

Super IDG 821

Chapter 821: Defeat Me!

Rumble rumble rumble!

The entire square was shaking!

The entire iron tower was shaking!

The light that spread out was dazzling!

The energy that erupted was also incomparably terrifying. It surged out in all directions like a wave!

This energy wave that surged out was too terrifying, directly surging out of the square!

Even if those people had already retreated outside the square, it was not safe for them!

Seeing this, Yang Luo was about to block this energy for the ordinary people!

But the Goddess of Fate, who was standing on the iron tower, only waved her slender hand gently!

In the next instant...

A ring-shaped white barrier of light condensed around the entire square!

The light barrier was like an iron wall, blocking all the energy that surged out of the square, emitting a rumbling explosion!

Yang Luo looked up at the Goddess of Fate with surprise in his eyes.

It had to be known that to someone like the Goddess of Fate, who had power that surpassed the mortal world, ordinary people were probably like ants in her eyes.

She would not care about the lives of these ordinary people at all.

However, this woman was different. She was quite kind.

Yang Luo gave the Goddess of Fate a friendly smile.

However, the Goddess of Fate's eyes were indifferent, completely ignoring Yang Luo.

Yang Luo smirked in response.

Interesting. This girl was quite arrogant.

Right at this moment...

Rumble!

A terrifying explosion sounded in the square!

With just one punch, the Heavenly Sirius sent Bujie, Xu Ying, Prajna, and Su Qingmei flying!

After sending Bujie and the other three flying!

Heavenly Sirius stomped on the ground!

Crack!

The ground cracked under his feet!

Heavenly Sirius then rushed towards Yang Luo!

Although he was huge, his speed was not slow at all. Instead, he was as fast as lightning!

“Heavenly Sirius, if you want to fight with Brother Yang, defeat us first!”

Bujie stabilized his body and used the Greater Teleportation Movement Technique, flashing forward!

As he approached...

Bujie swung the Dragon-Mark Buddhist Staff in his hand again and smashed it at Heavenly Sirius!

Xu Ying charged over as well and slashed at Heavenly Sirius with the Dragon Sparrow Saber in his hand!

Seeing their actions, Heavenly Sirius laughed mockingly, “Although your strength is not bad, you’re still far inferior to me!”

As he spoke, Heavenly Sirius threw another punch!

Rumble!

Accompanied by a shocking collision!

Blazing light and majestic energy erupted again and surged in all directions!

The Heavenly Sirius’ punch was too heavy. It could even split mountains and rocks!

Bujie and Xu Ying couldn’t take it at all!

“Ahhh!”

“Ugh!”

The two of them let out a tragic cry and were sent flying again!

This time, the two of them were sent flying more than 20 meters away before they could stabilize themselves!

The two of them felt pain and numbness in their arms. The blood in their bodies was surging!

Just as Bujie and Xu Ying were sent flying...

Prajna and Su Qingmei rushed over from behind and attacked Heavenly Sirius!

Prajna raised the Wind and Fire Kunais in her hand and mobilized the storm and flames to stab at the Heavenly Sirius’s back!

Su Qingmei waved her palm and slapped the Heavenly Sirius’s back!

However, Heavenly Sirius had long sensed the two women approaching!

His entire body trembled!

A violent energy instantly erupted from his body!

Prajna and Su Qingmei were sent flying before they could approach Heavenly Sirius!

The Heavenly Sirius turned to look at the two women and said with a smile, “Beautiful ladies, although I won’t attack women easily, if you continue to attack me, don’t blame me for being merciless!”

Right after he finished his sentence...

Bujie and Xu Ying rushed over again!

Prajna and Su Qingmei stabilized themselves and charged towards the Heavenly Sirius!

Heavenly Sirius sighed softly, “Forget it. Since that’s the case, I’ll get serious!”

As he spoke, he suddenly stepped on the ground!

Crack crack crack!

With him as the center, the ground kept cracking and spreading in all directions!

His eyes and body flickered with an even more dazzling black-red light!

An even more terrifying pressure and aura spread out from his body and swept in all directions!

Just as Heavenly Sirius’ aura surged!

Bujie, Xu Ying, Prajna, and Su Qingmei also mobilized the True Qi in their bodies to the limit!

“Diamond Suppression Staff!”

“Demon Vanquishing!”

Bujie let out a deafening roar. He gripped the Dragon-Mark Buddhist Staff tightly with both hands and swept it towards Heavenly Sirius!

With a sweep of his staff, a violent wind blew, sand and rocks flew, and an explosion sounded in the air. It was incomparably domineering!

“Shadowless Tyrannical Saber Art!”

“Ten Thousand Blades Slash!”

