

Super IDG 701

Chapter 701 One Against Three!

Hearing this...

Although Gamou Ichio and the others felt humiliated, they really did not dare to attack Yang Luo.

It couldn't be helped. This kid in front of them was too terrifying.

It was too simple for him to kill two late-stage Martial Highness Realm experts.

Even if the four of them joined forces, could they really kill this kid?

Therefore, no matter how angry and aggrieved they were, they did not dare to say anything. They could only wait for the others to arrive before killing this kid together.

“Is that all you’ve got?”

Bujie sneered and said, “Back then, weren’t you very powerful when you joined forces to destroy the Chiyuki family?”

Gamou Ichio and the others gritted their teeth in anger, wishing they could skin this baldy alive.

However, they still endured it.

They would wait a little longer. When everyone arrived, they would kill these guys.

Yang Luo walked to Xu Ying, Bujie, and Prajna and said, “Let me treat your injuries.”

“Alright!”

Bujie smiled happily and nodded.

Prajna looked at Gamou Ichio and the others worriedly.

Yang Luo sneered and said, “Don’t worry. Even if they were given a hundred guts, they wouldn’t dare to make a move now.”

As he spoke, Yang Luo began to heal the three of them.

Seeing that Yang Luo was actually treating the injuries of others in front of them...

Gamou Ichio and the others were about to explode from anger!

This was simply an insult!

Seconds ticked by.

Gamou Ichio and the others watched helplessly as Yang Luo healed Xu Ying and the other two. The anger and humiliation in their hearts were almost uncontrollable.

At this moment, the elder of the Aoki Ninja Sect, Aoki Minari, shot a look at the other three elders and even gestured a few times.

The other three elders frowned but nodded.

Following that, Aoki Minari secretly formed seals and used the Shadow Style, instantly disappearing from his spot.

A few seconds later!

Aoki Minari suddenly appeared behind Yang Luo and swung his palm at Yang Luo's head!

“Brother Yang, be careful!”

“Brother Yang!”

Bujie and the other two noticed Aoki Minari behind Yang Luo and immediately shouted in shock.

However, Yang Luo seemed to have eyes on his back. He suddenly extended his right hand behind him and instantly grabbed Aoki Minari's throat!

Then, he exerted strength in his right hand!

There was a crisp crack!

Aoki Minari's neck was snapped!

Yang Luo didn't even look at Aoki Minari. Instead, he threw him on the ground like he was throwing trash.

He said indifferently, “You should cherish your last moments of life. Don't play such cheap shots...”

All the ninjas present were so frightened that their hair stood on end and they broke out in cold sweat!

Especially Gamou Ichio, Gamou Takashi, and Aoki Motosora, they were even more frightened!

Just now, they saw that Yang Luo's attention was on Xu Ying and the other two, so they agreed to let Aoki Minari assassinate Yang Luo!

After all, ninjas were best at sneak attacks!

However, who knew that the advantage they were best at was useless to Yang Luo!

One had to know that Aoki Minari was also a late-stage Martial Highness Realm expert!

His neck was broken just like that!

Rage!

Shame!

Humiliation!

All kinds of emotions surged into their hearts!

Although they wished they could tear Yang Luo into pieces now, they really did not dare to do anything else!

Less than ten minutes later.

Yang Luo had finished healing all the injuries on Xu Ying and the other two.

At this moment...

A series of messy footsteps came from afar, causing the entire ground to tremble slightly.

Everyone looked up and saw a large group of people running over from afar.

There were more than 3,000 people.

Their leaders were nine old men.

Prajna stared ahead and gritted her teeth, "They're here. The people from the Tolerance Ninja Sect, Takeda Ninja Sect, and Takino Ninja Sect are all here!" Yang Luo narrowed his eyes and looked ahead. "Those nine old fellows should be the elders of the three great ninja sects, right?"

"That's right."

Prajna nodded and said, "These nine old fellows are the three elders of the Tolerance Ninja Sect, Hidden Toshihiro, Hidden Batsu, and Hidden Toshijima!

The three elders of Takeda Ninja Sect, Takeda Katsuoka, Takeda Masahiro, and Takeda Harao!

The three elders of the Takino Ninja Sect, Takino Daisuke, Takino Chiyoko and Takino Hachiyama!"

Yang Luo nodded and sensed the cultivation levels of these old fellows.

The highest cultivation among these old fellows was at the middle-stage Martial King Realm. There were three of them.

The other old fellows were all below the mid-stage Martial King Realm.

"Brothers, you're finally here!"

Seeing that reinforcements had arrived, Gamou Ichio was overjoyed and hurriedly went up to them.

"Ichio, what's going on? Why did so many people die?"

Hidden Toshihiro asked in a low voice.

The other old men's expressions were also extremely gloomy.

When they arrived, they saw corpses everywhere along the way.

This made them very puzzled!

Gamou Ichio hurriedly told Hidden Toshihiro and the others what had just happened.

After hearing Gamou Ichio's words, Hidden Toshihiro and the others finally understood what was going on.

Hidden Toshihiro turned to look at Prajna and said coldly, "I didn't expect a bastard from the Chiyuki family to survive!

"Back then, we should have searched carefully again. Otherwise, we wouldn't have encountered this problem today!"

Takeda Katsuoka smiled sinisterly and said, "Brother Toshihiro, she's just a little girl from the Chiyuki family. She's not a disaster!

Since she has appeared, just destroy her!”

Gamou Ichio said, “Brothers, we have to be careful!

That Country Hua brat is very extraordinary. He was the one who killed Hoshi and many other elders!”

Takino Daisuke chuckled and said, “I want to see how extraordinary this kid is! There are so many of us here. Can’t we kill this Country Hua kid?”

“That’s right.”

Hidden Toshihiro also said in a trembling voice, “Tonight, be it this Country Hua kid or the little girl from the Chiyuki family, they will definitely die!” Just as this group of old fellows were clamoring...

Yang Luo said indifferently, “Have you said enough of your last words before you die?

“If you’ve said enough, then come at me together!”

“Baka!”

“Young brat, you still dare to be arrogant at the brink of death!”

“Let’s attack together and kill this kid!”

The twelve elders of the five ninja sects roared and charged at Yang Luo!

The other ninjas also attacked at the same time!

Yang Luo said in a steely voice, “Xu Ying, Bujie, Prajna, leave these twelve old fellows to me. I’ll leave the rest to you!”

“Yes!”

Xu Ying and the other two replied in loudly.

Then, Xu Ying and the other two held their weapons and charged towards the ninjas!

Yang Luo moved and charged at the twelve elders!

On the way to kill the twelve elders!

Yang Luo’s combat strength was fully unleashed. The True Qi in his body was constantly mobilized, and his eyes and body flickered with a dazzling golden light!

A golden dragon phantom coiled around his body!

“Kill!”

The 12 elders roared at the same time and used their ninjutsu arts to attack!

Metal, wood, water, fire, earth, wind, rain, lightning, and various other attribute energies intertwined and attacked Yang Luo from all directions! “Explode for me!”

Yang Luo let out a roar and suddenly stomped down!

“Roar, roar, roar!”

Nine golden dragon phantoms roared and charged in all directions!

The layers of ninjutsu that attacked were directly destroyed, turning into dazzling and terrifying energy that splashed in all directions!

“Alihhh...”

As for the twelve elders, they let out miserable cries and were sent flying! Several elders who were not strong enough spat out blood from the impact! Although the others did not vomit blood, they still felt their bodies wracked in pain!

Chapter 702 Heaven-Defying Combat Strength!

After sending the twelve elders flying!

Yang Luo's figure moved and turned into a golden stream of light, instantly appearing in front of one of the elders!

“The first one!”

Yang Luo let out a roar. Then, before the elder could recover from his shock, he threw a punch!

Peng!

This elder was directly blown up, dying in endless fear!

Then, Yang Luo's figure flashed and he used the Great Freedom Emperor Dragon Movement Technique. He transformed into a stream of light again and appeared behind another elder!

This movement technique was also a set of movement techniques in the Nine Heavens Dragon Taming Technique. Once used, its speed would increase by at least ten times!

Unless one's cultivation and strength could completely outclass Yang Luo, no one could capture his figure!

Usually, Yang Luo would not use this movement technique!

Firstly, he felt that there was no need!

Secondly, this movement technique consumed a lot of True Qi!

But now, in order to hurry, he could only speed up and kill these elders as quickly as possible!

After all, his real goal tonight was the top four ninja sects!

Therefore, he could not waste time with these guys!

“The second one!”

A cold voice sounded.

Yang Luo slapped down!

Peng!

Before this elder could react, he was slapped to death!

After killing the second elder, Yang Luo's figure disappeared from the spot again!

When he appeared again, he had already arrived above an elder's head!

“Third!”

Yang Luo let out a roar and kicked down heavily!

The leg covered in golden qi tore through the sky like a golden Tomahawk!

There was a loud bang!

The elder was struck by a foot and fell heavily to the ground!

