Chapter 511: Slaughtering All the Thieves!

With this order!

Berserk Saber King Gulgar, North Sea Zen Master Taylors, and Southern Region Sword King Bassain!

Bloodthirsty Spear King Candos, Peerless Staff King Weston, and Mountain Splitting Axe King Adaway!

The six experts attacked Yang Luo at the same time!

Seeing the six experts charging at him together!

Not only was Yang Luo not afraid, he was even excited to do battle!

He was unrestrained and said in a loud voice, “You’re finally willing to attack together?”

Very good, let’s see how I’ll slaughter all of you in one go!”

Right as he finished his sentence...

Yang Luo’s figure flashed and golden light shone on his body. His eyes were golden and resplendent as he charged forward like a domineering dragon!

It was also when Yang Luo charged towards the six experts!

The remaining few black-robed Azans and more than 20 disciples of the Elephant Country’s Martial Alliance also moved one after another and attacked Xu Ying, Bujie, and Prajna!

“You still dare to come and die? Alright, I’ll fulfill your wish!”

With the Dragon-Mark Buddhist Staff in hand, Bujie took a step forward and charged forward!

“Kill!”

Xu Ying and Prajna also shouted. Their bodies flashed as they charged at the people from the Elephant Country’s Martial Alliance!

A shocking battle immediately broke out in the square!

At the same moment...

In the center of the square.

“Little bastard, go to hell!”

“Give me your life!”

“Kill!”

Bloodthirsty Spear King Candos, Peerless Staff King Weston, and Mountain Splitting Axe King Adaway were the first to attack!

These three people's cultivation levels were all between the mid-stage to late-stage Martial Highness Realm. They were powerful and were not something ordinary people could resist!

At this moment, the three of them waved the weapons in their hands at the same time, attacking Yang Luo!

The long spear tore through the air, the staff shadows flew, and the huge axe split the mountain. Its aura was ferocious and incomparably domineering!

They had to kill Yang Luo today!

However, just as the three of them waved the weapons in their hands and attacked!

Yang Luo stood proudly in the square, his entire body vibrating!

Golden True Qi surged out and transformed into a condensed True Qi barrier that enveloped Yang Luo!

Clang!

Clang!

Tang!

The spear, staff, and axe smashed heavily onto Yang Luo's True Qi barrier, emitting the sound of metal colliding!

True Qi surged and light shot in all directions, captivating one's soul!

All the Martial Alliance disciples could not withstand the true qi that surged out at all and retreated from the square!

Seeing that Yang Luo easily blocked the attack of the three experts!

Lu Xingzhou, Huo Yuanjing, Sun Lanzhi, and the tens of thousands of Martial Alliance disciples watching the battle from afar were extremely shocked!

Powerful!

Too powerful!

This kid was simply unbelievably strong!

At this moment.

Seeing that their attack had failed, Candos, Weston, and Adaway waved the weapons in their hands again and smashed them at Yang Luo!

Berserk Saber King Gulgar, North Sea Zen Master Taylors, and Southern Region Sword King Bassain also brandished their weapons and attacked Yang Luo!

The long saber tore through the air, the Buddhist staff danced wildly, and the sword shadows flickered!

Gulgar, Taylors, and Bassain's cultivation levels were higher. They had all stepped into the perfected Martial Highness Realm!

Therefore, their combat strength was even stronger!

At this moment, the six of them attacked at the same time. The lethality, destructive power, and destructive power that erupted were even more tyrannical. They simply wanted to sweep through everything!

Rumble!

The six weapons smashed heavily onto Yang Luo's True Qi barrier, emitting a thunderous collision sound!

True Qi shot out and shone. There were even electric sparks flashing!

Rumble!

The ground in the center of the square kept collapsing, and broken stone slabs soared into the sky!

The stone pillars around the square collapsed one after another!

Even the halls and houses collapsed one after another and turned into ruins!

Seeing this scene...

Lu Xingzhou and the others were angry and heartbroken!

They felt that this kid was not here to confess. He was here to kill and cause trouble!

However, what shocked everyone was!

Even if Gulgar and the other three joined forces, they still could not break through Yang Luo's defense!

“Continue attacking. I want to see how long this kid can last!”

Gulgar roared and gripped his long saber tightly with both hands, slashing crazily at Yang Luo!

The other five also continuously mobilized the True Qi in their bodies and launched even more violent attacks!

Yang Luo glanced at the six of them and said coldly, “You've been fighting for so long. It's my turn, right?”

As he spoke, Yang Luo suddenly stomped down, causing the ground to collapse. Then, he opened his arms and let out a dragon roar!

“Nine Heavens, Dragon's Fury!”

“Roar, roar, roar!”

A loud dragon roar resounded through the world and spread throughout the entire Martial Alliance headquarters' territory!

The Martial Alliance disciples watching the battle outside the square felt that their eardrums were about to shatter. The blood qi in their bodies was restless. Those with insufficient cultivation and strength spat out blood!

Even Pagans, Lu Xingzhou, Huo Yuanjing, and Sun Lanzhi were affected, and the blood in their bodies boiled!

The next second!

Nine golden dragon shadows roared out of Yang Luo's body and collided in all directions!

Rumble!

The attacks of Gulgar and the others were instantly shattered by the nine golden dragon shadows!

“Ahhhh...”

Accompanied by screams, Gulgar and the others were sent flying at the same time.

However, after the nine golden dragons sent the six of them flying, they did not stop there. Instead, they continued to attack the six of them!

“Be careful!”

Seeing this, Pagans immediately reminded loudly.

But!

Even if they heard the reminder!

Gulgar's group of six could no longer react. They had no choice but to resist with all their might!

Peng, peng, peng!

A series of muffled explosions sounded!

Golden dragon shadows pierced through the bodies of Candos, Weston, and Adaway!

The three of them exploded in midair, turning into pools of flesh and blood that splattered in the air!

The weapons in their hands were also shattered into pieces!

As for Gulgar, Taylors, and Bassain!

Although they had barely blocked this ferocious attack, the weapons in their hands had also become scrap metal!

Furthermore, the three of them were also severely injured. As they were sent flying, blood sprayed out of their mouths crazily!

However, Yang Luo did not stop at all. With a flash, he charged towards the three of them!

“Little bastard, stop!”

Pagans could no longer remain calm. He instantly erupted with the black and red True Qi in his body. The muscles on his body bulged as he charged towards Yang Luo!

He originally thought that he did not need to make a move and could kill this kid with just a few experts!

But now, it seemed that six of the nine experts he had brought had died!

If he still did not make a move, the rest would probably be killed by this kid!

Therefore, he had no choice but to make a move!

He had to stop this kid!

He had to kill this kid!

However, Yang Luo ignored Pagans and continued to charge at Gulgar and the other two!

And the moment they got close...

Yang Luo suddenly stomped on the ground and shattered the ground underneath him. His body was like a Nine Heavens Divine Dragon as he soared into the sky!

After charging into the sky!

Yang Luo clenched his right fist and punched at Gulgar and the other two in midair!

Die!

DONG!

His fist smashed down like a golden meteorite striking the ground, and its might shook the heavens and resounded through the clouds!

There was even a golden dragon phantom that roared and crashed into the ground!

The ground in the center of the square collapsed continuously. Rocks soared into the sky and dust rolled, turning into a huge pit!

Gulgar, Taylors, and Bassain were lying in a huge pit.. Their bodies had been smashed into a pulp by this punch and they were completely dead!

Chapter 512: A Great Disaster!

After Yang Luo killed Gulgar, Taylors, and Bassain with a single punch!

His body began to descend!

However, just as Yang Luo landed!

Pagans had already rushed up. He jumped high into the air and threw a punch at Yang Luo!

“Fist of Slaughter!”

“Die!”

Crack!

With a punch, the air exploded, emitting a thunderous explosion!

After knowing Yang Luo’s strength!

Pagans released all the True Qi in his body and used his strongest strength!

As a middle-stage Martial King Realm expert, Pagans was extremely powerful! Coupled with his powerful physical body, his combat strength could increase by several times!

This was also the reason why he could become the Alliance Master of the Elephant Country's Martial Alliance!

However, just as Pagans threw a punch!

Yang Luo twisted his waist and abdomen and also threw a heavy punch in the air to meet the attack!

A huge golden fist surrounded by a golden dragon shadow smashed out!

Even though it was a hasty punch, it still erupted with powerful lethality, destructive power, and destructive power!

In an instant!

DONG!

The two fists collided like a golden meteorite and a black-red meteorite, shaking the entire square and the world!

The halls and houses around the square collapsed again and turned into ruins!

With a loud bang!

Above the huge pit, Yang Luo and Pagans were sent flying at the same time!

In this confrontation!

Pagans was sent flying more than 30 meters away before he stabilized his body!

But Yang Luo was only sent flying more than ten meters away before stabilizing his body!

Furthermore!

After Pagans stabilized his body, the blood in his body surged continuously and he spat out a large mouthful of blood!

As for his thick right arm, the muscles were torn piece by piece and blood flowed endlessly!

If it were an ordinary person, their right arm would have long been shattered after receiving Yang Luo's punch!

Fortunately, Pagans's physique was strong enough to withstand this punch!

However, even so...

The tens of thousands of Martial Alliance disciples present were still deeply shocked!

