## **#Chapter 2811: 2811: Reinforcements Arrive One After Another! - Read Super Insane Doctor of the Goddess Chapter 2811: 2811: Reinforcements Arrive One After Another!**

### **Chapter 2811: Chapter 2811: Reinforcements Arrive One After Another!**

However, under the combined fierce assault from the nineteen Grand Elders of the seven major forces!

Zhen Tiangang and the nine others were utterly unable to resist, and once again were blasted away, leaving trails of fresh blood along their path!

“Damn it!”

Seeing his brothers and sisters being blasted away, Zhen Qianqiu roared in fury, wielding the Emperor Dragon Sword, breaking through the massive energy surges, and charged towards Fen Tian Valley and the others!

“Slash!”

Zhen Qianqiu shouted loudly, forcefully swinging the Emperor Dragon Sword, attacking with rage!

Swoosh!

A single sword strike erupted, shaking the heavens and earth, disturbing the order of the skies, causing the mountains and rivers to tremble!

Brilliant dragon might and dragon qi spread out, and even a series of Ancestor Dragon phantasms roared into existence!

Seeing Zhen Qianqiu’s sword slash coming!

Fen Tian Valley let out a strange smile and immediately waved his sleeve!

“Golden Crow Divine Furnace!”

Buzz!

Accompanied by a resonant buzzing sound!

A palm-sized furnace flew out from his sleeve, then continuously expanded, crashing forward!

Streams of golden-red flames spewed forth from the furnace, incinerating the heavens and earth, rampaging in all directions!

Clang, clang!

Accompanied by crisp collision sounds!

Zhen Qianqiu's sword strike was directly blocked, and he himself was shaken back, forced to retreat repeatedly!

Fen Tian Valley sneered coldly, "Zhen Qianqiu, do you think only you have Ancestor Artifacts, and our Golden Crow Sacred Land does not?"

This Golden Crow Divine Furnace is one of our Golden Crow Sacred Land's Ancestor Artifacts, at the Basic Half-step Emperor-grade!

No matter how powerful your Emperor Dragon Sword is, it's no match for the Golden Crow Divine Furnace!"

"Kill!"

Zhen Qianqiu wasted no words, spat out killing intent, and charged again!

Zhen Tiangang and the nine Grand Elders also endured their injuries and charged forward!

"Humph!"

Fen Tian Valley snorted coldly, and menacingly declared: "Everyone, attack together, annihilate them!"

"Alright!"

Fen Bumie and other Grand Elders responded in unison, following Fen Tian Valley and charged forward!

With Fen Tian Valley's group having absolute supremacy in both numbers and strength, coupled with the assistance of Ancestor Artifacts!

Zhen Qianqiu and the ten Grand Elders were constantly forced back, blood scattering through the skies!

Yet, Zhen Qianqiu and the ten Grand Elders refused to admit defeat, repeatedly charging forward!

Zhen Wangjiang also showed relentless determination, continually fighting fiercely against Fen Beiyang and the others!

The battle grew increasingly intense and brutal!

It continued for two hours!

“Aahhhh...”

Zhen Yongnian, Zhen Yuze, Zhen Qinghe, and Zhen Feiyan could no longer withstand it, letting out screams as they fell from the high skies, crashing onto the mountains!

“Ah...”

Zhen Wangjiang also could not bear it, falling from the high skies, landing on the ground below!

“Grand Elder!”

“Holy Master!”

The disciples and Ancestor Dragons of the Ancestor Dragon Sacred Land cried out aloud.

“Hahaha...”

Fen Tian Valley laughed even more smugly, sinisterly saying, “I told you, today our seven forces have joined hands, your Ancestor Dragon Sacred Land is destined for destruction!”

“Is this the strength of the Ancestor Dragon Sacred Land? How pathetic!”

“Anyway, where are the other two Ancestor Artifacts of the Ancestor Dragon Sacred Land hidden?”

“No worries, we’ll force them to hand them over later!”

“If they don’t, even if we have to overturn the entire Ancestor Dragon Sacred Land, we’ll find them!”

The other Grand Elders of the seven forces also sneered coldly.

Fen Tian Valley's eyes turned vicious, he immediately swung the halberd in his hand, shouting, "Kill them!"

Saying this, Fen Tian Valley directly wielded his halberd, slashing towards Zhen Qianqiu and the others!

The other nineteen Grand Elders and the leaders of the seven forces all launched a fierce assault!

One after another, violent attacks erupted, heading straight for Zhen Qianqiu and the others!

"Defend!"

Zhen Qianqiu roared, endlessly mobilizing the energy within his body, forming layers of Defensive Shields!

Zhen Tiangang, Zhen Changqing, Zhen Shixuan, Zhen Yuankong, and Zhen Tianlong also activated the energy within them, forming layers of Defensive Shields!

Thud, thud, thud!

Boom, boom, boom!

The assaults continuously crashed against the Defensive Shields, erupting with deafening sounds of impact and explosions!

The Defensive Shields were continuously destroyed, bursting into large displays of light and energy!

But solely relying on Zhen Qianqiu and the six others, it was extremely difficult to withstand Fen Tian Valley and so many others' assault!

"Charge together!"

"Fight them till the end!"

Zhen Wangjiang, fallen onto the ground, and the four Grand Elders Zhen Yongnian, Zhen Yuze, Zhen Qinghe, and Zhen Feiyan all rose, preparing to charge into the skies to continue battling!

However, at this moment!

Resonant voices came from afar!

"Brother Zu, we're here!"

“All Grand Elders have no worries, we have come to assist!”

As voices echoed!

Wave after wave of assaults roared from afar, crashing into the attacks unleashed by Fen Tian Valley and the others!

In an instant!

Rumble!

Incredible explosions resounded through the skies!

The layers of assaults launched by Fen Tian Valley and the others were destroyed, and they themselves were sent flying!

“Who are you?!”

“Get out here!”

Fen Tian Valley and the others shouted angrily, turning their heads towards the distance.

Everyone present turned their heads to look towards the distance.

Only to see, over a hundred ancient boats and thousands of war chariots flying in from afar.

The ancient boats and war chariots were filled with people, numbering over ten thousand.

Banners embroidered with ancient totems fluttered in the wind, stirring hearts.

At the forefront, standing on two ancient boats, were two middle-aged men and six elders.

Seeing the arrivals, the disciples and Ancestor Dragons of the Ancestor Dragon Sacred Land were initially stunned, then joyfully ecstatic.

“The people from the Gu Qinglong Family and the Ancient White Tiger Family have arrived!”

“Haha, our reinforcements have arrived!”

“Did these guys really think our Ancestor Dragon Sacred Land was isolated?”

The disciples and Ancestor Dragons of the Ancestor Dragon Sacred Land were incredibly excited, raising their arms and cheering.

Thus, those who came to assist were indeed from the Gu Qinglong Family and the Ancient White Tiger Family, situated in the Central Region.

Leading them were Ji Huai Ren, the family head of the Gu Qinglong Family, and Baili Qingchuan, the family head of the Ancient White Tiger Family.

The six elders behind them constituted two Taiyi Xuanxian and four Daluo Golden Immortals from both families.

“Damn it!”

Fen Tian Valley’s face turned cold, “I didn’t expect people from the Gu Qinglong Family and the Ancient White Tiger Family to arrive so quickly!”

Fen Bumie said solemnly, “It’s no surprise they’re able to arrive promptly, being located in the Central Region!

But it doesn’t matter, these two families have only sent six old folks, they don’t pose much of a threat to us!”

But no sooner had the words fallen!

More voices came from another direction!

“Brother Zu, how are you all, are you okay?”

“Brothers, apologies, we arrived a step late!”

Hearing these waves of voices.

Everyone present turned their heads towards that direction.

Only to see, several hundred more ancient boats and over ten thousand war chariots flying in from afar.

The ancient boats and war chariots were filled with people, numbering over fifty thousand.

Over twenty thousand of them were clad in various robes, while over thirty thousand wore armor.

“The people from Nan Zhan Immortal Country, Gutengshe Family, Gu Qilin Family, and Gu Luwu Family have arrived!”

“Great, great, our reinforcements are arriving one after another!”

The disciples and Ancestor Dragons of the Ancestor Dragon Sacred Land were even more euphoric.

In contrast, Fen Tian Valley and the others' faces changed drastically, sinking into gloom!

## **Super Insane Doctor of the Goddess #Chapter 2812: The Most Loyal Allies! - Read Super Insane Doctor of the Goddess Chapter 2812: The Most Loyal Allies!**

*Chapter 2812: Chapter 2812: The Most Loyal Allies!*

The newcomers were from the Nanzhan Immortal Country, Ancient Tengshe Family, Ancient Qilin Family, and Ancient Luwu Family.

Leading them were Yun Jincheng, the lord of the Nanzhan Immortal Country, Ning Jin Yu, the family head of the Ancient Tengshe Family, Lin Haochang, the family head of the Ancient Qilin Family, and Duan Zhongtian, the family head of the Ancient Luwu Family!

There were a total of ten elders from the four major forces, including four Taiyi Xuanxian and six Daluo Golden Immortals!

Elder Ning Boqing, Elder Lin Hongyuan, and Elder Duan Xizhu were among them!

They had contacted their respective families to mobilize personnel even before setting out from the Nanzhan Immortal Country!

On their way to the Ancestor Dragon Sacred Land, they met up with their family members and then rushed over together!

Soon, nearly a thousand ancient boats and tens of thousands of war chariots flew over, arriving in the sky above!

Zu Qianqiu cupped his hands and said, "Thank you all for coming to our aid, we are deeply grateful!"

