"F \* ck!"

"It requires 200,000 points of Exchange Value?"

"Damn it, fuse!"

Hearing the system beep, Lu Zixuan cursed in his heart.

The Exchange Value he had just obtained would be used up!

"Awesome!"

"How awesome!"

"When I get out of here, I'll definitely beat them up!"

Hearing the system beep, Lu Zixuan laughed out loud.

A Martial Warrior at the Seventh Rank, plus so many hidden cards he had.

What did a Martial Warrior at the Fifth Rank count for?

He could send him flying with a single slap!

"Brat, stop laughing, hurry up and leave this place!"

"The Earth Vein is about to explode. If we don't leave soon, we will both die here!"

The medicinal effect of the Qi Burst Pill hadn't dissipated yet.

The current Jiang Bo was like a bull in heat, his entire body surging with Genuine Qi.

But his face was exceedingly ugly to behold.

"Let's go!"

"Of course!"

"But I can't move!"

Lu Zixuan did not dare to take his life as a joke.

However ...

The Rage Killing made him too weak to move at all.

Boom!

With a loud bang, the magma pool exploded, and countless hot magma sprayed out.

"Let's go!"

Jiang Bo rushed out of the cave with Lu Zixuan in one hand, and the Great Hammer in the other, as well as the weapon model yet to be forged.

"Senior brother, that kid hasn't come out yet. Could it be that he ..."

In front of the Blazing Flame Monolith.

Zhang Yue cautiously asked the hook nose guy.

They had waited here for several days, and had long since been unable to bear the scorching heat.

"Shut up!"

"The Profound Fire Ball is too important to Senior Brother Dong. That's the treasure that he paid a huge price for!"

"If we lose it, we will all die!"

"Don't forget, Senior Brother Dong's little brother is still lying here!"

The hook nose guy said with a gloomy face.

"We ..."

Zhang Yue and the others shuddered.

Thinking about Dong Hao's viciousness, their could not regret more.

F \* ck!

If they had knew that the kid was so powerful and so ruthless, they would definitely not have provoked him.

Wasn't it just a cave?

Now, not only did they lose the Flame Fruit.

Even Dong Hu had died, and the Profound Fire Ball had disappeared without a trace!

"Buzz buzz!"

Suddenly.

The Blazing Flame Monolith hummed as the characters engraved on it began to circulate.

"The Earth Vein is exploding!"

"Watch out, that kid might be coming out!"

Seeing the Blazing Flame Monolith shaking ...

The hook nose guy's spirit shook, and his pair of dark eyes gazed into the depths of the deep hole.

This was his last chance.

He would be dead once he returned if Lu Zixuan did not come out!

"I'm really out!"

"I'm going to die because of the heat!"

From deep inside the hole, Lu Zixuan and Jiang Bo crawled out in an embarrassing state.

Behind them was a world of magma and flames.

"Brat, you're really out!"

The hook nose guy let out a ferocious roar and charged forward.

"He still hasn't left?"

"Motherf \* cker!"

"I was just wondering how I could find you!"

Lu Zixuan was startled.

And then, a savage smile appeared on his face.

The weakness effect had long recovered since he consumed several Small Revitalizing Pellets consecutively.

"One Yang Finger!"

"Die!"

His finger shot out like a strike of flame.

"Crack!"

"Pfft!"

The long sword shattered, and blood spurted out from the hook nose guy's entire arm.

"A Martial Warrior at the Fourth Rank?"

"A martial skill of the Yellow Level?"

The hook nose guy was heavily injured by one attack.

He cried out in shock.

Shocked.

"Its power is not bad!"

Lu Zixuan smacked his lips and said, he was extremely satisfied with the power of the One Yang Finger.

"Go, kill him together!"

"And that old guy!"

The hook nose guy shouted.

"Old guy?"

"Kids, annihilate them!"

"Damn it, they're also going to kill me?!"

Jiang Bo's face was already cold.

If not for the rebound effect after the Qi Burst Pill's effect had disappeared, which caused him to have no strength, he would have killed the hook nose guy and the others in the first place.

After hearing the words from the hook nose guy, he was filled with killing intent.

he shouted to Lu Zixuan.

"Haha, no problem!"

"Don't worry, Elder Jiang!"

"These guys are just a bunch of chickens and dogs!"

Lu Zixuan laughed loudly.

So, what if I kill you all?

Damn it, I have an elder backing me up!

Killing you is at the elder's orders!

"Elder Jiang?"

The hook nose guy's body trembled.

His face turned pale.

It was only now did he recognize Jiang Bo's identity.

"Regret it?"

"Too late!"

"Dragon Claw Hands, Sword Qi Storm!"

Lu Zixuan's weakness brought by his Rage Killing had already dissipated.

He exploded with power directly.

"Ding!"

"Congratulations to host 'Lu Zixuan' for killing him!"

"Ding!"

"Congratulations to host 'Lu Zixuan' for killing him!"

"Boy, you have to find me at the Fire Melting Mountain later!"

"Help me forge this weapon when the time comes."

Lu Zixuan killed the hook nose guy and the others.

Half a day later, Jiang Bo finally regained some of his strength.

He held the Great Hammer and said to Lu Zixuan.

"Don't worry Lao Jiang, I will definitely come over in half a month."

Lu Zixuan nodded.

The Fire Melting Mountain was a mountain peak special for forging weapons of the Azure Yang Sect.

And Jiang Bo was an elder of the Fire Melting Mountain.

Even without Jiang Bo, Lu Zixuan had planned to go there and forge his own God-slaying Sabre.

"It's a deal then, I'll wait for you!"

Jiang Bo laughed.

He did not blame Lu Zixuan in the slightest for addressing him as 'Lao Jiang' directly, instead of 'Elder Jiang'.

He turned around and left.
