

Super Son-in-law Chapter 2651-2660

Chapter 2651

As for those few supreme existences, they are only responsible for guarding and managing things. Shen Xiyao and the girls are too lazy to care, it's completely meaningless.

The four of them, in fact, only Lin Ruoshi and the three of them are constantly rotating, so Lin Hao can come back to see them anytime.

Lin Hao is a bit disturbed, so the east and the west has been sorted out for a long time, similar to the absence of sun and moon in the palace, this is only how long ah, a year has passed.

But for the earth, ten years have already passed!

Although it was not as exaggerated as a day in heaven and a year on earth, it was still quite terrifying.

Seeing that it was almost time, Lin Hao naturally didn't bother to stay any longer: 'It's alright, I'll go back first.'

'Which of you three are going back with me?' Lin Hao looked at a few people.

The three women looked at each other, and Shen Xiyan laughed lightly, ‘How about this, let Xiaoshi stay with me for another three days, I’ll send her to earth, if we count, she should be of school age, so it’s fine for us to stay here for another year, we’ll see you in a year.’

Lin Hao rolled his eyes, for you it’s one year, for brother it’s ten years!

The good thing was that their life span was no longer limited, it was a long time, so it didn’t matter.

Lin Hao left the Immortal Mansion first, crossing the long ? The earthly Iyi zero love west Iyi west ? of empty space and returned to earth.

Shen Xiyan hugged Lin Ruo Shi and pinched her pretty face, ‘Little Shi, are you happy that Auntie let you go back first?’

Auntie ?

Lei Ling was stunned and looked at Shen Xiyan with incomparable surprise, and even Lin Ruoshi looked at her mother in shock.

What do you mean ?

Her own mother was calling herself auntie!

At this moment, Shen Xi Yan's face was full of a doting smile, but it was not the same as her mother's doting, and it was completely different from Shen Xi Yan's slightly cold voice.

Lei Ling's face could not help but change greatly, surrounded by thunder, the terrifying thunder breath suddenly made the entire Immortal Palace shake, Lei Ling's gaze was serious as he stared at Shen Xiyan: 'Sister-in-law, what the hell is going on here? Why do you you look at this moment?'

'Why do I look so much like your sister Ling Yun at this moment is it? Because I am sister Ling Yun.' Shen Xiyan's face smiled like a flower.

'How is this possible!' Lin Ruoshi and Lei Ling both couldn't help but exclaim in shock, while Lei Ling was even more alert as she stared at Shen Xiyan, ready to strike at any moment, yanking Lin Ruoshi away directly by the hand to protect her behind her.

'You, if you're sister Ling Yun, what about my sister-in-law! You didn't fuse, you took over my sister-in-law's body?' Lei Ling's voice was cold, and full of killing intent!

If this was really what she said, she would not hesitate to take revenge for her sister-in-law!

'Auntie Ling Yun, is what Little Auntie said true? Why are you doing this?' Lin Ruoshi frowned, tears welling up in the corners of her eyes, she didn't want to believe that was the case either.

Shen Xiyan smiled lightly and shook her head, 'Don't misunderstand, we are fused, but with the consent of sister Xiyan, I coexist with Xiyan's divine soul, and it is dominated by Xiyan, I just come out for air once in a while, you guys can't tell Lin Hao about this, otherwise I don't know what she will think then.'

'Alright, I won't tease you guys anymore, let your mother come back and talk to you.' After saying that, the smile on Shen Xiyan's face gradually changed.

'You guys should have met Ling Yun, right?' Shen Xiyan's voice returned to its usual coolness, obviously Ling Yun went back and now it was Shen Xiyan who was in the lead.

Lei Ling and Lin Ruoshi, on the other hand, looked at each other with eyes full of doubt and disbelief.

Lin Ruoshi knew that the one in front of her was her mother, but she still looked a little scared: 'You, are you really mother and not Aunt Ling Yun?'

'Silly girl, naturally it's mommy, if you don't believe me I can ask that guy Chen Bei Xuan to come and explain to you guys personally.' Shen Xiyan was a bit tearful, but also you can understand, such a non-negotiable trivial matter, anyone else would have difficulty believing ah.

Only then did Lin Ruoshi timidly run over and sit on Shen Xiyan's lap, 'Hee hee, no need, I believe in mum.'

Chapter 2652

Lei Ling looked at Shen Xiyang and then at Lin Ruoshi suspiciously, and sighed helplessly, 'If that's really the case, it's not a bad thing for sister Ling Yun, to say the least, our family does owe sister Ling Yun too much.'

Immediately afterwards, Lei Ling however suddenly reacted, 'Then, then if my brother knew about this tsk tsk, my brother is really ravishingly lucky.'

Hearing Lei Ling's words, not only did Shen Xiyang's face look strange, but even the human child Lin Ruoshi also had the same strange face.

'Ahem, let's not talk about this, let's not tell Lin Hao about this first, let's go little shi, mommy will take you around, in three days you will have to separate your body and go to earth, and after you go to earth, your original body will also fall into a deep sleep.' Shen Xiyang hurriedly changed the subject, to be honest, she hadn't even thought of what to tell Lin Hao right now.

