

Super Son-in-law Chapter 2471-2480

Chapter 2471

The situation of Ling Yun can not continue to delay, and Lei Ling and Lin Ruo Shi are considered fire output point, now Lei Ling can not support, Lin Ruo Shi is also injured? The fact is that if you do not want to be a part of the team, you will have to be a part of the team. The company's main goal is to provide a solution to the problem.

Lin Hao, on the other hand, stayed on his stomach. Lin Ruo Shi wanted to take people away and could not leave, but Lei Ling gritted his teeth and insisted on staying, and was pushed into the void space by Lin Hao.

Swoosh!

The arrow sped towards them, and the terrifying temperature of the Nirvana Flame didn't even melt the arrow!

Lin Hao changed his form, his dragon form, and a thousand meter long, golden divine dragon appeared, its tail fiercely flung towards those five arrows.

Clanging sounds rang out, the scales of the dragon's tail left a hideous scar, the scales were all pierced, and even more so when a burst of sparks flew around where they hit, then ice arrows erupted and instantly froze the dragon's tail.

Under the terrifying impact, the frozen dragon's tail was so fragile that it broke with a click.

Lin Hao also spat out blood and burst back, breaking away from his human-sword unity, his body shaking tremendously and suffering great damage.

Luckily, the Heavenly Sin Sword was not damaged in any way, turning into parts that roamed the sky and eventually returning to its first form, the sword form.

Lin Hao took advantage of the hidden sea of fire to collect his breath and hide, at this moment, Qin Bingyu and a group of them were cooperating with Ao Feng Dragon King and were attacking Qian Yuan in a frenzy.

At this moment, Qian Yuan's body was broken into two sections, no part of his body was intact, and his blood was spilled like money, the whole white-capped Arctic Mountain was dyed blood red by Qian Yuan's blood.

Lin Hao, who was hiding, had a very ugly look on his face, this was no way to go on, Qian Yuan was not going to survive.

'What are you looking for, why don't you hide yourself, do you want to die?'

'I can't hold back anymore, if I don't blow myself up there's no chance!' Qian Yuan was still able to sense Lin Hao's aura nearby, so anxious that he wanted to curse his mother.

‘You go!’

Lin Hao’s little violent temper came up and he cursed.

‘Go my ass this kind of situation should be used to run!’

Lin Hao didn’t say a word, turned around and ran, no, running wasn’t even fast enough, using flying!

A seventh level peak realm Illusionary Spirit Master’s spontaneous explosion is extremely terrifying, the reason why Lin Hao hardened his heart and still stayed here, for no other reason than to pick up a handful!

After hurting his friend, could this matter be settled so easily?

‘Qi swallowing the mountains!’ The Heaven Swallowing Python Qian Yuan fought with his last ounce of strength and opened its bloody mouth, swallowing everything within the tens of kilometres of heaven and earth into its belly.

Qin Bingyu and the others didn’t even react as they went straight to Qian Yuan’s stomach!

‘Holy shit, it really swallowed mountains and rivers.’ Lin Hao glanced back and was scared enough, this bloody mouth, it was scary.

But he didn’t continue to run away any further, instead he turned around and quickly fell down, a formation quickly formed, waving the Heavenly Sin Sword in his hand one after another, a Silent Sword Qi intertwined to form a defensive light curtain, trying to counteract the terrifying power of the self-explosion with this Silent Sword Qi.

But it still didn’t feel too reliable, while frantically flinging out a spatial barrier containing the ultimate sword qi.

Trapped in the belly of the Heaven Swallowing Python, Qin Bingyu and the others did not panic in the slightest, and together with Ao Feng, they began to wreak havoc on the Python from the inside. Now that the Python was severely injured, its internal defences were more than several times weaker than those on the outside, and a gap was easily torn open.

Ka-ching!

A snow-white ribbon danced wildly like a spiritual snake, violently striking at the Heaven Swallowing Python, its body trembled greatly, and a large area of its flesh began to collapse into blood and flesh.

It was the Moon Wheel that had struck!

‘Avatar Talent, Annihilation!’

Qian Yuan simply ignored the horrific injuries on his body, and in an instant his body and soul, as well as everything in his belly, withstood the power of annihilation and instantly vanished.

At the same time, everything in a dozen kilometres around the Arctic Mountains was also obliterated, turning the area into an absolute vacuum, a void!

Chapter 2472

From now on, this is no longer a place where ordinary people can go near, even if a fifth-grade Illusionary Spirit Master comes near, he will be destroyed in an instant!

Phew!

Lin Hao breathed a sigh of relief, he was just outside the annihilation range, the Silent Sword Qi and the spatial barriers however collapsed instantly as a result, exploding the space around him, Lin Hao suffered some injuries, but nothing serious.

He wanted to know if Ao Feng's doppelganger was completely annihilated and if Qin Bingyu and the others were dead.

Hetui!

At this time, in the centre of the void space, it was as if some huge monster had spat out a mouthful of water, Qin Bingyu, Qin Hai Grievance, and another immortal slave of the seventh level realm of the Qin Clan, which also included Ao Feng's Dragon King's doppelganger who had regained his person and had not a single piece of intact skin around his body.

