Chapter 321: The Storm Arrives!

At the same time...

Dawn Mountain Manor.

In the study.

Still clad in his pajamas, Grondor hung up the phone.

He held his phone and sat in front of the desk in a daze.

Because he didn't know how to deal with Gesang, he could not sleep, so he wanted to stay in the study for a while.

However, he did not expect to receive such shocking news in such a short period of time.

Zachary was dead!

His old rival of many years had died just like that!

If it was anyone else who said this, he naturally wouldn't believe them.

However, he had no choice but to believe what Yang Luo said to him.

Tonight, he was completely convinced by Yang Luo.

This was a god-like man!

At this moment...

His cell phone rang.

He picked up his phone and saw that it was Donbamu, so he picked up the call.

“Dad, just now, I received shocking news. Zachary is dead. He died in his manor!

It's really great. That bastard Zachary is finally dead!”

As soon as the call went through, Donbamu's voice came through, his voice filled with excitement.

Grondor said calmly, “I already know.”

“Ah?! You already know?”

Donbamu exclaimed in surprise, then hurriedly asked, “Could it be that you know how Zachary died?”

Grondor said, “Of course I know. However, you don't have to ask too much about this matter. I'll handle it.”

With that, he hung up.

After hanging up, Grondor thought for a moment and made calls one after another.

After all, Zachary was a famous figure in Country Noodle, a jade tycoon who could compete with Grondor.

Now that Zachary had been killed, it would definitely cause a huge commotion in the upper-class society of Country Noodle.

Tonight's Country Noodle was destined to be chaotic.

At around two in the morning.

In China.

Jiang City.

In the Jiang family's villa.

Although it was already midnight, the Jiang family's manor was brightly lit.

The entrance of the villa was also filled with luxury cars.

At the same moment...

The main hall of the villa was filled with people.

Other than the Jiang family, the heads of the He family, Song family, Zhao family, Liu family, and other families were also present.

The head of the Jiang family, Jiang Maolin, who was sitting at the head of the table, glanced at everyone present and said, "I called everyone here so late at night because I have something important to announce."

"Old Jiang, what's the matter? Why did you mobilize so many people?"

The head of the He family, He Yunshan, asked with a smile.

The others also looked at Jiang Maolin in confusion.

Jiang Maolin said, "Now that the time has come, we can attack the Su family and the Qin family."

As soon as these words were spoken...

Everyone present was instantly dumbfounded.

They clearly did not expect Jiang Maolin to call them over to talk about this.

Although they had already agreed that they would join forces to attack the Su family and the Qin family and annex all the assets of the Su family and the Qin family, making the Su family and the Qin family disappear from Jiang City...

However, because Jiang Maolin kept saying that the time was not right and asked everyone to wait a little longer, they held back until now.

"Old Jiang, are we really going to fight?"

The head of the Song family, Song Zhaoen, asked excitedly.

"Of course it's true!"

Jiang Maolin nodded and said, “Previously, I kept saying that the time wasn’t ripe because I felt that we didn’t have enough chips!

“But now, we have enough chips, so we can start moving!”

As he spoke, he pointed at the two old Daoist masters and four middle-aged Daoist masters sitting on his left and said, “These six are the Daoist masters of the ancient martial arts sect, the Mystic Yin Sect.

These two are the elders of the Mystic Yin Sect, Daoist Priest Xuan Kun, Li Xuankun, and Daoist Priest Xuan Yu, Chen Yunan!

Elder Li and Elder Chen both possess mid-stage Martial Highness Realm cultivation!

These four were the Four Great Protectors of the Mysterious Dark Sect, Daoist Priest Huang Long, Zhang Shoujian, Daoist Priest Huang Tian, Qian Zhishun, Daoist Priest Huang Shan, Wu Zhengde, and Daoist Priest Huang Yang, Ma Haicun!©

The cultivation of these four guardian Daoist masters are at the late-stage Grandmaster Realm!

For this operation, the six Daoist masters will help us!”

“Hello, Daoist masters!”

He Yunshan, Song Zhaoen, and the others cupped their hands and greeted the six respectfully.

Although their families were very powerful in Jiang City, they could not compare to these ancient martial arts sects.

Even if this Mystic Yin Sect was not a large sect, it was still an existence that they could only look up to.

Li Xuankun, who had white hair and a youthful face, nodded. He stroked his beard and said arrogantly, “We were originally here to avenge Junior Brother Zhang.

However, since Mr. Jiang has asked us for a favor, we’ll help him along the way.”

Jiang Maolin said respectfully, “Daoist masters, as long as we succeed this time...

In the future, every year, our major families will provide money and supplies to the Mystic Yin Sect.”

Li Xuankun stroked his beard and smiled, “That’s good to hear. From now on, we’re on the same side.

As long as you provide our Mystic Yin Sect with money and supplies, our Mystic Yin Sect will provide you with protection.

If you have any trouble in the future, feel free to tell us.”

Jiang Maolin smiled and said, “Thank you, Daoist masters!”

Jiang Mingyu said excitedly, “Daoist masters, we have a deep grudge with Yang Luo. Now that you’re here, we finally see hope of revenge!

Daoist masters, please get rid of that kid and avenge us!”

“That’s right.”

He Yilin, who was sitting in the wheelchair, gritted her teeth and said, “We must make that kid beg for death!”

“Yes, I must tear that kid into pieces to vent the hatred in my heart!”

“Ever since that kid appeared in Jiang City, we’ve been suppressed by him. We can’t breathe. We have to kill him!”

“Kill him! Kill him!”

He Jiahao, Song Chengyou, Zhao Tianheng, and the others also roared.

Li Xuankun smiled faintly and said, “Even if you didn’t say it, we would have done it.

“This kid killed our Junior Brother Zhang. We naturally can’t let him off.”

Chen Yunan smiled coldly, “Since that kid could kill Junior Brother Zhang, he must have some strength.

“However, with us around this time, even if this kid has extraordinary abilities, he will definitely die.”

“Alright!”

Jiang Mingyu and the others nodded heavily with smiles on their faces, as if they could already see the scene of Yang Luo’s tragic death.

“Alright, Yang Luo is just a restless factor in our operation.

With the Daoist masters around, killing this kid will be as easy as blowing off dust.”

Jiang Maolin waved his hand and pointed at Pei Enze and the five middle-aged men and women sitting on the right. He smiled and said, “Everyone, other than the six Daoist masters, Young Master Pei from the Three Xiang Pei family will also help in this operation.”

Pei Enze nodded and said, “These five with me are my Pei Clan’s Five Elements Protectors: Golden Eagle, Wood Wolf, Water Star, Fire Qilin, and Earth Mountain.

They are all mid to late-stage Grandmaster Realm cultivators. With the help of our Pei family, everyone can rest assured.”

“Alright, alright. With the help of the Daoist masters and the Pei family, our operation will definitely succeed!”

“We have so many families and so many people working together. This time, the Su family and the Qin family are finished!”

“After dividing up all the assets of the Su family and the Qin family, our various families will definitely be able to reach a higher level!”

All the Patriarchs present had flushed faces and were very excited.

They could almost see the bright future of their family.

He Yunshan suppressed the excitement in his heart and asked, “Old Jiang, when should we start?”

Jiang Maolin looked at the time and said, “It’s almost three in the morning. We’ll start at dawn!”

“Yes!”

Everyone responded in unison.

Jiang City was about to welcome a huge storm!

Chapter 322: Imminent Disaster!

The next morning.

Country Noodle.

At the Strand Hotel, in the dining room on the first floor.

Yang Luo and Bujie were having breakfast.

Many people in the restaurant were discussing animatedly.

“Have you heard? Last night, Zachary actually died in his manor!”

“Isn’t that so? It’s said that none of the hundred plus bodyguards in Zachary’s manor survived, and Zachary himself died in his room!”

“Do you think this was done by Grondor? After all, Grondor and Zachary have been fighting for so many years, wanting to kill each other!”

“Although this is very likely, we can’t spout nonsense without evidence!”

“Now that Zachary is dead, I’m afraid no one will be able to go against Grondor in the future!”

Bujie took a bite of the hot dog and smacked his lips, “Brother Yang, who exactly is your friend? He’s really powerful.

We killed so many people last night, but we’re actually not even investigated.”

Yang Luo smiled and said, “My friend is the Stone King of this country. He’s naturally very powerful.

“It can be said that there’s nothing in Country Noodle that he can’t do.”

“Stone King of Country Noodle?!”

Bujie was shocked. He clicked his tongue and said, “Brother Yang, you’re really not an ordinary person. You even know such a person.

If I follow you, the future will definitely be exciting.”

Yang Luo shook his head and said, “I can’t guarantee if it’s exciting, but if you follow me, you’ll definitely be in danger in the future.

Therefore, you have to consider carefully. Do you want to follow me or continue being a carefree monk?”

Bujie met Yang Luo’s gaze and said, “Brother Yang, since the first time I saw you last night, I’ve already decided to follow you.

