### Chapter 851: Black Demon Sword Emperor!

After Yang Luo and the other three boarded the plane, they went to the four seats reserved in the first-class cabin and sat down.

Bujie chuckled and said, "I heard that Dibai is extremely rich and there are luxury cars everywhere.

There is even a saying there, that 'With a piece of cloth on my head, I can be the richest in the world.'

I want to see if it's really that exaggerated."

Yang Luo was caught between laughter and tears as he said, "Bujie, we're going to Dibai to help Momo solve her problem. Why do you look like you're going on a trip?"

Bujie grinned and said, "Hey, solving a problem and traveling are the same!"

"Brother Bujie is right!

We're just solving problems while traveling. It's quite good!"

Prajna added with a smile.

Yang Luo was about to speak, but stopped short.

This was because a call had come in.

He took out his phone and realized that it was King Williams of Country Windmill.

Why was this old man calling?

Yang Luo was puzzled and picked up the call.

“Haha, Mr. Yang, how have you been?”

A hearty laugh sounded.

“Pretty good.”

Yang Luo replied and asked, “Mr. Williams, why are you calling me?”

Williams said, “Mr. Yang, it’s like this. The daughter of a friend of mine has a problem and wants you to treat her.”

“Has a problem?”

Yang Luo looked puzzled, “Don’t you mean that she’s sick?”

Williams said, “It seems like he’s sick, but it also doesn’t seem like it.

In short, I can’t tell what’s going on.”

Yang Luo said, “Mr. Williams, I’m going to Dibai to do something.

How about this? When I come back, get your friend to bring his daughter to see me.”

“Mr. Yang, you’re coming to Dibai?!”

Williams immediately became excited when he heard that.

“Yeah, what’s wrong?”

Yang Luo revealed a weird expression.

Williams said, “Mr. Yang, my friend is in Dibai. I’m with my friend now!”

“What a coincidence!”

Yang Luo smiled and said, “Alright, we’ll contact each other when I reach Dibai.”

“No problem!”

Williams agreed immediately.

“Brother Yang, who’s calling?”

Bujie asked.

Yang Luo replied, “It’s a call from the King of Country Windmill. He asked me to help his friend. Coincidentally, that friend of his is in Dibai...”

Bujie smiled happily, “Alright, looks like we’ll have to run around in Dibai this time.”

At this moment...

A haughty voice sounded.

“Get up. I want to sit in this seat!”

Yang Luo turned around and saw a young woman in a Chanel short skirt, carrying a Prada bag, and wearing heavy makeup. She was wearing aviator glasses and was standing in front of him with an arrogant expression.

Behind the young woman was a fashionably dressed middle-aged woman with the same nose in the air.

Yang Luo frowned and asked, “Why?”

The young woman lifted her chin and said, “I like the seat by the window, and your seat happens to be by the window, so I want to sit here.”

Yang Luo said speechlessly, “Do I have to give it to you just because you want to sit? Who are you?”

At this moment, the middle-aged woman said in surprise, “Sir, don’t you even know this person in front of you?”

Yang Luo asked, “Should I know her?”

“Oh my god, Xiaoya, there’s actually someone who doesn’t know you!

This person came from the countryside, right?”

The middle-aged woman put on an exaggerated expression, then coughed lightly and said, “Sir, then you have to listen carefully!

The person in front of you is the most popular female star in the entertainment industry now, Tang Xiaoya!

Right now, there's a popular olden-styled drama that's currently being broadcasted. Our Xiaoya is the female lead!"

"Oh... celebrity..."

Yang Luo looked enlightened and shook his head, "I don't know her."

"You..."

Tang Xiaoya pointed at Yang Luo and seemed to react. She sneered and said, "I know. You want to use this method to attract my attention, right?"

As she spoke, she took out a pen and prepared to write on Yang Luo's clothes.

"What the hell is wrong with you? Who allowed you to draw on my clothes?"

Yang Luo quickly dodged.

Tang Xiaoya said in surprise, "What are you hiding for? I'm going to give you an autograph, okay?"

Do you know how many fans now want my autograph?

Don't be ignorant of your blessings!

Hurry up, I'll give you an autograph and you can give up your seat to me."

Yang Luo was instantly amused, "Who gave you the confidence to think that I want your autograph?"

Don't confuse me with your die-hard fans!"

Tang Xiaoya seemed to understand something and said, "Oh, you don't want an autograph. Could it be that you want money?

Tell me earlier, I have plenty of money!"

As she spoke, Tang Xiaoya took out a stack of banknotes from her bag and threw them at Yang Luo, "Here's 5,000 yuan. Take the money and quickly give up your seat!"

Yang Luo threw the money on the ground and said coldly, "Take your money and get lost!"

"You, you, you..."

Tang Xiaoya was shocked and furious.

She clearly did not expect someone to not want her autograph, and not even money!

"Why are you still standing here?

Piss off!"

Yang Luo shouted coldly with a cold glint in his eyes.

When she met Yang Luo's gaze, Tang Xiaoya immediately felt a chill run down her spine and her entire body trembled.

Somehow, she felt that she was not facing a human, but a ferocious beast.

"Just you wait!"

Tang Xiaoya left a harsh sentence and turned around to leave.

The middle-aged woman quickly picked up the money and said fiercely, "Kid, how dare you offend our Xiaoya? You're finished!"

With that, the middle-aged woman left.

After the two of them left...

Bujie and Prajna could no longer hold back their laughter.

Even the stoic Xu Ying started laughing.

Bujie shook his head and said, "You really meet all kinds of strange people every year. There are especially many this year!

There's actually someone who dares to throw money at you, Brother Yang. Awesome!"

Yang Luo also smiled and shook his head. He didn't take it seriously at all. Instead, he closed his eyes and began to conserve his energy...

...

At the same time...

Country Sakura.

Guan City.

In a certain beautiful place.

Mountains rose and fell continuously, and waterfalls rushed down from the top of the mountain, rolling with white waves.

At this moment.

A tall and thin old man in a gray kimono with a mustache held a long sword in his hand. He stepped on the river and faced the eighteen waterfalls with his eyes closed, as if he was comprehending something.

After more than ten minutes...

The old man's eyes widened, and two dazzling black lights shot out from his eyes!

Then, he slowly waved the sword in his hand and slashed forward!

Swoosh!

A resplendent black sword light shone in all directions, and a ferocious and domineering sword qi wreaked havoc!

In the next second...

A huge black sword directly cut through 18 waterfalls!

The 18 waterfalls broke into two in an instant. It took a few seconds before they connected again!

After slashing horizontally!

The old man gripped his sword tightly with both hands and slashed at the mountains in front of him!

Swoosh!

With a slash, an even more blazing sword beam erupted. Sword qi soared into the sky, and the huge sword blade seemed to want to tear apart the world!

Boom! Boom! Boom!

Accompanied by a series of loud bangs!

Immediately, three mountains were slashed apart by the sword, as if canyons had been slashed out. It was incomparably spectacular!

The old man sighed and shook his head, "I still haven't comprehended the ultimate profundity of the Sword Dao!

"With my Sword Dao, when can I catch up to Lord Sword Sage?"

Pa pa pa!

At this moment, the sound of applause could be heard.

Accompanied by applause, there was another round of applause.

"Good, good, good! As expected of the Black Demon Sword Emperor. This sword technique is simply superb and comparable to a god. It's really shocking!"

Chapter 852: A Blood Debt Must Be Paid in Blood!

The old man slowly turned around and looked up.

This moment, a group of men in suits walked over.

The leader was a middle-aged man in a black suit with a small beard.

This middle-aged man was the person in charge of Country Sakura, Masahiro Ono.

Behind them were a few higher-ups and bodyguards from Country Sakura.

“Greetings, Lord Black Demon Sword Emperor!”

After walking to the river, Masahiro Ono and the others bowed respectfully.

The old man in front of them was actually the famous “Black Demon Sword Emperor” Kurokawa Ichiro, one of the eight Martial Emperor Realm experts in Country Sakura’s martial arts world!

Kurokawa Ichiro took a step forward and directly crossed a hundred meters, arriving at the shore from the center of the river.

This move shocked Masahiro Ono and the others again.

“Ono-kun, why are you looking for me?”

Kurokawa Ichiro asked indifferently.

Masahiro Ono bowed and said respectfully, “We implore the Black Demon Sword Emperor to come out of seclusion and save the face of our Country Sakura!”

“To save the face of Country Sakura?”

Kurokawa Ichiro glanced at Masahiro Ono, "Tell me, what exactly is it?"

"Hai!"

Masahiro Ono nodded and said, "Not long ago, a group of Chinese people barged into our Country Sakura!

