

Super IDG 931

Chapter 931: Operation Exposed!

After everyone witnessed Yang Luo's Tomahawk-style chop dunk, it took them a long time to recover.

As the cheerleading team's passionate dance ended, the competition officially began.

In the following period of time...

Yang Luo accompanied everyone to watch this competition.

However, the five main players of the Genius team were clearly traumatized by Yang Luo and were in a bad state.

Therefore, in the end, the Nets won the game by a large margin.

After the competition ended...

Yang Luo and the others walked out of the stadium.

Many people came up and begged to take a photo with Yang Luo.

Many foreign beauties also asked Yang Luo for his phone number.

However, Yang Luo rejected them all.

Just as Yang Luo and the others walked out of the stadium...

A Caucasian middle-aged man and a black middle-aged man rushed over.

A few players followed behind.

The Caucasian middle-aged man hurriedly said, "Hello, sir. I'm the coach of the Nets!

I would like to invite you to join our team. We can sit down and slowly discuss the issue of remuneration!"

The black middle-aged man also hurriedly said, "Sir, as long as you join our Wizard Team, I'm willing to pay you an annual salary of 30 million USD!"

Previously, they had all seen Yang Luo jumping from the free throw line and executing a Tomahawk dunk.

His athletic talent was simply superb.

Even those legendary superstars did not have such terrifying athletic talent.

If he could be nurtured well, this kid would definitely become the next basketball superstar.

Therefore, as soon as the competition ended, they ran over, wanting to rope in Yang Luo.

Chu Longyuan joked, "Brother Yang, why don't you stay in the NBA and play? Who knows, there might be a Chinese basketball superstar in the future."

Bujie also echoed, "I think that's good. When the time comes, won't it be beautiful to gain both fame and fortune?"

Yang Luo rolled his eyes at these two guys and said to the two foreign coaches, "I'm sorry, I have no intentions of playing basketball."

With that, Yang Luo led everyone towards the parking lot.

“Sir, please reconsider!”

“Sir, do you think that the salary is too low? We can talk about the salary again!”

The two coaches were still unwilling to give up and quickly chased after him.

However, Yang Luo and the others got into two MPVs and left.

Only the two coaches were left sighing on the spot.

When they arrived at the hotel, everyone returned to their rooms.

Yang Luo, on the other hand, stood in front of the floor-to-ceiling window and looked down at the entire Snow City. He narrowed his eyes and said, “Douglas, I’m here...”

Then, Yang Luo left the hotel alone and drove a car to the vicinity of the headquarters of Country Stars & Stripes.

Country Stars & Stripes’ government building occupied a huge area, more than 600,000 square meters.

Moreover, the design of this building was very unique. From a high altitude, it looked like a huge pentagon.

Even though it was very late, many floors were still lit.

There were security officers patrolling everywhere.

After parking the car...

Yang Luo got out of the car and disappeared into the night.

Ten minutes later.

Yang Luo appeared at the top of a building.

The night was as dark as ink, and the cold moonlight shone down.

At this moment, Yang Luo was like the Grim Reaper descending at night.

He leaped over the buildings, avoiding the patrolling security officers and cameras, and arrived at Douglas' office.

However, what puzzled him was that Douglas' office was pitch-black and there was no one in it at all.

"Could this guy have gone home?"

Yang Luo frowned and went to the other parts of the building to investigate.

In the end, he confirmed that Douglas was not here.

After that, Yang Luo left the main building and went to Douglas' villa, as well as bars, cafes, high-end clubhouses, and other places where he often went to drink.

However, he could not find Douglas in any of his usual haunts.

Yang Luo busied himself until past two in the morning before driving back to the hotel.

On the way back to the hotel...

Yang Luo looked at the night sky in the distance and frowned.

Where did Douglas go?

Why couldn't he be found anywhere?

Could it be that this guy had gone overseas?

If that was the case, then this guy was lucky this time.

...

Three days passed in the blink of an eye.

In these three days.

Yang Luo and the others pretended to be ordinary tourists and played in Xuecheng.

However, everyone was secretly waiting for Jiang Bo's information.

At six o'clock in the evening on the third day.

After dinner, Yang Luo and the others returned to the hotel and gathered in the room.

Chu Longyuan frowned and said, "It's already the third day. Why isn't Old Jiang back yet? Could something have happened?"

Tian Zhen shook his head and said, "Old Jiang has always been cautious. We've carried out so many missions together, but nothing has ever happened to him."

Feng Lengyue said, "Big Brother Jiang should still be searching for information. That's why he hasn't returned."

"Have you contacted Brother Jiang these few days?"

Yang Luo asked.

Tian Zhen said, "I just contacted him yesterday. Old Jiang said that the information has almost been investigated and he will be back today."

Yang Luo said, "Brother Tian, contact Brother Jiang again and ask if he's coming back."

"Alright!"

Tian Zhen agreed and took out his special cell phone to call Jiang Bo.

But no one picked up.

She called a few more times, but the result was still the same.

Tian Zhen asked in confusion, "That's strange. Why isn't Old Jiang answering his phone?"

Hearing Tian Zhen's words, a hint of worry appeared in Yang Luo's eyes.

He took a deep breath and said, "I'll contact Brother Jiang."

As he spoke, he took out a special cell phone and prepared to contact Jiang Bo.

But at this moment...

This was because a call had come in.

Chu Longyuan asked, "Who called?"

Yang Luo's face lit up, "It's Brother Jiang!"

He quickly picked up the call.

"Brother Jiang, how's the situation? Are you back?"

Yang Luo hurriedly asked.

"Kid, you're quite capable. I didn't expect you to enter Snow City quietly with a group of people."

A deep and teasing voice sounded.

Hearing this familiar voice...

Yang Luo's face changed immediately. He exclaimed, "Douglas!"

Hearing Yang Luo's voice, Chu Longyuan and the others looked over.

They knew Douglas well. He was the Commander-in-Chief of all the teams in Country Stars & Stripes, nicknamed "White-Headed Eagle".

Douglas chuckled, "Kid, I didn't expect you to still remember me. Can I consider it my honor?"

A cold glint flickered in Yang Luo's eyes as he said in a deep voice, "My brother has fallen into your hands, right?"

"That's right. I've already captured your men.

There are a total of eleven. Not one more, not one less."

Douglas replied with a smile, and then said, "Kid, you sent someone to my Turks Base to get the information back, right?"

Yang Luo said coldly, "Since you already know, I don't have to hide anything.

That's right. I'm here for the ten documents and also to take your life."

Douglas chuckled and said, "It's a pity that your actions have been exposed. Do you think you can kill me even if you get the information back?"

"How would you know if you don't try?"

Yang Luo's voice became colder and colder, "Douglas, if anything happens to my brother, I'll completely destroy the Turks base and tear you into pieces!

Don't take my words as a joke. I never joke with my enemies!"

Chapter 932: End It!

Douglas sneered and said coldly, "Kid, are you threatening me?"

Yang Luo said in a deep voice, "You can think of it in that way."

Douglas sneered, "Kid, no one has ever dared to threaten me. You're the first one. Interesting.

You're really hateful. You've ruined my plans time and time again.

You led your men to destroy my Missa base and killed tens of thousands of my people.

Not long ago, you led people to destroy my Sand Sea base and killed more than 3,000 of my people.

After that, you killed more than 10,000 people from our seven teams and destroyed many of our equipment.

To be honest, you're the first person I hate so much. You're also the person I want to kill the most now.

This can be considered an honor for you."

Yang Luo's expression was cold as he asked, "What exactly are you trying to say?"

Douglas chuckled and said, "Kid, why don't we make a game?"

"What game?"

Yang Luo frowned.

Douglas chuckled, “Kid, it’s already past six o’clock.

If you can reach the Turks Base before nine o’clock, I can consider sparing your friend’s life. How about that?”

Before his voice could fade...

Jiang Bo’s roar sounded.

“Brother Yang, don’t come over. This guy has already set up an inescapable net. Hurry up and leave with our brothers... ugh!!!”

Before Jiang Bo could finish speaking, he let out a miserable scream.

“Brother Jiang!”

Yang Luo shouted in shock and crushed a glass cup on the table with his left hand.

“Douglas!!!”

He let out a roar, his eyes bloodshot.

“Are you very angry?”

Douglas burst into laughter, “That’s right. The angrier you are, the happier I’ll be!

Alright, kid, let’s cut to the chase!

Hurry up and come over. It’s time to settle the grudge between us tonight!”

Then, Douglas hung up the phone.

Looking at the phone that had been hung up...

