

Super Insane Doctor of the Goddess

#Chapter 2841: 2841: Holy Dragon Soaring Nine Heavens! - Read Super Insane Doctor of the Goddess Chapter 2841: 2841: Holy Dragon Soaring Nine Heavens!

Chapter 2841: Chapter 2841: Holy Dragon Soaring Nine Heavens!

Zu Wangjiang laughed and said, “A month ago, Young Master Yang said he would advance to Daluo Golden Immortal, and I didn’t expect he actually succeeded!”

Zu Qianqiu exclaimed with a shocked face, “The key point is, after stepping into Daluo Golden Immortal, Young Master Yang’s aura and pressure have become countless times more formidable than before!

I fear even ordinary Daluo Golden Immortals in the early stage wouldn’t stand a chance against Young Master Yang!”

Ning Jianfeng nudged Yun Longxiang with his elbow, chuckling, “Brother Yun, a month ago you were still evenly matched with Brother Yang.

But now, I’m afraid you’re truly not a match for Brother Yang anymore.”

Yun Longxiang replied helplessly, “I knew long ago that Brother Yang was extraordinary. I wasn’t his match even a month ago, let alone now.

However, I will also strive to improve myself and won’t be left behind by Brother Yang.”

“We will too!”

“As Brother Yang moves towards greater strength, we must also work hard!”

Chu Fenghuo and Lin Xingzhi, among others, also showed resolute and determined gazes, full of fighting spirit.

At that very moment.

“Roar! Roar! Roar!—”

A series of ancient and majestic dragon roars echoed throughout the valley, spreading in all directions.

Nine giant dragons burst forth from Yang Luo’s body, soaring into the sky, shocking everyone’s heart!

These nine giant dragons were as massive as mountains, with horns like ancient towering trees, exuding an aura of ancient antiquity, shimmering in various hues, resembling the arrival of True Dragons!

“Are these nine giant dragons divine dragons?!”

“Such a powerful pressure and aura, it sends shivers down the spine!”

“I fear they aren’t divine dragons, possibly not even Ancestor Dragons!”

“What in the world are they?!”

Yun Longxiang, Ning Jin Yu, Ji Huai Ren, and others cried out in astonishment, feeling a strong sense of oppression.

As for the divine beasts, divine dragons, and ancestor dragons present, they trembled in fear, eager to kneel and worship.

Elder Dao Yuan’s eyes sparkled brightly, declaring aloud: “Holy Dragon Soaring Nine Heavens!”

“Holy Dragon Soaring Nine Heavens?!”

“Elder Dao Yuan, what do you mean by this?!”

Everyone questioned in chorus.

With hands clasped behind his back, Elder Dao Yuan explained, “As you all should know, Young Master Yang’s bloodline and physique are exceptionally formidable and unique!

Honestly, flowing within Young Master Yang is the Holy Dragon Bloodline, and he inherits the ‘Eternal Immortal Body’!”

“Holy Dragon Bloodline?! Eternal Immortal Body?!”

“Heavens, weren’t Holy Dragon Bloodline and Eternal Immortal Body supposed to exist only in ancient times and had vanished?!”

“Legend says these, Holy Dragon Bloodline and Eternal Immortal Body, are among the strongest bloodlines and physiques in the myriad worlds, but due to their extinction, everyone thought they were merely legends!”

“It’s said that the Holy Dragon Bloodline can suppress all major formidable bloodlines, and the Eternal Immortal Body can suppress all divine bodies, holy bodies, immortal bodies, demon bodies, Buddha bodies, and various other physiques!”

“Who would have thought Little Luo has inherited such mighty bloodline and physique? Astonishing!”

The family heads and elders present exclaimed in discussion.

Elder Dao Yuan continued, “However, precisely because the Holy Dragon Bloodline and Eternal Immortal Body are extraordinarily formidable, they require awakenings and activations!”

Now, with Young Master Yang stepping into Daluo Golden Immortal, he has finally awakened the first level of physique phenomena, known as ‘Holy Dragon Soaring Nine Heavens’!”

“So this is Little Luo’s physique phenomenon, no wonder it’s so miraculous!”

“I never thought Young Master Yang could awaken the legendary Holy Dragon phenomenon. Truly eye-opening!”

Everyone exclaimed with awe, looking at Yang Luo with a gaze full of reverence.

Yun Longxiang hurriedly asked, “Elder Dao Yuan, does this mean Brother Yang can awaken other physique phenomena in the future?”

“Of course.”

Elder Dao Yuan nodded, saying, “The Eternal Immortal Body encompasses all manifestations, with many physique phenomena.

This ‘Holy Dragon Soaring Nine Heavens’ is just one of them.”

Yun Longxiang clicked his tongue, “Earlier, Brother Yang had no physique phenomena awakened, turns out it’s because it’s extremely difficult to awaken!”

Chu Fenghuo praised, “Brother Yang’s physique phenomenon, once awakened, is truly astounding!”

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, and Shen Tu Xiong, among others, looked dumbfounded, incredibly shaken.

Lu Xueqi stared blankly at the nine Holy Dragon phenomena soaring in the sky, then glanced at Yang Luo in the Ancestor Dragon Blood Pool, sighing deeply.

Recalling the first time she saw this man, he seemed so ordinary, she had disregarded him.

Yet surprisingly, in just over a month, this man brought her wave after wave of shock.

Perhaps she truly was the frog at the bottom of the well, unaware of the skies above.

As everyone was still engaged in amazed discussions.

Boom!

Yang Luo soared directly into the sky, standing aloft, undergoing a complete transformation, his entire being experiencing a qualitative leap from inside out.

Nine Holy Dragon phenomena coiled above his head, like the Eternal Immortal Emperor descending from the heavens, overlooking the world, and gazing upon all life with pride.

He glanced at the sky, his heart filled with admiration.

So this is my physique phenomenon.

Yet, he could also sense that his bloodline and physique seemed limitless, still capable of further development.

Perhaps in the future, he would awaken the second level of physique phenomena, or even the third level.

Exactly what physique phenomena would he awaken next, he had no idea.

“Hahaha, Young Master Yang, congratulations on reaching Daluo Golden Immortal!”

“Little Luo, I knew you weren’t an ordinary person. Congratulations, congratulations!”

“It seems, another peerless genius has emerged in Jiuzhou Immortal Domain!”

Zu Wangjiang, Yun Jincheng, and Ning Jin Yu, among others, offered their felicitations.

Yang Luo dissipated his physique phenomenon, stepping forward, appearing atop the great mountain where everyone was gathered.

He cupped his hands, saying, “My brothers, seniors, thank you for waiting!”

Yun Longxiang waved his hand, smiling, “It’s fine, we haven’t been here long!”

Ning Jin Yu smiled and asked, “Little Luo, when shall we depart?”

Yang Luo surveyed the surroundings, “Since everyone is here, no need to delay further, let’s set off now!”

Currently residing in Donghua Divine Continent, he was unsure about the situation in Huangzhou, whether Five Elements Immortal Sect had made trouble for Divine Dragon Clan or Yu Lei Immortal Sect.

Thus, he needed to hurry back quickly.

Elder Dao Yuan spoke out, "Young Master Yang, the old man has something to discuss with you."

"Elder Dao Yuan, what is it you wish to discuss?"

Yang Luo asked in confusion.

Elder Dao Yuan said, "As you advanced to Daluo Golden Immortal, Little Friend Bujie was unable to suppress the demonic nature within him, leading to a deviation.

Fortunately, we discovered it in time and temporarily controlled the demonic nature within him.

However, the old man was able to only temporarily control the demonic nature within him, unable to completely solve the problem he faces."

"Ah?! The little monk deviated?!"

"I sensed something was wrong with this little monk earlier, being Buddha and Demon in One Body, very peculiar!"

"Indeed, the demonic qi within this little monk is exceptionally strong, this is truly not good!"

The family heads and elders present voiced their concerns, turning their gaze to Bujie.

Bujie rubbed his forehead, feeling quite embarrassed.

Who would have thought he'd end up being the center of attention.

Importantly, it wasn't due to flaunting, but because of his own issues.

Chapter 2842: Chapter 2842: Departure!

After listening to Zu Daoyuan's words.

Yang Luo furrowed his brows.

Previously, when Bujie received the inheritance of Wutian Demon Venerable, he suspected that Bujie might have issues due to his demon nature suppressing his Buddha nature.

Unexpectedly, problems arose indeed.

He looked at Zu Daoyuan and asked, "Elder Dao Yuan, how can we completely suppress the demon nature within Bujie's body?"

Zu Daoyuan replied, "There are two methods to suppress the demon nature within Little Friend Bujie's body.

The first method is: if any Buddhist ancient relics open, you can bring Little Friend Bujie inside to obtain the inheritance of Buddhist ultimate techniques, which is the most effective method.

The second method is: you can head to West Desert Lingzhou to seek a Buddhist Path expert who rivals Wutian Demon Venerable and have them help Little Friend Bujie suppress the demon nature within."

Yun Jincheng also said, "The two methods Elder Dao Yuan mentioned are both feasible.

Since Bujie is Buddha and Demon in One Body, only a strong Buddha nature can suppress the demon nature."

