Chapter 991: Refining the Mysterious Dao Pill!

“Could it be that someone is cultivating nearby?”

“Who is it that dares to touch our cultivation ground!”

“Don’t they know whose territory this is?”

“How audacious!”

The other four elders shouted coldly.

The black-robed old man narrowed his eyes and said, “Let’s go to the top of the mountain to take a look!”

“Alright!”

The other four elders responded.

Then, the five elderly flashed and disappeared from the cave.

After a while...

The five old men arrived at the top of a mountain.

They looked into the distance.

Four beams of light shot up from the four mountain peaks in the distance.

The black-robed old man narrowed his eyes and said, "Sure enough, someone is cultivating in our territory."

The yellow-robed old man said in surprise, "Are all the people in the cultivation world so bold now? They actually dare to barge into our territory?"

The white-robed old woman said coldly, "No matter who the other party is, they have to give us an explanation!"

The black-robed old man waved his hand, "Let's go and take a look!"

Then, the five elders leaped over the mountaintops and rushed towards the place where the four beams of light were.

At this moment...

In the center of Changbai Mountain.

The light beams on Xu Ying, Bujie, and Prajna slowly dissipated.

The three of them also opened their eyes and woke up from their cultivation.

Bujie laughed heartily, "Good, that's great. My cultivation has finally stepped into the Martial King Realm!"

Xu Ying also smiled, "My cultivation has also finally stepped into the Martial King Realm!"

Although the difference between the perfected Martial Highness Realm and the early-stage Martial King Realm seemed to be only a small realm, the difference in capability was like the difference between heaven and earth.

Now that Xu Ying and Bujie had stepped into the early-stage Martial King Realm, their strength had naturally increased several times.

Prajna waved her fist and said, “My cultivation has also stepped into the late-stage Martial Highness Realm!

“Brother Xu, Brother Bujie, I will definitely catch up to you!”

Bujie chuckled and said, “Best of luck!”

Xu Ying turned to look at Yang Luo on the mountain in the middle and said, “Looks like Brother Yang is about to break through too!”

Bujie clicked his tongue and said, “Is this pervert going to break through again?

I wonder how much his strength will increase after this breakthrough!”

Xu Ying sighed, “Brother Yang’s strength will definitely increase by leaps and bounds again after this breakthrough!

Even if he encounters a few demon kings working together, I’m afraid Brother Yang can easily defeat them!”

“Brother Yang can become stronger again!”

Prajna also looked at Yang Luo expectantly.

After a while...

The light on Yang Luo's body slowly dissipated and he opened his eyes.

It was as if two golden electric arcs flashed in his eyes.

"Phew..."

Yang Luo let out a long breath and stopped cultivating.

"Brother Yang, has your cultivation broken through?"

Seeing this expression, Prajna asked.

Yang Luo smiled and nodded.

His cultivation had finally stepped into the perfected Soul Formation realm.

Now, even if he encountered an early-stage Martial God Realm expert, he would have the strength to fight.

As for mid-stage Martial God Realm experts, even if he couldn't defeat them, he could still preserve his life.

"That's great. Congratulations, Brother Yang!"

Prajna's face was filled with joy.

Yang Luo sensed the cultivation levels of the three of them and asked, "You guys broke through too, right?"

Bujie curled his lips and said, "I did break through, but I still can't compare to a freak like you."

Yang Luo said, "Now that the three of you have stepped into the Martial Highness Realm and the Martial King Realm, you're already very powerful compared to many martial artists of the younger generation.

Therefore, don't be anxious. Take every step steadily."

"Ok!"

The three of them nodded.

Yang Luo said, "In the following period of time, you can continue cultivating or spar and exchange martial arts. I plan to refine pills."

Xu Ying said, "Brother Yang, do what you have to do. Don't worry about us."

Yang Luo nodded and took out the King Medicine Cauldron and various herbs from his storage ring.

When he went to Country Stars & Stripes previously, he had already used up all his medicinal pills, so he urgently needed to refine another batch.

Therefore, in the following period of time, he first refined a batch of Spirit Gathering Pills, Qi Replenishment Pills, Essence Enhancing Pills, Blood Revival Pills, and various other pills that were helpful to cultivators.

Fortunately, his current cultivation was high enough and his True Qi was majestic enough.

Therefore, he only spent two hours refining many medicinal pills.

After storing these pills, he took out the ten medicinal herbs needed to refine the Mysterious Dao Pill.

They were the Seven Illusionary Dark Ice Grass, Green Wood Lotus Seed, Crimson Ginseng, Jade Dragon Vine, White Spirit Ginseng Fruit, Earth Flame Spirit Grass, Purple Blood Lingzhi, Nightshade Flower, Rootless Grass, and Three Leaf Green Lotus.

These ten medicinal herbs were all top-notch medicinal herbs. Just by consuming them, ordinary people could extend their lives and remove all illnesses.

Cultivators could use it to assist in their cultivation.

Of course, if it was refined into a Mysterious Dao Pill, it would be a treasure for cultivators.

Especially for cultivators with high cultivation levels, the Mysterious Dao Pill was even more useful.

After taking out the ten herbs,

Yang Luo waved his right hand!

Whoosh! Whoosh!

The ice and snow on the mountain soared into the sky and landed in the King Medicine Cauldron before melting into water.

Then, Yang Luo mobilized the true fire in his body and burned the King Medicine Cauldron, causing the water inside to boil.

After the water boiled, Yang Luo waved his hand again.

Pew pew pew!

Ten herbs soared into the sky and landed in the King Medicine Cauldron.

Refining the Mysterious Dao Pill was different from refining the Soul Formation Pill.

Back then, when Yang Luo was refining the Soul Formation Pill, he threw medicinal herbs into the King Medicine Cauldron to refine them one at a time.

And now, to refine the Mysterious Dao Pill, he had to refine ten herbs at the same time.

He also had to control the fire accurately to ensure that the medicinal properties of the ten medicinal herbs mixed together.

At this moment...

Yang Luo kept mobilizing the true fire in his body to heat the King Medicine Cauldron. The heat varied.

Moreover, he was constantly paying attention to the refinement of the herbs in the King Medicine Cauldron.

Xu Ying, Bujie, and Prajna, who were exchanging martial arts insights on the distant mountain, also approached to observe Yang Luo refine pills.

Time continued to flow.

Unknowingly, two hours had passed.

The ten herbs were finally refined, turning into ten types of medicinal liquid that surged in the King Medicine Cauldron.

Another half an hour passed.

Suddenly....

Boom...

Accompanied by a low rumbling sound...

A golden light suddenly rushed out of the King Medicine Cauldron.

The light was dazzling and the spiritual qi emitted was very abundant.

After a while...

Boom...

A low rumbling came from the King Medicine Cauldron again.

A green beam of light rushed out of the King Medicine Cauldron.

“Eh, what’s going on?”

Bujie held his chin and said, “Why did two beams of light shoot out from the King Medicine Cauldron in succession?”

Xu Ying analyzed, “Could it be that this golden beam represents the metal attribute and this green beam represents the wood attribute?”

Bujie smacked his lips and said, “That’s possible.”

Prajna said in surprise, "Pill refinement is really magical!"

Even though she had seen Yang Luo refine pills many times, she still felt very shocked at this moment.

However, just as the three of them were conversing...

Boom...

A blue beam of light also rushed out of the cauldron.

And right on the heels of that...

Boom...

Boom...

A red beam and a gray beam also rushed out of the cauldron.

At this moment...

Five beams of light had rushed out of the King Medicine Cauldron.

The light was dazzling.

Bujie said, "We can now confirm that these five beams of light contain the power of the five elements, metal, wood, water, fire, and earth!"

"Could it be that Brother Yang is going to fuse the power of the five elements next?"

Prajna asked in surprise.

Chapter 992: Five Immortals!

Xu Ying said, "It's not easy to fuse the five elements.

Although the power of the five elements complement each other, they also counter each other."

Bujie nodded and said, "I'm afraid that it will be even more difficult for Brother Yang to successfully refine the Mysterious Dao Pill than before."

"Brother Yang, you can do it!"

Prajna was afraid of disturbing Yang Luo, so she cheered him on softly.

At this moment.

Yang Luo's body trembled as he continued to mobilize the true fire in his body and increased the heat!

Hu! Hu! Hu! Hu!

The golden flames burned even more intensely, enveloping the entire King Medicine Cauldron!

As the flames burned, the ten medicinal liquids in the King Medicine Cauldron began to surge crazily and fuse continuously!

The beams of light that rushed out of the King Medicine Cauldron also began to fuse!

The entire scene was extremely mysterious, shocking Xu Ying and the other two!

At this moment.

Yang Luo did not dare to be distracted or careless at all. He maintained an extremely high concentration and his mental strength was also highly focused.

Beads of sweat trickled down his forehead.

As the power of the five elements countered each other and the medicinal properties rejected each other, crackling explosions sounded from the King Medicine Cauldron.

Rumble rumble rumble!

The energy emitted from the King Medicine Cauldron was also extremely terrifying, causing the surrounding mountains to tremble.

“Holy shit!”

The corner of Bujie’s mouth twitched, “Brother Yang, are you refining pills or explosives?”

Xu Ying glared at him, “Can you lower your voice? It’s a crucial time for Brother Yang to refine pills.”

“Ah, ok!”

Bujie nodded repeatedly and did not say anything else.

At this moment, the energy emitted from the King Medicine Cauldron swept towards Yang Luo’s body.

