Chapter 830: Ten Experts!

After returning to his room...

Su Qingmei said, "Yang Luo, I'll go take a shower first."

"Go on."

Yang Luo smiled and nodded.

After Su Qingmei entered the bathroom...

Yang Luo immediately felt a wave of fatigue wash over him.

He lay on the bed and felt his eyelids flutter.

It could not be helped. He first fought against Heavenly Sirius and the Goddess

of Fate.

After that, he helped Carlton change his fate.

He had expended too much energy, so he felt very tired.

Just as he was about to sleep...

A call suddenly came through to his phone.

He took out his phone and saw' that it was a call from Xiang Kunlun.

Why did Brother Xiang suddenly call?

Yang Luo picked up the call in confusion.

"Brother Xiang, why are you calling me so late at night?"

Yang Luo asked.

"So late?"

Xiang Kunlun was stunned for a moment and asked curiously, "It's clearly daytime now. How is it late?"

Only then did Yang Luo react, "Oh... I almost forgot. I'm in Country Gaule now."

"Why did you go to Country Gaule?"

Xiang Kunlun asked curiously.

Yang Luo said, "I'm here with my fiancée to do something.

"By the way, Brother Xiang, what's the matter?"

Xiang Kunlun said, "Brother Yang, it's like this.

A few days ago, the Martial Alliance of Elephant Country joined forces with the

Martial Alliance of Country Noodle, the Martial Alliance of Country Asan, the

Martial Alliance of Country Southpeace, and the Martial Alliance of Country Banana to challenge me.

They want to fight me on Gaman Island. Furthermore, the battle invitation they issued includes you, Brother Xu, Brother Bujie, and Sister Prajna.

They said that they wanted to challenge the five of us.”

Yang Luo laughed happily and said, “A group of clowns actually dares to

challenge us. They’re really bold!”

“Right?”

Xiang Kunlun smiled and said, “I originally planned to call you guys along.

Since you’re in Country Gaule, I’ll go alone.”

“Don’t!”

Yang Luo hurriedly said, “I’ll return to Country Hua tomorrow morning. Let’s go together then!”

“You’ll be back tomorrow?”

Xiang Kunlun laughed, “Alright, I’ll wait for you in Deer City in Qiong State tomorrow.

When you arrive, contact me directly.”

“No problem!”

Yang Luo responded.

After chatting for a while, Yang Luo hung up.

He threw the phone on the bedside table and narrow’ed his eyes.

He never expected that Country Elephant and Country Asan would join forces with the Martial Alliance of the other three countries to challenge them.

It seemed that if they did not defeat them in one go, they would not know fear.

He would join for the challenge then. At the same time, he could also use those fellows as a whetstone and let Xu Ying, Bujie, and Prajna train.

As he thought about it, Yang Luo could no longer hold back his sleepiness. He closed his eyes and fell asleep.

Half an hour later.

Su Qingmei walked out of the bathroom.

“Yang Luo, hurry up and shower!”

She called out, but there was no response.

She looked up and saw that Yang Luo was already sound asleep.

She also knew that Yang Luo had to be exhausted tonight, so she did not wake him up again.

Instead, she walked to the bed.

She stared at Yang Luo's face for a while, her eyes filled with tenderness.

"Yang Luo, thank you..."

She whispered and leaned down to kiss Yang Luo on the lips.

After kissing him, she immediately felt her face burn and turn red.

She quickly crawled onto the bed and covered her face with the blanket. She

felt like her heart was about to jump out...

The next morning.

In the restaurant on the first floor of the hotel.

Yang Luo and the other three were having breakfast.

Recalling what Xiang Kunlun said last night....

Yang Luo said, "Qingmei, take a private plane back to Jiang City later. Xu Ying,

Bujie, and Prajna will take another plane to Deer City in Qiongzhou."

“Huh?”

Su Qingmei looked puzzled, “Why are you going to Deer City in Qiongzhou?”

Xu Ying, Bujie, and Prajna also looked at Yang Luo in confusion.

Yang Luo said, “Big Brother Xiang asked me to go to Deer City to do something.”

Su Qingmei asked, “What did the Chief ask you to do?”

“Uhhh...”

Yang Luo shook his head and said, “At the moment, I don’t know what it is either.”

He did not say it directly in case Qingmei got worried again.

“Alright.”

Su Qingmei didn’t ask further. Instead, she said, “No matter what you’re going to do, remember to go home quickly after you’re done.”

“Alright!”

Yang Luo nodded in agreement.

By the time Yang Luo and the others finished breakfast...

Carlton, Claude, Maria, and the old butler all arrived at the hotel. After that, Carlton and the other three sent Yang Luo and the others to the airport.

In the departure hall.

Carlton took out the contract and handed it to Yang Luo, "Mr. Yang, I've already sorted out the shares contract of the Atlantis Hotel.

You only need to sign your name on it and the shares of the hotel will belong to you."

Yang Luo nodded and took the contract and pen to sign his name.

Carlton said, "Mr. Yang, Miss Su, are you really in such a hurry to go back?

Why don't you stay for a few more days? I can treat you well."

Su Qingmei said, "Mr. Carlton, there's no need to trouble yourself. We've already played happily here for a few days.

When we have time in the future, we will visit you again.

Carlton nodded and said, "Alright, I'll welcome you anytime!" Yang Luo looked at the time and said, "Mr. Carlton, we'll leave first.

Carlton said, "Mr. Yang, take care. If you need any help in the future, you can contact me at any time!"

"Alright!"

Yang Luo responded.

Then, Su Qingmei boarded a private plane and flew straight to Jiang City.

Yang Luo took Xu Ying, Bujie, and Prajna on a plane to Deer City in Qiongzhou. On the plane.

Bujie finally could not hold it in anymore and hurriedly asked, “Brother Yang, why did Big Brother Xiang call us to Deer City in Qiongzhou?”

Xu Ying and Prajna also looked at Yang Luo in confusion.

Only then did Yang Luo tell them what Xiang Kunlun had told him last night.

After hearing Yang Luo’s words...

“Pfft...”

Bujie immediately laughed out loud, “These five Martial Alliances are really bold. They actually dare to challenge Big Brother and us at the same time!

One Big Brother Xiang was already terrifying enough. Together with us, they were simply an invincible combination!

These fellows are simply tired of living!”

Xu Ying pouted and said, “Bujie, don’t flatter yourself. The real scary ones are Brother Xiang and Brother Yang, okay?”

Bujie chuckled and said, “Let’s kill indiscriminately with Brother Xiang and Brother Yang. We’ll be in charge of cackling and Brother Xiang and Brother Yang will be in charge of killing indiscriminately!”

Xu Ying narrowed his eyes and said, “I really want to see how powerful the martial artists of the five Martial Alliances are!”

Bujie and Prajna’s eyes were also filled with anticipation...

At the same time...

Southeast region.

There was an uninhabited island on a certain sea.

The island was filled with mountains, dense forests, and small rivers.

The island was called Gaman Island. It was an uninhabited island.

It was a distance away from Country Hua, Elephant Country, Country Noodle, Country Asan, Annan Country, and Country Banana, but not too far away.

At this moment.

There was a group of people standing by the island.

The leader was the current Alliance Master of the Elephant Country's Martial Alliance, "Violent Bear" Pato!

Behind him stood ten people from the Elephant Kingdom!

There were men and women, old and young. All of them exuded a powerful pressure and aura, and their auras were extraordinary!

These people from the Ten Elephant Kingdom were the experts from the Elephant Kingdom that Pato had gathered over the past few days!

Each of these ten experts were true powerful Martial Warriors with glorious battle records!