Ning Jin Yu waved his hand and said, "Elder Qianqiu, you are too polite. Our divine beast families have always had a good relationship with the Ancestor Dragon Sacred Land; we share in its glory and demise together!"

Today, since the Ancestor Dragon Sacred Land is in trouble, we naturally have to come and help!"

"Indeed!"

Yun Jincheng also nodded and said, "In the past, when our Nanzhan Immortal Country was in dire straits, Elder Qianqiu, you brought people to help us!

This kindness is something our Nanzhan Immortal Country will always remember!"

"Thank you! Thank you!"

Zu Qianqiu cupped his hands again and said, "After this battle is over, let us gather properly for a celebration!"

"Yes!"

Yun Jincheng and Ning Jin Yu nodded heavily.

Then, Yun Jincheng, Ning Jin Yu, and others turned to look at the people from Fen Tian Valley, their eyes filled with cold indifference.

Fen Tian Valley glanced at Yun Jincheng and the others and said harshly, "Do you people really want to fight to the death with our Golden Crow Sacred Land for the Ancestor Dragon Sacred Land?

You should think it through; our Golden Crow Sacred Land is one of the top forces in the Jiuzhou Immortal Domain, with friends all over the world!

If things get ugly, have you considered what consequences you might face?"

"Fight to the death so what? What if things get ugly?"

Yun Jincheng stepped forward and said loudly, "This is the Donghua Divine Continent, how can we allow your Golden Crow Sacred Land to act so arrogantly!"

Ning Jin Yu also said, "Fen Tian Valley, stop trying to scare us with your Golden Crow Sacred Land!

Our Ancient Divine Beast Families and the Ancestor Dragon Sacred Land are the most faithful allies!

If your Golden Crow Sacred Land wants to challenge us, feel free to try!"

"Hehe... Hahaha..."

Fen Tian Valley laughed wildly, filled with arrogance.

He said viciously, "You weakening ancient divine beast families dare to show off in front of my Golden Crow Sacred Land!"

If you insist on seeking death, then you'll perish along with those from the Ancestor Dragon Sacred Land!"

As he said this, he raised his halberd and shouted, "Go, kill them all!"

With an order!

"Kill! Kill! Kill!"

"Finish them off!"

All the forces headed by the Golden Crow Sacred Land roared and charged like a massive wave!

"Everyone, join in, destroy them!"

Yun Jincheng also waved his hand, giving the command.

"Destroy them!"

"To be arrogant in our Donghua Divine Continent is simply asking for death!"

People from the Nanzhan Immortal Country, Gu Qinglong Family, Ancient White Tiger Family, Ancient Tengshe Family, Ancient Qilin Family, and Ancient Luwu Family surged forward fiercely!

"Our reinforcements have arrived, fight to the blood-soaked death!"

Zu Qianqiu also became impassioned and charged in high spirits with the Emperor Dragon Sword!

"Fight to the bloody end!"

"Roar! Roar! Roar!"

All disciples and ancestor dragons from the Ancestor Dragon Sacred Land emitted roars and howls, charging forward!

The scale of the battle escalated once again, practically darkening the sky and dimming the Sun and Moon!

Due to the participation of the Nanzhan Immortal Country and the five Great Ancient Divine Beast Families, the forces led by the Golden Crow Sacred Land no longer had a numerical advantage!

They also no longer held the upper hand in top-level combat strength either!

As a result, the fight was evenly matched, with casualties on both sides!

The battle continued, with an endless increase in death and injuries!

The fighting lasted for another hour!

"Get out of my way!"

The Golden Crow Seventh Prince Fen Yanzhan roared angrily, shaking his entire body!

Whoosh! Whoosh! Whoosh!

Streams of Golden Crow Divine Fire burst from his body, transforming into a golden-red Fire Sea, surging in all directions!

The thousands of disciples and dozens of ancestor dragons besieging him were all consumed by the Fire Sea!

"Ahhhh..."

"Roar woaaa..."

Heart-wrenching screams resounded continuously.

The temperature of the Golden Crow Divine Fire was too high, and its burning power was horrifying.

Thousands of disciples and dozens of ancestor dragons were burned alive.

"Hahaha..."

Fen Yanzhan laughed maniacally towards the sky and said viciously, "I am the Golden Crow Seventh Prince, all you ants should die!"

As he spoke, he kept swinging his sword, killing the people and ancestor dragons who attacked him!

He continued swinging his sword while saying harshly, "You evil dragons will become my nourishment!"

He opened his mouth to continue absorbing Ancestor Dragon Blood Essence to heal and recover!

As the Ancestor Dragon Blood Essence was absorbed, the wounds on his body began to slowly heal!

But, just as Fen Yanzhan continued to absorb the Ancestor Dragon Blood Essence!

Whew! Whew! Whew!

Suddenly, three ear-piercing sounds of breaking through the air came from afar!

Three golden streams of light streaked across the Changkong like meteors, shooting over, dazzling and bright!

"What is that?!"

"Such powerful force, dodge quickly!"

The disciples from the seven forces led by the Golden Crow Sacred Land exclaimed in shock, trying to evade.

But in the next second!

Splash! Splash! Splash!

The three golden streams of light pierced through the chests of these disciples, showering blood everywhere!

One golden stream of light was heading straight for Fen Yanzhan!

The other two golden streams targeted Sikong Xuan and Liu Chongyan, who were battling fiercely with Zu Wangjiang and Yun Jincheng!

Sikong Xuan was the Deputy Sect Master of the Wuji Immortal Sect!

Liu Chongyan was the Deputy Clan Leader of the Ancient Swallowing Sky Python Family!

Whether it was Fen Yanzhan, or Sikong Xuan and Liu Chongyan, none of them reacted in time!

After all, the three golden streams of light were shot so fast that they could not respond at all!

In an instant!

Splash! Splash! Splash!

Three blood flowers exploded on the chests of Fen Yanzhan, Sikong Xuan, and Liu Chongyan, blood spurting out wildly, shocking to the eyes!

Everyone present turned to Fen Yanzhan, Sikong Xuan, and Liu Chongyan, their pupils shrinking dramatically, dumbfounded!

Fen Yanzhan, Sikong Xuan, and Liu Chongyan's chests had been pierced by a golden divine arrow!

The three golden divine arrows emitted dazzling golden divine light, shocking everyone's spirit!

Everyone was alarmed, not knowing where the three golden divine arrows had come from, nor who had fired them!

There was just a moment of silence!

"Ahhh!!!"

Fen Yanzhan, Sikong Xuan, and Liu Chongyan let out heart-wrenching screams.

They felt the energy radiating from the three golden divine arrows was too terrifying, frantically destroying their internal organs, eight extraordinary meridians, and limbs!

Even their Essence Souls were enduring King of Hell-like torture!

The endless agony made them scream, filled them with despair!

### **Chapter 2813: Chapter 2813: Surprises One After Another!**

A few minutes passed.

Bang bang bang!

Fen Yanzhan, Sikong Xuan, and Liu Chongyan's bodies exploded in mid-air, scattering flesh and bone fragments!

Even their Essence Souls were blasted into ashes!

After killing the three, the golden divine arrows transformed back into golden streaks of light, shooting into the distance!

The scene before everyone's eyes happened so fast that no one could react!

Just as everyone was dumbfounded!

Voices came from afar!

“Brother Yang, you’re too sneaky. We haven’t even made a move, and you attacked first!”

“Goodness, Brother Yang, what’s the origin of the bow and arrow in your hands to have such power?!”

“Indeed, it killed a Golden Immortal Late Stage and two Daluo Golden Immortal Early Stage with just three arrows!”

“Divine artifacts, these are simply divine artifacts!”

Alongside these voices.

A group of people flew over from afar.

It was Yang Luo, Yun Longxiang, Bujie, and others.

Yang Luo flew ahead, holding a bow in his left hand and grasping three golden divine arrows in his right.

His entire body emitted dazzling golden light, black hair billowing, black robe fluttering, expression stern and imposing.

“Little Luo!”

“Longxiang!”

“Why are you all here?!”

“So these little ones have come!”

Ning Jin Yu and Yun Jincheng saw Yang Luo and the others, first startled, then exclaimed in surprise.

“Who are these little ones? They all look extraordinary!”

“Strange, why do I sense the aura of various Ancient Divine Beast Families from them?!”

“Could it be that their bodies contain the blood of our Ancient Divine Beast Families?!”

“But why have we never seen them before?!”

Ji Huai Ren, Baili Qingchuan, Lin Haochang, and Duan Zhongtian stared intently at Ji Longyue and others, eyes full of suspicion.

Ning Jin Yu laughed, saying, “My brothers, you might not know!

These little ones are the bloodline our Ancestor left in the Lower World years ago, they are our descendants!”

“Really?!”

“Our Ancient Divine Beast Families’ descendants have flown up to the Upper World from the Lower World?!”

Ji Huai Ren and Baili Qingchuan exclaimed in amazement, eyes full of disbelief.

Ning Jin Yu looked at Ji Longyue and others, smiling, “Little ones, these men are the family heads of various Ancient Divine Beast Families!

Show the family heads your bloodline power!”

“Yes!”

Ji Longyue and others responded in unison, activating the bloodline power within them, unleashing their aura!

In an instant!

Boom boom boom!

Dazzling beams of light shot skywards from Ji Longyue and others!

In the next moment!

Above Ji Longyue and others, Divine Beast Illusions suddenly began to gather!

It was—

Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Qilin, Soaring Snake, Flaming Phoenix, Lord Blue Luan, Kun Peng, the nine Divine Beast Illusions!

At this moment!

The sky above Ji Longyue and the others was crowded with the nine Divine Beast Illusions, deeply shocking the hearts of all present!

