

Super IDG 711

Chapter 711: Taking Advantage!

When the ninjas present saw this, they were all shocked.

“This kid can actually withstand Lord Chiryu’s two attacks in a row. It’s really unbelievable!”

“Could it be that this kid’s strength is already comparable to Lord Chiryu?!” “That’s impossible. Lord Chiryu is just testing this kid!”

The ninjas started discussing. They clearly did not believe that Yang Luo was Koga Chiryu’s match. At this moment.

Yang Luo continued to run towards Koga Chiryu!

And the moment they got close...

Yang Luo stomped on the ground and soared into the sky. He threw a punch at Koga Chiryu!

Koga Chiryu raised the Sun and Moon Divine Staff in his hand again and pointed forward!

A solid and heavy ice shield instantly condensed and blocked in front of him!

At that very moment...

DONG!

Yang Luo’s punch landed heavily on the ice shield, emitting a loud bang!

The next second!

RUMBLE! There was a loud explosion!

The huge ice shield exploded with a single punch, turning into countless ice shards that shot out!

After destroying this huge ice shield, the power of Yang Luo’s punch did not decrease much. Instead, it continued to blast towards Koga Chiryu!

Shock appeared in Koga Chiryu’s eyes. His figure flashed and he quickly retreated!

It was also at the moment he retreated!

Boom!

The nine-story tower was shattered by a single punch!

However, just as Yang Luo shattered this nine-story tower!

The sound of ice cracking could be heard around them!

Before Yang Luo could retreat, he was frozen solid!

Even the surrounding rubble was frozen, as if it had turned into an ice sculpture!

Seeing this scene...

“Good, good job, Lord Chiryu!”

“Hahaha, this kid still dares to fight you. He’s simply courting death!”

All the ninjas present cheered.

Not long ago, Yang Luo had completely crushed everyone present!

Many elders had died in his hands, making them hate him to the extreme!

Now that they saw Koga Chiryu suppress Yang Luo, they were naturally excited!

Xu Ymg, Bujie, and Prajna’s expressions changed drastically, their eyes filled with worry!

Koga Chiryu was standing on a roof, looking at the frozen area proudly.

He was a perfected Martial King Realm expert and was only a step away from the Martial Emperor Realm.

Coupled with the enhancement of the divine artifact, his combat strength would only be stronger.

Even if this kid was a peerless genius of Country Hua, he would eventually die in his hands.

He placed his left hand behind his back and said loudly, “In a few minutes at most, this kid will freeze to death...”

However, before he could finish speaking!

Rumble!

A shocking explosion suddenly sounded in the frozen area!

The ice was completely shattered, and countless ice pieces were blasted into the sky!

This sudden explosion stunned all the ninjas present!

They did not understand what was going on!

Even Koga Chiryu was stunned and puzzled!

Just as everyone was in a daze!

“Oh?”

A mellow voice sounded.

“Who do you think will freeze to death?”

The voice sounded again.

“Old man, do you think you can kill me so easily?”

The voice sounded again.

Boom!

Accompanied by an explosion!

A golden figure flashed out of the ruins. It was Yang Luo!

“Brother Yang is fine!”

Prajna waved her fist in surprise.

Bujie grinned and said, “I knew it. How could Brother Yang lose so easily? You made me worry for nothing!”

Xu Ying heaved a sigh of relief.

Koga Chiryu roared angrily, “Young brat, so what if you can break out of the ice!

I can still kill you!”

As he spoke, Koga Chiryu suddenly waved the Sun and Moon Divine Staff in his hand. Both ends emitted a white and fiery red light that was dazzling!

Whoosh! Whoosh!

An ice river and a long river of flames surged towards Yang Luo at the same time!

Wherever it passed, everything was frozen and burnt!

“Old thing, you want to kill me? Dream on!”

Yang Luo was still unafraid as he ran towards the ice river and the river of flames!

The true fire and Yang lightning in his body erupted at the same time, turning into a river of flames and lightning that collided!

Boom! Boom!

Rumble!

The sound of collisions and explosions resounded in all directions!

Flames, ice, lightning, and various other energies interweaved and rushed in all directions!

After destroying the flames and ice that erupted from Koga Chiryu, Yang Luo clenched his right fist and punched Koga Chiryu again!

Koga Chiryu leaped up and waved the Sun and Moon Divine Staff in his hand to meet the attack!

Clang! Clang!

The fist and staff collided with a shocking sound like a thunderclap!

After this collision!

Yang Luo was pushed back more than ten meters!

However, Koga Chiryu was sent flying more than 20 meters away before landing on a house and stabilizing his body!

“Nani?! Lord Chiryu is actually at a disadvantage?!”

There was a gasp from the crowd.

All the ninjas present were also in disbelief, thinking that they were seeing things!

However, just as Koga Chiryu stabilized his body!

Yang Luo directly used the Great Freedom Emperor Dragon Movement Technique and appeared above Koga Chiryu almost instantly!

“Old thing, die!”

He twisted his fist and punched Koga Chiryu below heavily!

“You want to kill me? Dream on!”

Koga Chiryu shouted coldly and raised his left hand to meet the attack!

“Six Paths Divine Palms!”

A huge black-purple palm condensed into form and ruthlessly collided with the huge golden fist!
DONG!

The fist and palm collided heavily like a meteorite colliding, shaking the heavens and the earth!
Rumble!

The house under Koga Chiryu’s feet collapsed as his body fell down!

Meanwhile, Yang Luo was sent flying into the sky!

“D*mn it!”

Koga Chiryu was furious!

As a Divine Ninja, he was actually suppressed by a brat from Country Hua. This was difficult for his pride to accept!

Without any hesitation, he let out a roar and used a powerful ninjutsu!

Spiritual Communication Technique, Eight-Armed Giant Demon!”

In the blink of an eye!

A giant demon with eight arms and a body that was 50 meters tall and flickering with black and purple light condensed!

The giant demon’s eight arms clenched into fists at the same time and attacked Yang Luo in the sky!

“Oh my god, this old fellow is quite awesome!”

Seeing this, Bujie could not help but exclaim.

Xu Ymg also looked at the sky in a daze. He was very shocked by the ninjutsu techniques used.

Prajna clenched her fists and bit her lower lip. Her heart beat faster and she became even more worried.

Yang Luo flipped in the air and punched again!

“Explode!”

A huge golden fist crushed down!

“ROAR...”

A golden dragon phantom roared down!

Boom!

Accompanied by a world-shaking explosion!

The two arms of the giant demon exploded at the same time, and cracks appeared on its body!

“ROAR...”

Soon, the second golden dragon phantom let out a loud dragon roar and roared down!

Boom!

Two more arms of the giant demon exploded, and more cracks appeared on its body!

“Continue!”

Yang Luo let out a roar and continued punching!

“ROAR...”

The third golden dragon phantom roared down!

“ROAR...”

The fourth golden dragon phantom roared down!

Rumble!

The Eight Armed Demon completely collapsed and exploded!

The ground collapsed!

Koga Chiryu was thrown into the ground and almost buried under...

Chapter 712: Gathering of the Four Divine Ninjas!

Seeing this scene...

All the ninjas present were dumbfounded and their bodies trembled!

“Lord Chiryu was actually suppressed by this kid. How is this possible? How is this possible?!”

“How can this kid be so strong? Could it be that his strength is above Lord Chiryu?!”

“How is this possible? This kid is so young. How can his strength be above Lord Chiryu’s!”

All the ninjas present exclaimed non-stop. They could not believe what they were seeing.

Koga Chiryu was a god-like existence in their hearts!

It was also the faith in their hearts!

At this moment, the god in their hearts was actually suppressed. This was unacceptable!

“Kid, you really deserve to die! You deserve to die!!!”

Koga Chiryu was completely enraged and let out a heaven-shaking roar.

He unleashed his full combat strength, and black-purple True Qi soared into the sky from his body!

A huge pit with a diameter of a hundred meters and a depth of more than ten meters was dug out forcibly on the ground just by his aura!

Yang Luo twisted his fist again and punched the black-purple True Qi! Boom!

The black-purple True Qi exploded and turned into waves that spread in all directions!

Yang Luo was sent flying. He flipped a few times in the air and landed on the roof more than a hundred meters away!

Koga Chiryu leaped out of the huge pit and charged towards Yang Luo crazily!

Young brat, if I don't kill you, I won't be worthy of being called a 'Divine Ninja'!”

As he ran, he roared and knocked away all the rubble and ruins in front of him!

And just as he approached Yang Luo!

Koga Chiryu suddenly waved the Sun and Moon Divine Staff in his hand! Icebergs and volcanoes condensed into form and covered the sky as they pressed down on Yang Luo!

Yang Luo leaped out of the roof and raised his right hand. He condensed a huge golden palm and slapped out fiercely!

“True Dragon Palm!”

Rumble!

The golden palm slapped out again, shattering the ice mountains and volcanoes that came charging over!

