Chapter 941: At Most, We'll Die Together!

At the same time...

Rest City.

There was a manor in the suburbs.

The surrounding mountains and rivers were beautiful, and the environment was pleasant.

At this moment.

At the back of the manor.

A foreign man was leaning against a tombstone and drinking.

The man had dark skin and curly chestnut hair. He had a thick beard and a majestic figure like a small mountain.

This man was one of the ten Divine Kings of the Holy Imperial Court, “King of Destruction” Marktum.

And the owner of this tombstone was his wife.

At this moment.

The King of Destruction was already a little drunk. His eyes were red as he muttered something.

“Eunice, I’ve already become stronger and have enough ability to protect you, but you’re no longer around...

Darling, we still have a lot to do, but you’ve left me forever...

This damned God, why did he separate us? Why...”

As he spoke, the tears in the King of Destruction’s eyes flowed uncontrollably.

If the people of the Dark World saw the King of Destruction’s current appearance, their jaws would definitely drop.

To think that such a powerful and domineering man would also have such a gentle side.

But at this moment...

A call was made to his cell phone.

He took out his cell phone from his pocket and answered the call.

After the call...

He let out a long breath of alcohol and sighed, "Darling, I'm leaving again. When I come to see you next time, I'll continue telling you my story..."

With that, the King of Destruction threw away the wine bottle and left...

...

Snow City.

Outside the Turks Base.

The battle was still ongoing.

Boom! Boom!

Rumble!

A series of earth-shattering collisions and explosions resounded in the night sky and spread far away!

Figures collided fiercely on the mountains!

The energy that erupted was incomparably violent, destroying mountains!

Boom! Boom! Boom!

Accompanied by terrifying explosions!

A golden figure flashed and knocked down three mountains at the waist. In the end, it directly collided into the mountain wall of the fourth mountain!

Rocks rolled down, and smoke and dust swept through the sky!

This figure was Yang Luo!

In the intense battle just now, his injuries began to intensify. There were wounds everywhere and blood dyed his clothes red!

But at this moment!

An angry roar came from the sky!

“Young brat, die for this King!”

The King of Destruction leaped into the sky, gripped the black axe with both hands, and slashed at the mountain!

There was only a loud bang!

The entire mountain was instantly split into two!

He landed steadily on a mountain and looked down at the mountain that had been split open, searching for Yang Luo.

“Are you looking for me?”

Do you really think you can kill me so easily?”

A cold voice sounded.

The King of Destruction suddenly turned his head.

The King of Slaughter, the Prophet Witch, Darius, Camedo, Orkney, and Douglas all looked over.

Unknowingly, Yang Luo had appeared on a mountaintop in the distance.

Seeing this scene...

The King of Destruction and the others were really furious!

The seven of them joined forces and unleashed their full combat strength, but they could not even kill a brat!

Most importantly, the seven of them had also been injured by this kid!

All of their bodies were covered in wounds and blood flowed continuously!

They were the true experts of the top organizations in the Dark World!

They were all existences that could shake the entire Dark World with a stomp of their feet!

They had even killed their fair share of experts!

This was simply an insult!

It was an utter humiliation!

Yang Luo looked up at the King of Destruction and the others and said coldly, "Perhaps it won't be easy for me to kill the seven of you alone!"

However, it was impossible for the seven of you to kill me easily!

Our only outcome would be mutual destruction!

And I'm ready! for that

What about you guys? Are you ready?"

After the battle just now, he had also figured out the strength of these seven guys.

If it was one-on-one or against a few people, he could kill them easily.

However, now that these seven fellows had joined forces, he indeed felt that it was troublesome.

"Perish together?"

The King of Destruction sneered, "Who do you think you are? Are you worthy of dying with us?"

The King of Slaughter also said with a sinister smile, “Kid, you’re right. It’s indeed not easy for us to kill you easily!

However, as long as you continue fighting, your strength will be exhausted sooner or later!

At that time, you will only die!”

Douglas also smiled fiercely, “The seven of us going against you alone. Can’t we exhaust you to death?”

“There are seven people, but I’m the only one?

Hahaha...”

Yang Luo threw his head back and laughed maniacally. He raised the sword in his hand and said domineeringly, “Then come. Even if I die tonight, I’ll drag you down with me!

All of you have extraordinary identities and high statuses!

I’ll drag you all down with me. That’ll be a huge gain!”

“Kill him! Use all means to kill him!”

The King of Destruction let out a roar. He held the black axe and continued to charge at Yang Luo!

Prophet Witch and the others also charged forward with ruthless expressions!

On the way to kill Yang Luo!

They continued to crazily mobilize the energy in their bodies, and the flickering light on their bodies became even more dazzling!

The pressure and aura that erupted were even more terrifying and shocking!

At that moment...

The King of Destruction and the others approached Yang Luo again and attacked together!

“Axe of Destruction!”

“Slaughter Blade!”

The King of Destruction and the King of Slaughter slashed at Yang Luo at the same time, one holding a black ax and the other holding a bone saber!

“Dark Demonic Light!”

Prophet Witch chanted an incantation and waved the scepter in her hand!

Swoosh!

A black-purple beam of light whistled out and shot towards Yang Luo like a long rainbow!

Darius, Camedo, and Orkney waved the longsword, spear, and pike in their hands and attacked Yang Luo!

Douglas, on the other hand, clenched his fists and activated his violent lightning power, punching out one punch after another!

“Destroy them all!”

Yang Luo let out an earth-shattering roar. He gripped the Dragon Emperor Sword tightly with both hands and slashed out angrily!

A huge golden sword tore through everything and slashed out angrily with a destructive aura!

“Roar, roar, roar!”

The nine golden dragon phantoms also let out roars and collided!

Rumble!

Under Yang Luo’s dual attacks, the attacks of the King of Destruction and the others were destroyed one after another!

The golden dragon phantom that roared out of Yang Luo’s body also exploded one after another!

“Don’t stop, continue!”

The King of Destruction roared, and a black-gray energy beam rushed out of his body!

“Destruction Demonic Beast!”

In the blink of an eye!

This energy beam directly condensed into a huge demon beast with two curved horns and a huge mouth like the abyss!

“Slaughter Demonic Beast!”

The King of Slaughter also trembled and let out an explosive roar!

A black-red energy beam rushed out of his body and condensed into a magical beast with ten blood-colored claws!

“Nine-headed Python!”

Prophet Witch waved the scepter in her hand again!

A black-purple energy beam soared into the sky from her body and condensed into a huge python with nine heads and nine tails!

After the three huge fiend beasts condensed into form, they pounced at Yang Luo at the same time!

Everyone who was fighting in the distance was shocked!

Previously, they had only heard how powerful the Demon Kings of Hell Fiend Palace was!

And tonight, they finally witnessed it with their own eyes!

Endless fear surged in their hearts...

Chapter 942: Like a God or a Demon!

Chu Longyuan, Lin Qianyi, and the rest became even more anxious!

Even though they shared the burden of fighting against three Sorcerer Kings, Yang Luo had to fight the seven experts alone!

This was really too difficult!

If not for Yang Luo being strong enough, he would have been killed by these seven fellows long ago!

They wanted to help, but they could not leave at all!

At this moment.

On the mountaintop in the distance.

Seeing the three demonic beasts charging over!

Yang Luo's body shook!

"Roar, roar, roar!"

Another nine golden dragon phantoms roared out of his body and collided with the three demonic beasts!

Boom! Boom!

Rumble!

The nine golden dragon phantoms collided heavily with the three demonic beasts and then exploded one after another!

"Holy Halo!"

"Holy Light Impact!"

"Holy Light Cross!"

Darius, Camedo, and Orkney also launched a fierce attack!

White-gold halos descended from the sky!

Golden-red beams of light shot out!

A huge dark golden cross crushed forward!

“Thunder Beast!”

Douglas roared too!

A lightning lion, a lightning tiger, a lightning bear, and a lightning leopard condensed into form and pounced at Yang Luo at the same time!

Darius and the others attacked!

Yang Luo formed a seal with one hand and roared!

“Battle Sage Seal!”

“Mountain Embracing Seal, Heaven Overturning Seal, Earth Covering Seal, True Dragon Seal!”

The four-sided seal instantly condensed into form and collided violently with the attacks of Darius and the others!

Rumble!

Rumble!

The sound of collision and explosions shook the world!

The four-sided seal forcefully withstood the attack of Darius and the others!

All kinds of energy and light shot out from the impact and explosion!

The entire world became illuminated like it was daytime!

Mountains collapsed, turning into rocks and dust that filled the sky!

Under the collision of these waves of energy!

Yang Luo and the King of Destruction were sent flying again!

As for the location of the battle just now, the mountains had already turned into ruins!

It was as if a valley had exploded out of thin air!

Yang Luo and the King of Destruction stood on the mountains on both sides of the valley and stared at each other!

“Didn’t you say that you wanted to exhaust me to death and kill me?”