Even Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi, who knew Ji Longyue and others were descendants of the Ancient Divine Beast Families!

Were still stunned upon seeing these nine Divine Beast Illusions again!

Especially Yun Longxiang, who had never seen Ji Longyue and others make a move, was truly astonished!

“Truly...they really are our descendants of the Ancient Divine Beast Families!”

“Great, this is truly great, to think so many talents have emerged in the Lower World from our Ancient Divine Beast Families!”

“Haha, worthy descendants of our Ancient Divine Beast Families, indeed impressive and extraordinary!”

Ji Huai Ren, Baili Qingchuan, Lin Haochang, and Duan Zhongtian all laughed heartily, feeling very pleased.

Zu Qianqiu clasped his hands and congratulated, “Congratulations on reuniting with your descendants!”

Yun Jincheng was intently watching Yun Longxiang, dumbfounded, “Longxiang...why does it feel like your cultivation has reached Daluo Golden Immortal?!”

What...what’s going on...has your injury fully healed?!”

At this moment, Ji Huai Ren, Baili Qingchuan, and others also noticed Yun Longxiang.

Especially when sensing Yun Longxiang’s cultivation, their expressions changed dramatically, still thinking they sensed wrong.

Daluo Golden Immortal Early Stage!

Yun Longxiang seems to have truly entered Daluo Golden Immortal Early Stage!

However, they were puzzled as to how Yun Longxiang suddenly healed and even entered Daluo Golden Immortal.

They knew well about Yun Longxiang’s abolition.

Yun Longxiang took a deep breath and said, “Father, I’ve been worrying you for the past year!

Thanks to Brother Yang’s help, my injuries have fully healed, and I’ve entered Daluo Golden Immortal!”

Saying this, his whole body shook, instantly unleashing his aura!

In an instant!

Boom!

A massive golden beam shot up from his body, tearing through a large portion of the Cloud Sea above!

Yun Longxiang's body shone with dazzling golden light, mysterious runes surfaced on his skin!

Above his head, a golden dazzling Emperor Seal gathered!

Around him circled True Dragon, Immortal Phoenix, Divine Elephant, and nine-headed lion, extremely imposing!

Seeing this scene, the entire audience was astonished!

"Longxiang, you've finally healed, not only returning to peak but also entering Daluo Golden Immortal, awakening the fourth level Physique Phenomenon!"

Yun Jincheng was overwhelmed with joy, tears flowing, "Hahaha, wonderful, wonderful indeed, heaven blesses my son, heaven blesses me in Nan Zhan Immortal Country!"

"Longxiang, well done!"

"Longxiang not only returned to peak but also surpassed himself, truly the Southern Domain's pride from back then!"

"Brother Yun, congratulations congratulations!"

Ning Jin Yu, Ji Huai Ren, and others were also moved, tears formed, congratulating Yun Jincheng.

Yun Jincheng then deeply bowed to Yang Luo, tears flowing, hoarsely saying, "Little Luo, thank you, thank you for healing Longxiang, allowing him to regain himself!"

From now on, you are Nan Zhan Immortal Country's most precious friend!

Whatever help you need from us, just say the word, we will surely provide full support!"

"Uncle Yun, you're too kind, Brother Yun is my brother, we are all one, no need for thanks!"

Yang Luo smiled slightly, then said, "The most important thing now is to deal with these guys and restore peace to the Ancestor Dragon Sacred Land!"

"Well said!"

Yun Jincheng's eyes were full of admiration, nodding, "Don't worry, with us from Nan Zhan Immortal Country and the Ancient Divine Beast Families here!

These guys won't create any trouble!"

Ji Huai Ren sighed, "I didn't expect this kid healed Longxiang, his know medicine must be Unparalleled in the World already!"

Baili Qingchuan also eyed Yang Luo, saying, "Not only his know medicine, but this kid's cultivation has reached Golden Immortal Perfected Stage, almost nearing Daluo Golden Immortal!

Especially the aura exuding from him, it's no weaker than Longxiang's!"

"This kid wielding a bow, was it him who shot down the Golden Crow Seventh Prince, as well as Sikong Xuan and Liu Chongyan?"

Lin Haochang looked at the bow in Yang Luo's hand, asked in surprise.

### **Chapter 2814: Chapter 2814: Omnipotent!**

Zu Qianqiu stared at the bow and arrow in Yang Luo's hand for a few moments, his pupils suddenly contracting sharply!

He exclaimed in shock, "Could it be... could it be that the little guy is holding the Ancestor Artifact of the Da Yi Immortal Country... the Sunset Divine Bow and the Sun-shooting Divine Arrow?!"

With these words spoken!

The entire audience was astonished and completely erupted!

"Oh my god, is this true?! Is it really the Sunset Divine Bow and the Sun-shooting Divine Arrow?!"

"Rumor has it that the Sunset Divine Bow and the Sun-shooting Divine Arrow have long been damaged, why are they still usable?!"

"The power of this bow and arrow is so great, it must truly be the Sunset Divine Bow and the Sun-shooting Divine Arrow!"

“It definitely is, otherwise, how could this kid kill the Golden Crow Seventh Prince, as well as Sikong Xuan and Liu Chongyan, in an instant with just a Golden Immortal Perfected Stage Cultivation!”

Everyone present gasped in shock, the waves of surprise in their hearts coming one after another, causing them to tremble uncontrollably.

“Damn it, how were the Sunset Divine Bow and the Sun-shooting Divine Arrow repaired and how did they end up in this kid’s hands?!”

“The Golden Crow Seventh Prince, Sikong Deputy Sect Master, and Vice Clan Leader Liu were all shot dead by this kid!”

Those from the Golden Crow Sacred Land cried out in grief.

Especially those like Fen Tian Valley who had the Golden Crow bloodline flowing within them, they had a natural fear of the Sunset Divine Bow and the Sun-shooting Divine Arrow.

This fear came from deeply ingrained in their bloodline, unable to be resolved.

Yang Luo looked at Zu Qianqiu and the others, and said loudly: “Respected elders, this is indeed the Ancestor Artifact of the Da Yi Immortal Country, the Sunset Divine Bow and the Sun-shooting Divine Arrow!

The emperor and the elders of the Da Yi Immortal Country temporarily entrusted it to me!

Although I have only repaired part of it, it was still very easy to shoot down these wolves and ambitious men!”

As soon as these words were spoken!

Everyone present finally confirmed that what Yang Luo was holding was indeed the Sunset Divine Bow and the Sun-shooting Divine Arrow, and not an imitation!

Zu Qianqiu marveled, “So it was this little guy who repaired the Sunset Divine Bow and the Sun-shooting Divine Arrow!”

“Just how high is this kid’s Artifact Refining Skill, to be able to repair the Sunset Divine Bow and the Sun-shooting Divine Arrow, restoring their former glory?!”

Ji Huai Ren also exclaimed in shock.

Chu Fenghuo asked in astonishment, “Brother Yang, so it was you who repaired the Sunset Divine Bow and the Sun-shooting Divine Arrow?!”

Apart from knowing medicine and alchemy, you also know how to refine weapons?”

Yun Longxiang, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi were all dumbfounded, looking at Yang Luo as if he were a deity!

“Brothers, calm down, calm down!”

Bujie lowered his hands, stating: “Let me tell you something, not long ago, Xuanzhou hosted an artifact refining contest, inviting tens of thousands of artificers from the four small states to participate!

And the one who won first place was none other than my Brother Yang!”

“What?! Brother Yang was the first place in the artifact refining contest?!”

“Oh my, I have heard of the artifact refining contest held in Xuanzhou, but I never thought that the first place was Brother Yang!”

“Amazing, Brother Yang is just incredible, Brother Yang is the true jack of all trades!”

Yun Longxiang and the others couldn’t help but exclaim in admiration, their gazes towards Yang Luo filled with endless reverence apart from shock.

Especially Lu Xueqi, her beautiful eyes wide open, her small mouth agape.

This man could really do anything!

Did he really come from the lower world, why is he so capable of everything?

The others present were also shocked beyond measure!

Many had heard of the artifact refining contest held in Xuanzhou, but didn’t know the specifics of the contest!

Although it was just a contest held in the four small states, Yang Luo’s ability to stand out among tens of thousands of artificers and win first place was enough to prove his extraordinary artifact refining skills!

In the distant sky.

Fen Bumie said solemnly: “Brother Tian Gu, not long ago, Brother Wang Chen and the others went to Xuanzhou to support the Southern Barbarian Demon Country in attacking the Da Yi Immortal Country and seizing the Sunset Divine Bow and the Sun-shooting Divine Arrow, didn’t they?

Why have the Sunset Divine Bow and the Sun-shooting Divine Arrow ended up in this kid's hands, could the plan have failed?"

"During this time, we have been traveling between the Central Earth Immortal State and the Northern Cold Ming State, not returning to the Sacred Land, thus we don't know what exactly happened!"

Fen Tian Valley solemnly said, then continued: "Let's first kill this little beast and seize the Sunset Divine Bow and the Sun-shooting Divine Arrow!"

Of course, we also need to seize the three Ancestor Artifacts of the Ancestor Dragon Sacred Land!

Once things here are settled, we'll return to the Sacred Land!"

"Alright!"

Fen Bumie nodded in agreement.

Immediately, Fen Tian Valley raised his halberd high, roaring: "Kill these little beasts for me!"

Especially the one who shot the Seventh Prince, make sure to shred him to pieces!"

"Yes!"

"Kill!"

The disciples from the seven major forces led by the Golden Crow Sacred Land roared in anger, charging towards Yang Luo and the others!

