

## Super IDG 41

### Chapter 41:1 Picked Up A Treasure!

After Sato Taro and the others left, the entire martial arts field fell silent.

Hong Zekai said in admiration, “Mr. Yang, I didn’t expect that not only are your medical skills superb, but your martial arts strength is also so powerful!”

Previously, he thought that Yang Luo did not know martial arts.

Now, it seemed that not only did he practice martial arts, but he was also stronger than his father!

“Mr. Yang, may I ask what realm your cultivation is at?”

Hong Yunzhi asked respectfully.

In his opinion, Yang Luo’s cultivation ought to be higher than his.

Otherwise, Sato Taro would not have been reduced to this state, unable to retaliate.

Yang Luo shook his head and said, “To be honest, I don’t know what realm I’m in now.”

These words were the truth.

He did not know what realm the mid-stage Foundation Establishment realm was equivalent when converted to martial arts.

Hong Yunzhi however nodded and said, “Mr. Yang, since you’re unwilling to tell me, I won’t ask further.”

Yang Luo felt very helpless about this matter.

It was not that he did not want to say it, but he really did not know!

However, he did not want to explain further.

“Mr. Yang, this is a hundred-year-old Heavenly Mountain Snow Lotus.”

At this moment, Hong Yunzhi brought over a wooden box and handed it to Yang Luo.

“Many thanks!”

Yang Luo thanked him and took the box.

After obtaining the Hundred-Year Heavenly Mountain Snow Lotus, the only ingredient left needed to refine the Spirit Gathering Pill was the Purple Dragon Root.

At the end, Yang Luo, Hong Yunzhi, and Hong Zekai exchanged contact details before Yang Luo left the martial arts school.

After watching Yang Luo leave, Hong Yunzhi and Hong Zekai looked away and towards each other.

“Father, what realm has Mr. Yang stepped into?”

Hong Zekai frowned and asked.

**“I’m not sure either.”**

Hong Yunzhi shook his head and said, “However, I’m sure that his cultivation level is definitely higher than mine. It’s very likely that he’s in the late stage of the Grandmaster Realm or even the Perfected stage.”

**“Late-stage Grandmaster Realm?! Perfected?!”**

Hong Zekai’s eyes widened. “Mr. Yang is only in his early twenties, but he has already stepped into the Grandmaster Realm. Isn’t this too terrifying?!”

**“Mr. Yang is definitely not an ordinary person. It’s very likely that he’s an outstanding junior nurtured by an ancient martial arts family.”**

Hong Yunzhi said, “Xiao Kai, you must interact more with Mr. Yang in the future and build a good relationship with him.

If Mr. Yang can give you some pointers, your cultivation will definitely rise to another level.”

**“Yes, Father!”**

Hong Zekai nodded heavily.

After leaving the martial arts school, Yang Luo called Su Qingmei. After finding out that the woman was still in the company, he asked Huang Tai’an to send him to the entrance of Hua Mei Biomedical.

Huang Tai’an wanted to treat him to a meal, but he rejected him directly.

After getting out of the car, Yang Luo placed the two wooden boxes into his storage ring and walked into the company.

He then took the elevator all the way to the 28th floor.

It was already evening, and most of the employees in the company had left.

Yang Luo went straight to the President’s office and knocked on the door.

**“Please come in.”**

Su Qingmei’s voice sounded.

Yang Luo pushed open the door and walked in. He saw Su Qingmei busy sifting through the work on her desk.

The light shone on the woman’s flawless face, emitting a lustrous glow. Her facial features were exquisite and peerlessly beautiful.

Even if it wasn’t because of her Pure Yin physique, he still wanted to be with this woman.

**“Yang Luo, you’re back!”**

Su Qingmei looked up and was pleasantly surprised to see Yang Luo enter.

She quickly got up and walked over as she excitedly blabbed, “Yang Luo, thank you so much for today. If not for you, we wouldn’t have received the Chen family’s respect!”

If not for you, our Hua Mei Biomedical might really have been forced to a dead end by Ding Sheng Biomedical this time!

Moreover, Team Leader Lu said that if we use the ‘Youthful Jade Countenance Serum’ secret recipe to produce products, we will definitely be able to make a comeback and regain the market!”

Yang Luo smiled and said, “There’s no need to thank me. You’re my fiancée, so I’ll naturally help you.

Moreover, wasn’t this our agreement?

You said that as long as I can help Hua Mei Biomedical survive this crisis, you will continue to spend time with me.”

Su Qingmei stared at Yang Luo with her beautiful eyes and said, “Yang Luo, I really didn’t expect you to give me such a big surprise.

Previously, I thought you were joking and bragging, but I didn’t expect you to really take out such a priceless secret recipe.

In that case, I’m willing to continue interacting with you.

If we can make it to the end, we’ll get married.

If we can’t make it to the end, we’ll annul the engagement. How about that?”

“Sure.”

Yang Luo nodded.

Su Qingmei’s beautiful eyes darted around as she asked, “Yang Luo, you’ve helped me a lot this time. How should I thank you?”

“There’s no need to thank me. To me, this is nothing.”

Yang Luo shrugged and said, “If necessary, I can even come up with a better beauty secret recipe.”

“Huh?!”

Su Qingmei’s beautiful eyes widened. “You have a better beauty secret recipe?!”

“Of course.”

Yang Luo grinned and asked, “Do you know the four ladies: Concubine Yu, Da Qiao, Xiao Qiao, and Zhen Mi?”

“Of course I’m aware of them!”

Su Qingmei nodded and said, “Concubine Yu is the wife of the Overlord of Western Chu, Xiang Yu. Da Qiao and Xiao Qiao are the wives of Sun Ce and Zhou Yu. Zhen Mi is Cao Pi’s wife.

(TL Note: All the men are from the Romance of the Three Kingdoms, a literary work from Luo Guanzhong.)

These four are all famous beauties in history. They can be said to be a household name. It’s not a problem for me to have heard of them.”

Yang Luo smiled and said, “I have the beauty secret recipe used by these four beauties.”

“What?!”

Su Qingmei trembled and sat up straight in a flash, “You... you have the beauty secret recipe used by these four beauties?!”

“Of course.”

Yang Luo nodded and asked, “Then do you know the four most famous beauties in history?”

“I do.”

Su Qingmei nodded in a daze, “Aren’t they Xishi, Wang Zhaojun, Diao Chan, and Consort Yang?”

Yang Luo raised his eyebrows and said, “I have the beauty secret recipe used by the four beauties as well.”

Just as he finished his sentence!

Su Qingmei walked towards Yang Luo, her face flushed with excitement.

“Are you telling the truth?”

“Do you really have the beauty secret recipe used by the Four Great Beauties?!”

“Of course it’s true. Moreover, I still have many secret recipes for health and well-being...”

Yang Luo laughed dryly and took two steps back before sitting on the sofa, “Don’t be so agitated. You’re making me a little flustered.”

However, Su Qingmei pressed Yang Luo against the sofa. She took a few deep breaths before speaking, “Are you sure you’re not joking with me?”

Yang Luo said seriously, “I’m telling the truth.”

Su Qingmei stared intently at Yang Luo, her eyes starting to light up.

She had picked up a treasure!

She had struck it rich this time round!

As long as Yang Luo could take out these secret recipes, it would not be difficult for Hua Mei Biomedical to occupy the overseas market, let alone the Chinese market!

Yang Luo couldn’t help but shiver. He felt like he was being targeted by a female cougar...

There was a moment of silence.

Su Qingmei suddenly said, “I’ve decided!”

“Decided what?”

Yang Luo was shocked by the woman’s sudden declaration.

Su Qingmei exclaimed, "I'll draft a contract now and transfer 20% of my shares to you!"

Chapter 42: You're the Only One!

"Transfer your shares to me?"

Yang Luo shook his head and said, "Forget it. You're my fiancée. What's mine is yours. There's no need to be so clear."

"Noway!"

Su Qingmei interrupted him and said, "Every secret recipe you provide is priceless. Any one of them can make Hua Mei Biomedical soar!

Therefore, I have to repay you accordingly!

You must accept these 20% shares!

"Otherwise, I won't be at ease even if I use your secret recipe!"

Towards this area, Su Qingmei had considered a lot.

After all, she and Yang Luo were only engaged now and had yet to get married, let alone register their marriage. They were not really husband and wife at all.

In other words, Yang Luo could leave at any time in the future.

However, if she could tie Yang Luo to the company, even if Yang Luo did not marry her in the future, he would still be a part of the company.

With that, Su Qingmei hurriedly left the office.

Not long after...

Su Qingmei walked in with two contracts.

She sat on the sofa, fetched her signature pen and ink pad, signed the two contracts, and pressed her thumbprint down.

Then, she handed the signature pen and ink pad to Yang Luo and said, "You just need to sign your name and press your fingerprint, and the 20% shares I mentioned will be yours.

In other words, you were the second-largest shareholder of the company and could enjoy dividends every year.

Sign and stamp your fingerprint on it."