Yang Luo’s expression was extremely gloomy, and there seemed to be dark clouds surging in his eyes.

“Brother Yang, what happened?”

Chu Longyuan hurriedly asked.

Lin Qianyi and the others also looked at Yang Luo.

Yang Luo took a deep breath and said, "Brother Jiang and the others were caught by Douglas!"

"What?! Old Jiang was caught?!"

"How is this possible? Brother Jiang has always been cautious and has never made a mistake. How could he be caught?!"

"What's going on? How were Brother Jiang and the others discovered?!"

Chu Longyuan, Lin Qianyi, and the others exclaimed in shock, their faces filled with disbelief.

Yang Luo gritted his teeth and said, "I don't know what's going on either, but our actions seem to have been exposed!"

Douglas even knows that we're in Country Stars & Stripes and that we're in Snow City!"

"Our operation has been exposed?!"

“How could this be?”

Everyone present was also stunned.

They had all changed their appearances and had not done anything. How could they be exposed?

Yang Luo also fell into deep thought.

Actually, he had already felt that something was wrong three nights ago.

He went to Douglas’ office, his villa, and his usual places, but he could not find this guy.

In other words, they had probably been discovered by Douglas three days ago.

But for the past three days, this guy had done nothing.

It was not until he caught Jiang Bo and the others and had something on them that he called.

It had to be said that this guy was really calm.

No wonder this guy could lead all the teams. He was indeed not a simple person.

Yang Luo stood up and let out a long breath. He said in a trembling voice, "Brothers, Brother Jiang and the others are in a very dangerous situation now!

I can't even guarantee that they're still alive!

Also, Douglas had already set up an ambush in the base of Turks and is waiting for us to save them!

However, even though we know that Douglas had set up an ambush, we have no choice now!

Whether it's saving people or taking back the information, we have to make a trip!

I'm afraid this operation is very dangerous. Is everyone ready?

"We're ready at all times!"

"Damn it, since we've already been discovered, there's no need to hide anymore. Let's kill our way over!"

“We must save Old Jiang and the others, take back the information, and destroy the Turks Base!”

Chu Longyuan, Lin Qianyi, and the others also stood up.

“Alright!”

Yang Luo nodded and gave the order!

“Inform all the brothers to set off!”

“Yes!”

Everyone responded in unison.

Seven o’clock in the evening.

More than ten MPVs left the hotel and headed straight for the Turks Base...

...

At the same time...

On the outskirts of Snow City.

Rainier Snow Mountain.

A huge base was built deep in the mountains.

Forts and buildings stood among them.

It was filled with tanks, helicopters, fighter jets, and other modern firearms.

Tens of thousands of warriors were gathered here.

There were also many soldiers patrolling around the base. The security was very tight.

At this moment...

In one of the fortresses...

A burly middle-aged Caucasian man was sitting on the sofa with a cigar in his mouth. He looked ahead teasingly.

He saw eleven young men and women covered in blood lying on the ground in front of him.

One of them was Jiang Bo, and the other ten were all elite members of the Hidden Dragon Pavilion's intelligence team.

They had carried out hundreds of intelligence missions and had never failed.

But this time, they had been caught.

Of course, it was not Douglas who found them, but a woman sitting on a sofa not far away.

This was a Caucasian woman.

She was wearing a long black dress with a high slit. Her figure was enchanting, and her face was charming. She had purple curly hair and held a purple crystal scepter.

This woman was really too charming. One look at her was enough to make one fall for her.

At this moment, the Caucasian woman gently swirled the wine glass in her hand, as if she was indifferent to everything.

Douglas looked at the Caucasian woman and said respectfully, "Honorable Prophet Witch, it's all thanks to you that we discovered these guys this time.

Otherwise, the information about our Turks Base will really be figured out by these guys."

Therefore, the Caucasian woman was none other than Prophet Witch Medea, one of the ten Devil Kings of Hell Fiend Palace.

Prophet Witch gently flipped her hair, revealing a myriad of charms as she said indifferently, "It's just a small matter. It's not worth mentioning."

No matter how beautiful and charming this woman was, Douglas dared not profane or offend her at all.

He knew very well how terrifying this woman was.

The ten Devil Kings under the Hell Fiend Emperor were not simple characters.

Douglas nodded.

Then, he turned to look at the dying Jiang Bo on the ground and said with a smile, “Mr. Jiang, I know you. You’re the most outstanding intelligence officer of the Hidden Dragon Pavilion.

If you’re willing to bring your team members to work for me, I can spare your lives.

Moreover, I can give you endless wealth and allow you to have an identity and status that countless people envy.

You can think about it.”

Chapter 933: Battle Begins!

Jiang Bo lay on the ground and stared at Douglas with blood in his mouth.

He sneered and said, “Douglas, who do you think you are? You want me to work for you? Stop dreaming!”

“We won’t work for you even if we die!”

“Douglas, kill us if you dare!”

“Whether we live or die, we’re all from the Hidden Dragon Pavilion!”

You want us to betray the Hidden Dragon Pavilion and our country? You really know how to fantasize!”

The other five team members who were still awake roared.

The warriors standing beside Jiang Bo and the others raised their guns and fired at their legs.

Puff! Puff! Puff!

Blood exploded on the legs of Jiang Bo and the others, causing them to scream in pain!

Douglas sighed and said, “Mr. Jiang, you’re all rare intelligence talents, and I value talents very much.

So, I really hope you can think about it.

As long as you work for me, I can give you everything you want.”

Jiang Bo hissed, "Douglas, I'll say it again. Kill me!

It's impossible for me to serve you!"

The other five team members also endured the pain and stared at Douglas with determination in their eyes.

Douglas' eyes turned cold.

He smiled sinisterly and asked, "Are you really not afraid of death?"

"Death?"

"Hahaha..."

Jiang Bo laughed sinisterly and said with a determined expression, "From the day I joined the Hidden Dragon Pavilion, I've already disregarded life and death!

"Alright, Douglas, stop talking nonsense and give me a quick death!"

“That’s a pity.”

Douglas heaved a long sigh and said coldly, “Since you can’t be used by me, you can’t be used by the Hidden Dragon Pavilion either.

However, don’t worry, I won’t kill you for the time being.

You guys are my bargaining chips. With you guys around, that kid will definitely be restrained and can only let me do whatever I want.”

“You...”

Jiang Bo roared angrily, “Bastard, kill me. Kill me quickly!”

“Beast, you want to use us to threaten Deputy Pavilion Master Yang? Dream on!”

“Do you not dare to kill us? As the Commander-in-Chief of Country Stars & Stripes, you don’t even dare to kill us?”

The other five teammates also roared, trying to anger Douglas into killing them.

They had all fought alongside Yang Luo before and knew Yang Luo's personality very well.

Yang Luo valued relationships and righteousness. He would never abandon a brother.

If they were still alive, Yang Luo would definitely be threatened by Douglas through them.

If they died, Yang Luo would be able to fight freely.

Douglas sneered, "You don't have to goad me. You're still valuable to me. How can I bear to kill you?"

As he spoke, he instructed a few warriors, "Take them down. Don't let them die!"

"Yes!"

A few warriors responded and dragged Jiang Bo and the others out.

After Jiang Bo and the others left...

Douglas said excitedly, “Lady Prophet Witch, you, the other two demon kings, the three archbishops, and the three shaman kings are here tonight.

This kid called Yang Luo will definitely die.”

The Prophet Witch said casually, “Mr. Douglas, it’s just killing a kid. Is it necessary to send so many experts?”

Douglas said, “Lady Prophet Witch, you haven’t dealt with that kid before, so you naturally don’t know how powerful he is.

That kid is an extremely powerful martial artist. It’s all thanks to him that I have suffered such huge losses.

Tens of thousands of people from the various teams in Country Stars & Stripes had died at his hands.

This guy is definitely a ruthless character. We cannot let our guard down.

I invited all of you to help this time to ensure that nothing goes wrong.”

The Prophet Witch chuckled and said, “Mr. Douglas, since you think so highly of this kid, I really want to meet him.”

Douglas nodded and said respectfully, "Master Prophet Witch, have a good rest. I'll make some arrangements first."

"Go on."

The Prophet Witch raised her hand.

Douglas bowed respectfully and left the fortress.

Prophet Witch gently swirled the red wine in her glass, her charming eyes flickering with a soul-stirring purple light.

She licked the corner of her lips and muttered, "Yang Luo, hehe, interesting..."

...

At the same time...

After more than ten black business cars left the Snow City District, they sped towards the suburbs.

In the lead MPV.

Tian Zhen was in charge of driving.

Yang Luo and the others sat inside.