Yang Luo cast a cold eye over them, shouting in a loud voice: "You think you can kill me just like that, you're simply courting death!"

Saying this, he spread his feet apart, continuously drawing upon the energy within his body, directly nocking an arrow and drawing the bow!

As his cultivation had reached the Golden Immortal Perfected Stage, his vigor became more abundant, allowing him to use the Sunset Divine Bow and the Sun-shooting Divine Arrow multiple times!

"Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, go!"

Accompanied by a loud shout!

Swish, swish, swish!

The Broken Cloud Arrow, Sky Splitting Arrow, and Red Spirit Arrow simultaneously shot out with explosive speed, like streaks of lightning, shooting at the rushing mob!

In the blink of an eye!

Thud, thud, thud!

The three golden divine arrows were simply unstoppable, indestructible, breaking through everything, instantly killing thousands of people!

Bang, bang, bang!

Those hit were all blown apart into blood and bone fragments!

“Brothers, let’s fight!”

“Destroy these bastards!”

Bujie and Ning Jianfeng howled, charging forward first!

“Brothers, to battle!”

Xu Ying raised his Purple Thunder Saber, shouting with vigor, rushing into the fray!

Flame Emperor, Mo Qingkuang, Xiang Kunlun, and Ji Longyue all summoned their weapons and Dharma artifacts, their expressions cold, joining the charge!

They had followed Yang Luo through countless tough battles, having seen many big scenes!

So, even though this time the enemies were quite formidable, they did not fear!

“Roar!——”

“Roar!——”

Big White and Yuanfei let out earth-shattering roars simultaneously, their bodies rising from about a meter to several hundred meters, like two towering mountains, giving a strong visual impact!

They each made a leap, their massive bodies slicing through the skies, charging into the crowd!

Their footsteps alone crushed a lot of people to death!

Vehicles were trampled into pieces, turned into scraps of copper and iron, scattering everywhere!

“Die, by the hand of this Ape King!”

“You ants, surrender your lives!”

Big White and Yuanfei both shouted loudly, clenching their fists and continuously striking out!

Their fists were like heavy hammers, pounding the advancing people flying away!

Many more were directly blasted apart in the air, exploding into blood and bone fragments!

“Hahaha...”

Yun Longxiang laughed heartily, his blood boiling, saying loudly: “This battle is the return battle of Yun Longxiang!

Let this fight inaugurate my brilliant and passionate future!”

Saying this, he wielded the Heavenly Emperor Spear, with the Emperor Seal above his head, surrounded by True Dragon, Immortal Phoenix, Divine Elephant, and nine-headed lions, charging mightily into battle!

*Chapter 2815: Chapter 2815: True Strength!*

Once the Emperor Seal is unleashed, who dares challenge it!

Boom, boom, boom!

Many who charged forward were directly crushed into meat paste by the Emperor Seal as massive as a mountain!

The True Dragon roared, the Immortal Phoenix spread its wings, the Divine Elephant stepped into the sky, and the nine-headed lion roared, charging forward!

Bang, bang, bang!

A large group of people charging forward were blasted away, spitting blood from their mouths!

Many were even shattered into pieces by the impact!

"Kill this guy!"

"You were once defeated by our Eldest Prince, so what if you've recovered now!"

Led by the Golden Crow Sacred Land, the seven great forces charged in from all directions!

Especially the people of the Golden Crow Sacred Land, who looked down on Yun Longxiang with disdain!

A year and a half ago, it was their Eldest Prince who crippled this guy!

"One day, I will reclaim all humiliations from Fen Wentian!"

Yun Longxiang's long hair fluttered, his clothes flowing, as he stepped heavily from mid-air!

Fen Wentian is precisely the Eldest Prince of the Golden Crow Sacred Land!

"Die for me!"

Clang!

As he stomped heavily from above!

This piece of heaven and earth shuddered and shook violently!

Waves of Emperor's Aura and energy erupted like a volcanic explosion, tearing through levees, surging from within him, transforming into monstrous waves, washing in all directions!

"Aaaahhhhh..."

Those who charged in from all directions were submerged, annihilated in mid-air!

Boom, boom, boom!

In front, hundreds of war chariots forged from Immortal Gold and Divine Iron rolled across the sky, crashing toward Yun Longxiang!

"Annihilate!"

Yun Longxiang's long hair stood on end as he raised the Heavenly Emperor Spear in his hand, slashing heavily forward!

Swish!

The golden giant halberd pressed across the nine heavens, splitting the sky, blazing with overwhelming dominance!

Boom, boom, boom!

Those hundreds of war chariots were directly slashed to pieces by this halberd!

The people on the chariots were also slain with a single strike!

"Those not afraid of death, come on!"

Yun Longxiang roared out, holding the Heavenly Emperor Spear, launching another attack toward the crowd!

He continuously swung the Heavenly Emperor Spear in his hand, slashing all who besieged him to death!

Ancient boats and war chariots were all shattered by him!

The majestic Emperor Seal burst forth with dazzling golden light, suppressing and killing!

The True Dragon, Immortal Phoenix, Divine Elephant, and nine-headed lion charged forward in madness!

In the area where Yun Longxiang stood, bodies flew horizontally, flesh and blood splattered, shaking hearts!

At this moment, Yun Longxiang seemed like a prisoner dragon locked for a year and a half, breaking free from shackles, soaring through the nine heavens!

"He's back, Longxiang is back!"

"The Eldest Prince has finally found himself, more confident and dominant than before!"

The elders and armored soldiers of the Nan Zhan Immortal Country were filled with tears of joy, delighted beyond measure.

And just as Yun Longxiang slaughtered in all directions!

Ji Longyue, Baili Wushuang, Tantai Puti, Yi Yuheng, and Ning Jianfeng were also filled with passionate blood, driven to madness!

They had finally reunited with the seniors of the Ancient Divine Beast Families in the Upper World, naturally needing to showcase their talents!

"Dragon Howl of Ten Thousand Miles!"

"White Tiger's Chaotic World!"

"Vermillion Bird!"

"Black Tortoise Stepping Sky!"

Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng unleashed their full aura, full battle strength, launching their most powerful attacks!

"Roar, roar, roar!"

The roars resounding through the nine heavens continued endlessly!

Tens of thousands of Azure Dragon illusions, white tiger illusions, Vermillion Bird illusions, and Black Tortoise illusions charged forward!

More lightning flickered, flames burned, ice surged!

"Flying Sword Star Picking!"

"Kun Peng Divine Feather!"

"Soaring Serpent Nine Slash!"

"Qilin Divine Spear!"

"Fire Phoenix Saber!"

Ye Luange, Xiang Kunlun, Ning Jianfeng, Lin Wenxuan, and Qin Zhanhuang all launched fierce attacks!

Countless cyan flying swords shot out like a meteor shower, the Blue Luan ignited with Blue Luan Divine Fire, pouncing upward!

Above Xiang Kunlun, Kun Peng spread its wings, crashing upward!

He raised both hands, seemingly transforming into Kun Peng's wings, slashing heavily!

Ning Jianfeng swung the Soaring Serpent Sword in his hand, slashing madly!

The black ancient Soaring Snake with wings screeched, soaring above the clouds, charging upward!

Lin Wenxuan swung the spear in his hand, sweeping horizontally!

The black qilin roared incessantly, crashing upward!

Qin Zhanhuang swung the saber in his hand, constantly slashing!

The Flame Phoenix soared in the sky, skimming through the air, pouncing upward!

Wave after wave of people charging forward were successively killed by Ye Luange and others!

"Hahaha..."

Chu Fenghuo laughed heartily, shouting, "We can't let Brother Ning show us up; let's show the brothers our strength!"

"Okay!"

Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi responded loudly.

All four unleashed their full aura, full battle strength, and activated their Physique Phenomena, charging forward!

Bujie was even more excited, demonic light flickering on his body, demonic qi rolling!

"Slaughter Demon Fist!"

He clenched his fists, hammering forward furiously!

Each black fist, carrying terrifying slaughter intent, blasted wave after wave of people charging forward!

As he punched, he continued to execute killing moves!

"Wutian Great Demon Seal!"

A black huge seal engraved with ancient runes and ancient demon totems swelled and expanded, crushing the people charging forward into meat paste!

The Wutian Demon Stele and Slaughter Demon Palace were also summoned by him, suppressing and killing, shooting out destructive demonic lights!

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, and others also fought wildly, full of heroic spirit!

All those in fierce combat from afar were stunned by this scene, greatly frightened!

"These youngsters, each more fierce than the last, each more powerful than the last!"

"Indeed, although some juniors haven't stepped into the Golden Immortal level, their combat strength is strong, and their battle experience is extremely rich!"

"In just a few minutes, thousands have already perished at the hands of these juniors!"

"I'm afraid the entire Jiuzhou Immortal Domain will be shaken by these youngsters in the future!"

The people from Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and various Ancient Divine Beast Families exclaimed.

Everyone was infected by the passionate zeal of Yun Longxiang, Bujie, and others, battling alongside the enemies of the seven great forces!

Especially in the far horizon.

Yang Luo, holding the Sunset Divine Bow and Sun-shooting Divine Arrow, single-handedly had already shot down over ten thousand people!

The disciples of the seven great forces, led by the Golden Crow Sacred Land, were all stunned and for a moment dared not approach!

"This kid is simply a demon, too terrifying!"

"The Sunset Divine Bow and Sun-shooting Divine Arrow in his hand are too powerful; getting close means certain death!"

"This kid relies on the Sunset Divine Bow and Sun-shooting Divine Arrow to have such strong combat strength!"

"Indeed, as long as we don't get close and attack from afar, we can surely kill him!"

