flesh, and they constantly want to eliminate you.

So, in everything you do, you must maintain a proper balance."