The atmosphere in the car was very oppressive.

Now that Jiang Bo and the others had been captured, their hearts were very heavy, and they were all filled with anger.

Yang Luo looked at the time. It was almost eight o'clock.

He picked up the walkie-talkie and said loudly, "Continue to speed up!

We must reach the Turks Base before nine o'clock!"

"Yes!"

A response came from the walkie-talkie.

Prajna grabbed Yang Luo's hand and comforted him, "Brother Yang, don't worry. Brother Jiang and the others will be fine."

Lin Qianyi nodded and said, "That's right, Little Luo. Douglas must still want to threaten us with Brother Jiang and the others."

Therefore, before we reach the base of Turks, Douglas will definitely not kill Brother Jiang and the others."

Yang Luo nodded heavily. His eyes were bloodshot, and he could no longer suppress the anger in his heart.

This time was the first time he had led the team to carry out the mission!

Unexpectedly, before the battle even started, a brother was captured!

He blamed himself!

He was very vexed!

He was furious!

Douglas had become a dead man in his heart!

The dozen or so MPVs sped up continuously, making rumbling sounds as they rushed towards Turks Base.

At about eight-thirty...

Yang Luo and the others finally arrived at the outskirts of the Rainier Snow Mountain.

As far as the eye could see, there were mountains rising and falling. The mountains were covered in snow all year round, looking majestic.

“Everybody out of the car!”

Yang Luo picked up the walkie-talkie and shouted.

Very quickly...

More than ten commercial cars stopped and everyone got out.

“Let’s go!”

Yang Luo waved his hand and led everyone towards the Rainier Snow Mountain.

However, the moment Yang Luo and the others approached the Rainier Snow Mountain!

Rumble rumble rumble!

The surrounding ground trembled!

Even the surrounding mountains swayed gently!

Yang Luo roared, “Prepare for battle!”

“Yes!”

Everyone responded loudly.

In less than a few minutes....

Tanks broke through the darkness and drove over from all directions!

There were a great number of rovers that over!

These rovers and tanks were like ferocious beasts. They roared and rushed over!

“Sword, come!”

Yang Luo shouted!

Swoosh!

A golden light flashed!

The Dragon Emperor Sword flew out of his storage ring and was firmly grabbed by him!

He raised the Dragon Emperor Sword and let out a furious roar!

“Brothers, follow me and kill!”

“Start the war!”

“Kill!”

Chu Longyuan, Lin Qianyi, Bujie, and the others roared in unison and rushed in all directions!

When they charged out!

Everyone unleashed their auras and combat strength. Their bodies flickered with a dazzling light as beams of light rushed up!

An earth-shattering battle erupted!

Chapter 934: Show Your Divine Might!

Just as Yang Luo and the others attacked!

Whir, whir, whir...

Bang! Bang! Bang!

The machine guns on the rovers began to fire crazily!

The tank also fired cannonballs one after another!

Bullets and cannonballs converged in the sky and shot towards Yang Luo and the others from all directions like a storm!

Everyone condensed their True Qi barriers to block!

“Fuukou Qimen Array!”

“Martial Marquis Eight Trigrams Formation!”

Feng Lengyue and Zhuge Changfeng shouted at the same time. They had set up a double array formation!

The dual array formations instantly condensed into form!

Runes interweaved and runes flickered, opening up two huge light barriers that enveloped everyone!

Dong, dong, dong!

Boom! Boom! Boom!

The bullets and cannonballs collided with the light barrier, emitting dull collisions and explosions!

Flames shot in all directions, True Qi surged, and lava surged. It was an incomparably spectacular sight!

Feng Lengyue's group members and Zhuge Changfeng's group members also set up layers of large arrays to strengthen the defense!

It was precisely because of the layers of defense of the array that the bullets and shells were all blocked outside!

At this moment.

The people on the tanks and tanks were dumbfounded!

They never expected someone to be able to withstand the bombardment of bullets and cannonballs!

“Brothers with weaker defense, stay here!

The others, follow me and destroy them!”

Yang Luo roared and charged out with his sword!

The moment he rushed out of the array formation!

He stomped on the ground and soared into the sky, slashing out angrily!

Swoosh!

With a slash of his sword, a sword light illuminated the sky and sword qi soared into the nine heavens!

A huge golden sword tore through the night sky and slashed out!

Rumble!

A terrifying explosion resounded through the night sky!

The bullets and cannonballs exploded in the air!

The rovers and tanks were cut into two like cakes!

On the other hand, the people on the tanks and tanks died instantly!

At this moment.

Yang Luo had yet to land!

Countless bullets and cannonballs shot over from all directions, wanting to kill Yang Luo in the sky!

“Ten Thousand Swords Break Through the Sky!”

Yang Luo raised his hand and swung it with all his might!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords tore through the night sky and shot in all directions with him as the center!

Boom! Boom! Boom!

The countless flying swords collided with the dense cannonballs and bullets and exploded in the sky!

After blocking these cannonballs and bullets...

Yang Luo landed steadily and moved. He raised his sword and continued charging forward!

He kept swinging the sword in his hand, cutting off the tanks and tanks!

At the same time when Yang Luo was killing everyone!

The others were also unafraid of death and fought hard!

At this moment...

Chu Longyuan held the Azure Dragon Saber while Xu Ying held the Dragon Sparrow Saber. The two of them combined their sabers and slashed out continuously!

Green saber beams and platinum saber beams illuminated the world. Saber qi wreaked havoc and saber shadows stacked on top of each other. They were terrifyingly sharp!

Boom! Boom! Boom!

Rumble rumble rumble!

The bullets and cannonballs that were shot at them were destroyed by the two of them!

The tanks and tanks that were charging at them were also cut down by the two of them!

The combat strength released by the two of them was also extremely terrifying!

“All of you, get over here and die!”

Bujie roared as he held the Dragon-Mark Buddhist Staff and swung it continuously!

Dang, dang, dang!

The Buddhist staff that was emitting a golden Buddhist light swept in all directions, smashing the tanks into discus!

Tian Zhen did not say a word. His expression was incomparably cold as he clenched his fists and punched in all directions!

His fist technique was unleashed to its fullest and had the power to sweep through mountains and destroy them!

The tank and rovers that were charging at him were smashed into pieces by his fist!

“How dare you capture my Big Brother Jiang? You have a death wish!”

Lan Xiaomeng had already activated her second battle form. She roared and stomped on the ground!

Her four-meter-tall body that was as majestic as a small mountain immediately soared into the sky!

The moment she shot up into the sky!

She clenched her clay pot-sized fists and smashed them down!

Boom! Boom! Boom!

One by one, the rovers were blasted into pieces!

All of them turned into steel fragments that filled the sky and shot out in all directions!

The people in the rovers were all blasted into minced meat!

When Lan Xiaomeng landed, she stepped on two more rovers!

“Get up!”

Then, she grabbed a tank with both hands. The veins and muscles on her thick arms bulged as she let out a roar!

A tank that weighed countless tons was forcefully lifted by her and smashed into the distance!

Rumble!

The rover and tanks were smashed into pieces!

After that, Lan Xiaomeng did not stop there. Instead, like a Hercules, she continued to raise the rover and tank and smashed them out!

“Monster... This woman is a monster!”

“Shoot... fire... kill her!”

The people on the rovers and tanks screamed in fear and kept firing bullets and shells at Lan Xiaomeng!

On the other hand, Lan Xiaomeng condensed a protective light barrier!

Facing the rain of bullets, she charged forward like a wild beast!

As she charged forward!

She kept punching out!

Wherever she passed, the rover and tanks were either sent flying or shattered by her fists. It was terrifying!

Meanwhile, Lin Qianyi pieced the two short spears together and turned them into a spear that swung in all directions!

Boom! Boom! Boom!

The rover and tanks were all destroyed!

The scarlet flames that surged out also ignited the rover and tanks!

Flames immediately burned under the night sky, illuminating the surroundings!

At this moment, Lin Qianyi seemed to have really turned into the legendary ancient divine beast, the Vermillion Bird!

Scarlet flames burned on her body as she shuttled through the rain of bullets, shocking everyone!

But right at this moment...

There were a total of four tanks surrounding Lin Qianyi!

Lin Qianyi stomped on the ground and flew up like a vermilion bird spreading its wings!

After jumping into the sky!

Lin Qianyi's graceful body stretched out as she swooped down and stabbed with her spear!

As the spear stabbed down!

The raging flames surged in all directions with the spear as the center!

Boom! Boom! Boom!

The four tanks were all sent flying, turning into four huge fireballs that smashed heavily on the ground!