The thousands of disciples from the seven great forces stood in the distant sky, glaring at Yang Luo, gritting their teeth.

Yang Luo's eyes were cold and fierce, his voice thunderous: "Weren't you going to kill me? Come on!"

"Kill him!"

"Attack together!"

Thousands of disciples roared as they launched a ferocious attack on Yang Luo!

Thousands of attacks struck out simultaneously, like monstrous waves, blasting toward Yang Luo!

Yang Luo narrowed his eyes, smirking coldly: "Didn't you say I rely on the Sunset Divine Bow and Sun-shooting Divine Arrow for such combat strength?"

Fine, then let me show you my true power!"

### **Chapter 2816: Chapter 2816: Can You Kill Me?**

The words had barely fallen!

Yang Luo shuddered, his aura exploded, his battle power erupted!

Boom!

A colossal golden beam, like a pillar of heaven, shot up from his body, piercing through the firmament!

Like a golden heavenly sword, slicing through the nine-layered heaven!

"Beast Blood Boiling!"

He emitted a deafening roar, directly activating the primordial bloodline and the bloodline powers of the Four Great Divine Beasts and the Four Great Fierce Beasts within him!

In an instant!

"Roar, roar, roar!"

Accompanied by a series of roars rising!

Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun, Qiongqi, and Taowu roared out simultaneously!

Boom!

The offensive launched by thousands of disciples was entirely shattered, exploding into vast flashes of light and energy!

"Ugh, ah, ah..."

The thousands of disciples were all knocked flying, spurting blood from their mouths, their bodies splattering a large amount of blood!

More disciples were smashed to pieces, bursting into widespread flesh and bone fragments!

“Strange, this brat’s body actually contains the essence blood of the Four Great Divine Beasts and the Four Great Fierce Beasts?!”

“How does this brat suppress the essence blood of the Four Great Divine Beasts and the Four Great Fierce Beasts?!”

“Ordinary people with even one more essence blood will be backlashed, yet this brat is not only unscathed but can also utilize the power of these essence bloods?!”

“So wonderful, this brat is rather extraordinary!”

The people of Nan Zhan Immortal Country and various Ancient Divine Beast Families were dumbfounded, watching with hearts pounding.

Especially the people from Ancestor Dragon Sacred Land, they felt Yang Luo’s aura was somewhat familiar.

However, they were in the midst of a battle, so they couldn’t approach to ask.

“Little brute, don’t be arrogant!”

“Little brute, hand over your life!”

“Avenge the Seventh Prince, Sikong Deputy Sect Master, and Vice Clan Leader Liu!”

“Be sure to be cautious of his Sunset Divine Bow and Sun-shooting Divine Arrow!”

At this moment, seven Law Enforcers from seven major forces charged towards Yang Luo.

Among these seven Law Enforcers, two were at the Golden Immortal Perfected Stage, two were at the Golden Immortal Late Stage, and three were at the Golden Immortal Middle Stage.

They were extremely cautious, guarding against Yang Luo drawing his bow and arrow, and launched a fierce attack!

“Golden Crow Fierce Sun Fist!”

“Great Amplification Sky-cutting Sword!”

“Golden Peng Mountain Opening Saber!”

“Netherworld Yin Wind Palm!”

...

Fists and palms flew, blades and swords flashed, Immortal Seals suppressed the mountains, Immortal Maps pressed the heavens!

The seven-fold offensive was fierce, launching a fierce assault towards Yang Luo!

Yang Luo stood proudly in mid-air, utterly fearless, without drawing his bow and arrow, instead he focused his mind and roared out!

“Nine Emperor Dragon Seal!”

In the blink of an eye!

Primordial Dragon Seal, Chaos Dragon Seal, Primordial Dragon Seal, Starry Sky Dragon Seal, and Primordial Dragon Seal gathered up, expanded swiftly in the wind, and surged up for a suppression kill!

Clang, clang, clang!

Boom!

Accompanied by deafening clash and explosion sounds!

The offensive launched by the seven Law Enforcers was all shattered, exploding into a sky full of flashes and energy!

“Ah, ah, ah...”

The seven Law Enforcers were also knocked flying, spitting blood, their bodies bursting into large quantities of blood!

Although the Five Directions Dragon Seal was broken into two sections, the remaining three seals continued to suppress and kill upwards!

Yang Luo took a step forward, catching up with a Golden Immortal Middle Stage Law Enforcer in an instant!

“Die!”

Accompanied by a thunderous roar!

He lifted his right foot and stomped heavily down towards the Law Enforcer!

“Brat, don’t even think about it!”

The Law Enforcer exclaimed in horror, immediately gathering layers of Defensive Shield to block Yang Luo’s stomp!

However, no matter how strong his gathered defense was, it could not withstand Yang Luo's stomp, directly shattering!

With a "boom" sound, Yang Luo's stomp landed heavily on the Law Enforcer's chest!

"Pfft..."

The Law Enforcer spewed out a large mouthful of blood, his chest bones and internal organs were all crushed, falling downward!

The three remaining seals simultaneously suppressed down!

"No!!!"

Following the last terrified shout.

Boom!

The three seals struck the Law Enforcer's body in unison, then simultaneously exploded in mid-air!

The Law Enforcer's physical body was smashed to pieces, and his Essence Soul was also obliterated into nothingness, completely dead!

"This brat actually knows our dragon clan's lost divine power?!"

"Could he be related to our dragon clan?!"

"What exactly is his background?!"

The people from Ancestor Dragon Sacred Land fighting in the distance were amazed.

Especially the elders from Ancestor Dragon Sacred Land in battle, were even more shocked!

They felt Yang Luo was very extraordinary, absolutely related to their dragon clan!

"The first one!"

Yang Luo spoke coldly, his figure flashing, again aiming to kill the second Golden Immortal Middle Stage Law Enforcer!

"Brat, I'll kill you!"

The Law Enforcer roared angrily, swinging his spear to pierce Yang Luo's body!

Whoosh!

The sharp breaking sound echoed, piercingly loud!

The silver spear like a dragon rushed towards Yang Luo's chest, intending to annihilate him!

Yang Luo didn't dodge or retreat, his eyes opened wide, golden light flashed, and he emitted another thunderous roar!

"Chaos Slaughter Array Map!"

In the blink of an eye!

A map engraved with a golden dragon head, carrying grand killing aura, condensed and pressed against the Law Enforcer!

As the map pressed down, waves of vast dragon might and dragon qi spread out, sweeping through heaven and earth!

Bang!

The silver spear collided heavily with the golden map, producing rumbling thunderous sounds!

However, the spear thrust by the Law Enforcer could not withstand the map's crushing force, being directly knocked away!

"What?!"

The Law Enforcer's pupils constricted, momentarily stunned.

By the time he reacted!

Boom!

The golden map pressed directly onto his body, then instantly exploded!

The terrifying explosion echoed in the sky, brilliant light and surging energy intertwined, transforming into a giant mushroom cloud, rising high!

The Law Enforcer's physical body and Essence Soul were shattered, dead beyond death!

"Second one... even if I don't use the Sunset Divine Bow and Sun-shooting Divine Arrow, can you kill me?"

Yang Luo whispered demonically, once again walking step by step towards the third Golden Immortal Middle Stage Law Enforcer!

Bang, bang, bang!...

Each step he took caused the entire heaven and earth to tremble greatly!

If it weren't for the mountain-protecting array blocking, who knows how many mountains would collapse!

"Counterattack! Quickly counterattack!"

"This brat is too terrifying, he doesn't use the Sunset Divine Bow and Sun-shooting Divine Arrow, yet can still unleash such formidable battle power!"

"Is he really just at the Golden Immortal Perfected Stage, why is his power so fearsome?!"

"Don't let him approach, kill him!"

The remaining five Law Enforcers screamed desperately, launching an attack towards Yang Luo!

Layer upon layer of offensive surged forward like rolling waves, attacking with fury towards Yang Luo!

Yang Luo was utterly fearless, he charged forward recklessly, directly activating his Primordial Physique "Eternal Immortal Body"!

Golden light flashed dazzlingly on his body, ancient dragon patterns and runes appeared on his skin, mysterious and unpredictable!

Boom, boom, boom!

The offensive launched by the five Law Enforcers was continuously shattered, exploding into huge balls of energy!

In contrast, Yang Luo was unscathed, resplendent and imposing, truly like the arrival of an Eternal Immortal Emperor, intending to annihilate all!

## **Chapter 2817: Chapter 2817: I'll Grant Your Wish!**

"What kind of physique has this boy awakened, to be so powerful?!"

"Damn it, this boy's awakened physique doesn't show any phenomena, it's completely incomprehensible!"

“Don’t hold back, use all your strength, kill this boy!”

The five Law Enforcers were both shocked and frightened, and they each mobilized their internal energy to the extreme, activating their Dharma Idols!

“Kill!!!”

With a furious roar, the five Law Enforcers led their Dharma Idols to launch a mad attack on Yang Luo!

At the instant they approached Yang Luo!

Together with their Dharma Idols, they launched the strongest attack on Yang Luo!

Yang Luo still did not retreat a single step, instead, his whole body shook!

Multiple defensive shields like “Inextinguishable Flame Dipper,” “Xuanming Divine Power,” “Nine Heavens Thunder Gang” condensed and formed!

Around Yang Luo, blazing flames surged, bone-chilling ice trembled, nine-colored lightning swirled, and various energies roared!

Boom! Boom! Boom!

The fierce offensive launched by the five Law Enforcers and their Dharma Idols struck the multiple layers of defensive shields with earth-shattering force!

But even though the five Law Enforcers attacked fiercely, they couldn’t break through Yang Luo’s defense!