Yang Luo replied in a helpless tone, "Qingmei, actually, you don't have to do this.

"In the future, even if we really can't be together, I'll give you all the secret recipes before I leave."

"No."

Su Qingmei stubbornly shook her head, "If you don't take the shares, I won't feel at ease."

"Alright, I understand."

Yang Luo sighed deeply. Then, he signed the contract and pressed his fingerprint.

"Alright, the contract is in effect!"

Su Qingmei extended her hand to Yang Luo and smiled, "Yang Luo, you're the company's Chairman Yang from now on!

Chairman Yang, please guide me in the future!"

Yang Luo smiled gently and held the woman's hand, "Please guide me as well."

After putting away the contract, Su Qingmei asked, "Have you had dinner?"

"Not yet."

Yang Luo shook his head.

Su Qingmei said, "Coincidentally, I haven't had dinner yet. Why don't I treat you to something delicious?"

"Alright!"

Yang Luo nodded in agreement.

After getting an affirmation, Su Qingmei picked up her bag and left the office with Yang Luo.

They took the elevator to the underground parking lot, and Su Qingmei drove Yang Luo out of the company.

After driving for more than half an hour, they arrived at a night market street.

It was summer now, and the night market street was very lively. Many people were drinking and eating skewers all around the area.

After parking the car, Yang Luo followed Su Qingmei into the night market street.

There were all kinds of small shops on both sides of the street. There were all kinds of food, drinks, and entertainment.

As the two of them walked side by side on the street, Su Qingmei naturally attracted the attention of many men.

As for Yang Luo, he was completely ignored.

In their eyes, Su Qingmei was a beautiful flower, while Yang Luo was a pile of cow dung.

Soon, Su Qingmei stopped at the entrance of a food stall. "Let's eat here."

"Huh?!"

Yang Luo was stunned and looked at Su Qingmei strangely.

Su Qingmei seemed to have seen through Yang Luo's thoughts. She smiled and asked, "Do you not think that I, the President of a big company, will actually bring you to eat at a roadside stall?"

Yang Luo nodded. That was indeed what he thought.

Su Qingmei blinked her beautiful eyes and smiled, "Although I often go to big restaurants to dine, I occasionally come to eat at roadside stalls.

Let me tell you, I've almost eaten every type of food in this night market street. The taste of this food stall is not bad. Try it and you'll know."

As she spoke, Su Qingmei naturally found a table and sat down.

Yang Luo followed.

**"Little Su, you haven't been here for a long time!"**

At this moment, a middle-aged woman walked over.

Su Qingmei smiled and said, "Auntie Zhang, I've been busy recently, so I didn't come.

Since I have the time today, I decided to drop by."

**"Is this your boyfriend?"**

Auntie Zhang turned to look at Yang Luo.

Yang Luo corrected her, "It's not boyfriend. I'm her fiancé."

**"What?! Fiance?!"**

Auntie Zhang was instantly stunned. Then, she giggled, "Little Su, I didn't expect you to even have a fiancé after not seeing you for a while!

Alright, alright, alright. Auntie told you long ago to quickly find a boyfriend so that you could have someone to rely on!

Auntie will treat you tonight. Order whatever you want to eat!"

Su Qingmei's pretty face turned red the moment Yang Luo spoke.

She wanted to defend herself, but what Yang Luo said was the truth. She did not know how to defend herself.

Hence, she glared fiercely at Yang Luo, signaling him not to spout nonsense.

Yang Luo pretended not to see it and drank his water casually.

Seeing his infuriating behavior, Su Qingmei took a deep breath and picked up the menu to order.

After ordering a few dishes, Su Qingmei turned to Yang Luo, "Do you want a beer?"

Yang Luo shrugged and said, "I'm fine with anything, but can you drive after drinking?"

**"There's such a thing as a designated driver. It's fine."**

Su Qingmei waved her hand and ordered a few bottles of beer.

After ordering, Su Qingmei called out to the shopkeeper, "Auntie Zhang, this is all I want."

**"Alright, wait a moment."**

Auntie Zhang responded and left.

After Auntie Zhang left, Su Qingmei stared straight at Yang Luo and hesitated.

Yang Luo rubbed his nose and said, “Qingmei, if you have something to say, just say it. Don’t keep staring at me like this.

I know I’m handsome, but I’ll feel embarrassed if you keep staring at me like this.”

“Narcissistic!”

Su Qingmei rolled her eyes and said, “Yang Luo, I’m very puzzled. You clearly have such superb medical skills, so many priceless secret recipes, and your skills are not bad.

You don’t even need to be engaged to me to do well.

So, why did you agree to Grandpa’s engagement with me?”

Yang Luo raised his eyebrows and said, “Would you believe me if I said that I agreed because you’re beautiful like a fairy?”

“I don’t believe you.”

Su Qingmei shook her head and said, “After you do well, all kinds of beauties will pounce on you.”

Yang Luo said half-jokingly and seriously, “Perhaps I’ll meet countless beauties in the future, but you’re the only one for me.”

Even though she knew that Yang Luo was joking, Su Qingmei still felt her heart beat faster and her face burn.

She turned her head and said angrily, “If you don’t want to say it, then forget it.”

Yang Luo smiled and said, “There’s indeed a reason why I got engaged to you.

However, I can’t tell you now. You’ll know in the future.”

“Fine...”

Su Qingmei nodded and said, “I hope you can tell me in the future. I don’t like to be deceived.”

“Understood.”

Yang Luo nodded.

After a while, plates of dishes and stacks of skewers were served.

Su Qingmei opened a bottle of beer and poured a glass for herself and Yang Luo. Then, she raised her glass, “Yang Luo, thank you for providing such a good secret recipe and letting me see the bright future of Hua Mei Biomedical.. Cheers!”

Chapter 43: Master Long invites you!

“Cheers!

Yang Luo also raised his glass.

They clinked glasses and downed a glass of cold beer at the same time.

“Ha...”

Su Qingmei let out a long breath of satisfaction as she murmured, “I’ve been under too much pressure recently. It’s only today that I can finally relax a little.

After the company recaptures the market, we’ll have a good drink. How about that?”

“Alright, I’ll listen to you.”

Yang Luo smiled and nodded.

In the following period of time, Yang Luo and Su Qingmei ate, drank, and chatted.

In the workplace, this woman was the high and mighty President, a strong career women.

But after work, she turned out to be very grounded and down to earth.

This also allowed Yang Luo to see Su Qingmei’s true side.

It was precisely because of this that his good impression of Su Qingmei became stronger.

After an unknown period of time...

“F\*ck, get lost!”

A vulgar voice sounded.

Yang Luo turned around and saw a group of hooligans walking over with sticks in their hands.

The leader was a man in a flowery shirt and sporting a big gold chain on his neck.

Seeing this group of people arrive, many customers were so frightened that they quickly stood up and left.

“Brother Wang, why are you here?”

Auntie Zhang’s face was filled with smiles as she quickly walked over.

The bald man lit a cigarette and said, “Sister Zhang, when are you guys going to pay?”

Huh?!

Auntie Zhang was stunned for a moment and said, “Brother Wang, didn’t I hand it over at the beginning of the month? Why do I still have to hand it over?”

The bald man sneered and said, “The market is different now. You have to pay twice a month. Hurry up and take out 5,000 yuan!”

“What?! Five thousand?!”

Auntie Zhang's expression changed. "Brother Wang, I paid 5,000 yuan at the beginning of the month. Why do I have to pay 5,000 yuan now? Can you lower it?"

**"Not a single cent less!"**

The bald man shook his head and said, "Hurry up and get the money!"

**"This...!"**

Auntie Zhang was instantly put in a difficult position.

She was originally running a small business, so for her to hand over 10,000 yuan a month, she truly felt the pinch.

**"What the f\*ck!"**

The bald man suddenly shouted angrily and kicked a table over, "Hurry up and pay up, or I'll smash your shop!"

Auntie Zhang begged, "Brother Wang, I didn't earn much this month. Please, can you reduce it?"

**"Cut the crap!"**

The bald man cursed angrily and slapped Auntie Zhang's face.

Auntie Zhang cried out in pain as she fell to the ground.

**"Bastard, how dare you hit my wife? I'll fight you to the death!"**

At this moment, a middle-aged man rushed out of the shop and pounced on the bald man.

**"F\*ckoff!"**

The bald man only shouted coldly before kicking the middle-aged man away.

**"This guy is just forcing everyone to their deaths!"**

**"Isn't that so? From collecting money once a month in the past to collecting it twice a month now, and it has increased from 3,000 to 5,000 now. Who can endure such a thing!"**

**"What can we do? They're from the Eastern Alliance. We commoners can't afford to offend them!"**

Although the onlookers sympathized with the couple, they were helpless to change the situation. They did not even dare to call the police.

The bald man became even more smug. He blew out a mouthful of smoke and said, "I'll give you three minutes to pay up!"

If you don't hand it over, don't even think about opening this shop again!

“The countdown begins...”

Right before he finished his sentence!