The title of Pagans was "Slaughter Fist King", representing the strongest fist technique!

More importantly, Pagans was the Alliance Master of the Martial Alliance of the Elephant Country!

Such a powerful figure had been punched by this kid in front of him until he vomited blood and his right arm was almost crippled!

Just as everyone was in a daze!

"ROAR..."

Pagans roared at the sky, swung his thick legs, and charged at Yang Luo again!

He was the Slaughter Fist King. His fist technique had swept through the martial arts world of Elephant Country. Other than losing to the number one expert of Elephant Country, he had never lost!

But today, he was injured by a young Chinese Martial Warrior with a fist technique!

This made him furious!

Yang Luo's eyes were extremely cold. His figure flashed as he charged towards Pagans!

And in the next instant...

The two of them crossed dozens of meters and approached each other!

“Kid, I'm the Slaughter Fist King!

I don't believe that I can lose to you in fist techniques!”

Pagans let out a furious roar and raised his injured right arm. He twisted his fist again and punched at Yang Luo!

This punch was many times stronger than the previous punch!

A huge black and red fist shot out, as if it wanted to explode everything!

“So what if you're the Slaughter Fist King?

I can still beat you up!”

Yang Luo also let out a roar. He twisted his fist again and punched out wildly! This punch was also several times stronger than the punch he had just thrown! The huge golden fist pushed forward, and the golden dragon phantom roared! In the blink of an eye!

DONG!

The second punch collided heavily and another shocking collision sound erupted!

After the second punch collided!

No matter how strong Pagans' right arm was, it finally couldn't take it anymore. His muscles and tendons were all torn apart, and his bones were completely shattered!

“ARGH!”

Accompanied by a miserable scream...

Pagans was sent flying again!

Moreover, this time, only Pagans was sent flying while Yang Luo stood firmly on the spot!

After shattering Pagans' right arm!

Yang Luo did not stop at all. He took a step forward and chased after him!

In an instant!

Yang Luo caught up to Pagans!

He soared into the sky and threw a third punch at Pagans!

“Slaughter Fist King, right?”

I want you to die under my fist!”

With this domineering roar!

Bang!

Yang Luo’s punch landed heavily on Pagans’ chest!

“Pfft...”

Blood spurted out of Pagans’ mouth as his huge body was sent flying. Boom!

Boom! Boom! He crashed through three stone pillars before falling to the ground!

Glug... Glug...

He lay on the ground, his entire chest caved in, and blood kept gushing out of his mouth.

In endless despair, Pagans gradually stopped breathing.

It was only until his death that he completely regretted it!

He regretted setting foot in China this time!

He regretted looking for Yang Luo this time!

It was also when Yang Luo killed Pagans!

Xu Ying, Bujie, and Prajna had also killed everyone else from the Martial Alliance!

The Elephant Country’s Martial Alliance delegation was swept by Yang Luo and the other three this time!

At this moment...

The event location had already fallen into dead silence!

Including Lu Xingzhou, Huo Yuanjing, and Sun Lanzhi!

The tens of thousands of Martial Alliance disciples present looked at the messy square in a daze.

They were completely stunned and their bodies were trembling!

Especially Hong Yunzhi, Chen Qingshan, Qiao Jinsong, and Yuan Shichuan, their faces turned pale!

They had actually always known that Yang Luo was very strong. In their impression, Yang Luo had never lost!

However, they did not expect Yang Luo to be so strong!

The Alliance Master of the Elephant Country Martial Alliance and the nine experts were all killed by him!

No wonder Yang Luo dared to come to the Martial Alliance headquarters!

It turned out that he had been fearless from the beginning to the end!

“Too strong... This kid is simply heaven-defying!”

“The nine experts led by the Alliance Master of the Elephant Country’s Martial

Alliance... were actually... killed by this kid alone!”

“I even feel that this kid is probably not much weaker than our Chief!”

“When did such a powerful young Martial Warrior appear in China’s martial arts world?

Why have I never heard of his existence?”

The Martial Alliance disciples discussed and looked at Yang Luo with fear.

At this moment.

Yang Luo glanced at the square and realized that there were no survivors from the Elephant Country’s Martial Alliance. He waved his hand and said, “Xu Ying, Bujie, Prajna, let’s go!”

“Yes!”

Xu Ying, Bujie, and Prajna agreed and prepared to leave with Yang Luo.

“Stop right there!”

At this moment, Huo Yuanjing roared.

Yang Luo turned around and asked coldly, “Old thing, what else do you want?

Now that the Elephant Country’s Martial Alliance delegation is all dead, are you still going to hand me over to them?”

“B*stard!”

Sun Lanzhi shouted coldly, “You’ve already caused a huge disaster by killing the Alliance Master of the Elephant Country’s Martial Alliance and the Martial Alliance’s delegation!

“I’m afraid that from today onwards, the Martial Alliance of China will not be at peace!”

Yang Luo smiled coldly and said, “If there’s no peace, there’s no peace!

“If the people from the Martial Alliance of the Elephant Kingdom dare to cause trouble again, I’ll kill as many as they come!”

“You, you, you...”

Huo Yuanjing pointed at Yang Luo and was so angry that his face turned red and he was out of breath..

Chapter 513: If I Want to Leave, Who Can Stop Me!

“What about me?”

Yang Luo glanced at him coldly, “Did I say anything wrong?”

“Since you’re Martial Warriors, you should know that Martial Warriors obtain respect through their strength!

Or have you guys been pampered for too long and lost the courage that Chinese Martial Warriors should have?

So what if they are the Martial Alliance of the Elephant Country? What’s there to be afraid of in a place the size of a palm?

Instead of apologizing, backing down, and lowering our head to them!

We might as well kill until they submitted, until they are afraid, until they are terrified!

Only in this way would they not provoke us again!

As the saying goes!

The truth is only within the range of the cannon. Dignity is only above the sword!”

These words made Hong Yunzhi, Chen Qingshan, Qiao Jinsong, and Yuan Shichuan, as well as the tens of thousands of Martial Alliance disciples present, feel their hearts surge and their blood boil!

Even Lu Xingzhou was deeply moved!

Yang Luo was right!

In the martial arts world, strength had always been respected!

Only when you are absolutely powerful would others respect you, fear you, and respect you!

It was useless to blindly admit your mistake, give in, and lower your head!

This will only make others bully you even more!

However, at this moment, Huo Yuanjing and Sun Lanzhi were already dizzy with anger and would not listen to Yang Luo at all!

Huo Yuanjing roared, “Kid, stop talking nonsense!

Not only did you kill the Martial Alliance delegation from the Elephant Country today, but you also shattered the stone tablet at the Martial Alliance headquarters!

Don’t even think about leaving this place today!”

“That’s right. You have to give our Martial Alliance an explanation!”

Sun Lanzhi echoed.

“Explanation? Explain my ass!”

Yang Luo’s eyes were cold as he said in a firm voice, “If I want to leave, who do you think can stop me!”

“B*stard!”

“Seeking death!”

Huo Yuanjing and Sun Lanzhi roared angrily and charged towards Yang Luo!

“Old Huo! Sister Sun! Stop!”

Seeing this, Lu Xingzhou reminded them in surprise.

He had seen Yang Luo’s strength just now.

Even the Alliance Master of the Martial Alliance of the Elephant Country was not his match.

How could Huo Yuanjing and Sun Lanzhi be his match?

Moreover, he admired Yang Luo very much. From the bottom of his heart, he did not want Yang Luo to really die here.

“Vice Alliance Master Huo! Vice Alliance Master Sun!”

Hong Yunzhi, Chen Qingshan, Qiao Jinsong, and Yuan Shichuan also shouted in shock.

They did not expect the two Vice Alliance Masters to really attack.

At the same moment...

As Huo Yuanjing and Sun Lanzhi charged towards Yang Luo, they continuously mobilized the True Qi in their bodies, and their bodies emitted a dazzling light!

Waves of vast and mighty pressure and aura erupted from their bodies, shocking everyone’s hearts!

They had also seen Yang Luo’s strength and knew that he was very strong, so they did not hold back!

They serious the moment they attacked!

However, Yang Luo only stood quietly on the spot and looked at the two of them coldly!

And in the next instant...

Huo Yuanjing and Sun Lanzhi approached Yang Luo and attacked at the same time!

Huo Yuanjing directly punched Yang Luo!

Sun Lanzhi raised her right arm and executed a palm technique that combined hardness and softness!

The two of them were both early-stage Martial King Realm experts. This move was incomparably ferocious!

However, Yang Luo only smiled in disdain!

The moment their fists and palms attacked!

Yang Luo raised his right arm and pushed out with his palm!

At that very moment...

Boom! Boom!

Yang Luo's palm collided heavily with Huo Yuanjing and Sun Lanzhi's fist and palm, erupting with a muffled thunder!

The light was dazzling, and true energy that was like a landslide and a tsunami spread out in all directions!

Huo Yuanjing and Sun Lanzhi originally thought that they could suppress Yang Luo by joining forces!

However, after this exchange, they realized that they could not suppress him at all!

In less than a few seconds!

Rumble!

An explosion resounded!

“Ugh!”

“Alih!!”

Huo Yuanjing and Sun Lanzhi screamed and were sent flying more than ten meters away!

The two of them fell heavily to the ground and spat out a mouthful of blood at the same time!