Yang Luo condensed a True Qi barrier to block it.

Bang! Bang! Bang!

Waves of energy impacted Yang Luo's body, emitting low sounds.

Fortunately, Yang Luo's defense was strong enough to withstand it.

On the opposite mountain, Xu Ying, Bujie, and Prajna also condensed True Qi barriers to block.

Fortunately, the three of them were not low in cultivation now, so they could withstand it.

Time continued to pass.

Another hour passed.

Yang Luo's eyes suddenly widened and he let out a roar!

"Fuse!"

In an instant!

Ooommmm!

Accompanied by the sound of thunderclaps!

The five beams of light that rushed out of the King Medicine Cauldron finally fused together and turned into a beam of light that rushed into the sky!

The world was also dyed in five colors, dazzling and eye-catching!

Xu Ying and the other two were also dumbfounded.

Far away.

At the tourist attraction of Changbai Mountain.

“Here we go again!”

“Is this really a natural scene? Why doesn’t it look like it?”

“It’s said that not only are there immortals in Changbai Mountain, but there are also all kinds of mountain spirits and ghosts. Looking at it now, it’s probably true!”

The tourists discussed among themselves in shock.

There were even bold tourists who wanted to enter the mountain to take a look, but they were stopped by the security officers.

At this moment...

In the center of Changbai Mountain.

This five-colored beam of light lasted for half an hour before finally dissipating.

As the five-colored beam dissipated...

Boom...

Another explosion sounded from the King Medicine Cauldron!

A five-colored pill cloud slowly rose. It was incomparably spectacular!

The next second!

Swoosh!

A medicinal pill that flickered with five colors flew out of the King Medicine Cauldron!

Yang Luo quickly dispersed his true fire and raised his right hand to grab it firmly.

Looking at the pill in his hand, he let out a long breath.

The refinement was finally done.

Then, he put the King Medicine Cauldron and the herbs into his storage ring.

Xu Ying and the other two hurriedly rushed over.

“Brother Yang, has the Mysterious Dao Pill been successfully refined?”

Prajna hurriedly asked.

“It was a success.”

Yang Luo smiled and nodded.

Bujie said in a hurry, “Brother Yang, pass it to me. I want to see what this pill looks like!”

Yang Luo handed the Mysterious Dao Pill to Bujie.

Bujie took the over the pill and looked at it carefully.

Xu Ying and Prajna also scooted over.

The pill was the size of a thumbnail. It was round and plump. Furthermore, there were also five pill patterns interwoven on it that emitted five-colored light.

Moreover, the spiritual qi and medicinal properties contained in it were very abundant. It was obvious that it was not an ordinary item.

Bujie clicked his tongue and said, “Brother Yang, you’re too awesome. You’ve even refined such a top-grade medicinal pill!”

Prajna asked curiously, “Brother Yang, why did you refine this pill?”

Yang Luo said, “I refined this Mysterious Dao Pill to breakthrough to the next realm.

After all, the next realm is a hurdle for me. I have to use the Mysterious Dao Pill.”

“Oh...”

The three of them nodded in realization.

Then, Yang Luo put away the pill.

He then turned to look in a distant direction and said indifferently, "The five of you have been there for so long. It's time for you to show yourselves, right?"

Hearing Yang Luo's words...

Xu Ying, Bujie, and Prajna were stunned.

"Brother Yang, is there someone else nearby?!"

Prajna was stunned.

"There's actually someone else in this deep mountain forest besides us?"

Bujie was also extremely surprised.

The three of them looked in the direction where Yang Luo was looking.

"Kid, not bad. You can actually sense our existence."

A hoarse voice sounded.

"It's been a long time since I've seen such a powerful alchemist."

"Not to mention powerful alchemists, even alchemists are very rare now."

"These little fellows' cultivation levels are not weak. I haven't come out of seclusion for many years. There are really many geniuses in the cultivation world."

"Strange, what realm is that kid's cultivation at? Why can't I sense it?"

More voices sounded.

Then, five figures jumped to the top of a mountain.

The five figures were none other than five elderly.

Four old men and an old woman.

These five elders had gray hair and wrinkles on their faces. They looked a little old.

Soon, the five elders took a step forward and crossed nearly a thousand meters, appearing on a huge mountain in front of Yang Luo and the others.

Yang Luo glanced at the four of them and was slightly surprised.

He did not expect these five elderly to be Martial Emperor Realm experts.

The black-robed old man and the red-robed old man were at the mid-stage Martial Emperor Realm.

Meanwhile, the other three were all at the early-stage Martial Emperor Realm.

Yang Luo narrowed his eyes and asked, "Who are the five of you? Why are you hiding nearby sneakily?"

The black-robed old man narrowed his eyes and said, "Kid, have you heard of the five immortals of the northeast?"

As soon as these words were spoken...

Yang Luo suddenly came to a realization!

Xu Ying and Bujie's expressions changed drastically!

Almost everyone in the cultivation world knew about the five immortals in the northeast.

Even many ordinary people in the secular world knew about it.

Only Prajna asked curiously, "What are the five immortals?"

Bujie explained, "The five immortals refer to Fox Immortal, Yellow Immortal, White Immortal, Willow Immortal, and Gray Immortal.

These five immortals represent the fox, weasel, hedgehog, snake, and rat as their spirit animals.

In the northeast, there were many people worshipping the five immortals. The Horse Immortal is also related to these five immortals.

In short, the five immortals are still very famous in our Country Hua."

"Oh..."

Prajna nodded, but still not quite understanding.

Yang Luo narrowed his eyes and said, "Old mister, are you guys from the five immortal families in the northeast?"

"That's right!"

The black-robed old man raised his head and said, "I'm the 18th Patriarch of the Willow Family, Liu Qingyun!"

The red-robed old man said proudly, "I'm the 17th Patriarch of the Hu family, Hu Dongyuan!"

"I'm Huang Songkui, the 17th patriarch of the Weasel Family!"

"I'm Chang Fengchun, the 16th patriarch of the Chang Family. We cultivate the Dao of the Gray Immortal!"

"I'm Bai Yutong, the 15th matriarch of the White Family!"

The yellow-robed old man, the gray-robed old man, and the white-robed old woman all introduced themselves with very arrogant expressions.

Chapter 993: A Python Dares to Shake a True Dragon?

"Oh..."

Yang Luo nodded in realization and asked, "I wonder why the five of you are hiding nearby?"

Liu Qingyun stood with his hands behind his back and asked calmly, "Do the four of you know where this place is?"

"Isn't it just Changbai Mountain? Is there a problem?"

Bujie had a strange look on his face.

Liu Qingyun narrowed his eyes and said, "Since you know that this is Changbai Mountain, how dare you come here to cultivate? Do you not have any propriety?"

"Why is this not having any manners?"

Yang Luo became even more puzzled, "If you can cultivate here, why can't we cultivate here?"

Hu Dongyuan said coldly, "This is Changbai Mountain, the northeast.

The entire northeast is the territory of the five Immortals. Naturally, this Changbai Mountain is the same.

This is the rule of the entire cultivation world. Don't you know?"

Bujie was instantly displeased, "How did the northeast become your territory?"

The rules of the cultivation world? Why haven't I heard of such dogsh*t rules?"

Huang Songkui said coldly, "Regardless of whether you have heard of it or not, this is the truth!"

Yang Luo frowned, "So, what do you want?"

Liu Qingyun flung his sleeves and said, "Since you broke the rules and barged into our territory to cultivate, you naturally have to compensate us!"

Hu Dongyuan looked at Yang Luo and said in a commanding tone, "Kid, quickly give us all the pills you refined just now and we'll let you live!"

"In addition to the pills, you have to hand over the other treasures on you!"

Huang Songkui added.

“Oh...”

Yang Luo smiled and said, “So that’s your plan after talking for so long!”

“Hmph!”

Liu Qingyun snorted and said, “Since you know, hurry up and hand it over!

On account of the fact that it’s not easy for you to cultivate, we only want your things and not take your lives!”

Pfft!”

Bujie spat and directly cursed, “Do you old fellows have any shame?

What do you mean you won’t take our lives? How dare you say such things?

Isn’t it just five animals? Do you really think you’re immortals? I don’t think you’ve become immortals yet. Why are you pretending?”

Bujie’s ability to retort became more and more profound, making Liu Qingyun and the others furious!

“Stinky monk, what nonsense are you talking about?”

“How dare you insult the five immortals!”

“Even if we haven’t cultivated to become immortals, killing you is still very easy!”

“Don’t think that you’re very impressive just because you’re at the Martial King Realm. We’re all true Martial Emperor Realm experts!”

“Since these little fellows are so insensible, let’s kill them directly!”

Liu Qingyun and the others roared.

Right after they finished their sentences...

Rumble rumble rumble!

Waves of majestic pressure and aura erupted from the five of them, causing the surrounding mountains to tremble!

The five of them also flickered with a dazzling light!

“Hehe...”

Yang Luo chuckled and said, “Why? Are you guys planning to kill and snatch the treasures?”

“So what if I am!”

Liu Qingyun shouted coldly, “Kid, I’ll give you one last chance!

Hand over the pills and treasures on you and we’ll spare your lives!”

Yang Luo’s eyes turned cold as he said, “If you want the pills and treasures on us, it depends on whether you have the strength!”

“Seeking death!”

Liu Qingyun roared and soared into the sky, slapping at Yang Luo!

“Black Python Chaos Heaven Palm!”