“Ugh!”

The bald man suddenly screamed and flew out, knocking down a row of tables.

The soup on the table spilled all over him.

“Who the f\*ck kicked me!”

The bald man roared and got up from the ground.

“I kicked you, so what?”

Everyone looked in the direction of the voice and their gazes landed on Yang Luo.

Meanwhile by the side, Su Qingmei quickly helped the couple up.

The bald man walked over with a ferocious expression, “Dog, you dare to stand up for them?

Do you know who we are?

Do you know what will happen to you if you do this?”

“Tell me, who are you?”

Yang Luo asked calmly.

He did not want to meddle in other people’s business.

However, seeing that Su Qingmei had a good relationship with the boss of this shop and that this Auntie Zhang was a good person, he decided to assist them in getting rid of the hooligans.

The bald man said fiercely, “We’re from the Eastern Alliance. This street is under our protection!

If you know what’s good for you, quickly compensate me with 100,000 yuan and kneel down to apologize to me. I can consider letting you off!”

“Young man, thank you for standing up for us, but these people are not to be trifled with. Hurry up and leave!”

Auntie Zhang hurriedly walked over with an anxious expression.

Yang Luo said, “Don’t worry, Auntie Zhang. It’ll be fine.”

As he spoke, Yang Luo looked up at the bald man and said, “I don’t care if you’re from the Eastern Alliance or the Western Alliance. Get lost!”

“F\*ck, dog, since you have a death wish, I’ll grant it to you!”

The bald man became even more furious. He waved his hand and said, “Cripple him!”

With this order!

A group of hooligans held batons and pounced at Yang Luo!

But Yang Luo's figure flashed like a tiger entering a wolf pack. In less than a few seconds, he knocked out more than ten hooligans.

Seeing this scene, the surrounding crowd was stunned!

**"Damn, who is this little brother? He's actually so powerful?"**

**"It's a pity that this little brother offended someone from the Eastern Alliance. He's definitely done for!"**

Everyone whispered. They admired Yang Luo's bravery, but were also worried for him.

The bald man was also stunned for a long time before he reacted.

He stared at Yang Luo in fear and said fiercely, "Kid, just you wait. I'll call for help!"

As he spoke, he took out his phone and prepared to make a call.

But right at this moment...

A black Mercedes-Benz G drove over from afar and stopped at the door.

The car door opened, and a tall and strong middle-aged man with a resolute face got out.

Seeing this middle-aged man, the bald man trembled in fear and hurriedly went forward.

**"Brother Wolf, why are you here?"**

Therefore, this middle-aged man was one of the five Heavenly Kings of the Eastern Alliance, "Greedy Wolf" Qiao Xudong.

**"Mad dog?"**

Qiao Xudong frowned and asked, "Why are you here?"

**"I'm here to collect money."**

The bald man nodded and bowed. Then, he said, "But that kid just now wanted to stand up for this shop and even injured our brothers!"

Brother Wolf, you must avenge us and beat that kid up!"

Pa!

In response, Qiao Xudong slapped the bald man's face and sent him flying!

The bald man was stunned. However, he did not dare to get angry, only covering his face as he asked, "Brother Wolf, why did you hit me?"

**"I'm f\*cking hitting you because you deserve it!"**

Qiao Xudong roared angrily and kicked the bald man to the ground.

Awhile back, Master Long had instructed him to invite Yang Luo over to recruit him into the Eastern Alliance.

However, who knew that another fool from their territory would offend Yang Luo again? This made him very angry.

What if Master Long's plans were ruined?

He quickly walked towards Yang Luo and bowed slightly, "Mr. Yang, Master Long invites you!"

Seeing this scene...

Everyone present was dumbfounded!

Chapter 44: Going Alone!

Although they did not know Qiao Xudong...

However, when they saw how respectful the bald man was to Qiao Xudong, they knew that this middle-aged man was definitely a big shot.

But this big shot was so respectful in front of that young man!

Then did that not mean that this young man was an even bigger figure?

This thought was especially clear in the minds of the bald man and his hooligans. They were trembling all over and were so frightened that their souls were about to fly away!

Other than Master Long, they had never seen Brother Wolf so respectful to anyone!

They couldn't help but wonder who this young man was.

Even Su Qingmei was puzzled.

She knew that Yang Luo had beaten Qiao Xudong up previously and embarrassed him at the engagement banquet.

Logically speaking, Qiao Xudong should hate Yang Luo very much, but why was he being so respectful today?

Yang Luo was also puzzled. He frowned and said, "Why did Jiang Tianlong invite me?"

Qiao Xudong smiled and said, "Mr. Yang, Master Long said that he wants to invite you for a discussion."

Yang Luo's expression turned even more strange, "Didn't your Eastern Alliance want to kill me? Why do you want to talk to me now?"

Qiao Xudong smiled and said, "Mr. Yang, Master Long has said that he doesn't want to kill you. He admires you very much, so he wants to talk to you."

Yang Luo thought for a moment and planned to go with this guy to see what that so-called Master Long was up to.

At the thought of this, Yang Luo said indifferently, "It's fine if you want me to go with you."

**"However, don't accept the money from this shop in the future."**

Qiao Xudong nodded and shouted at the bald man, "Stupid thing, if you dare to come here again in the future, I'll break your legs!"

The bald man was so frightened that he broke out in cold sweat. He quickly said, "Brother Wolf, I, I won't come to this shop again. I won't come again!"

Yang Luo looked at the bald man and said, "Also, how much money did you take from this shop? Return it all now and apologize to the owner of this shop immediately!"

**"Brother Wolf, this..."**

The bald man was a little unwilling.

**"What are you waiting for?!"**

Qiao Xudong only shouted coldly.

**"Yes, Brother Wolf!"**

The bald man responded and quickly handed Auntie Zhang a bank card. "Sister Zhang, I'm sorry. There's a total of 100,000 yuan in this card. The card number is six zeros. Please accept it!"

Auntie Zhang looked at the bank card in a daze, not daring to take it.

By her side, Su Qingmei said, "Auntie Zhang, accept it."

Auntie Zhang's eyes turned red as she took the bank card. She looked at Yang Luo and choked, "Little brother, thank you, thank you!"

Yang Luo nodded at Auntie Zhang and said to Qiao Xudong, "Let's go."

As he spoke, Yang Luo walked towards the car.

**"Yang Luo, I'll go with you!"**

Su Qingmei was about to follow suit with him.

**"Go back quickly. I'll go home after I'm done."**

Yang Luo only threw down this sentence before getting into the car.

He didn't know what would happen if he went to see Jiang Tianlong.

If there was a conflict with Jiang Tianlong, there would definitely be a battle.

Therefore, he did not want Su Qingmei to take the risk with him.

Very quickly, Qiao Xudong also got into the car, started the car, and left the night market street.

After leaving the area, the car drove straight out of the city.

On the way.

Yang Luo sat in the back seat and asked, "Tell me, why is Jiang Tianlong looking for me?"

Qiao Xudong replied, "Mr. Yang, you'll know when you get there."

Yang Luo smiled and said, "Mr. Qiao, did Jiang Tianlong set up an Hongmen Feast and wait for me to come?"

(TL Note: Hongmen Feast basically means an ambush or a treacherous plot.)

Qiao Xudong's heart skipped a beat, but he smiled and said, "How can that be? Mr. Yang, you're thinking too much."

**"Really?"**

Yang Luo leaned comfortably in the back seat and said, "Even if you really set up an ambush for me, I'm not afraid."

It's a good opportunity to settle our grudges."

Hearing this, Qiao Xudong fell silent.

Actually, he was also very surprised when Yang Luo agreed to go with him.

He had never seen such a bold person.

After all, once they arrived at the Dragon Bay Manor, it would be the Eastern Alliance's territory.

No matter how strong Yang Luo was, with the five Heavenly Kings and Master Long around, this guy would not be able to walk out of the manor alive.

They continued with the rest of the journey in silence.

The car drove for more than an hour before arriving at the Dragon Bay Manor.

Dragon Bay Manor was located at the border of the city. At night, it was very quiet here. There was no one within a radius of five kilometers.

After the car stopped at the entrance of the manor, Yang Luo followed Qiao Xudong out of the car.

**"Brother Wolf!"**

The bodyguard in black guarding the door greeted Qiao Xudong respectfully.

Qiao Xudong nodded and brought Yang Luo into the manor.

The manor occupied a very large area. After passing by the rockery, lake, and arch bridge, the two of them arrived at the backyard.

From their area, a house in the backyard was brightly lit. When Yang Luo and Qiao Xudong stepped in, everyone in the hall turned to look.

The person sitting at the head of the hall was Jiang Tianlong.

There were four men sitting on the chairs on both sides. They were Black Tiger Gao Zhenhu, Violent Bear Zheng Yunsheng, Berserk Lion Wang Jingkun, and Venomous Snake Li Dongqing.

At this moment, Jiang Tianlong and the others were sizing up Yang Luo with interest.

