Chapter 751: Can You Treat It?

Bujie grinned and said, “Sister Wanqiu is indeed a goddess. You’re getting more and more beautiful!”

Su Wanqiu chuckled, “You’re such a sweet talker.”

“Brother Bujie has spoken the truth this time. Sister Wanqiu is really getting more and more charming!”

Prajna added with a smile.

“Alright, alright, stop praising me.”

Su Wanqiu smiled and waved her hand, “I’ve already booked a restaurant. Let’s go eat first.”

“Good!”

Yang Luo and the other three nodded.

Then, Yang Luo and the rest followed Su Wanqiu into an extended Bentley Mulsanne and left the airport.

On the way to the city...

Yang Luo asked, “Sister Wanqiu, how have you been recently? Did the Ning family bully you?”

“I’m doing well. The Ning family didn’t bully me either.”

Su Wanqiu shook her head and said, “What about you guys? How have you been recently?”

Bujie smacked his lips and replied, “Sister Wanqiu, you don’t know. During this period of time, we’ve been coming and going in the wind and fire. The sky and earth have darkened, and we’ve narrowly escaped death. We’ve turned Country Sakura upside down...”

“Cough cough!”

Yang Luo coughed lightly.

Why did this guy seem like he didn’t know what to say?

Xu Ying and Prajna also looked at Bujie coldly.

Bujie immediately felt the hairs on his body stand on end and hurriedly shut his mouth.

Su Wanqiu looked puzzled, “What do you mean by turning Country Sakura upside down? What have you been doing recently?”

Yang Luo smiled and said, “Sister Wanqiu, we just went to Country Sakura to play. Nothing much.”

Su Wanqiu narrowed her beautiful eyes and said, “Little Luo, are you sure you don’t want to tell me the truth?”

“Uhhh...”

Yang Luo smiled awkwardly and said, “Alright, let’s talk while eating later.”

After driving for more than 20 minutes, they arrived at a high-end restaurant called Tang People’s Pavilion in the city.

After walking into the restaurant, the attendant led Yang Luo and the others to a private room.

They ordered some dishes.

Then Su Wanqiu said, “Little Luo, can you tell me about it now?”

Yang Luo nodded and said, “Alright, Sister Wanqiu, I’ll tell you then.”

In the following period of time...

Yang Luo told Su Wanqiu what he had done in Country Sakura during this period of time.

After hearing Yang Luo’s words...

Su Wanqiu was stunned.

She looked at Yang Luo and the others in a daze. She took a deep breath and said, “It’s only been a short while since we last met, but you guys actually did such a big thing?!

Oh my god, I can’t imagine how you guys escaped!”

Yang Luo said, “In short, what happened is hard to explain in a few words. Fortunately, the brothers worked together and successfully escaped Country Sakura.”

Su Wanqiu sighed and said, “Little Luo, I know that you’re not an ordinary person. I’m very proud that you can work for the country.

However, I hope you can protect yourself. Nothing must happen to you.”

As she spoke, Su Wanqiu said to Xu Ying, Bujie, and Prajna, “And the three of you, you have to protect yourselves well.”

Yang Luo’s heart warmed. He nodded and said, “Sister Wanqiu, don’t worry. We’ll protect ourselves.”

Bujie grinned and said, “Sister Wanqiu, with Brother Yang around, no matter what danger we encounter, we can avert it!”

Su Wanqiu said, “No matter how powerful Little Luo is, there are still enemies that he can’t deal with.

Therefore, I hope that no matter what you do, you have to prioritize your own safety.”

” Sister W anqiu .don’t worry. We ‘ll be fine!”

Yang Luo replied and changed the topic, “Sister Wanqiu, bring me to see Auntie after dinner so that I can examine her and see if she can be treated.”

Su Wanqiu nodded vigorously, “Little Luo, I’ll leave it to you!”

Yang Luo nodded, “I’ll definitely do my best to treat Auntie!”

After lunch.

Yang Luo and the others took a car to a private hospital called Ren'an Hospital.

Su Wanqiu introduced, "This is a private hospital that the Ning family has invested in. It's considered one of the best private hospitals in Xiangjiang.

Whether it's the medical staff or the medical equipment, they are all top-notch."

"Oh..."

Yang Luo nodded and said, "Looks like the Ning family is quite rich."

Su Wanqiu said, "During the time I was here, I understood the situation. The Ning family is now one of the largest families in Xiangjiang. Their assets have reached hundreds of billions, and their power cannot be underestimated."

Yang Luo teased, "Sister Wanqiu, are you the legendary chosen one? Not only is your adoptive father so rich, but even your biological father is also so rich."

"Little Luo, how dare you joke with me!"

Su Wanqiu rolled her eyes at Yang Luo charmingly.

Yang Luo smiled and said, "Sister Wanqiu, I just hope you can relax. I'll definitely be able to treat Auntie!"

Su Wanqiu nodded and said, "Yes, I believe you!"

Very quickly...

Yang Luo and the others walked into the hospital and arrived at the entrance of a special care unit.

There were four bodyguards in black guarding the door.

"Hello, Miss Su!"

The four bodyguards greeted Su Wanqiu respectfully.

Su Wanqiu nodded and prepared to enter the ward with Yang Luo and the rest.

However, the four bodyguards stopped Yang Luo and the other three.

A bodyguard said solemnly, "Miss Su, you can go in, but these unrelated people can't go in!"

Bujie was instantly infuriated, "Hey, look at your temper. How did we become irrelevant people?"

Su Wanqiu said, "They are all my friends."

The bodyguard said awkwardly, "Well, you should tell Madam."

Su Wanqiu's expression turned cold, "Do I need to ask anyone for permission to bring my friend to see my mother?"

The bodyguards immediately stopped talking.

Su Wanqiu did not say anything else and brought Yang Luo and the rest into the ward.

After seeing Su Wanqiu and the rest enter the ward, a bodyguard took out his phone and made a call.

At this moment.

In the ward.

A middle-aged woman was lying on a hospital bed.

There were a few medical equipment beside the bed.

Although the woman was old, it was not difficult to tell from her eyebrows that she was a beauty when she was young.

Moreover, Su Wanqiu looked very similar to this woman. No one would suspect that Su Wanqiu was this woman's biological daughter.

Yang Luo looked at the name tag beside the bed and knew that this woman's name was Guan Zhiqing.

Upon seeing Guan Zhiqing, Su Wanqiu's eyes instantly turned red.

She sobbed softly, "I just want my mother to wake up and look at me, and for me to tell her I'm back."

Yang Luo patted the woman's shoulder gently and said, "Sister Wanqiu, don't be sad. I'll definitely treat Auntie."

As he spoke, Yang Luo walked to the bed and reached out to take Guan Zhiqing's pulse to check her body carefully.

After all, Guan Zhiqing had been unconscious for so long. Even with all kinds of instruments and medical personnel taking care of her, there would definitely be damage to various parts of her body.

He planned to give her a comprehensive checkup. While waking Guan Zhiqing up, he also wanted to treat all the hidden illnesses in her body.

Therefore, it took a lot of time to take his pulse this time.

After Yang Luo took her pulse...

Su Wanqiu quickly asked, "Little Luo, how is it? Can you treat her?"

Chapter 752: It's Not Ten Billion, It's Hundred Billion!

Yang Luo said, "The reason why Auntie has been unconscious is because of the serious damage to many nerves in her brain.

Moreover, because too much time had passed, the auntie's bodily functions had also severely decreased.

If she doesn't receive timely treatment, I'm afraid she won't live past this year..."

“What?!”

Su Wanqiu shuddered, “Is it that serious?!”

Yang Luo nodded and said, “I’m afraid it’s even more serious than I said.”

“Then... can you treat it?!”

Su Wanqiu asked in a trembling voice.

Yang Luo nodded and said, “Of course it can be treated. It’s just a little troublesome and will take some time.”

“It’s good as long as it can be treated!”

Su Wanqiu took a few deep breaths and said, “Little Luo, I’ll have to trouble you then. Please treat my mother!”

“Alright, I’ll start the treatment now.”

Yang Luo nodded. Then, he took out a box of silver needles and prepared to perform the acupuncture.

But right at this moment...

Bang!

The door of the ward was pushed open forcefully!

A figure rushed in and knocked away the silver needle box in Yang Luo’s hand!

With a loud ‘clack’ sound!

The silver needle box fell to the ground, and the silver needles immediately scattered all over the ground!

Yang Luo’s expression darkened as he looked up at that figure.

The person who ran in was a woman in a long black Chanel dress. She had a beautiful figure and wore heavy makeup. She had a pair of peach blossom eyes.

This woman had taken good care of herself, so it was impossible to tell her exact age.

After the woman entered, she shouted at Su Wanqiu, “What treatment?”

Wanqiu, what are you doing? How can you joke about Sister Guan’s life?!

As she spoke, the woman turned to look at Yang Luo and said sarcastically, “Where did you come from? You look young, but you’re quite bold. You actually dare to blindly treat a patient!

If there’s a problem with the treatment, can you bear the responsibility?”

Seeing that this woman had started to make a scene the moment she entered....

Bujie was instantly displeased, “Sister Wanqiu, who is this lunatic?”