“Quick, help!”

“Attack together, kill this boy!”

Many disciples from the seven major forces roared in anger, attacking from afar!

More attacks surged from all directions, crashing against Yang Luo’s layers of defensive shields, exploding with even louder impact sounds!

“Do you think having more people can kill me?”

An aura of killing intent flickered in Yang Luo’s eyes, as his lips curled into a cold smile, “How naïve!”

Saying this, he shook his whole body again!

Boom! Boom! Boom!

The defensive shields surrounding him exploded, transforming into energies and washing outwards in all directions!

“Ahhhhh...”

The five Law Enforcers were blasted away at once, their bodies torn with flesh and blood exploding!

The attacking disciples from afar were also blasted away, the majority dying instantly, falling to the ground as corpses!

Yang Luo took another step forward, catching up to the third Golden Immortal Middle Stage Law Enforcer!

“Get lost!”

He roared furiously, swinging his leg fiercely!

Swoosh!

With a swift kick, a golden arc sliced through the sky like a golden battle axe striking hard!

“Ah...”

Before the Law Enforcer could react, he was swept away by the kick!

Accompanied by the sounds of crashing thunder!

He collided successively and demolished three distant mountains before slamming into the side of the fourth mountain!

“Die...”

Yang Luo softly uttered a word, eyes opened suddenly!

“Arrogant Sword Scripture!”

“God Slaying, Body Cutting, Heart Cutting, Cutting Intent, Cutting Path!”

Whoosh! Whoosh!

His eyes shot out two dazzling golden beams, like two sharp swords bursting forth!

This was the killing move he learned in the lower realms at Xuantian Sword Sect!

Although he rarely used it, he took every available moment to research and cultivate it!

Now, he had completely mastered the five sword realms of the “Arrogant Sword Scripture!”

Instantly!

Puff! Puff!

Two sharp swords pierced through the forehead and body of the Law Enforcer in the distant mountain!

Moreover, as the two swords pierced his forehead and chest!

Puff! Puff! Puff!

Swords stabbed out from inside his body, turning him into a sieve!

“Ahhhhh...”

He let out his last howl and scream, body and Essence Soul exploded simultaneously!

The towering mountain collapsed, turning to rubble and dust that swept into the sky!

“The third one!”

Yang Luo spoke coldly, intensely increasing the killing intent in his eyes!

He continued to stride towards the remaining four Law Enforcers!

The four Law Enforcers were stunned with terror!

“Is this boy even human, his eyes can kill?!”

“This is not a power he should possess at his cultivation!”

“It’s not just his eyes, it seems like any part of his body can kill!”

“He himself is an indestructible divine weapon!”

The four Law Enforcers trembled in voice, looking at Yang Luo with eyes full of fear.

Yang Luo lifted his eyes towards them, speaking faintly, "Didn't you say I could only wield great power using the Sunset Divine Bow and Sun-Shooting Divine Arrow? So, now what?"

"You little beast, I refuse to believe we can't kill you!"

One Law Enforcer let out a hysterical scream, charging at Yang Luo!

Once more, he activated his Dharma Idol, stepping through the void, stirring the winds and clouds, fiercely charging!

But, in the instant he got close!

Buzz!

A resonant hum echoed through heaven and earth!

A shimmering purple-gold small pagoda flew out from Yang Luo's storage ring, expanded rapidly, and shot out!

Boom! Boom! Boom!

With a dull collision sound!

The Law Enforcer who was at Golden Immortal Late Stage, along with his Dharma Idol, was sent flying by the force!

"Brother Yang, why didn't you call me to the fight, I had to come out myself!"

The Immortal Suppression Pagoda said with slight displeasure.

Yang Luo couldn't help but smile, "Immortal Suppression Pagoda, this one is yours!"

"Got it!"

The Immortal Suppression Pagoda replied, then the pagoda trembled fiercely!

Swish! Swish! Swish!

Nine Immortal rainbows shot from the nine levels of the pagoda, heading straight for the Law Enforcer!

Crash! Boom!

A thunderous explosion immediately erupted!

“Ugh...”

The Law Enforcer was bombarded with screams, his body battered and bruised, and even his Dharma Idol was shattered!

“Let’s all attack!”

“Fight to the death with this little beast!”

The other three Law Enforcers shouted angrily, charging at Yang Luo!

They too activated their Dharma Idols again, pushing their internal energy to the limit, unleashing a barrage of killing moves!

“Still dare to seek death?”

Then I’ll fulfill your wish!”

Killing intent flashed fiercely in Yang Luo’s eyes, as he continued to mobilize the energy within, roaring out!

“Twelve Shaman Primal Heavenly Art!”

“Twelve Ancestral Witches!”

“Kill!”

In the blink of an eye!

Twelve Ancestral Magi rose tall, heads touching the sky, feet stepping in the void, charging forward!

Boom! Boom! Boom!

The assault launched by the three Law Enforcers was completely shattered, fundamentally invincible!

“What... what cultivation technique is this?!”

“How can he even summon Ancestral Magi from ancient times?!”

“How many cultivation techniques does this boy actually know?!”

The three Law Enforcers were driven insane with fear, they could only let their Dharma Idols face the battle!

A series of “Boom! Boom! Boom!” explosions resounded again!

Puff! Puff! Puff...

The Dharma Idols of the three Law Enforcers were shattered, and they themselves were sent flying, spewing blood!

The twelve Ancestral Magi were already synchronized with Yang Luo’s mind, and even without orders, they continued charging at the three Law Enforcers!

One of the Law Enforcers was isolated, directly besieged by the twelve Ancestral Magi, pulverizing him into pieces!

Even his Essence Soul did not escape, getting annihilated in the sky!

“The fourth one!”

Yang Luo spoke with icy disdain, his aura and killing intent surged even further!

“Die for me!!!”

The Law Enforcer who was sent flying by the Immortal Suppression Pagoda charged from behind, swinging his saber toward Yang Luo’s head!

“Dragon Emperor Sword, kill!”

Without turning his head, Yang Luo roared out.

Clang!

The Dragon Emperor Sword emitted a clear sword cry, shot out from the storage ring, and with a sharp “puff,” pierced the chest of the Law Enforcer behind...

*Chapter 2818: Chapter 2818: Demon!*

"Ah..."

The sneaky Law Enforcer let out a miserable howl, and before the saber in his hand could descend, his chest was already pierced by the Dragon Emperor Sword!

Blood gushed from his mouth and chest, bright red and startling!

"I will kill you!"

The Law Enforcer used the last of his strength to continue swinging the saber in his hand, aiming at Yang Luo’s head!

But, just at the moment he slashed down!

Buzz rumble!

The Dragon Emperor Sword embedded in his chest trembled violently, unleashing a terrifying burst of sword intent, dragon might, and dragon qi!

"Agh..."

With one final scream.

Bang!

His body exploded into a mess of flesh and bone shards!

His Essence Soul fled from his physical body, attempting to escape!

However, terrifying flames erupted from Yang Luo's body, transforming into a sea of fire that engulfed his Essence Soul!

In less than a few seconds!

His Essence Soul was reduced to ashes!

"The fifth one!"

Yang Luo let out a thunderous shout, with a frenzy of killing aura swirling around him!

Just as Yang Luo slew the fifth Law Enforcer!

The remaining two Golden Immortal Perfected Stage Law Enforcers charged down from the sky!

"You little bastard, die for me!"

"Kill!"

In a frenzied rage, they launched deadly attacks aimed fiercely at Yang Luo!

Despite their status as Golden Immortal Perfected Stage cultivators, their assault was terrifyingly mighty!

Waves of attacks descended together, as if to raze everything below them!

Yang Luo merely concentrated his mind!

His body's multiple attribute energies surged upward, crashing against the descending torrents of attacks!

The Immortal Suppression Pagoda and the Dragon Emperor Sword roared out simultaneously, colliding with the sky!

Rumble rumble!

Despite the ferocity of the two Law Enforcers' combined attacks, they were completely destroyed!

Light and energy intertwined like waves, sweeping outward in all directions!

"Keep killing!"

"Don't stop, kill kill kill!"

The two Law Enforcers roared in fury, activating their Dharma Idols to continue their fierce assault on Yang Luo!

Yang Luo's entire body trembled, directly activating his Dharma Idol!

A golden giant resembling Yang Luo in appearance rose up, holding a golden giant sword, exuding immense power!

"Cut!"

Yang Luo roared thunderously.

The Dharma Idol swung the golden giant sword, slashing heavily towards the sky!

Shing!

The golden giant sword sliced through the sky, creating a vast golden crescent, as if to cleave the heavens in two!

Accompanied by "rumble rumble" sounds of explosions!

All the assaults unleashed by the two Law Enforcers, along with their Dharma Idols, were all obliterated!

"Aah..."

They screamed miserably, simultaneously blasted away!

"This brat is terrifying, we are no match for him!"

"Someone, help us, quickly!"

The two Law Enforcers were in a panic, shouting for assistance.

"Quickly, help!"

"We must kill that brat!"

From afar, disciples from the seven major forces charged forward relentlessly toward them.

"Still want to rescue them?"

Yang Luo's gaze turned icy, "Courting death!"

As he spoke, he stomped forcefully in mid-air!

"Kill!"

Buzz!

The Dragon Emperor Sword trembled again, transforming into countless golden flying swords, shooting out in all directions!

Poof poof poof!

Those disciples were pierced through like sieves before they even got close!

"Hand over your lives to me, Tower Master!"

The Immortal Suppression Pagoda also roared, shooting out beams of immortal rainbows, annihilating the oncoming disciples one after another!