Although they had long known that Yang Luo was very young, they were still very shocked when they saw him with their own eyes.

At this age, was this kid really a Connate Realm Martial Warrior?

To be honest, they did not believe it.

While Jiang Tianlong and the others were sizing up Yang Luo, Yang Luo was also sizing up the five of them.

With just a slight perception, he knew that these five people were all Martial Warriors and could sense their cultivation levels.

Jiang Tianlong's cultivation was at the mid-stage Connate Realm.

Gao Zhenhu and Zheng Yunsheng's cultivation levels were at the Perfected Acquired Realm level, whereas Wang Jingkun and Li Dongqing's cultivation levels were the same as Qiao Xudong's. They were both at the late stage Acquired Realm.

**"Master Long, Mr. Yang is here!"**

Qiao Xudong bowed slightly to Jiang Tianlong.

Jiang Tianlong nodded and looked at Yang Luo. He smiled and said, "Mr. Yang, you're young but full of courage. You actually dare to come to my Dragon Bay Manor alone. Not bad, not bad!"

Yang Luo chuckled and said, "Could it be that this is a tiger's den, an unapproachable territory?"

Jiang Tianlong chuckled and said, "Although my place isn't a dragon's pool or a tiger's den, no one dares to come here.

Not to mention after offending someone from our Eastern Alliance."

Yang Luo shrugged and said, "The reason why I dare to come is entirely because in my eyes, you guys are no threat to me at all?

Since I can't pose a threat, why don't I dare to come?"

Right after he finished his sentence!

**"How dare you!"**

**"Insolent!"**

Gao Zhenhu and the others were furious and shouted.

Yang Luo's words were clearly looking down on them, which really made them angry.

If it wasn't for Master Long's intention to rope this kid in, they would have attacked him directly.

Jiang Tianlong raised his hand, indicating for everyone to be quiet.

He narrowed his eyes and stared at Yang Luo, "Mr. Yang, if it were anyone else who said this in front of me, they would already be dead.

However, because I admire you, Mr. Yang, I'm willing to give you a chance."

Yang Luo met Jiang Tianlong's gaze straight and simply said, "Alright, stop beating around the bush.. If you have anything to say, just say it!"

Chapter 45: All Defeated!

**"Mr. Yang is indeed straightforward. In that case, I'll be direct as well!"**

Jiang Tianlong nodded and said in a trembling voice, "Mr. Yang, I admire your courage and skills, so I want to invite you to join our Eastern Alliance!"

As long as you're willing, not only can the grudge between you and our Eastern Alliance be written off!

Moreover, I'm also willing to let you be the sixth Heavenly King of our Eastern Alliance!"

As soon as these words were spoken...

Gao Zhenhu and the others' expressions changed drastically!

"Master Long, this kid has not contributed anything to our Eastern Alliance.

I'm afraid it's not appropriate to let him be a Heavenly King, right?"

"That's right, Master Long. I'm afraid our brothers won't be convinced if we let this kid be a Heavenly King!"

"Master Long, please reconsider!"

Gao Zhenhu and the others spoke up one after another.

Clearly, they looked down on Yang Luo and felt that he did not have the right to be at the same ranking as them.

Without waiting for Jiang Tianlong to speak, Yang Luo said, "Wait, you guys are making such a big fuss. Did you ask if I agreed in the first place?"

Gao Zhenhu sneered and said, "Kid, this is your only chance to reconcile with our Eastern Alliance. It's also your chance to soar into the sky. Why would you not agree?"

Jiang Tianlong and the others also looked at Yang Luo, not knowing what he meant by his words.

Yang Luo shook his head and said, "I really have no intention of joining your Eastern Alliance."

"Mr. Yang, are you sure you don't want to reconsider?"

Jiang Tianlong stared intently at Yang Luo and said, "If you join our Eastern Alliance, you will obtain supreme power and status, and you will even enjoy endless wealth."

Yang Luo smiled teasingly and said, "You want me to join the Eastern Alliance? Sure, but I have a condition."

"What is it?"

Jiang Tianlong picked up his teacup and took a sip of tea, "As long as it's not an overboard request, I can promise you that!"

Yang Luo said, "How about you abdicate and let me be the leader of the Eastern Alliance?"

Upon hearing this, Gao Zhenhu and the others were instantly infuriated!

"B\*stard, who do you think you are? Do you want to be the leader of the Eastern Alliance?"

“Master Long, I think this kid is deliberately playing with you!”

“Master Long, don’t waste your breath on this kid. Kill him!”

Gao Zhenhu and the others stood up one by one and shouted angrily.

Jiang Tianlong’s expression also completely darkened.

He slammed the teacup in his hand on the table and said in a deep voice, “Kid, I’m sincerely inviting you to join the Eastern Alliance.

Since you don’t know how to appreciate favors, the grudge between you and our Eastern Alliance should be settled then.”

“Oh?”

Yang Luo chuckled and said, “Then how do you want to settle it?”

“Leave your life behind.”

Jiang Tianlong spat out four words.

The smirk on Yang Luo’s face intensified, “You guys don’t have the right to kill me!”

“Do it!”

Jiang Tianlong waved his hand and gave the order.

“You have a death wish!”

“Kill him!”

Gao Zhenhu, Zheng Yunsheng, Wang Jingkun, and Li Dongqing moved at the same time and rushed towards Yang Luo!

Qiao Xudong sighed in his heart, but rushed towards Yang Luo as well!

Although he was unwilling to fight Yang Luo, Jiang Tianlong had already given the order, so he had no choice but to attack.

At the very front, Gao Zhenhu rushed forward and threw a punch at Yang Luo!

With a punch, the sound of a tiger’s roar seemed to ring in the air. It was incomparably terrifying!

But at the moment Gao Zhenhu’s punch arrived...

Yang Luo did not dodge or retreat. He also twisted his fist and faced the attack head on!

Peng!

Only a loud sound was heard when their fists clashed.

“Waaaaaaah!”

Gao Zhenhu let out a painful cry. His right arm snapped with a sickening crack and he was sent flying more than ten meters away!

When Gao Zhenhu was sent flying, Zheng Yunsheng took the chance and punched out from the side!

Zheng Yunsheng's punch was extremely violent, even creating sonic booms!

However, Yang Luo simply grabbed Zheng Yunsheng's wrist with his right hand and threw him out like a sandbag!

Zheng Yunsheng's 1.9-meter-tall strong body was sent flying and hit a wall with a loud bang.

The thick wall actually cracked under the impact!

Zheng Yunsheng fell heavily to the ground. Several bones in his body were broken, and his internal organs seemed to have shifted!

At the moment Zheng Yunsheng was sent flying...

Wang Jingkun, Li Dongqing, and Qiao Xudong formed an encirclement and threw out punches, claws, and palms at the fatal spots on Yang Luo's body!

**"Petty tricks."**

Yang Luo shook his head in response. Then, he clenched both his fists and punched out quickly three times!

As soon as he punched out, his aura became incomparably domineering. It was as though he was unstoppable!

Before Zheng Yunsheng, Li Dongqing, and Qiao Xudong's attacks could approach Yang Luo, their chests were hit by Yang Luo's fist!

Bang! Bang! Bang!

A series of dull collision sounds resounded like muffled thunder!

**"Ahhh..."**

Zheng Yunsheng, Li Dongqing, and Qiao Xudong screamed and flew out one after another, only stopping after they hit the wall!

Gao Zhenhu and the others were all defeated in one blow.

Witnessing this scene, Jiang Tianlong was shocked!

Unexpectedly, Gao Zhenhu and the others were no match for this kid even after they joined forces!

He was almost certain that this kid in front of him was definitely a Connate Realm Martial Warrior!

**"Give me your life!"**

Jiang Tianlong shouted and suddenly stomped on the ground. His strong body flew up and then he threw a punch at Yang Luo's face!

With this punch, a dragon's roar seemed to resound in the air!

There even seemed to be a white dragon shadow coiling around Jiang Tianlong's arm!

**"Dragon Form Fist?"**

Interesting.”

Yang Luo smiled faintly, before raising his right arm and throwing out a punch as well!

Peng!

The two fists collided heavily and exploded with a thunderous sound!

Jiang Tianlong confidently thought that this punch could kill Yang Luo!

However, reality is often not what we dream of it to be.

He suddenly felt a piercing pain spread from his fist to his arm!

“Ah...!”

He let out a painful cry as his body was sent flying instead!

Yang Luo’s figure flashed, leaving afterimages as he chased after him!

Jiang Tianlong flipped in the air and kicked the wall with his right foot. His body whistled through the air as he charged towards Yang Luo once again!

On the way to Yang Luo, Jiang Tianlong pulled out a golden dagger that was half the length of an arm from his waist and slashed at Yang Luo heavily!

Swoosh!

The golden saber streaked across the sky, erupting with a dazzling golden light!

The golden dragon pattern on the saber flickered menacingly as the saber slashed down!

But precisely at this moment...

Yang Luo’s right hand turned into a palm and mobilized a trace of True Qi. It lingered in his palm as he brought his hand up to meet the saber!