Come on, let’s continue!”

Yang Luo stood proudly on the mountaintop like a golden Divine Monument and roared at the King of Destruction and the others!

“D*mn it!”

The Slaughter King’s face was extremely gloomy, “Why is this kid so difficult to kill?”

Where did this monster come from?

Why haven't I heard of this person in the Dark World before?"

The King of Destruction said in a low voice, "Country Hua is really a place with crouching tigers and hidden dragons. From time to time, a peerless expert will jump out."

Prophet Witch narrowed her eyes and said, "This kid has really broadened my horizons. He's much stronger than I imagined."

Darius said fiercely, "We have to kill such a monster quickly!

Once he grows up, he would step into the Dark World!

The entire Dark World will probably be turned upside down by him!"

"Yes, yes, yes. We must kill this kid!"

Douglas quickly echoed.

After witnessing Yang Luo's strength, he was really frightened.

Therefore, he was really worried that the King of Destruction and the others would stop and retreat.

Once the King of Destruction and the others left, what awaited him was probably death.

The King of Destruction said in a trembling voice, "Don't give this kid time to catch his breath. Hurry up and attack!"

"Alright!"

The King of Slaughter and the others replied in unison.

Then, the King of Destruction and the others continued to mobilize the energy in their bodies and launched their strongest attacks at Yang Luo!

“Destruction Death Prison!”

“Slaughter Hell!”

“Dark Demon Prison!”

The King of Destruction, the King of Slaughter, and the Prophet Witch were the first to attack!

The three layers of prison condensed and trapped Yang Luo inside!

Black-gray destructive light erupted from the Destruction Death Prison and shot out!

Black-red ghosts condensed in the Slaughter Hell and pounced out!

Black-purple demons condensed in the Darkness Demon Prison and charged out!

Yang Luo gritted his teeth and continuously mobilized the True Qi in his body!

A golden barrier instantly condensed to resist the attacks of the beams, malicious ghosts, and demons!

Moreover, he also erupted with the power of the fire, water, and lightning attributes in his body and washed in all directions!

Boom! Boom! Boom!

The flames, water, and lightning seemed to have transformed into a surging river, destroying the incoming beams of light and the ferocious ghosts and demons!

The three layers of prison also suffered a violent collision and rumbled!

“Prison of Judgment!”

“Prison of Judgment!”

“Prison of Holy Light!”

Darius, Camedo, and Orkney also waved the weapons in their hands and condensed three more prisons!

“Lightning Prison!”

Douglas also released the power of lightning and condensed a giant lightning prison!

At this moment...

Under the confinement of the seven-layered prison, Yang Luo could not escape at all!

Furthermore, the attack released by the Seven-layered Prison was also very terrifying. It destroyed the power of the water, fire, and lightning attributes that erupted from Yang Luo’s body!

Yang Luo kept brandishing the sword in his hand and slashed at the seven-layered prison!

The nine golden dragon phantoms roared and charged in all directions!

Under the bombardment of multiple killing moves!

Rumble...

Rumble...

Rumble...

Immediately, three layers of prisons were shattered, turning into energy and light waves that spread out!

However, there were still four prisons that had not been destroyed!

Yang Luo took a deep breath and did not hold back anymore. He roared!

“Twelve Shaman Primal Heavenly Art!”

“Gonggong moves the river!”

And in that instant!

A blue totem condensed above his head!

Soon, the blue totem transformed into a huge illusion!

The illusion had the head of a python and the body of a human. It was covered in black scales and stood on a black dragon. Its hand was wrapped around a green python and water surged around it in a mysterious manner!

“Oh my god, what is that? Is it a monster or a god?!”

Lan Xiaomeng, who was fighting fiercely in the distance, exclaimed.

“F*ck! What cultivation technique did Brother Yang use? Isn’t it too shocking?!”

Chu Longyuan was also dumbfounded.

Bujie said excitedly, “Brother Yang is using a cultivation technique passed down from the ancient Magi. It’s called the ‘Twelve Shaman Primal Heavenly Art’, or in short, the ‘Primal Heavenly Art’!

And Brother Yang has managed to summon the Water Ancestral Magus Gonggong!”

At this moment.

Chu Longyuan and the rest were not the only ones stunned!

Even the King of Destruction and the others were shocked!

But right at this moment...

“Zhurong Fire Shower!”

Yang Luo roared again!

A golden-red totem condensed above his head!

Before long, the totem transformed into a huge illusion with the head of a beast and the body of a human. It was covered in red scales and had fire snakes through its ears. It stood on a fire dragon and its body was burning with raging flames!

“This is the Fire Ancestral Magus, Zhurong!”

Prajna echoed.

“Qiangliang Breaking the Heavens!”

Yang Luo shouted for the third time.

A purple-gold totem condensed above his head.

Then, the totem transformed into a huge illusion with a tiger head and a human body. It was wearing purple armor and had a snake in its mouth. It held a snake in its hand and lightning flickered on its body!

“This is the Thunder Ancestral Magus, Qiangliang!”

Xu Ying shouted in shock.

At this moment...

Everyone present looked at the three illusions that were like gods and demons. All of them were dumbfounded, their hearts filled with fear, and their bodies trembled...

Chapter 943: Gathering of the Big Shots!

Under everyone’s terrified gazes...

Yang Luo waved the sword in his hand and let out an explosive roar!

“Crush these damned prisons!”

With this order!

The Water Ancestral Magus Gonggong, the Fire Ancestral Magus Zhurong, and the Thunder Ancestral Magus Qiang Liang moved at the same time and attacked in three directions!

Clang...

Clang...

Clang...

Gonggong, Zhurong, and Qiang Liang slammed into the remaining four prisons, emitting a loud sound that pierced through the clouds!

It was as if the world was about to collapse. It was terrifying!

Crack! Crack!

Under the heavy impact, the four prisons began to crack continuously!

A few seconds later...

Rumble!

The four huge prisons shattered and exploded at the same time!

The energy produced by the explosion was like a landslide and tsunami, washing in all directions!

Mountains instantly shattered and exploded, razed to the ground!

“Ahhhh...”

The King of Destruction and the others could not withstand the terrifying energy impact and were sent flying!

Yang Luo panted heavily.

Although the Primal Heavenly Art was very powerful, it consumed too much energy.

However, in order to kill the King of Destruction and the others, he could only use all the killing moves he knew.

“What bullsh*t Demon Kings and Cardinals? I’m killing you today!”

Yang Luo roared angrily and led the illusions of Gonggong, Zhurong, and Qiangliang to attack the King of Destruction and the others!

The King of Destruction and the others continued to fight fiercely with Yang Luo!

Seconds ticked by.

Dong, dong, dong!

Boom! Boom! Boom!

The battle became more and more intense, even tragic!

The three illusions conjured by Yang Luo, Gonggong, Zhurong, and Qiangliang, were all shattered!

More and more wounds appeared on his body, and blood flowed from the corner of his mouth!

As for the King of Destruction and the others, they were also covered in wounds and blood flowed from the corners of their mouths. Their injuries were not much lighter than Yang Luo's!

Rumble!

Accompanied by a series of shocking explosions!

Yang Luo and the King of Destruction were sent flying again!

This time, after stabilizing his body...

Yang Luo panted heavily.

The King of Destruction and the others' breathing was also chaotic, and they began to pant softly.

"This kid is finally dying. Let's kill him in one go!"

The King of Slaughter roared.

"Alright, give him the last blow and take his life!"

The King of Destruction also roared.

However, just as the King of Destruction and the others were about to attack!

“Wait!”

Prophet Witch suddenly shouted.

“What’s wrong?”

The King of Destruction frowned and asked.

Prophet Witch said in a deep voice, “Someone’s coming!”

The King of Destruction and the others also sensed it and turned to look at the sky in the distance.

Yang Luo also sensed that someone was approaching and turned to look.

After a short period of time...

Whir, whir, whir...

Accompanied by the sound of propellers!

Three helicopters broke through the darkness and flew over from afar!

As the three helicopters got closer and closer...

Prophet Witch exclaimed, “How can it be them?!”

The King of Destruction’s face darkened, “It’s really them!”

The Slaughter King gritted his teeth and said, "Damn it, why did these annoying fellows come here!"

Darius, Camedo, and Orkney also frowned. Clearly, they had also sensed who had arrived.

Yang Luo also sensed a few familiar auras.

Douglas was the only one who was confused. He didn't know who had arrived.

After a while...

The three helicopters flew above the mountain.

"Haha, a boy who cares for the opposite sex but has no humanity. Long time no see!"

Accompanied by hearty laughter...

Rumble...

A huge figure jumped down from the helicopter and landed steadily on a huge mountain.

Upon seeing this figure...

Yang Luo was stunned for a moment before exclaiming in surprise, "Heavenly Sirius?!"

Since his operation was discovered by Douglas, Yang Luo did not hide it anymore. Before he came to the base of Turks, he had already asked Ding Ling to restore their appearances.

