

## Super Insane Doctor of the Goddess

*Chapter 2891: Chapter 2891: Long Time No See!*

The five members of King of Creation let out a deep breath, adjusted their breathing, then took to the sky, arriving at the mountain where Xu Tingshen and the others were.

Xu Tingshen smiled with satisfaction, "Not bad, not bad, I didn't expect you all to reach the Golden Immortal Middle Stage so soon!

Perhaps it won't be long before you can step into the Daluo Golden Immortal stage!"

King of Creation shook his head and said, "Elder Xiu, our cultivation is simply insignificant.

I reckon Brother Yang has already reached the Daluo Golden Immortal stage by now."

Xu Tingshen nodded, "Little Friend Yang has indeed reached the Daluo Golden Immortal stage."

Jiang Lanyue, Cao Yunhan, Cheng Qianfan, and Fang Yizhou all nodded as well.

"Really?!"

The Emperor of the Dead was shocked, "Brother Yang has really reached the Daluo Golden Immortal stage?!"

The King of Creation, the Sacred Prison King, the Ice Empress, and the Divine Light and Darkness Emperor were all equally shocked.

"It is indeed true."

Xu Tingshen nodded.

"Elder Xiu, why are you so sure?"

King of Creation asked in confusion.

"That is because..."

Just as Xu Tingshen was about to speak.

Suddenly!

An angry roar came from the distance!

"You little brats, stand right there!"

Upon hearing the voice.

Xu Tingshen and the others turned their heads toward the distance.

They saw several figures swiftly flying toward the Reincarnation Sacred Land in their direction.

"Who are those people?!"

"What's happening?!"

"Why would someone suddenly intrude into our Reincarnation Sacred Land?!"

Xu Tingshen and the others frowned and spoke.

Many disciples were also quite surprised, looking up into the distant sky.

"Let's go and take a look!"

Xu Tingshen said in a deep voice and then led the King of Creation and others into the sky, flying towards the outer area of the Reincarnation Sacred Land.

Many disciples followed as well.

At this moment.

At the outer area of the Reincarnation Sacred Land.

Yang Luo and Yun Longxiang and others appeared in the sky.

They were covered in blood and were breathing heavily.

"Who goes there?!"

"This is the Reincarnation Sacred Land, outsiders shall not intrude!"

The disciples guarding the entrance all shouted in alarm, looking at Yang Luo and the others with vigilance.

After all, they didn't recognize Yang Luo and the others.

Moreover, this group was covered in wounds, it was clear they had been in a battle.

Yang Luo cupped his hands and said, "Everyone, my name is Yang Luo, and I have some acquaintances with Elder Xiu, Elder Jiang, Elder Cao, Elder Cheng, and Elder Fang!

I hope my fellow brothers can convey a message!"

"You know Elder Xiu, Elder Jiang, Elder Cao, Elder Cheng, and Elder Fang?"

The leading disciple looked suspiciously at Yang Luo.

"That's right!"

Yang Luo nodded.

"What proofs do you have?"

The leading disciple asked again.

"This..."

Yang Luo suddenly felt helpless, realizing he indeed had no proof.

Seeing that Yang Luo was unable to produce proof.

The disciples guarding the mountain gate became more suspicious of Yang Luo.

"Quickly notify the other brothers and elders, tell them unknown individuals have intruded into our Reincarnation Sacred Land!"

The leading disciple immediately gave the order.

"Yes!"

The other disciples responded, then activated the energy within them to send a signal into the sky.

Yang Luo, seeing this, remained silent.

This is fine too, once Elder Xiu and the others arrive, he wouldn't need to explain so much.

"Hahaha, you little brats, keep running!"

"Run, why aren't you running?"

"Did you think coming here would save you from dying?"

At this moment, Fen Juehai and another nine people flew over from afar, arriving in the sky, looking mockingly at Yang Luo and others.

"Is that... aren't they from the Golden Crow branch?!"

"Why are they here too?!"

"Could it be that these brats fought with the people from the Golden Crow branch?!"

The disciples exclaimed in surprise upon seeing Fen Juehai and the others arriving.

"What are you from the Golden Crow branch doing here?"

The leading disciple asked in a deep voice.

Regarding the Golden Crow branch, their Reincarnation Sacred Land held no goodwill.

The four branches that the Golden Crow Sacred Land set up in the Heavenly State relied on their backing to commit all sorts of misdeeds, bullying the weak.

Additionally, their Reincarnation Sacred Land had always had grudges with these four Golden Crow branches.

If it weren't out of respect for the Golden Crow Sacred Land, they would have eliminated these four branches long ago.

Fen Juehai arrogantly said, "This is a grudge between us and these little brats, it's none of your concern, get lost!"

"Don't interfere with our business, or I'll destroy you!"

Fen Xiaoyuan also shouted coldly, extremely arrogant and rampant.

"Fen Juehai, Fen Xiaoyuan, you dare charge into our Reincarnation Sacred Land so arrogantly, you're excessively bold!"

"You're just a branch of the Golden Crow Sacred Land, do you think our Reincarnation Sacred Land fears you?"

Booming voices came from afar.

Yang Luo and the others turned their heads sharply to see Xu Tingshen and the others flying over, with the five members of the King of Creation and many disciples following behind.

"Hahaha, five elders, brothers, long time no see!"

Bujie, Ning Jianfeng, and others waved directly at Xu Tingshen and the others.

Yang Luo also showed a smile.

"Damn! Brother Yang? Brother Bujie? Brother Ning?!"

"It's actually them?!"

"I was wondering why that aura felt so familiar just now!"

The Emperor of the Dead and the King of Creation exclaimed in surprise and quickly flew over.

Xu Tingshen and the five Grand Elders also flew over with joy.

"Hahaha, Brother Yang, since you're coming, why didn't you contact us in advance!"

"Indeed, such a sudden arrival!"

"Was it to give us a surprise?"

The Emperor of the Dead and the five members of the King of Creation embraced Yang Luo and others warmly.

Aside, Yun Longxiang, Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi sized up the Emperor of the Dead and the others.

At this moment.

Opposite, high in the air, Fen Juehai and the other nine frowned slightly.

Fen Xiaoyuan frowned, "What's happening, why do these little brats have such a close connection with the Reincarnation Sacred Land?"

Fen Zhen Nan said angrily, "Strange, Elder Tian Gu didn't mention that these little brats knew people from the Reincarnation Sacred Land!"

Fen Deqing said solemnly, "If the Reincarnation Sacred Land protects these little brats, doesn't that mean we can't kill them?"

Fen Juehai narrowed his eyes and said, "Let's not rush, observe the situation before making a decision!"

"Mm!"

Fen Xiaoyuan and the others nodded.

"Little Friend Yang, what's the situation now?"

Xu Tingshen glanced at Fen Juehai and the others, then asked Yang Luo in puzzlement.

Jiang Lanyue and the others also looked at Yang Luo in confusion.

Yang Luo replied honestly, "We were originally planning to visit everyone, and then head to Jiu Ling Mountain to seek the Ancient Relics of the Buddhist ultimate techniques.

However, unexpectedly, on the way, we were ambushed by these old fellows.

Their strength isn't weak; we had a fierce fight with them, killed some of their people, but couldn't slay them all.

Therefore, we thought of coming here to seek the elders' help.

Sorry for bringing trouble to the elders."

The Emperor of the Dead said, "Brother Yang, what are you talking about, we're all one of our own, no need to feel sorry!"

**Super Insane Doctor of the Goddess #Chapter 2892:

Doctor of the Goddess Chapter 2892: 2892: Mind Your  
Own Business!**

**Chapter 2892: Chapter 2892: Mind Your Own Business!**

"That's right!"

Xu Tingshen nodded and said, "Little Friend Yang, you've run into trouble. Considering asking our Reincarnation Sacred Land for help is our honor!"

Jiang Lanyue's voice was thunderous, "Little Friend Yang, rest assured. You stay here; I want to see who dares to touch you in the Heavenly State!"

Cao Yunhan's voice was even louder, "Even those from the Golden Crow Branch cannot touch you!"

His voice was intentionally raised for Fen Juehai and others to hear.

Cheng Qianfan and Fang Yizhou also nodded towards Yang Luo and the others, giving them a reassuring look.

Yun Longxiang, Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi were very excited.

They didn't expect Yang Luo's relationship with the Reincarnation Sacred Land to be so good.

Even the faces of Fen Juehai and others from the four major branches were gloomy.

Fen Juehai said coldly, "Xu Tingshen, what do you mean?"

Xu Tingshen looked at Fen Juehai and others with an indifferent face and said, "Fen Juehai, haven't we made ourselves clear enough?"

Little Friend Yang and the others are friends of our Reincarnation Sacred Land!

If you know what's good for you, then quickly get out of our Reincarnation Sacred Land; don't ask for trouble!"

"Damn it!"

Fen Xiaoyuan roared angrily, "These brats killed over three thousand of our disciples from the four major branches!

They even killed our Branch Master Fen Xiao from the twenty-three branches!

Branch Master Fen Yuan from the twenty-four branches!

And Elder Cao Shifeng from the twenty-four branches!

These brats are extremely hateful; our four major branches will never let this go!"

"Exactly!"

Fen Zhen Nan followed up, "I advise you not to meddle in affairs that don't concern you, lest you invite trouble for your Reincarnation Sacred Land!"