You are my great opportunity. Only by following you can I find a direct path that belongs to myself. Even if I really die accidentally in the future, I won’t regret it.”

Yang Luo was stunned when he heard the resolve in his tone, “Alright, I respect your choice.”

At this moment...

A call was made to Yang Luo’s phone.

Yang Luo took out his phone and saw that it was Grondor, so he picked up the call.

“Mr. Yang, Brother Jin and I are already at the entrance of the hotel.”

Grondor’s voice sounded.

“Okay, I’ll come out now.”

Yang Luo replied and hung up.

“Stop eating, let’s go!”

Yang Luo said to Bujie before getting up and walking out of the hotel.

“Brother Yang, where are we going?”

Bujie finished his cup of milk and chased after him.

When they walked out of the hotel, they saw a convoy parked at the entrance.

Grondor and Jin Yumin were already waiting at the door.

Seeing Yang Luo come out, the two of them hurriedly welcomed him.

“Good morning, Mr. Yang!”

“Mr. Yang, how was your rest last night?”

Yang Luo smiled and said, “Thank you for your hospitality. I rested well last night.”

“Eh, this young master is?”

Grondor looked at Bujie.

Jin Yumin was also puzzled.

After all, Yang Luo was alone last night. Unexpectedly, after a night, there was actually another person beside Yang Luo.

Yang Luo introduced, “This is my friend. His Dharma name is Bujie.”

Then, Yang Luo introduced them to Bujie, “These two are my friends, Grondor, the Stone King of Country Noodle, and Jin Yumin, the jade tycoon of Country Noodle.”

Bujie greeted them warmly, “Mr. Grondor, Mr. Jin, hello!”

“Hello, Master Bujie!”

Grondor and Jin Yumin also greeted him.

Since he could be called a friend by Yang Luo, this young monk must not be an ordinary person.

Grondor said, “Mr. Yang, the plane has been arranged. Let’s go.”

“Alright.”

Yang Luo nodded in reply.

Then, Yang Luo and the others got into the car and drove away from the hotel.

On the way...

Jin Yumin said, “Mr. Yang, if my brother hadn’t told me what happened, I wouldn’t have known that Zachary was actually killed by you.”

Yang Luo said, “Originally, I didn’t want to bother with Zachary, but who knew that this guy insisted on provoking me? I could only kill him.”

As he spoke, Yang Luo asked Grondor, “Mr. Grondor, did this cause you any trouble?”

Grondor said, “It’s a little troublesome, but it’s fine.

I’ve already sent people to destroy the evidence and connections. No matter how the higher-ups in Country Noodle investigate, they won’t be able to find anything.”

Yang Luo nodded and said, “It’s good that I didn’t cause you too much trouble.”

Jin Yumin chuckled and said, “Mr. Yang, what are you talking about? This is not considered troublesome.

Moreover, you killed Zachary and killed a powerful enemy for him. My brother can’t be happier.”

“Hahaha...”

Grondor also laughed heartily and said, “Brother Jin is right. Zachary is always going against me. I’ve long wanted to kill him.

It was just that I could not find any excuse, so I did not make a move.

Now that you’ve helped me get rid of this guy, Mr. Yang, you’ve helped me a lot.”

Yang Luo nodded and said, “Mr. Grondor, I won’t always stay in Country Noodle in the future, so I’ll have to trouble you to take care of my two jade mines.”

“That’s not a problem.”

Grondor laughed heartily and said, “I’ll transfer the money earned from these two jade mines to your account each time. Don’t worry.”

After a pause, Grondor suddenly thought of something, “By the way, Mr. Yang, how do you want to deal with the Imperial Jade Glass that was opened last night? Did you sell it or something?”

Yang Luo thought for a moment and said, “Mr. Grondor, please help me find a good jade craftsman to forge a batch of jewelry for me. I’m going to give it to someone.”

Grondor nodded and said, “Alright, I’ll arrange for the best master to forge a batch of jewelry for you.

After it’s built, I’ll send someone to deliver it to you.”

Yang Luo smiled faintly, “Alright, thank you.”

As they chatted along the way, they unknowingly arrived at Dawn Mountain Manor.

After driving into the manor, Yang Luo and the others arrived at the airport.

There were six helicopters parked at the airport.

Yang Luo, Bujie, Grondor, and Jin Yumin sat in one of the cars, while the bodyguards sat in the other five.

Not long after...

The helicopter took off and left the manor.

Bujie asked curiously, “Brother Yang, where are we going now?”

Yang Luo said, “Of course it’s to do business.”

“What business?”

Bujie became even more puzzled.

Yang Luo smiled mysteriously and said, “You’ll know when you get there.”

The helicopter flew for more than an hour before arriving above a manor.

The manor was built on the top of a mountain. It occupied an area and was even more luxurious than the Dawn Mountain Manor.

After the plane landed at the airport, Yang Luo and the others got off the plane.

A group of people greeted them. The leader was a middle-aged man with dark skin.

The middle-aged man smiled and said, “Boss, the car is ready. We can go to the jade mine at Mount Pagang at any time.”

Grondor nodded and said to Yang Luo, “This is the person-in-charge of the jade mine on Mount Pagang, Jacques.

Getault Mountain is situated within the jade mine of Mount Pagang.”

“I see.”

Yang Luo nodded in realization.

“Jacques, how are the experts sent a few days ago? Did they manage to subdue the monsters in Getault Mountain?”

Grondor asked.

Jacques sighed and said, “Boss, those experts haven’t come out since they entered Getault Mountain. I’m afraid they’re probably dead now.”

Grondor frowned and said, “Let’s go and take a look..”

Chapter 323: Mysterious Space!

Then, Yang Luo and the others left the manor, got into the car, and headed for the jade mine on Mount Pagang.

In less than 20 minutes, the car arrived near the jade mine on Mount Pagang.

As far as the eye could see, mountains rose and fell, and raw stones could be found everywhere.

Many workers were mining stone and transporting raw stones.

After getting out of the car, Yang Luo and the others walked into the depths of the mountain under Jacques’ lead.

After walking for more than ten minutes, Yang Luo and the others arrived near Getault Mountain.

He saw that the area around Getault Mountain had already been cordoned off.

In addition, many armed bodyguards were guarding there.

However, when he arrived near Getault Mountain, Yang Luo got slightly shocked!

The spiritual qi here was abundant, countless times stronger than the spiritual qi even when compared to the other mountains around it!

Moreover, this spiritual qi was very different from the spiritual qi accumulated in jade. It was the spiritual qi emitted by the spirit stones!

In other words, there must be a lot of spirit stones in Ancient Mountain!

At this moment, not only Yang Luo, but Bujie also sensed it. He stared intently at Getault Mountain, his eyes shining!

Bujie whispered, “Brother Yang, the Spirit Qi here is very abundant. It’s an excellent place to cultivate.”

Yang Luo smiled and asked, “Don’t you find it strange that only the spiritual energy in this mountain is so abundant?”

Bujie scratched his shiny bald head and muttered, “It’s indeed a little strange.” At this moment, Grondor pointed at the mountain in front of him and said, “Mr. Yang, this is Getault Mountain.

“It’s just that there are monsters in this mountain. Many workers and experts we sent in died inside.”

Yang Luo nodded and said, “Alright, wait here. I’ll go in and take a look.”

“Ah?”

Jacques was shocked, “Sir, you’re going in?!”

Yang Luo said, “That’s right. I’ve already agreed with Mr. Grondor that I’ll help him subdue the monsters inside.”

Jacques said, “Sir, it’s too dangerous inside. If we go in, we might die.”

Yang Luo smiled faintly and said, “Don’t worry, it’ll be fine.

If there’s really danger, it won’t be too late for me to escape.”

“Boss, this...”

Jacques turned to Grondor.

Grondor looked at Yang Luo and said, “Mr. Yang, why don’t I send more helpers in with you?”

Yang Luo shook his head and said, “No need. Just let Bujie accompany me in.”

Grondor sighed and said, “Then... Alright, be careful with Master Bujie.”

“Bujie, let’s go!”

Yang Luo waved his hand and walked towards the mine with Bujie.

A few minutes later, Yang Luo and Bujie walked into the mine and disappeared from everyone’s sight.

Jin Yumin frowned and said, “Brother, will Mr. Yang and Master Bujie be in danger?”

Grondor said, “We’ve all seen Mr. Yang’s strength. Even if Mr. Yang really can’t subdue the monsters in the mountains, he can definitely protect himself.” “Sigh...”

Jin Yumin sighed deeply and said, “One can never be too careful!”

Grondor said in a deep voice, “Let’s wait here. If anything really happens, we’ll send someone in to take a look.”

Jin Yumin nodded and said, “That’s the only way.”

At the same moment...

After Yang Luo and Bujie walked into the mine, they continued to walk along a long passageway.

Because this passage was dug by Grondor’s workers, the walls were installed with lights, so they could see the way clearly.