Therefore, the Heavenly Sirius could naturally recognize Yang Luo.

“Haha, kid, I didn’t expect us to meet again so soon!”

Another hearty laugh sounded.

A majestic figure jumped down from the helicopter and landed steadily on the mountain.

“King of Destruction?!”

Yang Luo was shocked again.

As the Heavenly Sirius and the King of Destruction jumped down from the helicopter, another figure jumped down.

“Purgatory Death God?!”

The surprise on Yang Luo’s face intensified.

“Hello, kid. It’s been a while since we last met. You’ve become stronger!”

The Purgatory Death God carried a huge Death God Scythe on its back and waved at Yang Luo with a smile.

And right on the heels of that...

The third figure landed steadily on the mountain.

“Goddess of Fate?!”

Yang Luo was overjoyed.

“Hmph!”

The Goddess of Fate snorted and turned her head with a proud expression.

However, when she saw Yang Luo again, her heart could not help but beat faster.

Her face was also a little flushed.

She felt that she was really sick and needed a psychiatrist to take a look.

“What the f*ck?! What was the situation now?”

Why are the King of Destruction, the Heavenly Sirius, the Purgatory Death God, and the Goddess of Fate here?!”

Bujie also exclaimed.

Prajna said in a daze, “Could it be that these four Divine Kings are also in Country Stars & Stripes?!”

“I think so.”

Xu Ying nodded.

Chu Longyuan asked in surprise, “You also know the Divine Kings of the Holy Imperial Court?”

“Of course I do.”

Bujie nodded and said, “We’ve all seen them before.

Moreover, Brother Yang had sparred with them before.

Now, these four Divine Kings have been conquered by Brother Yang.”

“What?!”

Lin Qianyi was shocked, “These four God Kings were conquered by Little Luo?!”

“Of course!”

Bujie smiled and nodded.

At this moment.

Tian Zhen, Feng Lengyue, Lan Xiaomeng, and the others were also stunned.

They never expected to see so many big shots of the Dark World on this mission.

After all, be it the Divine Kings, Demon Kings, or Cardinals, they were all famous experts in the Dark World.

The Demon King of Destruction looked up at the King of Destruction¹ and the others and said in a low voice, “You guys are really haunting me. I can even meet you here!”

Hearing this, King of Destruction sneered, “We should be the ones saying this!”

The Heavenly Sirius added, “Why didn’t you hide on the Fiend Emperor Island obediently? Why did you come out? Do you want to stir up chaos in the Dark World?”

The King of Slaughter said fiercely, "We can go wherever we want. What can you do?"

Do you really think that our Hell Fiend Palace will still be afraid of your Holy Imperial Court now?"

The Purgatory Death God picked up the Death God Scythe and said in a trembling voice, "There's no need to say anything else. Let's fight!"

The King of Destruction, the Heavenly Sirius, and the Goddess of Fate were also prepared for battle.

On the distant mountain...

Bujie asked in confusion, "What's going on? Why are the Holy Imperial Court and Hell Fiend Palace so hostile?"

Chu Longyuan said, "I do know something. It's said that the Holy Imperial Court and Hell Fiend Palace are sworn enemies.

The two organizations had once fought a huge battle and ended in the loss of Hell Fiend Palace.

Therefore, these two organizations have always been at odds. They will fight the moment they meet."

"I see."

Bujie nodded in realization.

At this moment...

On the distant mountain...

The King of Destruction grinned hideously and said, "Since you're so interested, we'll play with you!"

“Then let’s fight you guys too!”

“The era of the Holy Imperial Court has ended!”

“The era of the Holy Light Church has arrived!”

Darius, Camedo, and Orkney took a step forward.

The King of Destruction narrowed his eyes and said, “So the Holy Light Church is now allied with Hell Fiend Palace?”

“It’s not an alliance. It’s just a cooperation!”

Darius replied with a smile.

“Very good!”

The King of Destruction was unrestrained as he said domineeringly, “Then all of you can come at me together. What does my Holy Imperial Court have to fear!”

Chapter 944: Battle of Kings!

Right after he finished his sentence...

Ooommmm!

A grayish-white light shot up from the King of Destruction's body!

Boom! Boom! Boom!

The Heavenly Sirius, the Purgatory Death God, and the Goddess of Fate also shot out three beams of light!

Yang Luo's body trembled as a golden beam of light surged from his body!

The Demon King of Destruction and the others were also shocked. Beams of light surged from their bodies!

A total of twelve beams of light broke through the clouds in the sky and illuminated the night sky!

At this moment...

The twelve of them unleashed their auras and combat strength, deeply shocking everyone present!

"Fight!"

The King of Destruction let out an explosive roar and rushed out, heading straight for the Demon King of Destruction!

The Purgatory Death God rushed towards the King of Slaughter!

The Goddess of Fate charged at the Prophet Witch!

Yang Luo and the Heavenly Sirius charged at Darius, Camedo, Orkney, and Douglas!

The King of Destruction was the first to attack. He mobilized his atmospheric and violent superpowers and threw a punch at the Demon King of Destruction!

The Demon King of Destruction waved the black axe in his hand and slashed out heavily!

And in that instant!

Rumble!

The heavy fist collided with the huge axe like a mountain colliding, shaking the world!

Energy and light instantly erupted, washing in all directions!

Even the surrounding space fluctuated violently!

Under this terrifying explosion!

The King of Destruction and the Demon King of Destruction were sent flying at the same time!

The Demon King of Destruction was sent flying for more than 30 meters before he stabilized his body!

The King of Destruction only flew out for more than 20 meters before stabilizing his body!

Obviously, the King of Destruction had the upper hand in this collision!

After stabilizing his body...

The King of Destruction raised his left hand and flickered with a dazzling white light. Then, he suddenly pressed down on the Demon King of Destruction!

“Atmospheric Crushing!”

“Don’t even think about it!”

The Demon King of Destruction seemed to be prepared. When the surrounding atmosphere began to fluctuate, he had already reacted and rushed out of the encirclement of the atmosphere!

After all, he had fought the King of Destruction countless times!

The two of them knew each other too well!

Rumble...

The compressed atmosphere collided in the air, emitting muffled thunder!

After avoiding the atmospheric pressure!

The Demon King of Destruction held his huge axe and leaped over the mountains, charging towards the Demon King of Destruction!

The King of Destruction raised his right hand and pressed down with a blazing gray light!

“Collapse!”

Rumble!

The mountains under the Demon King of Destruction’s feet collapsed one after another. Everything was destroyed, and it was extremely terrifying!

However, the Demon King of Destruction was extremely fast and avoided the collapsed mountains!

In a few breaths, he was already close to the King of Destruction!

“Axe of Destruction!”

The Demon King of Destruction soared into the sky and waved the black ax in his hand, slashing heavily at the King of Destruction on the mountaintop below!

However, the King of Destruction was not afraid at all. He clenched his right fist and with a gray light flashing, he punched forward!

“Violent Tremor Killing Fist!”

Tang!

The fist and axe collided, shaking the heavens and earth!

Gray shockwaves spread out from the King of Destruction’s fist and continuously attacked the huge axe in the Demon King of Destruction’s hand!

No matter how lethal and destructive the Demon King of Destruction’s ax was, it was forcefully blocked by the Demon King of Destruction!

At this moment.

Crack! Crack!

The mountain under the King of Destruction’s feet began to crack continuously, almost collapsing!

However, the King of Destruction only trembled!

The atmosphere around the mountain began to compress crazily, compressing the collapsed mountain together and preventing it from collapsing!

“Ray of Destruction!”

The Demon King of Destruction raised his left hand and shot out a black-gray beam of light that shot towards the King of Destruction below!

“Atmospheric Impact!”

The King of Destruction raised his left hand, and his Atmospheric Superpower erupted, shooting into the sky!

An atmospheric shock wave soared into the sky and directly destroyed the black-gray light beam that shot down!

After destroying this beam of light, the shock wave ruthlessly struck the Demon King of Destruction’s chest!

“Ugh!”

The Demon King of Destruction let out a painful cry as his huge body was sent flying!

But the King of Destruction did not stop at all. In a flash, he turned into a stream of light and chased after him!

The moment the King of Destruction moved...

Rumble!

The mountain under his feet collapsed because there was no atmospheric compression!

At this moment.

The King of Destruction leaped over the mountains and chased after the Demon King of Destruction!

“Spear of the Atmosphere!”

The atmospheric compression in the air condensed into spears that shot towards the Demon King of Destruction!

The Demon King of Destruction kept waving his huge axe and shattering them!

However, before the Demon King of Destruction could react...

The King of Destruction’s feet stomped down!

All the rocks soared into the sky!

Then, he spread his hands and closed them in the middle!

Countless rocks were instantly compressed by the atmosphere, enveloping the Demon King of Destruction in midair!

In less than a few seconds!

Ooommmm!