Other family heads and elders nodded, agreeing that Zu Daoyuan's methods were feasible.

Bujie looked pitifully at Yang Luo, pleading, "Brother Yang, you must help me!"

"We are brothers, how could I not help you?"

Yang Luo patted Bujie's shoulder and said, "Once the crises of the Divine Dragon Clan and Yu Lei Immortal Sect are resolved, we'll inquire if any Buddhist ancient relics have opened.

If not, we can head to West Desert Lingzhou.

Regardless, we'll help you resolve your issue."

"Brother Bujie, rest assured, we will all help you!

"Though you are quite cheeky, we are brothers and will naturally do everything to help you!"

Yun Longxiang and Ning Jianfeng and others spoke in support.

Moved to tears, Bujie grinned, "My brothers are the best to me, I'll devote my future to you all!"

"Get lost!"

"Scram!"

"You scoundrel!"

Ning Jianfeng and Xu Ying laughed and cursed.

Yang Luo asked again, "Elder Dao Yuan, aside from this, is there anything else?"

Zu Daoyuan turned to look at Zhixin and smiled gently, "There is another matter regarding this little girl."

"What?!"

Zhixin was startled, "Is there something wrong with my body too?!"

Yang Luo and Luange were also growing tense.

"Little girl, don't be nervous, there's nothing wrong with your body."

Zu Daoyuan smiled gently and continued, "While you were cultivating these days, we observed carefully and found your physique somewhat special."

"My physique is somewhat special?"

Zhixin was suddenly puzzled, "Elder Dao Yuan, what does this mean?"

Yang Luo and Luange had puzzled expressions too.

Zu Daoyuan explained, "Little girl, if we are correct, you should have some relation with Yaochi Holy Land."

If you wish to find your own origins, you can visit Yaochi Holy Land, perhaps you'll find answers."

"Yaochi Holy Land?!"

"Oh heavens, Yaochi Holy Land is one of the four top Holy Lands in Central Earth Immortal State, with profound heritage and mighty power. I didn't expect this little girl to have a connection with Yaochi Holy Land!"

"Earlier, I thought this little girl was extraordinary, but couldn't determine her roots!"

The family heads and elders looked at Zhixin, their eyes filled with astonishment.

Zhixin's beautiful eyes widened, "Could... could my origins be related to Yaochi Holy Land?!"

Luange smiled warmly, "Congratulations on finding your origins, Fifth Sister!"

Yang Luo was equally thrilled, "Fifth Senior Sister, so you come from Yaochi Holy Land. That's wonderful!"

"Wow!"

Bujie exclaimed excitedly, "Sister Song, could you be Yaochi Holy Land's Saintess?!"

"It's quite possible."

Yun Longxiang chimed in, "Sister Song is stunning, extraordinary, likely Yaochi Holy Land's Saintess."

Chu Fenghuo marveled, "Yaochi Holy Land is one of the top forces in Jiuzhou Immortal Domain, not much weaker than Golden Crow Sacred Land!"

If Sister Song truly is Yaochi Holy Land's Saintess, that's impressive!"

Ning Jianfeng chuckled, "Sister Song, if you really are Yaochi Holy Land's Saintess, you must protect us then!"

Zhixin was very happy.

Since arriving in Jiuzhou Immortal Domain, Second Senior Sister and others found their origins, some have returned to their ancestral homes.

Only she hadn't found her origins, which greatly frustrated her.

Unexpectedly, her origins are related to Yaochi Holy Land.

This was certainly a huge surprise.

Yang Luo laughed, "Fifth Senior Sister, once we solve the issue with Bujie, let's head to Central Earth Immortal State and visit Yaochi Holy Land!"

"Yes, yes!"

Zhixin's eyes turned red, nodding vigorously.

Yang Luo looked again at Zu Daoyuan, "Elder Dao Yuan, besides these two matters, is there anything else?"

Zu Daoyuan shook his head, "No, just these two matters."

Yang Luo nodded, then surveyed his surroundings, bowing, "Thank you all seniors and brothers for your willingness to help me!

I won't express my gratitude now, but I'll repay the kindness in the future!"

"Little Luo, we are like family, no need for such courtesy!"

"Little Luo, you need help, how can we not assist!"

"This time, we will make Five Elements Immortal Sect understand there are some people they cannot provoke!"

Yun Jincheng and Ning Jin Yu shouted fervently.

Yang Luo frowned, "However, Huangzhou is too far from Donghua Divine Continent. It could take months for so many of us to get there!"

"Young Master Yang, that's a minor issue.

Later, we'll set up a teleportation Great Formation to send you away."

Zu Daoyuan gently smiled and continued, "But since there are many people, the teleportation distance is limited, though it should greatly reduce travel time."

Yang Luo bowed, "Elder Dao Yuan, then we'll trouble you!"

"No trouble."

Zu Daoyuan shook his head, then looked at Zu Wangjiang and others, "Wangjiang, Third Brother, Fourth Brother, Fifth Brother, Sixth Brother, Seventh Brother, lead your men to assist Young Master Yang!

Everyone else remains to guard Ancestor Dragon Sacred Land!"

"Yes!"

Zu Wangjiang, Zu Qianqiu, Zu Tiangang, Zu Changqing, Zu Shixuan and Zu Yuankong acknowledged.

Zu Daoyuan, Zu Guanqi, Zu Tianlong, Zu Yongnian, Zu Yuze, Zu Qinghe, Zu Feiyan prepared to stay and guard Ancestor Dragon Sacred Land.

Indeed, Ancestor Dragon Sacred Land was not safe, precautions against other forces were necessary.

Then, Zu Wangjiang and six others led over two thousand disciples and more than three thousand Ancestor Dragons, flying through the air.

Yang Luo and others also took flight, landing on an ancient boat.

Zu Daoyuan and Zu Guanqi stood in the sky, channeling the energy within them to start arraying.

"Everyone, let's build the array together!"

"If everyone arrays together, the teleportation distance will be farther!"

"Alright, let's begin then!"

Both the Taiyi Xuanxian Elders from Nan Zhan Immortal Country and various Ancient Divine Beast Families teamed up to array.

Chapter 2843: Chapter 2843: Hostile Intentions?

After all, only those with Taiyi Xuanxian can control the Space Law, set up teleportation arrays, and achieve space teleportation.

And when multiple Taiyi Xuanxians set up the array, they can transport more people.

Not long after.

A series of teleportation arrays gathered, formation patterns circulating, runes flashing, dazzling brilliantly.

Zu Daoyuan looked at Yang Luo and the others, and said in a loud voice: "Everyone, wish you all the best!"

"Mm!"

Everyone nodded heavily.

Then, Zu Daoyuan and Zu Guanqi both stomped heavily from the air!

"Formation, activate!"

In the blink of an eye!

Boom boom!

The teleportation arrays set by Zu Daoyuan and Zu Guanqi directly activated, two gigantic beams of light shot up, breaking through the firmament, piercing into the void!

"Formation, activate!!!"

The other Taiyi Xuanxian Elders also shouted loudly, activating the great formation!

Boom boom boom!

Layer upon layer of teleportation arrays activated, shooting up beams of blindingly bright light, breaking through the firmament and piercing into the void!

These beams of light enveloped Yang Luo and the over 300,000 people!

In an instant!

The space here fluctuated and twisted violently!

A few minutes later!

Until the layers of teleportation arrays and beams of light gradually dissipated!

Yang Luo and the over 300,000 people vanished into the sky!

Zu Tianlong said: "This time, Young Master Yang leading more than 300,000 people to Huangzhou will surely be a shock to the entire Huangzhou!"

Zu Yongnian said worriedly: "So many people are heading to Huangzhou, will anything go wrong?"

Zu Guanqi waved his hand and said: "Don't worry, in all of Huangzhou, no force can compete with our Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and the major ancient divine beast families."

Zu Daoyuan, with hands behind his back, said: "If Young Master Yang indeed encounters danger, my second brother and I would naturally go to help!"

Zu Tianlong and the others nodded and weren't too worried.

...

Time passed, and a week went by.

Thanks to the help of the Taiyi Xuanxian from Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and the major ancient divine beast families.

Relying on the teleportation arrays, Yang Luo and the over 300,000 people reached Xuanzhou within a week.

A week later, in the morning.

Da Yi Immortal Country Imperial City, Xuantian City.

There were many guards watching over the city gate, always monitoring the people coming and going.

But just at that moment.

Rumble!

A deafening roar suddenly sounded in the sky ten miles away.

"What was that noise?!"

"What's happening?!"

"Why is there such a commotion outside Xuantian City?!"

The guards and the entering and leaving elders were startled, turning to look at the sky ten miles away.

In the next second!

Boom boom boom!

Blinding beams of light broke through the firmament and crashed down, shocking everyone!

Until the beams dissipated!

The guards and elders in Xuantian City were stunned!

Looking afar, in the sky ten miles away, there were thousands of ancient boats, tens of thousands of war chariots!

Flags fluttered in the wind, with immortal light shining brightly and imposing aura!

The ancient boats and war chariots were full of people, exceeding 300,000!