A huge black palm condensed and pressed down on Yang Luo like a black mountain!

“Hiss...”

There was even a black python that condensed into form. It opened its bloody mouth and bit at Yang Luo!

“Xu Ying, Bujie, Prajna, these old fellows are all Martial Emperor Realm experts. You’re not their match. Hurry up and retreat!”

Yang Luo said loudly.

Xu Ying, Bujie, and Prajna also wanted to fight.

However, considering the difference in cultivation between the three of them and the five old fellows, they could only give up and quickly retreat.

The moment the three of them retreated...

“A mere python dares to fight a true dragon? You overestimate yourself!”

Yang Luo shouted and raised his palm to meet the attack!

“Eight Divine Dragon Palms!”

“ROAR...”

He struck out with his palm, and a dragon’s roar sounded!

A huge golden palm collided!

A golden dragon phantom roared and charged forward!

At that very moment...

Bang!

Ooommmm!

His palms collided heavily with the python, emitting rumbling thunder!

The mountain under Yang Luo’s feet could not withstand it anymore and began to collapse continuously!

The surrounding mountains were also severely affected and shook crazily!

“Get lost!”

Yang Luo’s right arm suddenly shook and he let out an explosive roar!

Rumble!

Liu Qingyun’s huge black palm instantly shattered and exploded!

“Ugh!”

He let out a muffled groan and was sent flying!

The mountain under Yang Luo’s feet collapsed dozens of meters, but he was unscathed!

“What’s going on? How can this kid be so strong?!”

“He forced Brother Liu back with a single palm strike. Even many elders of those top ancient martial arts sects can’t do it!?”

“Could it be that this kid also has a Martial Emperor Realm cultivation? How is this possible?”

“Brother Liu must have underestimated his enemy. Otherwise, how could he have been sent flying by this kid!”

Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong looked surprised and puzzled.

Liu Qingyun flew dozens of meters away before landing on a huge mountain!

He looked up at Yang Luo and narrowed his eyes slightly. He said coldly, “Kid, you’re quite capable. No wonder you dare to be disrespectful to the five immortals!

However, I was just testing you just now!

Now, I’m going to get serious!”

Right after they finished their sentences...

Ooommmm!

The mountain under his feet collapsed as his body flew up and charged at Yang Luo again!

Furthermore, on the way to kill Yang Luo, his body and eyes flickered with an even more dazzling black light!

“Young brat, go to hell!”

He let out a loud roar and condensed another palm strike towards Yang Luo!

An even larger black palm pressed down, causing the air to emit sonic booms!

An even larger black python also condensed into form and bit at Yang Luo!

“Old fellow, do you think you can kill me with all your might?”

What a joke!”

Yang Luo’s expression was cold and arrogant as he raised his palm again to meet the attack!

A huge golden palm and the phantom of a golden dragon soared into the sky at the same time and collided!

Rumble!

The sound of the explosion was earth-shattering and shook the mountains and rivers!

“Ugh!”

Liu Qingyun still could not withstand Yang Luo's palm. He let out a tragic cry and was sent flying again!

"No, Brother Liu is really not this kid's match!"

"Let's attack together and kill this kid!"

Hu Dongyuan and the other three were shocked and did not dare to continue watching the battle. Instead, they soared into the sky and attacked Yang Luo together!

Chapter 994: Is This Called a Divine Weapon?

"Red Sun Divine Fist!"

Hu Dongyuan's body trembled as his True Qi erupted. He punched down!

A huge red flaming fist smashed towards Yang Luo like a meteor!

A scarlet fire fox also condensed into form and charged at Yang Luo!

"Heavenly Wind Shadowless Hand!"

Huang Songkui's hands turned into palms as he slapped at Yang Luo one after another!

The dark golden palm that filled the sky stirred up violent winds and pressed down heavily!

A dark golden weasel condensed into form and pounced!

“Heaven and Earth Mountain Splitting Finger!”

Chang Fengchun raised his right hand and condensed a huge gray finger that crushed towards Yang Luo!

A huge gray rat also condensed into form and pounced forward!

“Three Soul Breaking Claw!”

Bai Yutong raised her right hand and condensed a huge white claw that grabbed at Yang Luo!

A huge white hedgehog also condensed into form and charged forward!

The attacks of the four of them were incomparably terrifying. The surrounding mountains were shattered and the mountains were constantly torn apart!

However, facing the fierce attacks of Hu Dongyuan and the other three, Yang Luo was not afraid at all and was calm!

Previously, when his cultivation was at the late-stage Soul Formation realm, he was already not afraid of Martial Emperor Realm experts!

Now that his cultivation had stepped into the perfected Soul Formation realm, he was even less afraid!

The moment the four of them attacked!

He stood upright on the mountain like a pine tree and brazenly punched forward!

“Dragon Emperor Fist!”

“ROAR...”

With a punch, the mountains collapsed and the ground cracked. The dragon might was vast!

A huge golden fist coiled around the phantom of a golden dragon and collided!

Boom! Boom!

Rumble!

The sound of collision and explosion sounded at the same time, shaking the clouds!

Hu Dongyuan and the other three thought that they could kill Yang Luo by joining forces!

However, at the moment they fought, they realized their mistake!

This kid was simply unbelievably strong!

“Ahhhh...”

The four of them cried out in pain and were sent flying one after another!

The mountain under Yang Luo’s feet also began to collapse continuously!

However, he only leaped up and stepped on a few huge rocks in the air, landing steadily on an intact mountain. He looked up ahead.

Liu Qingyun and the others were standing on the five mountains in front of them, looking at Yang Luo solemnly.

They originally thought that it would be easy to kill this kid in front of them.

However, trying to achieve it was harder than ascending the heavens!

They could not do anything to this kid.

“Could this kid be a Martial God Realm expert?”

Hu Dongyuan frowned and asked.

That is impossible!”

Huang Songkui shook his head, “This kid is so young. How can he be a Martial God Realm expert?”

In any case, I've lived for so many years, but I've never seen such a young Martial God Realm expert!"

Chang Fengchun said in a low voice, "Unless it's someone from those two places!"

Bai Yutong shook her head and said, "The people from those two places have never stepped into the secular world easily.

Moreover, those two places are more suitable for cultivation. The spiritual qi here is countless times more abundant than here.

Since this kid came to our place to cultivate, he's definitely not from those two places."

"Good point."

The few of them nodded in agreement with Bai Yutong.

Yang Luo said impatiently, "Are you guys still going to fight?"

He had just stepped into the perfected Soul Formation realm and wanted to test how strong he was now.

It just so happened that these five old fellows were all Martial Emperor Realm experts, so he could practice with them.

Liu Qingyun said in a deep voice, "This kid is definitely not a Martial God Realm expert!

He's only relying on powerful cultivation techniques and martial techniques to suppress us!

Everyone, don't hold back anymore. Attack together and we will definitely be able to kill him!"

"Alright!"

Hu Dongyuan and the other three nodded.

Then, Liu Qingyun and the others trembled and released the True Qi in their bodies continuously!

Boom! Boom! Boom!

Five beams of light shot into the sky from the five of them!

Five huge phantoms also condensed on the five of them!

They were the black python, the crimson fox, the dark golden weasel, the gray rat, and the white hedgehog!

“Kill!”

The five of them let out a roar at the same time and charged at Yang Luo!

Seeing the five of them charging over!

Yang Luo’s body trembled as a golden beam of light surged from his body!

A golden dragon phantom that was becoming more and more condensed coiled around his body!

“Black Python Swallows the Sky!”

When Liu Qingyun charged over, he waved his hand!

A black python that was dozens of meters long condensed into form. It crushed mountains and pounced at Yang Luo!

“Fox Immortal Worships the Mountain!”

“Yellow Immortal Scouts Ahead!”

“Grey Immortal Ascension!”

“White Immortal Crosses the Sea!”

Hu Dongyuan and the other three also waved their hands!

Four foxes, weasels, hedgehogs, and rats that were dozens of meters tall also condensed into form and pounced at Yang Luo at the same time!

The five immortals attacked together, the killing power, destructive power, and destructive power that erupted were incomparably terrifying!

One mountain after another could not withstand it and kept collapsing!

Moreover, these five immortals also erupted with wind, lightning, water, fire, and earth attribute energy that swept towards Yang Luo!

On a mountaintop in the distance...

Bujie curled his lips and said, “Although these five old fellows have not become immortals, their abilities are not weak.

It’s a pity that they encountered Brother Yang. In the end, they will only die.”

Xu Ying and Prajna nodded as well, not worried about Yang Luo at all.

The five behemoths pounced over, as well as the violent wind, lightning, huge waves, flames, and rocks that swept over!

Yang Luo’s entire body trembled as he let out an explosive roar!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

Accompanied by a loud dragon roar!

Nine golden dragon phantoms roared out of Yang Luo's body and collided fiercely!

Boom! Boom!

The earth-shattering sound of collision resounded throughout the world!

In less than a few seconds!

Rumble!

The five behemoths and five elemental energies condensed by Liu Qingyun and the others exploded one after another!

It turned into a rain of energy that filled the sky and splashed in all directions!

Three of the nine golden dragon phantoms also exploded, but the remaining six continued to crash into Liu Qingyun and the others!

"Be careful!"

Liu Qingyun shouted and immediately condensed a True Qi barrier to block!

Hu Dongyuan and the other three also condensed True Qi barriers to block!

However, no matter how strong their defense was, they could not withstand it at all!

Peng, peng, peng!