The ground collapsed, and the elder's entire chest caved in. His entire body was badly mangled as he died!

In the next few minutes.

Yang Luo's figure kept flashing as he killed the elders one by one!

“Fourth!”

“Fifth!”

“Sixth!”

Yang Luo's voice was like the whisper of the god of death, sounding continuously!

Every time the voice sounded, an elder would fall!

It had only been five minutes!

Rumble!

A series of explosions resounded through the sky!

The eighth elder was also killed!

The surrounding houses continued to collapse!

The ground looked as if huge pits had been continuously dug out from the surface!

Rocks flew, dust filled the air, and wood shavings soared into the sky!

The battlefield had already become a mess!

When the rocks, dust, and wood shavings dispersed!

Everyone saw Yang Luo standing there quietly!

The surroundings were filled with corpses and blood!

At this moment, Yang Luo was really like a demon who had walked out of a mountain of corpses and a sea of blood. He was domineering and extremely terrifying!

In front of Yang Luo, there were only four elders left!

These four elders were Gamou Ichio, Hidden Toshihiro, Takeda Katsuoka, and Takino Daisuke, who were at the mid-stage Martial King Realm!

Although they had dodged Yang Luo's first round of attacks, they were still severely injured and were covered in wounds and blood!

At this moment, Gamou Ichio and the others' eyes were filled with extreme fear!

The twelve elders joined forces, but they did not expect eight of them to be killed in just a few minutes!

Such combat strength was simply heaven-defying!

“Damn it, where did this little girl from the Chiyuki family find such a terrifying guy?!”

Takino Daisuke gritted his teeth, his heart filled with fear and anger.

Takeda Katsuoka took a deep breath and said, “There are only the four of us left. What should we do?”

Hidden Toshihiro said with a ferocious expression, “What else can we do? We have to fight this guy to the death!”

“That's right.”

Gamou Ichio hissed, “This guy killed so many of us. We can't let him off!”

“Kill!”

The four of them roared angrily and charged towards Yang Luo!

On the way to Yang Luo, the four of them had already mobilized all the True Qi in their bodies. Their auras soared and their combat strength was fully unleashed!

Yang Luo did not stop at all. He took a step forward and attacked the four of them!

And in that instant!

Yang Luo and Gamou Ichio closed the distance between them.

“Thunder Style, Myriad Thunder Breaks the Sky!”

“Fire Style, Sea of Fire!”

“Wind Style, Whirlwind!”

Gamou Ichio quickly formed seals with both hands and used three ninjutsu at the same time!

Tens of thousands of lightning bolts, a monstrous sea of fire, and tornadoes attacked Yang Luo at the same time!

However, Yang Luo was not afraid at all. With a tremble, he mobilized the true fire and Yang lightning in his body!

Then, he raised his hands. Golden flames and golden lightning surged in his hands. It was incomparably terrifying!

“Annihilate!”

Yang Luo suddenly waved his hands!

Golden lightning and golden flames surged out at the same time to resist Gamou Ichio’s triple ninjutsu!

Rumble!

Accompanied by terrifying explosions!

Lightning, flames, wind, and various other energies erupted and washed in all directions!

No matter how strong Gamou Ichio’s ninjutsu was, he could not withstand the bombardment of true fire and Yang lightning and was directly destroyed!

After destroying the three ninja techniques, the true fire and Yang lightning continued to surge up and hit Gamou Ichio’s chest ruthlessly!

“Ah...!”

Gamou Ichio let out a painful scream and was sent flying.

He spat out blood crazily, and a large area of his body was charred. It was very tragic!

After sending Gamou Ichio flying!

Yang Luo’s figure flashed as he prepared to chase after Gamou Ichio and finish him off in one go!

But right at this moment...

“Spiritual Communication Technique, Heavenly Hound, Snow Maiden, Shutendoji!”

Hidden Toshihiro let out a roar and directly used the powerful ninjutsu of his sect!

The three legendary demons of Country Sakura condensed into form and pounced at Yang Luo!

“Reincarnation Technique, Kato Duanmu, Tang Ze Zuanba, Mizuemon!”

Takeda Katsuoka also used his powerful ninjutsu!

The famous ninjas of Country Sakura’s ancient times immediately condensed into form. Each of them was more than ten meters tall. They held various weapons and charged at Yang Luo!

“Blood Sacrifice Technique — Ghost Army!”

Takino Daisuke bit his finger and dripped blood between his eyebrows. He then activated a powerful and unique ninjutsu!

Tens of thousands of armored soldiers with blood-colored lights all over their bodies and various weapons in their hands condensed into form and charged towards Yang Luo!

When Yang Luo saw this, a hint of surprise appeared in his eyes, “The ninjutsu you used is quite interesting.

Unfortunately, although it’s interesting, its power is still not enough.”

As he spoke, Yang Luo did not dodge or retreat. He moved forward!

When he charged at the three of them!

“Roar, roar, roar!”

Golden dragon phantoms roared out of his body and collided outwards!

Boom! Boom!

Rumble!

It shook the surroundings, and the collisions and explosions that shook the nine heavens were deafening!

Three great demons, three powerful ancient ninjas, and tens of thousands of Yin Spirit Armors were all swept away by the nine golden dragon phantoms!

“We’re no match for this kid at all!

Run, run quickly!”

Hidden Toshihiro was already scared out of his wits. He roared and turned to escape.

Takeda Katsuoka and Takino Daisuke were also scared out of their wits and prepared to escape.

However, the three of them did not manage to escape far!

The nine golden dragon phantoms merged into one and transformed into an even larger and more condensed golden dragon phantom that slammed into the three of them!

Boom! Boom! Boom!

Three explosions sounded in succession!

The three of them were directly blasted into three pools of flesh and blood, completely dead!

Hidden Toshihiro and the other two were killed!

The remaining Gamou Ichio was so frightened that his heart trembled. He could neither attack nor escape.. With a plop, he knelt down in front of Yang

Luo...

Chapter 703 The Destruction of the Six Ninja Sects!

“Sir, I’m not fighting anymore. I’m not fighting anymore!

I surrender, surrender!”

Gamou Ichio hurriedly knelt on the ground and begged for mercy, surrendering to Yang Luo.

At this moment, the ninjas who were fighting were dumbfounded when they saw this scene. Their faces were ashen, and their bodies were trembling.

“Even twelve elders working together couldn’t kill this kid... This kid isn’t human at all... He’s a monster!”

“The eleven elders are all dead... Only Elder Gamou Ichio is left now... It’s over... It’s all over!”

“Is there really no one who can kill this kid?!”

These ninjas all trembled as they looked at Yang Luo with anger and fear.

Yang Luo ignored the gazes of these ninjas and walked towards Gamou Ichio step by step.

“Sir, please spare my life!”

Gamou Ichio pleaded.

“Spare your life?”

Yang Luo stared coldly at Gamou Ichio and said, “When you destroyed the Chiyuki family, why didn’t you think of sparing the lives of the Chiyuki family?”

“This... this...”

Gamou Ichio trembled and his face turned pale. He said in a trembling voice,

“Sir... I know my mistake... I really know my mistake...”

“Do you think it’s enough just because you know your mistake?”

Yang Luo said indifferently, “Go to hell and apologize to the Chiyuki family!”

As he spoke, Yang Luo slapped Gamou Ichio’s head heavily!

Peng!

Gamou Ichio’s head exploded and he fell heavily to the ground!

At this point, all the elders present had been killed!

“Father, mother, grandfather, brother, sister... Did you see that... These beasts are all dead!”

Prajna choked and cried.

Yang Luo walked forward and hugged Prajna tightly. He said gently, “Be good, don’t cry. This is just the beginning!

I’ll send everyone who hurts you and your family to hell!”

“Hmm!”

Prajna nodded heavily and wiped the tears from the corners of her eyes.

Then, Yang Luo waved his hand!

“Xu Ying, Bujie, Prajna, let’s go!”

Everyone present did not dare to stop them at all. They could only watch helplessly as Yang Luo and the other three walked out of the village.

After walking out of Asuka Village...

Bujie turned around and looked. He frowned and said, "Brother Yang, are we going to let these dogs off?"

"Who said anything about letting them go?"

Yang Luo replied indifferently. Then, he raised his right hand and unleashed a true fire behind him!

And in that instant!

A few houses were set on fire!

The fire spread very quickly. Not long after, the entire Asuka Village was ignited!

Dazzling flames lit up the night sky, and thick smoke surged into the sky!

The raging fire spread in all directions with the wind, devouring everything without restraint!

"Fire! Fire!"

"Put out the fire! Quickly put out the fire!"

"Run! Run!"

The ninjas shouted in fear. Some were thinking of ways to put out the fire, some were fleeing frantically, and many were directly burned to death by the fire.

Bujie laughed out loud and said, "Good, this fire is good!"

"After tonight, this bullsh*t Asuka Ninja Sect will be destroyed!"