There were also many Divine Beasts, divine dragons, and Ancestor Dragons soaring through the sky!

"My heavens, what's happening? Why are there so many people suddenly?!"

"There are actually so many Divine Beasts and dragons?!"

"Could it be the Southern Barbarian Demon Country attacking again?!"

"Quickly notify His Majesty and the elders, there's an army invasion!"

The people and guards in Xuantian City were dumbfounded, their bodies trembled uncontrollably.

You must know, such a scene had only occurred before.

Back then, it was when the Southern Barbarian Demon Country attacked Da Yi Immortal Country.

But unexpectedly, today, more than 300,000 had appeared again, and they were teleported over.

A guard immediately soared into the sky, swiftly flying towards the Imperial Palace.

At this moment.

Inside a hall in the Imperial Palace.

Emperor Yi Jiuxiao of Da Yi Immortal Country was discussing matters with several Country Protecting Elders including Yi Pingsheng.

Just at that moment.

"Report!——"

An urgent voice came from outside.

Yi Jiuxiao and Yi Pingsheng and the others turned to look towards the entrance.

They saw a guard rushing in.

The guard said anxiously: "Your Majesty, elders, something has happened, something big!"

"What happened?"

Yi Jiuxiao looked puzzled.

Yi Pingsheng and the other elders were also puzzled.

The guard hurriedly said: "Your Majesty, just now, more than 300,000 appeared ten miles outside our Xuantian City!

Their momentum is menacing, probably not kind!"

"What?! More than 300,000?!"

"Are you sure you didn't see wrong?!"

Yi Jiuxiao and Yi Pingsheng stood, eyes full of shock.

The guard replied: "We don't know who they are!"

"Is it the Southern Barbarian Demon Country attacking again?!"

"But it can't be, months ago, we repelled the Southern Barbarian Demon Country, eliminated their main force, how could they have the strength to attack us?!"

"Could it be the Golden Crow Sacred Land leading an army over?!"

Yi Pingsheng and Yi Tianhong were surprised.

Yi Jiuxiao said in a deep voice: "Let's go take a look!"

"Alright!"

Yi Pingsheng and the others nodded.

Then, Yi Jiuxiao and the others quickly left the hall.

At this time.

Outside Xuantian City.

Yang Luo and the over 300,000 people were approaching Xuantian City.

"They're coming, they're coming!"

"Run, quickly run!"

The people in Xuantian City were frightened, many elders soared into the sky, preparing to flee.

"Who are you!"

"This is Da Yi Immortal Country Imperial City, do not trespass!"

The guards suppressed their inner fear and shouted loudly.

Yang Luo stepped forward and said loudly: "There's no need to panic, I am Yang Luo, here to see Uncle Yi!"

The guards focused their gaze on Yang Luo.

Upon recognizing Yang Luo's appearance, their faces immediately lit up with joy.

"It's Mr. Yang, it really is Mr. Yang!"

"So it's Mr. Yang who helped us repel the Southern Barbarian Demon Country, that really scared me!"

The guards, realizing it was Yang Luo, finally breathed a sigh of relief.

"Hahaha, Little Luo, long time no see!"

"So it's you, kid, I thought it was the Southern Barbarian Demon Country attacking again!"

Yi Jiuxiao and Yi Pingsheng flew over from afar.

"Hello Uncle Yi!"

Bujie and Xu Ying greeted with cupped hands.

Yi Jiuxiao glanced at Bujie and Xu Ying, surprised: "Months without seeing, I didn't expect you youngsters to have made such progress in cultivation!"

Yi Pingsheng looked at Yang Luo and exclaimed: "Little Luo, you've actually stepped into Daluo Golden Immortal?!"

Yi Jiuxiao and Yi Tianhong scrutinized Yang Luo, and upon sensing Yang Luo's cultivation, were greatly shocked.

Yang Luo nodded and said: "In these months, I've gone through a lot, finally stepping into Daluo Golden Immortal!"

"Hahaha, good, good, good!"

Yi Jiuxiao laughed heartily: "Uncle indeed didn't misjudge you, well done!"

"Is this the Emperor Da Yi?"

"Worthy of being Senior Da Yi's descendant, truly impressive!"

Zu Wangjiang, Yun Jincheng, Ning Jin Yu, and Ji Huai Ren flew over.

Yi Jiuxiao and Yi Pingsheng looked up, their eyes shrank sharply, greatly shocked!

Chapter 2844: Chapter 2844: The Chaos of Huangzhou

"Isn't that the Holy Master of the Ancestor Dragon Sacred Land...the ruler of the Nan Zhan Immortal Country...and the family heads of various Ancient Divine Beast Families?!"

"My god, what's happening? Why have the leaders of these major powers from the Donghua Divine Continent all come?!"

"You must know, people from those major powers of the five great continents rarely come to the four small continents, so why have so many arrived today?!"

Not only Yi Jiuxiao and others were shocked.

Others in Xuantian City were also greatly astonished.

After all, this was merely Xuanzhou of the four small continents, completely incomparable to Donghua Divine Continent.

The people from the five great continents rarely visit the four small continents, let alone these major powers.

"It seems like the leaders of these major powers from the Donghua Divine Continent were brought by that young man!"

"I know that young man; he took the championship in the weapon refining competition and even helped the Da Yi Immortal Country repel the Southern Barbarian Demon Country!"

"Is this kid's network so strong that he brought so many major powers to Xuanzhou?!"

"What on earth is this kid planning, bringing so many people here?!"

"No matter how you look at it, it seems like he's gearing up for a war!"

People exclaimed in shock and looked at Yang Luo in wonder.

Upon learning that these forces were brought by Yang Luo, everyone was even more amazed.

Not until Zu Wangjiang and Yun Jincheng and others approached did Yi Jiuxiao regain his composure.

He took a deep breath and asked Yang Luo, "Little Luo, what is going on here?"

Yang Luo replied with a smile, "Uncle Yi, these are all heroes and outstanding figures I befriended in the Donghua Divine Continent.

They followed me here this time to help the Divine Dragon Clan and the Yu Lei Immortal Sect fight against the Five Elements Immortal Sect."

Yi Jiuxiao then asked, "Has something happened to the Divine Dragon Clan and the Yu Lei Immortal Sect?"

Yang Luo said sternly, "According to Elder Qian Yang of the Divine Dragon Clan, the Five Elements Immortal Sect has been restless lately, rallying various major forces, planning to attack the Divine Dragon Clan and Yu Lei Immortal Sect!

Moreover, I have a life-and-death feud with the Five Elements Immortal Sect!

This time these seniors have come to help me extinguish the Five Elements Immortal Sect!"

"I see!"

Yi Jiuxiao nodded in understanding, then clasped his hands towards Zu Wangjiang and Yun Jincheng and others, "Since you are all friends of Little Luo, you are friends of our Da Yi Immortal as well!

Originally, I wanted to invite you all as guests, but since you have urgent matters, we shall extend the invitation for another time!"

"Mr. Yi, you are too polite!"

"Attending to important matters comes first!"

"Once things are settled, let's have a good drink together!"

Zu Wangjiang and Yun Jincheng and others also clasped their hands in return.

Yi Jiuxiao said to Yang Luo, "Little Luo, in that case, Uncle will lend you a hand this time, bringing people to assist you!"

"Ah?!"

Yang Luo was taken aback, "Uncle Yi, isn't it unnecessary to have so many people? We already have enough!"

Yi Jiuxiao laughed heartily and said, "The more, the merrier. With more people, the casualties will be reduced!"

Yang Luo nodded, "Alright then, many thanks to Uncle Yi!"

Then, Yi Jiuxiao swiftly mobilized his forces.

After a mere ten minutes.

Over three hundred ancient boats and more than ten thousand war chariots gathered in the skies outside Xuantian City.

The ancient boats and war chariots were packed with armored soldiers, numbering more than thirty thousand.

"My goodness!"

Bujie's mouth twitched, "With so many people, even those major powers probably couldn't withstand it?!"

Ning Jianfeng sighed, "This time Huangzhou might trigger a great upheaval!"

Yun Longxiang, Chu Fenghuo and others were also in awe.

They hadn't expected that upon reaching Xuanzhou, Yang Luo could still assemble so many people.

Chu Fenghuo clicked his tongue and said, "Brother Yang is truly amazing; wherever he goes, he has friends!"

Once everyone had assembled,

Yang Luo shouted loudly, "Everyone, seniors, brothers, we must not delay; let us swiftly head to Huangzhou!"

"Alright!"

"Depart!"

Everyone replied in a thundering voice.

Afterwards, the Taiyi Xuanxian Elders from the Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, Da Yi Immortal Country, and various Ancient Divine Beast Families jointly set up the formation!

Before long.

Boom boom boom!

One teleportation array after another coalesced in the sky, shooting up dazzling beams of light, breaking through the firmament, and plunging into the endless void!

These beams of light enveloped Yang Luo and the nearly four hundred thousand people!

Rumbling!

The vast space, stretching thousands of miles, violently shook and twisted, startling everyone within Xuantian City!

Yang Luo squinted his eyes, cold light flashing within, murmuring, "Li Weizhao, Five Elements Immortal Sect, are you prepared?"