Ice mountains and volcanoes were shattered!

Koga Chiryu roared!

“Metal, Wood, Water, Fire, Earth, Wind, Rain, Thunder, Lightning!”

Every elemental energy had a kind of ninjutsu!

Nine levels of energy elements and nine levels of ninjutsu erupted at the same time and attacked Yang Luo!

To Divine Ninjas, they were already familiar with these ninjutsu. They did not need to form seals to use them!

Yang Luo clenched his fists and punched forward continuously!

A huge golden fist that filled the sky smashed out like a storm, incomparably domineering!

Boom! Boom! Boom!

Koga Chiryu's ninjutsu were shattered by Yang Luo's fists one after another!

After thousands of punches!

Yang Luo threw another punch at Koga Chiryu!

The thousands of fists overlapped and turned into a huge golden fist that blasted towards Koga Chiryu!

Koga Chiryu was shocked and quickly waved the Sun and Moon Divine Staff in his hand to meet the attack!

Rumble!

The fist and staff collided again, emitting sounds akin to rumbling thunder! As the power released by Yang Luo's punch was too strong, Koga Chiryu could not resist it at all!

“Ugh!”

He let out a painful cry and was sent flying dozens of meters away!

When he stabilized his body, he opened his mouth and spat out a large mouthful of blood!

“Lord Chiryu is actually injured!”

“Lord Chiryu is really no match for this kid!”

“Impossible, this is impossible!”

The ninjas in the distance roared.

Anger, grief, fear, and various other emotions surged into their hearts.

However, Yang Luo did not stop attacking. Instead, his figure flashed and he continued to attack Koga Chiryu!

According to Prajna, other than the Koga Ninja Sect that had Divine Ninjas, Ito Ninja Sect, Wind Demon Ninja Sect, and Black Feather Ninja Sect all had Divine Ninjas!

Once these four ninjas joined forces, they would definitely give him a huge pressure!

Therefore, he had to kill Chiryu as soon as possible so that it would be easier to deal with the other three Divine Ninjas!

However, the moment Yang Luo approached Koga Chiryu!

Four ferocious and strange-looking monsters with huge bodies pounced over from afar!

These four monsters were the legendary demons of Country Sakura!

Tengu, Yuki-Onna, Hone-Onna, Kappa!

As the four demons pounced over, houses collapsed one after another!

Other than the four demons pouncing over!

A huge dart that was like a windmill, similar to the Wind Demon Shuriken, shot over and cut open houses as it passed!

When this huge dart shot over, it also erupted with various attribute energies like metal, wood, water, fire, and earth!

Moreover, along with this huge dart, two kunai that seemed to be made of crystal shot over!

One of the two kunai swept up a violent wind, and the other burned fiercely. It was extremely terrifying!

Yang Luo was shocked and could only give up on attacking Koga Chiryu.

Instead, he changed directions and threw a punch with all his might!

Rumble!

Under this punch, the four demons were shattered!

The huge dart and the two kunai were also sent flying!

Although Yang Luo withstood the punch, his body was sent flying more than 20 meters away before he stabilized himself!

By the time Yang Luo stabilized his body!

Three figures flew over from the roof in the distance and quickly appeared beside Koga Chiryu!

When they saw these three figures!

All the ninjas present were overjoyed and cheered!

‘It’s actually Lord Taikawa, Lord Kamon, and Lord Ryukiba!’

“Good, this is great. Now that the four Divine Ninjas have joined forces, no

matter how strong this kid is, he will definitely die!”

“Hahaha, this kid is finally going to die!”

The three old men stood beside Koga Chiryu!

One of the old men was short and ugly. He held a scroll in his hand. He was the

Divine Ninja of the Ito Ninja Sect, Ito Taikawa!

The second elder was slightly plump and round. He held a huge dart in his hand. He was the Divine Ninja of the Wind Demon Ninja Sect, the Wind Demon Kamon!

The third elder had a medium build and ordinary looks. He held two crystal kunais in his hands. It was the Divine Ninja of the Black Feather Ninja Sect, Black Feather Ryukiba!

These three old men were holding the three divine artifacts of the Chiyuki family!

Sealing Scroll, Six Paths Shuriken, Wind and Fire Kunai!

Although these three old men looked ordinary, they were real Divine Ninjas with perfected Martial King Realm cultivation!

Just by standing there, the pressure and aura emitted from their bodies were extremely terrifying, causing all the ninjas present to tremble!

With the arrival of the four Divine Ninjas...

Footsteps sounded from afar!

Everyone turned around and saw a large group of people rushing into Koga Village. The ground was trembling slightly from their footsteps!

The moment everyone looked over...

The ninjas from Koga Ninja Sect were even more surprised and shouted!

They're here. They're all here. Our reinforcements are here!"

"These four guys won't be able to escape tonight!"

They were the ninjas from Ito Ninja Sect, Wind Demon Ninja Sect, and Black Feather Ninja Sect. There were more than 5,000 of them, and they were all elites!

Chapter 713: Slaying a God Today!

These ninjas were divided into three groups!

There were eight old men leading the team in front of each group!

These old men were all elders of the various Ninja Sects!

In other words, twenty-four elders from the three great ninja sects had come!

Not long ago, the Koga Ninja Sect sent out a distress signal!

And now, their rescue had finally arrived!

The reinforcements for Koga Ninja Sect had arrived!

Even Bujie, who had always been fearless, felt immense pressure!

Xu Ying gripped the Dragon Sparrow Saber tightly and his expression turned cold!

Prajna also clenched the kunai in her hand tightly. She gritted her teeth and her mind trembled!

The powerful fighters from the four great ninja sects were basically all here!

And there were too many people!

Even with Yang Luo around, they would probably not be able to leave this place alive!

The corners of Bujie's mouth twitched as he said, "Brother Xu, Sister Prajna, it looks like we're really doomed!"

Xu Ying smiled and said, "Bujie, since we chose to come here, we have already disregarded life and death. What does it matter if we are finished or not?"

Bujie nodded and said, "That's true. If we can cause a huge commotion before we die, our trip to this world will not be in vain!"

Prajna's eyes were red as she choked, "Brother Xu, Brother Bujie, I'm sorry. I implicated you and Brother Yang. I'm sorry..."

Bujie grinned and said, "Sister Prajna, there's no need to apologize. You're our sister. We naturally have to avenge you!

It's a pity that we only helped you destroy the six great ninja sects. I'm afraid we won't be able to destroy the remaining four great ninja sects. I hope you won't blame us!"

Xu Ying sighed and said, "It's all our fault for being too weak. If we were stronger, we would be able to avenge you completely..."

Hearing their words, Prajna could no longer hold back the tears in her eyes as they flowed down.

At this moment.

In a distant ruin.

Ito Taikawa smiled mockingly at Koga Chiryu and said, "Brother Chiryu, why can't you even kill a brat?"

Wind Demon Kamon also chuckled and said, "Brother Chiryu, aren't you said to be the strongest among the four of us? Why are you in such a sorry state now?"

Black Feather Ryukiba smiled and said, "If we didn't help, would you really be killed by this kid?"

Koga Chiryu said angrily, "Stop trying to crack wise comments here!

This kid is not as simple as you think!

In terms of one-on-one combat, I'm afraid we're not his match!"

Ito Taikawa said, "In that case, let's join forces to kill this kid!"

Wind Demon Kamon frowned and said, "I didn't expect a remnant of the Chiyuki family to cause such a huge commotion. How troublesome!"

"Are you guys done?"

Yang Luo asked coldly.

Instantly, Koga Chiryu, Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba all looked at Yang Luo.

Ito Taikawa narrowed his eyes and said, "Kid, you can still be so calm in front of the four of us. You're really not simple!"

Yang Luo said loudly, "Why can't I be calm? You're only Divine Ninjas, not real gods!"

There was a pause.

Yang Luo continued in a firm voice, "Even if you're really gods, I'm going to slay a god today!"

"Hahaha..."

Upon hearing this, Ito Taikawa and the others laughed.

Ito Taikawa chuckled and said, "Did you guys hear that? This kid said that he wants to slay a god!"

Wind Demon Kamon sighed: “Truly, a youth knows no fear. I want to see what ability this kid has to be so arrogant!”

“A mere mortal dares to say that he can slay a god? What a fantasy!”

Black Feather Ryukiba sneered.

“You guys talk too much nonsense!”

Yang Luo was already impatient. He let out a roar and charged towards the four of them!

On the way to kill the four of them!

Yang Luo continuously mobilized the True Qi in his body. His aura and combat strength were fully unleashed!

His eyes and body flickered with an even more dazzling golden light!

At this moment, an even more condensed and huge golden dragon phantom coiled around his body!

Clang, clang, clang!

As Yang Luo ran over!

The ground cracked and collapsed under his feet!

“Kid, it’s your honor to die in the hands of us four Divine Ninjas!”