Yang Luo and Bujie also sensed it. The deeper they went, the more abundant the spiritual energy they felt.

Bujie asked, “Brother Yang, what exactly is inside? Why is the spiritual energy so abundant?”

Yang Luo said, “It’s very likely that there are spirit stones inside.”

“Spirit stones?!”

Bujie was stunned, “Are there really spirit stones inside?!”

“There must be.”

Yang Luo nodded and added, “Moreover, other than spirit stones, there might be monsters inside. Previously, Mr. Grondor sent many workers and experts in, but no one has left alive.”

“What?! Monsters?!”

The corner of Bujie’s mouth twitched, “What if we’re eaten by monsters later?”

Yang Luo said, “This is a huge opportunity. If you’re afraid, then leave.”

Bujie straightened his neck and said, “Who said I’m afraid? There’s nothing I’m afraid of!

Isn’t it just a monster? Just kill it!”

Yang Luo teased, “Alright, you’ll take the lead later.”

Bujie shook his head repeatedly and said, “Brother Yang, your strength is much stronger than mine. It’s better for you to take the lead. I’ll assist you from the side.”

Yang Luo said in amusement, “I didn’t expect you to be so timid.”

Bujie pressed his palms together and said, “Buddha said that the world is big, and life is the most important.”

“Bullshit.”

Yang Luo rolled his eyes unhappily.

The two of them chatted and unknowingly reached the end.

As far as the eye could see, there was a huge pit more than ten meters ahead.

Rope ladders were hung around the pit.

After the two of them approached, they looked down.

Only to see that this pit was bottomless and pitch-black. A gust of cold wind swept up, causing Bujie to shiver uncontrollably.

However, the abundant spiritual qi was spreading out from this pit.

Yang Luo said, “Looks like the spirit stones should be down there. Let’s go down.”

“Wait!”

Bujie hurriedly said, “Brother Yang, are we really going down like this?

“We don’t even know how deep this pit is. If we can’t defeat that monster later, it’ll be difficult for us to come up.”

“If you don’t dare to go down, wait outside.”

Yang Luo said and went down with the help of the rope ladder.

“Brother Yang, wait for me!”

Bujie shouted and followed.

The two of them used the rope ladder to descend. The lower they went, the colder they felt.

When Yang Luo went down, he was also calculating the distance.

After descending for more than a hundred meters, the two of them finally reached the bottom of the pit.

The surroundings were pitch-black, and one could not even see their fingers.

Yang Luo snapped his fingers, and golden flames burned on his fingertips, instantly dispelling the darkness.

He could see that another passageway had appeared in front of him.

Seeing the flames on Yang Luo's fingertips, Bujie looked surprised, "True Qi turning into fire?

Brother Yang, you're really not simple!"

Yang Luo ignored Bujie and walked along the passageway.

Seeing this, Bujie hurriedly followed.

This passageway was not straight, but curved here and there all the time.

After walking for an unknown distance, the moment they walked out of the passageway, the two of them were instantly stunned!

As far as the eye could see, there was a huge space in front of them. It was as big as two or three football fields!

The ground, walls, and ceiling were inlaid with colorful jade stones and sparkling white spirit stones. The spiritual energy was filled to the brim here!

These jade stones and spirit stones emitted light, illuminating the space!

Upon arriving here, the two of them felt all the pores on their bodies open up and absorb the spiritual qi crazily!

Moreover, there was a small pool not far ahead. Bright white water flowed in the pool. Clearly, it was a spiritual spring.

There was a big tree beside the spiritual spring, but the tree had already withered and broken, without any vitality.

As for the ground, there were many bones and tattered clothes scattered on the ground.

It was clearly left behind by the people who had entered before.

Bujie clicked his tongue and said, "Holy sh*t, I didn't expect there to be something like another world in this mountain. There's such a mysterious space. It's really spectacular!

"Brother Yang, what kind of place do you think this is? Isn't it too magical?"

Yang Luo looked around and replied, "Perhaps this was once a cultivation place of an ancient mighty figure.."

Chapter 324: Scarlet Eye Lightning Python!

Bujie nodded and said, “There are records in the Buddhist Sect that Earth used to have abundant spiritual energy. There were many ancient mighty figures who flew in the sky and burrowed into the ground.

It’s not wrong to say that this could be a cultivation place left behind by those ancient mighty figures.

“Moreover, the spiritual qi here is so abundant. If we cultivate here for a few days, our cultivation will definitely break through.”

Yang Luo nodded and looked around, “Didn’t Mr. Grondor say that there were monsters here? Why don’t I see them?”

Bujie waved his hand and said, “Sigh, there are no monsters. They must have made a mistake!”

As he spoke, he began to take off his clothes.

Yang Luo said speechlessly, “Why are you taking off your clothes?”

“Of course I’m going to take a bath in this pool. There’s a spiritual spring inside!

“Use the spiritual spring to wash your body and sit inside to cultivate. You can achieve twice the results with half the effort!”

Bujie laughed. After taking off only his underpants, he ran towards the spiritual pool eagerly.

However, just as Bujie approached the spirit pool!

Yang Luo’s heart suddenly skipped a beat as he sensed a terrifying aura sweeping out of the spirit pool!

Right on the heels of that, the waters in the spirit spring surged!

“Bujie, be careful. There’s danger!”

Yang Luo reminded in surprise.

At that very moment...

Bam!

A huge figure suddenly soared into the sky from the spirit pool. It opened its bloody mouth and bit towards Bujie!

“F*ck! There really are monsters?!”

Bujie let out a strange cry as the True Qi in his body erupted. He immediately twisted his fist and punched towards the huge mouth!

The next instant...

DONG!

A violent collision resounded!

“Aiya!”

Bujie cried out in pain as his entire body was sent flying. With a bang, he slammed heavily into the wall!

“Bujie, are you alright?”

Yang Luo asked loudly.

“Brother Yang, I’m fine!”

Bujie bared his teeth in pain and got up from the ground.

The two of them looked up and were instantly stunned by the huge creature in front of them.

A black python more than thirty meters long, covered in lightning patterns, and with red eyes appeared in front of them.

Perhaps it was because it had cultivated for a long time, but there was a bump on the python’s head, as if a horn was about to grow.

Bujie was dumbfounded. He said with a face full of fear, “Oh my god, what a huge python. The two of us are not even enough to fill the gaps between its teeth!”

Yang Luo sized up the python and thought of an ancient book that the old man had shown him previously.

The ancient books recorded all kinds of rare beasts, including this python.

Yang Luo’s eyes lit up as he stared intently at the python and said, “This is a type of demon beast called the Scarlet Eye Lightning Python!”

“From the lightning patterns on its body, this Scarlet Eye Lightning Python has probably cultivated for nearly 500 years!”

This was a demon beast that had cultivated for nearly 500 years. If he could swallow its inner core, he would definitely be able to step into the Shedding Mortality Stage!

At that time, he could easily crush a Martial King Realm expert!

“Scarlet Eye Lightning Python?”

Bujie swallowed and said, “Brother Yang, this Scarlet Eye Lightning Python is so big and its aura is so terrifying. How are we going to fight it?”

“Stay at the side. I’ll deal with him!”

Also, take this Dragon Mark Buddhist Staff to protect yourself!”

Yang Luo said and waved his left hand.

Swoosh!

A black staff with dragon patterns immediately whistled out and flew towards Bujie.

Bujie raised his right hand and grabbed it tightly.

He weighed the Buddhist staff in his hand and said in satisfaction, “Not bad, not bad. This Buddhist staff looks like a treasure, and it’s quite suitable.”

As he spoke, he looked curiously at the ring on Yang Luo’s left hand and asked, “Brother Yang, could it be that you’re wearing a storage ring?”

“That’s right.”

Yang Luo nodded in reply.

Bujie chuckled and said, “Brother Yang, you have quite a lot of treasures on you.

Indeed, it’s good to follow you.”

At this moment!

“Roar...”

The Scarlet Eye Lightning Python let out a roar and charged towards Yang Luo and Bujie!

Rumble rumble rumble!

As soon as the Scarlet Eye Lightning Python moved, this area began to tremble violently!

The rocks surrounding the area even started rolling down!

As Yang Luo was relatively close, the Scarlet Eye Lightning Python opened its huge mouth and bit at Yang Luo first!

“Get lost!”

Yang Luo roared and mobilized the True Qi in his body. He punched out ferociously!

DONG!

This punch landed heavily on the Scarlet Eye Lightning Python’s forehead with a loud bang!

The Scarlet Eye Lightning Python let out a tragic cry and was sent flying. With a bang, it hit the wall!

A huge pit was smashed into the wall, rocks flew, and dust soared into the sky!

The scales on the Scarlet Eye Lightning Python’s forehead that were as tough as steel had been knocked off a lot, and blood flowed down!

“Heavens, Brother Yang, you’re too fierce. You sent this evil creature flying with a single punch?!”

Bujie was dumbfounded. He looked at Yang Luo with admiration.