I, Yang Luo, have come!"

Mere minutes later.

With the disappearance of one massive teleportation array and one beam of light after another, Yang Luo and the four hundred thousand people vanished from the sky.

The people within Xuantian City stared blankly at the distant sky, unable to regain their senses for a long time.

"My heavens, Mr. Yang is leading four hundred thousand people to Huangzhou; is he going to turn the entire Huangzhou upside down?!"

"It seems Mr. Yang is bringing so many people to help the Divine Dragon Clan and the Yu Lei Immortal Sect annihilate the Five Elements Immortal Sect!"

"The Five Elements Immortal Sect is probably facing a great disaster!"

Everyone exclaimed in awe, their bodies trembling uncontrollably.

...

In the blink of an eye, another three days passed.

During these three days, an unprecedented earthquake shook the entire Huangzhou, causing great unrest.

"Fellow cultivators, during this period, the Five Elements Immortal Sect joined forces with nine major powers to launch a full-scale attack on the Divine Dragon Clan and the Yu Lei Immortal Sect!"

"These ten major powers have amassed three hundred thousand people, with over twenty Taiyi Xuanxian and more than sixty Daluo Golden Immortals, it's terrifying!"

"It seems these ten forces are aiming to completely annihilate the Divine Dragon Clan and the Yu Lei Immortal Sect this time!"

"The key is that right now, no one dares to help the Divine Dragon Clan and the Yu Lei Immortal Sect against these ten forces!"

"The Divine Dragon Clan and the Yu Lei Immortal Sect are facing imminent disaster, about to be completely obliterated!"

"If these ten forces obtain the legacy of the Divine Dragon Clan and the Yu Lei Immortal Sect, they might grow even stronger!"

Everyone in the major forces of Huangzhou discussed this matter.

Some were just watching the spectacle, some didn't care, and some lamented for the Divine Dragon Clan and the Yu Lei Immortal Sect.

Since the Divine Dragon Clan has always avoided contact with human cultivators, they found no help in this crisis.

Moreover, forces that were once friendly with the Yu Lei Immortal Sect dare not assist this time due to fear of the ten forces led by the Five Elements Immortal Sect.

"The Divine Dragon Clan has always had conflicts with us human cultivators, so this disaster is deserved!"

"The Yu Lei Immortal Sect offended the Five Elements Immortal Sect for a bunch of young brats, leading to today's disaster; helping them would be suicidal!"

"Although we have some ties with the Yu Lei Immortal Sect, it's not worth sacrificing ourselves for them!"

"Our relationship with the Yu Lei Immortal Sect isn't close enough to warrant risking our lives!"

"Yu Lei Immortal Sect, blame yourselves for provoking forces you shouldn't have, sorry!"

The major forces friendly with the Yu Lei Immortal Sect issued orders forbidding intervention or support, leaving them to their own fate.

Chapter 2845: Chapter 2845: Who Can Compete With Us!

Da Xia Immortal Country.

Imperial City, outside Donghuang City.

Hundreds of ancient ships and tens of thousands of war chariots hovered in the sky.

The ancient ships and war chariots were filled with armored soldiers, totaling more than sixty thousand.

“Emperor of Da Xia,” Xia Zhanpeng, along with Xia Chengfeng, Gu Xiuhai, Shi Zhongjian, and several Country Protecting Elders, stood in the sky with solemn expressions.

“Your Majesty, are we really going to rescue the Divine Dragon Clan and Yu Lei Immortal Sect?!”

“Your Majesty, the Five Elements Immortal Sect has allied with nine other forces, over three hundred thousand people attacking the Divine Dragon Clan and Yu Lei Immortal Sect. If we go with so few, we’re just courting death!”

“Your Majesty, if by doing this we offend these top ten forces, our Da Xia Immortal Country might invite disaster!”

“Indeed, none of the major forces in Huangzhou dare to assist right now!”

“Your Majesty, please reconsider!”

Several Commanders-in-Chief bowed, voicing their concerns, urging Xia Zhanpeng to think twice.

Shi Zhongjian said gravely, “Zhanpeng, what everyone said isn’t without reason. Should we really aid the Divine Dragon Clan and Yu Lei Immortal Sect?”

Xia Zhanpeng furrowed his brows, saying, “Previously, Little Luo also asked for my help. If the Divine Dragon Clan and Yu Lei Immortal Sect are in trouble, I should lend a hand.

Now that the Five Elements Immortal Sect and the other nine forces are attacking the Divine Dragon Clan and Yu Lei Immortal Sect, if we do nothing, it might break Little Luo’s heart.”

Gu Xiuhai sighed and said, “Zhanpeng, even if we don’t help, Little Luo would understand us.

After all, it’s not that we don’t want to help, but that the enemy is too strong, and we simply can’t.”

Xia Zhanpeng took a deep breath and announced loudly, "Dear Commanders-in-Chief and elders, you need not persuade me further. My decision is firm!

Even if we truly cannot offer much help, we must help!"

As he spoke, Xia Zhanpeng glanced at the crowd and declared loudly, "If anyone doesn't want to go, you can back out now, and I won't blame you!"

"Your Majesty, since you're determined to go, we naturally follow!"

"The Five Elements Immortal Sect's bullying of the weak truly is intolerable!"

"Our Da Xia Immortal Country prioritizes loyalty and righteousness, so let's support the Divine Dragon Clan and Yu Lei Immortal Sect!"

"Your Majesty, nothing more needs to be said, we'll go with you!"

The Commanders-in-Chief and armored soldiers shouted resolutely, their expressions determined.

"Then many thanks to everyone!"

Xia Zhanpeng clasped his hands in gratitude, then said, "We will divide into two groups, one heading for the Divine Dragon Clan, the other for Yu Lei Immortal Sect!"

"Yes!"

All the Commanders-in-Chief and armored soldiers responded in unison.

Subsequently, Xia Zhanpeng led over sixty thousand people, dividing into two groups, rushing towards the Divine Dragon Clan and Yu Lei Immortal Sect.

...

At the same time.

Wanlong Ridge.

Divine Dragon Clan territory.

The night was as dark as ink, the crescent moon hanging high, stars scattered across the sky.

The originally tranquil and harmonious Wanlong Ridge was tonight attacked by five great forces.

These five forces were the Divine Fire Hall, Slaughter Immortal Sect, Nine Star Immortal Sect, Chi Xiao Sacred Land, and Hu Yan Family, allied by the Five Elements Immortal Sect.

Moreover, these five forces gathered over a hundred thousand people, planning to annihilate the Divine Dragon Clan.

At this moment.

The entire sky above Wanlong Ridge was in chaos.

Killing sounds, roars, and wails echoed nonstop.

More than thirty thousand black flood dragons, Inferior Divine Dragons, Medium Divine Dragons, and High-level Divine Dragons of the Divine Dragon Clan clashed with the tens of thousands from the five forces.

The clashing of weapons, collisions of energy, and explosions resounded non-stop.

The fierce battle had been going on for several hours.

Both sides suffered casualties.

Especially the Divine Dragon Clan's losses were extremely heavy.

After all, the numerical gap was too great.

The forested mountains were littered with corpses, blood flowing, a horrific sight.

"Everyone, spare no mercy, eradicate this Divine Dragon Clan!"

"Once these beasts are exterminated, all they have will belong to us!"

"The blood, flesh, and bones of these beasts are valuable; their cultivation techniques are not too bad either, we must take them all!"

"We placed a bet with the Five Elements Immortal Sect to see whether they would destroy Yu Lei Immortal Sect first, or us finishing off the Divine Dragon Clan!"

"We cannot lose; we must defeat the Divine Dragon Clan first!"

Five middle-aged men stood in the sky, commanding the battle.

Their eyes were cruel, their expressions frenzied.

These five were precisely—

Palace Master Chen Tianhuo of Divine Fire Hall.

Sect Master Pang Jingyuan of Slaughter Immortal Sect.

Sect Master Ding Zhengde of Nine Star Immortal Sect.

Holy Master Jiao Chenyang of Chi Xiao Sacred Land.

Family Head Hu Yanze of Hu Yan Family.

Except for Chen Tianhuo and Jiao Chenyang who were at the Daluo Golden Immortal Early Stage, Pang Jingyuan, Ding Zhengde, and Hu Yanze all only had Golden Immortal Perfected Stage Cultivation.

Just as Chen Tianhuo and the others commanded the battle.

“Roar! Roar! Roar!”

Accompanied by earth-shaking dragon roars.

Hundreds of black flood dragons and divine dragons roared as they charged towards Chen Tianhuo and the others.

“A bunch of beasts dare to attack us, they are seeking death!”

“Kill all these beasts!”

Chen Tianhuo and his companions shouted as they charged at these hundreds of black flood dragons and divine dragons.

On their way to the killing fields.

Chen Tianhuo and his companions unleashed wave after wave of ferocious attacks, exterminating the charging black flood dragons and divine dragons.

“Awoooo...”

A series of shrill cries rang out.

One by one, the black flood dragons and divine dragons were annihilated, falling from the high heavens and crashing onto the mountains and ground.

Chen Tianhuo took a step forward, wielding a three-colored flaming saber, slashing forward forcefully!

