Chapter 591: One Punch!

Jacques's smile became even colder, "Interesting, really interesting!"

Your Country Hua's Martial Warrior killed our Xiang Country's Martial Alliance delegation and our Alliance Master!

Now, you still dare to come to our Xiang Country to provoke us. You're really bold!

However, this is good too. Since you're here, I can cripple you and avenge our Xiang Country's martial arts world!"

"You think you can cripple us?"

Yang Luo couldn't help but laugh.

Just now, he had sensed that this guy's cultivation level was only at the mid-stage Martial Highness Realm.

He really did not know where this guy got the courage to say such things.

"Kid, what are you laughing at?"

!!..

Jacques's eyes were cold, "You're just five people. Do you want to cause trouble?"

Yang Luo pointed at Xiang Kunlun and asked, "Then do you know this gentleman?"

"Who is he?"

Jacques looked disdainful, "Do I need to know such a small fry?"

The corners of Yang Luo's mouth twitched as he said, "Brother Xiang, this guy said that you're a small fry."

Xu Ying, Bujie, and Prajna also looked at Jacques as if he was a fool.

However, they also understood that Jacques probably didn't know Xiang Kunlun.

Otherwise, if he was given a hundred guts, would he dare to say such a thing?

Xiang Kunlun could not help but laugh. He shrugged and said, "Our Country Hua is filled with crouching tigers and hidden dragons. There are many experts. I can indeed only be considered a small figure."

"Alright, cut the crap!"

Jacques raised his head and said, "The five of you can attack together!

I can beat you all to the ground with at most five punches!"

“Coach, teach these people from Country Hua a lesson and let them know how powerful you are!”

“Five people from Country Hua dare to challenge us? They’re really courting death!”

“Let’s hurry up and call the doctor. If these five guys die here, it will be a little troublesome!”

“Fist King! Fist King! Fist King!”

The disciples in the dojo raised their arms and shouted. They looked at Yang Luo and the others with mocking gazes.

Yang Luo looked up at Jacques and said calmly, “There’s no need for the five of us to do anything. 1 alone am enough.

Also, didn’t you say that you could defeat the five of us with five punches?

I don’t need five punches. I can blow you up with one punch.”

“You said you could blow me up with one punch?”

Jacques burst out laughing, “Alright, alright, alright. Kid, 1 want to see how you’re going to beat me up with one punch!”

As he spoke, Jacques pointed at the ring not far away and said proudly, “Kid, do you want to go to the ring?”

“There’s no need to go through so much trouble.”

Yang Luo shook his head and said, “It’s fine here. It’s just a punch anyway.” These words angered the disciples of the dojo so much that their eyes were about to spew fire.

“Coach, you must beat this kid up!”

“You must beat him until he kneels and begs for mercy. Make him find his teeth all over the ground!”

The disciples roared.

Jacques also stared at Yang Luo and said fiercely, “Kid, if 1 can’t cripple you, I won’t be worthy of living in the martial arts world of Xiang Country!”

Right as he finished his sentence...

Jacques took a step forward and charged at Yang Luo!

On the way to Yang Luo, his aura rose continuously and turned extremely terrifying!

However, Yang Luo stood rooted to the ground with an extremely calm expression.

Xiang Kunlun, Xu Ying, Bujie, and Prajna also crossed their arms and watched this scene with interest.

And in the next instant...

Jacques approached Yang Luo and punched him!

This punch was incomparably powerful and erupted with terrifying lethality and destructive power!

Sonic booms erupted in the air!

Just as Jacques threw a punch!

Yang Luo slowly raised the sign in his hand and his right arm shook violently!

The thick wooden board instantly shattered and turned into fragments that floated in the air!

After shattering the wooden board, Yang Luo clenched his right fist and did not even mobilize his True Qi. He only mobilized his physical strength and punched forward!

Seeing that Yang Luo dared to fight Jacques, the disciples of the dojo were extremely excited!

They were certain that Yang Luo's arm would definitely be broken by Jacques' punch!

And in that instant!

DONG!

The two fists collided heavily, emitting a loud thunderous sound!

Crack! Crack!

The thick wooden planks under their feet instantly exploded and flew up! Jacques thought that this punch would be able to cripple Yang Luo's arm! However, the moment his fists collided, he was shocked and a dense fear appeared in his eyes!

How could this kid be so powerful?

He had once sparred with Pagans, the Alliance Master of the Elephant Country's Martial Alliance!

At that time, he felt that Pagans was very strong. He could not withstand a few punches.

But now, he felt that the strength of this kid's punch was even stronger, even surpassing Pagans!

The next second!

“ARGH!”

Jacques let out a blood-curdling scream and was sent flying. With a bang, he crashed into a wall.

When he slid to the ground, he opened his mouth and spat out a mouthful of blood, fainting.

“Coach!”

Many disciples cried out in surprise and hurriedly ran over.

They checked Jacques' body and their faces turned pale.

“Coach, what's wrong? Are you okay?”

Someone hurriedly asked.

A disciple replied, "Coach's right arm is completely shattered, and the bones and meridians in his body are also shattered..."

"What?! How is this possible?!"

"This kid shattered all the bones and tendons in the coach's body with just one punch. What a joke!"

"Who is this kid? How can he be so strong? He actually defeated the Violent Blood Fist King with one punch?!"

All the disciples present were shocked and furious. They looked at Yang Luo with fear.

Yang Luo slowly retracted his fist and said indifferently, "Is this the strength of the Violent Blood Fist King?"

Too weak. It's simply too weak."

"Damn bastard!"

"Attack together and cripple them!"

"Avenge the coach!"

Dozens of disciples from the dojo roared and rushed towards Yang Luo and the others.

Yang Luo waved his hand, "Xu Ying, Bujie, Prajna, go ahead. Just leave them alive."

"Yes!"

Xu Ying and the other two responded and rushed forward.

Bang! Bang! Bang!

Boom! Boom! Boom!

Dull thuds and a loud explosions immediately sounded!

A bloody battle immediately erupted!

However, less than ten minutes later.

Dozens of disciples from the dojo fell to the ground. Their faces were swollen, their heads were bleeding, and they wailed non-stop.

Yang Luo didn't look at these guys anymore. He waved his hand and said, "Let's go to the next martial arts school!"

Then, Yang Luo and the others quickly left the Fist Soul Dojo and rushed to the next dojo...

At the same time...

Elephant Country's Martial Alliance headquarters.

This place occupied a large area, and there were many buildings in the traditional style of Elephant Country.

At this moment.

In one of the halls, it was brightly lit and filled with people.

Sitting in the main seat was a dark-skinned, burly middle-aged man.

This middle-aged man was the Vice Alliance Master of the Martial Alliance of the Elephant Country, Batagan, the Wild Hammer King!

Sitting on his left and right were the higher-ups of the Elephant Country's Martial Alliance.

Batagan roared, "Country Hua's Martial Alliance has gone too far. They actually killed our Xiang Country's Martial Alliance delegation and our Alliance Master. We have to take revenge!"

"We must take revenge!"

"We must let Country Hua's Martial Alliance know how powerful we are!"

"Especially the guy who killed the Alliance Master. I'll definitely tear him into pieces!"

The higher-ups also roared..

Chapter 592: Visit!

At this moment, a higher-up frowned and said, "However, Vice Alliance Master, the Martial Alliance of Country Hua cannot be underestimated.

"It's probably very difficult for us to suppress the Martial Alliance of Country Hua alone."

"I've already thought of this!"

Batagan raised his hand and said, "I've already invited the number one expert of our Elephant Country and the three experts of Country Asan's Martial Alliance to help!

Everyone, please come in and meet everyone!"

Right after he finished his sentence!

A group of people walked over from afar.

At the front was a tall and thin old man with gray hair and narrow eyes. He held a silver spear in his hand!

This old man was the number one expert of the Elephant Country!

The Silver Dragon Spear King, Tonnies!

!!..

Behind Tonnies was a tall and thin old monk, a burly middle-aged man with a rough face, and a sexy and coquettish woman!

These three people were the three experts of Country Asan's Martial Alliance!

Thousand-Handed Divine Monk, Jaloye!

Black Tiger War King, Saruk!

Moonlight Saintess, Bororia!

Even in the entire Country Asan's Martial Alliance, their strength could be ranked in the top ten!

Behind them were more than ten people from Country Asan's Martial Alliance. They were also famous experts in Country Asan!

“Everyone, please take a seat!”

Batagan smiled and raised his hand.

Tonnies and the others nodded and sat down.

After everyone sat down, Batagan said, “I invited everyone here this time to discuss how to deal with Country Hua's Martial Alliance!

Country Hua's Martial Alliance is too hateful. Our Alliance Master only wanted to seek justice for Master Lungposa, but he was killed by them!

Country Hua's Martial Alliance clearly doesn't take our Elephant Country's Martial Alliance seriously!”