Xu Ying asked, "Brother Yang, where are we going next?"

Yang Luo thought for a moment and said, "Now, the Asuka Ninja Sect has been destroyed!"

However, the Gamou Ninja Sect, the Aoki Ninja Sect, the Tolerance Ninja Sect, the Takeda Ninja Sect, and the Yoshino Ninja Sect have not been completely destroyed!

Since I said that I wanted to destroy the six great ninja Dao sects, I naturally have to keep my word!

Next, we'll go to the six great ninja sects and destroy the remaining members!" "Yes!"

Xu Ying, Bujie, and Prajna replied in shock.

Then, Yang Luo quickly left Asuka Village with Xu Ying and the other two.

Half an hour later.

The Gamou Ninja Sect was destroyed!

An hour later.

The Aoki Ninja Sect was destroyed!

An hour and a half later.

The Tolerance Ninja Sect was destroyed!

Two hours later.

Takeda Ninja Sect was destroyed!

Two and a half hours later.

Yoshino Ninja Sect was destroyed!

After Yang Luo and the other three destroyed the other five great ninja sects, they also set fire to their Ninja Villages!

At this point, the six ninja schools of Nago City were destroyed!

Around three in the morning.

Kana City.

There was a tall mountain in the suburbs called Yamata no Orochi.

Yamata no Orochi was more than 2,000 meters tall, and the top of the mountain was covered in snow all year round. It was majestic and magnificent.

The number one ninja village in Country Sakura, Koga Village, was located here.

At this moment.

In a classic and luxurious mansion in Koga Village, the lights were brightly lit.

In the hall.

A group of people were kneeling on the futon, drinking and celebrating.

Many naked beauties were singing and dancing in the middle of the hall.

“Everyone, I propose to toast the four sect masters!”

“Under the leadership of the four sect masters, our four ninja sects will continue to grow stronger and better!”

“With the four sect masters leading the way, our four ninja Dao sects will always stand tall and eternally stand at the peak of Country Sakura!”

Everyone raised their glasses and toasted the four middle-aged men sitting at the head of the table.

These four middle-aged men were the sect masters of the four strongest ninja sects in Country Sakura, the Koga Ninja Sect, the Ito Ninja Sect, the Wind Demon Ninja Sect, and the Black Feather Ninja Sect.

They were Saemon Koga, Naoto Ito, Wind Demon Kojiro and Black Feather Oda.

There were two naked beauties serving each of the four of them. They were very happy.

At this moment, the four of them were already a little drunk and their faces were red.

Koga Saemon laughed and said, “Alright, alright, alright. Come, cheers!”

“Cheers!”

Ito Naoto, Wind Demon Kojiro, and Black Feather Oda also raised their glasses.

Everyone present raised their glasses and finished the wine in one gulp.

After drinking a glass of wine, the beauty at the side immediately fed Koga Saemon and the other three delicious food. The four of them had expressions of enjoyment.

Black Feather Oda let out a breath of alcohol and said, “Seeing the current state of our four ninja sects, I can’t help but think of twelve years ago.

If we hadn’t destroyed the Chiyuki family, I’m afraid it would have been very difficult for our four ninja sects to reach our current scale.”

Kojiro hugged the two beauties and smiled evilly, “Who asked this Chiyuki family to have the most complete ninjutsu in our Country Sakura and so many divine artifacts? How could they not be targeted?

Therefore, the Chiyuki family deserves to be destroyed!”

“Hahaha, that’s right. They deserve it!”

Ito Naoto smiled happily and said, “I really want the Chiyuki family to see the current grand occasion of our four ninja sects. I’m afraid they’ll vomit blood from anger, right?”

Koga Saemon laughed and said, “Even now, I still miss the taste of those women in the Chiyuki family...”

“Hahaha...”

Ito Naoto, Wind Demon Kojiro, and Black Feather Oda all laughed.

But at this moment...

“Report!”

A drawn-out shout came from outside.

A ninja in a black ninja uniform rushed in from outside.

Koga Saemon looked at the ninja coldly and frowned, “Can’t you see that we’re drinking? Can’t you send over the report tomorrow?”

The ninja bent down and lowered his head.. He said in a trembling voice, “Sect Master... I have something urgent to report!”

Chapter 704: Only Four People!

“Speak!”

Koga Saemon shouted coldly.

The ninja hurriedly replied, “Sect Master, we just received news from the Asuka Ninja Sect, the Gamou Ninja Sect, the Aoki Ninja Sect, the Tolerance Ninja Sect, the Takeda Ninja Sect, and the Yoshino Ninja Sect!

The sect masters and elders of the six great ninja sects were all killed, and their disciples were all dead or injured!

“There was also a great fire that destroyed the six great ninja villages, and the six great ninja sects now only exist in name!”

As soon as these words were spoken...

The entire hall instantly fell silent!

A few seconds later.

The hall became noisy.

“How is this possible? How could the six great ninja sects suddenly be attacked and be destroyed?!”

“There are so many elites from the six great ninja sects. How could they all be wiped out overnight?!”

“What organization did this? They actually destroyed the six great ninja sects?!”

Everyone in the hall started discussing in shock.

Koga Saemon stared at the reporting ninja and asked in a low voice, “Tell me, which organization did it?”

The ninja replied, “It’s not an organization...”

“What do you mean?”

Koga Saemon’s expression turned cold.

The ninja gulped and said, “The survivors of the six great ninja sects said that only four people destroyed them!”

“What?!”

Only four people?!”

Koga Saemon was shocked, “Are you sure there are only four of them?!” Ito Naoto, Wind Demon Kojiro, Black Feather Oda, and the others also looked at the ninja in a daze.

Obviously, this answer shocked them greatly.

Ito Naoto sneered and said, “What a joke. How can four people destroy the six ninja schools!”

Wind Demon Kojiro also frowned and said, “There are so many experts in the six ninja sects. How can four people destroy them?!”

Oda said coldly, “If you dare to spout nonsense, I’ll kill you now!”

The ninja knelt on the ground in fear and said with a terrified expression, “Sect Masters, I don’t know what’s going on either!”

“But that’s what the survivors of the six great ninja sects said!”

“Bullshit!”

Koga Saemon kicked the short table in front of him away and said angrily, “Could it be that the four guys who destroyed the six ninja sects are gods?! ”

Seeing that Koga Saemon was angry, everyone in the hall fell silent.

Ito Naoto asked with a dark expression, “Who exactly are those four guys?” The ninja kneeling on the ground replied, “Sect Master Itou, it’s said that three of those four people are from Country Hua and one is from the Chiyuki family!” “That’s nonsense!”

Koga Saemon waved his hand, and a majestic True Qi whistled out, sending the ninja kneeling on the ground flying.

“Pfft...”

The ninja was sent flying. He spat out a mouthful of blood and fell a few meters away. His face was filled with pain.

“Brother Saemon, don’t be in a hurry to flare up. It’s better to ask clearly.” Ito Naoto comforted him. Then, he looked at the ninja and asked, “You said that one of the four people is from the Chiyuki family. Is this true?” The ninja replied, “That’s what the people from the six great ninja sects said. They also said that this Chiyuki family brought those three people from

Country Hua this time to take revenge.”

Ito Naoto frowned and said, “Didn’t we exterminate the Chiyuki family? Why are there still people alive?”

A cold glint flashed in Wind Demon Kojiro’s eyes, “Could it be that there are really survivors of the Chiyuki family?”

Black Feather Oda said in a deep voice, “Also, what’s the background of the three people from Country Hua brought by this Chiyuki family? They actually have such powerful strength and can destroy the six ninja sects?”

Koga Saemon said in a trembling voice, “I don’t care where those three people from Country Hua come from, nor do I care if anyone from the Chiyuki family is still alive!

My Koga Ninja Sect will definitely kill them and avenge the Asuka Ninja Sect and the other six ninja sects!”

“That’s for sure. Those guys have to pay with their lives!”

“These six ninja sects are our allies. We have to take revenge!”

“If we don’t kill those four guys, our four top Ninja sects won’t be able to survive!”

Ito Naoto, Wind Demon Kojiro, and Black Feather Oda also roared.

However, before he could finish speaking!

“Report!”

Another ninja rushed in.

Koga Saemon said angrily, “what happened again?”

The ninja hurriedly replied, “Reporting to the sect master, someone broke Into our Koga Village and even killed our people!”

“Baka!”

Koga Saemon was furious, “How many people came? Who are they?!” The ninja hurriedly replied, “Four people came, but I don’t know who they are!”

“Four people?!”

Ito Naoto was stunned, “Could it be that the four fellows who destroyed the six ninja sects have attacked us now?!”

“What are those four guys trying to do? Are they trying to destroy all of our Ninja Sects?!”

“Oh my god, four people want to destroy all of our Ninja Sect? This is simply too crazy!”

Wind Demon Kojiro and Black Feather Oda also exclaimed.

“Good, good, great!”

Koga Saemon’s face was filled with a ferocious smile.