Did she pull Lin Hao and tell him: 'Lin Hao, in fact, there is another person's divine soul in your wife's body, coexisting with each other in twin lives, you are marrying one wife is equivalent to marrying two wives.'

Lin Hao returned to the Lin family in Jinling, ten years had passed in China, ten years was enough time for many things to change drastically.

For example, on the banks of the Qinhuai River, near the Lin family's ancestral home, have appeared community buildings, high-rise buildings, prosperous, it seems that it is difficult to calm down here too ah.

The good thing is that this is the only place where the ancestral homes of the three great families of Jinling are still so quiet here, this area of ancient architecture has not changed much, and it seems to have been taken care of from above, no one dares to develop and change here.

Although Lin Hao has been gone for ten years, Chen Haobei and Ao Dog are still here. In today's world, there are only a few people who can beat Chen Haobei, unless some guys don't know what they're doing and sneak into the world.

At present, only a few people in China, including Chen Haobei, have reached the fifth level of illusionary spiritual master, but it is difficult to go further. The Qing Yun Heavenly Palace and the Immortal Palace, as well as the spiritual domains and the Church around the world, have left, and at the same time, 90% of this world's spiritual energy, the end time has truly come.

This was also meant to be a restriction on those sects, even if they didn't want their lives to come, without the spiritual energy to recover, they couldn't stay long, lest they cause a huge impact on the world.

Lin Hao quietly landed in the garden behind the ancestral shrine of the Lin family in the formation, and found this fellow Ao Dog sleeping in front of his green-shirted grave, presumably drunk again.

Seeing Ao Dog in this state, Lin Hao shook his head helplessly, this guy, ten years had passed and still hadn't changed, and it was as if the years hadn't even left any marks on his face in ten years.

Chen Haobei is now the Lin family's great housekeeper, who has been managing the house for ten years, and is a fifth-ranking Illusionist. Although he could not detect Lin Hao's arrival, he instinctively felt that someone had disturbed the formation behind him.

Not daring to slow down, he quickly ran to the back of the ancestral shrine, but was shocked to see Lin Hao here, and was confused: 'Lin, Lin Hao? Ah no, family head, have you returned?'

Ten years!

He had waited for a whole ten years!

Was it finally time to come back?

Now Chen Haobei didn't think much about anything else, he only thought about just following Lin Hao, anyway, the old ancestor had followed Lin Hao, although the goddess was just a goddess and had no relation to him, but as long as he could see the goddess once in a while, that was fine.

At this point, Chen Haobei had already corrected his mindset, much like chasing after a star.

‘Who? Who the hell is back? If you make me sleep, I’ll kill him!’ Chen Haobei’s voice didn’t get an answer from Lin Hao, but it woke up the drunken Ao Dog.

Ao Dog stood up with a carp and cursed, a real drunkard.

Lin Hao was not good enough to slap Ao dog on the ground, looking at this bastard’s bird-like appearance is disturbed

The person who was slapped on the ground did not see who it was and thought it was Chen Haobei who hit him, so he cursed: ‘I’m a horse, Chen Haobei you? How dare you hit me? You dare to hit me, you have the guts, right? See how I’m going to kill you later.’

Super Son-in-law Chapter 2653-2654

Chapter 2653

Chen Haobei cried and laughed, ‘I say Prince Long, this has nothing to do with me, don’t slander me.’

Lin Hao was surprised and glanced at Chen Haobei, Chen Haobei’s appearance had not changed much, but he was much more stable than before he left, he had lost a lot of the aura of a fop youngster.

But think about it, ten years of time is enough to change people a lot.

‘Not you? Then who is it?’ Ao Dog froze and raised his head before he realised that there was someone else here, after seeing clearly that it was Lin Hao, Ao Dog couldn’t help but be dumbfounded: ‘Damn, Lin Hao! I’ve been looking for you for ten years, and I thought you’d been eaten by some goblin!’

Lin Hao didn’t care about him, still looking for him for ten years? He wouldn’t even look for him in his dreams, at most he would meet up with his fairy in her dreams, how would he have time to think about him?

Lin Hao ignored Ao Dog, who was already a bit nervous, and patted Chen Haobei’s shoulder: ‘It’s been a hard year for you, taking care of this old mansion and this drunkard as well.’

‘Lin Hao who are you calling a drunkard, I’ll fight you to the death believe it or not?’ Ao Dog had a look of displeasure on his face and rolled up his sleeves to do it, however Lin Hao and Chen Haobei didn’t even bother to pay attention to this bastard.

‘A year?’ Chen Haobei frowned, ‘Family Head, you’ve been away for ten years, a whole ten years, all of you are like evaporating, with the Qing Yun Heavenly Palace completely disappearing for ten years.’

Lin Hao smiled and nodded, ‘It’s true that a year has passed on the Immortal Palace, and ten years have just passed on earth.’

Lin Hao didn’t hide anything and told him about the time difference between this Immortal Palace and the earth, and also that it rotated every year, and that it was estimated that in

a few days Lin Ruo Shi's Dharma body would come to earth, asking him to take care of Lin Ruo Shi, and Ao Dog.