“Let this kid experience the true strength of the four Divine Ninjas!”

Koga Chiryu, Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba moved at the same time and attacked Yang Luo!

On the way to kill Yang Luo, the four of them also released their auras and combat strength!

And the moment they got close...

Koga Chiryu suddenly waved the Sun and Moon Divine Staff in his hand!

“Thousand Miles of Freezing!”

“Divine Fire Prairie Fire!”

The ice and flames transformed into two torrents that surged towards Yang Luo!

Ito Taikawa threw the scroll in his hand into the sky!

The scroll instantly expanded to more than ten meters long!

All kinds of ancient characters were written on the scroll, depicting various demons, ghosts, and gods in the legends of Country Sakura!

The moment the scroll was opened!

Ito Taikawa roared!

“Sealing Scroll, Unseal! Night Parade of a Hundred Ghosts!”

In the blink of an eye!

Hundreds of huge remnant souls of demons and ghosts flew out of the scroll and pounced at Yang Luo in a mighty manner!

“Six Paths Shuriken, Five Elements Kill!”

Wind Demon Kamon suddenly threw out the six shuriken in his hand!

Swoosh!

The six shurikens shot out. The power of the five elements—metal, wood, water, fire, and earth—exploded, turning into a multicolored light that shot towards Yang Luo!

“Wind and Fire Kunai, Wind Dragon Soars, Fire Dragon Roar!”

On the other hand, Black Feather Ryukiba threw out the Wind Fire Bitterness in its hand!

The two kunais shot out, and the energy that erupted condensed into a wind dragon and a fire dragon that collided with Yang Luo!

When the ninjas watching the battle from afar saw this scene, they were all shocked!

“As expected of the four Divine Ninjas. Their strength is indeed terrifying!”

“It’s impossible for this kid to block the killing moves of the four Divine Ninjas!”

“This is unless this kid has the strength to crush the four Divine Ninjas. Clearly, he doesn’t have the strength at all!”

The worry in Xu Ying, Bujie, and Prajna’s eyes intensified!

Anyone could tell this!

When the four Divine Ninja joined forces, the lethality, destructive power, and destructive power that erupted were countless times stronger than Koga Chiryu’s previous solo attack!

The four of them attacked crazily!

Yang Luo gritted his teeth and clenched his right fist. His left hand turned into a palm while his right punched forward angrily!

“Dragon Emperor Fist!”

“Eight Divine Dragon Palms!”

Roar! Roar!

A huge golden fist and a huge golden palm pushed out!

Two golden dragon phantoms roared out!

Boom! Boom!

An earth-shattering sound of collision resounded!

The entire Koga Village shook!

The impact lasted less than a few seconds!

Rumble!

A series of explosions exploded under the night sky, causing everyone's eardrums to buzz!

The heavy attacks of Koga Chiryu and the other three exploded one after another!

Yang Luo's huge golden fist, huge golden palm, and two golden dragon phantoms exploded one after another!

The energy produced by the explosion was terrifying to the extreme. It surged in all directions like a river breaking through a dam!

The area of Koga Village that was destroyed was getting larger and larger. The surroundings had turned into ruins, and it was a mess!

However, Yang Luo raised his arms and maintained the posture of punching and waving his palms!

He forcefully endured the four people's fierce attacks and gritted his teeth as he roared, "Come on, continue!"

If you can't kill me, I'll definitely kill you!"

Chapter 714: Although There Are Ten Million People, I Will Go!

At this moment.

The ground under Yang Luo's feet kept cracking and collapsing!

However, his body did not fall and he did not take half a step back!

Koga Qianliu, Ito Taichuan, Wind Demon Kamon, and Black Feather Ryukiba saw that they could not kill Yang Luo even if they joined forces. They got even more furious!

They were Divine Ninjas, and it was four of them working together!

If they couldn't even kill this kid, they wouldn't have the face to continue staying in Country Sakura's ninja world!

"Spirit Communication Technique, Nine-Tailed Fox!"

Koga Chiryu shuddered and let out a roar!

A fox with nine huge tails that flickered with black-purple light condensed and pounced at Yang Luo!

This nine-tailed fox was one of the strongest demons in the legends of Country Sakura!

Although this was not a real nine-tailed fox and was only an illusion, it was still powerful and terrifying to the extreme!

"Reincarnation Technique, Ninja God Hattori Hanzo!"

Ito Taikawa also roared and used a powerful ninjutsu!

A majestic masked giant condensed into form and charged at Yang Luo with a ninja divine weapon in hand!

This giant was the ancient Ninja God of Country Sakura, Hattori Hanzo!

“Thunder Style, Myriad Lightning World Destruction!”

Wind Demon Kamon waved its hand and let out a deafening roar!

Rumble!

Tens of thousands of black-blue lightning intertwined and seemed to have transformed into a lightning net that blasted towards Yang Luo!

“Fog Style, Instant Kill!”

The Black Feather Ryukiba’s body trembled, and a black fog surged out, instantly enveloping this world!

Tens of thousands of Black Feather Ryukiba figures condensed and flickered in the black fog. They held the wind and fire kunais in their hands and stabbed at Yang Luo!

Yang Luo also felt the pressure from the ferocious attacks of the four people!

He did not dare to be careless. He stepped down and let out a dragon roar!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

Nine golden dragon phantoms roared from his body and collided in all directions!

Boom! Boom!

Rumble!

Waves of earth-shattering collisions and explosions resounded through the sky, causing the blood and qi in everyone’s bodies in the distance to boil!

Although Yang Luo’s move could barely withstand this wave of attacks from the four of them, it could not completely destroy them!

Without any hesitation, his body trembled as he mobilized the true fire and Yang lightning in his body and erupted!

“Burning Eight Desolates!”

“Thunderous Nine Heavens!”

Golden true fire and golden Yang lightning surged out of his body and washed in all directions!

“This kid is not simple. We can’t give him any chance to counterattack!”

Continue attacking. It’s best if we can kill him in one go!”

Koga Chiryu said loudly.

“Alright!”

Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba replied in unison.

Then, the four of them continued to use powerful ninjutsu to attack Yang Luo crazily!

“Fire Style, Tenshou Divine Fire!”

“Dark Style, Dark Descent!”

“Wood Style, Ten Thousand Wood Formation!”

“Sand Style, Sandstone Divine General!”

The black-purple flames that filled the sky swept up!

Darkness descended, and energy condensed into dense ninja weapons that shot out!

Tens of thousands of huge trees stood up and condensed into a huge array formation!

Sand giants in armor and holding huge weapons condensed into form and charged forward!

“ROAR...”

Yang Luo roared at the sky and continuously punched and slapped to resist the four people’s violent attacks!

He also executed all the killing moves he had mastered and attacked!

Rumble!

Rumble!

The collisions and explosions that shook the nine heavens seemed to never stop!

The entire Koga Village trembled. The mountains outside the village also shook!

In this confrontation!

No matter how tough Yang Luo’s body was, he could not take it anymore. His skin and muscles began to tear continuously, and his meridians broke!

Blood splattered and dyed his clothes red!

Of course, Yang Luo was not the only one who was injured!

Koga Chiryu, Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba were also injured!

However, the injuries the four of them suffered were much lighter than Yang Luo’s!

In the distance, everyone who was watching the battle was stunned. All of them felt their hearts skip a beat. Their faces were pale and their bodies were trembling!

” How can this kid be so strong?!”

“Isn’t that so? Even if the four Divine Ninjas join forces, they can only suppress him and can’t kill him!”

“This kid is really too terrifying. If he was given more time to grow, how far would he grow?!”

“We can’t let him grow up. We have to kill him as soon as possible now to prevent future trouble!”

The ninjas watching the battle exclaimed.

” Leave seven elders to deal with these three fellows!

The other elders, come with me to help!”

Koga Tenniji said loudly and then charged towards the battlefield in the distance!

The remaining four elders of the Koga Ninja Sect also charged forward!

The other three ninja sects left seven elders behind to tie down Xu Ying, Bujie, and Prajna!

The remaining seventeen elders charged towards the distant battlefield together!

Soon, the five elders from Koga Ninja Sect and the seventeen elders from the other three great ninja sects arrived at the battlefield. There were a total of twenty-two elders!

After the 22 elders arrived at the battlefield, they mobilized the True Qi in their bodies without any hesitation and attacked Yang Luo at the same time!

Boom! Boom! Boom!

Layers of ninjutsu were used, and they ruthlessly attacked Yang Luo!

At this moment, it was already very difficult for Yang Luo to resist the four Divine Ninjas alone!

Now that there were 22 elders added, he could no longer block them!

“Ugh!”

Yang Luo let out a painful cry and was sent flying!

There was a loud bang!

He fell heavily dozens of meters away. His skin and flesh were lacerated in many places, and blood flowed profusely. He also spat out blood!

Koga Chiryu said with a look of fear, “It took so many of us to really hurt this kid. This kid is really terrifying!