He raised his right hand and sent out a stream of True Qi! Swoosh!

A large saber on the saber rack whistled over and was grabbed tightly in his hand!

This saber was two meters long, longer than his entire body. Moreover, the blade was very wide, like a door!

He raised the saber in his hand and said in a booming voice, “Let’s go and meet those four guys with me!”

“Hai!”

Everyone responded in unison. Then, they picked up their weapons and rushed out of the hall with him...

At this moment.

A huge battle was taking place at the entrance of Koga Village.

A dense group of ninjas was attacking four people.

There were corpses everywhere on the ground, and blood was flowing.

The four of them were Yang Luo, Xu Ying, Bujie, and Prajna, who had rushed over from Nago City.

“Die, all of you!”

Yang Luo let out an explosive roar and suddenly stomped down!

Rumble!

The ground shook violently, cracking and collapsing continuously! Golden dragon phantoms roared out of his body and collided in all directions! “Ahhhhh...”

Screams rang out incessantly as large groups of ninjas were sent flying into the sky. They spat out blood and died on the spot.

There were even many ninjas whose bodies exploded into pools of flesh and blood.

“Come on, if I don’t become a Buddha today, I’ll become a demon!”

Bujie roared as golden Buddhist light flickered on his body. He held the

Dragon-Mark Buddhist Staff tightly with both hands and swung it continuously!

Boom! Boom! Boom!

All the ninjas who approached were smashed to death on the spot!

“The saber sweeps through the sky and disappears without a trace!

“Kill the world and slaughter all the heroes!”

Xu Ying stomped on the ground and soared into the sky. Then, he swung the

Dragon Sparrow Saber in her hand with all his might!

With a slash, the saber shadow tore through the air. The saber beam shone and the saber qi wreaked havoc!

Puff! Puff! Puff!

Blood pillars rushed into the sky with heads!

Meanwhile, Prajna’s body was like a phantom as she flashed through the crowd, killing large groups of ninjas one after another!

The mastermind behind the destruction of her family back then was the Koga Ninja Sect!

She had endless hatred for the Koga Ninja Sect!

For this, she was willing to be dyed in blood and transform into a Bloodthirsty Prajna to become a true demon!

Chapter 705: I’ve Waited for 12 Years!

At this moment...

Yang Luo, Xu Ying, Bujie, and Prajna seemed to have gone crazy as they advanced towards the village and started a massacre!

After all, the Koga Ninja Sect was the strongest ninja sect in Country Sakura!

Now that they had already killed their way to Koga Village, there was no need to hold back anymore!

As the four of them continued to push forward, large numbers of ninjas fell into a pool of blood!

The four of them stepped on the mountains of corpses and seas of blood as they advanced. They pressed forward indomitably and swept through everything!

In the beginning, the four of them were only facing the attacks of the lower and middle ninjas!

After the four of them advanced for a distance, many ninjas joined the battle!

All kinds of ninjutsu were used by these ninjas. It was simply dazzling and overwhelming!

Metal, wood, water, fire, earth, wind, rain, thunder, lightning, fog, light, darkness, and various other energies erupted!

This energy transformed into various ninjutsu that attacked Yang Luo and the other three continuously!

Yang Luo and the other three counterattacked forcefully and destroyed the ninjutsu that was attacking them. They also killed the ninjas that were charging at them!

Clang, clang, clang!

At this moment, the bell rang in Koga Village!

The village lit up, and countless ninjas rushed over from all directions!

Moreover, the mechanisms in the houses were also activated!

Pew pew pew!

Whoosh! Whoosh! Whoosh! Whoosh!

Ninja darts, sabers, spears, swords, spears, and other weapons also shot over from all directions!

Yang Luo and the other three condensed a True Qi barrier to block it. They continued forward and killed the approaching ninjas!

On the way!

Yang Luo mobilized the true fire and Yang lightning in his body, raised his left and right hands, and waved them out!

Rumble!

Whoosh! Whoosh!

Streaks of golden lightning and golden flames whistled out and collapsed the houses with hidden mechanisms!

At this moment!

Swoosh!

A huge dart whistled over and shot towards Yang Luo!

Yang Luo's right hand turned into a palm and slapped at the huge dart!

Bam!

Only a loud sound was heard.

The huge dart was sent flying and was firmly caught by a middle-aged man on the roof of a seven-story wooden building in the distance!

This middle-aged man was the sect master of Wind Demon Ninja Sect, Wind Demon Kojiro!

As for the huge dart in his hand, it was half the size of a person. It was completely black and extremely sharp, like a windmill!

This was his personal weapon — the Wind Demon Shuriken!

Just as Wind Demon Kojiro appeared on the roof, another figure flew over from afar and appeared on the roof!

Three of them were the sect masters of the Koga Ninja Sect, Ito Ninja Sect, and Black Feather Ninja Sect, Koga Saemon, Ito Naoto, and Black Feather Oda!

There were also 40 ninjas in black robes holding various weapons on the roof!

These 40 ninjas were the 40 Protectors of the four great ninja sects!

“Koga Saemon, Ito Naoto, Wind Demon Kojiro, and Black Feather Oda!”

Prajna stared intently at Koga Saemon and the other three and shouted, her eyes filled with endless hatred and anger.

By the side, Yang Luo asked, “Who are these four guys?”

Prajna replied, “They're the sect masters of the Koga Ninja Sect, Ito Ninja Sect, Wind Demon Ninja Sect, and Black Feather Ninja Sect!”

Yang Luo said, “I didn't expect the sect masters of the four great ninja sects to be here. Very good. This way, I won't have to look for them one by one!”

At this moment...

Koga Saemon stared coldly at Yang Luo and the others and asked in a trembling voice, “Who is from the Chiyuki family?”

“Me!”

Prajna took a step forward and replied loudly.

“You?”

Koga Saemon stared at Prajna, “Who are you? Why have I never seen you in the Chiyuki family!”

Prajna gritted her teeth and said, “My father is Chiyuki Ryuhei. I'm his youngest daughter, Chiyuki Hannyu!”

“You're Chiyuki Ryuhei's daughter?”

Koga Saemon was stunned for a moment. He narrowed his eyes and said, “Oh...

I remember now. Chiyuki Ryuhei does have a youngest daughter.

No wonder we didn’t find your corpse when we were cleaning up the battlefield.

I didn’t expect you to escape.”

Ito Naoto sighed and said, “Little girl, why are you so suicidal? You actually dare to barge into Koga Village?”

Prajna’s eyes were bloodshot as she roared, “I lived incognito to take revenge!

I will never forget the harm you have done to my Chiyuki family!

Twelve years, I’ve already waited for twelve years!

I’ve finally waited for an opportunity to see the destruction of your various Ninja Dao sects!”

Koga Ninja Sect smiled sinisterly, “Little b*tch, do you really think you can avenge your family with three people from Country Hua? You’re thinking too much!

Let me tell you, our four great ninja sects are different from the other six ninja sects!

We are the four strongest ninja sects in Country Sakura. We have countless experts guarding us, and we even have Divine Ninjas guarding us!

It’s simply a fantasy if you want to take revenge!”

Naoto Ito also said proudly, “If you know what’s good for you, kill yourself. If you fall into our hands, you’ll really wish you were dead!”

Wind Demon Kojiro said ruthlessly, “Little b*tch, as long as we catch you, we’ll torture you to death!

As for those three brats, we’ll also tear them into pieces!”

Oda also said loudly, “You have no choice tonight. You will only die!”

“Noisy!”

Yang Luo roared and punched out!

With a punch, the air exploded with a shocking momentum!

A huge golden fist surrounded by the phantom of a golden dragon blasted out!

Seeing that Yang Luo still dared to attack, Koga Saemon and the others were shocked!

“Be careful!”

Koga Saemon shouted in shock and immediately retreated.

Ito Naoto, Wind Demon Kojiro, and Black Feather Oda also retreated at the same time.

The other 40 Protectors also retreated.

And in that instant!

Boom! Boom! Boom!

Yang Luo's punch directly collapsed more than ten houses and destroyed the seven-story building where Koga Saemon and the others were standing just now!

Not only that, 16 Protectors were blasted into pools of flesh on the spot!

The other 24 Protectors were also severely injured by the punch and spat out blood!

Even Koga Saemon, Ito Naoto, Wind Demon Kojiro, and Black Feather Oda were sent flying dozens of meters away before landing on a roof and stabilizing themselves!

Koga Saemon and the others looked at the collapsed house in front of them and the 16 Protectors who had been killed with shock in their eyes!

With just one punch, he could erupt with such terrifying power. Where did this Country Hua kid come from?

Koga Saemon stared at Yang Luo and asked coldly, "Kid, who are you?"

Yang Luo said indifferently, "You don't have to know who I am.

Why should I say so much to a dead person..."

"Baka!"

Koga Saemon roared and waved his hand!

"Kill this kid! And that little b*tch from the Chiyuki family, as well as the other two guys, kill them all!"