Fen Deqing also said viciously, "Your Reincarnation Sacred Land only has some energy here in the Heavenly State, while we come from the Golden Crow Sacred Land, a top power in the Jiuzhou Immortal Domain!"

If you truly want to protect this group of brats, you better consider the consequences!"

Xu Tingshen took a step forward and said in a booming voice, "Come on, tell me, what consequences can there be!"

Jiang Lanyue also stepped forward and said loudly, "No need to threaten us with the Golden Crow Sacred Land!"

Little Friend Yang and the others, our Reincarnation Sacred Land will definitely protect them!"

Cao Yunhan, Cheng Qianfan, and Fang Yizhou also took a step forward, their expressions cold and fiercely assertive.

Seeing this scene.

Disciples of the Reincarnation Sacred Land were all stunned.

"My God, who are these young people that they've inspired the five elders to stand up for them?!"

"Isn't it? After all, the opponent is the four major branches set by the Golden Crow Sacred Land in the Heavenly State!"

"It seems these young people are friends of Brother Ming!"

The disciples of the Reincarnation Sacred Land whispered among themselves.

Seeing Xu Tingshen and the others standing up for them.

Yang Luo was very moved and somewhat guilty.

Actually, he only got to know the five elders through the King of Creation.

Moreover, he had previously turned down the invitation from the five elders.

Now, facing adversity, the five elders showed such loyalty, willing to risk offending the Golden Crow Sacred Land, standing up for him and his group; this kindness he would remember for life.

As for Fen Juehai and the others, they were gritting their teeth in anger, their chests heaving.

Though they did not fear Xu Tingshen and the others with only five people.

The key point, however, was this was the Reincarnation Sacred Land.

The Reincarnation Sacred Land not only have Daluo Golden Immortal present but also Taiyi Xuanxian stationed. They've even heard rumors of a Nine Heavens Immortal.

Though they had never seen the Nine Heavens Immortal, since there were rumors, it's most likely true.

Such power, even if their four major branches joined forces, they weren't sure they could manage.

But if they retreated tonight, they would certainly disgrace the Golden Crow Sacred Land.

Moreover, they deeply hated Yang Luo and the others.

Even without headquarters' orders, they wanted Yang Luo and others obliterated.

Immediately.

The atmosphere became oppressive, tension thick in the air.

Dead silence lasted for several minutes.

Fen Juehai gritted his teeth and said, "Xu Tingshen, I'll say it again, stay out of this; we are from the Golden Crow Sacred Land!!!"

His voice grew louder, attempting to press Xu Tingshen and the others with the Golden Crow Sacred Land.

No matter how good Xu Tingshen's temper, he was also a bit annoyed at this point!

His voice was raised, "I'll say it again, Little Friend Yang and the others, our Reincarnation Sacred Land will definitely protect them!"

"Damn it!"

Fen Juehai was completely furious, "Xu Tingshen, are you truly going to protect these brats? Then I want to see how you hold onto them!"

Just as these words fell!

Boom!

A golden-red flame beam shot directly from their bodies, piercing the clouds!

Fen Xiaoyuan and others also shook, releasing their momentum and battle prowess!

Boom boom boom!

Blinding beams of light erupted from their bodies, breaking through the firmament, illuminating the night sky!

Seeing these circumstances, Xu Tingshen said coldly, "Are you really intending to act in our Reincarnation Sacred Land?"

Jiang Lanyue was equally furious, "You're just four branches of the Golden Crow Sacred Land, how dare you act so arrogantly!"

If we don't teach you a lesson tonight, you'll really think the Heavenly State is yours to command!"

In an instant!

Boom boom boom!

Light beams erupted from the bodies of Xu Tingshen and the others, breaking through the Cloud Sea, revealing countless stars!

"My God, are they really going to fight?!"

"The people from the Golden Crow branches are overly arrogant, daring to flaunt their power in our Reincarnation Sacred Land!"

"If we don't show them something, what dignity will our Reincarnation Sacred Land have in the future!"

Disciples of the Reincarnation Sacred Land were shocked and furious.

Xu Tingshen shouted loudly, "Everyone, step back!"

With one order!

Disciples of the Reincarnation Sacred Land quickly retreated!

The King of Creation then said to Yang Luo and the others, "Brothers, step back!"

"Will Elder Xiu and the others be alright?"

Yang Luo was somewhat worried.

The Emperor of the Dead laughed heartily, “Brother Yang, this is the Reincarnation Sacred Land, you need not worry!

Even if Elder Xiu and the others truly aren’t opponents of these nine individuals, our Reincarnation Sacred Land’s other elders will naturally intervene, no need to worry!”

“That’s good!”

Yang Luo nodded.

Then, Yang Luo and the others also retreated.

However, Yang Luo remained vigilant.

If Elder Xiu and the others were endangered, he would step in.

Definitely could not allow Elder Xiu and the others to be injured for him and his group.

Just as Yang Luo and the others retreated!

Fen Juehai and the nine stepped forward, directly towards Xu Tingshen and the five stepped out to confront them!

In a blink!

The distance between sides closed!

“Golden Crow Immortal Slaying Sword!”

Fen Juehai swung the long sword in his hand, striking furiously towards Xu Tingshen!

A huge golden-red flame sword tore through the sky, raising fiery waves, wild and fierce!

“Great Dao Reincarnation Palm!”

A huge green-gold palm shone with dazzling immortal light, containing the mighty Heavenly Earth Dao Power, palm intent, and Power of Laws, meeting the strike!

Clash boom boom!

The huge sword and huge palm collided heavily, erupting in a thunderous resounding crash!

*Chapter 2893: Chapter 2893: Fierce Battle at the Reincarnation Sacred Land!*

Where the sword and palm collided, there burst forth vast radiant lights and energies, sweeping towards all directions!

Yang Luo and others quickly gathered layers of defensive shields to block the impact of the energy and light!

The mountain-protecting array of the Reincarnation Sacred Land also activated automatically!

A massive light shield emitting colorful lights enveloped the entire Reincarnation Sacred Land!

The sweeping energies and lights were effortlessly blocked!

Although Fen Juehai is at the Daluo Golden Immortal Perfected Stage, Xu Tingshen is also at the Golden Immortal Perfected Stage!

Moreover, Fen Juehai had already been injured in the previous battle with Yang Luo!

Therefore, Fen Juehai is fundamentally not a match for Xu Tingshen now!

"Ugh..."

He let out a muffled groan and was directly sent flying!

He flew back several hundred meters before barely steadying himself!

"Elder Xiu, mighty!"

Bujie shouted, waving his arms.

"As expected of Elder Xiu, truly domineering!"

"Elder Xiu, beat this bastard to death!"

Ning Jianfeng and Tantai Puti also waved their arms and cheered.

"Damn!"

Fen Juehai roared angrily, his momentum and combat force surged once more, shaking his whole body, and directly activating the Dharma Idols!

He led his Dharma Idols, simultaneously charging towards Xu Tingshen, and together they slashed out a sword!

Swish!

The two swords overlapped, transforming into an even larger golden-red flaming giant sword, slashing towards Xu Tingshen!

"Hmph!"

Xu Tingshen snorted coldly, completely unafraid, shook his body, his momentum and combat force surged again, and his Dharma Idols were also activated!

He and his Dharma Idols simultaneously struck out a palm!

Rumble!

The two palms overlapped, forming a vast green-golden giant palm that crushed forward!

Boom!

The sword and palm collided once more, causing heaven and earth to quiver, shaking all directions!

Even more powerful energies and lights exploded outward like rolling tides, sweeping towards all directions!

In this confrontation!

Fen Juehai was sent flying again, flying several hundred meters once more before steadying his body!

Xu Tingshen was shaken back a few paces before stabilizing himself!

He lifted his eyes to Fen Juehai, and said in a deep voice, "Fen Juehai, you are not my opponent now, do you still want to continue fighting?"

"Shut up!"

Fen Juehai roared angrily, waving a big hand!

"Burning Sky Sword Formation Map!"

In the blink of an eye!

A sword formation map burning with golden-red flames gathered and expanded against the wind, weighing down on Xu Tingshen!

As the sword formation map pressed down, countless golden-red flaming flying swords shot out, along with waves of golden-red fire!

Sharp and terrifying!

"Reincarnation Great Handprint!"

Xu Tingshen raised his right hand, which blazed with dazzlingly bright green-golden light, forming a Great Handprint, seemingly controlling the forces of life and death reincarnation, before striking heavily!

Boom!

Bang!

The sounds of collision and explosion echoed continuously, breaking open vast arrays of light and energy!

The Great Handprint Xu Tingshen struck out was overbearing, forcibly smashing the incoming golden-red flaming flying swords and fiery waves!

After this confrontation!

Both figures moved at once, charging towards each other again!

Just as Xu Tingshen and Fen Juehai were in fierce battle!

Jiang Lanyue and Fen Xiaoyuan were also locked in combat!

"Reincarnation Heaven Breaking Fist!"

Jiang Lanyue roared loudly, twisting a punch, blasting it out!

A Black Gold Giant Fist resembling a massive meteorite, crashed forward!

This fist was immensely domineering, containing terrifying fist intent, Heavenly Earth Dao Power, and Power of Laws, seeming to shatter everything!

"Golden Crow Fierce Sun Saber!"

Fen Xiaoyuan swung the saber in her hand, hacking down fiercely!

Swish!

