

## C21

"Trash, how dare you hit me!"

"I am going to kill you!"

Steward Wang were quite mighty in Outer Sect, and even those Inner Sect disciples had to show enough respect for him.

Yet now he was slapped               ying by an insigni               cant disciple of chores?

He roared and jumped up from the ground, drawing out a long sword.

"Hitting you is exactly my intention!"

"Damn it, you said that I was cheating?"

Boom!

Five gigantic dragon claws struck out, causing Steward Wang's body to               y far away once again.

Damn it, you sent people to kill me!

And you're still slandering me now!

Hit you?

That is exactly what I want!

"Ah!"

"I will kill you!"

Steward Wang's face became ferocious, and his Genuine Qi was completely boiling.

"Stop!"

"He is strong enough to kill these Demonic Beasts. He was not cheating!"

"This matter is over. Continue to count!"

At this time, Elder Li walked over and said unhappily to the Steward Wang.

"Elder Li, this kid injured me. He ignored the sect rules and should be punished!"

Steward Wang continued to speak.

"Hehe, Steward Wang's words are very interesting!"

Lu Zixuan sneered, and smacked his lips.

"Kid, what did you mean?!"

Steward Wang's face froze. Looking at the sneering Lu Zixuan, his heart trembled.

"I didn't mean anything."

"Since Steward Wang doesn't believe in my strength, let's just               ght. I'll then let you know whether or not I've cheated!"

Lu Zixuan said, a cold light appearing in his eyes.

"Elder Li, please let me do it. I will verify if this kid has the strength or not!"

Hearing that, Steward Wang's eyes immediately lit up.

Brat, you are courting death yourself.

Don't blame me!

"Un, that's               ne too!"

Elder Li pondered for a moment before agreeing.

"Brat, today I will let you know how powerful I am!"

Seeing that Elder Li had agreed, Steward Wang sneered and rushed over.

"Brat, go and die!"

Killing intent               lled the air, the sword pierced through the air and slashed towards Lu Zixuan's head.

Steward Wang shouted in his heart.

Although he had been repelled twice, he wasn't using his full power back then.

Now he would unleash his full power the moment he attacked.

He believed that with his sword, he could de nitely kill Lu Zixuan!

"Dragon Claw Hands!"

"Nine Slashes of Gale, First Slash!"

"Nine Slashes of Gale, Second Slash!"

"Nine Slashes of Gale, Third Slash!"

"Pfft!" Puff! "Pfft!"

Dragon Claws extended!

The light of the sabre shone brightly, as if it were a waterfall.

Nine streaks of sabre-light appeared, tearing through everything.

Nine Slashes of Gale slashed out nine times, and then Steward Wang's body that was rushing over started to spurt out blood.

"You!"

Steward Wang's body was riddled with wounds.

He lay on the ground, eyes               lled with disbelief.

He had actually been defeated in an instant?

"Steward Wang, what I meant is actually very simple!"

"That is, to let you die!"

Lu Zixuan held his long blade, and               ercely slashed down.

"Elder Li, save me!"

Steward Wang's pupils shrank, he anxiously shouted.

Puff.

"Ding!"

"Congratulations to host 'Lu Zixuan' for killing him!"

The system beep rang, and a long blade had been stabbed into Steward Wang's chest.

Blood splattered everywhere.

"Lu Zixuan, how dare you! How dare you kill Steward Wang!"

Elder Li said with a stern voice. He was extremely furious.

However, Lu Zixuan's speed was too fast. He had defeated Steward Wang in an instant and then killed him.

Even Elder Li wasn't able to stop him.

"Hualala!"

Lu Zixuan didn't care to explain. He took out another package and threw it on the ground.

The items in the package rolled out with a "hualala" sound.

"Sect disciples?"

"Lu Zixuan, how dare you! How dare you kill fellow disciples!"

Some broken limbs fell out of the bag.

However ...

Those broken limbs actually belonged to disciples of Azure Yang Sect!

Dong Hu shouted aloud.

He looked coldly at Lu Zixuan.