"Hai!"

The remaining 24 Protectors nodded in agreement. Then, their bodies moved and seemed to transform into bolts of lightning as they charged towards Yang Luo and the other three!

Chapter 706: Come At Me Together!

Yang Luo only sensed for a moment and discovered that the highest cultivation of these Protectors was only at the early-stage Martial Highness Realm.

He said loudly, "Xu Ying, Bujie, Prajna, I'll leave these guys to you. I'll kill those four dogs!"

"Alright!"

Xu Ying, Bujie, and Prajna responded and charged at the 24 Protectors!

"Kid, you want to kill our sect master? Dream on!"

Immediately, six Protectors charged towards Yang Luo at the same time!

As they approached...

The six Protectors brandished their ninja tantos at the same time and slashed at Yang Luo!

Swoosh! Swoosh! Swoosh!

The cold light was piercingly cold and killing intent surged. It was incomparably terrifying!

“Since you guys have a death wish, I’ll fulfill your wish!”

Yang Luo shouted and raised his right hand. His palm flickered with golden light as he slapped out heavily!

It was as if a god had slapped out with his palm, wanting to destroy everything!

Clang!

A huge golden palm collided heavily with the six tantos, emitting a clear collision sound!

The next second!

The six tantos shattered at the same time, turning into fragments that filled the sky!

The moment the six tantos were shattered!

Peng, peng, peng!

The six Protectors could not withstand that palm strike at all and were slapped into pools of flesh!

Seeing that Yang Luo killed six of their protectors with a single slap, Koga Saemon, Ito Naoto, Kojiro, and Oda’s pupils constricted and their expressions changed drastically!

They did not expect Yang Luo to be so strong!

Six perfected Martial Scholar Realm experts were actually slapped to death just like that!

It was unbelievable!

At this moment.

After Yang Luo slapped the six Protectors to death, he suddenly stomped on the ground and leaped onto a roof!

Then, he flashed out and leaped onto the roofs, charging towards Koga Saemon and the other three who were 200 meters away!

Black Feather Oda was alarmed, “This guy is coming towards us!”

“Since this kid is here, let’s kill him!”

Kojiro said coldly and swung his right hand!

Swoosh!

The Wind Demon Shuriken in his hand whistled out, tearing through the night sky and shooting towards Yang Luo!

The Wind Demon Shuriken was incomparably sharp. Wherever it passed, the roofs would be cut off, causing one’s heart to palpitate!

But the moment Wind Demon’s shuriken shot over!

Yang Luo clenched his right fist and swung it out brazenly!

There was a loud bang!

The Wind Demon Shuriken was sent flying by a punch!

But Wind Demon Kojiro rushed out and leaped onto the roofs!

He grabbed Wind Demon's shuriken and threw it out again!

Swoosh!

The Wind Demon Shuriken carried an even stronger rotational force, lethality, destructive power, and destructive power as it shot towards Yang Luo!

Moreover, as the Wind Demon Shuriken was on its way to Yang Luo!

One turned into two, two turned into three, and three turned into four. They directly transformed into thousands of Wind Demon Shurikens that shot towards Yang Luo from all directions!

“You still want to embarrass yourself with such a small trick?”

Yang Luo said indifferently before his entire body shook!

Waves of torrential True Qi erupted from his body and surged in all directions like a landslide and tsunami!

Boom! Boom! Boom!

Explosions sounded in the sky and on the ground!

The Wind Demon Shuriken formed from True Qi was completely shattered!

The houses were also destroyed, turning into rocks, dust, and wood shavings that swept into the sky!

Then, Yang Luo's right hand suddenly clawed behind him and grabbed the main body of the Wind Demon Shuriken that shot over from behind. Then, he threw it forward!

Swoosh!

The Wind Demon Shuriken spun at an even more terrifying speed and shot towards Kojiro with even more terrifying lethality, destructive power, and destructive power!

“Wind Demon-san, be careful!”

“Quickly dodge!”

Koga Saemon, Ito Naoto, and Black Feather Oda reminded in surprise.

Kojiro's expression changed drastically, and he immediately formed seals with both hands!

“Wind Style, Wall of Storms!”

And in that instant!

A solid and heavy wind wall blocked in front of Wind Demon Kojiro!

However, even though this wind wall was incomparably sturdy, it still could not withstand the power of the Wind Demon Shuriken!

RUMBLE! There was a loud explosion!

The wind wall exploded, turning into turbulence that scattered in all directions!

The next second!

“ARGH!”

Kojiro let out a scream as his entire right arm was cut off by the Wind Demon Shuriken!

The severed arm soared into the sky and blood sprayed everywhere. It was a shocking sight!

And this was the result of Wind Demon Kojiro dodging quickly!

Otherwise, his entire body would probably be cut into two!

He never expected the power of his weapon to be so terrifying in the hands of this Country Hua kid!

Koga Saemon, Ito Naoto, and Black Feather Oda were also shocked. Their expressions were extremely cold!

The battle had just begun, but Wind Demon Kojiro had already lost an arm.

This made them put away their contempt for Yang Luo!

After the Wind Demon Shuriken cut off his arm, it cut open five more houses before being nailed it to the wall of the sixth house!

Yang Luo looked up at the four of them and hooked his finger. “Come at me together. This way, you might die a little slower.”

“Let’s attack together and kill this kid!”

Koga Saemon roared and charged at Yang Luo with his Soul Slaying Saber in hand!

Ito Naoto held his Thunder Slash Saber and Black Feather Oda held his bone spear. They also charged towards Yang Luo!

Wind Demon Kojiro endured the pain in his arm and summoned his Wind Demon’s shuriken. He charged at Yang Luo angrily!

The four of them were all at the late-stage Martial Highness Realm. They were even stronger than many elders of the Flying Bird Ninja Sect!

At this moment, the battle strength of the four of them combined was extremely powerful!

In the next instant...

The four of them approached Yang Luo and waved the weapons in their hands, slashing at him!

Yang Luo only shook and condensed a layer of True Qi barrier!

Clang! Clang!

The weapons in the hands of the four of them struck the True Qi barrier heavily, emitting muffled thunder and exploding with a large number of sparks and True Qi!

However, no matter how ferocious their attacks were, they could not break through Yang Luo’s defense!

Seeing that the weapon in his hand did not break through Yang Luo’s defense...

Koga Saemon held the saber in his right hand tightly and quickly formed seals with his left hand, letting out a roar!

“Fire Style, Fire Python Swallows the Sky!”

A flaming python condensed above him, opened its bloody mouth, and slammed into Yang Luo’s True Qi barrier!

“Thunder Style, Heavenly Lightning Blade!”

Naoto Ito also formed a seal with one hand and shouted!

Dazzling purple lightning gathered above him and condensed into an incomparably huge lightning saber that slashed fiercely at Yang Luo’s True Qi barrier!

“Wind Style, Tyrannosaurus Tornado!”

Wind Demon Kojiro formed a seal with one hand and shouted angrily!

A huge tornado swept through the world and crushed upwards!

“Bone Style, White Bone Divine Weapon!”

Black Feather Oda quickly formed a seal and roared!

A bone giant more than ten meters tall condensed and slammed into Yang

Luo’s True Qi barrier!

Boom! Boom!

The ninjutsu that the four of them used crazily bombarded the True Qi barrier that Yang Luo had condensed, erupting with a deafening bang!

Chapter 707: Personally Taking Revenge!

The dazzling light illuminated the night sky!

Boundless and vast energy spread in all directions like waves!

Rumble!

The house where Yang Luo, Koga Saemon, and the others were at collapsed!

The houses around the five of them collapsed one after another and turned into ruins as well!

However, even though the attacks of Koga Saemon and the other three were so violent, they could not break through Yang Luo’s defense!

All they saw was Yang Luo standing on a ruin piled up with boulders and huge trees. The True Qi barrier on his body emitted an even more dazzling golden light!

Koga Saemon, Ito Naoto, Wind Demon Kojiro, and Black Feather Oda also stood on the ruins, maintaining their attacking postures!

“That’s it?”

Yang Luo looked up at the four of them and asked calmly.

“In that case, I won’t play with you anymore.”

Yang Luo said again, and then his entire body vibrated!

Waves of True Qi erupted from his body and washed towards the four of them!

The boulders and trees under their feet instantly turned into dust!

“Alihhh...”

The four of them let out miserable cries as they were sent flying.

As they were sent flying, the four of them spat out blood and the weapons in their hands were all shattered!

However, Yang Luo did not stop there. Instead, he took a step forward and chased after them!

At this moment, even if Yang Luo did not use the Great Freedom Emperor Dragon Movement Technique, his speed was still extremely fast!

Koga Saemon and the other three could not see his figure at all!

In the next instant...

Yang Luo appeared above Wind Demon Kojiro!

He threw four punches in a row!

Crack!

The first punch shattered the remaining left arm of Wind Demon Kojiro!

Crack!

The second punch shattered Wind Demon Kojiro’s left leg!