Although he had long known that Yang Luo was very strong, he did not expect him to be so strong.

He was certain that if he was alone, he would definitely not be a match for the Scarlet Eye Lightning Python.

But now that Yang Luo was around, he felt much more confident.

“Roar...”

The Scarlet Eye Lightning Python went completely berserk after getting hurt. Its eyes were filled with a furious red light as it charged at Yang Luo again!

The moment it rushed over!

The Scarlet Eye Lightning Python opened its mouth, and a black-purple lightning bolt as thick as a tree trunk swept out and smashed at Yang Luo!

Yang Luo said in a trembling voice, “Bastard, you’re still too inexperienced to play with lightning with me!”

As he spoke, Yang Luo raised his right hand, and golden lightning flickered on his palm. It was dazzling!

“Damn, it was True Qi turning into fire previously, and now it’s True Qi turning into lightning?”

Bujie was dumbfounded, “Brother Yang, how many attributes do you control?”

After mobilizing the lightning, Yang Luo waved his right hand!

The golden lightning whistled out and ruthlessly collided with the black-purple lightning!

In an instant!

Crackle!

The two bolts of lightning collided in the sky, emitting loud thunderclaps!

Lightning spread and flickered, and it was as if the entire Getault Mountain was trembling!

After Yang Luo’s lightning shattered the black and purple lightning, it continued to shoot towards the Scarlet Eye Lightning Python!

The Scarlet Eye Lightning Python’s pupils constricted. It wanted to dodge, but it was too late!

With a loud bang, the lightning struck the Scarlet Eye Lightning Python’s body heavily, causing its scales to splatter and blood to spray. It screamed endlessly!

“Roar, roar, roar!”

The Scarlet Eye Lightning Python roared crazily and charged towards Yang Luo again!

On the way over, the Scarlet Eye Lightning Python kept spitting out lightning at Yang Luo!

However, Yang Luo was not afraid at all. He clenched his fists and punched out one punch after another, scattering the lightning!

But right at this moment...

The Scarlet Eye Lightning Python suddenly changed its direction and charged towards Bujie!

Demon beasts that had cultivated for many years had long developed intelligence!

Through the exchange just now, it clearly sensed that Yang Luo was stronger than it, but Bujie was weaker than it!

Therefore, it planned to eat Bujie to replenish its stamina and energy before dealing with Yang Luo!

Chapter 325: 500 Years!

“Damn it, do you really think this Lord Buddha is easy to bully?!”

Bujie immediately exploded in anger. With the Dragon-Mark Buddhist Staff in hand, he charged towards the Scarlet Eye Lightning Python!

The next instant...

Bujie and the Scarlet Eye Lightning Python drew close to each other!

Bujie suddenly stomped on the ground and shattered it. His body soared into the sky and he swung the staff at the Scarlet Eye Lightning Python's head!

Thud!

Accompanied by a muffled bang, the Scarlet Eye Lightning Python's head sank a few meters. A few of the tough scales on its head fell and blood spurted out!

However, this Scarlet Eye Lightning Python's strength was ultimately comparable to a Martial Highness Realm expert!

Therefore, even though it was hit, it was not a big deal. Instead, the strike only angered it further!

“Roar...”

It let out a roar and shook its head, causing Bujie to shoot upwards into the sky!

Then, it opened its mouth and spat out bolts of lightning at Bujie who was in mid air!

Seeing bolts of lightning striking over, Bujie gripped the Dragon-Mark Buddhist Staff tightly with both hands and swung it down continuously!

“Ambusing Demons Suppression Technique!”

Long shadows of each staff strike stacked on top of each other, as heavy as a thousand catties, extremely strong and fierce!

This was one of the staff techniques from Shaolin's seventy-two ultimate techniques!

Crackle!

Booming explosions resounded non-stop. The lightning that struck over was shattered by Bujie!

Yang Luo, who was not far away, was stunned when he saw this scene.

He did not expect the Dragon-Mark Buddhist Staff he had obtained from Lungposa to be so suitable for Bujie, as if it was tailor-made for him.

It seemed that he and this guy were really fated.

Otherwise, how could he obtain the Dragon Mark Buddhist Staff and meet Bujie?

“Evil creature, die!”

After Bujie shattered the lightning bolts, he gripped the staff tightly with both hands. His body descended and smashed towards the Scarlet Eye Lightning Python with all his might!

But right at this moment...

The Scarlet Eye Lightning Python suddenly swung its huge tail at Bujie!

“F*ck!”

Bujie cried out in alarm and hurriedly changed his move. He raised the staff in his hand to block!

With a loud clang, Bujie was sent flying with his staff. With a bang, he crashed into a wall, which fissured out rapidly!

Bujie grimaced in pain. There were bloody wounds all over his body, and he felt that a few of his bones had been broken!

After the Scarlet Eye Lightning Python sent Bujie flying, it moved and continued to rush towards Bujie!

“Dream on!”

Yang Luo roared and stomped on the ground. His body soared into the sky like a wild dragon and landed on the head of the Scarlet Eye Lightning Python!

Then, Yang Luo grabbed on the lump that was Scarlet Eye Lightning Python’s head with his left hand, clenched his right hand into a fist, and smashed it crazily towards the Scarlet Eye Lightning Python’s head!

DONG!

The dull sound of a heavy blow resounded in all directions!

With just one punch, the Scarlet Eye Lightning Python’s flesh was lacerated and blood splattered!

“Roar...”

The Scarlet Eye Lightning Python roared in pain and shook its head crazily, wanting to throw Yang Luo off!

However, Yang Luo grabbed the bump on its head tightly, wrapped his legs around its neck and kept smashing down!

Dong, dong, dong!

One punch after another smashed down like a drum, a terrifying sound!

As Yang Luo’s punches landed one after another, the Scarlet Eye Lightning Python’s head was bleeding!

“Brother Yang, let me help you!”

Seeing this, Bujie rushed over with the staff.

After approaching, Bujie leaped up and swung his staff at the Scarlet Eye Lightning Python's seven-inch spot!

“Roar, roar, roar!”

The Scarlet Eye Lightning Python roared in pain and swung its huge tail again, sending Bujie flying.

After sending Bujie flying, the Scarlet Eye Lightning Python was completely enraged. Its entire body trembled, and black-purple lightning erupted from its body, wanting to turn Yang Luo into charcoal!

After Bujie got up from the ground, he shouted, “Brother Yang, be careful!”

Hearing this, Yang Luo instantly erupted with the True Qi in his body and filled his entire body to resist the bombardment of lightning. His right fist continued to smash down crazily!

This Scarlet Eye Lightning Python's body was akin to having bronze skin and iron bones. Yang Luo threw more than a hundred punches before shattering its skull!

If it were an ordinary Martial Highness Realm human expert, they would probably have died long ago!

Only a demon beast like this could withstand so many heavy blows from him!

Then, Yang Luo twisted his fist again and instantly erupted with his physical strength and True Qi. Following which, he punched down wildly!

“Die!”

Peng!

This punch was extremely violent and completely shattered the Scarlet Eye Lightning Python's head!

The Scarlet Eye Lightning Python was completely dead. With a bang, its body fell heavily.

“Phew...”

Yang Luo exhaled softly and wiped the sweat off his forehead.

It had to be said that killing this demon beast was really a little tiring.

Bujie looked at the dead Scarlet Eye Lightning Python in a daze and gave Yang Luo a thumbs up, “Brother Yang, you're too awesome!”

This python was actually beaten to death by you!”

Yang Luo did not say anything else. After taking a deep breath, he circulated his True Qi and his right hand transformed into a palm blade that slashed at the Scarlet Eye Lightning Python's body!

After cutting open the Scarlet Eye Lightning Python's body, Yang Luo reached out and took out an inner core that flickered with a black-purple light. It was not much bigger than a pigeon egg.

Sensing the abundant spiritual energy and energy in this inner core, Yang Luo was overjoyed.

It was indeed the inner core of a demon beast that had cultivated for nearly 500 years.

Bujie asked curiously, “Brother Yang, is this the inner core of this Scarlet Eye Lightning Python?”

“That’s right!”

Yang Luo nodded in reply.

Bujie said in surprise, “This is the first time I’ve seen the inner core of a demon beast. Quickly let me take a look!”

Yang Luo threw it to Bujie.

Bujie took the inner core and observed it carefully. Then, he sensed it and exclaimed, “The spiritual qi and energy contained in this inner core is simply too terrifying!”

As he spoke, Bujie asked, “Brother Yang, don’t tell me you want to swallow this inner core to cultivate?”

“That’s right.”

Yang Luo nodded and took out the Scarlet Eye Lightning Python’s gallbladder.

Bujie was so frightened that the corners of his mouth twitched. He said, “Brother Yang, you can’t do anything rash!

The spiritual qi and energy of this inner core are too terrifying. If you swallow it, I’m afraid your body will explode and you’ll die!”