Xu Ying soared into the sky and gripped the Dragon Sparrow Saber tightly with both hands. He slashed out ferociously!

With a slash, the saber beam flickered and saber qi wreaked havoc!

Countless saber shadows overlapped and seemed to transform into a saber net that enveloped the Heavenly Sirius!

“Wind and Fire Kunais!”

“Wind Fire Tornado!”

Prajna flashed forward and swung Wind and Fire Kunais with all her might!

The violent winds and flames intertwined, seemingly transforming into a tornado of flames that swept towards the Heavenly Sirius!

“Nine Phoenix Divine Palm!”

“Phoenix Soaring Nine Heavens!”

Su Qingmei also jumped into the sky and struck Heavenly Sirius with all her might!

As she struck out with her palm, a faint golden-red light lit up the night sky. One could even vaguely see a golden-red phoenix shadow charging up!

Even in the face of the encirclement of Bujie and the others, the Heavenly Sirius was not afraid at all!

He stood proudly in the middle and took a step forward!

“Wolf Attacks Stretch for Miles!”

With a loud shout!

Countless black and red demon wolves condensed into form and let out ear-piercing wolf howls as they charged in all directions!

Boom! Boom!

Rumble!

Deafening collisions and explosions resounded non-stop!

The attacks launched by Bujie and the others were all dispersed. They could not withstand this move of the Heavenly Sirius at all!

“Ahhhh...”

Accompanied by cries of pain...

Bujie and the other three were sent flying more than 30 meters away!

Just as the four of them were about to get up and continue fighting!

Yang Luo said loudly, “Bujie, Xu Ying, Prajna, Qingmei, that’s enough!

Leave the rest of the battle to me!”

He knew that if he did not stop the four of them, they would definitely be injured!

“Damn, this big guy is really powerful!”

Bujie said gloomily, but he did not attack again.

Xu Ying, Prajna, and Su Qingmei also stopped attacking.

Through the exchange just now, they realized that there was indeed a huge gap between them and Heavenly Sirius.

Heavenly Sirius stretched its neck and chuckled, “Kid, you’re finally willing to make a move!”

Yang Luo said in a trembling voice, “Heavenly Sirius, if you and the Goddess of Fate submit to me now, you might be able to avoid physical pain!”

“Submit?”

Hahaha...”

The Heavenly Sirius laughed out loud, “Kid, you have the arrogance of the old Divine Emperor!

However, I wonder if you have the strength of the old Divine Emperor!

If you want me to submit, defeat me!”

Chapter 822: Unless God Descends!

“Then I’ll do as you wish!”

Yang Luo nodded in response. Then, he took a step forward and transformed into a golden stream of light that charged towards the Heavenly Sirius!

Without any hesitation, Heavenly Sirius charged forward!

At that moment...

The two of them closed the distance and punched at the same time!

DONG!

A huge golden fist collided heavily with a huge black and red fist, erupting with a thunderous explosion!

The entire square shook even more violently!

The Eiffel Tower shook even more!

A dazzling light shot into the sky, illuminating the night sky!

Vast and vast energy erupted like a torrential mountain flood!

The light barrier condensed around the square also trembled violently, as if it would collapse at any moment!

The people watching the battle outside the square were already dumbfounded and trembling!

“Oh my god, all of this is too real. It doesn’t look like a movie at all!”

“Are these people really human? Why are they so powerful?!”

“This world is indeed not as simple as we thought. There’s actually such a group of extraordinary people!”

Everyone present exclaimed in surprise, their eyes filled with fear and excitement.

After all, it was very rare for ordinary people to see such a battle.

Right at this moment...

Rumble!

Accompanied by terrifying explosions!

Heavenly Sirius was forced to retreat continuously for more than ten meters before he could stabilize his body!

On the other hand, Yang Luo did not take half a step back!

Seeing this, Heavenly Sirius's eyes lit up with battle intent. He smiled and said, "You're really strong. No wonder you defeated the Dark Baron and the others!"

Yang Luo shouted, "Not only can I defeat the Dark Baron, but I can also defeat you!"

"Let's give it a try!"

Heavenly Sirius laughed loudly and took a step forward, charging towards Yang Luo again!

Yang Luo also took a step forward and went up to fight!

And just as he approached Yang Luo!

Heavenly Sirius clenched his fists and attacked Yang Luo wildly!

The speed of his punches was extremely fast, and the power erupting from each punch was incomparably ferocious. They blasted towards Yang Luo like cannonballs!

Yang Luo was not afraid at all. He clenched his fists and kept facing the attacks as well!

Dong, dong, dong!

The speed of their punches was extremely fast, and they collided fiercely in the air!