Crack!

The third punch shattered Wind Demon Kojiro’s right leg!

Boom!

The fourth punch shattered Wind Demon Kojiro’s dantian!

“Alihhh...”

Wind Demon Kojiro fell heavily to the ground as he let out a miserable scream!

Because it was too painful, he could not faint even if he wanted to!

After crippling Wind Demon Kojiro!

Yang Luo reached out with his left hand and grabbed Black Feather Oda’s arm. Then, he smashed him towards the ground!

Boom!

The ground shook violently!

It kept cracking and collapsing!

“All! Air! Alt...”

The black-feathered Oda also screamed in pain. He felt as if all the bones in his body had been broken, and blood spewed out of his mouth!

After throwing the black-feathered Oda to the ground, Yang Luo suddenly stomped on his dantian and destroyed it, turning him into a cripple!

This was simply more difficult for them to accept than killing them!

Just as Yang Luo crippled Wind Demon Kojiro and Black Feather Oda!

Koga Saemon and Ito Naoto had already stabilized their bodies and charged over with endless anger!

As they charged over!

The two of them mobilized the True Qi in their bodies to the limit and punched Yang Luo at the same time!

“Heavenly Fire Killing Fist!”

“Thunder Explosion Fist!”

One of them was burning with flames while the other was surrounded by lightning. Their lethality, destructive power, and destructive power were terrifying!

However, just as their fists arrived!

Yang Luo raised his hands and grabbed at the air, catching their fists! The flames and lightning that erupted from the two of them could not hurt Yang Luo at all!

“How could this be?”

“Is this kid really a god?!”

The two of them screamed in fear and wanted to retreat, but it was too late.

Yang Luo suddenly exerted strength in his hands and twisted fiercely! Crack!

Crack!

Their arms were broken!

“Alihhh...”

The two of them let out extremely painful screams, their faces contorted in pain.

However, Yang Luo did not stop there. Instead, he exerted strength in his arms again and raised the two of them high before smashing them into the ground!

Boom boom!

The ground shook violently and collapsed one after another, revealing two huge pits!

Koga Saemon and Ito Naoto lay in the huge pit, screaming in pain! Then, Yang Luo quickly raised his leg and stomped on their dantians!

At this point, the sect masters of the four great ninja clans had completely become cripples!

Koga Saemon roared, “Kid, kill us if you have the ability!”

“If we die, don’t even think about leaving alive!”

Naoto Ito also roared.

Wind Demon Kojiro and Black Feather Oda also stared at Yang Luo with anger and fear in their eyes.

They did not expect this Country Hua kid in front of them to be so powerful. Even when the four of them joined forces, they were easily crushed.

Moreover, this kid had easily crippled them.

Yang Luo looked at the four of them coldly and said, “If I really wanted to kill you, you would have died long ago.

The reason why I spared your lives was to let Prajna personally deal with you.

After all, Prajna hates you even more.”

With that said, Yang Luo jumped onto a roof and looked up at Prajna, who was fighting in the distance. He shouted, “Prajna, you’ll kill these four fellows!” Then, he waved his right hand!

Waves of True Qi directly lifted Koga Saemon, Ito Naoto, Wind Demon Kojiro, and Black Feather Oda into the sky!

After the four of them rose into the sky, Yang Luo waved his right hand!

Koga Saemon and the other three flew out like four sandbags and landed heavily in front of Prajna!

At this moment.

All the ninjas present were stunned when they saw Koga Saemon and the other three covered in blood. They could not believe what they were seeing.

The four powerful sect masters had actually been beaten into such a state by this kid from Country Hua. There was not a single part of their bodies that was intact. It was simply a tragic sight.

Prajna looked up at the four of them. Looking at these four familiar faces, the hatred in her heart rose to the extreme.

Back then, countless members of the Chiyuki family had died at the hands of these four guys...

Back then, her mother, her sister, and the women in the clan had been treated inhumanely by these four people...

At the thought of this, Prajna’s eyes immediately turned red!

She clenched the kunai in her hand tightly and walked towards the four of them!

“Hurry up and save the sect masters!”

“Hurry! Hurry!”

Seeing that Prajna was about to kill Koga Saemon and the other three, the ninjas roared and wanted to save them!

However, Xu Ying and Bujie stood guard nearby and killed all the ninjas who rushed over!

After approaching the four of them, Prajna choked and roared, “Koga Saemon,

Ito Naoto, Wind Demon Kojiro, and Black Feather Oda!

Back then, you bullied my clansmen, humiliated my clansmen, and killed my clansmen. Did you think that this day would come?!

Today, I want to avenge my clansmen!”

Before her voice could fade...

Prajna kept waving the kunai in her hand, cutting deep wounds on the four of them. It was like a thousand cuts, causing the four of them to scream in pain!

“Little b*tch, you have a death wish!”

At this moment, a roar came from afar.

True Qi seemed to transform into long arcs that shot towards Prajna!

However, the moment the True Qi shot over!

Yang Luo stood in front of Prajna and slapped out with all his might!

Rumble!

The True Qi that shot over was instantly dispersed!

At this moment!

Prajna also slit the throats of Koga Saemon and the other three, completely ending their lives!

Chapter 708: Come Out and Fight Me!

At this point!

The sect master of the Koga Ninja Sect, Koga Saemon, had died!

The sect master of Ito Ninja Sect, Ito Naoto, had fallen!

The sect master of the Black Feather Ninja Sect, Black Feather Oda, had died!

The sect master of the Wind Demon Ninja Sect, Kojiro, had died!

“Ah...!”

Prajna looked up at the sky and let out a sorrowful roar, “Father, Mother, Grandpa... These four beasts are dead!

Did you see that? Prajna has finally avenged you!!!”

Yang Luo sighed deeply. He also knew that the hatred and anger in his heart needed to be vented.

Xu Ying and Bujie also let out a long sigh. They were moved at her display of raw emotions.

Right at this moment...

A roar sounded!

“You guys actually dared to kill the sect master and disciple of my Koga Ninja Sect. We’ll definitely kill you without a burial place!”

Yang Luo looked up and saw ten elders striding over!

The ten of them had white hair and were men and women. They wore various long robes and had sharp auras that were terrifying!

Yang Luo sensed for a moment and actually discovered that two old men had stepped into the late-stage Martial King Realm!

It had to be known that in the other six ninja sects, there was not even a late-stage Martial King Realm expert!

Moreover, the weakest of the other seven old men was at the late-stage Martial Highness Realm!

As expected of the number one ninja path in Country Sakura, they had some foundation!

Prajna said in a deep voice, “These ten old fellows are the ten elders of the Koga Ninja Sect!

Koga Tenniji, Koga Tensho, Koga Oizumi, Koga Oe, Koga Gassan!

Koga Kura, Koga Takashi, Koga Airi, Koga Yuki, Koga Misa!”

Yang Luo nodded and asked, “Is the Divine Ninja of the Koga Ninja Sect inside?”

Prajna replied, “The Divine Ninja of the Koga Ninja Sect is called Koga Chiryu. He’s not inside!”

Yang Luo narrowed his eyes and said, “At this time, this guy called Koga Chiryu still hasn’t appeared. Is he pretending to be a high and mighty expert?

Since he doesn’t appear, I’ll force him to appear!”

As he spoke, Yang Luo looked up at the ten elders and shouted, “Where’s Koga Chiryu? Tell him to get out!”

In his opinion, if he could not destroy the Divine Ninjas of the four great ninja sects, then the four great ninja sects would not be considered destroyed!

As soon as these words were spoken!

Koga Tenniji and the others were enraged!

“Kid, how dare you be rude to Lord Chiryu? Are you courting death?”

“Kid, don’t think that you can look down on everyone just because you have some strength. Lord Chiryu isn’t someone you can meet just because you want to!”

“Kid, you’ve already committed a heinous crime by helping this little b*tch from the Chiyuki family kill people from our Ninja Sect. Don’t even think about leaving this place alive today!”

Koga Tenniji and the other elders roared and looked at Yang Luo and the others with killing intent.

Ever since the Chiyuki family was destroyed, their Koga Ninja Sect, as the number one ninja sect in Country Sakura, had a high status and was respected by countless people. No one had ever dared to come here to kill them.

However, tonight, these four little fellows actually dared to barge in here to kill people. This made them completely furious.

Yang Luo ignored these old fellows and shouted loudly, “Koga Chiryu, don’t be a coward. Come out and fight me!”

“Baka!”

“How dare you provoke Lord Chiryu? You have a death wish!”

“Kill this brat!”

Koga Kura, Koga Takashi, Koga Airi, Koga Yuki and Koga Misa roared and charged at Yang Luo!

” Koga Chiryu, since you’re not coming out, I’ll kill these guys and see if you still show yourself!”

Yang Luo let out a roar and charged forward!

And in that instant!

Koga Kura and the others closed the distance between them and Yang Luo!

Without any hesitation, the five of them launched a fierce attack!