The True Qi shield condensed by Liu Qingyun and the others exploded and they were sent flying at the same time!

After being sent flying for 70 to 80 meters, Liu Qingyun and the others barely stabilized themselves!

However, blood seeped out of the corners of their mouths and their faces turned slightly pale!

“Come on, keep going!”

Yang Luo shouted and took the initiative to attack the five of them!

“Take out your divine weapons and kill this child!”

Liu Qingyun roared!

“Black Python Sword!”

At that moment...

A black sword flew out of a huge lake in the distance and emitted a dazzling black light!

This lake was the heavenly lake, and this black sword was Liu Qingyun’s weapon!

Hu Dongyuan and the other three also let out roars!

“Fire Fox Blade!”

“Sky Wind Spear!”

“Mountain Splitting Halberd!”

“White Immortal Staff!”

Four more weapons rushed out of the Heaven Pool!

It was a long saber, a spear, a halberd, and a staff!

Whoosh! Whoosh! Whoosh! Whoosh!

After the Black Python Sword, Fire Fox Blade, Heavenly Wind Spear, Mountain Splitting Halberd, and White Immortal Scepter rushed out of the Heavenly Lake, they shot towards Yang Luo!

It was as if five rainbows were whistling over, and the air erupted with tearing sounds!

These five weapons were the weapons carried by Liu Qingyun and the others!

When they were cultivating, they would place their weapons into the Heaven Pool and nurture them with the spiritual qi of heaven and earth!

After many years of nurturing, even if these five weapons were not real divine weapons, they were not ordinary weapons!

“What the f**k!”

Bujie was shocked, “These five guys can even summon their weapons?!”

Yang Luo glanced at the five weapons and sneered, “Are your weapons even worthy of being called a divine weapon?”

I’ll let you see what a true divine weapon is!”

Chapter 995: The Five Immortals Submit!

“Dragon Emperor Sword!”

Accompanied by a ferocious shout...

Whoosh!

The sound of metal clashing rang out!

A golden sword flew out of Yang Luo's storage ring and rushed into the sky!

"ROAR..."

The phantom of a golden dragon coiled around the sword and let out a loud dragon roar!

The moment the Dragon Emperor Sword was unleashed, the world changed colors, the mountains shook. It was soul-stirring!

"What kind of sword is this?! It can actually erupt with such terrifying power?!"

"Divine weapon... This is a real divine weapon!"

"How can this kid have so many treasures?!"

Liu Qingyun and the others exclaimed in shock.

After the Dragon Emperor Sword soared into the sky, it changed directions and shot towards the five weapons!

In a flash!

Clang!

The Dragon Emperor Sword collided fiercely with the five weapons, shooting out large amounts of sparks, light, and energy!

Although the five weapons were powerful, they could not withstand the impact of the Dragon Emperor Sword and were sent flying!

Liu Qingyun and the others' expressions changed. They rushed into the sky and caught their weapons!

Yang Luo also raised his right hand and caught the Dragon Emperor Sword!

"Black Python Chaos Heaven Sword!"

Liu Qingyun roared and gripped the Black Python Sword tightly with both hands, slashing at Yang Luo!

Swoosh!

With a slash, sword qi soared into the sky and lightning flashed!

A huge black sword slashed fiercely at Yang Luo!

“Red Sun Blazing Saber!”

“Heavenly Wind Shadowless Spear!”

“Heaven and Earth, Mountain Splitting Halberd!”

“Three Soul Breaking Staff!”

Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong also waved the weapons in their hands and launched a fierce attack!

A huge saber, a huge spear, a huge halberd, and a huge staff carried flames, wind, soil, rocks, and huge waves as they attacked Yang Luo!

The illusions of the five immortals even condensed into form and charged towards Yang Luo!

Facing the five people's fierce attacks...

Yang Luo gripped the Dragon Emperor Sword tightly with his right hand and slashed out!

"Emperor Dragon Sword Technique!"

Swoosh!

With a single slash, the heavens and the earth shook. Sword Qi wrecked havoc, and the sword might was as vast as the oceans!

A huge golden sword tore through the sky and slashed at the attacks of the five of them!

An incomparably huge golden dragon phantom soared out at the same time!

In that moment!

Rumble!

Rumble!

A series of collisions and explosions resounded non-stop, spreading for an unknown distance!

Liu Qingyun and the others thought that they could kill Yang Luo with the divine weapons!

However, it was still impossible!

The power erupted from Yang Luo's sword was too strong, directly destroying all the attacks from the five of them!

The illusions of the five immortals were destroyed!

The Wind, Thunder, Water, Fire, and Earth elements were also destroyed!

"Ahhhh..."

Liu Qingyun and the others let out miserable cries and were sent flying again!

As they were sent flying, the five of them spat out a mouthful of blood!

Their weapons were also sent flying and landed on the mountains!

Bang! Bang! Bang!

The five of them were sent flying more than a hundred meters away and landed heavily on a huge mountain!

However, the power of Yang Luo's sword did not weaken just like that. Instead, it continued to slash at the five of them!

Rumble rumble rumble!

The mountains in front of him were forcefully split open, as if they had split open canyons. It was extremely terrifying!

Liu Qingyun and the others were so frightened that they forgot to resist and escape!

They were afraid that they would all die under this sword!

Just as Yang Luo's sword was about to slash at the five of them!

“Mr. Yang, please spare me!”

“Mr. Yang, please show mercy!”

Shouts came from not far away.

Yang Luo stopped and placed the sword in his hand above Liu Qingyun and the others.

He turned around and saw a large group of people running over from afar.

Yang Luo put away his sword and said loudly, “Come up and talk!”

“Yes!”

Soon, five middle-aged men hurriedly ran to the top of the mountain and arrived in front of Yang Luo.

Xu Ying, Bujie, and Prajna also moved over.

“The Liu family’s master, Liu Zhengyang, the Hu family’s master, Hu Shoujun, the Huang family’s master, Huang Hailin, the Chang family’s master, Chang Pengzhi, and the Bai family’s master, Bai Jincheng!

We greet Mr. Yang!”

The five middle-aged men bowed to Yang Luo.

Yang Luo asked in confusion, “Do I know you?”

Liu Zhengyang said respectfully, “Mr. Yang, although you don’t know us, we know you!

Not long ago, in the battle at Mount Tai, you killed three experts of Country Sakura alone and avenged our Country Hua’s martial arts world!

Our five great families have admired you for a long time!”

“Oh...”

Yang Luo nodded in realization and asked, “Then who are these five old fellows to you?”

Liu Zhengyang said, "These five are the patriarchs of our five families and our ancestors!

Because the five ancestors had been cultivating in seclusion on Changbai Mountain for the past few years, they did not know what was happening in the outside world!

Otherwise, the five ancestors wouldn't dare to offend you!"

At this moment, Liu Qingyun and the others got up from the ground.

"Zhengyang, you just said that this kid killed three experts from Country Sakura in the Mount Tai. What's going on?"

Liu Qingyun frowned and asked.

Hu Dongyuan and the others also looked at Liu Zhengyang.

"Ancestor, it's like this..."

Liu Zhengyang did not dare to hide anything and told Liu Qingyun and the others what had happened not long ago.

After hearing Liu Zhengyang's words...

Liu Qingyun and the others' expressions changed drastically.

"Zhengyang, is what you said true?!"

"Are the three experts from Country Sakura that this kid killed really Martial Emperor Realm experts?!"

Liu Qingyun asked in shock.

"It's true!"

Liu Zhengyang nodded repeatedly and continued, "Although the people in the secular world don't know the strength of those three old fellows, we in the martial arts world know very well!"

Liu Qingyun and the others naturally knew that Liu Zhengyang would not lie to them.

Moreover, they had just witnessed Yang Luo's strength.

If not for Liu Zhengyang and the others arriving in time, they would have probably been killed by Yang Luo.

For a moment, Liu Qingyun and the others looked at Yang Luo with respect and admiration.

“Mr. Yang, we actually failed to recognize a formidable person. Please forgive us for offending you!”

Liu Qingyun knelt down on one knee with an extremely respectful expression.

“Mr. Yang, I’m sorry!”

Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong also knelt on one knee towards Yang Luo.

“Mr. Yang, please spare the lives of our ancestors!”

Liu Zhengyang and the others also knelt down in front of Yang Luo.

Yang Luo frowned and said, “These five old fellows are too rude and domineering.

Just now, not only did they say that we had touched their cultivation place, but they also wanted to snatch my pills and treasures.

Now that you're asking me to let these five old fellows go, I need a reason."

Liu Qingyun sighed and said, "Mr. Yang, the Spirit Qi in this world is too thin now. There are fewer and fewer good cultivation places.

The five of us only wanted to guard this area of Changbai Mountain, but we didn't want to offend you. We're really sorry.

As long as you can let us off, we can give you the Changbai Mountain area."

"Mr. Yang, we really know our mistake!"

"Mr. Yang, as long as you're willing to let us off, you'll be an honored guest of the five immortals in the future. We're willing to respect you!"

"Mr. Yang, the five immortals are willing to submit to you!"

Hu Dongyuan and the other three also begged for mercy.

Seeing that Yang Luo had no intention of letting Liu Qingyun and the others off...

Liu Zhengyang hurriedly said, “Mr. Yang, since you stood up and killed those three old fellows from Sakura Country when Country Hua’s martial arts world was in danger,

That means that you are also a righteous person who serves the country and the people!

The five ancestors had also done a lot for Country Hua in the past!