Tonnies said proudly, “Batagan, don't worry. This time, I'll follow you to

Country Hua's Martial Alliance headquarters. I'll definitely trample Country Hua's Martial Alliance under my feet!

The Alliance Master of the Martial Alliance of our Elephant Country can't die in vain. They have to pay a heavy price for this!”

Batagan said, “With Mr. Tonnies around, we'll be much more at ease.”

“Black Tiger War King” Saruk said in a rough voice, “Mr. Batagan, our Country Asan's Martial Alliance and your Elephant Country's Martial Alliance are allies!

Now that Mr. Pagans has died in Country Hua's Martial Alliance, we will naturally help!”

“Thousand-Handed Divine Monk” Jaloye also nodded and said, “Country Hua's Martial Alliance has to give us an explanation!

They have to hand over the murderer and let us deal with him!”

Batagan chuckled and said, “This time, our Elephant Country's Martial Alliance and your Country Asan's Martial Alliance have joined forces. This Country Hua's Martial Alliance can only bow down to us!”

“Batagan, when are we leaving?”

Tonnies asked.

“This matter can't be delayed for too long. Let's do it tomorrow.”

Batagan replied, "Now, let's discuss how to deal with Country Hua's Martial Alliance..."

In the next two hours, Batagan and the others discussed.

It was not until past two in the morning that the discussion was over.

Batagan said, "Everyone, that's all for discussion. Everyone, go back and rest first. We'll set off at dawn!"

"Alright!"

Tonnies and the others nodded.

But at this moment...

A sharp cry came from outside.

"Vice Alliance Master, something bad has happened!"

A disciple of the Elephant Country's Martial Alliance rushed over.

"What happened?"

Batagan frowned and asked.

The disciple hurriedly replied, "Just now, I received news!

Five people from Country Hua swept through the 13 martial arts schools in Bang City!

All the dojo masters of the 13 martial arts schools have been crippled!" "What?!"

Batagan's expression changed drastically as he stood up, "Are you serious?!" The others were also surprised. Clearly, they were shocked by this news. The disciple nodded and said, "Vice Alliance Master, I'm telling the truth!" Batagan was so angry that his eyebrows twitched. He said sternly, "How can five people from Country Hua sweep through the 13 martial arts schools in Bang City?

Impossible, this is absolutely impossible!"

Tonnies asked coldly, "Are you sure there are only five people from Country Hua?"

The disciple replied, "Yes, everyone from the 13 martial arts schools said so!" Tonnies narrowed his eyes and said, "I didn't expect them to come knocking on our door before we even moved!

Looks like these five people from Country Hua should be Martial Warriors, and they are definitely not weak!"

"They came at the right time!"

Batagan clenched his fists and said fiercely, "Since they're here, let's make sure they never return!"

Before their voices could fade...

"Ahhhh..."

Screams suddenly came from outside.

"What happened?!"

“Could it be that the five people from Country Hua are already here?!”

“Since they’re here, let’s kill them!”

Everyone in the hall stood up and roared.

Batagan picked up two huge hammers and said in a vicious voice, “Let’s go out and take a look!”

Soon, under Batagan’s lead, the group hurriedly walked out of the hall.

When he arrived at the square outside...

Hundreds of people were lying on the square, all of them wailing.

The other disciples of the Elephant Country’s Martial Alliance looked at the five people in front of them in fear and did not dare to go forward.

These five people were Yang Luo, Xiang Kunlun, Xu Ying, Bujie, and Prajna. “You people from Country Hua are quite bold. You actually dare to challenge my Bang City’s martial arts schools and even dare to come to our Elephant Country’s Martial Alliance headquarters to behave atrociously!”

Batagan roared as he strode towards Yang Luo and the others.

Tonnies and the others followed closely behind.

Xiang Kunlun said calmly, “Batagan, long time no see.”

Upon hearing this voice, Batagan’s pupils constricted as he exclaimed, “Xiang Kunlun!”

Previously, when the Martial Alliance of Country Hua and the Martial Alliance of the Elephant Country held a friendly exchange event, he had seen Xiang Kunlun and naturally knew him.

“Vice Alliance Master, who is Xiang Kunlun?”

Someone who did not know Xiang Kunlun asked in confusion.

Batagan said in a low voice, “Xiang Kunlun is the Chief of Country Hua’s Martial Alliance!”

As soon as these words were spoken...

Those who had never seen Xiang Kunlun before were shocked!

“Oh my god, he’s the chief of Country Hua’s Martial Alliance?!”

“I didn’t expect the chief of Country Hua’s Martial Alliance to be so young!” “Such a young Chief, I don’t think his strength is high!”

Many people exclaimed in surprise, and a hint of disdain appeared in their eyes.

Batagan stared intently at Xiang Kunlun.

Actually, he did not know how strong Xiang Kunlun was. After all, he had never seen Xiang Kunlun attack.

He said coldly, “Alliance Master Xiang, you brought people to our Elephant Country and challenged thirteen martial arts schools in Bang City in a row. You even came to our Elephant Country’s Martial Alliance headquarters to cause trouble. What exactly do you want?”

“What do you think I am doing?”

Xiang Kunlun asked back first before saying in a loud voice, “Not long ago, the black-robed Azans from your Elephant Country came to our Country Hua to commit evil and was killed by our people. They deserved it!

However, I didn’t expect your Elephant Country’s Martial Alliance to be so shameless. You even dared to send a delegation to our Country Hua’s Martial Alliance headquarters to show off and provoke our Country Hua’s Martial Alliance to force us to hand him over!

Do you really think our Country Hua’s Martial Alliance is easy to bully? Do you really think our Country Hua is easy to bully?!”

Chapter 593: Leave Your Life Behind!

“Hmph!”

Batagan snorted coldly and said, “Xiang Kunlun, no matter what you say, our Alliance Master has indeed died in your hands. You have to give us an explanation!”

“Explanation?”

Xiang Kunlun sneered, “What explanation do you want?”

Batagan said in a deep voice, “Hand over the murderer and apologize to us!

“There’s no need for money. You have to hand over a few outstanding cultivation techniques and martial techniques!”

Before Xiang Kunlun could speak...

Yang Luo took a step forward and said in a shocked voice, “Your appetite is quite big!

How dare you ask us to hand over a few cultivation techniques and martial techniques?

!!..

Who do you think you are?

How dare you ask us for compensation?”

Batagan looked furious and shouted, “Kid, who are you? Do you have the right to speak here?”

“Who am I?”

Yang Luo sneered and said loudly, “Then you have to listen carefully!

I killed Lungposa!

I killed Pagans!

I was the one who killed the nine experts who went with Pagans!

I'm the person you're looking for!"

“What?! It's you?!”

Batagan stared fixedly at Yang Luo and took a closer look. He gritted his teeth and said, “You're that kid called Yang Luo?!”

“That's me!”

Yang Luo admitted it directly.

“Kid, you still dare to come looking for me after killing someone. You're really bold!”

Batagan was completely enraged and said ruthlessly, “Since you're here, leave your life behind!”

As he spoke, Batagan's body trembled and the True Qi in his body erupted. His body flickered with a green light as he charged towards Yang Luo!

Like Pagans, he was a Strength-type Martial Warrior, so with every step he took, the stone slabs on the ground cracked!

And the moment they got close...

Batagan raised a huge hammer in his hand and smashed it at Yang Luo's head!

With a smash of the hammer, an explosion sounded in the air and a strong wind whistled. It was as heavy as a thousand pounds, as if it wanted to shatter everything!

Although Batagan's strength was inferior to Pagans, he was still at the early-stage Martial King Realm. His cultivation and strength were already very strong!

However, in Yang Luo's eyes, it was not enough!

Just as Batagan swung his hammer!

Yang Luo's entire body shook as the True Qi in his body erupted. Then, he twisted his fist and punched out!

At that very moment...

DONG!

The fist and the heavy hammer collided heavily, emitting a thunderous explosion!

Light flickered and True Qi surged. The dazzling light contained terrifying lethality, destructive power, and destructive power!

The stone slabs on the ground soared into the sky one after another and were shattered by the True Qi that spread out!

Although Batagan's hammer was terrifying, it was still easily blocked by Yang Luo!

When the disciples of the Martial Alliance of the Elephant Country saw this, they were shocked!

Before anyone could react!

Yang Luo's right arm shook and he shouted!

“Piss off!”

A vast power instantly erupted and surged towards Batagan!

Only a loud explosion could be heard!

The steel hammer in Batagan's hand exploded, turning into a pile of scrap metal!

“Alih!!”

With a painful scream, Batagan was sent flying!

He flew out for more than 30 meters before he fell heavily to the ground!

His entire right arm had been shattered and was badly mangled!

Yang Luo shattered Batagan's hammer and right arm with a punch!

Seeing this, all the Martial Alliance disciples of the Elephant Country present trembled in fear!

“This kid is actually so strong. He sent the Vice Alliance Master flying with a punch and even crippled one of his arms?!”