"They destroyed our Eighth Hong Pagoda, destroyed the ten great ninja sects, severely injured the four Onmyoji sects, and various martial arts sects. They even killed many of our people!

We wanted to kill them, but we failed in the end!

This was the humiliation of our Country Sakura. It is a huge humiliation!

I hope that Lord Black Demon Sword Emperor will come out of seclusion and kill those fellows to wash away our humiliation and avenge us!"

Kurokawa Ichiro narrowed his eyes and said, "I've heard about this.

Those guys are indeed too hateful. Do they really think that no one in the martial arts world of Country Sakura can subdue them?

It just so happens that my Sword Dao has encountered a bottleneck. I need to find someone to sharpen it."

Masahiro Ono was delighted and asked, "Then you agree?"

Kurokawa Ichiro nodded and said proudly, "Don't worry. I'll definitely kill those guys with my sword!

I'll take their heads back and pay respects to the martial arts heroes who died in our Country Sakura!"

Masahiro Ono laughed loudly and said, "With the Black Demon Sword Emperor taking action, those guys are dead meat!"

"Of course. Lord Black Demon Sword Emperor's strength is extraordinary. He will definitely be able to kill all those guys!"

"The day the Black Demon Sword Emperor steps into that land will be a nightmare for those people!"

"Finally, I can take revenge for the blood feud and avenge my previous humiliation!"

The other higher-ups were also excited.

At the same time...

Kumamoto City.

Mount Asu.

One of the famous active volcanoes in Country Sakura.

At this moment.

An old man stood on a mountaintop that was more than a thousand meters tall.

This old man was more than 1.9 meters tall and burly. He was wearing a black kimono and held a blood-red spear in his hand.

The sunlight shone down, and the spear in his hand flickered with a dazzling blood-colored light.

Not far away was the mouth of the volcano.

However, the surging heat coming out of it could not affect the old man at all.

At this moment...

The old man suddenly stomped down!

Bang!

The entire mountain shook, and the rocks under his feet exploded into pieces!

The old man flew dozens of meters into the sky!

After flying into the sky!

The old man suddenly swept his spear out!

And in that instant!

Boom! Boom! Boom!

The volcano below and the surrounding volcanoes spat out lava at the same time!

Lava surged into the sky like huge waves, extremely terrifying!

Furthermore, after the lava soared into the sky, it turned into huge tigers!

Then, the old man threw the spear in his hand into the distance!

Swoosh!

The blood-colored spear whistled out, drawing a blood-colored rainbow in the air. It was incomparably dazzling!

“Roar, roar, roar!”

The ferocious tigers condensed from lava let out roars and followed the spear into the distance!

At that very moment...

DONG!

The blood-colored spear instantly pierced through a volcano!

And right on the heels of that...

Dong, dong, dong!

Three more volcanoes were pierced through!

Rumble!

The ferocious tigers that rushed over from behind shattered all the four volcanoes!

Thick smoke billowed, lava soared into the sky, and rocks flew!

At this moment...

Cars drove over from afar and stopped at the foot of the mountain.

A group of men in suits got out of the car.

When they saw the scene on the mountaintop, all of them were dumbfounded.

“Could this commotion be caused by the Blood Tiger Spear Emperor?!”

“As expected of a Martial Emperor Realm expert. He can casually cause mountains to collapse and the ground to crack. He’s really too terrifying!”

“If we can get the Blood Tiger Spear Emperor to come out of seclusion, it will be easier to kill those people from Country Hua!”

Everyone exclaimed.

They didn’t have to wait long.

Suddenly, a hoarse voice sounded.

“What are you doing here?”

Everyone turned around and saw a figure walking over with a blood-colored spear.

It was the old man on the mountaintop just now.

“Greetings, Lord Blood Tiger Spear Emperor!”

Everyone bowed respectfully.

The old man in front of him was one of the eight Martial Emperor Realm experts of Country Sakura, the “Blood Tiger Spear Emperor”, Satoru Fukuhara!

Satoru Fukuhara looked up at a man wearing gold-rimmed glasses and asked, “Hattori-kun, why are you here?”

The man in gold-rimmed glasses hurriedly said, “Lord Blood Tiger Spear Emperor, we want to ask you for help!”

“Tell me, what do you want me to help with?”

Satoru Fukuhara asked.

The man in gold-rimmed glasses did not hide anything. He told Satoru Fukuhara the truth about the destruction of the Eighth Hong Tower and the destruction of the ten great ninja sects.

After listening to the man in gold-rimmed glasses...

Satoru Fukuhara’s expression darkened.

He said coldly, “Those Hua people are really hateful. Are they declaring war on our Country Sakura’s martial arts world by doing this?”

“If I hadn’t been in seclusion at that time, how could those fellows have left our Country Sakura alive!”

“I’ll definitely help you with this. In a few days, I’ll set off for Country Hua and kill all those fellows!”

A debt of blood must be paid in blood!”

“Thank you, Lord Blood Tiger Spear Emperor!”

The man in gold-rimmed glasses and the others bowed deeply again.

On the other side...

On an island near Country Sakura.

Because this island was too small and there were too many mountains, no one lived on it.

However, at this moment, an old man was standing on the tallest mountain in the center of the island.

This old man was wearing a white kimono. He had a lean figure and his face was filled with scars. This made him look a little scary.

In front of the old man was a dark purple saber.

At this moment.

The old man shouted!

“Saber, come!”

Whoosh!

Accompanied by a crisp saber sound!

The long saber soared into the sky like a dark purple rainbow!

Rumble!

A large patch of clouds in the sky was pierced through and exploded!

Chapter 853: Wait for My Good News!

The moment the long saber soared into the sky!

The old man stomped on the ground and collapsed the mountaintop. His body flew into the sky!

He reached out with his right hand and grabbed the long saber. Then, he waved it forward!

Swoosh!

With a wave of his saber, a dark purple saber beam erupted, and a sharp and terrifying saber qi swept in all directions!

Boom! Boom! Boom!

Accompanied by a series of loud bangs!

The mountains in front of him were directly cut in half and shattered into pieces by the saber qi!

Just as the old man was about to swing his saber again...

He suddenly sensed something and looked up at the distant sea.

A medium-sized yacht was approaching from afar.

A cold smile flashed across his lips. Then, his figure flashed on the mountains as he rushed towards the sea.

At this moment.

On a yacht in the distance.

There were more than ten men and women in suits standing on the deck.

The leader was a middle-aged woman in a gray uniform skirt suit and silver-rimmed glasses.

“What happened on the island just now? Why is there such a huge commotion?!”

“Isn’t that so? Those mountains have all exploded!”

“It must be caused by the Ghost-Faced Saber Emperor’s techniques!”

Everyone started discussing in shock.

“Look ahead, there seems to be someone running on the sea!”

At this moment, someone exclaimed.

Everyone looked up at his shout!

As expected...

A figure was running towards them from the direction of the small island.

It was the old man on the island just now.

The old man smoothly ran across the sea, shocking everyone on the yacht.

However, just as everyone was staring in shock...

The old man raised the long saber in his hand and slashed over!

At that very moment...

Rumble rumble rumble!

The sea in front of the yacht seemed to have been split into a hundred-meter-deep abyss!

The seawater poured down into the abyss, terrifying to the extreme!

Once the yacht approached, it would definitely be drowned by the seawater. The ship would be destroyed and everyone would die!

“Stop the ship! Stop the ship now!”

Someone shouted in fear.

The yacht quickly stopped and did not dare to move forward!

Meanwhile, the old man had already approached!

He kicked his feet and his body flew in a high parabola in the air. He crossed the abyss and landed steadily on the deck!

The people on the deck were stunned for a moment before bowing.

“Greetings, Ghost-Faced Saber Emperor!”

The old man in front of them was Furuta Kasaneyama, one of the eight Martial Emperor Realm experts of Country Sakura’s martial arts world!

Furuta Kasaneyama looked up at the woman in silver-rimmed glasses and asked indifferently, “Miss Kato, why are you looking for me?”

The woman in silver-rimmed glasses adjusted her glasses and said respectfully, “Ghost-Faced Saber Emperor, it’s like this...”

She concisely told Furuta Kasaneyama about the destruction of the Eighth Hong Tower and the ten great ninja sects.

After hearing the silver-rimmed glasses woman’s words...

Furuta Kasaneyama said in a low voice, “This is already a battle between our Country Sakura and Country Hua’s martial arts world!

“I’ve been in seclusion for so long. It’s time for me to drink blood with the Ghost Weeping Saber in my hand!”

With that, Furuta Kasaneyama turned around and jumped onto the sea.

Then, he stepped out step by step and instantly distanced himself from the yacht. Not long after, he arrived at the island.

Just as everyone was in a daze, a powerful voice sounded.

“Tell Ono-kun to wait for my good news!”