Yang Luo smiled and said, “Perhaps ordinary Martial Warriors will explode and die after swallowing this inner core, but I can withstand the spirit qi and energy of this inner core.”

“You can withstand such a thing?!”

Bujie looked surprised, “Brother Yang, what realm is your cultivation at?!”

Yang Luo said, “Actually, I don’t know what realm my cultivation is at.

However, I can crush Acquired Realm, Connate Realm, Grandmaster Realm and Martial Highness Realm Martial Warriors.

Even if it’s an early-stage Martial King Realm Martial Warrior, I can still kill him if I fight with all my might.”

“Holy shit!”

The corner of Bujie’s mouth twitched. He gulped and said, “No way, Brother Yang, you’re too abnormal. We seem to be about the same age!

What’s going on?”

Yang Luo smiled mysteriously and said, “You’ll know in the future.”

As he spoke, Yang Luo took the inner core from Bujie’s hand and handed the gallbladder to Bujie, saying, “This snake gallbladder has a miraculous effect on healing. Take it and your injuries will recover as soon as possible.”

“Alright.”

Bujie nodded and took the snake gallbladder..

Chapter 326: Beginning to Break Through!

“Heal your injuries first. i’ll take a look around and see if this ancient mighty figure left anything else.”

Yang Luo said and walked around.

He wanted to see if the ancient mighty figure who had once cultivated here had left any cultivation techniques and treasures.

However, after walking around a few times, Yang Luo didn’t find anything. He only found a few lines of blurry ancient words on one wall.

Yang Luo stared at these ancient words for a long time, but he couldn’t read anything from it.

He sighed and shook his head.

It seemed that it had been too long.

Even if this ancient mighty figure really left something here back then, it had been obliterated in time.

However, since Country Noodle could find a cultivation place left behind by an ancient powerhouse, he could probably find similar cultivation places in China and other countries.

By that time, if he found a few more, he would definitely be able to obtain many huge opportunities.

Of course, it was definitely not that easy to find the cultivation place of an ancient powerhouse. It still depended on fate.

At this moment, a fragrance suddenly floated over.

Yang Luo turned around and was caught between laughter and tears.

Bujie used the dead spiritual tree here to light a fire. He held two long branches in his left and right hands and skewered pieces of the Scarlet Eye Lightning Python’s meat as he roasted them.

Bujie grinned and said, “Brother Yang, are you done reading?

Hurry up and eat the roasted snake meat.

“The meat of this Scarlet Eye Lightning Python is a great tonic. Eating it can strengthen your body.”

Yang Luo walked over and took one of the snake meat.

Bujie pointed at his cloth bag and said, “Brother Yang, there is cumin powder, chili powder, salt, and MSG in the bag.

You can sprinkle a little. It’ll taste better.”

Yang Luo squatted down and flipped through Bujie's cloth bag.

As expected, there were jars of condiments inside.

He picked up a jar of cumin powder and sprinkled it as he said, "Bujie, your inventory is quite complete."

Bujie chuckled and said, "I've been traveling outside all these years.

Occasionally, I'll hunt some wild animals to eat, so I prepared these ingredients in advance."

"You're really a piece of work."

Yang Luo laughed as he sat on the ground to take a bite.

After biting down, he nodded in satisfaction, "Bujie, your barbecue skills are not bad.

This snake meat has been roasted by you until it's crispy on the outside and tender on the inside. It's fragrant. After sprinkling some condiments, it's even more delicious."

"Of course. My barbecue skills are naturally good!"

Bujie smiled smugly and said helplessly, "It would be even better if there's wine."

Yang Luo said in amusement, "Alright, don't ask for so much. Hurry up and eat.

After that, recuperate and cultivate."

"Alright!"

Bujie grinned and nodded.

At the same moment...

Outside Getault Mountain.

Grondor, Jin Yumin, and the others were still waiting anxiously outside.

It had been almost two hours since Yang Luo and Bujie entered.

Jin Yumin asked in puzzlement, "Brother, the commotion just now was so huge that the entire mountain was shaking. Why is there no movement now?

Could it be that Mr. Yang and Master Bujie have already fought with the monster?"

Grondor nodded and said, "It's very likely. Otherwise, it wouldn't have caused such a huge commotion."

Jin Yumin said with a worried expression, "I wonder how Mr. Yang and Master Bujie are doing now and if they are safe."

Grondor said, "Call and ask."

"Alright."

Jin Yumin nodded and took out his phone to call Yang Luo.

However, after calling a few times, he could not get through.

Jin Yumin immediately panicked and said, “Brother, there’s no signal inside this mountain. We can’t get through at all!”

“You can’t get through?!”

Grondor was stunned for a moment. He also tried to call Yang Luo, but the call could not connect.

Jin Yumin said, “Brother, what should we do now? Should we send someone in to take a look?”

Grondor pondered for a moment and said, “Mr. Yang is quite steady and powerful.

Since Mr. Yang dared to enter, he should be confident in his strength.

“Therefore, it’s better for us not to go in and cause trouble. Let’s wait a little longer.”

“Alright, let’s wait a little longer.”

Jin Yumin nodded.

Just as Grondor and Jin Yumin were anxiously waiting...

Inside Getault Mountain.

Yang Luo and Bujie finished their roasted snake meat happily.

“Burp...”

Bujie patted his stomach and burped, “Feels good.”

“Let’s hurry up and start cultivating!”

After saying this, Yang Luo took off his clothes, leaving only a pair of shorts, and walked into the spirit pool.

He wanted to use the spiritual spring, spirit stones, and the inner core of the Scarlet Eye Lightning Python to break through.

After entering the spirit pool, he sat cross-legged and soaked his body in the spirit pool. Then, he took out his inner core and swallowed it.

The moment he swallowed the inner core!

Waves of explosive spirit qi and energy surged out and began to crazily attack Yang Luo’s internal organs, eight extraordinary meridians, and limbs!

Fortunately, he had swallowed a 300-year-old demon beast inner core not long ago and strengthened his internal organs, eight extraordinary meridians, and limbs!

Only then could he withstand the spiritual qi and energy impact of the 500-year-old demon beast’s inner core!

However, even so, this spiritual qi and energy was still extremely violent, as if it wanted to tear Yang Luo’s body apart!

Yang Luo’s skin instantly turned red, and his meridians bulged!

“Ahhh...”

He gritted his teeth and roared. He endured the impact of the spiritual qi and energy as well as the tearing pain.

Bujie was shocked and asked in a trembling voice, “Brother Yang... are... are you alright?”

“I’m fine!”

Yang Luo replied, “Don’t worry about me. Hurry up and come down to cultivate!”

With that, Yang Luo closed his eyes and began to circulate his energy to cultivate, channeling the explosive spirit qi and energy in his body.

Slowly, the restless True Qi and energy in Yang Luo’s body finally calmed down, and his body gradually returned to normal.

The spiritual qi in the spirit pool and the surrounding spirit stones also gathered from all directions and surged into Yang Luo’s body.

Yang Luo’s body emitted a dazzling golden light. The phantom of a golden dragon coiled around his body, mysterious and unfathomable.

Bujie was already stunned and could not help but exclaim, “Brother Yang is really a godly person. He actually really withstood the spiritual qi and energy of the inner core.”

After confirming that Yang Luo was fine, Bujie did not hesitate. He immediately walked into the spirit pool and sat cross-legged. After swallowing the snake gallbladder, he began to heal and cultivate...

At the same time...

In China.

Jiang City.

In the Su family’s villa.

In an antique-looking study.

The head of the Su family, Su Guoxiong, was flipping through a book.

But at this moment...

“Ahhh...”

He suddenly felt a pain in his chest and let out a painful cry.

He held his chest with one hand and held the table with the other. His face was pale and he was drenched in cold sweat.

It had to be known that ever since Yang Luo cured his body, his body was better than before. There should be no problem with him at all.

But what was going on now?

Why did he feel so much pain in his chest?

Just as he was about to shout for help, he spat out a mouthful of blood. Then, he felt his vision turn black and he fell to the ground.

Due to the commotion in the study, it alarmed Li Buyi, who was guarding outside.

Li Buyi was Su Guoxiong's bodyguard.

“Master, what's wrong?”

Li Buyi knocked on the door and asked.

However, there was no sound from the study.

Li Buyi frowned and hurriedly pushed open the door.

When he saw the scene in the study, Li Buyi was shocked and hurriedly shouted outside, “Someone come quickly. Something happened to the old master!”

Not long after...

The entire Su family fell into chaos!

Chapter 327: Framed!

9 a.m.

Cloud Peak Hotel.

In the meeting room on the top floor.

The conference room was filled with people.

A tall and straight middle-aged man with a gentle and elegant temperament was holding a meeting with his employees.

This middle-aged man was the chairman of the Cloud Peak Hotel and also Su Qingmei's father, Su Wenbin.

Su Wenbin glanced at everyone present and said loudly, “You've done well in the past few months!