Swish!

A huge three-colored flaming blade tore through the sky, splitting the Cloud Sea, ferociously unstoppable!

Splurt! Splurt! Splurt!

Immediately, over twenty black flood dragons and more than ten divine dragons were cleaved into halves!

The blood rained down on the sky, the severed dragon corpses plummeting down, a brutal sight!

Jiao Chenyang stepped into the air, raising his hands, summoning two giant crimson hands, seized a divine dragon's body, and forcefully tore it apart!

Splut!

This divine dragon was ripped into two, spilling a large swath of blood, flesh, and bone fragments!

Subsequently, he raised those giant hands and slammed them forward!

Bang! Bang! Bang!

The roaring black flood dragons and divine dragons were smacked into heaps of meat pulp!

Pang Jingyuan, Ding Zhengde, and Hu Yanze, too, began a slaughter on the charging black flood dragons and divine dragons!

"Hahaha..."

"A bunch of ants dare to oppose us, truly overestimating themselves!"

"We are the top forces in Huangzhou, who can contend with us!"

"Despair, howl, for no one will come to rescue you!"

Chen Tianhuo and his companions laughed arrogantly, filled with extreme pride and arrogance.

They naturally knew that this time, with their ten forces attacking the Divine Dragon Clan and Yu Lei Immortal Sect, no one would dare to step in and help.

"Fight them to the end!"

"Even if we die, we must drag them down with us!"

Those black flood dragons and divine dragons let out sorrowful howls, charging forward with no regard for their lives.

At this moment.

In the distant sky.

The elders from both sides were engaged in battle.

On one side, it was the Divine Dragon Clan's Ao Zhengrong, Ao Yuchuan, Ao Tianqiong, Ao Haibo, Ao Qingfeng, and Ao Hongshuang, the six elders.

The other side was twenty elders from the five forces.

Among them, there were five Taiyi Xuanxians and fifteen Daluo Golden Immortals.

Chapter 2846: Chapter 2846: Come and Try to Annihilate One!

In contrast to the Divine Dragon Clan, apart from Ao Zhengrong and Ao Yuchuan being Taiyi Xuanxian, the other four elders are only Daluo Golden Immortals.

Due to the overwhelming difference in power.

Ao Zhengrong and the others could not resist, suffering repeated defeats.

The fierce battle lasted for an hour.

"Uhh ah ah ah..."

Ao Zhengrong and the others let out a painful scream, flying backward directly.

Spraying a large amount of blood along the way.

Boom boom boom!

After crashing into several large mountains in succession, Ao Zhengrong and the others fell heavily into the ruins.

A mass of rubble and dust swept into the air.

"Ao Zhengrong, tonight your Divine Dragon Clan is destined for extinction!"

"Stop struggling, the strength of you six is good, you can become our mounts!"

"Your dragon offspring will be our materials for alchemy and weapon refinement!"

“It’s your honor to be of use!”

The twenty elders of the Five Great Forces stood in the sky, speaking mockingly, looking at Ao Zhengrong and the others like they were ants.

Blood flowed from Ao Zhengrong’s mouth as he roared fiercely: “Our Divine Dragon Clan has never bowed to human elders since ancient times!

If you want to destroy our Divine Dragon Clan, you’ll have to step over our bodies!”

“Even if we die in battle, we won’t submit to you!”

Ao Yuchuan roared fiercely as well, blood uncontrollably pouring from his mouth.

Not finished speaking!

“Roar roar!——”

Ao Zhengrong and Ao Yuchuan shot directly into the sky, transforming from human into dragon, letting out earth-shattering dragon roars!

“Roar roar roar roar!——”

Ao Tianqiong, Ao Haibo, Ao Qingfeng, and Ao Hongshuang also shot into the sky, transforming into dragons, roaring out!

“Do you think turning into dragon form will let you withstand longer?”

“It’s laughable and foolish beyond measure!”

“Since you refuse to submit, we’ll annihilate you all!”

The twenty elders coldly shouted, surging their energy and battle power.

Boomb boom!

Huge beams of light shot up from their bodies, spectacular and impressive!

Then, the twenty elders launched a fierce attack on Ao Zhengrong and the others!

Their assaults struck out, Tearing Heavens, Splitting Earth, breaking the Void!

Ao Zhengrong and the others opened their great mouths, spewing beams of energy, striking back!

Rumble!

Boom!

The sounds of collisions and explosions kept echoing, shaking the firmament and the earth, spreading throughout Wanlong Ridge!

But even as Ao Zhengrong and the others gave their all, they were still unable to resist!

The energy beams they spewed were all obliterated!

The assaults from the twenty elders struck their bodies hard!

“Ah ah ah ah...”

Ao Zhengrong and the others let out painful screams again, flying backward!

Scales mixed with blood fell from them in large swathes, extremely tragic!

Flying backward nearly a thousand meters, Ao Zhengrong and the others slammed into a forest, crushing a large area of flowers and trees!

Due to severe injuries, Ao Zhengrong and the others reverted from dragon form to human form, blood continuously spraying from their mouths!

“Haha ha...”

“Hahahaha...”

“What of the divine dragon, just a bunch of trash!”

“Continue the attack, destroy them!”

The twenty elders laughed maniacally.

As they prepared to launch another attack.

A series of voices came over.

“Members of the Divine Dragon Clan, Da Xia Immortal Country is here to assist!”

“It’s so tragic, so many black flood dragons and divine dragons have died!”

“These guys are truly ruthless, they really want to wipe out the Divine Dragon Clan!”

Upon hearing the voices.

Everyone present turned to look.

Seeing over a hundred ancient boats and thousands of war chariots flying in from afar.

Armor-clad soldiers filled the ancient boats and war chariots, numbering over ten thousand.

The newcomers were from Da Xia Immortal Country.

However, only part of them came, while Xia Zhanpeng and others led another group to rescue the Yu Lei Immortal Sect.

Soon, over ten thousand from Da Xia Immortal Country arrived in the sky here.

“Is your Da Xia Immortal Country going to help the Divine Dragon Clan?”

“Your Da Xia Immortal Country is at the bottom of the five celestial countries of Huangzhou, and you dare meddle in our affairs?”

“The forces of Huangzhou have chosen silence, yet you dare step in, seeking death!”

“Do you really not fear annihilation of your country?”

Five of the Taiyi Xuanxian elders from the Five Great Forces spoke coldly.

An elder leading Da Xia Immortal Country spoke boldly: “Our Da Xia Immortal Country prioritizes justice, since we’ve come, we’ll live or die with the Divine Dragon Clan!”

Ao Zhengrong was stunned: “Brothers, we have no dealings with you, why are you helping us?”

The elder cupped his hands: “Yang Luo is a friend of our Da Xia Immortal Country!

Before he left Da Xia Immortal Country, he instructed us, if your Divine Dragon Clan is in trouble, to help!”

Upon hearing the elder’s words.

“Young Master Yang has been looking after us even after leaving Huangzhou!”

“Young Master Yang is righteous and worthy of our eternal follow!”

Ao Zhengrong and the others cried hot tears, choking with emotion.

“Yang Luo? Oh, is it that brat causing trouble everywhere lately, offending the Five Elements Immortal Sect and Lingbao Treasure Sect?”

“If this brat doesn’t come, that’s fine, if he dares come, we’ll tear him to pieces!”

“Exactly, if he dares come, we’ll annihilate him directly!”

The elders of the Five Great Forces shouted coldly, extremely arrogant.

However, before the voices fell!

A loud voice came from afar!

“Oh really? I, Yang Luo, am here, try and wipe me out!”

Hearing this voice.

Everyone present was stunned for a moment, then turned their heads.

Seeing the scene in the distance, everyone was dumbfounded, staring incredulously.

In the distant sky, immortal light burst out, and thousands of ancient boats and tens of thousands of war chariots flew over in grandeur!

These ancient boats and war chariots seemed to form a steel continent, packed with people!

A force of forty thousand strong!

Numerous Divine Beasts, divine dragons, and Ancestor Dragons soared in the sky, flying over!

Banners embroidered with various totems fluttered in the wind, a grand and extraordinary spectacle!

“My heavens, what’s going on, why did so many people suddenly arrive?!”

“An absolute crowd, numbering forty thousand!”

“And so many Divine Beasts, divine dragons... even Ancestor Dragons?!”

“Aren’t they from Da Yi Immortal Country of Xuanzhou?!”

“Why have the Ancestor Dragon Sacred Land, Nan Zhān Immortal Country, Ancient Azure Dragon Family, Ancient White Tiger Family, Ancient Qilin Family, Gutengshe Family from Donghua Divine Continent also come?!”

“These major forces from Donghua Divine Continent have gone mad, all rushing into Huangzhou?!”

The disciples of the Five Great Forces exclaimed in shock, faces pale, cold sweat pouring, trembling as if sifted.

Super Insane Doctor of the Goddess #Chapter 2847: 2847: Wipe Them All Out! - Read Super Insane Doctor of the Goddess Chapter 2847: 2847: Wipe Them All Out!

Chapter 2847: Chapter 2847: Wipe Them All Out!