Killed fellow disciples as well as Steward Wang.

Even if you are               rst place, you can only die now!

Kid, the               rst place belongs to me!

"I knew it, how could that piece of trash kill that many Demonic Beasts. So he actually acquired them through robbing fellow disciples."

On the side, a Cultivator mocked.

"He killed fellow disciples, he deserves to die!"

Someone echoed.

"Right, kill him!"

The surrounding Cultivators all shouted in unison.

The strength that Lu Zixuan had displayed and the number of Demonic Beasts he had killed were enough to suppress them.

They were extremely unconvinced.

Now that Lu Zixuan had killed Steward Wang and so many fellow disciples, how would they let go this chance to kill him?

"Shut up, a bunch of idiots!"

The shouts of the people around angered Lu Zixuan, and he immediately shouted when a dragon claw smashed into the ground with a loud bang.

Crowds...

Went silent.

Dong Hu also trembled.

He looked at Lu Zixuan with fear in his eyes.

"What the hell is going on?!"

As for Elder Li, he stopped suppressing Lu Zixuan and spoke with a gloomy tone.

He had already noticed that something was off.

But he had not               gured out what was going on exactly.

"Elder Li!"

"The reason that I killed these people is because they all tried to kill me."

"And these people, were all sent by Steward Wang!"

Lu Zixuan said word by word.

"Somebody goes investigate for me!"

Elder Li said to a person, who immediately left after hearing the order.

"If what you said is false, you know what the consequences will be!"

When that person left, Elder Li said.

"Elder Li, you made a wise decision!"

Lu Zixuan smiled and stood at the side, waiting for the man to return.

"Old man, you think you can kill me?"

Lu Zixuan said disdainfully as he looked at the corpse of Steward Wang. Then, he looked at the surrounding Cultivators.

Those people turned their heads around one after another, avoiding to look directly at him.

"Resume the counting!"

Half-day later, that person came back and whispered a few words into Elder Li's ear.

Then.

Elder Li glanced at Lu Zixuan.

"Is that kid alright?"

Some of the surrounding people said in surprise.

But they did not dare shout out loud, afraid that Lu Zixuan would hear them.

"Fortunately, I haven't bullied him before."

Someone said with relief.

"Lu Zixuan, just you wait!"

Dong Hu clenched his               sts.

"The Inner Sect Assessment is over, and the               rst place goes to Lu Zixuan!"

"Second place, Dong Hu!"

"Third place!"

"..."

The Inner Sect Assessment had ended.

"Ding!"

"Congratulations to host 'Lu Zixuan' for completing the mission of the Inner Sect Assessment."

"Ding!"

"Congratulations to host 'Lu Zixuan' for getting the               rst place. Reward: 8000 Exchange Value, 5000 Genuine Qi Points, and a large gift pack. "

"Ding!"

"Congratulations to host 'Lu Zixuan' for obtaining a large gift pack. Do you want to open it?"

The Inner Sect Assessment had completely ended, and a system beep rang.

"Lu Zixuan, this is the identity token of the Inner Sect disciples. You will be an Inner Sect disciple of Mount Yuhua from now on."

Elder Li took out an identity token, and said immediately: "Take the identity token, and you can go to the Blazing Flame Monolith to comprehend the Raging Fire and Sun Chasing Fist."

"Thank you, Elder Li!"

Receiving the identity token, Lu Zixuan was overjoyed.

However, he was even more anxious to open that large gift pack and see what was inside.

In his previous life, when he was playing games, he usually found the items inside the large gift pack signi               cant!

"Senior Brother Lu, congratulations!"

Someone walked over with a smile, and said in a               attering manner.

"Haha, that's right, Senior Brother Lu is a genius, he is de nitely not ordinary!"

One of them laughed, trying to get closer with Lu Zixuan.

"That's right, Senior Brother Lu was too low-key earlier, and hided your true strength from us."

Those people surrounded him one by one,               attering him.

"A bunch of idiots!"

Lu Zixuan did not bother to respond to them, and turned around to leave.

The only thing he was thinking of was that large gift pack.