Back then, the people of Country Sakura had killed their way to the northeast. The ancestors had also led our clansmen to kill many enemies!

Speaking of which, the five ancestors are also righteous people!”

Chapter 996: Great Benevolence!

“That’s right. The five ancestors are really not evil people. They’re just a little proud!”

“Mr. Yang, the cultivation world is a world where the strong prey on the weak. The strong are respected!

If the patriarchs don't be more domineering, our five immortal families will definitely be bullied!"

The other family heads also spoke up.

Yang Luo turned around and asked Bujie, "Bujie, is what they said true?"

Bujie pursed his lips and said, "That seems to be the case. Back then, the five immortals did kill many people from Country Sakura.

Because of this, Country Sakura was very angry. They even sent many Onmyojis to fight the five immortals, but they were all defeated by them in the end.

"It's precisely because of this that many clansmen of the five Immortal Clans have also been slaughtered by the people of Country Sakura. Many clansmen have died."

Liu Zhengyang nodded repeatedly and said, "That's right, that's right. The five ancestors here were people who participated in the battle back then!

Five of the ten Onmyojis sent by Country Sakura were killed by our five ancestors and five were severely injured!

After they realized that they could not defeat us in a battle of magic, they began to bombard our five families with firepower!

That's why many of our clansmen died!"

Hu Shoujun gritted his teeth and said, "Otherwise, our five immortal families wouldn't have fallen to this state!"

Huang Hailin, Chang Pengzhi, and Bai Jincheng looked heartbroken upon bringing up this matter. They shook their heads and sighed.

Liu Qingyun let out a long sigh and said, "This is the eternal pain of the five immortals. Let's not mention it again."

Bujie glanced at Liu Qingyun and the others and smacked his lips, "Brother Yang, these guys are quite pitiful. Moreover, their attitude is indeed very sincere. Why don't we let them off?"

Yang Luo looked up at Liu Qingyun and the others and said, "Since you used to work for Country Hua, I can spare your lives."

"Thank you, Mr. Yang. Thank you, Mr. Yang!"

Liu Qingyun and the others thanked him profusely.

Yang Luo continued, "Since you're willing to submit to me, we're on the same side in the future.

If you need any help, you can contact me.

Of course, if I find out that you dare to have ill intentions behind my back, don't blame me for being impolite."

"We wouldn't dare!"

"How would we dare to have any ill intentions towards you!"

Liu Qingyun and the others shook their heads repeatedly.

Yang Luo put away the Dragon Emperor Sword and said, "Alright, I'll treat your injuries now."

"Hmm?"

Liu Qingyun was stunned for a moment and asked in confusion, "Mr. Yang, do you know medicine?"

Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong also looked puzzled.

Seeing this, Liu Zhengyang hurriedly said, "Ancestors, this is something you might not know as well!

Not only is Mr. Yang's martial arts powerful, but his medical skills are also very impressive!"

"Oh?"

Liu Qingyun asked curiously, "What do you mean?"

"Ancestor, in the Medical Dao Competition a few days ago, Mr. Yang defeated the various medical Dao sects overseas by himself.

Moreover, in the end, Mr. Yang fought against the eight medical experts of Country Sakura's Medical Saint Sect and Country Kimchi's Oriental Medicine Sect alone and obtained the final victory, winning first place for our Country Hua's medical world..."

Liu Zhengyang told Liu Qingyun and the others about the medical competition a few days ago.

After hearing Liu Zhengyang's words...

Liu Qingyun and the others looked at Yang Luo with even more admiration.

Yang Luo did not say anything else and waved his right hand!

Swish! Swish! Swish! Swish!

Golden needles that flickered with golden light flew out of the storage ring and pierced into the acupuncture points on Liu Qingyun and the others!

Buzz buzz buzz!

The golden needles began to tremble violently!

Waves of True Qi entered the bodies of Liu Qingyun and the others at an extremely fast speed!

In reality, Yang Luo also wanted to test the power of the Fuxi Divine Needle!

In less than ten minutes.

The golden needles stopped trembling.

Yang Luo sighed in his heart.

As expected of the Fuxi Divine Needle, it was indeed very powerful.

If he used ordinary silver needles, it would probably take him at least half an hour to treat Liu Qingyun and the others.

However, with the Fuxi Divine Needle, the healing speed was reduced to less than ten minutes.

Yang Luo waved his right hand and retracted the Fuxi Divine Needle. He asked, "How do you feel? Have you recovered?"

Liu Qingyun and the others took a deep breath and stretched their bodies. They were pleasantly surprised.

"Alright, my internal injuries have healed so quickly?!"

"Heavens, if I were to treat my injuries myself, I'm afraid it would take at least a month. I didn't expect Mr. Yang to treat us with just a few needles!"

“Divine Doctor! This is what you call a real Divine Doctor!”

Liu Qingyun and the others were extremely excited.

After retracting the Fuxi Divine Needle...

Yang Luo took out a few more bottles of pills and threw them to Liu Qingyun and the others, “Take these pills. They can help you cultivate and heal your injuries.”

“Thank you, Mr. Yang. Thank you, Mr. Yang!”

“Mr. Yang is indeed benevolent and righteous. Not only did he treat our injuries, but he also gave us medicinal pills!”

“If anyone dares to go against Mr. Yang in the future, it will be going against the five immortals!”

Liu Qingyun and the others took the few bottles of pills and thanked him gratefully.

At this moment, Liu Zhengyang suddenly said, “Mr. Yang, please wait a moment!”

As he spoke, Liu Zhengyang shouted down the mountain, "Hurry up and bring everything up!"

Soon, more than ten clansmen from the five immortal clans ran over with wooden boxes.

Liu Zhengyang said, "Mr. Yang, these boxes are filled with some rare herbs we found on Changbai Mountain not long ago.

"You're a medical expert, so you'll definitely need these herbs, so you can take them all."

The dozen or so clansmen also opened the box.

As expected, there were all kinds of top-notch medicinal herbs inside.

"Zhengyang, well done!"

Liu Qingyun smiled in satisfaction and said to Yang Luo, "Mr. Yang, please accept these herbs as a greeting gift!"

"I used a lot of herbs to refine pills today. I indeed need to replenish them. I'll accept them then."

Yang Luo nodded and placed all the boxes into his storage ring.

Liu Zhengyang said, "Mr. Yang, you can give me your contact information. I'll send someone to send you the herbs later!"

Hu Dongyuan also said with a smile, "That's right, although the five immortals are not very rich...

However, we still a lot of these herbs. Don't reject them."

"Alright."

Yang Luo nodded and exchanged contact information with Liu Qingyun and the others.

Liu Qingyun suggested, "Mr. Yang, our family is not far from Changbai Mountain. We want to invite you to our place!"

Yang Luo said, "I'm in a hurry to go back, so I won't be going today.

I'll visit you guys again when I have the chance later."

“Alright.”

Liu Qingyun and the others nodded.

Yang Luo chatted with Liu Qingyun and the others for a while more before leaving Changbai Mountain with Xu Ying, Bujie, and Prajna.

As they watched Yang Luo and the others leaving...

“Not only is Mr. Yang proficient in alchemy, but his martial arts and medical skills are also incomparably powerful. His future is limitless!”

Liu Qingyun sighed and instructed his clansmen, “Listen up. No matter what help Mr. Yang needs in the future, we have to do our best to help!”

“Did you guys hear that?”

Hu Dongyuan and the other three also asked their clansmen.

“Yes Sir!”

All the clansmen replied in unison.

Chapter 997: Make them pay a heavy price!

At this moment...

At the periphery of the Changbai Mountain scenic area.

“Oh my god, what did we just see? Could it be that an immortal is fighting?!”

“It must be. Otherwise, why would the earth shake and the sky collapse?!”

“So there really are immortals in this world!”

The tourists stared blankly at the sky in the distance, unable to recover from their shock for a long time.

At this moment.

Yang Luo and the other three also came out of the Changbai Mountain and heard the tourists' discussion.

Prajna whispered, “Brother Yang, you caused such a huge commotion just now. Will it cause a bad impact?”

Bujie shook his head and said, “Sister Prajna, don't worry.

This matter would soon be suppressed by the higher-ups.

After that, many experts would come out to refute the rumors.

Those experts will use scientific theories to explain the imagination just now.”

“Huh?”

Prajna blinked her big eyes, “You can even do that?”

Xu Ying nodded, “These are all basic things to them.”

Prajna stuck out her tongue, “Then there’s nothing to worry about.”

Bujie asked, “Brother Yang, are we going back to Jiang City now?”

“That’s right.”

Yang Luo nodded, “We’ve been out for so many days. It’s time to go back.”

Then, Yang Luo and the other three took a car to Spring City Airport and boarded a plane to Jiang City.

When Yang Luo and the other three arrived at Jiang City Airport, it was already past seven in the evening.

After walking out of the airport, Yang Luo and the other three took a car to Hua Mei Biomedical.

“Strange, it’s already so late. Why are the lights on every floor?”

Could it be that everyone is working overtime today?”

Prajna looked at the Hua Mei Biomedical building in confusion.

“Is the company so busy these days?”

Yang Luo felt that something was wrong, “Let’s go in and take a look.”

Then, Yang Luo and the other three walked into the hall on the first floor.

The employees in the company were all busy.

There were also many bosses waiting in the resting area.

Everyone’s expressions were very solemn.

“Assistant Yang, you’re back!”

“Good evening, Brother Yang!”