Meanwhile, Lin Qianyi landed steadily on the ground. Her beautiful hair fluttered, revealing a beautiful and cold face!

Anyone who approaches will die!”

She shouted and continued to charge forward like a female War Goddess who had descended to the mortal world!

In the distance, Prajna was also fearless. She held the Sun and Moon Divine Staff and kept waving it!

Rivers of flames and ice surged out!

Those rovers and tanks were either burned or frozen!

As she waved the Sun and Moon Divine Staff!

She also summoned the Six Paths Shuriken!

The huge six shurikens spun at high speed and cut the rover and tank into two!

Following in the footsteps of Yang Luo and the other main forces fighting fiercely...

The ten elite warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion, as well as the elite members of the five groups, also followed and killed in all directions!

All of this was in order to save Jiang Bo and the others!

In order to get back the information!

In order to destroy the Turks Base!

In order to kill Douglas!

Everyone displayed their divine might and fought in all directions without fear of death!

Chapter 935: Come Out and Die!

But right at this moment...

Roars and shouts sounded!

“The Commander-in-Chief has ordered us to kill them at all costs!”

“Don’t leave a single one alive. Kill them all!”

A large group of people rushed over from behind the snow mountains!

These people were all soldiers from the base!

There were more than 3,000 people converged into one black mass, giving off a powerful pressure!

These warriors were divided into several factions!

There were ordinary warriors!

There were mechanically modified warriors!

There were warriors who had taken Enhancement Potions!

There were warriors wearing God Slaying Armors!

There were even genetically modified half beast warriors!

Moreover, the soldiers in the rovers and tanks had also come down and joined in!

In an instant...

There were more than 5,000 people charging over from all directions!

“Do you think you can kill us with numbers?

It’s simply a fantasy!”

Yang Luo raised the sword in his hand and said in a trembling voice, “Don’t leave a single one alive. Destroy them all!”

“Yes!”

Chu Longyuan, Lin Qianyi, Xu Ying, and the others replied in unison.

Then, under Yang Luo's lead, they charged at these warriors!

Although Yang Luo and the others numbered less than a hundred, the weakest were experts who could fight a hundred alone!

As for Yang Luo and the other main forces, they were existences that could fight a thousand and ten thousand alone!

Therefore, everyone was not afraid at all!

At this moment...

This snowy mountain area seemed to have turned into a hell of death!

People were dying every minute and every second!

Corpses were strewn everywhere and blood flowed. It was a shocking sight!

But right at this moment...

Hundreds of warriors surrounded Yang Luo!

After all, the Commander-in-Chief had given the order that Yang Luo had to be killed!

“You want to surround and kill me?”

Can you do it?”

Killing intent flickered in Yang Luo’s eyes. With the Dragon Emperor Sword in hand, he slashed out angrily!

Swoosh! Swoosh! Swoosh!

Sword shadows filled the sky as the sword shone brightly. The sword Qi was like a rainbow as it slashed in all directions!

“Ahhhh...”

Accompanied by a shrill scream!

Those trying to surround him were all killed!

When the first wave of warriors was killed!

Another second and third wave of warriors charged over!

As Yang Luo swung his sword, the true fire and Yang lightning in his body erupted!

Whoosh! Whoosh!

Rumble!

Golden True Fire and golden lightning surged out of his body, burning and killing the warriors who surrounded him!

In less than a few minutes....

More than a thousand people had died at Yang Luo's hands!

Not far away, Chu Longyuan, Lin Qianyi, Xu Ying, Bujie, and the others also started a massacre, killing all those warriors!

As the battle progressed...

Helicopters and fighter jets flew out from behind the snow mountain and fired at Yang Luo and the others!

In order to destroy Yang Luo and the others, Douglas had put in a lot of effort!

Yang Luo stared at the sky and swung the sword in his hand!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless flying sword phantoms shot out like a rain of swords!

Boom! Boom! Boom!

The helicopters and fighter jets were shot down and exploded in the air!

The flames were dazzling, and thick smoke filled the sky!

However, just as the first wave of helicopters and fighter jets were destroyed,

Another second and third wave of helicopters and fighter jets flew out from behind the snow mountains and launched a carpet bombing on Yang Luo and the others!

Yang Luo and the other people in the vanguard party could withstand it, and they could also shoot down helicopters and planes!

However, the warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion, as well as the members of the five major groups, did not have such tyrannical strength and defense!

Therefore, many people were injured by the explosion and bled profusely!

“Damn it!!!”

Yang Luo roared angrily!

After shooting down a few waves of helicopters and fighter jets!

Yang Luo charged out of the encirclement and charged towards one of the snow mountains!

The moment he approached the snow mountain!

He stomped the ground and soared into the sky like a Divine Dragon from the Nine Heavens!

“Cut!!”

He let out a roar and gripped the Dragon Emperor Sword tightly with both hands, slashing angrily at the snow mountain!

Swoosh!

A huge golden sword tore through the night sky, erupting with terrifying sword qi and terrifying sword power, as if it wanted to destroy everything in front of it!

The next second!

Bang!

The snow mountain was directly cut into two!

The snow mountain split in the middle, as if a canyon had been slashed out. It was breathtaking!

As for the helicopters and fighter jets behind the snow mountain that had yet to take off, they were all sliced apart by the sword!

“Oh my god, is this kid a God? He actually slashed open a huge mountain with a sword?!”

“No wonder the Commander-in-Chief sent so many people to kill this kid. This kid is simply a monster!”

“Fortunately, our Commander-in-Chief invited experts to help. Otherwise, our entire base would probably be destroyed by this kid!”

The soldiers were all frightened and did not dare to approach Yang Luo at all.

After slashing open a snow mountain, Yang Luo let out an angry roar!

“Douglas, come out and die!”

His voice was like a dragon's roar that resounded through the night sky and echoed between the mountains!

With this roar!

Yang Luo soared into the sky again and swung his sword at a snow mountain!

A huge golden sword slashed fiercely at a snow mountain. It was really like a sword strike from a god!

Bang!

The second snow mountain was also split open!

The helicopters and fighter jets parked behind the snow mountain were all cut off by a sword!

Many warriors hiding behind the snow mountain were also killed with a single strike!

"Douglas!!!"

“Get out here!”

“Get your ass out here!”

“Don’t be a coward. Come out if you have the ability!”

“Didn’t you want to kill me? I’m here!”

Yang Luo seemed to have gone crazy as he roared. He gripped the Dragon Emperor Sword tightly with both hands and continued to slash out!

In less than a few minutes!

Three more snow mountains were split into two!

Just as Yang Luo was about to rush deeper into the mountains!

A teasing voice sounded!

“Kid, are you looking for me?”

Yang Luo suddenly looked up at a snow mountain not far away.

He saw a group of people standing there.

Standing at the front was Douglas.

Behind them stood a row of warriors holding Jiang Bo and the other eleven of his teammates.

Clearly, Jiang Bo and the others had all suffered inhuman torture.

Their skin and flesh were lacerated everywhere and they were dripping with blood, as if they had been salvaged from blood!

“Brother Jiang!”

“Old Jiang!”

“Team Leader Jiang!”

Yang Luo and the others shouted one after another. Everyone felt as if a knife was being twisted in their hearts, as if their hearts were bleeding.

They knew that if not for the sake of obtaining information and allowing operation to go even smoother...

Jiang Bo and the others would not have taken this risk, let alone be captured.

At this moment.

Jiang Bo slowly opened his badly mangled eyes and shouted with all his might, "Brother Yang, it's very dangerous here!

Hurry up and take our brothers away!"

Yang Luo's eyes turned red as he said in a trembling voice, "Brother Jiang, I said before that we have to return alive!

Even if I have to risk my life, I will definitely save you!"

“Old Jiang, you don’t have to say anything else. We won’t abandon you!”

“Brother Jiang, if you want to live, let’s live together. If you want to die, let’s die together!”

Tears welled up in Chu Longyuan and the others’ eyes as they roared.

Jiang Bo’s tears flowed as he said sadly, “They have experts guarding them. You’re not their match!

Don’t lose your life for me. Hurry up and leave!”

Chapter 936: Nine Experts Appear!

Hearing Jiang Bo’s words,

Yang Luo frowned.

Could it be that there was really an expert helming this base?

But why hadn’t they come out yet?

Yang Luo replied loudly, "Brother Jiang, I don't care if they have experts guarding them!

If there is one, I will kill one. If there's two, I will kill a pair!

"In short, I won't give up on any of my brothers!"

Pa, pa, pa...

Douglas clapped and said, "Is this the so-called brotherhood?

It's really too touching. I'm so touched."