Even the black flood dragons and divine dragons of the Divine Dragon Clan, as well as the people of the Da Xia Immortal Country, were dumbfounded, all stupefied!

Soon, thousands of ancient boats and tens of thousands of war chariots arrived above Wanlong Ridge!

Azure Dragon, White Tiger, Qilin, Soaring Snake, Divine Dragon, Ancestor Dragon, and other Divine Beasts soared overhead!

A grand and vast pressure and aura spread out, instantly enveloping the entire Wanlong Ridge!

Yang Luo and Yun Longxiang were standing atop the leading ancient boat, their expressions murderous, eyes flashing with cold glints!

“Young Master Yang... It’s actually Young Master Yang who’s come!”

“Wasn’t Young Master Yang off to the Donghua Divine Continent... How come he’s back in Huangzhou?!”

“It must be because Young Master Yang knew we were in trouble... So he came to rescue us!”

Ao Zhengrong and Ao Yuchuan burst into tears, crying hoarsely.

Yang Luo glanced around, letting out a deep sigh, and said, “Elders, I’m truly sorry, we’ve come a step too late!”

He rushed to Huangzhou with the seniors and brothers, worried that something might happen to the Divine Dragon Clan!

But unexpectedly, they were still late!

Upon seeing the mutilated dragon corpses in the forests and the injuries covering Ao Zhengrong and others!

A suppressed fury within him was about to erupt!

Damn it!

These bastards should all be dead!

Ao Zhengrong and the six others only shook their heads with choked sobs, too overwhelmed with surprise and excitement to speak.

Yang Luo then looked at the people of Da Xia Immortal Country, cupping his hands and saying, "Thank you all for coming to aid the Divine Dragon Clan!"

Your kindness, I, Yang Luo, will remember always!"

"Little Friend Yang, no need to thank us, you are our friend, anything you ask of us, we will naturally accomplish!"

"Chaoyang and Ziyang owe much to your care along the way, which allowed them to continuously grow, we are grateful beyond measure!"

The few elders of Da Xia Immortal Country also cupped their hands.

They naturally felt that Xia Chaoyang and Xia Ziyang had improved their cultivation by several realms since leaving.

They were sincerely thankful to Yang Luo.

Yang Luo coldly gazed at the people of the Five Great Forces, killing intent surging in his eyes, and shouted, "Who gave you the courage to dare to attack the Divine Dragon Clan?!"

To dare to slaughter the Divine Dragon Clan indiscriminately?!"

His voice roared like Thunderclap!, blasting in the sky, shocking everyone's eardrums to throbbing!

The people of the Five Great Forces trembled violently, too stunned to reply!

Zu Wangjiang stepped forward and shouted, "A bunch of damn dogs, how dare you bully my Dragon Clan!"

Yun Jincheng chimed in solemnly, "The Divine Dragon Clan did not provoke you, yet you committed such slaughter, it's truly detestable!"

Ning Jin Yu coldly stated, "There's no need to waste words on them, just eliminate them directly!"

“Ancestor Saint Master, Emperor Nantian, Ning Family Master... It was the Five Elements Immortal Sect inciting us to do this!”

“Yes, the Sect Master and elders of the Five Elements Immortal Sect said that if we joined forces to destroy the Divine Dragon Clan and Yu Lei Immortal Sect, we would gain benefits!”

“Everyone, we know we were wrong, please spare us!”

“We can compensate for the Divine Dragon Clan’s losses!”

Twenty elders of the Five Great Forces turned pale and trembled, hastily pleading for mercy.

Their current demeanor was a complete contrast to their previous arrogance.

They had no choice; if they did not bow down and plead, it would not work!

If it were only the Da Xia Immortal Country from Huangzhou and the Da Yi Immortal Country from Xuanzhou helping, they wouldn’t be afraid at all!

But critically, now even the Ancestor Dragon Sacred Land from Donghua Divine Continent, Nan Zhan Immortal Country, and various Ancient Divine Beast Families have sent people!

The major forces from Donghua Divine Continent, not a single one they could contend with!

Moreover, they clearly felt that the forces from Donghua Divine Continent dispatched over thirty Taiyi Xuanxian and over sixty Daluo Golden Immortals!

This battle couldn’t be fought, other than pleading for mercy, there was no other way!

Yang Luo’s gaze grew colder, voice like Thunderclap!, roaring out, “You killed so many black flood dragons and divine dragons of the Divine Dragon Clan, now you think to beg for mercy, isn’t it too late?”

“Mr. Yang, please, give us a chance, we won’t dare again!”

“Yes, as long as you are willing to spare us, you can set any conditions!”

“Give us a way out, we promise not to invade the Divine Dragon Clan again!”

The twenty elders of the Five Great Forces continued to plea.

“Shut the hell up!”

Yang Luo roared, angrily shouting, "Brothers, seniors, wipe out all these bastards!"

"Yes!!!"

Four hundred thousand voices responded in unison.

"Kill!"

Yang Luo swung his hand, directly issuing the command.

A single order!

"Kill!"

"Leave none alive, kill without mercy!"

"Destroy them!"

"Roar, roar, roar!"

Four hundred thousand people, all Divine Beasts, divine dragons, and Ancestor Dragons roared and bellowed, charging ahead!

"Brothers, finish them!"

Bujie was highly excited, ready to unleash a massacre.

Yang Luo reminded, "Bujie, don't use magic power, try to defeat them with Buddhist aura!"

"Ah?!"

Bujie was instantly helpless, "Such a big battle, yet Lord Buddha cannot use full power, too damned!"

"If you don't want to deviate, becoming neither human nor demon, then suit yourself!"

Yang Luo replied, then called forth the Dragon Emperor Sword, charging into battle!

"Brothers, kill!"

"Charge together!"

Yun Longxiang, Ji Longyue, Baili Wushuang, Chu Fenghuo, and Wu Qiansheng all roared, joining the fray together!

“Damn!”

Bujie grumbled, “Alright, alright, no using then!”

Saying that, he directly summoned the Heavenly Dragon Zen Staff, mobilizing his internal Buddhist aura, and charged!

“Run! Hurry up and escape!”

“There are too many of them, we can’t possibly fight them!”

“Plus, their top combat forces far surpass ours!”

The people of the Five Great Forces panicked, losing all previous arrogance, turning to flee.

“Don’t even think about escaping!”

Yang Luo shouted furiously, swinging his sword horizontally!

Swish!

This slash, though simple and direct, was overwhelmingly majestic, with sword might vast and sword intent reaching the heavens, fully venting the fury in his heart!

A dazzling, eye-catching golden half-moon arc swept across the sky, distorting and deforming the Void, seemingly about to shatter at any moment!

In the next second!

Slash, slash, slash!

Thousands of heads took flight with thousands of blood streams shooting into the sky!

On the spot, over a thousand were slain with a single sword stroke, turning into headless bodies falling down!

“Die, all of you!”

After the horizontal slash, Yang Luo flipped his wrist and slashed out with another powerful strike!

Swish!

This strike was even more violent and ferocious, like a golden sword mountain, crashing ahead!

Above the sky, the vast Cloud Sea was cleaved by a single sword, as if opening the Heavenly Gate, incredibly spectacular!

"Ahhhhh..."

Accompanied by waves of tragic screams.

Again, several thousand were slain with a single sword strike!

Blood drenched the Cangqiong, corpses fell to the earth, nightmarishly shocking, reverberating deep in everyone's heart!

Chapter 2848: Chapter 2848: Unmatched Dominance

"Damn it! Even if it's a great force of the Donghua Divine Continent, so what, fight them to the end!"

"Even if I die, I'll take them down with me!"

"Fight them to the death!"

The people of the Five Great Forces, seeing they couldn't escape, roared and charged forward!

Ao Zhengrong, feeling exhilarated, with blood in his mouth, shouted, "Everyone, our reinforcements have arrived!

Destroy these guys and avenge our comrades!"

"Destroy them!"

"Avenge the fallen!"

Ao Yuchuan and the other four also roared out.

Immediately, Ao Zhengrong and the six of them, despite their injuries, soared into the sky, charging at the Five Great Forces!

Over ten thousand people from the Da Xia Immortal Country followed with intense passion, surrounding and attacking!

A grand and terrifying battle erupted in the skies above Wanlong Ridge!

"Azure Dragon Battle Technique!"

Ji Longyue soared into the sky, directly deploying the ultimate skill passed down by the Gu Qinglong Family!

"Dragon Claw Tear Heaven and Earth!"

With a thunderous roar!

He raised his right hand, forming a massive azure-gold claw, and struck out!

Hiss hiss hiss!

Hundreds of people charging forward were torn to pieces by him!

"Dragon Palm Breaking Netherworld!"

After a claw, he followed with a palm strike!

An azure-gold giant palm engraved with an Azure Dragon totem crushed out!

Bang bang bang!

Hundreds of people charging forward were crushed to pieces by his palm strike!

"Dragon Fist Breaks the Firmament!"

After a palm, he threw a punch, blasting forward!

An azure-gold giant fist engraved with dragon patterns smashed out, as if to explode the heavens!

Boom boom boom!

Hundreds more were blown to pieces in the air!

At this moment.