An employee saw Yang Luo and greeted him.

Yang Luo asked an employee, “What’s the situation now? It’s already so late. Why are you still so busy?”

The employee sighed and said, “Assistant Yang, you should ask President Su.”

“Alright.”

Yang Luo nodded and took the elevator upstairs with Xu Ying and the other two.

When they passed by the office, they saw that the employees were all busy and the phone kept ringing.

Prajna frowned and said, "Brother Yang, it looks like something serious has really happened."

Yang Luo didn't say anything else and hurriedly walked towards the President's office.

Upon arriving at the office door...

Yang Luo knocked on the door.

"Please come in."

Su Qingmei's voice sounded.

The moment the door was pushed open...

They saw Su Qingmei, Shen Yun, Li Sihai, and Cai Donglai chatting.

Shen Yun, Li Sihai, and Cai Donglai did not seem to have rested well. Their heads were messy, and their eyes were bloodshot. They looked very tired.

Even Su Qingmei, who had already started cultivating, looked very tired.

"Yang Luo!"

"Mr. Yang!"

Seeing Yang Luo enter, Su Qingmei and the other three stood up.

"Yang Luo, you're finally back!"

Su Qingmei's eyes turned red as she threw herself into Yang Luo's arms.

Over the past few days, under the joint sanctions and suppression of the Huangfu, Qiao, and Xu families, Hua Mei Biomedical was about to collapse.

But she had been holding on, not giving up hope, not letting herself fall.

If she fell, Hua Mei Biomedical would really be finished.

Now that she saw Yang Luo return, she finally couldn't take it anymore and started sobbing.

Hearing the woman's cries, Yang Luo's heart ached.

This was the first time he had seen his woman so sad.

Xu Ying, Bujie, and Prajna were also stunned.

What exactly happened to cause this strong woman to suffer such a blow?

Yang Luo took a deep breath and asked gently, "Qingmei, what happened?"

Su Qingmei wanted to speak, but she couldn't say a word. Tears streamed down her face.

"Mr. Yang, this matter is difficult to explain in a few words!"

Li Sihai let out a long sigh, feeling very depressed.

Shen Yun wiped the corners of her eyes and said, "Mr. Yang, sit down first. Let's talk slowly."

Yang Luo nodded and helped Su Qingmei sit on the sofa.

Shen Yun did not hide anything and said truthfully, “Mr. Yang, in the past few days when you were not around, the three top families in the capital, the Huangfu family, the Qiao family, and the Xu family, have launched a comprehensive sanction and suppression on our Hua Mei Biomedical!

They issued a warning that any company that cooperates with Hua Mei Biomedical would be punished and suppressed by them!

Therefore, the companies that originally wanted to work with us have all given up on working with us these few days!

Forty-eight companies have already canceled their cooperation with us, and the number is still rising!

They also imposed sanctions and suppressed our raw material distributors, making those distributors no longer dare to provide us with medicinal herbs, causing the various factories to stop operating!

Moreover, they even used their connections to seal our current shops in various cities!

They even hired hackers to attack our online channels...”

Li Sihai added, “Just these few days alone, our losses have already reached two billion yuan, and this is only a conservative estimate!

If we still can’t turn the situation around, our losses will soar until we go bankrupt!”

Cai Donglai clenched his fists tightly and gritted his teeth, “Now, the Huangfu family, the Qiao family, and the Xu family want to use these methods to completely crush us and divide us up!”

After hearing what Shen Yun and the other two said...

Yang Luo's expression turned completely cold.

He really did not expect such a big thing to happen to Hua Mei Biomedical while he was away.

Xu Ying, Bujie, and Prajna were furious.

"Damn it!"

Bujie roared angrily, "Brother Yang, what are we waiting for?"

"Let's go to the capital and kill those greedy dogs!"

Xu Ying said in a low voice, "We can't let them off so easily!"

"What kind of first-rate family is this? They're really despicable and shameless!"

Prajna cursed angrily.

Yang Luo shook his head and said coldly, "Just killing them is too easy on them.

I will make them pay a heavy price."

"Mr. Yang, what do you plan to do?"

Shen Yun asked in confusion.

Li Sihai frowned and said, "Mr. Yang, the three families are too powerful. We can't defeat them at all!"

"That's right!"

Cai Donglai also nodded and said, "We've only been with President Su for a few days, but we can't take it anymore!"

If it were an ordinary company, they would probably have chosen to submit to the three families or directly declare bankruptcy!"

Su Qingmei looked at Yang Luo and asked, "Yang Luo, do you have a way to deal with them?"

"Of course."

Yang Luo nodded and narrowed his eyes, "I want to completely destroy the Huangfu family, the Qiao family, and the Xu family."

Hearing Yang Luo's words...

Su Qingmei and the others were dumbfounded.

How could he destroy the Huangfu family, the Qiao family, and the Xu family?

Yang Luo said to Shen Yun and the other two, "President Shen, President Li, President Cai, don't overwork yourselves tonight. Have a good rest."

"This...!"

Shen Yun, Li Sihai, and Cai Donglai were all a little stunned.

Chapter 998: We'll See Tomorrow!

At this moment.

A call was made to Su Qingmei's phone.

Su Qingmei was shocked.

These days, she was really afraid of answering the phone.

As long as she picked up the phone, there would be all kinds of bad news.

She picked up her phone and took a look. She said hatefully, "It's Huangfu Haotian."

"Answer."

Yang Luo spat out a word.

Su Qingmei nodded and picked up the call, turning on the speakerphone.

"Su Qingmei, haven't you thought it through? Do you really want to continue fighting with us?"

Now that your Hua Mei Biomedical is in complete chaos, how many more days can you last?

Are you really going to declare bankruptcy in the end?"

Huangfu Haotian's frivolous voice sounded.

Before Su Qingmei could speak...

Yang Luo said directly, "Huangfu Haotian, I've given you a few chances. Did you count them?"

The other end of the phone fell silent for a moment before an angry roar sounded.

“Yang Luo, so it’s you, dog!

Not long ago, you slapped me and forced me to kneel down and kowtow to apologize, making me suffer humiliation!

I still remember this grudge!”

“I’ve given you three chances.”

As if he didn’t hear Huangfu Haotian’s angry roar, Yang Luo continued, “The first time, you forced our company to sell the secret recipe.

I thought there’s something wrong with your brain, so I ignored you.

The second time, your Taikang Medical Company imitated our company’s products.

I thought you’re just messing around, and you’re had to pay the price in the end, so I ignored you.

The third time, you caused trouble at our Hua Mei Biomedical’s press conference. I only taught you a small lesson.

But now, the Huangfu family actually wants to join forces with the Qiao and Xu families to sanction and suppress Hua Mei Biomedical.

As the saying goes, there are usually only two strikes, never a third. I’ve already given your Huangfu family too many chances.

Since you don't know how to cherish it, don't blame me.

Your Huangfu family should just disappear. The Qiao family and the Xu family should also disappear."

Huangfu Haotian sneered, "Kid, what the f*ck are you talking about?

Do you think you can defeat our three families?

And you want us to disappear?

Are you dreaming?"

Not to mention the three top families!

Just the Huangfu family alone,

You won't be able to win at all!"

"Is that so?"

Yang Luo narrowed his eyes and said, "Then let's wait and see. I hope your Huangfu family won't beg me when the time comes."

"Beg you?"

Huangfu Haotian sneered, "Kid, I think there's something wrong with your brain!

How could you even think that the Huangfu family will come to beg you?

Do you know how terrifying our Huangfu family is?

We are a first-rate family under the Imperial City, second only to the royal family!

What does your Hua Mei Biomedical have to compete with us?

How are you going to fight us?"

"After tonight, I hope you're still so arrogant."

Yang Luo said indifferently and hung up.

After hanging up the phone...

Yang Luo looked at Shen Yun and the other two and said, "Why are you still here? Didn't I tell you to rest?"

"Mr. Yang, do you really have a way to deal with the three families?"

Shen Yun still didn't believe him and asked.

"That's right, Mr. Yang. These three families are really not easy to deal with!"

"Mr. Yang, are you really going to kill your way to the capital?"

Li Sihai and Cai Donglai also looked at Yang Luo.

In terms of martial arts strength and medical skills, they naturally trusted Yang Luo 100%.

However, this was a business battle. It was not something that martial arts strength and medical skills could resolve.

Yang Luo looked at the three of them calmly and said, "Everything will be revealed tomorrow.

If you trust me, go home and rest well.

You guys are Qingmei's capable assistants. You can't fall."

As he spoke, Yang Luo looked at Su Qingmei and said, "Qingmei, let's go home and rest."

"Ah?"

Su Qingmei was stunned, "Yang Luo, I still have many things to deal with. Now is not the time to rest!"

"Are you coming back with me to rest or not?"

Yang Luo asked.

Su Qingmei said helplessly, "Yang Luo, stop fooling around. I really don't have time to rest now."

Without another word, Yang Luo walked forward and picked Su Qingmei up.

"What are you doing? Put me down!"

Su Qingmei's face immediately turned red.

There were still so many people watching. Wasn't this guy too reckless?

Yang Luo didn't say anything and carried Su Qingmei out of the office.

"Damn, isn't Brother Yang too domineering?"

Bujie gave him a thumbs up.

Prajna smiled and said, "As expected of Brother Yang. He's indeed handsome!"

Then, Xu Ying, Bujie, and Prajna followed.

"Are we really going back to rest?"