These few people were floating above the void of space, like corpses floating in the air, their lives and deaths unknown.

Lin Hao was not sure if the other party was dead, but this was the best time to pick up corpses, so Lin Hao gripped the Heavenly Sin Sword and was ready to go.

At this moment, a huge floating belt suddenly burst out of the empty door, and rolled several people's 'corpses' violently, directly incorporating them into the Moon Wheel Immortal Palace.

These few people were not dead!

Otherwise the Moon Wheel could not have been so eager to reel these few people in.

'Emperor Hao Tian! The day I go out, it will be the day you die!' As she let out a loud whistle, several more prohibitions in the Moon Palace crumbled, and the restrictions on the Moon Wheel were loosened.

And as the empty door was shattered by the annihilation breath, countless auras from the surrounding space converged towards this place!

That aura was even visible to the naked eye as it condensed into the Moon Wheel Immortal Palace.

‘Hahahaha, the heavens have helped me!’ The Moon Wheel let out a reckless laugh.

Emperor Hao Tian?

Lin Hao was still wondering about this matter, this Moon Wheel was not talking about himself, right?

Could it be such a coincidence that the Immortal King of the Ancient Immortal Court was called Emperor Hao Tian?

Lin Hao, Hao Tian Di, not to mention it was quite overbearing, Lin Hao liked it!

Lin Hao, who had regained his senses, suddenly realised that the aura of the entire Chinese land was converging towards this direction, the terrifying aura had already condensed into substance, and the surrounding void was raining dense aura! Then came the torrential rain, the auras all converging into streams, rushing towards the gap in the Lunar Wheel Immortal Palace.

Lin Hao's brows were furrowed, naturally he couldn't possibly interfere in such an idle matter!

Of course, he was very kind and arranged dozens of confinement formations for the broken gap, clapped his hands and turned around to leave, leaving his clothes behind and hiding his work and name.

'You son of a bitch, Emperor Hao Tian! Open the forbidden formations for me! Or I will break your body into pieces!'

The formation imprisoned the aura from flooding into the Moon Wheel Immortal Palace once again, but it could not hinder Moon Wheel's ear-splitting, angry roar.

Lin Hao cursed, 'You're sick, aren't you! Your house is leaking and there's a gaping hole, so even if you're not grateful when I patch up your house, you're still scolding me?'

'I thanked your whole family! What do you call this?' Yue Lun really wanted to do everything she could to break free from her confinement and tear Lin Hao alive!

The aura surging over made her break through the Moon Palace's confinement even faster, seeing how close she was, only to have the gap directly blocked by this bastard!

Lin Hao looked at the wrecked battlefield, fortunately, the vast and deserted area around the Arctic Mountain, otherwise there was no telling how many people would have died.

Lin Hao ordered the immortal slaves of the Qing Yun Heavenly Palace to take turns to scout around, but whenever they found anything out of place? The first thing you need to do is to report it immediately. The situation was reported immediately.

Lin Hao could feel that the day when the Moon Wheel would come out was really not far away. This time, even if he blocked the gap, the other side could still find a way to break through the ban.

Moreover, Lin Hao was not sure if Qin Bingyu's few people were dead, but Ao Feng's doppelgangers were definitely not hanging, including that old baldy's doppelganger.

Lin Hao had even used the core inscriptions of the Qing Yun Heavenly Palace to build a long-range instantaneous teleportation formation near the Arctic Mountain, communicating with Jin Ling, so that in the event of a problem, he could arrive here within five minutes, faster than Lin Ruoshi taking them on a wild ride through the void of space.

Super Son-in-law Chapter 2473-2474

Chapter 2473

But the cost was quite high is all, two core inscriptions, causing both of the Qing Yun Heavenly Palace's partial halls to fall down, and with no choice, the Qing Yun Heavenly Palace's immortal slaves had to destroy them right in the air, but the huge commotion caused still woke up many of the capital's people and cultivators, causing no small amount of panic.

Both sides did not win or lose the earth-shattering battle on the North Pole Mountain, and both sides paid a heavy price. These immortal slaves from various districts who had arrived also saw the scene, but at least Lin Hao and the others had prevented the early descent of the Moon Wheel.

Many of the immortal slaves were equally shocked at how much Lin Hao had promised the Jiao Long clan to stop the Moon Wheel from descending, even at the risk of Qian Yuan's own death.

As this exhibition came to an end, the immortal slaves of the various immortal mansions, who were so eager to move, fell silent, and they would not take any action until there was a clear winner.

The Qian Yuan doppelganger had also returned to the Qian Yuan Dragon Mansion, and now without his father, he was relying on him, an illusionary spirit master at the peak of the sixth grade realm, to sit at the Dragon Mansion.

If other Immortal Houses took advantage of the destruction of the main body and intended to disadvantage the Dragon House, the Dragon House would really have little advantage, the only advantage was that it was quite large in number.

Lin Hao finally returned after three hours of speeding, and it was dawn.

Nan Ge had just woken up to the sight and was startled: 'Xiaoshi, Boss Lin, you, are you all okay?'