Yang Luo had injured Huo Yuanjing and Sun Lanzhi with just a palm!

This scene made everyone's hearts jump and their bodies tremble in fear!

“Old Huo, Sister Sun!”

Lu Xingzhou screamed and hurriedly ran over.

“Vice Alliance Master Huo, Vice Alliance Master Sun!”

Hong Yunzhi and the other three also hurriedly ran over.

After sending the two of them flying...

Yang Luo did not stop. Instead, he strode towards the two of them.

As he walked, he said in a booming voice, “You two stupid old fellows. Instead of helping to deal with outsiders, you actually chose to attack me!

Since that's the case, what's the point of me leaving you alive?!”

Seeing that Yang Luo was really going to kill someone...

Hong Yunzhi, Chen Qingshan, Qiao Jinsong, and Yuan Shichuan were all shocked!

The four of them hurriedly stood in front of Yang Luo and pleaded!

“Mr. Yang, I hope you can be magnanimous and let Vice Alliance Master Huo and Vice Alliance Master Sun off!”

“Mr. Yang, please stop. You can't kill them, you can't kill them!”

“Mr. Yang, we're all Chinese. We can't kill each other!”

“Mr. Yang, if you have nowhere to vent your anger, I can even kneel and kowtow to you!”

They knew very well that once Yang Luo really killed Huo Yuanjing and Sun Lanzhi, there was really no way out!

Therefore, they were doing this not only to protect Huo Yuanjing and Sun Lanzhi, but also to protect Yang Luo!

After all, Huo Yuanjing and Sun Lanzhi were the Vice Alliance Masters of the Martial Alliance in China!

China’s Martial Alliance had 36 branches, and the number of Martial Warriors had reached 300,000!

Once Yang Luo completely angered the Chinese Martial Alliance, he would be hunted down by 300,000 Martial Warriors!

No matter how strong Yang Luo was, he could not withstand the endless pursuit of 300,000 Martial Warriors!

At this moment, Huo Yuanjing and Sun Lanzhi, who had been helped up, were also frightened. They looked at Yang Luo with fear.

The two of them trembled and their faces turned pale. Cold sweat broke out on their foreheads.

They could feel that Yang Luo really wanted to kill them and was not scaring them.

Therefore, they shut their mouths and did not dare to even let out a fart.

Yang Luo took a few deep breaths and finally relaxed his fists.

He glanced at Huo Yuanjing and Sun Lanzhi and said loudly, “On account of Alliance Master Hong and the others, I’ll spare your lives today!

If you dare to provoke me again, I won’t care if you’re the Vice Alliance Master or not. I’ll still kill you!”

With that, Yang Luo waved his hand, “Let’s go!”

Seeing that Yang Luo and the other three were about to leave, the disciples of the Martial Alliance headquarters hesitated. They wanted to stop them but did not dare to.

Lu Xingzhou sighed deeply and said, “Let them go.”

Soon, Yang Luo, Xu Ying, Bujie, and Prajna left the Martial Alliance headquarters and disappeared from everyone’s sight.

Only when Yang Luo and the others left completely did everyone dare to relax

Huo Yuanjing asked Lu Xingzhou, “Brother Lu, that kid killed the Martial Alliance delegation from the Elephant Country and shattered the stone tablet of our Martial Alliance headquarters. Why did you let him go?”

“That’s right, this kid must be severely punished!”

Sun Lanzhi added.

Lu Xingzhou said in a low voice, "If we don't let him go, can you keep him?"

Chapter 514: The Capable Do More!

Lu Xingzhou continued, "Besides, not to mention you guys, even I can't stop him."

"What if we join forces?"

Sun Lanzhi asked.

"We can't stop him either."

Lu Xingzhou shook his head.

"What?! Even if we join forces, we can't stop them?!"

"Brother Lu, are you joking?!"

Huo Yuanjing and Sun Lanzhi were both shocked, their eyes filled with disbelief.

One had to know that the two of them were at the early-stage Martial King Realm!

As for Lu Xingzhou, he was at the mid-stage Martial King Realm!

Could it be that the three of them, who were Martial King Realm experts, were not that kid's match even if they joined forces?

Lu Xingzhou said seriously, "I'm not joking with you. I'm telling the truth.

Until that kid left, I couldn't see through his cultivation and strength.

Moreover, I keep feeling that that kid hasn't used his full strength from the beginning to the end."

Hearing this, Huo Yuanjing and Sun Lanzhi were stunned.

He had killed the top ten experts of the Elephant Country in a row, but he still did not use his full strength?

Was this kid even human?

Even Hong Yunzhi, Chen Qingshan, Qiao Jinsong, and Yuan Shichuan were dumbfounded.

Only then did they realize that they still did not know Yang Luo well enough.

Yang Luo's strength had overturned their imagination time and time again, making it difficult for them to let go!

Huo Yuanjing gritted his teeth and said, "No matter how strong this kid is, he's not the Chief's match!

When the Chief comes back, I'll definitely ask him to teach this kid a lesson!"

Sun Lanzhi nodded and said, "That's right. This kid killed the Martial Alliance delegation from the Elephant Country and even shattered the stone tablet!

The Chief will definitely not let this matter rest!"

Lu Xingzhou sighed and said, “Then we’ll decide how to deal with this matter after he returns...”

Hong Yunzhi and the other three looked at each other with worry in their eyes.

Although they did not know how powerful the Chief was...

However, as far as they knew, the Chief had swept through all the experts before he became the Alliance Master of the Martial Alliance of China!

What he relied on was true strength!

It was rumored that the Chief had encountered countless experts who had challenged him over the years, but he had never lost!

If the Chief really wanted to kill Yang Luo, Yang Luo would probably die!

Hong Yunzhi had already decided that he had to inform Yang Luo about this as soon as possible and let him think of a way quickly!

After Yang Luo and the other three left the Martial Alliance headquarters, they hailed a car by the roadside and went straight to the center of Harbor City.

When the four of them arrived at the center of Harbor City, the sky had already darkened.

Therefore, the four of them decided to find a hotel in Harbor City to rest tonight and return to Jiang City tomorrow morning.

After dinner, the four of them found a hotel and returned to their rooms to rest.

After returning to his room...

Yang Luo took a shower and was about to start cultivating when he suddenly received a call on his phone.

He took out his phone and saw that it was a call from Hong Yunzhi, so he picked up the call.

Yang Luo said, “Alliance Master Hong, why are you calling me?

Could it be that you’re here to denounce us like those two old fellows?”

Hong Yunzhi was instantly frightened out of his wits. He hurriedly said, “No, no, no, Mr. Yang, how would I dare to question your crimes!

My life was saved by you. I will never be able to repay your kindness to me in my life!

Even if everyone stands against you, I will still stand firmly on your side!”

Yang Luo smiled and said, “Alright, I was just joking with you.

Tell me, why are you looking for me?”

Hong Yunzhi said in a solemn voice, “Mr. Yang, you shattered the stone tablet at the Martial Alliance headquarters today, killed the Martial Alliance delegation from the Elephant Country, and severely injured Vice Alliance Master Huo and Vice Alliance Master Sun. I’m afraid you’ve really caused a huge disaster!”

Yang Luo asked indifferently, “Alliance Master Hong, this matter didn’t implicate you, right?”

“No.”

Hong Yunzhi replied, "But if the Chief finds out about this, he definitely won't let it go!"

Yang Luo said, "Alliance Master Hong, I, Yang Luo, will take responsibility for my own actions! If this Chief is really as muddle-headed as those two old fellows and insists on killing me, then at most, I'll fight this Chief!"

Hong Yunzhi said anxiously, "Mr. Yang, you have to know that the Chief's strength is very terrifying. It's far from what Vice Master Huo and Vice Master Sun can compare to!

I know you're very strong, but if the Chief really wants to kill you, you'll probably be in danger! Therefore, I'm calling you to ask you to quickly think of a way to resolve this grudge!"

Yang Luo said, "Master Hong, thank you for calling and telling me.

However, I'll take care of this matter. You don't have to interfere."

Hong Yunzhi continued, "By the way, Mr. Yang, other than the fact that the Chief might find trouble with you...

Once the Martial Alliance of the Elephant Country finds out about what happened today, they will definitely not let you off."

"Elephant Country's Martial Alliance?"

Yang Luo sneered and said, "They're just a motley crew. I'm not afraid of them."

Hong Yunzhi sighed and said, "Alright, just be careful..."

After chatting for a while, Yang Luo hung up.

After hanging up, Yang Luo walked to the French window.

He looked up at the distant sky and fell into deep thought.

He was not afraid of the Elephant Country's Martial Alliance.

However, the Chief of the Martial Alliance of China was worthy of his full attention.

Since this Chief could control the entire Martial Alliance of China and make those eccentric and deviant martial artists submit, he was probably not an ordinary person.

However, it was one thing to take it seriously, but it was impossible for him to be afraid just because of that.

If this Chief really wanted to kill him, he would have a chance to fight the Chief.

At this moment, his phone rang again.

Yang Luo was stunned.

Could it be that Hong Yunzhi still had something to explain?

He picked up his phone and took a look. He realized that the person who called was not Hong Yunzhi, but the pavilion master of the Hidden Dragon Pavilion, Mo Qingkuang.

Yang Luo was shocked when he saw the caller ID!

Could it be that he was going to Country Sakura to carry out a mission now?