A golden-red flaming giant blade tore heavens apart, seemingly severing everything!

Clang!

Fist and palm clashed fiercely, erupting with the sound of metal collision, rippling vast flames, light, and energy!

Fen Xiaoyuan and Jiang Lanyue were both at the Daluo Golden Immortal Perfected Stage!

However, due to Fen Xiaoyuan being injured in an earlier battle, she was fundamentally no match for Jiang Lanyue, being shaken back repeatedly!

"Roar!"

Fen Xiaoyuan let out a furious roar, activating the Dharma Idols, towering overhead, slashing out with another blade!

Jiang Lanyue was overwhelming too, activating the Dharma Idols, dominating heaven and earth, unleashing another punch!

Rumble!

Fist and saber collided, shaking heaven and earth, stirring the Nine Heavens!

But even with the Dharma Idols activated, Fen Xiaoyuan was still no match for Jiang Lanyue!

"Ah..."

Fen Xiaoyuan let out a cry of pain, and her person and Dharma Idols were sent flying!

"Haha, Elder Jiang is mighty and domineering!"

"You old villains only know how to bluster before us, how about you try it now?"

Bujie and Ning Jianfeng felt very relieved and immensely satisfied.

"Golden Crow Transformation!"

Fen Xiaoyuan was burning with anger, quickly steadied her body, and stepped down hard from mid-air!

"Screech!—"

Accompanied by a crisp cry!

A massive golden-red flaming Golden Crow soared to the sky, flapping its wings, charging towards Jiang Lanyue!

This Golden Crow Illusion was enormous, veiling a section of the starry sky, seeming to burn everything, annihilating everything!

But Jiang Lanyue did not dodge but waved her sleeve!

"Reincarnation Burial Immortal Tomb!"

In an instant!

A Black Gold Immortal Tomb gathered, like a towering mountain range, standing in the sky, radiating eternal dazzling immortal light!

"Subdue!"

Accompanied by Jiang Lanyue's shout!

The Immortal Tomb flew forth, heavily crashing into the Golden Crow Illusion!

Boom!

In a stunning collision, the Golden Crow Illusion was directly shattered, transforming into vast flames, lights, and energies, sweeping towards all directions!

After smashing the Golden Crow Illusion, the Immortal Tomb only cracked a few fissures before continuing to crash towards Fen Xiaoyuan!

"Break it for me!"

Fen Xiaoyuan gripped the saber tightly in both hands, furiously slashing towards the incoming Immortal Tomb!

Accompanied by rumbling booming sounds!

The massive Immortal Tomb was cleaved into two halves!

But as the Immortal Tomb was split apart!

Jiang Lanyue had already charged over, boldly striking out a punch!

Fen Xiaoyuan was startled, immediately reacting, lifting her saber to block!

Clang!

The crisp collision sound resounded, and large flames splashed out, resplendent!

Fen Xiaoyuan was directly blasted away by this punch!

After blasting away Fen Xiaoyuan, Jiang Lanyue did not hesitate but took a step forward, chasing after to battle again!

At this moment.

In the sky not far away.

Cao Yunhan, Cheng Qianfan, and Fang Yizhou were also engaged in fierce battle with Fen Zhen Nan and seven others.

However, Fen Zhen Nan and the seven were all Daluo Golden Immortals, and despite being injured, their combat power was still formidable.

Although Cao Yunhan and Cheng Qianfan were Daluo Golden Immortal Late-stage, Fang Yizhou was only Daluo Golden Immortal Middle-stage.

Even joining forces, the three found it difficult to withstand the concerted ferocious assault of Fen Zhen Nan and the seven.

After battling for tens of rounds!

Boom!

A series of earth-shattering explosion sounds erupted!

Cao Yunhan, Cheng Qianfan, and Fang Yizhou were simultaneously sent flying!

*Chapter 2894: Chapter 2894: Peerless Heavenly Pride*

"Aren't you trying to protect these little brats? Go on, continue protecting them if you dare!"

"Though the three of you are powerful, can you withstand the seven of us?"

Fen Zhen Nan and the other six scoffed, charging forward once again!

"Fen Tianliekong Mace!"

"Refining Fire Sky-breaking Spear!"

Fen Zhen Nan and Fen Deqing simultaneously wielded their sabers and spears, launching fierce attacks!

Two gold-red flaming giant maces pressed forward, like fiery pillars, pounding down, striking awe into the hearts!

A golden-red flaming spear whipped up a vast Fire Sea, sweeping across!

"Ten Thousand Fire Burning Fist!"

"Li Fire Mie Sheng Palm!"

"Great Dao Burning Wilderness Finger!"

"Nine Yang Sky Splitting Sword!"

"Eight Desolate Immortal Slaying Halberd!"

Wan Mingyou, Qiao Feiyu, Chen Tuoyuan, Fen Li, and Fen Chen also launched fierce attacks on Cao Yunhan, Cheng Qianfan, and Fang Yizhou!

Giant fists, giant palms, giant fingers, giant swords, and giant halberds all ablaze with fierce flames, bursting forth with terrifying destructive power!

Though Cao Yunhan, Cheng Qianfan, and Fang Yizhou struggled to withstand the seven's onslaught, they did not falter and retaliated!

"Life and Death Reincarnation Sword!"

"Yin Yang Reincarnation Saber!"

"Da Mie Reincarnation Halberd!"

Cao Yunhan, Cheng Qianfan, and Fang Yizhou wielded their Immortal Armaments, meeting the attack head-on!

Blades and swords split the sky, giant halberds broke the firmament!

Immortal light dazzling, illuminating the night sky!

Energy surged, turning the heavens chaotic!

In an instant!

Kaboom!

Boom!

The sounds of intense clashes and explosions erupted above, reverberating across the land, echoing throughout Reincarnation Sacred Land!

Under the combined fierce assault of Fen Zhen Nan and the others!

Cao Yunhan and the others were ultimately overwhelmed, relentlessly pushed back!

But they remained incredibly strong, hair flying, robes billowing, and activated their Dharma Idols, launching counterattacks!

"Comparing Dharma Idols, we are not weaker than you, right?"

Fen Zhen Nan snorted coldly, also activating his Dharma Idol to continue his assault!

Fen Deqing and the other six also simultaneously activated their Dharma Idols, initiating an all-out attack!

As Fen Zhen Nan and the others activated their Dharma Idols!

Cao Yunhan and his team found it even harder to withstand, continuing to retreat!

"Elder Cao can't hold on, I'm going to help!"

Yang Luo shouted, wielding the Dragon Emperor Sword, charging forward despite his injuries!

At the moment he closed in!

Yang Luo gripped the Dragon Emperor Sword with both hands, angrily slashing at the front!

"Slash!!!"

Swish!

A golden sword tore through the sky, cutting across the night, like a peerless war immortal unleashing a formidable slash!

The sword might slowly struck awe into hearts, the Indestructible Sword Intent was all-conquering!

In a split second!

Kaboom!

The slash Yang Luo unleashed clashed with Fen Zhen Nan and the others' attack, rumbling through heaven and earth, reversing the heavens!

With Yang Luo joining the fray, the pressure on Cao Yunhan and his team instantly lightened significantly!

Cao Yunhan exclaimed in shock, "A moment ago, I had some doubts, but didn't expect, Little Friend Yang, you've indeed stepped into the Daluo Golden Immortal Middle Stage!"

Cheng Qianfan expressed surprise, "We had only heard you'd stepped into the Daluo Golden Immortal Early Stage, didn't expect it's actually Middle Stage!"

"Little Friend Yang truly isn't a usual person!"

Fang Yizhou couldn't help but marvel.

So, due to the influence from the battles of the Divine Dragon Clan and the Yu Lei Immortal Sect, news had reached Heavenly State.

They naturally knew, and was aware of Yang Luo's performance in the battles.

However, what they heard was Yang Luo was only at the Daluo Golden Immortal Early Stage during the battle, couldn't have imagined today, in person, he's actually at the Daluo Golden Immortal Middle Stage.

This truly amazed them greatly.

Of course, most shocked were the King of Creation, the Sacred Prison King, the Emperor of the Dead, the Ice Empress, and the Divine Light and Darkness, along with the disciples of Reincarnation Sacred Land.

Emperor of the Dead exclaimed in amazement, "OMG, Brother Yang has already stepped into the Daluo Golden Immortal Middle Stage?!"

The Sacred Prison King swallowed hard, "My heavens, Brother Yang's cultivation is advancing so swiftly!"

Bujie couldn't hold back a roll of his eyes, "You all know how freakish Brother Yang is, acting as if this is your first time meeting him!"

"Uh..."

Emperor of the Dead awkwardly chuckled, "That's true, one must not view Brother Yang with conventional vision."

"Good heavens, this lad is unexpectedly a Daluo Golden Immortal Middle Stage?"

"He's so young, and yet has stepped into Daluo Golden Immortal?"

"Only those top Heavenly Pride on the Immortal Vault List might possess such talent and comprehension, right?!"

"Could this lad also be one of those top Heavenly Pride on the Immortal Vault List?!"

"But that's incorrect, his name isn't on the Immortal Vault List at all!"

The disciples were shocked, gazing at Yang Luo with eyes full of admiration.

At this time, a disciple spoke up, "Could this lad be the peerless Heavenly Pride Yang Luo who joined the battle of the Divine Dragon Clan and the Yu Lei Immortal Sect from Huangzhou?"

