

C30

"Howl, howl ~ ~"

Within the area of Ghost Swamp, countless motes of mist were floating about.

The eerie howls continued to sound out.

"Big Brother Lu."

The faces of the few girls in the group all turned pale.

Bai Lingyue even hugged onto Lu Zixuan's arm tightly.

"Lingyue, don't be afraid. Big Brother Lu is here."

Feeling the touch from his arm, Lu Zixuan's mind trembled.

He took the opportunity to wrap around Bai Lingyue's waist with his arms.

"You damned brat, I'll teach you a lesson later!"

Yun Qishui's eyes were extremely cold.

"Be careful, ghost spirits have appeared!"

"The ghost spirits at the periphery of the Ghost Swamp aren't considered strong. We have the flames, so there's no need to be afraid."

"Kill them!"

Withdrawing his gaze, Yun Qishui said.

He wanted to vent his anger on the ghost spirits.

"Sizzle sizzle!"

"That ghost spirit is dead!"

Balls of flames floated here.

Lu Zixuan and the others were surrounded by the flames.

Once a ghost spirit approached, Yun Qishui controlled his flames to attack it.

Looking at the ghost spirits that had been turned to ashes, everyone let out cries of surprise and joy.

The pale-faced girls gradually regained their composure.

"Relax, with me here, these ghost spirits are nothing."

Yun Qishui smiled, and said casually.

"Junior Sister Bai, you have to be careful too."

"Although Your Crystal Pure Flames is powerful, it is still quite difficult for you to activate it with your current strength."

"Stay by my side, I'll protect you."

"Someone can't even protect himself, yet he is still thinking about protecting others?"

Yun Qishui glanced at Lu Zixuan provocatively.

He spoke to Bai Lingyue.

"Motherf*cker, he's really good at acting cool!"

"I'll give you a perfect score for this act!"

"But acting cool in front of me?"

"It's simply asking for a beating!"

Lu Zixuan secretly thought.

"Then I'll be troubling Senior Brother Yun!"

"Big Brother Lu, let's have Senior Brother Yun protect us."

"Those ghost spirits are very powerful. Big Brother Lu, you must be careful."

"Senior Brother Yun, you must protect Big Brother Lu well."

Over here, Bai Lingyue said.

She pulled Lu Zixuan behind Yun Qishui.

"He..."

Yun Qishui's face was originally filled with joy.

But, when he saw Bai Lingyue pulling Lu Zixuan, he immediately became gloomy.

What was the difference between this and before?

Moreover, he had become a free labourer.

He had become a protective umbrella for them to have a romantic chat!

"Senior Brother Yun, let's continue."

Lu Zixuan laughed.

You decided to act cool yourself!

Did you see that?

What was charm?

"Let's go!"

Yun Qishui clenched his teeth and took the lead.

He thought about how he could kill Lu Zixuan.

"Sizzle sizzle!"

The ghost spirits were all killed under their flames.

Along the way, Lu Zixuan did not make a move.

He leaned against Bai Lingyue, holding her hand.

"Wu wu!"

Half a day later, they had travelled a certain distance in the Ghost Swamp.

"Not good, why is the number of ghost spirits increasing!"

"Let's go and the ghost spirit grass quickly!"

The sudden increase in the number of ghost spirits gave them more pressure.

Yun Qishui had to continuously activate the Scarlet Flame, consuming his energy a lot.

He said somewhat anxiously.

"Found it!"

After searching for another 20 minutes.

Finally, they found a stalk of ghost spirit grass.

"Be careful, there are ghost spirits!"

But at this time.

Dozens of ghost spirits had already surrounded them, causing everyone's expression to change greatly.

"Charge out!"

Yun Qishui shouted.

He secretly looked at Lu Zixuan with a sinister gaze.

"Sizzle sizzle!"

Everyone immediately rushed in the same direction.

Those ghost spirits also rushed over.

"Brat, go and die!"

"I'll see who can save you!"

"Fight with me?"

"You overestimated yourself!"

Just as the ghost spirits were about to pounce on them.

Yun Qishui's figure flashed, and several ghost spirits appeared in front of Lu Zixuan.

"Big Brother Lu, be careful."

Bai Lingyue's face was anxious, her Crystal Pure Flames immediately appeared in her hands.