"Douglas, stop being so sarcastic here!"

Yang Luo stared at Douglas and roared, "Fight me fair and square if you dare!

Do you feel proud to capture my brother and threaten me!

You're the Commander-in-Chief of Country Stars & Stripes after all. Do you have any shame?"

Bujie sneered and said, "If this guy wants his face, why would he use Brother Jiang to threaten us!"

Douglas roared, "Shut the f*ck up!"

If you don't want to see these guys killed, quickly put down your weapons!"

As he spoke, he waved his hand!

The warriors standing behind Douglas all raised their guns and pressed them against the heads of Jiang Bo and the others!

Douglas roared at Yang Luo, "Put down your weapons now, or I'll order someone to shoot them!"

"Brother Yang, what should we do now?!"

Chu Longyuan looked at Yang Luo anxiously.

Lin Qianyi also gritted his teeth and said, "Once we put down our weapons and are captured by them..."

Not only will we not be able to save Brother Jiang and the others, but we will also lose our lives!”

Jiang Bo said loudly, “It’s my honor to know you brothers. My life is worth it!

“Don’t worry about me. Let’s fight to our hearts’ content. Hurry up and break out of the encirclement and escape!”

“Don’t worry about us!”

The other five members of the intelligence team who were still conscious shouted.

“Little Luo!”

“Brother Yang!”

“Brother Yang!”

Lin Qianyi, Chu Longyuan, and the others all looked at Yang Luo, asking him to make a decision.

Yang Luo stared intently at the top of the mountain not far away, his expression extremely cold.

“It seems like you won’t listen to me if I don’t teach them a lesson!”

Douglas smiled cruelly and waved his hand again.

The soldiers standing at the back turned their guns and fired at the arms of Jiang Bo and the others.

Bang! Bang! Bang! Bang!

Gunshots rang out!

Bullets pierced through Jiang Bo and the others’ arms, and blood splattered!

“Ahhhh...”

No matter how strong Jiang Bo and the others’ endurance was, they could not withstand this pain and let out miserable cries.

However, at this moment!

Yang Luo's eyes flashed with golden light as he swung his sword with endless anger!

Swoosh!

The sword swung out in one wide arc!

Twenty-three golden flying swords shot towards the top of the mountain!

They went straight for Douglas and the twenty-two warriors!

Douglas was shocked!

He did not expect Yang Luo to still dare to attack at this moment!

Could it be that this kid really did not care about the lives of his brothers?

Based on his investigations, wasn't this kid the most loyal person?

This kid actually ignored the lives of Jiang Bo and the others and attacked them?

Even Chu Longyuan, Lin Qianyi, and the others were dumbfounded!

Douglas was stunned at first, but then he suddenly woke up and roared, "Kill them!"

The 22 warriors also came back to their senses and raised their guns, preparing to shoot Jiang Bo and the others!

However, the moment they raised their guns!

Puff! Puff! Puff!

22 flying swords accurately pierced through the chests of the 22 warriors!

The 22 warriors fell heavily to the ground!

Jiang Bo and the others also fell to the ground!

The twenty-third flying sword shot at Douglas!

However, just as the flying sword shot over!

Douglas clenched his right fist, condensed blue lightning, and punched out!

It turned out that Douglas was a lightning-element Esper himself!

Moreover, his body had been genetically modified and injected with the genes of lions, tigers, bears, and leopards!

In other words!

Not only did he have thunder-elemental superpowers, but he also had the various abilities of lions, tigers, bears, and leopards!

Ooommmm!

The flying sword was shattered by his punch!

However, the impact of the sword directly sent Douglas flying!

He was sent flying dozens of meters away and landed heavily on another snow mountain!

Yang Luo took advantage of this gap to flash and instantly use the Great Freedom Emperor Dragon Movement Technique!

He turned into a dazzling golden light and shot out!

In just a few breaths...

Yang Luo had already appeared on the 300-meter-tall snow mountain not far away!

In an instant...

Everyone present was dumbfounded!

It only took a few minutes for Yang Luo to kill the twenty-two soldiers, send Douglas flying, and rush to the top of the mountain!

He was too fast!

It was so fast that no one could react!

However, there was no doubt!

The crisis of Jiang Bo and the others had been resolved!

“To the top of the mountain!”

Chu Longyuan, Lin Qianyi, Xu Ying, and the others were overjoyed and rushed up the mountain!

“Stop them!”

“Kill them!”

Those warriors seemed to have woken up from a dream as they roared and charged towards Chu Longyuan and the others!

At this moment.

At the top of the mountain.

Yang Luo squatted down and hissed, “Brother Jiang, I’ll help you deal with your injuries first!

“After the battle is over, I’ll treat your injuries!”

“Brother Yang, thank you!”

“Thank you, Vice Pavilion Master Yang!”

Tears flowed down Jiang Bo and the others’ faces as they thanked him.

Yang Luo quickly used the Universe Acupoint Technique and tapped the acupoints on Jiang Bo and the others.

However, Jiang Bo and the others were too injured.

Just using the Universe Acupoint Technique was not enough to stabilize their injuries.

Hence, he took out eleven silver needles and stabbed Jiang Bo and the others.

But right at this moment...

Douglas, who was on the opposite mountain, got up. He was not injured at all!

He shouted into the distance!

“Respected Lords, hurry up and kill this kid!”

Right after he finished his sentence...

Whoosh! Whoosh! Whoosh! Whoosh!

Nine dazzling energy beams streaked across the night sky and shot towards Yang Luo like a surging mountain flood!

Yang Luo’s suddenly heart skipped a beat as he sensed danger!

He quickly stood up and slashed at the nine energy beams!

Swoosh!

A huge golden sword tore through the sky and ruthlessly slashed at the nine energy beams approaching him!

Rumble!

An earth-shattering explosion resounded through the sky!

True Qi, sword Qi, energy, and light intertwined and exploded in the sky, washing in all directions!

Although he had blocked the attack of the nine energy beams...

However, Yang Luo was also forced to retreat repeatedly until he reached the edge of the mountain before stabilizing his body!

He looked up.

From where he stood, he could faintly see nine figures standing on the three snow mountains in the distance.

Just by standing there, the pressure and aura emitted by these nine figures made everyone present feel fear.

Even Yang Luo frowned and felt a sense of oppression.

Without a doubt, these nine fellows were all true experts!

Chapter 937: Demon King, Sorcerer King, Archbishop!

On one of the snowy mountains stood two foreign men and a foreign woman.

Standing in the middle was a burly black man who was more than three meters tall.

In his hand was a strange-looking black ax with a long handle and a wide blade. It was engraved with a demon totem.

On his left stood a huge Caucasian man.

The Caucasian man was more than two meters tall and had a rough face. He held a bone saber that was longer than him in his hand.

On his right stood a Caucasian woman.

The Caucasian woman was wearing a long black dress. She had an enchanting figure and a charming face. She held a purple crystal scepter.

On the second snow mountain stood three old men in red robes. Their beards and hair were gray, and they wore crosses on their chests. They held swords, spears, and spears.

On the third snow mountain stood three thin black middle-aged men in gray robes.

He could recognize the three black men in gray robes.

It was the gray-robed Magus of the Sorcerer Alliance, also known as the Sorcerer King.

Not long ago, he had fought with a shaman king called Gudanu. That fellow was also dressed like this.

Just as Yang Luo sized up these nine people...

The nine of them were also sized up Yang Luo with a teasing smile on their faces.

At this moment.

Chu Longyuan and the others also arrived at the top of the mountain and looked at the three snow mountains in the distance.

When the rest saw the figures on the snow mountain...

“Why are they here?!”

Prajna could not help but gasp.

Her face began to turn pale, and her entire body could not help but tremble.

“Prajna, do you know these guys?”

Yang Luo hurriedly asked.

Prajna gulped and said, “That black hunk is one of the ten Devil Kings of Hell Fiend Palace, King of Destruction, Ralph!

That Caucasian hunk was one of the ten Devil Kings of Hell Fiend Palace, King of Slaughter, Radham!

And the Caucasian woman is none other than Prophet Witch Medea, one of the ten Devil Kings of Hell Fiend Palace!

These ten Demon Kings are all existences that can contend with the ten Divine Kings of the Holy Imperial Court!"

Chu Longyuan frowned and said, "I've heard of these guys' names.

They are notorious and had done all kinds of bad things. They were existences that many organizations in the Dark World feared and hated.

I didn't expect these guys to appear here."

Lin Qianyi frowned and said, "Isn't Hell Fiend Palace hiding behind the scenes?

Why are they so active now?