Chen Haobei looked a little excited, wouldn't that mean that he might meet his goddess in the next ten years? And a goddess who had completely lost her memory, wow, that goddess shouldn't have such a bad feeling towards herself anymore, right?

Chen Haobei didn't dare to have other extravagant hopes, but begged to be able to meet his goddess, as if he was an avid fan meeting a star.

'Don't worry Family Head, I will definitely complete what you have arranged to perfection.' Chen Haobei nodded his head excitedly.

'Well, do a good job, and your Chen family's oldest ancestor is a great one, he is now the acting Immortal King of the Immortal Court.' Lin Hao smiled and then took a step out, but he had already crossed the distance of a thousand miles away.

'Crap, that old thing Chen Xuanfeng has become an Immortal King? Shouldn't it be Lin Hao and his family?' Ao Dog was shocked, then reacted that it didn't seem to be anything magical, the family was all dumpsters, so it was simply normal to find an acting Immortal King and for them to go off to the side and be salty fish.

Chen Haobei was so excited that his body trembled, has the old ancestor become so open now? Even a proxy immortal king is still an immortal king!

At this moment, Lin Hao had already arrived in the middle of the capital, and apart from the Illusionary Spirit Masters of the fifth level realm, it was basically difficult to detect his presence.

Phew ? Lu Shan Pao Lu Fushan Fushan Servant ? Swoosh!

Two figures shot up into the sky and shouted angrily at the same time, 'Who dares to trespass on the forbidden grounds of the Imperial City! Do not enter unless invited, or you will be killed!'

The corners of Lin Hao's mouth twitched fiercely, why are you shouting so loudly?

Luckily, they were using their aura to shout angrily, so no one above the third ranked Illusionary Spirit Masters could hear them, but they still caused a lot of commotion, and hundreds of strong third ranked Illusionary Spirit Masters quickly scurried out from all over the palace, these were the carefully selected elites from the Vermillion Bird Group, and were the most solid line of defence to protect the Dragon Lord.

Of course, the grand finale was naturally the two Fifth Grade Illusionary Spirit Masters who had sped in.

Only those two men were frozen in place when they saw Lin Hao, and one of them shouted out of breath, 'Chief, chief? Ah no, the Zhen Guo War God!'

Next to the man, another valiant, pavilioned woman also solemnly saluted Lin Hao: ‘Reporting to the Zhen Guo War God, Zhu Que has met the Zhen Guo War God.’

‘Hiss, Zhen Guo War God? It’s him!’

Those Vermilion Sparrow groups who had quickly rushed to prepare to meet the enemy were also shocked at this moment, and quickly came back to their senses, all stood straight and saluted with a swish, and were about to chant Zhen Guo War God when Lin Hao angrily said without good grace, ‘Shut up, all keep a low profile.’

Chapter 2654

Those soldiers of the Vermillion Bird group who were just about to shout Lin Hao’s title in excitement all shut their mouths at once, unable to help but feel a little lost.

They were once the soldiers that Lin Hao had led, too, and Lin Hao was once their leader.

It was only after he disappeared ten years ago that he had never been seen again, and the title of War God of Zhen Guo was a personal order given by the Dragon Lord after he had abdicated, the War God of Zhen Guo, the eternal guardian god of China, eternally subduing China, with supreme privileges!

‘All disperse, you two, come down and talk.’ Lin Hao quickly fell down, he didn’t want to be that high profile now, apart from accompanying his daughter, he was just on another secret mission, there was no need to make everyone know.

The other members of the Vermillion Bird group quickly dispersed, and Vermillion Bird and another man quickly fell down, this man was no other than his former subordinate, Chen Kai.

After the vermilion bird came down, see no one around, also just Chen Kai here, tears finally can't help but fall, all of a sudden pounce? The service er love intention to pick up dye west? into Lin Hao's arms: 'Oooh, you bastard, I thought you'd just leave me and never want me again.'

Chen Kai froze, then looked odd hovering back and forth between the two, something odd, these two have odd ah.

Lin Hao, on the other hand, was dumbfounded: ????

No, sister, what do you mean, your words are easily misunderstood, okay?

'Damn girl, get up! This is a very easy way to make people think, okay? What do you mean by leaving you and not wanting you? I'm just your officer, what are you thinking.' Lin Hao cried and laughed as he pushed Zhu Que away.

It was undeniable that ten years had passed, and Vermilion Bird was now a big, beautiful girl, and her tearful appearance was even more heartbreaking.

But Lin Hao didn't feel heartbroken, instead he felt an egg ache.

Vermilion Bird also realised that she had said the wrong thing in her haste and made a face at Lin Hao: 'Hmph, what's the difference? What did my father tell you to take good care of me, you know, our father and Uncle Cang Wolf and the others all left with you, and once they left it was ten years without a word, I only have one family member, my father.'

'You also disappeared for ten years, you're no different from a man who abandons his wife and son.'

The corners of Lin Hao's mouth twitched: 'Why don't I just let your father back in?'

Vermilion Bird blinked her eyes, 'Really?'

Lin Hao nodded, a handful of people would be okay, more would not be okay.

Chen Kai smiled as he walked up, 'This girl only acts like a girl in front of you, in the army, they are all devil generals that everyone avoids, but you, boss, you have to disappear without a word for ten years, where have you been?'