No matter what, I have to kill this kid tonight. We can’t let him live!”

“Yes...”

Everyone responded in unison.

Soon, under the lead of Koga Chiryu and the other four Divine Ninjas, all the elders followed and attacked Yang Luo again!

And in that instant!

Boom! Boom! Boom!

Twenty-six ninjutsu were used at the same time and attacked Yang Luo!

Facing the attack of these twenty-six ninjutsu!

Yang Luo quickly got up. With blood in his mouth and a ferocious expression, he ran forward resolutely!

Although there were tens of millions of people, he would still go forward!

No matter how many enemies there were in front of him, he would never retreat!

The moment he got close!

He soared into the sky and slashed forward with his right hand!

“Emperor! Dragon! Sword! Incantation!”

“Chop...”

Swoosh!

A huge golden sword tore through the sky and illuminated the night sky. It erupted with powerful sword qi and supreme sword might and slashed out heavily!

Rumble!

This sword collided heavily with the twenty-six layers of ninjutsu, and the sound of the explosion was like hundreds and thousands of powerful bombs exploding!

Flames soared into the sky, thick smoke filled the air, and sand and rocks danced!

“Ahhhh...”

Accompanied by screams...

Four elders were killed on the spot!

Although Yang Luo had killed four elders, he could not withstand it and was sent flying!

“Pfft...”

As he was sent flying, he spat out a mouthful of blood and fell dozens of meters away again!

Even when Yang Luo fought against the 26 experts of the four ninja sects alone, he could still forcefully kill four elders!

This magnificent feat frightened everyone present so much that their souls trembled!

It was too terrifying!

Too terrifying!

Even if this kid was not a god, he was still close to a god!

Chapter 715: Desperation Between Life and Death!

Yang Luo was sent flying dozens of meters away!

He gritted his teeth tightly and his eyes were bloodshot. He supported himself on the ground with both hands and got up again!

“Even if I die, I’ll drag you down with me!”

He let out a demonic roar and dragged his injured body to charge at Koga

Chiryu and the other twenty-two people again!

Yang Luo got up again!

Koga Chiryu was angry, frustrated, and shocked!

He did not expect Yang Luo to be so strong!

That even under the continuous attacks of the four Divine Ninjas and the 18 elders, this kid could still stand up!

He shouted, “Don’t stop attacking! Continue! Continue!”

Then, under the lead of Koga Chiryu and Chiryu, everyone continued to attack Yang Luo!

After holding on for a while, Yang Luo was sent flying again.

In the following period of time...

Yang Luo stood up again and again, but he was sent flying again and again. The injuries on his body became more and more serious, and his entire body was covered in blood, as if he had been fished out of a blood pool...

“Brother Yang!!!”

“Big Brother Yang!!!”

In the distance, Bujie, Xu Ying, and Prajna, who were fighting a bitter battle and were severely injured, let out shrill cries as tears of blood flowed from their eyes...

They wanted to help, but they could not escape the entanglement!

“Ahhh...”

Under the crazy attacks of the seven elders, Xu Ying, Bujie, and Prajna were also sent flying dozens of meters away!

The three of them spat out blood and were covered in wounds. Blood dyed their clothes red!

The three of them felt that their strength was about to be exhausted and they could not even stand up!

“You guys want to help? You’re simply overestimating yourself!”

“Even if you go over, what use can you be? You’re just tempting fate!”

“The four of you want to destroy all of our Ninja Sects? If you’re not dreaming, what are you?”

The seven elders laughed mockingly as they looked at Xu Ying and the other two.

Bujie gritted his teeth and roared, “You despicable and shameless fellows, do you dare to fight my Brother Yang alone?”

Xu Ying also shouted, “Don’t talk about fighting alone. Even if there are only half of you missing, my Brother Yang can kill you all!”

“Hahaha...”

An elder threw his head back and laughed, “Do you think this is an arena competition? One-on-one? What a joke!”

The other elders and ninjas also laughed.

At this moment.

On the distant battlefield.

After being sent flying for the 28th time, Yang Luo also felt that his strength was about to be exhausted, and his entire body felt like it was about to fall apart!

He supported himself with both hands and wanted to get up, but after trying a few times, he could not do it!

He could no longer get up!

He really couldn’t get up!

How hateful!

How he hated his current situation!

If his cultivation level was higher and stronger, no matter how many of these guys there were, they would not be able to do anything to him!

Unfortunately, he couldn’t avenge Prajna!

“Hahaha...”

Jia Heqian laughed loudly and said fiercely, “Kid, are you finally unable to stand?

I thought you were really a god. I didn’t expect you to be just a mortal!

Do you really think you can kill us four Divine Ninjas?

Do you really think you can kill so many of us?

Do you really think you can destroy all of our Ninja Sects?

You’re ridiculous, ignorant, and stupid!”

“A kid from Country Hua dares to come to our Country Sakura to cause trouble. He’s really bold!”

“Killing this kid can also be considered as taking revenge for the people who died in the various Ninja Sects!”

“This kid must be the number one prodigy in Country Hua’s martial arts world. If we kill him, Country Hua’s martial arts world will definitely be severely injured!

Thinking of this, I'm very happy. Hahaha..."

Ito Taikawa, Wind Demon Kamon, Black Feather Ryukiba, and the others also spoke one after another, laughing very smugly and happily.

Koga Chiryu waved his hand and said, "Alright, cut the crap. Hurry up and kill this kid!"

"Alright!"

Everyone immediately chorused out.

Then, Koga Chiryu, Ito Taikawa, Wind Demon Kamon, Black Feather Ryukiba, and the others mobilized the True Qi in their bodies to the limit. Then, they used layers of ninjutsu to attack Yang Luo!

22 layers of ninjutsu erupted again, carrying a destructive force as they blasted towards Yang Luo!

"Brother Yang..."

"Brother Yang..."

"No, no..."

In the distance, Xu Ying, Bujie, and Prajna, who were lying on the ground, were in grief and let out extremely miserable screams.

Yang Luo finally struggled to stand up!

However, the 22 attacks had already arrived!

He did not even have time to dodge, counterattack, or defend!

Was he really going to die like this?

Was this really the end?

What a pity!

It was a pity that he did not fulfill the promise he had made with Eldest Senior Sister and Third Senior Sister!

Unfortunately, he could not see Second Senior Sister, Fourth Senior Sister, and Fifth Senior Sister again!

Unfortunately, in the end, he still did not know who the old man was and who his parents were!

Unfortunately, he could no longer fight with his brothers in the world!

Unfortunately, he could not give his women a life of prosperity!

There were too many regrets, too many things that had not been completed...

However, at the moment of life and death!

Rumble rumble rumble!

A series of loud bangs came from afar!

"What's that sound?!"

“Look, what’s that?!”

The ninjas present exclaimed one after another. They were stunned when they saw the scene in the sky in the distance!

The four purple seals that were as huge as mountains and engraved with the four ancient divine beasts crushed over crazily from afar!

Tens of thousands of flying swords tore through the night sky and shot over!

A huge hand that was like a Divine Monument pressed down!

And in that instant!

Boom! Boom!

The four seals, tens of thousands of flying swords, and the huge hand collided fiercely with the attacks of Koga Chiryu and the others, erupting with the sound of the heavens collapsing and the earth shaking!

A few seconds later!

Rumble!

Layers of attacks exploded continuously. All kinds of energy intertwined, as if a tsunami had erupted, washing out in all directions!

At this moment...

The distant battlefield was already enveloped by all kinds of light and energy.

The dazzling light contained endless destructive power!

Until the light and energy completely dissipated...

Three figures stood in front of Yang Luo!

One of them was thin and tall. He was wearing a black Tang suit and had sharp eyebrows and bright eyes, as well as a handsome visage!

The second was tall and thin. He wore a eight trigrams robe and held a long sword!

The third was wearing a white robe. He was slightly plump and had a round face!

“Brother Mo... Elder Luo... Elder Feng... Why are you guys here?!”

Seeing the three people in front of him, Yang Luo said in a daze. He was dumbfounded.

“F*ck... What’s going on? Why are Brother Mo and the rest here?!”

The corners of Bujie’s mouth twitched as well. He was a little confused about the current situation.

Xu Ying was puzzled, “That’s strange. Didn’t Brother Mo and the rest return to Country Hua? Why did they suddenly appear here?”

Prajna also blinked her beautiful eyes, stunned.

Chapter 716: Kill Anyone Who Hurts My Brother!

Just as everyone was stunned...

“Alihhh...”

Screams sounded from the distant crowd!

A group of ninjas spat out blood and flew in all directions!

“Brother Yang, why didn’t you tell us that you are planning such a big thing? Aren’t you treating us as brothers?”

Brother Yang, our Hidden Dragon Pavilion is a united entity. We are bound together for good or ill. Are you looking down on us brothers and sisters?”