“Could it be that the Alliance Master and the nine experts were really killed by this kid?!”

The disciples discussed in shock, their eyes filled with fear.

Initially, they did not believe that the Alliance Master had been killed by Yang Luo, but now, they believed in his words.

“Young brat, I'm the number one expert in Elephant Country. I'll take your life tonight!”

Silver Dragon Spear King Tonnies roared and charged at Yang Luo with a silver spear in his hand!

As he charged over!

Tonnies's body flickered with a dazzling silver light, and his clothes fluttered even though there was no wind. He appeared extremely domineering!

Yang Luo said loudly, “So what if you're the number one expert of the Elephant Country? I can still kill you!”

“Extremely arrogant!”

Tonnies roared and waved the spear in his hand at Yang Luo!

Swoosh!

With a sweep of his spear, a violent wind blew. True qi soared into the sky!

“ROAR...”

A dragon's roar sounded as a silver dragon shadow roared and charged towards Yang Luo!

Yang Luo did not hesitate and twisted his fist again to meet the attack!

“ROAR...”

With a punch, a dragon's roar sounded as well!

A golden dragon shadow churned under the night sky and roared out!

At that moment...

Boom! Boom!

The fist and spear collided, and the golden and silver dragon shadows collided, emitting muffled thunder!

After this confrontation, Yang Luo completely sensed Tonnies' cultivation level!

Unexpectedly, this old man's cultivation had actually stepped into the Martial King Realm!

However, even so, Yang Luo still did not feel any threat!

As long as it was not an expert above the Martial King Realm, he would not take them seriously!

“You get lost too!”

Yang Luo roared and his right arm shook again!

A torrential power and True Qi erupted and surged towards Tonnies!

Rumble!

A series of shocking explosions sounded!

The golden and silver dragon shadows that collided in the sky exploded at the same time and dissipated!

“Ugh!”

Tonnies also let out a cry of pain as he was sent flying with his spear!

After flying more than ten meters away, Tonnies finally stabilized his body!

Although this punch did not cripple Tonnies, he still felt pain and numbness in his arm. The blood in his body was surging rapidly!

He looked at Yang Luo in shock and said angrily, “A brat like you can actually suppress me?

Could it be that you also have a Martial King Realm cultivation?!

Impossible, this is absolutely impossible!”

“Old man, you talk too much nonsense!”

Yang Luo shouted and his figure moved. He turned into a bolt of lightning and rushed towards Tonnies!

“Kid, I don't believe I can't kill you!”

Tonnies also roared and transformed into a silver shadow that charged at Yang Luo!

At this moment, Batagan got up from the ground and shouted, “Everyone, what are you waiting for? Kill these guys and avenge the Alliance Master and Master Lungposa!”

“Kill!”

The more than 5,000 disciples of the Elephant Country’s Martial Alliance roared and charged towards Xiang Kunlun, Xu Ying, Bujie, and Prajna!

Thousand-Handed Zen Master Jaloye, Black Tiger War King Saruk, and Moonlight Saintess Bororia also charged over!

“Hahaha...”

Bujie laughed wildly and said excitedly, “I can do something big again!”

As he spoke, Bujie held the Dragon-Mark Buddhist Staff and charged out first!

Xiang Kunlun, Xu Ying, and Prajna also charged over!

“Mr. Tonnies, let me help you!”

Batagan shouted as he gripped a huge hammer in his left hand and charged at Yang Luo!

Chapter 594: Clown!

At this moment, Tonnies and Batagan charged at Yang Luo at the same time!

The moment they approached Yang Luo!

Tonnies suddenly waved the silver spear in his hand and stabbed at Yang Luo’s chest!

Batagan swung his huge hammer and smashed it at Yang Luo’s head again!

Facing the joint attack of the two of them..

Yang Luo still did not dodge or retreat. His right hand turned into a palm and slapped at the incoming spear. His left hand clenched into a fist and smashed towards the huge hammer!

In a flash!

Clang!

Boom! Boom!

Yang Luo’s fist and palm collided heavily with Tonnies and Batagan’s spear and hammer!

!!..

A muffled sound akin to thunder rumbled in the night sky!

True Qi surged in all directions like an avalanche!

Rumble!

The statues around the square collapsed one after another, and the residences collapsed one after another!

Rocks flew and dust soared into the sky. It was extremely chaotic!

Batagan originally thought that he and Tonnies could suppress Yang Luo by joining forces!

However, after the exchange, they realized that they were far from being a match to Yang Luo!

After Yang Luo's fist and palm blasted away their attacks, it landed heavily on their chests!

“Ugh!”

“Alih!!”

Tonnies and Batagan screamed as they were sent flying.

On the way back, Batagan spat out a mouthful of blood, and a trace of blood seeped out of the corner of Tonnies' mouth.

The two of them flew out more than 20 meters away before barely stabilizing themselves.

The corners of Yang Luo's lips curled up as a cold smile flashed across his face. He said in a scathing voice, “Didn't you want to kill me? Come on, continue!”

“Mr. Tonnies, Mr. Batagan, let me help you!”

At this moment, Moonlight Saintess Bororia rushed over with a platinum sword in her hand.

Yang Luo looked at this woman and sensed that this woman was actually at the late-stage Martial Highness Realm.

He asked in a deep voice, “Who are you?”

Bororia said proudly, “I'm one of the top ten experts of Country Asan's Martial Alliance, ‘Moonlight Saintess’ Bororia!”

“Country Asan's Martial Alliance?”

Yang Luo narrowed his eyes and said, “Does your Country Asan's Martial Alliance also want to go against our Country Hua's Martial Alliance?”

Bororia said, “Our Country Asan's Martial Alliance and the Elephant Country's Martial Alliance are allies!

Now that your Country Hua's Martial Alliance has killed the Alliance Master of the Elephant Country's Martial Alliance, we naturally won't sit back and do nothing!”

Yang Luo smiled coldly and said, “More and more clowns are jumping out!

Alright, then I'll destroy all of you at once tonight!”

“Kill!”

Tonnies roared angrily and charged forward first!

Batagan and Bororia also moved at the same time, charging at Yang Luo!

Without another word, Yang Luo's figure flashed and he charged forward!

In the blink of an eye!

Yang Luo closed the distance between him and Tonnies and the other two!

“Go to hell!”

“Die!”

“Kill!”

Tonnies and the other two roared at the same time and attacked Yang Luo!

With a flip of her wrist, Bororia stabbed the slender platinum sword at Yang Luo's throat!

Tonnies and Batagan swung their spears and hammers at the same time!

The combat strength erupted from the joint forces of a Martial King Realm expert and two Martial Highness Realm experts was incomparably powerful!

Even ordinary Martial King Realm experts could not withstand the combined attack of the three of them!

However, Yang Luo still did not dodge or retreat. He faced the three of them head on!

One hand into a fist, while the other turned into a palm to meet the attack, as if he wanted to sweep through mountains and shatter the ground!

Rumble!

Accompanied by earth-shattering explosions!

Tonnies, Batagan, and Bororia were sent flying at the same time!

However, Yang Luo did not stop at all. He charged out and instantly caught up to Batagan, who was sent flying!

“Die!”

He raised his right hand and grabbed Batagan's throat, pressing it against the ground!

Rumble...

The ground shook violently, rocks shot out, and dust danced!

Batagan was forcefully pressed into the ground!

His bones were shattered and his internal organs were shattered. He spat out a mouthful of blood and stopped breathing completely!

After killing Batagan...

Yang Luo didn't stop at all as he turned to Tonnies and Bororia!

The two of them had just stabilized their bodies when they saw Batagan being killed. When they saw Yang Luo charging over, their pupils constricted and their expressions changed drastically!

Bororia chanted an incantation and shouted!

“Seven Emotions Charm Technique!”

And in that instant!

Yang Luo immediately felt the scene in front of him change!

He saw a group of beauties dancing around him with hot figures and skimpily dressed clothes. The decadent sound also sounded!

Moreover, the expressions and dance moves of these beauties were very seductive and confusing!

Even Yang Luo’s mind was affected and he was stunned on the spot!

Seeing Yang Luo standing rooted to the ground, Bororia shouted, “This kid has already been trapped by my illusion. Kill him now!”

“Alright!”

Tonnies nodded and followed Bororia to attack Yang Luo!

However, just as the two of them approached!

“ROAR...”

Yang Luo, who was originally stunned on the spot, suddenly raised his head and let out a dragon roar, directly breaking the illusion!

Tonnies and Bororia immediately felt their eardrums sting!

If they had not circulated their energy to block in time, their eardrums would probably have been shattered!

The two of them endured the terrifying dragon roar and continued to attack Yang Luo. They waved the spear and sword in their hands and slashed at Yang Luo!

Yang Luo stretched out his hands and grabbed the spears and swords that the two of them thrust out with. His hands were akin to iron pincers that held onto their weapons in a vice grip!

Then, Yang Luo exerted strength in his arms and swung!