Clang!

The palm and the golden saber collided heavily, emitting a metallic sound. Sparks even shot out!

Under this collision, the golden saber in Jiang Tianlong’s hand broke inch by inch, turning into a pile of scrap metal!

“What?!”

Jiang Tianlong’s pupils constricted when he saw this. He wanted to retreat, but it was too late!

“I’ll let you see what a real Dragon Form Fist is!”

Yang Luo took a step forward before throwing a punch at Jiang Tianlong!

“Roar...”

With this strike, a deafening dragon roar resounded in the hall!

The phantom of a golden dragon coiled around Yang Luo’s arm.. The dragon head had even wrapped around Yang Luo’s fist, shocking everyone!

Chapter 46: Get King Zhennan to See Me!

Bang!

This punch landed heavily on Jiang Tianlong's chest, emitting a muffled bang!

“Waaaaaaah!”

Accompanied by a tragic cry, Jiang Tianlong was sent flying like a cannonball!

Jiang Tianlong slammed heavily into the wall and fell to the ground, spitting out a mouthful of blood.

Although this punch did not kill him, it had severely injured him!

In an instant...

The entire hotel lobby fell silent!

Gao Zhenhu, Zheng Yunsheng, Wang Jingkun, Li Dongqing, and Qiao Xudong looked at Yang Luo in fear, and their hearts churned.

They never expected that even Master Long would be defeated by Yang Luo!

Moreover, Yang Luo seemed to have defeated Master Long extremely easily. He did not use his full strength at all!

Jiang Tianlong clutched his chest and looked at Yang Luo in a daze. He said with a trembling voice, “External release of True Qi... You... You're a Grandmaster Realm expert?!”

When Gao Zhenhu and the others heard this, the fear in their eyes intensified!

Grandmaster Realm!

This kid was actually a Grandmaster Realm expert!

One had to know that there was not a single Grandmaster Realm expert in the entire Jiang City!

Even the Alliance Master of the Martial Alliance in Jiang City was only about to step into the Grandmaster Realm!

Not one expected a Grandmaster Realm expert to suddenly appear in Jiang City!

Moreover, he was such a young Grandmaster Realm expert!

This was unbelievable and incredible!

“What's the big deal about a Grandmaster Realm?”

Yang Luo said with disdain, “Even if a Grandmaster Realm expert comes, I can subdue him with one hand!”

Upon hearing this, Jiang Tianlong and the others were left speechless!

This kid actually said that he could subdue a Grandmaster Realm expert single-handedly?

Too arrogant!

He was simply too arrogant!

Jiang Tianlong took a deep breath and said, “Kid, as the saying goes, the winner is the king, and the loser is the bandit!

Since I’m not your match, you can make your move!”

Gao Zhenhu and the others did not say anything and planned to suicide as well.

In front of a Grandmaster Realm expert, they knew that it was useless to resist.

**“Do you really want to die?”**

Yang Luo asked with a smile.

**“If we can live, who wants to die?”**

Jiang Tianlong replied and gritted his teeth, “However, kid, don’t be smug.

We are King Zhennan’s men. If you kill us, King Zhennan will definitely not let you off.

No matter how strong you are, you can’t be King Zhennan’s match.”

**“King Zhennan, is it?**

I really want to meet this person.”

Yang Luo smiled faintly in response before saying, “I can spare your lives, but please tell King Zhennan to come to Jiang City to see me.

If he’s willing to submit to me, I can spare him.”

**“But if he’s unwilling, I can only kill him and replace him.”**

Therefore, the reason why he wanted King Zhennan to submit to him was because he wanted to use King Zhennan’s power to help him find his parents.

Upon hearing this, Jiang Tianlong and the others trembled. Their eyes widened as if they had heard something extremely unbelievable.

Jiang Tianlong took a few deep breaths and said, “Kid, do you know what you’re saying?

Do you know what kind of person King Zhennan is?”

**“You even dare to make King Zhennan submit to you?**

Not to mention King Zhennan personally taking action, even the 12 Battle Kings under King Zhennan are enough to kill you!”

By the side, Gao Zhenhu also laughed mockingly, “Kid, don’t think that you’re invincible just because you have some strength.

This world is not as simple as you think. There are many people stronger than you.”

**“You don’t have to worry about that.”**

Yang Luo shook his head and said, “In short, you just need to deliver the message.”

After he spoke, Yang Luo turned around and prepared to leave.

But at this moment...

When the bodyguards guarding the manor heard the commotion, they all rushed over and blocked the door.

**“Master Long!”**

When they saw Jiang Tianlong and the others, the bodyguards were shocked.

What was the situation now?

Why were Master Long and the others injured?

Could it be that they were all beaten up by this kid in front of them?

But how was this possible?

Master Long and the five Heavenly Kings were all true martial artists. How could they all lose to this kid?

**“How dare you injure Master Long? You have a death wish!”**

The leading bodyguard roared, “Brothers, kill this kid!”

As he spoke, dozens of bodyguards took action and prepared to rush towards Yang Luo!

**“Halt!”**

Jiang Tianlong shouted out despite his injuries, stopping these bodyguards.

He knew very well how terrifying Yang Luo’s strength was.

If these bodyguards attacked, none of them would survive.

Jiang Tianlong waved his hand and said, “Let him go.”

**“Master Long, this...”**

The leading bodyguard was very indignant.

**“Let him go!”**

Jiang Tianlong roared.

**“Yes, Master Long!”**

The leading bodyguard responded, before making way.

The other bodyguards also stepped aside.

Yang Luo smiled at Jiang Tianlong, “No wonder you can sit in this position. You have some brains.”

After he spoke, Yang Luo turned around and prepared to leave.

However, halfway through, Yang Luo turned back.

**“What else do you want?”**

Seeing Yang Luo return, Jiang Tianlong trembled in fear.

Could it be that this fellow wanted to go back on his word and kill them?

Gao Zhenhu and the others also turned vigilant.

If Yang Luo really wanted to kill them, they would not hesitate to fight to the death.

Yang Luo curled his lips and said, "Your place is too remote. I definitely can't get a taxi back to the city now.

"Therefore, lend me a car. I'll return it to you when I have time."

Qiao Xudong took out a car key from his pocket and handed it to Yang Luo.

"You can drive the black Mercedes-Benz parked outside."

"Thanks."

Yang Luo smiled and took the key before leaving.

After Yang Luo left, Gao Zhenhu said in a deep voice, "Master Long, do we really have to listen to this kid and tell King Zhennan about this?"

"Of course we can't alarm King Zhennan."

Jiang Tianlong shook his head, "Even if this kid is a Grandmaster Realm expert, he's not worth King Zhennan coming to Jiang City personally."

"Then are we going to let that kid go?"

Zheng Yunsheng gritted his teeth and said, "When has our Eastern Alliance ever suffered such humiliation?

We've always been the ones stepping on others, but we've never been stepped on before!"

Jiang Tianlong pondered for a moment and said, "This kid is very ambitious. He's an unstable factor.

"If we want to get rid of this kid, we have to get the Southern Sky Chamber of Commerce, the West Wind Chamber of Commerce, and the Rising North Chamber of Commerce to join forces with us."

"Master Long, do you mean to inform the three Chambers of Commerce about tonight's matter?"

Wang Jingkun probed.

"That's right."

Jiang Tianlong nodded and said, "Although these three Chambers of Commerce have a competitive relationship with our Eastern Alliance Chamber of Commerce, they are also working for King Zhennan. We are ultimately under one umbrella.

Now that that kid has bullied us and insulted King Zhennan, they will definitely not sit back and do nothing."

**“Understood!”**

Gao Zhenhu responded and said, “I’ll inform the presidents of the three Chambers of Commerce in the next two days!”

Chapter 47: She Does Not Trust Me!

It was eleven o’clock at night.

Imperial River Court Villa No. 8.

Su Qingmei, Qin Yimo, and Wu Yue sat on the sofa as they waited for Yang Luo to return.

However, as time passed, there was still no movement outside.

**“Yang Luo hasn’t returned yet. Could something have happened?”**

Su Qingmei frowned anxiously.

Although she did not have much feelings for Yang Luo, he was still her fiance after all.

Moreover, Yang Luo had helped her company a lot, so she naturally could not sit back and do nothing.

Qin Yimo comforted her. “Qingmei, don’t worry. Mr. Yang will definitely be fine.”

Su Qingmei worriedly replied, “The Eastern Alliance has always been lawless. Moreover, Yang Luo has also offended them.

Jiang Tianlong definitely did not have any good intentions when he invited him tonight.

I’d better call Grandpa.

Qin Yimo nodded and said, “Alright, I’ll call my Grandpa too.”

However, just as Su Qingmei and Qin Yimo took out their phones and were about to make a call, there was a noise outside.

**“Yang Luo is back?”**

Su Qingmei was delighted. She quickly stood up and ran to the door to open it.

Qin Yimo and Wu Yue also looked up at the door.