The rumbling of thunder resounded in the square and the night sky!

The light and energy that erupted from the collision were fierce and violent, making one's heart skip a beat!

The two of them moved at high speed in the square, causing serious damage to various parts of the square!

A large number of stone slabs on the ground shattered and were swept into the sky!

The Goddess of Fate, who was watching the battle from the iron tower, stared intently at the battlefield below, her beautiful eyes shining.

Xu Ying and the others who were watching the battle at the edge of the square were also shocked.

Xu Ying said, "Although Brother Yang hasn't used his full strength yet, this guy can withstand Brother Yang's current attack. It's considered very heaven-defying."

Bujie sighed in admiration and said, "These Divine Kings are each more powerful than the other. I really don't know how powerful the few Divine Kings in the front are."

As for the people watching the battle outside the square, their faces were pale and they were trembling.

Many people were so frightened that they could not stand steadily and slumped to the ground.

During the battle in the square...

On the other side...

Century Palace Hotel.

This hotel was the most high-end hotel in Country Gaule and was famous all over the world.

Tonight, a banquet was being held on the third floor of this hotel to celebrate the birthday for the King of Country Gaule.

The people who came to the banquet were all famous big shots in Country Gaule.

As the current chairman of Laurel Group, Carlton was naturally invited.

At this moment, in the hall.

Carlton was talking and laughing with Claude, Maria, and the old butler.

The chairman of the Armani Group, Johnson, teased, "Carlton, you're really lucky!

Previously, you were about to die. I didn't expect you to be alive and kicking again!"

Carlton laughed loudly and said, "Even you are still alive and well, so I naturally have to live well!"

George, the chairman of the Hermes Group, smiled and said, "Carlton, congratulations. Looking at your current state, it's not a problem for you to live to 100 years old!"

Carlton took a sip of wine and said, "Old friend, then I'll borrow your auspicious words... Ah!!!"

However, before he could finish speaking, he suddenly clutched his chest, bent down, and let out a scream!

"Chairman, what's wrong?!"

"Chairman, are you alright?!"

"Patriarch!"

Claude, Maria, and the old butler exclaimed at the same time.

Johnson, George, and the others were also surprised, not knowing what was wrong with Carlton.

Just now, Carlton looked very energetic. Why did he suddenly become like this?

"Ah...!"

Carlton let out another scream and fell to the ground, unconscious!

"Chairman!"

"Patriarch!"

"Carlton!"

"Quick, call an ambulance!"

The entire hall instantly fell into chaos!

Half an hour later.

Polsa Hospital.

As the best hospital in Country Gaule, the medical equipment and medical power here were undoubtedly top-notch.

At this moment.

In a special care ward...

The ward was filled with people.

The hospital director, Eugenic, was checking Carlton's body on the bed with a few attending doctors and nurses.

Claude, Maria, the old butler, and the Spiritual Doctor Queen, Flora, stood at the side.

Originally, Flora was prepared to go back tomorrow.

However, just now, she suddenly received a call from Claude. When she found out that something had happened to Carlton, she rushed over.

Claude looked at Flora anxiously and said, "Dr. Flora, didn't you say that the chairman is fine? Why did the chairman suddenly become like this?"

Maria said worriedly, "Dr. Flora, should the chairman be alright?"

The old butler also looked at Flora.

Flora frowned and said, "Mr. Carlton has clearly recovered. As for why he's in this situation, I'm not very sure."

"This...!"

Hearing this answer, the three of them were stunned.

You're the one who treated her, and you can't even explain it clearly now?

If not for Flora's reputation, they would have flown into a rage.

At this moment...

Eugenic and the others had already finished checking Carlton's body and walked over.

"Director, how's the chairman? Is he alright?"

Claude quickly asked.

Eugenic sighed and said truthfully, "Mr. Carlton's organs have completely failed, and his bodily functions have decreased to the extreme. I'm afraid he won't live past tonight."

"What?! He won't live past tonight?!"

"How is that possible? The chairman has been in high spirits for the past three days. He was in the pink of health!"

"How could this be... How could this be!"

Claude, Maria, and the old butler shook their heads repeatedly, unable to believe this fact.

Flora was also shocked and couldn't help but clench her fists.

How could this happen?

She had clearly cured Mr. Carlton. Why was Mr. Carlton suddenly about to die?

“Director, can you think of another way to save the chairman!”

Claude pleaded.

Eugenie shook his head and said, “Unless God comes, no one can save Mr. Carlton.”

“What should we do? What should we do now...”

Claude paced back and forth anxiously. He suddenly thought of something and said loudly, “Mr. Yang, we can ask Mr. Yang to save the chairman!”
