Chapter 823: Half Beast Form!

“Mr. Yang?”

Maria was stunned for a moment before asking, “Claude, are you talking about the liar from three days ago?”

The old butler frowned and said, “Claude, what that kid said three days ago was ridiculous and unreliable. You actually believe what that kid said?”

Claude said in a deep voice, “Then do you still remember what Mr. Yang said before he left three days ago?”

“What words?”

Maria and the old butler looked puzzled.

Claude said, “Mr. Yang said that the chairman only needs three days to live. If you want the chairman to live, let us look for him!

And today happens to be the third day. The chairman had suddenly collapse and is now in danger!

Mr. Yang was right about all of this!”

Hearing Claude’s words, Maria and the old butler looked at each other.

Even Flora fell into deep thought.

Yes, that kid seemed to have hit the nail on the head!

Claude continued, “Besides, other than asking Mr. Yang for help, do you have a better way?”

Maria and the old butler fell silent.

Even Flora, the Spiritual Doctor Queen, and Eugenice, the director of Poolsa

Hospital, were helpless. What could they do?

At this moment, Eugenice suddenly asked, “Mr. Claude, who is the Mr. Yang you mentioned just now?”

Claude said, “Mr. Yang’s name is Yang Luo. He’s a young man from Country

Hua. His medical skills are very good..."

"Yang Luo?! A young man from Country Hua?!"

"Mr. Claude, is the young man you're talking about about about 1.8 meters tall?

He's very handsome and has a noble temperament, right?!"

Before Claude could finish, Eugenie interrupted him.

"Hmm?"

Claude looked puzzled, "President Eugenie, how did you know? Do you know

Mr. Yang too?"

Flora, Maria, and the old butler also looked at Eugenie in confusion.

Eugenice was so excited that his face turned red and his entire body trembled, “Yes! Of course I know him!

If not for Mr. Yang’s help back then, the major infectious disease that erupted in Country Windmill would not have been resolved at all!”

Claude looked shocked, “Mr. Yang was the one who solved the infectious disease problem in the Windmill Nation?!”

Maria said in a daze, “I originally thought that Miss Alinda, the president of the Western Medical Association, had joined forces with the top doctors in the Euro Domain to solve this problem!

I didn’t expect it to be resolved by that kid!”

They knew a little about the outbreak of infectious diseases in Country Windmill, but they did not know the inside story.

Eugenice said, “Back then, the infectious disease problem in Country Windmill was too troublesome for us to solve.

Fortunately, with Mr. Yang’s help, he first cured President Alinda and then prescribed a prescription, easily resolving this problem.

Moreover, to be honest, President Alinda is Mr. Yang's disciple and admired him greatly.

Similarly, I also admire Mr. Yang very much. Back then, I wanted to invite Mr.

Yang to our hospital to be the deputy director, but I was rejected.

There was a pause.

He continued, "If you can ask Mr. Yang for help, Mr. Carlton might really be able to survive!"

Eugenie's words were like thunder that exploded in Claude and the others' ears!

Claude originally thought that Yang Luo was only famous in Country Hua, but he did not expect Yang Luo to be so famous in the Euro Domain!

As for Maria and the old butler, they were also stunned!

They never expected the young man they looked down on to be so powerful!

The major infectious disease problem in Country Windmill was solved by him!

The president of the Western Medical Association, Miss Alinda, was his disciple and admirer!

Director Eugenice had invited him to be the vice-president, but he had rejected him in disdain!

Flora was also dumbfounded.

Was that young man really so good?

Claude said excitedly, "I'll contact Mr. Yang now and ask for his help!"

As he spoke, he quickly took out his phone and called Yang Luo.

However, no one picked up after calling a few times.

"How is it? Did Mr. Yang answer the phone?"

Maria asked hurriedly.

She did not dare to be disrespectful to Yang Luo now and even used a respectful title.

"I don't know what Mr. Yang is doing, but he didn't answer the phone!"

Claude became even more anxious, "Could it be that we made Mr. Yang angry three days ago, so Mr. Yang doesn't want to talk to us?"

Maria quickly said, "Then contact Miss Su and ask her to put in a good word for you!"

As long as Mr. Yang can save the chairman, we are willing to apologize to him or even kneel down!"

The old butler nodded repeatedly.

"Alright, I'll contact Miss Su now!"

Claude nodded and called Su Qingmei again.

However, what puzzled him was that Su Qingmei did not pick up the call either.

"How's it going?"

Maria and the old butler looked at Claude eagerly.

“Miss Su didn’t answer the phone either!”

Claude was close to tears.

Eugenie, who was at the side, was also anxious, “Since Mr. Yang isn’t answering the phone, can’t you go and look for him?”

“Yes, yes, yes. I’ll go look for it now!”

We must find Mr. Yang and invite him!”

Claude said and rushed out of the ward.

Maria and the old butler also rushed out.

At the same time...

Battle God Square.

Yang Luo and Heavenly Sirius were still fighting fiercely.

Su Qingmei was watching the battle at the edge of the square. She had thrown her bag aside in the chaos and did not notice that her phone was ringing.

Right at this moment...

Rumble!

Accompanied by a loud bang!

“Ugh!”

Heavenly Sirius let out a cry of pain as his huge body was sent flying again! After flying for more than 30 meters, Heavenly Sirius barely managed to stabilize his body!

After the intense battle just now, his expensive suit and shirt were already in tatters!

His majestic body was also beaten black and blue, and even a trace of blood flowed out of the corner of his mouth!

On the other hand, Yang Luo was still unscathed and calm.

He looked up at the Heavenly Sirius and said, "Heavenly Sirius, your true strength should be more than this, right?"

If you don't get serious, I'm going to end the battle!"

In the intense battle just now, while Heavenly Sirius was testing him, so was he.

He could clearly sense that Heavenly Sirius' true strength was definitely not just at this level.

Heavenly Sirius wiped the blood from the corner of his mouth and said with a sinister smile, "Looks like it'll be very difficult to defeat you if I don't get serious!"

"However, kid, you had better hurry up and get serious. If you're accidentally killed by me later, don't blame me!"

Right after he finished his sentence...

“ROAR...”

Heavenly Sirius raised his head and let out an earth-shattering howl!

Waves of even more terrifying energy erupted from his body!

An even more dazzling black-red beam of light shot into the sky from his body!

Crackle!

The muscles on his body swelled up, directly bursting his suit and shirt, revealing his upper body that was like a steel city wall!

Moreover, his eyes instantly turned scarlet, and the nails on his hands instantly extended, as sharp and terrifying as blades!

It was even to the extent that dense brown fur grew on his cheeks!

“Half beast form! This is the half beast form of Heavenly Sirius!”

Prajna could not help but exclaim when she saw this..