They only saw a black Mercedes-Benz G drive in from outside and park in the courtyard.

The car door opened and Yang Luo got out.

**“You’re finally back!”**

Seeing Yang Luo, Su Qingmei finally felt relieved.

**“Qingmei, Miss Qin, Miss Wu, why aren’t you asleep yet?”**

Yang Luo walked into the villa with a puzzled expression.

Su Qingmei huffed angrily “How can we sleep when you’re not back even though it’s so late?!”

Yang Luo smiled evilly and asked, “Qingmei, are you worried about me?”

Su Qingmei blushed and said, “Who’s worried about you? Don’t flatter yourself.

I’m just worried that if something really happens to you, it won’t be easy to answer to Grandpa!”

Yang Luo raised his eyebrows and said, “Qingmei, if you’re worried, so be it. Why don’t you admit it?”

“You... can’t be bothered to talk to you anymore!”

Su Qingmei stomped her feet in embarrassment.

Qin Yimo just watched this scene with a smile. She felt that the way the two of them bickered was quite fun.

Was this what it felt like to be in love?

At the thought of this, Qin Yimo’s eyes darkened.

Su Qingmei said, “Tell me, why did Jiang Tianlong call you over?”

Meanwhile, Yang Luo walked to the living room and poured himself a glass of water. He took a sip and said, “Jiang Tianlong called me over to invite me to join their Eastern Alliance. He even said that he wanted me to be the sixth Heavenly King of the Eastern Alliance.”

Huh?!

Su Qingmei, Qin Yimo, and Wu Yue were stunned.

“Then did you agree?”

Su Qingmei hurriedly asked.

“Of course not.

Yang Luo shook his head.

Then Jiang Tianlong let you go just like that?”

Su Qingmei continued to ask.

Of course not.”

Yang Luo shook his head and told Su Qingmei and the others what had happened at the Dragon Bay Manor.

After hearing Yang Luo’s words, Su Qingmei and the other two did not know what to say for a moment.

Su Qingmei took a deep breath and said, “So... you beat up Jiang Tianlong and the five Heavenly Kings of the Eastern Alliance?

They knew that they were no match for you, so they let you come back?

“That’s right.”

Yang Luo nodded.

Su Qingmei took a deep breath and said, "It's over, it's over. Jiang Tianlong is someone that always seeks revenge. Since you hit this time, he definitely won't let you off."

Qin Yimo echoed, "That's right. Anyone who offended Jiang Tianlong in the past didn't have a good ending."

"Don't worry. If they dare to find trouble with me again, I don't mind beating them up again."

Yang Luo shrugged and said, "Moreover, just Jiang Tianlong alone is nothing to me.

I'm not even afraid of King Zhennan, who is behind Jiang Tianlong."

Seeing Yang Luo's indifferent expression, Su Qingmei suddenly felt a surge of anger.

She looked at Yang Luo and said, "Yang Luo, do you really not know how much trouble you've caused?"

In Jiang City, other than Jiang Tianlong, there are three other leaders. They were all working for King Zhennan.

Since you beat up Jiang Tianlong tonight, he will definitely join forces with the other three leaders to get rid of you."

Yang Luo simply shrugged, "Then let them attack together. I'm not afraid of them at all."

"You..."

Su Qingmei was so angry that her chest heaved. "Yang Luo, I know you have some skills, but a person's strength is limited.

If Jiang Tianlong joined forces with the other three heads to deal with you, you would really die!

No, I have to inform Grandpa as soon as possible and let him think of a way."

"I'll also get Grandpa to think of a way. Let my grandfather and Grandpa Su step forward. Perhaps they can resolve your grudge with Jiang Tianlong."

Qin Yimo also added in.

"There's no need to trouble Old Master Su and Old Master Qin."

Yang Luo waved his hand and said, "Believe me, I can definitely handle this matter."

"Forget it, forget it. You can do whatever you want. I won't care about you anymore!"

With that, Su Qingmei stormed upstairs and closed the door with a bang.

"Mr. Yang, aren't you going to chase after and persuade her?"

Qin Yimo asked and said, "Qingmei is really angry because she's worried about you."

**“Of course I know that.”**

Yang Luo sighed and said, “However, I’ve only interacted with Qingmei for a short period of time. She ultimately doesn’t trust me very much.

Actually, be it Jiang Tianlong or the other three dragon heads, they’re really nothing to me.”

Qin Yimo sighed deeply and said, “Then prove it to her and let him know that you can solve this matter.”

**“I will.”**

Yang Luo nodded.

Qin Yimo nodded and continued, “Then we’ll go up first.

Do you need help?”

Yang Luo asked in curiosity.

**“There’s no need...”**

**“Yes!**

Qin Yimo and Wu Yue spoke at the same time.

Wu Yue said, “Momo, if I carry you up, I’m afraid I’ll accidentally fall. It’s better to let Mr. Yang carry you up.”

**“This...!”**

Qin Yimo got a little embarrassed.

I’m happy to oblige.”

Yang Luo smiled and carried Qin Yimo up before she could reject him.

At the close contact, Qin Yimo’s entire body tensed up, and her face turned red.

This was the first time she had such intimate contact with the opposite sex.

This naturally made her very nervous.

As she was only wearing a nightdress, Yang Luo immediately felt a soft touch through the material when he picked her up. This made him feel a little tempted.

He quickly suppressed the urge in his heart and focused on carrying Qin Yimo upstairs.

Wu Yue followed behind them.

After entering the room, Yang Luo gently placed Qin Yimo on the bed.

The blush on Qin Yimo’s face had yet to dissipate. She quickly lowered her head to hide it as she whispered, “Thank you, Mr. Yang.”

**“No need to thank me. Good night.”**

Yang Luo smiled and replied before leaving the room.

After Yang Luo left, Wu Yue teased, “Momo, don’t tell me you’ve fallen for Mr. Yang?”

“No, don’t talk nonsense!”

Qin Yimo was shocked and quickly denied it.

Wu Yue said, “Then why are you blushing?”

“I’m just a little embarrassed.”

Qin Yimo replied and reminded her, “Xiaoyue, don’t say such things in the future.”

“Alright, alright.”

Wu Yue nodded with a smile..

Chapter 48: Endless Bad News!

It was midnight.

Jiang City’s Renkang Hospital.

This was a private hospital that the Jiang family of Jiang City had invested in.

Be it the medical conditions or the medical staff, they were all top-notch in Jiang City and could compare to the First Hospital of Jiang City, the Central Hospital.

At this moment...

In a special care ward.

Jiang Mingyu was lying on the bed on an IV drip. One of his arms and one of his legs were in a cast, and his eyes were filled with pain and anger.

A slightly plump middle-aged man in a white shirt and slicked-back hair was standing by the bed with an extremely gloomy expression.

This middle-aged man was Jiang Mingyu’s father, Jiang Maohua, the current head of the Jiang family.

There was a long silence between the both of them.

Jiang Mingyu hissed, “Dad, can my right hand and right leg really not completely recover?”

“Yeah.”

Jiang Maohua nodded gravely.

Jiang Mingyu was his most beloved son, but now, his hand and leg had been crippled.

The doctor also said that Jiang Mingyu’s hands and legs were shattered and could only be treated as much as possible. However, it was impossible to recover to the previous state.

“No... No... No!”

Jiang Mingyu shook his head vigorously, “Doesn’t that mean that I can only be a cripple in the future?”

No, I don’t want to be a cripple. I don’t want to be a cripple!”

Jiang Maohua said, “Xiaoyu, don’t worry. I’ll definitely hire the best doctor to treat you!”

Jiang Mingyu nodded and said fiercely, “Dad, I want revenge. I want to kill Yang Luo and make him wish he was dead!

Dad, quickly get Old Wei and the others to kill that bastard Yang Luo!”

Jiang Maohua suddenly turned around and said, “Xiaoyu, Dad will naturally avenge you and kill that kid!

“However, that kid has the protection of the Su family. Our people can’t touch him for the time being!

However, you don’t have to worry. I’ll put a bounty of 30 million USD on the dark web to kill Yang Luo!

“In that case, even if that kid is killed, the Su family can’t blame us!”

“Alright, alright, alright. After those assassins, mercenaries, and bounty hunters smell the smell of money, they will definitely rush to Jiang City one after another and kill that bastard!”

Jiang Mingyu nodded crazily and said, “However, Father, I also want that woman, Su Qingmei!

Even if I’m crippled, she can only be my woman!”

Jiang Maohua narrowed his eyes and said, “Don’t worry, it won’t be long before Su Qingmei can only obediently throw herself into your arms.”

“Hmm?”

Jiang Mingyu was stunned, “Dad, what do you mean?”

Jiang Maohua said in a low voice, “Now, our Jiang family has formed an alliance with the He family and the Song family, preparing to completely annex the Su family and the Qin family.

The cake in Jiang City is only so big. One more family means one more person to share. Therefore, the Su family and the Qin family must be eliminated.” “Really?!”

Jiang Mingyu immediately became excited.