Brother Yang, you’re too much. How can you not call Little Meng along when you’re killing these bastards!”

Accompanied by the screams of the ninjas, familiar voices sounded.

As they looked towards the horizon...

Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, Jiang Bo, Zuo Wei, Yu Dian, and the others had killed all the ninjas in front of them and were advancing towards them!

“Who are these guys? Are they the helpers of those four guys?!”

“Hmph, so what if those four guys have helpers? It’s just a few dozen people. What’s there to worry about!”

‘That’s right. With four Divine Ninjas and so many elders around, killing these dozens of people will be easy!’

The ninjas present discussed in surprise, their eyes filled with shock and confusion.

Of course, most of it was disdain.

After all, there were only a few dozen people who came. They did not take them seriously at all.

At this moment.

On the distant battlefield.

Yang Luo still hadn’t recovered from his shock.

He asked again, “Brother Mo, Elder Luo, Elder Feng, shouldn’t you guys be going back? Why are you here?”

Mo Qingkuang, Luo Jingchen, and Feng Datong turned around and walked over.

When they saw the injuries and blood on Yang Luo’s body, their eyes turned red, and they were filled with grief and extreme anger.

Mo Qingkuang sighed and said, "Brother Yang, I felt that something was wrong when you said that you wanted to stay behind to do something."

"We're in a dangerous situation now, but you still wanted to stay. I'm sure what you want to do is not a small matter."

"Therefore, I sent Jiang Bo to investigate the situation. Only then did I know that in order to avenge Prajna's family, you actually came to attack these Ninja Sects."

Everyone and I were really worried about you, so we followed you."

Fortunately, we chose to come. Otherwise, something big would have happened."

Luo Jingchen said, "Deputy Pavilion Master Yang, you saved my life, but why didn't you call me along for such a big matter? Are you looking down on me?"

Feng Datong also said, "That's right, Deputy Pavilion Master Yang. What you're doing is too insincere."

No matter what, we've fought side by side before. We can be considered best friends who have lived and died together."

Yang Luo heaved a sigh of relief. He was touched and said, "I just don't want to implicate you because of this."

Luo Jingchen waved his hand in emphasis, "What do you mean by implicated or not? You gave me my life. So what if I die for you?"

"That's right."

Feng Datong said in a firm voice, "I'm willing to go through mountains of blades and seas of flames for Deputy Pavilion Master Yang!"

We're willing to go through hell and high water for Deputy Pavilion Master Yang!"

Tian Zhen and the others from the Hidden Dragon Pavilion also shouted loudly with shocking momentum.

Hearing everyone's shouts and seeing their determined faces, Yang Luo's eyes turned red.

These brothers and sisters were worth protecting with their lives!

"Hahaha..."

Koga Chiryu laughed out loud and stared at Yang Luo viciously, "Kid, do you think you can salvage the situation just because you have helpers?"

What a joke. What use could such a small number of people be?

It will just be that there are more people who will die with you!"

"Hahaha..."

Ito Taikawa, Wind Demon Kamon, Black Feather Ryukiba, and the others also laughed.

“Brother Yang, leave the rest of the battle to us. Have a good rest!”

Mo Qingkuang patted Yang Luo’s shoulder gently and turned to look at Koga Chiryu and the others.

Luo Jingchen and Feng Datong also turned around with cold expressions.

“Those who hurt my brother will be killed without mercy!”

With a roar!

Boom!

A dazzling purple light shot up from Mo Qingkuang’s body and broke through the clouds in the sky!

Waves of terrifying pressure and aura surged out of Mo Qingkuang’s body and enveloped the entire Koga Village!

At this moment, Mo Qingkuang had already unleashed his full aura and combat strength!

Even when he destroyed the Eighth Hong Tower, he did not use his true strength!

But now, he had used it!

Because Yang Luo was his brother!

Now that Yang Luo was severely injured by this group of dogs, he was completely infuriated!

In order to avenge his brother, he did not hesitate to unleash his strongest combat strength!

Boom boom!

A beam of light also shot up from Luo Jingchen and Feng Datong, illuminating the night sky!

The two of them also unleashed their auras and combat strength!

Not only was Yang Luo their savior, but he was also their best friend!

In order to avenge Yang Luo, they did not hesitate to fight with all their might!

Boom! Boom! Boom!

In the distance, Tian Zhen and the others also erupted with their strongest combat strength!

Waves of pressure and aura spread out like an abyss and a flood. Not only did it envelope the entire Koga Village, but it also spread out of the village!

All the ninjas present were trembling in fear and felt suffocated!

Only now did they know that these people were not ordinary people!

Koga Chiryu also felt a pressure!

His expression was cold as he shouted, “Attack together and kill them!”

“We must tear these guys into pieces!”

“We must make sure they never return!”

“All of you, leave your lives behind!”

Ito Taikawa, Wind Demon Kamon, Black Feather Ryukiba, and the others also shouted out.

Soon, Koga Chiryu and the other 22 people moved and attacked Mo Qingkuang, Luo Jingchen, and Feng Datong!

The seven elders in the distance and the other ninjas from the four ninja sects also charged at Tian Zhen and the others!

“Kill these guys and avenge Brother Yang, Brother Xu, and Sister Prajna!”

Mo Qingkuang waved his hand and went up to fight!

Luo Jingchen and Feng Datong also charged out resolutely!

Tian Zhen and the others also excitedly charged forward!

A great battle erupted just like that!

“Divine Movement Eight Desolates Palm!”

Mo Qingkuang was the first to charge out. Purple light flickered on his body, as if a true immortal had descended to the world. He immediately slapped out again!

Bang! Bang!

On the spot, an early-stage Martial King Realm elder who was charging at him was blasted apart by a palm before he could react!

Blood and flesh splattered everywhere. It was a shocking sight!

“Taiji Sword Technique!”

“Divine Monument Hand!”

Luo Jingchen and Feng Datong suddenly swung their swords and struck out with their palms!

The combat strength that the two of them erupted with was also incomparably powerful. They instantly killed two Martial Highness Realm elders!

“Damn it, these three guys are actually experts too!”

“Don’t fight them alone. Let’s join forces and kill them!”

“Protectors, where are you? Come and help!”

Koga Chiryu and the others roared.

For a moment...

Koga Chiryu, Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba led the eight elders and attacked Mo Qingkuang together!

The remaining seven elders charged at Luo Jingchen and Feng Datong!

Furthermore, the 80 Protectors of the four ninja sects had also charged over!

30 of them charged at Luo Jingchen and Feng Datong!

The other 50 charged towards Mo Qingkuang!

The battle became even more intense!

Chapter 717: Critical Situation!

When Yang Luo saw the situation in front of him, he shouted at Xu Ying and the other two, “Xu Ying, Bujie, Prajna, the battle isn’t over yet. Quickly recover and fight with our brothers!”

“Yes...”

Xu Ying and the other two replied in loudly.

Then, Xu Ying and the other two sat up with difficulty. They took a few pills and started to recover.

Yang Luo also sat down cross-legged. He took a few pills and began to heal.

The battle was not over yet. He could not fall here. He had to fight alongside his brothers.

However, because his injuries were too serious, even after taking a few medicinal pills, his injuries and strength only recovered a small portion.

Without any hesitation, Yang Luo took out nine silver needles and used the Nine Needles of Heavenly Dao to pierce the nine acupuncture points on his body, speeding up the recovery of his injuries and strength.

However, it was still too slow!

Yang Luo roared in his heart!

Can’t you be faster!

Faster!

He was anxious and kept circulating the Nine Heavens Dragon Taming Technique to speed up the recovery of his injuries and strength...

At this moment.

The final battle had already begun. It was getting more and more intense and tragic!

Basically, someone would fall every minute and second!

At this moment.

Mo Qingkuang was surrounded by a large group of people, but he was still fearless!

“Come on, attack together and fight me!”

Mo Qingkuang shouted. His eyes and body flickered with a dazzling purple light, and his clothes fluttered in the wind. His aura was shocking!

“Don’t hold back. Attack together!”

Koga Chiryu roared and waved the Sun and Moon Divine Staff in his hand!

“Tenshou Divine Fire!”

“Ten Thousand Miles of Ice!”

In the next instant...

The torrent of flames and the torrent of ice rushed towards Mo Qingkuang at the same time!

Everywhere it passed, rocks and wood chips were burned to ashes, and pieces of ruins were frozen. It was terrifying!

Sealing Scroll – Ten Thousand Demons Destruction!”

Ito Taikawa threw the sealing scroll into the sky and unsealed it again!

Countless demons and ghosts flew out from inside and pounced at Mo Qingkuang like waves!

“Six Paths Shuriken, Six Paths Absolute Kill!”

Wind Demon Kamon directly threw out the six shuriken in his hand!

The moment the six shurikens whistled out, they instantly transformed into tens of thousands of shurikens that shot towards Mo Qingkuang from all directions!

“Wind and Fire Kunais – Wind and Fire Dragon Howl!”