A huge axe slashed out from inside!

All the compressed rocks instantly shattered and exploded, turning into dust!

But the King of Destruction had taken advantage of this gap to soar into the sky!

He clenched his right fist and mobilized his Atmospheric Superpower and Violent Tremor Superpower at the same time. Then, he threw a punch at the Demon King of Destruction!

The Demon King of Destruction was shocked and hurriedly raised the huge axe in his hand to block!

Rumble!

The Demon King of Destruction was unable to withstand the heavy punch!

“Pfft...”

He spat out a mouthful of blood and fell from the sky to the ground!

“Demon King of Destruction, come on, continue!”

The King of Destruction let out a roar and continued to attack the Demon King of Destruction!

It was also when the King of Destruction and the Demon King of Destruction were fighting fiercely!

The Purgatory Death God and the King of Slaughter also engaged in an intense battle!

The two of them moved at high speed on the mountains, constantly waving the Death God Scythe and the white bone saber in their hands to attack each other!

Clang! Clang! Clang!

Boom! Boom! Boom!

The Grim Reaper's scythe and the bone saber collided fiercely, emitting dazzling light, sparks, and energy!

The mountains could not withstand the confrontation between the two of them and kept collapsing!

After dozens of consecutive rounds!

"Death God's Blade!"

The Purgatory Death God soared into the sky and waved the Death God Scythe in its hand with all its might, slashing at the King of Slaughter!

"Slaughter Blade!"

The King of Slaughter suddenly waved the white bone saber in his hand and slashed out!

Tang!

The terrifying sound of weapons clashing exploded in the sky again!

The Purgatory Death God's body trembled as it let out a roar!

"Death God's Avatar!"

And in that instant!

Doppelgangers condensed and charged at the King of Slaughter!

“Slaughter Doppelganger!”

The King of Slaughter also split into clones and charged at the Purgatory Death God!

For a moment...

This area was like a thousand Purgatory Death Gods fighting a thousand Kings of Slaughter, shocking everyone who was fighting in the distance!

Peng, peng, peng!

Doppelgangers exploded in the fierce battle, turning into balls of black fog and balls of black-red energy!

As for the Purgatory Death God and the Slaughter King, their main bodies also engaged in a crazy battle!

After fighting for more than ten rounds...

The Purgatory Death God suddenly waved the Death God Scythe in its hand!

“Death Suppression!”

In the blink of an eye!

Black pillars of light condensed and descended from the sky, suppressing the King of Slaughter!

Chapter 945: Light and Darkness!

“Slaughter Blade!”

The King of Slaughter held the white bone saber and swung it into the sky!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless white bone sabers condensed and shone with a dazzling black-red light as they shot into the sky!

Boom! Boom! Boom!

Beams of light collided with sabers in the sky, erupting with the sound of thunder!

“Death Shadow Instant Kill!”

Taking advantage of this gap, the Purgatory Death God’s figure flashed and instantly disappeared from the spot!

When he appeared again, he was already behind the Slaughter King!

He suddenly waved the Death God Scythe and slashed at the King of Slaughter’s neck!

However, the King of Slaughter seemed to have expected this move from the Purgatory Death God!

He quickly turned around and swung the white bone saber in his hand!

Clang!

The Grim Reaper's scythe and the white bone saber collided heavily, emitting a loud bang!

"Purgatory Death God, we've fought for so many years. I know you too well!

You want to kill me with this method? Dream on!"

However, before the King of Slaughter could finish speaking, the Purgatory Death God in front of him directly turned into a black fog and dissipated.

"Wait a minute!"

His expression changed. He quickly turned around and slashed behind him!

Clang!

The Grim Reaper's scythe and the bone saber collided again!

The King of Slaughter sneered, "How careless. So this is your main body..."

But before he could finish speaking...

The Purgatory Death God turned into a black fog again and dissipated into the sky!

"What?! Is this not your main body?!"

The King of Slaughter was shocked. His hair stood on end as he felt a sense of danger coming from above!

Swoosh!

A sound of air being torn apart came from the sky!

Then a sharp black blade of light slashed down at him!

The King of Slaughter wanted to counterattack and defend, but it was too late. He could only subconsciously dodge to the side!

Psh!

Although he avoided the fatal spot, the saber still cut a long wound on his shoulder. His flesh was flipped out and blood flowed!

“ARGH!”

He let out a painful cry and dodged a few times, retreating a distance.

The Purgatory Death God landed steadily on the ground and looked at him teasingly.

The Purgatory Death God sneered and said, “King of Slaughter, do you really think you know me very well?”

You have to know that I’m an assassin. I’ll never let anyone figure out my whereabouts and backup plans.”

“Purgatory Death God, don’t be smug. It’s not so easy for you to kill me!”

The King of Slaughter roared angrily and completely went crazy as he charged towards the Purgatory Death God!

The Purgatory Death God's eyes turned cold. Without any hesitation, he charged forward!

It was also during the intense battle between the Purgatory Death God and the King of Slaughter!

On the mountaintop in the distance.

The battle between the Goddess of Fate and the Prophet Witch was also intensifying!

"Divine Light Spear!"

"Dark Spear!"

The two of them used white and black magic at the same time to attack the other party!

Boom! Boom! Boom!

Countless white spears collided with countless black and purple spears in the sky and exploded!

This world trembled, and the mountains below shook!

The Prophet Witch stared at the Goddess of Fate coldly and roared, "Natasha, I will prove to you that only black magic is the strongest!

No matter if the white magic you cultivate can't compare to me, your figure and appearance can't compare to me!

I am the true queen of the Kingdom of Magic!"

The Goddess of Fate sighed and said, "Is that really so?"

I'm afraid only you know who's stronger."

In fact, a long time ago, the two of them were very good friends and best friends in the Kingdom of Magic.

The two of them cultivated magic together, lived together, played together, looked forward to the future together, and were inseparable.

However, as Natasha's talent was revealed, she became famous in the Kingdom of Magic.

Medea felt that she was getting further and further away from Natasha. The initial pressure had turned into jealousy and hatred.

Therefore, Medea secretly learned black magic and deviated from her original path, cutting off all ties with Natasha.

"Natasha, shut up! I'm better than you!"

Prophet Witch roared and suddenly waved the scepter in her hand!

"Dark Curtain!"

At that very moment...

A black-purple light screen condensed in the sky, containing sinister, evil, and deathly killing intent as it crushed towards the Goddess of Fate!

As the black-purple light screen crushed over...

The Goddess of Fate did not dodge or retreat. She was not afraid at all and waved her slender hand gently!

“Light Purification!”

In an instant!

A dazzling white light bloomed and shot into the sky!

Rumble!

The black-purple light screen directly exploded, turning into a rain of light that filled the sky and splashed out!

Seeing that her move had been broken...

Prophet Witch waved her scepter again and chanted an incantation!

“Tribute of Darkness!”

Countless black-purple magical runes condensed into form and crushed towards the Goddess of Fate in an overwhelming manner!

The Goddess of Fate chanted an incantation and waved her right hand again!

“Song of Dawn!”

Countless sparkling white magic runes condensed into form, illuminating the night sky as they collided!

Dong, dong, dong!

Boom! Boom! Boom!

The sounds of collision and explosions were endless, like cannonballs colliding and exploding in the sky!

“Darkness True Body!”

The Prophet Witch’s charming face became colder and colder. She continuously mobilized the magical energy in her body and let out a furious roar!

A huge Dark Witch condensed in the sky, stepping on a nine-headed python. She was incomparably beautiful!

“Radiant True Body!”

The Goddess of Fate also mobilized the magical energy in her body and waved her fair hand!

A huge Radiant Witch condensed in the sky and stood on a pegasus with wings of light that emitted a white light. It was incomparably holy!

In a flash!

DONG!

DONG!

The nine-headed python collided with the pegasus!

The Radiant Witch and the Dark Witch collided!

The sound of the collision resounded in the world and spread in all directions!

Waves of light surged out from the point of impact. The dazzling light contained endless destructive power!

As just the Radiant Witch and the Dark Witch were fighting...

“Wings of Light!”

“Wings of the Fallen!”

The Goddess of Fate and Prophet Witch condensed wings of light at the same time and soared into the sky!

The Goddess of Fate raised her right hand and condensed a spear of light, swinging it at the Prophet Witch!

Prophet Witch waved the scepter in her hand and attacked!

Tang!

The spear and the scepter collided, shaking the heavens and earth!

Under this collision, the two of them were forced back!

But soon, the two of them stabilized their bodies and flapped their wings of light to charge at each other again!

The two of them started a huge battle in the sky!

During the battle between the two goddess-level witches!

“Arghhhh!”

A miserable scream came from afar!

And right on the heels of that...

Rumble!

A series of explosions sounded!

On the distant battlefield.

Five mountains were split open by Yang Luo’s sword!

Cardinal Orkney was split into two by Yang Luo’s sword!