Over a thousand people descended from the sky, charging at Ji Longyue!

Ji Longyue's hair flew wildly, and with a shake of his body, he roared!

"Azure Dragon Roar in Nine Heavens!"

"Roar roar roar!"

Tens of thousands of Azure Dragon illusions roared and soared into the sky!

Boom boom boom!

The thousand charging down were all smashed to pieces!

A huge sea of clouds scattered, and the stars above seemed about to fall!

"Nine Tribulations Thunder Emperor Seal!"

Baili Wushuang also deployed the ultimate skill passed down by the Ancient White Tiger Family!

Nine Directions Thunder Seal gathered in the sky, like nine thunder mountains, flashing with nine-colored thunder light, pressing down fiercely!

As it pressed down, tens of thousands of lightning bolts struck out, terrifyingly overwhelming!

Rumble!

The people surrounding and attacking were all suppressed and killed, shattered by the countless lightning bolts!

"Soaring Serpent Sword Formation Map!"

Ning Jianfeng also deployed the ultimate skill passed down by the Gutengshe Family!

A black Sword Formation Map gathered in the sky, like a vast black firmament, looming to cover the heavens, pressing down fiercely!

As the black Sword Formation Map pressed down!

Countless black Immortal Swords shot out!

Rumble rumble!

Puff puff puff!

The charging people were all shredded by the Sword Formation Map and shot by the countless Immortal Swords!

Then, he raised his left hand, shouting loudly!

"Soaring Serpent Handprint!"

His left hand turned into a black handprint, palm engraved with the Ancient Coiling Snake Totem and runes, slapping out heavily!

Rumble!

A large group in front was turned to mush, incredibly domineering and terrifying!

"Ancient Qilin Breaks Ten Thousand Techniques!"

Lin Wenxuan stood proudly in the air, directly deploying the ultimate skill passed down by the Gu Qilin Family!

Eight gigantic Qilin illusions stood above him, simultaneously spitting out energy beams!

Each was enormous, and the energy contained was surging and immense!

Boom boom boom!

Eight energy beams shot out, annihilating wave after wave of charging people!

The ancient boats hovering above were crushed, and war chariots were smashed, exploding into scraps!

After deploying this strike!

His hair flew wild, eyes flashing with black light, he shouted!

"Eight Qilin Illusion Body!"

The eight Qilin illusions above him integrated into his body layer by layer!

Boom!

His aura and power soared again, ascending into a magnificent eight-colored beam!

"Kill!"

He shouted fiercely, wielding the Qilin Divine Spear, charging into the crowd!

Those blocking his path were all knocked away, or shattered to pieces!

"Emperor Seal, True Dragon, Immortal Phoenix, Divine Elephant, Nine-Headed Lion, kill!"

Yun Longxiang wielded the Heavenly Emperor Spear, continuously slashing forward!

The Emperor Seal above his head expanded like a towering volcano, pressing down fiercely!

"Roar roar roar!"

The phenomena of the True Dragon, Immortal Phoenix, Divine Elephant, and Nine-Headed Lion charged up with roars!

"Fire Cloud Immortal Slaying Saber!"

"Emperor's Dominating Fist!"

"Five Wheel Vajra Palm!"

"Thousand Illusion Immortal Sword Technique!"

Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi, fierce in momentum, unleashed strike after strike, killing furiously!

The light of swords and sabers, fists flying, immortal light shining, flames surging, flying swords shuttling!

Anyone close was annihilated by the four!

Big White and Yuanfei already enlarged their bodies, like twin demons in black and white, sprinting fiercely in the air!

Both were Primordial Demon Apes, gifted with divine power, immensely strong, dominating heaven and earth!

Ancient boats were flipped by them, war chariots shattered!

They swung giant fists, blasting all who approached in the air!

Yang Luo wielding the Dragon Emperor Sword, slaughtered everywhere in the distant sky!

In less than fifteen minutes, he had already slain over ten thousand!

"You little bastard, come die!"

"Kill this little bastard first!"

"Kill him!"

Pang Jingyuan, Sect Master of Slaughter Immortal Sect, Ding Zhengde, Sect Master of Nine Star Immortal Sect, Hu Yanze, family head of the Hu Yan family, charged at Yang Luo!

The cultivation of all three was at the Golden Immortal Perfected Stage, and they were the leaders of the three major forces, powerful indeed!

Chapter 2849: Chapter 2849: Unheard Of!

“I didn’t come to kill you, yet you came here courting death?”

With cold eyes, Yang Luo swept a glance, his killing intent surging, “Then I’ll send you on your way!”

As he spoke, his entire body shook, and his aura exploded, his battle power erupting as he gripped the Dragon Emperor Sword tightly, and slashed down heavily!

Swish!

As the sword struck, the momentum was like a rainbow, shaking the heavens and earth!

The vast Cangqiong and the Void seemed as if they were about to be cut open by this sword, terrifying beyond measure!

“Such powerful sword techniques!”

“Quick, fight back!”

“Block it!”

Pang Jingyuan, Ding Zhengde, and Hu Yanze simultaneously launched a ferocious attack on Yang Luo!

“Eight Absolute Slaying Immortal Sabers!”

“Nine Stars Breaking Sky Fist!”

“Ten Directions Chaotic Sky Sword!”

Eight black and cyan huge swords severed the Cloud Sea, chopping out heavily!

Nine purple giant fists like nine Star Falls smashed forth!

Ten silver-gray huge swords slashed the heavens and earth, slashing out fiercely!

In an instant!

Clang! Boom!

The earth-shattering sound of collisions and explosions echoed endlessly!

Yang Luo's one sword directly annihilated the eight swords, nine fists, and ten swords launched by Pang Jingyuan and the others!

Energy surged like tides, and light flooded like seas, washing in all directions!

Yet, Yang Luo's sword remained terrifyingly powerful, continuing to slash at the three men!

"Be careful!"

"Quick, retreat!"

Pang Jingyuan and Ding Zhengde shouted in shock, quickly dodging.

However, Hu Yanze couldn't escape in time, his body directly split in two by the Dragon Emperor Sword!

A large amount of blood splattered into the sky, the severed body falling!

"Ah..."

Hu Yanze's Essence Soul burst out of his body, burning with Primordial Spirit Fire, charging towards Yang Luo!

But before his Essence Soul could get close!

Yang Luo swung his sword again, annihilating it completely!

"How can this kid be so formidable?!"

"Could he be a Daluo Golden Immortal?!"

Pang Jingyuan and Ding Zhengde exclaimed in terror, too shocked for words.

This kid is too fearsome!

With just two swords, he killed Hu Yanze!

One sword to sever his physical body!

One sword to destroy his Essence Soul!

Unstoppable and invincible!

Yang Luo raised his eyes to look at Pang Jingyuan and Ding Zhengde, speaking coldly:
"Weren't you coming to kill me? Come on then!"

“Run!”

“Quick, run!”

Pang Jingyuan and Ding Zhengde were already panic-stricken, turning to flee!

This kid is a Daluo Golden Immortal, and even more terrifying, he killed Hu Yanze with just two swords!

Staying here is undoubtedly courting death!

“Don’t think of escaping!”

Before Yang Luo could give chase, the Immortal Suppression Pagoda flew out from Yang Luo’s storage ring, expanding instantly, shooting out nine Immortal rainbows!

“Uh...”

“Ah...”

Pang Jingyuan and Ding Zhengde were hit by the nine Immortal rainbows, screaming miserably as large patches of blood exploded from their bodies!

“Help! Help!”

“Someone! Quickly!”

Pang Jingyuan and Ding Zhengde were so scared their hearts were about to burst, shouting loudly for help!

“Hurry, help them!”

“Quick!”

Many disciples of the Five Great Forces shouted in panic, charging at Yang Luo!

“Courting death!”

The Immortal Suppression Pagoda roared, its body trembling, shooting out beams of Immortal rainbows, killing many who charged!

Yang Luo then took a step forward, charging at Pang Jingyuan and Ding Zhengde!

The two were anxious and fearful, trying to escape in the chaos!

Yang Luo had already locked onto them, giving them no chance to escape!

“Nine Emperor Dragon Seal!”

“Kill!”

The Primordial Dragon Seal, Chaos Dragon Seal, Primordial Dragon Seal, Starry Sky Dragon Seal, and Primordial Dragon Seal gathered together!

The Five Elements Great Seal expanded larger, like five covering mountains, pressing towards Pang Jingyuan and Ding Zhengde!

Seeing that escape was impossible, the two unleashed their full aura and battle power, activating their Dharma Idols, launching a fierce assault on the Five Elements Great Seal!

Clang! Boom!

The sound of collisions and explosions filled the air, echoing for miles!

Their successive attacks were all shattered, turning into vast energy and light, scattering into the sky!

Even their Dharma Idols were crushed, exploding in the air!

As the Five Elements Great Seal continued pressing down, their pupils shrunk, eyes filled with intense fear!

“Stop, you brat!”

“You’re courting death!”

From afar came two roaring voices.

It was Chen Tianhuo, the Palace Master of the Divine Fire Hall, and Jiao Chenyang, the Holy Master of the Chi Xiao Sacred Land, charging forward, attacking the Five Elements Great Seal fiercely!