"Nine Slashes of Gale!"

"Go to hell!"

The long blade flashed, carrying a blazing Genuine Qi.

"Sizzle sizzle!"

Under the blade-light, those ghost spirits were instantly turned into ashes.

"Ding!"

"Congratulations to host 'Lu Zixuan' for killing the ghost spirit. The reward is 300 points of Exchange Value and 139 points of Genuine Qi! The Proficiency of the Nine Slashes of Gale is increased by 3!"

"Ding!"

"Congratulations to host 'Lu Zixuan' for killing the ghost spirit. The reward is..."

"Lingyue, don't worry."

"They are not really a big deal to me."

"Follow me, I'll take you out!"

Lu Zixuan said casually.

He did not take those ghost spirits seriously at all.

With the One Yang Divine Arts, his Genuine Qi was strengthened.

Even if it could not contend with the flames, killing a few ghost spirits with the help of a martial skill was not a big deal.

"Alright!"

"Big Brother Lu, you are so powerful!"

Bai Lingyue was overjoyed, and nodded heavily.

"Damn it, you dare to scheme on me?"

"Wait for me to play more tricks on you!"

As the long blade slashed out, the blade-light was like a waterfall.

Those ghost spirits were killed by Lu Zixuan without any resistance.

The system beeps kept ringing.

Lu Zixuan looked at Yun Qishui and whispered.

"Damn it, why is his Genuine Qi so hot?"

Yun Qishui also saw the situation over here.

Seeing Lu Zixuan's massacre, his face became even more gloomy.

"Oh no, more ghost spirits have appeared."

Someone shouted.

More ghost spirits appeared and scattered the group.

Those people were in danger, and the flames around them were dim.

"Senior Brother Yun, save me!"

"Save me!"

Those people anxiously shouted.

"Save you?"

"I can't even protect myself!"

"You can just go on your own!"

Yun Qishui had no intention to help.

Turning his head back to look at the ghost spirits that surrounded him, he continued to rush forward with his head lowered.

"Crystal Pure Flames!"

Bai Lingyue focused her eyes and controlled the Crystal Pure Flames, wanting to go save those people.

"Lingyue, wait here."

"I'll go save them!"

Lu Zixuan said and stopped Bai Lingyue.

"Big Brother Lu!"

Bai Lingyue shouted, while Lu Zixuan rushed over.

"Kill!! Kill!! Kill!! "

"All of you, die!"

Lu Zixuan rushed forward.

All those ghost spirits meant Exchange Value and Genuine Qi Points to him.

When the Phantom Step was fully activated, his figure resembled a ghost.

Everywhere he went, ghost spirits would die under his blade.

"Thank you, Senior Brother Lu!"

"Thank you!"

In less than twenty breaths, all those ghost spirits were killed.

Everyone showed gratitude to Lu Zixuan.

"Big Brother Lu, you're too powerful!"

Bai Lingyue shook her arm, and jumped like a big white rabbit.

"It's nothing, just a small matter."

"Everyone, don't worry."

Lu Zixuan waved his hand.

He was secretly delighted.

When it's time to make a move, just do it, and the big chest girl will be mine!

"I didn't expect Junior Brother Lu to be so strong!"

"It's all thanks to you. Otherwise, they would have been in danger."

"Let me thank you on their behalf!"

The ghost spirits were all killed.

Yun Qishui walked over at this time.

His eyes were cold, but his face was full of gratitude.

"Hur hur."

"Senior Brother Yun is also quite powerful, you're not even injured yourself."

"Even if I don't act, Senior Brother Yun will definitely not let anyone get into danger."

"Right?"

Lu Zixuan laughed.

The tone of the last sentence, 'right', was even deliberately stretched.

This made the others gaze at Yun Qishui with doubt.

Earlier, when they were crying for help, Yun Qishui did not seem to have any intention of making a move.

Initially, they had thought Yun Qishui was busy to take care of himself.

But now, with no injuries on his body, was he really too busy to help before?

"Senior Brother Yun, why is your face so pale?"

"Are you feeling unwell?"

Yun Qishui's face was gloomy, he was full of anger but had nowhere to vent.

Lu Zixuan pretended to be surprised and asked the above question.

Trying to play tricks on me?

I will play more tricks on you!