Hearing this...

Joy appeared on the faces of the people on the deck.

...

It was past five in the afternoon.

Dibai Airport.

Travellers from all over the world came and went.

Yang Luo, Xu Ying, Bujie, and Prajna walked out of the exit.

After walking to the hall...

Yang Luo took out his phone and called Qin Yimo.

As soon as the call went through...

Qin Yimo’s voice sounded.

“Brother Yang, have you arrived at Dibai?”

“Momo, we’re already at Dibai. Where are you?”

“I’m in room 1608 at the Atlantis Hotel.”

“Atlantis Hotel?”

Hearing the name of this hotel, Yang Luo was stunned.

Qin Yimo asked in confusion, “What’s wrong? Is there a problem?”

“Oh, nothing. We’ll be right over.”

Yang Luo replied and hung up.

“Brother Yang, where is Miss Qin?”

Bujie asked.

Yang Luo replied, “The Atlantis Hotel.”

“Ah?”

Bujie was also stunned, “I think the hotel shares that old man Carlton gave you belong to the Atlantis Hotel, right?”

“That’s right.”

Yang Luo nodded in reply.

Bujie smiled happily and said, "Then this is considered a visit by the chairman. Hurry up and call the hotel and get them to send someone to pick us up. I don't want to squeeze into a taxi."

"Alright."

Yang Luo nodded and took out his phone to call the hotel's general manager, Jerome.

Previously, after Carlton transferred the shares to him, he had also sent the information of the other higher-ups of the hotel to his email.

After the call.

Yang Luo and the other three arrived at the airport entrance.

Not long after...

A line of Rolls-Royce cars drove over.

The lead car was a Rolls-Royce Phantom extended version.

Soon, the convoy stopped.

A tall, beautiful, and capable Caucasian woman got out of the car and walked towards Yang Luo and the others.

After the Caucasian woman approached, she bowed to Yang Luo and said respectfully, "Hello, Chairman. I'm the lobby manager of Atlantis, Bellina.

When the general manager found out that you were here, he specially asked me to pick you up."

“You know me?”

Yang Luo asked curiously.

Bellina smiled and said, “Chairman, Mr. Carlton has long sent your information to the management of our hotel.

When our general manager found out that you were here, he rushed to the hotel and said that he wanted to receive you personally.”

“I see.”

Yang Luo nodded in realization and said, “Actually, there’s no need to go through so much trouble. I’m just unfamiliar with this place, so I wanted you to pick me up.”

“No, no, no!”

Bellina shook her head repeatedly, “That’s would be problematic. You’re the chairman, so we naturally have to receive you with the highest standards!”

Yang Luo nodded in realization, “Alright, let’s go to the hotel.”

“Chairman, please!”

Bellina gestured for him to go ahead.

Then, Yang Luo and the other three followed Bellina into the lead Rolls-Royce Phantom and left the airport.

When Yang Luo and the others had just left.

Tang Xiaoya and her manager, Xue Mei, ran out with a few bodyguards.

Tang Xiaoya looked at the departing convoy and said enviously, "I wonder which big shot they sent so many Rolls-Royces to pick up."

Xue Mei smiled and said, "Xiaoya, when you become even more popular in the future, you'll be able to enjoy this treatment wherever you go."

"Of course!"

Tang Xiaoya nodded proudly. Then, she looked around and frowned, "Eh, where's that bastard? Why is he gone?"

Xue Mei sneered and said, "That kid probably ran away the moment he got off the plane because he was afraid that you would take revenge on him."

"Hmph!"

Tang Xiaoya snorted and said, "He's lucky this time. If I meet him next time, I'll definitely kill him!"

How dare you look down on me and throw money at me? You have a death wish!"

At this moment, an Alpha huge van drove over.

Xue Mei said, "Xiaoya, let's go back to the hotel."

"Alright."

Tang Xiaoya nodded and left the airport with Xue Mei and the others.

## Chapter 854: He's Actually the Chairman?

On the way to the Atlantis Hotel.

Bellina carefully introduced some famous buildings in Dibai to Yang Luo and the others.

"Miss Bellina, what are the names of those strange buildings?"

Bujie pointed at the strange buildings in the distance and asked curiously.

Bellina introduced, "That's the famous Candle Building in Dibai!

From afar, it looks like a burning flame or a dancing girl!"

Bujie clicked his tongue and said, "The design of this building is really unique."

"Miss Bellina, what's the name of that tall building then?"

Yang Luo pointed at a tall building in the distance and asked.

Bellina said, "Chairman, that's the world's tallest building, the famous Khalifa Tower!

The building is 828 meters tall and has a total of 126 floors. If count the floors underground, it will reach 169 floors!"

"F\*ck me!"

The corners of Bujie's mouth twitched, "A building that's 828 meters tall is too scary!

As expected, Dibai is displaying her wealth to the extreme!"

Bellina smiled and said, "There are many world-famous buildings in Dibai. If you're not busy, you can have fun here for a few days."

Yang Luo nodded and did not say anything else.

After all, he did not come here to play, but to settle some business.

In the following period of time...

Bellina continued to introduce Dibai to Yang Luo and the others.

Yang Luo and the others also had a preliminary understanding of Dibai.

After driving for nearly an hour, they finally arrived at the largest artificial island in Dibai, Palm Island.

The Atlantis Hotel was located here.

At this moment.

Tang Xiaoya and Xue Mei had also arrived at the entrance of the hotel in the Alpha huge van.

The moment they got out of the car, Miss Tang and Xue Mei were stunned.

A red carpet was laid out from the entrance of the hotel to the hall. Two rows of ushers stood on both sides of the red carpet.

In front of them stood a group of men and women in suits with outstanding auras.

The leader was a Caucasian middle-aged man.

Everyone in and out of the hotel was discussing who the hotel was going to welcome today. It was so grand.

“Oh my god, why did the Atlantis Hotel make such a big scene today?!”

From the looks of it, they seem to be welcoming someone!

Moreover, even the hotel’s general manager, Mr. Jerome, came to welcome him personally!”

Tang Xiaoya could not help but exclaim.

Xue Mei suddenly thought of something and said, “Little Ya, Mr. Jerome and the others must be here to welcome you!

The movie you’re going to participate in this time was invested and filmed by Modern Entertainment Corporation. Modern Entertainment Corporation is Dibai’s largest entertainment company!

The chairman of the Modern Corporation must have informed the hotel, so Mr. Jerome and the others came to welcome you!”

Tang Xiaoya nodded excitedly, "Yes, yes, yes. That must be it!"

Xue Mei also said excitedly, "Then what are we waiting for? Let's hurry over!"

Then, the two of them walked towards Jerome and the others.

As they walked over...

Tang Xiaoya raised her head slightly and said with a smile, "Hello, Mr. Jerome. I'm Tang Xiaoya. Are you here to pick me up?"

Seeing Tang Xiaoya walk up to Jerome, the onlookers were all shocked.

"Could it be that Mr. Jerome is here to welcome this woman?"

"Who is this woman? Why is Mr. Jerome welcoming her personally?"

"However, this woman's looks and figure are indeed not bad. She probably has a powerful background!"

Everyone started discussing in low voices.

Tang Xiaoya enjoyed everyone's gazes and raised her chin even higher.

However, Jerome looked at Tang Xiaoya in confusion and asked, "Miss, who are you? Do we know each other?"

Tang Xiaoya was stunned and hurriedly said, "Mr. Jerome, I'm Country Hua's celebrity, Tang Xiaoya!

Didn't the chairman of Modern Entertainment Group greet you, so you brought someone to welcome me?"

Jerome frowned and said, "I'm sorry, but the chairman of Modern Entertainment Group didn't tell me to pick you up.

We're picking up the chairman of our hotel."

"Ah?"

Tang Xiaoya was dumbfounded and her face turned red.

Xue Mei was also embarrassed.

They had thought that Jerome and the others were here to pick them up, but who knew that they were here to pick up their chairman?

Jerome was a little unhappy, "Can the two of you make way? If you block here, you'll block our chairman's path later!"

"Little Ya, let's go!"

Xue Mei quickly pulled Tang Xiaoya aside.

"Hahaha..."

"So Mr. Jerome didn't come to welcome this woman. I knew it. This woman doesn't look like a big shot!"

When the onlookers saw this, they immediately laughed. So it was a mistake.

Hearing everyone's laughter, Tang Xiaoya and Xue Mei's expressions became even better. They wished they could find a hole to hide in.

At this moment...

A line of Rolls-Royce cars drove over and stopped at the entrance of the hotel.

Tang Xiaoya said in surprise, "Could it be that this luxury car fleet is picking up the chairman of the Atlantis Hotel?"