**“Now, our Cloud Peak Hotel's reputation is getting better and better.
Everyone is very satisfied with our hotel!**

“Moreover, our hotel's turnover has continued to increase in the past few months!

“In view of everyone's efforts, I'll talk to the finance department and get them to give everyone a bonus!”

“Thank you, Chairman Su!”

The employees beamed with joy.

Su Wenbin smiled and continued, "However, you can't be arrogant and complacent because of this. You have to continue working hard to improve the quality and service of our hotel!"

"Don't worry, Chairman Su. We'll continue to work hard!"

"In the following period of time, we will definitely surpass the other five-star hotels!"

"Chairman Su, we will definitely work hard to become the number one in Jiang City!"

The employees were also full of confidence and expressed their stance.

Su Wenbin smiled and said, "I'm relieved to see everyone so confident..."

At this moment, a female assistant rushed over and whispered, "President Su,

Madam called just now and said that something seemed to have happened to Old Master Su!"

"What?!"

Su Wenbin was shocked. He quickly took the cell phone and called his wife, Su Qingmei's mother, Guo Fangyu.

Soon, the call went through.

As soon as the call went through, Su Wenbin hurriedly asked, "Fangyu, what happened to my father?"

Guo Fangyu was so anxious that she was about to cry, "Wenbin, I don't know what's wrong with Dad either. Just now, Dad suddenly fainted in the study room.

Now that the ambulance is here, we're on our way to the Central Hospital." "How did this happen?"

Su Wenbin was also anxious. He frowned and said, "I'll come over now!"

After hanging up, he looked at all the employees and said, "That's all for today's meeting. Everyone, disperse."

With that, Su Wenbin prepared to leave the meeting room.

But at this moment...

The door of the conference room was pushed open, and a group of men and women in uniforms walked in.

Su Wenbin was stunned and asked, "What's the matter, everyone?"

The employees also looked at this group of people in confusion.

One of the middle-aged men in the lead said in a deep voice, "Chairman Su, someone reported that your hotel is privately selling forbidden goods. Please come with us!"

"Selling prohibited goods?"

Su Wenbin looked shocked as he shook his head and said, "That's impossible!"

Our hotel has always been law-abiding. We will never do such a thing!” “Bring it over!”

The middle-aged man instructed a young man.

Soon, the young man took out a plastic bag with gloves.

There were a few small bags of drugs in the plastic bag.

The middle-aged man said coldly, “Chairman Su, we secretly sent people and found these items in your hotel. What else do you have to say now?”

Su Wenbin’s expression changed drastically as he shook his head and said, “Impossible, absolutely impossible. Someone must have framed us!”

“Are you guys mistaken? How can our hotel do such a thing?!”

“That’s right. Someone must have framed him. You can’t arrest him!”

The employees in the conference room were filled with indignation and anger.

“We won’t know until we investigate!”

The middle-aged man said in a trembling voice, “Chairman Su, it’s better for you to come with us. If your hotel really didn’t do such a thing, we’ll naturally let you back!”

Su Wenbin said, “I can cooperate with your investigation, but I have something urgent to do now. When I’m done, I’ll leave with you!”

“That won’t do!”

The middle-aged man said seriously, “What if you run away?”

Su Wenbin was instantly enraged. “I, Su Wenbin, am upright and not afraid of shadows. Since I’ve done such a thing, why should I run?”

“That’s hard to say.”

The middle-aged man snorted, “Take him away!”

Soon, two burly men walked forward and grabbed Su Wenbin’s arms!

Su Wenbin roared angrily, “Bastards, what are you doing? Let go of me!”

“Let’s go!”

The middle-aged man waved his hand and left the meeting room with Su Wenbin.

After Su Wenbin and the others left, the entire meeting room exploded! “What’s going on? Why did they find banned substances inside our hotel?” “I don’t know. I keep feeling that someone is setting us up to destroy our hotel!”

“I’m afraid something big is really going to happen!”

Everyone discussed spiritedly. Although they were anxious, they could not do anything.

At the same time...

Picturesque Jiangnan teahouse.

People came and went in an endless stream.

At this moment, in the backyard.

Su Wanqiu, who was wearing a black cheongsam and had her hair tied up, had a voluptuous figure and a graceful figure. She had light makeup on and was trimming a potted plant with a pair of scissors.

The sun shone on the woman's face, making her look as beautiful as jade.

After trimming a potted plant, Su Wanqiu stared at it in a daze.

Although she had not interacted with Yang Luo for long, for some reason, that little man's face kept appearing in her mind from time to time.

Every time she thought of the bits and pieces she had spent with him, the corners of her lips would curl up uncontrollably.

Although she did not want to admit it, she had to concede to the fact that she might really like this little man.

However, that little man was his niece's fiancé.

No matter how much she liked him, she could only suppress it in her heart.

Hence, she had been avoiding meeting Yang Luo recently.

Perhaps this was the only way to completely let go of this fruitless relationship.

However, the more they did not meet, the more she missed Yang Luo. This simply made her go crazy.

Su Wanqiu shook her head and said bitterly, "Yang Luo, Yang Luo, how could I forget about you..."

"President Su, something bad has happened! Something bad has happened!"

At this moment, a sharp cry sounded.

A female assistant rushed over.

Su Wanqiu cast aside her thoughts and turned around, "Don't panic, speak slowly.

Tell me, what happened?"

The female assistant said, "President Su, just now, three guests in the private room of Peony Pavilion suddenly fainted!"

"The guests fainted?"

Su Wanqiu frowned, "Let's go and take a look."

Then, Su Wanqiu and the female assistant left the backyard and went to the private room in Peony Pavilion.

At this moment, the private room was surrounded by people. Everyone was pointing and talking.

Two men and a woman were lying on the table with foam in their mouths.

Seeing Su Wanqiu's arrival, everyone made way for her.

Su Wanqiu walked into the private room and looked at the two men and one woman. She asked the female assistant, "Have you called for an ambulance?"

"I already did!"

The female assistant nodded in agreement..

Chapter 328: Who Is It?

Su Wanqiu frowned and said, "Why did these three guests suddenly faint?

Could they be suffering from some illness?"

An attendant said, "President Su, I don't know what's going on either.

These three guests were fine when they arrived, but just now, they suddenly fainted while chatting."

Su Wanqiu's brows were tightly knitted. She kept feeling uneasy, as if something big was about to happen.

At this moment, a call was made to her phone.

She picked up her phone and saw that it was Guo Fangyu calling, so she picked up the call.

After picking up the call, she asked in confusion, "Sister-in-law, what's the matter?"

"Wanqiu, something happened. Something big happened!"

Guo Fangyu's anxious voice sounded.

Su Wanqiu's heart skipped a beat. She hurriedly said, "Sister-in-law, don't be anxious. What exactly happened?"

Guo Fangyu said with a sobbing tone, "Wanqiu, not long ago, our father fainted in the study and is being resuscitated in the hospital.

I called your second brother and asked him to come over.

But something happened to your second brother's hotel. Someone framed your brother for selling forbidden goods in the hotel in private.

Now that your brother has been arrested, what should we do?"

Upon hearing Guo Fangyu's words, Su Wanqiu turned pale with fright, "How could this be? Why did Dad suddenly faint?!

Also, how could such a thing happen to Second Brother's hotel?!"

Guo Fangyu said, "I don't know either. Could it be that someone wants to mess with our Su family?"

Su Wanqiu took a deep breath and said, "I'll come to the hospital now and contact Big Brother to discuss what to do."

Guo Fangyu said, "Alright, I'll wait for you at the hospital!"

After hanging up, Su Wanqiu said to her female assistant, "Xiaoya, I have something to do now. I have to go out."

"Wait here for the ambulance to arrive and send these three guests to the hospital. Contact me if anything happens."

"Yes!"

The female assistant nodded.

But just as Su Wanqiu was about to leave, footsteps came from outside.

A large group of men and women in uniforms walked over.

The leader was a middle-aged woman.

Su Wanqiu asked curiously, "May I know why everyone is here?"

The middle-aged woman said, "We received a report that there's a problem with the tea leaves in your teahouse!"

"Some people have reported feeling very uncomfortable after drinking it. They even show signs of being poisoned!"

Su Wanqiu shook her head and said, "That's impossible. There's nothing wrong with the tea leaves in our teahouse, let alone poisoning people!"

"Captain Li, these three people seem to have fainted from food poisoning!"

At this moment, a young man looked inside at the three people in the private room and said in surprise.

"Poisoned?!"

Su Wanqiu suddenly turned to look at the three people in the private room, "How could this be?!"

The middle-aged woman said coldly, "President Su, are you still going to twist the truth?"

Su Wanqiu said, "There's definitely nothing wrong with our tea leaves. There must be a misunderstanding!"

"Whether it's a misunderstanding or not, President Su, please cooperate with us and go back for investigation!"

As she spoke, the middle-aged woman waved her hand, "Take her away!" "President Su, come with us!"

Two young men walked over.

Su Wanqiu's expression darkened.

She was now certain that someone was definitely messing with the Su family.