His two badly mangled halves were buried in the ruins, and the pike in his hand was also split into two!

Cardinal Darius, Camedo, and Douglas, who had dodged the sword, stood on a mountain and looked at the ruins in a daze. They were sweating and trembling.

Although the three of them avoided Yang Luo’s sword, they were still severely injured. Their bodies were covered in blood and they were in a tragic state.

Darius shook his head vigorously, “Impossible. Orkney is a Cardinal of the Holy Light Church!

You actually killed him?!”

Yang Luo looked coldly at Darius and said, “What is a Cardinal? In my eyes, he’s nothing!

If it weren’t for those three guys from Hell Fiend Palace helping you just now, do you think you could have survived until now?”

Chapter 946: Killing the Cardinals!

“Hahaha...”

The Heavenly Sirius laughed and gave Yang Luo a thumbs up, “Kid, you’re right!

These Cardinals are indeed nothing!

However, after not seeing you for a while, your strength has increased a lot!

To think that you could last until now against seven people and even injure them!”

Yang Luo smiled and said, “Heavenly Sirius, didn’t your strength also increase?”

Heavenly Sirius only shook his head, “I can’t compare to a monster like you!”

As he spoke, he looked up at Darius and mocked, “If your seven Guardian Angels come, they might be able to fight us!

As for you guys, you’re no match for us at all!”

Darius roared, “Even if our Guardian Angel isn’t here, we can kill you with our strength!”

“That’s right!”

Camedo also said ruthlessly, “We are Cardinals under the Pope. We are protected by God. Don’t even think about killing us!”

“Lord Darius, Lord Camedo, don’t worry. I’ll definitely help you!”

Douglas quickly added.

When the four divine kings of the Holy Imperial Court arrived, he was already in despair.

Now, he had no choice but to hope that the three Demon Kings could defeat the four Divine Kings as soon as possible and come over to help them.

Otherwise, they would probably all die tonight.

“You’re still being stubborn even at the brink of death!”

Yang Luo sneered and said in a trembling voice, “Then let’s see who will win this battle!”

Right after he finished his sentence...

Ooommmm!

A golden beam of light directly soared into the sky from his body. The golden dragon phantom coiled again, giving off a sense of dominance!

Heavenly Sirius also took a step forward, and a black-red beam of light surged from his body!

Darius, Camedo, and Douglas also shook, and three blinding beams of light rose from their bodies!

“Fight!”

Heavenly Sirius let out an explosive roar and charged out first!

His huge body jumped into the sky and swung his claw with all his might!

“Heavenly Wolf Claw!”

Swoosh!

A black and red giant claw tore through the sky and grabbed at Darius and the other two!

“Holy Light Slash!”

Darius waved the platinum sword in his hand and slashed out angrily!

“Holy Light Battle Spear!”

Camedo waved the golden-red spear in his hand and stabbed out!

“Lightning Killing Fist!”

Douglas mobilized the power of lightning in his body and the power of the four wild beasts in his body, condensing a huge lightning fist and punching out!

Boom! Boom!

The Heavenly Sirius's huge claws collided heavily with the attacks of the three of them!

The sound of the collision was like thunder sounding directly in one's ears!

Dazzling light and energy surged and wreaked havoc in all directions!

Although the combined combat power of Darius and the other two was very strong, all their attacks were still forcefully endured by the Heavenly Sirius!

Yang Luo did not hesitate at all. He flashed forward and slashed out angrily!

"Emperor Dragon Sword Technique!"

Swoosh!

A huge golden sword slashed out heavily. Sword light flickered and sword qi erupted. The sword might was vast and shocking!

Although Yang Luo had exhausted a lot of his strength in the previous battle, the power released by this sword was still incomparably powerful!

Rumble!

Under this sword, Darius and the other two were sent flying!

It even left bloody wounds on the three of them!

Yang Luo said loudly, "Heavenly Sirius, let's continue!"

“Alright!”

Heavenly Sirius roared in response.

Then, the two of them moved and chased after the trio again!

Seeing that Yang Luo and the Heavenly Sirius were in hot pursuit after them...

Darius and the other two were so frightened that their hearts trembled!

“Sword of Holy Light!”

“Holy Light Spear!”

Darius and Camedo gritted their teeth and waved the longsword and spear in their hands once more!

Countless platinum longswords and golden-red spears condensed and shot towards Yang Luo and the Heavenly Sirius!

“Lightning Net!”

Douglas waved his hand and roared!

Countless bolts of lightning intertwined in the sky, turning into a huge lightning net that enveloped Yang Luo and the Heavenly Sirius!

But facing the three people’s fierce attacks,

Yang Luo was not afraid at all and waved the sword in his hand!

“Ten Thousand Swords Break Through the Sky!”

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords condensed and shot out!

Rumble!

The platinum longswords and golden-red spears that shot over were all shattered!

Although half of the flying swords that Yang Luo condensed had been shattered...

However, the remaining half did not have its power weaken much. Instead, it continued to shoot towards Darius and the other two!

“Quickly defend!”

Darius screamed and his body shook!

“Holy Light Protection!”

A huge platinum shield was condensed, enveloping him, Camedo, and Douglas!

Camedo also condensed a huge golden-red barrier!

Douglas, on the other hand, condensed a lightning shield!

Dong, dong, dong!

Countless flying swords collided with the three light barriers, emitting rumbling thunder!

“Tearing Heavens, Splitting Earth!”

Meanwhile, the Heavenly Sirius condensed two huge black and red claws in its hands and instantly tore apart the huge lightning net that enveloped the sky!

Then, he waved his hand and roared!

“Demon Wolf Army!”

Thousands of black and red demon wolves condensed into form, as if they had formed an army that collided with the light barrier formed by the three of them!

Rumble!

The three layers of light barrier could not withstand it for long and directly shattered and exploded!

“Ahhh...”

Darius, Camedo, and Douglas screamed and were sent flying!

Puff! Puff! Puff!

Peng, peng, peng!

The flying swords left bloody holes in their bodies!

The Demon Wolves collided with the three of them, causing them all to vomit blood!

Bang! Bang! Bang!

The three of them flew a hundred meters away and landed heavily on the three mountains!

Blood kept gushing out of Douglas' mouth. He could no longer get up!

Darius and Camedo were also about to die!

"Let's kill them in one go!"

Yang Luo shouted and continued to rush forward!

"Haha, that's exactly what I'm thinking!"

Heavenly Sirius laughed loudly and charged forward as well!

At this moment, Darius and Camedo got up with difficulty and made a praying posture, roaring at the same time!

"Holy Light Blessing!!"

And in that instant!

Beams of light actually shot down from the sky and hit them!

Under the light of this beam, the injuries on their bodies actually began to recover faster, and their strength was also recovering!

“There’s actually such a strange method?!”

Yang Luo was shocked and shouted, “Don’t give them time to recover!”

As he spoke, Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed at the two of them!

Seeing Yang Luo’s sword slashing over!

Darius and Camedo were furious. They could only stop recovering and continue attacking!

“Holy Light Cross!!”

The two of them shouted at the same time.

In the blink of an eye!

Two huge crosses condensed above them!

One of them flickered with a platinum light!

One of them flickered with a golden-red light!

Both light emitted from the crosses were dazzling and incomparably holy!

After the two huge crosses condensed into form...

Chains of white-gold and golden-red light whistled out from the cross and headed straight for Yang Luo and the Heavenly Sirius!

“Cut!!”

Yang Luo shouted!

Rumble!

The power released by this sword was even stronger. It directly cut through all the golden-red chains that swept towards him, shattered the golden-red cross, and cut Darius into two!

Darius’s eyes widened in fear and unwillingness. The two halves of his body fell heavily to the ground, completely dead.

“Darius!”

Camedo let out a sorrowful roar.

“Lord Darius!”

Douglas, who had fallen on a distant mountain, shouted in shock as well.

Chapter 947: Everything is Over!

The two of them did not expect Yang Luo to still be able to erupt with such terrifying combat strength after fighting for so long!

Neither did they think that he would be able to kill Orkney first, then Darius!

Both Orkney and Darius were Cardinals under the Holy Light Pope, the strongest existences below the Guardian Angels!

But now, they were actually killed by a brat one after another!

“Kid, you killed two Cardinals of the Holy Light Church in a row. The Holy Light Church will not let you off!

“No matter how powerful you are, you will definitely die!”

Camedo roared at Yang Luo.

Yang Luo said in a trembling voice, “Don’t use your Holy Light Church to scare me!

Since you joined forces with the Demon King of the Hell Fiend Palace to kill me, you should be prepared to be killed by me!

“If the Holy Light Church dares to provoke me, I’ll destroy the entire Holy Light Church!”

“You...”

Camedo was stunned.

What did he just hear?!

This kid actually dared to say that he would destroy the entire Holy Light Church?!

This kid was simply arrogant, ignorant, and audacious!

The Holy Light Church was one of the top organizations in the Dark World!