Xue Mei nodded and said, "It must be. Otherwise, who would have such good treatment!"

"Coming, coming, the chairman is here!"

Jerome was overjoyed. He quickly ran over and personally opened the door of the lead Rolls-Royce Phantom.

The other upper echelons of the hotel stood respectfully on both sides.

The car doors opened.

A young man from Country Hua got out of the car. He was dressed in ordinary clothes and had a thin and tall figure. At the same time, he had a delicate face. It was Yang Luo.

“Why is it him?!”

The moment she saw Yang Luo, Tang Xiaoya couldn't help but exclaim in shock.

“Could this kid be the chairman of the Atlantis Hotel?!”

Xue Mei was also stunned, her eyes filled with disbelief.

“Impossible, absolutely impossible.”

Tang Xiaoya shook her head and said, “If this kid is the chairman of the Atlantis Hotel, why didn't he take a private plane?”

“Good point.”

Xue Mei nodded and said, “The chairman of the Atlantis Hotel should be very, very rich.”

Right after he finished his sentence...

“Chairman, welcome to inspect the hotel!”

A uniform voice sounded.

Tang Xiaoya and Xue Mei looked over in a daze.

Jerome and the other upper echelons of the hotel bowed to Yang Luo at the same time, their faces filled with respect.

Bang!

Tang Xiaoya and Xue Mei felt as if they had been struck by lightning. They stood rooted to the ground like wooden stakes!

Chairman!

This ordinary-looking kid was really the chairman of the Atlantean Hotel!

Tang Xiaoya said in a panic, “What should I do? I treated him like that on the plane and even threw money at him. He, he won’t blame me, right?!”

Xue Mei also said in horror, "Such a big shot shouldn't lower himself to our level. Go, go, go. Hurry up and move away."

The two of them quickly hid to the side, not daring to enter the hotel in advance. Their bodies were trembling.

Yang Luo naturally noticed Tang Xiaoya and Xue Mei.

However, he was really not interested in arguing with such a small fry. He pretended not to see it and followed Jerome and the others towards the hotel.

"Good afternoon, Chairman!"

The ushers on both sides bowed their heads.

Only when Yang Luo and the others entered the hotel...

Did Tang Xiaoya and Xue Mei heaved a sigh of relief. Their foreheads were already covered in cold sweat.

They had never expected a young man they had casually offended on the plane to have such a powerful background. It was too terrifying.

## Chapter 855: The Prince's Courtship!

The onlookers at the door also exploded.

"So Mr. Jerome is here to welcome the hotel's chairman!"

"But isn't the hotel's board of directors Mr. Carlton from Gaule? How did it become this Country Hua kid?!"

"Looks like this Country Hua kid is definitely not a simple person!"

After walking into the hotel...

Jerome smiled and said, "Chairman, we've booked a restaurant and want to treat you to dinner. What do you think?"

Yang Luo waved his hand and said, "Jerome, I appreciate your kindness.

However, I'm here this time to settle a private matter. You don't have to worry about me. Just go do your own things."

Jerome said, "How can we do that? This is your first time in the hotel, so we naturally have to treat you well."

"There's really no need. Alright, go do your own things."

With that, Yang Luo led Xu Ying, Bujie, and Prajna to the elevator.

Yang Luo and the other three took the elevator all the way to Room 1608 and pressed the doorbell.

Soon, the door opened and a beautiful figure appeared in front of Yang Luo and the others. It was Qin Yimo.

The woman was wearing a light blue dress, revealing her long, slender, and fair legs. Her smooth black hair was tied back, revealing her exquisite face. Even though she was bare-faced, she was still breathtakingly beautiful.

“Brother Yang, you’re finally here!”

Qin Yimo threw herself into Yang Luo’s arms.

Yang Luo sighed in his heart. Thinking about it, he hadn’t seen this woman for a long time.

However, he heaved a sigh of relief when he saw that the woman was fine.

Bujie smacked his lips and said, “Oh my god, Miss Qin, why are you only greeting Brother Yang the moment you meet him? Are we not your friends?”

Qin Yimo chuckled and said, “Brother Bujie, Brother Xu Ying, Sister Prajna, long time no see!”

Prajna hurriedly walked forward and held Qin Yimo’s hand, “Sister Qin, Brother Yang said that you’re trapped in Dibai and can’t come back. I was so worried. What happened?”

Qin Yimo said, “Let’s talk inside.”

After walking to the living room...

Everyone sat on the sofa.

Qin Yimo poured a glass of water for the four of them and said, “A week ago, I came to Dibai to discuss a collaboration with the President of Modern Entertainment Group, Mr. Inoch. We had planned to film a big movie in Dibai.

After negotiating a collaboration, Mr. Inoch invited me to a banquet. I couldn’t say no, so I went.

Those attending that banquet were all big shots from various fields in Dibai. Even the prince of the Dibai royal family, Harmandy, was there.

Later on, I found out that Modern Entertainment Corporation was one of the businesses under Harmandy’s name.

But the problem was with Prince Harmandy.

When Mr. Inoch introduced me to Harmandy, Harmandy openly expressed that he liked me and wanted to marry me.

Naturally, I was unwilling, so I rejected it. I thought Harmandy would let it go.

But who knew that ever since the banquet, Harmandy would come to the hotel every day to confess to me?

He even said that he wanted to keep me in Dibai and marry me. I’ve been so annoyed these past few days...”

After hearing Qin Yimo’s words...

Only then did Yang Luo and the others understand what was going on.

Bujie smiled happily and said, “Miss Qin is indeed a goddess. Even Prince Dibai is mesmerized by you.

However, Miss Qin, if you can become the princess consort of Dibai, you can really have whatever you want. How good would that be?"

Qin Yimo said helplessly, "Brother Bujie, stop teasing me. I really don't want to be a princess consort."

Yang Luo said, "Momo, you can leave directly. Why did you say that you're trapped here?"

Qin Yimo said, "Harmandy has sent many people to monitor me around the hotel. No matter where I go, I'll be followed.

This is Harmandy's territory after all. As long as he says the word, I can't go anywhere."

Yang Luo frowned and said, "Although it's right to pursue the woman he likes, he's going overboard."

Prajna waved her fist and said angrily, "Sister Qin, with us around, you don't have to be afraid!

If we want to leave, let's see who dares to stop us!"

"That's right!"

Bujie was not afraid at all, "What bullsh\*t royal family? If they dare to provoke us, we'll directly sweep them away!"

Yang Luo thought for a moment and said, "How about this? I'll call my friend and ask him to help deal with it."

"Brother Yang, who is your friend? Can he help?"

Qin Yimo asked curiously.

Yang Luo said, "My friend is the king of Country Windmill. Coincidentally, he's also in Dibai now. Perhaps he can help."

"King of Country Windmill?"

Qin Yimo's beautiful eyes widened, "You even know the king of the Country Windmill?!"

Yang Luo shrugged and said, "We met by chance."

I didn't know this person at first, but he came to Country Hua to look for me, so we got to know each other after a while."

Bujie smacked his lips and said, "Brother Xu, Sister Prajna, take a look. What do you mean by pretentious? Learn from him."

Pa!

Yang Luo slapped Bujie's bald head and said angrily, "What pretentious act? I'm telling the truth."

With that said, Yang Luo took out his phone and called Williams.

As soon as he finished the call, the doorbell rang.

Qin Yimo quickly ran over and opened the door.

A female attendant ran in and said, "Miss Qin, Prince Harmandy is here again!"

"Ah?! Again?!"

Qin Yimo rubbed her forehead, feeling like she was about to collapse.

At this moment, the female attendant noticed Yang Luo in the living room and was shocked, "Chairman, you're here too!"

"Chairman?"

Qin Yimo looked puzzled, "What chairman?"

The attendant pointed at Yang Luo and said, "This Mr. Yang is the chairman of our Atlantis Hotel!"

"What?!"

Qin Yimo was stunned.

She looked at Yang Luo in a daze, "You're the chairman of this hotel?!"

"Er... yes."

Yang Luo nodded in reply.

"Oh my god, when did you become the chairman of this hotel?!"

Qin Yimo's face was filled with shock.

Why was it that after not seeing him for a while, this man's capabilities were getting more and more terrifying?

Not only was he friends with the King of Country Windmill...

He was also the chairman of one of the six largest high-end hotels in Dibai, the Atlantis Hotel!

“It’s a long story. Let’s deal with Harmandy first.”

After saying this, Yang Luo stood up and walked out of the room.

Qin Yimo followed him in a daze.

At this moment.

At the entrance of the hotel.

Luxury cars were parked in a row. Bugatti Veyron, Pagani, Lamborghini, McLaren, and so on. It was like a luxury car exhibition.