Jiang Maohua nodded and continued, “However, it will take some time to completely annex the Su family and the Qin family.”

“Therefore, bear with it for a while longer. When the Su family and the Qin family are annexed, that girl Su Qingmei will be at your mercy.”

“Great, that’s great!”

Jiang Mingyu almost jumped up in joy.

Su Qingmei, haven't you always been high up in the air?

One day, you will kneel down and beg me!

Jiang Maohua said, "Little Yu, continue to suppress Hua Mei Biomedical during this period of time. Try to destroy Hua Mei Biomedical as soon as possible and buy it!"

**"Dad, I understand. Even if you didn't say it, I would have done it!"**

Jiang Mingyu nodded and said, "Now, Hua Mei Biomedical can no longer compete with our Ding Sheng Biomedical!

Hua Mei Biomedical is just a company struggling on the verge of death!"

**"That's good."**

Jiang Maohua nodded and said, "Rest well. I'll leave first. If there's anything, contact me at any time."

**"Alright."**

Jiang Mingyu nodded.

Soon, Jiang Maohua left the ward.

After Jiang Maohua left, the excitement and madness in Jiang Mingyu's eyes intensified.

He muttered in a low voice, "Yang Luo, let's see how you die this time. Also, Su Qingmei, your Su family is finished..."

The next morning.

After breakfast and another round of acupuncture for Qin Yimo, Yang Luo and Su Qingmei walked out of the villa.

**"You're driving today."**

Su Qingmei threw the car keys to Yang Luo.

Yang Luo took the key and said in a daze, "Are you sure you want me to drive?"

Su Qingmei said indifferently, "Didn't you snatch a car from someone last night and drive it back yourself?"

**"Uh... okay."**

Yang Luo nodded.

Then, the two of them got into the car and left the villa.

Su Qingmei sat in the back row and was originally a little nervous.

After all, Yang Luo had never been to a driving school to learn how to drive.

However, after driving for a while, she realized that Yang Luo was driving very steadily, so she was relieved.

It had to be said that this fellow's learning ability was indeed very strong.

She had only taught him a little yesterday, but he had already learned how to drive.

Su Qingmei said, "I'll help you get your driver's license in the next few days."

**"Sure."**

Yang Luo nodded in agreement.

After that, the car fell silent.

It was quiet for more than ten minutes.

Then, Su Qingmei broke the silence once more, "Do you really not need me to tell Grandpa?"

Yang Luo said helplessly, "Qingmei, there's really no need. Can you believe me this once?"

**"Suit yourself."**

Su Qingmei sighed and shook her head, not saying anything else.

She naturally did not believe that Yang Luo could resolve this matter.

However, she had made up her mind.

If Jiang Tianlong really wanted to kill Yang Luo, she would get her grandfather to step forward and try his best to save Yang Luo's life.

Due to the traffic jam, the car drove for nearly an hour before arriving at Hua Mei Biomedical.

After parking the car, Yang Luo followed Su Qingmei up the elevator as per normal.

When they arrived at the 28th floor and the elevator door opened, Xu Yan was already waiting there.

**"President Su, something big happened!"**

Seeing Su Qingmei, Xu Yan hurriedly walked over.

**"What exactly happened?"**

Su Qingmei asked in confusion as she walked towards the office.

Xu Yan followed beside him and reported, "President Su, the sales of our company's products continue to fall!

Moreover, not long ago, Huaxin Commerce called and said that they wanted to terminate their cooperation with us!

Mandy Beauty Corporation wants to terminate cooperation with us!

Dongsheng e-commerce wants to terminate cooperation with us!

Sino-Thai Mall removed our products!

Along the way, Xu Yan reported the various companies that had cut ties with the company.

Hearing one by one the companies that had canceled their cooperation with Hua Mei Biomedical, Su Qingmei's expression turned even uglier.

This was undoubtedly bad news for the current Hua Mei Biomedical.

In the past few days, the sales of Hua Mei Biomedical's products were declining every day, and they were basically hemorrhaging money daily.

And now, all the companies had canceled their cooperation with Hua Mei Biomedical. That was undoubtedly adding insult to injury.

At this moment, the phones in the various work areas were ringing non-stop. The employees were overwrought with anxiety.

The call they received was either to cancel the cooperation or to return the goods. Even the bank began to urge them to pay their loans.

When she walked into the office, Su Qingmei's body suddenly swayed and she almost fell..

Chapter 49: I've Decided!

“President Su, are you alright?”

Xu Yan was shocked.

Yang Luo quickly walked forward and supported Su Qingmei.

Su Qingmei supported herself with her hands on the desk and took a deep breath. “Xu Yan, there's no need to report them one by one. Just say it. How many companies have canceled their cooperation with us now?”

Xu Yan gritted her teeth and said truthfully, “President Su, there are now 18 companies that have terminated their cooperation with us, and the number is still increasing!”

“How did this happen?”

Su Qingmei rubbed her eyebrows and said, “This didn't even happen yesterday. Why are these companies canceling their cooperation with us today?”

Xu Yan said, “I heard from them that Ding Sheng Biomedical has threatened everyone saying that if they continue to cooperate with Hua Mei Biomedical, Ding Sheng Biomedical will cancel their cooperation with them!”

Now, Ding Sheng Biomedical had completely occupied the market in Jiang City. The sales of their products were getting more and more popular!

“They want to work with Ding Sheng Biomedical to earn money. They said that there's no future in working with us, so they canceled the cooperation with us!” “Looks like Ding Sheng Biomedical is starting to suppress us in all aspects.” Su Qingmei let out a long breath and said, “Is there any room for redemption?” Xu Yan sighed and said, “It looks like it's very difficult to salvage the situation now. Those companies are determined to stand on Ding Sheng Biomedical's side.”

**“Why do we have to redeem ourselves?”**

Since they want to terminate their cooperation with us, let them terminate it.”

Yang Luo, who had been silent, suddenly spoke out.

Xu Yan said, “Assistant Yang, you might not know this, but if all the companies cancel their cooperation with us, it will be very disadvantageous to our company’s current situation.”

Su Qingmei also said, “Xu Yan is right. If there’s no company to sell our products, our company’s losses will be even greater.

**“If this continues, our company will either be acquired by Ding Sheng Biomedical or go bankrupt.”**

Yang Luo said, “President Su, Assistant Xu, believe me, the difficulties are only temporary.

When our new product comes on the market, those guys will know how stupid their choice is.

I can be sure that our new product sales will be very popular.

At that time, they will beg to cooperate with us.”

**“Assistant Yang, are you so confident in our new product?”**

Xu Yan quickly asked.

**“Of course.”**

Yang Luo nodded and said, “I have full confidence in my secret recipe.”

Su Qingmei frowned and said, “But there’s still at least half a month before the new product is released.

I don’t know if our company can last for another half a month.

Even if we can hold on, when the new product is released, we can’t guarantee that the new product will definitely be able to compete with Ding Sheng Biomedical’s products to regain the market.”

Yang Luo smiled and said, “President Su, you have to have confidence in me and yourself.

As long as you survive this half a month, you will see a brand new future for Hua Mei Biomedical.”

**“Let’s hope so.”**

Su Qingmei sighed.

Although Yang Luo and Lu Huajun kept saying how powerful the secret recipe of the “Youthful Jade Countenance Serum” was, she was still uncertain of its effects.

At this moment, Yang Luo’s phone rang.

He took out his phone and saw that it was a call from Su Wanqiu. He picked up the call.

**“Little Luo, are you busy now?”**

Su Wanqiu’s gentle voice could be heard.

**“I’m not busy. Why?”**

Yang Luo asked in curiosity.

Su Wanqiu said, “I felt my heart pain come again just now. If you’re not busy, I would like to invite you over to treat me.”

Yang Luo said, “No problem. Send me the address. I’ll come over now.”

After hanging up, Su Wanqiu sent the address to Yang Luo’s phone.

Yang Luo put away his cell phone and said, “President Su, I’m going out for a while.”

**“What happened?”**

Su Qingmei asked.

Yang Luo said, “Your Auntie said that she’s having her chest pains again and wants me to go over and treat her.”

Su Qingmei hurriedly said, “Then hurry up and go. Please treat my Auntie’s myocarditis.”

**“Don’t worry, it’s just a small problem.”**

Yang Luo smiled and replied before leaving the office.

After Yang Luo left, Su Qingmei said to Xu Yan, “Xu Yan, quickly gather the people from the public relations department to contact various large companies and try your best to salvage the collaboration.”

**“Yes!”**

Xu Yan nodded and left the office.

After the office door closed, Su Qingmei picked up her phone and made a call.

The call was quickly picked up.

**“President Su, what’s the matter?”**

A female voice was heard.

Su Qingmei said, “President Shen, are you free today? I want to talk to you.” “How about this? I still have time in the afternoon. We’ll talk when we meet in the afternoon.”

**“Alright!”**

Su Qingmei agreed and hung up.

She turned to look out of the window and muttered, “Ding Sheng Biomedical, our Hua Mei Biomedical won’t be destroyed just like that...”