Koga Kura waved his two sabers and slashed at Yang Luo!

Swish! Swish!

The two sabers tore through the air, and the saber beam was sharp and incomparably sharp!

Meanwhile, Koga Takashi suddenly threw the meteor hammer in his hand at Yang Luo!

Huff!

The meteor hammer that weighed more than 50 kilograms whistled out, as if it wanted to smash Yang Luo into minced meat!

Koga Kura’s cultivation was at the early-stage Martial King Realm, while Koga Takashi’s cultivation was at the perfected Martial Highness Realm!

The two of them attacked at the same time with terrifying power!

However, Yang Luo was not afraid at all. He mobilized the True Qi in his body and threw a punch!

With a punch, a dragon roar sounded, domineering and ferocious!

Clang!

Accompanied by a series of dull collision sounds!

“Ugh, ugh...”

Koga Kura and Koga Takashi let out a muffled groan as they were sent flying with their weapons!

Just as the two of them were sent flying!

The other three old women also attacked Yang Luo fiercely!

“Soul Devouring Bitterness!”

Koga Airi rushed forward and gripped the two kunai tightly with both hands. Black True Qi surrounded them as she slashed at Yang Luo!

“Flying Star Claw!”

Koga Yuki waved her hands and two black claws with chains flew out. They were surrounded by red True Qi and grabbed Yang Luo’s shoulders, trying to dislocate his arms!

“Meteor Dart!”

Koga Misa waved her hands!

Pew pew pew!

The ninja darts that filled the sky shot out with purple True Qi and headed straight for Yang Luo!

These ninja darts were all smeared with poison. Those with weak cultivation and strength would die from the poison in a few minutes if they were hit!

“What’s the use of being fancy?”

Yang Luo said calmly and slapped out!

Rumble!

The attacks of Koga Airi and the other two were all destroyed!

After shattering the attacks of the three of them, Yang Luo’s palm continued forward to ruthlessly hit the three of them!

“Ahhh...”

The three of them cried out in pain and were sent flying!

After sending the three of them flying!

Yang Luo moved and chased after the three of them!

Seeing Yang Luo speed over...

Koga Airi and the other two quickly used ninjutsu and attacked Yang Luo!

“Wind Style, Hurricane Sky!”

“Fire Style, Flame Dance!”

“Wood Style, Nature’s Soldiers!”

Storms swept through the world and crushed upwards!

Balls of flames whizzed out and burned the world!

Wooden armored soldiers condensed into form and charged at Yang Luo!

However, in the face of the three people’s fierce attacks!

Yang Luo had no intention of dodging at all. Instead, he continued to charge forward crazily. Relying on his steel-like body, he destroyed the storm, balls of flames, and wooden armored soldiers!

After destroying the attacks from the three of them...

Yang Luo continued to attack the three of them!

“Don’t even think about it!”

“Stop him!”

Koga Kura and Koga Takashi rushed over. They circulated their True Qi crazily. One of them slashed angrily while the other threw out a meteor hammer!

“Piss off!”

Yang Luo’s left hand turned into a palm and slapped out again, sending the two of them flying again!

After sending the two of them flying, he raised his right hand and condensed a golden palm that slapped heavily at Koga Airi and the other two!

“Be careful, retreat!”

Koga Airi’s expression changed drastically. She shouted and quickly retreated!

Koga Misa and Koga Yuki also backed away in panic.

However, no matter how fast the three of them were, it was difficult for them to retreat unscathed!

The next second!

Rumble!

The golden palm slapped down heavily, crushing houses and leaving a huge palm print on the ground!

By the time the rocks and dust dissipated...

All they saw were Koga Airi, Koga Yuki, and Koga Misa lying on the ground, badly mangled...

Chapter 709: Koga Chiryu!

“Airi, Yuki, Misa!”

The other seven old men shouted at the same time.

They did not expect Koga Airi and the other two, who were at the late-stage and perfected Martial Highness Realm, to be killed just like that!

“Kill! Kill this little bastard!”

‘1 He must die without a burial place!’

Koga Tenniji and the others roared and charged at Yang Luo together!

At this moment, the remaining seven elders moved and surrounded Yang Luo together, wanting to kill him!

Xu Ying, Bujie, and Prajna were about to rush forward to help!

“You guys deal with the other guys. I’ll deal with these seven old fellows!”

Yang Luo raised his hand and said. Then, he charged at Koga Tenniji’s group of seven!

Xu Ying, Bujie, and Prajna exchanged glances before turning around to attack the other ninjas!

They also knew that with their current strength, it was still a little difficult to deal with these elders!

Therefore, they planned to delay the other ninjas and resolve Yang Luo’s worries!

Right at this moment...

Koga Tenniji and the others had already surrounded Yang Luo. Then, they launched their strongest attacks at the same time!

“Curse Spell, Undead Curse!”

“Spirit Communication Technique, Ten Thousand Ghosts!”

Koga Tenniji and Koga Tensho didn’t need to make any hand seals. They let out a roar and unleashed their powerful ninjutsu!

The black and red incantations that filled the sky condensed into form and crushed over in an overwhelming manner!

Tens of thousands of black and gray spirits condensed into form, as if they had formed an army of spirits, pouncing forward together!

As late-stage Martial King Realm experts, the combined attacks of the two of them were already extremely terrifying, as if they wanted to destroy everything!

Facing the two people’s ferocious attacks...

Yang Luo’s eyes were cold as he twisted his fist and punched out!

“Dragon Emperor Fist!”

Roar! Roar!

With a punch, a dragon’s roar shook the sky!

Two golden dragon phantoms accompanied by a huge golden fist blasted out!

Rumble!

Explosions resounded in the night sky!

The black and red incantations that filled the sky and the ghosts that pounced over were all destroyed by Yang Luo's punch!

Koga Tenniji and Koga Tensho were also sent flying!

Just as the two of them were sent flying!

Koga Oizumi quickly formed a seal and slapped the ground!

“Earth Style, Earth Collapse!”

Rumble rumble rumble!

The ground where Yang Luo was began to crack and collapse continuously!

But for Yang Luo, he suddenly stomped down and soared into the sky like a golden dragon to avoid being buried by the ground!

Just as Yang Luo jumped into the sky!

Koga Oe quickly formed a seal and shouted!

“Wood Style, Green Vine Chain!”

Pew pew pew!

Countless green vines whistled out like chains and instantly wrapped around Yang Luo's body, hanging him in the air!

Koga Oe said in a loud voice, “I've already restrained him. Kill him now!”

“Earth Style, Earth Rock Thrust!”

Koga Oizumi slapped the ground again!

Giant thorns formed from rocks rose from the ground and stabbed at Yang Luo in the sky!

“Ice Style, Frost Spear!”

Koga Gassan quickly formed a seal and waved his hand!

Whoosh! Whoosh! Whoosh! Whoosh!

Thousands of ice spears condensed and shot towards Yang Luo!

“Sand Style, Sand Stone Tornado!”

“Fog Style, Great Mist Sky Snake!”

Koga Kura and Koga Takashi also formed seals at the same time and used ninjutsu!

Blue tornadoes swept through the world and crushed towards Yang Luo!

Giant snakes condensed from black fog opened their bloody mouths and bit at Yang Luo!

Koga Tenniji and Koga Tensho also rushed over and attacked!

“Curse Spell, Curse Sword!”

“Spiritual Communication Technique, Heavenly Dog Eats the Moon!”

A huge black-red sword condensed and descended from the sky, stabbing at Yang Luo who was in midair!

A huge black-gray dog condensed into form. It opened its mouth and bit at Yang Luo!

At this moment...

Yang Luo was hung in the sky as killing moves attacked from all directions, looking like he was in danger!

However, Yang Luo's expression was extremely calm. There was no trace of fear on his face!

His entire body trembled as he raised his head and let out a dragon roar!

“Burning Eight Desolates!”

“Thunderous Nine Heavens!”

And in that instant!

The incomparably terrifying golden true fire erupted from his body, transforming into a surging sea of fire that surged in all directions!

The green vine chains that wrapped around his body were burned to ashes in the blink of an eye!

Golden Yang lightning that contained the power of heavenly lightning also erupted from his body and lashed out in all directions!

These two killer moves were not from the Nine Heavens Dragon Taming Technique, but were created by Yang Luo himself through the lightning and fire attribute power contained in his body!

At that very moment...

Rumble!

A loud explosion that shook the world resounded in all directions!

The ninjutsu attacks of Koga Tenniji and the other elders were all destroyed!

The area where Yang Luo was seemed to have turned into a sea of lightning and fire, making people shudder in fear!

Not only did the surrounding houses collapse, but they also instantly turned into ashes!

“Ahhhh...”

Koga Tenniji and the others let out miserable screams and flew out one after another!

All seven of them spat out a mouthful of blood!

Boom!

Only a loud sound was heard.

Yang Luo landed steadily on the ground. Then, he moved and charged towards Koga Kura and Koga Takashi, who were closest to him!

