"That's right, hand over everything you have!"

Lu Zixuan smiled as he took all the things from them.

"Eh, the Flame Fruit?"

"This is a good stuff!"

Lu Zixuan found a wooden box from Zhang Yue.

After opening it, a fiery-red fruit was revealed.

"Give it back to me, it's mine!"

Zhang Yue shouted.

The Flame Fruit was something he intended to use for breakthrough.

"Yours?"

"Damn it, do you think you won't pay any price for ending faults with me?"

"Crack!"

Lu Zixuan rolled his eyes as he bit the Flame Fruit.

"Ding!"

"Congratulations to host 'Lu Zixuan' for obtaining the 3000 points of Genuine Qi."

"Ding!"

"Congratulations to host 'Lu Zixuan' for obtaining 4000 points of Genuine Qi after consuming the Flame Fruit."

"Ding!"

The Flame Fruit was a type of Heaven and Earth treasure that was extremely easy to absorb and refine.

Lu Zixuan gulped it down.

At this moment, a system beep rang out.

"Good stuff!"

"Remember to send it over next time if you have more."

The system beep continued, and Lu Zixuan could feel his Genuine Qi increasing continuously.

He laughed loudly and immediately left for the Blazing Flame Valley.

"Senior Brother Zhang, that kid ..."

Jiang Lue's face was pale, blood trickling from the corner of his mouth.

After Lu Zixuan left, he crawled up from the ground.

"Shut up!"

"Damnable fellow, you dare to snatch my Flame Fruit? I'll make sure you live a life worse than death!"

Zhang Yue had a savage expression on his face.

Thinking about the Flame Fruit being eaten by Lu Zixuan, he was filled with anger.

"Senior Brother Zhang, that kid isn't weak, let's ..."

One of them asked hesitantly.

They were crushed by Lu Zixuan just now, they did not want to be beaten up again.

They also wanted revenge, but they couldn't see any hope.

"Go and Dong Hu!"

"That brat took Dong Hu's first place in the Inner Sect Assessment!"

"Dong Hu has his brother supporting him, and he can get rid of that brat if he just kills some random people!"

Zhang Yue said with a dark expression.

"Ding!"

"Congratulations to host 'Lu Zixuan' for levelling up to become Second Rank Martial Warrior!"

"The full version of the Azure Yang Arts did speed up the speed at which the Genuine Qi circulates!"

Before he reached the Blazing Flame Valley, the energy of the Flame Fruit had been completely absorbed.

This allowed Lu Zixuan's strength to break through to become a Second Level Martial Warrior.

"This is the Blazing Flame Valley?"

"So hot!"

Waves of heat assaulted his face in front of the Blazing Flame Valley.

The surrounding temperature was incomparably hot.

"The Blazing Flame Monolith is in the depths of Blazing Flame Valley. I should just fight my way in"

"There are a lot of Demonic Beasts inside!"

After arriving, Lu Zixuan held his long blade and rushed in.

"Sizzle sizzle!"

Hot waves came, sometimes mixed with flames.

One after another, Demonic Beasts of rare attribute roared.

"That trash has entered the Blazing Flame Valley?!"

At the entrance to Blazing Flame Valley.

Dong Hu said with killing intent.

"That kid has already entered. He won't be able to escape!"

Zhang Yue said ferociously.

"He overestimated himself!"

"The Blazing Flame Monolith is incomparably hot. When comprehending it, one would be scorched by raging flames."

"Without a treasure or at least the strength of a Fifth Rank Martial Warrior, one would be courting death if he goes!"

Dong Hu said in disdain.

"Let's go, follow me in. I'm going to kill that kid!"

"Take away his identity token, and get the chance to comprehend the Raging Fire and Sun Chasing Fist!"

"We can't let him waste this chance!"

Dong Hu revealed a hint of chilliness in his smile.

"Don't worry, Junior Dong. Leave that kid to me!"

A person with an aquiline nose said.

"Sizzle sizzle!"

Deep within the Blazing Flame Valley.

The temperature here was incomparably hot. Clusters of flames would occasionally condense, burning the air and emitting sizzling sounds.

"Blazing Flame Monolith!"

A gigantic monolith was completely red with complicated characters carved on it. The characters were like flames as they towered in the air.

Beneath the monument was a deep hole with flames coming out from it. The heat waves rolled and rolled, causing even the air to wrinkle.

"I finally know why so few people have comprehended Raging Fire and Sun Chasing Fist!"

"Brat, don't waste your energy!"

"You dare to come here to comprehend without a treasure?"

"Scram! Let me do it!"

"Don't waste this opportunity!"

At this time.

Dong Hu and the rest appeared.

Seeing Lu Zixuan comprehending the Raging Fire and Sun Chasing Fist, he rushed over.