Especially the black sports car parked at the front. Its design was avant-garde, luxurious, and domineering, suppressing the limelight of the other sports cars.

Everyone who entered and left the hotel stopped in their tracks and looked at the scene in front of them in shock.

“What’s going on? Why are there so many luxury cars all of a sudden?”

“It’s said that Prince Harmandy of Dibai wants to confess to a woman from Country Hua. Prince Harmandy has been coming every day for the past few days!”

“Oh, I was wondering why the black sports car at the front looked so familiar!

That black sports car seemed to be a super sports car custom-made for Prince Harmandy!

It was called “Black Lightning” and was worth 500 million. There was only one in the world!

Amidst everyone’s exclamations and discussions...

The car door opened.

A group of people got out of the car.

A tall and handsome young man came down from the Black Lightning. He was wearing a long white robe and a white headscarf on his head.

This young man was the third prince of the Dibai royal family, Harmandy!

Chapter 856: You’re the One Who Should Get Lost!

At this moment.

Harmandy stood quietly at the entrance of the hotel, his face full of anticipation.

Behind him was a row of bodyguards in black wearing sunglasses. Every bodyguard was carrying a black password box, looking very flashy.

Not far from the entrance...

“Oh my god, I didn’t expect to see the prince of Dibai with my own eyes one day!”

Tang Xiaoya was so excited that her face turned red, “I wonder which woman is so lucky to be able to receive Prince Dibai’s confession!

If only the person confessing was me, I would definitely agree immediately!”

Xue Mei shook her head and said, “Xiaoya, don’t think about this. These rich and powerful big shots must be extremely picky.”

Tang Xiaoya was instantly displeased, “Sister Mei, what do you mean? Do you think I’m not beautiful enough, or do you think my figure isn’t good enough?”

Xue Mei said ingratiatingly, “Xiaoya, your looks and figure are naturally flawless.

However, it’s not so easy to be a princess consort.”

Just as Xue Mei was speaking...

Voices came from the crowd.

“It’s here, it’s here. The person Prince Harmandy is pursuing is here!”

Everyone turned to look.

Tang Xiaoya and Xue Mei also looked over.

A group of people walked out of the hotel. It was Yang Luo, Qin Yimo, and the others.

“Isn’t that woman President Qin of Jiang City’s Star City Entertainment Group?!”

Could it be that Prince Dibai is pursuing President Qin?!?”

Tang Xiaoya recognized Qin Yimo at a glance.

After all, the entertainment company she was in had worked with Star City Entertainment Corporation before.

Soon, she noticed Yang Luo again, "That kid actually knows President Qin. It seems like they're very close!"

Just as she spoke...

Harmandy walked up with a mellow smile, "Dear Miss Qin, don't reject me again this time!

I sincerely want to marry you and make you the princess consort of our Dibai royal family. Can you agree to my proposal?"

Qin Yimo sighed and said, "Mr. Harmandy, you're a good person, but we're really not suitable.

Therefore, please don't do this. You'll make me feel very vexed."

Bujie, who was at the side, muttered softly, "I didn't expect even a Prince to be friendzoned one day."

Prajna whispered, "Sister Qin's heart has long been given to Brother Yang. I'm afraid other men will no longer be worthy of Sister Qin's attention."

Bujie said in shock, "Damn, Goddess Qin has also fallen?"

Xu Ying rolled his eyes at Bujie, "You make it sound like it's your first time knowing."

Bujie chuckled and said, "I only confirmed it now."

At this moment.

Harmandy did not give up when he heard Qin Yimo's reply.

He raised his hand.

The row of bodyguards standing behind him opened the password box in their hands and presented the contents to everyone.

When they saw what was in the password box...

Everyone present gasped.

The first password box was filled with diamonds, each of which was no less than a carat.

The second cipher box was filled with gems of all colors.

The third cipher box was filled with gold bars.

The fourth password box was filled with the keys to various luxury cars.

The fifth code box was filled with keys to various mansions.

...

There were a total of ten combination boxes, and the items in each box were worth a lot of money.

Harmandy said affectionately, "Dear Miss Qin, as long as you're willing to marry me, everything in these password boxes will be yours."

As soon as these words were spoken...

The crowd went wild.

"Oh my god, Prince Harmandy is too generous!

In order to pursue this woman from Country Hua, he actually gave away so many diamonds, gems, gold bars, luxury cars, and mansions at once!"

"These things are worth at least billions of dollars!"

"If any man gives me these things, I'll agree immediately. Is there a need to consider?"

"I think this woman from Country Hua will definitely be tempted and won't reject him anymore!"

Everyone present was amazed, and the women's eyes were filled with envy.

Especially Tang Xiaoya, she was so envious that her eyes turned red.

It was something worth billions of dollars. She wouldn't be able to earn it even if she worked as a celebrity for the rest of her life!

The corners of Bujie's mouth twitched, "This guy is simply inhumane!"

Prajna sighed and said, "As expected of the top five of the richest royal families in the world. It's simply amazing!"

Yang Luo was also surprised.

This guy was really rich and willful.

Just as everyone thought that Qin Yimo would agree directly...

Qin Yimo recovered from her shock and said, "Mr. Harmandy, thank you for your kindness, but we're really not suitable.

Please take these back."

"Why?"

Harmandy looked puzzled.

In his opinion, no woman in the world could reject these things.

However, he did not expect Qin Yimo to reject him.

This made him very puzzled and even a little angry.

He was the prince of Dibai. When had he ever pursued a woman like this?

If he didn't really like Qin Yimo, he wouldn't have done this.

Qin Yimo pursed her lips and held Yang Luo's arm, "Mr. Harmandy, I already have someone I like. It's this Mr. Yang."

Yang Luo was instantly dumbfounded.

Originally, he was still thinking about how to solve this problem in front of him.

Unexpectedly, Qin Yimo used him as a shield.

However, this seemed to be the only way to solve this problem.

“Him?”

Harmandy frowned and said, “May I ask who this gentleman is?”

“Your Highness, this gentleman is the chairman of our hotel, Yang Luo!”

At this moment, Jérôme walked over and introduced him respectfully.

Harmandy immediately smiled.

He stared intently at Yang Luo and said, “Kid, you’re just the chairman of a hotel. How can you compare to me?”

This is Dibai, my territory!

As long as I say the word, I can shut down the Atlantis Hotel!”

Yang Luo met Harmandy’s gaze and said, “Mr. Harmandy, I know this is your territory, and I know that you’re extremely powerful.

However, feelings cannot be forced.

Momo doesn't like you at all. What's the point of pestering her like this?

You're the prince of Dibai. What kind of woman can't you find? Why must you pester my woman?"

"I don't care. Miss Qin can only be my woman!"

Harmandy's face was filled with anger. He said fiercely, "Kid, I advise you to leave Miss Qin quickly!

If you dare to continue staying by Miss Qin's side, I'll make you lose everything or even your life!"

Originally, Yang Luo wanted to talk to this guy nicely.

However, when he heard this guy's words, Yang Luo's expression instantly turned cold.

He looked up at Harmandy and narrowed his eyes, "Are you threatening me?"

Harmandy sneered, "That's right, I'm threatening you!"

Yang Luo said in a deep voice, "No one who dares to threaten me has a good ending.

Therefore, I advise you to consider it carefully."

Harmandy was instantly amused, "Come, come, come. Let me see what can happen to me?"

Yang Luo's gaze became even colder, "I'll give you one minute to get lost."

"You're the one who should get lost!"

Harmandy instantly became furious.

He was a dignified prince of Dibai. No one had ever dared to speak to him like this!

Chapter 857: I Have Three Powerful Friends!

However, the moment they finished speaking...

Pa!

Yang Luo had directly sent a slap over!

“Ahh!!”

Harmandy immediately cried out in pain and was sent flying several meters away.

In an instant...

The entire venue fell silent.

Everyone looked at Yang Luo in horror.

A few minutes later...

The entire venue became noisy.

“Oh my god, am I seeing things? This Country Hua kid actually slapped Prince Harmandy?!”

“This kid is crazy. How dare he? He’s a prince of Dibai!”

“It’s over, it’s over. Today’s matter has blown up!”

“This kid probably won’t be able to walk out of Dibai alive!”

Everyone looked terrified as they looked at Yang Luo with shock and fear.

As for Tang Xiaoya, who was watching the show from afar, she became excited.

She already hated Yang Luo for what happened on the plane.

However, after discovering not long ago that Yang Luo was the chairman of the Atlantean Hotel, she could only swallow this anger.

And now, seeing that Yang Luo had offended the prince of Dibai, she felt that her chance to take revenge had come.

Tang Xiaoya said excitedly, “This kid is too bold. He simply has a death wish!

He’s just the chairman of a hotel. How can he compare to the prince of Dibai?