Otherwise, her father, Second Brother, and herself wouldn't have gotten into trouble one after another.

Who was messing with their Su family?

She bit her lower lip and thought about it again and again. In the end, she nodded and said, "Alright, I'll follow you!"

With that, Su Wanqiu left the teahouse with the middle-aged woman.

At the same time...

Jiang City Development Zone.

Su Wenfeng was inspecting this place with a group of people.

Not long later, a huge project would be launched here. It would lead to the continued development of Jiang City's economy.

"Su City, Madam called and said that she has something urgent to talk to you about!"

At this moment, Su Wenfeng's assistant walked over and handed over his cell phone.

Su Wenfeng said to the others, "I'm sorry, I have to take this call."

As he spoke, Su Wenfeng took the cell phone and asked, "Huilan, what's the matter?"

Su Wenfeng's wife was Su Qingmei's aunt, Gao Huilan.

"Wenfeng, something happened at home!"

Gao Huilan's anxious voice sounded.

Su Wenfeng was stunned for a moment before asking, "What happened at home?"

Gao Huilan hurriedly said, "Just now, our father fainted in the study.

Wenbin's hotel and Wanqiu's teahouse have all been investigated. They have been taken away."

"What?!"

Su Wenfeng's expression instantly changed as he exclaimed, "Why did Dad suddenly faint?

Also, why did Wenbin and Wanqiu's hotel and teahouse suddenly have a problem?

What exactly is going on?"

Gao Huilan said, "That's why I'm looking for you. Hurry up and come to the Central Hospital!

Also, quickly get someone to release Wenbin and Wanqiu!"

"Alright, don't be anxious. I'll handle it!"

Su Wenfeng replied and hung up.

He gripped his cell phone tightly and his expression darkened.

Something had happened to his father, second brother, and third sister at the same time. This was definitely not a coincidence. Someone must be making things difficult for the Su family.

‘Who the hell is it?’

However, the most important thing now was to get Second Brother and Third Sister out.

At the thought of this, Su Wenfeng picked up his phone and prepared to make a call.

But at this moment...

A few cars with special license plates drove over from afar and stopped not far away.

The car door opened and a group of cold-faced men and women in uniforms with badges on their chests walked over.

The leader was a square-faced middle-aged man.

Seeing this group of people walk over, Su Wenfeng frowned slightly and realized that something was wrong.

He went up to him and said to the middle-aged man with a smile, “Old Ma, why are you here? What’s the matter?”

The middle-aged man sighed and said, “Old Su, I didn’t want to come at first, but not long ago, someone reported that you received gifts and money from others, so I had no choice but to come.”

Su Wenfeng said, “Old Ma, you should know my character. Do you think I’m someone who would do such a thing?”

The middle-aged man said, “Old Su, I naturally know your character and know that you won’t do such a thing.

But now that Mr. Jiang had spoken and said that he wanted to investigate you carefully, I didn’t dare to disobey.

So, Old Su, you’d better come with me.”

“Are you talking about Jiang Maolin?”

Su Wenfeng asked coldly.

The middle-aged man did not answer, indicating that he had tacitly agreed.

Su Wenfeng heaved a long sigh, “I see, I see.”

He already understood that the Jiang family had clearly attacked the Su family.

Moreover, he was certain that not only the Jiang family, but the He family and the Song family had also taken action.

However, he did not expect it to be so sudden. He was not prepared at all.

The middle-aged man said, “Old Su, let’s go.”

“Okay, I’ll go with you.”

Su Wenfeng nodded and said to his assistant, "Little Wu, go to the Central Hospital and tell Huilan that I have something to deal with and can't go to the hospital for the time being."

"Yes!"

The assistant nodded.

Then, Su Wenfeng followed the middle-aged man into the car and left the development area..

Chapter 329: Those Who Don't Sign Will Die!

For the entire day, the entire Jiang City was in turmoil!

Not only was the Su family in trouble, but the Qin family also got into trouble!

Old Master Su, Su Guoxiong, and Old Master Qin, Qin Zurong, were sent to the emergency room!

The eldest son of the Su family, Su Wenfeng, the second son, Su Wenbin, and the third son, Su Wanqiu, were all taken away for investigation!

The eldest son of the Qin family, Qin Jiawei, the second son, Qin Sujie, and the third son, Qin Baifeng, were also taken away for investigation!

The entire Su family and the Qin family were left in chaos!

The people of Jiang City's upper-class society also knew about the news, causing everyone to panic!

"Have you heard? Someone is making things difficult for the Su family and the Qin family!"

"Of course I've heard about it. Now, this news has spread throughout Jiang City!"

"It's said that this time, the Jiang family, the He family, the Song family, the Zhao family, the Liu family, and many other families joined forces to attack the Su family and the Qin family!"

"Old Master Su and Old Master Qin have fallen. The core figures of the Su family and the Qin family have also been arrested!"

"Oh my god, this is too ruthless. They're clearly trying to remove the Su family and the Qin family from Jiang City!"

"I'm afraid the Su family and the Qin family are doomed this time!"

Many families in Jiang City were discussing this matter.

Many families who were on good terms with the Su family and the Qin family wanted to help, but they were warned by the Jiang family, the He family, and the Song family.

Anyone who dared to help would be completely suppressed by the three families as well.

Therefore, these families did not dare to help and could only choose to watch.

The day passed very quickly. In the blink of an eye, it was night.

The Su family's villa was brightly lit.

The living room was filled with the old, young, women, and children of the Su family. The atmosphere was very oppressive.

Now that Old Master Su, Su Wenfeng, Su Wenbin, and Su Wanqiu were no longer around, only Gao Huilan and Guo Fangyu were in charge of the entire Su family.

Guo Fangyu was so anxious that her eyes turned red, "Sister-in-law, our father is unconscious from being poisoned. Eldest Brother, Wenbin, and Wanqiu are also in trouble. What should we do?"

Gao Huilan's heart was also in a mess. She spoke out sadly, "Fangyu, I don't know what to do either.

Even our father and the others are no longer around. What can the two of us do?

How can we deal with the Jiang family, the He family, and the Song family alone?

Moreover, something has happened to the Qin family now. The other families don't dare to interfere. No one can help us anymore!"

Guo Fangyu said hatefully, "The Jiang, He, and Song families are too ruthless.

They're forcing our Su and Qin families to their deaths!"

Right as he finished his sentence...

"All! All! Ah..."

Screams came from outside.

"What happened?"

Gao Huilan, Guo Fangyu, and the other members of the Su family stood up and looked out the door.

One after another, Su family guards covered in blood flew in and fell heavily to the ground, completely dead.

"All...!"

When the Su family saw this, they were so frightened that they screamed and trembled.

Then, he saw more than ten Su family guards retreat in from outside, their faces filled with fear.

"Butler Xia, what happened?"

Gao Huilan asked an old man who was covered in wounds.

Butler Xia replied, "Madam Gao, the Jiang family has barged in!"

"What?!"

Gao Huilan, Guo Fangyu, and the others' expressions changed drastically.

“Auntie Gao, Auntie Guo, what are you afraid of? We don’t eat people.”

At this moment, a teasing voice sounded.

Everyone watched as Jiang Mingyu limped in.

The two elders of the Xuanyin Sect, Li Xuankun and Chen Yunan, followed behind.

There was also a large group of Jiang family guards trailing at the back.

Guo Fangyu said angrily, “Jiang Mingyu, what exactly do you want?!”

Jiang Mingyu lit a cigarette and sat on the sofa. He smiled and said, “Auntie

Guo, don’t be angry. I came here tonight to talk to you.”

Guo Fangyu said, “We have nothing to talk to you about. Get out of our Su family!”

“The Su family?”

Jiang Mingyu sneered and said, “After tonight, there will be no more Su family in Jiang City!”

With that, he waved his hand, “Give me the contract!”

A guard walked over and handed over a contract.

Jiang Mingyu threw the contract on the coffee table and said, “Sign the contract and I can spare your lives!”

Gao Huilan picked up the contract and looked at it. Her face instantly turned pale.

She stared at Jiang Mingyu intently and said, “You... you want us to transfer all the Su family’s assets to your Jiang family unconditionally?!”

Guo Fangyu also picked up the contract and looked at it. She was so angry that her entire body was trembling.

She slammed the contract on the coffee table and roared, “Bandits! You’re clearly bandits!

“It’s absolutely impossible for us to transfer all the Su family’s assets to you!”

“We’ll never sign it!”

Gao Huilan also shouted coldly.

“Oh?”

Jiang Mingyu blew out a smoke ring and sneered, “Are you sure you don’t want to sign?”

“We definitely won’t sign it!”

Guo Fangyu shouted.

Jiang Mingyu looked at his watch and said, “I’ll give you ten minutes to consider.

Every minute that passes, I’ll kill one of you.

Once the ten minutes are up, if you don’t sign it, all of you can forget about living.

Alright, the time starts now.”