Li Sihai asked in a daze.

Shen Yun sighed and said, "Other than choosing to believe Mr. Yang, there doesn't seem to be any other way."

Cai Donglai nodded and said, "Yes, I hope Mr. Yang really has a way to resolve this crisis."

At this moment...

Yang Luo carried Su Qingmei past the office.

He shouted at the employees, "Everyone, stop working and go back to rest early.

After tonight, the company's problems will be resolved."

The employees who were busy looked over.

When they saw Yang Luo hugging Su Qingmei, everyone was stunned.

Su Qingmei buried her face in Yang Luo's chest, not daring to look up at him.

Moreover, the more she struggled, the tighter Yang Luo hugged her.

Therefore, she had no choice but to give up struggling.

After seeing Yang Luo leave with Su Qingmei in his arms, the employees were in an uproar.

"Oh my god, Assistant Yang and President Su are really a couple!"

"You only know about this now? I knew about it long ago, okay?"

"But Assistant Yang and President Su are really compatible!"

The employees started discussing.

Although there were rumors in the company that Yang Luo and Su Qingmei were a couple...

However, no one was sure. They felt that it was just a rumor.

But now that they saw this scene, they were all certain.

As for what Yang Luo said about the crisis being resolved after tonight, they really did not believe it.

If it was really that easy to resolve, the company would not have been in such a mess.

After leaving the company.

Yang Luo drove Su Qingmei and the others straight to the Imperial River Court.

They sped all the way and arrived at the entrance of Imperial River Court's Villa No. 8 in about half an hour.

After they got out of the car.

Yang Luo said to Xu Ying and Bujie, "Xu Ying, Bujie, you guys should go back and rest too."

Bujie nodded, "Alright, contact us anytime if there's anything!"

Then, Xu Ying and Bujie left.

Yang Luo continued to carry Su Qingmei into the villa.

Prajna followed behind.

After going upstairs, Yang Luo carried Su Qingmei into the bedroom.

"Can you put me down now?"

Su Qingmei was embarrassed.

This guy really brought her back from the company.

Yang Luo said, "As long as you promise me to rest well, I'll let you down."

"You dragged me back. What else can I do if I don't rest now?"

Su Qingmei was caught between laughter and tears, "Put me down quickly!"

Only then did Yang Luo put the woman down.

Su Qingmei pursed her lips and said, "Yang Luo, what exactly do you plan to do? Can't you tell me?"

Yang Luo said, "Rest well tonight. You'll know tomorrow."

"Alright."

Su Qingmei nodded helplessly.

"By the way, where did Fifth Senior Sister go?"

Yang Luo asked.

Su Qingmei said, "Sister Song went to Dibai with Momo a few days ago to discuss the follow-up matters of the filming with Modeng Entertainment Corporation. The filming will probably start soon."

"Okay."

Yang Luo nodded in reply.

Seeing that Yang Luo had no intention of leaving, Su Qingmei said, "Then go out. I'll rest now."

Yang Luo said, "I want to watch you sleep before going out."

"You're too domineering!"

Su Qingmei pretended to be angry and said, "If you continue like this, I'll be angry!"

Yang Luo only shrugged, "I won't leave even if you're angry."

Su Qingmei was really defeated. She waved her hand, "Then can you turn around? I want to change into my pajamas."

Yang Luo nodded and turned around.

After a while.

Su Qingmei's voice sounded again.

"Alright, I'm already in bed. You can leave now."

Yang Luo turned around.

As expected, Su Qingmei had already changed into her pajamas and was wrapped in the blanket.

But Yang Luo walked to the bed and extended his hand to the woman.

Chapter 999: Life and Death!

"What are you doing?"

Su Qingmei jumped.

“I’m going to help you relieve your fatigue.”

After saying this, Yang Luo reached out and began to knead the pressure points on her head.

Initially, Su Qingmei was still thinking about how to solve the company’s problem.

However, because Yang Luo’s massage technique was too good, she completely relaxed.

After a while...

Su Qingmei felt sleepy and slowly fell asleep.

Yang Luo only retracted his hand when her breathing slowly evened out.

Looking down on her face, he sighed softly.

He could imagine that this woman must have not slept well for a few days and nights.

If she wasn’t a cultivator, she probably wouldn’t have been able to withstand it.

“Qingmei, don’t worry. Everything will be resolved tomorrow morning.”

Yang Luo said softly and covered the woman with the blanket before turning around and walking out of the room.

The moment he left the room, he saw Prajna standing at the door.

“Brother Yang, is Sister Su asleep?”

Prajna softly asked when she saw him.

Yang Luo nodded in reply.

“Brother Yang, how exactly do you plan to resolve the crisis of Hua Mei Biomedical?”

Prajna was still very curious.

Although she chose to believe Yang Luo unconditionally, she still could not figure out what Yang Luo was going to do.

Yang Luo patted the woman’s head, “You don’t have to ask too much about this. You should rest early too.”

With that, Yang Luo went downstairs, came to the living room, and sat on the sofa.

He only made herself a cup of tea and did not do anything.

Prajna stared at Yang Luo for a while before shaking her head and entering her room.

After Prajna entered the room...

Yang Luo took out his cell phone and made a call.

This call was made to He Wanli, the head of the He family in Ning City.

The call was quickly picked up.

“Mr. Yang, why are you calling me so late at night? What’s the matter?”

He Wanli's voice sounded.

Yang Luo said, "Old Master He, I want to trouble you with something."

"What is it regarding?"

He Wanli asked in confusion.

Yang Luo said, "I want to trouble the He family to help me deal with the Huangfu, Qiao, and Xu families in the capital!"

"No problem!"

He Wanli agreed directly.

He naturally knew about the crisis that Hua Mei Biomedical was facing.

He wanted to help, but he didn't know how.

Now that Yang Luo had called, he would naturally think of a way to help.

He Wanli said, "Mr. Yang, the Huangfu family, the Qiao family, and the Xu family are quite powerful.

Our He family alone can't defeat these three families!"

Yang Luo said indifferently, "Old Master He, your He family only needs to do what you can do. You don't have to care about anything else.

As long as you can help me defeat the Huangfu family, the Qiao family, and the Xu family this time, I will always remember your kindness.”

He Wanli chuckled and said, “Why are you talking about kindness and favors? Don’t worry, I’ll start working now!”

“Many thanks!”

Yang Luo thanked him and hung up.

After hanging up the phone...

Yang Luo also called the Chen family and the Jin family in Ning City, the Han family and the Xia family in Yang City, the Zheng family, the Zhu family, the Feng family, and other families in Shan City.

Yang Luo even called the Hua and Lin families in the capital.

Although the Lin family and the Hua family said that the royal families would not easily interfere in business battles, they would also help in the dark on account of Yang Luo.

After that, Yang Luo called Dongfang Ruoshui.

The phone rang for a while before it was picked up.

“Little Luo, why are you calling me so late at night? Do you miss me?”

Dongfang Ruoshui’s gentle and charming voice sounded.

Yang Luo had goosebumps all over his body. His senior sister was always so seductive.

He took a deep breath and said, "Eldest Senior Sister, I want to ask you a favor."

"Favor?"

Dongfang Ruoshui was very surprised at first. Then, she said, "Tell me, no matter what help it is, I will help you!"

"Something happened to Hua Mei Biomedical..."

Yang Luo did not hide anything and told Dongfang Ruoshui about the current crisis of Hua Mei Biomedical.

After hearing Yang Luo's words,

Dongfang Ruoshui said coldly, "The Huangfu family, Qiao family, and Xu family are really bold. They actually dare to bully my junior brother and Qingmei!

Little Luo, don't worry. I'll start taking action now!"

Yang Luo smiled and said, "Thank you, Senior Sister!"

Dongfang Ruoshui snorted, "Don't just say thank you. Remember to come to Peng City to see me when you have time later, do you hear me?"

"Alright."

Yang Luo replied and hung up.

Then, Yang Luo gave Su Wanqiu a call.

No matter what, the Ning family was the number one family in Xiangjiang.

The Ning family should be able to help deal with the Huangfu family, the Qiao family, and the Xu family this time.

Of course, it was mainly because he missed Su Wanqiu a little, so he wanted to make a call to her.

The call was quickly picked up.

“Little Luo, you’re finally willing to call me?”

Su Wanqiu’s surprised voice could be heard.

Yang Luo laughed dryly and said, “Sister Wanqiu, I’ve been very busy recently, so...”

Su Wanqiu interrupted Yang Luo, “I know you’re very busy. I’m not blaming you.

I just hope that if you have time, you can come and see me.”

“Alright, I’ll definitely look for you when I have time later.”

Yang Luo replied. He had long planned to let Su Wanqiu start cultivating, so he had to make a trip to Xiangjiang.

Then, Yang Luo said, “Sister Wanqiu, I’m calling you now to ask you for a favor.”

Su Wanqiu chuckled and said, “What a rare thing. You actually asked me for help?

Let me tell you in advance, I don’t know how to fight and kill.”

“It’s not fighting and killing, it’s like this...”

Yang Luo told Su Wanqiu about the crisis of Hua Mei Biomedical.

After hearing Yang Luo’s words...

Su Wanqiu exclaimed, “Such a big thing actually happened to Hua Mei Biomedical?”

Why didn’t Qingmei tell me!

Is she all right now?”

Yang Luo said, “It’s fine. I’ve already forcefully brought her back to rest.”

“That’s good.”