Yang Luo quickly picked up the call.

As soon as the call went through...

Yang Luo asked, "Brother Mo, why are you calling me so late at night?"

Could it be that I'm going to Country Sakura to carry out a mission now?"

Mo Qingkuang smiled and said, "Of course not. I called you for something else."

"What is it regarding?"

Yang Luo asked.

Mo Qingkuang said, "In the past few days, there have been water monsters in Tianjing Village in Sichuan. Many villagers have died, making everyone panic.

Therefore, I've already sent Tian Zhen, Leng Yue, and the others to Tianjing Village to deal with this matter.

But I feel a little uneasy, so I want you to go over and help."

The corners of Yang Luo's mouth twitched as he said, "Alright, so you're here to recruit people in the middle of the night?"

Mo Qingkuang laughed out loud and said, "Brother Yang, the capable do more work.

Moreover, our Hidden Dragon Pavilion is short of manpower now, so we can only trouble you to make a trip."

Yang Luo said angrily, "I keep feeling that joining your Hidden Dragon Pavilion was a trap!"

Chapter 515: We're Fellow Daoists!

Mo Qingkuang chuckled happily, "How can that be? There are still many benefits to joining our Hidden Dragon Pavilion!"

Yang Luo said, "Alright, alright, stop talking nonsense. Tell me, when are we leaving?"

Mo Qingkuang said, "The sooner the better. It's best if we move now!"

"Alright, I understand."

Yang Luo responded and hung up.

After hanging up, Mo Qingkuang sent the exact address.

Yang Luo shook his head helplessly.

He really had a hard life.

The matter with the Chinese Martial Alliance had just come to an end, but the Hidden Dragon Pavilion had another mission.

Most importantly, he had no choice but to accept this mission.

Firstly, he was the Deputy Pavilion Master of the Hidden Dragon Pavilion.

Secondly, Tian Zhen, Leng Yue, and the others were his friends, so he definitely had to help.

Thinking of this, Yang Luo called Xu Ying, Bujie, and Prajna and called them over.

As soon as he entered, Bujie shouted, “Brother Yang, why did you call us over so late at night?”

Yang Luo said, “Just now, Pavilion Master Mo of the Hidden Dragon Pavilion called me and said that there were water monsters in Tianjing Village in Sichuan. Many people died.

“Now, the Hidden Dragon Pavilion has already sent people over to deal with it, but Pavilion Master Mo is worried that it will be dangerous, so he asked me to go over.

“Do you want to go with me? If you don’t want to, you can go back to Jiang City tomorrow.”

“Are you fighting water beasts?”

Bujie’s eyes immediately lit up. “This is interesting. Go, of course I have to go!

It just so happens that I also want to see what’s different about those people from the Hidden Dragon Pavilion!”

“I want to go too!”

Prajna also raised her hand.

Xu Ying smiled and said, “Brother Yang, you can’t leave us behind!”

“Alright, let’s go together!”

Yang Luo nodded in agreement.

Then, Yang Luo booked four tickets for the fastest flight to Sichuan’s Rong City.

After leaving the hotel, the four of them went straight to Harbor City Airport.

After arriving at Harbor City Airport, the four of them waited for a while before boarding the plane to Chengdu.

Harbor City was still quite far from Rong City.

Therefore, when Yang Luo and the others arrived at Rong City, it was already past one in the morning.

After walking out of the airport, Yang Luo and the others hailed a taxi.

As soon as they got into the car, the driver asked, “Where are you going?”

Yang Luo replied, “Sir, please send us to Tianjing Village.”

“Where?! Tianjing Village?!”

The driver’s expression changed as he said in horror, “Brother, haven’t you heard?”

“Heard what?”

Yang Luo asked.

The driver gulped and said, “It’s said that many people have died because of the water monsters in Tianjing Village these few days!

Now that the villagers of Tianjing Village have been evacuated and the village has been sealed off, outsiders can’t enter at all!”

Yang Luo smiled and said, “Sir, you’re quite well-informed.”

“Of course.”

The driver spoke out in a smug tone, “There’s nothing I don’t know about what happens every day in Rong City.”

“Impressive.”

Yang Luo gave him a thumbs up and said, “Sir, we’re reporters from overseas. We heard that there are water monsters in Tianjing Village, so we want to interview the people there.

Please send us there.”

However, the driver still shook his head repeatedly and said, “Brother, forget it. It’s better if you don’t go.

If you go and lose your life there, it won’t be worth it.”

Yang Luo said, “Sir, as long as you send us to Tianjing Village, I’ll give you five thousand yuan.

Of course, you just have to send us to the entrance of the village. You don’t have to go in. How about that?”

“This...!”

The man got a little hesitant.

Without another word, Yang Luo took out his phone and scanned the QR code on the car. He transferred 5,000 yuan.

Ding!

After receiving the transfer message, the driver gritted his teeth and made up his mind.

“Alright, 1’11 send you there!”

As he spoke, the driver started the car and left the airport.

The car drove for more than an hour before arriving near Tianjing Village.

Originally, Yang Luo wanted the driver to get a little closer, but the driver refused to budge no matter what.

Yang Luo could only give up and get out of the car with Xu Ying, Bujie, and Prajna.

After Yang Luo and the other three got out of the car, the driver turned around and left in a hurry.

Bujie curled his lips and said, "Is this guy so timid?"

Yang Luo said, "This kind of thing is still very scary for ordinary people.

Alright, let's not talk anymore. Hurry up."

Then, Yang Luo and the other three ran towards Tianjing Village.

After running for a full three miles, Yang Luo and the other three finally arrived at the entrance of Tianjing Village.

He saw that there were many cars parked at the entrance of the village and a cordon had been set up.

Many members of the Hidden Dragon Pavilion in black uniforms were guarding there.

When they saw Yang Luo and the others coming over, a few members of the Hidden Dragon Pavilion immediately walked over.

A member of the Hidden Dragon Pavilion said in a loud voice, "The village is investigating a case. Unrelated people are not allowed to enter the village!"

Yang Luo took out the Hidden Dragon Token and said, "I'm the Deputy Pavilion

Master of the Hidden Dragon Pavilion, Yang Luo. I've been ordered by Pavilion Master Mo to deal with this case!"

When the few members saw the Hidden Dragon Token in Yang Luo's hand, their expressions immediately changed. They quickly stood at attention and bowed to Yang Luo!

"Greetings, Deputy Pavilion Master Yang!"

"Hmm."

Yang Luo nodded and said, "Bring me to see Team Leader Tian and the others."

"Yes!"

One of the members responded and led the way.

Yang Luo and the other three followed.

Bujie smacked his lips and said, "Brother Yang, how many tokens do you have? Why is every one of them so useful?"

"A few, I think."

Yang Luo replied before shaking his head, "If possible, I'd rather not have these tokens.

After all, every token represents a responsibility."

Bujie nodded and said, "That's why it's said that with great power comes great responsibility!"

They walked for more than ten minutes.

Under the lead of the Hidden Dragon Pavilion member, Yang Luo and the other three arrived at a lake.

The lake covered a large area and was surrounded by a dense forest. In the distance, there were mountains that rose and fell.

He saw that the lake not far away was filled with people.

Tian Zhen, Feng Lengyue, Lan Xiaomeng, and the others were among them.

Yang Luo shouted, "Tian Zhen, Leng Yue, Little Meng!"

Upon hearing his voice...

Tian Zhen and the others turned around.

"Brother Yang!"

"Brother Yang!"

"Brother Yang is here!"

Tian Zhen and the others' faces were filled with joy as they hurriedly ran over.

"Brother Yang, I haven't seen you for a while. I missed you so much!"

Lan Xiaomeng, who was wearing a princess dress, pounced over and hung on Yang Luo like a koala.

Yang Luo chuckled and said, "Little Meng, I missed you guys too."

"Brother Yang, why are you here?"

Tian Zhen asked curiously.

Yang Luo said helplessly, "A few hours ago, Brother Mo called me and said that you guys came here to deal with the water monsters."

He was worried that you would get into danger, so he asked me to help."

Feng Lengyue smiled and said, "Brother Yang, with you around, there won't be any problems with this mission."

But at this moment...

Zuo Wei pointed at Bujie and said coldly, "Team Leader Feng, this monk just said that your legs are so long that he can play with them for a year."

As soon as these words were spoken...

Bujie was instantly stunned as he looked at Zuo Wei in a daze.

What the f*ck...

What was going on?

How did this guy know what he was thinking?

Hearing Zuo Wei's words, Feng Lengyue frowned slightly.

If not for the fact that Bujie had come with Yang Luo, she would have attacked long ago.

Zuo Wei glanced at Bujie and said, “Monk, why do you have the same thoughts as Brother Yang when he first met Leader Feng?”

“Because Brother Yang and I are kindred spirits!”

Bujie grinned and said, “Brother, what’s wrong with you? How can you know what I’m thinking?”

Chapter 516: Wuhou Qimen!

Yang Luo said, “Bujie, this guy is an Esper. He has the ability to sense what others are thinking.”

“Holy shit!”

Bujie looked at Zuo Wei in surprise. “Brother, your ability is awesome. It’s simply a bug!”

Zuo Wei smiled and scratched his head, “It’s alright, it’s alright.”