Their name had shaken the Dark World for so many years!

Even the Holy Imperial Court did not dare to say that they could destroy their Holy Light Church!

This kid was simply crazy!

“Hahaha, well said, kid!”

The Heavenly Sirius laughed out loud, “Since the Holy Light Church is in cahoots with Hell Fiend Palace, they are our enemies!

One day, we will definitely destroy the Holy Light Church and Hell Fiend Palace!”

As he spoke, his entire body trembled and he let out a heaven-shaking roar!

“Demon Wolf Devours the Heavens!”

An incomparably huge demon wolf that flickered with black and red light condensed!

“ROAR...”

The demon wolf roared at the sky and charged at the golden-red cross above Camedo’s head!

Rumble!

The chains of light that swept over and the golden-red cross were shattered!

After shattering the chains and crosses, the huge demon wolf charged at Camedo!

“No...”

Camedo roared in horror, his eyes wide open.

The next second!

Ooommmm!

This huge Demon Wolf slammed heavily into Camedo’s body!

“Pfft...”

Camedo spat out a mouthful of blood and was sent flying dozens of meters away, landing heavily on a mountain.

Blood gushed out of his mouth and his body twitched a few times before he stopped breathing.

At this point!

Three Cardinals of the Holy Light Church...

Darius, Camedo, and Orkney died just like that!

Douglas, who was lying on the mountaintop in the distance, looked at the scene in a daze. He was so scared that his face was pale, and he was shivering in cold sweat.

Dead...

The three Cardinals were actually dead...

Finished!

Everything was over!

It was also when Yang Luo and the Heavenly Sirius killed Darius, Camedo, and Orkney!

Rumble...

Rumble...

Rumble...

Three explosions came from afar!

“Ahhh...”

The Demon King of Destruction, the King of Slaughter, and the Prophet Witch let out tragic cries as they were sent flying!

The three of them flew dozens of meters away and landed on a huge mountain!

At this moment, the three of them were already severely injured. Their bodies were covered in wounds and blood. They appeared very tragic.

After all, they had already been injured by Yang Luo before the King of Destruction and the other three arrived.

And now, under the fierce attacks of the King of Destruction, the Purgatory Death God, and the Goddess of Fate, they were injured even further.

At this moment.

The Demon King of Destruction, the King of Slaughter, and the Prophet Witch got up. Blood flowed from the corners of their mouths, and the blood on their bodies could not stop dripping.

The three of them mobilized the energy in their bodies crazily at the same time and roared!

“Destruction Demonic Beast!”

“Slaughter Demonic Beast!”

“Nine-headed Mad Python!”

In an instant!

The three huge beasts condensed into form and pounced towards the King of Destruction, the Purgatory Death God, and the Goddess of Fate!

Facing the violent attacks of the Demon King of Destruction and the other two!

The King of Destruction and the other two were not afraid at all. They kept mobilizing the energy in their bodies!

“Destroy the Heavenly Stele!”

The King of Destruction waved his hand!

A huge tablet that flickered with grayish-white light and contained Atmospheric Superpower and Violent Tremor Superpower condensed and suppressed out!

Streams of air vortexes surged around the huge tablet!

Spatial ripples vibrated around the huge monument!

The destructive power that erupted from the entire stone tablet was terrifying and monstrous, suppressing the destructive magical beast!

“Death God descends!”

The Purgatory Death God waved its hand!

A huge Western Death God phantom condensed into form. Holding a huge Death God Scythe, it charged towards the slaughtering demonic beast!

“Judgement of Light!”

The Goddess of Fate raised the spear of light in her hand and shot it out!

Swoosh!

The spear of light whistled out and erupted with a dazzling white light. Moreover, it kept enlarging, turning into a huge spear that shot towards the nine Mad Pythons!

At that moment...

Boom! Boom!

An earth-shattering collision resounded!

A few seconds later!

Rumble!

A series of explosions sounded, shaking the world and spreading in all directions!

The area where the Demon King of Destruction, the King of Slaughter, and the Prophet Witch were had already turned into a sea filled with the light of death!

The surging energy was like surging waves, incomparably spectacular!

Everyone could no longer see the figures of the Demon King of Destruction and the other two clearly!

A few minutes later...

When the light and energy completely dissipated, everything finally returned to calm.

The mountains where the Demon King of Destruction and the other two were had already completely collapsed and turned into ruins.

However, the figures of the Demon King of Destruction, the Slaughter King, and the Prophet Witch had already disappeared.

“Where did they go?”

Yang Luo asked curiously.

He sensed his surroundings and could no longer sense the auras of the three of them.

Most importantly, he was certain that the three of them were not dead.

The Heavenly Sirius narrowed its eyes and said, "These three guys probably didn't think of fighting us to the death, so they fled in an instant just now."

"Escaped?"

Yang Luo looked puzzled, "How did they escape?"

The Goddess of Fate continued, "This is because the Prophet Witch knows spatial magic that can instantly teleport people and items away.

Although Prophet Witch cannot teleport too far away, she could at least teleport dozens of kilometers.

Moreover, as long as they hide their aura, it will be very difficult to find them."

"I see."

Yang Luo nodded in realization and curled his lips, "It's a pity that we couldn't keep them here forever."

The Goddess of Fate said indifferently, "There's nothing to pity. After this battle, the Demon King of Destruction and the others are severely injured. It will take a long time for them to recover.

Furthermore, now is not the time for the Holy Imperial Court to officially declare war on Hell Fiend Palace.

After all, the Hell Fiend Palace did not only have Fiend Kings but also the Hell Fiend Emperor.

The Hell Fiend Emperor is a true expert on the Divine Ranking and is even ranked at the front.

Only other experts on the Divine Ranking can shake him.

Therefore, before we have absolute confidence, we can't completely fall out with them."

Yang Luo nodded and said with a smile, "As expected of the queen of the magical world. You're considerate."

"Hmph!"

The Goddess of Fate snorted and turned her head proudly.

However, for some reason, her heart beat faster when she heard Yang Luo's praise. Her fair face was flushed again.

"Oh my god, this is the first time I've seen Natasha shy. How rare!"

The King of Destruction exclaimed in surprise.

Chapter 948: All For Naught!

"It's indeed a rare thing."

The Purgatory Death God was also surprised and teased, "Could it be that something unspeakable happened between Natasha and this kid?"

Heavenly Sirius laughed and said, “Something did happen between this kid and Natasha.

Back in Country Gaule, Natasha was hugged by this kid...”

But before he could finish speaking...

He felt that Natasha was looking at him coldly, making him shiver and not dare to say anything else.

“Continue, was Natasha really hugged by this kid?!”

“Oh my god, isn’t this too explosive?!”

The King of Destruction and the Purgatory Death God looked at Yang Luo and the Goddess of Fate curiously.

Yang Luo was caught between laughter and tears.

After all, these guys were the Divine Kings of the Holy Imperial Court and the overlords of various domains in the Dark World.

He did not expect them to be so gossipy.

However, the moment they finished speaking...

Ooommmm!

A dazzling white beam of light shot into the sky from the Goddess of Fate!

The Goddess of Fate's beautiful hair fluttered, and her long dress fluttered. Her beautiful face was as cold as ice!

A terrifying pressure and aura spread out from her body!

"Errrr..."

The Purgatory Death God laughed dryly, "Natasha, we were just joking..."

The King of Destruction smiled awkwardly, "Yes, yes. Don't be so serious!"

The Heavenly Sirius quickly changed the topic and said to Yang Luo, "Kid, why did you come to Country Stars & Stripes?"

Also, why did you come to the Turks Base and fight these guys?"

The King of Destruction, the Purgatory Death God, and the Goddess of Fate also looked over.

Obviously, they were also very curious.

Yang Luo said, "It's a long story. I'll tell you in detail after I'm done."

Just as they were conversing...

Douglas, who was on the mountaintop in the distance, got up and prepared to escape.

"Don't even think about escaping!"

Yang Luo shouted coldly and jumped over a few mountains, appearing at the top of the mountain where Douglas was.

Seeing Yang Luo appear in front of him, Douglas was so scared that he sat on the ground with cold sweat on his forehead.

He never dreamed that all his plans would fail in the end!

He could have killed this kid!

Unexpectedly, at the last moment, the Divine Kings of the Holy Imperial Court actually came over!

How hateful!

How he hated his current situation!

Yang Luo looked at Douglas coldly and said, "You tried so hard to kill me and even asked so many helpers to help.

Unfortunately, the helpers you invited are either dead or running. They're useless."

Douglas swallowed and said with a smile, "Mr. Yang, as long as you can let me off, you can raise any conditions.

No matter what the condition is, I can agree to it.

Besides, I promise I won't go against you in the future."

"Do you think I'll believe you?"

Yang Luo asked coldly.

Douglas put on a sincere smile and said, "Mr. Yang, what I said is true. You must believe what I said... Ah!!!"

Before he could finish speaking...