In an instant!

Yang Luo caught up to the two of them and grabbed them with both hands!

“Nine Claws of the Divine Dragon!”

The two golden claws were like the claws of a Nine Heavens Divine Dragon as they tore through the sky with full destructive power!

Koga Kura and Koga Takashi were shocked. Their eyes were filled with fear as they hurriedly waved the ninja tantos in their hands and threw out the meteor hammer to attack Yang Luo!

However, the ninja tanto and meteor hammer could not withstand Yang Luo’s two dragon claws at all. They were directly destroyed and turned into a pile of scrap metal that splattered everywhere!

After destroying their weapons!

Yang Luo continued to extend his claws and tore open their chests, shattering their throats!

Rumble...

Rumble...

With two dull thuds, Koga Kura and Koga Takashi died!

After killing Koga Kura and Koga Takashi...

Yang Luo did not stop for a moment. He suddenly turned around and charged towards the other five elders!

After catching up to the other five elders, Yang Luo’s right hand turned into a golden palm from his dragon claw and slapped towards the five of them!

However, at this critical moment!

“Halt!”

A powerful roar sounded from Yamata no Orochi in the distance, as if a god had let out an angry roar!

The next second!

Swoosh!

A dazzling river of flames surged over from Yamata no Orochi and tore through the night sky, targeting Yang Luo!

Yang Luo’s heart skipped a beat. He felt the terrifying lethality, destructive power, and destructive power from this river of flames!

He could only give up on killing Koga Tenniji and the others. Instead, he raised his golden palm and slapped towards the long river of flames!

Boom! Boom!

A world-shaking collision that shook the surroundings resounded!

Flames surged, True Qi shot in all directions, and the light dispelled the endless darkness!

After Yang Luo dispersed the river of flames, he was also forced to take a few steps back!

He looked up in the direction of Yamata no Orochi and said loudly with a sharp gaze, “Koga Chiryu, since you’re out, come over and fight me!”

He was certain that the person who attacked him just now was Koga Chiryu, the Divine Ninja of Koga Ninja Sect!

Chapter 710: Fighting The Divine Ninja!

Right after he finished his sentence...

A figure jumped down from the peak of Yamata no Orochi Mountain and landed steadily one of the tall mountains surrounding it!

Then, the figure flashed on the tall mountains and rushed towards Koga Village!

This figure moved at an extremely fast speed, making it impossible for everyone present to catch his figure!

Furthermore, this figure could cross a distance of 500 meters with every movement. It was incomparably terrifying!

“Lord Chiryu is here! It’s Lord Chiryu!”

“This kid really alarmed Lord Chiryu!”

“Since Lord Chiryu is here, this kid is dead for sure!”

The ninjas present shouted in surprise. Prajna said nervously, “Brother Yang, it’s really Koga Chiryu!

“This Koga Chiryu is a Divine Ninja of the Koga Ninja Sect. His ninjutsu is

divine and his strength is very powerful. What should we do?” Yang Luo consoled, “Don’t worry, Prajna. Koga Chiryu is indeed very strong, but I can deal with him and even kill him!”

Through the exchange just now, he had a rough understanding of Koga Chiryu’s strength!

This Koga Chiryu’s cultivation should be at the perfected Martial King Realm! As long as this guy’s cultivation level had not stepped above the Martial King Realm, he was not afraid of fighting the other party!

“Kid, you’re really arrogant. You actually said that you can kill Lord Chiryu! You have to know that Lord Chiryu is much stronger than us. You can’t deal with him at all!”

Koga Tenniji said mockingly.

Koga Tensho also sneered, “Kid, keep being stubborn. I’ll see how you die later!”

The other elders also revealed mocking smiles.

After all, Lord Chiryu was like a god in their hearts!

A mortal dared to compete with a god? What a joke!

In less than a few minutes....

The figure appeared on a nine-story tower more than a hundred meters away from the peak of Yamata no Orochi.

This person was tall and thin, wearing a white robe. His beard and white hair were all over his face, and his face was filled with wrinkles. His narrow eyes were extremely sharp.

This old man was the only Divine Ninja of the Koga Ninja Sect, Koga Chiryu.

Koga Chiryu wore a crystal necklace around his neck and held a two-meter- long staff in his hand. One end was in the shape of a crescent moon, and the other end was in the shape of the sun.

This crystal necklace and this long staff were engraved with a snowflake pattern. It contained vast and majestic spiritual qi and was very extraordinary. Yang Luo asked Prajna, “Prajna, what’s the origin of the necklace on this old fellow’s neck and the long staff in his hand?”

Prajna stared fixedly at Koga Chiryu and hissed, “He’s wearing my mother’s spatial necklace, and holding onto my grandfather’s Sun and Moon Divine Staff!

These two are the divine artifacts of our Chiyuki family!

Besides the Spatial Necklace and the Sun and Moon Divine Staff...

My father’s Sealing Scroll, Six Paths Shuriken, and my mother’s Wind and Fire Kunai have probably all fallen into the hands of these guys!”

“I see.”

Yang Luo nodded in realization and said, “Prajna, I promise you that I will definitely kill these Divine Ninjas and take back all the divine artifacts of your Chiyuki family!”

“Hmm!”

Prajna nodded heavily.

Although she was very worried that something would happen to Yang Luo...

However, she could only choose to believe Yang Luo now.

If something really happened to Yang Luo, she would also choose to end her own life.

“Greetings, Lord Chiryu!”

At this moment, all the ninjas present knelt on one knee with respectful and pious expressions.

Koga Chiryu raised his hand and asked Koga Tenniji indifferently, “Tenniji, what’s going on?”

“Lord Chiryu, it’s like this...”

Koga Tenniji bent down slightly and told Koga Chiryu what happened just now.

After hearing Koga Tenniji’s words...

Koga Chiryu’s expression turned cold.

He looked up at Prajna and said coldly, “I didn’t expect any remaining members of the Chiyuki family to survive.

However, it’s fine. I’ll send you down to see your father and the others immediately.

After twelve years, it’s time for your Chiyuki family to reunite in hell.” Prajna glared at Koga Chiryu and roared, “Koga Chiryu, you won’t be arrogant for long!

My Brother Yang will definitely kill you!”

“Hehe...”

Koga Chiryu chuckled and turned to look at Yang Luo, “Even your father and the others couldn’t kill me back then. Now, this kid wants to kill me?”

Prajna’s eyes were bloodshot as she hissed, “If not for your ten great ninja sects joining forces back then, my father and the others wouldn’t have died at your hands!

You are a group of sinister, cunning, despicable, and shameless people!’

“Hahaha...”

Koga Chiryu threw his head back and laughed. He said sinisterly, “There’s an old saying in Country Hua that goes, ‘The winner is king, and the loser is a bandit!’”

Since we won, we are the king, and your Chiyuki family is the bandits!

This is an established fact!”

“Old thing, stop spewing feces here!

Country Hua’s old saying is simply ear-piercing when you say it!”

Yang Luo roared and charged at Koga Chiryu!

Seeing that Yang Luo actually dared to attack Koga Chiryu, all the ninjas present were stunned!

They did not expect this Country Hua kid to be so bold!

This was a Divine Ninja!

How could mortals dare to fight a Divine Ninja?

“Audacious brat, die for me!”

Koga Chiryu shouted coldly and raised the Sun and Moon Divine Staff in his hand. The moon pointed at Yang Luo!

A dazzling white light bloomed, illuminating the night sky!

And in that instant!

Whoosh! Whoosh! Whoosh! Whoosh!

The ice spikes that filled the sky condensed and shot towards Yang Luo in an overwhelming manner!

The ice spikes that filled the sky shot over!

Yang Luo did not dodge or retreat. Golden light flickered on his body as a golden dragon coiled around him and charged forward violently against the dense ice spikes!

At this moment, Yang Luo was like a peerless wild dragon, domineering and peerless!

Boom! Boom! Boom!

The ice spikes that shot over could not break through Yang Luo's body at all and were shattered!

Seeing that the wave of dense ice spikes were shattered!

Koga Chiryu waved the Sun and Moon Divine Staff in his hand again!

Whoosh! Whoosh!

The ice seemed to have turned into an ice river that surged towards Yang Luo! The ninjas present immediately felt a bone-piercing chill and quickly retreated, not daring to approach!

The ice river surged over!

Yang Luo mobilized the true fire in his body and waved his right hand! A river of golden flames surged up and crashed into the ice river!

In the blink of an eye!

Rumble!

The long river of golden flames and the white ice river collided fiercely, emitting a world-shaking collision sound!

Terrifying flames and ice intertwined and surged in all directions!

Boom! Boom! Boom!

The surrounding houses collapsed one after another, and rocks and dust were swept into the sky!

The destroyed area in the center of Koga Village kept expanding, making one's heart palpitate!

Yang Luo's true fire burned extremely powerfully, forcefully melting the surging ice river. White fog soared into the sky, looking extremely spectacular!