The two of them were sent flying, crashing into two separate palace halls!

After sending the two of them flying, Yang Luo did not stop and charged at them again!

Tonnies and Bororia also rushed out of the ruins and launched another ultimate attack on Yang Luo!

“Silver Dragon Spear Breaking Technique!”

“Sweep the Army!”

Toris gripped his spear tightly with both hands and continuously mobilized the True Qi in his body before sweeping it out!

Thousands of spears condensed and shot towards Yang Luo!

Seven silver dragon shadows roared out!

“Cold Moon Sword Technique!”

“Cold Light Breaks Dawn!”

Bororia also circulated the True Qi in her body to the limit and suddenly waved the longsword in her hand!

Whoosh! Whoosh! Whoosh! Whoosh!

Thousands of platinum swords streaked across the night sky and shot towards Yang Luo!

Yang Luo did not dodge or retreat. He continued to charge forward!

“Nine Heavens, Dragon’s Fury!”

Accompanied by an explosive roar!

“Roar, roar, roar!”

Nine golden dragon shadows roared and collided with the spear, longsword, and seven silver dragon shadows that shot over!

Upon seeing Yang Luo’s attack, Tonnies and Bororia were stunned!

Before the two of them could react!

Rumble!

The nine golden dragon shadows shattered all the spears and swords, as well as all the silver dragon shadows, before crashing into Tonnies and Bororia!

“Hurry up and defend!”

Tonnies immediately shouted and condensed a condensed True Qi barrier!

Hearing his warning, Bororia also condensed a True Qi barrier to block!

Chapter 595: Has Brother Yang Gone Crazy?

At that moment...

Boom! Boom!

The nine golden dragon shadows directly collided with the true qi barrier that the two of them had condensed, emitting a heaven-shattering collision sound!

The barrier only managed to last for a few seconds!

Pshh!

The True Qi barrier that the two of them had condensed was completely shattered!

“Ahhh...”

The two of them let out a tragic cries as they were once again sent flying!

The two of them flew backward and crashed through five to six buildings in a row. They vomited blood as they fell back into the ruins!

“Come on, keep going!”

Yang Luo unrestrainedly roared as he rushed towards the ruins in front...

At this moment.

On a square in the distance.

Xiang Kunlun was fighting fiercely with Thousand-Handed Divine Monk Jaloye and Black Tiger War King Saruk!

Even though Jaloye was at the early-stage Martial King Realm and Saruk was at the perfected Martial Highness Realm, they were unable to suppress Xiang Kunlun at all!

In the midst of their intense battle...

The entire square shook violently, and the surrounding buildings also shook from their impact!

“Thousand Hand Buddha Palm!”

Jaloye roared and turned his hands into palms. Golden swastika runes were engraved on his palms as he slapped towards Xiang Kunlun!

Just as he struck out with his palms...

Thousands of golden Buddhist palms pressed towards Xiang Kunlun in an overwhelming manner!

“Black Tiger Mountain Shaking Fist!”

Saruk clenched his fists and threw punches at Xiang Kunlun!

Thousands of huge black fists smashed towards Xiang Kunlun like meteors!

There were even black tigers that pounced towards Xiang Kunlun!

“Good timing. I want to see what abilities you martial artists from Country Asan have to dare to interfere in the matters of Country Hua’s Martial Alliance!”

Xiang Kunlun stood proudly on the square and shouted.

He clenched his fists and punched out one after another like a surging river or the roar of the sea!

Giant black-gold fists blasted out one after another. The might of their fists was vast and domineering!

There was even a huge black-gold Kun Peng phantom that roared and collided with the two of them!

Boom! Boom!

Pshh!

Earth-shattering collisions and explosions sounded endlessly!

Jaloye and Saruk's attacks were directly destroyed!

After destroying their attacks...

Xiang Kunlun's aura fists did not stop. Instead, it continued to swing and smash towards the two of them!

“Retreat!”

Jaloye roared and condensed a True Qi barrier before retreating quickly!

Saruk also condensed a True Qi barrier and retreated with him!

However, Xiang Kunlun's fist followed like a shadow and shattered their True Qi barriers before landing on their chests!

Puff! Puff!

The two of them spat out a mouthful of blood and were sent flying!

Without any hesitation, Xiang Kunlun took a step forward and charged forward, instantly catching up to Saruk!

He soared into the sky and punched Saruk!

“Don't even think about it!

H

Saruk roared and raised his fist to meet the attack!

At that moment...

DONG!

The two fists collided and a muffled thunder exploded!

Saruk thought that he could block Xiang Kunlun's punch, but when faced against it directly, he realized that it was a fool's errand!

The next second!

Only a loud explosion was heard!

Saruk's entire body was blown up by the punch, and a huge pit was smashed into the ground!

“Damn, Brother Xiang is too terrifying. He actually exploded this guy with a single punch?!”

Bujie, who was engaged in an intense battle in the distance, could not help but exclaim.

Xu Ying and Prajna were also deeply shocked!

Not long ago, they had seen Yang Luo and Xiang Kunlun's intense battle and only had a vague impression of Xiang Kunlun's strength!

But now, they finally understood how terrifying Xiang Kunlun was!

It was unimaginable how Yang Luo managed to withstand such a heavy punch!

At this moment, after Xiang Kunlun defeated Saruk, his figure flashed and he charged towards Jaloye!

In a distant ruin.

“Kill!”

Yang Luo let out a roar and charged at Bororia, who was closest to him!

Seeing that Yang Luo was charging over again, Bororia, who was covered in wounds, had a look of horror on her face!

What was going on with this kid? Why was his combat strength still increasing?

Without any hesitation, Bororia’s eyes lit up as she stared intently into Yang Luo’s eyes. She continued to chant an incantation and shouted coldly!

“Soul Capturing Technique!”

At that very moment...

Yang Luo, who was halfway there, suddenly stopped!

The scene in front of him changed again!

Furthermore, he saw that the person standing in front of him was no longer Bororia, but his senior sister!

Eldest Senior Sister?

Yang Luo couldn’t help but exclaim.

“Junior Brother, are you going to kill me?”

Bororia, who had transformed into Dongfang Ruoshui, looked sad.

Yang Luo looked at “Dongfang Ruoshui” in front of him in a daze. His expression was very conflicted, and his clenched fists were trembling!

Yang Luo looked at “Dongfang Ruoshui” in front of him in a daze. His expression was very conflicted, and his clenched fists were trembling!

“Third Senior Sister, why are you here?!”

Seeing the person change to “Xiao Ziyun” in front of him, Yang Luo was stunned.

Then, Bororia transformed into Su Qingmei, Qin Yimo, Su Wanqiu, Prajna, and the other women!

“Yang Luo, do you really hate me so much? Must you kill me?”

“Brother Yang, please don’t kill me. Please don’t kill me!”

“Little Luo, no, no...”

He looked at the beautiful faces in front of him that were filled with grief, sadness, sorrow, and pitifulness.

“All!!!”

Yang Luo felt a sharp pain in his head and roared at the sky.

Xu Ying, Bujie, and Prajna, who were fighting in the distance, were dumbfounded.

The corner of Bujie's mouth twitched, "F*ck, what's going on? Has Brother Yang gone crazy?"

"Something's wrong with this woman. She seems to be very good at mental attacks!

Let's go and help!"

Xu Ying shouted and was about to charge over with his saber.

Bujie and Prajna hurriedly prepared to go over and help.

However, there were too many disciples from the Martial Alliance of the Elephant Country. They were stopped and could not extricate themselves from them.

At this moment, in the ruins in the distance.

Yang Luo hugged his head and roared, his face filled with pain and suffering.

Upon seeing this, Bororia was overjoyed. Her coquettish face instantly turned extremely ferocious as she stabbed fiercely at Yang Luo's heart!

However, the moment Bororia's sword stabbed over!

Yang Luo suddenly raised his right hand and grabbed the incoming blade!

"What?!"

Bororia exerted all her strength, but the sword in her hand couldn't advance another half an inch!

She looked incredulous, "Didn't... Didn't you get hit by my Soul Capturing Technique? How could you break free?!"

Yang Luo suddenly raised his head. His eyes were bloodshot as he roared, "Demoness, do you think you can do anything to me with this little spell technique?

You're too naive!"

As he spoke, Yang Luo exerted strength in his right hand!

Crack!

The sword in Bororia's hand was broken by Yang Luo!

"You..."

Bororia was scared out of her wits.

The spell technique that she was so proud of could not control this kid from Country Hua. It was simply unbelievable!

She did not dare to hesitate. She threw away the sword hilt and prepared to retreat!

However, Yang Luo didn't give her another chance. Instead, he pounced forward and reached out with his right hand, grabbing Bororia's throat!

“Uhhhhh...”

Bororia instantly felt out of breath.

Her bewitching face flushed red as she said with pain and difficulty, “Don’t kill me... Spare my life... As long as you can spare my life... I’m yours... You can do whatever you want...”