“Good, that’s great. Finally, someone can help me vent my anger!”

Xue Mei also said, “This kid definitely won’t survive!”

At this moment.

The bodyguards were terrified and quickly helped Harmandy up.

Harmandy was a little stunned, as if she did not expect this Country Hua kid in front of her to dare to hit him.

After a few seconds of silence.

He was completely enraged and roared, "Kill this kid for me! I'll be responsible if he dies!!!"

"Yes!"

The ten bodyguards responded in unison and walked towards Yang Luo aggressively.

"Your Highness, please calm down. Our chairman is Mr. Carlton's friend!"

Jerome quickly went up to dissuade him and brought Carlton out.

"Get lost!"

Harmandy pushed Jerome aside, "I'm going to kill this kid today. Even if that old man Carlton comes personally, he won't be able to protect him!"

Jerome said to Yang Luo, "Chairman, quickly apologize to His Highness!"

Harmandy roared, "It's useless to apologize. He has to die!"

However, just as the ten bodyguards rushed forward!

At this point, Yang Luo's body shook!

A terrifying wave of air surged out like a mountain flood!

“Ahhhh...”

Before the ten bodyguards could approach, they were sent flying ten meters away!

When they landed...

The ten bodyguards vomited blood and could not get up!

Seeing this scene...

They left behind a scene where everyone stood with their mouths agape!

“Oh my god, this kid is actually so powerful. He sent all of them flying without even making a move?!”

“Could this be the legendary Country Hua martial arts?!”

“No wonder this kid dared to hit Prince Harmandy. So he was fearless all along!”

Everyone present discussed in shock.

“This kid looks thin, but he’s actually so powerful?!”

Tang Xiaoya was also stunned. Her eyes were filled with disbelief.

Harmandy was also stunned.

He took a deep breath and said fiercely, “Kid, this is interesting. So you’re an expert!”

However, so what if you can fight!

I have three friends in Dibai now!

They are all extremely powerful!

As long as they come, you will definitely die!”

“Oh?”

Yang Luo chuckled and said, “Call your three friends over. I want to see how powerful they are.”

“Just you wait!”

Harmandy glared at Yang Luo, then took out his phone and made a call.

After the call.

Harmandy said, “Kid, my three friends are nearby. They’ll be here soon!”

Yang Luo nodded and said, “Alright, I’ll wait for them for a while.”

Qin Yimo asked worriedly, “Brother Yang, will it be alright?”

This Harmandy is so rich. Who knows, he might hire a powerful expert to help!”

Yang Luo only patted Qin Yimo’s small hand gently, “Don’t worry.”

He did not believe that Harmandy could invite any experts.

No matter how strong the three experts he mentioned were, could they be stronger than the Divine King of the Holy Imperial Court?

Could they be stronger than the four Divine Ninjas?

Could they be stronger than the sect masters and elders of the top sects in the ancient martial arts world?

As for Xu Ying, Bujie, and Prajna, they were calm and did not worry at all.

Tang Xiaoya said excitedly, "Sister Mei, did you hear that? Prince Harmandy is going to invite experts over!

With Prince Harmandy's financial resources, the experts he hired must be very powerful!"

Xue Mei nodded and said, "This kid dares to compete with the prince. He's simply courting death."

After waiting for around twenty minutes.

Rumble rumble rumble!

Accompanied by a series of violent engine sounds!

Three top-notch supercars drove over!

It was a white Bugatti Veyron, a black Koenigsegg Agera R, and a red Pagani!

Soon, three top-notch sports cars stopped not far away!

“Haha, my three friends are here. Kid, you’re dead meat!”

Harmandy laughed out loud and walked towards the three cars.

The car doors opened.

Two Caucasian men and a Caucasian woman got out of the car.

One of the Caucasian men was more than 1.9 meters tall. He had short red hair and a rough face.

The second Caucasian man was more than 1.8 meters tall. He was wearing a black shirt and had long golden curly hair. He was handsome and looked like a foreign model.

The third Caucasian woman was petite and had long amber hair. There was a strange pattern between her eyebrows.

When he saw the three of them...

Bujie said in surprise, “Why are they here?!”

“It’s really them.”

Prajna also nodded in a daze.

Yang Luo said in amusement, “This world is really small. I didn’t expect to meet them here.”

“Mr. Tyrant, Mr. Knight, Miss Elf, you’re finally here!”

Harmandy's face was full of smiles, and his expression was very respectful.

The red-haired Caucasian man looked at the five finger marks on Harmandy's face and said in a low voice, "Harmandy, was your face beaten up by that Country Hua kid you mentioned?"

"That's right!"

Harmandy said with grief and indignation, "That kid is too hateful. He slapped me without saying a word and even injured my bodyguards!"

You must avenge me!"

The red-haired man said in a loud voice, "Harmandy, we're friends. Since someone dared to hit you, we naturally won't let him off!"

As he spoke, the red-haired man's body shook, and his body was immediately covered in a layer of dark red lava!

The Caucasian man with golden curly hair pulled out a slender knight's sword from his waist with a whoosh. His body flickered with a blazing black light!

Meanwhile, the petite Caucasian woman raised a scepter. Her body flickered with five-colored light, and a pentagram halo appeared under her feet!

Seeing this scene...

Everyone present was shocked!

Chapter 858: Who Is This Kid?

Someone recognized these three people!

“Oh my god, I didn’t expect Prince Harmandy to invite Lord Lava Tyrant, Lord Dark Knight, and Lady Elven Mage!”

“Lava Tyrant, Dark Knight, Elven Mage, who are they?”

“These three are powerful assassins ranked 18th, 24th, and 27th on the Dark World’s Assassin Rankings. Their success rate is extremely high, and no one dares to provoke them!”

“I didn’t expect Mr. Harmandy to invite such terrifying figures!

This Country Hua brat is dead meat!”

Exclamations and shouts rose and fell.

Those who knew the background of these three people naturally knew how terrifying they were.

Even those who did not know were shocked when they saw the abilities displayed by the three of them.

Tang Xiaoya was dumbfounded, “I didn’t expect such a group of powerful people to exist in this world. Are these three people sure they’re not gods?”

At this point, she became even more excited, “As expected of Prince Harmandy. He can even invite such gods to help him!

I want to see how this kid dies today!”

Xue Mei also sighed and said, “Of all people, this kid has to offend Dibai’s prince.

With the prince's power, he could naturally come into contact with the deepest side of the world and some powerful people.

This kid is simply hopelessly stupid to pick a fight with a prince."

At this moment.

The Lava Tyrant asked in a loud voice, "Who hit Harmandy just now? Come out!"

Everyone present was trembling in fear and did not dare to make a sound.

The Dark Knight sneered and said, "I heard from Harmandy that you're also an expert. Don't you even dare to show your face?"

Before he could finish his sentence.

A teasing voice sounded.

"Lava Tyrant, Dark Knight, Elven Mage, I didn't expect to see you here."

Upon hearing this voice...

The Lava Tyrant, Dark Knight, and Elven Mage turned around at the same time and their gazes landed on Yang Luo.

The moment they saw Yang Luo!

The three of them trembled and dense surprise appeared on their faces!

Harmandy pointed at Yang Luo and shouted, "The three of you, this kid hit me. You must kill this guy!"

However, the Lava Tyrant, the Dark Knight, and the Elven Mage ignored Harmandy and ran straight towards Yang Luo.

Seeing the three of them running towards Yang Luo...

Everyone's hearts tightened, as if they could see the scene of Yang Luo's tragic death.

Tang Xiaoya said excitedly, "Kill him! Kill him!"

But in the next second!

A shocking scene appeared!

The Lava Tyrant dispersed the lava on its body, the Dark Knight and the Elven Mage dispersed the aura on their bodies!

"Greetings, Mr. Yang!"

The three of them knelt on one knee towards Yang Luo at the same time and placed their right hands on their left chests. Their expressions were extremely respectful!

That's right, Yang Luo knew the three people in front of him.

Previously, when he reunited with Third Senior Sister, these three people had come to Jiang City to assassinate him.

At that time, he had fought a huge battle with them and completely conquered them. They even said that they wanted to follow him.

At this moment...

Everyone present was dumbfounded as they watched this scene in front of them!

Puzzlement, shock, and fear surged into their hearts!

“Oh my god, can someone tell me what’s going on now?”

The Lava Tyrant, Dark Knight, and Elven Mage actually knelt down and bowed to this kid?!”

“Who exactly is this kid? He can actually make the three experts treat him so respectfully?!”

“This kid is definitely not as simple as we think. He must have an even more terrifying background!”

The gazes everyone present looked at Yang Luo with changed from contempt and sarcasm to reverence and fear.

Harmandy was also stunned. His mouth fell open for a long time.