"Is he really?!"

A disciple questioned.

"I saw his portrait before, resembles him, he is Yang Luo!"

But soon a disciple confirmed with certainty.

"My gosh, this lad is a deity, in the past half-year, has done several major deeds in Huangzhou and Xuanzhou!"

"Besides joining the battles of the Divine Dragon Clan and the Yu Lei Immortal Sect, he previously defeated five great Heavenly Pride in Huangzhou!"

"Later, he went to Xuanzhou to compete in the refine weapons competition and emerged victorious!"

"He then assisted the Da Yi Immortal Country repelling the Southern Barbarian Demon Country!"

"Incredible, this peerless Heavenly Pride, unmatched warrior, we are fortunate to witness tonight!"

The disciples became even more amazed, their gaze on Yang Luo filled not only with admiration but also with rapturous respect.

And just as everyone was discussing!

Yang Luo joined forces with Cao Yunhan as they battled fiercely against Fen Zhen Nan and the other seven!

Yet, though Yang Luo joined the fight, they still struggled against Fen Zhen Nan and the others!

"Brother Yang, I'll help you!"

The Golden Crow Divine Furnace flew out from the storage ring, expanding and releasing the fierce Golden Crow Divine Fire, surging towards Fen Zhen Nan and the others!

This flame, with its extremely high temperature, seemed intent on burning everything within this heaven to ashes!

"Golden Crow Divine Fire... Isn't this the Dharma artifact of the Golden Crow Sacred Land, why is it in this lad's hands?!"

"How strange, the Dharma artifact of Golden Crow Sacred Land is helping this lad against its people?!"

"The key is, the artifact's power is so great, even possessing an Artifact Spirit, its level must be extremely high indeed!"

The disciples were dumbfounded, unable to grasp the situation.

"Whoa! This tower seems even more eager than me!"

Another voice emerged from Yang Luo's storage ring.

Next!

The Immortal Suppression Pagoda, radiating purple-gold immortal light, also flew out from the storage ring, expanding as it surged forward for suppression!

During its ascent!

From the nine-story tower body, nine purple-gold immortal rainbows blasted forth simultaneously!

A total of nine immortal rainbows shot out, like nine immortal rivers surging upwards!

"This nine-story pagoda is extraordinary too!"

"It must be a Spiritual Grade Magical Artifact!"

The disciples exclaimed again.

The King of Creation expressed his curiosity, "What's going on, why would Brother Yang possess the Golden Crow Sacred Land's Dharma artifact?"

*Chapter 2895: Chapter 2895: Famous as Thunder*

Both the Sacred Prison King, the Emperor of the Dead, the Ice Empress, and the Divine Light and Darkness expressed confusion.

Bujie grinned and said, "This is the Golden Crow Divine Furnace, one of the Ancestor Artifacts of the Golden Crow Sacred Land, a genuine Half-step Emperor-level Magical Artifact!

However, now this broken furnace has been moved by Brother Yang's oratory skills... oh no, by Brother Yang's sincerity!

So, this broken furnace has now sided with Brother Yang!"

"I see."

The five of the King of Creation nodded in realization.

The Emperor of the Dead asked again, "Where did Brother Yang get this furnace from?"

Bujie laughed and said, "Of course, only by snatching it!"

"Hahaha..."

The Emperor of the Dead chuckled, "That truly suits Brother Yang's personality!"

The Ice Empress had mixed emotions.

Little Luo is still the same Little Luo, his personality hasn't changed at all.

However, the disciples of the Reincarnation Sacred Land were greatly shocked when they heard Bujie's words!

Half-step Emperor-level Magical Artifact!

And snatched!

No wonder he is the legendary unparalleled warrior!

Simply incredible!

Right at that moment!

Far above the sky.

Fen Juehai and eight others stood side by side, glaring fiercely at Yang Luo and the five others.

"Xu Tingshen, this is my last warning, don't meddle in our business!

If you hand over these brats, I will overlook you and the Reincarnation Sacred Land!"

Fen Juehai roared, his eyes filled with killing intent.

Fen Xiaoyuan also said harshly, "If you still insist on ignorance, then you are opposing our Golden Crow Sacred Land!

You should clearly consider what consequences this will have!"

Xu Tingshen remained unyielding, shouted, "Enough with the nonsense; if it's a fight you want, then a fight you'll get, we're determined to protect Little Friend Yang and the others!"

Jiang Lanyue said coldly, "Your four branches commit evil acts in the Heavenly State, oppressing the weak, plundering and stealing, causing widespread resentment!

If it weren't for the backing of the Golden Crow Sacred Land, your four branches would have been eradicated long ago!"

"Since you're so oblivious to the times, don't blame us for being merciless!"

Fen Juehai, burning with anger, said fiercely, "There's no need to show these old guys face anymore!

If they're determined to protect these brats, then we'll wipe them out altogether!"

"Agreed!"

Fen Xiaoyuan and the other eight responded with conviction.

Immediately, Fen Juehai and the other eight began to mobilize their internal energy, unleashing full momentum and maximum battle power!

"Kill!!!"

They roared in unison, simultaneously unleashing their kill moves, attacking Yang Luo and the other five!

Rumble rumble!

Nine-layered Kill Moves erupted, shaking the heavens and earth, sending sand flying, howling winds, and blazing flames, as if to destroy everything!

The disciples of the Reincarnation Sacred Land were shocked and retreated into the mountain-protecting array!

"Fight!!!"

Yang Luo and the other five shouted fiercely, also unleashing their strongest attacks to meet the charge!

The Immortal Suppression Pagoda and the Golden Crow Divine Furnace also unleashed powerful attacks!

Instantly!

Clang bang bang!

Boom rumble!

The attacks from both sides collided heavily in the sky!

The sounds of collision and explosion echoed through the heavens and spread across the eight directions!

The energy that rippled out was like Raging Sea Violent Waves, surging towards the Nine Heavens, crashing down to Earth, terrifyingly menacing!

Although at first, Yang Luo and the five could hold off for a while!

But gradually, Yang Luo and the five couldn't hold on any longer, pushed back continuously!

"Not good! Brother Yang and the others are losing, hurry and help them!"

Yun Longxiang shouted angrily, gripping his halberd as he prepared to charge up!

"Let's go, help them!"

"We can't let these bastards be so rampant!"

The King of Creation and Bujie, alongside others, also shouted, ready to assist!

However, just as the King of Creation and others were about to act!

A powerful voice came from afar!

"Fen Juehai, you all are truly bold, daring to cause chaos in my Reincarnation Sacred Land!"

Accompanying this powerful voice.

A giant gray-white palm broke through the void, crushing the Cangqiong, and slapped toward Fen Juehai and the nine others!

This giant gray-white palm was like it covered the sky and contained even more terrifying palm intent, Heavenly Earth Dao Power, and Power of Laws, seemingly about to destroy everything!

In a split second!

Boom rumble!

Crash rumble!

The sounds of collision and explosion simultaneously erupted in the sky, bursting into a huge ball of energy, spreading in all directions!

Fen Juehai and the others' attack was directly shattered by a palm, unable to resist!

"Ugh ah ah ah..."

They let out screams, simultaneously flying backward, leaving a trail of blood behind!

They flew back a full kilometer before barely stabilizing their bodies!

However, just as they stabilized, they opened their mouths and spat a mouthful of blood!

Soon, two figures flew over from afar, arriving in this sky.

The newcomers were a middle-aged man and an elder.

The middle-aged man wore a dark blue robe, slim and upright, with an extraordinary temperament.

The elder had white clothes and white hair, with an immortal demeanor, transcendent and otherworldly.

"Greetings, Holy Master!"

"Greetings, Elder Lou!"

The disciples present bowed respectfully.

Thus, this middle-aged man was the Sage of the Reincarnation Sacred Land, Yu Zaizhou, with cultivation at the Daluo Golden Immortal Late Stage.

This elder was Elder Lou of the Reincarnation Sacred Land, Lou Tingyu, with cultivation at the Taiyi Xuanxian Middle Stage.

It was just now that Lou Tingyu made the move and slapped Fen Juehai and the nine others away.

"Holy Master, Fifth Junior Brother, you've arrived!"

Xu Tingshen and the five cupped their hands toward Yu Zaizhou and Lou Tingyu.

Lou Tingyu nodded, asking, "Seventh Junior Brother, what happened here, why did Fen Juehai and those guys barge in on us?"

"Fifth Junior Brother, this young man is the Yang Luo I mentioned to you before!"

Xu Tingshen introduced Yang Luo and then also introduced Yu Zaizhou and Lou Tingyu to Yang Luo.

"Oh?"

Lou Tingyu turned to look at Yang Luo and asked with a smile, "Are you the Yang Luo who has recently caused a great stir in Huangzhou and Xuanzhou, shaking the Four Little States?"

Yu Zaizhou smiled and said, "Little Friend Yang's name has recently been ringing like thunder!"

We've long wanted to meet you, but we didn't expect to see you today!"

Yang Luo cupped his hands and said, "Junior Yang Luo, pays respects to Elder Lou, Sacred Master Yu!"

"Paying respects to Elder Lou, Sacred Master Yu!"

Yun Longxiang, Bujie, and others also cupped their hands in greeting.

Lou Tingyu stroked his beard with a smile, nodding, "You young ones are quite impressive; at such a young age, you already have Golden Immortal and Daluo Golden Immortal cultivation, your futures are limitless!"