“Demoness, die!”

Yang Luo let out a furious roar and broke Bororia’s neck with a crack..

Chapter 596: Dragons Howl For Ten Thousand Miles

Then, Yang Luo threw Bororia’s corpse aside and looked up at Tonnies in front of him!

“Your turn!”

“This, this, this...”

When Tonnies, who was covered in blood, saw the scene in front of him, he was so frightened that his entire body trembled. He did not even have the courage to continue fighting!

It was too terrifying!

This kid was simply a monster!

He did not dare to stay any longer. He immediately turned around and fled into the distance, preparing to leave this place!

“Don’t even think about escaping!”

Yang Luo roared and charged forward like a berserk dragon!

Tonnies was scared out of his wits. He tried his best to escape at his fastest speed!

Seeing that Tonnies was about to escape, Yang Luo did not hold back anymore!

His entire body shook as he let out a roar!

“Dragons Howl For Ten Thousand Miles!”

“Roar, roar, roar!”

Nine golden dragon shadows roared out of his body at the same time and fused into one in the air. They became even more condensed and huge as they slammed into Tonnies!

This move was the advanced move of the Nine Heavens Dragon’s Fury. It required more True Qi, but its power was also stronger and fiercer!

He had never used it before!

But today, he decided to bear its full power to bear!

He wanted to let these petty people from the Martial Alliance of the Elephant Country see the true dragon that was Country Hua!

Rumble!

The golden dragon shadow swept forward, destroying all the buildings that it passed by!

Seeing the golden dragon shadow crushing everything on its path...

Tonnies was so scared that his heart was about to explode!

What kind of f*cking cultivation technique was this?

How could he be so powerful?

Also, was this kid really a Martial Warrior?

Was this still the strength a Martial Warrior should have?

He was like a god!

“Young brat, i’ll fight you to the death!”

Tonnies roared angrily and mobilized the True Qi in his body to the limit.

Then, he threw his spear at the golden dragon shadow that was charging at him!

Swoosh!

The silver spear emitted a dazzling light and coiled around seven silver dragon shadows as it collided!

In a flash!

DONG!

The huge golden dragon shadow collided heavily with the spear surrounded by seven silver dragon shadows. It was like a meteorite colliding, instantly erupting with a dazzling light!

The next second!

Rumble!

The spear and the seven silver dragon shadows completely exploded!

The golden dragon shadow continued to roar and hit Tonnies’ body!

“All!!!”

Accompanied by an extremely painful scream, Tonnies’ body completely exploded, turning into flesh and blood that splattered everywhere!

At this point!

The number one expert of the Elephant Country had fallen just like that!

At the same time when Yang Luo killed Tonnies...

A loud bell sounded in the distance!

“Ten Thousand Buddhas Worship the Sect!”

Jaloye roared as a golden Buddha phantom enveloped his body. Then, he slapped towards Xiang Kunlun!

With a slap, thousands of golden Buddhist palms overlapped and transformed into a huge palm that pressed down!

It was terrifying to the extreme!

“Stupid monk, you want to compete with me in palm techniques?

Then I’ll use my palm technique to kill you!”

Xiang Kunlun roared and charged forward!

A huge black-gold Kun Peng immediately enveloped his body!

At this moment, Xiang Kunlun was like a Kun Peng that had soared 90,000 miles into the sky. He was insufferably domineering!

As he approached...

He suddenly stomped on the ground, causing a large area of the ground to collapse. Then, he slapped out as well!

“Nine Stage Hell Suppression Palm!”

With a palm strike, a black-golden palm was formed, that burned with raging flames and flickered with terrifying lightning as it crushed forward!

The Kun Peng phantom that enveloped Xiang Kunlun roared and charged forward crazily!

In an instant!

Boom! Boom!

The sound of collision that shook the sky resounded for an unknown distance!

Jaloye’s palm strike was indeed very powerful. It could be said that anyone below the Martial King Realm would definitely die!

However, under Xiang Kunlun’s palm, Jaloye’s palm was still not enough!

In less than a few seconds...

Rumble!

Jaloye’s palm was completely shattered, and the golden Buddha phantom on his body turned into nothingness!

“Pfft...”

Jaloye spat out a large mouthful of blood and was sent flying a hundred meters away before landing heavily in the center of the square!

“You, you, you...”

He pointed at Xiang Kunlun and struggled to get up, but he could not get up again. Soon, he stopped breathing.

In an instant...

The battle in the square stopped.

Everyone looked at Yang Luo and Xiang Kunlun blankly.

“Dead... They’re all dead...”

“Vice Alliance Master... The number one expert of the Elephant Country... The three experts of the Country Asan and the Martial Alliance... are all dead...”

“These two people are too strong... They’re simply like two gods...”

“What should we do? What should we do now...”

The disciples of the Martial Alliance of the Elephant Country trembled and broke out in cold sweat.

Yang Luo glanced at these guys and said in a loud voice, “Your so-called experts are all dead. Are you still going to resist?”

“No, no, no, we wouldn’t dare!”

“Please spare our lives. We won’t dare to do it again!”

The remaining two thousand plus disciples of the Elephant Country’s Martial Alliance knelt down.

Xiang Kunlun glanced at everyone and said loudly, “Listen up, I’m only teaching you a lesson this time!

If you still dare to provoke our Country Hua’s Martial Alliance, I’ll destroy all your Martial Warriors next time!

Don’t think that I’m joking with you. I never joke with my enemies!”

All the disciples of the Elephant Country’s Martial Alliance lowered their heads in fear. They did not even dare to look at Yang Luo and Xiang Kunlun.

After a while, Xiang Kunlun waved his huge hand.

“Brother Yang, Brother Xu, Brother Bujie, Sister Prajna, let’s go!”

“Alright!”

“Brothers, let’s go!”

Yang Luo and the other three responded and left with Xiang Kunlun.

Accompanied by bursts of hearty laughter, Yang Luo and the others quickly disappeared into the night...

After Yang Luo and the others left, not long after, the entire Xiang Country’s martial arts world went through a huge earthquake!

“Have you heard? Country Hua sent five guys to sweep through the 13 martial arts schools in Bang City and flatten our Elephant Country’s Martial Alliance headquarters!”

“Of course I’ve heard. Even our number one expert, Mr. Tonnies, and Vice Alliance Master, Mr. Batagan, were killed!”

“It’s said that the three experts sent by Country Asan have also been killed!”

“Who are these five guys? Why are they so powerful?!”

“This is the shame of our Elephant Country’s martial arts world!”

Everyone in the Elephant Country’s martial arts world was discussing this matter. There was anger, grief, unwillingness, hatred...

It was also during this period when the martial arts world of the Elephant Country was in chaos.

Yang Luo and the others had already arrived at Bang City Airport and booked a plane back to Country Hua.

After all, they had conducted such a huge matter, so they naturally could not stay in the Elephant Country for long.

Bujie chuckled and said, “Brother Xiang, this battle was really too satisfying!”

Prajna also smiled and said, “Brother Xiang, you’re too awesome. As expected of the Chief Alliance Master!”

Xu Ying said coldly, “Can the two of you lower your voices? Do you have to attract people over?”

Bujie and Prajna shrank their necks and hurriedly lowered their voices.

Yang Luo asked, “Brother Xiang, are you really not going back to Jiang City with us?”

Chapter 597: Witnessing A Legend!

“No, thanks.”

Xiang Kunlun shook his head and said, “There are still a lot of things to deal with at the headquarters. I have to rush back to deal with them.”

Yang Luo sighed and said, “What a pity. I was planning to have another good drink with you, Brother Xiang.”

Bujie also curled his lips and said, “That’s right. I didn’t drink with you last night. I thought that I could have a good drink with you today, but I didn’t expect you to have to leave.”

Xiang Kunlun laughed and said, “Everyone, we can have a drink at any time. You don’t have to be sad just because we don’t get this moment!”

When there's time later, let's get drunk again!"

"Alright!"

Yang Luo and the other three nodded in agreement.

"Brother Xiang, we caused a scene in the Martial Alliance of the Elephant

Country this time. Nothing will happen, right?"

Xu Ying turned around and asked.

His personality had always been more stable, and he was completely the opposite of Bujie.

Xiang Kunlun looked at Xu Ying with admiration and said, "Brother Xu, we were all thinking about how to celebrate, but we didn't expect you to plan ahead and think about what will happen next. Not bad, not bad."

Bujie smacked his lips and said, "Brother Xiang, I was also thinking about this just now, but I didn't have the time to ask."

Prajna directly exposed him, "Brother Bujie, I think you're just thinking about where you would be going to drink, right?"

Bujie blushed and coughed lightly, "Sister Prajna, can't you save me some face?"

"Nope."

Prajna shook her head.

"Hahaha..."

Yang Luo and the others immediately laughed.