Black Feather Ryukiba also threw out the Wind and Fire Kunais in his hand!

The two kunais shot out, turning into a huge ice dragon and a huge fire dragon.

They shattered the sky and smashed fiercely towards Mo Qingkuang!

The other eight elders and 50 Protectors also mobilized the True Qi in their bodies to the limit at the same time. They used heavy ninjutsu and attacked Mo Qingkuang!

“Hahaha...”

Mo Qingkuang looked up at the sky and laughed wildly. He said in a trembling voice, “Good timing!”

As he spoke, Mo Qingkuang waved his right hand and shouted!

“Four Beasts Immortal Seal!”

“Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!”

“Transform!”

In the blink of an eye!

Four huge purple seals that were as huge as mountains condensed and smashed out!

When they collided, the four major seals actually turned into the illusions of the Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise and pounced in four directions!

Boom! Boom!

Rumble!

The sound of collision and explosions resounded in all directions!

All kinds of light and energy intertwined and surged in all directions!

Houses collapsed, the ground collapsed, and rocks turned to dust!

However, what shocked Koga Chiryu and the others was that...

Mo Qingkuang had actually withstood the combined attack of so many of them!

“Don’t stop. Continue attacking. Continue!”

Koga Chiryu roared again and continued to use ninjutsu to attack!

Ito Taikawa, Wind Demon Kamon, Black Feather Ryukiba, and the others also continued their attacks.

An even more violent attack surged from all directions and attacked Mo Qingkuang!

Mo Qingkuang did not hesitate and continued to mobilize the True Qi in his body!

Then, he waved his hand and shouted!

“Five Elements Secret Technique!”

**“Golden mountains stand tall, ancient trees tower into the sky,
mountains are**

cut off, flames burn in the sky, and soil and rocks collapse!”

Golden mountains and huge trees crashed in all directions!

Waves of water and fire surged out!

Boulders shot out from the sky!

Rumble!

An even more terrifying collision and explosion resounded!

The four Divine Ninjas could still manage to block Mo Qingkuang’s attack!

However, those elders and Protectors could not withstand it and were sent flying!

“Alihhh...”

Accompanied by a series of tragic cries!

15 Protectors and two elders spat out blood on the spot. When they fell to the ground, they were already dead!

Although Mo Qingkuang was also injured, fortunately, it was only a superficial wound and did not affect his combat strength!

“Get lost!”

Mo Qingkuang suddenly stomped down and let out another roar!

An even more violent purple True Qi surged in all directions like a landslide and tsunami!

Koga Chiryu, Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba were also sent flying!

After sending the four of them flying, Mo Qingkuang's figure flashed and turned into a purple stream of light, continuing to attack Koga Chiryu and the others!

On a battlefield in the distance.

Luo Jingchen and Feng Datong were also besieged!

The two of them joined forces and killed many Protectors!

However, the seven elders were very strong and it was difficult for them to kill them!

On the other hand, they were repeatedly forced back by the seven elders and their injuries became more and more serious!

It couldn't be helped. Luo Jingchen and Feng Datong had been severely injured when they destroyed the Eighth Hong Tower previously!

Although they had received Yang Luo's treatment, their injuries had not completely recovered!

It was already not easy for them to survive the siege of the seven elders and so many Protectors!

After all, they were not as powerful as Mo Qingkuang!

The situation was getting more and more dangerous!

In a distant ruin.

As Yang Luo recuperated, he paid attention to the movements on the various battlefields!

However, his injuries and strength did not recover quickly, which made him anxious!

He roared in his heart!

Faster! Faster! Faster!

How could he allow his recovery speed continue to increase?!

However, at this moment...

"Roar..."

A desolate, ancient, and ancient dragon roar suddenly sounded in his mind!

This dragon roar seemed to have transmigrated from the past, present, and future, able to even deafen the deaf!

Yang Luo was shocked!

What was going on?!

Where did this dragon roar come from?!

Could it be coming from his divine sense space?!

Just as he was feeling puzzled...

Rumble...

Waves of majestic energy instantly surged into his internal organs, eight extraordinary meridians, and limbs!

This energy was powerful and domineering, as if it wanted to explode his body!

“ROAR...”

Yang Luo felt endless pain. He raised his head and let out a dragon-like roar!

Although his body was in pain, what shocked him was not the wave of energy flooding his body.

It was the fact that the injuries on his body were actually recovering at a visible speed!

His strength was also recovering at a much faster pace!

Chapter 718: Brothers Join Forces!

If his previous body was a dry well...

Now, his body was instantly filled with energy!

This feeling not only made him feel unbearable pain, but also excited at the same time!

As this power was too majestic, it directly surged out of Yang Luo's body and washed in all directions!

Rumble!

The surrounding rubble and ruins turned to ashes!

The houses further away were also instantly destroyed!

The commotion caused by Yang Luo was too great, attracting the attention of many people!

“What's wrong with this kid? Isn't he already half dead? How can he still erupt with such terrifying energy?!”

“This kid's strength is too terrifying. We can't let him stand up again. Hurry up and kill him!”

Hundreds of ninjas rushed over.

“Brother Yang, be careful!”

“Brother Yang, be careful!”

“Brother Yang, quickly dodge!”

Bujie and the others in the distance shouted in shock.

However, just as the hundreds of ninjas charged over!

Yang Luo stood up immediately!

And he suddenly stomped down!

Rumble!

The ground cracked and collapsed crazily!

Dazzling golden light appeared from his eyes and body. A golden beam of light soared into the sky from his body, scattering the clouds in the sky and dispelling the endless darkness!

True Qi surged out of his body like a landslide and tsunami, washing in all directions!

Peng,peng,peng!

Before the hundreds of ninjas could approach, their bodies exploded one after another, turning into pools of flesh and blood that splattered in the air!

Instant kill!

Hundreds of Martial Warriors were instantly killed!

This scene shocked everyone present!

The other ninjas who wanted to charge forward stopped in their tracks and did not dare to advance anymore!

Yang Luo turned to look at Xu Ying and the other two and said loudly, “Xu Ying, Bujie, Prajna!

Use your cultivation techniques immediately. I’ll help you recover your injuries and strength!”

“Alright!”

Xu Ying and the other two nodded.

Then, Yang Luo raised his right hand. A dazzling golden light flickered on his palm and he shot a golden beam at the three of them!

The light instantly enveloped the three of them, and waves of powerful and vast

True Qi continuously entered their bodies!

As True Qi entered, the injuries and strength on the three of them began to recover faster!

Less than a few minutes later.

“Alihh!”

Xu Ying, Bujie, and Prajna raised their heads and roared at the same time!

Their injuries and strength recovered by more than half! Furthermore, their cultivation levels had also broken through!

Xu Ying and Bujie had finally stepped into the Martial Highness Realm!

Prajna had stepped into the late-stage Martial Scholar Realm!

Of course, the reason why they were able to break through was because they had experienced several consecutive battles and were in a life and death situation!

The more desperate the situation was, the more it could stimulate the cultivator’s potential!

“Hahaha...”

Bujie threw his head back and laughed. He jumped up and said excitedly, “Thank you, Brother Yang, for helping me break through!

I’m going to continue killing. Are you ready?!”

As he spoke, Bujie hefted his Dragon-Mark Buddhist Staff and charged out to join the battle!

Xu Ying and Prajna nodded at Yang Luo before joining the battle!

It was also because of the addition of Xu Ying and the other two that the pressure on Tian Zhen and the others decreased significantly!

Seeing this, Yang Luo did not hesitate and used the Great Freedom Emperor Dragon Movement Technique. With a flash, he charged towards the battlefield where Luo Jingchen and Feng Datong were!

At this moment, Luo Jingchen and Feng Datong were retreating step by step. The injuries on their bodies were getting more and more serious, and their clothes were dyed red with blood!

However, the two of them were still resisting tenaciously and had already disregarded life and death!

In order to protect Yang Luo, they were willing to die in battle!

Right at this moment...

“Roar, roar, roar!”

Golden dragon phantoms roared as they charged towards the elders and Protectors who were attacking Luo Jingchen and Feng Datong!

Peng,peng,peng!

Under the frenzied collision of the nine golden dragon phantoms, all the Protectors exploded into pools of blood mist!

Four of the seven elders also exploded into pools of flesh and blood!

Puff! Puff!

The remaining three elders also spat out blood and were sent flying! Even if the three elders were not dead, they were severely injured!

Boom!

Accompanied by a loud explosion!

The ground in front of Luo Jingchen and Feng Datong exploded, and a figure appeared in front of them. It was as if an immortal had descended to the world, and he appeared extraordinarily domineering!

“Deputy Pavilion Master Yang!”

Luo Jingchen and Feng Datong exclaimed in surprise.

“Deputy Pavilion Master Yang, are you alright?”

Luo Jingchen asked.