Lin Hao shook his head: 'Don't say, don't say, it won't do you any good to know. Where is the Shadow? Is the Shadow dead? And what was the meaning of the Zhen Guo War God you all shouted just now?'

Chen Lin and Zhu Que looked at each other, it seemed that Lin Hao had indeed disappeared for ten years, to the extent that he didn't know anything about the great events that had happened over the years!

Chen Kai and Zhao Chen rotated, Zhao Chen was originally the capital town guard, but later changed to a five-year rotation, this time it happened that Chen Kai was in charge of the capital town guard.

The Vermilion Bird group, on the other hand, had been reorganised as the Imperial City guards, and the two of them were naturally here, but not Shadow, who had reached the sixth grade Illusionary Spirit Master realm.

Thus obeying Lin Hao's orders, he was never allowed to interfere in the mundane world again unless there was a life and death situation in the Imperial City, even with Vermilion Bird and Chen Kai, who barely showed their faces anymore.

Lin Hao smiled awkwardly, so that was what had happened, he had arranged things himself and forgotten about them instead.

As for the Zhen Guo War God, that was everything that was arranged before the Dragon Lord came down, and even the new Dragon Lord followed this decision when he took office.

However, after ten years had passed, more than 90% of the people had already forgotten that Lin Hao existed, and only those who were familiar with him still remembered him vividly.

Super Son-in-law Chapter 2655-2656

Chapter 2655

After all, apart from those close to him, who would remember a stranger after ten years? Plus Lin Hao was constantly weakening his influence in that period before he left, so naturally very few people still remembered him, and as for some cultivators, they either couldn't reach that level or those who did were taken away by Lin Hao.

It could be said that it basically amounted to a nobody now, which was happy to be the case.

'Wait, you guys are saying that the last Dragon Master has retired?' Lin Hao froze, seeing the two nodding, Lin Hao was helpless, 'Alright, then take me to meet the current Dragon Lord, I had wanted to return to pay my respects to the old Dragon Lord, lest he say that I had forgotten his promise.'

But there was no difference between the old Dragon Master and the new Dragon Master, so a meeting was all that was needed.

Led by the two men to the ? er yi shanshan dyed service? outside a very simple office, which made Lin Hao a little surprised, this new Dragon Master was quite simple.

After knocking on the door, a loud voice rang out from inside, 'Please come in.'

After the three of them entered the office, the first thing Lin Hao saw was that on a simple desk, a middle-aged man was dressed in plain clothes, bowing his head and dealing with documents, not looking up, and there was a large pile of unprocessed documents on the desk.

Lin Hao looked carefully and found that this man was in his prime, stable and introverted, and to Lin Hao's surprise, a man with a slight surge of aura, but not at the level of a first-class illusionary spirit master, but only a little stronger than an ordinary person.

Seemingly sensing that the three had entered without speaking, Liu raised his head, and when he saw the three he couldn't help but freeze: 'General Zhuque, General Chen you are? This young man is

'Hiss!'

Liu Mou took a closer look and fiercely sucked in a breath of cold air, his entire body brushed up and stood straight: 'Liu Mou has met General Zhen Guo!' Lin Hao shook his head helplessly, Liu Mou?

What a strange name.

Lin Hao snapped and stood up straight, giving Liu Mou a salute, 'Lin Hao, meet the new Dragon Master.'

Liu Mou laughed in embarrassment, 'What do you mean by that, General Lin, it's more like I salute you, if it wasn't for you, how could our China be like this?'

Lin Hao smiled, 'This is what you should do as a member of China, let's not salute each other, it's not meaningful, I'll call you Brother Liu, just forget it, don't make these false salutes.'

The corners of Chen Kai's and Zhuque's mouths twitched, only Lin Hao could call the Dragon Master a brother.

But that was true, it was better than the two of them saluting each other, after all, just now the Dragon Master was respecting his own officer as if he was.

'Then I'll take advantage of you and have the audacity to call you Old Brother Lin.' Liu was not bothered about such things, originally he was quite apprehensive about meeting Lin Hao, after all, the previous Dragon Master had instructed him a thousand times before he came up, that he must have a good relationship with such an existence.

Although the other party could not see it, after all, if he was willing, it would only be a matter of words to overthrow everything, but no matter what, it was not good to offend.

So when he first saw Lin Hao arrive, Liu was really apprehensive, but to his surprise, the other party was really nice to talk to.

'Elder brother Liu is very polite.'

Mou Liu nodded and then looked at Lin Hao: ‘Since old brother Lin has returned, shouldn’t it be time for him to go and take up his post? How about this, old brother Lin, if you want to serve in that department, feel free to pick whatever position you want.’

He even silently added in his heart that it would be fine if he wanted his position, but he didn’t dare to say that, after all, the previous Dragon Master had told him that he had mentioned it more than a few times, and the other party had rejected it outright, not having that intention at all.

Lin Hao was in tears, what was he doing? Did he want him to stay idle or what?

Lin Hao shook his head and refused, saying that he had only come to visit the new Dragon Master and to natter with the old Dragon Master, he really had no other intention.