Tian Zhen looked at Bujie, Xu Ying, and Prajna and asked, “Brother Yang, who are these three?”

Yang Luo said, “These three are my friends, Xu Ying, Bujie, and Prajna.

This time, they’re also here to help.”

After that, Yang Luo introduced Tian Zhen and the others to Xu Ying and the other two.

After Yang Luo’s introduction...

Zuo Wei spoke again, “Team Leader Lan, this monk said that how did a little loli like you become the leader of the Esper Team?”

“F*ck...”

Bujie looked at Zuo Wei speechlessly, “Brother, can you not say what I’m thinking?”

At this moment, Lan Xiaomeng walked towards Bujie. She raised her head slightly and said, “Are you looking down on me, bald donkey?”

Bujie smiled and shook his head, “Team Leader Lan, that’s not what I meant.”

“No, that’s exactly what you mean.”

Lan Xiaomeng narrowed her eyes and said, “Looks like you won’t be convinced until I show you my ability!”

“Ability?”

Bujie was stunned for a moment, “What ability?”

Right as he finished his sentence...

Crack, crack, crack!

Accompanied by the sound of bones exploding!

Lan Xiaomeng's body instantly grew to three meters tall. Her princess dress exploded, and her strong muscles bulged out of her tights!

“What the f*ck! Demon Muscle Man?!”

Bujie looked up at Lan Xiaomeng and was dumbfounded.

Not only Bujie, but Xu Ying and Prajna were also dumbfounded.

They had never expected that the originally petite and adorable Lan Xiaomeng would suddenly become so tall and strong!

Lan Xiaomeng raised a thick arm, waved her fist, and said with a smile, “Bald donkey, why don't we spar?”

“No, no, no, forget it!”

Bujie shook his head like a rattle drum.

What a joke!

This girl's fist was as big as his head. Wasn't fighting her asking for trouble?

Bujie turned to look at Yang Luo and said with a half-crying and half-laughing expression, “Brother Yang, the people of this Hidden Dragon Pavilion are really different!”

Yang Luo held back his laughter and said, “You'll get used to it. You'll get used to it.”

At this moment...

A voice sounded.

“Old Tian, I went to check just now. There's no movement in the lake at all.

I don't think that water monster will come out tonight.”

A middle-aged man walked over with seven young men and women.

After approaching, the middle-aged man glanced at Yang Luo and said, “Old Tian, this is?”

Tian Zhen introduced, “This is Mr. Yang, who just joined our Hidden Dragon Pavilion not long ago. He's also the deputy pavilion master of our Hidden Dragon Pavilion and the leader of the Heavenly Doctor Team.”

After that, Tian Zhen introduced Yang Luo, “Brother Yang, this is the leader of our Hidden Dragon Pavilion's Array Formation Team, Zhuge Changfeng.”

“Hello, Team Leader Zhuge.”

Yang Luo stretched out his hand to Zhuge Changfeng.

Previously, Tian Zhen had introduced the Hidden Dragon Pavilion to him.

There were a total of five groups in the Hidden Dragon Pavilion previously, namely the Martial Arts Team, the Mystic Arts Team, the Array Formation Team, the Esper Team, and the Intelligence Team.

This was the first time he had seen the team leader of the Array Formation Team.

Zhuge Changfeng didn't extend his hand. He just looked Yang Luo up and down and said with a frown, "It seems that Pavilion Master Mo's taste isn't very good. He actually let such a young brat be the Deputy Pavilion Master."

He even specially created the Heavenly Doctor Team for this kid. What right does this kid have?"

"That's right. How can we let a brat be our deputy pavilion master!

"What ability does this kid have that Pavilion Master Mo values him so much?"

The young woman behind Zhuge Changfeng also said disdainfully.

Yang Luo asked, "Miss, you are?"

The young woman raised her head and said, "Then you have to listen carefully!

My name is Zhuge Yu. Not only am I a member of the Hidden Dragon Pavilion's Array Formation Group, but I'm also the successor of the Wuhou Qimen!

At the same time, our team leader and my six fellow disciples are also the successors of the Wuhou Qimen!"

"Wuhou Qimen?"

Yang Luo nodded in realization and said, "So you're Mr. Crouching Dragon's descendant. Sorry for the disrespect."

Mr. Crouching Dragon, also known as Zhuge Liang, was the prime minister of the Three Kingdoms of Shu Han.

It was rumored that Zhuge Liang knew astronomy from the top, geography from the bottom, and people from the middle.

He mastered Yin and Yang, learnt the Eight Trigrams, was proficient in Qimen, and understood Dunjia.

He was adept in strategies, deciding victory from a thousand miles away.

He was an extraordinary person that had been passed down for thousands of years.

Even though the world had mixed opinions of Mr. Crouching Dragon, he was still quite respected.

"It's good that you know. The glory of our ancestors can't be explained in a few words."

Zhuge Yu became even more smug.

The other six people also raised their heads, their eyes filled with arrogance.

Zhuge Changfeng also stood with his hands behind his back and said, "Kid, everyone who joins our Hidden Dragon Pavilion has real talent.

People without ability can't stay in our Hidden Dragon Pavilion for long."

When everyone saw that Zhuge Changfeng and the others were mocking Yang Luo in between the lines...

Tian Zhen was instantly displeased.

He said in a low voice, "Brother Zhuge, Brother Yang is quite capable. Don't underestimate him."

"Oh?"

Zhuce Changfeng asked jokingly, "What ability does he have? Tell me."

Before Tian Zhen could speak...

Feng Lengyue directly said, "Brother Yang's martial arts are outstanding, his medical skills are extraordinary, and his spells are peerless. He's much stronger than us!

Not long ago, we were ordered by Pavilion Master Mo to go to Mount Tai to destroy the Eighth Hong Pagoda!

If not for Brother Yang, not to mention breaking the tower, even surviving would be a problem!

If you want to show off, I can't control you!

However, please respect Brother Yang!"

In the Hidden Dragon Pavilion, Feng Lengyue and Zhuge Changfeng had never been on good terms.

After all, one of them was the successor of Fuukou Qimen, while the other was the successor of the Wuhou Qimen.

The two of them were very similar in their fields, so they often competed in secret.

"Hmph!"

Zhuce Changfeng snorted and said, "I, Zhuce Changfeng, only respect people with true ability!

As for those fellows who relied on their connections to enter the Hidden

Dragon Pavilion, I don't fancy them!

Also, you said that his martial arts are outstanding, his medical skills are extraordinary, and his spells are peerless. I don't believe it even more!

This kid is so young. How can he step into so many domains at the same time, let alone master them?!"

"What's wrong with you? How dare you look down on my Brother Yang?"

Bujie was instantly enraged. He picked up the Dragon-Mark Buddhist Staff and was about to attack.

Xu Ying and Prajna's expressions turned cold.

They were very unhappy that someone looked down on Yang Luo.

Yang Luo said, "Bujie, stop."

As he spoke, Yang Luo shook his head at Xu Ying and Prajna.

Only then did the three of them suppress the anger in their hearts and not attack.

Tian Zhen said, "Brother Yang, Brother Zhuge is a straightforward person. Don't take it to heart."

Yang Luo said indifferently, "I won't stoop to the level of such a person."

Zhugue Changfeng sneered and said, "I'm too lazy to lower myself to your level."

Tian Zhen quickly changed the topic and said, "Brother Zhuge, did you say that the water monster won't come out tonight?"

"That's right."

Zhugue Changfeng nodded and said, "Just now, I brought people to use the Qimen Dunjia Technique to investigate. I can confirm that this water monster won't come out tonight.."

Chapter 517: Nine Heavens Dragon Roar!

Tian Zhen frowned and said, "What should we do? We've been guarding here for Three days.

If this water monster doesn't come out, won't we have to keep guarding?"

Feng Lengyue also said, "We've already moved all the villagers out.

If too much time passed, the villagers would definitely be in a bad mood.

"Moreover, Pavilion Master Mo asked us to settle this matter as soon as possible and restore the normal lives of the villagers."

Zhugue Changfeng sighed and said, "It can't be helped.

if this water monster doesn't come out, we won't be able to deal with it."

Tian Zhen and the others were also at a loss, not knowing what to do.

At this moment, Yang Luo suddenly asked, "Are you sure that the water monster is here?"

"Quite sure!"

Tian Zhen nodded and said, "Previously, a villager photographed that water monster!

Moreover, many villagers were bitten to death by that water monster and even eaten!"

Yang Luo nodded and said, "In that case, I can try to call out this water."

"Call out the monster?"

Zhugue Changfeng sneered, "Kid, do you think the water monster is a human?

Do you think it will come out just because you call it?"

Zhugue Yu also mocked, "Kid, can you use your brain if you want to ask a question?

If you have no choice, then shut up and don't speak. This will make you look very ignorant!"

Tian Zhen, Feng Lengyue, Lan Xiaomeng, and the others also looked at Yang Luo in confusion.

if they didn't know that Yang Luo was very capable, they would have thought that he was jolting.

Yang Luo did not say anything else. Instead, he walked to the lake and looked up at the calm lake in the distance.

He looked around and observed the surrounding terrain.

This terrain was very easy to gather qi, and the spiritual qi was relatively abundant. It could indeed attract some mutated beasts.

Thinking of this...

His heart skipped a beat!

There might be demon beasts hiding in this lake!

if that was the case, this trip would not have been in vain!