Seeing this, the two Law Enforcers trembled all over and no longer dared to fight, turning to flee!

"Don't think you can escape!"

Yang Luo roared, concentrating his mind!

"Dragon Rebel Sword Formation!"

The Dragon Emperor Sword shot out explosively, seemingly transforming into a myriad of swords, forming a sword formation that trapped the two Law Enforcers directly!

"Damn it, this brat knows sword formations too!"

"We must break out quickly!"

The two Law Enforcers howled, fiercely attacking the sword formation!

Clang clang clang!

Boom boom boom!

Earth-shattering collision and explosion sounds rang out incessantly!

The entire sword formation was shaken continuously, emitting sounds of thundering booms!

"Keep it up!"

Yang Luo concentrated his mind again!

"Nine Revolutions Thunder Annihilation Formation!"

"Three Thousand Star Domain Formation!"

In an instant!

A massive Nine-Colored Thunder Array and a Starry Sky Formation condensed, once again trapping the two Law Enforcers!

The Nine-Colored Thunder Array had nine-colored lightning bolts surging wildly, dazzling and brilliant!

The Starry Sky Formation had the sun, moon, and stars evolving, mysterious and profound!

"Formation, activate!"

Yang Luo's eyes opened wide, directly activating the three types of grand array formations!

Countless golden flying swords shot out towards the two trapped in the formations!

Golden and blue Holy Dragon illusions roared out!

Nine-colored lightning bolts thundered out, as Nine-colored Thunder Beasts roared upwards!

The sun, moon, and stars rotated, shooting out dazzling beams of light!

The dragon talismans turned into tides, rushing for the kill!

"Aah..."

The two Law Enforcers could hold on no more, letting out wave after wave of miserable screams.

"Explode!"

Yang Luo let out one last furious roar!

Rumble rumble!

The three grand formations exploded simultaneously in the sky!

Various lights and energies intertwined, transforming into a sea of energy light surging forth!

The two Law Enforcers were completely obliterated into ashes, and the disciples who rushed to aid were also annihilated in the sea of energy light!

"The sixth! The seventh!"

Yang Luo roared madly, "If there are any more who aren't afraid of death, come on up!"

The disciples of the seven major forces were terrified to madness, trembling all over uncontrollably!

"This brat is simply a devil, a demon!"

"Seven Golden Immortal Protectors, all slain by him in such a short time!"

"From beginning to end, he hasn't used the Sunset Divine Bow or the Sun-shooting Divine Arrow, he hasn't even used his hands!"

"Just how strong is this brat? His current strength might even rival the Daluo Golden Immortal Early Stage, right?!"

The disciples of the seven major forces trembled as they spoke, scared out of their wits, too afraid to advance.

"Well done, little brother!"

"Good job, little brother!"

"I truly don't know to what extent this young brother's strength has reached!"

The people from Nan Zhan Immortal Country, Ancestor Dragon Sacred Land, and various Ancient Divine Beast Families were deeply shocked, looking at Yang Luo with eyes full of reverence and admiration.

Especially the family heads and elders, their eyes filled with approval.

They initially thought the strongest among the youth was Yun Longxiang.

But now, they believed Yang Luo's strength was probably on par with Yun Longxiang, or maybe even superior.

However, at this moment!

A roar of utmost fury came from afar!

"You little bastard, come and die!"

A figure appeared, with golden wings manifesting behind, streaking across the sky, charging at Yang Luo!

The person was Jinyao Kun, Deputy Clan Leader of the Gu Jinpeng Family, with cultivation at the Daluo Golden Immortal Early Stage!

Just now, he had left his own battlefield in the chaos, intending to deal with Yang Luo personally!

Though this brat was not a Daluo Golden Immortal, his threat was too significant!

If they didn't deal with him soon, their casualties might continue to escalate!

Yang Luo quickly reacted, directly drawing his bow and shooting arrows, firing three Sun-shooting Divine Arrows at Jinyao Kun...

## **Chapter 2819: Chapter 2819: Arabian Nights!**

Swoosh, swoosh, swoosh!

The Broken Cloud Arrow, Sky Splitting Arrow, and Red Spirit Arrow simultaneously shot out, tearing through the sky with piercing sonic booms!

At the very moment the three Sun-shooting Divine Arrows were unleashed!

Jinyao Kun swiftly responded, his wings quivering as he let out a roar!

"Golden Peng Feather Sword!"

Whoosh, whoosh, whoosh!

Countless golden feathers shot out like sharp swords, colliding with the three Sun-shooting Divine Arrows!

Boom, rumble, rumble!

The sound of impact and explosions echoed endlessly!

These three Sun-shooting Divine Arrows were absolutely unstoppable, shattering all the golden feather swords that filled the sky!

Seeing the golden feather swords couldn't fend off the three Sun-shooting Divine Arrows!

Jinyao Kun was alarmed, rapidly using rapid speed, quickly flapping his wings to sidestep!

The three Sun-shooting Divine Arrows missed, killing many disciples of the Seven Great Powers behind him!

Soon, the three Sun-shooting Divine Arrows transformed into three golden streaks and flew back, landing in Yang Luo's hand!

Jinyao Kun sneered coldly, "Kid, I know the Sunset Divine Bow and Sun-shooting Divine Arrows in your hand are powerful!

But, I'm the Deputy Clan Leader of the Gu Jinpeng Family, inheriting the ancient Golden Peng bloodline, renowned for my speed!

You can't hit me!"

Yang Luo slightly narrowed his eyes.

Indeed, with his current cultivation and strength, to kill a Daluo Golden Immortal, he must catch them off guard.

After all, he hasn't mastered the Space Law yet, and cannot immobilize his opponent.

Also, he knows that the Peng-type Divine Beasts are indeed famous for their speed; killing this guy might be really challenging.

Jinyao Kun chuckled disdainfully, "Kid, now the Sunset Divine Bow and Sun-shooting Divine Arrows in your hand can't help you, killing me is just wishful thinking!

Now I'm going to take your life!"

The wings on his back suddenly quivered, once more using rapid speed, like a golden lightning bolt, charging toward Yang Luo!

Yang Luo kept drawing the bow and shooting, releasing the Sun-shooting Divine Arrows over and over again!

Jinyao Kun kept using rapid speed to dodge, evading the Sun-shooting Divine Arrows time and again!

However, after dodging nine times in a row!

On the tenth time, Jinyao Kun was slightly slow!

Swish!

One of the Sun-shooting Divine Arrows skimmed past his arm, slicing it open with a long bloody gash, splattering a lot of fresh blood!

“Ugh...”

He staggered back in pain, his arm already torn open, blood dripping!

Yang Luo held the Sunset Divine Bow and Sun-shooting Divine Arrows, mocking, “Weren’t you known for your speed? Why couldn’t you evade?”

“You brat, dare to mock me, courting death!”

Jinyao Kun was enraged, unleashing his full aura and combat power, viciously attacking Yang Luo!

Yang Luo swiftly tucked away the Sunset Divine Bow and Sun-shooting Divine Arrows!

Using the Sunset Divine Bow and Sun-shooting Divine Arrows too much drains his qi significantly!

It seems wiser to use the Sunset Divine Bow and Sun-shooting Divine Arrows sparingly until having absolute confidence to kill the opponent!

After putting away the Sunset Divine Bow and Sun-shooting Divine Arrows!

Yang Luo’s right hand lifted, letting out a roar!

“Sword, come!”

Whoosh!

The Dragon Emperor Sword flew directly into his grasp!

“Dragon Emperor Sword Technique!”

“Slash!”

He swung the Dragon Emperor Sword with all his might, slashing heavily at Jinyao Kun!

Swoosh!

The golden huge sword tore through the sky, severing the Cloud Sea, bursting with dazzling sword might and sword intent, slashing at Jinyao Kun!

“Golden Peng Sky-tearing Claw!”

Jinyao Kun lifted his right hand, condensing a golden claw, striking fiercely!

Swish!

Five golden trails sliced the void, almost tearing it apart, like an ancient divine beast, the Golden Peng, swiping a claw!

Clang, clang, clang!

The golden huge sword collided violently with the golden claw, a crisp sound of clash echoed, shooting out flashes of fire, gold light, and energy!

In this terrifying confrontation!

Yang Luo and Jinyao Kun didn't step back, maintaining their stance!

“You...”

Jinyao Kun's expression changed dramatically, “You can actually withstand my attack?!”

In his view, Yang Luo was only invincible within the same realm, relying on the Sunset Divine Bow and Sun-shooting Divine Arrows to kill enemies!

Unexpectedly, this kid could unleash such formidable combat power without them!

Could it be this kid can challenge higher realms?!

How is this possible?!

In Jiuzhou Immortal Domain's younger generation, only the ten top Heavenly Pride who entered the Immortal Vault can challenge higher realms!

This kid hasn't stepped into the Immortal Vault List, nor is he a top Heavenly Pride, how could he challenge higher realms?

At the moment Jinyao Kun was stunned!

Yang Luo's hands gripped the Dragon Emperor Sword, slashing relentlessly at Jinyao Kun!

Swipe, swipe, swipe!

Massive golden sword shadows tore through the sky, madly slashing at Jinyao Kun!

Jinyao Kun responded as well, grips tightening around his claws, continually meeting the attacks!

Clang, clang, clang!...

Sword and claw clashed incessantly in the sky, reverberating crisp explosions!

Waves of light and energy rippled out, rocking heaven and earth!

"Brother Yang, I'll help you!"

The Immortal Suppression Pagoda rushed from afar, releasing nine brilliant Immortal rainbows at Jinyao Kun!

The nine Immortal rainbows streaked across the sky, immensely powerful, seeming to annihilate everything!