Yang Luo nodded and cupped his hands, “Elder Luo, Elder Feng, thank you!”

Feng Datong waved his hand and said, “Deputy Pavilion Master Yang, we didn’t help much. The one who really helped was Pavilion Master Mo!

Luo Jingchen also hurriedly said, “Deputy Pavilion Master Yang, hurry up and help Pavilion Master Mo. He’s also in a very dangerous situation now!” “Alright!”

Yang Luo nodded. Then, his figure flashed and he charged towards the battlefield where Mo Qingkuang was in the distance!

Yang Luo arrived almost instantly from 800 meters away!

“All of you, die!”

Yang Luo leaped up and threw a punch at the four Divine Ninjas, five elders, and 20 Protectors surrounding Mo Qingkuang!

A huge golden fist smashed over like a meteorite, incomparably domineering!

“Retreat!”

Koga Chiryu’s expression changed drastically. He shouted and quickly retreated!

Ito Taikawa, Wind Demon Kamon, Black Feather Ryukiba, and the two elders also retreated at the same time!

However, the other three elders and 20 Protectors could not retreat in time and were killed by a single punch!

After killing three elders and 20 Protectors...

Yang Luo landed steadily beside Mo Qingkuang!

“Brother Yang, you actually recovered so quickly?”

Mo Qingkuang was surprised and delighted.

“I don’t know what’s going on either, but I’ve indeed recovered!”

Yang Luo replied and asked, “Brother Mo, how are you?” Mo Qingkuang replied, “I’m slightly injured. It’s nothing serious!”

“Very good!”

Yang Luo nodded and said loudly, “Brother Mo, let us brothers join forces and kill these so-called Divine Ninjas together!”

“Hahaha, that’s exactly what I’m thinking!”

Mo Qingkuang laughed and replied.

“What’s wrong with this kid? Why is he recovering so quickly?!” “Damn it, this kid’s combat strength is so terrifying. Now that he has recovered, what should we do?!”

“Apart from this kid, the strength of that kid in black Tang suit is also unfathomable!”

“Now that these two brats have joined forces, we’re really in danger!

Koga Chiryu, Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba roared, their eyes filled with fear.

The remaining two elders trembled and their faces turned pale.

Each of these two boys was far stronger than them.

” I have no choice but to fight them all the way!”

Koga Chiryu roared and mobilized the True Qi in his body to the limit. He charged forward angrily!

Ito Taikawa, Wind Demon Kamon, Black Feather Ryukiba, and the remaining two elders also charged forward!

Yang Luo and Mo Qingkuang moved at the same time and charged forward! Yang Luo took on Koga Chiryu, Ito Taikawa, and an elder!

Mo Qingkuang fought against the Wind Demon Kamon, the Black Feather Ryukiba, and another elder!

In the end, the final battle unfolded!

Chapter 719: Slaying a God with a Single Sword Strike!

At this moment.

In the ruins.

Two Divine Ninjas, Koga Chiryu, Ito Taikawa, and an elder, Koga Tenniji, surrounded Yang Luo in the middle.

Yang Luo stood proudly in the middle and glanced at the three of them indifferently, “Previously, even with so many of you working together, you couldn’t kill me. Now, can the three of you kill me?”

Koga Chiryu roared fiercely, “Kid, although I don’t know what method you used to recover your injuries and strength!

However, I don’t believe that you’ve really recovered to your previous peak state!”

“I don’t believe it either!”

Ito Taikawa glared at Yang Luo and said fiercely, “You were clearly half-dead just now. It’s impossible for you to recover in such a short period of time!” “Kid, I think you’re just overdrawing your life!”

Koga Tenniji said in a loud voice.

“Is that so?”

Yang Luo smiled coldly and said, “Then let’s give it a try and see if I’ve recovered!”

“Don’t hold back. Kill this little bastard!”

Koga Chiryu roared and mobilized his True Qi to the limit. Then, he suddenly waved the Sun and Moon Divine Staff in his hand!

“Profound Meaning, Tenshou Divine Fire!”

“Profound Meaning, Ten Thousand Miles Ice Seal!”

A portion of the Sun and Moon Divine Staff’s power had been unsealed by him!

Of course, with his current cultivation and strength, he could only unseal a portion of his strength!

And in that instant!

The flames in the sky surged and turned into a monstrous sea of fire that surged towards Yang Luo!

The ground and the surrounding space were frozen, and bone-piercing ice spread towards Yang Luo!

Ito Taikawa threw the sealing scroll in his hand into the sky and let out a roar!

“Sealing Scroll, Unseal! Divine Beasts!”

“Jia Zuo, Qiu Wei, Xiong Bo!”

A portion of the sealing scroll’s ultimate power had also been unsealed by him!

“Roar, roar, roar!”

Accompanied by roars!

The illusion of three huge creatures rushed out of the sealing scroll and pounced at Yang Luo!

One had to know that other than sealing a trace of the remnant soul of the demons and ghosts in the legends of Country Sakura, there were also remnant souls of divine beasts and divine beings sealed in the seal scroll!

However, it was impossible for ordinary people to unseal them all!

“Fire Style, Fire Burning the Heavens and Earth!”

“Thunder Style, Myriad Thunder Breaks the Sky!”

“Wood Style, Giant Tree Divine General!”

Koga Tenniji let out a roar and used the third levels of ninjutsu!

Fire waves surged up!

Thousands of lightning tore through the air and struck down heavily!

The Giant Tree Divine General charged forward!

Facing the three people's ferocious attacks!

Yang Luo was still calm and composed. His expression was indifferent!

His entire body only vibrated as he let out explosive roars!

“Nine Heavens, Dragon's Fury!”

“Burning Eight Desolates!”

“Thunderous Nine Heavens!”

Nine golden dragon phantoms roared out of his body!

Surging true fire and Yang lightning surged out of his body!

Boom! Boom!

Rumble!

A series of earth-shattering collisions and explosions that resounded in all directions exploded under the night sky!

All kinds of lights flickered and all kinds of energy surged!

The ground tore apart and collapsed continuously. The battlefield where Yang Luo was expanded!

More and more houses collapsed and turned into ruins!

Koga Chiryu, Ito Taikawa, and Koga Tenniji originally thought that Yang Luo was no longer in his peak state!

However, after exchanging blows, they realized that it was different from what they thought!

Not only had Yang Luo recovered to his peak state, but he had even surpassed his previous peak state!

This shocked them greatly!

If Yang Luo's cultivation had broken through, they could still understand!

But the key was that Yang Luo's cultivation level had not broken through!

Since his cultivation had not broken through, did that mean that he had surpassed his peak?!

What the hell was going on?!

What secrets was this kid hiding?!

Just as the three of them were in shock...

Rumble!

Accompanied by a shocking explosion!

Koga Chiryu, Ito Taikawa, and Koga Tenniji were sent flying!

When they were sent flying, the three of them spat out a large mouthful of blood and were severely injured!

After Koga Chiryu and the other two stabilized their bodies, they did not dare to hesitate and continued to attack!

“Spirit Communication Technique!”

“Nine-Tailed Fox!”

“Eight-Armed Giant Demon!”

“Yamata no Orochi!”

Koga Chiryu roared and instantly used his ninjutsu!

A huge nine-tailed fox, a giant demon with eight arms, and a giant snake with eight heads and eight tails condensed into form!

Although these three behemoths were only illusions, they were extremely condensed. They were like real nine-tailed foxes, eight-armed giant demons, and eight-headed snakes that had descended into the world as they charged at Yang Luo!

“Sealing Scroll, Unseal! Divine Beasts!”

“Jia Zuo, Qiu Wei, Xiong Bo, Tengjian, Ling Zhu, Bo Qi!”

On the other hand, Ito Taikawa had unsealed six mythical beasts at once!

That was the most he could unseal at once!

Six incomparably huge divine beast illusions rushed out of the seal scroll and pounced crazily at Yang Luo!

“Wind Style, Rain Style, Fire Style, Lightning Style, Wood Style!”

“Wind, rain, fire, lightning, wood, all must be killed!”

Koga Tenniji also used five levels of ninjutsu at the same time and attacked Yang Luo fiercely!

At this moment...

Koga Chiryu and the other two used their strongest killing moves at the same time, erupting with extremely terrifying lethality, destructive power, and destructive power, as if they wanted to completely kill Yang Luo!

On the other hand, Yang Luo stood in front of the three of them like a divine monument. He clenched one hand into a fist and transformed the other into a palm as he punched out crazily!

Dragon Emperor Fist, Eight Trigrams Divine Dragon Palm!

Nine golden dragon phantoms roared out of his body!

True Fire and Yang Lightning also surged out of his body!

Nine Heavens Dragon's Fury, Burning Eight Desolates, and Thunderous Nine Heavens were used!

Boom! Boom!

Rumble!

Layers of attacks collided in the sky and erupted. It was terrifying!

“Arghhhh!”