Both were at the Daluo Golden Immortal Early Stage, matching Yang Luo in cultivation, and extremely powerful!

But Yang Luo had already reacted, his entire body vibrating, activating his Primordial Physique!

His body shone with golden light, dragon patterns and runes appearing on his skin!

“Roar, roar, roar!”

Nine Holy Dragon Phenomena manifested, emitting earth-shaking dragon seal roars, crashing into Chen Tianhuo and Jiao Chenyang!

Boom!

Their attacks were completely shattered!

They had no time to react, being directly sent flying!

As they were blown away!

Rumble!

The Five Directions Dragon Seal pressed heavily on Pang Jingyuan and Ding Zhengde!

“Arghhh...”

With a final shrill scream,

In the sky above.

As Chen Tianhuo and Jiao Chenyang stabilized themselves and saw the tragic end of Pang Jingyuan and Ding Zhengde, they were terrified!

They couldn't help but tremble in their boots!

Chen Tianhuo's expression turned cold to the extreme, “This kid seems to have just stepped into Daluo Golden Immortal, but if we want to kill him, we must join forces!”

“Alright!”

“Together, let's kill this kid!”

“Kid, die!”

“Even if you are a Daluo Golden Immortal, you can't be invincible!”

Despite not being intimidated, Yang Luo brandished the Dragon Emperor Sword, ready for battle!

Seeing their Dharma Idols rush forward!

Roar! Roar!

Nine Holy Dragon illusions manifested, unleashing earth-shattering roars towards them, colliding violently with Chen Tianhuo and Jiao Chenyang's Dharma Idols, establishing a fierce confrontation!

Rumble!

With an earth-shattering collision!

The nine Holy Dragons and two Dharma Idols were sent flying in opposite directions!

But soon, the nine Holy Dragons and the two Dharma Idols launched a mighty clash, engaging in fierce combat!

With a series of collisions happening one after another! Bang! Bang! Bang! Echoing for thousands of miles!

Chapter 2850: Chapter 2850: Shameless Scoundrel!

In an instant!

The sword Yang Luo slashed collided with the huge sword and giant fist swung by Chen Tianhuo and Jiao Chenyang!

The illusion of a hundred thousand dragons also fiercely crashed towards Chen Tianhuo and Jiao Chenyang!

The two hurriedly gathered layers of Defensive Shields to resist!

Boom boom!

The momentum shook the heavens, stirring the eight directions!

Even though Yang Luo had just stepped into the Daluo Golden Immortal not long ago, he forcefully withstood the fierce attack from Chen Tianhuo and Jiao Chenyang!

"How is this possible?!"

"This kid's cultivation is the same as ours, yet he can withstand our assault?!"

Chen Tianhuo and Jiao Chenyang's eyes were filled with astonishment.

After swinging his sword, Yang Luo did not stop attacking, but his whole body trembled!

"Beast Blood Boiling!"

"Roar roar roar!"

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared and charged up!

Seeing the Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts charging to kill!

Chen Tianhuo and Jiao Chenyang both launched a fierce attack!

“Heavenly Fire Burns the World!”

“Chi Xiao Immortal Map!”

A tricolored Fire Sea poured down from the sky, aiming to obliterate the Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts, along with Yang Luo!

The three flames contained in this Fire Sea could burn the physical body, Essence Soul, and soul of elders, unbelievably terrifying!

A bright red Immortal Map gathered in the sky, engraved with mysterious runes, suppressing to kill!

There were further bursts of Immortal Rainbows, attempting to annihilate all!

Bang bang!

Boom boom!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts collided madly with the tricolored Fire Sea and bright red Immortal Map, erupting with deafening collision and explosion sounds!

However, Chen Tianhuo and Jiao Chenyang were, after all, Daluo Golden Immortals!

The assault they launched was extremely fierce, firmly resisting Yang Luo’s assault!

Seeing them block his assault!

Yang Luo’s eyes were cold, and he once again unleashed a killer move!

“Twelve Shaman Primal Heavenly Art!”

“Twelve Ancestral Witches!”

In the blink of an eye!

Amid thunderous rumbling sounds!

Twelve ancient Ancestral Magi stood tall like twelve unparalleled Fiend Celestials, charging towards Chen Tianhuo and Jiao Chenyang!

Bam bam!

The twelve Ancestral Magi charged through the air, causing heaven and earth to quake and the Void to be disturbed!

“What... what kind of cultivation technique is this?!”

“He even summoned the Twelve Ancestral Witches?!”

Chen Tianhuo and Jiao Chenyang were dumbfounded, shocked out of their wits.

Although they had heard tales of Yang Luo over the past half year,

they had never met Yang Luo, nor had they faced him in battle.

Therefore, they had no idea what methods Yang Luo possessed.

The two didn't dare hesitate any longer, once again activating their Dharma Idols to attack the Twelve Ancestral Witches!

Bang, bang, bang!...

Boom, boom, boom!...

The sounds of collisions and explosions rang continuously!

Their Dharma Idols were directly shattered into pieces!

Though the Twelve Ancestral Witches also exploded four of them, the remaining eight ancient Ancestral Magi continued attacking Chen Tianhuo and Jiao Chenyang!

“Continue attacking, continue!”

“Is this kid really just a Daluo Golden Immortal Early Stage? Why do I feel like he's already at the Daluo Golden Immortal Middle Stage?!”

Chen Tianhuo and Jiao Chenyang were truly incredulous and could only keep attacking fiercely!

But Yang Luo's assault still did not cease, instead, he continued unleashing killer moves!

“Flame Emperor's World Burning Art!”

“Chaos Slaughter Array Map!”

A gold-red Fire Sea flipped the sky and earth, surging upwards!

Fire Waterfalls poured down from the heavens!

A massive Fire Ball collided upwards, with an all-encompassing Fire Lotus descending to suppress and kill!

A golden Array Map gathered and rose, like a golden curtain, pressing down!

Boom boom!

Under Yang Luo’s continuous fierce assault, all of Chen Tianhuo and Jiao Chenyang’s offensive was utterly destroyed, unable to withstand!

“Ugh ah...”

The two screamed in agony, flung backwards, their bodies bursting with splattering blood!

Yang Luo held the Dragon Emperor Sword, continuing to attack!

The two, in panic and disarray, hurriedly summoned two High-level Immortal Magical Artifacts to suppress and kill Yang Luo!

The two artifacts glittered with dazzling Immortal Light, shooting out Immortal Rainbows to prevent Yang Luo from approaching!

But Yang Luo neither dodged nor retreated, his left hand clenched into a fist, ferociously pounding out!

Boom boom!

The Immortal Rainbows shot out were all smashed by this punch!

The two High-level Immortal Magical Artifacts were also shattered by Yang Luo’s punch!

Chen Tianhuo and Jiao Chenyang were utterly stunned!

Is this even human?!

He actually shattered their advanced Immortal Items with just one punch?!

They gritted their teeth, continuing to summon Immortal Items, hoping to suppress and kill Yang Luo!

But Yang Luo, like a rampaging prehistoric beast, unleashed punch after punch, smashing the Immortal Items they summoned in mid-air!

Thus, with the second awakening of Yang Luo's physique and bloodline, now tempered with the Ancestor Dragon Blood Essence, his body was stronger, like divine weapons!

The Immortal Suppression Pagoda also ran rampant, continuously crashing into those Immortal Items, smashing them down completely!

After destroying all the artifacts!

Yang Luo shot up into the sky, unleashed a roar!

Immediately!

"Twelve Ancestor Witches·Fusion!"

"One Axe Suppressing Mountains and Rivers!"

"Two Axe Yin Yang!"

"Three Axes Reverse Heaven and Earth!"

A panoramic Pangu Great Emperor illusion, mighty and imposing, with head reaching the heavens and feet trampling the Void!

"What?! These Twelve Ancestral Magi can even fuse?!"

"He even turned into a great emperor?!"

Chen Tianhuo and Jiao Chenyang were instantly dumbfounded, they couldn't believe their eyes.

As Yang Luo's thunderous roar echoed!

Pangu Great Emperor swung three axes in succession!

"Block it! Block it quickly!"

Chen Tianhuo and Jiao Chenyang simultaneously cried out, gathering layer upon layer of barriers, trying to block the heavy strikes of the three axes!

In an instant!

Bang boom!

The barriers they had gathered were easily shattered layer by layer by the strikes of the axes!

Chen Tianhuo's face darkened, fear and dread in his heart, he gritted his teeth and said: "Brother Jiao, keep gathering defenses, we must hold on!"

"Okay!"

Jiao Chenyang, stunned for a moment, obviously not expecting Chen Tianhuo to abandon him and run away!

"Brother Chen...you...!!!"

The next second!

Boom boom!

All the defenses that Jiao Chenyang gathered were completely shattered by the three axes!

Jiao Chenyang screamed in pain and was blasted away, his body bursting into pieces, his Essence Soul unable to escape, shattered in mid-air!

Chen Tianhuo thought he could escape by betraying his brother!

But just as he fled miles away!

"Despicable coward, where do you think you're going?"

“””