Nan Ge saw that Lin Ruoshi and the girls were covered in blood and the corners of their mouths were dried up, Ling Yun was in a coma and hadn't woken up yet, even Ruilin's body was covered in hideous wounds and the snow-white fur had given way to several bald patches.

Lin Hao, on the other hand, returned covered in blood, but when all was said and done, he was the one who was injured the least.

‘It’s alright, you were right to choose to be an ordinary person.’ Lin Hao waved his hand, stopped explaining and went over to check on Ling Yun’s condition.

Right now, Fairy Qing Shirt was continuously pouring inscriptions into Ling Yun’s body, just looking at Qing Shirt’s tightly frowning brow, it was obvious that Ling Yun’s situation was not optimistic.

‘Daddy, will Auntie Ling Yun blame me, it’s all Xiaoshi’s fault, Xiaoshi shouldn’t have pushed so hard.’ Lin Ruoshi’s cute face was full of anxiety and worry, and the blood on the corner of her mouth was even more heartbreaking to look at.

Lin Hao wiped away the dried blood from the corner of Lin Ruoshi’s mouth and stroked Lin Ruoshi’s little head, ‘No, if Auntie Ling Yun wants to blame her, she should blame her father, it has nothing to do with Xiaoshi.’

‘No! It’s better to blame Little Shi, it’s Little Shi’s fault.’ Lin Ruoshi quit as soon as she heard that, just blame yourself, how can you blame your own dad.

Lin Hao didn’t say anything, it wasn’t a matter of who was or wasn’t to blame, but he hoped that Ling Yun would get better soon.

Ao Dog took care of the injured few, made them breakfast and helped them to rest afterwards, in fact Ao Dog was a bit ashamed, but everyone has everyone's position, if he really joined the war, he would have made things worse instead.

Lin Hao sat on the edge of the bed and probed Ling Yun's pulse, after the inscriptions from Fairy Qing Shirt had been punched in continuously, Ling Yun's condition had improved, but she was still very weak, she had lost a lot of her origin.

Moreover, in order to treat Spirit Rhyme, Qing Shirt's face was quite pale, she had injuries of her own.

'You go and rest first, Nan and I will take care of little sister, her injuries are serious in the eyes but they are not life threatening, you need not worry.' Qing Shirt stopped and glanced lightly at Lin Hao, looking frank and not blaming him.

Lin Hao nodded? Yi Yi Ai closed Yi Wu Er Xi? nodded, he was indeed a little deflated, and this battle had given him quite an insight, he felt that his realm was ready to be raised again.

Lin Hao did not refuse and left with a nod of greeting towards Nan Ge.

Nan Ge, on the other hand, was very curious and came over to inquire, 'Sister Qing Shirt, what did they all go to last night?' Qing Shirt gave Nan Ge a faint glance but said nothing.

Although it was just a simple glance, it made Nan Ge feel an incomparably powerful aura and she couldn't help but shrink her neck, not expecting that just a simple glance would make her feel such a terrifying pressure.

Chapter 2474

Nan Ge spat out her tongue, 'I, I didn't mean anything else, don't misunderstand, Sister Qing Shirt, I'm just purely curious, if I can't be allowed to know, forget I ever asked.'

Qing Shirt shook her head, 'Don't you want to become an Illusionary Spirit Master, what's the use of you knowing all this.'

'Of course there is, I'm not an Illusionary Spirit Master, but I'm curious, so it's good to hear it as a story, and I can record it all and write a book for each of you.' Nan Ge joked with a smile.

'You really want to hear it?'

Nan Ge nodded repeatedly.

Qing Shirt didn't hide anything and told Nan Ge about it, so Nan Ge's eyes went straight and she was completely captivated after a while. I was so envious!

After all, it was more dangerous than living with her head on her trouser belt, more dangerous than being a desperate man who licked blood from a knife.

Lin Hao and the others, who had heard the commotion, ran over to see her.

Although Ling Yun was still weak and her face was a little white, she looked much better and was able to get out of bed and walk around. Her aura was gradually recovering, but the loss of her essence was not so easy to make up.

That is the true essence of a cultivator, just like the essence of an ordinary person. A loss of essence is not something that can be made up overnight, it usually looks inconspicuous, but it is an extremely important existence.

‘Ling Yun, how do you feel now?’ Lin Hao assisted Ling Yun and asked with concern.

Lin Ruoshi even ran over and held Ling Yun’s hand, ‘Aunty Ling Yun is sorry, it’s all Xiaoshi’s fault, Xiaoshi hit too hard.’

‘Don’t blame little shi, aunty doesn’t blame anyone, it’s not your fault because it was aunty who told your father to signal you to attack.’ Ling Yun showed a pale smile to comfort Lin Ruoshi.

It was indeed Ling Yun who signaled the attack, only that she did not expect that the other party would be able to imprison everything in the space around her for a hundred feet with a wave of her hand, and only less than one percent of her flower petals escaped the imprisoning range, which saved her life, but she also lost a huge amount of life source qi as a result, which made her so weak.