As for asking him to be the interim chief instructor, he also declined, there was still Chen Kai and Zhuque, he wouldn’t be part of the fun.

Chapter 2656

See Lin Hao repeatedly refused, Liu Mou no longer say anything, even hanging in Jinling is not too willing, so Liu Mou is also very helpless, but he still informed the departments, let the following are long snacks, do not give Lin Hao trouble, otherwise it is enough to just can not be closed.

Liu even put down his work and personally went to visit the old dragon master with Lin Hao. Only now did Lin Hao learn the old dragon master's name, Qin Long Yuan, which is a dominant name.

As for Chen Kai and Zhuque, they even had the cheek to follow them. Shadow, who had been obeying orders, was watching in secret but was too embarrassed to follow them, after all, when Lin Hao descended, Shadow wanted to come out and pay his respects, but he did not show himself because he was obeying orders.

Inside a small compound in the third ring of the capital, Lin Hao met the previous Dragon Master, Qin Long Yuan.

Qin Long Yuan was weeding and planting vegetables in the courtyard with his partner and granddaughter.

But the other party was the previous Dragon Master, so it was indeed a bit small by comparison.

When he saw Lin Hao arrive, Qin Long Yuan couldn't help but be stunned and stood up in surprise, handing the hoe to his little granddaughter next to him, 'What a rare guest, haven't seen you for ten years, you kid still hasn't changed at all.'

To be honest, Lin Hao had not heard a word for ten years, as if he had evaporated, Qin Long Yuan even thought that Lin Hao would not come back, but never thought that Lin Hao had come back and even approached him.

Lin? The ground closed zero steak lu er xi er? Hao lightly smiled and shook his head, but it was Qin Long Yuan who had changed a lot, ten years of time had left visible traces on him, his hair was almost white and many wrinkles had been added to his face.

When he saw Lin Hao arrive, Qin Long Yuan was happy and asked his partner and granddaughter to get ready and welcome the guest.

Qin Long Yuan's little girl, who was also 13 or 14 years old, looked at Lin Hao with great curiosity. She knew the other people, as she was Qin Long Yuan's granddaughter after all, but this handsome big brother seemed to have never seen him before, so how could grandpa still seem to attach great importance to him?

While Lin Hao and the others were resting in the Dragon Master's courtyard, a stream of light descended from the sky at the Lin family in Jinling, a stream of light that no strong person who could not reach the fourth level realm or above could detect.

This stream of light landed directly in the middle of Lin Hao's original room. Chen Haobei, who seemed to have sensed it, rushed in, fearing that he had been attacked and that Ao Dog had gone off to fool around somewhere.

But when Chen Haobei pushed open the door, he suddenly froze: 'Xiyan?'

But Chen Haobei quickly noticed that something was wrong, no, it wasn't that Xiyan wasn't so young, and although this girl looked seven or eight percent like Xiyan, she was obviously childish.

On the contrary, it was more like a more grown up Lin Ruoshi.

At this moment a pavilioned little girl was lying in Lin Hao's room, looking about thirteen or fourteen years old, one meter three tall and wearing a cute big-eyed munchkin T-shirt.

When she heard Chen Haobei's voice, the little girl's eyelashes moved slightly, and only then did she notice Chen Haobei in the room, which was none other than Lin Ruoshi's Advent Dharma body, whose realm was only maintained at the first-class early stage Illusionary Spirit Master.

Lin Ruoshi's big, fluttering eyes looked at Chen Haobei, her eyes a little confused, as if she hadn't come back to her senses.

'What's wrong with you, Little Shi?' Chen Haobei asked cautiously, Chen Haobei was sure that this was never Shen Xiyan, and such lovely big eyes, a look that could make people melt, really made people want to love.

So Chen Haobei made a bold deduction that this was Lin Ruoshi!

Although only a year had passed since the Immortal Court, and Lin Hao had returned without much change because his realm was there, and Lin Ruoshi was still a little girl, so when she came to earth, that was equivalent to ten years having passed.

Isn't that about fourteen years old? Such a look would be consistent with age.

‘I’m fine.’ Lin Ruoshi shook her head adorably, but her long hair was a bit messy, and she rubbed her hazy sleepy eyes, obviously not awake: ‘But who are you, uncle?’

Super Son-in-law Chapter 2657-2658

Chapter 2657

‘I’m going to land zero-woo er dye? Is’

Before Chen Haobei could finish his sentence, Lin Ruoshi lit up and said in a hurry, ‘I know I know, you’re my dad! You’re my dad right?’

Huh?

Chen Haobei’s legs went limp and he almost didn’t kneel down in shock.

This was not something he dared to do, not something he dared to do.

Although he didn’t know why Lin Ruoshi didn’t seem to remember him, Chen Haobei really didn’t dare to admit it, or else Lin Hao would find out, and he would not be beaten up and put into a frying pan.

But Chen Haobei also has his own little thoughts, his own father he naturally does not dare to admit, if he can be the godfather of the goddess daughter, it seems not impossible?

This will invariably bring the two sides closer together.

Only Chen Haobei didn't know this little thought of his, which almost didn't make Lin Hao tear his bones apart.