Su Wanqiu replied, “She’s my father’s mistress, Chen Jiali.”

Bujie sneered and said, “Since when did a mistress become so awesome? She actually dares to shout in front of the mistress’ daughter?”

Chen Jiali said angrily, “Stupid monk, who do you think you are? How dare you speak to me like this?!”

‘I’m the wife of the Ning family in Xiangjiang City!’

Do you believe me when I say that I won’t let you see the sun tomorrow?!”

Bujie was so angry that he laughed, “Come, come, come. I want to see how you’ll make me unable to see the sun tomorrow!”

Chen Jiali shouted outside, “Someone, chase these people out!”

A few bodyguards immediately rushed in and prepared to attack.

“Enough!”

Su Wanqiu shouted.

She turned to look at Chen Jiali and said in a deep voice, “Aunt Chen, these four are my friends. What are you doing?”

Chen Jiali said, “So what if they’re friends? Do you think they can mess around just because they’re your friends?”

“What are you arguing about?”

At this moment, a middle-aged man in a gray suit walked in. It was Ning Hansheng.

When she saw Ning Hansheng enter...

Chen Jiali’s sarcastic image changed.

She hurriedly ran up and hugged Ning Hansheng’s arm. She cried, “Darling, your daughter and this guy joined forces to bully me. You have to stand up for me!”

Hearing Chen Jiali’s cries...

Yang Luo, Xu Ying, Bujie, and Prajna’s expressions immediately turned cold.

They did not expect this woman to be so scheming and directly play the blame game.

Su Wanqiu was so angry that her entire body was trembling and her eyes were red.

At this moment, Ning Hansheng also saw Yang Luo.

He was stunned and asked in surprise, “Mr. Yang, why are you here?”

Yang Luo suppressed the anger in his heart and replied, “Sister Wanqiu asked me to treat Auntie Guan.”

Ning Hansheng’s tone softened, “Mr. Yang, I’m very grateful to you for reuniting me with Wanqiu.

However, how can we mess around with treating illnesses and saving people?

Yang Luo shook his head and said, "I'm not messing around. I can treat Auntie Guan and wake her up."

Su Wanqiu also said, "Dad, Little Luo's medical skills are really amazing. He has treated many patients."

Since Little Luo said that it can be treated, he will definitely be able to treat it."

"What nonsense!"

Chen Jiali jumped out again, "How does this kid look like a doctor?"

Even if he really knew some medical skills, it was impossible for him to treat a vegetable!

Our Ning family spent so much money and hired many famous Chinese and foreign doctors to treat Sister Guan, but they were helpless!

Moreover, being in a vegetative state is a problem that baffles the world. The chances of being cured are extremely low!

How could this kid, who had yet to grow his hair, be able to cure her?

I think he wants to use this method to cling to our Ning family so that he can cheat money from our Ning family!"

"Jiali, your words are a little too much!"

Ning Hansheng frowned and said, "Mr. Yang is the president of Jiang City's Stars Charity Fund. His net worth is more than a billion. Why would he need to come to cheat money?"

Previously, when he went to Yang Luo for help, he had checked on the Stars Charity Funds.

It did not matter if he did not do a background check, but the moment he checked, he was immediately shocked.

He did not expect a charity foundation to have investments of more than a billion yuan.

"All?"

Chen Jiali was shocked and said in disbelief, "This kid is worth a billion?!"

Su Wanqiu said coldly, "Little Luo's net worth is more than a billion yuan!"

"More than a billion?"

Chen Jiali sneered, "Is it then ten billion?"

Su Wanqiu said, "It's not 10 billion, but 100 billion!"

"He's the richest man in Jiang City, the richest man in Jiangnan. His assets exceed 200 billion!"

"Pfft..."

Upon hearing this, Chen Jiali laughed out loud, "Wanqiu, are you joking?"

If Hansheng hadn't said that this kid was worth more than a billion yuan, I wouldn't have believed him at all!

Unexpectedly, you actually said that he was worth more than 100 billion?

Could it be that he alone can compare to our entire Ning family?"

Su Wanqiu said, "I'm telling the truth."

By the side, Ning Hansheng couldn't stand it anymore.

He said awkwardly, "Wanqiu, I know you want to speak up for Mr. Yang, but there's no need to lie so much, right?"

Your father, I, have worked hard for so many years to reach my current net worth.

Mr. Yang is only in his early twenties now. His net worth of one billion had already surpassed countless people his age.

As for 100 billion yuan, that's impossible."

He could not be blamed for thinking this way. After all, he did not know Yang Luo in detail.

Su Wanqiu was about to speak...

Yang Luo beat them to it and said, "It's up to you to believe that I'm worth hundreds of billions.

Now, I only want to treat Auntie Guan. Don't talk about anything else.

Ning Hansheng sighed and said, "Mr. Yang, I know you mean well, but you can't treat a vegetative person randomly.

If anything goes wrong, it might take your Auntie Guan's life.

Yang Luo said, "Mr. Ning, I said that I can treat her."

If not for Sister Wanqiu, he would have left long ago with Ning Hansheng and Chen Jiali's attitudes.

However, Guan Zhiqing was Sister Wanqiu's biological mother after all. He hoped that Sister Wanqiu could reunite with Guan Zhiqing.

Therefore, no matter what, he had to cure Guan Zhiqing.

Chapter 753: What a Magical Drama!

Chen Jiali pointed at Yang Luo's nose and shouted, "Kid, if not for the fact that you helped Hansheng find his biological daughter, I would have chased you out long ago!

Don't think that you're so great just because you're worth a billion. In front of our Ning family, you're nothing!

"Also, I already said that you can't treat her. Don't be so shameless!"

Hearing Chen Jiali's words, Yang Luo narrowed his eyes.

He met Chen Jiali's gaze and said, "Miss Chen, why do I feel that you don't want me to treat Auntie Guan?"

Hearing Yang Luo's words, Chen Jiali's eyes flickered, but she quickly regained her composure.

She said angrily, "Kid, what nonsense are you talking about? How can I not want to treat Sister Guan!

If you're a famous doctor in Country Hua, I'll naturally let you try to treat her!

But are you a famous doctor?

Not at all!

Since that's not the case, how are you going to treat her?"

At this moment, Ning Hansheng was also a little unhappy, "Mr. Yang, if you come to my Ning family as a guest, I'll naturally welcome you.

However, don't mention the treatment again.

I will continue to seek out famous doctors to treat Zhiqing."

Su Wanqiu panicked, "Dad, please believe in Little Luo. He really has a way to cure Mother!"

Ning Hansheng said in a deep voice, "Wanqiu, I said don't mention the treatment anymore!"

With that, Ning Hansheng strode out of the ward.

Chen Jiali pointed at the door, "Aren't you guys going out? Do you really want me to chase you out?"

"Sister Wanqiu, let's go first."

Yang Luo didn't waste any more time with this woman. He brought Xu Ying, Bujie, and Prajna out.

Su Wanqiu followed him out.

After Chen Jiali came out, she instructed the bodyguards, "Watch carefully. No outsiders can enter!"

"Yes, Madam!"

The bodyguards nodded in agreement.

Then, Chen Jiali left in her high heels.

"Pfft, what the hell is this!"

Bujie spat at her.

"Scheming bitch!"

Prajna added.

Yang Luo said, "Let's go. Let's talk outside."

Then, Yang Luo and the others walked out of the hospital.

The moment they arrived at the entrance of the hospital....

Su Wanqiu sniffed and said, "Little Luo, I'm sorry for making you suffer."

How is this making us suffer? The one who's really suffering is you, Sister Wanqiu, right?"

Yang Luo shook his head and sighed, "Sister Wanqiu, if you're unhappy here, go back to Jiang City. Old Master Su and Qingmei are waiting for you."

Su Wanqiu said, "I will go back, but not now.

If possible, I want to bring my mother back to Jiang City.

But now that Aunt Chen is being watched so closely, what should we do?"

Yang Luo said, "Sister Wanqiu, don't worry. I'll treat Auntie Guan."

Su Wanqiu asked, "Little Luo, what do you plan to do?"

"That's a secret for now."

Yang Luo replied, "Anyway, I'll let you reunite with Auntie Guan tomorrow."

"I believe you!"

Su Wanqiu nodded.

Yang Luo casually asked, "Sister Wanqiu, what's the situation with Chen Jiali?"

Su Wanqiu said, "This Chen Jiali was originally my father's secretary. Back then, my mother was in a car accident and fell into a vegetative state. My father drank alcohol every day to drown his sorrows and was in great pain.

During that period of time, Chen Jiali took good care of my father, so my father developed feelings for her. A few years later, he married Chen Jiali.

Chen Jiali also gave birth to two sons for my father. This made my father treat her even better. He gave her whatever she wanted."

"Secretary?"

Bujie pursed his lips and said, "This woman is indeed very capable!"

"Alright, let's not talk about this anymore."

Su Wanqiu shook her head and said, "Little Luo, this should be your first time in Xiangjiang, right? Why don't I show you around?"

"Alright!"

Yang Luo nodded in agreement.

Then, Su Wanqiu left the hospital with Yang Luo and the rest and played in Xiangjiang for half a day.

After dinner that night.