Jinyao Kun's expression changed, his body shook!

"Golden Peng Divine Gang!"

Instantly!

A golden barrier formed on Jinyao Kun, resisting the nine Immortal rainbows!

Accompanied by resounding booms!

Jinyao Kun, though blocking the nine Immortal rainbow attacks, was still sent flying away!

"Kill!"

The Immortal Suppression Pagoda roared, expanding its tower body, crashing toward Jinyao Kun!

“A mere broken pagoda wants to kill me, overestimating itself!”

Jinyao Kun snorted coldly, waving his large sleeve!

“Golden Peng Divine Bell!”

Buzz!

With a vibrating sound!

A golden ancient bell flew from his sleeve, expanding rapidly, colliding with the Immortal Suppression Pagoda!

This Golden Peng Divine Bell, like the Immortal Suppression Pagoda, is an intermediate spiritual artifact, extremely powerful!

In the blink of an eye!

Clang, clang!

The Immortal Suppression Pagoda and the Golden Peng Divine Bell clashed heavily, bursting with booming sound!

In this collision!

The Immortal Suppression Pagoda and Golden Peng Divine Bell were both thrown out!

“Whoa, quite powerful!”

The Immortal Suppression Pagoda stabilized itself, shouting, “Master Tower won’t believe you can defeat me!”

With that, it quivered again, charging at the Golden Peng Divine Bell!

The Golden Peng Divine Bell also quivered, releasing deafening tolls as it collided!

Clang, clang, clang!...

Boom, boom, boom!...

Thunderous clashes and explosions resounded endlessly, shaking the world, making all directions tremble!

At the same time as the Immortal Suppression Pagoda and Golden Peng Divine Bell were battling!

Jinyao Kun's golden wings flapped mightily, roaring loudly!

"Ten Thousand Flying Feather Sword!"

Instantly!

Ten thousand golden feather swords shot toward Yang Luo from all directions!

Yang Luo strenuously swung his sword!

Countless golden flying swords coalesced, shooting outward centered around him!

*Chapter 2820: Chapter 2820: Shocking the Entire Audience!*

In an instant!

Clang clang clang!

Boom boom boom!

Countless golden flying swords and a hundred thousand golden feather swords collided violently in the sky, erupting with crisp crashing sounds and explosive noises!

A vast array of light and energy exploded in the sky, spreading to all directions!

This area was already boiling, and no one else dared to approach!

Seeing Yang Luo block his offensive!

Jinyao Kun descended with a powerful kick!

"Golden Pattern Heaven Breaking!"

Rumble rumble rumble!

A series of thunderous booms echoed across the firmament!

Massive golden ripples, carrying immense energy, the power of the Heavenly Earth Dao, and the power of laws, surged downward!

Yang Luo, shocked, activated not only his Primordial Physique Secret Technique but other physique secret techniques!

Instantly, golden light flickered on his body, runes flowed, flames burned, a huge sword stood upright, and the Azure Dragon coiled!

Moreover, he condensed layers of defensive shields to resist!

Boom boom boom!

Golden ripples continuously crashed onto the layers of defensive shields that Yang Luo had condensed, erupting with thunderous roars!

Although the layers of defensive shields Yang Luo had condensed were destroyed, he relied on powerful physique secret techniques to withstand them!

"Block, I'll make you block!"

Jinyao Kun grew increasingly anxious, continuing to mobilize the energy within him!

He initially thought that it would be easy to kill Yang Luo!

But he didn't expect that after so many rounds of fierce battle, he still hadn't managed to kill him!

"Golden Peng Transformation!"

"Screeeech!——"

Along with a crisp cry!

A massive Golden Peng illusion spread its wings and charged towards Yang Luo!

Yang Luo was fearless, directly mobilizing the power of his blood essence!

"Beast Blood Boiling!"

"Roar roar roar!"

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts bellowed deafening roars, clashing towards the Golden Peng Illusion!

Thud thud thud!

Boom boom boom!

The Holy Dragon, Four Great Divine Beasts, Four Great Fierce Beasts, and the Golden Peng Illusion collided repeatedly in the sky, all shattering and exploding in the air!

"Damn it! Damn it!"

Jinyao Kun seethed with fury, "I, a dignified Daluo Golden Immortal, refuse to believe I can't kill you, a mere Golden Immortal!"

Saying this, he immediately activated his Dharma Idol and then charged towards Yang Luo with it!

Yang Luo also activated his Dharma Idol, leading it to meet the challenge!

In an instant!

Yang Luo and Jinyao Kun engaged in a sky-shattering battle in this sky!

The two fought in the lower sky, while their Dharma Idols clashed above!

The battle was Heaven and Earth Shattering, the sun and moon darkened, incredibly terrifying!

During the fight, both were injured, with large patches of blood erupting on their bodies, quite tragic!

After fiercely battling for hundreds of rounds!

Rumble rumble rumble!

A series of explosions that shook the skies and trembled the earth resounded throughout the Ancestor Dragon Sacred Land!

Both men and their Dharma Idols were simultaneously blasted away, leaving trails of blood behind!

As they flew backward, their Dharma Idols also exploded and dissipated in the sky!

Jinyao Kun staggered as he steadied himself, his neatly combed long hair fell loose, and his luxurious robe was torn and ragged, covered in scars!

"You brat, I will kill you, kill you!"

He roared out, mobilizing his energy to the extreme, charging angrily towards Yang Luo!

He didn't hold back at all, unleashing heavy killing moves, fiercely attacking!

"Immortal Suppressing Nine Killings Seal!"

"Immortal Vanquishing Yin Yang Map!"

"Golden Peng Divine Domain!"

In an instant!

The Nine Directions Seal condensed, suppressing and killing upward!

An Immortal Map containing the power of Yin and Yang expanded continuously, pressing overhead!

A Dharma Domain transformed into form, crushing upward!

Yang Luo was fearless, with blood in his mouth, severely injured, wielding the Dragon Emperor Sword, charging upwards!

"Nine Emperor Dragon Seal!"

"Chaos Slaughter Array Map!"

"Seven Domains Burial Immortal!"

In an instant!

The Five Directions Dragon Seal condensed, along with a golden array map, simultaneously suppressing and killing!

The Emperor Dragon Sword Domain, Endless Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Purple Thunder Immortal Domain, Fire Phoenix Immortal Domain's seven-layer Dharma Domain took shape, simultaneously crashing upwards!

Clang clang clang!

Boom boom boom!

The sounds of collision and explosion are endless!

The attacks launched by Yang Luo and Jinyao Kun continuously exploded in the sky, releasing waves of energy and light like raging waves!

The energy and light that surged out were extremely powerful, causing blossoms of blood to erupt on Yang Luo and Jinyao Kun!

"Another move to take your miserable life!"

Yang Luo roared, his black hair standing on end, his black shirt billowing, eyes glowing like divine lamps illuminating the world!

"Twelve Shaman Primal Heavenly Art!"

"Twelve Ancestor Witches·Fusion!"

In an instant!

Twelve Ancestral Witches stood towering above him, rapidly merging into a colossal Pangu Emperor, standing majestically, unrivaled!

Seeing the Pangu Emperor towering up, Jinyao Kun was suddenly dumbfounded!

"Heaven Creation Splitting Nine Axes!"

"One Axe Suppressing Mountains and Rivers!"

"Two Axe Yin Yang!"

"Three Axes Reverse Heaven and Earth!"

As Yang Luo's roar echoed!

The Pangu Emperor swung the golden giant axe in his hand, hacking towards Jinyao Kun with three consecutive strikes!

Rumble rumble rumble!

Three massive golden axe shadows tore through the firmament, severing the void, slashing heavily towards Jinyao Kun!

"You...!!!"

Fear flashed strongly in Jinyao Kun's eyes as he hurriedly condensed layers of defensive shields to block!

But, they were completely unstoppable!

Rumble rumble rumble!

The three axes fell, completely shattering the layers of defensive shields Jinyao Kun had condensed!

"Ah..."

He let out a heartrending scream, and his physical body was shattered!

"You brat, I want you dead!"

His Essence Soul broke out of the flesh, launching a giant claw like it was forged from Immortal Gold, grabbing towards Yang Luo's head!

"Die!!!"

Yang Luo also roared.

His Essence Soul charged out of his body, directly throwing a punch, smashing upwards!

One punch struck, bold and majestic, ancient and timeless, incomparably domineering and overwhelmingly powerful!

Thump!

Under this punch, Jinyao Kun's Essence Soul was directly blasted apart in the sky!

Then, Yang Luo's Essence Soul returned to his body, his aura heaven-shaking!

Until the light and energy completely dissipated!

Only to see, Jinyao Kun's physical body and Essence Soul completely crushed, utterly dead!

Everyone present was plunged into endless shock and fear!

"Dead... Deputy Clan Leader Jin is actually dead!"

"Oh my... this kid killed Deputy Clan Leader Jin without using the Sunset Divine Bow and Sun-shooting Divine Arrow?!"

"Too terrifying... this kid can actually exceed his level to kill the enemy!"

Disciples from the seven great factions were stunned, faces pale, cold sweat pouring out, bodies trembling.

As for the people from Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and various Ancient Divine Beast Families, they felt greatly relieved, their confidence soaring.

"Hahaha... Brother Yang, I knew you didn't use your full strength when fighting me!"

Yun Longxiang laughed heartily, punching the air heavily.

Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi also stared wide-eyed, dumbfounded!

They too, could never have imagined that Yang Luo could kill a Daluo Golden Immortal without relying on the Sunset Divine Bow and Sun-shooting Divine Arrow; it was simply heaven-defying!