Tian Zhen and the others also followed, wanting to see how Yang Luo would call out the water monster.

Zhuge Changfeng and the others stood on the spot and sneered.

“Old Tian, Team Leader Feng, Team Leader Lan, do you really believe that this kid can just simply call out the water monster?”

Is there something wrong with this kid's brain? Could it be that there's something wrong with your brains too?”

Zhuge Changfeng mocked.

Tian Zhen said, “In any case, we have no choice now. Why don't we let Brother Yang give it a try?”

Zhuge Changfeng said, “Go ahead and try. I want to see how this kid can call them out.”

The other seven members of the Array Formation Team also crossed their arms and waited to see a joke.

Yang Luo stood by the lake and took a deep breath. Then, he continuously mobilized the True Qi in his body!

Then, he opened his mouth and let out a deafening roar towards the lake in the distance!

“ROAR...”

This roar shook the heavens and earth. It was simply like the roar of a Nine Heavens Divine Dragon!

Everyone present was so shocked that their eardrums rumbled!

If not for everyone circulating their energy to block in time, their eardrums would have been shattered!

Therefore, the move Yang Luo used was a cultivation technique recorded in the Nine Heavens Dragon Taming Technique, called the Nine Heavens Dragon Roar!

In Yang Luo's opinion, dragons were the masters of all beasts.

Any mutated beast would be shocked when they heard the dragon roar.

Therefore, he wanted to rely on this cultivation technique to scare the water monster hiding in the lake out.

As the sound wave spread...

Boom! Boom! Boom!

The surface of the lake exploded into huge waves!

The surrounding forest and the distant mountains shook gently!

Not long after...

Whoosh! Whoosh!

The lake water began to surge violently!

Right on the heels of that...

Everyone saw a huge creature float out of the water and swim over quickly!

As the moon was very big tonight, everyone could see the appearance of this huge creature clearly!

It was a crocodile that was more than 20 meters long and looked like a train. The scales on its body were as sharp as blades and flickered with a dazzling golden light!

“Oh my god, what a huge crocodile!”

Seeing this, Bujie could not help but exclaim.

“So there really are water monsters!”

Prajna also cried out in surprise, her pretty face turning slightly pale.

“It's out, the water monster is out!”

Lan Xiaomeng shouted excitedly.

Tian Zhen, Feng Lengyue, and the others were also stunned!

They did not expect Yang Luo to really call out the water monster!

Especially Zhuge Changfeng and the others, they were even more surprised!

Zhuge Yu curled her lips and said, “This kid is quite capable. He actually called out this water monster!”

Zhuge Changfeng snorted coldly and said, “What's the use of just calling out the water? In the end, we still have to deal with this water monster!”

As he spoke, Zhuge Changfeng led the seven of them to the lake.

Zhuge Changfeng said proudly, “Old Tian, Team Leader Feng, Team Leader

Lan, leave this water monster to our Array Formation Team to deal with!

You just have to watch from the shore!’ 1

Tian Zhen frowned and said, “Brother Zhuge, this monster looks a little powerful. It’s better for us to join forces!”

Zhuge Changfeng teased, “Old Tian, are you afraid that we will take the credit?” Tian Zhen was instantly displeased, “How can you think that way? I just feel that if we join forces, we have a higher chance of killing this monster!”

“Don’t worry, the eight of us can handle it!”

Zhuge Changfeng waved his hand and jumped into the lake with the seven of them.

Then, Zhuge Changfeng and the others stepped on the waves and rushed towards the monster!

“Brother Yang, can the eight of them do it alone?”

Feng Lengyue asked Yang Luo.

Yang Luo shook his head and said, “It’s impossible for the eight of them to kill this golden-armored crocodile!

“This golden-armored crocodile is one of the demon beasts. Moreover, it has cultivated for more than 300 years. It s very powerful!”

“This is a demon beast?!”

A hint of fear appeared in Feng Lengyue”s eyes.

“That’s right.”

Yang Luo nodded in reply.

in fact, when he saw the golden-armored crocodile surface, he was certain that it was a demon beast that had cultivated for more than 300 years.

If he could obtain this demon beast’s inner core to assist in his cultivation, his cultivation would definitely break through again.

Tian Zhen said anxiously, “Since Brother Zhuge and the others can’t deal with it, let’s hurry up and help!”

Yang Luo narrowed his eyes and said, “Don’t be in such a hurry. Since Team Leader Zhuge wants to perform, let him do it.

“Don’t worry, if they really can’t deal with it, it won’t be too late for us to attack.”

Lan Xiaomeng snorted, “Brother Yang is right. Let’s not attack first.

“It’s good to let Zhuge Changfeng, this show-off, suffer.”

“Then... alright.”

Tian Zhen sighed and nodded.

At the same moment...

Zhuge Changfeng had already rushed to the center of the lake with seven people!

“Set up the formation!”

He shouted and mobilized the True Qi in his body to the limit. Then, he stepped into the water!

The other seven people also mobilized the True Qi in their bodies and stepped into the water!

And in that instant!

Eight colorful pillars of light soared into the sky from the eight of them, illuminating the night!

Soon, the eight pillars of light crisscrossed on the water surface, turning into a mysterious array formation that trapped the golden-armored crocodile!

As the array formation condensed into form!

Ancient formation patterns and runes condensed into form and circulated in the array.. It was extremely mysterious!

Chapter 518: Foolish Person!

The positions where Zhuge Changfeng and the others were standing corresponded to Qian, Kun, Xun, Dui, Gen, Zhen, Li, and Kan!

Above Zhuge Changfeng and the others, eight dazzling words flashed!

Yang Luo nodded and said, “It seems that Team Leader Zhuge is quite capable to be able to set up the Eight Trigrams Array that Mr. Crouching Dragon created so quickly.”

Tian Zhen said, “Brother Zhuge is a direct descendant of the Wuhou Qimen Sect. He’s also a prodigy of the Wuhou Qimen Sect and is very talented.

It was precisely because of this that he was so arrogant.

However, Brother Zhuge still respects people with true ability.

For example, towards Pavilion Master Mo, Brother Zhuge is convinced. He will listen to anything he says.”

Just as Tian Zhen was speaking!

“ROAR...”

The golden-armored crocodile let out a roar and attacked the array!

It opened its huge mouth and spat out a stream of flames!

The crimson flames seemed to have transformed into a long river of flames that charged towards the array!

“Activate the formation!”

Northern Water!”

Seeing this, Zhuge Changfeng immediately shouted and poured the True Qi in his body into the array!

The other seven people also mobilized the True Qi in their bodies and poured it into the array!

And in the next instant...

A huge wave surged from the array and collided with the flame!

Crack!

The river of flames collided with the huge wave, emitting a shocking collision sound!

The golden-armored crocodile opened its bloody mouth again and spat out four energy beams!

These four energy beams contained the four attributes of metal, wood, fire, and earth!

“Eastern Wood!

Southern Fire!

Western gold!

Metal of the Center!”

Zhuce Changfeng also let out a roar and continued to operate the formation with the other seven people!

The array also erupted with four attribute energies to restrain the energy beam spat out by the golden-armored crocodile!

Rumble!

A series of earth-shattering explosions sounded on the surface of the lake, spreading for several kilometers!

Fortunately, all the villagers had been moved out. If the villagers saw this scene, they would definitely be shocked silly!

However, what shocked Zhuge Changfeng was...

The eight of them could only temporarily trap the golden-armored crocodile with the array formation. It was impossible for them to kill it!

Zhuce Changfeng’s face darkened and he said loudly, “Continue to activate the array!”

“Yes!”

The other seven responded in unison.

Soon, the Eight Trigrams Array continued to activate, and layers of minor arrays condensed within the main array!

In just a few minutes!

32 minor formations condensed in the formation and attacked the golden-armored crocodile at the same time!

Boom! Boom! Boom!

The 32 minor formations continuously collided with the golden-armored crocodile, erupting with muffled thunder!

Under the suppression of the 32 minor formations!

Many of the golden scales on the golden-armored crocodile's back fell off and blood flowed down!

“Hahaha...”

Seeing this, Zhuge Changfeng threw his head back and laughed, “Evil creature, die!”

On the distant shore.

Lan Xiaomeng pouted and said, “Looks like this guy really stole the limelight today.”

Bujie curled his lips and said, “At least this guy has some ability.”

Yang Luo only said indifferently, “This golden-armored crocodile was just probing just now. The real battle has only begun now.

If Team Leader Zhuge could condense all the minor formations contained in the Eight Trigrams Formation, which is a total of 64 minor formations, he could severely injure this golden-armored crocodile.

Unfortunately, he can only condense 32 minor arrays. Not to mention killing the golden-armored crocodile, he can't even severely injure it.”

At this moment!

“ROAR...”

The golden-armored crocodile let out a deafening roar and attacked the array crazily!

Dang, dang, dang!

Every collision caused the lake to tremble and the mountains to shake. It was extremely terrifying!

Zhuge Changfeng shouted, “Don't let this beast out!”

“Yes!”

The other seven people replied loudly.

Zhuge Changfeng led the seven of them and continued to mobilize the True Qi in their bodies to increase the power and defense of the formation. They wanted to stop the golden-armored crocodile from escaping!

However, their efforts only lasted for less than five minutes!

Crack!