When Lin Ruoshi saw that Ling Yun had not blamed anyone, she was relieved and a happy smile spread across her face once again.

‘Lin Hao, I’m a little hungry.’ Ling Yun was indeed a little hungry, because she had lost too much of her origin, she was now similar to an ordinary person, she hadn’t eaten for almost thirty hours, it was strange that she wasn’t hungry.

Lin Hao asked Nan Ge to help support Ling Yun, while Lin Hao quickly went to the kitchen and got busy.

Lei Ling and Spiritual Domain were in the courtyard watching Lin Hao who was busy in the kitchen, usually it was himself who assisted and helped in the kitchen.

Ling Yun’s face was full of smiles, especially when she saw how seriously Lin Hao was busy, her eyes were flooded with peach blossoms, it turned out that the man who was seriously busy was the most handsome time for him.

Lin Ruoshi caught Ling Yun’s gaze, looked at Ling Yun with a crooked head and asked in a surprising manner, ‘Auntie Ling Yun, do you like my dad?’

In fact, anyone who wasn’t blind could see it, but none of them poked at it, but they didn’t expect Lin Ruoshi to be so smart as to not only see it, but also ask it.

Nan Ge next to her was also very curious, she had long seen that Ling Yun liked Lin Hao, and at the same time she also wanted to know where Lin Hao's daughter-in-law had gone.

It seemed that she had never seen Lin Hao's wife appear in front of the camera, although it had been said before that she had become the president of the Tianhai Group after Lin Hao had stepped down as a former executive, and was known as a great beauty.

But that was a long time ago, and they hadn't seen Lin Hao's wife since he opened his shop.

Hearing Lin? Zero Er Yi Yi Fuzzy Ground Fuzzy? When Ruo Shi suddenly asked this, Ling Yun first froze for a moment, but she was very frank and had no intention of hiding it, nodding her head gently, 'Yes, Auntie Ling Yun likes very, very much your father.'

Super Son-in-law Chapter 2475-2476

Chapter 2475

'So will you marry Daddy?' Lin Ruoshi once again asked an incredibly deadly question.

Lei Ling was startled and hurriedly pulled Lin Ruoshi to leave, 'Little Shi, what are you talking about? It's too rude of you to ask a question like that know?'

'Little Aunt, I'm not rude, I just want to know the answer, just to know if Auntie Ling Yun is going to marry Daddy, and if they will not want me after they get together.' Lin Ruoshi, however, brutally broke away from Lei Ling's hand.

Lei Ling was afraid of hurting Lin Ruoshi, and did not dare to use much strength to grab her. Seeing Lin Ruoshi's obsession with this question, Lei Ling was also very helpless, and the little girl also seemed to sense a sense of crisis.

Although Lin Hao kept saying that Shen Xiyan was in seclusion and would be back soon, Lin Ruo Shi was still worried when she hadn't returned for so long.

If her mother really didn't come back and her father had been snatched away by another woman, would she be left alone?

Would she be given a poisoned apple to eat or something?

With all these wild speculations, Lin Ruoshi could no longer resist the urge to ask for clarification.

The question was so straightforward and abrupt that Ling Yun was also confused, looking at Lin Ruoshi Ling Yun seriously assured Lin Ruoshi: 'Don't worry little shi, I won't marry your father, and your mother will be back soon.'

'Will mommy really come back soon?' Lin Ruoshi, however, still didn't believe it, after all, Lin Hao had said this to her for an unknown number of times, but after so much time had passed, hadn't her mother still not come back.

'Yes, I promise, after auntie leaves, your mother will come back.'

‘Really? Pull the hook, don’t lie to little shi oh.’ Lin Ruoshi was still a bit unconvinced.

The others all thought that Ling Yun was coaxing the child, although Lin Ruoshi was smarter than the average child, but after all, she was still a child and was still very easy to coax.

But only Qing Shirt and Ao Dog listened to Ling Yun’s words with a frown and a somewhat heavy heart, but Lin Ruoshi was happy.

Even Lin Hao, who was busy in the kitchen, heard these words from Ling Yun and his cooking movements froze violently.

The people ate breakfast and prepared to go to the ancient town street to open the door to go, now they open the shop is only the rest time, rest time that are taking life to fight ah.

The first thing they wanted to do was to let Ling Yun rest at home, but Ling Yun couldn’t stay idle and insisted that Rui Lin take her over, even if she didn’t help, and stayed in the shop, saying that her family was too bored.

Only Lin Yun knew that this injury was a sign that she really didn’t have much time left, so every minute was precious to her, and she didn’t want to waste every second that she could spend with Lin Hao.

Lin Hao couldn't argue with her and probably understood what Lin Yun was thinking, so Lin Hao didn't refuse.

Lin En arrived as promised with the morning guests, and after verifying her identity and ordering, Lin Hao went to the back of the kitchen to get busy.

As Lin Yun was not feeling well, Nan Ge and Lei Ling, Lin Ruoshi and the girls went to help with some odd jobs, leaving Lin Yun in charge of collecting money at the front counter.

When the viewers of the live stream saw Nan Ge acting like a little waitress, busy in the shop, it made the viewers of the live stream laugh.