Su Wanqiu wanted to bring Yang Luo and the rest to her place, but Yang Luo rejected her.

Hence, Su Wanqiu booked four luxurious suites for Yang Luo and the other three at the Langting Grand Hotel.

At the entrance of the hotel.

Yang Luo smiled and said, "Sister Wanqiu, rest well tonight. I'll send Auntie Guan to you tomorrow morning."

Su Wanqiu said half-jokingly, "If you can really let me see a healthy mother tomorrow, I'll be your woman!"

Bujie pretended to be heartbroken and said, "It's over, it's over. Sister Wanqiu has also fallen. My heart is broken!"

Su Wanqiu burst out laughing.

Yang Luo smiled and said, "Sister Wanqiu, I'll take it seriously."

Su Wanqiu smiled charmingly and said, "I mean what I say!"

By the side, Prajna shook her head helplessly.

It couldn't be helped. Brother Yang was so outstanding.

These goddesses would definitely pounce on Brother Yang one after another.

However, fortunately, she made her move early enough.

Even if she could not be the first wife in the future, she would not be the youngest wife.

After understanding this, she immediately felt much happier.

After exchanging greetings, Su Wanqiu left in a car.

After Su Wanqiu left...

Yang Luo brought Xu Ying and the other two into the hotel and gathered in a room.

"Brother Yang, you promised to send Auntie Guan to Sister Wanqiu tomorrow. Why aren't you taking action now?"

Bujie asked.

Yang Luo said, "I'll treat Auntie Guan tonight.

However, before the treatment, I'm going to investigate Chen Jiali."

"Alih?"

Bujie was stunned. "Brother Yang, why are you investigating this lunatic?"

F*ck, don't tell me you've fallen for this woman?"

Although this woman is indeed good-looking and has a good figure... Aiya!"

Before he could finish speaking, Yang Luo slapped his bald head.

Even if I'm lacking in women, I won't find such a woman, okay?"

Yang Luo glared at Bujie angrily and said, “The reason why I want to investigate this woman is because I think there’s something wrong with this woman.

She seems to be very against me treating Auntie Guan.”

Bujie pursed his lips and said, “This woman is just short-sighted. I think she just doesn’t believe in your medical skills.”

“Do you think that’s possible?”

The reason why this woman did not let Brother Yang treat Auntie Guan....

Is that she is worried Auntie Guan will fight with her for the position of Madam

Ning after she wakes up?”

Prajna analyzed.

Bujie stroked his chin and said, “Sister Prajna, the possibility you’re talking about is really quite high.”

“I think that’s the reason too.”

Xu Ying nodded and said.

Yang Luo narrowed his eyes and said, “I’m afraid that there’s another reason besides this.

Therefore, it’s better to investigate.”

As he spoke, Yang Luo took out his phone and logged into an internal website created by the Hidden Dragon Pavilion.

There was the contact information of the person-in-charge of the Hidden Dragon Pavilion’s intelligence team in every city.

After finding the contact number of the person in charge of Xiangjiang, Yang Luo made a call.

The phone rang for a while before it was picked up.

“Hello, Deputy Pavilion Master Yang. I’m Feng Hui, the team leader of the intelligence team’s Xiangjiang Branch. What can I do for you?”

A powerful voice sounded.

Yang Luo said, “Team Leader Feng, please investigate the information of Madam Chen Jiali of the Ning family in Xiangjiang. The more detailed, the better. The faster, the better!

After you find the information, send it to my email!”

“Yes!”

Feng Hui responded and hung up.

Yang Luo leaned against the sofa with his eyes closed. His right hand was on the armrest as he tapped gently.

Xu Ying, Bujie, and Prajna chatted casually.

As they chatted, another half an hour passed.

Ding!

Yang Luo's phone suddenly rang.

Xu Ying, Bujie, and Prajna looked over at the same time.

Yang Luo slowly opened his eyes and took out his phone. He took a look and saw that it was an email from Feng Hui.

Then, he opened the email and browsed through it.

After reading the information...

Yang Luo sighed, "What a magical drama..."

Chapter 754: Awake!

"A magical drama?!"

Bujie's interest was immediately piqued, "Brother Yang, quick, quick, quick, let me take a look!"

Yang Luo threw the phone to Bujie.

Bujie, Xu Ying, and Prajna gathered together and read the information.

Ten minutes later.

"F*ck! That works too?!"

Bujie could not help but exclaim.

Xu Ying also sighed, "The world is so big. There are all kinds of strange things!" Prajna said in a daze, "I originally thought that movies and television dramas were magical enough, but I didn't expect reality to be even more magical!" Bujie looked at Yang Luo excitedly and said, "Brother Yang, now we know such a huge secret!

Once it's exposed, the entire Ning family would fall out. Just thinking about it makes me happy!

Brother Yang, when do you plan to expose this secret?"

Prajna asked, "Brother Yang, should we tell Sister Wanqiu about this first?" Yang Luo thought for a moment and said, "Don't tell Sister Wanqiu for the time being. After Auntie Guan is cured, bring Auntie Guan to see Sister Wanqiu tomorrow to explain this matter."

"Alright!"

Bujie and the other two nodded.

"Let's go to the hospital!"

Yang Luo stood up and left the hotel with Bujie and the other two. He took a taxi and went straight to Ren'an Hospital.

On the way to Ren'an Hospital.

Yang Luo called the leader of the Xiangjiang Intelligence Team and asked him to send some people to Ren'an Hospital to help him deal with some matters.

After arriving at the hospital...

Yang Luo and the other three took the elevator to the fifth floor.

They saw that the four bodyguards were still guarding the door of the intensive care unit where Guan Zhiqing was.

Yang Luo waved his hand, "Knock them out!"

"Yes!"

Xu Ying, Bujie, and Prajna nodded in agreement. Then, their bodies flashed and they rushed forward.

Bang! Bang! Bang!

Accompanied by a series of dull sounds, the four bodyguards were quickly knocked unconscious.

At this moment...

Eight ordinary-looking men walked over.

"Hello, Deputy Pavilion Master Yang!"

After approaching, the eight of them bowed respectfully to Yang Luo.

These eight people were the members of the Hidden Dragon Pavilion's intelligence team in Xiangjiang.

A thin-faced man said, "The team leader asked us to come over and do something for you. May I ask what you need us to do?"

Yang Luo pointed at the four bodyguards on the ground and said, "Take these four guys away and take away everything on them. Then throw them as far away as possible!"

"Yes!"

The eight of them nodded in agreement, then picked up the four bodyguards and left in a hurry.

After the three of them left...

Yang Luo and the others walked into the ward and closed the door.

"Xu Ying, Bujie, Prajna, be careful not to let anyone in."

Yang Luo instructed.

"Good!"

Xu Ying and the other two nodded.

Then, Yang Luo walked to the bed, took out a silver needle box, and picked up a silver needle.

He mobilized the True Qi in his body and waved his right hand!

Swish!

The first silver needle emitted a dazzling golden light and whistled out, stably piercing an acupuncture point on Guan Zhiqing's head!

After the first needle was inserted!

Swoosh! Swoosh!

Yang Luo picked up two more silver needles and pierced them into the other two acupuncture points on Guan Zhiqing's head!

Buzz buzz buzz!

After the three silver needles landed, they trembled!

As the silver needles trembled, traces of True Qi flowed into Guan Zhiqing's brain, repairing the necrotic and blocked nerves and blood vessels!

After performing three acupuncture needles!

Without any hesitation, Yang Luo opened up both hands and stabbed the other silver needles into the other acupoints on Guan Zhiqing's body!

When the ninth needle landed!

Yang Luo stretched out his hands and placed them above Guan Zhiqing's head!

Then, he continuously mobilized his True Qi to help repair the necrotic and blocked nerves in Guan Zhiqing's brain!

At this moment...

Yang Luo had already activated his Heavenly Eye. His eyes emitted a dazzling golden light, and he could see every nerve and blood vessel in Guan Zhiqing's brain clearly. It was simply like a radar detector!

Half an hour later.

After seeing Guan Zhiqing's brain necrosis and blocked nerves and blood vessels completely repair and unblock, Yang Luo began to restore Guan Zhiqing's bodily functions!

Seconds ticked by.

Soon, a full hour passed.

Only then did the nine silver needles stop trembling.

Yang Luo stopped circulating his True Qi and retracted the nine silver needles. He let out a long breath.

“Brother Yang, is she cured?”

Prajna asked.

“There should be no problem.”

Yang Luo simply replied.

As the group waited there...

Guan Zhiqing, who was originally unconscious, slowly opened her eyes.

“She’s awake, she’s really awake!”

Prajna exclaimed excitedly.

Xu Ying and Bujie, who were guarding the door, also ran over.

After Guan Zhiqing woke up, she looked at Yang Luo and the others in a daze, “Who... are you? Where... am I?”

Yang Luo smiled and said, “Auntie Guan, we’re Sister Wanqiu’s friends.”

“That’s right. We’re all Sister Wanqiu’s friends!”

Bujie, Xu Ying, and Prajna also replied.

“Wanqiu...”

Guan Zhiqing murmured and her pupils constricted, “Are you talking about my daughter, Wanqiu?!”

“That’s right.”

Yang Luo nodded in reply.

“What... what’s going on?!”