Yang Luo said, "Elder Lou, you overpraise us; we still have much to learn."

Lou Tingyu smiled, saying, "Little Friend Yang, don't be modest; how many young people can have cultivation like yours?"

Yang Luo scratched his head and did not say anything more.

"Seventh Junior Brother, can you now explain what happened?"

Lou Tingyu again looked at Xu Tingshen.

Xu Tingshen said, "Fifth Junior Brother, Little Friend Yang and others were planning to visit us but were intercepted on the way by these guys.

Little Friend Yang and the others were outmatched, so they sought our help."

"I understand."

Lou Tingyu nodded and then looked up at Fen Juehai and the nine others.

Just a glance made Fen Juehai and the nine others involuntarily tremble.

*Chapter 2896: Chapter 2896: Unstoppable Pressure!*

He spoke indifferently: "These little fellows are friends of our Reincarnation Sacred Land.

In view of the Golden Crow Sacred Land, I can spare you, hurry and leave."

Though his voice wasn't loud and his expression was calm, it carried an air of dominance.

Fen Juehai and the other nine's faces turned extremely gloomy, remaining silent.

Lou Tingyu saw Fen Juehai and the nine others remain silent.

He stepped forward into the air, saying loudly: "If you don't leave, then I'll accompany you in a battle, how about that?"

His voice hadn't dropped yet!

A powerful pressure and aura erupted like a mountain torrent or tsunami, sweeping across this Heaven and Earth!

Rumble rumble rumble!

The sky trembled, the earth shook, the mountains rocked, and rivers surged, raising gigantic waves!

Immortal light flickered on Lou Tingyu's body, dazzling beyond compare!

The mere pressure and aura dispersed by Lou Tingyu made Fen Juehai and the other nine struggle to breathe!

Fen Juehai and the nine also erupted with terrifying pressure and aura to contend!

Boom rumble rumble!

Crash rumble rumble!

The pressure and aura clashed as if material, exploding with deafening collisions and blasts in the sky!

This Cangqiong and Void were torn apart, splitting into dark cracks, spreading like a web!

Yet even when Fen Juehai and the nine others combined their pressures and auras, they still couldn't withstand Lou Tingyu alone!

Their bodies trembled violently, and their legs began to buckle!

Fen Juehai gritted his teeth and roared: "Lou Tingyu, are you sure you want to stand up for these little brats?"

These little brats are mortal enemies of our Golden Crow Sacred Land!

If you stand up for them, aren't you afraid of causing great trouble for your Reincarnation Sacred Land?"

Lou Tingyu shouted: "Even if our Reincarnation Sacred Land isn't as powerful as your Golden Crow Sacred Land, we will never fear you!"

If not for the Golden Crow Sacred Land, do you think you could still be talking to me alive?"

"You...!!!"

Fen Juehai was so angered that his face flushed and his lungs were about to explode.

Fen Xiaoyuan and the other eight clenched their fists in rage, their nails digging into their flesh.

They originally thought they could easily slay Yang Luo and this group of little brats, complete the task set by the Holy Master, and receive great rewards.

But unexpectedly, not only did they fail to kill Yang Luo and his group, they lost three thousand men to them.

Even Elder Cao Shifeng, Branch Master Fen Yuan, and Fen Xiao died at the hands of these little brats.

Their losses tonight were too great, utterly devastating.

Lou Tingyu's eyes turned cold, "Are you sure you won't leave?"

Fen Juehai gritted his teeth, waved his hand, "We're leaving!"

Though he was filled with hate, he had no choice but to retreat!

After all, they were no match for Lou Tingyu!

Besides, if the fight continued, the other old fellows of the Reincarnation Sacred Land might come out!

If a war truly broke out, their four branches wouldn't be able to suppress Reincarnation Sacred Land!

Thus, they could only leave first and make plans later!

Fen Juehai gave Yang Luo and the others a vicious look, saying: "Reincarnation Sacred Land can protect you for now, but can it protect you forever?"

You won't be hopping around much longer; you will surely die at our Golden Crow Sacred Land's hands!"

Yang Luo shouted in return: "You Golden Crow Sacred Land won't let me go, and I don't plan to let you Golden Crow Sacred Land go either!"

One day, I will completely flatten your Golden Crow Sacred Land!"

"Hahaha..."

Fen Juehai laughed madly, "Flatten our Golden Crow Sacred Land, huh?"

Kid, you're truly insane, if you have the guts, then try it!"

As he spoke, he looked at Lou Tingyu and others, declaring harshly: "Lou Tingyu, you're already facing great catastrophe!"

After leaving these harsh words.

Fen Juehai and the nine others quickly fled, disappearing in a few breaths.

Until Fen Juehai and the nine others vanished into the sky.

Only then did Lou Tingyu and the others withdraw their gaze.

Yang Luo released a long breath of turbid air, bowed to Lou Tingyu and others, saying: "Thank you, elders, for your assistance. Today's kindness will never be forgotten!"

Yun Longxiang and others also bowed to Lou Tingyu and the others, expressing their gratitude.

Lou Tingyu raised his hand to lift Yang Luo, saying: "Little Friend Yang, no need for many words of thanks.

Since you regard our Reincarnation Sacred Land as friends, how could we sit idly by when you encounter danger?"

As he spoke, he continued: "Actually, the four branches the Golden Crow Sacred Land set in Heavenly State are nothing much.

The issue is they have the backing of the Golden Crow Sacred Land, which makes it troublesome.

Otherwise, we wouldn't have tolerated these four branches until now."

Yang Luo sighed and said: "I have implicated all of you."

"It's nothing."

Lou Tingyu waved his hand, saying: "We've long held grievances with these four branches.

One day, they will definitely take action against our Reincarnation Sacred Land.

The reason they haven't acted yet is just because they feel they can't suppress our Reincarnation Sacred Land."

Yu Zaizhou added: "If the Golden Crow Sacred Land really wants to strike against our Reincarnation Sacred Land, we will surely unite with all major forces of Heavenly State to jointly resist the enemy.

Therefore, if the Golden Crow Sacred Land truly wants to attack us, they need to consider whether it's worth it."

Yang Luo said: "All elders, we've also held deep grudges with the Golden Crow Sacred Land.

If the Golden Crow Sacred Land truly dares to act against you elders, we'll definitely help."

"We'll help too!"

Yun Longxiang and Xia Chaoyang and others also voiced out.

After all, their side's strength isn't weak either. With the addition of Reincarnation Sacred Land and the forces that have been oppressed in Heavenly State over many years, joining hands, they will surely shake the Golden Crow Sacred Land.

Lou Tingyu smiled warmly, "Just your words are enough!"

Yu Zaizhou smiled, saying: "All little friends, this isn't the place for talking. Let's go to the main hall and chat properly."

"Alright!"

Yang Luo and the others nodded.

However, just as Yang Luo and others were about to follow Yu Zaizhou and others to leave.

Suddenly!

"Er ah!"

Bujie clutched his head and emitted a painful scream.

This scream quite shocked everyone present, who turned their heads to look.

When they saw Bujie's current appearance!

Everyone present was shocked!

They only saw that Bujie's body was flickering with intense Black Devil Light, and demonic qi was billowing!

His face was hideous, and his pupils were pitch black, looking extremely terrifying!

"This... What's happening to Little Friend Bujie?!"

Xu Tingshen asked in shock.

Lou Tingyu frowned, saying: "This little fellow has too much demonic qi within him, something seems amiss..."

While speaking, he sensed something and his face changed, "Strange, apart from demonic qi, this little fellow also has Buddha energy inside!

However, the Buddha energy is too weak, unable to counter the demonic qi!

Little Friend Yang, what exactly is going on?"

Yang Luo succinctly explained Bujie's condition to Lou Tingyu and the others.

After listening to Yang Luo's explanation, everyone understood what was happening.

But just at this moment!

"Ughhhhh!"

Bujie roared up to the sky, with rolling demonic qi erupting from his body and his orifices, reaching straight to the nine-layered heaven!

He could no longer suppress the demonic qi within him!

### **Chapter 2897: Chapter 2897: Reborn in the Face of Death**

Yang Luo's face suddenly turned grim!

This time, because of the ambush!

Bujie once again stirred the magic power within him!

Therefore, Bujie could no longer suppress the demonic qi inside!

"Roar roar roar!"

Bujie let out demon-like roars, as if completely transformed into a demon.

He stared viciously at Yang Luo and the others, killing intent flashing in his eyes, his lips curled in a wicked, cruel smile.

"You ants, all give me your lives!"

He roared and charged at Yang Luo and the others!

"Oh shit!"

The Emperor of the Dead exclaimed, "Is this guy crazy, trying to kill us?!"

"He's gone mad, completely mad!"

The King of Creation was also startled.

The Sacred Prison King, the Ice Empress, and the Divine Light and Darkness were all stunned and speechless.

It was their first time seeing Bujie like this.

This was a complete transformation from his normally goofy demeanor.

Yang Luo gritted his teeth and said, "Once Bujie falls into demonic transformation, he loses all reason, not recognizing anyone, seeing everyone as the enemy!"

Previously, the elders of the Ancestor Dragon Sacred Land forcibly suppressed the magic power within him to let him return to normal!

But, the condition was not to use magic power again, to suppress it for a period of time!