Xiang Kunlun smiled and said, "This time, we caused a huge commotion in the Martial Alliance of the Elephant Country. The martial arts world of the Elephant Country will be heavily rocked. They will naturally hate us.

However, even so, they have to consider if they still want to continue fighting with us.

If they really want to go all out to fight us, what are we afraid of?"

"That's right."

Yang Luo nodded and said, "Unless this Elephant Country's martial world wants to be completely wiped out, it's best to behave and stop jumping around!"

Bujie raised his head and said, "If they dare to jump around again, I'll destroy them!"

Xiang Kunlun turned around and stared into Yang Luo's eyes. He said meaningfully, "Brother Yang, your strength is already very strong, almost no one of your age can compare to you.

However, if you were to compare yourself against those true experts, your strength is still not enough.

If you want to protect yourself and the people around you and achieve the grand goals in your heart, you have to become stronger.”

Yang Luo nodded and said, “Brother Xiang, don’t worry. I’ll definitely grow up as soon as possible and become even stronger!”

“We will also become stronger!”

Xu Ying, Bujie, and Prajna also added.

Xiang Kunlun nodded with a gratified expression, “Alright, I’ll wait!”

At this moment, the radio announced that those taking the plane from Bang City to Jiang City could board.

Yang Luo cupped his hands and said, “Brother Xiang, we’ll get going first. See you again!”

Xiang Kunlun cupped his hands and said loudly, “We’ll meet again!”

Then, Yang Luo led Xu Ying, Bujie, and Prajna into the security checkpoint.

Xiang Kunlun only retracted his gaze after watching Yang Luo and the others leave.

He thought for a moment, then took out his cell phone and made a call.

The phone rang for a while before it was picked up.

“Second Brother, how is it?”

A mellow voice sounded.

Xiang Kunlun smiled and said, “Big Brother, I acknowledge this kid.”

“Oh?”

The person on the other end of the phone smiled and asked, “Could it be that this kid even defeated you?”

“That he didn’t.”

Xiang Kunlun replied, “However, this kid is indeed very strong and has great potential.

If he’s given some time, it’s very likely that he’ll catch up to me or even surpass me.”

“Is that so?”

The person on the other end of the phone sounded very surprised, “Second Brother, I rarely hear you praise someone like this.

Looks like this kid is not bad.”

Xiang Kunlun asked, “Big Brother, what do you plan to do next?”

The person on the other end of the phone said, “Second Brother, even if you acknowledge this kid, the others don’t.

If this kid wants to wear this crown, he has to convince all of us.”

Xiang Kunlun shrugged and said, “Alright, whatever you do next is up to you.

However, I can assure you that this kid will definitely not disappoint you.”

“Hearing you mention it, I’m getting more and more interested in this kid. I hope I can meet him as soon as possible.”

The person on the other end of the phone laughed and asked, “Second Brother, when do you plan to come back?”

Xiang Kunlun said, “I still have something to deal with here. I think you’ll have to wait for a while.”

“Alright, go do your thing. With me at the helm, there won’t be any big trouble.”

“Haha, as expected, it’s good to leave the leader position to you. I’m much more relaxed now!”

“When this kid can really take on the heavy burden, I’ll be much more relaxed as well!”

“Then let’s wait and see. Perhaps we can witness another legend!”

“I’m looking forward to it!”

After chatting for a while, Xiang Kunlun hung up.

He looked up in the direction where Yang Luo had left and muttered, “Kid, you have to grow up as soon as possible...”

Around nine in the morning.

Jiang City.

Inside Hua Mei Biomedical.

Su Qingmei, who was wearing a beige professional suit, walked out of the elevator.

Although she had experienced danger yesterday, she had already recovered her energy today.

Having been cultivating the Nine Revolutions Phoenix Controlling Technique recently, her condition was getting better and better.

The moment she walked out of the elevator, she saw that Xu Yan was already waiting at the door.

“Good morning, President Su!”

Xu Yan smiled and greeted her.

“Good morning!”

Su Qingmei smiled and nodded. As she walked towards the office, she said, “Xu Yan, report the situation over the past few days.”

“Yes.”

Xu Yan responded and reported, “President Su, the sales of our company’s various products have been rising steadily these few days. The public’s response has been very good.

All the major media outlets are also fighting to promote our company’s products.

The responses from the various agents are also very good. Everyone is still worried that there won’t be enough products, so they hope that we can speed up production.”

Su Qingmei nodded and said, “Call the various agents later and tell them not to worry. Tell them that we’re working overtime to produce products. There won’t be a shortage.”

“Alright.”

Xu Yan nodded and said, “President Su, more and more company bosses in the surrounding provinces and cities are asking about our Hua Mei Biomedical and our products as well.

There are also many people who want to cooperate with us and represent our products.”

Su Qingmei said, “Tell them that cooperation is naturally possible. Get them to draft a cooperation plan. I’ll review it when the time comes.”

“Yes.”

Xu Yan responded and suddenly thought of something, “President Su, in the past few days, Taikang Medical, a subsidiary of the Huangfu family in the capital, has already entered Jiang City.

The President of the branch company seems to be the second young master of the Huangfu family, Huangfu Haotian.

Moreover, the moment Taikang Pharmaceutical entered Jiang City, they bought over many small and medium-sized cosmetics companies and pharmaceutical companies.

And Taikang Medical chose the company’s address to be at the Jinmao Building 800 meters opposite us...”

Chapter 598: Rich And Overbearing!

Su Qingmei frowned slightly and said, “What exactly is Taikang Medical trying to do by causing such a huge commotion?”

Xu Yan said, “President Su, I keep feeling that Taikang Medical Company is up to no good. It’s as if they’re targeting us.”

Su Qingmei pondered for a moment and said, “While we can’t have the intention to harm others, we must always be wary of others.

We have to be prepared to deal with any unexpected situations.”

“Understood!”

Xu Yan nodded.

But at this moment...

A call was made to Xu Yan's phone.

Xu Yan quickly picked up the call.

After the call...

Xu Yan hurriedly said, "President Su, the front desk called just now and said that Huangfu Haotian from Taikang Medical is here. He wants to see you!" "Speak of the devil."

Su Qingmei narrowed her eyes and said, "Since he's here, we have to at least meet him. Let's go."

Then, Su Qingmei and Xu Yan returned and took the elevator downstairs.

When they arrived at the hall on the first floor, they saw a group of people standing in the hall, looking around.

At their front was a tall and handsome young man in a black and white tailored shirt.

Su Qingmei had seen a photo of this man before. He was the President of Taikang Medical's Jiang City branch, the second young master of the Huangfu family, Huangfu Haotian.

Behind Huangfu Haotian was a female secretary and a few bodyguards in black.

At this moment, Huangfu Haotian saw Su Qingmei and a hint of surprise flashed across his eyes.

With a gentle smile on his face, he walked over.

"It's rumored that President Su is a famous beauty in Jiang City. Now that I've seen her today, she really lives up to her reputation!"

"President Huangfu, you're too kind."

Su Qingmei smiled and replied, then asked, "May I know why President

Huangfu is here at Hua Mei Biomedical today?"

Huangfu Haotian smiled and said, "I came this time to discuss a collaboration with you, President Su."

"Talk about a collaboration?"

Su Qingmei looked puzzled.

"That's right."

Huangfu Haotian nodded and said, "As far as I know, the largest pharmaceutical company in Jiang City and even the entire Jiangnan province is Hua Mei Biomedical.

Since Taikang Medical wants to develop steadily in Jiang City, we naturally need to cooperate with Hua Mei Biomedical."

"In that case, let's talk in the office."

Su Qingmei raised her hand, "Please!"

Then, Su Qingmei and the others took the elevator upstairs.

After arriving at the office,

Xu Yan poured a glass of water for Huangfu Haotian and left the office.

After the door was closed...

Su Qingmei looked at Huangfu Haotian, who was sitting on the sofa opposite her, and asked, "I wonder how President Huangfu wants to cooperate with our Hua Mei Biomedical?"

Huangfu Haotian didn't answer immediately. Instead, he picked up the cup and took a sip of water, "I heard that your Hua Mei Biomedical has three trump cards.

And they're selling very well in the entire Jiang City, Jiangnan province, and many surrounding cities?"

"That's right."

Su Qingmei nodded and introduced, "These three products of Hua Mei Biomedical are the Jade Countenance Beauty Mask, Luo Shen Hair Nurturing Serum, and the Seven Treasures Consolidating Pill.

These three products are mainly focused on beautifying, nourishing, and regulating the body."

"Oh..."

Huangfu Haotian nodded and leaned back on the sofa, "President Su, name a price."

"Name a price?"

Su Qingmei was stunned. "President Huangfu, what do you mean?"

Huangfu Haotian said, "Taikang Medical is very interested in the secret recipes for these three products of Hua Mei Biomedical. You can name a price. We plan to buy them."

As soon as these words were spoken...

Su Qingmei's expression instantly darkened, "President Huangfu, it seems like you're not sincere in working with our Hua Mei Biomedical."