Guan Zhiqing was even more confused.

Yang Luo said, “Auntie Guan, listen to me slowly...”

In the following period of time...

Yang Luo told Guan Zhiqing everything concisely.

It was only after hearing Yang Luo’s story that Guan Zhiqing understood what was going on.

She let out a long sigh and said, “I didn’t expect that I would be unconscious for so long. I didn’t expect that when I woke up, my daughter would also return to Xiangjiang...”

As she spoke, Guan Zhiqing’s eyes turned red and tears flowed down uncontrollably.

She quickly got off the bed and was about to kneel down in front of Yang Luo, “Little Luo, thank you. Thank you so much!

If you hadn’t cured me, I’m afraid I would never have woken up, let alone have the chance to see Wanqiu again!”

Yang Luo quickly helped Guan Zhiqing up and said, “Auntie Guan, Sister Wanqiu is a very good friend of ours. It’s only right for me to save you.”

Guan Zhiqing grabbed Yang Luo’s hand and sobbed, “Little Luo, where is Wanqiu now? Can I see her?”

Yang Luo said, “Auntie Guan, I’ll bring you to see Sister Wanqiu tomorrow.

However, I have something more important to tell you now.”

“What is it regarding?”

Guan Zhiqing asked in confusion.

“It’s about Chen Jiali. Take a look at this.”

As he spoke, Yang Luo took out his cell phone, opened Chen Jiali’s information, and handed it to Guan Zhiqing.

Guan Zhiqing took the cell phone and read it.

Ten minutes later.

Guan Zhiqing took a deep breath and said coldly, “This woman is too scheming.

She should pay the price for this!”

Yang Luo asked, “Auntie Guan, what do you want to do?”

“I’ll go to the Ning family tomorrow and explain this matter!”

Guan Zhiqing replied and asked Yang Luo, “Little Luo, can you help Auntie?”

Yang Luo nodded repeatedly, “Yes, I have to help. No matter what you want me to do, I’ll do it!”

Guan Zhiqing patted Yang Luo’s hand and smiled gently, “Good child, thank you!”

Yang Luo said, “Auntie Guan, don’t thank me anymore. Let’s go. We’ll leave the hospital first!”

“Good!”

Guan Zhiqing nodded.

Then, Yang Luo and the others quietly left the hospital with Guan Zhiqing.

However, not long after Yang Luo and the others left...

A female nurse who was on ward rounds walked into the intensive care unit.

However, when the female nurse saw the empty bed, she was stunned for a moment. Then, she hurriedly ran out and exclaimed, “She’s gone! She’s gone!” After a while...

The entire ward was filled with medical staff. Even the Hospital Director Li Shanhe was present.

Chapter 755: We Must Find This Divine Doctor!

“Little Zhang, what’s going on? Where’s Madam Guan?”

Li Shanhe asked the nurse anxiously.

The female nurse shook her head and said, “Director Li, I don’t know what’s going on either.

When I came to check on the ward just now, I realized that Madam Guan wasn’t here.

Also, the four bodyguards guarding Madam Guan’s door are gone.”

“Could it be that the four bodyguards took Madam Guan away?”

“That’s not right. Even if they really wanted to take Madam Guan away, Mr. Ning would have told us!”

“Could it be that Madam Guan got up and ran away?”

“What a joke. Madam Guan doesn’t show any signs of waking up at all!”

The medical staff present argued one after another.

“Alright, stop arguing!”

Li Shanhe shouted, “Madam Guan’s disappearance is a big deal. If we can’t find Madam Guan, we’ll all have to scram!”

“So what do we do now?”

A doctor asked in a panic.

Li Shanhe said to a female nurse, “Hurry up and get the surveillance footage from the corridor for the past few hours!”

“Yes!”

The nurse nodded and quickly left.

Not long after...

The female nurse returned with a tablet in her hand.

“Director Li, here!”

She quickly handed the tablet to Li Shanhe.

Li Shanhe took the tablet and clicked on a video.

The other doctors also surrounded him.

Soon, they saw four mysterious people knock out the four bodyguards at the door.

Right on the heels of that, another eight mysterious people came and carried the four bodyguards away.

Li Shanhe said angrily, “What are you all doing? Didn’t you notice that someone caused such a huge commotion?”

Also, can’t the security officers in the surveillance room see what they are doing?”

The medical staff present were all trembling in fear.

The nurse who went to get the surveillance footage replied, “The two security officers on duty tonight were dozing off not long ago, so...”

“What a bunch of good-for-nothings!”

Li Shanhe cursed angrily and continued watching the video.

After that, they saw four mysterious people enter the ward.

After entering the ward, he only came out after more than an hour.

Moreover, when they came out, someone else was with them!

It was Guan Zhiqing!

In an instant...

The entire ward fell silent.

After a minute of silence, the entire ward became noisy.

“What’s going on?! Madam Guan woke up and can get out of bed and walk?!”

“Oh my god, am I seeing things?!”

“I shouldn’t be wrong. That person is Madam Guan!”

“Could those four mysterious people have cured Madam Guan?!”

“No way... He can even treat a vegetable... Moreover, she can get out of bed and walk in such a short period of time... His medical skills must be godly!”

The medical staff discussed animatedly, their faces filled with shock.

Li Shanhe also frowned. Clearly, he did not dare to believe it either.

However, the truth was right in front of him, so he had no choice but to believe it.

Someone had really cured Guan Zhiqing, curing a vegetable who had been in a coma for fifteen years!

At this moment, a female nurse said, “One of the four mysterious people just now looks familiar to me!

This afternoon, I passed by the ward and heard an argument inside, so I secretly watched for a while!

I heard that young man say that he could cure Madam Guan. At that time, Mr. Ning and Madam Chen didn’t believe him, and neither did I!

How could a vegetable who had been in a coma for 15 years be cured?!

If so many domestic and foreign experts could not treat it, it was even more impossible for this young man to be able to treat her!

Unexpectedly, Madam Guan was really cured and even ran away from the hospital!

This was simply a miracle!

“Little Zhao, which young man are you talking about?”

Li Shanhe hurriedly asked.

The female nurse pointed at Yang Luo in the video, "It's him. I saw it clearly. He said it!"

"Hiss..."

Li Shanhe gasped and muttered, "Could there really be such a powerful Divine Doctor in this world?!"

Such medical skills are simply heaven-defying. If we can invite him to our hospital as a doctor, our hospital will definitely become the number one hospital in Country Hua!

We can even compare to the top ten hospitals in the world!"

The medical staff present nodded in agreement with Li Shanhe.

Li Shanhe took a few deep breaths and instructed, "Hurry up and send someone to investigate where these four mysterious people took Madam Guan!

Also, we must find this Divine Doctor!"

"Yes!"

The medical staff present responded and left.

After the medical staff left...

Li Shanhe took out his cell phone and called Chen Jiali.

After all, Chen Jiali had told him before that no matter what problem Guan Zhiqing had, he would contact her immediately.

The phone rang for a while before it was picked up.

"Director Li, why are you calling me so late at night?"

Chen Jiali's voice sounded.

Li Shanhe braced himself and said, "Madam Chen, Madam Guan... is missing!"

"What?! Sister Guan is missing?! What's going on?!"

Chen Jiali raised her voice.

"Madam Chen, it's like this..."

Li Shanhe didn't dare to hide anything and told Chen Jiali what had happened.

The other end of the phone instantly fell silent.

A few minutes later...

Chen Jiali said in a deep voice, "Director Li, is what you said true?"

Has Madam Guan really been cured?

They were even taken away by the four guys during the day?"

Li Shanhe replied, "It should be..."

Chen Jiali roared angrily, “Our Ning family spent money to support you, and this is how you repay us. You didn’t even notice that she was taken away! A bunch of useless things!!!”

Li Shanhe wiped his cold sweat and said, “Madam Chen, I’ve already sent someone to look for him!”

“If you can’t find him, get lost!”

Chen Jiali roared and hung up.

Li Shanhe held the phone that had been hung up, his face filled with bitterness.

At this moment.

In the Ningfamily’s manor.

On the balcony on the third floor.

Chen Jiali, who was wearing a nightgown, looked gloomy.

Could that kid really have been a Divine Doctor?

Did he really cure Guan Zhiqing?

But how was this possible?

How could a vegetative person be cured?!

This was a fool’s errand!

However, no matter what, she had to find Guan Zhiqing first!

Otherwise, all her years of planning would be for naught!

At the thought of this, Chen Jiali took out her cell phone and made a few calls in a row. She arranged for someone to find Yang Luo and the others and Guan Zhiqing.

While the people in the hospital and Chen Jiali were looking for Yang Luo, the other three, and Guan Zhiqing...

On a main road in Xiangjiang.

An MPV was driving slowly.

The driver was a member of the Hidden Dragon Pavilion’s intelligence team in the Xiangjiang branch.

Yang Luo and the other three were sitting on it with Guan Zhiqing.

At this moment, Yang Luo suddenly said to the team member driving, “Brother, let’s not go to the Langting Grand Hotel. Let’s find a remote hotel!”

“Yes!”

The team member who was driving responded and turned the car around.

“Brother Yang, why did you suddenly change hotels?”

Bujie asked curiously.