Tang Xiaoya was about to go crazy. She shook her head repeatedly, “How could this be? How could this be?!”

Who was this kid? Who was he?!

Why was it so difficult for her to vent?”

Xue Mei’s entire body was trembling and she was sweating profusely.

Qin Yimo, who was standing beside Yang Luo, was also stunned.

How powerful was this man now?

Yang Luo ignored everyone's gazes and raised his hand, "There's no need to be so polite. Get up."

Only then did the Lava Tyrant, Dark Knight, and Elven Mage dare to stand up.

Yang Luo smiled and said, "Looks like your strength has increased a lot after not seeing each other for a while."

The Lava Tyrant shook his head repeatedly and said respectfully, "How can our strength compare to yours, Mr. Yang?"

We've all heard about what you did in the underworld some time ago."

The Dark Knight also said excitedly, "You joined forces with Violet, the God Slaying Temple, and other large organizations to destroy the twelve large organizations led by Tomahawk in one go. This matter has already spread throughout the Dark World!"

The Elven Mage also nodded repeatedly, "Mr. Yang, everyone is saying that you're a rising star in the Dark World and have a chance to compete with the top powerhouses of the Dark World!"

Lava Tyrant sighed and said, "It's a pity that we didn't get to fight side by side with you, Mr. Yang!"

The Dark Knight and Elven Mage also looked regretful.

Yang Luo smiled and said, "It's fine. We'll have plenty of opportunities to fight side by side in the future."

"Really?!"

Lava Tyrant was overjoyed, “Mr. Yang, do you mean that you’re officially stepping into the Dark World?”

Yang Luo nodded in reply.

“Good, good!”

Lava Tyrant was extremely excited, “Mr. Yang, what we said previously is not fake!

As long as you step into the Dark World, we are willing to follow you!”

“We pledge our lives to follow Mr. Yang!”

The Dark Knight and the Elven Mage also expressed their attitude.

Yang Luo said, “Alright, I’ll contact you guys on the day I officially step into the dark world.”

“Alright!”

The three of them nodded happily.

“By the way, Mr. Yang, what conflict did you have with Harmandy?”

The Lava Tyrant asked curiously.

Yang Luo honestly told the three of them what had just happened.

After hearing Yang Luo’s words...

The Lava Tyrant shouted at Harmandy, "Harmandy, come here!"

Harmandy walked over carefully.

Lava Tyrant sighed and said, "Harmandy, you're Dibai's prince. You can have any woman you want.

"Since Miss Qin is Mr. Yang's woman, don't have any more thoughts."

"This...!"

Harmandy was still a little indignant.

The Dark Knight said coldly, "Harmandy, if you dare to offend Mr. Yang, not to mention us, even your Dibai royal family can't protect you."

"Ah?"

Harmandy looked at Yang Luo in shock.

Was this kid so terrifying? If he offended him, would the royal family of Dibai not be able to protect him?

Just as everyone was processing this information...

A joyful shout sounded.

"Mr. Yang!"

Upon hearing this voice...

Everyone present looked over.

A large group of people walked over.

At the front were two old men with outstanding temperaments.

One of them was wearing a light gray suit. He was King Williams of Country Windmill!

The other was dressed in a long white robe and a white headscarf. It was King Aldmon of Dibai!

“Oh my god, what day is it today to actually alarm so many big shots?

Even the King of Dibai and the King of the Country Windmill are here!”

Exclamations sounded from the crowd.

Chapter 859: Black Sorcery!

Williams walked straight towards Yang Luo and said respectfully, “Mr. Yang, long time no see. How have you been?”

“Just so-so.”

Yang Luo smiled and asked, “How’s Princess Bellia now?”

Williams chuckled and said, “Thanks to you, Mr. Yang, my granddaughter’s face is completely fine now.

She had already regained her usual cheerfulness and no longer feels inferior.

Moreover, this little girl has been clamoring to visit you in Country Hua.”

Seeing how respectful Williams was to Yang Luo, the two of them chatted happily.

Everyone present was deeply shocked!

Everyone was guessing who Yang Luo was and what kind of background he had.

Otherwise, why would the three Lords of the Dark World, Lava Tyrant, and the even King of Country Windmill be so respectful to him?

In the distance, Tang Xiaoya and Xue Mei were trembling in fear. Their faces were pale and they were sweating profusely.

Xue Mei said in a trembling voice, “Xiaoya... Such a big shot is not someone we can offend... Don’t provoke him!”

No matter how unwilling and angry Tang Xiaoya was, she could only swallow this anger.

It couldn’t be helped. The difference between him and this kid in front of him was too great!

It was so big that she could no longer think of provoking him!

Williams quickly introduced the old man beside Yang Luo, “Mr. Yang, this is my friend, the King of Dibai, Almond.”

Almond smiled and extended his hand to Yang Luo, “Hello, Mr. Yang. Williams has been talking about you for the past few days.

He said that your medical skills are extraordinary and you have a noble character. You're one of the people he respects the most."

"Hello, Mr. Almond!"

Yang Luo's expression was calm as he reached out to shake Almond's hand.

Seeing how calm Yang Luo was, a hint of admiration appeared in Almond's eyes.

One had to know that as the king of Dibai, ordinary people would be nervous when they saw him.

However, this young man in front of him was so calm. Just his temperament alone was not something ordinary people could compare to.

"By the way, Mr. Yang, what's the situation now? Why are there so many people gathered?"

Williams looked around with a puzzled expression.

Yang Luo honestly told Williams and Almond what had just happened.

After hearing Yang Luo's words...

Williams looked at Harmandy and smiled, "Harmandy, Mr. Yang is my most respected friend.

And Miss Qin is Mr. Yang's girlfriend. Don't pester Miss Qin anymore."

Almond said coldly, "Harmandy, your Uncle Williams is talking to you. Didn't you hear him?

You brat, you're always causing trouble. Can't you make me not worry?"

“Father, there are so many people watching. Can you not reprimand me?”

Harmandy said helplessly.

Then, he bowed respectfully to Williams and said, “Uncle Williams, since you’ve said so, let’s forget about this matter.”

“That’s good.”

Williams chuckled and said to Yang Luo, “Mr. Yang, please help me this time.

Almond’s daughter, Princess Salma, has entered a coma and cannot wake up.

We’ve asked many doctors to examine Salma’s body, but they can’t find any problems at all.”

Almond said, “Mr. Yang, as long as you can wake my daughter up, I will definitely thank you heavily!”

Harmandy looked puzzled, “Uncle Williams, this kid, oh no, Mr. Yang, is a doctor?”

Williams nodded and said, “Mr. Young is a very powerful doctor. His medical skills are very brilliant. The birthmark on Bellia’s face was removed by Mr. Young.”

“This...!”

Harmandy looked at Yang Luo in surprise and said, “Mr. Yang, as long as you can wake my sister up, I’ll give you whatever you want!”

Yang Luo said, “Bring me to see Princess Salma first and see what’s going on with her.”

Williams nodded repeatedly, "Alright, let's move out now!"

"Mr. Yang, please!"

Almond gestured for him to enter the car.

Soon, Yang Luo and the others got into the car and left the airport.

After leaving the hotel.

The car drove for nearly an hour before arriving at the Dibai Palace.

The entire palace occupied a huge area, with magnificent palaces sitting in it.

There were royal guards guarding the surroundings of the palace. The security was tight.

The convoy passed through a long passageway and drove into the palace.

Statues stood in the huge square, and the fountain constantly sprayed out droplets of water.

The garage was filled with all kinds of luxury cars, and there were helicopters parked at the private airport.

As far as the eye could see, there were libraries, swimming pools, gardens, tennis courts, and other facilities.

Bujie clicked his tongue and said, "I originally thought that Sister Dongfang's mansion was already luxurious enough, but compared to this palace of Dibai, it's still much inferior."

Yang Luo also nodded in agreement.

It had to be said that the Dibai royal family was simply rich to the extreme.

Not long after...

The convoy stopped at the entrance of a palace.

After getting out of the car...

Yang Luo and the others followed Almond into the palace and came to a room on the third floor.

He saw a young woman with black curly hair and beautiful facial features lying unconscious on the bed.

With just a glance, Yang Luo could already tell that something was wrong, but he was not sure yet.

Almond sighed and said, "This is my daughter, Salma."

Qin Yimo sighed. "Is this Princess Salma?"

I didn't expect Princess Salma to be even more beautiful than she looks on television."

Williams asked Yang Luo, "Mr. Yang, can you save Princess Salma?"

Yang Luo said, "I'll check Princess Salma's body first."

As he spoke, Yang Luo walked to the bed and reached out to grab Salma's pulse.

A few minutes later...

Yang Luo let go and frowned slightly.