'No, Xiao shi you misunderstood.' Chen Haobei hurriedly shook his head, 'I am your father's good friend and your godfather, it was your father who asked me to stay and take care of you, don't you remember anything?'

After saying that Chen Haobei also cautiously inquired, 'Xiao shi do you remember your mother?'

'No, then Godfather, take me to find my father quickly, where did my father go?' Although Lin Ruoshi looked like a girl of about fourteen years old, her mind was the same as the original one, five years old at most.

Counting the Lin Ruoshi in the Immortal Court, she was now a little over five years old.

Phew!

Chen Haobei was so pleased with himself, he said, 'Your father has some things to take care of, he will be back soon, let's wait for now, what do you want to eat? Godfather will make it for you.'

'Huh? What godfather? Chen Haobei, you son of a bitch, where did you go to abduct the little girl?' Ao Dog's vague and angry voice sounded from outside the door, then Ao Dog carried the wine jar and staggered in, only to come in and take a look, people were dumbfounded: 'I go, this who is this?'

When Lin Ruoshi appeared in this appearance, Chen Haobei was dumbfounded, and now Ao Dog was equally dumbfounded.

Ao dog is confused, while Chen Haobei is scared, finished, Ao dog now is similar to ordinary people, but if Lin Hao knows about this, he will die.

While the two were having their own thoughts, Lin Ruoshi jumped up and looked at Aoyog with surprise, quickly ran out of bed and walked to Aoyog, taking his hand affectionately: 'Father, where have you been? Didn't Godfather say that you wouldn't be back for a while?'

Father?

This time Ao Dog was dumbfounded, and Chen Haobei was even more like eating a fly, why could he be the father if he was the godfather?

‘Who are you? Who is it? It looks quite similar to her’ Ao Inu was still a bit confused from drinking, so he staggered and looked at Lin Ruoshi, and his tone was not very polite.

Lin Ruo Shi froze for a moment and looked at Ao Dog with aggravation: ‘Father, I am Lin Ruo Shi, Xiao Shi! Why don’t you recognise me? I told you not to drink, you’re always drinking so much.’

Said Lin Ruoshi and showed a look of disgust, ‘Huh~! Such a big smell of alcohol, it stinks to high heaven.’

‘Xiao shi, are you sure?’ Ao Dog was even more confused, but he did run his spiritual qi and immediately dispelled the exact in his body, the alcoholic feeling was gone and his whole body was much more refreshed.

‘You come with me, and I’ll tell you why.’ Chen Haobei hurriedly tugged Ao Dog and headed out.

He could only do so, told Ao Dog the cause and consequences, as for the name godfather, he naturally pushed it on Lin Ruoshi, saying it was Lin Ruoshi who had to call him that, anyway, it had nothing to do with him.

‘Is this even possible?’ Ao Dog cried and laughed, Lin Ruoshi had complete amnesia? Mum and Dad don’t remember, recognising Chen Haobei as her godfather and him as Lin Hao!

Ao Dog glanced at Chen Haobei: 'This is a big deal, if Lin Hao knew about this, he would have to bury us to the ground if he knew the extent of his daughter's slavery!'

Amongst the Lin family.

Chapter 2658

Chen Haobei's body shivered violently when he heard Ao Dog's words, dammit, this could really be possible.

As far as how much Lin Hao doted on Lin Ruoshi, if he knew that he, his own father, didn't even know him anymore, and had instead recognized a godfather a real father, then Lin Hao wouldn't have stormed off on the spot.

'What are you two doing here? You're sweating so much on a cloudy day, what are you doing?' Lin Hao's voice abruptly rang out beside the two.

Lin Hao had a meal at Qin Long Yuan's house and came back after a chat, Zhuque even applied for a transfer to Jinling then and there, Liu Mou thought about it, since Lin Hao had come over, there was naturally no danger in China, so he agreed.

He wanted to be reassigned, but he had to keep at least one person in the capital to guard it.

Lin Hao didn't wait for Zhuque because he had already sensed Lin Ruo Shi's Dharma body arriving while he was eating, so he came back first without chatting for a few minutes.

As a result, just as he returned, he saw the two of them sweating profusely, full of fear, talking about something, so he couldn't help but open his mouth and tease.

It was better if they didn't open their mouths, but as soon as they did, they scared the two of them so much that they shrieked, and cold sweat fell like rain.

'Father, who's here?' Lin Ruoshi heard the movement of the two men and hurriedly emerged from the room to take a curious look, when she saw Lin Hao, Lin Ruoshi instinctively felt that this? The two of them were so familiar and so close. The person is so familiar, and so intimate feeling.

Lin Ruoshi winked cutely at Lin Hao: 'Hello this uncle, my name is Lin Ruoshi, are you a friend of my father?'

Lin Hao frowned, a little confused, he had just heard Lin Ruoshi call out to her father and thought that Lin Ruoshi had not lost her memory, had she not been affected by the Heavenly Dao, did she still remember herself?

But that 'hello uncle' seemed to be directed at himself?

He is the uncle, so who the hell is the father?

‘Godfather, father, is this uncle a friend of yours? He’s a bit strange, how can he say hello without saying yes.’ Lin Ruoshi asked to Chen Haobei and Ao Dog.