Huangfu Haotian chuckled and said, "President Su, our Taikang Medical Company is still very sincere. We sincerely want to buy your secret recipe."

As he spoke, Huangfu Haotian took out a check and placed it in front of Su Qingmei, "As long as you're willing to sell the secret recipe to us, you can fill in the amount."

Su Qingmei's expression turned even colder, "Since President Huangfu doesn't have the intention to sincerely cooperate with our Hua Mei Biomedical, please leave."

Huangfu Haotian frowned and said, "President Su, although Hua Mei Biomedical has some influence in Jiangnan province, it can't compare to Taikang Medical.

Taikang Medical basically has branches in all the major cities in Country Hua and has a huge influence.

It was a waste to leave the secret recipes of these three products with Hua Mei Biomedical.

Why don't you hand these three secret recipes to us and let them unleash their greatest value?"

Su Qingmei took a deep breath and said, “President Huangfu, you don’t have to worry about the influence of Hua Mei Biomedical.

As for how much value these three secret recipes can bring to our Hua Mei Biomedical, you don’t have to say anything.”

Huangfu Haotian was clearly a little impatient. He tugged at his collar and said, “President Su, since you’re unwilling to sell the secret recipe, then give your company an estimate. My Taikang Pharmaceutical intends to acquire your company.

It’s still the same as before. You can fill in the amount as you wish.”

Su Qingmei was so angry that her eyebrows twitched and her voice became louder, “President Huangfu, do you really think everything in this world can be bought with money?”

“Isn’t it the case?”

Huangfu Haotian shrugged his shoulders.

Su Qingmei’s patience was exhausted. She pointed at the door with her right hand, “Please leave!”

Huangfu Haotian’s expression turned cold, “President Su, are you really not going to reconsider?

As long as you sell us the secret recipe, we’ll be best friends from now on.

Hua Mei Biomedical can also continue to develop with the support of Taikang Medical...”

“Leave!”

Su Qingmei shouted coldly.

Huangfu Haotian was about to speak....

But a teasing voice suddenly came from outside the door.

“President Huangfu is really rich. He’s either buying secret recipes or a company. How awesome!”

Just as the sounds sounded!!

The door was pushed open.

Yang Luo had his hands in his pockets and was standing at the door with a smile.

“Who are you? You’re not allowed to enter!”

Huangfu Haotian’s two bodyguards immediately reached out and grabbed Yang Luo’s shoulders.

Yang Luo only shook slightly in response!

A majestic and vast force surged out, sending the two bodyguards flying and hitting the wall!

The bodyguards at the door were shocked and were about to rush forward!

“Halt!”

Su Qingmei shouted, “This is the second-largest shareholder of Hua Mei Biomedical, Yang Luo!”

Hearing this, the bodyguards stopped.

Yang Luo walked into the office with a smile.

He walked up to Huangfu Haotian and asked with a smile, “President Huangfu, are you really going to buy our secret recipe? We can fill in the amount as we please?”

“Of course.”

Huangfu Haotian nodded.

“I see. Alright then...”

Yang Luo nodded. Then, he picked up the cheque and pen and began to fill in the amount.

“Yang Luo, you...”

Su Qingmei was stunned.

What was this situation?

Could it be that Yang Luo really planned to sell the secret recipe?

However, Su Qingmei did not stop him.

After all, the secret recipe was provided by Yang Luo, so he could deal with it as he pleased.

As for Huangfu Haotian, he revealed a smug smile.

As expected, no one would think that they had too much money.

Very quickly, Yang Luo filled in the amount and handed the check to Huangfu Haotian, “President Huangfu, our three secret recipes are worth this price. Please take a look.”

“Why didn’t you do this earlier? Why did you have to make things unpleasant?”

Huangfu Haotian smiled and took the check.

When he saw the amount that Yang Luo filled in, his face instantly turned ashen!

Chapter 599: Snow Jade Spirit Ginseng!

“What the f*ck are you doing?! How can you fill in the amount like this?!” Huangfu Haotian was furious. He stood up and threw the check on the table. Su Qingmei was very puzzled. She didn’t know how much money Yang Luo had filled in to make Huangfu Haotian flare up like this.

She looked at the check in confusion and could not help but laugh.

As the check for Taikang Medical was specially custom-made and it could be filled in to twelve digits, which meant that the highest amount could be filled in to 100 billion yuan.

Unexpectedly, Yang Luo filled in 9 for all twelve numbers.

No matter how rich the Huangfu family was, they could not fork out more than 900 billion.

Yang Luo pretended to be puzzled and said, "President Huangfu, why are you so angry?

Didn't you say that I could fill in the amount as I pleased?"

"You..."

Huangfu Haotian stared fixedly at Yang Luo, took a few deep breaths and said,

"Good, very good. Since you insist on fighting with our Taikang Medical Company, let's wait and see!"

As he spoke, he shouted at the bodyguards outside, "Let's go!"

After Huangfu Haotian and the others left.

Su Qingmei quickly closed the door.

She looked at Yang Luo and was caught between laughter and tears, "Yang Luo, who fills in the amount like you?"

Yang Luo spread his hands and said, "Didn't President Huangfu say that I could fill in the amount as I pleased?"

Su Qingmei shook her head and said helplessly, "But this way, we'll really fall out with Taikang Medical."

"So be it."

Yang Luo pursed his lips and said, "Previously, I felt that Taikang Medical did not have any good intentions when they entered Jiang City. Now that I look at it, it's true.

However, Qingmei, you don't have to worry. If Taikang Medical really wants to fight with us, we'll play with them."

Our Hua Mei Biomedical is no longer that small company that can be controlled by others.

If Taikang Medical really wants to fight with us, we won't be afraid."

Su Qingmei nodded and asked, "By the way, what did you and Prajna do last night?"

"We went and did something big..."

Yang Luo did not hide anything and told Su Qingmei what he had done in Elephant Country last night.

After hearing Yang Luo's words, Su Qingmei was stunned.

She rubbed her forehead and said speechlessly, "I really have to hand it to you.

I didn't expect you to go to Elephant Country in the middle of the night and cause a scene.

I'm afraid only the few of you can do such a thing."

Yang Luo laughed and took out an exquisite box from his pocket. He handed it to Su Qingmei, "Qingmei, this is for you."

“What is this?!”

Su Qingmei took the box and opened it to take a look. She exclaimed, “What a beautiful jade Buddha pendant. Moreover, the quality of the jade is quite good!” Yang Luo smiled and said, “Of course. This is made of glass-type Imperial Jade Glass.

“Moreover, I added a spell on it. It can calm the mind, exorcize evil, avoid evil, and protect your mind.

If you carry it with you, it will only be beneficial to you.”

“Yes, yes, I like it very much. Thank you!”

Su Qingmei nodded happily.

However, she quickly thought of something, “No, I think the bracelet Prajna is wearing is also made of glass-type Imperial Jade Glass.

Don’t tell me it’s also from you?”

“Uhhh...”

Yang Luo laughed dryly and nodded, “Yes.”

Su Qingmei said jealously, “I thought you only prepared this for me.”

Yang Luo chuckled and said, “Wear this jade Buddha pendant first. I’ll give you a gift alone later.”

Su Qingmei pouted and said, “You said it yourself. I’ll always remember it.”

“Don’t worry, I’ll definitely keep my word!”

Yang Luo replied and casually asked, “By the way, what day is it today?”

Su Qingmei said, “It’s the fourteenth today. What’s wrong?”

“All?”

Yang Luo was shocked. “Is it the 14th of September?”

“That’s right.”

Su Qingmei nodded.

Yang Luo gulped and said, “F*ck! Tomorrow is Eldest Senior Sister’s birthday!

“Eldest Senior Sister said that if I don’t show up tomorrow, she will come to Jiang City to kill me!”

“What?! It’s Senior Sister’s birthday tomorrow?!”

Su Qingmei’s expression changed drastically, “Why didn’t you say so earlier? I didn’t even have time to prepare a gift!”

Yang Luo smiled and waved his hand, “Don’t worry, as long as you can be present, there’s no need for gifts.”

“How can I do that!”

Su Qingmei frowned, “I have to prepare a gift. No matter what, it’s a token of my appreciation!”

Yang Luo was about to speak, but was stopped.

A call came to his phone.

He took out his phone and took a look. He realized that it was Overflowing

Moon Sect’s Sect Master, Chen Ying.

He was also a sect master he knew when he destroyed the Mystic Yin Sect.

Usually, Chen Ying rarely contacted him. Now that she suddenly called, could it be that she had found the herbs he needed?

At the thought of this, Yang Luo quickly picked up the call.

“Sect Master Chen, why did you suddenly call me?”

“Mr. Yang, please save our lives!”

An anxious female voice sounded.

Yang Luo’s expression immediately changed and he hurriedly asked, “Sect Master Chen, what happened?”

Chen Ying replied, “Mr. Yang, didn’t you ask us to help you find herbs previously?”