At the same time...

Four Seas Commerce, President’s Office.

Li Sihai sat on the sofa and smoked a cigarette. The ashtray in front of him was filled with cigarette butts.

Knock, knock, knock.

At this moment, there was a knock on the door.

**“Come in.”**

Li Sihai simply said.

The door was pushed open and a female assistant rushed in.

**“President Li, President Jiang of Ding Sheng Biomedical wants us to make a choice as soon as possible!**

If we continue to choose to cooperate with Hua Mei Biomedical, they will terminate their cooperation with us forever!

**“Moreover, we will also be suppressed by them!”**

Li Sihai replied irritably, “I already know about this. I’m thinking about it.”

**“President Li, have you thought about it carefully? How should we answer to President Jiang?”**

The female assistant hurriedly asked.

Li Sihai took one last deep puff of his cigarette before stubbing it out in the ashtray, “Tell CEO Jiang that our Sihai Trading Company will not terminate our cooperation with Hua Mei Biomedical!”

**“What?!”**

The female assistant was stunned. “President Li, are you not going to reconsider?

Nowadays, the sales of Ding Sheng Biomedical’s products were getting increasing to no end. On the other hand, the sales of Hua Mei Biomedical’s products were getting lower and lower. Almost no one buys Hua Mei Biomedical’s products anymore!

If we continue to choose to cooperate with Hua Mei Biomedical, I’m afraid we’ll only die!

What’s more, many companies have already leaned towards Ding Sheng Biomedical and canceled their cooperation with Hua Mei Biomedical!”

**“There’s no need to think about it. I’ve made up my mind!”**

Li Sihai made a decision and said in a deep voice, “Assistant Yang from Hua Mei Biomedical saved my life. At this critical moment, I naturally have to stand on Hua Mei Biomedical’s side and support Assistant Yang!

If Jiang City really doesn’t have a place for us to trade in the future, we can just go to other cities and start all over again!”

**“President Li...”**

The female assistant wanted to persuade Li Sihai again.

Li Sihai waved his hand, "You don't have to persuade me anymore. Although I'm a businessman, I know how to repay kindness."

"Alright, I'll reply to CEO Jiang now."

The female assistant sighed and left the office.

However, what Li Sihai did not know was that the decision he made today would bring him a hundred or a thousand times the reward in the future...

Chapter 50: Picturesque Jiangnan

After Yang Luo left the company, he took a taxi to the Picturesque Jiangnan Teahouse in the east of Jiang City.

This was a luxurious high-end teahouse. The teahouse was a total of three floors high and occupied a large area. It used a retro design style and was low-key but classy.

Because this place was built along the river and the environment was quiet, the people who came here were all elites of Jiang City. Other than drinking tea, they usually discussed business matters.

After arriving at the teahouse, Yang Luo got out of the car and walked straight into the teahouse.

"Are you here for tea or to look for someone, sir?"

At this moment, a smiling female attendant walked over.

Yang Luo replied, "Miss Su invited me over."

"Are you Mr. Yang?"

The attendant asked.

"That's right."

Yang Luo nodded.

"Mr. Yang, please follow me."

The attendant said and led Yang Luo to the backyard of the teahouse.

After passing through a long corridor, two carved wooden doors were tightly shut at the end of the corridor.

The attendant knocked on the door lightly, "President Su, Mr. Yang is here."

"Show him in."

Su Wanqiu's gentle voice could be heard.

"Mr. Yang, please."

The attendant gestured for him to go ahead.

Yang Luo pushed open the wooden door of the flower carving and walked in. What greeted his eyes was a small courtyard.

Although this small courtyard did not occupy a large area, it was clean and tidy without a trace of dust.

There were many potted plants planted in the small courtyard.

Not far away, there was a pool with many goldfish.

At this moment, a woman in a white peony cheongsam with long black hair was bending down slightly. She held scissors in her hand and was trimming the flowers in the potted plant.

The cheongsam was very tight. Coupled with the woman bending down, her full figure was perfectly displayed.

Yang Luo stood at the back and looked at the woman's beautiful figure. He couldn't help but swallow involuntarily.

He took a deep breath before speaking out, "Miss Su, I'm here."

Su Wanqiu straightened her body and turned around. She winked at Yang Luo and said with a smile, "Little Luo, you're already engaged to Qingmei. Why are you still calling me Miss Su? Shouldn't you call me Auntie?"

The woman had put on some light makeup. The sunlight shone on her face, emitting a lustrous glow that was breathtaking.

"Well..."

Yang Luo scratched his head. He really did not know how to address Su Wanqiu.

Su Wanqiu chuckled and said, "Alright, I won't tease you anymore. Before you marry Qingmei, you can call me Sister."

"Okay, Sister Wanqiu."

Yang Luo nodded and glanced around. He asked, "Sister Wanqiu, do you own this teahouse?"

"That's right."

Su Wanqiu nodded and said, "Other than the East District, there's a Picturesque Jiangnan Teahouse in the South, West, and North Districts. I'm in charge of all of them."

"I see."

Yang Luo nodded in realization and said, "Sister Wanqiu, didn't you say you had chest pains? Why don't I treat you now?"

Don't worry, I'll definitely cure you completely this time."

"Then I'll leave it to you."

Su Wanqiu nodded and placed the scissors on the table at the side. She said, "Follow me to my room."

Quickly, Su Wanqiu brought Yang Luo to a room in the small courtyard.

After entering the room, Su Wanqiu asked, "Little Luo, how should I cooperate with you?"

Yang Luo said, "Sister Wanqiu, you just have to lie on the bed and take off your clothes."

"Huh?!"

Su Wanqiu's pretty face turned slightly red. "You need me to take off your clothes?"

"Uhh..."

Yang Luo laughed dryly and said, "Sister Wanqiu, don't misunderstand. If you want to completely cure your myocardial inflammation, it's definitely impossible to rely on the massage technique alone.

"Therefore, I plan to help you using acupuncture. But for this way, you have to take off your clothes."

If it was anyone else who said this, she would have asked them to scram a long time ago.

However, because she had seen Yang Luo's superb medical skills with her own eyes, she was willing to believe him.

"Alright then."

Su Wanqiu nodded and said, "Then turn around first."

"Alright."

Yang Luo responded and turned around.

After a while, Su Wanqiu said, "It's done."

Yang Luo turned around and saw that Su Wanqiu had changed into a silk nightdress and was lying on the bed.

She took off the sling on top and wore a piece of undergarment that just covered her upper body.

This faintly discernible yet hidden scene only served to make one's imagination run wild.

Yang Luo tried his best to remain calm, but he still couldn't remain completely unmoved. His eyes were fixed on her.

Su Wanqiu saw Yang Luo staring at her and said shyly, "Can we start now?"

"Oh, oh, we can start now!"

Yang Luo took a deep breath and walked over.

Su Wanqiu tried her best to remain calm, but she could not. Thus, she could only resort to closing her eyes.

However, her blushing face and rapid breathing gave away her nervousness at this situation.

Yang Luo took a few deep breaths and cast aside his wild imagination. Then, he took out a box of silver needles from his storage ring and began to perform acupuncture on Su Wanqiu.

In the following period of time, Yang Luo maintained absolute focus. One needle after another was inserted into the acupuncture points on Su Wanqiu's heart and it trembled slightly.

As the silver needle landed, Su Wanqiu felt a warm feeling in her heart. The piercing pain gradually disappeared.

Time continued to flow.

Although only ten minutes had passed, it was a form of torture for Yang Luo.

No man could remain calm in front of a beauty.

Not to mention a man like Yang Luo, who had too much Yang energy in his body.

When all the silver needles stopped trembling, Yang Luo waved his hand and put away the silver needles.

**"Sister Wanqiu, the treatment is over!"**

Yang Luo simply spoke.

Su Wanqiu opened her eyes and quickly put on her nightdress and sat up.

**"Has my myocarditis been completely cured?"**

She hurriedly asked.

**"It's completely cured."**

Yang Luo smiled and nodded.

**"Little Luo, you've cured my chronic illness for many years. I don't know how to thank you."**

Su Wanqiu was very grateful.

No one knew how much pain she had suffered from myocarditis in the past few years.

Yang Luo waved his hand and said, "Sister Wanqiu, Qingmei is my fiancée and you're Qingmei's Auntie. It's only right for me to treat you. You don't have to be so polite."

**"Qingmei is Qingmei. I'm me. Showing gratitude is a must."**

Su Wanqiu replied. She thought about it and said, "Little Luo, why don't we do this?"

**"Accompany me to an auction later. At that time, no matter what you like, I'll help you bid for it and give it to you."**

Yang Luo said, "Sister Wanqiu, you really don't have to be so polite.

**"I can accompany you to the auction, but if I like something, I can buy it myself. You don't have to spend money."**

**"Noway!"**

Su Wanqiu shook her head and said stubbornly, "I have to buy it for you!"

“Then... alright.”

Yang Luo nodded helplessly..