At this Lin Hao also reacted quickly, his face instantly gloomy, and also understood what was going on!

Lin Ruoshi’s Dharma body did not escape the influence of the Heavenly Dao, indeed, he had lost his memory, but so damn outrageous, identifying Ao Dog as himself, and even more outrageous, Chen Haobei had even become the godfather, this nerve

himself, the real father instead was called as uncle!

‘Very good, very good ah!’ Lin Hao gritted his back teeth and spoke coldly, with a wave of his hand the Heavenly Sin Sword appeared in his hand, with a clang, the Heavenly Sin Sword was sheathed.

‘Nima, I told you, you son of a bitch, why are you doing this?’ Ao Dog let out a miserable scream and directly ran away with his head in his hands.

Chen Haobei’s legs were wobbling, he wanted to run too, but his feet were weak, so he couldn’t run away.

‘You’re so tough, Chen Haobei! Your father is already a bully for being the Acting Immortal King, but you still want to be my daughter’s godfather!’ Lin Hao gripped the Heavenly Sin Sword and stared at Chen Haobei with gritted teeth as he walked towards him step by step.

Chen Haobei wanted to die, he was just making a small calculation, but he knew that he would lose his life because of it.

‘Stop, you bad uncle, don’t hurt my godfather.’ Lin Ruoshi surprisingly had the guts to rush over and at once blocked Chen Hao Bei with her petite body, glaring angrily at Lin Hao: ‘Bad uncle you go, you are not welcome in our house, you go quickly!’

Lin Hao was both angry and amused, what was this, in the end it was his fault?

But looking at Lin Ruoshi’s incomparably angry and furious appearance, Lin Hao could do nothing about it, he knew that now Lin Ruoshi did not remember anything, and probably had a preconceived notion, if he really annoyed Lin Ruoshi completely.

Super Son-in-law Chapter 2659-2660

Chapter 2659

The fact that Chen Hao Bei was almost crying with fear made Lin Hao’s face hurt. His daughter defended this person, and if he beat this person half to death, she would hate him to death.

Ten years, ten years of time, if Lin Ruoshi hates herself for ten years, she might as well die.

Clang!

Lin Hao hurriedly put the Heavenly Sin Sword away and squeezed out a smile that was worse than crying, 'Little Shi, uncle was joking with your godfather, why did you still take it seriously, ask your godfather if you don't believe me.'

Lin Ruoshi looked at Chen Haobei suspiciously, Chen Haobei's smile was even uglier than Lin Hao's smile, with a trembling voice, 'Yes, it's a joke, we're joking

'Hmph, bad uncle, look what you've scared my godfather into, I don't like you anymore, how old are you, joking so lightly.' Lin Ruo Shi human child coldly snorted, puffed up and left, obviously seeing out that Chen Haobei was scared enough.

Chen Haobei could not help it, he was really scared and almost wet his trousers, so he could only pretend that he was fine.

The first thing he did was to take Chen Haobei out of the courtyard, but in the blink of an eye, he arrived at the Qinhuai River, and Lin Hao threw Chen Haobei onto the riverbank like a piece of rubbish.

Chen Haobei screamed in agony, followed by Lin Hao's residual shadow appearing around Chen Haobei, who then let out a pig-like scream without stopping.

Chen Haobei wanted to die, but he couldn't move a bit, he couldn't even die if he wanted to, and the horrible pain that bruised his bones almost made him collapse, it was too painful.

If the pain continued for a while longer, Lin Hao was afraid that this guy would die from the pain!

It was only a minute of pain, but it made Chen Haobei feel like it was longer than a century, and what killed him was that there were no external injuries or bruises on his body, but the pain was still on and on.

This tactic was simply not too clever, the pain made his eyes tear up.

The worst part is that on the outside, you can't even tell he was injured, there's not even a trace of it, this is obviously because he's afraid that Lin Ruoshi will see it and find Lin Ruoshi himself to complain, how much does this guy love Lin Ruoshi!

Chen Haobei regretted it, Ma De, for the sake of taking advantage of the mouth, this has caused himself enough trouble, but also shocked beyond belief, Lin Hao how strong is it?

The worst part was that the other party was able to get it just right. He even suspected that Lin Hao was able to make him look invisible on the surface, but he was able to crack all the bones in his body into powder!

‘Tell me, what the hell is going on! Tell me everything, but if there’s even the slightest detail hidden, I don’t mind sending you to Hades Purgatory to taste what it means to be truly worse than death!’

Chen Haobei was sweating coldly and begged for mercy, ‘No, no, Master, I’ll tell you everything, I’ll tell you everything, don’t come any further, I can’t take my life.’

Chen Haobei had no choice but to tell Lin Hao what had happened, and when he learned of the bastard’s petty thoughts, Lin Hao was furious, but there was nothing he could do about it.

Lin Ruo Shi Dharma body was wiped out of memory, woke up the first two people to see is the two of them, preconceptions identified the two, a moment I’m afraid it is difficult to put this matter? The first thing you need to do is to get a clear picture of the situation. The situation is clear.

‘This thing you heat up, you give me to solve, otherwise do not blame me not polite!’ After saying this Lin Hao’s figure directly dissipated in the same place, this time, he straight across the void and returned to the Immortal Court!