A good popular anchor had become a tiny waitress, and instead of singing her good songs, she didn't even go on air.

Her fans are furious, they have never seen such a bad and capricious anchor, they have to give her some credit!

However...? The company's main business is to provide a wide range of products and services to the public. ...

The reason for this is that it's not a good idea.

Even Nan Ge's fans used their flooding power to squeeze into Lin En and Sea Sheep's live stream in order to see Nan Ge.

Seeing such a real goddess made Nan Ge's fans cry out in love.

On the contrary, Lin En's fans were not happy, don't you increase the pressure on them to squeeze in? Now that they are being restricted from streaming so much, they have started asking for the official side to take care of it.

Chapter 2476

The official side dealt with it and started to raise the threshold for limiting the traffic, limiting it to 50,000 per live stream, but with a serious statement that it must not cause distress to Lin Hao and his family, otherwise the official will block the live stream.

It wasn't that the site didn't want to earn traffic, but the higher-ups had given a stern warning, and besides, if Lin Hao didn't allow it and dared to earn traffic from Lin Hao, what was the difference between that and seeking death?

And at Linn's reminder, Nan Ge also helplessly turned on the live broadcast, Nan Ge said to the camera very capriciously, 'I'm very busy, I don't have time to interact with you guys, I'll just put it aside, you guys just find your own place.'

'We want to listen to the qing-shirt zither master play the zither, see the beautiful Ling Yun, see the cute little poem and the cute little Lei Ling, who cares to talk to you.'

‘That’s right, hurry up and get lost, you’re blocking me from seeing the goddess!’

‘And my family’s little girl is also blocked, Nan Ge you still don’t climb for the master?’

.....

Nan Ge: ?????

So, love will disappear is it?

No, love doesn’t disappear, but it does transfer.

The most important thing is that you have to be able to get a good idea of what you are doing. He went on to help serve the dishes and mop the floor and so on.

He also sighed that the only place where Nan Ge could be so well behaved would be at the No Regrets Inn.

The morning of the opening went by so calmly, nothing else happened, occasionally Lin Hao was free and was able to interact with the netizens in the live stream, occasionally going to take Ling Yun’s pulse and keep an eye on Ling Yun’s condition.

The netizens in the live broadcast room straight away called Boss Lin blatantly spreading dog food.

But at noon, there was a sudden change of events that took Lin Hao by surprise. The noon guests arrived as expected, Lin Ruoshi took the menu and arranged for the guests to sit down and order their food, while Lei Ling went to bring tea and water to the guests.

Lin Hao once again put his hand on Ling Yun's white hand to take her pulse and find out her current health condition, but suddenly a handsome young man in a suit burst out of the group of guests and rushed straight towards Lin Hao.

Lin Hao didn't care, but who knew that the other party would smash his fist directly into Lin Hao's face.

Lin Hao was unprepared, but his reaction was quite quick. Lin Hao raised his hand to block, Lin Hao backed up a small class, while the other party was directly thrown away to the door!

This sudden turn of events startled everyone, the guests and the netizens in the live stream were also shocked, what was happening?

The other party was an Illusionary Spirit Master and had actually used the power of an Illusionary Spirit Master!

And Lin Hao was surprised to feel that the other party was actually a mid fourth grade Illusionary Spirit Master.

But Lin Hao was also very confused, what the hell, this was the Qin family sending someone to assassinate him? But a mid fourth grade Illusionary Spirit Master wanted to assassinate him, crazy, right?

This strength couldn't even defeat Rui Lin, the gatekeeper!

The aura escaped and made a mess of the shop, with several tables being lifted off the floor.

Roar!

With a roar, Rui Lin stood up, his body furred up in a fighting stance.

Lin Ruo Shi and Lei Ling and the others had their bodies glowing with various colours of mysterious light, and even Ling Yun stood up directly, while Qing Shirt's zither music even came to an abrupt end.

'Holy shit, this, these two cute little daughters are so scary when they're serious, she? Serve whisk wu di xi xi di? They also glow on them, so amazing!'

‘Upstairs, talk more if you can, Mud, that’s an illusionist! And it looks like the realm is not low, how old are they, they are Illusionary Spirit Masters, really, Boss Lin and the people around Boss Lin are not from the same world as us.’

‘For all this, what I’m more concerned about is, who the hell has eaten the guts of a bear and dared to sneak up on Boss Lin!’

‘What’s funny is that the attack didn’t work, but Boss Lin killed him in return.’

While the netizens in the live broadcast room were talking and Lin Hao and the others were dumbfounded, a man’s roar sounded outside the door.

Super Son-in-law Chapter 2477-2478

Chapter 2477

‘Kill me! Kill me if you have the guts!’

‘You’re fucking scum, what can you do if you kill me, killing me won’t change the fact that you’re scum! Why did you abandon my goddess!’

‘The goddess I dreamed of, longed for day and night but could not love, you have spoiled and abandoned her like this, are you worthy of my goddess? Are you ashamed of what you have made with your goddess? Scum!’

The figure in the suit cursed and climbed up, limping in while pointing at Lin Hao in a stern question.