Xu Ying and Prajna were also puzzled.

Yang Luo narrowed his eyes and said, “Although we’ve brought Auntie Guan out now, we’ll be discovered soon.

I’m afraid that the hospital staff and Chen Jiali are now looking for us all over the city.

Therefore, we have to change hotels. We have to delay it at least until tomorrow.”

“I see.”

Bujie grinned and gave him a thumbs up, “Brother Yang is always planning ahead.”

Chapter 756:1 Have Someone I Like!

The next morning.

In the Ning family’s manor.

At this moment.

The hall of the manor was filled with people.

In addition to Ning Hansheng and Chen Jiali, Ning Hansheng’s two sons, Ning Tianhao, Ning Tianyou, and the rest of the Ning family were also present.

Everyone was chatting with smiles on their faces.

Ning Hansheng’s younger brother, Ning Huaxing, said with a smile, “Brother, as long as we can have a marriage alliance with the Yuan family, the number one family in Ao City, our Ning family will rise to a higher level!”

Ning Hansheng’s second brother, Ning Yonghong, also smiled and said, “Sister-in-law is the one who pulled the strings for the Yuan family in Ao City. If our Ning family and the Yuan family can become in-laws, Sister-in-law will contribute greatly!”

“That’s right, that’s right. Sister-in-law is so far-sighted. As long as we can become in-laws with the Yuan family, no family in Xiangjiang will be able to shake our status!”

It’s our Ning family’s fortune to have a strong woman like Sister-in-law!”

“Sister-in-law, you have to help us in the future!”

Everyone in the Ning family was flattering Chen Jiali.

However, Chen Jiali was a little distracted.

Until now, no one had called her.

She wondered if the four guys and Guan Zhiqing had been found.

“Jiali, what are you thinking about?”

Ning Hansheng nudged her.

“Oh, no, nothing.”

Chen Jiali smiled and waved her hand, “Sigh, actually, I didn’t do anything. I just met Mrs. Yuan by chance.

As for whether today’s matter can succeed, it depends on whether Mrs. Yuan and the others are satisfied with Wanqiu.”

Ning Huaxing waved his hand and said, “Sigh, what’s there to be dissatisfied about?

I’ve seen that child Wanqiu before. Her figure and appearance are impeccable. “Moreover, Wanqiu’s temperament is also so good that there’s nothing to say. She’s much better than other rich young ladies.”

Ning Yonghong also chimed in, “That’s right, that’s right. The Yuan family of Ao City will definitely take a fancy to Wanqiu.”

Ning Hansheng sighed and said, “It depends on whether Wanqiu is willing or not. If Wanqiu is unwilling, we can’t force her.

After all, I owe Wanqiu enough.”

Chen Jiali immediately got displeased, “Hansheng, what are you saying?

Could it be that we’re harming Wanqiu by letting her marry into the Yuan family?

The Yuan family is the number one family in Ao City, and their assets are even above ours!

If Wanqiu can become a wife of the Yuan family, it would be a blessing that she had accumulated over several lifetimes!

Moreover, you’re Wanqiu’s father. You naturally have to decide her marriage!” Ning Yonghong also said, “Yeah, brother, we’re not letting Wanqiu marry someone randomly, but letting her marry the second young master of the Yuan family in Ao City. What’s wrong with that?”

Ning Hansheng said, “Let’s wait until Wanqiu sees the Second Young Master of the Yuan family.

If she takes a fancy to the Second Young Master of the Yuan family, there’s naturally nothing to say. Everyone will be happy.

However, if she don’t like him, we still have to respect the child’s opinion.”

Chen Jiali screamed, “No way. As long as the Yuan family’s Second Young Master takes a fancy to Wanqiu, she has to marry him!

This is crucial to our Ning family’s rise to the next level!

Don’t you want the family to become better and better?”

Ning Hansheng frowned and said, “Jiali, I naturally hope that our Ning family will get better and better, but I can’t sacrifice Wanqiu’s happiness, right?” “Why are you sacrificing Wanqiu’s happiness?”

Chen Jiali was even more displeased, “Did you treat Wanqiu badly by letting her marry the second young master of the Yuan family?

It took our Ning family so many years to rise to this level!

Could it be that you still want to see the day your family is suppressed by other families?”

Hearing this, Ning Hansheng fell silent.

At this moment...

Footsteps came from outside the door.

Su Wanqiu walked in.

The woman was wearing a plain white dress today. Her long hair was tied behind her head. Although she was dressed simply, she looked elegant and intellectual. She looked natural and unrestrained.

“Wanqiu is here!”

“Good morning, SisterWanqiu!”

“Wanqiu, you’re so beautiful today!”

Everyone from the Ning family greeted Su Wanqiu one after another with friendly smiles on their faces.

Su Wanqiu had a strange look on her face.

Ever since she came to the Ning family, the Ning family’s attitude towards her was indifferent and they even showed signs of rejecting her.

She also knew very well that the Ning family was definitely afraid that she would fight for the family assets.

If not for her mother, she would have returned to Jiang City long ago.

Su Wanqiu nodded at the Ning family in response.

Then, she looked at Ning Hansheng and asked, “Dad, why are you looking for me?”

Ning Hansheng raised his hand and said, “Wanqiu, sit first.”

Su Wanqiu did not think too much about it and sat down.

Ning Hansheng said, “Wanqiu, it’s like this. We’ve invited the Yuan couple and Second Young Master of Ao City to our house as guests.

Not only does the Second Young Master of the Yuan family look talented, he has also built his own business at a young age. His personal net worth is more than ten billion yuan.

Therefore, I want to introduce you to the Second Young Master of the Yuan family and get to know him...”

Su Wanqiu’s expression instantly turned cold, “So, you want me to marry into the Yuan family?”

“Uhhh...”

Ning Hansheng nodded with a dry smile.

Su Wanqiu shook her head and said, "A marriage alliance is impossible. I already have someone I like."

"You have someone you like?!"

Ning Hansheng was stunned, "Who is it?!"

"Yang Luo."

Su Wanqiu calmly spat out two words.

"What?!"

Ning Hansheng was shocked. Then, he frowned and said, "Isn't Mr. Yang already engaged to Miss Su Qingmei? How can you like him?!"

Isn't this nonsense!?"

Su Wanqiu said sarcastically, "Why can't I like him?"

Don't you have two women too?"

"This...!"

Ning Hansheng was speechless.

Chen Jiali took over and said earnestly, "Wanqiu, what's so good about that kid called Yang Luo?"

Isn't he just the president of a charitable foundation? Isn't he just a billionaire?"

How could he compare to the Second Young Master of the Yuan family?"

Moreover, that kid's character was also extremely bad. Just because he knew some medical skills, he bragged about all kinds of things. He even said that he could cure a vegetable. Isn't this a joke?"

Auntie is experienced, I know the importance of marriage to a woman.

If you choose the right person, your life will be very comfortable in the future.

If you choose the wrong person, your future will definitely be very miserable.

Therefore, listen to me. It's better to choose the Second Young Master of the

Yuan family."

Su Wanqiu said indifferently, "Aunt Chen, you're not my mother. What right do you have to make decisions for me?"

Initially, she respected Chen Jiali very much.

However, Chen Jiali had mocked Yang Luo yesterday, which made her no longer have a good impression of this woman.

Therefore, she did not have to give this woman any face.

"You..."

Chen Jiali's eyes turned red, "Hansheng, listen to this. Wanqiu said that I'm not her mother!"

Ning Hansheng said in a deep voice, “Wanqiu, although your Aunt Chen isn’t your biological mother, she’s still your stepmother. You have to respect her.”

Su Wanqiu said domineeringly, “I don’t acknowledge her as my mother, so she can’t point fingers at me!”

Chen Jiali directly cried, “Hansheng, I’m doing this for her own good, but she doesn’t appreciate it at all!

I’ve been busy working for your Ning family and running around tirelessly, but now your daughter is bullying me like this!”

Chapter 757: It’s Over Before It Even Started?

“Wanqiu, this is your fault. Your Aunt Chen is also your mother. You can’t treat her like this!”

“That’s right, Wanqiu. Your Aunt Chen is doing this for your own good. You have to understand her good intentions!”

The other members of the Ning family also started to speak up for Chen Jiali. Su Wanqiu did not want to say anything more to this group of people. Instead, she said to Ning Hansheng, “Dad, do you have anything else? If not, I’ll leave.” Ning Hansheng said, “Wanqiu, we’ve already made an appointment with the

Yuan family. Can you meet the Second Young Master of the Yuan family before deciding?

If you really don’t like the Second Young Master of the Yuan family, I won’t force you. How about that?”

Su Wanqiu sighed and nodded, “Alright, I’ll meet with him.

After all, she was a mature woman. Although she had her own temper, she would still pay attention in certain occasions.

After waiting a little longer...

The sound of a car came from outside.

“They’re here, they’re here! The Yuan family is here!”

Let’s go, let’s go and welcome them!”

Chen Jiali hurriedly stood up and walked out.

Ning Hansheng, Su Wanqiu, and the others followed.

When they arrived at the door...

They saw a line of Rolls-Royce cars driving over.

Not long after...

The convoy stopped at the entrance.

A well-dressed, elegant middle-aged couple got out of the car.