What exactly do they want?"

Lan Xiaomeng gritted her teeth and said, "This is a group of terrifying fellows. They are the strongest existences under the Hell Fiend Emperor!

I didn't expect to meet them. How annoying!"

The others were also filled with fear.

They had also heard of the reputation of the ten Devil Kings of Hell Fiend Palace.

Yang Luo narrowed his eyes slightly.

During this period of time, he had always heard that Hell Fiend Palace was one of the top organizations that could compete with the Holy Imperial Court.

Previously, he had also interacted with people from Hell Fiend Palace.

However, he did not expect to encounter the main force of Hell Fiend Palace today.

He had fought with the few Divine Kings of the Holy Imperial Court.

Those God Kings all had all sorts of strange abilities, and they were all very powerful.

He just didn't know how strong the Demon King of Hell Demon Palace was.

"Prajna, who are those three old fellows in red robes?"

Yang Luo asked.

Prajna said with a look of fear, "These three old fellows are the Cardinals of the Holy Light Church, Darius, Camedo, and Orkney!"

The Holy Light Church is one of the top organizations on par with the Holy Imperial Court and Hell Fiend Palace!

The Holy Light Church's ruler, the Holy Light Pope, has seven angels and twelve Cardinals under him. They were the strongest combatants!

Although these Cardinals are not as strong as the seven angels, they are still very powerful existences!"

"I see."

Yang Luo nodded in realization.

Previously, the only top organizations he knew of were the Holy Imperial Court and Hell Fiend Palace.

He did not expect a top organization like the Holy Light Church to exist as well.

Perhaps there were other top organizations in the Dark World, but he didn't know of them yet.

However, as his understanding of the Dark World deepened, he could naturally see the full appearance of the Dark World.

Chu Longyuan said, "As for the three guys in gray robes, they are the three Sorcerer Kings of the Afro Domain's Sorcerer Alliance, Alba, Besley, and Midero!

Although the Sorcerer Alliance is far inferior to the Hell Fiend Palace and the Holy Light Church, it's not a small organization in the Underworld!"

Tian Zhen said in a deep voice, "I didn't expect Douglas to ask the Hell Fiend Palace, the Holy Light Church, and the Sorcerer Alliance for help!

I'm afraid it will be very difficult for us to leave alive today!"

Bujie curled his lips and said, "Brother Tian, with Brother Yang around, do we still have to be afraid of them?"

Tian Zhen sighed and said, "I naturally trust Brother Yang's strength.

However, now that the nine experts of the three organizations are working together, no matter how strong Brother Yang is, it's very difficult for him to defeat the nine of them."

Feng Lengyue nodded, "Brother Tian's worries are not without reason. These guys are indeed very strong. We are not their match at all."

Yang Luo's expression was firm as he said in a trembling voice, "Brothers, I don't care how strong they are!

Since I brought you here, I naturally have to bring you back alive!"

"Damn it, at most, I'll fight them to the death!"

"Then let's fight them to the death!"

Chu Longyuan and the others raised their arms and shouted.

At this moment.

On a snowy mountain in the distance.

The King of Slaughter smiled at Yang Luo and said loudly, “Kid, you’ve been quite famous in the Underworld recently. I’ve long wanted to meet you!

Don’t disappoint me!”

Right after he finished his sentence...

The King of Slaughter’s figure flashed and turned into a black-red stream of light. It flashed on the mountains and charged towards Yang Luo!

In just a few breaths!

The King of Slaughter leaped over the five mountains and approached the mountain where Yang Luo and the others were!

He leaped up and waved the huge white bone saber in his hand, slashing at Yang Luo!

“You’re the King of Slaughter, aren’t you? Let me fight you!”

Bujie immediately roared and leaped up. He waved the Dragon-Mark Buddhist Staff in his hand and faced the attack!

Rumble!

The Dragon-Mark Buddhist Staff and the white bone saber collided heavily, emitting a sound that shook the nine heavens!

True Qi surged, energy splashed, and flames shot in all directions. It was dazzling!

However, the Slaughter King’s attack was too terrifying. It directly sent Bujie flying!

“ARGH!”

Bujie let out a painful cry and fell more than ten meters away. There was a bloody wound on his chest!

The King of Slaughter landed steadily on a snow mountain opposite!

“Bujie!”

“Brother Bujie!”

Everyone shouted in shock.

“Let me do it!”

“Count me in!”

Chu Longyuan and Xu Ying shouted at the same time. They leaped up and slashed at the King of Slaughter!

Swish! Swish!

The two sabers slashed out at the same time, tearing through the sky. The saber light was terrifying, and the saber light soared into the sky!

“Do you think you’re worthy of fighting me?”

The King of Slaughter smiled disdainfully and swung the white bone saber in his hand again!

Clang!

The crisp sound of collision exploded in the sky again!

Although Chu Longyuan and Xu Ying's slash was very powerful, it could not withstand the King of Slaughter's attack!

"Ugh, ugh..."

The two of them let out a painful cry and were also sent flying more than ten meters away!

Chapter 938: Power Not Something Humans Should Have!

Lin Qianyi, Prajna, and the others were also prepared to charge forward!

Yang Luo raised his hand and said, "Everyone, this guy's strength is extraordinary!"

I'm afraid you're not his match. Let me do it!"

Although Lin Qianyi and the others were unwilling, they also knew that there was indeed a gap between them and the King of Slaughter, so they could only give up.

With the Dragon Emperor Sword in hand, Yang Luo's figure flashed and he leaped up, slashing at the King of Slaughter!

The King of Slaughter smiled coldly and also flew into the sky, waving the white bone saber in his hand at Yang Luo!

At that moment...

Rumble!

The huge golden sword and the bone saber collided heavily!

Energy ripples spread out and directly destroyed mountain peaks!

Rocks soared into the sky and snow danced. It was an incomparably spectacular sight!

But they collided for less than a few seconds!

The black-red energy and killing power that erupted from the King of Slaughter were instantly destroyed!

“Ugh!”

The King of Slaughter let out a muffled groan and flew more than 20 meters away before stabilizing his body!

Everyone could see that a wound had appeared on his chest and blood was flowing out!

Seeing this scene...

Douglas was stunned!

The powerful King of Slaughter was actually injured in just one round!

How terrifying was this kid's strength?

The King of Destruction, Prophet Witch, and the others, who were watching the battle from the distant snow mountain, were also shocked!

The King of Destruction narrowed his eyes and said, "This kid's strength is indeed not bad. I didn't expect that even Slaughter could be injured by his sword."

Prophet Witch chuckled, "This kid is indeed interesting."

At this moment.

The King of Slaughter's expression darkened.

He did not expect to be injured by this kid in front of him.

"Kid, you're worthy of me being serious!"

He smiled coldly and then his entire body trembled!

Ooommmm!

A black-red beam of light shot into the sky from his body, illuminating the night sky!

A dark, evil, sinister, and murderous aura erupted from his body!

Yang Luo said calmly, "Unfortunately, you're not worthy of me getting serious."

"How dare you look down on me? You have a death wish!"

The King of Slaughter was furious. With a flash, he charged at Yang Luo again!

Yang Luo's figure flashed as he charged towards the King of Slaughter!

In the blink of an eye!

Ooommmm!

A loud explosion erupted above a huge mountain!

The sword in Yang Luo's hand and the white bone saber in the King of Slaughter's hand collided again!

The energy and True Qi that erupted surged out like a tidal wave, full of destructive power!

Rumble!

A huge mountain below also began to collapse!

“Get lost!”

Yang Luo’s right arm shook and sent the King of Slaughter flying again!

After sending the King of Slaughter flying...

Yang Luo landed steadily on a huge mountain. Then, his figure flashed and he continued to attack the King of Slaughter!

In the next few minutes!

Yang Luo and the King of Slaughter engaged in an intense battle!

Clang! Clang! Clang!

The golden sword shadow and the black-red saber shadow collided continuously, deafening!

Boom! Boom! Boom!

The mountains could not withstand it anymore and began to crack and collapse!

After dozens of consecutive rounds!

Only a loud explosion could be heard!

The King of Slaughter was sent flying again, and more wounds appeared on his body!

Just as Yang Luo continued to charge forward!

“Let me help you, Slaughter.”

Prophet Witch said indifferently. Her figure flashed and turned into a black-purple light that instantly approached Yang Luo.

She chanted an incantation and waved the scepter in her hand!

“Dark Tornado!”

Hu! Hu! Hu! Hu!

A black-purple tornado immediately blew up in the sky, carrying terrifying lethality, destructive power, and annihilating strength as it crushed towards Yang Luo!