For a moment, the atmosphere in the living room became even more oppressive.

Gao Huilan, Guo Fangyu, and everyone else in the Su family felt their hearts beat faster and their breathing quicken.

Soon, a minute passed.

Jiang Mingyu glanced at his watch and said with a dark expression, “Looks like you won’t listen to me if I don’t get serious.”

With that, he waved his hand, “Do it.”

Before his voice could fade...

Chen Yunan swung her right hand and a black iron whip whistled out, wrapping around the neck of a guard!

Then, she suddenly pulled hard!

Psh!

Blood sprayed out as the guard’s head and body separated and he fell heavily to the ground!

“Ah...!”

Everyone in the Su family immediately screamed in fear, especially the women. They were so frightened that their bodies trembled and they retched.

Gao Huilan and Guo Fangyu were also so frightened that their legs went weak, and their faces turned even paler.

Guo Fangyu pointed at Jiang Mingyu and shouted, “Jiang Mingyu, you’re vicious!”

Gao Huilan also clenched her fists tightly and roared, “Jiang Mingyu, aren’t you afraid of retribution for killing people in our Su family?”

Jiang Mingyu looked at his watch again and said coldly, “It’s been two minutes.”

Li Xuankun flipped his right hand and slashed at a guard with a black iron sword!

Swoosh!

A black light flashed and killing intent surged!

The next second!

This guard was directly slashed into two!

“Damn bastards, I’ll fight you to the death!”

Butler Xia roared and rushed towards Li Xuankun and Chen Yunan.

However, the moment Butler Xia approached!

Li Xuankun’s left hand shot out like lightning and grabbed Butler Xia’s throat. Then, he twisted it!

Crack!

Butler Xia's neck was snapped and he instantly stopped breathing!

Then, Li Xuankun threw Butler Xia to the ground as if he was throwing away trash.

“Butler Xia!”

Gao Huilan and Guo Fangyu shouted in shock.

“Let's fight it out with them!”

“Attack together!”

The remaining dozen guards roared and charged at Li Xuankun and Chen Yunan..

Chapter 330: Bloody Night!

However, before Li Xuankun and Chen Yunan could make a move, the Jiang family's guards rushed forward. In less than a few minutes, they had killed more than ten Su family guards!

In an instant...

More than ten corpses appeared in the entire living room of the villa. Blood dyed the ground red!

Everyone from the Su family was trembling in fear. Their faces were pale and their eyes were filled with extreme fear!

Jiang Mingyu stubbed out his cigarette and said indifferently, “There are only five minutes left. After five minutes, all of you will die. It's better to make a decision quickly.”

“What should we do... What should we do now?!”

“Who can help us... Who can help us!”

“Could it be that our Su family is really finished?!”

Everyone from the Su family sobbed, their eyes filled with despair.

Gao Huilan and Guo Fangyu, on the other hand, were already in tears and filled with grief.

Seeing the desperate expressions of the Su family, Jiang Mingyu felt it extremely enjoyable, obtaining a perverted sense of pleasure.

Soon, five minutes passed.

Jiang Mingyu looked at the time and said coldly, “Five minutes have passed. Have you made a decision?”

Gao Huilan and Guo Fangyu looked at each other and gritted their teeth, but it was difficult for them to make a decision.

If they signed it, it would be equivalent to giving away more than 30 billion yuan worth of assets. Then, they would be the sinners of the Su family.

Jiang Mingyu became even more impatient and said fiercely, "Since you don't want to sign, all of you can die!"

As he spoke, he prepared to give the order to kill everyone in the Su family!

"Wait!"

Gao Huilan shouted and gritted her teeth, "I'll sign it, I'll sign it!"

Jiang Mingyu smiled smugly, "Aunt Gao, why didn't you do this earlier?"

Gao Huilan picked up the pen from the table with trembling hands. With tears in her eyes, she signed the contract and even pressed her fingerprint.

After signing and fingerprinting, Jiang Mingyu picked up the contract and looked at it. He nodded in satisfaction.

He handed the contract to a guard and asked Guo Fangyu, "Auntie Guo, where is Qingmei now? Why didn't I see her in Jiang City?"

Guo Fangyu's expression changed and she replied in a low voice, "I don't know where she went."

"Is that so?"

Jiang Mingyu smiled coldly and said, "Auntie Guo, I advise you to quickly contact Qingmei and ask her to return to Jiang City.

Tell her that she can't escape from me."

Then, he stood up and led everyone out of the villa.

When they reached the entrance of the villa, Jiang Mingyu said, "Oh, I almost forgot something.

The contract also states that this villa will belong to the Jiang family.

I'll give you a day to move out quickly. Otherwise, you'll have to bear the consequences."

With that, he laughed loudly and led everyone out of the villa.

After Jiang Mingyu and the others left, Gao Huilan, Guo Fangyu, and the others slumped on the sofa and remained silent for a long time.

Guo Fangyu burst into tears, "Sister-in-law, what should we do next?"

Gao Huilan gritted her teeth and said, "Fangyu, quickly contact Qingmei and tell her not to return to Jiang City!

Once she returns to Jiang City, that bastard Jiang Mingyu would not let her off!

"Also, as long as Qingmei can escape, there's still hope for our Su family!"

"Alright, I'll contact Qingmei now!"

Guo Fangyu nodded and quickly took out her phone to call Su Qingmei.

But no one picked up.

She called a few more times, but the result was still the same.

Guo Fangyu frowned and said, "What's going on? Why isn't Qingmei answering her phone? Could something have happened to Qingmei as well?"

"That won't happen. If something happened to Qingmei, why would Jiang Mingyu ask about her whereabouts?"

Gao Huilan shook her head and said, "Qingmei must be busy now, so she didn't answer the call. Hurry up and send her a message. Ask her to contact you immediately after she sees the message."

"Alright!"

Guo Fangyu nodded and sent a message to Su Qingmei.

On the other side...

In the Qin family's villa.

The corpses of the Qin family's guards were everywhere in the villa. Blood dyed the grass and the living room of the villa red.

Clearly, there had been a fierce battle here just now.

At this moment, in the living room.

He Jiahao and Song Chengyou each had a cigarette in their mouths and sat on the sofa with their legs crossed.

Behind them were the Four Great Protectors of the Xuanyin Sect, Zhang Shoujian, Qian Zhishun, Wu Zhengde, Ma Haichan, and the guards of the He family and the Song family.

On the opposite sofa sat the women, children, and children of the Qin family. Qin Yimo was among them, her eyes red from crying.

He Jiahao pushed his gold-rimmed glasses up the bridge of his nose and said, "Don't waste our time. Hurry up and sign it."

Qin Yimo's mother, Bai Qiuhe, picked up the pen with trembling hands.

"Mom... you can't sign it!"

Qin Yimo shook her head vigorously at Bai Qiuhe.

She knew very well that once she signed it, the Qin family would really be finished.

He Jiahao said coldly, "If you don't sign it, you'll all die."

Song Chengyou also said teasingly, "Is life more important or money more important? Think about it."

"I'll sign, I'll sign!"

Bai Qiuhe replied in a hoarse voice. Then, she signed the contract and pressed her fingerprint.

He Jiahao picked up the contract and said with a smile, "Why didn't you listen to us earlier? Why did you have to force us to this extent?"

With that, He Jiahao waved his hand, "Alright, let's go!"

Then, He Jiahao led everyone out of the villa.

However, Song Chengyou did not leave immediately.

He looked at Qin Yimo and smiled evilly, "Qin Yimo, if you don't want the Qin family to be finished, I can give you a chance.

Come to the Grand Monarch Hotel tomorrow morning to look for me."

After saying that, Song Chengyou swaggered out of the villa.

After Song Chengyou left, Bai Qiuhe hurriedly said, "Momo, you can't go tomorrow. If you go, I don't know what this beast will do to you!"

Tears streamed down Qin Yimo's face as she said bitterly, "I don't want to go either, but there's no other way.

The Qin family can't be finished just like that..."

Originally, when something happened to the Qin family, she had called Yang Luo and wanted him to help think of a solution.

But for some reason, Yang Luo's phone could not be reached at all.

Therefore, she could only rely on herself.

Hearing Qin Yimo's words, Bai Qiuhe cried bitterly.

The other members of the Qin family were also sobbing.

The entire Qin family was gloomy as they fell into endless sorrow.

At the same time...

Hua Mei Biomedical's research and development building.

It was late at night.

The lights were still on in the laboratory on the eighth floor of the building.

There were more than twenty strong security officers patrolling downstairs.

But at this moment...

A few black business cars drove over from afar and stopped at the entrance of the building.

The car door opened.

Pei Enze led a group of people out of the car and walked towards the research and development building.

Behind him were the Five Elements Protectors: Golden Eagle, Wood Wolf, Water Star, Fire Qilin, and Earth Mountain, as well as some guards of the Jiang family, the He family, and the Song family.

Seeing a large group of people suddenly walk over, more than 20 security officers hurriedly walked up..