The middle-aged man was the current head of the Yuan family in Ao City, Yuan Hengyun.

The middle-aged woman was Yuan Daheng's wife, Wu Huimin.

Right on the heels of that, a tall young man in a black casual shirt got out of the car with a yawn.

This young man was Yuan Hengyun's second son, Yuan Shaojie.

“Welcome to our Ning family, Mr. and Mrs. Yuan!”

Chen Jiali welcomed them warmly.

“Hello, Brother Yuan!”

Ning Hansheng shook hands with Yuan Hengyun.

Yuan Hengyun chuckled and said, “Brother Ning, perhaps after today, we will be in-laws.”

Ning Hansheng smiled and said, “If we can really become in-laws, that would be great.”

After exchanging a few pleasantries, they walked into the manor's hall.

After everyone sat down.

Yuan Hengyun turned to Yuan Shaojie, “Shaojie, greet everyone.”

Yuan Shaojie crossed his legs and said casually, “Hello, I'm Yuan Shaojie.”

Chen Jiali praised with a smile, “Second Young Master Yuan is indeed talented.

He's gentle, elegant, dignified, and appropriate.”

Yuan Shaojie sneered and said, “Woman, it's true that I'm good-looking. However, how can you tell that I'm gentle, refined, dignified, and appropriate?”

If you don't know how to praise people, don't praise them, okay? This will only make you look hypocritical!”

Hearing this...

Chen Jiali's face instantly turned red.

The other members of the Ning family were also a little embarrassed.

Yuan Hengyun scolded angrily, “Shaojie, what are you saying? Hurry up and apologize to your Aunt Chen!”

Ning Hansheng quickly tried to smooth things over, “Brother Yuan, it's a good thing for young people to have some personality. Forget it, forget it.”

“Hmph!”

Yuan Hengyun snorted coldly and said, “I've spoiled this kid!

Ning Hansheng hurriedly said, “Wanqiu, quickly greet Uncle Yuan and the others.”

Su Wanqiu greeted them elegantly, "Uncle Yuan, Aunt Wu, Second Young Master Yuan, hello. I'm Su Wanqiu."

Yuan Yunheng sized up Su Wanqiu and asked, "Brother Ning, is this your long-lost daughter?"

Wu Huimin and Yuan Shaojie also looked over.

"That's right."

Ning Hansheng nodded.

Yuan Yunheng clicked his tongue and praised, "This child's appearance is already perfect enough, and her temperament is even better. I'm very satisfied!"

"Yes, I'm also very satisfied. If this child can be my daughter-in-law, she will definitely make others envious!"

Wu Huimin also smiled and said. The more she looked at Su Wanqiu, the more she liked her.

Yuan Shaojie also sized up Su Wanqiu. He curled his lips and said, "You're the best-looking and elegant one among my blind dates.

Unfortunately, I already have someone I like."

"Is that so?"

Su Wanqiu smiled faintly and said, "Then I'm the same as you. I have someone I like too."

"Then that's for the best!"

Yuan Shaojie was instantly delighted, "Miss Su, although it's impossible for me to marry you, we can still be friends!

In the entire Ning family, you're the only one who looks pleasing to the eye to me!"

Su Wanqiu smiled and said, "Second Young Master Yuan doesn't have the arrogance of an ordinary young master from a wealthy family. Moreover, he doesn't care about trifles. It's not bad to be friends."

Yuan Shaojie glanced at Chen Jiali and said, "Listen to what it means to praise someone!"

Chen Jiali was so angry that her chest heaved up and down, but she tried her best to suppress her anger.

The Yuan family was the number one family in Ao City, even more powerful than the Ning family. She did not dare to offend them.

However, when the people from the Ning and Yuan families heard their conversation, they were instantly dumbfounded.

What was going on?

The blind date had just begun. Why was it already over?

Yuan Hengyun said in a deep voice, "Shaojie, I won't agree to you being with that girl!"

In short, your Mom and I are very satisfied with Wanqiu. Your marriage is set!’ Wu Huimin said, “Shaojie, you should forget about that girl. Wanqiu is more suitable for you.

I think you can spend time together first. What if you develop feelings for each other?”

Ning Hansheng also said to Su Wanqiu, “Wanqiu, I think Second Young Master Yuan is not bad either. Why don’t you guys hang out first?”

“Noway!”

Su Wanqiu and Yuan Shaojie spoke at the same time.

Yuan Shaojie said, “Dad, Mom, I won’t give up on Xiaotong. I won’t marry anyone but Xiaotong in my life!

As for Miss Su, I admire her very much. I can be friends with her, but I definitely can’t get married!

Miss Su and I already have someone we like. Are you going to break up both of our happiness for a little benefit?”

Upon hearing Yuan Shaojie’s words, Su Wanqiu’s eyes were filled with admiration.

Initially, she thought that Yuan Shaojie was a profligate son. Unexpectedly, Yuan Shaojie had his own personality and thoughts.

Su Wanqiu also said, “I have the same thoughts as Second Young Master Yuan. We can be friends, but we can’t get married.”

The entire hall instantly fell silent!

There was an awkward silence on both sides. They did not know what to say.

But at this moment...

A voice came from outside.

“Yo, everyone is here. Since all are present, today’s matter will be easy to handle!”

Upon hearing this voice...

Everyone in the hall turned to look.

Everyone looked on as four young people walked in. They were Yang Luo, Xu Ying, Bujie, and Prajna.

“Little Luo!”

When she saw Yang Luo, Su Wanqiu was instantly delighted. She quickly got up and ran over.

“Little Luo, why are you here?”

Su Wanqiu asked in confusion.

As for Chen Jiali, she shivered and felt even more uneasy.

Yang Luo smiled and said, “Sister Wanqiu, didn’t I promise you yesterday that I would send Auntie Guan to you today? I naturally have to keep my word!”

As soon as these words were spoken...

Everyone present looked at each other.

What do you mean?

Send Guan Zhiqing to Su Wanqiu?

Wasn't Guan Zhiqing in a vegetative state? She had been in a coma for 15 years. How could she have come?

Chapter 758: Mother and Daughter Reunion!

Chen Jiali sneered, "Kid, are you joking? You even sent Sister Guan to Wanqiu. Do you think you're a god?"

Sister Guan is already in a vegetative state. How can she come?

Until now, she still did not believe that Yang Luo had really cured Guan Zhiqing.

She felt that Director Li and the others must have made a mistake.

Countless experts said that unless a miracle happened, Guan Zhiqing would never wake up for the rest of her life.

Ning Hansheng also frowned and said, "Mr. Yang, don't joke too much!"

Yang Luo only sighed and looked at Ning Hansheng with pity.

It was the same for Xu Ying, Bujie, and Prajna.

Ning Hansheng was very puzzled. Why were these four guys looking at him strangely? They seemed to have a trace of sympathy?

Su Wanqiu said excitedly, "Little Luo, is what you said true?!"

"You really cured my mother?!"

"Of course."

Yang Luo smiled and nodded. Then, he shouted towards the door, "Auntie Guan, come in!"

For a moment...

Everyone looked out the door.

They watched as a figure slowly walked in from outside.

The moment they saw this figure!

Everyone in the hall was dumbfounded!

The person who walked in was Guan Zhiqing!

"Oh my god, this can't be true, right? Sister-in-law has really awoken?!"

"Not only is my Sister-in-law awake, but she also looks so energetic!"

“Am I seeing things? This is simply a miracle!

Everyone present exclaimed in shock, their eyes filled with disbelief.

“Mom...”

Su Wanqiu could no longer suppress the emotions in her heart. She screamed and quickly ran over.

Her eyes instantly turned red, and tears flowed uncontrollably.

Guan Zhiqing grabbed Su Wanqiu’s hand tightly and said in a trembling voice,

“Are you Wanqiu... Are you really my daughter, Wanqiu?”

Su Wanqiu nodded vigorously, “Mom, it’s really me. I’m Wanqiu!” “Wanqiu... you’re really my Wanqiu! Mommy misses you so much!” Guan Zhiqing was already in tears as she hugged Su Wanqiu tightly.

Su Wanqiu also choked and said, “Mom, I miss you too!”

Seeing this scene...

Yang Luo, Xu Ying, Bujie, and Prajna also got emotional.

“Zhiqing!”

Ning Hansheng also ran over and said excitedly, “Zhiqing, what’s going on? Why are you awake?!”

Guan Zhiqing looked at Yang Luo gently and said, “This child cured me.

“What?!”

Ning Hansheng looked at Yang Luo in shock, “Mr. Yang, you really cured Zhiqing?!”

Yang Luo shrugged and said, “Mr. Ning, I said yesterday that I could cure Auntie Guan, but you didn’t believe me.”

“Little Luo, thank you. Thank you so much!”

Su Wanqiu thanked him profusely as tears streamed down her face.

Ning Hansheng also hurriedly said, “Mr. Yang, thank you for curing Zhiqing!

I don’t even know how to thank you!

I was the one who failed to recognize a formidable/famous person. I didn’t know that the Divine Doctor was right in front of me!

Mr. Yang, just tell me how much you want!”