A few days ago, Sect Master Zhao, Sect Master Luo, and I found out that there was the Snow Jade Spirit Ginseng you were looking for near the Jade Dragon Snow Mountain in Yun Province.

Therefore, the three of us brought some disciples to search. As expected, we found the Snow Jade Spirit Ginseng.

Unexpectedly, a few other sects were also looking for this Snow Jade Spirit Ginseng.

Now, they want to snatch the Snow Jade Spirit Ginseng. We’re not their match, so we hid.

However, it wouldn’t be long before they found us.

Therefore, we have no choice but to ask you for help!”

After hearing Chen Ying’s explanation, Yang Luo finally understood what was going on.

He was very excited.

He did not expect Chen Ying and the others to help him find the seventh herb to refine the Soul Formation Pill.

As long as he obtained the Snow Jade Spirit Ginseng, he would only lack the last medicinal ingredient.

Once he found the last herb and refined the Spirit Concentration Pill, he would find an excellent place to cultivate. His cultivation level would definitely be able to step into the Soul Formation Realm in one go!

At that time, his strength would increase explosively. Not only would he have the confidence to avenge Prajna, but he would also have the confidence to destroy the Myriad Swords Gate!

Yang Luo suppressed the excitement in his heart and said, "Sect Master Chen, send me your location immediately. I'll rush over immediately!"

You were in danger because you were helping me find the herbs. I naturally can't sit back and do nothing!"

"Thank you, Mr. Yang!"

Chen Ying thanked him.

After hanging up, Yang Luo received Chen Ying's location.

Then, Yang Luo said to Su Qingmei, "Qingmei, I have something urgent to attend to!

If I can't make it back tonight, then go to Peng City to see Eldest Senior Sister in advance!"

With that, Yang Luo rushed out of the office...

Chapter 600: Mr. Yang Will Definitely Come!

"Yang Luo, I still have something to tell you. Do you have to be so anxious?!"

Su Qingmei chased to the office door and shouted, but she realized that Yang Luo had already run far away.

"This bastard, can't he stay in the company for another minute?"

She stomped her feet in anger and began to worry.

Tomorrow was his Eldest Senior Sister's birthday. What gift should she prepare?

No matter how she thought about it, she could not think of what to give.

Hence, she took out her phone and called Qin Yimo.

"Momo, do you have time now? Can you accompany me to the mall?"

I want you to help me choose a gift. Alright, alright. See you at the usual place..."

After Yang Luo left the room, he rushed to the lobby on the first floor.

Coincidentally, Prajna was explaining something to the front desk.

Xu Ying and Bujie were patrolling with a group of security officers.

"Brother Yang, why are you in such a hurry?"

Bujie hurriedly ran over.

Xu Ying and Prajna followed.

Yang Luo said, "I have something urgent to do in Yun Province. Do you guys want to come?"

"Why are you going to Yun Province?"

Bujie asked curiously.

Yang Luo replied, "To save someone!"

"Yes, of course I'm going!"

Bujie nodded repeatedly and asked again, "Who exactly are we going to save?"

Yang Luo said, "Let's talk on the way. We'll set off first!"

"Alright!"

Xu Ying, Bujie, and Prajna nodded and ran out of the company building with Yang Luo.

When they arrived at the entrance, the four of them hailed a taxi and headed straight for the airport.

On the way, Yang Luo took out his phone and booked four tickets to Li City in Yun Province as soon as possible.

After Yang Luo booked the plane ticket, Bujie said, "Brother Yang, can you tell me now? What exactly happened?"

Xu Ying and Prajna also looked at Yang Luo in confusion.

Yang Luo naturally did not hide anything and told the three of them what he had said to Chen Ying.

After hearing Yang Luo's words, the three of them finally understood what was going on.

Bujie said, "Sect Master Chen and the others are quite good people. Now that they are in danger, we naturally have to help."

"Who are this Sect Master Chen and the others you're talking about?"

Prajna asked curiously.

Previously, when he went to destroy the Mystic Yin Sect, Prajna did not follow him, so she naturally had yet to meet them.

Yang Luo roughly explained to Prajna.

"I see."

Prajna nodded and said, "Then we have to save them no matter what."

"That's right."

Yang Luo nodded and said, "I only hope that Sect Master Chen and the others can ensure their safety. It's best if nothing happens."

Half an hour later, the four of them arrived at the airport.

Not long after, the four of them boarded a plane to Li City in Yun Province.

On the way to Li City...

Yang Luo suddenly thought of something and said, "By the way, after settling this matter, we have to rush to Peng City tomorrow."

"Huh?!"

Bujie, who was sitting at the side, twitched his mouth and said, "Brother Yang, why are you running everywhere? Can't you stop and rest for a moment?"

Yang Luo said helplessly, "I don't want to either, but tomorrow is Eldest Senior Sister's birthday. I have to go!"

"What?! It's Senior Sister's birthday tomorrow?!"

Prajna was speechless as she complained, "Brother Yang, why are you only saying it now?"

Back then, Sister Dongfang gave me such an expensive watch. This time, I have to give her a big gift for her birthday!

But now, I have to follow you to Li City to save someone. I wonder if I have time to buy a gift for Sister Dongfang!"

Xu Ying shook her head and said, "Brother Yang, you're in the wrong. You should have told us earlier."

Yang Luo scratched his head and said, "Don't blame me. I only realized today as well that Eldest Senior Sister's birthday is tomorrow.

After saving Sect Master Chen, we'll find time to buy gifts."

Bujie asked curiously, "That Senior Sister you're talking about is the South Suppressing King that you often talk about, right?"

Because Bujie only started following Yang Luo later on, he had never seen Dongfang Ruoshui before and had only heard Yang Luo and the others mention her.

"That's right."

Xu Ying nodded.

Bujie became even more curious, "Then between this Senior Sister and Sister Ziyun, who is more beautiful?"

Prajna said, "Sister Dongfang and Sister Ziyun each have their own merits!"

"Is that so?"

Bujie's eyes lit up, "Then I'm going to take a good look!"

Prajna said, "Brother Yang, actually, it doesn't matter what gift we give.

However, you have to think carefully about what gift to give Sister Dongfang."

Yang Luo nodded and fell into deep thought.

That's right, he had not celebrated Senior Sister's birthday for many years.

Now that it was Eldest Senior Sister's birthday, he could not casually fool her.

What should he give Eldest Senior Sister?

Yang Luo frowned and racked his brains to think.

Not long after...

Yang Luo's eyes lit up. He finally thought of what to give.

Moreover, he believed that Eldest Senior Sister would definitely like this gift.

“Brother Yang, have you thought of what gift to give Sister Dongfang?”

Seeing this expression, Prajna asked.

“Of course!”

Yang Luo smiled and nodded.

“Tell me, what are you going to give her?”

Prajna's curiosity was aroused.

Xu Ying and Bujie were also curious.

Yang Luo smiled mysteriously and said, “You'll know tomorrow.”

Prajna pouted playfully, “Aiya, stop keeping us in suspense. Tell us, tell us!”

Yang Luo shook his head and said, “It's meaningless if I say it now without guessing.”

“Cheh!”

Bujie rolled his eyes, “You're still playing mysterious!”

Seeing that Yang Luo was tight-lipped, Prajna could only give up.

As Jiang City was quite far from Li City...

Therefore, when Yang Luo and the others arrived at Li City, it was already two in the afternoon.

After arriving at Li City...

Yang Luo and the other three hailed a taxi and arrived at Jade Dragon Snow Mountain.

From afar, there were snow mountains that rose and fell like a “dragon” dancing in the sky. Jade Dragon Snow Mountain got its name from this.

As it was the peak season for tourism, many tourists came here to play.

“Brother Yang, where are Sect Master Chen and the others?”

Bujie asked.

Yang Luo took out his phone and opened the location. He said, “Sect Master

Chen sent the location, they're at the depths of the Jade Dragon Snow Mountain. It's still a distance away.

Let's go. We have to speed up.”

“Alright!”

Xu Ying and the other two nodded.

After that, Yang Luo and the other three arrived at a deserted place. Then, they entered the depths of the Jade Dragon Snow Mountain and ran according to the location...

Time continued to flow.

Unknowingly, the sun was about to set.

It was past five in the afternoon.

Deep in the Jade Dragon Snow Mountain, in a valley.

Surrounded by ice and snow, the temperature was extremely low.

Overflowing Moon Sect’s Sect Master Chen Ying, Divine Dragon Sect’s Sect Master Zhao Longteng, and Primordial Chaos Sect’s Sect Master Luo Qianchuan were hiding in a cave with a group of disciples.

Everyone was covered in wounds and had suffered considerable injuries.

Zhao Longteng leaned against the wall and panted, “Sect Master Chen, will Mr. Yang really come to save us?”

Chen Ying said firmly, “He will. Since Mr. Yang has agreed to save us, he will definitely come!”