Seeing this, Yang Luo waved the Dragon Emperor Sword in his hand and slashed out!

The black-purple tornadoes that swept over were instantly torn apart, turning into traces of turbulence and energy waves that spread out!

Seeing that Yang Luo had broken through her attacks!

Prophet Witch’s eyes turned cold as she continued chanting and waved the scepter in her hand!

“Shackles of Death!”

Pew pew pew!

Black-purple chains condensed into form and whistled towards Yang Luo with the aura of darkness and death!

The King of Slaughter also took this opportunity to flash over and slash at Yang Luo!

Yang Luo's entire body trembled as he instantly condensed a golden True Qi barrier to block!

Boom! Boom!

Clang! Clang!

The chains condensed by Prophet Witch and the saber strike of the King of Slaughter were blocked!

The True Qi, energy, and light that spread out surged in all directions like a wave!

"This kid is indeed not simple. Let's go, let's attack together!"

“Kill this kid and avenge Gudanu!”

“How dare you kill someone from the Sorcerer Alliance? You have a death wish!”

Alba, Besley, and Midero also charged towards Yang Luo!

“Let’s go and meet this kid too!”

“That’s what I’m thinking!”

“Do it!”

The three Cardinals, Darius, Camedo, and Orkney, also flashed and charged at Yang Luo!

“Hahaha...”

Douglas laughed out loud and said fiercely, “Kid, there are so many experts here tonight. No matter how strong you are, you’ll only die!

This is the outcome of provoking Country Stars & Stripes and me!”

As he spoke, his figure flashed and he charged towards Yang Luo!

Douglas jumped to the sky and punched Yang Luo with all his might!

Alba, Besley, and Midero used their sorcery techniques and shot out three energy beams!

“Sword of Holy Light!”

“Adjudication Spear!”

“Judgement Pike!”

Darius, Camedo, and Orkney’s bodies emitted a dazzling platinum light as they waved the longsword, spear, and pike in their hands at Yang Luo!

Boom! Boom!

Rumble!

The heavy attacks landed ruthlessly on the True Qi barrier that Yang Luo had condensed, and the commotion shook the heavens!

At this moment, other than the King of Destruction who had yet to take action, the other experts had already taken action!

Besides, only the three gray-robed sorcerers and Douglas were weaker. The demon king and the Cardinals were both very strong!

The destructive power unleashed by their combined forces was truly shocking!

After more than ten minutes...

Crack! Crack!

No matter how strong the True Qi barrier that Yang Luo condensed was, it began to crack!

“Hahaha, kid, aren’t you very strong? You can’t take it anymore, right?”

Douglas smiled even more proudly.

Yang Luo's expression was cold as he constantly mobilized the True Qi in his body. A golden beam of light rushed out of his body to strengthen his defense!

Furthermore, he had also erupted with the golden true fire and golden Yang lightning in his body to resist the King of Slaughter, Prophet Witch, and the others!

However, the King of Slaughter, Prophet Witch, and the others could withstand the power of lightning and flames that erupted from Yang Luo!

Rumble!

Booming explosions resounded in all directions!

Waves of terrifying energy and light converged in the sky, like a mountain flood erupting, washing in all directions!

The warriors watching the battle at the foot of the mountain were dumbfounded. Their bodies could not help but tremble!

"This is not a power that humans should have at all!"

A warrior shouted in fear.

The other warriors were also terrified and speechless.

Chapter 939: Heavenly God vs Demon King!

Seeing Yang Luo being surrounded!

Chu Longyuan, Lin Qianyi, and the others also looked anxious!

“Hurry up and help!”

“Let’s go, let’s attack together!”

“Even if we can’t defeat them, we have to fight them to the death!”

Chu Longyuan, Lin Qianyi, and the others roared and charged at Douglas and the others together!

Douglas said to the three gray-robed sorcerers, “Mr. Sorcerer Kings, please kill those guys!

“Leave them to us!”

“No problem!”

“We’ll kill this kid after we kill those guys!”

“I hope this kid can hold on until then!”

Alba, Besley, and Midero acknowledged and charged towards Chu Longyuan, Lin Qianyi, and the others!

“Everyone, let’s attack together and kill those guys!”

“These guys have killed so many of us. We can’t let them off!”

The warriors who were watching the battle at the foot of the mountain also roared loudly. They rushed up the snow mountain and charged towards Chu Longyuan and the others!

At this moment...

Although Chu Longyuan and the others wanted to help Yang Luo, they were also surrounded and could not split up!

On the mountaintop in the distance.

Douglas, the two Devil Kings, and the three Cardinals stood on the six mountains around them, surrounding Yang Luo!

“Kid, it’s your honor to have so many experts deal with you!

Even if you die, your name will shock the Dark World again!”

The King of Slaughter laughed sinisterly. He gripped the white bone saber with both hands and slashed at Yang Luo crazily!

“Slaughter Blade!”

Swoosh! Swoosh! Swoosh!

The black and red saber shadows that filled the sky intertwined, turning into a death web that covered Yang Luo!

“Dark Python!”

Prophet Witch’s eyes flickered with a dazzling black-purple light as she swung the scepter in her hand again!

“Hiss, hiss, hiss...”

A black-red python dozens of meters long condensed into form. It opened its bloody mouth and bit towards Yang Luo!

“Holy Light Slash!”

Darius waved the platinum sword in his hand and slashed at Yang Luo with a dazzling light!

“Divine Justice!”

Camedo held a golden-red spear and pierced through the sky towards Yang Luo!

“Judgement of Sin!”

Orkney held the dark golden pike and swung it!

Countless dark golden pikes condensed and shot towards Yang Luo!

“Thunder Fist!”

Douglas activated the power of lightning in his body and the abilities of the four beasts. He condensed a huge fist of lightning and punched at Yang Luo!

Faced with the six people’s fierce attacks, Yang Luo’s body shook and he let out a roar!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

The dragon’s roar was loud and clear, resounding through the sky!

Nine golden dragon phantoms roared out of his body and collided in all directions!

At that moment...

Boom! Boom!

An earth-shattering collision resounded, and it resounded in the sky like rolling thunder!

In less than a few seconds!

Rumble!

A terrifying explosion sounded!

The violent energy and dazzling light seemed to have interweaved into a huge energy ball that spread in all directions!

The attacks of the King of Slaughter, Prophet Witch, and company instantly shattered and exploded!

The six of them could not withstand the impact of the nine golden dragon phantoms and were sent flying one after another as well!

Even though Douglas had the physique of a wild beast, blood still exploded on his body!

The King of Slaughter, Prophet Witch, and company also suffered some superficial injuries!

However, just as the six of them were sent flying!

A powerful roar sounded in the sky!

“Axe of Destruction!”

At some point, the King of Destruction had already appeared in the sky. He swung the black ax in his hand and slashed at Yang Luo, who was on the mountaintop below!

The axe slashed down with a majestic aura. Black-gray light soared into the sky, as if it wanted to destroy everything!

“Emperor Dragon Sword Technique!”

Yang Luo looked into the sky and swung the Dragon Emperor Sword with all his might to meet the attack!

A huge golden sword slashed into the sky, as if it wanted to split the sky!

Sword light shone in all directions, and sword qi rushed into the nine heavens. It was incomparably terrifying!

Rumble!

The huge sword and the huge axe collided fiercely, and the commotion shook the sky!

The dazzling light and violent energy burst out, as if they wanted to destroy everything!

It was as if an ancient Chinese Immortal was facing off against a Western Demon King!

Rumble!

Although Yang Luo had blocked the axe, the mountain under his feet could not withstand it and began to collapse!

After a while...

The entire mountain collapsed, turning into ruins that instantly buried Yang Luo!

The King of Destruction landed steadily on a mountain not far away!

He said in a trembling voice, “This kid is a little strange. In terms of one-on-one combat, we’re probably not his match!

If we want to kill this kid, we have to join forces!

Hurry up and attack. Take his life now!”

“Alright!”

The King of Slaughter and the others responded.

Then, under the lead of the King of Destruction, everyone mobilized the energy in their bodies and attacked the ruins below!

Seven attacks blasted down at the same time, containing endless lethality, destructive power, and destructive power!

But at this moment!

“ROAR...”

A roar that sounded like a dragon’s roar sounded!

Ooommmm!

The ruins below immediately exploded, turning into countless rocks and dust that soared into the sky!

Waves of surging golden True Qi surged out from the explosion and collided with the seven attacks!

Swoosh!

A huge golden sword slashed down angrily from below at the seven attacks!

Boom! Boom!

Rumble!

The earth-shattering sound of collision and explosion resounded throughout the world!