Yang Luo waved his hand and said, “Forget about the remuneration. Sister Wanqiu is my friend. I cured Auntie Guan so that Sister Wanqiu and Auntie Guan can reunite. I just want to make Sister Wanqiu happy.”

Su Wanqiu looked at Yang Luo in a daze, her eyes filled with admiration and gentleness.

She knew that she would probably never be able to leave this little man in her life.

“Sister Guan, it’s great that you’re awake. In order to treat you all these years, Hansheng and I have been looking for a famous doctor!

However, fortunately, the heavens have eyes. Sister Guan, you’re finally awake!”

At this moment, Chen Jiali walked over with a smile.

Guan Zhiqing looked at Chen Jiali coldly and said, “Chen Jiali, did you really want me to wake up?”

Chen Jiali was stunned for a moment, “Of course it’s true!

Guan Zhiqing said coldly, “I’m afraid not.”

“Zhiqing, what do you mean by that?”

Ning Hansheng looked puzzled.

Guan Zhiqing took a deep breath and said, “Since everyone is here today, it’s time to reveal some of the truth!”

Everyone present was even more puzzled, not knowing what Guan Zhiqing wanted to say.

Guan Zhiqing looked at Chen Jiali and said in a low voice, “Fifteen years ago, I accidentally bumped into you and Zheng Zhaohai plotting to snatch Hansheng Corporation!

In order to silence me, you and Zheng Zhaohai arranged a car accident a few days later and wanted to kill me!

Unfortunately, I’m not destined to die. Although I’m in a vegetative state, I was not dead!”

The Zheng Zhaohai she was referring to was the second-largest shareholder of Hansheng Group!

On the other hand, Hansheng Corporation was the Ning family’s business and covered various fields!

Hearing this...

Chen Jiali felt as if she had been struck by lightning, and her entire body couldn’t help but tremble.

Everyone present went into an uproar.

“Oh my god, Second Sister-in-law, is what Sister-in-law said true? Did you really arrange that car accident?!”

“Second Sister-in-law, say something quickly. Is it true?!”

Everyone from the Ning family spoke up one after another.

“Interesting. I didn’t expect to be able to watch a show during today’s engagement. It’s not a loss!”

Yuan Shaojie, on the other hand, looked very excited as if he was watching a show.

Ning Hansheng looked at Chen Jiali in shock, “Jiali, this can’t be true, right?” Chen Jiali quickly regained her composure and said, “Hansheng, what are you thinking? Of course it’s not true. Why

would I kill Sister Guan?” As she spoke, she looked at Guan Zhiqing and said with an aggrieved expression, “Sister Guan, why did you frame me?”

Don’t worry, you’re still the Madam of the Ning family. I won’t snatch the position from you!

In the future, I’ll listen to whatever you say in the Ning family!”

Guan Zhiqing met Chen Jiali’s gaze and sighed, “Chen Jiali, aren’t you going to admit it even at this time?”

Chen Jiali said helplessly, “What do I need to admit? I didn’t conspire to snatch Hansheng Corporation, nor did I conspire to kill you!

Sister Guan, even if you want to ostracize me, you don’t have to use such a method, right?”

Yang Luo shook his head and said, “Woman, you really won’t shed tears until you see the coffin!”

As he spoke, he shouted outside, “Bring him in!”

Soon, two ordinary-looking young men escorted a middle-aged man with a swollen face in.

These two young men were the members of the Xiangjiang Intelligence Group. This middle-aged man was the chauffeur who caused the accident back then, Wang Dakui.

Yang Luo pointed at the middle-aged man, “Miss Chen, you should know this guy, right?”

After Wang Dakui entered, he knelt on the ground with a plop and said with a sobbing tone, “Miss Chen, I didn’t want to expose you either!

But their methods are too ruthless. I have no choice but to confess!”

Chen Jiali clenched her fists tightly and shouted at Wang Dakui, “Who are you? I don’t know you at all. Why are you trying to harm me?!”

Yang Luo clicked his tongue and said, “Miss Chen, you’re really stubborn. The witness is already here, but you still won’t admit it?

However, I already expected you to not admit it.”

As he spoke, Yang Luo took out his cell phone and opened a recording.

“Wang Dakui, as long as you can help me get rid of Guan Zhiqing, I’ll pay you a million yuan after the matter is done. Moreover, you can rest assured that I’ll pull strings and save you a few years in prison...”

The voice belonged to Chen Jiali...

Chapter 759: Good Show!

This recording was found by the intelligence team.

To the Hidden Dragon Pavilion’s intelligence team, finding these things was a piece of cake.

Hearing this recording...

The location went into another uproar.

“Oh my god, that car accident was really arranged by Second Sister-in-law!”

“Second Sister-in-law? This woman is a murderer!”

“This woman’s thoughts are really too vicious. To think that I’ve lived under the same roof as this woman for so many years. Just thinking about it makes me feel afraid!”

Everyone in the Ning family exclaimed and looked at Chen Jiali with disgust and repulsion.

Ning Hansheng trembled and looked at Chen Jiali in horror, “Why did you do this? Why did you do this...”

Yang Luo looked up at Chen Jiali and said indifferently, “Now that the human testimony and material evidence are here, aren’t you going to admit it?” “Give me your phone!!!”

Chen Jiali seemed to have gone crazy. She roared and rushed towards Yang Luo, wanting to snatch the cell phone.

However, Su Wanqiu stood in front of Yang Luo and slapped out at her.

“Alih!!”

Chen Jiali was slapped to the ground.

Yang Luo, Xu Ying, Bujie, and Prajna all gave Su Wanqiu a thumbs up.

As expected of Sister Wanqiu, she was indeed domineering!

Su Wanqiu looked at Chen Jiali coldly, “You vicious woman. How dare you harm my mother? You really have a death wish!”

Chen Jiali looked at Ning Hansheng in panic and begged, “Hansheng, I was wrong. I really know my mistake. I shouldn’t have had such thoughts. Please forgive me this time!”

Her sons, Ning Tianhao and Ning Tianyou, ran over and knelt down in front of Ning Hansheng.

“Dad, please forgive Mom this once!”

“That’s right, Dad. Mom really knows her mistake!”

The two of them also pleaded.

Chen Jiali also cried and said, “Hansheng, for the sake of our sons, can you forgive me this once?

I won’t dare to do it again in the future. I really won’t dare to do it again!”

Ning Hansheng’s face was ashen. He clenched his fists tightly and fell into endless conflict.

But at this moment...

Bujie walked out and curled his lips, “Son? Are you sure these two sons are Mr. Ning’s?”

Hearing this...

Everyone present was shocked and looked at Bujie in a daze.

Chen Jiali's pupils constricted. She bit her lower lip so hard that it was bleeding.

Ning Hansheng looked at Bujie in shock. He gulped and asked, "Little Master... what do you mean?"

Bujie said to Yang Luo, "Brother Yang, I really can't hold it in anymore. Can I say it now?"

Yang Luo nodded in reply.

Bujie looked at Ning Hansheng and said, "Mr. Ning, I'll tell you the truth.

These two sons are not yours, but Chen Jiali and Zheng Zhaohai's."

He would not stop until his words shocked everyone!

As soon as Bujie said this, the entire venue exploded!

"Tianhao and Tianyou are actually not Big Brother's sons. What kind of international joke is this?!"

"This is fake, right? How is this possible?!"

"Speaking of which, Tianhao and Tianyou do look more like Chen Jiali than Big Brother!"

Exclamations rose and fell. Everyone in the Ning family was about to go crazy!

They had first heard that Chen Jiali and Zheng Zhaohai had plotted to snatch Hansheng Corporation and kill Guan Zhiqing. That was enough to shock them! Unexpectedly, they now found out that Chen Jiali's son were between her and Zheng Zhaohai!

Even Yuan Hengyun and Wu Huimin were dumbfounded!

What was going on with the Ning family? Wasn't it too chaotic?

"This is explosive. It's simply a good show!"

Yuan Shaojie smiled happily and said, "Mr. Ning, you actually don't know about the green grassland above your head?"

Just now, I felt that this woman was very hypocritical, but I didn't expect that not only was this woman hypocritical, but she is also vicious and disgusting! It's amazing that you can find such a woman to be your wife!"

"Shaojie, stop talking!"

Yuan Hengyun glared at Yuan Shaojie.

At this moment, Ning Hansheng felt his head buzzing and he was about to faint.

The son he had raised for so many years was actually not his. No one could accept this!

He stared at Chen Jiali and gritted his teeth, "Is what this Little Master said... true?"

Chen Jiali immediately panicked and hurriedly said, “Hansheng, don’t believe this smelly monk’s nonsense!

Tianhao and Tianyou are your sons, your biological sons!”

Pfft!”

Bujie spat and said, “You shameless woman. At this time, you’re still stubborn! In that case, I’ll tell you the truth!”

He coughed lightly and said, “Back then, when Chen Jiali and Zheng Zhaohai saw that they couldn’t kill Auntie Guan, they started to think of other ways.

Coincidentally, Mr. Ning was in a low mood during that period of time. Every day, he drank to drown his sorrows, so Chen Jiali felt that an opportunity had come.

Therefore, she stayed by Mr. Ning’s side every day and comforted and enlightened him.

After a while, Mr. Ning had a good impression of Chen Jiali and decided to marry her.