All the minor arrays and the main array completely collapsed and exploded, turning into vast and majestic energy that spread out!

“Ahhhh...”

Zhuge Changfeng and the others let out a blood-curdling scream as they were sent flying!

At this moment.

After the golden-armored crocodile destroyed the formation, it did not stop. It suddenly swung its huge tail and smashed towards Zhuge Changfeng and the others with a force akin to several tons!

“Quickly dodge!”

Zhuge Changfeng immediately reminded loudly and dodged to the side.

However, the other seven people could not dodge in time and were hit by the huge tail!

Puff! Puff! Puff!

The seven of them spat out blood and were sent flying again.

“Little Yu...”

Seeing this, Zhuge Changfeng shouted in shock.

He never expected this monster to be so ferocious!

Even the Eight Trigrams Array set up by the eight of them could not trap it!

Before his voice could fade...

The golden-armored crocodile charged towards Zhuge Changfeng!

“Evil creature, you’re courting death!”

Zhuge Changfeng roared and struck out with his palm!

Although his palm was powerful, it could not withstand the collision of the golden-armored crocodile at all and he was sent flying!

As he was sent flying, he spat out a mouthful of blood!

He flipped a few times in the air and landed on the lake. He shouted, “Run, run quickly!”

As he spoke, he led the seven of them and ran towards the shore!

Meanwhile, the Golden Armored Giant Crocodile was chasing them crazily, wanting to eat Zhuge Changfeng and the others!

Zhuge Changfeng ran wildly as he shouted at Tian Zhen and the others on the shore, “Run! Run quickly! This monster is too strong! We are no match for it!

“I’m afraid only the Pavilion Master and the elders can destroy this monster!”

“Brother Yang, what should we do now?”

Tian Zhen hurriedly asked Yang Luo.

“Brother Yang, this monster is so powerful. Can we kill it?”

Lan Xiaomeng asked in horror.

Yang Luo did not say anything. Instead, he jumped into the lake and walked on the waves towards the golden-armored crocodile.

At this moment, Zhuge Changfeng and the others brushed past Yang Luo.

“Kid, where are you going? Could it be that you want to send yourself to your death?”

Zhuge Changfeng held his chest and asked in a daze.

Yang Luo did not reply. Instead, he continued walking towards the golden-armored crocodile.

Zhuge Changfeng waved his hand and said, “If you want to die tempting fate, then go and die!”

Soon, Zhuge Changfeng and the others jumped onto the shore and sat on the ground, panting heavily.

If they had not escaped in time just now, they would probably have been swallowed by this monster.

Meanwhile, the golden-armored crocodile was getting closer and closer to Yang Luo!

Zhuge Changfeng shook his head and said, “What a stupid guy. He actually dared to go and deal with this monster alone.

“What is Pavilion Master Mo thinking? Why would he choose such a stupid and incompetent fellow to be the Deputy Pavilion Master of the Hidden Dragon Pavilion?”

Zhuge Yu said mockingly, “Who cares? Anyway, he has a death wish. It has nothing to do with us.”

At this moment, even Tian Zhen and the others, who had seen Yang Luo’s strength, looked worried!

“Will Brother Yang be alright?”

Lan Xiaomeng asked in a trembling voice..

Chapter 519: Complete Eight Trigrams Array!

Bujie smiled and said, “Since Brother Yang dares to make a move, he naturally has full confidence.

Don’t worry, nothing will happen.”

Before his voice could fade...

The golden-armored crocodile had already reached Yang Luo!

It opened its huge mouth and bit at Yang Luo!

However, Yang Luo’s expression did not change. He directly twisted his fist and punched the charging golden-armored crocodile!

DONG!

A loud bang resounded in the night sky!

The next second!

“Howl!”

The golden-armored crocodile let out a painful cry and its huge body was sent flying dozens of meters away, exploding into a large wave!

By the time the golden-armored crocodile stabilized its body, some of the golden scales on its head had fallen off, and blood kept flowing down!

Seeing this scene...

Other than Xu Ying, Bujie, and Prajna, everyone else on the shore was dumbfounded!

“Good job, Brother Yang!”

Lan Xiaomeng waved her fists excitedly.

Only then did Tian Zhen, Feng Lengyue, and the others heave a sigh of relief.

Feng Lengyue sighed, “As expected of big brother Yang. He’s still so powerful.”

Zhugue Yu said in a daze, “Team Leader, this guy is quite powerful. He actually sent this monster flying with a punch!”

Although Zhugue Changfeng was shocked in his heart, he said, “This can only prove that he has more strength.

It’s impossible for this kid to kill this monster...”

Before he could finish speaking!

DONG!

Another terrifying collision sounded!

Yang Luo threw another punch and sent the golden-armored crocodile flying to the center of the lake!

Crack!

A large amount of water exploded in the center of the lake again, like a fountain. It was extremely spectacular!

Zhugue Changfeng said awkwardly, “It’s still the same as before. This can only prove that this kid is very strong...”

At the same moment...

“Roar, roar, roar!”

The golden-armored crocodile was completely enraged. It raised its head and roared. It slashed through the waves and rushed towards Yang Luo crazily!

The moment the golden-armored crocodile rushed over!

Yang Luo instantly mobilized the True Qi in his body. Then, he suddenly stomped down and let out a roar!

“Eight Trigrams Formation!”

At that very moment...

Rumble rumble rumble!

With Yang Luo as the center, the entire lake shook violently!

Waves soared into the sky one after another, as if they were connected to the sky and the lake!

The next second!

A huge golden Eight Trigrams Array condensed and surrounded the golden-armored crocodile!

As the Eight Trigrams Formation condensed into form!

Countless mysterious runes flickered and circulated in the array, complicated and mysterious!

“How... how is this possible?!”

He... he actually knows the Eight Trigrams Array?!

“Moreover... Moreover, he set up the Eight Trigrams Array alone?!”

Seeing this, Zhuge Yu could not help but exclaim, her voice trembling.

The other six members of the Array Formation Team were also stunned and speechless!

Zhuce Changfeng suppressed the shock in his heart and said, “What’s wrong with that? If he doesn’t even have this ability, he won’t be able to be the head of the Hidden Dragon Pavilion...”

However, this was only the beginning!

Yang Luo waved his hand and started to call out!

“Heaven Overturning Formation, Earth Carrier Formation, Windstorm

Formation, Cloudfall Formation, Dragon Flying Formation, Tiger Wing

Formation, Bird Soaring Formation, Snake Coiling Formation!”

And in the next instant...

Eight minor array formations condensed in the array formation!

As the eight array formations appeared!

In an instant...

In the sky above the lake, wind and clouds surged, mountains rose and fell, the sun and moon rotated, golden dragons surged, tigers roared, giant birds flew, and flying snakes danced!

All kinds of illusions appeared in the eight array formations, shocking everyone on the shore!

Moreover, after the eight array formations condensed into form, they did not stop there. Instead, they continued to evolve!

One turned into two, two turned into three, three turned into four...

In less than a minute...

There were a total of 64 minor arrays condensed in the entire Eight Trigrams Array!

At this moment...

A dazzling golden light flickered in the center of the lake!

The main array formation was the foundation, and the 64 minor array formations were supplementary. They rotated on the lake surface, and it was extremely mysterious!

Zhuge Yu's eyes almost popped out as she said with a trembling voice, "Team Leader... This guy actually set up a complete Eight Trigrams Array alone..."

Even the head of our Zhuge family can't do it...

The only people who could set up a complete Eight Trigrams Array alone at this age...

Are only those few elders..."

Zhuge Changfeng gulped. He wanted to say something, but he couldn't say anything.

He had never expected this brat in front of him to be so powerful.

Could it be that what Tian Zhen and Feng Lengyue said was true?

This kid was both a martial dao master, a spell master, and a medical master?

"Brother Yang is really too powerful. Not only does he know the Fuukou Qimen technique, but he also knows the Wuhou Qimen technique..."

Feng Lengyue spoke in a daze. The shock in her heart was indescribable.

Lan Xiaomeng clicked her tongue and said, "Where did the Pavilion Master find such a godly person? Why does Brother Yang seem to know everything?"

Tian Zhen and the others were also dumbfounded. They had no words to reply to her question.

At this moment, in the center of the lake.

"Roar, roar, roar!"

The golden-armored crocodile let out roars and spat out energy beams. It wanted to shatter the array, but it could not do it at all!

"Suppress!"

Yang Luo shouted and suddenly waved his hand!

The main formation and the 64 minor formations attacked at the same time, shooting towards the golden-armored crocodile!

Boom! Boom! Boom!

The earth-shattering sound of collision resounded continuously!

"Howl..."

The golden-armored crocodile let out tragic cries. The scales on its body were blasted flying, and blood spurted out uncontrollably!

The golden-armored crocodile roared angrily and used its huge and strong body to attack the array!

“Let’s go and help!”

Tian Zhen shouted and jumped onto the lake, running towards the center!

Xu Ying, Bujie, Prajna, Feng Lengyue, Lan Xiaomeng, and the others also followed!

After arriving at the center of the lake...

Tian Zhen and the others stood outside the array and attacked the golden-armored crocodile in the array!

Dong, dong, dong!

Boom! Boom! Boom!

Another series of earth-shattering collisions and explosions resounded!

Just the array alone was already unbearable for the golden-armored crocodile!