However, not long ago, to fight against Fen Juehai and others, Bujie used his magic power again, leading to the inability to suppress it completely!"

Before the words had faded!

Bujie, like a black whirlwind, had already charged at them!

"All of you die!"

He let out a roar, twisting a fist, blasting toward Yang Luo and the others!

With one punch, even the void trembled and twisted, making a booming thunderous sound!

A giant black fist, carrying endless evil and killing intent, blasted its way, skyrocketing his original battle power several times!

"Everyone be careful!"

Lou Tingyu shouted immediately, raising a palm to confront it!

Boom!

The punch collided heavily with the palm, producing a thunderous explosion!

However, Bujie, ultimately possessing the cultivation of a Golden Immortal, even in demonic form, could withstand Lou Tingyu's palm!

"Ugh..."

He let out a muffled groan, sent flying.

But soon, he stabilized himself, as if unaware of pain, once more charging toward Yang Luo and the others.

"Fifth Brother, what should we do now?"

Xu Tingshen hastily asked Lou Tingyu.

Lou Tingyu said in a deep voice, "Quickly channel energy, forcibly suppress the magic power within him!"

"Okay!"

Xu Tingshen and the others responded in unison.

Subsequently, Lou Tingyu waved his large sleeves, utilizing the Power of Space Law to immobilize Bujie!

Then, under Lou Tingyu's lead, everyone quickly mobilized their energy and shot it out!

Streams of energy surged out, continuously pouring into Bujie!

The magic power within Bujie began to resist the energy being infused by Lou Tingyu and the others!

Rumble rumble rumble!

From within Bujie's body came a series of booming sounds, akin to explosive thunder!

"Ugh ah ah ah..."

Bujie, confined in mid-air, raised his head and let out a mournful scream, sending chills down one's spine!

Blood flowed from his seven orifices, and his body burst open with bloody gashes, blood splattering wildly!

It was as if the clothes on his upper body had been blown to shreds, revealing a body tainted in dark by demonic qi!

Moreover, it was clear to see, that mysterious totem on Bujie's back emerged again!

One half, the golden Buddhist light grew dimmer!

The other half, the black demonic light burned brighter!

This demonic light seemed on the verge of completely devouring the Buddhist light!

It looked extremely eerie, extremely terrifying!

The crucial point was, the magic power inside Bujie was too strong, constantly resisting the energy injected by Lou Tingyu and the others!

Bujie let out more agonizing cries, his injuries worsening, blood spraying into the air!

In the distance, the disciples were dumbfounded, unable to stop trembling in fear!

Just now this monk was fine, unexpectedly turning into this suddenly, it was way too bizarre!

Xu Tingshen urgently said, "Fifth Brother, this little monk's magic power is too abundant, it can't be suppressed at all!"

Jiang Lanyue also said, "Fifth Brother, this little monk's magic power is already very abundant, and now with the energy we inflicted!"

All kinds of energy are clashing inside him!

If this continues, this little monk might explode and die!"

Cao Yunhan gritted his teeth, "But if we don't suppress this little monk's magic power, he will completely demonize, turning insane!"

What should we do?!

What should we do now?!

Yang Luo was extremely anxious, not knowing what to do!

If they didn't suppress the magic inside Bujie, he would demonize!

But if they continued suppressing it, he might explode and die!

This was a dilemma with no easy choice!

Zhixin, her eyes red with anxiety, cried, "Little Luo, you must find a way to save Bujie!"

“This guy, though not dependable at times, is still our friend!”

Tantai Puti was also so anxious tears welled up.

Xu Ying was openly crying, “Brother Yang, please find a way, don’t let him really die!”

Lin Wenxuan shouted, “Brother Yang, you’re a divine doctor, an immortal doctor, there must be a way, right?!”

Even Big White was crying, “Brother Yang, save this bald donkey, I don’t want him to die!”

The other brothers also had reddened eyes, looking at Yang Luo, hoping he had a solution.

Though they often joked with Bujie, they were, after all, brothers journeying together.

They fought side by side, supporting each other, trusting each other with their lives.

This friendship was incredibly precious.

But thinking that tonight, Bujie might die here.

It pained them deeply, making their hearts feel ready to explode.

There must be a way!

Yang Luo took a few deep breaths, trying to stay calm!

The more flustered, the more chaotic, he had to stay calm!

Perhaps he could ask the Senior Xinghe and others, they must have a way!

Just when Yang Luo was about to ask Long Xinghe and the five!

“Right, Brother Yang, you can use the ‘Nine Curves Immortal Nails’ to seal the magic within Brother Bujie!

Since the ‘Nine Curves Immortal Nails’ can seal my powers, even able to seal the bloodline power of us Primordial Demon Apes!

It can surely seal the magic power within Brother Bujie too!”

At this moment, Yuanfei suddenly shouted.

Yang Luo’s eyes immediately lit up!

Perhaps the 'Nine Curves Immortal Nails' could seal Bujie's magic power!

Back when he saved Yuanfei, he also managed to store the Nine Curves Immortal Nails in his storage ring!

It just hasn't been used much since then, so he forgot all about it!

Now that Yuanfei mentioned it, he remembered!

Regardless of whether it would work, he had to try!

He took several deep breaths, calming himself as much as possible!

The more panicked he got, the messier things were, he had to calm down!

Maybe he could ask Senior Xinghe and the others, they'd surely have a solution!

Just as Yang Luo was about to ask Long Xinghe and the five of them!

"Use the Nine Curves Immortal Nails to seal the magic within Bujie!

Since the Nine Curves Immortal Nails can seal my power, they can definitely seal Brother Bujie's magic power too!"

Suddenly, Yuanfei shouted.

Yang Luo's eyes lit up instantly!

Perhaps the Nine Curves Immortal Nails could seal the magic within Bujie!

When he had saved Yuanfei, he had also stored the Nine Curves Immortal Nails in his storage ring!

It just hasn't been used, and he had forgotten about it till now!

Regardless if it works or not, he had to give it a try!

Taking a deep breath, Yang Luo tried to calm down!

The more flustered you are, the more chaotic things get, you must calm down!

Maybe asking Senior Xinghe and the others, they'd surely have a plan!

Just as Yang Luo was about to ask Long Xinghe and the five of them, Yuanfei suddenly shouted.

“Brother Yang, use the ‘Nine Curves Immortal Nails’ to seal the magic power within him!

Since the ‘Nine Curves Immortal Nails’ can seal my power, they can definitely seal Brother Bujie’s magic power too!”

Yang Luo’s eyes lit up at once!

Perhaps the Nine Curves Immortal Nails could seal the magic in Bujie’s body!

Back when he saved Yuanfei, he also stored the Nine Curves Immortal Nails into his storage ring!

Now that Yuanfei mentioned it, he remembered!

Regardless of whether it would work, he at least had to try!

Yang Luo took a deep breath several times, trying to keep calm!

The more flustered, the more chaotic, he had to stay calm!

Perhaps asking Senior Xinghe and the others, they would have a solution!

“Nine Curves Immortal Nails!”

In a flash!

Swish swish swish!

Nine nails of purple-gold immortal light shot out from Yang Luo’s storage ring, all speeding towards Bujie!

Moreover, the nine purple-gold nails were driven into the nine vital points on Bujie’s body to seal off the magic power within!

Even though this would also seal other powers within Bujie’s body, it had to be better than going mad or dying!

To live is to die, to die is to live!

Neither living nor dead, seeking life from death!

**Chapter 2898: Chapter 2898: Giving It Everything We’ve Got!**

But, just as the nine nails approached Bujie!

Accompanied by a crisp sound of striking, “clang!”,

The nine nails were directly repelled by the magic power spreading from Bujie's body!

Yang Luo saw this and felt overwhelming joy in his heart!

Since Bujie's internal magic power repels the Nine Curves Immortal Nails, it proves that the nails can indeed restrain the magic power inside him!

With this thought!

Yang Luo mobilized all the energy within him and swung his hand!

Whoosh, whoosh, whoosh!

The nine nails that were flung away once again sliced through the air, shooting toward Bujie!

However, at the instant when the nine nails closed in on Bujie!

Boom, boom, boom!

Fierce and violent magic power surged from Bujie's body, once again deflecting the nine nails!

Damn it!

Bujie's internal magic power is too strong!

The Nine Curves Immortal Nails can't penetrate the nine major acupuncture points on his body!

Even if the Nine Curves Immortal Nails truly seals the magic power inside Bujie, if they can't penetrate the acupuncture points on his body, they would be useless!

And then!

Boom, boom, boom!

Energy surged aggressively from Bujie's body, the rumbling of muffled thunder continued echoing endlessly!

His skin, muscles, and meridians kept tearing apart, spilling more fresh blood!

"Ahhhh..."

Bujie screamed in agony, overwhelmed by pain, the demonic light flashing more fiercely, the surging demonic qi grew more terrifying!

“No!”

Lou Tingyu exclaimed, “If we don’t find a way to control Little Friend Bujie’s internal magic power!

If he fully transforms into a demon, we will never be able to control his magic power!”

“Brother Yang, is the method suggested by Yuanfei not working?”

“Little Luo, quickly think of another plan!”

“We absolutely cannot let Bujie become fully transformed, losing his mind and recognizing no kin!”

Xu Ying and Zhixin spoke nervously, hoping Yang Luo could find a solution.

Yang Luo gritted his teeth, sinking in despair!