The corners of Lin Hao's mouth twitched, what the hell, why was this guy back again?

Even Lei Ling and Lin Ruoshi saw the man in the suit? Lu serve ershan whisk whisk west? The company is also speechless, directly ignored him, the body of the Xuan light is also quietly dissipated, heart at the same time thought: so it is this douchebag ah!

But the viewers in the broadcast room were burning with gossip!

'Wow, what a great gossip!'

'Sherlock Holmes has possessed me, I've already made up a love triangle battle, the feud between the rich generation, the love between the goddesses, please add it downstairs!'

'Add, Boss Lin and the suit man's goddess got together, gave birth to Xiao Shi, the suit man loved but could not, never gave up, infatuation, originally thought it was a silent blessing, who knew that Boss Lin abandoned his goddess, so the suit man was angry, no more pretending, defying the power, hand to tear the scum!'

'No way, Boss Lin doesn't look like such a person.'

'Upstairs, do you understand the human face and the beast's heart? I said, how can there be such a perfect man in this world, this is obviously impossible, so it's all pretend.'

‘I wish Boss Lin was a little more slaggy and slagged me a bit too’

‘Crap’

‘Holy shit’

.....

Just as the live viewers were discussing in a frenzy, Lin Hao cried and laughed as he looked at the suited Chen Hao Bei: ‘You’re not finished are you? If you don’t go home to inherit the Chen family business, why are you here to cause trouble? If you make any more noise, I’ll have your family’s ancestor take you home to feel the caress of your relatives.’

‘Bah! Chen family estate, I do not care, I have let other clan members inherit, I will take dry shares, regardless of bah, is that what I am going to say? You scum, my goddess in the end by where you hide!’ The reacting Chen Haobei once again pointed at Lin Hao and cursed.

‘You can not love, but please do not hurt, goddess you can not want, but I want! I really didn’t think that you bastard could be even more of a beast than me.’

‘Your brain designates some kind of big disease.’ Lin Hao was incomparably speechless at Chen Haobei, while also laughing bitterly at his daughter-in-law’s damned charm.

Chen Haobei was even Lin Ruoshi forced to stop him: ‘Uncle do you have something? Nothing come over here first to talk about compensation.’

‘Xiao shi, it’s me, it’s your uncle Chen Haobei, don’t worry, if this slag gets together with that woman and doesn’t want you, I’ll be your father, I can take your surname.’ Chen Haobei squatted down and tried to hug Lin Ruoshi.

The audience in the live broadcast room even brainstormed a big drama, that is, the incomparably infatuated rich second generation, for the goddess can give up the family inheritance, but also humble enough to raise the goddess and others left children, but also humble enough to take the child’s surname.

The female netizens have been moved to tears, why they did not meet such an infatuation of the rich second generation, around either scum rich second generation or short and poor, ugly even if, but also poor!

‘You don’t deserve to have my surname.’ Chen Haobei, a fourth-grade illusionist, failed to react and was directly thrown away by Lin Ruoshi’s slap.

The audience was dumbfounded!

‘No, no, is this the cute, soft little girl we love? This, this is too scary.’

Chapter 2478

‘A little body contains a lot of energy, you can’t call her a little girl anymore, you’ll have to call her Master Shi!’

‘How strong must that be? It didn’t look like he used much strength, but a grown man was slapped away, and he even spat blood and lost his teeth! I was dumbfounded.’

‘My mum asked me why I was kneeling to watch the live stream Now my mum is kneeling with me in one piece.’

‘Upstairs classic mum asked kneeling.’

.....

Originally Lin Hao thought that the other party would leave on this, who knew that Chen Haobei covered his mouth, or came in, and talk are leaking wind.

Lin Hao all want to blast people, although do not want to do too much, after all, is now also open for business.

‘What the hell do you want?’ Lin Hao looked at Chen Haobei’s operation, all of which left Lin Hao speechless.

‘I, I’m not here to cause trouble, ah, I just? Dye Love Dye Flick Picketing West Flicker? Pissed off to see you and other women flirting with each other, for Shen Xiyan feel unworthy.’ The company’s main business is to provide a wide range of products and services to its customers.

‘It’s got nothing to do with you! My friend’s health is not good, so what’s wrong with me caring about it? It’s you! Shen Xiyan is my wife, you’re the king of the sea, so why are you so concerned about my wife?’ Lin Hao didn’t bother to give face to the other party, this was live, if he didn’t explain clearly, then he didn’t know what would be spread.

But Chen Haobei straightened his back: ‘I’m no longer a sea king, until the moment I saw your wife, I knew that she was the goddess I really wanted, and I decided to go ashore then!’

The live stream was crouching for days.

‘Crap I think I know something amazing!’

‘This damn feelings is the sea king in love with someone else’s daughter-in-law, digging the wall still pretending to be affectionate, and thought that boss Lin is not a good person, this suit of beast is really not something ah.’