Now, coupled with the attacks of Tian Zhen and the others, the injuries on the golden-armored crocodile were increasing at a rapid pace!

“Roar...”

The golden-armored crocodile went completely crazy and roared at the sky. Its entire body trembled and it instantly mobilized the energy in its body to the limit before erupting!

And in that instant!

Waves of earth-shattering energy rushed out of its body, as if it wanted to destroy everything!

“Everyone, be careful. Retreat!”

Yang Luo shouted at Tian Zhen and the others.

He could sense that this beast had instantly erupted with all the origin power in its body.

Rumble!

However, no one could retreat in time. The main array and the 64 minor arrays exploded one after another!

The energy erupted from the golden-armored crocodile and the energy produced by the explosion interweaved and washed in all directions, as if it wanted to destroy the world!

Even though Tian Zhen and the others had condensed their True Qi barriers to defend, they still could not withstand it!

“Ahhhh...”

Tian Zhen and the others let out miserable cries as they were sent flying at the same time.

When they were sent flying, everyone spat out blood and their bodies were covered in blood.

Even Yang Luo could barely withstand it, but he was still sent flying dozens of meters away.

After sending everyone flying...

The golden-armored crocodile seemed to have become much weaker. It turned around and rushed into the distance, wanting to escape.

“Don’t even think about escaping!”

Yang Luo shouted and chased after it.

He definitely could not let this beast escape!

Once it hid, it would be troublesome to find it again!

Moreover, when the time came, this evil creature would definitely run out to eat people to replenish its energy!

Therefore, he had to kill it now!

Chapter 520: Solved Just Like That?

Although the golden-armored crocodile was very fast...

However, Yang Luo was even faster!

Almost in the blink of an eye!

Yang Luo caught up to the golden-armored crocodile!

He suddenly stomped down, causing the water to ripple. His body jumped high into the air and directly jumped above the golden-armored crocodile!

Then, he twisted his fist and punched down!

Bang!

This punch landed heavily on the back of the golden-armored crocodile, emitting a muffled bang!

The golden-armored crocodile’s body sank from the impact, and a large amount of water splashed into the sky!

This punch was incomparably violent. It directly smashed a large area of the steel-like scales on the back of the golden-armored crocodile, causing blood to splash out!

Yang Luo was also sent flying into the sky by the recoil!

“ROAR...”

The golden-armored crocodile became even more violent. It let out a shocking roar and leapt into the sky from the water!

The moment it rushed up into the sky!

It opened its bloody mouth, revealing teeth as sharp as blades, and bit at Yang Luo who was in the air!

“Get down!”

Yang Luo let out an explosive roar and punched down!

DONG!

His punch was like a thunderclap that exploded on the lake, causing everyone's eardrums to hurt!

Crack! Crack!

Accompanied by a series of shattering sounds!

Yang Luo's punch shattered the golden-armored crocodile's teeth!

The golden-armored crocodile let out a tragic cry as its huge body fell from the sky!

Crack!

Water splashed everywhere, broken teeth flew everywhere, and blood splattered!

After falling back into the lake...

The golden-armored crocodile opened its huge mouth again and spat out energy beams at Yang Luo, who was diving down!

“Break!”

Yang Luo was not afraid at all. He punched at the energy beam that soared into the sky!

Crack!

The energy beams exploded, turning into energy and light that filled the sky. They were like fireworks on the water, dazzling and resplendent!

At this moment.

On the shore, Tian Zhen, Feng Lengyue, and the others were stunned as they watched the battle between the man and beast in the lake!

This was especially true for Zhuge Changfeng and the others. They were so shocked that their hearts skipped a beat. Their bodies trembled and they broke out in cold sweat!

Zhuge Changfeng swallowed his saliva and said in a daze, “So this kid is so strong...”

Other than Tian Zhen and the others...

The members of the Hidden Dragon Pavilion guarding the village also looked at the center of the lake, completely shocked by this scene.

Although they had long known that the Hidden Dragon Pavilion had an additional Deputy Pavilion Master, they were not too sure what kind of person he or she was.

Seeing Yang Luo act tonight, their horizons were completely broadened.

At the same moment...

At the center of the lake.

After blowing up these energy beams!

Yang Luo jumped onto the back of the golden-armored crocodile and grabbed a scale on its body with his left hand. He clenched his right fist and smashed it at the golden-armored crocodile's head in pain!

Dong, dong, dong!

Every punch was as heavy as a thousand catties and sounded like a drum being hit, emitting muffled thunder!

Every punch hit flesh and bone. It was extremely terrifying!

More than twenty punches were thrown out in a flash by Yang Luo!

The golden-armored crocodile's head was completely blown up and it stopped breathing!

The lake water was dyed red with its blood. It was a shocking sight!

After killing the golden-armored crocodile...

Yang Luo jumped steadily onto the lake. He raised the golden-armored crocodile that weighed several tons with both hands and walked towards the shore step by step!

Every step he took would cause large ripples!

At this moment.

Everyone on the shore only watched this scene in a daze, unable to say a word.

This man was too strong. He was simply heaven-defying!

One had to know that Zhuge Changfeng and the others had joined forces just now, but they had not been able to subdue the Golden Armor Giant Crocodile. They had even been seriously injured!

Even Tian Zhen and the others did not last long before they were sent flying and injured!

However, such a powerful demon beast was killed by this man in front of him with only a few punches and kicks!

Soon, Yang Luo walked to the shore and swung his hands.

Bang!

The golden-armored crocodile's corpse fell heavily onto the shore, causing the ground to tremble.

Everyone turned to look at the golden-armored crocodile's corpse in a daze and did not speak for a long time.

Yang Luo jumped from the water to the shore and clapped his hands, "Alright, it's settled."

At this moment, everyone present came back to their senses.

"Good job, Brother Yang!"

"Brother Yang, you're too awesome!"

Tian Zhen, Lan Xiaomeng, and the others all cheered.

Bujie smacked his lips and said, "Brother Yang is acting cool again."

Prajna chuckled and said, "If you have the ability, why don't you act cool too?"

Bujie pursed his lips and said, “Just wait. There will be a chance.”

Zhuge Changfeng and the others looked at the Golden Armored Crocodile’s corpse in a daze, and their hearts were in turmoil.

“It’s settled just like that?”

Someone asked.

“It seems so.”

Zhuge Yu nodded.

“Is this our Vice Pavilion Master? He’s too powerful and too handsome!”

“I wonder who is more powerful between this Deputy Pavilion Master and Pavilion Master Mo!”

The others in the Array Formation Team also sighed and looked at Yang Luo with admiration.

Zhuge Changfeng also looked at Yang Luo in a daze. He was already completely convinced.

However, when he thought of the various mocking statements he had spoken to the other party just now, he felt like he had been slapped in the face. His old face turned red.

Yang Luo said to Tian Zhen and the others, “Since the matter has been resolved, I’ll treat your injuries now.”

“Alright!”

Tian Zhen and the others responded.

Fortunately, Tian Zhen and the others’ injuries were not too serious.

Therefore, Yang Luo quickly treated the injuries of Tian Zhen and the others.

Zhuge Changfeng and the others, who had been watching from the side, were once again shocked.

Zhuge Yu said in a daze, “Team Leader, it seems that what Team Leader Tian and the others said is true.

Not only is this kid’s martial arts outstanding, but his spell techniques are also extraordinary. His medical skills are also very impressive.”

Zhuge Changfeng just nodded and sighed deeply.

After Yang Luo cured Tian Zhen and the others...

Zhuge Changfeng walked over with the people from the Array Formation Team.

He bowed deeply to Yang Luo and said sincerely, “Deputy Pavilion Master Yang, Changfeng offended you just now and even showed off in front of you. I’ve failed to recognize a formidable person!

I apologize to you here. I’m sorry!”

“I’m sorry!”

The other seven members of the Array Formation Team also bowed deeply to Yang Luo. Yang Luo just looked at Zhuge Changfeng and the others quietly and didn't say anything. Then, Zhuge Changfeng turned around and prepared to leave with the Array Formation Team. Their injuries were too serious. They had to hurry back to the hotel to recuperate.

“Team Leader Zhuge, wait.”

Yang Luo called out to Zhuge Changfeng.

Zhuce Changfeng turned around and asked in confusion, “Deputy Pavilion Master Yang, is there anything else?”

Yang Luo said, “Your injuries are a little serious. Let me treat you.”

“This...!”

Zhuge Changfeng was instantly dumbfounded.

The other seven members of the Array Formation Team were also stunned.

They originally wanted Yang Luo to help them treat their injuries, but when they thought of their attitude towards Yang Luo just now, they naturally found it difficult to speak.

Now that Yang Luo said that he wanted to help them treat their injuries, they were both ashamed and touched.

Yang Luo teased, “Why? Are you unwilling?”

If you're unwilling, then forget it.”

Tian Zhen and the others also smiled and looked at Zhuge Changfeng and the others.

n

No, no, no. Of course I'm willing!”

Zhuge Changfeng hurriedly opened his mouth. He cupped his hands towards Yang Luo and said, “Deputy Pavilion Master Yang, not only are you powerful, but you are also broad-minded. You did not lower himself to Changfeng's level. Changfeng is completely convinced by you!”

The other seven members of the Array Formation Team also nodded repeatedly. They were full of admiration for Yang Luo..