There is a plan now!

Yet, this plan feels no different from none at all!

Fine, I can only give my all and try!

With these thoughts!

Yang Luo shouted loudly, “Brothers, elders, if we can pierce the Nine Curves Immortal Nails into the nine major acupuncture points on Bujie’s body, we can definitely seal his internal magic power!

But now, relying solely on my own energy isn’t enough!

Therefore, I’m asking everyone to transfer all your energy to me!”

Lou Tingyu furrowed his brows, “Little Friend Yang, if everyone transfers all their energy to you, I’m afraid your body won’t be able to withstand it!”

Xu Tingshen also said, “Yes, what if something happens to you?”

Flame Emperor and Xu Ying looked at Yang Luo, their faces full of worry.

Yang Luo said firmly, “Rest assured, everyone, I’ll be okay!

No other plan is conceivable now, we ought to try this one!”

“Alright then!”

Lou Tingyu sighed deeply, “Everyone, let’s do what Little Luo suggested!”

“Yes!”

Xu Tingshen and the others nodded.

Following Lou Tingyu’s lead, everyone mobilized the energy within them, projecting it out!

Beams of energy cut through the night sky, entering Yang Luo’s body!

“Ugh...”

The energy was too massive and uncontrollable, Yang Luo couldn’t help but let out a muffled groan!

“Little Luo, are you okay?!”

Flame Emperor asked in astonishment.

Yang Luo shook his head, speaking with a determined voice, “I’ll be fine, keep going!”

“Continue!”

Lou Tingyu furrowed his brow tighter, continued mobilizing the energy within, pressed into Yang Luo!

The others followed suit, mobilizing their internal energy, sending it into Yang Luo!

The surging energy was like a tidal wave crashing, continuously flooding into Yang Luo, washing over his organs, meridians, and limbs!

“Ah...”

Yang Luo couldn’t hold it anymore, he let out a scream.

No matter how hardy his body was, his skin, muscles, and meridians kept tearing apart, spilling blood abundantly!

“Brother Yang!”

“Brother Yang!”

“Little Friend Yang!”

Everyone witnessing Yang Luo's severe state, their hearts nearly jumping out of their throats.

Lou Tingyu and Xu Tingshen along with the disciples of the Reincarnation Sacred Land felt deeply moved!

For the sake of saving his comrades, Yang Luo risked his own life, utterly admirable and moving!

"Everyone don't worry, keep going!"

Yang Luo let out a shout, fully mobilizing the energy within him, furiously releasing it!

All the energy gathered in his palms, then he pushed it out mightily!

Boom, boom!

Two immense energy beams launched forth, surging toward the nine nails!

Buzz, buzz, buzz!

Nine nails let out a fierce vibrating sound!

Under Yang Luo's precise control, the nine nails shot forward like nine meteors speeding through the night sky, aimed at Bujie!

When they approached ten meters from Bujie!

Bang!

Bujie's body erupted with violent magic power, attempting once again to deflect the nails!

Yet, with the nails gathering everyone's energy, they barely withstood the impact of Bujie's internal magic power!

Surges of magic power continuously emerged from Bujie's body, like tidal waves, battering the nine nails!

The nine nails vibrated intensely, trying hard to resist, seemingly ready to be flung away anytime!

"Brothers, elders, keep going!"

Yang Luo shouted again.

“Alright!”

Lou Tingyu and everyone responded in unison, continuously channeling their energy, injecting it into Yang Luo!

Pop, pop, pop!

More wounds burst open on Yang Luo, blood sprayed uncontrollably!

Yang Luo was already heavily injured from battling Fen Juehai and others!

Now, his injuries were even worse, his body soaked in blood!

Yet, Yang Luo seemed oblivious to the pain, continuously channeling his own energy and the energy transferred by everyone, releasing it forcefully!

Buzz, buzz, buzz!

The nine nails vibrated intensely again, flashing more brilliantly with immortal light, fiercely combating the magic erupting from Bujie’s body, inching closer to Bujie!

Ten meters!

Nine meters!

Eight meters!

...

“Good, it’s working!”

“Can these nine nails really seal the magic inside Bujie?!”

“Since Brother Yang said so, it must be possible!”

“Yes, Brother Yang wouldn’t disappoint us!”

Everyone continued transferring their energy to Yang Luo, faces full of tension and apprehension.

Even the disciples not far away were feeling anxious.

However, when the nine nails were only a meter away from Bujie, they suddenly halted!

“Ughhh—!”

Bu Ji yelled as he looked up in agony, like a demon's roar, his body exploding with terrifying magic power, striving to deflect the nails!

Yang Luo took a deep breath and shouted loudly, "Everyone, push harder, it's almost successful!"

"Got it!!!"

Everyone responded in unison, then pushed their energy to the extreme, injecting it into Yang Luo!

"Urghh!!!"

Yang Luo let out a pained scream, blood streaming from his body and mouth, surpassing even Bujie's awful state!

*Chapter 2899: Chapter 2899: Sealing Magic Power*

"Little Luo!"

"Brother Yang!"

"Little Friend Yang!"

Flame Emperor, Ning Jianfeng, Lou Tingyu and others shouted in fear.

"I'm fine!!!"

Yang Luo let out a roar, exerting all his strength, and pushed out both palms!

Rumble!

Amidst a series of earth-shattering explosions!

The nine nails finally broke through the violent magic power erupted from Bujie's body, piercing into the nine major acupoints on his body!

In an instant!

Buzz buzz buzz!

The nine nails trembled violently, flashing with an even more dazzling immortal light!

Waves of energy like landslides and tsunamis continually surged into Bujie's body, starting a fierce confrontation with the magic power inside him!

Boom boom boom!

Once again, the sound of muffled thunder came from Bujie's body, as if it might explode his body at any moment!

"Aaaaah..."

Bujie was trapped in the air, struggling wildly, letting out a heartbreaking howl like the roar of ten thousand demons, chilling to the bone!

After a while.

Nine phenomena appeared on Bujie's body, beginning to layer by layer seal the magic power inside him, as well as other energies.

A full ten minutes passed.

"Roar!!!"

Accompanied by the last earth-shaking roar!

Bujie plummeted from above, with a "boom," crashing onto the ground!

"Bujie!"

Yang Luo shouted in surprise and hurriedly swooped down.

Everyone also followed and flew down together.

After landing, they quickly ran to Bujie's side.

They saw Bujie already unconscious, his body covered in severe injuries, looking extremely tragic.

However, the demonic qi on Bujie had dissipated, and the magic power within him had also stopped surging.

Yet, everyone could feel that Bujie's magic power had merely temporarily subsided, akin to a caged demon ready to erupt at any time.

Yang Luo quickly stepped forward, held Bujie's wrist, and took his pulse.

A few minutes later.

Only then did Yang Luo release his hand.

"Brother Yang, how is this guy doing?"

Xu Ying asked anxiously.

Everyone looked at Yang Luo with nervous faces.

Yang Luo let out a long breath of turbid air and said, "The magic power inside Bujie has been temporarily sealed, and of course, his other energies have been sealed as well.

However, fortunately, there is no life-threatening danger. He just passed out from his severe injuries."

"That's good."

Everyone finally let out a sigh of relief.

Yang Luo took a few pills for himself and gave a few to Bujie, then took out the Fuxi Divine Needle, preparing to heal Bujie.

Flame Emperor said distressedly, "Little Luo, you're also seriously injured. Why not heal yourself first!"

Xu Tingshen added, "Yes, Little Friend Yang, heal yourself first, then you can heal Little Friend Bujie!"

Yang Luo shook his head, "Rest assured, I know my own body well, I'm fine.

Bujie's injuries are more severe now, and if we don't treat him in time, it might affect his Dao Foundation."

Saying this, Yang Luo didn't hesitate any longer, casting the "Nine Needles of Heavenly Dao" to begin healing Bujie.

Half an hour passed.

Yang Luo wiped the sweat off his forehead before retracting the nine golden needles.

After a while.

Only then did Bujie slowly open his eyes.

When he saw the others surrounding him.

Bujie was startled, "What's up with you all surrounding me?"

Saying this, he wanted to jump up but couldn't help sucking in a breath of cold air.

He struggled to sit up, looked at himself, and said blankly, "What happened, why am I so badly injured, my body feels shattered?!"

Did you guys beat me up real good?!

What grudge, what resentment?!"

Yang Luo gave him a look, "Seems like you don't remember a thing about what just happened?"

"What happened just now?"

Bujie looked puzzled.

Yang Luo didn't hide it and told Bujie everything that happened.

After hearing Yang Luo's account.

Bujie's mouth twitched, "No way, did I Deviate again?!"

"Indeed!"

Ning Jianfeng slumped on the ground, saying, "You really stirred up trouble, if it weren't for everyone banding together, you might have lost it already!"

Xu Ying said, "Brother Yang even risked his life to return you to normal!"

Bujie squeezed out a few tears, hugging Yang Luo's arm, "Brother Yang, you're truly my best buddy, never giving up on me!"

"Get off!"

Yang Luo pushed him aside, "Go thank everyone. If it weren't for them, I couldn't have suppressed your magic power!"

Bujie looked at everyone present, "Brothers, seniors, thank you all!"

Just words of thanks aren't enough, let me give you all a bow!"

Xu Tingshen quickly lifted Bujie, laughing, "Little Friend Bujie's gratitude is enough, no need for bows!"