Yang Luo broke one of Douglas' legs!

Douglas was in so much pain that his face was contorted. He grimaced and screamed incessantly.

Yang Luo said coldly, "Weren't you very arrogant previously? You even dared to threaten me with Brother Jiang and even said that you wanted to play a game with me?"

Do you really think you have everything under control?”

As he spoke, Yang Luo raised his foot again and crushed one of Douglas’ arms with a crack!

“Ahhhh...”

Douglas screamed in pain and curled up.

At this moment.

Chu Longyuan, Lin Qianyi, and the others who had already killed the three Sorcerer Kings and all the other warriors came over and looked at Douglas coldly.

They had no sympathy or pity for this guy.

The King of Destruction, Purgatory Death God, and Heavenly Sirius also had calm expressions.

The Goddess of Fate frowned slightly, as if she felt that Yang Luo was a little too cruel.

At this moment.

Douglas tore off his disguise and roared in extreme pain, “Kid, I’m the Commander-in-Chief of Country Stars & Stripes!

If you kill me, you and your friends won’t be able to leave Country Stars & Stripes alive!

Our higher-ups will definitely use all their strength to kill you!”

“You don’t have to worry about whether we can leave this place alive...”

Yang Luo said indifferently. Then, he swung his sword and slit Douglas’ throat.

At this point!

Douglas, the Commander-in-Chief of the major teams in Country Stars & Stripes, the White-Headed Eagle, was dead!

After killing Douglas...

Yang Luo said to the King of Destruction and the others, “Everyone, we’re going to the base to retrieve something.

If you have something urgent, you can leave first.

I believe that with your abilities, it shouldn't be difficult for you to escape from here."

The higher-ups of Country Stars & Stripes probably already knew that they had killed many people tonight.

Thus, they would definitely send more people to surround them.

Therefore, he did not want to implicate the King of Destruction and the other three. He wanted them to leave this place first.

The King of Destruction smiled and said, "Kid, we're friends. Do you think we'll abandon our friends?

Just go and do your own thing. Don't worry about us."

The Purgatory Death God also smiled and said, "Don't worry, we will definitely bring you out of here safely."

Yang Luo was stunned.

Leaving safely?

There might be a huge battle tonight. How could he leave safely?

“Alright, then wait for us.

When the time comes, we can kill our way out together.”

After saying that, Yang Luo left with Chu Longyuan, Lin Qianyi, and the others, rushing towards the Turks base.

Only when Yang Luo and the others disappeared from sight...

Only then did the King of Destruction and the other three look away.

The Purgatory Death God chuckled and said, “It’s only been a short while since we last met, but this kid’s strength has increased so much. He’s really not simple!”

The Heavenly Sirius also smiled and said, “Isn’t that so? This kid fought the Demon King of Destruction and the others alone!

To think he could still hold on for so long and even injured the seven people in the group led by the Demon King of Destruction. It's simply unbelievable!

I think this kid has great potential and is qualified to be the next Divine Emperor of our Holy Imperial Court!"

The King of Destruction also said, "I also admire this kid. This kid's potential is indeed very great!

As long as he's given more time, he would definitely be able to grow and become stronger!

However, a shocking change is about to happen in the Dark World. There's not much time left for this kid!"

The Purgatory Death God shrugged and said, "If this kid wants to be the next Divine Emperor, he has to go through Big Brother and the others."

The Purgatory Death God said, "Then let's wait and see how far this kid can go!"

The King of Destruction said, "We'll see if this kid can become the Divine Emperor later.

The most important thing now was to think of a way to leave this place.

The upper echelons of Country Stars & Stripes Are probably alarmed by now.

They will definitely send people to surround us.

If we want to leave this place, we have to put pressure on them.”

“Yes!”

The Purgatory Death God, the Heavenly Sirius, and the Goddess of Fate nodded.

Then, the four of them took out their special cell phones and started to make calls...

Chapter 949: Intruding into the Laboratory!

At the same time...

In the main building.

In the conference room.

The seats were filled with the upper echelons of Country Stars & Stripes.

Sitting in the main seat was Lawrence, the person in charge of Country Stars & Stripes.

At this moment, the atmosphere in the entire conference room was very oppressive.

Just now, their phones had “exploded”.

Everyone only received one piece of news.

That was, the Turks Base had been captured.

Tens of thousands of warriors were killed, and countless pieces of equipment were destroyed.

There was a long silence between the both of them.

Lawrence’s expression was dark as he glanced at everyone present and said in a steely voice, “I believe everyone already knows what happened tonight, so I won’t say anything else!

Now, you only need to do three things!

The first thing is to block all major traffic routes!

The second is to inform all the teams in Snow City and the teams in the various cities around Xuecheng to rush to the Turks Base!

“The third thing is to use all means to kill those fellows from the Hidden Dragon Pavilion. We can’t let anyone go!”

“Yes!”

Everyone responded in unison.

Then, everyone took out their cell phones and made calls.

...

On the other side...

After Yang Luo led Chu Longyuan and the others out of the snow mountain area, they quickly arrived at the Turks Base.

As all the soldiers in the base had been killed, the entire base had become empty.

Yang Luo glanced at the fortresses and buildings around him and said, "Does everyone know where the ten documents are hidden?"

Chu Longyuan said, "Previously, the Dragon General sent someone to investigate. Those ten pieces of information should have been hidden in their underground laboratory.

However, I don't know how to get to the underground laboratory."

Yang Luo waved his hand, "Brothers, spread out and search. We must find the entrance to the underground laboratory as soon as possible!"

"Yes!"

Everyone nodded and spread out, entering the various fortresses and buildings to search.

After more than half an hour...

“Deputy Pavilion Master Yang, I’ve found it!

There’s an elevator here!”

A voice came from afar.

“Let’s go!”

Yang Luo hurriedly ran over with Chu Longyuan and the others.

They walked into a room with equipment.

There was a wall inside that could be pushed open. After pushing it open, an elevator could be seen.

Chu Longyuan took a look and said, “This elevator is heavily encrypted. I’m afraid this elevator can really lead to the underground laboratory.”

“Brother Yang, I’ll crack the code!”

Lan Xiaomeng walked out.

Since the battle was over, her figure returned to its original appearance, and she became petite and cute again.

“You know how to decipher codes?”

Yang Luo asked in surprise.

Lan Xiaomeng pouted and said, “Brother Yang, what do you mean? Are you looking down on me?”

Tian Zhen smiled and said, “Brother Yang, don’t think that Little Meng is all brawn and no brains.

She’s the strongest password expert in our Hidden Dragon Pavilion. No matter what password it is, as long as she studies it for a while, she can break it.”

“Oh...”

Yang Luo nodded. He really didn’t expect Lan Xiaomeng to know how to decipher codes.

After all, Lan Xiaomeng only displayed her powerful combat strength when carrying out missions.

“Everyone, wait a moment. I’ll study it.”

Lan Xiaomeng waved her hand and walked towards the elevator to study it.

About ten minutes later, Lan Xiaomeng began to decipher the code.

A pair of small hands tapped quickly on the screens and keyboards.

Yang Luo couldn’t understand it either. He only felt that she looked very impressive.

Less than ten minutes later...

Ding!

The elevator doors opened.

“F*ck, it’s cracked just like that?”

Bujie also exclaimed.

“Impressive!”

Yang Luo gave Lan Xiaomeng a thumbs up.

Hearing Yang Luo’s praise, Lan Xiaomeng’s big eyes turned into crescent moons.

Then, Yang Luo, Chu Longyuan, and the rest walked into the elevator.

The warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion, as well as the members of the five groups, stayed behind.

After entering the elevator.

The elevator descended all the way.

After descending a full 80 meters, the elevator stopped.

When the elevator door opened,

Yang Luo and the others walked out of the elevator.

As they cast their gazes in front...

What greeted them was a long passageway.

The entire passageway was bright, and the top and ground were made of super alloy.

The walls on both sides were made of transparent glass.

Inside, there were models of rover, tanks, helicopters, fighter jets, missiles, and various other firearms.

Some were physical models, while others were light and shadow models.

The transparent glass was like a screen, with lines of glowing characters jumping around.

Walking in here was like transmigrating to the future.

Bujie clicked his tongue and said, "I have to say that the technology of Country Stars & Stripes is indeed quite impressive."

Lan Xiaomeng pursed her lips and said, "Our technology is still very awesome. It's just that you didn't see it!"

Bujie said, "Then I'll have to experience it in the future!"

"Let's go."

Yang Luo said and took a step forward.

However, just as he took a step forward...

The ground suddenly moved like a conveyor belt.

Yang Luo and the others did not even need to walk. The ground could carry them forward.

In the journey forward...

They saw various models of God Slaying Armor behind the glass on both sides.

Some had already been developed, while others were still under development.

Moreover, he could see many specimens of creatures. Clearly, they were doing genetic experiments.

After a few turns.