‘I know him, Chen Haobei, the youngest of the Chen family in the demon capital, a real rich second generation, rich and powerful, an absolute sea king, see one love one, love one on one. According to rumors, there is this Lin boss couple went to the demon capital to deal with a dragon gate task, and met with Chen Haobei, as a result, Chen Haobei launched a crazy pursuit

of Shen Xiyan, but apart from the pursuit, there is no excessive action, so he was able to live until now

‘Live a long time to see ah, how I kind of like to see a certain young man’s? Senior sea king but transformed into licking dog, this guy is more absolute, directly or licking is married woman on very

‘Haha, the upstairs I know I know, is ‘go to the hospital infusion, you do not ask what kind of infusion? Is thinking about your night.’

The story is clear to everyone, and the almighty netizens have even turned Chen Haobei’s ancestors upside down.

Although everyone condemned and disliked Chen Haobei’s behavior, Chen Haobei’s behavior was not illegal, so there was nothing that could be done about him.

Even Chen Haobei wasn’t satisfied and spoke to the camera, ‘I know, there must be many people scolding me, but what’s wrong with me liking a goddess! I want to dig the wall is my wrong, but I control can not remember I count myself, what can I do!’

‘Besides, look at this, you guys, even a fool can see that this girl likes Lin Hao, and Lin Hao’s wife? You guys have never seen it before, right? Do you think he’s even more excessive than me!’

Although everyone felt that there was some truth in what Chen Haobei said, this was not a reason for him, Chen Haobei, to dig his feet in, right, so everyone still scolded Chen Haobei.

Although everyone was not stupid and could see that Ling Yun was interested in Lin Hao, but after this period of time, they could also see that Lin Hao had been grasping the degrees and was just getting along as a friend.

‘Do you have anything else to do or not?’ Lin Hao was too lazy to talk nonsense and was ready to kick people out.

‘No, I have something to do, I’m a guest, I’m here for dinner, this is the place I drew, it’s destiny from heaven!’ Chen Haobei hurriedly held his proof out, as well as the number plate he had drawn aloft.

Since he was a guest, Lin Hao naturally couldn’t kick him out directly, so he asked Lin Ruoshi to hand Chen Haobei the menu, and at the same time asked Ling Yun to calculate the damage caused by this guy just now and compensate him three times the original price, while he turned around and went to the back kitchen to get busy.

Super Son-in-law Chapter 2479-2480

Chapter 2479

Chen Haobei was not a poor man, he immediately paid the money and ordered three dishes, but he was just about to sit down with those customers, however, no one was willing to eat with him.

So what if he is a famous rich kid in the demon capital, so what if he has power and money, his behaviour is too disgraceful.

Chen Haobei didn't care, and sat down at the corner, but this guy was not a man of leisure.

Chen Haobei took the initiative to come up and talk to Nan Ge: 'Hello Nan Ge, I'm still the big manager of your live stream.'

Nan Ge: ????

'The first thing you need to do is to get your own ID.'

'The love of my life, Xie Yan.' Chen Haobei replied with a smile.

Nan Ge's face instantly darkened: 'As my super-manager isn't named Love Me, I can't believe he's called Love Shie Yan!'

Nan Ge came to his live camera and said, 'Assistant assistant, put down that 'this life loves cherish Yan' id super tube for me, then kick out of the live room and permanently blacklist him, how much he has rewarded you help contact the official, so that the money is returned in the original way. '

'Haha, Nan Ge black face is simply too cute, surprisingly kick dirt big fan, you are really capricious ah, but I have to say a word, pole beautiful ah!'

‘There are a few stinkin’ money great ah, want bar J have his mum and dad and family created the foundation he counted a der ah! This kind of person should not be spoiled!’

The other side of Chen Haobei is very confused, he is not wrong, right? The actual fact is that you’ll be able to get a lot more than just a few of these.

Like since? The people who like you? The person you like is also at fault?

This is wrong, but the key is that you don’t want to cause trouble for people!

The first thing you need to do is to get a good idea of what you want to do.

‘Bad uncle, I don’t want to talk to you, and I don’t want to scold you, will you go away?’ Chen Haobei did not finish his words, Lin Ruoshi directly interrupted and politely sent Chen Haobei away.

Chen Haobei was choked, a face of aggravation, why is it so difficult for him?

Chen Haobei turned his head to look at Lei Ling next to Lin Ruoshi, who, without saying a word, clenched his fist and crackled his bones.

As for the green shirt across the screen over there, he would never dare to mess with it, after all, he often watches the live broadcast and knows that the woman behind the screen is an existence that even Lin Hao is afraid of.

So, Chen Haobei went to the front again: 'That

'Get lost!' Ling Yun's aura daintily bellowed, and Chen Haobei returned to his seat in the dust, feeling that life was loveless.

Netizens called out straight to Ling Yun for being overbearing, that's how they should dislike him, and it was so relieving to see Chen Haobei's miserable look.

He said he wanted to keep an eye on Lin Hao for Shen Xiyan, so he couldn't let him fool around while she was away, and he also wanted to find out where she was.

Lin Hao is too lazy to pay attention to him, and even more lazy to drive him away, this guy also knows how to behave, does not bother, and needs any help of his own initiative to run errands, as for the salary, Lin Hao is not likely to give him a salary.