Bujie took a deep breath, clasping his hands, "Great grace needs no thanks, if you ever need my help in the future, I won't hesitate!"

Yang Luo then said, "Bujie, although the Nine Curves Immortal Nails sealed your magic power, they also sealed your other energies as well!

Which means, before receiving the Buddhist Great Power inheritance, you can't use any energy!"

"What?! No way?!"

Bujie tried to mobilize his internal energy but couldn't.

He said with a bitter face, "Doesn't this mean I'm now like a cripple?!"

Yang Luo replied, "Not entirely a cripple, you can at least use your physical strength."

Bujie was speechless, "Is there any difference then?"

"Hahaha..."

Ning Jianfeng laughed, "Brothers, now we can easily beat this guy up!

If there's any grudge, any resentment, we can settle it!"

"You bet!"

"I've wanted to beat this guy up for a long time!"

"Me too!"

Everyone clamored along.

Bujie almost cried, "Are you still human, I'm already like this and you still want to hit me?"

Seeing Bujie's expression, everyone burst out laughing.

Yu Zaizhou spoke, "Young friends, it's getting late, and you're all injured. Whatever it is, talk about it tomorrow."

"Alright!"

Yang Luo and the others nodded in agreement.

Then, led by Yu Zaizhou and Xu Tingshen, everyone left the place.

Yang Luo and the others were also arranged to stay in guest rooms.

...

At the same time.

The headquarters of the twenty-first sub-branch of the Golden Crow.

The main hall on the main peak was filled with many people.

There were many elders, as well as many Law Enforcers.

"This Reincarnation Sacred Land is truly hateful, daring to go against our Golden Crow branch!"

"Those guys are truly audacious, protecting even those our Holy Master wants dead, preposterous!"

"Why wait any longer, quickly gather people from the four major branches and attack the Reincarnation Sacred Land!"

"We must flatten the Reincarnation Sacred Land and kill everyone from there!"

Many elders and Law Enforcers roared angrily.

Bang!

Fen Juehai slammed the table, roaring, "What are you shouting about?! If we bring people to attack the Reincarnation Sacred Land now, are you confident you can destroy it?!"

## **Chapter 2900: Chapter 2900: Time Bomb!**

Upon hearing Fen Juehai's words, the other elders and Law Enforcers present fell silent.

Their expressions were uncertain.

As one of the four Great Sacred Lands of the Heavenly State, the Reincarnation Sacred Land had profound heritage and formidable strength.

If the Reincarnation Sacred Land were truly this weak, they would have destroyed it and seized everything long ago.

"We are a branch under the Golden Crow Sacred Land; when have we ever suffered such humiliation?"

"Are we really not going to avenge this?"

“Moreover, if we fail to complete the Holy Master’s task, the Holy Master will surely be enraged!”

Some elders and Law Enforcers gritted their teeth in voice, very unwilling.

They were a branch under the Golden Crow Sacred Land.

Although not the strongest in the Heavenly State, with the backing of the Golden Crow Sacred Land, they could still walk with impunity in the Heavenly State.

They attacked whoever they wanted, and no one dared to resist.

But this time, the Reincarnation Sacred Land dared to resist them—this was nothing short of defying the heavens.

Especially that little bastard Yang Luo and his group, who killed more than three thousand of their four major branches.

Even the Branch Masters Fen Xiao and Fen Yuan, as well as Elder Cao Shifeng, died at the hands of those little bastards.

Furthermore, Fen Juehai and others were seriously injured.

This time, their four major branches gained nothing but rather suffered heavy losses.

This made them exceedingly furious.

Fen Juehai, clutching his chest, said fiercely, “We must naturally avenge this enmity, and we must also complete the task given by the Holy Master!

But relying solely on our four major branches, seeking revenge and completing the task may not be that easy!”

“Brother Juehai is right!”

Fen Xiaoyuan nodded agreeably, “If it’s just against the Reincarnation Sacred Land, our four major branches cannot rival them!

If we suddenly attack the Reincarnation Sacred Land, the forces allied with them, along with those we’ve previously oppressed, will help them deal with us!

Once those groups unite, we will find it even harder to deal with them!”

“Brother Xiaoyuan speaks sensibly!”

Fen Zhen Nan, frowning tightly, said, "Although these forces are like loose sand, if we really strike against the Reincarnation Sacred Land, it will undoubtedly provoke their indignation!"

"What should we do now?"

"We can't really let the Reincarnation Sacred Land stomp on us, flaunting their power, can we?"

"We represent the Golden Crow Sacred Land as the four major branches; we cannot disgrace the Golden Crow Sacred Land!"

The other elders and Law Enforcers spoke out in anger.

Fen Juehai pondered momentarily and said, "What we need to do next is proceed to the Golden Crow Sacred Land headquarters and inform the Holy Master of the situation here!

How to deal with the Reincarnation Sacred Land and those little bastards of Yang Luo must be decided by the Holy Master!"

"I agree with Brother Juehai's proposal!"

Fen Xiaoyuan nodded, squinting slightly, "Those little bastards of Yang Luo have repeatedly sabotaged the Holy Master's plans!

Especially that little bastard Yang Luo, who even killed the Seventh Prince, Eighth Prince, Ninth Prince, and many elders and Law Enforcers of our Golden Crow Sacred Land!

With the Holy Master's temper, he absolutely won't tolerate anyone repeatedly provoking our Golden Crow Sacred Land!

As long as the Holy Master can send people to assist us, we have full confidence in destroying the Reincarnation Sacred Land!"

Fen Zhen Nan said coldly, "As long as the Holy Master can dispatch an army to aid us!

Those forces allied with the Reincarnation Sacred Land and those we've oppressed before will not dare to stand up for them!

Once the Reincarnation Sacred Land is destroyed, taking down other forces will be much easier!"

"Good, that's how we shall proceed!"

“Indeed, we must inform the Holy Master and let him decide!”

“The forces of the Heavenly State are nothing to us, the Golden Crow Sacred Land!”

“Anyone who dares to defy the Golden Crow Sacred Land will be killed without mercy!”

The other elders and Law Enforcers also agreed with this proposal, speaking viciously.

Fen Juehai’s eyes flashed with killing intent as he muttered, “Yang Luo, Lou Tingyu, Xu Tingshen... you just wait and see!”

...

The next morning.

Reincarnation Sacred Land.

Inside the grand hall of the square of the main peak.

Lou Tingyu smiled as he looked at Yang Luo and the others, asking, “Little friends, how did you rest last night, and how are your injuries?”

Yang Luo replied, “Elder Lou, we rested quite well last night, and our injuries have healed slightly.”

“That’s good.”

Lou Tingyu nodded.

Xu Tingshen asked, “Little Friend Yang, why did you suddenly come to the Heavenly State?”

I suppose, besides visiting our Reincarnation Sacred Land, you have other matters to attend to?”

Lou Tingyu and others also looked at Yang Luo.

Yang Luo replied honestly, “This time we came to the Heavenly State not only to visit the seniors but also to head to Jiu Ling Mountain.

It’s said that an Ancient Relic of a Buddhist Great Power has appeared in Jiu Ling Mountain.

We want to bring Bujie into this Ancient Relic, allowing him to obtain the inheritance of the Buddhist Great Power.

Only by doing so can Bujie achieve a balance of Buddha energy and demonic qi within him.”

“So that’s how it is.”

Xu Tingshen nodded in realization and then said, “We have heard some rumors about the appearance of an Ancient Relic of a Buddhist Great Power in Jiu Ling Mountain.

However, until now, everyone has only seen Buddhist light flickering in Jiu Ling Mountain, with the sound of ten thousand Buddhas chanting.

As for whether an Ancient Relic of a Buddhist Great Power truly appears, that remains a conjecture among everyone.”

Yang Luo said, “Regardless of the truth, we have to make a trip.

Bujie’s condition is a ticking time bomb that must be resolved promptly.”

Bujie also spoke helplessly, “Indeed, I really don’t want to fall into Deviation again.

Moreover, I can’t use any energy right now, just like a useless person.

This feeling is really unbearable.”

He initially thought obtaining the inheritance of Wutian Demon Venerable was a great fortune, but he didn’t expect it to become a ticking time bomb, causing trouble twice.

Ning Jianfeng also said, “Hurry and let this guy return to normal; I really don’t want to see him break down again!”

Bujie glared at Ning Jianfeng, “What do you mean ‘break down’? Do you think I want this?”

Ning Jianfeng shrugged, “Who told you to brag earlier, saying you’d officially rise?

Now karma has struck, right?”

“Damn it...”

Bujie shook his head, feeling utterly annoyed.

He had shown off too soon.

Lou Tingyu nodded, “The issue with Little Friend Bujie indeed needs to be resolved quickly; it’s good to give it a try.”

After a pause.

He continued, "In the next few days, stay here and recuperate well.

Once your injuries heal, we will accompany you to Jiu Ling Mountain, how about that?"

Yang Luo asked, "Elder Lou, you want to join us?"

"Of course."

Lou Tingyu smiled faintly, "We initially planned to send someone to investigate Jiu Ling Mountain's situation.

Now that you are here, we might as well go together.

If you encounter any danger on the way, we can also help."

Xu Tingshen also said, "Exactly, traveling together allows us to look out for one another!"

Yang Luo cupped his hands in thanks, "Then, many thanks to the seniors!"