“Mr. Yang, what illness does my daughter have?”

Almond hurriedly asked.

Yang Luo shook his head and said, “Your daughter is indeed not sick.”

“Not sick?”

Almond looked puzzled, “Then why hasn’t my daughter woken up?”

The others present also looked at Yang Luo.

Yang Luo looked at Almond and asked, “Mr. Almond, did you offend someone?”

“Offended who?”

Almond was even more puzzled, “Mr. Yang, what do you mean?”

Yang Luo said, “Let me tell you the truth. Your daughter is under a spell. Usually, only sorcerers can use this method.

Witchcraft originated from the Shun Emperor’s era in Country Hua. It was a prescription that used supernatural and mysterious power to exert influence or control over certain people and things.

“However, it’s not just our Country Hua that has sorcerers. There are also sorcerers in the Euro Domain and Afro Domain.

And your daughter is a victim of an evil black sorcery, possessed by evil spirits.

Those who cultivate such sorcery are usually sorcerers from the Afro Domain.

If we don't get rid of the evil spirit in your daughter in time, she will definitely die in a week."

"What?!"

Almond looked terrified, "Mr. Yang, are you serious? My daughter is going to die in a week?!"

"That's right."

Yang Luo nodded in reply.

Harmandy frowned and said, "Mr. Yang, what you're saying is really hard to believe.

I've never heard of sorcery, sorcerers, evil spirits, or anything like that."

Chapter 860: Expelling the Evil Spirit!

"Believe it or not, I'm telling the truth."

Yang Luo replied and continued, "Most sorcerers use black sorcery to take revenge.

That's why I want to know if you offended anyone."

Bujie curled his lips and said, "Don't doubt my Brother Yang. Since my Brother Yang has said so, it can't be wrong."

Almond pondered for a moment and said in surprise, "I know now!"

"Father, what do you find out?"

Harmandy asked.

Almond frowned and said, "A month ago, Country Stars & Stripes sent a representative to look for me and said that they wanted to spend money to buy a few of my oil fields.

However, they were not buying it at all. They were openly snatching it. Naturally, I would not agree.

That fellow flew into a rage out of humiliation. He said that in the next few months, he would let the members of our royal family die silently one by one.

At that time, I didn't think much of it. I felt that that guy was just scaring me.

"It was after that incident that my daughter, Salma, suddenly fainted and didn't wake up until today..."

Harmandy said in shock, "Father, why didn't you tell me about such a big thing?"

Almond sighed and said, "I didn't take it seriously at that time, but who knew it would become like this!"

Yang Luo said in realization, "It seems like Country Stars & Stripes hired a sorcerer to do it. Their goal is to force your Dibai royal family to sell oil fields to them."

Bujie pursed his lips and said, "This is really something that the people from Country Stars & Stripes would do."

Almond clenched his fists and said angrily, "Damn it, those guys didn't dare to attack us openly, but they actually schemed against us. How hateful!"

At this moment...

A call was made to Almond's phone.

Almond took out his phone and looked at it. He exclaimed, "That guy called again!"

Yang Luo narrowed his eyes and said, "Answer it and see what he wants to say."

Almond nodded, then picked up the call and turned on the speakerphone.

"Mr. Almond, think about it carefully. Are you going to sell those oil fields?"

A rough voice sounded.

Almond said in a low voice, "I told you, I won't sell it. You'd better give up!"

"Are you sure you don't want to sell it? Don't you care about your daughter's life?"

The voice of the person on the other end turned cold.

Almond's expression changed drastically, "So it was you guys that did it?!"

"Hahaha..."

The person opposite laughed proudly and said, "That's right, we did it.

"If you still don't agree, this time it will be your daughter, but next time it will be your son."

“You...”

Almond was trembling with anger.

“Think about it carefully. Your daughter only has a week to live.”

With that, the person on the other end hung up.

At this moment.

Both Almond and Harmandy completely believed Yang Luo’s words.

Almond pleaded, “Mr. Yang, since you know about my daughter’s problem, you must have a way to save her, right?”

Please save my daughter!”

“Mr. Yang, please save my sister!”

Harmandy also pleaded.

Williams also spoke up for them, “Mr. Yang, if you can save him, please help!”

Yang Luo looked at Almond and said, “Mr. Almond, I can indeed save your daughter.

However, what if Country Stars & Stripes cast a spell on the members of the royal family after I leave?

After all, I can’t stay here forever.”

“Mr. Yang, you don’t have to worry about this!”

Almond replied, then said fiercely, “I’ll think of a way to pressure Country Stars & Stripes so that they won’t dare to touch the people of the Dibai royal family again!”

“Alright, I’ll save your daughter now.”

Yang Luo nodded and mobilized the True Qi in his body. His eyes flickered with golden light as he shouted!

“Divine Might Five Mountains, Qi penetrating the universe!”

Accompanied by a loud shout!

Yang Luo raised his right hand and drew a golden dragon talisman in the air!

The golden dragon talisman floated in the sky and shone with a dazzling light!

Seeing this scene...

Other than Qin Yimo, Xu Ying, Bujie, and Prajna, everyone else present was shocked!

“Oh my god, what kind of method is this? Isn’t it too magical?!”

Harmandy couldn’t help but exclaim.

Almond looked at Williams and asked in shock, “Could Mr. Yang be a god?”

Williams gulped and said, “To be honest, I’ve never seen Mr. Yang use such a magical method!”

The Lava Tyrant, Dark Knight, and Elven Mage looked at each other in shock!

They only knew that Yang Luo's combat strength was very strong and his medical skills were not bad, but they did not know that Yang Luo also had such extraordinary magical techniques!

"Ten Thousand Foot Flame, Lightning Rush!"

Accompanied by a second roar!

Yang Luo drew a second golden dragon talisman in the air!

Right on the heels of that...

Without any pause, Yang Luo shouted as he drew golden dragon talismans in the air!

"The Vajra Dor rings and shakes the world, shattering Kunlun!"

"Hold my eight arms and reveal yourself!"

"Four-Headed Red Hair, God and Ghost Terror!"

"Breaking the nest and breaking the acupoints, capturing the soul!"

...

Yang Luo was chanting the incantation of the Exorcism Curse!

The Exorcism Curse combined with the dragon talisman could expel all evil spirits!

When he drew the ninth golden dragon talisman in the air!

Yang Luo waved his right hand!

Nine golden Dragon Talismans entered Salma's body one after another!

As the nine golden dragon talismans were inserted!

Salma's entire body trembled, scaring everyone present!

"Mr. Yang, is my daughter alright?!"

Almond asked in surprise.

"No need to be nervous."

Yang Luo raised his hand.

In less than three minutes!

"Waaaaaa..."

A miserable scream suddenly came from Salma's body.

The next second!

Hu! Hu! Hu! Hu!

Black gas spewed out of Salma's body!

A ferocious and terrifying black evil spirit flew out, looking as though it was in pain!

"Ah...!"

Seeing this scene, Almond and the others screamed in fear.

After this evil spirit flew out, it bared its fangs and brandished its claws as it pounced at Yang Luo!

"A little evil spirit dares to be impudent here? You have a death wish!"

Yang Luo snorted coldly and flicked his right hand!

Swoosh!

A golden light whizzed out like a golden sword!

At that very moment...

Peng!

The evil spirit's body was pierced through and turned into a ball of black gas that dissipated in the sky!

Only when this evil spirit dissipated in the sky....

Did Almond and the others heave a sigh of relief.

Williams admired Yang Luo even more.

Previously, he had only seen Yang Luo's medical skills, but he did not expect Yang Luo to have such extraordinary methods.

Almond and Harmandy no longer dared to underestimate Yang Luo.

The Lava Tyrant, Dark Knight, and Elven Mage admired Yang Luo even more.

If they could follow this man, it would be their greatest honor.

Almond took a deep breath and said respectfully, "Mr. Yang, the evil spirit attached to my daughter has been removed, but why hasn't my daughter woken up yet?"

Yang Luo said, "This evil spirit has been attached to your daughter's body for a period of time. Your daughter's body has already suffered serious damage.

After I repair your daughter's body, she will wake up."

"Good, good, good!"

Almond nodded and said, "Then I'll thank you in advance, Mr. Yang!"

Yang Luo did not hesitate. He took out a silver needle and began to perform acupuncture on Salma.

Swish! Swish! Swish! Swish!

Silver needles flickered with a dazzling golden light as they pierced into Salma's acupoints!

Buzz buzz buzz!

After the nine silver needles landed, the silver needles began to tremble violently!

The magical scene in front of them shocked Almond and Harmandy again!

A divine being!

This young man was simply a divine being!

After performing the acupuncture...

Yang Luo stared intently at Salma, observing the treatment of her body...