The energy and light that erupted was extremely destructive, crushing the surrounding mountains again!

Sensing the power behind, King of Destruction and the other seven looked down!

They all saw Yang Luo holding the Dragon Emperor Sword as he stood proudly below them!

Dazzling golden light flickered on his body as the phantom of a golden dragon coiled around him!

Even though there were bloody wounds on his body, the aura and combat strength that erupted from his body were even stronger than before!

“Are you planning to join forces to kill me?”

Yang Luo had an arrogant expression as he looked coldly at the King of Destruction and the others and roared!

“Very good, then let me experience it!

Just how strong are you so-called experts from top organizations!?”

Right after he finished his sentence...

Yang Luo suddenly stomped on the ground, causing the ground to collapse. His body flew up!

His figure flashed on the huge rocks in the air as he charged towards the King of Destruction and the other seven people on the mountain!

“Looks like this kid is much stronger than I imagined!”

The King of Destruction sneered and said fiercely, “Everyone, there’s no need to hold back anymore. Let’s get serious!”

Prophet Witch and the others nodded!

The next second!

Boom! Boom! Boom!

Beams of blinding light shot up from the bodies of the King of Destruction and the others, illuminating the night sky. It was incomparably magnificent!

“Kill him!”

The King of Destruction roared and continued to attack Yang Luo!

Prophet Witch and the others also used their killer moves at the same time to attack Yang Luo!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed at the seven of them!

“Dragon Suppresses Mountains and Rivers!”

“ROAR...”

With a slash of his sword, a huge golden dragon phantom roared out!

Rumble!

This sword attack collided with the attacks of the seven of them again and exploded!

After this huge collision!

Yang Luo and the King of Destruction's group were sent flying at the same time, their bodies exploding with bloody wounds!

But soon, Yang Luo and the King of Destruction and the others stabilized themselves and continued to attack the other party!

The battle became more and more intense...

Chapter 940: The Holy Imperial Court Moves!

It was past nine in the evening.

New City.

As a world-class city, the nightlife here was rich and colorful.

A huge luxury cruise ship was parked in the sea not far from New City Harbor.

The cruise ship had a total of eight floors and had all kinds of entertainment.

At this moment...

On the deck.

A beautiful Caucasian woman was standing there alone.

She was wearing a snow-white dress and had long amber curly hair. Her fair face, blue eyes, and plump red lips made her appear unbelievably beautiful!

The Caucasian woman was Natasha, the “Goddess of Fate”, one of the ten kings of the Holy Imperial Court.

The Goddess of Fate looked at the distant sea, but the face of a man from Country Hua appeared in her mind from time to time.

This man was Yang Luo.

Ever since she fought with Yang Luo in Country Gaule and was hugged by him, she would think of this kid from time to time.

After all, in all these years, no man had ever dared to take advantage of her.

Most importantly, she could not defeat this kid.

She was a little angry with Yang Luo.

However, other than being angry, there was also a strange feeling.

Even she did not understand what it was like.

In short, every time she thought of that kid, her heart would beat faster and her face would burn.

She felt that she might be sick.

That was why she had come to Country Stars & Stripes to relax these few days.

“Beauty, can you drink with us?”

“Beauty, name a price. How much for a night?”

“Don’t worry, we have plenty of money. Just tell us!”

At this moment, three drunk Caucasian men in suits walked over.

The three of them sized up the Goddess of Fate, their eyes filled with greed and passion.

The Goddess of Fate frowned slightly and said coldly, “Get lost!”

“Oh, you have quite a personality. I like it!”

“Hehe, beauty, how about 100,000 dollars a night?”

“If it’s not enough, we can add more. As long as you can serve us well, we can talk about money!”

The three Caucasian men laughed evilly.

The Goddess of Fate didn't even bother to look at the three of them. She just waved her hand gently.

And in that instant...

The three Caucasian men were directly lifted into the air by the three white lights.

"What's going on? Why am I flying?!"

"I don't think I drank too much earlier?!"

"What's going on? Am I dreaming?!"

The three Caucasian men immediately shouted in fear.

The others on the deck also looked over, their eyes filled with shock.

Very quickly...

Three rays of white light carried the three Caucasian men towards the edge of the deck.

When the light dispersed...

Thump, thump, thump...

The three Caucasian men fell into the sea.

“Help! Help!”

“Save me! Save me!”

The three Caucasian men were scared out of their wits and struggled desperately in the sea.

“Hurry up and save them!”

“Come on!”

The cruise ship instantly fell into chaos.

The Goddess of Fate sneered. She did not want to stay here any longer and prepared to leave.

But at this moment...

Her heart skipped a beat. She raised her pale blue eyes and looked in the direction of the Snow City.

“What a powerful energy fluctuation and evil aura. Could it be...”

She frowned slightly and hurried into the cabin.

After a while...

“Crazy woman, can you f*cking put me down first? Can’t we talk things out?”

A shout came from the cabin.

Right on the heels of that...

The Goddess of Fate walked out of the cabin.

Behind her was a huge Caucasian man.

The Caucasian man was wearing a gray suit and had curly brown hair. He had a rough face and was tall and burly. The interesting point was that he was more than three meters tall.

This Caucasian giant was one of the ten Divine Kings of the Holy Imperial Court, “Heavenly Sirius” Degult.

Just now, he was playing cards with a few rich people in the hall and was about to rake in his winnings when he was suddenly brought out by this crazy woman.

The Goddess of Fate waved her hand again!

With a plop, the Heavenly Sirius fell heavily onto the deck, grimacing in pain.

“What are you trying to do, you crazy woman? I was having fun. Why did you bring me out?”

The Heavenly Sirius crawled up and cursed.

The Goddess of Fate said coldly, “If you say another word, do you believe that I’ll throw you into the sea to feed the sharks?”

“Errrr...”

The Heavenly Sirius chuckled, “Let’s talk nicely. Don’t touch me.

Tell me, what exactly happened?”

The Goddess of Fate said, “Just now, a few annoying auras came from the direction of Snow City.”

“Oh?”

The Heavenly Sirius narrowed its eyes, “Could it be those guys?”

“I think so.”

The Goddess of Fate nodded.

“Then what are we waiting for? Let’s go!”

The Heavenly Sirius stretched its neck and asked, “Should we call Miller and Marktum?”

The Goddess of Fate said, "There should be more than one of them. Let's call them."

"Okay!"

The Heavenly Sirius made an "OK" gesture.

Only a few moments passed,

A helicopter took off from the cruise ship and headed straight for Snow City...

...

On the other side...

Wind City.

Venus Opera House.

A childish and cheerful song sounded in the hall.

“I’ve been reading books of old / The legends and the myths / Achilles and his gold...”

“Hercules and his gifts / Spiderman’s control / And Batman with his fists...”

A group of children were singing on stage.

They were currently singing a popular song called “Something Just Like This”.

These children were all orphans of the Angel Welfare Institute.

Every month, they would come to this opera house to perform to raise money.

There were many spectators sitting below the stage, as well as the other children of the Angel Welfare Institute.

In the middle of the group of children sat a Caucasian man.

This Caucasian man was lean and wore a black suit. He had golden curly hair and looked handsome.

He was one of the ten Divine Kings of the Holy Imperial Court, “Purgatory Death God” Miller.

Miller was also an orphan who had grown up in the Angel Welfare Institute.

Therefore, every month, when the orphans of the Angel Welfare Institute came here to perform, he would arrive on time and donate a large sum of money.

At this moment.

A call was made to his cell phone.

He took out his phone and answered the call.

A few minutes later...

He hung up the phone and smiled at an old Caucasian woman beside him, “Dean Daisy, I’m sorry. I have something to do and have to leave first.”

The old Caucasian woman smiled kindly and said, “Miller, you’re someone who does big things. You must be very busy. You don’t have to come every month.

Besides, you've donated enough money over the years."

The fearsome Purgatory Death God actually let out a gentle smile and said, "Dean Daisy, I still have a lot of time, and I'm not short of money.

As long as the children can live well, I'll be very happy."

A cute little boy blinked his big eyes and asked, "Uncle Miller, are you a superhero hidden in the world, like Superman, Spiderman, and Batman?"

"Definitely. Uncle Miller often suddenly has to do something. I guess Uncle Miller must have gone to save the world!"

Another little boy raised his hand and added.

"Hahaha..."

The Purgatory Death God laughed loudly and raised his eyebrows, "That's right, Uncle is a superhero!

Therefore, you have to grow up quickly and become superheroes like Uncle!"

With that said, the Purgatory Death God turned around and left the opera house...