Above the heavens, in the sky beyond the heavens, towered a lofty palace that stretched to no end, surrounded by haze, rainbow bridges, and immortal cranes flying, a scene of an immortal palace.

Lin Hao didn’t alert anyone and entered the palace where Lin Ruo Shi was resting in a flash. At this moment, Lin Ruo Shi had already fallen into a drowsy sleep, but in her sleep, the little girl’s pretty face was frowning, as if she was having a nightmare.

Chapter 2660

‘Open!’ With a wave of Lin Hao’s hand, a divine light landed on Lin Ruoshi.

The commotion was not big, but it was not small either, and it immediately startled Shen Xiyan and Lei Ling, who appeared in the palace where Lin Ruoshi was in just a thought, and when they saw Lin Hao here, they couldn’t help but be stunned, ‘Lin Hao.’

‘Brother, why have you come back.’ Lei Ling was also very surprised, and then was shocked to see Lin Hao fiddling with the causal threads on Lin Ruoshi: ‘Brother, what’s wrong with you? Could it be that something happened to Xiao shi?’

‘Mud, more than something happened, something big happened! Grass, because I have? Because I had? The matter was delayed and I didn’t return first, Xiao shi has recognized Chen Haobei as her godfather and Ao dog as her real father, instead she has kicked me out, now Xiao shi’s karma line on earth is all messed up, I have to forcibly renew the karma line.’

‘No way!’ Hearing that Lin Hao wanted to forcibly renew the karma, Shen Xiyan was horrified and hastily stopped Lin Hao: ‘Forcibly disturbing the karma, none of us can escape when the Heavenly Dao punishes us! We have not yet jumped out of the heavenly reincarnation, let alone out of the realm of the Great Dao, if we forcefully break the cause and effect, we will all have to pay a heavy price!’

Lin Hao frowned and didn’t say anything as he continued to forcefully fiddle with the karmic threads by enduring the pain, Mudd, how could he endure this when his own daughter was treating someone else as her father?

‘Lin Hao you stop it!’ Shen Xiyan forcibly interrupted Lin Hao despite his insistence and broke the karma wheel, ‘You don’t have to, the earthly karma line is just not affecting Xiao Shi very much, as long as you survive the ten years on earth, the karma line cannot be forcibly disturbed.’

Ten years!

Ten years of letting your daughter call someone else her father? Shit, I can’t stand it!

So what if I change my fate against the heavens and forcibly break the karma! Lin Hao insisted as much as he could, but in the end, he let Shen Xiyan and Lei Ling combine their efforts to stop him.

Under Shen Xiyan’s persuasion, Lin Hao was quiet.

Lin Hao understood Chen Bei Xuan’s true purpose, this was really the beginning of everything, even if they were as strong as the supreme deities, there was still no way to escape beyond the Great Dao and jump out of the ties of heavenly karma.

The reason why they were allowed to return to earth in turn was to challenge the bottom line of the Heavenly Cause and Effect, so that they could find a way to forcibly cut off the cause and effect, and only then would it be truly over.

Just now, Lin Hao wanted to forcefully renew the karma with his own power, and ruffle the karmic thread.

But he still let Shen Xiyan stop him, the power of the Heavenly Dao's karma was so strong that it really could not be changed at will, rashly doing so would instead cause the Heavenly Dao to recoil.

'Then what should we do?' Lin Hao also calmed down, he was indeed a bit overwhelmed by anger just now.

'You're so smart, what else can there be that you can't solve?' Shen Xiyan couldn't help but look at Lin Hao with amusement, 'Just what's the point of keeping those dirty tricks of yours? Besides, don't you have a lot of ideas? How come you can't do anything when it comes to your own daughter? You're just being concerned.'

Lin Hao couldn't help but laugh and scold, 'Fuck off, are you allowed to talk about your husband like that? Believe it or not, I'll make you unable to get out of bed tomorrow!'

'Cut.' Shen Xiyan rolled her eyes full of care.

'Huh~!' Lei Ling's pretty face suddenly turned red, with a disgusted face, she hurriedly slipped away, single dogs had no human rights, this couple abused dogs, even their sister refused to let go.

‘I’ll clean you up when I get back, if you can get out of bed I’ll take your kid’s surname!’ Lin Hao dashed away, he already had an idea, it was just a matter of stealing the sky and changing the sun, it was not difficult to beat Lin Hao.

Looking at the departing Lin Hao, Shen Xi Yan laughed and cursed: ‘Bitch, you take the child’s surname, it’s still Lin

Chen Haobei was ouching and rubbing his medicine, while Ao Dog next to him was watching with glee, only for Lin Hao to come back silently.

Feeling Lin Hao’s arrival, Ao Dog was lying down, and Chen Haobei even forced himself to endure the severe pain, fiercely jumping up from the ground like a spring and turning around to run.

Lin Hao waved his hand and two alas rang out, Ao Dog and Chen Haobei fell to the ground miserably, Ao Dog cursed and spoke, ‘Lin Hao are you being reasonable, this is what this bastard has caused, how can you even hit me, are you still a brother?’
