Chapter 824: Like a God!

Bujie asked in confusion, "What's a half-beast form?" Xu Ying and Su Qingmei also looked at Prajna.

Prajna took a deep breath and said, "It's said that Heavenly Sirius is a prince of the Lycan race and has the purest Lycan bloodline!

Because of their bloodline, the lycans can be born with all kinds of powerful abilities!

Especially the purer the bloodline, the more abilities you will have and the stronger you will be!"

"F*ck! Isn't this just a beast?!"

The corner of Bujie's mouth twitched, "What kind of people are in the Holy Imperial Court? There are actually vampires, witches, and wild beasts!"

Prajna said, "I'm afraid it won't be easy for Brother Yang to subdue such a group of unorthodox overlords and control the Holy Imperial Court!" At this moment.

In the center of the square.

Seeing the change in Heavenly Sirius, Yang Luo was instantly stunned! He did not expect Heavenly Sirius to be able to transform into a werewolf! The world was really big, and there were all kinds of strange things!

The more he understood about the Dark World, the more he felt that this world was magical!

Just as Yang Luo was in a daze!

“ROAR...”

Heavenly Sirius let out a roar!

This voice was powerful and loud, as if it wanted to shatter one’s eardrums!

If not for Su Qingmei, Xu Ying, Bujie, and Prajna circulating their energy to resist, just this roar would have affected them greatly!

Immediately after, Heavenly Sirius stomped on the ground, causing the ground to collapse. He leaped more than 30 meters and pounced at Yang Luo!

“Heavenly Wolf Claw!”

He slashed out with all his might, tearing through the sky and grabbing at Yang Luo's chest!

This claw was incomparably ferocious. It could even tear apart steel plates! Seeing as Heavenly Sirius' claw swiped over!

Yang Luo said loudly, "Let my dragon claw test the power of your wolf claw!"

As he spoke, Yang Luo formed a claw shape in his right hand and executed the Nine Claws of the Divine Dragon, facing it head-on!

In the blink of an eye!

Bang!

The black and red wolf claws collided heavily with the golden dragon claws, producing a shocking explosion!

Gold, black, and red lights intertwined and shot into the sky like fireworks!

The violent True Qi and energy also intertwined and washed in all directions!

After this collision!

Heavenly Sirius was sent flying again!

But Yang Luo was also shaken. He took a few steps back before stabilizing his body!

Heavenly Sirius flipped a few times in the air and stabilized its body!

He stared intently at Yang Luo, a hint of shock appearing in his eyes!

He had already activated his half-beast form, but he could only shake this kid and could not crush him!

How unbelievable!

Yang Luo shook his numb right hand and smacked his lips, "Interesting. Your strength has indeed increased greatly!

Looks like I have to get serious too!"

Before his voice could fade...

At this point, Yang Luo's body shook!

Bang!

A blazing golden beam of light soared into the sky from his body!

His eyes also flickered with a dazzling golden light!

There was even a golden dragon phantom coiling around him!

At this moment, the pressure and aura that Yang Luo erupted with were countless times stronger than before!

Heavenly Sirius looked at Yang Luo in a daze and actually felt a sense of fear in his heart!

Even the Goddess of Fate on the Eiffel Tower widened her beautiful eyes, and the shock in her eyes became even stronger!

Yang Luo walked towards the Heavenly Sirius step by step!

Clang, clang, clang!

With every step he took, the entire square and even the entire iron tower trembled!

Every step he took shattered the ground. It was extremely terrifying!

As Yang Luo walked, he looked up at the Goddess of Fate on the iron tower and said loudly, "Goddess of Fate, I advise you to quickly join forces with this guy.

Otherwise, this guy will probably lose very badly."

The Goddess of Fate did not speak, nor did she have any intention of attacking.

She still had that arrogant face that kept strangers away.

Meanwhile, Heavenly Sirius narrowed his eyes at Yang Luo and said, "Kid, you're finally willing to be serious?"

Very good, then let me see how much your combat strength has increased!” As he spoke, Heavenly Sirius’s figure flashed and transformed into a black-red lightning bolt that charged towards Yang Luo!

The moment they approached Yang Luo!

Heavenly Sirius raised his right hand and condensed a huge black-red claw that grabbed at Yang Luo!

Moreover, when he swung his claw!

A huge black and red wolf condensed above his head. It opened its bloody mouth and bit at Yang Luo!

Yang Luo, on the other hand, twisted his fist and punched out!

“ROAR...”

With a punch, a dragon’s roar resounded through the night sky!

A huge golden fist blasted towards the Heavenly Sirius’s claw!

A golden dragon phantom also crazily crashed into the black and red wolf!

At that very moment...

Boom! Boom!

Rumble!

An earth-shattering collision and explosion sounded at the same time!

The true energy and energy that erupted ruthlessly washed over the light barrier around the square!

Crack! Crack!

Accompanied by a series of cracking sounds...

Cracks appeared on the incomparably sturdy light barrier!

The Goddess of Fate's expression changed. She waved her hand again and shot out a stream of white energy to strengthen the light barrier!

“Ahh!!”

Meanwhile, Heavenly Sirius let out a cry of pain and was sent flying!

But before the Heavenly Sirius could stabilize his body!

Yang Luo’s figure moved and chased after him!

When he approached the Heavenly Sirius!

Yang Luo soared into the sky and swung his leg down!

Seeing this, Heavenly Sirius was alarmed and hurriedly raised his thick arms to block!

Bang!

Yang Luo’s kick was like a heavy ax that struck his arms heavily!

Bang!

Heavenly Sirius fell from the sky, smashing a huge pit in the ground below!

After Yang Luo struck down the Heavenly Sirius, he twisted his waist and punched down!

Heavenly Sinus was so frightened that his pupils constricted. He hurriedly flipped over and jumped up, quickly dodging!

Bang!

The ground shook!

The huge pit that had already been smashed out continued to expand and collapse!

Just as Yang Luo was about to land!

Heavenly Sirius waved its hand!

“Roar, roar, roar!”

Accompanied by wolf howls!

Countless black and red wolves condensed into form, as if they had transformed into a wolf army that pounced at Yang Luo from all directions!

Countless black and red claws condensed and grabbed at Yang Luo!

But even when faced with such a terrifying attack from the Heavenly Sirius...

Yang Luo still did not dodge or retreat. His entire body trembled!

1 he golden true fire in his body spread out and burned in all directions!

All the black-red wolves and black-red claws that approached were burned to ashes. They could not injure Yang Luo at all!

Xu Ying, Bujie, and Prajna's expressions did not change.

After all, they clearly knew how terrifying Yang Luo's strength was.

However, Su Qingmei, who did not know Yang Luo's current strength, widened her beautiful eyes and covered her mouth. She was completely shocked.

As for the people watching the battle outside the square, they were even more shocked, dumbfounded, and stunned.

They could no longer describe the shocking scene in front of them with words.

This Country Hua kid in front of him was really like a god!

Seeing that this could not hurt Yang Luo at all...

Heavenly Sirius shouted at the Goddess of Fate on the tower, "Natasha, how much longer are you going to watch? Hurry up!"