Su Wanqiu heaved a sigh of relief and said, “Little Luo, the Ning family still has some power. I will do my best to deal with the Huangfu family, Qiao family, and Xu family.

By the way, should I ask the Yuan family in Ao City for help?

The Second Young Master of the Yuan family admires you very much.

If he knows that you had asked him for help, he would definitely jump up in joy.”

Yang Luo smiled and said, “Alright, contact him.”

After chatting for a while, Yang Luo hung up.

In the following period of time...

Yang Luo had basically called all his connections in Country Hua.

After calling his connections in the country...

He then called Prince Harmandy of Dibai, King Williams of the Country Windmill, and Chairman Carlton of Laurel of the Country Gaule.

This continued until he had exhausted all his connections.

Yang Luo put down his cell phone and leaned against the sofa, waiting for the results.

He narrowed his eyes at the ceiling and muttered, "The Huangfu family, the Qiao family, and the Xu family. No matter how powerful you are, can you withstand the encirclement of so many families, corporations, and the royal family in China and abroad?"

...

At around one in the morning.

In the Huangfu family's manor.

Everyone in the manor had fallen asleep.

But at this moment...

Vroom! Vroom!

The sound of a car engine broke the silence.

After a while...

Cars stopped at the entrance.

A large group of people got out of the car and hurried into the manor.

At this moment...

In a quiet room in the backyard of the manor.

This was the resting place of the head of the Huangfu family, Huangfu Zhenxiong.

Suddenly.

Knock, knock, knock.

There came a series of urgent knocks on the door.

“Who is it? Why are you knocking at the door so late at night?”

Huangfu Zhenxiong woke up from his sleep and asked angrily.

“Father, it’s me!”

An anxious voice came from outside the door.

Huangfu Zhenxiong got up, put on a coat, and opened the door.

He saw his two sons, Huangfu Yufeng and Huangfu Hanwen, standing at the door.

Huangfu Zhenxiong frowned and said, "Yufeng, Hanwen, what are you doing here in the middle of the night?"

Huangfu Yufeng said, "Father, something happened. Something big has happened!"

"What exactly happened?"

Huangfu Zhenxiong said unhappily, "You're almost 40 years old. Can't you calm down when something happens?"

Huangfu Hanwen said, "Father, something big has really happened. It concerns the life and death of our Huangfu family!"

Chapter 1000: Who Did You Offend?

"Life or death?"

Huangfu Zhenxiong was stunned for a moment, "It's that serious?"

"That's right!"

Huangfu Hanwen nodded repeatedly, "Otherwise, we wouldn't have come to look for you in the middle of the night!"

Huangfu Zhenxiong frowned and said, "Wait for me in the hall. I'll be right there."

“Yes, Father!”

Huangfu Yufeng and Huangfu Hanwen nodded and left in a hurry.

At this moment...

The hall of the manor was filled with people.

Everyone present was a direct descendant of the Huangfu family.

However, the usually awe-inspiring and arrogant members of the Huangfu family were all worried at this moment.

Moreover, many people were still on the phone. The entire hall was very noisy.

Especially Huangfu Haotian, who felt very puzzled.

He had just called Su Qingmei and Yang Luo not long ago to threaten them.

How did such a huge mess happen to his family in just a few hours?

Could it really be done by Yang Luo?

But how was that possible?

That kid’s martial arts strength and medical skills were just slightly better.

He would never believe that all of this was done by Yang Luo.

When everyone saw Huangfu Yufeng and Huangfu Hanwen walk into the hall...

“Where’s the family head? Why isn’t he here yet?”

“That’s right, we can only let the family head preside over the overall situation now!”

The people from the Huangfu family hurriedly spoke.

Huangfu Yufeng said, “Everyone, calm down. Father will be here soon.”

After waiting for about twenty minutes...

After putting on his clothes, Huangfu Zhenxiong walked into the hall with a dragon-headed walking stick.

“Father!”

“Patriarch!”

“Grandpa!”

Everyone from the Huangfu family stood up to greet him.

Huangfu Zhenxiong raised his hand and sat at the head of the table.

He glanced at everyone as though he expected better, “Look at all of you. You’re already so frightened by a little wind and waves. Has the sky collapsed yet?”

As he spoke, he turned to look at Huangfu Yufeng and said, “Yufeng, tell me, what exactly happened?”

Huangfu Yufeng took a deep breath and said, "Father, starting at around nine in the evening...

Taikang Medical's 316 branches in the country were suddenly requested for inspection by the Industry and Commerce at the same time!

Currently, 163 branches had already discovered many problems such as fraudulent accounting, tax evasion, inferior medicinal herbs, and large product side effects!

Moreover, our other companies are also also being investigated one after another!

Every company's person-in-charge is very busy now!"

Huangfu Zhenxiong asked in confusion, "It's so late at night. Why would the people from the Industry and Commerce Department conduct a surprise inspection? Didn't you receive the news?"

Huangfu Yufeng said, "Father, I didn't receive any news."

Huangfu Zhenxiong shook his head and said, "How can such a small matter be considered a matter?

Wouldn't it be over if we use our connections to suppress it?"

Huangfu Yufeng said, "Father, if it's just this matter, it would be easy to settle!

But the key is that there's more than one of such matters!"

"Is there something else?"

Huangfu Zhenxiong asked in confusion.

"That's right!"

Huangfu Yufeng nodded and continued, “Just now, the 537 partners we worked with called one after another!

They said that they were now being sanctioned and suppressed by many families, corporations, and tycoons both domestically and overseas!

Those families, corporations, and tycoons had clearly said that if they dared to continue working with Taikang Medical, the former would make them go bankrupt!

Now these partners are asking, did we offend someone?

Father, do you know who’s dealing with us?”

Huangfu Zhenxiong’s expression turned solemn. He pondered and said, “To be able to mobilize many families, corporations, and corporations in the country and abroad to deal with us at the same time, it’s enough to prove that the other party is quite powerful!

But who is the other party?

We don’t seem to have offended such a terrifying existence?”

At this moment.

Huangfu Hanwen added, “Father, other than Taikang Medical being attacked!

“Our Huangfu family’s investment companies, entertainment companies, retail companies, trading companies, and 57 other companies have also been attacked!”

“Family Head, the 654 current shops in Taikang Medical’s major cities have also been investigated and they have said that there are problems in every one of them. They said that they want us to close down and make the changes!”

“Family Head, all our online shopping malls have also been attacked by overseas hackers!

They changed all our product prices to 0. Customers thought that there was an event and are all rushing to buy it!

No matter how our after-sales customer service explains, the customers will not believe it!

Most importantly, we can't even close the online channel by force!”

“Family Head, many of our overseas partners have also called and said that they want to cancel their cooperation with us!

Those business partners also said that our Huangfu family has provoked someone we shouldn't have provoked. They told us to take care of ourselves!”

“ ... ”

The people in charge of the Huangfu family began to report the situation.

“What?! Why did so many things happen in one night?!”

Huangfu Zhenxiong could no longer remain calm. He gripped his walking stick tightly, and cold sweat broke out on his forehead.

He gritted his teeth and said, “The other party is sanctioning and suppressing our Huangfu family in all aspects!

Haven't you found out who did it?”

“Father, we’re still investigating!”

Huangfu Yufeng replied.

At this moment.

“Brother Huangfu, we’ve already found a portion of those attackers!”

A voice came from outside the door.

Huangfu Zhenxiong and the others looked up and saw a large group of people walking in.

Leading them were two old men.

They were the Qiao family’s patriarch, Qiao Bailin, and the Xu family’s patriarch, Xu Yanfeng.

“Brother Qiao, Brother Xu, why are you here so late at night?”

Huangfu Zhenxiong asked in confusion.

Qiao Bolin said anxiously, “Brother Huangfu, not only was your Huangfu family punished and suppressed tonight, but our Qiao family was also affected!

Now, the entire Qiao family is in chaos!

All 265 branches of our Longxing Construction in the country have been investigated and found to have problems!

The Xu family’s software company, advertising company, logistics company, and 45 other companies were also investigated to have problems!

Many people in charge had even been arrested for questioning!

As for our Qiao family's business partners, there's no need to say anything!

Now, all of them are clamoring to terminate their cooperation with us!"

"Our Xu family is also in danger!"

Xu Yanfeng frowned, "The 369 hotel chains we have across the country are also being investigated!

As for the electronics company, transportation company, property company, and 38 other companies under the Xu family, they are also being investigated!

The other problems are even more difficult to explain in a few words!"

"How could this be?"

Huangfu Zhenxiong's expression became even more solemn, "By the way, you just said that you found out who was sanctioning and suppressing us. Who is it?"

Qiao Bolin said, "At the moment, our Qiao family has found out some of the people who are sanctioning and suppressing us!

"The He, Chen, and Jin families in Ning City, the Han and Xia families in Yang City, the Zheng, Zhu, and Feng families in Shan City!"

Xu Yanfeng said, "There's also the Ning family, the number one family in Xiangjiang, and the Yuan family in Ao City!

Even the South Suppressing King is involved!”

“How could this be?! Why are there suddenly so many families sanctioning and suppressing us at the same time?!”

Even the South Suppressing King is involved?!”

Huangfu Zhenxiong wiped his cold sweat. His entire body was trembling, and his face was slightly pale, “We don’t seem to have offended them. What exactly is going on?!”

If it was just a few families making things difficult for them, they could still deal with it.

However, now that so many families were attacking them together, no matter how powerful the three families were, it was difficult for them to deal with everyone!