Actually, when Mr. Ning and Chen Jiali got married, Chen Jiali was already pregnant with twins.

The child in her stomach was Zheng Zhaohai’s. After all, Chen Jiali was Zheng Zhaohai’s lover before this.

After knowing this, Chen Jiali and Zheng Zhaohai decided to give birth to the two children and treat them as Mr. Ning’s children.

After all, Mr. Ning would also pass on his assets to his two sons in the future.

As long as it’s passed on to these two sons, it’s equivalent to falling into the hands of Chen Jiali and Zheng Zhaohai...”

There was a pause.

Bujie gave Chen Jiali a thumbs up and said, “I have to say, your methods are really brilliant. I’m really impressed!”

In an instant...

The entire hall fell into dead silence.

Everyone looked at Chen Jiali in a daze.

Ning Hansheng also stood rooted to the ground like a wooden stake as if he had been struck by lightning.

It was unimaginable how deep this woman’s schemes and shrewdness were to think of these ideas. Moreover, they were all flawless.

Chen Jiali’s face had already turned pale.

“No... This isn’t true... Tianhao and Tianyou are Hansheng’s children...”

She shook her head vigorously and looked at Ning Hansheng miserably, “Hansheng... Please believe me... Tianhao and Tianyou are really your children!”

Bujie curled his lips and said, “Woman, could it be that you’ve been acting for too long and even took it seriously?”

In fact, as long as Mr. Ning and your two sons do a paternity test, the truth would be revealed!

However, do you dare to let your two sons do a paternity test with Mr. Ning?”

Ning Hansheng swallowed and said, “I clearly did a paternity test before...”

Bujie sneered, “Mr. Ning, everything in this world can be faked. Can’t a paternity test report be faked?”

Ning Hansheng grabbed his hair with all his might and roared, “This isn’t true... None of this is true!!!”

Chapter 760: The Situation Turns Around!

At this moment, Ning Hansheng was about to break down.

His face was red, and the veins on his forehead and neck were bulging. He seemed to be crying and laughing at the same time. He looked as if he was about to go crazy.

Everyone present looked at Ning Hansheng with pity and sympathy.

After all, this was something unacceptable to any man.

Su Wanqiu could not bear to see him like this.

She grabbed Guan Zhiqing’s hand and said, “Mom, did you already know about this?”

“Hmm.”

Guan Zhiqing nodded.

Su Wanqiu said, “Isn’t this a little too cruel?”

Guan Zhiqing sighed and said, “This matter will be exposed eventually. We can’t hide it forever.”

Su Wanqiu also sighed deeply.

At this moment, Chen Jiali was trembling all over and her face was even paler.

She naturally didn’t dare to let Ning Tianhao and Ning Tianyou do a paternity test with Ning Hansheng.

After all, she knew very well that Ning Tianhao and Ning Tianyou were indeed not Ning Hansheng’s sons, but Zheng Zhaohai’s.

At this moment...

Footsteps came from outside the door.

Everyone looked up.

A few people walked in.

The leader was the director of Ren'an Hospital, Li Shanhe.

The others were all attending physicians in the hospital.

After entering, Li Shanhe ran towards Yang Luo and said excitedly, "Divine Doctor, I've finally found you!"

Yang Luo was stunned, "Who are you?"

Li Shanhe said, "Divine Doctor, I'm the director of Ren'an Hospital, Li Shanhe!

I didn't expect your medical skills to be so brilliant that you can even treat a vegetative person!

I sincerely invite you to join our Ren'an Hospital. Your annual salary is up to you!"

Yang Luo said, "We'll talk about joining your hospital later.

I might have to trouble you to do something later."

"What is it?"

Li Shanhe looked puzzled.

Actually, when he came in just now, he realized that the atmosphere at the event location was a little off.

However, he couldn't ask too much about the Ning family.

Yang Luo said, "We'll talk about it later. I might or might not need it."

"Alt, ok!"

Li Shanhe nodded repeatedly and said, "It's my honor to be able to work for you, Divine Doctor!"

Yang Luo turned to look at Ning Hansheng and said, "Mr. Ning, I know you're feeling terrible now.

However, the matter still has to be resolved.

I think it's better for you to call Zheng Zhaohai over to confront him."

"Understood!"

Ning Hansheng took a deep breath and suppressed the anger in his heart. He took out his phone and called Zheng Zhaohai.

He only told Zheng Zhaohai that he had some company matters to discuss and did not say anything else.

After the call.

Everyone present waited quietly.

Every minute and second of waiting was a torture for Chen Jiali.

Half an hour later.

A voice sounded.

“Old Ning, why did you call me over so urgently?”

Everyone present looked up.

A plump middle-aged man with slicked-back hair walked in.

This middle-aged man was the second-largest shareholder of Hansheng Group, Zheng Zhaohai.

As soon as he entered the hall, Zheng Zhaohai saw Chen Jiali, Ning Tianhao, and Ning Tianyou kneeling on the ground.

He frowned slightly, but his expression quickly returned to normal.

He chuckled and said, “Old Ning, what are you doing? Why are you making Sister-in-law and the child kneel on the ground?”

Ning Hansheng stared at Zheng Zhaohai and said in a deep voice, Zheng Zhaohai, I’ve treated you well all these years, right?”

Zheng Zhaohai was stunned for a moment before he smiled and said, ‘ Old Ning, what are you talking about? You naturally were good to me!’”

Ning Hansheng roared angrily, “Since you know that I’ve treated you well, why are you treating me like this?!”

Hearing this...

Zheng Zhaohai smiled stiffly, “Old Ning, what did I do to you? Why are you suddenly so angry?”

Ning Hansheng said fiercely, “Aren’t you going to admit it? You and Chen Jiali collaborated to obtain my Hansheng Corporation and collaborated to murder Zhiqing!

And... and even my two sons are your children!”

Zheng Zhaohai’s face darkened, “It seems like you found out everything?”

Ning Hansheng hissed, “If Mr. Yang hadn’t helped me investigate these things, how long would you and this b*tch have hidden it from me?!”

Zheng Zhaohai tugged at his collar and said, “Since things have already come to this, let’s make things clear!

I’ll sell the shares now and take a sum of money to leave Xiangjiang with Jiali, Tianhao, and Tianyou!

Ning Hansheng, I advise you not to make a big deal out of this. When the time comes, you’ll lose face, and your Ning family will lose face!”

Anger erupted in Ning Hansheng’s heart. He roared, “You still Peking want money and want to leave?!”

What you and this slut did, you could go through jail!

I can’t wait to kill you and this bitch right now!”

Chen Jiali crawled over on her knees and hugged Ning Hansheng's leg. She choked and said, "Hansheng, on account of us being husband and wife for so many years, let us go!"

"Shut the fuck up!"

Ning Hansheng kicked Chen Jiali to the side.

He looked up at Zheng Zhaohai and gritted his teeth, "Although I really want to kill you and this b*tch, doing so will only dirty my hands. Moreover, it's too easy for you!

You can spend the rest of your lives in prison repenting!"

Zheng Zhaohai said with a ferocious expression, "Ning Hansheng, are you really not going to let me go?!"

Ning Hansheng said coldly, "Do you think it's possible to let you go?"

"Good, very good!"

Zheng Zhaohai gritted his teeth and roared, "At most, I'll kill everyone in your Ning family today!"

Ning Hansheng said in a deep voice, "You want to kill my Ning family? Can you do it?"

Zheng Zhaohai laughed out loud and said, "Ning Hansheng, you don't know, right? The president of the Hexing Chamber of Commerce, Liu Jingsheng, is my sworn brother!

As long as I make a call, my brother will bring people to destroy your Ning family!"

Ning Hansheng trembled in fear and his face turned pale when he heard the words "Hexing Chamber of Commerce"!

The Hexing Chamber of Commerce was the largest chamber of commerce in Xiangjiang. It had more than ten thousand subordinates!

In the entire Xiangjiang City, only the Loyal Soul Martial Arts School could compete with him in terms of people!

The reason why the Loyal Soul Martial Arts School could compete with him was entirely because the owner of the Loyal Soul Martial Arts School, Zhou Chuanwu, was the Alliance Master of the Xiangjiang Martial Alliance!

As for the various families in Xiangjiang, they did not dare to fight head-on with the Hexing Chamber of Commerce at all!

At this moment, everyone in the Ning family was so frightened that their faces turned pale.

"Big Brother, why don't you let them go?"

"That's right. We can't afford to provoke the Hexing Chamber of Commerce!" "If someone from the Hexing Chamber of Commerce comes, I'm afraid we won't be able to survive!"

The Ning family began to persuade Ning Hansheng.

Ning Hansheng clenched his fists tightly, his expression uncertain.

As the head of the Ning family, he had to consider the safety of the entire Ning family.

However, he could not tolerate letting Zheng Zhaohai and Chen Jiali off.

At this moment.

When Chen Jiali saw that the situation had reversed, she instantly felt more confident.

She got up from the ground and said proudly, “Ning Hansheng, on account that we’re husband and wife, I don’t want to go overboard!

As long as you let me and Zhaohai off, we can let this matter go!

If we take the money and leave, you can continue to be the head of the Ning family!

How’s that?”