Even sometimes the staff meal is not even his.

The netizens saw this scene for several days in succession, are close to laughing, somehow feel that this rich second generation some poor is going on?

But think of it as forgiveness for the little girl he used to hawk.

This time Lin Hao is not idle, in addition to open shop is at home closed cultivation, and Chen Hao Bei, open shop stay in the shop, not open directly in the Lin family ancestral home next to rent a house to live, during the day to do a tai shi chair lying, while looking at the direction of the Lin family ancestral home door, simply than professional security guards are more dedicated.

Lin Hao didn't bother with these trivial matters, he had to redevelop a set of sword skills that could fit with the degree of the Heavenly Sin Sword.

That Seven Killings Divine Sword Duel was comprehended by Chen Bei Xuan through the Xuan Yuan Sword, and was able to emit a powerful force when combined with the Xuan Yuan Sword.

Chapter 2480

The Heavenly Sin Sword had the divine pattern of the Xuan Yuan Sword, resembling the Xuan Yuan Sword, but not Xuan Yuan. Lin Hao also found that the power of this Heavenly Sin Sword could never be raised when he used the Seven Killings Divine Sword Duel, and only when the Eye of Silence was open was it able to explode with great power.

In other forms, it was simply ineffective.

Lin Hao was also very frustrated, but it was not easy to develop a sword technique in a short period of time.

At that moment, the parchment book that Lin Hao had been carrying with him burst into a dazzling light, and the Heavenly Sin Sword was pulled by the power of the Xuan Yuan Sword inside the book and appeared out of thin air, coalescing into the first form of the Heavenly Sin Sword.

Lin Hao also snapped awake, but forgot? The first time he saw it, he forgot about it. The remaining parts of the Xuan Yuan Sword had not yet been completely found.

The parchment book must be used to find all things related to the Xuan Yuan Sword, to unlock the curse of the Xuan Yuan Sword, to find out the secret, not just to break the curse of the Xuan Yuan Sword so simple, but also to control it!

It would certainly be a different situation then.

Between Lin Hao's thoughts, a terrifying force suddenly enveloped Lin Hao, and that familiar voice rang out once again, even gloating a little: 'Hahaha, silly, how dare you only react now that this is not the Xuan Yuan Sword, only to remember to ask for other moves instead, huh?'

Lin Hao

'Old man, I find you a bit leathery, yes, I admit, back then you were a bull, a sword to cut down the immortal court, but can you be a bit more decent, otherwise your image in my heart is completely unimaginable.' Lin Hao didn't need to turn around to know who it was.

The spirit of the Yellow Emperor, whose ghost would not dissipate and would not disappear for ten thousand years.

At this moment, the situation around him had also changed, appearing in the middle of a vast and endless sea, and he was suspended above the sea water, and that voice, was coming from behind him.

‘It’s impossible to create sword moves on your own in the short term, I have just the right set of sword skills for the Heavenly Sin Sword, and the name is overbearing, the Godslayer Sword Duel, what do you think, do you want it?’ The spirit was still as immodest as ever, and even a little bit of a self-promoter.

Lin Hao rolled his eyes, placed his hands behind his head and just lay in airspace above the seawater, not responding to the words of the Yellow Emperor’s spirit.

It also happens to have a set!

If you didn’t say you were ready for it Lin Hao wouldn’t believe you, Chen Bei Xuan was already dog enough, this guy was even more dog!

Chen Bei Xuan was only counting things within his sphere, which was only a matter of thousands of years, while this guy was probably counting Chen Bei Xuan all together, so it couldn’t be more obvious which one was stronger or weaker.

‘Seeing that you and I have such a destiny, this sword skill will be given to you, don’t be too touched Oh, you can go out again after your divine skill is completed here, in this time flow is very very fast, a year has passed here, but only a day has passed outside.’ Seeing that Lin Hao did not respond, the spirit could only stiffen his head and continue to guide himself.

However, Lin Hao’s words instantly left him speechless, ‘I don’t want it!’

‘Crap, don’t want it, are you crazy? Ha? Such a good thing, others can’t even beg me for it, and you don’t want it! How can you refuse!’ The spirit was dumbfounded, he was just a part of the consciousness left behind by the Yellow Emperor back then, or rather just inherited the duties of the Yellow Emperor, while they were different complete individuals, quite similar to the relationship between Shen Xiyao and Ling Yun.

The original and the separated one are somewhat related, yet they don’t seem to have much to do with each other.

‘It’s not good, others are begging for it, just give it to them.’ Lin Hao said, still full of care.

‘Don’t you want to know how fierce this sword skill is? Let me tell you, this sword skill has only one sword, a simple, unpretentious, understated and connotative sword, a sword that breaks all laws, a divine skill that is so great that no one can beat it, an imperial enemy with only one sword!’

‘Invisible pretence, the most deadly, low-key pretence to be able to completely amaze the whole scene! Think about it, other people bullish Keras up to the sky kind, sword

moves gorgeous astounding, the result was you plainly a sword to kill, you then blandly turned around casually said: just this you think about it, this how cool?'