Yang Luo and the others finally arrived at the end of the passageway.

At the end were two metal doors.

There were more passwords on the door.

Various characters jumped on the huge photoelectric screens.

"I'll break the code!"

As Lan Xiaomeng spoke, she prepared to break the password.

Yang Luo however held her back and said, "There are so many passwords. How long will it take to break them?"

"How do we get in without breaking the password?"

Lan Xiaomeng tilted her head and asked.

"Of course I'm going to destroy these two doors!"

Yang Luo smiled and said. Then, he waved the Dragon Emperor Sword in his hand and slashed at the two doors!

Rumble!

With a slash of the sword, the two doors trembled violently!

However, what surprised Yang Luo was that his sword only created a crack and was not immediately destroyed!

Yang Luo said, "Interesting. This door is quite sturdy."

Chu Longyuan pursed his lips and said, "That's for sure. After all, this is one of their most important laboratories."

These two doors will definitely even be able to withstand a missile."

"I see."

Yang Luo nodded in realization and swung his sword a few more times!

Clang clang clang...

The two doors shook even more violently. Even the entire underground laboratory was shaking!

After he swung the sword seven times!

There was a loud bang!

The two thick metal doors were completely destroyed!

As they looked inside those doors...

Inside was a huge laboratory with various advanced instruments and bottles.

All kinds of strange characters jumped on the huge screens.

Meanwhile, the twenty-odd researchers in the laboratory looked at the broken door, Yang Luo, and the others, and they were all dumbfounded.

They really could not imagine that such a sturdy laboratory door would be forcefully broken open.

Yang Luo and the others did not speak. Instead, they walked straight into the laboratory.

“Who... who are you?!”

“What... do you want?!”

“Don’t come over!”

The researchers retreated, their faces filled with fear.

Chapter 950: Race Against Time!

Yang Luo looked at the researchers coldly and said, "We've already killed everyone in Turks Base.

Your Commander-in-Chief, Douglas, was also killed by us.

If you don't want to die, cooperate with us obediently."

"Cooperate... I will definitely cooperate!"

"Excuse me... what do you need us to do?"

The researchers present trembled.

The group of people in front of him were all covered in blood and held weapons in their hands. Moreover, they could barge into the laboratory. It was obvious that they were not to be trifled with.

Yang Luo asked in a low voice, "Where are you hiding the originals of the ten documents that cover the ten most advanced technologies in Country Hua?"

"This...!"

Upon hearing this, the researchers present looked at each other without saying anything.

"Do you really want to die?"

Yang Luo's eyes turned cold as he swung his sword to the side!

With a loud bang, a two-meter-tall metal instrument beside him was cut into two!

Electricity and fire flashed. It was a shocking sight!

"No, no, no. We don't want to die. We don't want to die!"

These researchers were so frightened that their legs went weak. Some of them even sat on the ground in fear.

Yang Luo said in a deep voice, "You guys snatched our technologies. Now that we want to take it back, are you still unwilling?"

If you don't want to die, hurry up and tell me where you're hiding it!"

"Speak, we'll speak!"

"Right there!"

A few researchers pointed at the ten supercomputers in the distance.

Yang Luo raised the sword in his hand and said coldly, "Hurry up and pull out those ten documents!"

"Yes, yes, yes!"

Ten of the researchers nodded repeatedly. Then, they walked to the ten supercomputers and typed on the photoelectric keyboard.

After a while...

Ten pieces of information appeared on the screens of the ten supercomputers. Words and runes were densely packed, and there were even schematics.

Yang Luo said to Chu Longyuan and the others, "Brother Chu, Fourth Senior Sister, hurry up and check.

Let's see if these ten documents are true."

"Alright!"

Chu Longyuan, Lin Qianyi, Tian Zhen, and the rest acknowledged and walked over to check the information.

Ten minutes later.

Chu Longyuan said, "These ten documents are all genuine!"

"Very good!"

Yang Luo nodded and said, "Hurry up and copy these ten documents before leaving this place."

Soon, Chu Longyuan, Lin Qianyi, and the others took out ten special black USB drives and copied the information into them.

Ten screens began to show the reading progress.

1%, 2%, 3%, 4%...

But at this moment...

“Warning! Warning! Self-destruct mechanism is about to be activated!”

The ten supercomputers emitted mechanical alarms.

What was this situation?

Yang Luo’s face darkened as he looked at the researchers.

One of the old men said helplessly, “Sir, these ten supercomputers have already been installed with self-destruct mechanisms.

“Once someone touches these ten documents, these supercomputers will activate the self-destruct mechanism.”

“Can’t it be removed?”

Yang Luo asked in a deep voice.

A middle-aged man shook his head and said, “We can’t deactivate the self-destruct device either.”

“One minute!”

“60, 59, 58...”

At this moment, the alarm sounded again.

Moreover, the ten supercomputers began to flash red lights.

“What should we do now?”

We won’t be able to copy it in a minute!”

Lin Qianyi immediately panicked.

“Damn it!”

Chu Longyuan flew into a rage, “We risked our lives to get here. Are we going to fail at the last step?!”

Tian Zhen and the others’ expressions also darkened!

Country Stars & Stripes had really set up many obstacles to prevent them from taking back the information!

Damn it!

How hateful!

“Let me try to deactivate the self-destruct mechanism!”

At this moment, Lan Xiaomeng volunteered.

She rushed to the first supercomputer, her hands flying as she typed on the photoelectric keyboard.

Twenty seconds later.

“Supercomputer 01 self-destruct deactivated!”

A mechanical voice sounded from the first supercomputer, and the flashing red light went out.

Without any hesitation, Lan Xiaomeng rushed to the second computer.

With her previous experience...

Ten seconds later.

“Supercomputer 02 self-destruct deactivated!”

Lan Xiaomeng didn't stop for a moment and rushed to the third supercomputer.

In the following period of time...

Lan Xiaomeng deactivated each self-destruct device faster and faster.

Everyone also became nervous and did not even dare to breathe too loudly.

After all, Lan Xiaomeng was fighting for time now.

Once the self-destruct mechanism was activated, they could never recover this information.

The mechanical voice sounded continuously.

“Supercomputer 03 self-destruct deactivated!”

“Supercomputer 04 self-destruct deactivated!”

...

One by one, the supercomputers' self-destruct mechanisms were deactivated.

All the researchers present were dumbfounded.

“Oh my god, this little girl is simply a computer genius!”

“That’s amazing. She can actually deactivate the self-destruct mechanism in such a short period of time!”

The researchers exclaimed.

Very quickly...

One minute was up!

“Supercomputer No. 10 self-destruct deactivated!”

Hearing this cold mechanical voice...

“Great, that’s great!”

“Little Meng, you’re amazing!”

“F*ck, my heart was about to jump out of my chest!”

Everyone cheered.

Feng Lengyue hugged Lan Xiaomeng and kissed her fiercely.

Lan Xiaomeng waved her hand and said, “Aiya, it’s not a big deal.”

Yang Luo smiled and said, “Little Meng, you’ve done a great job this time.

Tell me, what reward do you want?”

Lan Xiaomeng’s eyes lit up. She blinked her big eyes and asked, “Any reward will do?”

“Of course.”

Yang Luo nodded in reply.

Lan Xiaomeng blushed and said shyly, "Brother Yang, I want you to be my boyfriend..."

The corners of Yang Luo's mouth twitched as he shook his head, "This won't do. Change it."

"Hahaha..."

Hearing Yang Luo's answer, everyone laughed.

Bujie smiled happily and said, "Little Meng, you'd better give up.

Brother Yang doesn't like muscular women like you."

"Stupid monk, you're asking for a beating!"

Lan Xiaomeng's face was flushed with embarrassment as she chased after Bujie all over the laboratory.

Another ten minutes or so passed like that.

Finally, all ten documents were copied.

Lan Xiaomeng then directly destroyed all the information in the ten supercomputers.

With that, Yang Luo waved his hand, "Let's go!"

Then, Yang Luo and the others left the laboratory and took the elevator to the base.

But just as Yang Luo and the others ran out of the base...

Rumble rumble rumble!

A violent tremor came from afar, causing the entire Turks Base to tremble.

Whir, whirl, whirl...

Whoosh, whoosh, whoosh...

Furthermore, the sound of helicopter rotors and the sound of fighter jets tearing through the air could be heard from afar.

“D*mn it!”

Chu Longyuan clenched his fists and gritted his teeth, “Looks like the higher-ups of Country Stars & Stripes have sent more people to surround and kill us!”

Lin Qianyi frowned and said in a deep voice, “There’s going to be another fierce battle!”

Tian Zhen and the others also frowned.

After the battle just now, they were already exhausted.

If they continued fighting, their strength would probably be completely exhausted.

At this moment, Jiang Bo, who was carried by a member of the Hidden Dragon Pavilion, said weakly, “Brother Yang, leave us!”

“If you bring us along, you won’t be able to escape from here at all!”