Koga Tenniji couldn't take it anymore. He let out his last miserable scream and his body exploded!

Koga Chiryu and Ito Taikawa also spat out blood. The skin, muscles, and meridians on their bodies kept tearing apart, becoming more and more tragic!

But the two of them were still resisting!

Yang Luo raised his right hand and gathered his index and middle fingers, turning them into sword fingers. He slashed out angrily!

“This last strike will take your dog lives!”

Not only did this strike contain supreme sword qi and sword might, but it also contained the power of true fire and Yang lightning!

Therefore, this sword was extremely powerful and terrifying. Its destructive power had also reached the limit!

Swoosh!

The sword tore through the night sky and cut through the clouds. It also broke through all the attacks of Koga Chiryu and Ito Taikawa!

The next second!

Rumble...

This sword slashed heavily on the ground!

A 200-meter-long ravine was split open in the ground!

The houses on both sides of the ravine collapsed and shattered into pieces!

Koga Chiryu and Ito Taikawa stood rooted to the ground in a daze. Their eyes were wide open and filled with extreme fear!

A few seconds later.

Koga Chiryu and Ito Taikawa's bodies were split into two at the same time and they fell heavily into a pool of blood...

Chapter 720: Ultimate Profound Meaning!

At this point!

The famous Divine Ninjas of Country Sakura!

The Divine Ninja of the Koga Ninja Sect, Koga Chiryu, had died!

The Divine Ninja of Ito Ninja Sect, Ito Taikawa, had died!

At this moment...

The entire Koga Village seemed to have fallen silent, and the air seemed to have frozen!

All the ninjas looked at Koga Chiryu and Ito Taikawa, who did not even have a complete body on the ground, in a daze. Their faces were filled with extreme grief!

“Air... Lord Chiryu is dead... Lord Taikawa is dead!”

“The two deities are dead... They’re both dead!”

“Is there no one who can kill this kid?!”

All the ninjas were crying and roaring.

One had to know that Koga Chiryu and Ito Taikawa were Divine Ninjas. They were gods in their hearts and their faith!

However, they did not expect the god in their hearts to be killed by a young kid with a single strike!

Their faith had completely collapsed!

“Hahaha, Brother Yang, well done. You’re simply too domineering and cool!”

“Brother Yang, you’re my role model. I’ll always be proud of you!”

“Brother Yang, thank you for helping me take revenge. Thankyou, Brother

Yang!”

“Brother Yang, you’re amazing. I love you to death!”

Bujie, Xu Ying, Prajna, Lan Xiaomeng, and the others all shouted in surprise.

They looked at Yang Luo with fanatical admiration.

Yang Luo walked forward and picked up the spatial necklace, Sun and Moon

Divine Staff, and seal scroll that Koga Chiryu and Ito Taikawa had snatched away!

He turned to look at Prajna and shouted, “Prajna, this is your Chiyuki family’s divine artifact. Catch!”

As he spoke, Yang Luo directly threw out the spatial necklace, the Sun and

Moon Divine Staff, and the sealing scroll!

Prajna leaped high and caught them all!

Then, she put the spatial necklace on her neck and threw the pair of kunai in her hand into the spatial necklace.

Although this pair of kunai were not divine artifacts, they had accompanied her for many years. Naturally, she wanted to keep them as a memento.

Seeing this, Yang Luo asked curiously, “Prajna, is this spatial necklace a storage Dharma artifact like a storage ring?”

“Yes, Brother Yang!”

Prajna nodded.

“I see.”

Yang Luo nodded in realization.

Then, Prajna held the Sun and Moon Divine Staff in her right hand and the sealing scroll on her left as she charged at the ninjas!

She kept waving the Sun and Moon Divine Staff in her hand and unsealed a portion of the sealing scroll’s power!

Ice and flames surged up and froze and burned the ninjas who were charging at her!

One by one, the illusions of demons and ghosts rushed out of the sealing scroll and pounced at the ninjas!

With the enhancement of the divine artifact, Prajna’s combat strength increased greatly!

After all, Prajna had seen her parents use these divine artifacts since she was young!

Moreover, her parents had treated these divine artifacts as toys for her to play with, so she naturally knew how to use them!

“Holy shit!”

The corner of Bujie’s mouth twitched, and he said, “Could it be that this is the so-called lack of strength and using divine artifacts to make up for it?”

Sister Prajna’s trip to Country Sakura was not a loss!

“Alright, stop blabbing. Continue fighting. The battle isn’t over yet!”

Xu Ying said loudly and continued to charge towards the ninjas!

“Alright!”

Bujie laughed loudly. With the Dragon-Mark Buddhist Staff in hand, he charged out together!

Yang Luo looked at the battlefield where Mo Qingkuang was in the distance. He was relieved to find that Mo Qingkuang was fine!

Then, he rushed to help Xu Ying and the others kill those ninjas!

At this moment.

On the distant battlefield.

Mo Qingkuang stood facing the Wind Demon Kamon and Black Feather Ryukiba.

As for the late-stage Martial King Realm elder, he had been killed by Mo Qingkuang just now.

“Huff... huff... huff...”

At this moment, Wind Demon Kamon and Black Feather Ryukiba were panting heavily. Their bodies were badly mangled and it was a tragic sight.

Although Mo Qingkuang was also injured, his injuries were much lighter than the two of them.

Wind Demon Kamon glared at Mo Qingkuang and asked sternly, “Who exactly are you?”

Black Feather Ryukiba also stared fiercely at Mo Qingkuang.

They were very puzzled. Who was this kid in front of them? Why was he so powerful?

Mo Qingkuang’s eyes were cold as he said loudly, “Old thieves like you are not worthy of knowing my name!”

“Little b*stard, I’ll kill you even if I have to die with you!”

“Little bastard, hand over your life!”

Wind Demon Kamon and Black Feather Ryukiba let out an explosive roar at the same time and threw out the shurikens and the Wind and Fire Kunais!

Whoosh! Whoosh! Whoosh! Whoosh!

The six shurikens turned into tens of thousands of swords and erupted with all kinds of attribute energy, shooting towards Mo Qingkuang!

The Wind and Fire Kunais transformed into a wind dragon and a fire dragon again and roared!

in the face of tens of thousands of Six Paths shurikens and the impact of the wind dragon and fire dragon!

Mo Qingkuang only trembled and shouted!

“Supreme Immortal Energy!”

In the next instant...

An extremely solid purple light barrier enveloped Mo Qingkuang!

Dong, dong, dong!

Boom! Boom! Boom!

The tens of thousands of Six Paths Shurikens, as well as the wind dragon and fire dragon, collided crazily with the purple light barrier, producing rumbling sounds!

All kinds of light and energy surged out from the collision and washed in all directions!

However, no matter how ferocious their attacks were, they still could not break through Mo Qingkuang’s defense!

“Continue attacking!”

Wind Demon Kamon roared and mobilized the True Qi in his body to the limit.

Then, he used his strongest ninjutsu and attacked!

“Reincarnation Technique – Ninja God: Wind Demon Kotaro!”

And in that instant!

An illusion of a huge ninja with a 50-meter-tall body and a ninja tanto appeared above him!

This ninja was the ancestor of the Wind Demon Ninja Sect. Like Hattori Hanzb, he was one of the ninja gods of Country Sakura!

“Fusion Technique, Ultimate Profound Meaning, Fusion!”

In the next instant...

Wind Demon Kotaro’s illusion directly fused with Wind Demon Kamon! “Reincarnation Technique, Buddhist Demon God, Thousand-Armed Asura!” Black Feather Ryukiba also circulated the True Qi in its body to the limit and used his strongest ninjutsu!

An illusion of a 50-meter-tall giant with thousands of arms and a ferocious face condensed!

“Fusion Technique, Ultimate Profound Meaning, Fusion!”

The Thousand-Armed Asura Illusion fused with Black Feather Ryukiba!

At this moment

wind Demon Kamon and Black Feather Ryukiba’s auras soared, and their combat strength increased by several times!

The two of them had ferocious expressions as they charged towards Mo Qingkuang crazily!

And the moment they got close...

Wind Demon Kamon suddenly brandished the ninja tanto in his hand!

The Wind Demon Master’s illusion that enveloped him also swung the ninja tanto in his hand heavily!

Meanwhile, the Black Feather Ryukiba transformed its hands into palms and struck out crazily!

The Thousand-Armed Asura that enveloped him slapped out thousands of black palms at the same time!

Boom! Boom!

Rumble!

The impact and explosion that shook the nine heavens seemed to have spread beyond the nine heavens!

A hundred-meter-long ravine was directly split open in the area where Mo Qingkuang was!

Thousands of huge pits were created by the huge palm. It was as terrifying as the surface of the moon!

Rubble and dust swept through the sky, enveloping the area!

But when the rocks and dust gradually dissipated...

Wind Demon Kamon and Black Feather Ryukiba looked up and realized that Mo Qingkuang had already disappeared!
